* The budgeted Tobacco Settlement Payments generally assume that a portion of the payment will be withheld and placed in an escrow account until the Office of the Attorney General is able to settle that years payments with the Participating Manufacturers. These funds are withheld from FY29 only, as the OAG has settled with the manufacturers for FY26 - FY28. Without this assumed withholding, the estimate for FY29 would increase by an estimated \$12.8 million. The FY28 Tobacco Settlement Payments values are used for FY29 as this year is not yet forecasted by the National Association of Attorneys General.

** Casino Revenue reflects that portion of the State's share of proceeds from slot machines at the Hollywood Casino in Bangor designated for the Fund for a Healthy Maine.

*** Adjustments for prior year balances forward and audit settlements.
