**SUMMARY**

This amendment, which is the minority report of the committee, replaces the bill and changes the title. The amendment removes from the bill all references to pipe tobacco. It also removes provisions related to tax collection that were enacted by Public Law 2023, chapter 441. The amendment includes definitions of "remote retail sale" and "remote retail seller" in the laws regarding retail tobacco licenses. It clarifies that the sale of premium cigars online is legal and not required to be face-to-face. It updates the requirements for age verification by remote sellers of premium cigars to account for online sales. It eliminates the requirement for an out-of-state retail seller of premium cigars to be licensed by the Department of Health and Human Services.
