ENVIRONMENT AND NATURAL RESOURCES

Reproduced and distributed under the direction of the Secretary of the Senate.

**STATE OF MAINE
SENATE
132ND LEGISLATURE
SECOND REGULAR SESSION**

COMMITTEE AMENDMENT “ ” to S.P. 740, L.D. 1870, “An Act to Establish a Climate Superfund Cost Recovery Program to Impose Penalties on Climate Polluters”

Amend the bill by striking out the title and substituting the following:

'Resolve, to Assess the Total Cost to the State of Greenhouse Gas Emissions'

Amend the bill by striking out everything after the title and inserting the following:

'Sec. 1. Department of Environmental Protection; assessment of cost to State of greenhouse gas emissions; report. Resolved: That the Department of Environmental Protection shall conduct an assessment of the costs to the State of the emission of greenhouse gases for the period that began on January 1, 1995 and ended on December 31, 2024. The department may contract with a consultant to conduct the assessment required by this section. The assessment must include:

- 1. A summary of the various cost-driving effects of greenhouse gas emissions on the State, including effects on public health, natural resources, biodiversity, agriculture, economic development, flood preparedness and safety, and any other effect that the department determines is relevant;
- 2. A categorized calculation of the costs that have been incurred and are projected to be incurred by the State of each of the effects identified under subsection 1; and
- 3. A categorized calculation of the costs that have been incurred and are projected to be incurred by the State to abate the effects of greenhouse gas emissions from between January 1, 1995 and December 31, 2024 on the State and residents of the State.

On or before January 1, 2028, the department shall submit a report containing the results of the assessment conducted pursuant to this section to the joint standing committees of the Legislature having jurisdiction over environment and natural resources matters, labor matters, judiciary matters and energy, utilities and technology matters. After reviewing the report, the joint standing committee of the Legislature having jurisdiction over environment and natural resources matters may report out a bill relating to the report to the Second Regular Session of the 133rd Legislature.

COMMITTEE AMENDMENT
