SUMMARY 10

11 This amendment is the minority report of the committee. The amendment differs from 12 the majority report in 2 ways. In Part A, this amendment repeals the requirements related 13 to health insurance coverage of COVID-19 screening and testing on December 31, 2023. 14 In Part B, this amendment requires that health insurance carriers cover a prescription drug 15 prescribed and dispensed to a patient in a quantity sufficient for an extended period of time, not to exceed a 180-day supply, during a statewide state of emergency declared by the 16 Governor due to a public health threat, except for certain contraceptive supplies or opioid 17 18 medications. The majority report does not limit the scope of the emergency to a public 19 health threat.
