**2. Growing permitted.** Notwithstanding any ~~other~~ provision of law to the contrary, a person may plant, grow, harvest, possess, process, sell and buy hemp if that person holds a license issued pursuant to subsection 4, ~~except that a person may plant and grow up to 3 hemp plants on no more than one acre of land area or within an indoor facility and harvest, possess and process that hemp for personal use without a license.~~ A grower licensee may plant, grow and harvest only hemp that is grown from seeds saved by the grower licensee as provided in paragraph A, acquired from a certified seed source, grown from a clone that is produced from seeds acquired from a certified seed source or propagated from tissue cultures that are removed from live plants grown from seeds acquired from a certified seed source. The rules must establish an application fee, a license fee, per acre or per square foot fees for monitoring, sampling and testing and guidelines for monitoring the growth and harvest of hemp.

The rules must establish a mechanism for conducting criminal background checks on grower licensees and all key participants and require fees to be paid by the grower licensee or key participant.
