FINANCIAL ORDER

*OK 4/23/26*

**BY GOVERNOR**

**ORDERED,**

That the State Controller increase allotment in account 035-18P-0004-01, BOP Central Services Internal Service Fund Account, by \$250,000 in the All Other line category for the purpose of funding increased expenditures; and,

Be it further ordered,  
that the State Controller authorize the expenditure in accordance with the attached "Revision of the Work Program for Fiscal Year ending June 30, 2026", for which this shall be our sufficient warrant.

**Statement of Fact**

This financial order increases allotment to support higher than anticipated expenses in the BOP Central Services account. These costs can be absorbed within the current rate structure and will not result in additional costs to another agency. BOP Central Services shortfall is primarily due to a significant increase in the cost of lease rentals and operational expenditures. Failure to allot these funds will result in the inability to pay external vendors and meet financial obligations this fiscal year.
