It provides that taxpayers who were eligible for a refundable credit under the credit for educational opportunity may continue to receive a refundable credit for tax years beginning before January 1, 2024.
8 9 10 11 12	1. A qualified individual must be a full-year Maine resident who has obtained an associate, bachelor's or graduate degree from an accredited Maine or non-Maine community college, college or university and who works at least part time in Maine or on a vessel at sea or is deployed for military service in the United States Armed Forces during the taxable year.
13 14	2. Loans obtained from related persons, such as family members, and certain businesses, trusts and exempt organizations, do not qualify for the credit.
15	3. The credit may not reduce the tax due to less than zero.
16 17 18	4. The credit for qualified individuals is the lesser of the amount paid on eligible education loans during the taxable year and 15% of the outstanding eligible education loan debt on the date the first education loan payment is made after a degree is earned.
19 20 21 22	5. The credit for employers is the lesser of the amount paid by an employer on behalf of a qualified employee during the taxable year during the term of employment and 20% of the outstanding eligible education loan debt on the date the first education loan payment is made after December 31, 2021.
23 24	6. The credit is available to the spouse of an individual eligible for a credit even if the spouse is not employed.
25 26 27 28 29	7. Income tax deductions are provided for student loan payments made directly to a lender by an employer on behalf of a qualified employee and payments made directly to a lender on behalf of a taxpayer by a student loan repayment program funded by a nonprofit foundation and administered by the Finance Authority of Maine for residents of the State employed by a business located in the State.
30 31 32	8. The annual credit may include loan amounts paid in excess of the amount due during a taxable year. Credits in excess of those that may be used during a taxable year may be carried over for the next succeeding 5 years.
33 34	The bill also provides funds to market the Job Creation Through Educational Opportunity Program.
