LD 21      **Resolve, To Provide Access for Persons with Disabilities to Great Ponds**

RESOLVE 22

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
PINEAU	OTP-AM	H-82

LD 21 directs the Department of Conservation and the Department of Inland Fisheries and Wildlife to develop a plan to provide access for persons with disabilities to ponds that are 10 acres or greater and to submit that plan to the Joint Standing Committee on Agriculture, Conservation and Forestry by January 3, 2008.

## Committee Amendment "A" (H-82)

The committee amendment directs the Department of Conservation and the Department of Inland Fisheries and Wildlife to examine the distribution of great ponds with access for persons with disabilities and to develop priorities for increasing the number and providing an appropriate geographic distribution of ponds with adequate access for people with disabilities. The 2 departments are required to report back to the Joint Standing Committee on Agriculture, Conservation and Forestry by January 3, 2008.

## Enacted Law Summary

Resolve 2007, chapter 22 directs the Department of Conservation and the Department of Inland Fisheries and Wildlife to examine the distribution of great ponds with access for persons with disabilities and to develop priorities for increasing the number and providing an appropriate geographic distribution of ponds with adequate access for people with disabilities. The 2 departments are required to report back to the Joint Standing Committee on Agriculture, Conservation and Forestry by January 3, 2008.

LD 25      **An Act To Change the Maine Land Use Regulation Commission's Lot Size, Coverage and Setback Requirements for Some Affordable Housing Lots on Coastal Islands**

ONTP

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
MCKANE	ONTP	

LD 25 directs the Maine Land Use Regulation Commission to adopt dimensional standards for affordable housing on certain coastal islands. It allows affordable housing to be denser than other residential development with reduced setbacks, smaller lot sizes and larger maximum lot coverage standards. These standards apply only on islands under Maine Land Use Regulation Commission jurisdiction where at least half of the island's land area is protected for conservation purposes. If the island is a municipality or plantation, the governing body for that municipality or plantation must approve the designation of an area as appropriate for affordable housing.

LD 57      **Resolve, To Develop and Promote Enhanced Humane Livestock Handling and Slaughtering Practices**

RESOLVE 10

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
PIEH	OTP-AM	H-43

LD 57 prohibits slaughtering livestock in sight of other livestock. This prohibition becomes effective January 1, 2009 and applies to custom and commercial slaughterhouses. The bill also amends the statutes governing the

## *Joint Standing Committee on Agriculture, Conservation and Forestry*

distribution of grants from the agricultural development fund to specify that the fund may be used to modify slaughterhouse facilities to comply with statutory provisions for humane slaughter. The bill also directs the Commissioner of Agriculture, Food and Rural Resources to give priority in the next 2 grant cycles to applicants proposing to modify slaughterhouses to comply with the prohibition.

### **Committee Amendment "A" (H-43)**

This amendment changes the bill to a resolve directing the Commissioner of Agriculture, Food and Rural Resources to conduct a workshop and develop guidelines for enhanced voluntary humane livestock handling and slaughtering practices.

### **Enacted Law Summary**

Resolve 2007, chapter 10 directs the Commissioner of Agriculture, Food and Rural Resources to conduct a workshop and develop guidelines for enhanced voluntary humane livestock handling and slaughtering practices. It authorizes the Joint Standing Committee on Agriculture, Conservation and Forestry to submit legislation to the Second Regular Session of the 123rd Legislature. It also directs the Commissioner of Agriculture, Food and Rural Resources to give priority to applicants to the Agricultural Development Fund who are seeking funding to modify or construct slaughterhouse facilities to implement the guidelines for enhanced humane handling and slaughtering practices.

**PUBLIC 64**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
SOCTOMAH	OTP-AM	H-44

LD 145 requires at least 5% of the Land for Maine's Future Fund to be allocated for the purchase of archeological sites.

### **Committee Amendment "A" (H-44)**

This amendment replaces the bill. It amends the criteria for determining eligibility for funding from the Land for Maine's Future Fund to specifically include undeveloped archeological sites.

### **Enacted Law Summary**

Public Law 2007, chapter 64 amends the criteria for determining eligibility for funding from the Land for Maine's Future Fund to specifically include undeveloped archeological sites.

### **LD 185 An Act To Prohibit Certain Uses of Monosodium Glutamate**

**ONTP**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
ANNIS SHERMAN	ONTP	

LD 185 prohibits persons selling, offering for sale or serving in any retail store, hotel, restaurant or other public eating place any food or food product from directly adding monosodium glutamate to the food being sold or served. It also changes labeling requirements for food that contains monosodium glutamate.

LD 277 An Act To Require Mapping of Conservation Easements and Public Lands

PUBLIC 331

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
RAYE	OTP-AM	S-253

LD 277 directs the Executive Department, State Planning Office to develop and maintain a database containing information on public and private lands on which, for conservation or recreation purposes, development is prohibited or restricted. It directs the State Planning Office to work with the Maine Library of Geographic Information to produce and make available to the public a map on which these lands are located.

## Committee Amendment "A" (S-253)

The committee amendment replaces the bill. It directs the Land for Maine's Future Board to include in its biennial report maps depicting publicly owned land and permanent interests in land held for conservation purposes. The maps are to provide a representation at a statewide level of the amount of land affected by conservation easements.

## Enacted Law Summary

Public Law 2007, chapter 331 directs the Land for Maine's Future Board to include in its biennial report maps depicting publicly owned land and permanent interests in land held for conservation purposes. The maps are to provide a representation at a statewide level of the amount of land affected by conservation easements.

LD 380 An Act To Protect the Public from Dangerous Dogs

PUBLIC 170  
EMERGENCY

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
NUTTING J	OTP-AM	S-91

LD 380 establishes standards for a secure enclosure in which to confine a dangerous dog. It also allows the court to prohibit a person convicted of violating a court order pertaining to a dangerous dog from possessing or keeping a dog.

## Committee Amendment "A" (S-91)

The committee amendment authorizes a court to order the owner or keeper of a dangerous dog to provide the animal control officer with identifying information for each dog kept by that person, to have dogs kept on that person's premises permanently identified and to order dogs kept on the premises to be confined in a secure enclosure. It also specifies when a dog confined in a secure enclosure by a court order is allowed out of that enclosure and the restraints that must be used.

## Enacted Law Summary

Public Law 2007, chapter 170 authorizes a court to order the owner or keeper of a dangerous dog to provide the animal control officer with identifying information for each dog kept by that person, to have dogs kept on that person's premises permanently identified and to order dogs kept on the premises to be confined in a secure enclosure. It also specifies when a dog confined in a secure enclosure by a court order is allowed out of that enclosure and the restraints that must be used.

Public Law 2007, chapter 170 was enacted as an emergency measure effective May 25, 2007.

MILLS P	ONTP	

LD 471 further clarifies the intent of the Legislature by enactment of 2001 Public Law, Chapter 431 to exempt from the Land Use Regulation Commission's subdivision laws lots of 40 or more acres depicted on a plan that was recorded before September 21, 2001 and that was in compliance at the time of recording.

**LD 472      An Act To Clarify Land Planning in the Unorganized and Deorganized Townships of the State      PUBLIC 264**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
MILLS P	OTP-AM	S-116 S-137      SHERMAN

LD 472 clarifies and amends the process by which the Maine Land Use Regulation Commission adopts a comprehensive land use plan for the unorganized and deorganized townships of the State.

**Committee Amendment "A" (S-116)**

The amendment removes language from the bill that requires the Maine Land Use Regulation Commission to collect information from residents and property owners of the jurisdiction and other interested parties to be used in establishing the land use guidance plan. The amendment also removes language that requires the commission to submit the plan to the joint standing committee of the Legislature having jurisdiction over conservation matters for its approval and that provides that if the committee approves the plan then it must be submitted for the Legislature's approval and, if the Legislature approves, to the Governor. It requires the Maine Land Use Regulation Commission to hold public hearings when developing a comprehensive land use plan. It directs the commission to submit a draft

## *Joint Standing Committee on Agriculture, Conservation and Forestry*

of the comprehensive land use plan to the Joint Standing Committee on Agriculture, Conservation and Forestry along with specific information on the development of the plan no later than December 3, 2007 or a minimum of 30 days prior to a vote by the commission on final adoption of the plan.

### **Senate Amendment "B" (S-137)**

Senate Amendment "B" clarifies the original intent of Committee Amendment "A." It clarifies the process and timing of the presentation of the comprehensive land use plan developed by the Maine Land Use Regulation Commission to the Joint Standing Committee on Agriculture, Conservation and Forestry. It requires the commission to present the final draft to the committee at least 30 days prior to a scheduled vote by the commission on adoption of the plan. If the final draft is not completed before December 3, 2007, the commission must present the most recent revision of the plan to the committee by that date.

### **Enacted Law Summary**

Public Law 2007, chapter 264 requires the Maine Land Use Regulation Commission to hold public hearings when developing a comprehensive land use plan. It requires the commission to present the final draft to the committee at least 30 days prior to a scheduled vote by the commission on adoption of the plan. If the final draft is not completed before December 3, 2007, the commission must present the most recent revision of the plan to the committee by that date.

**LD 473      An Act To Clarify Land Use Regulation in Unorganized and Deorganized Townships      ONTP**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
MILLS P	ONTP	

LD 473 clarifies the purpose of land use regulation in the unorganized and deorganized townships of the State by confirming that such regulation is for the benefit of property owners and residents of these areas, as well as the public benefit. The bill also provides a legislative acknowledgment that these areas are important to the continued vitality of the State and to local economies by promoting forest management and agricultural activities.

**LD 564      Resolve, To Streamline the Regulation of Agricultural Composters**

**RESOLVE 139**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
NUTTING J	OTP-AM	S-357

LD 564 requires commercial agricultural composting operations to register with the Department of Agriculture, Food and Rural Resources. The bill requires the Commissioner of Agriculture, Food and Rural Resources to adopt rules for the regulation of commercial agricultural composting operations. The bill also requires the Commissioner of Agriculture, Food and Rural Resources to submit a written report to the Commissioner of Environmental Protection if a violation of the laws administered by the Department of Environmental Protection is believed to have occurred because of a failure to implement prescribed best management practices.

**Committee Amendment "B" (S-357)**

The committee amendment changes the bill to a resolve directing the Commissioner of Environmental Protection and the Commissioner of Agriculture, Food and Rural Resources to take certain steps regarding oversight of agricultural composting operations. The commissioners are directed to report back to both the Joint Standing Committee on Agriculture, Conservation and Forestry and the Joint Standing Committee on Natural Resources. The Joint Standing Committee on Agriculture, Conservation and Forestry is authorized to submit legislation pertaining to agricultural composting operations during the Second Regular Session of the 123rd Legislature.

**Enacted Law Summary**

Resolve 2007, chapter 139 directs the Commissioner of Environmental Protection to revise the department's rules pertaining to the licensing of agricultural composting operations as waste management facilities. The Commissioner of Agriculture, Food and Rural Resources is directed to develop components to be included in a compost management plan. The commissioners are directed to consult with one another as they proceed with these directives and are required to report back to both the Joint Standing Committee on Agriculture, Conservation and Forestry and the Joint Standing Committee on Natural Resources. The Joint Standing Committee on Agriculture, Conservation and Forestry is authorized to submit legislation pertaining to agricultural composting operations during the Second Regular Session of the 123rd Legislature.

CRESSEY SNOWE-MELLO	ONTP	

# *Joint Standing Committee on Agriculture, Conservation and Forestry*

LD 629 directs the Department of Conservation, Bureau of Parks and Lands to purchase the boat ramp on Sebago Lake in the Town of Standish and 3 acres of Portland Water District property surrounding the boat ramp to establish the Sebago Lake Village State Park. The State will pay the Town of Standish fair market value for the property acquired from the town for the park and the Portland Water District for the value of the property acquired from the district at the value of the property as determined by the tax assessed under the Maine Tree Growth Tax Law. This resolve directs the Bureau of Parks and Lands to improve the boat ramp in its existing location and create parking for 100 motor vehicles and boat trailers.

**LD 680      An Act To Increase Funding for the Spaying and Neutering of Companion Animals      CARRIED OVER**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
NUTTING J	OTP-AM ONTP	S-103

LD 680 changes the way the fees collected from the registration of pet food and commercial feed is distributed. Currently, 1/2 of the fees collected go to the General Fund and the other 1/2 goes to the Animal Welfare Fund. This bill directs the Commissioner of Agriculture, Food and Rural Resources to deposit 1/4 of the fees collected in the General Fund, 1/4 of the fees collected in the Companion Animal Sterilization Fund and 1/2 of the fees collected in the Animal Welfare Fund. This bill also adds language indicating that funds deposited in the Companion Animal Sterilization Fund also come from funds from the registration of pet food and commercial feed pursuant to the Maine Revised Statutes, Title 7, section 714, subsection 2.

**Committee Amendment "A" (S-103)**

Committee Amendment "A" is the majority report. It incorporates a fiscal note.

This bill was carried over to any special or regular session of the 123rd Legislature by Joint Order, H.P. 1369.

## Committee Amendment "A" (H-120)

The committee amendment authorizes final adoption of the rule provided certain revisions are made.

## Enacted Law Summary

Resolve 2007, chapter 19 authorizes final adoption of the rule provided revisions are made that:

1. Clarify that for utility lines, roads, land management roads and mineral or peat extraction, only the portion of the project or the additional length or acreage that triggers permit review is subject to the fee calculation;
2. Remove the provision requiring a permit applicant to pay actual costs incurred for a public hearing and
3. Authorize the Director of the Maine Land Use Regulation Commission to require a petitioner to pay the cost of a public hearing when the petition is for a district boundary change for the purpose of a subdivision or a commercial development.

Resolve 2007, chapter 19 was enacted as an emergency measure effective May 14, 2007.

LD 758 requires that engine coolant or antifreeze that contains more than 10% ethylene glycol or propylene glycol must include an aversive agent that makes it taste bitter so that it is rendered unpalatable. This measure reduces the risk of poisoning of household pets and other animals.

**Committee Amendment "A" (H-399)**

The committee amendment reallocates the provisions requiring engine coolants containing more than 10% ethylene glycol to contain a bittering agent to the statutes administered by the Department of Agriculture, Food and Rural Resources. It removes the requirement in the bill that engine coolant or antifreeze containing more than 10% propylene glycol must include an aversive agent. It adds a limitation on liability for damage to the environment or natural resources or economic loss that results from the inclusion of an aversive agent. It delays the effective date until one year after 3 other northeastern states have enacted similar legislation.

**Enacted Law Summary**

Public Law 2007, chapter requires that engine coolant or antifreeze containing more than 10% propylene glycol include a bittering or aversive agent and provides limitations on liability for damage to the environment or natural resources or economic loss that results from the inclusion of an aversive agent. <u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
MILLS P	OTP-AM MAJ OTP-AM MIN	S-139

LD 852 prohibits a retail store from selling milk for a price that exceeds by 10% the minimum retail price established for payment by consumers by the Maine Milk Commission. The bill exempts sales of organic milk and sales to consumers by producer-dealers from the prohibition on excessive retail pricing. The bill also amends the definition of "target price" as that term is used in the dairy stabilization support statutes to include interest and depreciation on machinery and equipment.

**Committee Amendment "A" (S-139)**

# Joint Standing Committee on Agriculture, Conservation and Forestry

Committee Amendment "A" is the majority report. It removes the sections of the bill relating to retail pricing of milk. It removes proposed changes to the definition of "target price," authorizes the Maine Milk Commission to establish and amend target prices through major substantive rulemaking and, beginning July 1, 2007, establishes interim target prices that may be changed through adoption of major substantive rules.

## Committee Amendment "B" (S-140)

Committee Amendment "B" is the minority report. It changes the threshold for determining excessive retail pricing to 275% of the basic price of milk that is received by farmers, instead of the 10% above the minimum retail price. The prohibition on excessive pricing applies to retail stores meeting the definition of "supermarket." It makes the same changes to the establishment of target prices as in the majority report. The minority report was not accepted.

## Enacted Law Summary

Public Law 2007, chapter 262 authorizes the Maine Milk Commission to establish and amend target prices through major substantive rulemaking and establishes interim target prices, beginning July 1, 2007, that may be changed through adoption of major substantive rules. Identical provisions regarding target prices were included in Part 000 of the biennial budget enacted as Public Law, 2007, chapter 240.

Public Law 2007, chapter 262 was enacted as an emergency measure effective June 8, 2007.

LD 861 requires a person applying pesticides anywhere in a food-handling establishment to have a commercial applicator license.

## Committee Amendment "A" (H-318)

This amendment is the majority report of the committee. The minority report is Ought Not To Pass.

It clarifies that only food establishments and eating establishments required to be licensed are being required to use a commercial applicator for pesticides in nonpublic areas. It uses existing statutory definitions for "food establishment" and "eating establishment." It clarifies that the State Board of Pesticides Control's rules to provide exemptions or reduced licensing requirements for certain applications are routine technical rules. It directs the departments with licensing authority and inspection responsibilities for food establishments and eating establishments to amend their rules to reflect these changes.

It provides an exception to the requirement that pesticides be applied by a commercial applicator when the licensed establishment is ancillary to an agricultural business, the owner or an employee of the establishment is certified as a private applicator and the pesticides are not being applied in an area open to the public.

## Enacted Law Summary

Public Law 2007, chapter 245 requires licensed food establishments and eating establishments to use a commercial applicator for applying pesticides in nonpublic areas as well as public areas. The State Board of Pesticides Control can provide exemptions or reduced licensing requirements for certain applications through rulemaking. It provides an exception to the requirement that pesticides be applied by a commercial applicator when the licensed establishment is ancillary to an agricultural business, the owner or an employee of the establishment is certified as a private applicator and the pesticides are not being applied in an area open to the

LD 875 extends the repeal date on statutory provisions relating to pesticides applications to control browntail moths by one year to March 31, 2008. In addition it amends the provisions to:

1. Allow application of pesticides by air-assisted sprayers to control browntail moths in the area between 50 and 250 feet of the mean high water mark;
2. Allow pesticides applications only when the wind is equal to or greater than 2 miles per hour and blowing away from marine waters;
3. Add applications by licensed commercial applicators using nonpowered equipment to other applications exempted from the restrictions and prohibitions in the Maine Revised Statutes, Title 22, section 1445;
4. Add Lincoln County to the area to which the restrictions apply;
5. Require the Department of Agriculture, Food and Rural Resources, Board of Pesticides Control to continue monitoring of allowed spray applications and direct the board to work with the Department of Marine Resources on sampling and analysis of marine water and sediment; and
6. Require the Board of Pesticides Control to report to the Joint Standing Committee on Agriculture, Conservation and Forestry by January 2, 2008.

## House Amendment "A" (H-46)

This amendment enacts the restrictions on pesticide applications for browntail moths that were repealed on March 31, 2007 with the substantive changes proposed by LD 875 as amended by Committee Amendment "A". LD 875 as amended by Committee Amendment "A" was not enacted prior to March 31, 2007. Therefore, it was necessary to enact revised provisions rather than amending the provisions existing prior to March 31, 2007.

## Enacted Law Summary

Public Law 2007, chapter 50 enacts a revised version of provisions originally enacted as Public Law 2005, chapter 50 establishing buffers and restrictions on the application of pesticides to control browntail moths in coastal areas of Cumberland, Lincoln, Sagadahoc and York Counties. These provisions are repealed on March 31, 2008. The Board of Pesticides Control is required to monitor applications of pesticides using air-assisted sprayers in these areas and to report its findings and recommendations regarding air-assisted spraying to the Joint standing Committee on Agriculture, Conservation and Forestry and the Joint Standing Committee on Marine Resources by January 2, 2008.

Public Law 2007, chapter 50 was enacted as an emergency measure effective April 12, 2007.

PIEH	OTP-AM	H-567 S-373 ROTUNDO

LD 1615 amends many statutes relating to the administration and enforcement of laws pertaining to animal welfare and animal control. The bill also includes provisions to establishes 56 days as the minimum age that a dog or cat may be sold, adopted or given away and to require that animal shelters and rescue groups spay or neuter any dog or cat prior to adoption or make formal arrangements for the altering of the animal within 30 days of adoption.

#### Committee Amendment "A" (H-567)

## *Joint Standing Committee on Agriculture, Conservation and Forestry*

This amendment:

1. Requires rabies vaccinations for wolf hybrids and clarifies that vaccination does not alter treatment of a wolf hybrid when it is suspected of having rabies;
2. Increases the dog license fee by \$1 only for dogs capable of producing young. The bill proposes a \$1 increase for all dog licenses;
3. Strengthens the sheltering requirements for a dog left outdoors in adverse weather;
4. Requires a vendor's license to sell or offer for sale more than one dog or cat in a 12-month period and requires advertising to provide the vendor's license number; and
5. Adds to the aggravated cruelty to animals statutes, making the shooting of a dog or cat by the owner or the owner's agent a Class C crime when the shooting does not conform to statutory conditions for an exception.

This amendment makes technical changes to, corrections to and clarifies certain provisions in the bill. It also removes several sections from the bill, including proposed changes to the definition of "dog" to exclude wolf hybrids from the definition and proposed changes to the provisions for employees of the Department of Agriculture, Food and Rural Resources serving civil process.

### **Senate Amendment "A" (S-373)**

This amendment removes the provisions amending the aggravated cruelty to animals statute that established new Class C and D crimes.

### **Enacted Law Summary**

Public Law 2007, chapter 439 establishes advanced training requirements for animal control officers and prohibits the appointment of persons who have been convicted of certain crimes from serving as humane agents or animal control officers. It also prohibits the Department of Agriculture, Food and Rural Resources from issuing a boarding kennel, breeding kennel or pet shop license to a person convicted of certain crimes.

It extends to 48 hours the holding period at animal shelters for stray and feral cats and increases payment to shelters holding animals pending a court hearing.

It increases the dog license fee by \$1.00 for dogs capable of producing young and provides for a tag to be issued annually with a dog license. It requires rabies vaccinations for wolf hybrids and clarifies that vaccination does not alter treatment of a wolf hybrid when it is suspected of having rabies.

It requires boarding kennels and pet stores to insert their state license number in any advertising they use. It prohibits a pet dealer from contractually exempting the pet dealer from the remedies provided for deaths or health problems caused by disease.

It establishes 56 days as the minimum age that a dog or cat may be sold, adopted or given away. It requires that animal shelters and rescue groups spay or neuter a dog or cat prior to adoption or make formal arrangements for the altering of the animal within 30 days of adoption.

Unless selling under a facility license, a vendor's license is required to sell or offer for sale more than one dog or cat in a 12-month period. The vendor's license number must be included in advertisements.

It strengthens the shelter requirements for a dog left outdoors in adverse weather and amends the animal trespass laws to require immediate removal of an animal if public safety is threatened.

Public Law 2007, chapter 459 reduces annual pet food registration and surcharge fees for home-based manufacturers of pet food that produce 10 or fewer product names and that sell directly to consumers. The total annual registration fee is \$100 and the total annual surcharge is \$20.

## LD 1684 An Act To Create the Maine Agriculture Protection Act

CARRIED OVER

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
SHERMAN		

LD 1684 repeals the Maine Revised Statutes, Title 17, section 2805, which provides protection from nuisance suits for farm operations that use best management practices. It revises the repealed provisions for inclusion in Title 7 under a chapter proposed for enactment as the Agriculture Protection Act in Title 7. The bill establishes incentives to conserve and protect agricultural land and enterprises and to further encourage agricultural development. The bill also allows the State to create agriculture protection areas to foster and strengthen agriculture development.

This bill was carried over to any special or regular session of the 123rd Legislature by Joint Order, H.P. 1369.

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
HILL	OTP-AM	H-121

LD 1727 requires a veterinarian who issues a certificate of rabies vaccination for a dog to forward within one month of issuing the certificate a copy of the certificate to the clerk of the municipality in which the owner resides or, if the owner resides in the unorganized territory, to the dog recorder in that unorganized territory or, in the absence of a duly authorized dog recorder, to a dog recorder in the nearest municipality or unorganized territory in the same county in which the owner resides.

### Committee Amendment "A" (H-121)

This amendment requires a veterinarian to send a copy of dog rabies certificates to the Department of Agriculture, Food and Rural Resources instead of to municipal clerks. The department is charged with periodically distributing the certificates received to the appropriate municipal clerk or dog recorder. It requires the Commissioner of Agriculture, Food and Rural Resources to provide veterinarians with contact information.

### Enacted Law Summary

Public Law 2007, chapter 119 requires a veterinarian to send a copy of dog rabies certificates to the Department of Agriculture, Food and Rural Resources. The department is charged with periodically distributing the certificates received to the appropriate municipal clerk or dog recorder. It requires the Commissioner of Agriculture, Food and Rural Resources to notify veterinarians of the new law and to provide an e-mail address, mailing address and a Fax number for veterinarians to use for submitting copies of certificates to the department.

RESOLVE 91

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
PIEH	OTP-AM	H-520

LD 1913 allows the Director of the Bureau of Parks and Lands within the Department of Conservation to convey certain parcels of land and interest in certain lands owned by the State.

### Committee Amendment "A" (H-520)

This amendment authorizes conveyance of a 2nd easement across a state-owned recreational trail to provide motor vehicle access within a residential subdivision in the Town of Jay. In the bill, the 2nd easement was restricted to aboveground and below ground utilities. This amendment also authorizes conveyance of approximately 4 acres of land on Upper Richardson Lake that is currently leased with the lessee owning the buildings on the property. The amendment stipulates that the conveyance is contingent on the property being transferred as one parcel with deed restrictions prohibiting future subdivision.

### Enacted Law Summary

Public Law 2007, chapter 91 allows the Director of the Bureau of Parks and Lands within the Department of Conservation to convey:

1. An easement for electric transmission lines across 2 state-owned parcels to TransCanada Maine Wind Development, Inc. The parcels are in Wyman Township abutting existing utility corridors and proximate to or abutting State Route 27 and the Appalachian Trail Corridor;
2. An easement for electric transmission lines across a state-owned parcel to Bangor Hydro-Electric Company. The parcel is in Bradley;
3. An easement for electric transmission lines across a state-owned parcel to Bangor Hydro-Electric Company. The parcel is in Township 21 in Washington County;
4. The remaining state interests in the Sandy Pond Dam to the Town of Freedom;
5. Trail crossing rights and access rights across the state-owned St. John Valley Heritage Trail in St. John Plantation;
6. Trail crossing rights across the St. John Valley Heritage Trail in the Town of St. Francis;
7. State-owned property adjacent to a state-owned abandoned rail corridor trail in the Town of Mapleton to allow a landowner to rebuild and expand following a fire;
8. Trail crossing rights to the Town of Jay for a town way across a state-owned recreational trail in the Town of Jay;
9. To Taylor Made Homes Inc. an easement across a state-owned recreational trail in Jay to provide motor vehicle access within a residential subdivision as well as an easement for utilities crossings.

# Joint Standing Committee on Agriculture, Conservation and Forestry

10. To the abutting landowner an easement across a state-owned access road to Bradbury Mountain State Park in the Town of Pownal;
11. State-owned property to the abutting landowner in the Town of Littleton, Aroostook County; and
12. Approximately 4 acres of land on Upper Richardson Lake to the current lessee owning the buildings on the property.

Committee Amendment "A" (H-412) is the unanimous report of the Committee in response to the Governor's proposed bill.

**House Amendment "T" (H-445)**

House Amendment "T" (H-445) makes technical corrections to Committee Amendment "A" to accomplish the following:

This amendment strikes language that is duplicated on page 370, lines 11 to 14 in the committee amendment.

This amendment inserts the General Fund appropriation for the Maine Historical Society that was inadvertently omitted from the committee amendment.

## *Joint Standing Committee on Appropriations and Financial Affairs*

This amendment also corrects language covering a reduction of allotments.

This amendment corrects a reference to the building in the Lockwood Mill Historic District in the City of Waterville for which a taxpayer is entitled to a historic rehabilitation tax credit and changes the tax years for which the credit is allowed.

This amendment makes the following changes to Part XXXX:

1. It amends the language authorizing regional school unit boards to create local school committees by removing unneeded language.
2. It clarifies that cost-sharing agreements pursuant to certain laws remain in effect unless the parties to the agreement modify or terminate the agreement.
3. It clarifies that a municipality that is part of a regional school unit may raise money and direct the spending of those funds to a school serving children from kindergarten to grade 8.
4. It amends the penalty provisions for nonconforming school administrative units by:
  - A. Providing a 50% reduction in the minimum state allocation, rather than the full amount;
  - B. Adjusting the cost component for system administration by half, rather than to zero;
  - C. Removing the ineligibility for the isolated small school adjustment; and
  - D. Removing the percentage increase of the unit's mill rate.
5. It adjusts the full-value education mill rate for nonconforming school administrative units.
6. It clarifies the intent of the Legislature to achieve sustainable, long-term administrative efficiencies by consolidating the current number of school units into 80 regional units or into a number of units that meets the administrative efficiencies established by Part XXXX.
7. It adds language that allows for an efficient, high-performing district to submit a notice of intent to submit an alternate plan.
8. It adds a requirement that school administrative units must exercise due diligence and act in good faith in developing a reorganization plan.
9. It allows an exception to the minimum student population parameter for a school administrative unit that has performed due diligence to develop a regional plan but is surrounded by other units that are included in other consolidation plans.
10. It removes the percentage reductions under the plan parameters and instead requires reorganizing administrative functions, duties and noninstructional personnel so that projected expenditures will not have an adverse impact on the instructional program.
11. It requires written findings by the Commissioner of Education providing specific reasons why a plan does not meet with the requirements of Part XXXX if the plan is returned to the governing body of the affected school administrative units.
12. It prohibits the Commissioner of Education from making a finding that a plan does not meet the requirements of Part XXXX solely on the ground that a finding that it meets the requirements would cause the number of school administrative units to exceed 80.
13. It also amends the referendum procedure to provide for a 2nd referendum date of June 10, 2008 for plans that did not meet the requirements of Part XXXX.
14. It adds a provision requiring the Commissioner of Education to establish criteria for high-performing and low-performing districts.

This amendment enacts a Part YYYY that adjusts the appropriation made in Part A relating to the Maine Community College System and makes an appropriation and an allocation to the Department of Health and Human Services that were inadvertently omitted from the committee amendment.

### **Enacted Law Summary**

Public Law 2007, chapter 240 does the following:

## *Joint Standing Committee on Appropriations and Financial Affairs*

PART A makes appropriations and allocations for necessary expenditures of State Government and other purposes for the 2008-2009 biennium.

PART B provides appropriations and allocations for approved reclassifications and range changes.

PART C authorizes Jobs for Maine's Graduates, the Maine School of Science and Mathematics, the Maine Educational Center for the Deaf and Hard of Hearing and the Governor Baxter School for the Deaf to be included as miscellaneous costs under the General Purpose Aid for Local Schools funding formula to replace General Fund deappropriations in Part A. It also reduces the annual target for the state share percentage for fiscal year 2007-08 and establishes the mill rate expectation at 7.44 for fiscal year 2007-08. It also establishes the state and local components of the cost of funding public education from kindergarten to grade 12 for fiscal year 2007-08.

PART D clarifies and makes technical changes to address issues of eligibility for salary supplements and minimum teacher salaries. It continues the legislative intent that certain municipalities receive the minimum state allocation. It also authorizes additional uses of funding provided for General Purpose Aid for Local Schools and makes statutory changes regarding the disbursement of funds for regionalization, consolidation and efficiency assistance.

PART E repeals the Fund for the Efficient Delivery of Educational Services within the Department of Education.

PART F increases the number of qualifying contributions for Maine Clean Election Act gubernatorial candidates from 2,500 to 3,250. In lieu of the \$2,000,000 transfer authorized to be made on January 1, 2009, it authorizes the transfer of \$700,000 from the General Fund to the Maine Clean Election Fund on September 1, 2008.

PART G requires the State Budget Officer to calculate and transfer by financial order, as adjustments to appropriations, savings in the cost of health insurance in Part A and report the transferred amounts to the Joint Standing Committee on Appropriations and Financial Affairs by November 1, 2007.

PART H changes the distribution of the State's share of real estate transfer tax proceeds by reducing the amount paid to the Maine State Housing Authority by \$5,000,000 in fiscal year 2007-08 and fiscal year 2008-09.

PART I eliminates from the list of major policy influencing positions the Forest Insect Manager position in the Department of Conservation, Bureau of Forestry.

PART J authorizes the Department of Corrections to transfer by financial order Personal Services, All Other and Capital Expenditures between accounts within the same fund for the purpose of paying overtime expenses.

PART K changes the name of the EPSCoR steering committee to the Governor's Maine Science and Technology Advisory Council.

PART L changes the name of the Maine Small Business Commission program within the Department of Economic and Community Development to the Maine Small Business and Entrepreneurship Commission.

PART M continues the voluntary employee incentive programs for use prior to July 1, 2009 and allows the continuation of certain state paid benefits during an employee's participation in such a program. It also directs the State Budget Officer to transfer savings from the program to the General Fund Compensation and Benefit Plan account and lapses \$350,000 in each year of the biennium from identified savings attributable to the programs.

PART N authorizes the State Budget Officer to transfer available balances of General Fund appropriations for Personal Services in fiscal years 2007-08 and 2008-09 to be used for costs associated with collective bargaining.

PART O delays implementation of the Fiscal Stability Program until the 2010-2011 biennium.

## *Joint Standing Committee on Appropriations and Financial Affairs*

PART P removes the limitation on the number of employees that may be funded using the funds collected from the Public Utilities Commission's regulatory assessment.

PART Q authorizes the Maine Governmental Facilities Authority to issue additional securities up to \$11,000,000 in fiscal year 2007-08 and \$6,000,000 in fiscal year 2008-09 for preliminary planning costs and capital repairs and improvements to various state facilities. It also requires the unexpended balance in the Debt Service - Government Facilities Authority account in the Department of Administrative and Financial Services on June 30, 2007 to be carried forward for the same purpose until June 30, 2009.

PART R authorizes the Department of Administrative and Financial Services, in cooperation with others, to enter into certain financing arrangements including: \$5,000,000 for the acquisition of motor vehicles for the Central Fleet Management Division; \$1,800,000 for the acquisition of motor vehicles for the Maine State Police; and \$15,000,000 for the acquisition of hardware, software and systems to support the operations of the Statewide Radio and Network System Reserve Fund.

PART S delays the increase in revenue sharing from 5.1% to 5.2% from July 1, 2007 to July 1, 2009.

PART T recognizes savings from the prepayment of teachers' retirement in fiscal year 2008-09 and provides a plan of action in the event the State Controller determines insufficient cash flow exists to make the entire prepayment.

PART U changes the methodology for funding the administrative expenses of the Maine State Retirement System, the Maine Legislative Retirement System and the Maine Judicial Retirement System.

PART V amends the 3-factor corporate income tax apportionment factor to a single factor, based on sales, effective for tax years beginning on or after January 1, 2007. This Part also applies the so-called "market share" approach for sourcing receipts from intangibles and the sales of services by multistate taxpayers.

PART AAA lapses available General Fund balances in several Department of Health and Human Services accounts.

PART BBB makes adjustments to appropriations and allocations for fiscal year 2006-07.

