HOUSE OF REPRESENTATIVES

FIRST SPECIAL SESSION**

COMMITTEE AMENDMENT “ ” to H.P. 513, L.D. 806, “An Act to Amend the Scope of Practice for Expanded Function Dental Assistants”

Amend the bill by inserting after the title and before the enacting clause the following:

**'Emergency preamble. Whereas,** acts and resolves of the Legislature do not become effective until 90 days after adjournment unless enacted as emergencies; and

**Whereas,** the current licensing requirements for an expanded function dental assistant require passage of a separate dental radiologic technique and safety examination, which is the same examination required for licensure of dental radiographers; and

**Whereas,** this legislation eliminates the requirement that an expanded function dental assistant must be separately licensed as a dental radiographer and instead provides for exposing and processing radiographs under the assistant's scope of practice; and

**Whereas,** this legislation must be enacted immediately so that expanded function dental assistants are not required to pay an additional license fee; and

**Whereas,** in the judgment of the Legislature, these facts create an emergency within the meaning of the Constitution of Maine and require the following legislation as immediately necessary for the preservation of the public peace, health and safety; now, therefore,'

Amend the bill by inserting before section 1 the following:

**'Sec. 1. 32 MRSA §9854, sub-§3, ¶A,** as amended by PL 2015, c. 429, §19, is further amended to read:
