**Notes:**

<sup>1</sup> The interest amount and interest rate reflected is the estimate of the total interest that could reasonably be expected to be paid on the issues. These estimates were derived prior to legislative authorization and voter ratification of the individual issues. The amount of interest paid or to be paid will vary depending upon the rate of interest at the time of issuance.

<sup>2</sup> The laws authorizing these bonds allow that "...any issuance... may contain a call feature" at the "...discretion of the Treasurer of State, with the approval of the Governor."

<sup>3</sup> The laws authorizing this bond allows that the bonds "...may be made redeemable before maturity, at the option of the Treasurer of State."

<sup>4</sup> The laws authorizing these bonds do not specifically reference a call feature but allow the bonds to be issued "...upon such terms and conditions, not inconsistent with (this Act/herewith), as the Governor shall direct" or "The Treasurer of State may negotiate the sale of the bonds by direction of the Governor..."

<sup>5</sup> The law authorizing this bond does not include a call feature or provide the type of direction included in footnote (4).

\* Not shown: P&S 1987, c. 76 deauthorized P&S 1985, c. 75 bond issue and authorized expenditures from available resources rather than issue bonds as originally contemplated.
