LD 1653 - RESOLUTION, Proposing an Amendment to the Constitution of Maine to Allow Persons Under Guardianship for Mental Illness to Be Electors and to Protect All Electors from Harassment and Intimidation Oppose LD1653

LINDA HASKELL, I strongly oppose this attempt give voting rights to the mentally ill. What is the next desperate attempt does the Democrat party try to slide into the Maine Constitution. Maine voters must be of sound mind and and have the ability to make understand the voting system and what they would be voting on and for. How dare the Democrats pull such underhanded deceptive Resolutions. Same on the bunch of you that Sponsor and Co-Sponsored this.
