3 amended to read:

4 B. "Major contributor" means a person, other than an individual or a committee, that  
5 makes one or more contributions aggregating in excess of \$100,000 to a ballot question

13 apply to funds received by the major contributor that are restricted to purposes that are  
14 unrelated to a people's veto referendum or direct initiative campaign in the State. A  
15 major contributor may request a modification to the requirements of this paragraph. In

17 and staffing resources of the major contributor, the financial cost and amount of time  
18 it would reasonably take to gather the information, the public interest in having access  
19 to the information and other relevant factors. The commission may accept a financial  
20 disclosure report required under any other law to satisfy the requirements of a  
21 modification to this provision; and

27 A. A recipient committee that fails to provide timely notice to a major contributor under  
28 subsection 2;

29 B. A recipient committee that fails to provide a copy of the notice to the commission  
30 under subsection 2. If the commission assesses a penalty under paragraph A, the  
31 commission may not also assess a penalty under this paragraph; and

32 C. A major contributor that fails to file a timely report required under this section or  
33 that files a report that does not substantially conform to the disclosure requirements of

39 for a waiver under this subsection, the commission shall consider:

40 A. For violations under subsection 5, paragraphs A and B:

41 (1) Whether, as a result of the late notice, the due date for a report required by this  
42 subchapter is later than if a timely notice had been received;