PART CCC updates the Maine Revised Statutes, Title 36 to conform the Maine tax code to the federal tax code, specifically to the changes in the federal Tax Relief and Health Care Act of 2006. This Part also continues Maine's nonconformity with the federal temporary increases in the United States Internal Revenue Code, Section 179, which concerns business expense deductions. In May 2006, the Code was amended to extend the federal increases in Section 179 to tax years beginning in 2008 and 2009. Under prior federal law, the increases in allowable Section 179 business expense deductions were set to expire for tax years beginning after December 31, 2007.

PART DDD authorizes the State Controller to transfer \$1,000,000 by June 30, 2007 from the Office of Securities Other Special Revenue Funds account in the Department of Professional and Financial Regulation to the unappropriated surplus of the General Fund.

PART EEE transfers \$9,500,000 currently available in the General Fund Profit and Loss account to the unappropriated surplus of the General Fund and subsequently transfers the same amount from the unappropriated surplus of the General Fund to the Medical Care - Payments to Providers General Fund account. As a result of the transfers, \$9,500,000 is available for deappropriation from the Medical Care - Payments to Providers account.

PART FFF authorizes the State Controller to transfer \$6,000,000 no later than June 30, 2008 from Other Special

## *Joint Standing Committee on Appropriations and Financial Affairs*

Revenue Funds to the unappropriated surplus of the General Fund and to reverse this transfer along with interest on July 1, 2008, as repayment. This transfer is considered an interfund advance to be repaid with interest compounded annually at the earnings rate within the Treasurer of State's cash pool on the date of the advance.

PART GGG increases the prescription drug copayment to be collected from MaineCare members from \$2.50 to \$3.00 per prescription dispensed. The per member per month cap on total copayments is changed from \$25 to \$30.

PART HHH authorizes the Department of Administrative and Financial Services, Office of Information Technology to enter into financing arrangements on or after January 1, 2008 and on or after January 1, 2009: to acquire hardware, software and systems to support the development of new applications; and to enhance and modify current application systems. This Part also establishes principal amounts, terms and maximum interest rates; specifies that payment for the debt service costs must be paid by the affected departments; and includes departmentwide appropriations to the Department of Health and Human Services for information technology costs.

PART III authorizes the State Controller to transfer \$2,229,354 by June 30, 2007 from the Accident, Sickness and Health Insurance Internal Service Fund in the Department of Administrative and Financial Services to the unappropriated surplus of the General Fund.

PART JJJ makes statutory changes related to Medicaid 3rd-party liability provisions. These changes are needed to meet federal requirements and to enhance the ability of the Office of MaineCare Services in the Department of Health and Human Services, to identify and recover when 3rd-party payers are responsible for making payments on behalf of MaineCare recipients.

PART KKK provides the method for distributing departmentwide savings within the Department of Health and Human Services that will result from restructuring its cooperative agreement with the University of Maine System and Maine Community College System.

PART LLL requires the Commissioner of Professional and Financial Regulation to biennially conduct a review of fees assessed by the Department of Professional and Financial Regulation and submit a report to the joint standing committees of the Legislature having jurisdiction over appropriations and financial affairs, insurance and financial services matters and business, research and economic development matters identifying any fee changes recommended by the commissioner. This Part also transfers funds from the department with the intent that the transfer not result in an increase of fees imposed by the department.

PART MMM authorizes the Department of Health and Human Services to adopt rules on an emergency basis to implement those provisions of this Act over which the department has subject matter jurisdiction.

PART NNN requires that any amount in excess of \$500,000 transferred in a fiscal year to the Fund for the Efficient Delivery of Local and Regional Services must be transferred to General Fund undedicated revenue.

PART OOO authorizes the Maine Milk Commission to establish and amend target prices for milk producers in the State through major substantive rulemaking and, beginning July 1, 2007, establishes interim target prices that may be changed through adoption of major substantive rules.

PART PPP makes revisions to the milk handling fee. This Part establishes a rate schedule with a minimum handling fee of 2¢ when the basic price of milk drops below \$24 per hundredweight up to a handling fee of 36¢ a gallon when the basic price of milk is between \$15 and \$15.49 per hundredweight. The handling fee would then increase by 6¢ per gallon for every 50¢ decrease in the basic price of milk below \$15 per hundredweight.

PART QQQ requires the Joint Standing Committee on Appropriations and Financial Affairs to conduct the initiative to streamline State Government, a comprehensive analysis of State Government with the goals of consolidating functions and eliminating duplication and inefficiencies in programs, in contracted personal services and

## *Joint Standing Committee on Appropriations and Financial Affairs*

administrative and management positions within State Government. The committee shall investigate and identify major sources of administrative excess, redundancy, inefficiency and program overlap with other state, local or federal programs. The committee shall identify \$10,100,000 in savings to be achieved during the 2008-2009 biennium.

PART RRR establishes the Irrevocable Trust Fund for Other Post-employment Benefits to meet the State's unfunded liability obligations for retiree health benefits, establishes the Retiree Health Insurance Post-employment Benefits Investment Trust Fund within the Maine State Retirement System, designates the members of the Board of Trustees of the Maine State Retirement System as trustees of the investment trust fund and assigns responsibility for investment of the assets of the investment trust fund to the trustees. It provides for the calculation and transfer of funds from the Retiree Health Insurance Internal Service Fund in the Department of Administrative and Financial Services to the Retiree Health Insurance Post-employment Benefits Investment Trust Fund at the Maine State Retirement System.

PART SSS approves the cost items in tentative collective bargaining agreements reached by the State and the bargaining units pursuant to Maine Revised Statutes, Title 26, section 979-D. It authorizes the use of the Salary Plan accounts in the General Fund and Highway Fund for the costs of collective bargaining. It also amends the statutes to increase the mileage allowance paid by the State for travel by employees using privately owned vehicles to the federal rate of reimbursement or 40¢ per mile beginning July 1, 2007, 42¢ per mile beginning July 1, 2008 and 44¢ per mile beginning January 1, 2009, whichever is lower.

PART TTT provides that a total of \$1,588,928 of unencumbered balance forward at the close of fiscal year 2006-07 in the Education in Unorganized Territory, General Fund account in the Department of Education lapses to the General Fund at the close of fiscal year 2006-07.

PART UUU requires the Commissioner of Education to convene a working group to study the current offering of remedial college courses at the University of Maine System and the Maine Community College System and to provide a report to the Joint Standing Committee on Education and Cultural Affairs with its findings and recommendations for changes in the delivery of remedial college courses no later than February 1, 2008.

PART VVV defines "semester" for Title 20-A, chapter 208-A as the fall, spring or summer terms of an academic year and requires that not more than 10% of the total funding available for postsecondary education, either through a direct appropriation to the postsecondary education program within the Department of Education or as part of the ongoing funds included in the appropriation for the general purpose aid for local schools program, may be used for secondary students to take a postsecondary course during the summer term.

PART WWW establishes the authority and requirements for the Department of Health and Human Services to establish rules to implement the MaineCare radiology services prior authorization initiative included in Part A.

PART XXX expands the membership of the Maine Maritime Academy board of trustees from 13 to 16.

PART YYY requires the State Court Administrator and the Commissioner of Corrections, when preparing impact statements on legislation, to consult with certain persons and associations in order to provide accurate estimates of the impact of that legislation on the judicial branch and the correctional system, respectively.

PART ZZZ allows the Commissioner of Corrections, without a prisoner's consent, to transfer a prisoner to supervised community confinement if that prisoner has less than 18 months remaining on that prisoner's sentence. The inmate would have had to serve at least 2/3 of the inmate's sentence if the sentence was more than 5 years or at least 1/2 of the sentence if the sentence was 5 years or less. This Part also requires a pro rata reimbursement to the Department of Corrections for the costs of training a corrections officer who then leaves the department to seek work as a corrections officer in a county facility or other law enforcement agency. This is consistent with current law regarding the costs of training law enforcement officers who change employment after training.

## *Joint Standing Committee on Appropriations and Financial Affairs*

PART AAAA defines the process by which the Department of Health and Human Services will work with providers to achieve savings from standardized rates, system redesign and reduction of administrative burdens. It provides that if the department decides to use rate standardization adjustments to generate a larger part of the total budgeted savings than the amount shown for rate standardization in Part A or the amount recommended by the Rate Standardization Work Group pursuant to this Part, the department must first report that difference to the appropriate committees of the Legislature and allow for adequate public comment on its intentions before proceeding. It also provides that this initiative is departmentwide.

PART BBBB lapses a total of \$1,350,000 from accounts within the Legislature to the General Fund over the fiscal years ending June 30, 2007 and June 30, 2008.

PART CCCC directs the State Controller to transfer surplus funds not needed for current operations by June 30, 2007 from the Emergency Services Communications Bureau Other Special Revenue Funds account in the Public Utilities Commission and the Conservation Program Fund Other Special Revenue Funds account within the Public Utilities Commission to the unappropriated surplus of the General Fund.

PART DDDD requires the Department of Health and Human Services to maintain day habilitation services at the level they were provided on January 1, 2007 while the department transitions to a new federal Medicaid waiver.

PART EEEE directs the State Controller to transfer surplus funds not needed for current operations by June 30, 2007 from various Other Special Revenue Funds accounts in the Department of Public Safety to the unappropriated surplus of the General Fund.

PART FFFF directs the State Controller to transfer \$127,176 of the unencumbered balance in fiscal year 2007-08 in the Federal-State Inspection Fund Other Special Revenue Funds account of the Division of Quality Assurance and Regulations program within the Department of Agriculture, Food and Rural Resources to the General Fund in fiscal year 2007-08.

PART GGGG authorizes the State Controller to transfer funds by June 30, 2008 from the Administration - Attorney General Other Special Revenue Funds account to the unappropriated surplus of the General Fund from the State's share of a multistate settlement.

PART HHHH directs the State Controller to transfer surplus funds not needed for current operations by June 30, 2007 from the Baxter Compensation Authority Other Special Revenue Funds account to the unappropriated surplus of the General Fund.

PART IIII requires the State Court Administrator to increase certain fees collected by the Judicial Department.

PART JJJJ recognizes savings of \$1,400,000 annually in fiscal years 2007-08 and 2008-09 to be realized through increased efficiencies.

PART KKKK provides that a captive insurance company is not subject to an insurance premiums tax in this State and, therefore, is no longer exempted from taxation under Maine's corporate income tax. Accordingly, a captive insurance company is required to be included in a combined income tax return when it is part of a unitary business that operates in this State. This Part also exempts from the definition of "corporation" a person that is engaged solely in the business of reinsuring risks of one or more affiliated insurance companies that are not captive insurance companies formed or licensed under the Maine Revised Statutes, Title 24-A, chapter 83 or under the laws of another state.

PART LLLL redirects the \$20 initial registration fee for the sportsman motor vehicle specialty registration plate from the Lifetime License Fund to the Boat Launch Facilities Fund. It also redirects and divides the \$20 renewal fee

for the sportsman registration plate from the Lifetime License Fund to the fish hatchery maintenance fund, the Boat Launch Facilities Fund, the Maine Endangered and Nongame Wildlife Fund and the Support Landowners Program. It authorizes the Secretary of State to issue sportsman registration plates with fewer than the 3-digit and 3-letter combination that is currently required for other specialty plates. This Part also directs the Commissioner of Inland Fisheries and Wildlife to submit a new proposed design for the sportsman registration plate every 6 years for approval or modification by the Secretary of State. Finally, this Part transfers \$650,000 from the Inland Fisheries and Wildlife carrying account for the construction of a Department of Inland Fisheries and Wildlife regional headquarters in Aroostook County.

PART MMMM directs the State Controller to transfer \$27,300 in fiscal year 2007-08 from the unappropriated surplus of the General Fund to the Maine Coast Environmental Trust Fund in the Department of Marine Resources.

PART NNNN provides an income tax credit to qualified taxpayers eligible for a federal historic rehabilitation credit with regard to the Lockwood Mill Historic District in the City of Waterville.

PART OOOO requires the State Controller to monitor the accounts receivable established as a result of a use tax liability. It also provides a General Fund appropriation of \$200,000 in fiscal year 2007-08 for certain air ambulance organizations contingent upon certification by the State Controller that the air ambulance accounts receivable balance is \$200,000 or less.

PART PPPP increases the property tax exemption for veterans and their eligible survivors from \$5,000 to \$6,000.

PART QQQQ authorizes the State to provide Pine Tree Development Zone benefits to Maine manufacturing companies that would not otherwise qualify for these benefits. It specifies the criteria for the application that an applicant must submit to the Commissioner of Economic and Community Development, adds a sunset provision that requires applications for benefits to be received by the commissioner by December 1, 2009 and authorizes the Department of Economic and Community Development to adopt rules to implement the enacted subchapter.

PART RRRR augments the efforts of Realize!Maine, under the auspices of the Maine Development Foundation, to retain and attract young people to live, work and recreate in the State. This Part also repeals the "S.W.A.T. team" law and incorporates the responsibilities formerly set out in the Maine Revised Statutes, Title 5, chapter 389 into the responsibilities of the Maine Development Foundation. This Part also appropriates funds to the Maine Development Foundation.

PART SSSS allows the Department of Administrative and Financial Services, Bureau of General Services to make renovations to house a women's transitional corrections facility in Bangor.

PART TTTT directs the State Controller to transfer \$300,000 from the Other Special Revenue Funds elderly tax deferral program in fiscal year 2007-08 to the General Fund unappropriated surplus.

PART UUUU directs the Chancellor of the University of Maine System, the President of the Maine Community College System and the President of the Maine Maritime Academy to form an administrative savings group to review potential savings in noninstructional costs for the 3 systems by combining administrative services to the extent practicable and report back to the Joint Standing Committee on Appropriations and Financial Affairs and the Joint Standing Committee on Education and Cultural Affairs on or before January 1, 2008.

PART VVVV establishes the Marine Fisheries Stock Enhancement Fund in the Department of Marine Resources. Money in the fund must be administered by the department for commercial marine stock enhancement to improve the marine economy in this State through applied research, development, production of harvested marine species, infrastructure, monitoring and assessment. Money in the fund may be used as federal matching funds.

PART WWWW exempts diesel internal combustion engine fuel used for the purpose of operating or propelling a

## LD 804 An Act To Ensure Responsible Government Spending and Investment

CARRIED OVER

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
EDMONDS		

Part A of this bill establishes new procedures to govern the act of exceeding or increasing the various spending limitations that currently apply to state, county, municipal and school governments. On the state level, Part A establishes a system to make the determination of compliance with the spending limitation system an accurate year-to-year comparison if the Legislature decides to fund a General Fund expenditure outside of the General Fund appropriation process. For counties, schools and municipalities, the existing approval procedures to exceed the current spending limitations would still be required, but, if the local government was proposing to exceed or increase the applicable limitation and the local government was the recipient of net new funding from the State, the approval would have to be accomplished by a referendum vote. For municipal and school governments, a 2/3 vote of the legislative body, such as the town meeting or school district meeting or city council, would avoid the need to obtain a referendum approval of the budget.

Part B of this bill establishes a 5% limit on the amount of General Fund and Highway Fund revenues that may be allocated for tax-supported debt service in any fiscal year. Part B also directs the State Treasurer to annually calculate and report to the Legislature on the aggregate unfunded actuarial liability of the State, taking into consideration health and life insurance and pension benefits that are scheduled to be provided to retired state employees, teachers and other governmental workers provided benefits pursuant to state law.

Part C of this bill establishes as a goal a 10% reduction by the year 2010 in the statewide expenditure for educational administrative services in kindergarten to grade 12 public education as that expenditure is measured as a percent of total personal income. It establishes goals for specific categories of costs and services. It also establishes a comprehensive system of analysis, recommendation, outreach and implementation to be accomplished on the local level through the creation of regional planning alliances to achieve that goal within the 26 career and technical education regions in Maine. If the cost reduction goal is not achieved, the Commissioner of Education must submit a plan to the Legislature to achieve the cost reductions.

Part D of this bill amends the law governing the responsibilities of the Executive Department, State Planning Office to collect data and report about the effects of government spending limitation law on Maine's overall tax burden. It also requires the State Planning Office to work with the Maine Development Foundation to prepare the required compliance reports in a manner designed to be accessible to the general public. It also requires the State Planning

## *Joint Standing Committee on Appropriations and Financial Affairs*

Office to perform calculations of Maine's state and local government employment and expenditure levels in comparison with other states for the purpose of identifying categories of government employment and expenditure that deviate significantly from national and peer state averages. Finally, it directs the State Planning Office, working in conjunction with Maine Revenue Services, to establish a contract with the Maine Development Foundation to comprehensively analyze the sources of government revenue available to each state in the United States, including Maine, with a focus on comparing the various state and local taxes and fees in terms of nominal revenues by category, tax and revenue burdens, rates of taxes and fee schedules and levels of reliance and exportation.

LD 1796 was the Governor's proposed bond issue for improvements to highways and bridges, airports, public transit facilities, ferry and port facilities including port and harbor structures and statewide bicycle and pedestrian trails.

### Committee Amendment "A" (S-26)

Committee Amendment "A" (S-26) was the unanimous report of the Committee in response to various general obligation bond proposals.

### Enacted Law Summary

Public Law 2007, chapter 39 does the following:

Part A authorizes a \$112,975,000 bond issue for improvements to highways and bridges, airports, public transit facilities, ferry and port facilities including port and harbor structures and bicycle and pedestrian trails. Part A requires a June 2007 referendum.

Part B authorizes a bond issue in the amount of \$18,300,000 for grants and low-interest loans to support construction of wastewater treatment facilities and to support improvements to Maine's public water systems. Part B requires a June 2007 referendum.

## Joint Standing Committee on Appropriations and Financial Affairs

Part C authorizes a \$43,500,000 bond issue to make interior and exterior building renovations, improvements and additions at all campuses of the Maine Community College System, Maine Maritime Academy and the University of Maine System; provides funds for the School Revolving Renovation Fund; and provides funds for the New Century Community Program. Part C requires a November 2007 referendum.

Part D authorizes a bond issue for \$50,000,000 in research and development funds and \$5,000,000 in loan and grant funds for economic development. Part D requires a November 2007 referendum.

Part E authorizes a \$35,500,000 bond issue to be matched by at least \$21,875,000 in private and public contributions. The proceeds must be used to recapitalize the Land for Maine's Future program, of which \$3,000,000 will support the working waterfront program; to fund the agricultural water source development grant program; to fund capital improvements at state parks and historic sites; to invest in river-based community development pursuant to a competitive process under the program authorized in Part F; and to fund the Municipal Investment Trust Fund. Part E requires a November 2007 referendum.

Part F establishes the Riverfront Community Development Program, which is contingent on voter approval of the bonds proposed in Part E.

Part G authorizes a \$29,725,000 bond issue for natural resource and environmental quality investments, fish hatcheries, dam safety, pollution control and monitoring measures to protect water quality and public health, and for improvements to highways and bridges, airports, public transit facilities, ferry and port facilities and statewide bicycle and pedestrian trails. This Part requires a June 2008 referendum.

Part H authorizes the State Budget Officer to transfer by financial order in fiscal year 2006-07 any unexpended balance of Personal Services to All Other in the Department of the Secretary of State, Bureau of Administrative Services and Corporations for expenses associated with the special election to be held in June 2007.

Public Law 2007, chapter 39 was enacted as an emergency measure effective April 10, 2007.

### LD 1848 An Act To Promote Sustainable Prosperity

EDMONDS		

This bill is a concept draft pursuant to Joint Rule 208.

This bill proposes to accomplish 2 goals. Part A would reduce the cost of the unfunded actuarial liability to the state employee and teacher retirement fund by authorizing the issuance of pension cost reduction bonds by the Maine Municipal Bond Bank. Part B would authorize the Treasurer of State to institute a program to make the purchase of State general obligation bonds more accessible to Maine citizens.

This bill was carried over to any special or regular session of the 123rd Legislature by joint order, H.P. 1369. The Joint Standing Committee on Appropriations and Financial Affairs requested the Joint Select Committee on Prosperity consider this bill in the conduct of their deliberations.

The purpose of this bill is to implement the recommendations of the report by the Brookings Institution entitled "Charting Maine's Future: An Action Plan for Promoting Sustainable Prosperity and Quality Places."

Part A of this bill establishes the Maine Government Efficiency Commission and directs the commission to identify government expenditures that can be eliminated or reduced by consolidating governmental entities, increasing

# *Joint Standing Committee on Appropriations and Financial Affairs*

efficiency in the provision of services and eliminating duplication.

Part B of this bill establishes the Maine Government Efficiency Fund, which consists of that portion of undedicated General Fund revenues that is certified by the Office of Program Evaluation and Government Accountability to be directly attributable to savings resulting from reductions in spending in state and local government recommended by the Maine Government Efficiency Commission.

Part C of this bill authorizes the issuance of bonds for competitive grants for collaborative research and development activities with the goal of stimulating the State's economic development.

Part D of this bill establishes the Maine Cluster Development Fund within the Office of Innovation in the Department of Economic and Community Development for the purpose of providing cluster development grants to be used for competitive grants to industry-led coalitions in the targeted technology sectors and the Innovation Jobs Fund within the Office of Innovation within the Department of Economic and Community Development. Part D also transfers funds from the Government Efficiency Fund, if sufficient funds exist and in this order of priority, to the Maine Cluster Development Fund, the Innovation Jobs Fund and the Fund for the Efficient Delivery of Local and Regional Services. Part D also requires that, when sufficient funds are available in the Government Efficiency Fund to fund the changes, the State Tax Assessor shall submit legislation to reduce the highest tax rate applicable to income from 8.5% to 8.0% and to increase by 20% the threshold for applying that rate.

Part E of this bill:

1. Establishes the Maine Community Enhancement Fund for the purposes of providing resources to towns and municipalities for community planning and facilitating and implementing comprehensive plans;
2. Authorizes, until December 31, 2012, a surcharge of \$20 per transaction for all documents that are recorded in the registry of deeds and transfers revenue from this surcharge for deposit into the Maine Community Enhancement Fund;
3. Directs the Executive Department, State Planning Office to establish a pilot project for a regional planning initiative involving multiple political subdivisions of the State;
4. Allocates funds from the Maine Community Enhancement Fund to the Maine Downtown Center, to the State Planning Office for assisting municipalities in implementing any applicable statewide building code, and to the State Planning Office for a pilot project for a regional planning initiative involving multiple political subdivisions of the State.

Part F of this bill directs the Department of Administrative and Financial Services, Bureau of Revenue Services to implement a program to reimburse service center communities for property taxes lost by reason of the nontaxable status of property of regional significance located within that community.

This bill was carried over to any special or regular session of the 123rd Legislature by joint order, H.P. 1369. The Joint Standing Committee on Appropriations and Financial Affairs requested the Joint Select Committee on Prosperity consider this bill in the conduct of their deliberations.

Committee Report

Amendments Adopted

## *Joint Standing Committee on Appropriations and Financial Affairs*

This bill proposes to restrain the growth in state and local government by imposing expenditure limitations on state and local government and by requiring a procedure of voter approval of certain tax and fee increases.

Under this bill, growth in annual expenditures of the General Fund, the Highway Fund and Other Special Revenue Funds are limited according to increases in population and inflation. For the General Fund and Highway Fund budgets, revenues exceeding the expenditure limitation must be distributed by directing 20% of that excess to a budget stabilization fund and 80% of that excess to a tax relief fund. The budget stabilization funds may be used only in years when revenues are not sufficient to fund the level of expenditure permitted by the growth limits. The tax relief funds must be used to provide tax relief through refunds proportional to individual income tax personal exemptions claimed in the previous tax year or a decrease in motor fuels taxes. For state agencies that manage Other Special Revenue Funds, the managers of those funds must report excess surpluses to the Legislature with a plan for refund of those revenues.

State expenditure limits contained in this bill could be exceeded by a 2/3 vote of each House of the Legislature and approval by the voters. Local district expenditure limits could be exceeded by a majority vote of the voters of the local district.

Under this bill, an increase in state revenue would be possible only by a 2/3 vote of each House of the Legislature and the approval of the voters.

This bill was carried over to any special or regular session of the 123rd Legislature by joint order, H.P. 1369.

PUBLIC 420

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
	OTP-AM	S-196 S-368 ROTUNDO

This bill implements recommendations of the Joint Select Committee on Research, Economic Development and the Innovation Economy. The bill establishes the Maine Innovation Economy Advisory Board in statute. It amends the membership of the Maine Economic Growth Council to add a member from the Maine Innovation Economy Advisory Board. It requires the Maine Economic Growth Council to develop research and development budgetary recommendations. It sets a minimum recommendation level for research and development for the Governor's proposed budget to the Legislature. It requires an annual progress report relating to the 5-year evaluation of state investments in research and development.

### Committee Amendment "A" (S-196)

This amendment replaces sections 7 and 8 of the bill and changes the membership of the Maine Innovation Economy Advisory Board from 19 members to the Director of the Maine Technology Institute, the Director of the Office of Innovation and 30 members appointed by the Governor with a variety of expertise in research and development.

### Senate Amendment "A" (S-368)

This amendment removes the percentage requirements for research and development appropriations in the Governor's budget submissions and instead provides legislative intent that those requirements be included beginning in fiscal year 2009-10.

The amendment also reduces the General Fund appropriation in each fiscal year.

### Enacted Law Summary

Public Law 2007, chapter 420 implements the recommendations of the Joint Select Committee on Research, Economic Development and the Innovation Economy. The law establishes the Maine Innovation Economy Advisory Board in statute to coordinate the State's research and development activities. The law amends the membership of the Maine Economic Growth Council to add a member from the Maine Innovation Economy Advisory Board and requires the Maine Economic Growth Council to develop research and development budgetary recommendations. The law includes a General Fund appropriation for the Maine Development Foundation for the additional costs associated with the Growth Council's development of specific budget recommendations for research and development and preparation of an annual accountability update. It also sets a minimum funding recommendation level for research and development in the Governor's proposed budget to the Legislature beginning in fiscal year 2008-09 and for each successive year for the next 10 fiscal years. Finally, the law requires an annual progress report relating to the 5-year evaluation of state investments in research and development.

This bill enacts a definition of "service dog." It requires documentation of minimum training standards for service dogs and dogs trained to assist in law enforcement and search and rescue efforts in order to receive an exemption from licensing fees.

**Committee Amendment "A" (H-472)**

This amendment replaces the bill with a resolve. It directs the Commissioner of Labor to convene a task force to evaluate and recommend changes to the statutory definition of service dog in the Maine Revised Statutes. It provides that the task force must be staffed and coordinated by the Department of Labor and must include a variety of state and local stakeholders to review the following issues within the parameters of applicable federal and state laws: criteria or documentation that town clerks must use to verify a dog as a service animal to qualify for the license fee exemption; proposed revisions to the Maine Revised Statutes to clarify the rights of and protections for people with disabilities who use service animals; proposed revisions necessary to the Maine Revised Statutes to provide clarification to business owners of their rights and responsibilities concerning service animals; and proposals for any specific criteria that may be required for consideration by medical practitioners when prescribing the use of a service animal. The amendment requires the commissioner to submit a report following this review by January 15, 2008 to the Joint Standing Committee on Business,

This bill makes changes to the laws governing the practice of certified public accountants by allowing a certified public accountant licensed in another jurisdiction to provide professional services in the State without a permit if the accountant receives certification from the National Association of State Boards of Accountancy, National Qualification Appraisal Service that the accountant has substantially equivalent qualifications to qualifications required by the State.

The bill also subjects the out-of-state accountant to the Board of Accountancy's rules and jurisdiction and requires the Board of Accountancy to adjust the fees required for a permit to practice accountancy yearly so that revenues from the fees neither increase or decrease. Finally, this bill removes limitations on the Board of Accountancy's quorum requirements.

## Committee Amendment "A" (H-547)

This amendment makes changes to the substantial equivalency requirements proposed by the bill for determining when accountants and firms licensed in other jurisdictions may practice in Maine without a license to require that the final determination of substantial equivalency is made by the Department of Professional and Financial Regulation, Board of Accountancy. It also removes from the bill proposed changes to the Board of Accountancy and removes the statutory fee cap language as well as the language allowing the Department of Professional and Financial Regulation to adjust fees, as this department already has the authority to adjust fees for each program as necessary.

## Enacted Law Summary

Public Law 2007, chapter 384 makes changes to the laws governing the practice of certified public accountants by allowing certified public accountants and firms licensed in other jurisdictions to provide professional services in the State without a permit, provided that the accountants qualifications are deemed to be substantially equivalent to qualifications required by the State, as determined by the Department of Professional and Financial Regulation, Board of Accountancy. The law also subjects the out-of-state licensee to the Board of Accountancy's rules and jurisdiction.

MILLS P	OTP-AM	S-154

This bill provides that a qualified Pine Tree Development Zone business must demonstrate that its development within a Pine Tree Development Zone will not result in a substantial detriment to any other business in the State. A business aggrieved by a decision of the Commissioner of Economic and Community Development that there will not be a substantial detriment to any other business in the State may appeal that decision to Superior Court.

## Committee Amendment "A" (S-154)

This amendment deletes the statutory cross-reference to employment tax increment financing and inserts similar statutory language in Pine Tree Development Zone requirements for certification of a qualified business. The amendment requires that prior to certification of a qualified Pine Tree Development Zone business the Commissioner of Economic and Community Development with assistance from the State Economist must determine that the proposed business activity will not result in a substantial detriment to existing businesses in the State. This amendment deletes the section of the bill that provided an express right of appeal to the Superior Court from decisions made by the commissioner regarding certification of qualified businesses.

## Enacted Law Summary

Public Law 2007, chapter 263 amends the Pine Tree Development Zone statutory requirements for certification of a qualified business. The law requires that prior to certification of a qualified Pine Tree Development Zone business the Commissioner of Economic and Community Development, with assistance from the State Economist, must determine that the proposed business activity will not result in a substantial detriment to existing businesses in the State.

This bill provides that a private home that is designated or eligible to be designated as a historic building is not considered a lodging place if it does not gross more than \$100,000 annually and does not let more than 7 rooms or does not have more than 15 unrelated guests at one time.

## Committee Amendment "A" (H-277)

This amendment is the majority report of the committee. It amends the private home exemption from licensing for lodging places by increasing the number of rooms that may be let from 3 to 5. It deletes the provisions in the bill that propose to allow for a private home that is designated or eligible to be designated as a historic building to be exempted from the licensing provision if it does not gross more than \$100,000 annually and does not let more than 7 rooms or does not have more than 15 unrelated guests at one time.

## Senate Amendment "A" (S-172)

This amendment specifies that private homes that are not considered lodging places and are not subject to licensing must post in a visible location in each rented room a card informing the public that the lodging place is not regulated by the Department of Health and Human Services, Maine Center for Disease Control and Prevention, and must provide guests upon check-in with a notice containing the same information.

## Enacted Law Summary

Public Law 2007, chapter 428 amends the private home exemption from licensing requirements for lodging places by increasing the number of rooms that may be let from 3 to 5. RECTOR	OTP-AM MAJ ONTP MIN	H-272

# Joint Standing Committee on Business, Research and Economic Development

The bill amends the licensing of local redemption centers by requiring the Department of Professional and Financial Regulation to consider the proximity of a proposed redemption center to existing redemption centers. The bill also limits the number of redemption centers that may be licensed in a municipality based on the population of the municipality. The population limits do not apply to existing redemption centers, certain licensed food establishments and reverse vending machines located in a redemption center and may be waived if the applicant shows a compelling need for another redemption center.

The bill also provides a procedure for an applicant denied a license to appeal that denial.

## Committee Amendment "A" (H-272)

This amendment removes the provision of the bill that adds additional rulemaking language, as the Department of Agriculture, Food and Resources already has rulemaking authority regarding the licensing and renewal of redemption centers. It also makes changes to the bill's requirements for the location and number of redemption centers in municipalities based on population. It also clarifies that eating establishments licensed by the Department of Health and Human Services are also exempt from the population size location requirements for redemption centers.

LD 1759 An Act To Preserve the Recycling Value of Beverage Containers

PUBLIC 299

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
SMITH N	OTP-AM	H-387

This bill makes a series of changes to Maine's so-called "bottle bill."

1. The bill clarifies that the definition of "reverse vending machine" does not include devices such as hand scanners.
2. The bill provides the Department of Agriculture, Food and Rural Resources with the authority to remove any product from sale if that product has not been properly registered pursuant to the Maine Revised Statutes, Title 32, section 1865, subsection 3.
3. The bill allows the distributor to refuse to accept any beverage container that has been processed in a way that reduces the recycling value of the beverage container below current prices.
4. The bill clarifies that the distributor is obligated to pick up beverage containers from dealers to whom that distributor has sold those beverages and from licensed redemption centers designated to serve those dealers in the same quantity as was sold to the dealer.
5. The bill requires any person who tenders more than 1,000 beverage containers for redemption at any dealer or redemption center to provide a name and address and sign a declaration indicating that the containers were collected in Maine. The bill requires that the information be forwarded to the department and kept on file by the dealer or redemption center for a minimum of one year. A person tendering more than 1,000 beverage containers collected at a fixed location when the proceeds are given to not-for-profit groups is, after declaration of a name and address of the collection point, exempt from this requirement.
6. The bill relieves a redemption center of the obligation to pay the cash value for returnable beverage containers at the time they are presented for refund if the redemption center has established a deposit account on behalf of a customer and credits that account within 2 business days of the date of return.

## **Committee Amendment "A" (H-387)**

This amendment removes provisions in the bill proposing that distributors be required to pick up similar quantities of beverage containers as were sold to dealers or their redemption centers and provisions proposing to require that persons redeeming more than 1,000 empty containers sign a declaration indicating that those containers were collected in Maine.

The amendment clarifies provisions in the bill allowing distributors to refuse to accept beverage containers processed in a way that has reduced the container's value below current market recycling value. Distributors are still required, under existing law, to accept beverage containers that are empty, unbroken and reasonably clean. The Department of Agriculture, Food and Rural Resources is directed to adopt routine technical rules establishing the method for determining the current market recycling value of beverage containers. Those rules may authorize the use of a 3rd-party vendor to make that determination and must prescribe how payment for those 3rd-party vendor costs will be allocated among the parties involved.

The amendment also clarifies that the Department of Agriculture, Food and Rural Resources may revoke a dealer or redemption center license if the dealer or redemption center is adjudged to have committed a violation

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
BENOIT	OTP-AM	S-244

This bill creates an exemption from licensing requirements in the laws governing the Oil and Solid Fuel Board and the Propane and Natural Gas Board for individuals who perform combustion testing on oil burning equipment and propane and natural gas appliances. Each licensing board is required to engage in emergency rulemaking regarding combustion testing that an unlicensed individual may perform without a license. Each board's emergency rules are to be adopted under the provisions of the Maine Administrative Procedure Act within 90 days of the effective date of this Act.

## Committee Amendment "A" (S-244)

This amendment retains the bill as an emergency, but replaces the content of the bill. The amendment authorizes the Oil and Solid Fuel Board and the Propane and Natural Gas Board to issue limited energy auditor technician licenses to qualified persons for the purposes of conducting combustion safety and efficiency testing of oil-fired or gas-fired space heating equipment or water heating equipment. These limited licenses do not authorize the license holder to make adjustments to oil-fired or gas-fired space heating equipment or water heating equipment. The amendment also directs those boards to adopt emergency routine technical rules to implement these new licensing provisions within 90 days after the effective date of this Act.

