9 10 11	COMMITTEE AMENDMENT "" to S.P. 203, L.D. 819, "An Act To Reduce Lung Cancer Rates in Maine by Requiring Testing for and Mitigation of Radon in Residential Buildings by Landlords"
12	Amend the bill by striking out the title and substituting the following:
13 14	'An Act To Reduce Lung Cancer Rates in Maine by Creating a Voluntary Radon Testing and Mitigation Program for Landlords, Homeowners and Home Builders'
15 16	Amend the bill by striking out everything after the enacting clause and inserting the following:
17	'Sec. 1. 22 MRSA §785 is enacted to read:
18	§785. Maine Gold Standard for Radon Testing and Mitigation Initiative
19 20 21 22 23 24	The Maine Gold Standard for Radon Testing and Mitigation Initiative is established, beginning July 1, 2022, within the department to reward, recognize, promote and assist, with a gold standard designation, landlords, homeowners and home builders who participate in radon testing and mitigation activities under this section. A person who meets the criteria established in this section and by the department in rules may achieve a gold standard designation.
25 26	<u>1. Criteria for landlords.</u> In order to obtain the gold standard designation, a landlord must meet the following criteria relating to testing and mitigation.
27 28 29 30 31	A. Every 2 years, the landlord shall conduct radon testing in compliance with this chapter and any standards established by the United States Environmental Protection Agency. The results of the test must be submitted to the department, and the department shall post the results to its publicly available website. The department shall pay for all costs for radon testing that occurs in accordance with this subsection.
32 33 34 35	B. If the results of the radon test completed in accordance with paragraph A reveal a level of radon of 4.0 picocuries per liter of air or above, the landlord shall, within 6 months, mitigate the level of radon in the residential building until it is reduced to a level below 4.0 picocuries per liter of air. Mitigation services must be provided by a

person registered with the department pursuant to this chapter. After mitigation has
 been performed pursuant to this paragraph to reduce the level of radon, the landlord
 shall provide written notice to tenants that the radon levels have been mitigated. The
 department shall pay for the first \$600 in mitigation expenses on behalf of a landlord
 as a result of a test conducted in accordance with paragraph A if it exceeds a level of
 radon of 4.0 picocuries per liter of air or above.

7 2. Criteria for homeowners. In order for a homeowner to obtain the gold standard 8 designation, the homeowner shall, before the conveyance of any residential real property 9 in accordance with Title 33, chapter 7, test for the presence of radon in the air and water in 10 residential real property and arsenic and uranium in water from a private well. For purposes of this subsection, "residential real property" has the same meaning as in Title 33, section 11 171, subsection 6. The department shall pay for all costs for testing that occurs in 12 13 accordance with this subsection and any rules adopted by the department. The department shall pay for the first \$600 in mitigation expenses on behalf of a homeowner in accordance 14 15 with any rules adopted by the department.

3. Criteria for home builders. In order to obtain the gold standard designation, a 16 17 home builder constructing a new home in a municipality that has up to 4,000 residents shall comply with any standards relating to radon preventive features in the Maine Uniform 18 19 Building and Energy Code and the new home must receive an inspection in accordance with rules adopted by the department. To the extent testing is required by the department 20 21 in rule to obtain the gold standard, the department shall pay for all costs for testing. To the 22 extent mitigation is required by the department in rule, the department shall pay for the first 23 \$600 in mitigation expenses.

4. Rules. The department shall adopt rules to implement this section. Rules adopted
 pursuant to this section are routine technical rules as defined in Title 5, chapter 375,
 subchapter 2-A.

Sec. 2. Rulemaking. The Department of Health and Human Services shall adopt
rules to implement the Maine Gold Standard for Radon Testing and Mitigation Initiative
established in the Maine Revised Statutes, Title 22, section 785. The department shall
convene a stakeholder group to assist in the development of the rules.'

Amend the bill by relettering or renumbering any nonconsecutive Part letter or section
 number to read consecutively.

33 SUMMARY 34 This amendment, which is the unanimous report of the committee, replaces the bill. It 35 establishes the Maine Gold Standard for Radon Testing and Mitigation Initiative within the 36 Department of Health and Human Services to reward, recognize, promote and assist, with a gold standard designation, landlords, homeowners and home builders who participate in 38 radon testing and mitigation activities.
