34 **SUMMARY**

35 This bill establishes the Maine Rural Economy Future Development Program within
36 the University of Maine System to promote future business development in rural Maine by
37 providing course offerings on the economy of rural Maine. The bill requires the University
38 of Maine at Fort Kent, the University of Maine at Presque Isle, the University of Maine at
39 Machias and the University of Maine at Farmington to each create and offer a program that
40 provides a comprehensive study of the rural economy of Maine and that promotes the
41 partnering of students with businesses in rural Maine. The bill specifies that the program

1 must include provisions that, on a biennial basis, allow for up to 3 students from each
2 campus required to implement the program to be selected to work for 2 years on rural
3 economic growth once they graduate and that provide each student with compensation,
4 health care, a housing voucher and student loan forgiveness in exchange for work at the
5 respective campus. The bill also provides General Fund appropriations of \$2,000,000 per
6 year, with each of the 4 campuses required to establish and implement the program
7 receiving \$500,000 annually.