## Enacted Law Summary

Public Law 2007, chapter 392 authorizes the Oil and Solid Fuel Board and the Propane and Natural Gas Board to issue limited energy auditor technician licenses to qualified persons for the purposes of conducting combustion safety and efficiency testing of oil-fired or gas-fired space heating equipment or water heating equipment. These limited licenses do not authorize the license holder to make adjustments to oil-fired or gas-fired space heating equipment or water heating equipment. The law also directs those boards to adopt emergency routine technical rules to implement these new licensing provisions within 90 days after the effective date of this Act.

SMITH N		

Under this bill, Pine Tree Development Zone benefits are made available to more small and midsize Maine manufacturing companies by lowering the new net employee minimum to 4 and the investment minimum to \$225,000.

### **Enacted Law Summary**

Public Law 2007, chapter 468 amends the recently enacted statutory exceptions to the Pine Tree Development Zone law (see Public Law 2007, chapter 240), which allows the Commissioner of the Department of Economic and Community Development to certify a business that does not otherwise qualify as a qualified Pine Tree Development Zone business pursuant to Title 30-A MRSA section 5250-I, subsection 17 or that does not locate in a Pine Tree Development Zone as qualified to receive Pine Tree Development Zone benefits if the business does the following: (A) is a for-profit business that has been engaged in the business of manufacturing in the State for at least 3 years; (B) makes a written commitment to expand its business at one of its current locations in the State by adding at the location of expansion a minimum of 20 net new, full-time employees for whom a retirement program subject to the federal Employee Retirement Income Security Act of 1974, 29 United States Code, Sections 1001 to 1461, as amended, and group health coverage are provided and whose income derived from employment at the business's location of expansion, calculated on a calendar-year basis, is greater than the most recent annual per capita personal income in the county in which the employee is employed; and (C) makes a written commitment to invest a minimum of \$2,000,000 in its expansion at one of its current locations.

Public Law 2007, chapter 468 amends the statutory exceptions to the Pine Tree Development Zone law by lowering the number of net, new full-time employees from 20 to 4 and reducing the minimum expansion investment level from \$2 million to \$225,000 in order to provide Pine Tree Development Zone benefits to small and midsize Maine manufacturing businesses.

**LD 3      An Act To Strengthen "Permissible Inference" in the Law Concerning Dissemination of Sexually Explicit Material      CARRIED OVER**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
SYKES	OTP-AM	H-20

This bill changes the number of copies of sexually explicit material depicting minors from ten to two copies in order to give rise to a permissible inference under the Maine Rules of Evidence of intent to distribute. Possession of sexually explicit materials is a Class D crime, while dissemination of sexually explicit materials is a Class C crime.

## **Committee Amendment "A" (H-20)**

This amendment replaces the bill. The amendment removes the emergency clause and preamble and specifies that, for purposes of dissemination of sexually explicit materials, possession of two or more copies of the same book, magazine, newspaper, print, negative, slide, motion picture, videotape, computer data file or other mechanically, electronically or chemically reproduced visual image or material gives rise to a permissible inference under the Maine Rules of Evidence, Rule 303 that the person who possesses those items has the intent to disseminate them.

LD 3 was carried over by joint order, H.P. 1369 after being removed from the Special Appropriations Table and recommitted to the Committee on Criminal Justice and Public Safety.

This bill is a concept draft pursuant to Joint Rule 208. This bill proposes to require county governments to create regional jails and to share the costs of building and maintaining those regional jails. Existing county jails would be used to hold persons prior to conviction.

**LD 45      An Act To Place Lifetime Restraining Orders on Violent Sex Offenders and Predatory Sex Offenders      ONTP**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
JACOBSEN COURTNEY	ONTP	

This bill establishes the authority of the court to issue a standing criminal restraining order that applies to persons convicted of certain sex offenses. The standing criminal restraining order takes effect when the defendant is released from confinement and continues until modified or revoked by the court for good cause shown. The order may include, but is not limited to, enjoining the defendant from residing within 10 miles of the victim's residence or within 10 miles of where the offense occurred. Violation of the order is a Class D crime. The standing criminal restraining order is available to the court for gross sexual assault crimes as well as any sexual assaults in which the actor is at least 18 years of age and the victim is under 12.

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
CEBRA DIAMOND	ONTP A OTP-AM B OTP-AM C	

This bill changes the sentence for gross sexual assault against a victim who is under 12 years of age to a period of imprisonment of 25 years, none of which may be suspended. If the defendant had previously been convicted and sentenced for committing gross sexual assault, rape or gross sexual misconduct against a person who is under 12 years of age, the court must impose a sentence of life imprisonment, none of which may be suspended.

**Committee Amendment "A" (H-542)**

This amendment is one of 2 minority reports of the Joint Standing Committee on Criminal Justice and Public Safety. The amendment makes technical changes to conform to drafting standards. This amendment was not adopted.

**Committee Amendment "B" (H-543)**

This amendment is one of 2 minority reports of the Joint Standing Committee on Criminal Justice and Public Safety. The amendment strikes the provision in the bill that changes the sentence for gross sexual assault against a victim who is under 12 years of age to a period of imprisonment of 25 years. Instead, the amendment specifies that if the State pleads and proves that a gross sexual assault was committed against a person who had not yet attained 12 years of age and that the defendant had previously been convicted and sentenced for committing gross sexual assault, formerly denominated as gross sexual misconduct, or rape, or conduct substantially similar to one of these crimes in another jurisdiction against a person who had not yet attained 12 years of age, the court shall impose a term of imprisonment for any term of years that is not less than 25. This amendment was not adopted.

BARSTOW COURTNEY	OTP-AM A OTP-AM B ONTP C	H-117

This bill adds salvia divinorum to the list of Schedule Z drugs, which currently includes marijuana; all prescription drugs that are not scheduled as W, X or Y; all nonprescription drugs that are not scheduled as W, X or Y and designated by the Board of Commissioners of the Profession of Pharmacy; butyl nitrite or isobutyl nitrite; and methamphetamine precursor drugs. LD 66 would make possession of salvia divinorum a Class E crime. Trafficking of salvia divinorum would be a Class D crime, and possession of more than a pound of salvia divinorum would give rise to a permissible inference that the person is unlawfully trafficking the drug.

**Committee Amendment "A" (H-117)**

This amendment replaces the bill and is the majority report of the Joint Standing Committee on Criminal Justice and Public Safety. The amendment prohibits the transfer of salvia divinorum to or the possession of the

same by persons who are under 18 years of age. The penalties for the prohibited conduct described in the amendment are modeled on the penalties in the Maine Revised Statutes, Title 22, chapter 262-A, subchapter 2, which deals with the prohibition of sales of tobacco to and possession of tobacco by minors.

### **Committee Amendment "B" (H-118)**

This amendment is one of 2 minority reports of the Joint Standing Committee on Criminal Justice and Public Safety. The majority report is also "ought to pass as amended" and the second minority report is "ought not to pass." This amendment clarifies the definition of "salvia divinorum." This amendment was not adopted.

### **Enacted Law Summary**

Public Law 2007, chapter 120 prohibits the transfer of salvia divinorum to or the possession of the same by persons who are under 18 years of age. The penalties for the prohibited conduct described in the amendment are modeled on the penalties in the Maine Revised Statutes, Title 22, chapter 262-A, subchapter 2, which deals with the prohibition of sales of tobacco to and possession of tobacco by minors.

directly to a conviction for the murder of a law enforcement officer when there is reasonable cause to believe that the law enforcement officer has been murdered, but in the amendment the officer must have been murdered while in the performance of the officer's official duties. In such a case, the Governor shall, upon application in writing by the Attorney General or the district attorney for the county in which the alleged crime was committed, offer a reward of \$25,000 for evidence that leads directly to the conviction of the murderer under the Maine Revised Statutes, Title 17-A, sections 201 or 202. Upon satisfactory proof that the terms of the reward offer have been complied with, the Governor shall draw a warrant upon the Treasurer of State for the payment of the reward. The amendment also moves this process from Title 17-A, the Maine Criminal Code, to Title 2, which deals with the powers and duties of the Governor.

This bill provides that, beginning January 1, 2008, only cigarettes that meet the standards of fire-safe cigarettes as established by the State Fire Marshal may be offered for sale in this State.

#### **Committee Amendment "A" (H-338)**

This amendment replaces the bill. Whereas the bill prohibited the sale of cigarettes that do not meet the fire-safe standards established by the State Fire Marshal, the amendment requires that all cigarettes sold in the State be certified as meeting reduced ignition propensity standards by January 1, 2008 and creates standards for testing in the Maine Revised Statutes, Title 22. The amendment includes provisions to allow for the sale of existing inventory.

The amendment also authorizes the State Fire Marshal, the State Tax Assessor and the Attorney General to enforce the standards and creates the Fire Prevention and Public Safety Fund from fines collected for noncompliance.

#### **Enacted Law Summary**

Public Law 2007, chapter 253 requires that all cigarettes sold in the State be certified as meeting reduced ignition propensity standards by January 1, 2008 and creates standards for testing in the Maine Revised Statutes, Title 22. The law includes provisions to allow for the sale of existing inventory. The law also authorizes the State Fire Marshal, the State Tax Assessor and the Attorney General to enforce the standards and establishes the Fire Prevention and Public Safety Fund from fines collected for noncompliance.

LD 71      **An Act To Amend the Laws Governing the Plea of Not Criminally Responsible by Reason of Insanity in Juvenile Cases**

CARRIED OVER

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
SYKES	OTP-AM	H-248

This bill details the procedure by which a juvenile is ordered committed after being found not criminally responsible by reason of mental disease or defect. The Juvenile Court shall order the juvenile committed to the custody of the Department of Health and Human Services to be placed in an appropriate facility, and 6 months prior to the juvenile's 18th birthday a report must be issued by the State Forensic Service reviewing the appropriateness of continued institutionalization or release. A committed juvenile will still attend appropriate schools and job skills training. The treatment for a committed juvenile includes rehabilitation, mental health counseling and medication management and family counseling. An annual review must be conducted for a committed juvenile, and the court may order the juvenile to remain committed or released upon conditions if the court finds that the juvenile is no longer a threat to the juvenile or to others.

## **Committee Amendment "A" (H-248)**

This amendment replaces the bill and does the following.

1. It clarifies definitions of the juvenile defense of not criminally responsible by reason of insanity by making language consistent with the defense as it applies to adult criminal matters.
2. It creates procedures similar to those that exist for adults found not criminally responsible by reason of insanity for the review by the juvenile court of a juvenile's placement, transfer, release and discharge from the custody of the Department of Health and Human Services.
3. It specifies that subsequent hearings for juveniles found not criminally responsible by reason of insanity may not be open to the public.
4. It provides a mechanism for notice to the victim when a juvenile is released from secure treatment.
5. It allocates the procedures governing findings and hearings related to juveniles found not criminally responsible by reason of insanity to the sequence of sections in the Maine Juvenile Code governing adjudicatory hearings, findings and adjudication, thereby clarifying that a finding of not criminally responsible by reason of insanity precludes adjudication of a juvenile crime.
6. It provides procedures by which a juvenile may enter an answer of not criminally responsible by reason of insanity alone or coupled with a denial of the charges.
7. It provides authority to the juvenile court to order a diagnostic evaluation of a juvenile who enters an answer of not criminally responsible by reason of insanity alone or coupled with a denial of the charges.
8. It provides that copies of treatment plans, reports and petitions must be distributed to all parties, including the juvenile and the juvenile's parents, guardian or legal custodian if the juvenile has any.

This bill requires the Department of Corrections (DOC) to manage a coordinated and efficient telephone system, subject to oversight and regulation by the Public Utilities Commission (PUC). The bill authorizes the department to use state equipment and services of the Department of Administrative and Financial Services or to contract for equipment and services.

LD 91 also requires the PUC to oversee and regulate the DOC telephone system, including phone use by the DOC's employees and in all locations managed and operated by the DOC. The bill requires the PUC to give annual reports, with recommendations for improvement, to the joint standing committees of the Legislature having jurisdiction over criminal justice and corrections matters and utilities matters. The PUC may adopt routine technical rules to implement these changes.

SCHATZ DAMON	ONTP MAJ OTP-AM MIN	

Current law requires that the operator of a motor vehicle involved in an accident that results in or is likely to result in death to submit to a test to determine blood alcohol level or drug concentration. The investigating law enforcement officer is required to cause the test to be administered but has the discretion to determine the form of the test. This bill requires that if there is probable cause to believe that "bodily injury" has occurred or will occur as a result of an accident, the vehicle operator involved in the accident must submit to a chemical test to determine blood alcohol level or drug concentration.

The bill also amends the law regarding an operator's right to hearing on an administrative license suspension by the Secretary of State by adding the operator involved in an accident where there is bodily injury as proposed by the bill.

For purposes of this bill, "bodily injury" has the same meaning as found in the Maine Criminal Code: "bodily injury" means physical pain, physical illness or any impairment of physical condition.

## **Committee Amendment "A" (H-27)**

This amendment is the minority report of the Joint Standing Committee on Criminal Justice and Public Safety. The amendment requires law enforcement officers to order mandatory chemical testing to be administered to determine the blood-alcohol level or drug concentration of an operator of a motor vehicle involved in an accident involving apparent serious bodily injury, just as current law requires for motor vehicle accidents involving death. This amendment was not adopted.

RESOLVE 84

CEBRA HASTINGS	OTP-AM	H-478

Current law allows the Chief of the State Police to enter into reciprocity agreements with 2 other states regarding the recognition of permits to carry a concealed firearm. Reciprocity may be granted with another state if the other state that issued the permit to carry has substantially equivalent or stricter requirements for the issuance of a permit and the other state observes the same rules of reciprocity.

This bill allows a person from another state to carry a concealed firearm in Maine if that person has a permit to carry a concealed firearm issued by a state that grants reciprocity to concealed firearm permits issued by Maine or if that person's state requires no permit to carry a concealed firearm.

### Committee Amendment "A" (H-478)

This amendment replaces the bill and creates a resolve that directs the Commissioner of Public Safety to work in cooperation with the Attorney General to conduct a comprehensive review of other states' concealed weapon laws for the purpose of identifying and seeking other states with whom this State may enter into concealed weapon reciprocity agreements. The Commissioner of Public Safety shall report findings and progress to the Joint Standing Committee on Criminal Justice and Public Safety no later than January 1, 2008. Upon receipt of the report, the Joint Standing Committee on Criminal Justice and Public Safety may submit necessary implementing legislation to the Second Regular Session of the 123rd Legislature.

This bill amends the sentencing laws regarding terms of imprisonment by specifying that if the State pleads and proves that a Class B or C crime was committed with the intent to facilitate a sexual assault, and the person is convicted of both the offense that facilitated the sexual assault and the sexual assault, the sentencing class for the crime that facilitated the sexual assault is one class higher than it would otherwise be. The bill also specifies that if the State pleads and proves that a Class A, B or C crime was committed with the intent to facilitate a sexual assault,

and the person is convicted of both the offense that facilitated the sexual assault and the sexual assault, the court shall sentence the person to serve the terms of imprisonment consecutively.

### Committee Amendment "A" (H-508)

This amendment replaces the bill and clarifies the intent by moving the new sentencing provisions proposed in the bill to the more appropriate sections of the Maine Revised Statutes, Title 17-A, sections 1252 and 1256. The amendment makes the ability to impose consecutive sentences discretionary instead of mandatory. The amendment also makes technical language changes to conform to the Maine Criminal Code.

PUBLIC 31

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
HANLEY S MCCORMICK	OTP-AM	H-19

Each prosecutorial district has an Extradition Account in an amount not to exceed \$20,000 that is used solely for the purpose of paying the expenses of extraditing persons charged with or convicted of a crime in this State and who are fugitives from justice. The Extradition Account in each prosecutorial district is funded by bail forfeited to and recovered by the State pursuant to the Maine Rules of Criminal Procedure, Rule 46. Whenever bail is forfeited and recovered by the State, the district attorney shall determine whether it or a portion of it is deposited in the Extradition Account for that district attorney's prosecutorial district. Any bail forfeited and recovered and not deposited in the Extradition Account must be deposited in the General Fund. Any unexpended balance in the Extradition Account of a prosecutorial district established by this section may not lapse but must be carried forward

# Joint Standing Committee on Criminal Justice and Public Safety

into the next year.

This bill requires that district attorneys determine if, in the case where there are proceeds from a forfeited bail of an offender, that offender owes outstanding restitution. If the offender is in default of a restitution obligation, the forfeited bail must be used to satisfy the restitution obligation. Any remaining forfeited bail must be placed in the Extradition Account.

## Committee Amendment "A" (H-19)

This amendment clarifies that proceeds from forfeited bail of an offender who is in default of a restitution obligation may be used to satisfy the obligation only in the proceeding brought under that default proceeding. When an offender who has been sentenced to pay restitution fails to pay the restitution, the offender may be required to appear in court pursuant to the Maine Revised Statutes, Title 17-A, section 1329. As part of that proceeding, the court may issue a bench warrant and require the offender to post bail. If the offender fails to appear in the restitution proceeding, the court may forfeit the bail. Under current law, forfeited bail may be transferred only to the District Attorney's Extradition Account under Title 15, section 224-A and is not available to satisfy the restitution order. The amendment requires that proceeds of a bail forfeiture in the restitution default proceeding instead be used first to satisfy the restitution order, with any remaining forfeited bail transferred to the Extradition Account.

## Enacted Law Summary

Public Law 2007, chapter 31 requires that district attorneys determine if, in the case where there are proceeds from a forfeited bail of an offender, that offender owes outstanding restitution. Proceeds from forfeited bail of an offender who is in default of a restitution obligation may be used to satisfy the obligation only in the proceeding brought under that default proceeding. When an offender who has been sentenced to pay restitution fails to pay the restitution, the offender may be required to appear in court pursuant to the Maine Revised Statutes, Title 17-A, section 1329. As part of that proceeding, the court may issue a bench warrant and require the offender to post bail. If the offender fails to appear in the restitution proceeding, the court may forfeit the bail. Under current law, forfeited bail may be transferred only to the District Attorney's Extradition Account under Title 15, section 224-A and is not available to satisfy the restitution order. Public Law 2007, chapter 31 requires that proceeds of a bail forfeiture in the restitution default proceeding instead be used first to satisfy the restitution order, with any remaining forfeited bail transferred to the Extradition Account.

The bill clarifies and expands criminal laws relating to sexual assault in which the victim of the crime is a student at a private or public elementary, secondary or special education school, facility or institution and the perpetrator of the crime either is, or will be, a teacher, employee or other official where the victim is enrolled or is a law enforcement officer where the student resides or is enrolled.

## Committee Amendment "A" (H-93)

This amendment replaces the bill. The amendment clarifies that for purposes of sexual assault in which the victim of the crime is a student at a private or public elementary, secondary or special education school, facility or institution, the law recognizes that a teacher or other school employee's instructional, supervisory or disciplinary authority over the student does not disappear during school vacations and summer recess. The teacher or other school employee may not raise as a defense to prosecution that the conduct occurred during a school vacation or summer recess if the teacher or other school employee maintained that status immediately prior to the vacation or recess. The amendment also specifies that the same standards be applied to law enforcement officers who are

SYKES	OTP-AM	H-186

This bill amends the Maine Juvenile Code as follows.

Section 1 provides clarification of when conditions of release imposed by a juvenile community corrections officer (jcco) terminate. A conditional release ordered by the court or jcco will stay in place, if the juvenile is not prosecuted, until an informal adjustment is begun and/or the DA determines that no petition will be filed on a given case.

Section 2 clarifies that the public may not be excluded from a proceeding involving a juvenile petition alleging a second or subsequent crime that would be a Class D or higher class crime if Class D offense were preceded by not only another Class D offense unrelated to the current offense but also if it was preceded by another offense that would constitute a Class A, B or C offense or murder if committed by an adult.

Section 4 provides explicit statutory authority for the juvenile court to invoke contempt powers to enforce dispositional orders and hold accountable juveniles who fail to comply with such orders.

Sections 3 and 5 authorize the court to suspend for up to 6 months the license, permit or right to operate a motor vehicle of a juvenile adjudicated of illegal possession or consumption of liquor by a minor.

### Committee Amendment "A" (H-186)

## *Joint Standing Committee on Criminal Justice and Public Safety*

This amendment does the following.

1. It adds a new section that amends the Maine Revised Statutes, Title 15, section 3301, subsection 6 by adding the "attorney for the State" to those a juvenile community corrections officer must notify if the officer decides not to request the attorney for the State to file a petition. The change also amends that section to add a requirement that the attorney for the State make a final determination as to whether to file a juvenile petition within 30 days of being notified of the juvenile community corrections officer's decision not to request that a petition be filed.
2. It amends Title 15, section 3307, subsection 2 by opening to the public a juvenile proceeding in which a petition has been filed for a juvenile crime that would constitute a Class D crime if the juvenile involved were an adult only when the juvenile has previously been adjudicated of committing a juvenile crime that would constitute a Class D or higher class crime.
3. It replaces that section of the bill that enacts Title 15, section 3314, subsection 7 to clarify the juvenile court's inherent contempt power as a court of record to enforce either a disposition ordered following an adjudication for a juvenile crime or to enforce any order requiring the appearance of a juvenile before the court. The amendment specifies that after notice and hearing and in accordance with the Maine Rules of Civil Procedure, Rule 66 the court may exercise its inherent contempt power by way of a plenary contempt proceeding involving punitive sanctions, accompanied or unaccompanied by remedial sanctions, to enforce the disposition ordered following an adjudication for a juvenile crime or to enforce any order requiring the appearance of a juvenile before the court. Any confinement imposed as a punitive or remedial sanction upon a person who has not attained 18 years of age may not exceed 30 days and must be served in a facility approved or operated by the Department of Corrections exclusively for juveniles. To enforce the disposition ordered following an adjudication for a juvenile crime upon a person who has not attained 18 years of age, the court shall, at the time of the disposition, provide written notice to the juvenile of the court's authority to enforce the dispositional order through an exercise of its inherent contempt power and that a contempt order could include an order of confinement for up to 30 days as a punitive sanction and for up to 30 days as a remedial sanction. Nothing in this subsection affects the court's ability to exercise its contempt powers for persons who have attained 18 years of age.
4. It specifies that a person who has turned 18 years of age and is subject to the court's contempt powers that include a sanction of confinement under Title 15, section 3314, subsection 7 may be sentenced to serve that term of confinement in an adult section of a jail or other secure detention facility intended or primarily used for the detention of adults.
5. It strikes those sections of the bill that allow the court to suspend licenses or permits to operate for up to 6 months for juveniles adjudicated of illegal possession or consumption of liquor.
6. It adds a new section that adds a cross-reference to Title 15, section 3314, subsection 7.
7. It adds 2 new sections that add to the purposes of the Long Creek Youth Development Center and the Mountain View Youth Development Center the confinement of juveniles ordered confined pursuant to Title 15, section 3314, subsection 7 of the Juvenile Code.

### **Enacted Law Summary**

Public Law 2007, chapter 196 provides clarification of when conditions of release imposed by a juvenile community corrections officer (jcco) terminate. A conditional release ordered by the court or jcco will stay in place, if the juvenile is not prosecuted, until an informal adjustment is begun or the DA determines that no petition will be filed on a given case. It also adds a new section that amends the Maine Revised Statutes, Title 15, section 3301, subsection 6 by adding the "attorney for the State" to those a jcco must notify if the officer decides not to request the attorney for the State to file a petition. The change also amends that section to add a requirement that the attorney for the State make a final determination as to whether to file a juvenile petition within 30 days of being notified of the jcco's decision not to request that a petition be filed.

NUTTING J	OTP-AM	S-251

In order to improve the ability to prosecute certain gross sexual assaults, this bill amends the crime of gross sexual assault by adding the element of furnishing drugs or intoxicants to a victim in order to substantially impair the victim's power to appraise or control the victim's sexual acts. Currently, a prosecutor must meet a higher standard by proving that the actor employed or administered the drugs or intoxicants to the victim. The bill also specifies that an actor cannot raise as a defense to gross sexual assault that the victim voluntarily consumed or allowed the administration of the drugs or intoxicants if the victim was 14 or 15 years of age.

Current law requires persons convicted of certain crimes after January 1, 1996 to submit a biological sample for DNA testing and inclusion in Maine's DNA databank maintained by the Chief of the State Police or in the Federal Bureau of Investigation's national DNA identification index system, which allows for storage and exchange of DNA

records submitted by state and local forensic DNA laboratories and is derived from the Combined DNA Index System.

This bill requires all persons who have been convicted in Maine at any time of murder, a Class A, B or C crime, commonly known as felonies and specified other crimes to submit a sample for DNA testing and storage. The requirement is delayed until July 1, 2008 to allow the Chief of the State Police to develop a plan to obtain and store the DNA of all those persons who are subject to this sampling requirement who still reside in Maine. The chief is required to submit that plan to the Joint Standing Committee on Criminal Justice and Public Safety, which is required to submit a bill to the Second Regular Session of the 123rd Legislature to implement the plan.

## Committee Amendment "A" (H-368)

This amendment is the majority report of the Joint Standing Committee on Criminal Justice and Public Safety and replaces the bill. The amendment requires a person who commits an offense that does not currently require the person to submit a DNA sample to submit a DNA sample if that person was convicted of an offense prior to January 1, 1996 that is an offense that would require submitting a DNA sample if committed on or after that date. A person who fails to submit a DNA sample after receiving notice from the Department of Public Safety, State Bureau of Identification commits a Class E crime.

## Enacted Law Summary

Public Law 2007, chapter 294 requires a person who commits an offense that does not currently require the person to submit a DNA sample to submit a DNA sample if that person was convicted of an offense prior to January 1, 1996 that is an offense that would require submitting a DNA sample if committed on or after that date. A person who fails to submit a DNA sample after receiving notice from the Department of Public Safety, State Bureau of Identification commits a Class E crime.

This bill is an emergency bill that requires the court to issue a standing criminal restraining order that applies to persons convicted of sex offenses under the Maine Revised Statutes, Title 17-A, chapters 11 and 12. The standing criminal restraining order takes effect when the defendant is released from confinement or at the time of sentencing if no confinement is ordered and continues until modified or revoked by the court for good cause shown. The order must include, but is not limited to, enjoining the defendant from residing within 10 miles of the victim's residence, within 10 miles of where the offense occurred and within 1,000 feet of a school, day care or playground if there are fewer than 30,000 residents in that community. bill also includes in the offense of "aggravated trafficking of scheduled drugs" the offense of trafficking at a residence at which a child of under 18 years of age resides and the basis for the offense is the manufacture or attempt to manufacture methamphetamine, 3, 4 - methylenedioxyamphetamine (MDMA), 3, 4 - methylenedioxy amphetamine (MDA), lysergic acid diethylamide (LSD) or fentanyl. Instead of a minimum mandatory sentence of 4 years for an aggravated trafficking offense that the current law provides, a person convicted under this new provision of manufacturing at a residence with children would be subject to a minimum 10 years of imprisonment.

### Committee Amendment "A" (H-124)

This amendment establishes as an aggravating factor in the offense of "trafficking or attempting to traffick in a scheduled drug" manufacturing or an attempt to manufacture methamphetamine, 3, 4 - methylenedioxyamphetamine, 3, 4 - methylenedioxy amphetamine, lysergic acid diethylamide or fentanyl. This makes this offense a Class A crime, which is subject to the current minimum mandatory sentencing alternative of 4 years imprisonment for certain Class A drug offenses. Making the manufacturing of these drugs a Class A crime replaces the provision in the bill that would have made trafficking or attempting to traffick in a schedule W drug at a residence at which a child less than 18 years of age resides and the basis of the offense is manufacturing or an attempt to manufacture a Class A crime subject to a mandatory minimum sentence of 10 years imprisonment.

This bill is a concept draft pursuant to Joint Rule 208.

This bill proposes that the Joint Standing Committee on Criminal Justice do the following:

1. Review compliance and enforcement of sex offender registration laws and identify resources and methods to ensure that all persons required to register do register, verify and update their information as directed;
2. Using other states models for tiered risk assessment and other examples of sex offender classification to learn from, create and adopt a system of classification based on risk to be applied to each person required to register under the Sex Offender Registration and Notification Act of 1999 in order to classify sex offenders based on their risk of reoffending and the degree of likelihood that they pose a danger to the community;
3. Create and adopt processes to apply the risk assessment and evaluate its use so that due process concerns are met and each risk assessment analysis provides useful information to those in the criminal justice system and others who receive that information;
4. Educate and support law enforcement so that they can use the sex offender risk assessment information to best inform the public and better ensure public safety; and
5. Review the current list of registerable sex offenses and determine if changes to the current Maine sex offender registry and to the Maine sex offender registry website should be made.

DIAMOND	OTP-AM	S-198

This bill adds to the factors that a judicial officer must consider before allowing the pretrial release of a defendant on personal recognizance or an unsecured appearance bond the determination that the defendant's release will not compromise the safety of the community.

## Committee Amendment "A" (S-198)

The amendment makes the following substantive changes to the Maine Bail Code.

1. It amends the definition of "bail" in the preconviction context for crimes bailable as of right to include the imposition of conditions, in accordance with the Maine Revised Statutes, Title 15, section 1026, designed to ensure the safety of others in the community. The bill attempted to accomplish this change but did not capture all necessary provisions.
2. It conforms the language and structure of the parallel definitions of preconviction and post-conviction bail.
3. It adds a definition for the phrase "ensure the safety of others in the community."
4. It amends the standards for release for a crime bailable as of right preconviction in Title 15, section 1026 to require a judicial officer to consider, in addition to the appearance of the defendant at the time and place required and the integrity of the judicial process, both the defendant's potential for engaging in new criminal conduct and the defendant's potential danger to a specific person or to persons in the community generally. The addition of these 2 considerations in Title 15, section 1026 does not change the underlying fact that a judicial officer is without authority to deny bail relative to a crime bailable as of right preconviction except following a revocation of preconviction bail pursuant to Title 15, section 1094. More specifically, in the context of consideration by a judicial officer as to the defendant's potential dangerousness, Title 15, section 1026 does not allow for "preventative detention." Instead, section 1026 allows a judicial officer to impose one or more bail conditions determined by the officer to be reasonably necessary to ensure community safety.
5. It precludes, in the context of a crime bailable as of right, a judicial officer from imposing a financial condition that, either alone or in combination with other conditions of bail, is in excess of that reasonably necessary to ensure that the defendant will refrain from any new criminal conduct or to ensure the safety of others in the community.
6. It adds to the factors to be considered in the release decision for a crime bailable as of right preconviction "any evidence that the defendant poses a danger to the safety of others in the community."
7. It removes the reference to "history of dangerousness" in Title 15, sections 1027 and 1051 relating to crimes bailable only as a matter of discretion preconviction and post-conviction bail since that factor is now expressly listed in Title 15, section 1026.
8. It adds "ensuring the safety of others in the community" to Title 15, section 1097 relating to setting bail following a revocation of preconviction bail.

This bill amends the laws relating to juveniles as follows.

1. Sections 1 and 4 substitute the term "confinement" for "detention" in several provisions that were inadvertently overlooked in legislation passed in the last legislative session, which clarified that the term "detention" should be used only when a juvenile is being held pending court proceedings.
2. Section 2 provides that when a juvenile detainee or juvenile held in nonsecure custody is being transported or is held in a court holding area, there must be the same sight and sound separation from adults as when the juvenile is in a county jail. This ensures compliance with the Office of Juvenile Justice and Delinquency Prevention Act.
3. Section 3 repeals the provision establishing community resolution teams as a means of informal adjustment of juvenile offenses. The repeal of this would not preclude alternative strategies to be used by law enforcement at the local level.
4. Section 5 clarifies the provision referring to the dispositional alternative of up to 30 days' confinement in a juvenile facility. The repealed language refers to the dispositional alternative of long term indeterminate commitment, which is different than short term confinement.
5. Section 6 corrects the cross-references to adult probation revocation provisions in light of the changes made to those provisions in the last legislative session.
6. Section 7 addresses the issue of a juvenile who receives a suspended order of commitment to a juvenile facility and commits a probation violation shortly before the end of the commitment period by requiring that a court revoking probation ensure that the juvenile receives a commitment of at least one year.
7. Section 8 expands the crime of criminal restraint by parent to cover a parent who removes a child under 18 years of age from state custody.

# Joint Standing Committee on Criminal Justice and Public Safety

## Committee Amendment "A" (H-73)

This amendment strikes section 7 from the bill, which raised constitutional issues, as it would have required that a juvenile who receives a suspended order of commitment to a juvenile facility and commits a probation violation shortly before the end of the commitment period be required to receive a commitment of at least one year. The amendment also amends section 8 of the bill by redrafting the crime of criminal restraint by a parent to add a new Class D form of the crime that addresses criminal restraint by a noncustodial parent of a child either 16 or 17 years of age whose lawful custodian is the Department of Corrections or the Department of Health and Human Services. The amendment also makes additional technical drafting changes to the Maine Revised Statutes, Title 17-A, section 303.

## Enacted Law Summary

Public Law 2007, chapter 96 makes the following changes to the juvenile laws.

The term "confinement" is substituted for "detention" in several provisions that were inadvertently overlooked in legislation passed in the last legislative session, which clarified that the term "detention" should be used only when a juvenile is being held pending court proceedings.

The law provides that when a juvenile detainee or juvenile held in nonsecure custody is being transported or is held in a court holding area, there must be the same sight and sound separation from adults as when the juvenile is in a county jail. This ensures compliance with the Office of Juvenile Justice and Delinquency Prevention Act.

Public Law 2007, chapter 96 repeals the provision establishing community resolution teams as a means of informal adjustment of juvenile offenses. The repeal of this would not preclude alternative strategies to be used by law enforcement at the local level.

It also clarifies the provision referring to the dispositional alternative of up to 30 days' confinement in a juvenile facility. The repealed language refers to the dispositional alternative of long term indeterminate commitment, which is different than short term confinement.

Public Law 2007, chapter 96 corrects the cross-references to adult probation revocation provisions in light of the changes made to those provisions in the last legislative session.

It expands the crime of criminal restraint by parent to add a new Class D form of the crime that addresses criminal restraint by a noncustodial parent of a child either 16 or 17 years of age whose lawful custodian is the Department of Corrections or the Department of Health and Human Services.

