HEALTH AND HUMAN SERVICES

Reproduced and distributed under the direction of the Clerk of the House.

**STATE OF MAINE
HOUSE OF REPRESENTATIVES
130TH LEGISLATURE
FIRST SPECIAL SESSION**

COMMITTEE AMENDMENT “ ” to H.P. 961, L.D. 1305, “An Act To Streamline Requests for Housing Assistance”

Amend the bill by striking out the title and substituting the following:

'Resolve, To Increase Collaboration between the Maine State Housing Authority and the Department of Health and Human Services'

Amend the bill by striking out everything after the title and inserting the following:

Preamble. Whereas, over 19,000 Maine households with extremely low incomes are severely rent burdened, meaning they pay more than 50% of their income toward rent, because they lack access to either the income or rental assistance to afford rent; and

Whereas, due to the number of households struggling to make housing payments, over 5,000 households face eviction every year in the District Court; and

Whereas, the Maine State Housing Authority engages, directly or through grantees, with thousands of households every year who need assistance with rent, utilities or supportive services to find and keep housing and prevent homelessness; and

Whereas, there are over 350,000 families receiving direct financial assistance, food assistance or medical insurance assistance from the Department of Health and Human Services, through the Temporary Assistance for Needy Families program, Supplemental Nutrition Assistance Program, the MaineCare program and other related programs; and

Whereas, the Department of Health and Human Services engages with families on a regular basis to determine eligibility for these assistance programs through the department's office for family independence and also interacts with numerous other families through the Office of Child and Family Services; and

Whereas, coordination between the Maine State Housing Authority and the Department of Health and Human Services will help meet the needs of families for supports with housing and income in a more simplified and holistic manner; and

COMMITTEE AMENDMENT

1 **Whereas**, the Maine State Housing Authority is currently administering an emergency
2 rental assistance program through community action agencies for which a person is
3 automatically eligible if the person receives benefits through any assistance programs
4 administered by the Department of Health and Human Services, which provides an
5 opportunity for simplified verification; now, therefore, be it

6 **Sec. 1. Collaboration between Maine State Housing Authority and**
7 **Department of Health and Human Services. Resolved:** That the Maine State
8 Housing Authority, referred to in this resolve as "the authority," shall collaborate with the
9 Department of Health and Human Services, referred to in this resolve as "the department,"
10 to seek, identify and implement initiatives to maximize access to housing assistance for
11 recipients of services from the department and maximize access to assistance programs
12 administered by the department for recipients of housing assistance, including students,
13 from the authority or its grantees. Specifically, the authority and the department shall:

14 1. Consider mechanisms, including direct telephone outreach, program staff training,
15 mailings, website links and telephone queue recordings, that provide opportunities to
16 increase enrollment in housing assistance programs among department clients and increase
17 enrollment in department assistance programs among housing assistance recipients;

18 2. Evaluate the extent of increased enrollment in programs administered by the
19 department or the authority that can be reasonably attributed to increased coordination
20 pursuant to this resolve;

21 3. Consider the capacity of the department's and the authority's computer systems to
22 work together in a manner that most effectively facilitates access to additional services for
23 recipients of services provided by the department or the authority, including the potential
24 for applicants applying for assistance from the department to use the same portal to apply
25 for rental assistance, with applicant information sent to the authority to process and finalize,
26 using preverified data from the department, as appropriate;

27 4. Identify barriers to collaboration between the department and the authority and
28 possible solutions and resources, financial or otherwise, necessary to overcome these
29 barriers and implement the identified solutions; and

30 5. Identify any costs, including but not limited to personnel costs and those associated
31 with technology changes, considered necessary to substantially improve coordination
32 between the department and the authority.

33 **Sec. 2. Report. Resolved:** That the department shall submit a report, including any
34 recommended legislation, to the Joint Standing Committee on Health and Human Services
35 and to the Joint Standing Committee on Labor and Housing no later than January 15, 2022
36 describing how the department and the authority have worked together to maximize access
37 to housing and income assistance, including the ways in which the technology currently
38 used and designed by the department and the authority can work together to facilitate
39 access, and plans and recommendations for future coordination between the department
40 and the authority. The joint standing committees may submit legislation related to the report
41 to the Second Regular Session of the 130th Legislature. '

42 Amend the bill by relettering or renumbering any nonconsecutive Part letter or section
43 number to read consecutively.
