HOUSE OF REPRESENTATIVES
131ST LEGISLATURE
SECOND REGULAR SESSION**

COMMITTEE AMENDMENT “ ” to H.P. 1271, L.D. 1978, “An Act to Enact the Reentry Success and Earned Time Act”

Amend the bill by striking out the title and substituting the following:

'Resolve, to Evaluate the Effectiveness of Programs Within the Department of Corrections That Prepare Correctional Facility Residents for Employment and Self-sufficiency Upon Release from Incarceration'

Amend the bill by striking out everything after the title and inserting the following:

'Sec. 1. Evaluation. Resolved: That the University of Maine System shall evaluate the effectiveness of rehabilitation, vocational and educational programs within the Department of Corrections that prepare residents of correctional facilities for employment and self-sufficiency upon their release from incarceration.

- 1. The evaluation must include consideration of the following:
 - A. The degree to which a resident of a correctional facility has equal access to, and opportunity to engage in, the rehabilitation, vocational and educational programs based on the resident’s race, gender, age, classification, length of sentence, applicable good time code, socioeconomic status, education and the resident’s genuine attempts to reintegrate into society;
 - B. The degree of successful completion of rehabilitation, vocational and educational programs and an analysis of barriers to successful completion;
 - C. The degree to which an individual leaving a correctional facility can demonstrate the skill sets and knowledge required to be a successful job seeker based on race, gender, age, classification and length of sentence; and
 - D. The degree to which the current rehabilitation, vocational and educational programs offered at correctional facilities meet the needs of the workforce.

 26 Amend the bill by relettering or renumbering any nonconsecutive Part letter or section
 27 number to read consecutively.

28 **SUMMARY**

29 This amendment replaces the bill, which is a concept draft, with a resolve. The
 30 amendment directs the University of Maine System to evaluate the effectiveness of the
 31 rehabilitation, vocational and educational programs within the Department of Corrections
 32 that prepare residents of correctional facilities for employment and self-sufficiency upon
 33 their release from incarceration.

34 In conducting the evaluation, the University of Maine System must include
 35 consideration of: the degree to which access to and opportunity to engage in the programs
 36 correlates with a variety of factors; the degree of successful completion of those programs
 37 and an analysis of barriers to successful completion; the degree to which an individual
 38 leaving a correctional facility can demonstrate the skill sets and knowledge required to be
 39 a successful job seeker based on race, gender, age, classification and length of sentence;
 40 and the degree to which the current educational and rehabilitative programs meet the needs
 41 of the workforce. The University of Maine System must also, in conducting the evaluation,

1 consult with a number of agency heads, legal practitioners, representatives from various
2 organizations and individuals with certain relevant experience.

3 The University of Maine System must submit an interim report by March 1, 2025 to
4 the joint standing committee of the Legislature having jurisdiction over criminal justice
5 matters that includes preliminary findings from its evaluation and any recommendations
6 based on those findings. The committee may report out legislation based on the interim
7 report in 2025. The University of Maine System must submit a final report by January 1,
8 2026 outlining the findings of its evaluation, along with any recommendations for policies
9 and practices that would improve the effectiveness of programs, and other
10 recommendations related to the final report. The committee may report out legislation
11 based on the final report to the Second Regular Session of the 132nd Legislature.