The Commissioner of Education may withhold state subsidy from those schools that fail to meet these requirements.
2. It requires the Homeland Security Advisory Council, beginning January 15, 2008 and annually thereafter, to report to the joint standing committee of the legislature having jurisdiction over criminal justice and public safety matters regarding homeland security training and communications exercises and other homeland security initiatives and issues.
3. It specifies that local health officers must be qualified by education, training or experience in the field of public health or a combination as determined by standards set through the adoption of major substantive rules by the Department of Health and Human Services, Maine Center for Disease Control and Prevention by January 1, 2008. A person employed as a local health officer before January 1, 2008 who is not qualified by education, training or experience must meet qualification standards no later than June 1, 2008. On or after June 1, 2008, a person may not be appointed and employed as a local health officer unless that person is qualified pursuant to department standards.
4. It specifies that the Department of Defense, Veterans and Emergency Management, Maine Emergency Management Agency shall adopt major substantive rules regarding the process for the expenditure of funds from the Disaster Relief Fund.
5. It amends the disaster emergency plan requirements for municipal, county and regional emergency management agencies by requiring each plan to include provisions to ensure the sheltering of pets, continuous medical care of persons transferred in an emergency and methods to identify and provide transportation to those who will need transportation in an emergency situation. The bill directs the Maine Emergency Management Agency to work with communities on these issues and to report to the Joint Standing Committee on Criminal Justice and Public Safety by July 1, 2007 with recommendations for additional changes. The Joint Standing Committee on Criminal Justice and Public Safety, upon receiving the reports, may submit implementing legislation to the Second Regular Session of the 123rd Legislature.

## *Joint Standing Committee on Criminal Justice and Public Safety*

6. It specifies that persons who have been certified by the Department of Labor, Bureau of Rehabilitation Services, Division of Deafness as being deaf or hard-of-hearing and have an income of less than 135% of the federal poverty level must receive a wireless communications device or 2-way pager and the monthly service for that device or pager without charge. A company required to provide the service without charge is entitled to recover monthly service charge amounts from the Communications Equipment Fund. The Bureau of Rehabilitation Services shall adopt rules to establish the process for certifying eligibility with the Division of Deafness and for the process to be used by wireless and paging companies in recovering monthly service charge amounts from the Communications Equipment Fund.
7. It creates an annual fee structure for payment by municipal and private dam owners to support dam inspection, maintenance and repair.
8. It requires the Director of the Maine Center for Disease Control and Prevention, within the Department of Health and Human Services in conjunction with the Public Health Work Group and other stakeholders and interested parties, to further study and set standards by major substantive rulemaking for local health officer qualifications and redefine the local health officer's role, including updating related statutes to clarify that role. The director shall report these proposed standards, recommendations and any necessary legislation to the Homeland Security Advisory Council and the Joint Standing Committee on Health and Human Services by June 1, 2007. Qualification standards must be set by rule by January 1, 2008.
9. It requires the Public Health Work Group to report any recommendations to the Homeland Security Advisory Council and to the Joint Standing Committee on Health and Human Services and the Joint Standing Committee on Criminal Justice and Public Safety regarding the following initiatives:
  - A. Development of a strong local health officer system that is able to function independently of the Maine Center for Disease Control and Prevention, if necessary, during an emergency and that supports the county-based emergency management agency and homeland security counterparts;
  - B. Development of training of, support of and links between local health officers to ensure that each of the 16 county emergency management agencies has a competent local health liaison, including clarification of the role of local health officers in emergency preparedness and response and recovery;
  - C. Implementation of pilot projects at the county or multicounty level to establish official health agencies, to serve as the official public health liaisons during emergencies and to provide an official boundary of local government jurisdiction in the public health arena;
  - D. Certification of all local law enforcement officers to act as deputy county sheriffs during emergencies and authorization to counties to assume jurisdiction and permit official delegation of public health functions from municipal to county levels; and
  - E. Adoption and implementation of the National Public Health Performance Standards established by the United States Department of Health and Human Services, Centers for Disease Control and Prevention and the standards of the National Association of County and City Health Officials for ensuring the competency of individuals and agencies.
10. It directs the Director of the Maine Emergency Management Agency, in cooperation with the Maine Developmental Disabilities Council and the Public Utilities Commission, to develop and implement a plan, including funding, to provide a statewide disability indicator system to allow individuals with disabilities and special health needs to provide a code identifying special assistance needed in an emergency. The director shall report regarding the implementation of the plan and shall identify any necessary implementing legislation to the Joint Standing Committee on Criminal Justice and Public Safety by July 1, 2007.

## *Joint Standing Committee on Criminal Justice and Public Safety*

11. It directs the Director of the Maine Emergency Management Agency, in cooperation with the Chief Information Officer and the Statewide Radio Network Board, to seek and coordinate information from fire chiefs across the State identifying those facilities in each chief's community that pose radio communications challenges and, after a standardized risk assessment, are identified as having high potential for high vulnerability in an emergency event. The director shall report findings and recommendations, including any necessary legislation, to the Joint Standing Committee on Criminal Justice and Public Safety by September 1, 2007.

12. It directs the Director of the Maine Emergency Management Agency, in cooperation with the Department of Professional and Financial Regulation and the Department of Environmental Protection, to research the public safety factors involved in determining whether fuel tanks should be attached to buildings in order to withstand high winds and flooding and whether all fuel tanks should have emergency shut-off valves. The director shall report findings and recommendations, including any necessary legislation, to the Homeland Security Advisory Council by September 1, 2007.

13. It includes an appropriations and allocations section to implement initiatives to provide funding for 6 rain gauges to be installed on rivers in York and Cumberland counties, to establish 2 positions to support the Dam Safety Program and to establish 2 positions to support Maine's Fusion Center, which is designed to facilitate communication among local, state and federal law enforcement agencies regarding intelligence information and analysis.

### **Committee Amendment "A" (S-106)**

This amendment is the majority report of the Joint Standing Committee on Criminal Justice and Public Safety and does the following.

1. It strikes section 1 of the bill regarding comprehensive emergency management plans, as the issue is addressed in LD 222, "An Act To Ensure the Integrity of School Crisis Response Plans."
2. It specifies that local health officers must be qualified by education, training or experience in the field of public health or a combination as determined by standards set through the adoption of major substantive rules by the Department of Health and Human Services, Maine Center for Disease Control and Prevention by June 1, 2008. A person employed as a local health officer before June 1, 2008 who is not qualified by education, training or experience must meet qualification standards no later than June 1, 2009.
3. Instead of creating statutory mandates for the adoption of policies in each of these areas, it directs the Maine Emergency Management Agency to continue to work with communities to develop plans for ensuring sheltering of pets, to ensure continuous medical care of persons transferred in emergencies and to ensure identification of persons who need transportation in an emergency and to report to the Joint Standing Committee on Criminal Justice and Public Safety by January 1, 2008 with recommendations including legislative changes, if necessary.
4. It strikes provisions specifying that persons who have been certified by the Department of Labor, Bureau of Rehabilitation Services, Division of Deafness as being deaf or hard-of-hearing and have an income of less than 135% of the federal poverty level must receive a wireless communications device or 2-way pager and the monthly service for that device or pager without charge. This issue is referred for review to the Joint Standing Committee on Utilities and Energy.
5. It strikes provisions creating an annual fee structure for payment by municipal and private dam owners to support dam inspection, maintenance and repair.
6. It amends provisions dealing with rulemaking and establishing standards for local health officers by allowing the Director of the Maine Center for Disease Control and Prevention more time to establish and adopt major substantive rules.

## *Joint Standing Committee on Criminal Justice and Public Safety*

7. It changes the time by which the Director of the Maine Emergency Management Agency, in cooperation with the Maine Developmental Disabilities Council and the Public Utilities Commission, must develop and implement a plan, including funding, to provide a statewide disability indicator system to allow individuals with disabilities and special health needs to provide a means for identifying special assistance needed in an emergency. The director shall report regarding the implementation of the plan and shall identify any necessary implementing legislation to the Joint Standing Committee on Criminal Justice and Public Safety by January 1, 2008.
8. It changes the time by which the Director of the Maine Emergency Management Agency, in cooperation with the Chief Information Officer and the Statewide Radio Network Board, must seek and coordinate information from fire chiefs across the State identifying those facilities in each chief's community that pose radio communications challenges and, after a standardized risk assessment, are identified as having high potential for high vulnerability in an emergency event. The director shall report findings and recommendations, including any necessary legislation, to the Joint Standing Committee on Criminal Justice and Public Safety by January 1, 2008.
9. It changes the time by which the Director of the Maine Emergency Management Agency, in cooperation with the Department of Professional and Financial Regulation and the Department of Environmental Protection, must research the public safety factors involved in determining whether fuel tanks should be attached to buildings in order to withstand high winds and flooding and whether all fuel tanks should have emergency shut-off valves. The director shall report findings and recommendations, including any necessary legislation, to the Homeland Security Advisory Council by January 1, 2008.
10. It includes an appropriations and allocations section to implement an initiative to provide funding for 6 stream gauges to be installed on rivers in York and Cumberland counties and strikes appropriations and allocations that established 2 positions to support the Dam Safety Program and 2 positions to support Maine's Fusion Center, some of which are in LD 499, "An Act Making Unified Appropriations and Allocations for the Expenditures of State Government, General Fund and Other Funds, and Changing Certain Provisions of the Law Necessary to the Proper Operations of State Government for the Fiscal Years Ending June 30, 2008 and June 30, 2009."
11. It amends Public Law 2005, chapter 634, section 21 by specifying that the Department of Education shall ask a school district whether it plans to use its school as a public community shelter after site approval and before concept approval.

### **Senate Amendment "A" (S-352)**

This amendment removes the appropriations and allocations section.

GERZOFSKY DIAMOND	ONTP	

This bill includes registered emergency communications volunteers among those individuals that the Maine Emergency Management Agency may employ to assist with emergency management activities. This bill creates a definition for emergency communications volunteer that requires volunteers to meet certain requirements before they may receive a valid identification card from the agency. This bill also directs the Director of the Maine Emergency Management Agency to adopt rules to implement a state radio amateur civil emergency services plan in accordance with Federal Communications Commission and Federal Emergency Management Agency guidelines. It also requires the director to adopt rules governing registration requirement levels for emergency communications volunteers.

## LD 697 An Act To Amend the Laws Relating to Department of Corrections Facilities

PUBLIC 102

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
GERZOFSKY DIAMOND	OTP-AM	H-125

## *Joint Standing Committee on Criminal Justice and Public Safety*

This bill amends the laws relating to the Department of Corrections facilities as follows.

Sections 1 and 2 of bill add to the Maine Criminal Code provisions defining gross sexual assault and unlawful sexual contact to include sexual conduct with any of the following when the actor has supervisory or disciplinary authority of one of the following: a sex offender on supervised release, a prisoner on supervised community confinement or a juvenile on community reintegration status.

Section 3 allows prisoners who work more than 8 hours in a day to have the excess hours credited toward another day for purposes of receiving "earned good time" if permitted by the Commissioner of Corrections or the sheriff of the county jail.

Sections 4 and 5 provide that the Commissioner of Corrections may access records, including the records of detained persons, as part of the inspection process for county and municipal detention facilities.

Section 6 allows Department of Corrections investigative officers to issue administrative subpoenas if authorized to do so by the Commissioner of Corrections and the Attorney General.

Section 7 makes clear that "gate money" given to a prisoner by the Department of Corrections upon release is not subject to victim restitution, facility disciplinary restitution or facility monetary sanctions.

Sections 8 and 9 make clear that prisoners who are admitted to a Department of Health and Human Services psychiatric hospital from a Department of Corrections facility may not receive a privilege at the hospital while still in legal custody of the Department of Corrections facility.

### **Committee Amendment "A" (H-125)**

This amendment makes several changes to the bill. It clarifies that the records that the Commissioner of Corrections may access for inspections include records of committed as well as detained persons. It amends 2 provisions that were inadvertently left out of the bill that add to the Maine Criminal Code provisions defining gross sexual assault and unlawful sexual contact to include sexual conduct with a sex offender on supervised release, a prisoner on supervised community confinement or a juvenile on community reintegration status when the actor has supervisory or disciplinary authority over that person. Finally, the amendment clarifies that it is the Commissioner of Corrections who determines whether a person may receive a privilege under the Maine Revised Statutes, Title 34-A, section 3069.

### **Enacted Law Summary**

Public Law 2007, chapter 102 amends the laws relating to the Department of Corrections as follows.

It adds to the Maine Criminal Code provisions defining gross sexual assault and unlawful sexual contact to include sexual conduct with any of the following when the actor has supervisory or disciplinary authority of one of the following: a sex offender on supervised release, a prisoner on supervised community confinement or a juvenile on community reintegration status.

It allows prisoners who work more than 8 hours in a day to have the excess hours credited toward another day for purposes of receiving "earned good time" if permitted by the Commissioner of Corrections or the sheriff of the county jail.

It provides that the Commissioner of Corrections may access records, including the records of detained and committed persons, as part of the inspection process for county and municipal detention facilities.

It allows Department of Corrections investigative officers to issue administrative subpoenas if authorized to do so by the Commissioner of Corrections and the Attorney General.

### Enacted Law Summary

Public Law 2007, chapter 55 clarifies current drug law by specifying that a compound, mixture or preparation that contains a narcotic drug is considered a narcotic drug for purposes of classification as a Schedule W drug and determining the class of crime for possession of that drug, either in its pure form or as a compound, mixture or preparation.

## LD 769 An Act To Establish the Missing Senior Citizen Alert Program

DIED BETWEEN  
HOUSES

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
CAMPBELL BRANNIGAN	ONTP MAJ OTP-AM MIN	

This bill establishes the Missing Senior Citizen Alert Program, which establishes within the Department of Public Safety a clearinghouse or central repository of information related to missing senior citizens. For purposes of the bill a "missing senior citizen" is defined as a person 60 years of age or older whose temporary or permanent residence is or is believed to be in Maine, whose location is not determined and whose disappearance poses a credible threat to the safety and health of that person as determined by a local law enforcement agency. The Commissioner of the Department of Public Safety shall appoint a director to supervise the clearinghouse and shall establish services appropriate to aid in the location of missing senior citizens. Law enforcement agencies shall submit reports they receive regarding missing senior citizens to the clearinghouse, and family members or legal guardians may submit reports of missing senior citizens to the clearinghouse. The commissioner shall adopt routine technical rules to implement this new program.

### Committee Amendment "A" (H-196)

This amendment is the minority report of the Joint Standing Committee on Criminal Justice and Public Safety and replaces the bill. The amendment expands the missing senior citizens alert program created in the bill to include persons with disabilities who have impaired mental conditions. The amendment maintains all the features of the program as created in the bill, except that the clearinghouse director position is eliminated and the list of persons who may submit a missing persons report under the program is expanded to include the missing person's agent under a health care power of attorney and the person's health care provider. The amendment also adds a mandate preamble.

Section 1 of the bill requires all new applicants for concealed firearms permits, and Section 2 requires all renewing concealed firearms permit holders to show documentation that they have completed a firearms safety course that includes relevant state and federal law, basic defensive marksmanship, gun safety, civic responsibility, appropriate conduct while carrying a firearm and the moral and ethical issues surrounding the potential use of firearms as a means of self-defense.

Section 1 of the bill also removes current exemptions to the existing handgun safety course requirement for an applicant or holder of a concealed firearms permit who can personally demonstrate knowledge of the subject matter of the handgun course requirements and a person who received basic firearms training as a member of the Armed Forces of the United States. Applicants and permit holders who qualify for a permit under these 2 exemptions would have to take the new firearms safety course.

Section 3 of the bill directs the Department of Public Safety to adopt rules to establish requirements with specific components for a 6-hour instruction course in firearms safety.

Section 1 of the bill clarifies that a person who violates laws applicable to dance facilities commits a Class E crime. The penalty language in this provision is archaic; when incarceration is specified as a sentencing alternative, the offense should be classified as a crime.

# Joint Standing Committee on Criminal Justice and Public Safety

Section 2 of the bill requires that incident reports be submitted by municipal fire officials to the State Fire Marshal that are consistent with a national fire incident reporting system. This reporting requirement includes that the municipal fire officials record a report of each response made, whether there was a fire or not.

Section 3 of the bill changes the term "residential-custodial care facilities" to "residential board and care occupancies" for the purposes of clarification and accuracy and to be consistent with other rules adopted by the Office of the Fire Marshal.

## Enacted Law Summary

Public Law 2007, chapter 82 clarifies that a person who violates laws applicable to dance facilities commits a Class E crime. The penalty language in this provision is archaic; when incarceration is specified as a sentencing alternative, the offense should be classified as a crime. Public Law 2007, chapter 82 requires that incident reports be submitted by municipal fire officials to the State Fire Marshal that are consistent with a national fire incident reporting system. This reporting requirement includes that the municipal fire officials record a report of each response made, whether there was a fire or not. Public Law 2007, chapter 82 also changes the term "residential-custodial care facilities" to "residential board and care occupancies" for the purposes of clarification and accuracy and to be consistent with other rules adopted by the Office of the Fire Marshal.

PUBLIC 182

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
HASKELL	OTP-AM	H-213

The bill requires that a permit be obtained from the Department of Public Safety prior to installing, constructing or establishing any flammable liquid dispensing facility. This permitting requirement currently applies to above ground flammable liquid storage facilities. Facilities that currently exist and dispense flammable liquids would also need to apply for a permit under the requirements of the bill.

### Committee Amendment "A" (H-213)

This amendment replaces the bill, which required that a person obtain a permit from the Commissioner of Public Safety before installing, constructing or establishing any flammable liquid dispensing facility, and instead applies to a retail motor fuel facility dispensing flammable liquids. These requirements do not apply to the dispensing of propane and natural gas, which is regulated by the Department of Professional and Financial Regulation.

## Enacted Law Summary

Public Law 2007, chapter 182 requires that before installing, constructing or establishing a retail motor fuel facility that dispenses flammable liquids, a person obtain a permit from the Commissioner of Public Safety. This permitting requirement does not apply to the dispensing of propane and natural gas, which is regulated by the Department of Professional and Financial Regulation. These requirements are not retroactive, and the Criminal Justice and Public Safety Committee has asked that the Office of the Fire Marshal and the Maine Oil Dealers Association work cooperatively to identify where existing flammable liquid dispensing facilities are located.

SIMPSON STRIMLING	OTP-AM	H-461

Current law requires law enforcement agencies to adopt written policies regarding procedures dealing with the domestic violence, including at a minimum a process to ensure notice to a victim of a defendant's release from jail, a process for the collection of information regarding the defendant's history and a process to relay that information to a bail commissioner before a bail determination is made and a process for the safe retrieval of personal property belonging to the victim or defendant. This bill adds one more element to the written policies for domestic violence by requiring adoption of a written policy that contains a process to evaluate and determine who is the predominant physical aggressor in a domestic violence situation.

### Committee Amendment "A" (H-461)

This amendment replaces the bill with a resolve. The resolve directs the Board of Trustees of the Maine Criminal Justice Academy to establish and implement training regarding the determination of predominant aggressors in domestic violence situations for law enforcement officers no later than June 30, 2008. The resolve also directs the board of trustees to report its progress regarding this effort to the Joint Standing Committee on Criminal Justice and Public Safety no later than April 1, 2008.

Notwithstanding the current crime of trespass, this bill creates a civil trespass, which is a violation when the trespasser poses no threat or danger and gives no resistance to law enforcement officials. In such cases, a fine of \$100 or community service work may be imposed. The bill also creates a new crime of civil disobedience, which, notwithstanding the crime of obstructing government administration (Title 17-A, section 751), is when a person for political purposes actively refuses to obey certain laws, demands and commands of a government without resorting to physical violence. This bill makes civil disobedience a Class E crime but limits its potential sentencing alternatives to only a fine of \$100 or community service work. A Class E crime may otherwise be punishable by sentencing alternatives including up to 6 months imprisonment, up to \$1,000 in fines, deferred disposition and administrative release.

This bill does the following.

1. It establishes the state of mind that must accompany the disclosure of confidential information regarding E-9-1-1 calls or recordings in order for such disclosure to be a crime.
2. It makes the law regarding the place at which forensic examination kits are to be stored reflective of and consistent with actual storage practices.
3. It updates references to federal agencies to reflect their placement into the Department of Homeland Security.
4. It renews until July 1, 2009 the authority previously granted to the United States Secret Service of the Department of Homeland Security to enforce laws of the State. The authority previously granted to that agency was repealed on July 1, 2004.
5. It authorizes a designee of the Commissioner of Public Safety, a designee of the Chief of the State Police and a designee of the Chief Information Officer to serve in place of the commissioner, chief or Chief Information Officer, respectively, on the Maine Communications System Policy Board.

## Committee Amendment "A" (H-264)

This amendment removes the sunset provision from sections in the bill related to the authority of the United States Secret Service of the Department of Homeland Security to enforce the laws of the State. The amendment also clarifies in the provisions related to evidence storage that the investigating agency shall take possession of forensic examination kits in cases involving gross sexual assault.

## LD 1240 An Act To Implement the Recommendations of the Criminal Law Advisory Commission CARRIED OVER

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
	OTP-AM	H-479

This bill is proposed by the Criminal Law Advisory Commission and does the following.

Section 1 of the bill repeals Title 14, section 3141, subsection 2 because experience has demonstrated that mandatory notice at the time of the defendant's initial appearance is ineffective in securing fine payment in full at the time of sentence imposition. Section 2 of the bill adds a requirement in section 3141, subsection 4 that the order issued by the court include a clear directive to the defendant that the defendant has a legal duty to move the court for a modification of time or method of payment of the fine to avoid a default.

Section 3 of the bill enacts the Maine Revised Statutes, Title 15, section 103-A, subsection 1, which directs that in the event a person who is found not criminally responsible by reason of insanity or is the recipient of a negotiated insanity plea as to a Maine crime is subject to an undischarged straight term of imprisonment or an unsuspended portion of a split sentence for a different Maine crime, the person must serve the undischarged term of imprisonment or the unsuspended portion of the split sentence before commencing the commitment to the Commissioner of Health and Human Services ordered by the court pursuant to section 103. Once having fully served the term of imprisonment or unsuspended portion of a split sentence, the person must commence the commitment ordered notwithstanding being on conditional release.

Title 15, section 103-A, sub-section 2 also directs that in the event a person who has entered into the custody of the Commissioner of Health and Human Services pursuant to a commitment order either violates a condition of release and new institutional confinement is ordered or commits a Maine crime for which the person is subsequently convicted and the sentence imposed includes a straight term of imprisonment or a split sentence, the person must be placed in execution of that punishment and custody pursuant to the commitment order is automatically interrupted. In the event execution of that punishment is stayed pending appeal, the commitment will be automatically interrupted once that stay terminates and the person is placed in execution of the punishment. The commitment will be resumed when the new institutional confinement ordered or the straight term of imprisonment or the unsuspended portion of the split sentence imposed has been fully served. Title 15, section 103-A, subsection 3 directs that, while a person is imprisoned in execution of the punishment described in section 103-A, the county jail or state facility in which the person is incarcerated must provide the necessary mental health treatment required under law, including, when appropriate, seeking involuntary psychiatric hospitalization.

Section 4 of the bill conditions the present duty of prosecutors to inform law enforcement officers of the details of certain plea agreements reached before submitting that plea to the court on such notice being practicable. The bill adds Title 17-A, chapter 12 crimes (sexual exploitation of minors) to those triggering notice to law enforcement officers and, with respect to victim notification, it removes an incorrect reference to Title 17-A, section 1173 and replaces it with reference to Title 17-A, section 1172, subsection 1, paragraphs A and B (details of plea agreement shared before presented to court and notification of right to comment once plea agreement is submitted).

Section 5 of the bill adds the Class A crimes of aggravated attempted murder and elevated aggravated assault on a

## *Joint Standing Committee on Criminal Justice and Public Safety*

pregnant person to the juvenile crimes for which the juvenile has the burden of proof with respect to the finding of appropriateness required by the "bind over" statute.

Sections 6 and 7 of the bill amend Title 15, sections 3304 and 3314-B by replacing an outdated reference to Rule 42 of the Maine Rules of Criminal Procedure with a reference to Rule 66 of the Maine Rules of Civil Procedure.

Section 8 of the bill allows a law enforcement officer to make a warrantless arrest of any person who the officer has probable cause to believe has committed or is committing a violation of a requirement of administrative release when requested to do so by the attorney for the State.

Section 9 of the bill amends Title 17-A, section 32 to indicate that it is the State's burden to prove each element of the crime charged beyond a reasonable doubt.

Section 10 of the bill eliminates the current precondition for a conviction for a crime for which recklessness or criminal negligence suffices that the State, in addition to proving beyond a reasonable doubt that the person's belief is unreasonable, prove beyond a reasonable doubt that the person's holding of that belief "when viewed in light of the nature and purpose of the person's conduct and the circumstances known to the person, is grossly deviant from what a reasonable and prudent person would believe in the same situation."

Section 11 of the bill adds for purposes of completeness in Title 17-A, section 351 a reference to a "complaint" in the second sentence. (A prosecution is commenced whenever a criminal complaint is filed, an indictment is returned or an information is filed (following waiver of an indictment) per Title 17-A, section 8, subsection 6, paragraph B.)

Sections 12 and 13 of the bill elevate the crime of theft by extortion to a Class B crime if the value of the property stolen is more than \$10,000, which is consistent with other crimes of theft.

Sections 14-23 of the bill add to the 4 basic Class D forms of home repair fraud 2 aggravated forms of each based on the pecuniary loss suffered by the victim as a result of the fraud. If the loss is more than \$10,000, the basic crime is elevated to Class B. If the loss is more than \$1,000 but not more than \$10,000, the basic crime is elevated to Class C. These changes are consistent with current penalties for other forms of theft.

Section 24 of the bill removes the current directive in Title 17-A, section 908, subsection 2 that the trial court rather than the jury determine the materiality question. Since whether a fact relating to the terms of the agreement or contract is material is an element of the crime of home repair fraud, a defendant has the constitutional right to have the jury rather than the trial court determine the question of materiality.

Section 25 of the bill clarifies the requirement that a victim's address be kept confidential. It provides a general rule of confidentiality. It allows victim address information to be disclosed to state, criminal justice, juvenile justice and victim services agencies in limited circumstances and to other persons or agencies upon request of the victim. It allows criminal justice personnel and the court to disclose such information upon victim request as part of a court order restricting contact with the victim, or when the defendant already knows that victim's current address or location. It allows an attorney for the State to withhold such information upon a good faith belief that disclosure may compromise victim safety. It prohibits disclosure of a victim request for notice of the defendant's release except as required to carry out the request. The bill protects the confidentiality of victim information but does not prevent access to the information required for the administration of the criminal justice system, juvenile justice system or provision of victim services.

Sections 26-28 of the bill allow a person convicted of the Class E crime of nonsupport of dependents to be placed on probation under the supervision of the Department of Health and Human Services for a period extending to the time when the youngest dependent attains 18 years of age.

**Committee Amendment "A" (H-479)**

# Joint Standing Committee on Criminal Justice and Public Safety

This amendment strikes from the bill the language that directs that in the event a person who is found not criminally responsible by reason of insanity or is the recipient of a negotiated insanity plea as to a Maine crime is subject to an undischarged straight term of imprisonment or an unsuspended portion of a split sentence for a different Maine crime, the person must serve the undischarged term of imprisonment or the unsuspended portion of the split sentence before commencing the commitment to the Commissioner of Health and Human Services ordered by the court pursuant to the Maine Revised Statutes, Title 15, section 103. Once having fully served the term of imprisonment or unsuspended portion of a split sentence, the person would have had to commence the commitment ordered notwithstanding being on conditional release.

The amendment also strikes from the bill the language that directs that, while a person is imprisoned in execution of the punishment described in Title 15, section 103-A, the county jail or state facility in which the person is incarcerated must provide the necessary mental health treatment required under law, including, when appropriate, seeking involuntary psychiatric hospitalization.

The amendment repeals the last paragraph of Title 15, section 2115 because its substance, with modification, is best addressed in Title 4, section 51 since it relates to the concurrence required by the Law Court.

LD 1240 was carried over by joint order, H.P. 1369 after being removed from the Special Appropriations Table and recommitted to the Committee on Criminal Justice and Public Safety.

## LD 1241    **An Act To Provide Uniform Treatment of Prior Convictions in the Maine Criminal Code**    **CARRIED OVER**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
	OTP-AM	H-314

This bill is proposed by the Criminal Law Advisory Commission.

1. Section 1 adds a definition for "another jurisdiction" in subsection 3-B of section 2 of the Maine Criminal Code, so that this term has consistent meaning throughout the code. "Another jurisdiction" means the Federal Government, the United States military, the District of Columbia, the Commonwealth of Puerto Rico, the Commonwealth of the Northern Mariana Islands, the United States Virgin Islands, Guam, American Samoa, the Passamaquoddy Tribe and the Penobscot Nation when a tribe has acted pursuant to the Maine Revised Statutes, Title 30, section 6209-A, subsection 1, paragraph A or B and Title 30, section 6209-B, subsection 1, paragraph A or B, respectively. "Another jurisdiction" does not include any foreign country. The bill also amends various crimes and sentencing provisions by replacing inconsistent terminology with the new term "another jurisdiction."
2. Without modifying either the number of prior convictions currently required or the currently qualifying Maine convictions, the bill amends various crimes and sentencing provisions so that prior convictions uniformly include both the specifically identified Maine convictions as well as convictions for engaging in substantially similar conduct in another jurisdiction.
3. The bill replaces in numerous Title 17-A, chapter 45 drug provisions "convicted of an offense under this chapter punishable by a term of imprisonment of more than one year" with "one or more prior convictions for a Class A, B or C offense under this chapter" to clarify that the qualifying Maine chapter 45 convictions include Class C crimes. The bill also replaces in numerous chapter 45 provisions "convicted of an offense under any law of the United States, of another state or of a foreign country relating to scheduled drugs, as defined by this chapter, and punishable by a term of imprisonment of more than one year" with "convicted of engaging in substantially similar conduct to that of the Class A, B or C offenses under this chapter or another jurisdiction."

## LD 1290 An Act To Enhance Enforcement of Public Health Measures

PUBLIC 359

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
MILLER	OTP-AM	H-521

This bill establishes the Class D crime of intentionally, knowingly or recklessly violating a public health measure or prescribed care order during a period of declared extreme public health emergency. In addition, this bill permits a warrantless arrest of a person who an officer has probable cause to believe is committing or has committed a violation of a public health measure or prescribed care order. The bill amends the discharge provision for those committed to a facility for treatment in public health measure situations by adding references to the review process for treatment orders by the department (Title 22, section 813) and by the court in extreme public health emergencies (Title 22, section 820). LD 1290 creates a new provision in Title 30-A, section 1560 (removal for disease) regarding transportation and medical care for a prisoner subject to a public health measure order, which specifies that that a sheriff may transport the prisoner outside the State for medical care if ordered by the court. The Department of Health and Human Services would pay for the costs of transportation and compensation to the officers.

## Committee Amendment "A" (H-521)

This amendment deletes sections 1 and 2 of the bill. The amendment authorizes the issuance of an arrest warrant by the Superior Court in the event of a violation of a public health measure or prescribed care order. Transportation of persons detained or committed to county jails or correctional facilities to out-of-state treatment facilities pursuant to court order is authorized. The amendment also requires the Department of Health and Human Services, in consultation with the Department of Public Safety, the Maine Emergency Management Agency, the Office of the Attorney General, the Criminal Law Advisory Commission and the Maine Sheriffs' Association, to evaluate present procedures for placing persons in violation of public health orders into custody, to review the feasibility of establishing an in-state or out-of-state secure residential treatment facility for persons determined to pose imminent significant public health risks, to evaluate methods to improve the execution of arrest warrants for persons determined to be in violation of court public health measures and court and departmental orders for prescribed care and to report its findings and recommendations to the Joint Standing Committee on Criminal Justice no later than January 31, 2008. Upon receipt of the recommendations, the Joint Standing Committee on Criminal Justice and Public Safety may submit implementing legislation if necessary.

## Enacted Law Summary

Public Law 2007, chapter 359 authorizes the issuance of an arrest warrant by the Superior Court in the event of a violation of a public health measure or prescribed care order. Transportation of persons detained or committed to county jails or correctional facilities to out-of-state treatment facilities pursuant to court order is authorized. The amendment also requires the Department of Health and Human Services, in consultation with the Department of Public Safety, the Maine Emergency Management Agency, the Office of the Attorney General, the Criminal Law Advisory Commission and the Maine Sheriffs' Association, to evaluate present procedures for placing persons in violation of public health orders into custody, to review the feasibility of establishing an in-state or out-of-state secure residential treatment facility for persons determined to pose imminent significant public health risks, to evaluate methods to improve the execution of arrest warrants for persons determined to be in violation of court public health measures and court and departmental orders for prescribed care and to report its findings and

This bill is a concept draft pursuant to Joint Rule 208.

This bill proposes to delete from the sex offender registry website those registered sex offenders who pose little or no risk of reoffending to the community. While remaining in compliance with the requirements of registration and notification imposed by federal law, this bill proposes to review and remove if possible from the website the following registrants:

1. A registrant who committed a Class A crime requiring registration who has not been convicted of committing another crime against a person for a period of at least 20 years after release from incarceration;
2. A registrant who committed a Class B crime requiring registration who has not been convicted of committing another crime against a person for a period of at least 15 years;
3. A registrant who committed a Class C crime requiring registration who has not been convicted of committing another crime against a person for a period of at least 10 years; and
4. A registrant who committed a Class D crime requiring registration who has not been convicted of committing another crime against a person for a period of at least 5 years.

The bill also proposes that the Commissioner of Public Safety, in consultation with an advisory group that must include representatives of the Joint Standing Committee on Criminal Justice and Public Safety, the Maine Prosecutors Association, the Attorney General, the Department of Corrections and the Maine Civil Liberties Union, shall create a classification system based on risk to be applied to each person required to register under the Sex Offender Registration and Notification Act of 1999 in order to identify sex offenders based on their risk of reoffending and the degree of likelihood that they pose a danger to the community. The level of risk must be listed on the website in the case of moderate-risk and high-risk offenders. Low-risk offenders will be removed from the website.

This bill creates a new Class D crime of loitering in a child safe zone. A person who has been previously convicted of committing a crime under the Maine Revised Statutes, Title 17-A, chapter 11 or chapter 12 against a person who has not attained 14 years of age or a person who has been convicted in another jurisdiction for committing conduct substantially similar to that contained in chapter 11 or chapter 12 may not enter, work in, loiter at or remain in a child safe zone. "Child safe zone" means on or within 200 feet of the real property comprising a public or private elementary or secondary school; the real property comprising a child care center, a child care facility, a day care operated by a family child care provider, a nursery school or a small child care facility; or an athletic field, park, playground or recreational facility or other place where children typically gather.

A person who has been previously convicted of committing a crime under Title 17-A, chapter 11 or chapter 12 against a person who has not attained 14 years of age or a person who has been convicted in another jurisdiction for committing conduct substantially similar to that contained in chapter 11 or chapter 12 may enter a child safe zone only in specific limited circumstances.

The bill also requires the court to attach as a condition of probation for a person convicted of a chapter 11 or chapter 12 offense whom the Department of Corrections has identified as a high-risk offender that the person be monitored by the best available monitoring technology for the duration of the probation.

### Committee Amendment "A" (S-256)

This amendment changes the title and replaces the bill. The amendment creates a new Class E crime of prohibited contact with a minor. A person is guilty of prohibited contact with a minor if that person has previously been convicted of an offense under the Maine Revised Statutes, Title 17-A, chapter 11 or 12 against another person who had not in fact attained 14 years of age or has previously been convicted in another jurisdiction for conduct substantially similar to that contained in those chapters against another person who had not in fact attained 14 years of age and if that person has a duty to register as a 10-year or lifetime registrant under Title 34-A, chapter 15, subchapters 1 and 2 and that person intentionally or knowingly has direct or indirect contact with another person who has not in fact attained 14 years of age.

