An Act to Improve Safety for Individuals Living in Recovery Residences

Reference to the Committee on Criminal Justice and Public Safety suggested and ordered printed.

Presented by Representative LANDRY of Farmington.
Cosponsored by Representative: LAJOIE of Lewiston.
Be it enacted by the People of the State of Maine as follows:

Sec. 1. 25 MRSA §2452, sub-§4, as enacted by PL 2019, c. 358, §1, is repealed.

SUMMARY

Current law provides that a certified substance use disorder recovery residence is treated as a family residence for the purposes of life safety code requirements, regardless of its size, layout or number of residents. This bill repeals that provision to require such recovery residences to meet the life safety code requirements for similarly situated buildings and housing establishments.
