III. Tricolored bat, Perimyotis subflavus, threatened.

SUMMARY

This bill makes amendments to the State's list of endangered and threatened species pursuant to the Maine Revised Statutes, Title 12, section 12803. It removes the box turtle and the rapids clubtail from the endangered species list. It adds the Ashton's cuckoo bumble bee and the saltmarsh sparrow to the endangered species list. It adds the bank swallow, the Bicknell's thrush, the blackpoll warbler, the cliff swallow, the margined tiger beetle and the tricolored bat to the threatened species list. It also makes some taxonomic nomenclature changes.