The amendment also creates a new Class D crime of prohibited contact with a minor in a sex offender restricted zone if a person has previously been convicted of an offense under Title 17-A, chapter 11 or 12 against another person who had not in fact attained 14 years of age or has previously been convicted in another jurisdiction for

conduct substantially similar to that contained in those chapters against another person who had not in fact attained 14 years of age and if that person has a duty to register as a 10-year or lifetime registrant under Title 34-A, chapter 15 and that person intentionally or knowingly has any direct or indirect contact in a sex offender restricted zone with another person who has not in fact attained 14 years of age. For purposes of this new crime, "sex offender restricted zone" means the real property comprising a public or private elementary or middle school; the real property comprising a child care center, a child care facility, a day care operated by a family child care provider, a nursery school or a small child care facility as defined under Title 22, section 8301-A; or an athletic field, park, playground, recreational facility, children's camp or other place where children are the primary users.

Because an element of both of these new crimes includes that the person has a duty to register under Title 34-A, chapter 15, subchapter 1 and 2, once a person no longer has a duty to register, a person cannot be guilty of these new crimes of prohibited contact with a minor or prohibited contact with a minor in a sex offender restricted zone.

It is an affirmative defense to prosecution that the parent, foster parent, guardian or other similar person responsible for the person who had not in fact attained 14 years of age knowingly granted the defendant permission to initiate, have or continue direct or indirect contact. It is also an affirmative defense to prosecution that the contact was incidental to and directly related to employment.

### **Enacted Law Summary**

Public Law 2007, chapter 393 creates a new Class E crime of prohibited contact with a minor. A person is guilty of prohibited contact with a minor if that person has previously been convicted of an offense under the Maine Revised Statutes, Title 17-A, chapter 11 or 12 against another person who had not in fact attained 14 years of age or has previously been convicted in another jurisdiction for conduct substantially similar to that contained in those chapters against another person who had not in fact attained 14 years of age and if that person has a duty to register as a 10-year or lifetime registrant under Title 34-A, chapter 15, subchapters 1 and 2 and that person intentionally or knowingly has direct or indirect contact with another person who has not in fact attained 14 years of age.

For purposes of this new crime, "sex offender restricted zone" means the real property comprising a public or private elementary or middle school; the real property comprising a child care center, a child care facility, a day care operated by a family child care provider, a nursery school or a small child care facility as defined under Title 22, section 8301-A; or an athletic field, park, playground, recreational facility, children's camp or other place where children are the primary users.

**LD 1512 An Act To Change the Statute of Limitations for Gross Sexual Assault by a Juvenile** CARRIED OVER

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
BARTLETT	OTP-AM ONTP	H-590 GERZOFSKY S-203

Current law provides no statute of limitations for the prosecution of the juvenile crimes of gross sexual assault and unlawful sexual contact if the victim was under 16 years of age and the juvenile accused of the crime was at least 16 years of age, if the State can present DNA evidence regarding the offense. If the accused juvenile is under 16 years of age, the prosecution must be brought within 6 years after it is committed. This bill extends the statute of limitations to 12 years when the victim was under 16, the juvenile crime was unlawful sexual contact or gross sexual assault and the accused juvenile was under 16 years of age at the time of the crime, even if the State cannot present DNA evidence.

LD 1512 was carried over by joint order, H.P. 1369 after being removed from the Special Appropriations Table and recommitted to the Committee on Criminal Justice and Public Safety.

## Committee Amendment "A" (S-203)

This amendment is the majority report of the committee. The amendment extends the statute of limitations to 10 instead of 12 years as proposed in the bill when the victim was under 16 years of age, the juvenile crime was unlawful sexual contact or gross sexual assault and the accused juvenile was under 16 years of age at the time of the crime, regardless if DNA evidence is available.

The amendment also adds an application section to specify that this change in the statute of limitations applies only to juvenile crimes committed on or after the effective date of the bill and to juvenile crimes for which the prosecution has not yet been barred by the previous statute of limitations in force on the effective date of the bill.

## House Amendment "A" (H-590)

This amendment changes the statute of limitations to 10 years, as done in Committee Amendment "A," but restricts the application to juvenile crimes of gross sexual assault and unlawful sexual contact, except for Title 17-A, section 255-A, paragraph A.

This bill creates the Class D crime of domestic violence. A person is guilty of committing the crime of domestic violence if the person violates the assault, criminal threatening, terrorizing, stalking or reckless conduct statute and the victim of the crime is a family or household member. "Family or household member" has the same meaning as defined in Title 19-A, section 4002, subsection 4.

A person is guilty committing an elevated Class C crime of domestic violence if the person: has one or more prior convictions for engaging in substantially similar conduct as outlined in the prior paragraph in another jurisdiction; has one or more prior convictions for violating protective order (see Title 19-A, section 4011) or for engaging in substantially similar conduct in another jurisdiction; has one or more prior convictions for violating a preconviction bail condition prohibiting contact with a victim, witness or any other family or household member or for violating a preconviction bail condition of refraining from possessing a firearm or other dangerous weapon; or has been a defendant against whom a qualifying protection order has been issued within the last 3 years.

standards, each crime: domestic violence assault, domestic violence criminal threatening, domestic violence terrorizing, domestic violence stalking and domestic violence reckless conduct. As in the bill, each offense is a Class D crime of domestic violence that is committed against a person who is a family or household member. The amendment also retains an aggravated Class C version of each offense if the person: has one or more prior convictions for one of the domestic violence crimes or one or more prior convictions for engaging in conduct substantially similar to these crimes in another jurisdiction; has one or more prior convictions for violating the Maine Revised Statutes, Title 19-A, section 4011, subsection 1 or one or more prior convictions for engaging in conduct substantially similar to that contained in Title 19-A, section 4011, subsection 1 in another jurisdiction; or has one or more prior convictions for violating Title 15, section 1026, subsection 3, paragraph A, subparagraph (5) or subparagraph (8) when the alleged victim in the case for which the defendant was on bail was a family or household member as defined in Title 19-A, section 4002, sub-4.

## Senate Amendment "A" (S-388)

This amendment adds an emergency preamble and clause, directs certain offices and agencies to review certain bills carried over from the First Regular Session of the 123rd Legislature to identify the processes and data that would assist in more accurately forecasting the cost of changes in law of criminal penalties and sets an effective date for certain parts of the legislation.

## Enacted Law Summary

Public Law 2007, chapter 436 creates the crimes of domestic violence assault, domestic violence criminal threatening, domestic violence terrorizing, domestic violence stalking and domestic violence reckless conduct. Each offense is a Class D crime of domestic violence that is committed against a person who is a family or household member. Public Law 2007, chapter 436 creates an aggravated Class C version of each offense if the person: has one or more prior convictions for one of the domestic violence crimes or one or more prior convictions for engaging in conduct substantially similar to these crimes in another jurisdiction; has one or more prior convictions for violating the Maine Revised Statutes, Title 19-A, section 4011, subsection 1 or one or more prior convictions for engaging in conduct substantially similar to that contained in Title 19-A, section 4011, subsection 1 in another jurisdiction; or has one or more prior convictions for violating Title 15, section 1026, subsection 3, paragraph A, subparagraph (5) or subparagraph (8) when the alleged victim in the case for which the defendant was on bail was a family or household member as defined in Title 19-A, section 4002, subsection 4.

Public Law 2007, chapter 436 directs the Office of Fiscal and Program Review, the Department of Corrections and the Judicial Department to review certain bills carried over from the First Regular Session of the 123rd Legislature to identify the processes and data that would assist in more accurately forecasting the cost of changes in law of criminal penalties and sets an effective date for certain parts of the legislation. LD 1674 **An Act To Amend the Habitual Offender and Felony Operating Under the Influence Laws** CARRIED OVER

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
DIAMOND	OTP-AM	S-83

The bill makes several changes in the laws applying to persons driving with suspended or revoked licenses or persons charged with the most serious driving offenses, such as felony operating under the influence (OUI) and manslaughter.

1. It provides that a driver charged with operating after suspension (OAS) will not be authorized to plead guilty to the court clerk without a formal court appearance, and must appear before a judge for sentencing. The judge will then impose a sentence based upon the driver's record and the circumstances of the offense.
2. It amends the Maine Revised Statutes, Title 29-A, section 2411, subsection 1-A, paragraph D in response to a recent court decision. In *State v. Dwayne B. Stevens*, 2007 ME 5, the Maine Supreme Judicial Court determined that Title 29-A, section 2411, subsection 1-A, paragraph D has a 10-year limitation on the use of prior convictions for manslaughter and Class B or C operating under the influence. To address that determination, this bill specifies that Title 17-A, section 9-A governs the use of prior convictions when determining a sentence, except that, for the purposes of the offenses in Title 29-A, section 2411, subsection 1-A, paragraph D, the date of each prior conviction may precede the commission of the offense being enhanced by more than 10 years. The section also incorporates a reference to the new Class B OUI offense enacted in 2006.
3. It increases the sentencing class in OAS for drivers whose licenses have been suspended as a result of convictions in which a death resulted: Class A manslaughter, Class B OUI and Class B OAS. Under current law the OAS offense is only a Class E crime.
4. It clarifies that a court looks back 10 years in determining whether to impose the mandatory fines applying to ordinary OAS cases.
5. It gives courts authority to revoke the driver's license as part of the sentence for an adult or juvenile manslaughter defendant. Under current law only the Secretary of State may revoke a driver's license upon a manslaughter conviction. The court will be authorized to revoke a license for at least a 5-year period, but must also notify the Secretary of State, who may revoke the license for a longer period under Title 29-A, section 2454, subsection 2.
6. It clarifies a provision that was added by Public Law 2005, chapter 606. The current language in Title 29-A, section 2557-A, subsection 1, paragraph B would subject a driver to prosecution for a Class C habitual offender offense even if the driver's previous record did not include such a conviction and the person's license is currently suspended instead of revoked as a habitual offender. The intent of the Public Law 2005, chapter 606 change was to specify that once a person is a felon, meaning the most serious habitual offender under the driving laws, the person continues to be a significant offender under those laws even when the person's license is suspended rather than revoked. The language in the bill makes this clear.
7. It rewrites the sentencing provisions of the habitual offender statute to make them consistent with the format in the aggravated operating after habitual offender revocation law added by Public Law 2005, chapter 606, while adding references to former Title 29-A, section 2557 that were inadvertently omitted from chapter 606.
8. It amends Title 29-A, sections 2557-A and 2558 to make the treatment of multiple offenses consistent with other prior conviction language. The bill adds language to each section to specify that when more than one offense or violation arises from the same incident, the offense or violations are treated as one offense.

# Joint Standing Committee on Criminal Justice and Public Safety

9. It adds a reference to Title 29-A, section 2411 in 2 portions of the aggravated habitual offender laws enacted in Public Law 2005, chapter 606. A reference to prior OUI conviction was included in one sentencing provision of chapter 606 but inadvertently omitted from other provisions.

## Committee Amendment "A" (S-83)

This amendment adds an emergency preamble and emergency clause to the bill to ensure that omissions in changes to the operating after suspension and habitual offender laws enacted pursuant to Public Law 2005, chapter 606 are immediately corrected. The amendment also clarifies that the Secretary of State's authority to impose license revocation is not changed. If the court fails to revoke a license for criminal homicide or attempted criminal homicide, the Secretary of State shall impose a 5-year revocation, unless a longer revocation is imposed under the Maine Revised Statutes, Title 29-A, section 2454, subsection 2.

LD 1674 was carried over by joint order, H.P. 1369 after being removed from the Special Appropriations Table and recommitted to the Committee on Criminal Justice and Public Safety.

Section 1 of the bill requires that a person who is issued a black powder permit by the Commissioner of the Department of Public Safety reapply for that permit after 4 years. These permits are issued to persons who are otherwise prohibited from possessing firearms. This change is consistent with current practice for other firearms permits, which expire and require background checks for renewal.

# Joint Standing Committee on Criminal Justice and Public Safety

Section 2 of the bill provides a definition for "crossbow," which is not currently defined in Maine law for law enforcement purposes.

Section 3 of the bill addresses an inconsistency between State and federal law regarding qualifications to carry concealed firearms. Current law provides that only the last 5 years of a person's criminal history may be used when determining whether a person is qualified to carry a concealed firearm. This sets up a situation where a person who may be eligible for a permit in Maine may be prohibited from possessing a firearm under federal law. The bill specifies that a person may not be issued a Maine permit if the person is disqualified from possessing a firearm under state or federal law.

## Committee Amendment "A" (H-188)

This amendment replaces the bill. Whereas the bill creates the definition of "crossbow," the amendment strikes that definition and removes the current language in the Maine Revised Statutes, Title 15, section 393 that prohibits the possession of a crossbow by a convicted felon until 5 years after the person is discharged from the sentence imposed. Public Law 2005, chapter 419 added "crossbow" to Title 15, chapter 15 regarding possession of firearms by a prohibited person. By removing "crossbow" from that chapter, a person convicted of a felony may own, possess or have under that person's control a crossbow without having to first apply for and receive a permit from the Commissioner of Public Safety.

The amendment retains that portion of the bill that adds language in Title 15, section 393, subsection 2 about the permit issued pursuant to the subsection being valid 4 years from the date of issue unless sooner revoked for cause by the issuing authority. The amendment also clarifies that disqualification to possess a firearm based on federal law prohibiting possession under Title 25, section 2003, subsection 1, paragraph B that appears in the bill must be based on federal criminal conviction information.

## Enacted Law Summary

Public Law 2007, chapter 194 repeals the current language in the Maine Revised Statutes, Title 15, section 393 that prohibits the possession of a crossbow by a convicted felon until 5 years after the person is discharged from the sentence imposed. Public Law 2005, chapter 419 added "crossbow" to Title 15, chapter 15 regarding possession of firearms by a prohibited person. By removing "crossbow" from that chapter, a person convicted of a felony may own, possess or have under that person's control a crossbow without having to first apply for and receive a permit from the Commissioner of Public Safety.

Public Law 2007, chapter 194 adds language in Title 15, section 393, subsection 2 about the permit issued pursuant to the subsection being valid 4 years from the date of issue unless sooner revoked for cause by the issuing authority. Public Law 2007, chapter 194 also clarifies that disqualification to possess a firearm based on federal law prohibiting possession under Title 25, section 2003, subsection 1, paragraph B that appears in the bill must be based on federal criminal conviction information.

## LD 1736 An Act To Amend the Laws Relating to Probation and Supervised Release for Sex Offenders and To Make Necessary Changes to the Maine Criminal Code

PUBLIC 344

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
PLUMMER	OTP-AM	H-421

This bill amends the law relating to probation and supervised release for sex offenders as follows.

Section 1 of the bill sets out explicitly the "plead and prove" requirement that federal constitutional law requires whenever the available sentencing alternatives depend on the crime committed. This is something that the State has to do now.

Section 2 of the bill provides that if a stay of execution is given by a court on a term of imprisonment on a split sentence, the court may revoke the subsequent probation for criminal conduct committed during the stay or for failure to report as ordered. Under present law a judge is prohibited from imposing a term of imprisonment after a split sentence, so if during the stay the offender engages in new criminal conduct or fails to report, the court can only make the new sentence concurrent. This section is intended to deter new criminal conduct or the failure to report by allowing for a probation part of an original sentence to be revoked in order to allow the sentencing judge the option of making new jail time run consecutively instead of concurrently.

Section 3 clarifies that if probation is partially revoked on more than one occasion on the same sentence the periods of imprisonment imposed are successive and that a period of imprisonment imposed on a partial revocation does not commence until the initial unsuspended portion of imprisonment has been fully served. This is intended to clarify what occurs in 2 situations: 1) The offender is serving the unsuspended portion of a sentence and as a result of past behavior presently discovered or present behavior while incarcerated, a portion of the suspended sentence is being vacated; or 2) The offender's behavior while on probation results in 2 or more partial revocations of the suspended portion of the sentence. Section 3 clarifies that in both of these cases the vacated portions of the sentence that have been ordered by the court must be served successively and not concurrently, since there is only one sentence at issue.

Sections 4 and 5 make the grounds for revocation of supervised release by sex offenders the same as revocation of probation.

Section 6 is intended to allow the sentencing alternative of administrative release along with the requirement of paying a fine.

Section 7 makes an initial appearance on an administrative release revocation consistent with the time for an initial appearance for a probation revocation: within 5 days after arrest, instead of 14 days.

Section 8 authorizes probation officers to see pharmacy records of probationers and others under the officers' supervision as the result of a court order. This is the same authority granted to other law enforcement officers for offenders under their supervision.

Section 9 gives probation officers the power to arrest for obstruction of government administration those who interfere with them while they are performing their official functions.

Section 10 makes it clear that probable cause determinations for persons transferred from other jurisdictions for probation or parole supervision in Maine are conducted administratively, since the Maine courts had no role in the initial determination of the imposition of supervision or the revoking of supervision and therefore have no standing to conduct probable cause hearings involving these transferred offenders.

# *Joint Standing Committee on Criminal Justice and Public Safety*

## **Committee Amendment "A" (H-421)**

Because current law authorizes sentencing alternatives of both a fine and imprisonment followed by administrative release, this amendment repeals unnecessary language in the Maine Revised Statutes, Title 17-A, section 1349. The amendment also amends Title 17-A, section 1349-A, subsection 1 and section 1349-B, subsection 2 to be consistent with regard to authorizing the use of administrative release for Class C operating after habitual offender revocation and aggravated operating after habitual offender revocation. The amendment adds district attorneys to the list of those who may show pharmacy records to law enforcement officers other than those listed. Finally, the amendment strikes from the bill the provision granting probation officers the power to arrest for obstruction of government administration while they are performing their official duties.

## **Enacted Law Summary**

Public Law 2007, chapter 344 amends the law relating to probation and supervised release for sex offenders as follows.

1. It sets out explicitly the "plead and prove" requirement that federal constitutional law requires whenever the available sentencing alternatives depend on the crime committed.
2. It provides that if a stay of execution is given by a court on a term of imprisonment on a split sentence, the court may revoke the subsequent probation for criminal conduct committed during the stay or for failure to report as ordered. Under present law a judge is prohibited from imposing a term of imprisonment after a split sentence, so if during the stay the offender engages in new criminal conduct or fails to report, the court can only make the new sentence concurrent. This section is intended to deter new criminal conduct or the failure to report by allowing for a probation part of an original sentence to be revoked in order to allow the sentencing judge the option of making new jail time run consecutively instead of concurrently.
3. It clarifies that if probation is partially revoked on more than one occasion on the same sentence the periods of imprisonment imposed are successive and that a period of imprisonment imposed on a partial revocation does not commence until the initial unsuspended portion of imprisonment has been fully served. This clarifies what occurs in 2 situations: 1) The offender is serving the unsuspended portion of a sentence and as a result of past behavior presently discovered or present behavior while incarcerated, a portion of the suspended sentence is being vacated; or 2) The offender's behavior while on probation results in 2 or more partial revocations of the suspended portion of the sentence. In both of these cases the vacated portions of the sentence that have been ordered by the court must be served successively and not concurrently, since there is only one sentence at issue.
4. It makes the grounds for revocation of supervised release by sex offenders the same as revocation of probation.
5. Because current law authorizes sentencing alternatives of both a fine and imprisonment followed by administrative release, Public Law 2007, chapter 344 repeals unnecessary language in the Maine Revised Statutes, Title 17-A, section 1349. The amendment also amends Title 17-A, section 1349-A, subsection 1 and section 1349-B, subsection 2 to be consistent with regard to authorizing the use of administrative release for Class C operating after habitual offender revocation and aggravated operating after habitual offender revocation.
6. It makes an initial appearance on an administrative release revocation consistent with the time for an initial appearance for a probation revocation: within 5 days after arrest, instead of 14 days.
7. It authorizes probation officers to see pharmacy records of probationers and others under the officers' supervision as the result of a court order. This is the same authority granted to other law enforcement officers for offenders under their supervision. Public Law 2007, chapter 344 also adds district attorneys to the list of those who may show pharmacy records to law enforcement officers other than those listed.
8. It makes clear that probable cause determinations for persons transferred from other jurisdictions for probation or

## Joint Standing Committee on Criminal Justice and Public Safety

parole supervision in Maine are conducted administratively, since the Maine courts had no role in the initial determination of the imposition of supervision or the revoking of supervision and therefore have no standing to conduct probable cause hearings involving these transferred offenders.

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
DIAMOND	ONTP	

This bill implements the recommendations of the Department of Corrections made as directed by Resolve 2005, chapter 132. The bill proposes to do the following:

1. Create new sentencing alternative of an indeterminate sentence for repeat sexual assault offenders and sexually violent offenders with a minimum mandatory sentence of at least 20 years;
2. Create a 5-member forensic board appointed by the Governor; the board's duties include: holding hearings, issuing subpoenas, compelling attendance of witnesses, compelling production of documents, administering oaths and taking testimony; and
3. Specify that a person who served a minimum term of years of a sentence is eligible for review by board; upon receipt of application for review, the Department of Corrections must submit a report to board and a hearing would be held to determine if continued imprisonment is appropriate or if conditional release is. If a person is released and violates a condition of that release, the person is arrested and another hearing is held.

This bill clarifies that a person may not seek post-conviction review of a violation of the sex offender registration requirements of the Sex Offender Registration and Notification Act of 1999 for post-conviction review of the underlying sex offense or sexually violent offense that constitutes an element of the registration violation. The bill also clarifies that for purposes of a violation of a duty or rule under the Sex Offender Registration and Notification Act of 1999, "just cause" raised in the context of an affirmative defense means a physical or mental incapacity that makes a person unable to comply with a duty imposed under that Act or a rule adopted pursuant to that Act.

in predatory acts of sexual violence if not confined in a secure facility. Protections are provided to a person subject to commitment. Care and treatment must be provided, and the commitment is subject to annual review. Notice of release or discharge is required for victims, witnesses and other persons identified by the prosecuting attorney. This bill designates both the Commissioner of Corrections and the Commissioner of Health and Human Services as responsible for providing secure facilities for sexually violent predators. This bill coordinates release from a secure facility for sexually violent predators with supervised release for sex offenders under Title 17-A, chapter 50.

This bill also directs the Department of Corrections and the Department of Health and Human Services to establish licensing standards and necessary legislation to implement those standards for group and similar residential-style homes in which persons who have been convicted of sex offenses are residing. The purpose of creating licensing standards is to ensure that persons who have been convicted of sex offenses and are now living in the community and are residing in group homes and similar living situations receive appropriate counseling and treatment, instead of living in residential situations that in fact increase the chances of their recidivating. The licensing standards must apply to all group and residential-style homes, including those maintained by for-profit and nonprofit organizations. The departments shall report their recommendations for licensing and necessary implementing legislation to the Joint Standing Committee on Criminal Justice and Public Safety and the Joint Standing Committee on Health and Human Services by December 1, 2007. Upon receipt of the recommendations, the Joint Standing Committee on Criminal Justice and Public Safety and the Joint Standing Committee Health and Human Services may submit legislation to the Second Regular Session of the 123rd Legislature.

## LD 1873 An Act To Amend the Laws Governing Stalking

CARRIED OVER

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
EDMONDS	OTP-AM	S-199

The bill amends the stalking laws by expanding the prohibited conduct and providing for additional aggravating factors that elevate an offense to a Class C crime. Current law specifies that a person is guilty of stalking if the person intentionally or knowingly engages in a course of conduct directed at another specific person that would in fact cause both a reasonable person and that other specific person to suffer intimidation or serious inconvenience, annoyance or alarm; to fear bodily injury or to fear bodily injury to a member of that person's immediate family; or to fear death or to fear the death of a member of that person's immediate family. The bill expands the course of conduct to include that conduct directed at or concerning a specific person that would cause a reasonable person to suffer serious inconvenience or emotional distress; to fear bodily injury or to fear bodily injury to a close relation; to fear death or to fear the death of a close relation; to fear damage or destruction to or tampering with property; or to fear injury to or the death of an animal owned by or in the possession and control of that specific person. These instances of conduct would remain Class D crimes, and the provision requiring a mandatory sentence of imprisonment in the current law is repealed.

Current law also makes the crime of stalking a Class C offense if the person violates any of the current versions of stalking in 17-A, section 210-A, subsection 1, paragraph A, subparagraphs (1)-(3) (described above) and has 2 or more prior convictions for stalking. The bill expands the aggravated course of conduct for Class C stalking to include a person who violates paragraph A, which includes subparagraphs (1)-(3) as amended and new subparagraphs (4) and (5) and, at the time of the offense: violates a condition of a court order in this State or any other jurisdiction in effect at the time of the crime that prohibits the actor from having contact with the person being stalked; has one or more prior convictions under this section or one or more prior convictions for engaging in substantially similar conduct to that contained in this section in any other jurisdiction; has one or more prior convictions in this State or in any other jurisdiction for a crime involving threats of violence or violence against the person being stalked; or has 2 or more prior convictions for any combination of offenses under the following: Title 5, section 4659; Title 15, section 321; former Title 19, section 769; Title 19-A, section 4011; Title 22, section 4036; any other temporary, emergency, interim or final protective order issued by any other jurisdiction; or a court-approved consent agreement. The bill also repeals the mandatory sentences in current law for Class C stalking and specifies that for purposes of prior convictions, the convictions may have occurred at any time.

Current law describes "course of conduct" as repeatedly maintaining a visual or physical proximity to a person or repeatedly conveying oral or written threats, threats implied by conduct or a combination of threats and conduct directed at or toward a person. For purposes of this section, "conveying oral or written threats" includes, but is not limited to, communicating or causing a communication to be initiated by mail or by mechanical or electronic means.

# *Joint Standing Committee on Criminal Justice and Public Safety*

For purposes of this section, "course of conduct" also includes, but is not limited to, gaining unauthorized access to personal, medical, financial or other identifying information, including access by computer network, mail, telephone or written communication. "Course of conduct" does not include activity protected by the Constitution of Maine, the United States Constitution or by state or federal statute. The bill amends the definition of "course of conduct" to mean 2 or more acts, including but not limited to acts in which the actor, by any action, method, device or means, directly or indirectly follows, monitors, tracks, observes, surveils, threatens, harasses or communicates to or about a person or interferes with a person's property. "Course of conduct" also includes, but is not limited to, threats implied by conduct and gaining unauthorized access to personal, medical, financial or other identifying or confidential information.

Current law defines "immediate family" as a spouse, parent, child, sibling, stepchild, stepparent or any person who regularly resides in the household or who within the prior 6 months regularly resided in the household, and the bill strikes this term and definition and replaces it with "close relation", which means a current or former spouse or domestic partner, parent, child, sibling, stepchild, stepparent or , grandparent, any person who regularly resides in the household or who within the prior 6 months regularly resided in the household, coworker or any person with a significant personal relationship to the person being stalked.

The bill strikes the current definition of repeatedly (2 or more times) and adds 2 new definitions: "emotional distress", which means mental or emotional suffering of the person being stalked as evidenced by anxiety, fear, torment or apprehension that may or may not result in a physical manifestation of emotional distress or a mental health diagnosis; and "serious inconvenience", which means that a person significantly modifies that person's actions or routines in an attempt to avoid the actor or because of the actor's course of conduct. "Serious inconvenience" includes, but is not limited to, changing a phone number, changing an electronic mail address, moving from an established residence, changing daily routines, changing routes to and from work, changing employment or work schedule or losing time from work or a job. In addition to making changes to the elements of the crime of stalking, the bill amends Title 17-A section 1252 (imprisonment for crimes other than murder) to require judges to give special weight in sentencing to the fact that a Class C or higher crime was committed by a person while that person was stalking a victim.

The bill also adds an unallocated section describing the legislative intent of capturing all stalking activity, regardless of the method used by the stalker, of better protecting victims and authorizing effective criminal intervention before stalking behavior results in serious physical and emotional harm and increasing penalties for escalating stalking behavior.

## **Committee Amendment "A" (S-199)**

This amendment changes "any other jurisdiction" to "another jurisdiction" to be consistent with the Maine Criminal Code. The amendment removes the term "coworker" from the definition of "close relation," while adding persons with professional relationships. The amendment also strikes the last sentence of the Maine Revised Statutes, Title 17-A, section 1252, subsection 5-D, which would have prohibited courts from suspending that portion of the maximum term of imprisonment based on objective or subjective victim impact in arriving at the final sentence in the 3rd step in the sentencing process. The amendment also strikes 2 words in the legislative intent section.

## *Joint Standing Committee on Criminal Justice and Public Safety*

This bill includes the recommendations of the Corrections Alternatives Advisory Committee, which was established pursuant to Public Law 2005, chapter 386, Part J and extended pursuant to Public Law 2005, chapter 667. The bill proposes to do the following.

1. The bill adds to the factors that a judicial officer must consider before allowing the pretrial release of a defendant on personal recognizance or an unsecured appearance bond the determination that the defendant's release will not compromise the safety of the community.
2. This bill requires each county, or each county working jointly with another county or counties or with the Department of Corrections, to establish a criminal justice planning committee. The committees will include members from county government; representatives from law enforcement agencies, jails, the judiciary and the public; and prosecutors, defense attorneys and victim advocates. The committees' work will include coordinating efforts to educate, update and increase the use of evidence-based correctional practices.
3. The bill creates the State Sentencing and Corrections Practices Coordinating Council, whose members will include representatives from state and county corrections, county commissioners, municipalities, sheriffs, prosecutors, defense attorneys, victim services and the judiciary. The council's duties include coordinating criminal justice information and collaborating with persons who work in the criminal justice field to establish strategic goals and outcomes to guide the investment in and expenditures on corrections programs and facilities; monitoring sentencing practices; and reviewing ongoing data collection on recidivism and programming, in consultation with research organizations and universities, to make informed decisions regarding sentencing practices, corrections funding and programming. The council shall submit an annual report to the joint standing committee of the Legislature having jurisdiction over criminal justice and public safety matters and to the Governor, and that report must include recommendations and any necessary implementing legislation. The Department of Corrections shall serve as the fiscal agent of the council and may contract for and employ staff members, subject to approval of the council, to assist in the research, administration and delivery of services required in connection with the duties of the council. The department may accept funds from the Federal Government, from any political subdivision of the State or from any individual, foundation or corporation and may expend those funds for purposes of supporting the council's work. The department shall also provide technical assistance to counties and to the criminal justice planning committees to aid them in the planning and development of community corrections.
4. Beginning July 1, 2008, the bill proposes separating the County Jail Prisoner Support and Community Corrections Fund into 2 funds, the Community Corrections Fund for the purpose of establishing and maintaining community corrections and the County Jail Prisoner Support Fund for the purpose of providing state funding for a portion of the counties' costs of the support of prisoners detained or sentenced to county jails. Beginning July 1, 2008 and annually thereafter, the department shall distribute to the counties amounts to be dedicated to the Community Corrections Fund and to the County Jail Prisoner Support Fund. The department shall distribute amounts to each county based on each county's percentage of statewide jail inmate days, which must be calculated for the last fiscal year for which data is available. If a county's percentage results in a lower subsidy than it received pursuant to the former Maine Revised Statutes, Title 34-A, section 1210-A, that county may not receive a reduction. If the county's percentage results in a subsidy higher than it received pursuant to former Title 34-A, section 1210-A, that county would receive an increase in funding in proportion to available funding to move the entire county jail system toward greater equity.
5. The bill also creates a new nonlapsing fund, the Community Corrections Incentive Fund, and the State Sentencing and Corrections Practices Coordinating Council shall approve applications and award and administer to counties competitive grants from this fund. Grants must be used for initiatives to expand community corrections, regional programs and other efforts to improve the efficiency and effectiveness of the correctional system. Awards would be made in areas such as pretrial diversion, pretrial release, transition, specialty jails, regional cooperation and deferred disposition programs. Grants must also be awarded based on considerations of improved efficiency, offender and court docket reduction, consolidation of resources, reduced recidivism and improved methods for the delivery of services.

# *Joint Standing Committee on Criminal Justice and Public Safety*

## **Committee Amendment "A" (H-527)**

This amendment clarifies that counties are not mandated to form criminal justice planning committees; however, when grants are available under the Community Corrections Incentive Fund, only those counties who have formed or have become part of a planning committee will be eligible to apply for such grants. The amendment also clarifies that, regardless of how a criminal justice planning committee is established or formed, a county may also collaborate with another county or counties with which it has not formed a planning committee in order to work together to seek grants or establish community corrections programs or initiatives. The amendment adds the Commissioner of Public Safety to the membership of the State Sentencing and Corrections Practices Coordinating Council and requires that the representative of a statewide municipal association on the council be nominated by the association and then appointed by the Governor. Finally, the amendment replaces the appropriations and allocations section in the bill for the Community Corrections Incentive Fund.

## **Enacted Law Summary**

Public Law 2007, chapter 377 includes the recommendations of the Corrections Alternatives Advisory Committee, which was established pursuant to Public Law 2005, chapter 386, Part J and extended pursuant to Public Law 2005, chapter 667. Public Law 2007, chapter 377 does the following:

It encourages each county, or each county working jointly with another county or counties or with the Department of Corrections, to establish a criminal justice planning committee. Counties are not mandated to form criminal justice planning committees; however, when grants are available under the Community Corrections Incentive Fund, only those counties who have formed or have become part of a planning committee will be eligible to apply for such grants. Regardless of how a criminal justice planning committee is established or formed, a county may also collaborate with another county or counties with which it has not formed a planning committee in order to work together to seek grants or establish community corrections programs or initiatives. The committees will include members from county government; representatives from law enforcement agencies, jails, the judiciary and the public; and prosecutors, defense attorneys and victim advocates. The committees' work will include coordinating efforts to educate, update and increase the use of evidence-based correctional practices.

Public Law 2007, chapter 377 creates the State Sentencing and Corrections Practices Coordinating Council, whose members will include representatives from state and county corrections and public safety, county commissioners, municipalities, sheriffs, prosecutors, defense attorneys, victim services and the judiciary. The council's duties include coordinating criminal justice information and collaborating with persons who work in the criminal justice field to establish strategic goals and outcomes to guide the investment in and expenditures on corrections programs and facilities; monitoring sentencing practices; and reviewing ongoing data collection on recidivism and programming, in consultation with research organizations and universities, to make informed decisions regarding sentencing practices, corrections funding and programming. Public Law 2007, chapter 377 also creates a new nonlapsing fund, the Community Corrections Incentive Fund, and the State Sentencing and Corrections Practices Coordinating Council shall approve applications and award and administer to counties competitive grants from this fund. Grants must be used for initiatives to expand community corrections, regional programs and other efforts to improve the efficiency and effectiveness of the correctional system. Awards would be made in areas such as pretrial diversion, pretrial release, transition, specialty jails, regional cooperation and deferred disposition programs. Grants must also be awarded based on considerations of improved efficiency, offender and court docket reduction, consolidation of resources, reduced recidivism and improved methods for the delivery of services. No money was appropriated to the fund at this time.

