B. The person requesting the waiver has demonstrated to the commissioner's satisfaction that compliance with the requirements of this chapter is impractical with respect to the recreational or hobby mining activities the person intends to conduct;

15 This amendment changes the title of and replaces the bill. It amends the laws regulating
16 explosives and flammable liquids to provide that the Commissioner of Public Safety may
17 approve a waiver from the requirement that a person possessing, using, storing or
18 transporting explosives obtain a permit from the commissioner if the person is intending to

20 including a requirement that the person requesting the waiver had previously been issued a
