**STATE OF MAINE
HOUSE OF REPRESENTATIVES
132ND LEGISLATURE
FIRST SPECIAL SESSION**

COMMITTEE AMENDMENT “ ” to H.P. 41, L.D. 77, “An Act to Stabilize and Sustainably Fund the Department of Inland Fisheries and Wildlife, Fisheries and Hatcheries Division by Increasing the Inland Fishing License Fees and Establishing the Inland Fisheries Conservation and Enhancement Fund”

Amend the bill by striking out the title and substituting the following:

'An Act to Stabilize and Sustainably Fund the Department of Inland Fisheries and Wildlife, Fisheries and Hatcheries Division by Increasing the Inland Fishing License Fees and Establishing the Inland Fisheries Conservation and Enhancement Program'

Amend the bill by striking out everything after the enacting clause and inserting the following:

'Sec. 1. 12 MRSA §10108, sub-§13 is enacted to read:

13. Inland Fisheries Conservation and Enhancement Program. The Inland Fisheries Conservation and Enhancement Program, referred to in this subsection as “the program,” is established within the department's fisheries and hatcheries division.

A. The program must:

(1) Prioritize native inland fish conservation and the research, management and enhancement of the State's native fish, including but not limited to those identified by the department as species of greatest conservation need, brook trout, lake whitefish, arctic charr and lake trout;

(2) Identify and implement actions to enhance native fish production and stocking, including assessment of native fish production programs; and

(3) Continue to conserve, protect and enhance the State's sport fish fisheries.

B. To the extent that resources allow, the program must also support and incorporate the following elements:

COMMITTEE AMENDMENT

1 (1) The design and implementation of regional and statewide fisheries research
2 programs to conserve the State's native inland and sport fish fisheries, ensuring the
3 long-term sustainability and health of the State's fisheries;

4 (2) Investment in new technology, equipment and training programs to enhance
5 the success and effectiveness of the program;

6 (3) Effective communication regarding ongoing program actions, success and
7 collaboration;

8 (4) The establishment of collaborative partnerships to engage organizations,
9 communities and companies representing conservation groups, anglers, land trusts
10 and other organizations involved in outdoor recreation in implementing and
11 publicizing the program; and

12 (5) Engagement with representatives of various agencies, anglers and nonprofit
13 organizations to enhance and restore the State's native fisheries habitat and
14 populations.

15 C. The commissioner may accept money, goods or services donated to the department
16 for the program. Money accepted by the commissioner under this subsection must be
17 deposited into the fisheries and hatcheries division dedicated account.

18 D. The commissioner, or the commissioner's designee, shall report no later than
19 February 1st annually to the joint standing committee of the Legislature having
20 jurisdiction over inland fisheries and wildlife matters regarding program activities,
21 emphasizing the work being done to conserve, research, manage and enhance the
22 State's native inland fish populations and including a summary of expenditures and
23 their allocation.

24 **Sec. 2. 12 MRSA §10252**, as affected by PL 2003, c. 614, §9 and amended by c.