Public Law 2007, chapter 377 also includes in the factors that a judicial officer must consider before allowing pretrial release of a defendant on personal recognizance or an unsecured appearance bond the determination that the defendant's release will not compromise the safety of the community. See Public Law 2007, chapter 374, which incorporates this idea completely within the Maine Bail Code.

### **LD 1897 An Act To Allow Blended Sentencing for Certain Juveniles**

**CARRIED OVER**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
DIAMOND	OTP-AM	S-277

In terms of incarceration as a sentencing alternative for juveniles, the Juvenile Code currently authorizes a juvenile to be adjudicated and committed to Long creek Youth Development Center or Mountain View Youth Development Center until the juvenile is 18-21 years of age. The Juvenile Code also authorizes a juvenile to be committed to an adult correctional facility if the juvenile is bound over and tried and convicted as an adult. Currently, a juvenile may not be sentenced to alternatives of incarceration involving both the juvenile system and the adult system for the same offense. With respect to the finding of appropriateness of whether a juvenile should be bound over and tried as an adult, the State has the burden of proof in all cases, except those involving a juvenile who is charged with one or more juvenile crimes that, if the juvenile were an adult, would constitute murder, attempted murder, felony murder, Class A manslaughter other than the reckless or criminally negligent operation of a motor vehicle, elevated aggravated assault, arson that recklessly endangers any person, causing a catastrophe, Class A robbery or Class A gross sexual assault in which the victim submits as a result of compulsion.

This bill requires blended sentencing for a juvenile bound over and convicted as an adult and sentenced to imprisonment if the juvenile has not attained 16 years of age at the time of sentencing and if the offense for which the juvenile was convicted is listed in the Maine Revised Statutes, Title 15, section 3101, subsection 4, paragraph C-2 as one for which the juvenile had the burden of proving a bind over was not appropriate. Blended sentencing affects only the place where imprisonment is served and means that the term of imprisonment, or, in the case of a split sentence, the unsuspended portion, imposed by the court must first be served in a Department of Corrections juvenile facility until the juvenile reaches 18 years of age or is sooner discharged from the facility and any imprisonment time remaining must then be served in a Department of Corrections adult facility.

**LD 1902 An Act Requiring the State Bureau of Identification To Report Persons Found To Be a Danger to Themselves or to Others to the National Instant Criminal Background Check System** **CARRIED OVER**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
FAIRCLOTH NUTTING J	OTP-AM	H-480

This bill establishes a procedure to prevent a person who has been found to be a danger to self or others from possessing a firearm.

This bill requires a court that commits a person involuntarily to a state mental health facility or a licensed psychologist or psychiatrist who determines a person to be a danger to self or others to report this commitment or determination to the Department of Public Safety, State Bureau of Identification. The bureau is required to forward the information to the Federal Bureau of Investigation, which operates the National Instant Criminal Background Check System.

This bill requires a person purchasing a firearm from a firearms dealer to complete an application. The dealer is required to submit the application to the Federal Bureau of Investigation for a background check. Maine law currently only requires a federally licensed firearm dealer to provide a basic firearm safety brochure and other information to the purchaser of a firearm.

A person who has been involuntarily committed to a state mental health facility or determined to be a danger to self or others may obtain a firearm only upon application to the Commissioner of Public Safety and must include with the application a certified court order or notarized statement of a licensed psychologist or psychiatrist that the person is no longer a danger to self or others.

## **Committee Amendment "A" (H-480)**

This amendment replaces the bill and proposes a procedure to prevent possession of a firearm by a person who has been committed involuntarily to a psychiatric hospital after a commitment hearing under the Maine Revised Statutes, Title 34-B, section 3864, subsection 7 because the person was found to present a threat of substantial risk of physical harm to self, was found to present a threat of substantial risk of physical harm to others, was found not criminally responsible by reason of insanity with respect to a criminal charge or was found not competent to stand trial with respect to a criminal charge.

The amendment requires the court to report information about a person adjudicated as being a danger to self or to others to the Department of Public Safety, State Bureau of Identification, which is then required to pass the fact of disqualification on to the Federal Bureau of Investigation for use in the National Instant Criminal Background Check System. The amendment also authorizes a person who has been previously prohibited from possessing a firearm under these new prohibitions to apply to the Commissioner of Public Safety for the restoration of the right to possess a black powder rifle or any other firearm that does not fall within the definition of "firearm" under 18 United States Code, Section 921(3).

LD 454 strengthens the truancy laws by making it a Class E crime for parents who fail to take corrective measures for truant children from kindergarten to grade 6.

### Committee Amendment "A" (H-168)

This amendment is the majority report of the Joint Standing Committee on Education and Cultural Affairs. It clarifies that the truancy provisions apply to students 7 years of age and older. It requires that certain excusable absences be approved in advance, instead of just reported. It includes language for enforcement provisions in the truancy statutes for the unorganized territories.

### House Amendment "A" (H-384)

This amendment removes the provision in the bill making it a Class E crime for parents who fail to take corrective measures for truant children from kindergarten to grade 6. It amends the definition of "jeopardy" in the statutes administered by the Department of Health and Human Services to include deprivation of education when the child is at least 7 years of age and has not completed grade 6. It requires a superintendent to include in the mandatory notice sent to parents of truant children that the superintendent is authorized to notify the Department of Health and Human Services of the truancy. It amends the definition of "abuse and neglect" to include violation of truancy laws by parents of children who are at least 7 years of age and have not completed grade 6. It allows a court to impose a fine not to exceed \$250 for habitual truancy and allows the court to suspend all or part of a fine for habitual truancy upon compliance with a court order issued in connection with the habitual truancy.

### LD 464 An Act To Reform Public Education by Encouraging Regional Approaches

ONTP

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
MITCHELL	ONTP	

This bill is a concept draft pursuant to Joint Rule 208. This bill proposes to reform public education by implementing recommendations included in the report entitled, "A Case for Cooperation: Making Connections to Improve Education for All Maine Students," published by the Maine Children's Alliance in 2006. The bill would amend the education laws in order to encourage new and expanded regional approaches to school organization and to facilitate voluntary cooperation in the delivery of educational programs and services.

Legislation developed to reform public education would include, but would not be limited to, the following:

1. The establishment of school planning alliances in 26 regions of the State based upon the existing centers and regions in the career and technical education system established in the Maine Revised Statutes, Title 20-A, chapter 313. A school planning alliance would be authorized to create a plan to increase educational opportunities, streamline administration and gain efficiencies for the school administrative units within the region;
2. The establishment of a new type of school administrative unit, the regional school district, as an option for school administrative units within a school planning alliance as described in section 1 to cooperate in creating a more effective and cost-efficient school system;

## *Joint Standing Committee on Education and Cultural Affairs*

3. The amendment of state laws and rules for financing the construction and renovation of school facilities to establish a regional school construction finance program that complements current state finance programs for the construction of new school facilities as established by Title 20-A, chapter 609 and for the renovation of existing school facilities as established by Title 30-A, section 6006-F;
4. The authorization for regional cooperative organizations to be eligible for state funding from the Fund for the Efficient Delivery of Educational Services established in Title 20-A, section 15754 for the provision of support services, classroom instruction when needed to provide an adequate curricular program and enrichment programs;
5. The creation of a model statewide school calendar that would be adopted at the local level and coordinated at the regional level;
6. The requirement that all school administrative districts and regional school districts be named. Existing numbers for school administrative districts should be replaced with names identifying the districts;
7. The authorization for the Department of Education to adopt or amend rules to establish educational standards for the approval of a school administrative unit that petitions to become a member of, or to withdraw from, a school district; and
8. The restoration of full funding for the Fund for the Efficient Delivery of Educational Services at an amount equivalent to 2% of the total amount appropriated for the General Purpose Aid for Local Schools program during the 2008-2009 biennium.

## Senate Amendment "A" (S-375)

This amendment removes the requirement in the Committee Amendment "A" that requires the Commissioner of Education to pay up to 110% of the receiving school administrative unit's established tuition rate for each elementary school student who is a tuition student from the unorganized territories and up to 110% of the state average per public secondary student cost for each secondary school student who is a tuition student from the unorganized territories. This amendment also removes the requirement from Committee Amendment "A" that requires the Commissioner of Education to compute the tuition paid for each tuition student and allocate the tuition costs to the property owners from the unorganized unit where the tuition student resides. Instead, this amendment requires the Commissioner of Education to pay each receiving unit's actual per student cost incurred for educating students in that receiving unit for both elementary and secondary students from the unorganized territories. This amendment removes the provision in current law that allows the commissioner to pay the lesser of the actual cost or the State average per-pupil cost.

SILSBY MITCHELL	ONTP	

This bill is a concept draft pursuant to Joint Rule 208. The bill proposes to provide the opportunity for current school administrative units to form regional cooperatives to aid in the efficient delivery of educational services while maintaining a high-quality educational system for students, teachers, community members and schools. The bill would balance the independence of the legislative bodies of school administrative units and local control with the efficient delivery of administrative services for schools while enhancing the educational programs provided for prekindergarten to grade 12 public education students in the State.

## *Joint Standing Committee on Education and Cultural Affairs*

Under this bill, school administrative units would form regional cooperatives that serve at least 2,800 students. The bill would also establish the Efficient Delivery of Educational Services Commission, referred to in this concept draft as "the commission," whose responsibilities include management of the fund, along with supporting, approving and monitoring the progress of the regional cooperatives. The regional cooperatives would apply to the commission for approval and financial incentives through the existing Fund for the Efficient Delivery of Educational Services, established under the Maine Revised Statutes, Title 20-A, section 15754. The commission would implement reorganization and cost savings for school administrative units that do not participate in a regional cooperative and for school administrative units that are unable to achieve the cost-savings benchmarks established by the commission for regional cooperatives.

### Key Elements:

1. A school administrative unit may enter into an agreement with another school administrative unit or units to form a regional cooperative to increase efficiency and lower costs of delivering public education for prekindergarten to grade 12 students and to provide for equitable, high-quality education for all students.
2. School administrative units would develop regional cooperatives that are contiguous and advantageous to the community and their delivery of an educational system for prekindergarten to grade 12 students.
3. The commission would be formed to support, approve, and monitor regional cooperatives. The commission would approve regional cooperatives and offer financial incentives to regional cooperatives through the Fund for the Efficient Delivery of Educational Services. The commission would define the expenditures to be included in the system administration cost category established in Title 20-A, section 15680 and would establish benchmarks for the level of per-pupil cost savings to be achieved by school administrative units for the 2008-2009 and 2010-2011 legislative biennia.
4. In order for an entity to qualify for approval by commission as a regional cooperative, the entity must have a minimum of 2,800 students and establish a regional plan to generate cost savings in the delivery of public education services from prekindergarten to grade 12.
5. The commission may approve some extreme cases of geographic hardship for entities with less than the approved number of students.
6. School administrative units with current student populations of at least 2,800 would not be required to form regional cooperatives, but would be required to comply with the annual per-pupil expenditure benchmarks established by the commission for the system administration cost category. If the commission determines that such a school administrative unit fails to meet these benchmarks, then the commission would develop and implement a reorganization and cost-savings plan for the school administrative unit.
7. If a school administrative unit has not entered into a regional cooperative by June 2009 or if the commission determines that school administrative unit has failed to meet the annual per-pupil expenditure benchmarks established by the commission for the system administration cost category, then the commission would develop and implement a reorganization and cost-savings plan for the school administrative unit.

The bill specifies that Child Development Services System sites and governing boards are covered under the Maine Tort Claims Act; this inclusion expires June 30, 2008. The bill also specifies that Child Development Services System employees are public employees.

### Committee Amendment "A" (H-417)

This amendment strikes the proposed repeal contained in the bill of several existing statutory provisions related to the duties of the board of directors of the regional sites of the Child Development Services System. The amendment is consistent with the intent of the bill that proposed to extend the repeal dates established in Public Law 2005, chapter 662 to permit more time for the implementation of several initiatives within the early childhood special education program that centralize fiscal administration, salary and benefits administration and data management policies and procedures.

The amendment also authorizes the state intermediate educational unit to function as the public employer of employees of a regional site within the early childhood special education program if the employees of a regional site choose to be represented by an agent for the purposes of collective bargaining. Finally, the amendment authorizes the state intermediate educational unit to enter into contracts, leases or other arrangements to perform its duties.

LD 853 An Act To Encourage Efficiency in School Administration

ONTP

Committee Report

ONTP

Amendments Adopted

This bill is a concept draft pursuant to Joint Rule 208. The bill proposes emergency legislation to encourage efficiency in school administration by requiring that on July 1, 2007, school administrative units join a state-chartered educational cooperative, referred to as a "co-op," to contract for the regional delivery of administrative services. Co-ops are described in depth by the Maine Heritage Policy Center in "The Maine View" issue of January 25, 2007 and are functionally similar to educational cooperatives, which are nonprofit entities described in "A Case for Cooperation" published by the Maine Children's Alliance in August of 2006. The bill would include, but would not be limited to, the following.

1. Emergency legislation is required as co-ops are created immediately so that each co-op may hire a director and begin planning in the summer of 2007. This provides a year's lead time before the commencement of the delivery of regional services on July 1, 2008.
2. Participation in a co-op is required for all school administrative units, including those in the unorganized territories. The geographic bounds of the co-ops conform to the existing 26 vocational service regions except that a co-op may include more than one region in order to serve at least 3,000 students. A co-op must continue to: provide strong vocational education programming; adopt a common calendar for the region; establish parallel accounting systems for each unit; serve as contract bargaining agent for each unit; provide coordinated transportation services in the co-op; oversee food services for each public school in the co-op; support information technology for all schools in the co-op; coordinate and expand opportunities for regional and inter-regional instruction through distance learning, the Internet and other course-sharing initiatives; perform central payroll for all units in the co-op; coordinate the efficient delivery of special education services in the co-op; assist schools with comprehensive professional development programs in the co-op; provide curriculum and assessment services as needed or requested; function as agent for large-volume purchasing of goods and services; provide legal and medical support to each school; assist units with energy and facilities management; maintain a pool of qualified substitute teachers; assist units in providing instruction for students who are homebound or in the hospital; provide enrichment programs for gifted and talented students; establish a protocol for the exercise of school choice among schools; and provide high-quality programs to counteract school violence and substance abuse.
3. Member units continue to retain local control, including the authority to hire, oversee, evaluate and discharge teachers and other personnel; define local curriculum, assessment and professional development practices; determine the location and levels of support for individual schools; manage local budgets, subject to assessments for regional services; substitute local services for those optionally offered by the co-op if the units can provide them more effectively or at a lower cost; and provide governance to the co-op. This bill permits units and schools to refocus on student achievement and relieves units from the burden of business management so the units may manage the core function of schools, the process of education and instruction.
4. Each co-op is governed by a board with proportional representation from each member unit's school board. Units support services provided by the co-op through a capitated fee, contract, money assessment or other method agreed to by the member units. A unit aggrieved by a cost apportionment decision of the co-op has a right of appeal to the State Board of Education, which may issue substantive rules governing such issues.
5. Because each co-op is managed by existing public entities, the member units, there is no delay for elections, the assumption or allocation of public debt or the transfer of buildings and other assets. Interim funding of co-ops through June 30, 2008 will be supported by a capitated contribution from the state of \$100 per student. As soon as formed, each co-op may supplement its state appropriation through assessing its member units if the units vote to do

# *Joint Standing Committee on Education and Cultural Affairs*

so.

6. By July 1, 2008, every municipality must become part of a unit containing at least 1,200 students. Isolated small units, not contiguous to another, may retain their present governance. School unions are abolished. All segments of the unorganized territories will be assigned to a nearby or adjoining unit.

7. By August 1, 2007, the Commissioner of Education shall present to each co-op a suggested unit merger plan for local approval. Approved merger plans must be presented to the Legislature in January of 2008. For good cause shown, a merger may be delayed beyond July 1, 2008, although the merger plan must by then be in place.

8. This bill lengthens the school year beginning in September 2008 from 180 to 190 days, of which 185 are for instruction.

9. This bill amends the unit budget format by aligning it into segments aligned with co-op cost categories beginning July 1, 2008. This bill provides that, for units that must merge, no new employment contracts extending beyond June 30, 2008 may be agreed to until the restructuring provisions of this bill are in place.

## LD 976 An Act To Encourage Cost Efficiency in Administration of and Contribution to Tax Burden Reduction by School Districts

ONTP

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
WOODBURY	ONTP	

This bill is a concept draft pursuant to Joint Rule 208. This bill proposes to establish a multitiered school funding formula that is designed to provide additional school funding assistance to school districts that are sufficiently consolidated to gain cost efficiency in administration and to school districts that are contributing to statewide tax burden reduction. Specifically, the proposal would change the Essential Programs and Services funding formula, or EPS, as defined in the Maine Revised Statutes, Title 20-A, chapter 606-B, to create a gradation of mill rate expectations that depend explicitly on district consolidation and budget decisions made by individual school districts in the previous year. The idea is to retain local control of school operations but create much stronger incentives for administrative cost efficiency.

The baseline mill rate expectation for all school districts would be set annually at the rate that could be supported with state general purpose aid funding, or GPA, that is equivalent to 50% of EPS costs. The additional 5% of the State's GPA funding, as required under current law, would be allocated into a supplementary school funding bonus system that would further reduce the mill rate expectation in eligible communities. The local mill rate expectation would be reduced by a fixed amount for each "efficiency point" earned up to a maximum of 5 efficiency points in each school district. Thus there would be in effect 5 tiers of mill rate expectation, depending on the administrative cost efficiency and tax burden reduction targets achieved.

1. District size. Consolidated school districts would be awarded efficiency points based on the size of the district, as follows: (a) At least 3,000 students, 3 efficiency points; (b) At least 2,000 but fewer than 3,000 students, 2 efficiency points; and (c) At least 1,000 but fewer than 2,000 students, 1 efficiency point.
2. EPS spending. Districts could earn another 2 efficiency points by: (a) Spending at least the EPS baseline on education but exceeding EPS by no more than 5%; or (b) Exceeding EPS costs by proportionately less the previous year than the year prior to that year, indicating a proportional movement toward tax burden reduction.

The value of the efficiency points in terms of their reduction in mill rate expectation would be based on the cost of the mill rate reduction to State Government, calibrated to equate exactly to the incremental resources available from the last 5% of the State's 55% commitment.

Amendments Adopted

This bill provides several revisions to the Essential Programs and Services Funding Act that are designed to achieve the goals of adequacy and equity in the funding of education for kindergarten to grade 12 public schools in the State. The bill accomplishes the following.

1. It requires that the per-pupil targeted technology resource funds be paid to the school administrative unit or private school that each tuition student attends in addition to tuition rates calculated pursuant to the Maine Revised Statutes, Title 20-A, chapter 219.
2. It removes the provisions in funding formula that recognize the allocation of federal resources that are provided to school administrative units.
3. It requires that, beginning in fiscal year 2007-08, the regional adjustment to the salary and benefits costs of teachers and other school personnel that is based on labor market areas in the State must be at least 1.0 for all labor market areas in the State.

Amendments Adopted

This bill requires the Department of Education to develop standards for all prekindergarten early childhood care and preschool education programs developed by school administrative units. The standards are designed to ensure meaningful collaboration with existing community-based child care providers and early care and education providers and include an analysis of the effects of such programs on existing programs. The standards will also ensure uniformity of standards relating to class sizes, adult to child ratios, teacher and assistant teacher qualifications, curricula and instruction, student screening and assessment, nutrition and physical environment, access to outdoor play areas and family involvement and support services.

This bill was carried over to any special or regular session of the 123rd Legislature by joint order, H.P. 1369.

LD 1442 establishes minimum weekly time requirements for physical education. Beginning in school year 2010-2011, a minimum of 150 minutes per week would be required for students from kindergarten through grade 5 and 225 minutes per week for grades 6 through 8. The bill requires that physical education be taught by a teacher certified in physical education. The program content and student assessment must comply with nationally established standards for physical education.

## Committee Amendment "A" (H-460)

This amendment replaces the bill with a resolve directing the Commissioner of Human Services, the Commissioner of Education and the cochairs of the Governor's Council on Physical Fitness, Sports, Health and Wellness to convene a planning and oversight team, known as PE4ME. This group is charged with developing standards for physical education in elementary schools and an implementation plan to achieve those standards by the 2010-2011 school year.

This bill repeals the Essential Programs and Services Funding Act and related provisions. It establishes a new school funding formula that requires school administrative units to make a local education funding effort equal to .008 times the total valuation of taxable property within the unit. The State is required to fund education expenses that exceed this baseline. A local unit that does not meet this baseline funding requirement is not eligible for any state subsidy. The bill requires the Department of Education to audit school administrative units' budgets and to compare the expenses of schools of closely similar size.

This bill changes the cost-sharing formula for municipalities in school administrative units composed of more than one municipality. Beginning July 1, 2009, each municipality's contribution to the total cost of education is determined by a cost-sharing formula established by the Department of Education by rule. The formula must establish the contribution levels in a manner that ensures that no less than 50% of the entire unit's contribution to the total cost of education is shared primarily on the basis of the comparative wealth of each member municipality calculated at least in part by the property fiscal capacity of each municipality. The formula must also include the relative pupil counts of member municipalities and may include other factors the department determines relevant and appropriate. The department is directed to establish the details of the formula by routine technical rule.

This bill requires every school administrative unit to place an automated external defibrillator in each of the unit's school buildings and make it available for secondary school athletic events inside and outside the building. The bill requires the school administrative unit to place the defibrillator in an easily accessible location, notify employees, students and local emergency response agencies of its location and develop procedures for the possession, storage and use of the defibrillator and for perceived sudden cardiac arrest emergencies. This bill also provides immunity for people who possess, store and use an automated external defibrillator under the provisions of the bill.

## Committee Amendment "A" (H-311)

This amendment revises the title of the bill and strikes and replaces the provisions in the bill that proposed to mandate that school administrative units place automated external defibrillators in every school building and at school athletic events. The amendment allows school boards to place automated external defibrillators in occupied school buildings and at school athletic events. The amendment also allows school personnel and members of the public to receive training on how to perform cardiopulmonary resuscitation and use automated external defibrillators. The amendment further establishes immunity from civil liability provisions for damages relating to the use, possession or purchase of an automated external defibrillator and arising out of acts or omissions relating to preparing for and responding to suspected sudden cardiac arrest emergencies.

**PUBLIC 450**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
	OTP-AM	H-624 NORTON S-267 S-296 MITCHELL

This bill implements the recommendations of the Subcommittee To Study Early Childhood Special Education, which was established by Public Law 2005, chapter 662 to study early intervention and early childhood special education services for children from birth to 8 years of age. Based upon the findings of the subcommittee, including findings that the Child Development Services System performs very well relative to national benchmarks and findings that there is a national trend among states toward greater interagency coordination and oversight, the bill builds on Maine's good performance, increases interagency collaboration and increases accountability of system components to the executive and legislative branches and to the public by:

1. Building on the current system's demonstrated strengths while making changes where needs are recognized;
2. Keeping intact a Child Development Services System to coordinate services for eligible children from birth until 5 years of age and to ensure that such children receive early intervention and early childhood special education under the federal Individuals with Disabilities Education Act, Part B, Section 619 and Part C, 20 United States Code, Section 1400 et seq.;
3. Maintaining the Department of Education as Maine's lead agency under the federal Individuals with Disabilities Education Act while strongly promoting interagency collaboration and oversight;
4. Expanding connections of federally mandated child find and service delivery with school administrative units, with programs of the Department of Health and Human Services and with medical and other providers of services to children from birth until 5 years of age;
5. Requiring the Child Development Services System to report annually to legislative, advisory and governing bodies about the performance of the system, including information on the performance of individual regional sites and of the system;
6. Requiring the Department of Education and the Department of Health and Human Services to establish and adopt common dual-department early childhood standards for children from birth to 8 years of age based on standards of the National Association for the Education of Young Children, the federal Individuals with Disabilities Education Act and the Division for Early Childhood of the Council for Exceptional Children;
7. Requiring Child Development Services System regional sites to ask parents of children who were discharged from the Child Development Services System prior to school entry to grant consent for the regional site to share relevant information from the child's early intervention or early childhood special education record with the receiving public school and requiring the regional sites to share this information with the public school if the parent consents;

8. Requiring the Department of Education and the Department of Health and Human Services to develop rules, policies and written interagency agreements by January 31, 2008 to address mutual support for children with special needs from birth to 8 years of age; to assign responsibility for appropriate referrals from the Department of Health and Human Services to early intervention and special education services, including referrals to the Child Development Services System from the metabolic abnormality detection program, the newborn hearing program and the birth defects registry; to include components of a high-quality early childhood services system as outlined in the report of the Subcommittee To Study Early Childhood Special Education; to include clear definition of Department of Education and Department of Health and Human Services positions assigned to accomplish the responsibilities outlined in the interagency agreements; and to include other components consistent with recommendations of the subcommittee;
9. Establishing the Early Childhood Services Interagency Coordinating Council as the federally mandated state interagency coordinating council for services for children from birth until 5 years of age under the federal Individuals with Disabilities Education Act with specific membership requirements under federal and state law to advise and report on common standards, interagency focus areas, annual progress, monitoring and reporting, centralized interdepartmental training and tracking and development of centralized data;
10. Requiring that staff for the Early Childhood Services Interagency Coordinating Council be provided by the Department of Education and the Department of Health and Human Services and requiring the council to deliver reports and advice to the Commissioner of Education, the Commissioner of Health and Human Services, the Joint Standing Committee on Education and Cultural Affairs and the Joint Standing Committee on Health and Human Services;
11. 12. Requiring the Child Development Services System to report on strategies to maximize the use of a broad base of community resources, including private providers, public schools, resources from other agencies and other available resources for serving children and families;
13. Assigning to the Child Development Services System the responsibility for service coordination for eligible children from birth until 5 years of age, for child find for children from birth until 5 years of age, for appropriate referrals to support services and programs outside of the system that are appropriate for children and families referred to the system and for ensuring that eligible children from birth until 5 years of age receive early intervention or free, appropriate public education as well as referrals to other programs and services based upon child and family needs;
14. Requiring the Department of Education to develop and present to the Legislature and to the Early Childhood Services State Interagency Coordinating Council a plan for improving training and support to Child Development Services System regional site boards of directors;
15. Allowing public schools to continue to develop, at their own pace, programs for children 4 years of age while requiring that those programs be inclusive of children with disabilities;
16. Changing the deadline for fiscal centralization in the Maine Revised Statutes, Title 20-A, section 7209, subsection 3, paragraph C from September 30, 2006 to September 30, 2007;
17. Requiring the Commissioner of Education to report to the Joint Standing Committee on Education and Cultural Affairs by December 31, 2007 on the Child Development Services System centralization process and authorizing the

## *Joint Standing Committee on Education and Cultural Affairs*

committee to introduce a bill to the Second Regular Session of the 123rd Legislature on related matters;

18. Requiring the Department of Education, in consultation with Child Development Services System regional sites, to develop a funding formula that must include consideration of administration and organization of the Child Development Services System, child find, case management and provision of other services and that may include each regional site's geographic area, the early childhood population, the number of such children receiving services and the number of such children included in the child count, the Medicaid enrollment rate, poverty indices, average private insurance rates, family choice of providers, cost containment measures and other factors;

19. Amending Title 20-A, section 7209, subsection 1 to require the Department of Education to submit quarterly reports to the Early Childhood Services Interagency Coordinating Council and other advisory groups about Child Development Services System regional sites that are under a corrective action plan and about regional sites for whose operations the Department of Education has assumed temporary responsibility, with the reports describing any progress or slippage by individual regional sites in meeting compliance requirements;

20. Requiring the Department of Education to develop a plan to review unmet needs in school administrative units monthly or bimonthly and to implement the plan among no fewer than 6 school administrative units; and

21. Requiring the Department of Education to explore the process that children undergo as they transition from the Child Development Services System to kindergarten in order to develop a consistent method for these transitions.

### **Committee Amendment "A" (S-267)**

This amendment strikes and replaces the bill to implement certain recommendations of the Subcommittee To Study Early Childhood Special Education, which was established by Public Law 2005, chapter 662 to study early intervention and early childhood special education services for children from birth to 8 years of age. The amendment accomplishes the following recommendations of the subcommittee.

1. It assigns to the Child Development Services System the responsibility for service coordination for eligible children from birth until 5 years of age, for child find for children from birth until 5 years of age, for appropriate referrals to support services and programs outside of the system that are appropriate for children and families referred to the system and for ensuring that eligible children from birth until 5 years of age receive early intervention or free, appropriate public education as well as referrals to other programs and services based upon child and family needs.

2. It expands connections of federally mandated child find and service delivery with school administrative units, with programs of the Department of Health and Human Services and with medical and other providers of services to children from birth until 5 years of age.

3. It requires the Department of Education and the Department of Health and Human Services to develop a revised interagency agreement to address mutual support for children with special needs from birth to 8 years of age; to assign responsibility for appropriate referrals from the Department of Health and Human Services to early intervention and special education services, including referrals to the Child Development Services System from the metabolic abnormality detection program, the newborn hearing program and the birth defects registry; to include components of a high-quality early childhood services system consistent with the requirements of Parts B and C of the federal Individuals with Disabilities Education Act, 20 United States Code, Section 1400 et seq., as amended.

4. It requires the Child Development Services System to report annually to legislative, advisory and governing bodies about the performance of the system, including information on the performance of individual regional sites and of the system.

5. It requires the Department of Education to develop and present to the Legislature and to the interagency coordinating council described in the federal Individuals with Disabilities Education Act, 20 United States Code,

Section 1441 a plan for improving training and support to Child Development Services System regional site boards of directors.

6. It requires the Maine Education Policy Research Institute in the University of Maine System to explore and report to the Joint Standing Committee on Education and Cultural Affairs on necessary technical and legal advances that would enable data linkage of individually identifiable health and education data in a way that would be consistent with federal laws and regulations on privacy while facilitating research projects on such matters as effectiveness, efficiency and cost-effectiveness of service delivery.

## **Senate Amendment "A" (S-296)**

This amendment requires the Department of Education and the Department of Health and Human Services to develop rules, policies and written interagency agreements to assign responsibility for appropriate referrals from the Department of Health and Human Services to the Child Development Services System from the metabolic abnormality detection program, the newborn hearing program and the birth defects registry.

## **House Amendment "A" (H-624)**

This amendment requires the steering committee of the Maine Education Policy Research Institute to consider the recommendation of the Subcommittee To Study Early Childhood Special Education to explore and report to the Joint Standing Committee on Education and Cultural Affairs on necessary technical and legal advances that would enable data linkage of individually identifiable health and education data in a way that would be consistent with federal laws and regulations on privacy while facilitating research projects on such matters as effectiveness, efficiency and cost-effectiveness of service delivery. It differs from Committee Amendment "A" in that this amendment allows the steering committee of the Maine Education Policy Research Institute to include a targeted research project to the fiscal year 2007-08 work plan to permit the principal investigators of the Maine Education Policy Research Institute to provide technical assistance as may be required to complete the investigation outlined in this amendment.

## **Enacted Law Summary**

Public Law 2007, chapter 450 implements certain recommendations of the Subcommittee To Study Early Childhood Special Education, which was established by Public Law 2005, chapter 662 to study early intervention and early childhood special education services for children from birth to 8 years of age. The law accomplishes the following recommendations of the subcommittee.

1. It assigns to the Child Development Services System the responsibility for service coordination for eligible children from birth until 5 years of age, for child find for children from birth until 5 years of age, for appropriate referrals to support services and programs outside of the system that are appropriate for children and families referred to the system and for ensuring that eligible children from birth until 5 years of age receive early intervention or free, appropriate public education as well as referrals to other programs and services based upon child and family needs.
2. It expands connections of federally mandated child find and service delivery with school administrative units, with programs of the Department of Health and Human Services and with medical and other providers of services to children from birth until 5 years of age.
3. It requires the Department of Education and the Department of Health and Human Services to develop a revised interagency agreement to address mutual support for children with special needs from birth to 8 years of age; to assign responsibility for appropriate referrals from the Department of Health and Human Services to early intervention and special education services, including referrals to the Child Development Services System from the metabolic abnormality detection program, the newborn hearing program and the birth defects registry; to include components of a high-quality early childhood services system consistent with the requirements of Parts B and C of the federal Individuals with Disabilities Education Act, 20 United States Code, Section 1400 et seq., as amended.

## *Joint Standing Committee on Education and Cultural Affairs*

4. It requires the Child Development Services System to report annually to legislative, advisory and governing bodies about the performance of the system, including information on the performance of individual regional sites and of the system.
5. It requires the Department of Education to develop and present to the Legislature and to the interagency coordinating council described in the federal Individuals with Disabilities Education Act, 20 United States Code, Section 1441 a plan for improving training and support to Child Development Services System regional site boards of directors.
6. It requires the Department of Education and the Department of Health and Human Services to develop rules, policies and written interagency agreements to assign responsibility for appropriate referrals from the Department of Health and Human Services to the Child Development Services System from the metabolic abnormality detection program, the newborn hearing program and the birth defects registry.
7. It requires the steering committee of the Maine Education Policy Research Institute to consider the recommendation of the Subcommittee To Study Early Childhood Special Education to explore and report to the Joint Standing Committee on Education and Cultural Affairs on necessary technical and legal advances that would enable data linkage of individually identifiable health and education data in a way that would be consistent with federal laws and regulations on privacy while facilitating research projects on such matters as effectiveness, efficiency and cost-effectiveness of service delivery.

Career and Citizenship**

**PUBLIC 259**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
NORTON	OTP-AM	H-313

This bill proposes changes in high school graduation requirements, assessments and overall high school program design to ensure that each student has an equitable opportunity to achieve the State's learning results and to graduate ready for college, career and citizenship.

**Committee Amendment "A" (H-313)**

This amendment strikes the provisions contained in the bill regarding the basic school approval requirements for secondary schools related to curriculum and instruction, the provisions related to the awarding of a high school diploma, the provisions related to the elimination of tracking and ability grouping of students and the provisions requiring that the Commissioner of Education develop rules for the certification of instructional programs at the secondary school level. The amendment also changes "college" to "postsecondary education" in the Maine Revised Statutes, Title 20-A, section 6208.

**Enacted Law Summary**

Public Law 2007, chapter 259 amends several statutory provisions related to implementation of the system of learning results. The law accomplishes the following.

1. It clarifies that the legislative intent of the system of learning results is to ensure that schools will enable students to gain knowledge and skills necessary for postsecondary education, career and citizenship;
2. It strikes the local assessment system requirements related to certifying student achievement and replaces these provisions with requirements that school administrative units shall use multiple assessment methods to measure student achievement of the learning results in order to inform instruction and ensure students are making progress toward achieving the learning results;

# Joint Standing Committee on Education and Cultural Affairs

3. It provides that the Department of Education shall adopt rules that establish accountability standards and parameters for instruction and graduation requirements;
4. It authorizes the Commissioner of Education to establish rules for inclusion of some portion of the standards in visual and performing arts for the graduating class of 2011-2012;
5. It provides that the Commissioner of Education shall annually report each school administrative unit's high school graduation rates, the numbers of students attending and persisting at the postsecondary education level as part of the validation of the school administrative unit's comprehensive education plan; and
6. It directs the Commissioner of Education to conduct a review of the content standards and performance indicators by content area on a 5-year cycle beginning in the 2015-2016 school year.

