**STATE OF MAINE
SENATE
132ND LEGISLATURE
FIRST SPECIAL SESSION**

COMMITTEE AMENDMENT “ ” to S.P. 613, L.D. 1529, “An Act to Enhance the Protection of High-value Natural Resources Statewide”

Amend the bill by striking out everything after the enacting clause and inserting the following:

'Sec. 1. 12 MRSA §685-C, sub-§1, as amended by PL 2021, c. 676, Pt. A, §§23 and 24, is further amended to read:

1. Comprehensive land use plan. The commission shall prepare an official comprehensive land use plan, referred to in this subsection as "the plan," for the unorganized and deorganized areas of the State.

The commission must use the plan as a guide in developing specific land use standards and delineating district boundaries and guiding development and generally fulfilling the purposes of this chapter.

The plan may consist of maps, data and statements of present and prospective resource uses that generally delineate the proper use of resources, and recommendations for its implementation.

The commission shall hold public hearings to collect information to be used in establishing the plan. The public hearings must be conducted according to commission rules adopted in accordance with procedures for the establishment of rules pursuant to Title 5, chapter 375, subchapter 2.

The commission may, on its own motion or petition of any state agency or regional planning commission, hold such other hearings as the commission considers necessary from time to time for the purpose of obtaining information helpful in the determination of its policies, the carrying out of its duties or the formulation of its land use standards or rules.

A. The commission may not finalize a plan or a portion of a plan without:

- (1) Submitting a draft copy of the tentative plan to each regional planning commission and other appropriate planning or state resource agencies, which shall

29 finally adopted by the commission. If the provisionally adopted plan or a portion of
30 the plan is disapproved or revisions are required, the provisionally adopted plan or a
31 portion of the plan must be revised by the commission and resubmitted to the
32 Legislature for approval by act or resolve. The joint standing committee of the
33 Legislature having jurisdiction over conservation matters may submit legislation to
34 implement the provisions of this paragraph.

35 This subsection also applies to any material alteration in the plan.

36 **Sec. 2. 12 MRSA §8879, sub-§1-B** is enacted to read:

37 **1-B. Report on conservation of late-successional forests and old-growth forests.**
38 Beginning with the report due on January 1, 2031, the report must include information
39 regarding the status of late-successional forests and old-growth forests in the State and
40 actions that have been taken since the previous report under this section to enhance the
41 conservation of late-successional forests and old-growth forests on public and private land
42 statewide.

43 **Sec. 3. Maine Land Use Planning Commission; comprehensive land use**
44 **plan.** The Maine Land Use Planning Commission, referred to in this section as "the

1 commission," shall, as part of the next update to the comprehensive land use plan under the
 2 Maine Revised Statutes, Title 12, section 685-C, subsection 1, consider the effectiveness
 3 of its lake management program and whether changing circumstances and new trends
 4 warrant an update to the program, including an evaluation as to whether all lakes or a subset
 5 of lakes should be reclassified, what methods should be used to revise lake classifications
 6 if needed, the cost of the reclassifications, possible funding sources and the priority for
 7 implementation. The evaluation must consider whether additional measures are required
 8 to protect the character and natural resource values of the commission's current
 9 Management Class 7 lakes that are undeveloped and have one or more natural resources

 16 **successional forests and old-growth forests.** The Department of Agriculture,
 17 Conservation and Forestry, referred to in this section as "the department," shall develop a
 18 comprehensive report on statewide strategies to enhance the conservation of late-
 19 successional forests and old-growth forests, including the management of transitioning
 20 late-successional forests. In developing the strategies, the department shall incorporate
 21 ecological values, carbon sequestration methods and economic considerations from a broad
 22 range of perspectives to include forest landowners, forest industry representatives, logging
 23 contractors, conservation interests and local economies. By November 4, 2026, the
 24 department shall submit the report, including any recommendations, to the joint standing
 25 committee of the Legislature having jurisdiction over agriculture, conservation and forestry
 26 matters, which may report out legislation related to the report to the 133rd Legislature in
 27 2027. In completing the report required by this subsection, the department may solicit and
 28 use resources from other state agencies and outside sources.

 41 number to read consecutively.

SUMMARY

1
2 This amendment replaces the bill. The amendment provides that the Maine Land Use
3 Planning Commission may not finalize a comprehensive land use plan under the Maine
4 Revised Statutes, Title 12, section 685-C, subsection 1 or portion of a plan without:
5 submitting a draft copy of the plan to each regional planning commission and other
6 appropriate planning or state resource agencies; submitting a draft copy of the plan to the
7 Director of the Bureau of Resource Information and Land Use Planning within the
8 Department of Agriculture, Conservation and Forestry; and consider all comments and
9 recommendations submitted.

10 The amendment changes the date that the Director of the Bureau of Forestry within the
11 Department of Agriculture, Conservation and Forestry is required to include information
12 regarding late-successional forests and old-growth forests in the director’s report on the
13 state of the State’s forests from January 1, 2026 in the bill to January 1, 2031.

14 The amendment directs the Maine Land Use Planning Commission, as part of the next
15 update to the comprehensive land use plan, to consider the effectiveness of its lake
16 management program and whether changing circumstances and new trends warrant an
17 update to the program.

18 The amendment also directs the Department of Agriculture, Conservation and Forestry
19 to develop a comprehensive report on statewide strategies to enhance the conservation of
20 late-successional forests and old-growth forests, including the management of transitioning
21 late-successional forests. The department is required to submit a report by November 4,
22 2026 to the joint standing committee of the Legislature having jurisdiction over agriculture,
23 conservation and forestry matters, which may report out legislation related to the report to
24 the 133rd Legislature in 2027.
