H.P. 821 - L.D. 1296

An Act to Authorize Municipalities to Allow Firefighters to Have Increased Lighting on Their Personal Vehicles

Be it enacted by the People of the State of Maine as follows:

Sec. 1. 29-A MRSA §2054, sub-§2, ¶F, as amended by PL 2021, c. 113, §1, is further amended by amending subparagraph (2) to read:

(2) The municipal officers or a municipal official designated by the municipal officers, with the approval of the fire chief, may authorize an active member of a municipal or volunteer fire department to use one red or combination red and white flashing auxiliary light mounted in the windshield or on the dashboard at the front of the vehicle or 2 flashing red or combination red and white auxiliary lights mounted on the front of the vehicle above the front bumper and below the hood and one red auxiliary light mounted in the rear window area. In addition to the lights authorized under this subparagraph, the municipal officers or municipal official designated by the municipal officers, with the approval of the fire chief, may authorize an active member of a municipal or volunteer fire department to use one red light bar ~~no more than 8~~ no more than 12 inches in length on the roof of the vehicle so that the light is visible to approaching traffic from the front and the rear of the vehicle. The light or lights may be displayed but may be used only while the member is en route to or at the scene of a fire or other emergency. A light mounted on the dashboard or in the windshield must be shielded so that the emitted light does not interfere with the operator's vision. The use of lights may be revoked at any time by the fire chief.
