37 on a renewal policy if such consumer has previously been provided a disclosure statement.
38 An insurer may demonstrate compliance with this subsection by using the following
39 example disclosure statement: "In connection with this application for insurance, we may
40 review your credit report or obtain or use a credit-based insurance score based on the
41 information contained in that credit report, including the following factors [description of

SUMMARY

8 This amendment replaces the bill and changes the title. The amendment updates the

11 information may be used, a description of the factors related to credit information that are
12 used or may be used by the insurer in connection with the application, except that, if the
13 insurer uses or may use more than 4 factors related to credit information, the insurer is not
14 required to disclose more than 4 factors. The amendment also requires, upon written
15 request from a consumer, an insurer to provide reasonable exceptions to the insurer's rates,
16 rating classifications, company or tier placement or underwriting rules or guidelines based
17 on extraordinary life circumstances. The requirements apply to insurance policies,
18 contracts and certificates issued or renewed on or after January 1, 2025.
