17 **SUMMARY**

18 This bill modifies the provision of law related to carrying forward general operating  
19 fund unallocated balances at the end of a school administrative unit's fiscal year. Under  
20 current law, unallocated balances in excess of 5% of the previous fiscal year's school budget  
21 must be used to reduce the state and local share of the total allocation for the purposes of  
22 computing state subsidy and school boards may carry forward unallocated balances in  
23 excess of 5% of the previous year's school budget and disburse the funds over a period not  
24 to exceed 3 years, except for in fiscal years 2021-22, 2022-23, 2023-24 and 2024-25, during  
25 which time the applicable percentage threshold is 9% of the previous year's school budget,  
26 not 5%.

27 The bill modifies this provision to provide that the temporary percentage threshold of  
28 9% applies to all future fiscal years.
