Sec. 1. Department of Education to create online content. Resolved: That the Department of Education shall work with oncologists and other medical professionals to create online content for school administrative units to use at no cost to educate high school and elementary school students who participate in sex education classes about common early symptoms of cancer, the bone marrow registry and organ donation.

SUMMARY

This resolve directs the Department of Education to work with oncologists and other medical professionals to create online content for school administrative units to use at no cost to educate high school and elementary school students who participate in sex education classes about common early symptoms of cancer, the bone marrow registry and organ donation.
