

Your Legislative E-mail

A Guide to Accessing and Organizing Your Legislative E-mail

Your Maine Legislative Email

The Legislature provides you with an email address to be used for all Legislative business and correspondence. This allows the Legislative staff offices to better manage email addresses, mailing lists and greatly assists fulfilling any Freedom of Access Act (FOAA) requests.

Legislative E-mail addresses are in the form:

firstname.lastname@legislature.maine.gov

The email addresses are set up by Legislative Information Technology (IT) using the name that appeared on the ballot. If desired, please designate an alternate first name or nickname such as Rob instead of Robert. We do not generally add prefixes, postfixes or other titles to the address; however, we may use middle initials in the case of a conflict between names.
