---

**JOINT RESOLUTION RECOGNIZING APRIL 2022 AS SECOND  
CHANCE MONTH**

**WHEREAS**, every person is endowed with human dignity and value; and

**WHEREAS**, redemption and second chances are American values; and

**WHEREAS**, an estimated 65,000,000 American citizens have a criminal record; and

**WHEREAS**, individuals returning from prison and those who have paid their debts after committing a crime face a "second prison" of stigma and obstacles, also known as collateral consequences; and

**WHEREAS**, individuals with criminal histories encounter significant barriers such as an inability to find housing, employment or education, regain voting rights, volunteer in their communities, secure identification documentation and pay off substantial financial debt accrued as a result of conviction and incarceration; and

**WHEREAS**, these barriers can contribute to recidivism, which increases victimization, decreases public safety and results in lost human capital and economic output for communities; and

**WHEREAS**, since 2020, 2,266 individuals have been released to the community from a Department of Corrections facility; and

**WHEREAS**, the supervised community confinement program provides a supported transition back into communities by affording approved residents the opportunity to finish their sentences while living in communities with the needed supports in place, including housing, education, employment and wellness services, thereby increasing the likelihood of their success when they are removed from Department of Corrections supervision; and

**WHEREAS**, as of April 2022, there were 59 residents participating in the supervised community confinement program; and

**WHEREAS**, the designation of April as Second Chance Month can contribute to increased public awareness about the "second prison," the need for closure for those who have paid their debts and opportunities for individuals, employers, congregations and communities to extend second chances; now, therefore, be it

**RESOLVED:** That We, the Members of the One Hundred and Thirtieth Legislature now assembled in the Second Regular Session, on behalf of the people we represent, take this opportunity to recognize April 2022 as Second Chance Month, and we urge citizens to observe this month through actions and programs that promote awareness of the "second prison" and provide closure for those who have paid their debts.