## LD 1860 An Act To Implement the Recommendations of the Task Force To Engage Maine's Youth Regarding Successful School Completion

PUBLIC 451

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
MARLEY MITCHELL	OTP-AM	H-474

This bill implements the recommendations of the Governor's Task Force to Engage Maine's Youth. The bill ensures that students experiencing education disruption will have the same opportunities as other Maine students to earn an approved high school diploma through a challenging academic program that provides these students the opportunity to demonstrate achievement of Maine's system of learning results and to earn a diploma despite their education disruption.

This bill addresses the challenges of Maine youth who are homeless or face unplanned psychiatric hospitalization, unplanned hospitalization for a medical emergency, foster care placement, youth development center placement or other out-of-district placement that is not otherwise authorized by either an individualized education program or other education plan or a superintendent's agreement, or children and youth who change schools or educational programs 3 or more times during a school year and are therefore at risk for dropping out of school. The bill carries out the recommendations of the task force to address the challenges faced by these students and their schools as follows:

1. A student who experiences a disruption in that student's education or educational program for 10 or more consecutive school days must have a school completion plan, developed by a team that includes both the sending school and the receiving school, the parent or guardian and the student, no later than 10 school days after the student enrolls in the receiving school;
2. The bill requires that if individual educational materials, such as curricula and assignments, are not made available to the receiving school within 5 school days after a student enrolls in the receiving school, an academic programming waiver must be signed by the sending and the receiving schools in which the sending school agrees to accept the academic programming implemented at the receiving school. The student's school completion plan must document the credits earned by the student at the receiving school; and
3. This bill requires that student records be sent or electronically transferred from the sending school to the receiving school no later than 5 school days after a student enrolls in the receiving school.

### Committee Amendment "A" (H-474)

This amendment strikes and replaces the bill in order to clarify certain provisions of the legislation introduced to implement the recommendations of the Governor's Task Force to Engage Maine's Youth. The primary purpose of the bill was to meet the needs of students experiencing education disruption by establishing a process to recognize

their academic work while creating manageable procedures for school personnel and other officials that are involved with these students. The amendment accomplishes the following:

1. It revises the definition of the term "students who experience education disruption" to clarify that these students include both elementary school students and secondary school students;
2. It adds a definition for "interim placement" to make the distinction that such a placement is a temporary assignment of a student who experiences education disruption to a program or school approved by the Department of Education;
3. It replaces the term "school completion plan" with the term "school work recognition plan" to convey that the intent of the plan is to recognize the school work completed by a student who experiences education disruption; and
4. It simplifies the process for school personnel in developing a school work recognition plan for a student who experiences education disruption.

### **Enacted Law Summary**

Public Law 2007, chapter 451 implements certain recommendations of the Governor's Task Force to Engage Maine's Youth. The law enacts provisions to meet the needs of students experiencing education disruption by establishing a process to recognize their academic work while creating manageable procedures for school personnel and other officials that are involved with these students. The law accomplishes the following:

1. It revises the definition of the term "students who experience education disruption" to clarify that these students include both elementary school students and secondary school students;
2. It adds a definition for "interim placement" to make the distinction that such a placement is a temporary assignment of a student who experiences education disruption to a program or school approved by the Department of Education;

This resolve provides for legislative review of portions of Chapter 101: Maine Unified Special Education Regulation Birth to Age Twenty, a major substantive rule of the Department of Education.

**Committee Amendment "A" (H-562)**

This amendment is the majority report of the Joint Standing Committee on Education and Cultural Affairs. The amendment provides that final adoption of the provisionally adopted major substantive rule is authorized contingent upon the Department of Education amending the provisionally adopted rule to accomplish the following:

1. Amend the proposed definition of "adverse effect" to establish a definition for "educational performance" that includes a list of academic basic skills and the 5 domains of functional performance recognized in federal regulations. This part of the rule interprets and defines the phrases from federal law "adversely affects educational performance" and "needs special educational and related services" in a way that will guide the Individualized Family Service Plan Team or the Individualized Education Plan Team to greater uniformity in determining eligibility throughout the State;
2. Amend the proposed rule to require that an initial evaluation or a reevaluation of a child be conducted within 60 calendar days of receiving parental consent for the evaluation;
3. Amend the proposed rule to delete the note that states that a school administrative unit is permitted to use a discrepancy model to determine if a child has a "specific learning disability";
4. Amend the proposed rule to permit the Individualized Education Program Team to begin transition planning at age 14 for the student's postsecondary participation in advanced placement courses, a vocational education program or an adult education program;
5. Amend the proposed rule to clarify that the timeline for filing a due process hearing request is 2 years for either a state or federal cause of action under the federal Individuals with Disabilities Education Act, as amended;
6. Amend the proposed rule to incorporate provisions that are equivalent to those contained in the former Chapter 101 rules pertaining to the minutes of Pupil Evaluation Team meetings to ensure that content of the written notice must include a summary of the comments made by the parent, including the parent's description of their child's progress, and the names and titles of each member of the team;
7. Amend the proposed rule to restore the so-called "stay put" provisions contained in the former Chapter 101 rules that permit a child with a disability to remain in their educational placement while the child's parent was seeking mediation or a complaint investigation and awaiting a pending decision from a due process hearing or court proceeding; and
8. Amend the proposed rule to provide that Neurocognitive Testing Assistants who are registered with the Maine Psychological Association shall continue to be able to administer and score psychological and neurological tests as long as they meet the minimum qualifications established for registration and when they are supervised by a psychologist who is the evaluator and who is licensed by the Department of Professional and Financial Regulation

## **House Amendment "C" (H-627)**

This amendment removes the requirements proposed in the committee amendment that the rule be amended to establish a definition of the term "educational performance," to define certain other phrases with reference to the federal regulations and to identify what is necessary for documenting intervention strategies. It requires that the rule be amended by deleting the part of the rule relating to the determination of adverse effect for children 3 to 20.

The amendment changes the timeline for filing a due process hearing request for either a state or federal cause of action under the federal Individuals with Disabilities Education Act from 2 years to 4 years.

The amendment also directs the Commissioner of Education to establish a stakeholder group to examine the portions of "Chapter 101: Maine Unified Special Education Regulation Birth to Age Twenty," the provisionally adopted rule that was submitted for legislative review during the First Regular Session of the 123rd Legislature by the Department of Education, that pertain to the determination of adverse effect and to develop recommendations to the Commissioner of Education regarding any necessary changes to the Chapter 101 rules.

## **Enacted Law Summary**

Resolve 2007, chapter 138 provides that final adoption of the provisionally adopted major substantive rule is authorized contingent upon the Department of Education amending the provisionally adopted rule to accomplish the following:

1. Amend the proposed rule by deleting the part of the rule relating to the determination of adverse effect for children 3 to 20.
2. Amend the proposed rule to require that an initial evaluation or a reevaluation of a child be conducted within 60 calendar days of receiving parental consent for the evaluation;
3. Amend the proposed rule to delete the note that states that a school administrative unit is permitted to use a discrepancy model to determine if a child has a "specific learning disability";
4. Amend the proposed rule to permit the Individualized Education Program Team to begin transition planning at age 14 for the student's postsecondary participation in advanced placement courses, a vocational education program or an adult education program;
5. Amend the proposed rule to clarify that the timeline for filing a due process hearing request is 4 years for either a state or federal cause of action under the federal Individuals with Disabilities Education Act, as amended;
6. Amend the proposed rule to incorporate provisions that are equivalent to those contained in the former Chapter 101 rules pertaining to the minutes of Pupil Evaluation Team meetings to ensure that content of the written notice must include a summary of the comments made by the parent, including the parent's description of their child's progress, and the names and titles of each member of the team;

The resolve also directs the Commissioner of Education to establish a stakeholder group to examine the portions of "Chapter 101: Maine Unified Special Education Regulation Birth to Age Twenty," the provisionally adopted rule that was submitted for legislative review during the First Regular Session of the 123rd Legislature by the Department of Education, that pertain to the determination of adverse effect and to develop recommendations to the Commissioner of Education regarding any necessary changes to the Chapter 101 rules.

Resolve 2007, chapter 138 was enacted as an emergency measure effective June 27, 2007.

## LD 1901 Resolve, To Analyze the Feasibility of Establishing an Education Bill of Rights for Deaf and Hard-of-hearing Children

RESOLVE 94

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
ADAMS EDMONDS	OTP-AM	H-468

This bill establishes an education bill of rights for deaf and hard-of-hearing children. These rights are based on current federal and state rules and laws. This bill encourages the development of a communication-driven and language-driven educational delivery system in Maine for children who are deaf and hard-of-hearing. It promotes the well-being and growth of students who are deaf or hard-of-hearing by ensuring that educational programs recognize the unique nature of deafness and the hard-of-hearing condition and by ensuring that all students who are deaf or hard-of-hearing have appropriate, ongoing and fully accessible opportunities. This bill also provides that all Department of Education rules relating to deaf and hard-of-hearing children be contained in a single section of the department's rules relating to special education in Chapter 101. By collecting rules relating to deaf and hard-of-hearing children in one place, school districts will be able to become more knowledgeable about all the rules that relate to these children. Collecting rules relating to deaf and hard-of-hearing children in a single section will increase the accessibility of these rules and minimize confusion.

### Committee Amendment "A" (H-468)

This amendment replaces the bill with a resolve to require the Department of Education and the Maine Educational Center for the Deaf and Hard of Hearing and the Governor Baxter School for the Deaf to jointly convene a working group to analyze the feasibility of establishing a set of basic education rights for deaf and hard-of-hearing children. The amendment requires that, no later than January 31, 2008, the Department of Education and the Maine Educational Center for the Deaf and Hard of Hearing and the Governor Baxter School for the Deaf jointly submit a report that includes their findings and recommendations, including suggested legislation, to the Joint Standing Committee on Education and Cultural Affairs. The amendment also authorizes the Joint Standing Committee on Education and Cultural Affairs to submit a bill to the Second Regular Session of the 123rd Legislature to implement its recommendations on matters relating to the report.

### Enacted Law Summary

Resolve 2007, chapter 94 requires the Department of Education and the Maine Educational Center for the Deaf and Hard of Hearing and the Governor Baxter School for the Deaf to jointly convene a working group to analyze the feasibility of establishing a set of basic education rights for deaf and hard-of-hearing children. The resolve requires that, no later than January 31, 2008, the Department of Education and the Maine Educational Center for the Deaf and Hard of Hearing and the Governor Baxter School for the Deaf jointly submit a report that includes their findings and recommendations, including suggested legislation, to the Joint Standing Committee on Education and Cultural Affairs. The resolve also authorizes the Joint Standing Committee on Education and Cultural Affairs to submit a bill to the Second Regular Session of the 123rd Legislature to implement its recommendations on matters relating to the report.

LD 4 An Act To Amend the Prescription Privacy Law

PUBLIC 460

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
FAIRCLOTH	OTP-AM MAJ ONTP MIN	H-584 H-594 PERRY A

This bill amends the current law that prohibits the sale by prescription drug intermediaries of prescription drug information that identifies directly or indirectly the patient and designates such a sale or exchange as a violation of the Maine Unfair Trade Practices Act. This bill extends the prohibition in current law to the sale of information that identifies directly or indirectly the health care practitioner who ordered the prescription drug.

## Committee Amendment "A" (H-584)

This amendment replaces the bill and is the majority report of the committee. The amendment provides an opt-out mechanism by which prescribers of prescription drugs may protect from marketing uses prescription drug information that identifies the prescriber. The amendment:

1. Adds a definition of "marketing";
2. Adds to the definition of "prescription drug information intermediary" persons or entities employed by or under contract to a prescription drug information intermediary;
3. Provides a statement of findings:
  - A. That the Legislature finds that enactment of this legislation will: improve the public health, limit annual increases in the cost of health care and protect the privacy of patients and prescribers in Maine's health care system;
  - B. That the State has a duty to assist in the maintenance of an effective and efficient health care system;
  - C. That patients and prescribers have requested that the Legislature provide a mechanism for protecting confidentiality;
  - D. That data companies sell prescriber and patient information to drug manufacturers who use it to influence prescribers to prescribe higher priced drugs, thereby increasing the cost of health care;
  - E. That restricting the use of prescriber-identifying information will decrease drug detailing and increase the use of lower priced drugs, thus decreasing the cost of health care;
  - F. That the resulting savings may be used for increased investment in drugs and increased access to health care; and
  - G. That the legislation is a narrowly and carefully tailored approach to achieving compelling state interests and other purposes;
4. Provides a statement of purposes the Legislature intends to achieve, including improving the public health, limiting annual increases in the cost of health care and protecting the privacy of patients and prescribers in Maine's health care system. Other purposes include protection of personal privacy rights, ending the use of prescriber comparisons and decreasing marketing costs.

In part as a reaction to a Journal of the American Medical Association article, "The Accuracy of Drug Information from Pharmaceutical Sales Representatives," vol. 273, no. 16, pp. 1296-98 (1995), which concluded that 11% of the in-person statements made to physicians by pharmaceutical sales representatives contradicted information that was

## *Joint Standing Committee on Health and Human Services*

readily available to them, the amendment also provides a mechanism to be used in conjunction with academic detailing that is being considered by the Legislature this year and details the efforts of the Legislature in prior years to address problems with cost and access to health care and confidentiality of health information.

It also provides a statement that the provisions of the amendment are narrowly and carefully tailored to address the findings listed in the amendment to achieve the State's purposes listed in the amendment and in conjunction with the following efforts to advance the State's compelling interests:

- A. Prior authorization and drug utilization review in the MaineCare program under the Maine Revised Statutes, Title 22, section 3174-M;
- B. Reporting of a broad array of prescription drug marketing costs under Title 22, section 2698-A and subsequent reporting by the Department of Health and Human Services to the Legislature and the Attorney General;
- C. Prescription drug price disclosure under Title 22, section 2698-B;
- D. Generic and therapeutically equivalent substitution of prescription drugs under Title 32, section 13781; and E. Protection of patient prescription drug information held by health care practitioners under Title 22, section 1711-C;
5. Separates the confidentiality provisions applicable to the patient and the prescriber;
6. Beginning January 1, 2008, states that a carrier, pharmacy or prescription drug information intermediary may not license, use, sell, transfer or exchange for value for marketing purposes prescriber-identifying prescription drug information of a prescriber who has filed for confidentiality protection;
7. Establishes a mechanism for confidentiality protection through an opt-out procedure similar to the federal Do Not Call List utilizing the licensing and relicensing process for prescribers. The procedures include information for the prescriber and methods for filing with the Maine Health Data Organization to protect confidentiality of prescriber-identifying information;
8. Grants rule-making authority to the licensing boards and the Maine Health Data Organization, provides them funding through an assessment on manufacturers of prescription drugs dispensed through the MaineCare program and elderly low-cost drug program and requires a report on confidentiality protection activity within the Maine Health Data Organization under the law as part of the organization's annual report to the Legislature;
9. Provides authority to the Department of Health and Human Services to transfer funding to the Maine Health Data Organization and the Department of Professional and Financial Regulation to fund their costs for the mechanism to protect the confidentiality of prescriber-identifying prescription drug information; and
10. Adds an appropriations and allocations section.

### **House Amendment "A" (H-594)**

This amendment removes the provisions that would have 20% of the amount of assessments to cover boards of licensure costs and instead allows the Department of Health and Human Services to use those funds.

### **Enacted Law Summary**

Public Law 2007, chapter 460 does the following:

1. Adds a definition of "marketing";
2. Adds to the definition of "prescription drug information intermediary" persons or entities employed by or under contract to a prescription drug information intermediary;

## *Joint Standing Committee on Health and Human Services*

### 3. Provides a statement of findings:

- A. That the Legislature finds that enactment of this legislation will: improve the public health, limit annual increases in the cost of health care and protect the privacy of patients and prescribers in Maine's health care system;
- B. That the State has a duty to assist in the maintenance of an effective and efficient health care system;
- C. That patients and prescribers have requested that the Legislature provide a mechanism for protecting confidentiality;
- D. That data companies sell prescriber and patient information to drug manufacturers who use it to influence prescribers to prescribe higher priced drugs, thereby increasing the cost of health care;
- E. That restricting the use of prescriber-identifying information will decrease drug detailing and increase the use of lower priced drugs, thus decreasing the cost of health care;
- F. That the resulting savings may be used for increased investment in drugs and increased access to health care; and
- G. That the legislation is a narrowly and carefully tailored approach to achieving compelling state interests and other purposes;

4. Provides a statement of purposes the Legislature intends to achieve, including improving the public health, limiting annual increases in the cost of health care and protecting the privacy of patients and prescribers in Maine's health care system. Other purposes include protection of personal privacy rights, ending the use of prescriber comparisons and decreasing marketing costs.

The law also provides a mechanism to be used in conjunction with academic detailing that is being considered by the Legislature this year and details the efforts of the Legislature in prior years to address problems with cost and access to health care and confidentiality of health information.

It also provides a statement that the law is narrowly and carefully tailored to address the findings to achieve the State's listed purposes and in conjunction with the following efforts to advance the State's compelling interests:

- A. Prior authorization and drug utilization review in the MaineCare program under the Maine Revised Statutes, Title 22, section 3174-M;

  - D. Generic and therapeutically equivalent substitution of prescription drugs under Title 32, section 13781; and
  - E. Protection of patient prescription drug information held by health care practitioners under Title 22, section 1711-C;
5. Separates the confidentiality provisions applicable to the patient and the prescriber;

## *Joint Standing Committee on Health and Human Services*

6. Beginning January 1, 2008, states that a carrier, pharmacy or prescription drug information intermediary may not license, use, sell, transfer or exchange for value for marketing purposes prescriber-identifying prescription drug information of a prescriber who has filed for confidentiality protection;
7. Establishes a mechanism for confidentiality protection through an opt-out procedure similar to the federal Do Not Call List utilizing the licensing and relicensing process for prescribers. provide cervical cancer screening and services to individuals that do not currently qualify for MaineCare. It requires the department to expand eligibility for the Maine Breast and Cervical Health Program to include women 35 to 39 years of age and to increase cervical cancer screening among women under 35 years of age, expand screening sites and days, update screening guidelines and work with specific stakeholders to explore options for encouraging people to attend cancer screenings. It requires the Maine Quality Forum to identify and assess current initiatives within the state health care system that may enhance delivery of cervical cancer screening and follow-up care. It requires the Department of Health and Human Services' Office of Minority Health to collaborate with other department offices and programs to examine cervical cancer incidence in racial and ethnic minorities in the State and study barriers to screening and treatment and best practices for overcoming those barriers. It requires the Department of Health and Human Services to examine the higher incidence of cervical cancer in Washington County and Somerset County to determine reasons for the variation and develop recommendations for reducing cervical cancer in those counties. It requires the Maine Center for Disease Control and Prevention to monitor and evaluate state progress in implementing the task force's recommendations and report to the joint standing committee of the Legislature having jurisdiction over health and human services matters by January 30, 2009 and again by January 30, 2011.

### **Committee Amendment "A" (S-158)**

This amendment replaces the bill with a resolve. It removes sections of the bill related to funding for the human papillomavirus vaccine, a statewide public education campaign, school-based education initiatives, continuing medical education, a potential Medicaid waiver and requiring the Maine Quality Forum to review and report on health care system initiatives affecting the delivery of cervical cancer screening services. It retains the provisions in the bill that require the department to report: 1) expenditures and distribution of the human papillomavirus vaccine; 2) public education efforts regarding cervical cancer; 3) recommendations for improving cervical cancer prevention and detection in racial and ethnic minority populations and for reducing incidence of cervical cancer in Washington County and Somerset County; and 4) progress on implementing the recommendations of the Task Force To Study Cervical Cancer Prevention, Detection and Education. It also requires the department to make funding for the immunizing girls from low income families against human papillomavirus vaccination a priority in future budget requests. It requires the department to submit an initial report to the joint standing committee of the Legislature having jurisdiction over health and human services matters no later than January 30, 2009 and a second report no later than January 30, 2011. It authorizes the joint standing committee of the Legislature having jurisdiction over health and human services matters to submit legislation to the 124th Legislature and 125th Legislature.

### **Enacted Law Summary**

Resolve 2007, chapter 73 requires the Department of Health and Human Services to report on: 1) expenditures and distribution of the human papillomavirus vaccine; 2) public education efforts regarding cervical cancer; 3) recommendations for improving cervical cancer prevention and detection in racial and ethnic minority populations and recommendations for reducing incidence of cervical cancer in Washington County and Somerset County; and 4) progress on implementing the recommendations of the Task Force To Study Cervical Cancer Prevention, Detection and Education. It also requires the department to make funding to provide the human papillomavirus vaccination to the population of low-income females in Maine that need the vaccine a priority in future budget requests. It requires the department to submit an initial report to the joint standing committee of the Legislature having jurisdiction over health and human services matters no later than January 30, 2009 and a second report no later than January 30, 2011. It authorizes the joint standing committee of the Legislature having jurisdiction over health and human services matters to submit legislation to the 124th Legislature and 125th Legislature.

This resolve requires the Department of Health and Human Services to apply by January 1, 2008 for a federal waiver to operate a MaineCare waiver program to allow a person with a brain injury who is eligible for services at the nursing facility level to choose to receive services in a home or in a community-based setting. The resolve provides for public information and input from interested parties. The resolve requires reports to the Legislature by April 15, 2008, January 15, 2009 and April 15, 2009 regarding the department's progress in applying for and securing the waiver.

### Committee Amendment "A" (H-518)

This amendment replaces the resolve. It directs the Department of Health and Human Services to complete a comprehensive plan to address the needs of persons with disabilities due to brain injuries by January 1, 2008. It provides a process for the development of the plan and the participation of interested persons. It requires reports to the Legislature by January 15, 2008, January 15, 2009 and April 15, 2009 regarding its progress implementing the elements of the plan. The amendment authorizes the Joint Standing Committee on Health and Human Services to submit legislation regarding services to persons with brain injuries to the Second Regular Session of the 123rd Legislature.

## *Joint Standing Committee on Health and Human Services*

This bill is a concept draft pursuant to Joint Rule 208.

This bill proposes to amend current law to establish an electronic prescription drug monitoring system to enhance patient safety by providing a means to avoid medication errors. The electronic prescription drug monitoring system will allow pharmacists, physicians and other authorized health care providers to obtain a complete record of all drugs prescribed to a patient, identify the prescribing physician for each drug and list the dates on which each prescription was filled. This information will give health care providers additional means to ensure that patients do not have adverse reactions due to incompatible drug interactions or over-prescription of medications from multiple prescribing physicians.

The bill proposes to direct the Department of Health and Human Services to apply for federal funds and seek other funding sources to develop the electronic prescription drug monitoring system.

This bill also proposes to amend current law to prevent the unauthorized collection, use, sale or exchange of confidential patient prescription drug information for commercial use, financial gain or other unauthorized purposes and to levy penalties that are stringent enough to deter these activities.

This bill establishes within the Department of Health and Human Services the prescription drug academic detailing program to enhance the health of residents of the State, to improve the quality of decisions regarding drug prescribing, to encourage better communication between the department and health care practitioners participating in publicly funded health programs and to reduce the health complications and unnecessary costs associated with inappropriate drug prescribing. The bill requires the department to investigate initially establishing the program collaboratively with the states of New Hampshire and Vermont. The bill requires the department to review and evaluate use of the educational and assessment materials developed by the Commonwealth of Pennsylvania for the prescription drug academic detailing program that involved the cooperative work of that state and Harvard Medical School and to consider adopting the Pennsylvania program as a starting point for the program. The bill coordinates the prescription drug academic detailing program with the department's public education initiative on prescription drug clinical trials and drug safety information and transfers one half of the annual revenues under the Maine Revised Statutes, Title 22, section 2700-A, subsection 4 for the use of the prescription drug academic detailing program.

### **Committee Amendment "A" (H-549)**

This amendment is the majority report of the committee. The amendment clarifies that the basis for academic detailing is peer-reviewed scientific, medical and academic research publications. The amendment adds the requirement that academic detailers observe standards of conduct consistent with certain federal Food and Drug Administration and Office of the Inspector General requirements. The amendment clarifies that the Department of Health and Human Services may adopt routine technical rules to implement the prescription drug academic detailing program. The amendment also adds an appropriations and allocations section.

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
NUTTING J	OTP-AM	H-620 PERRY A S-332

This bill amends the law with regard to inpatient psychiatric treatment as follows.

1. It ensures that a full District Court hearing is held before a person can be involuntarily committed to a psychiatric hospital. At this hearing the examiners report to the District Court as to whether the person is a mentally ill person or is a person with a serious and persistent mental illness, as appropriate to the proceeding, and as to whether the person poses a likelihood of serious harm and the hospital staff and family are able to testify.
2. It enacts new law on mandatory administration of medication that provides protections for the person through a hearing process that uses a panel of 2 psychiatrists and 1 mental health professional. The process also includes a written decision by the panel and an appeal to the Superior Court under the Maine Administrative Procedure Act.
3. It directs the Department of Health and Human Services to amend its rules entitled "Rights of Recipients of Mental Health Services" to reflect the new law on mandatory administration of medication.

## Committee Amendment "A" (S-332)

This amendment replaces the bill. The amendment adds to the court procedure for involuntary commitment the option of a request for involuntary treatment. The amendment amends the law on rules adopted by the Department of Health and Human Services regarding standards for treatment of a client absent informed consent. The amendment requires the department to amend those rules to include a clinical review and decision within 4 days of a request by the primary treating physician by a clinical review panel, to specify that orders for involuntary treatment are for the term of commitment and pending any appeal where appropriate and to require the offer of the assistance of a lay advisor and to amend the rules regarding the rights of recipients of mental health services. County commissioners may appoint members to the councils, or authorize municipal officers to do so, and must include representatives of the counties, municipalities and the local health community. If county commissioners do not choose to set up councils, then a caucus of municipal officers from at least one-third of the municipalities in a region may do so. If neither county commissioners nor municipal officers set up a council, then the Director of the Maine Center for Disease Control and Prevention within the Department of Health and Human Services shall do so. The councils are responsible for conducting a health needs assessment of the region, developing a health plan for the region and providing annual reports to the county commissioners. The councils are authorized to seek funding sources through grants and may enter into contracts with the State or health-related organizations.

This bill enacts the Maine False Claims Act in order to protect the state and federal governments against false and fraudulent claims under the Medicaid program known in the State as the MaineCare program under the Maine Revised Statutes, Title 22, chapter 855. This bill provides authorization for actions, referred to as qui tam actions, brought by a person for the person and for the State in the name of the State. This bill designates the person who brings the qui tam action as the relator. This bill provides protection from discrimination for an employee who participates in a qui tam action in furtherance of the action. This bill provides possible recoveries for the relator in addition to recoveries for the State. This bill establishes the False Claims Act Fund to receive the proceeds payable to the State as a result of false claims litigation.

This bill prohibits the sale or distribution of certain flavored cigarettes and cigars in the State.

### Committee Amendment "A" (S-180)

This amendment removes from the bill the provisions concerning promotional materials and provides a beginning date of July 1, 2009 for the restrictions on selling flavored cigarettes and cigars. The amendment provides a process for certain flavored cigarettes and cigars to be sold, including an exemption granted by the Attorney General. It restricts purchases of flavored cigarettes and cigars by tobacco distributors. It requires the Attorney General to maintain on a publicly accessible website a list of flavored cigarettes and cigars that are authorized for sale in the State. It provides a transition time period for flavored tobacco products held in stock before July 1, 2009. It also bans the sale of the smokeless tobacco product called "hard snuff."

### Senate Amendment "A" (S-230)

This amendment requires the Attorney General to verify the statement by the manufacturer that a flavored cigarette or flavored cigar was on the market prior to January 1, 1985. The amendment also requires the Attorney General to establish and administer a process by rule for granting exemptions for flavored cigarettes and flavored cigars that were first on the market after January 1, 1985 based on a determination by the Attorney General that the characterizing flavor and the associated packaging, promotion and brand style do not directly or indirectly target youth or encourage the initiation of smoking. This amendment makes the rules adopted by the Attorney General major substantive rather than routine technical.

### House Amendment "A" (H-544)

This amendment requires that the Attorney General adopt rules no later than January 15, 2008 and report to the Joint Standing Committee on Health and Human Services on the preliminary implementation of the law no later than February 1, 2008. This amendment authorizes the committee to report out legislation to the Second Regular Session of the 123rd Legislature.

### Senate Amendment "B" (S-354)

This amendment provides for the transfer of funds from the Fund for a Healthy Maine to the General Fund to offset the revenue loss to the General Fund from the prohibition on the sale of certain flavored cigarettes and cigars.

### Enacted Law Summary

Public Law 2007, chapter 467 bans the sale of certain flavored cigarettes and cigars beginning January 1, 2009. It provides for adoption of major substantive rules by the Attorney General and a report on preliminary implementation of the law to the Health and Human Services Committee by February 1, 2008. The law authorizes the committee to report out legislation to the Second Regular Session of the 123rd Legislature. The law provides for a transfer of funds from the Fund for a Healthy Maine to offset revenue loss. The law bans the sale of "hard snuff" beginning September 20, 2007.

RESOLVE 41

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
GROSE	OTP-AM	H-200

This resolve, a concept draft pursuant to Joint Rule 208, proposes to create a study group to review and make recommendations for administrative or legislative action, or both, concerning ways to promote high-quality before-school and after-school programs through child care licensing and quality rating if those programs are "custodial" in nature as opposed to special purpose programs, such as a swimming team or other sports teams, which would be exempt from child care licensure under the proposals from the study group. The study group would also explore ways in which the State can maximize the effect of available funding on the broad community needs of school-age children and families to determine whether federal grants administered by the State can be instrumental in meeting the broader needs of children and families in the community, such as the social growth of children and the needs of working families, and effectively promoting cooperation with existing community programs serving school-age children and their families.

## Committee Amendment "A" (H-200)

This amendment replaces the concept draft. It requires the Department of Health and Human Services to convene a working group to review information and make recommendations on ways to provide high-quality before-school and after-school programs. It requires the department to invite specific groups and other interested parties to participate in the working group and to appoint a representative of the Maine After School Network as the chair of the working group. It charges the working group with reviewing the rules, standards and policies for the range of before-school and after-school programs for school-age children and making recommendations on standardizations, adjustments and needed collaboration to best serve the broad range of the needs of children and families within existing support systems for children and families.

FAIRCLOTH	OTP-AM MAJ ONTP MIN	H-140

This bill clarifies that the Department of Health and Human Services may interview a child at a school if necessary to carry out the department's child protection activities. It clarifies that school officials must cooperate with the conduct of such an interview under penalty of law.

## Committee Amendment "A" (H-140)

The amendment requires a department caseworker to discuss a child's circumstances with school officials as necessary for the provision of emotional support to the child prior to and following a child protective intervention interview. It adds the word "guardian" to the provision of the bill that prohibits school officials from requiring notice or consent from a parent.

## Enacted Law Summary

Public Law 2007, chapter 132 clarifies that the Department of Health and Human Services may interview a child at a school if necessary to carry out the department's child protection activities. School officials must cooperate with the conduct of such an interview under penalty of law. It requires a department caseworker to discuss a child's circumstances with school officials as necessary for the provision of emotional support to the child prior to and following a child protective intervention interview. It prohibits school officials from requiring notice be sent to parents or guardians or that consent from a parent or guardian be given before a child is interviewed.

This resolve creates the 12-member Work Group to Review and Recommend Improvements for the Certificate of Need Program, which includes 6 members appointed by the President of the Senate and the Speaker of the House, 4 members appointed by the Governor, a nonvoting ex officio member from the Governor's Office of Health Policy and Finance and a nonvoting ex officio member from the Department of Health and Human Services. The work group may hold up to 4 meetings to prioritize and examine some or all of 11 issues that are listed in the resolve and then, based on findings from the examination of the prioritized issues, identify improvements and make recommendations for changes in law or rule. The resolve requires the Department of Health and Human Services to provide a certificate of need background report to the work group no later than 45 days after the effective date of this resolve. The resolve also requires the work group to submit a report that includes its findings and recommendations, including suggested legislation, for presentation to the Second Regular Session of the 123rd Legislature by December 1, 2007 and authorizes the work group to introduce legislation related to its report.

**Committee Amendment "A" (H-519)**

This amendment is the majority report of the committee. The amendment replaces the resolve, but retains many of the original provisions. In addition, it directs the Department of Health and Human Services to convene a work group on the certificate of need program and to report to the Joint Standing Committee on Health and Human Services by January 15, 2008. The amendment authorizes the committee to submit legislation to the Second Regular Session of the 123rd Legislature.

WEBSTER	OTP-AM	S-306    BRANNIGAN

Current Maine law requires recipients or their attorneys to notify the Department of Health and Human Services when they make a claim to recover the medical costs that were paid by MaineCare. The current law does not specify when the notification must be made. A recent U.S. Supreme Court decision, *Arkansas v. Ahlborn*, requires states to further refine their laws to allow states to participate in negotiations in a timely manner. This bill grants the State that authority by requiring that notification be made prior to when settlement negotiations begin.

**Senate Amendment "A" (S-306)**

This amendment clarifies the obligation to provide notice to the Department of Health and Human Services when a MaineCare recipient has received benefits paid for by the MaineCare program.

This bill requires the Department of Health and Human Services to eliminate duplicative and unnecessary administrative procedures and practices in the system of care for mentally retarded persons by eliminating duplicate data entry, reducing paperwork, streamlining the survey program, requiring programs to meet one set of state accreditation standards and reducing mailing costs through use of technology and electronic transmission of data. It requires that the department assess the fiscal impact of proposed laws or rules prior to enactment and publish the fiscal analysis on its website. It requires that programs be exempt from certain certified medication staffing requirements and exempts experienced direct support staff from specific employee training under certain circumstances. It limits employee training requirements to those relevant to the condition of individuals served.

It requires the department to conduct eligibility assessments and reclassification of clients every 5 years and not earlier than 5 years unless there is a substantial change in the client's abilities, condition and needs. It requires the department to publish an annual document for community rehabilitation programs that describes practices that are acceptable to the department, specific documentation standards for all services required by the federal government or the department and information on current best practices for administering those programs. It requires the department to create an advisory group of providers to provide input into the process of developing a plan and to work with the advisory group to review business practices and requirements and identify additional cost-efficiency practices. It requires that the department identify savings that can be returned to providers to fund additional services and defray business expenses related to regulatory requirements. It requires the department to facilitate the development of residential accommodations for adults with mental retardation by creating a plan that identifies appropriate mechanisms for developing affordable housing, including but not limited to the creation of a nonprofit organization, state bonding and other methods for financing affordable housing.

PUBLIC 286

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
BRANNIGAN	OTP-AM	S-143

This bill clarifies references to the area quality improvement councils in the mental health laws. The bill also renames the local service networks as the community service networks and requires them to be established in each of the geographical areas that were previously covered by area quality improvement councils. The bill requires each community service network to participate in the delivery of mental health services in a system that ensures continuity of care to adults experiencing psychiatric crises. The bill also describes the circumstances when client information can be shared during a crisis situation or when necessary to protect the consumer's health and safety.

