

HEALTH, DENTAL AND VISION BENEFIT ENROLLMENTS AND CHANGES

Legislators who wish to enroll or make a change to their health, dental and vision benefits will need to complete this process through the EHWWC online portal:

<https://me.accessgov.com/oeh/Forms/Page/groupbenefit/groupbenefitenrollment/1>

NEWLY-ELECTED Legislators. Applications must be completed and submitted within 60 days.

NEWLY-ELECTED and RETURNING Legislators. Once you are enrolled, if you have a qualifying life event, the change must be completed within 30 days of the life event. A list of required qualifying life event documentation can be found on the EHWWC website: <https://www.maine.gov/bhr/oeh/benefits/life-events>

Please note: If you are adding dependents, you will need to upload required documentation (i.e., Marriage certificate, Birth Certificate, or Domestic Partner Affidavit).

Important note: For security purposes to protect sensitive information, changes made throughout the online application are unable to be saved. If you exit the application or experience a session timeout before submitting your completed application, you will need to restart. Please make sure any required documentation is available for upload before you begin the process.

Any guidance indicating the enrollment or change is to be completed in PRISM does not apply to legislators at this time.
