SUMMARY

This bill amends language contained in Public Law 2019, chapter 446 governing contributions under the open enrollment provisions of the Retired County and Municipal Law Enforcement Officers and Municipal Firefighters Health Insurance Program. Currently, the law requires a person hired on or after October 1, 2019 to enroll no later than 5 years after hire, conditioned on the enrollment and eligibility requirements of the applicable health plan; this bill removes that condition.

The bill also changes the percentage of gross wages for contributions and the time period during which contributions of gross percentages must be made. The bill removes the requirement of 60 months of contributions by enrollees. The bill also changes the State's payment of certain premium subsidies from payment to the plan to payment directly to enrollees. The amendments to the open enrollment provisions are retroactive to September 19, 2019, and the Department of Administrative and Financial Services, Bureau of Human Resources, office of employee health and benefits is required to ensure correct contribution amounts for those who enrolled between September 19, 2019 and the effective date of this legislation.
