1 **Be it enacted by the People of the State of Maine as follows:**

2 **Sec. 1. 35-A MRSA §307**, as amended by PL 1999, c. 398, Pt. A, §13 and affected
3 by §§104 and 105, is further amended by enacting after the first paragraph a new paragraph
4 to read:

5 A public utility seeking an increase in rates greater than 1% shall send a notice of the
6 increase to the public utility's customers by either first-class mail or the method by which
7 the customer receives bills from the public utility. The commission shall prepare the notice
8 for an increase in rates greater than 1% and may not approve an increase for the public

10 **SUMMARY**

11 This bill requires a public utility seeking an increase in rates greater than 1% to send a
12 notice of the increase to the utility's customers and prescribes details for that notice. The

14 greater than the increase described in the notice sent to customers.
