

130th MAINE LEGISLATURE

SECOND REGULAR SESSION-2022

Legislative Document

No. 1868

H.P. 1378

House of Representatives, January 5, 2022

An Act To Restore Funding to the State's Tobacco Prevention and Control Program

(EMERGENCY)

Approved for introduction by a majority of the Legislative Council pursuant to Joint Rule 203.

Reference to the Committee on Health and Human Services suggested and ordered printed.

ROBERT B. HUNT Clerk

Presented by Representative CLOUTIER of Lewiston. Cosponsored by Senator MOORE of Washington and Representatives: FAY of Raymond, Speaker FECTEAU of Biddeford, HYMANSON of York, MEYER of Eliot, PEBWORTH of Blue Hill, Senators: CLAXTON of Androscoggin, DAUGHTRY of Cumberland, DAVIS of Piscataquis.

- 1 **Emergency preamble. Whereas,** acts and resolves of the Legislature do not 2 become effective until 90 days after adjournment unless enacted as emergencies; and
- Whereas, this legislation restores funding to Maine's Tobacco Prevention and Control
 Program, which recently had its funding reduced; and
- 5 **Whereas,** Maine has the highest adult smoking rate in the Northeast and, like the rest 6 of the nation, is experiencing a youth tobacco use epidemic; and

Whereas, smoking is the leading preventable risk factor for many of the leading
causes of death of Maine people, including cancer, heart disease, lung disease and stroke,
and increases an individual's risk for severe illness from COVID-19; and

Whereas, tobacco use costs Maine \$811 million in health care bills each year,
 including approximately \$262 million in state Medicaid costs; each Maine household pays
 an additional \$1,066 in state and federal taxes from smoking-caused government
 expenditures; and smoking costs Maine \$647 million in productivity losses; and

Whereas, adequate funding for comprehensive tobacco prevention and control
 programs leads to greater reductions in smoking, and the longer states adequately invest in
 such programs, the greater the impact; and

Whereas, the reduction in funding has resulted in declines in funding for surveillance
 and evaluation, counter-marketing campaigns, eliminating tobacco-related health
 disparities and tobacco treatment; and

Whereas, in the judgment of the Legislature, these facts create an emergency within the meaning of the Constitution of Maine and require the following legislation as immediately necessary for the preservation of the public peace, health and safety; now, therefore,

24 Be it enacted by the People of the State of Maine as follows:

25 Sec. 1. Appropriations and allocations. The following appropriations and allocations are made.
