- **2. Refund authorized.** Any person, association of persons, firm or corporation that purchases electricity or fuel, or that purchases or leases depreciable machinery or equipment, for use in commercial agricultural production, commercial fishing, commercial aquacultural production of commercial wood harvesting or commercial mining must be refunded the amount of sales tax paid upon presenting to the State Tax Assessor evidence that the purchase is eligible for refund under this section.
- Evidence required by the assessor may include a copy or copies of that portion of the purchaser's or lessee's most recent filing under the United States Internal Revenue Code that indicates that the purchaser or lessee is engaged in commercial agricultural production, commercial fishing, commercial aquacultural production or commercial wood harvesting or commercial mining and that the purchased machinery or equipment is depreciable for those purposes or would be depreciable for those purposes if owned by the lessee.
 - In the event that any piece of machinery or equipment is only partially depreciable under the United States Internal Revenue Code, any reimbursement of the sales tax must be prorated accordingly. In the event that electricity or fuel is used in qualifying and nonqualifying activities, any reimbursement of the sales tax must be prorated accordingly.
 - Application for refunds must be filed with the assessor within 36 months of the date of purchase or execution of the lease.
 - **Sec. 12. 36 MRSA §2013, sub-§3,** as amended by PL 2015, c. 481, Pt. B, §1 and affected by §2, is further amended to read:
 - 3. Purchases made free of tax with certificate. Sales tax need not be paid on the purchase of electricity, fuel or a single item of machinery or equipment if the purchaser has obtained a certificate from the assessor stating that the purchaser is engaged in commercial agricultural production, commercial fishing, commercial aquacultural production of commercial mining and authorizing the purchaser to purchase electricity, fuel or depreciable machinery and equipment without paying Maine sales tax. The seller is required to obtain a copy of the certificate together with an affidavit as prescribed by the assessor, to be maintained in the seller's records, attesting to the qualification of the purchase for exemption pursuant to this section. In order to qualify for this exemption, the electricity, fuel or depreciable machinery or equipment must be used directly in commercial agricultural production, commercial fishing, commercial aquacultural production of commercial wood harvesting or commercial mining. In order to qualify for this exemption, the electricity or fuel must be used in qualifying activities, including support operations.'
 - Amend the bill by inserting after section 12 the following:
- 'Sec. 13. 36 MRSA §2855, sub-§8, as amended by PL 1983, c. 776, §4, is repealed.'
- Amend the bill by inserting after section 17 the following:
 - 'Sec. 18. 36 MRSA §2855, sub-§15, as enacted by PL 1981, c. 711, §10, is repealed and the following enacted in its place:
- 40 <u>15. Tax year. "Tax year" means an accounting period that is the same as the taxpayer's</u>
