FINANCIAL ORDER

BY GOVERNOR

12/12/25

ORDERED,

That the State Controller increase allotment in account 014-01A-Z328-01, Maine Healthy Soils Fund, by \$1,351,042 in the All Other line category for the purpose of providing grant funds to Maine farms; and,

Be it further ordered,
that the State Controller authorize the expenditure in accordance with the attached "Revision of the Work Program for Fiscal Year ending June 30, 2026", for which this shall be our sufficient warrant.

Statement of Fact

This financial order allots a portion of the unencumbered balance forward to provide financial assistance from the Maine Healthy Soils Fund to farmers who aim to improve on-farm soil health. Funding was provided in Public Law 2023, chapter 412. Failure to allot these funds will have a detrimental impact on the department by limiting its granting ability to support this critical work.

ORDERED,

That the State Controller increase allotment in account 014-94B-0253-01, Baxter State Park Authority, by \$9,600 in the All Other line category and by \$60,515 in the Capital Expenditures line category for the purpose of allotting a portion of the unencumbered balance forward to rehabilitate cabins at Kidney Pond Campground; and,

Be it further ordered,
that the State Controller authorize the expenditure in accordance with the attached "Revision of the Work Program for Fiscal Year ending June 30, 2026", for which this shall be our sufficient warrant.

Statement of Fact

This financial order allots a portion of the unencumbered balance forward to fund the rehabilitation of cabins at Kidney Pond Campground. This phase of the capital project, which includes the Kidney Pond Library, Cabin 6, and Cabin 7, is set to begin in December 2025 and will be completed in July 2026. The three structures require jacking and leveling due to foundation settling caused by freeze-thaw cycles and soil expansion and contraction. Additionally, each building needs a new roof, replacement of wood framing on porches and decks, new windows and doors, insulation, and interior trims. Failure to allot these funds will negatively impact the ability of the Baxter State Park Authority to provide critical building rehabilitation and updates to ensure public safety and enhance the visitor experience.

That the State Controller transfer \$3,426 from the All Other line category in account 010-03B-Z155-01, Bolduc Correctional Facility, to the All Other line category in account 010-03B-0144-01, Maine State Prison, in the amount of \$3,426; and,

Be it further ordered,

that the State Controller increase allotment in account 010-03B-0144-01, Maine State Prison, in the amount of \$3,426; and decrease the allotment in account 010-03B-Z155-01, Bolduc Correctional Facility, in the amount of \$3,426, in the All Other line category for the purpose of combining programs under one account; and,

Be it further ordered,

that the State Controller authorize the expenditure in accordance with the attached "Revision of the Work Program for Fiscal Year ending June 30, 2026", for which this shall be our sufficient warrant.

Statement of Fact

This financial order will enable the Department to transfer funds, budgeted for the Bolduc Correctional Facility to Maine State Prison for the purpose of combining programs under one account. The baseline funds provided for Maine State Prison and Bolduc Correctional Facility were moved into a single account in Public Law 2025, chapter 388. The funds and management for these two facilities are already intermingled and having the facilities under a single budget line will make the funds easier to manage and track.
