**FINANCIAL ORDER**

**ORDERED,**

That the State Controller transfer \$9,480 from the All Other line category to the Capital Expenditures line category within account 010-13A-0027-01, Bureau of Marine Science, for the purpose of replacing the heating system in the department's carpentry shop; and,

Be it further ordered, that the State Controller increase the allotment in account 010-13A-0027-01, Bureau of Marine Science, by \$9,480 in the Capital Expenditures line category, and decrease the allotment in account 010-13A-0027-01, Bureau of Marine Science, by \$9,480 in the All Other line category for the purpose of replacing the heating system in the department's carpentry shop; and,

Be it further ordered, that the State Controller authorize the expenditure in accordance with the attached "Revision of the Work Program for Fiscal Year ending June 30, 2025", for which this shall be our sufficient warrant.

**Statement of Fact**

This financial order transfers All Other to Capital Expenditures to make available capital funds for the Bureau of Marine Science for a heater replacement. This portion of All Other funding is no longer required in the Repairs cost category and the All Other line category will have sufficient resources to meet its obligations for the remainder of the fiscal year. The Bureau's current heater is no longer serviceable due to age and is currently inoperable. Failure to allot these funds will result in the inability to conduct work at the Carpentry Shop at the West Boothbay Harbor lab.
