34 Amend the bill by relettering or renumbering any nonconsecutive Part letter or section  
 35 number to read consecutively.

**SUMMARY**

- 36 This amendment makes the following changes to the bill:
- 37
  - 38 1. It removes the transfer from the unappropriated surplus of the General Fund of
  - 39 \$21,000,000 to the Maine State Housing Authority to provide funds for short-term
  - 40 emergency housing and emergency shelters.

1           2. It eliminates Part B of the bill, which establishes the Winter Energy Relief Payment  
2 Program and transfers funds on a one-time basis totaling \$398,000,000 from the  
3 unappropriated surplus of the General Fund to provide relief payments of \$450 to  
4 individuals who filed a Maine income tax return as of October 31, 2022 and who had  
5 income less than: \$200,000, if filing as an individual filing a married joint return or a  
6 surviving spouse permitted to file a joint return; \$150,000, if filing as a head of household;  
7 or \$100,000, if filing as a single individual or a married individual filing a separate return.

8           3. It removes the transfer authorized in the bill of any available balance in the Winter  
9 Energy Relief Payment Program to the COVID Pandemic Relief Payment Program Fund  
10 to complete the \$850 pandemic relief payment to each eligible resident of the State as  
11 authorized in Public Law 2021, chapter 635, Part L.

12           4. It suspends the 5.5% sales and use tax imposed on tangible personal property and  
13 taxable services from February 1, 2023 until such time as the State Tax Assessor determines  
14 that the net loss of revenue to the General Fund from the suspension of the sales and use  
15 tax has resulted in a loss of \$398,000,000, the same amount used for the Winter Energy  
16 Relief Payment Program in the bill. The suspension does not apply to other sales and use  
17 taxes such as those imposed on prepared food, liquor, cannabis and the short-term rental of  
18 living quarters and automobiles.