### Committee Amendment "A" (S-143)

This amendment adds a reporting section to the bill. Under the reporting section, by January 15, 2008 the Department of Health and Human Services must report to the Joint Standing Committee on Health and Human Services regarding the operation of the community service networks in the geographic areas designated in the Maine Revised Statutes, Title 34-B, section 3608, subsection 1-A and the state health regions designated by the Maine Center for Disease Control and Prevention and the possibilities for coordination among the regions or for redesignation.

### Enacted Law Summary

Public Law 2007, chapter 286 changes the structure of the community mental health system. It establishes community service networks and maintains quality improvement councils for the two state psychiatric hospitals. The law requires community service networks to participate in the delivery of services and allows limited sharing of client mental health information.

The law requires a report to the Health and Human Services Committee by January 1, 2008, on the operation of the community service networks in the geographic regions, on the state health regions and on the possibilities for coordination among the regions or for redesignation of the regions.

This bill requires the court, hearing officers or applicable administrative agency to consider, when determining new or modified orders for child support, a means to provide support for a child's health care expenses, including but not limited to enrollment in employer-sponsored group health insurance plans, purchase of private health insurance plans, participation in public health insurance plans and cash payments of premiums, copayments, deductibles and routine and extraordinary medical expenses not otherwise covered by health insurance plans. It requires plaintiffs and defendants to provide information related to their ability to provide medical child support including information on employer-sponsored group health insurance and private health insurance available to the plaintiff and defendant as part of the affidavits, medical child support and child support worksheets and other relevant information that the parties are required to file with the court. It requires the court or hearing officer to review the information submitted by the plaintiff and defendant and to determine the amount of medical child support to be contributed by each and how that support is to be payable. The bill

## *Joint Standing Committee on Health and Human Services*

exempts parties with incomes below 200% of the federal poverty guidelines from purchasing employer-sponsored group or private health insurance as part of their medical child support obligation unless such coverage is available at no cost. It allows the court or hearing officers to order parties with incomes between 150% and 200% of the federal poverty guidelines to make payments toward the cost of public insurance based on a sliding scale pursuant to the Maine Revised Statutes, Title 22, section 18 and chapter 855. It requires any amount of medical support payment that a noncustodial parent whose income is above 200% of the federal poverty guidelines is ordered by a court or administrative agency to pay to a custodial parent whose income is below 200% of federal poverty guidelines to first be used by the custodial parent to offset the premium for public health insurance coverage for the child. It requires the Department of Health and Human Services to maximize enrollment in the Private Health Insurance Premium Program pursuant to Title 22, section 18 and allows persons enrolled in the Private Health Insurance Premium Program with children eligible for Medicaid under Title 22, section 3174-G to be eligible for MaineCare benefits not otherwise provided by the private or employer-sponsored group health plan. It requires the Department of Health and Human Services to establish a sliding scale for applicable premiums and cost-sharing amounts that do not exceed the amounts established under Title 22, section 3174-T to the extent that participation in Title 22, section 18 is the result of a medical child support order under Title 19-A, section 2004. It allows people who have received Medicaid for their children for the past 3 months whose income exceeds limits pursuant to Title 22, section 3174-G, subsection 1, paragraph E-1 to purchase coverage for up to 18 months at premiums not to exceed those under the Katie Beckett program and limits contributions toward administrative costs to the maximum amount allowed under COBRA. It makes working disabled persons with unearned income that is equal to or below 150% of the nonfarm income official poverty line and with a combined total earned and unearned income that does not exceed 250% of the nonfarm income official poverty line eligible for Medicaid. It makes young adults who are 19 years of age or 20 years of age when the household income is equal to or below 200% of the nonfarm income official poverty line eligible for Medicaid. It requires the Department of Health and Human Services to ensure that the parents of children eligible for Medicaid under Title 22, section 3174-G provide medical child support as defined in Title 19-A, section 2001, subsection 11 to the extent authorized under Title 19-A, section 2006, to the extent possible through the Private Health Insurance Premium Program pursuant to Title 22, section 18 and in accordance with the guidelines in this section. It prohibits the department from petitioning the court in any new or modified medical child support order to require a parent with an income below 200% of the nonfarm income official poverty line to purchase private health insurance or enroll in an employer-sponsored group health plan unless such enrollment is available at no cost or the parent is eligible for assistance under Title 22, section 18 or from making an administrative determination with the same effect. It prohibits the department from petitioning the court in any new or modified medical child support order to require a parent with an income between 150% and 200% of the nonfarm income official poverty line to include cash medical support or any extraordinary medical expenses as defined at Title 19-A, section 2001 or from making an administrative determination with the same effect. It requires the Department of Health and Human Services to establish a centralized 3rd-party liability unit that will work to maximize the use of private health insurance coverage pursuant to Title 22, section 18 and to adopt routine technical rules.

### **Committee Amendment "A" (S-319)**

This amendment replaces the bill. It enacts provisions of child support law establishing medical support requirements and expands the option of buying into MaineCare coverage for parents and children who lose MaineCare eligibility due to increased income. It incorporates the assignment of rights of recovery and honoring of assignments applicable to members in the MaineCare program as those provisions were enacted in the biennial budget, PL 2007, chapter 240, Part JJJ, sections 1, 2 and 4 and applies them retroactively to the extent authorized by law. It maximizes use of the Private Health Insurance Premium Program in MaineCare. It allows persons eligible for MaineCare and for coverage through an employer to enroll in group health insurance plans and health maintenance organization coverage without waiting for the next open enrollment period.

This bill makes the following changes to the Maine Certificate of Need Act of 2002.

1. Current law exempts from review replacement of major medical equipment. This bill requires review when a certificate of need had not been obtained for the equipment that is being replaced.
2. It requires review of an increase in bed complement or bed category of less than 10% if it results in 3rd fiscal year operating costs or capital expenditures in excess of applicable thresholds or results in the addition of a new health service.
3. It allows the aggregation of capital expenditures in determining whether projects are related.
4. It improves the ability of the Department of Health and Human Services to monitor the implementation of projects that were determined not subject to review.
5. It requires that communication between applicants and the Bureau of Insurance goes through the Department of Health and Human Services and becomes part of the official record.

# Joint Standing Committee on Health and Human Services

6. It exempts both the Bureau of Insurance assessment of impact and the health assessment impact from the Maine Center for Disease Control and Prevention for nursing facility projects.
7. It clarifies that prior to an application's being certified as complete, the record is not a public document. After it is certified as complete, it is governed by the freedom of access laws.
8. It clarifies when additional time may be taken to complete a review.

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
MILLER	OTP-AM	H-486

This bill prohibits the Department of Health and Human Services, Maine Center for Disease Control and Prevention from limiting the number of hypodermic apparatuses that a certified hypodermic apparatus program may provide to enrolled participants or the number that enrolled participants may legally possess, transport or exchange. The bill requires the Maine Center for Disease Control and Prevention to adopt rules for measures to discourage the utilization of used hypodermic apparatuses and makes rules adopted or amended routine technical rules. It authorizes persons to lawfully possess, furnish or transport hypodermic apparatuses or residual amounts of scheduled drugs that may be present in the hypodermic apparatuses or a residual amount of any scheduled drug that is contained in one or more hypodermic apparatuses to the extent authorized under the Maine Revised Statutes, Title 22, chapter 252-A. The bill provides an affirmative defense for the furnishing, transporting or possession of hypodermic apparatuses or a residual amount of any scheduled drug that is contained in one or more hypodermic apparatuses by a person enrolled in a hypodermic apparatus exchange program that is certified by the Maine Center for Disease Control and Prevention under Title 22, section 1341 when the person is transporting the hypodermic apparatuses to the certified program.

### Committee Amendment "A" (H-486)

This amendment strikes section 2 from Part A of the bill, which attempted to clarify protections for employees of the needle exchange programs with affirmative defenses, but was unnecessary and confusing. The law will stay as it is with regard to employees of needle exchange programs without the removed section.

### Enacted Law Summary

Public Law 2007, chapter 346 removes the limit of 10 needles in the needle exchange law. It directs the Department of Health and Human Services to adopt routine technical rules to discourage reuse of used needles. It allows possession of the residual amount of drugs that may be present on used needles.

PUBLIC 324  
EMERGENCY

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
LEWIN	OTP-AM	H-552

This bill makes the following changes to licensing and certification requirements of Department of Health and Human Services. It creates penalties, including injunctive relief, for operating an unregistered personal care agency. The bill creates a cap on civil monetary penalties that the Department of Health and Human Services may impose on unlicensed, uncertified or unregistered entities in response to a decision of the Maine Superior Court in a similar but unrelated case. It creates a maximum 2-year license renewal term for hospitals, nursing facilities, ambulatory surgical facilities and related institutions. It creates penalties, including injunctive relief, for operating without a license or certificate by a long-term care facility, a child care facility, and a family child care provider. It places a time limit on reapplication after denial or revocation of a license for a child care facility or revocation of a certificate for a family child care provider. It defines children in the Department of Health and Human Services laws governing facilities for children and adults as being under 21 years of age to make the provisions consistent with those governing MaineCare, the department's Office of Child and Family Services and special education. It adds to the list of confidential information pursuant to 22 M.R.S.A §7703, sub-§2 information that identifies, directly or indirectly a reference, complainant or reported of suspected licensing violations.

### Committee Amendment "A" (H-552)

The amendment defines "placement agency" and "home care services." It requires a placement agency to register with the Department of Health and Human Services. It gives the Department of Health and Human Services the same right of entry and applies the same administrative inspection and license suspension and revocation provisions with respect to placement agencies as apply to personal care agencies. It clarifies that the department's right of entry may extend to any premises and documents of a person, firm, partnership, association, corporation or other entity that the department has reason to believe is operating without a license or a certificate. It clarifies that an owner or person in charge of an unlicensed long-term care facility or child care facility or an uncertified family child care provider may not interfere with or prohibit the interviewing by the department of residents or consumers of services. It clarifies that an owner or operator of an unregistered personal care agency or placement agency may not interfere with, impede or obstruct an investigation by the department, including but not limited to interviewing persons receiving services or persons with knowledge of the agency. It changes the word "subtitle" to "section" and corrects statutory language to clarify that a child care facility license is required before the Department of Education grants approval for a program to contract with one or more Child Development Services System sites.

### Enacted Law Summary

Public Law 2007, chapter 324 makes changes to licensing and certification requirements of the Department of Health and Human Services. It requires a placement agency to register with DHHS and defines placement agency and home care services. It creates penalties, including injunctive relief, for operating an unregistered personal care agency or placement agency. The bill creates a cap on civil monetary penalties that the DHHS may impose on unlicensed, uncertified or unregistered entities. The bill creates a maximum 2-year license renewal term for hospitals, nursing facilities, ambulatory surgical facilities and related institutions and allows an initial license to be issued for up to 12 months. It creates penalties, including injunctive relief, for operating without a license or certificate by a long-term care facility, a child care facility, and a family child care provider. The bill places a time limit on reapplication after denial or revocation of a license for a child care facility or revocation of a certificate for

a family child care provider. The bill defines children in laws governing facilities for children and adults as being under 21 years of age to make the provisions consistent with those governing MaineCare, the department's Office of Child and Family Services and special education. It clarifies that the department's right of entry may extend to any premises and documents of a person, firm, partnership, association, corporation or other entity that the department has reason to believe is operating without a license or a certificate. It clarifies that an owner or person in charge of an unlicensed long-term care facility, child care facility, family child care provider, personal care agency or placement agency may not interfere with or prohibit the interviewing by the department of residents or consumers of services.

Public Law, chapter 324 was enacted as an emergency measure effective June 19, 2007.

The bill was reviewed and evaluated by the Joint Standing Committee on Judiciary pursuant to MRSA Title 1, §434, which requires review and evaluation of new exceptions to laws governing public records.

CUMMINGS	OTP-AM	H-458

This resolve directs the Public Health Work Group to establish the Regional Coordinating Councils Subcommittee to develop recommendations for a general framework for Regional Coordinating Councils in the 8 public health regions. The Regional Coordinating Councils Subcommittee is directed to report to the Public Health Work Group, which is directed to transmit the subcommittee's reports to the Joint Standing Committee on Health and Human Services and the Joint Standing Committee on State and Local Government. The Joint Standing Committee on Health and Human Services is authorized to submit legislation regarding the Regional Coordinating Councils to the Second Regular Session of the 123rd Legislature. The resolve also requires changes to the membership of the Public Health Work Group.

### **Committee Amendment "A" (H-458)**

This amendment replaces the resolve, which originally established the Regional Coordinating Councils Subcommittee under the Public Health Work Group to make recommendations to the Joint Standing Committee on Health and Human Services and the Joint Standing Committee on State and Local Government related to the regional coordinating councils and authorized the Joint Standing Committee on Health and Human Services to report out legislation. The amendment directs the Governor to expand the membership of the Public Health Work Group and specifies the groups that must be represented. It requires representation from the 8 public health regions. It limits the size of the work group to 40. It requires the Public Health Work Group to submit a report to the Joint Standing Committee on Health and Human Services and the Joint Standing Committee on State and Local Government by December 1, 2007 that includes current plans for the development of a statewide public health infrastructure, including the status of plans related to regional coordinating councils in the 8 public health regions, recommendations for a statewide public health infrastructure to be developed within existing resources over the next 5 years and necessary changes to public health duties, financing and governance and the roles of public, private, grassroots and nonprofit organizations as well as the scope of functions they perform in the public health system. It also requires the group to submit any draft legislation necessary and authorizes the Public Health Work Group to form subcommittees as necessary to achieve these purposes. It authorizes the Joint Standing Committee on Health and Human Services to submit legislation.

Part A of this bill establishes, effective September 1, 2008, the Maine Hospital Cost Commission, whose purpose is to appropriately limit the rate increase in the cost of hospital care while protecting the quality and accessibility of care available to the people of the State and without unduly compromising the ability of hospitals to decide how the resources made available to them are to be used.

Part B of this bill establishes the Blue Ribbon Commission To Study the Regulation of Health Care Expenditures and directs the commission to undertake a full scale study of the health care system and recommend the most appropriate form of health care regulation necessary to ensure the provision of quality care, the accessibility to care and the affordability of care. As part of its recommendations, the commission is directed to develop proposed legislation detailing the hospital regulation system to be implemented by the Maine Hospital Cost Commission pursuant to the Maine Revised Statutes, Title 22, chapter 1701. The commission is directed to submit a report that includes its findings and recommendations, including suggested legislation, for presentation to the Joint Standing Committee on Health and Human Services no later than

## LD 1855 An Act To Clarify Involuntary Admissions for Psychiatric Hospitalizations

PUBLIC 319

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
NUTTING J	OTP-AM	S-266

This bill makes the following changes to the Maine Revised Statutes, Title 34-B provisions governing hospitalization of psychiatric patients.

1. It deletes the definition of "hospital," and adds the definition of "psychiatric hospital." The definition of "patient" is also expanded so that it describes not only persons receiving care in inpatient beds, but also persons being assessed in hospital emergency departments.
2. It gives the Commissioner of Health and Human Services power to investigate complaints not only of patients in psychiatric hospitals but also of patients in general hospital emergency rooms who are being evaluated for certification for commitment. It gives the commissioner clear authority to visit nonpsychiatric hospitals that are involved in the certification process in order to review procedures related to the early steps of commitment.
3. It places the phrase "psychiatric hospital" where the word "hospital" was used in the past to retain the meaning under the new definitions.
4. It amends the law concerning a certification outside the hospital emergency room to permit a physician's assistant, certified psychiatric clinical nurse specialist or nurse practitioner, as well as a licensed physician or licensed clinical psychologist, to make the certification.
5. It clarifies that a judicial officer can review a faxed certification. It clarifies that a patient may be held in any hospital for up to 18 hours while a placement and judicial endorsement are being sought. It amends the law so that the person seeking a patient's admission, rather than the law enforcement officer or ambulance service transporting the patient, is responsible for ensuring that the certification is judicially endorsed.
6. It clarifies that a regular hospital may see a person in the emergency room and decide that the person needs to be involuntarily committed to a psychiatric hospital to receive the best care for that person. It clarifies that both kinds of hospitals are involved in this commitment process.
7. It deletes the requirement that an application be dismissed if the 2 examiners report that the person is not

## *Joint Standing Committee on Health and Human Services*

mentally ill or does not pose a likelihood of serious harm. Instead, it provides that a hearing must be held on every application to give others a chance to testify, even if the examiners do not support the application.

### **Committee Amendment "A" (S-266)**

This amendment:

1. Removes the language concerning a certification outside the hospital emergency room permitting a physician's assistant, certified psychiatric clinical nurse specialist or nurse practitioner, as well as a licensed physician or licensed clinical psychologist, to make the certification;
2. Removes the requirement of a hearing in every involuntary commitment proceeding; and
3. Reduces the notice period for continued involuntary hospitalization from 30 days to 21 days.

### **Enacted Law Summary**

Public Law 2007, chapter 319 updates the language in the laws on involuntary mental health commitment. It shortens the notice requirements for continued involuntary commitment from 30 to 21 days. It clarifies that a judicial officer can review a faxed certification. It clarifies that a patient may be held in any hospital for up to 18 hours while a placement and judicial endorsement are being sought. It amends the law so that the person seeking a patient's admission, rather than the law enforcement officer or ambulance service transporting the patient, is responsible for ensuring that the certification is judicially endorsed. It clarifies that a community hospital may see a person in the emergency room and decide that the person needs to be involuntarily committed to a psychiatric hospital to receive the best care for that person. It clarifies that both kinds of hospitals are involved in this commitment process.

This bill incorporates into the Maine Revised Statutes, Title 34-B some of the provisions required for compliance with the consent judgment in Consumer Advisory Board et al. v. Glover, No. 91-321-P-C (D. Me., September 28, 1994) by specifying the Department of Health and Human Services' obligation to persons with mental retardation or autism to provide personal planning, case management services, crisis and respite services and quality assurance activities. This bill clarifies the role of the Office of Advocacy within the department and the processes applicable to client grievances and appeals. This bill also sets out the principles guiding delivery of services to persons with mental retardation or autism and establishes the requirement that the ratio of individual support coordinators to clients must be one individual support coordinator to 35 persons with mental retardation or autism. It repeals the Maine Advisory Committee on Mental Retardation and establishes the Maine Developmental Services Oversight and Advisory Board.

### Committee Amendment "A" (S-297)

This amendment:

1. Specifies that all members of the Maine Development Services Oversight and Advisory Board are entitled to expenses for attending board meetings and that noncompensated members are entitled to per diem, as specified by board rule or policy;
2. Amends and adds an alternative date for the repeal of the Consumer Advisory Board;

## *Joint Standing Committee on Health and Human Services*

3. Specifies that at least 4 members of the Maine Developmental Services Oversight and Advisory Board must be self-advocates;
4. Clarifies language regarding the referral of individual cases for investigation or action;
5. Specifies that eligibility for services begins upon diagnosis of mental retardation or autism;
6. Provides that the initial appointments to the Maine Developmental Services Oversight and Advisory Board be made by the Consumer Advisory Board and the Maine Advisory Committee on Mental Retardation rather than by the Governor;
7. Provides transition language with regard to the budgets of the Maine Developmental Services Oversight and Advisory Board;
8. Provides effective dates that are connected to the repeal of the Consumer Advisory Board for several specific sections of the bill and a general effective date of November 1, 2007; and
9. Specifies that the Department of Health and Human Services must include in its estimate of expenditure and appropriation requirements funds for the board as a separate line item.

### **Enacted Law Summary**

Public Law 2007, chapter 356 incorporates into the Maine Revised Statutes, Title 34-B some of the provisions required for compliance with the consent judgment in *Consumer Advisory Board et al. v. Glover*, No. 91-321-P-C (D. Me., September 28, 1994) by specifying the Department of Health and Human Services' obligation to persons with mental retardation or autism to provide personal planning, case management services, crisis and respite services and quality assurance activities. This law clarifies the role of the Office of Advocacy within the department and the processes applicable to client grievances and appeals. This law also sets out the principles guiding delivery of services to persons with mental retardation or autism and establishes the requirement that the ratio of individual support coordinators to clients must be one individual support coordinator to 35 persons with mental retardation or autism. It repeals the Maine Advisory Committee on Mental Retardation and establishes the Maine Developmental Services Oversight and Advisory Board.

It provides transition language for the ending of the Consumer Advisory Board and the beginning of the Maine Developmental Services Oversight and Advisory Board. It provides a general effective date of November 1, 2007. It provides specific requirements for budgeting and funding the new board.

LD 51     **An Act To Provide Native Americans with Lifelong Licenses and Permits to Hunt, Fish and Trap**

**PUBLIC 195**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
SOCTOMAH RAYE	OTP-AM	H-228

LD 51 provides a lifetime tribal license for hunting, trapping and fishing to certified members of Maine's recognized Indian tribes.

### Committee Amendment "A" (H-228)

This committee amendment replaces the bill and amends the law regarding complimentary licenses for Native Americans to provide that these licenses are valid for the life of the Native American and include all permits, stamps and other permissions that may be needed to hunt, fish and trap in the State. These complementary licenses are subject to any lottery or drawing system used for issuing a license or permit such as the lottery system for moose hunting permits.

### Enacted Law Summary

Public Law 2007, chapter 195 provides that complimentary licenses for Native Americans are valid for the life of the Native American and include all permits, stamps and other permissions needed to hunt, fish and trap in the State subject to any lottery or drawing system used to issue a license or permit such as the lottery system for moose hunting permits.

**LD 98      An Act To Require Alien Big Game Hunters To Be Accompanied by a Guide**

**PUBLIC 454**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
THERIAULT MARTIN	OTP-AM MAJ ONTP MIN	H-159 S-367 ROTUNDO

LD 98 makes it illegal for a person who is not a citizen of the United States to hunt big game without being accompanied by a licensed guide.

**Committee Amendment "A" (H-159)**

This committee amendment replaces the bill and requires a person who is not a citizen of the United States to be accompanied by a licensed guide if that person wants to hunt moose, deer or bear.

**Senate Amendment "A" (S-367)**

This Senate amendment authorizes the transfer of \$41,216 in each of fiscal years 2007-08 and 2008-09 from the Carrying Balances, General Fund account within the Department of Inland Fisheries and Wildlife to the unappropriated surplus of the General Fund.

**Enacted Law Summary**

Public 2007, chapter 454 requires a person who is not a citizen of the United States to be accompanied by a licensed guide if that person wants to hunt moose, deer or bear.

**LD 99      An Act To Allow an All-terrain Vehicle To Operate on Snow without Being Registered as a Snowmobile**

**ACCEPTED ONTP REPORT**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
MCLEOD GOOLEY	ONTP MAJ OTP MIN	

LD 99 provides that a registered ATV that has been converted to operate on snow is not required to also be registered as a snowmobile.

**LD 116      An Act To Adjust Fees for Certain Resident and Nonresident Licenses, Registrations and Permits Issued by the Department of Inland Fisheries and Wildlife**

**ONTP**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
SIROIS SNOWE-MELLO	ONTP	

LD 116 adjusts certain fees charged by the Department of Inland Fisheries and Wildlife. It increases certain nonresident license, permit and registration fees by approximately 20% and reduces the resident hunting license and the resident combination hunting and fishing license by \$3 each.

LD 117 prohibits hunting in Range Ponds State Park.

**LD 126 Resolve, To Increase Public Access to Glazier Lake**

**ONTP**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
THERIAULT MARTIN	ONTP	

LD 126 directs the Department of Inland Fisheries and Wildlife to negotiate with a private owner of land that has access to Conners Cove on Glazier Lake in Aroostook County for public access to Glazier Lake.

**LD 152 An Act To Restrict the Use of Personal Watercraft on Crescent Lake and Tenney River in Raymond (by request)**

**ONTP**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
ROBINSON	ONTP	

LD 152 prohibits the use of personal watercraft on Crescent Lake and Tenney River in Raymond.

**LD 153 An Act To Improve the Control and Prevention of Invasive Plant Species**

**PUBLIC 44**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
EBERLE	OTP-AM	H-28

LD 153 incorporates the existing lake and river protection sticker fee for Maine registered boats, \$10, with the watercraft registration fee. This eliminates the need for producing and administering a lake and river protection sticker for Maine-registered watercraft. It also revises the watercraft registration fee structure to include the \$10 lake and river protection fee for watercraft operating on inland waters of the State. LD 153 provides that only watercraft registered outside Maine must continue to display a separate lake and river protection sticker.

**Committee Amendment "A" (H-28)**

MOORE G	ONTP	

LD 826 is a concept draft pursuant to Joint Rule 208.

LD 826 proposes to improve the process for getting permits from the Department of Inland Fisheries and Wildlife for events on lakes. The process will provide for local input and clear guidelines, especially for denials of permits.

LD 865 An Act To Increase the Number of Disabled Veterans That Are Eligible for Complimentary Lifetime Licenses and To Create the Search and Rescue Fund

DIED ON  
ADJOURNMENT

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
MILLETT	OTP-AM	H-540

LD 865 provides veterans or enlisted members of the United States Armed Forces, the Reserves of the United States Armed Forces or the National Guard who have served or are currently serving in Iraq or Afghanistan or other location associated with the global war on terrorism discounts on hunting and fishing licenses. It also establishes a Search and Rescue Fund and provides for a General Fund allocation into that fund in an amount that offsets the Department of Inland Fisheries and Wildlife's loss of revenue due to the discounted hunting and fishing licenses.

## Committee Amendment "A" (H-540)

This committee amendment changes the title of the bill to "An Act to Increase the Number of Disabled Veterans That are Eligible for Complimentary Lifetime Licenses and to Create the Search and Rescue Fund." It replaces the provision of the bill proposing to provide discounted license fees for certain veterans with language that increases the number of disabled veterans that are eligible to receive complimentary lifetime licenses and permits to hunt, fish, trap and guide by reducing the level of disability needed to qualify from 100% for noncombat military and 70% for combat-related disability to 50% or more disability for all veterans. It also clarifies the definition of "veteran" and how the loss of revenues to the Department of Inland Fisheries and Wildlife for providing these complimentary licenses to be reimbursed from the General Fund. This committee amendment changes the allocation of the laws establishing the Search and Rescue Fund in order to avoid creating a conflict.

BRYANT B	OTP-AM MAJ ONTP MIN	S-186

LD 1912 increases registration fees for ATV registrations from \$33 to \$70 for a resident and from \$68 to \$105 for a nonresident. If a person documents at the time of registration current membership in an eligible ATV club that is in good standing with the Secretary of State and recognized by the Department of Conservation as maintaining ATV trails for the public, the fee is reduced to \$30 for a resident and \$65 for a nonresident. It defines "eligible ATV club" to mean a nonprofit organization located in the State established and maintained primarily for purposes involving ATVs and that charges no more than \$20 for an individual membership and \$25 for a family membership. LD 1912 directs the Department of Conservation, in conjunction with the Department of Inland Fisheries and Wildlife, to report to the Joint Standing Committee on Inland Fisheries and Wildlife by January 15, 2009 their findings and recommendations regarding the implementation and enforcement of the reduced registration fees. It has an effective date of June 30, 2008.

### **Committee Amendment "A" (S-186)**

This committee amendment replaces the bill and changes the title to "Resolve, to Develop the Outdoor Licensed Network." It directs the Department of Inland Fisheries and Wildlife in consultation with the Department of Conservation and the Joint Standing Committee on Inland Fisheries and Wildlife to develop a plan to create and implement the Outdoor Licensed Network to acquire, preserve and enhance access to land and inland waters of the State, to ensure coordinated planning for the future use and preservation of access for activities licensed by the department and to provide an effective grassroots system to identify, secure and manage access on an ongoing basis. It also provides that the plan must include provisions to divide the State into sections and districts designed to encompass fish and game clubs or similar entities and that those entities must be utilized for the purpose of identifying, monitoring and prioritizing information on land within each district that may be available for acquisition or other access and to deal with landowner issues. This committee amendment provides that the plan must establish the Network Advisory Council to aid fish and game clubs engaged in activities regarding the network and requires the Department of Inland Fisheries and Wildlife to

## Committee Amendment "A" (S-20)

This amendment replaces the bill. As in the bill, this amendment amends the State's debt management services laws by permitting for-profit companies to obtain registrations as debt management service providers. The amendment clarifies that debt management service providers include only those companies that process consumer debt, not commercial debts. The amendment clarifies that a debt management service provider must be registered if it serves consumers in this State or if it is located in this State, but it exempts those companies that are located in Maine but that do not serve consumers in this State from the provisions establishing fee caps and requiring consumer education. It requires that debt management service providers who offer services to Maine consumers use certified counselors and provide consumer education programs. The amendment establishes caps on fees and charges that may be assessed to consumers for debt management services.

The amendment also adds an appropriations and allocations section.

LD 416 expressly defines certain marketing practices as unfair trade practices when used to sell, solicit or negotiate the purchase of health insurance products. The bill prohibits the use of "cold lead advertising" which is defined as using a method of marketing that fails to conspicuously disclose that a purpose of the marketing is insurance sales solicitation and that contact will be made by an insurer or insurance producer. The bill also prohibits using an appointment to discuss Medicare products or to solicit Medicare products in order to solicit the sale of other types of insurance products. Medicare products are defined in the bill as Medicare Part A, Medicare Part B, Medicare Part C, Medicare Part D, Medicare Advantage and Medicare supplement insurance plans.

#### Committee Amendment "A" (H-29)

This amendment replaces the bill. The amendment retains the prohibition on cold lead advertising contained in the bill. It clarifies that insurers and producers may not use an appointment to discuss Medicare products to solicit sales of life insurance, health insurance or annuity products unless requested by a consumer and the products to be discussed are clearly identified to a consumer in writing at least 48 hours in advance of the appointment. The amendment also prohibits door-to-door solicitation of Medicare products prior to receiving an invitation from a consumer.

The amendment also adds an emergency preamble and emergency clause. The amendment adds an effective date of June 1, 2007.

LD 419 prohibits insurers from denying, canceling or refusing to renew personal insurance in whole or in part on the basis of an insured's credit information. The bill also prohibits insurers from considering more than one credit inquiry from mortgage or automobile lenders for inquiries made within 30 days of one another.

The bill requires insurers that use credit reports and credit scores in insurance underwriting to obtain an updated credit report to recalculate an insured's insurance scope and to reunderwrite and rerate the insured. The bill requires insurers to act upon the request of the insured within 30 days of the request, but does not require an insurer to do so more than once every 12 months. The bill provides that any adjustments in the policy premium be made at the time of renewal.

The bill also requires insurers that use credit scores to disclose to insureds that the insured's premium is either higher or lower based upon the insured's credit-based insurance score and notify the insured of that insurance score.

### Committee Amendment "A" (H-71)

This amendment is the majority report of the committee and replaces the bill. The amendment retains the provision in the bill requiring insurers that use credit scores disclose to an insured that the insured's premium is either higher or lower based upon the insured's credit-based insurance score. The amendment removes the other provisions included in the bill.

## LD 431 An Act To Enable the Dirigo Health Program To Be Self-administered

PUBLIC 447

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
CONOVER	OTP-AM MAJ ONTP MIN	H-285 S-309 DIAMOND

LD 431 makes the following changes to the laws governing the Dirigo Health Program.

The bill expands the Dirigo Health Board of Directors from 5 to 9 members and renames it the Board of Trustees of Dirigo Health. The bill requires that 3 voting members of the board have expertise in accounting, banking, securities or insurance and adds the Treasurer of State as an ex officio, nonvoting member. The bill clarifies that 5 members of the board constitute a quorum and that an affirmative vote of 5 members is needed for the board to take action. The bill extends the limitation on personal liability of trustees under the Maine Uniform Trust Code to the trustees of Dirigo Health.

The bill gives authority to Dirigo Health to provide access to health benefits coverage through the Dirigo Health Self-administered Plan after the board evaluates bids for self-administered and fully insured benefits coverage. If the board makes the decision to provide coverage through the self-administered plan, the bill requires the board to report to the joint standing committee of the Legislature having jurisdiction over health insurance matters within 30

## *Joint Standing Committee on Insurance and Financial Services*

days of the decision. The bill also gives the committee the authority to report out legislation relating to the self-administered plan.

If the Dirigo Health Self-administered Plan is established, the bill requires that the self-administered plan meet the following requirements.

The board may enter into voluntary cooperative agreements with a public purchaser for purchasing and administrative functions only, but requires that the risk pools and reserves of the Dirigo Health Self-administered Plan and any public purchaser not be commingled.

The duties and responsibilities of the board are expanded with regard to the establishment and ongoing management of the self-administered plan. The board must contract for services from actuaries, investment counsel, financial institutions, 3rd-party administrators and any other organization necessary to administer the plan. The bill requires an actuary under contract to the board to determine the appropriate level of reserves and administrative costs for the plan and the amount of stop loss insurance necessary, provide opinions regarding the actuarial soundness of the plan, develop a rate structure for the plan and report annually to the board.

The bill requires the Dirigo Health Self-administered Plan to maintain reserves at least equal to the sum of the amount necessary to pay claims and administrative costs for the assumed risk for 2 1/2 months and the amount determined annually by a qualified actuary to be necessary to fund the unpaid portion of ultimate expected losses and related expenses incurred in the provision of benefits. The bill requires the reserve account to be adjusted on a quarterly basis and to be capitalized from any initial start-up funds transferred into the account by Dirigo Health, monthly enrollee payments, any funds received from any public or private source, legislative appropriations, payments from any state departments or agencies and any other means approved by the Legislature. The bill also authorizes the board to purchase excess or stop loss insurance at attachment limits and levels recommended by a qualified actuary and removes the authority to establish a self-administered plan in the event the board is unable to purchase that insurance.

The bill requires any Dirigo Health Self-administered Plan health benefits coverage provided to be comprehensive and include a low deductible plan option for enrollees in the Dirigo Health Program.

The bill requires the Dirigo Health Self-administered Plan to meet the same requirements of the Maine Insurance Code that would be required by state law if health benefits coverage were provided by a health insurance carrier for community rating, guaranteed issuance, guaranteed renewal, continuity of coverage and mandated benefits.

The bill also requires that the self-administered plan extend the same benefits, rights and protections of the Maine Revised Statutes, Title 24-A, chapter 56-A and Bureau of Insurance Rule Chapter 850, including a limited right to sue the Dirigo Health Self-administered Plan. The bill specifically waives the State's defense of immunity under the Maine Tort Claims Act.

The bill permits licensed insurance producers with health authority to sell the Dirigo Health Program insurance products if the producer meets certain training requirements. Additionally, the bill exempts producers from the appointment requirement solely for purposes of selling the Dirigo Health Program insurance products and holds a carrier underwriting Dirigo Health Program coverage harmless from liability for any actions of such producers.

### **Committee Amendment "A" (H-285)**

This amendment is the majority report of the committee. The amendment clarifies that the Dirigo Health Self-administered Plan must comply with the requirements of the Maine Insurance Code relating to the privacy of insurance information, unfair discrimination against victims of domestic abuse and unfair discrimination on the basis of genetic information or genetic testing in addition to the other requirements included in the bill.

### **Senate Amendment "A" (S-161)**

This amendment clarifies that the Dirigo Health Self-administered Plan may not expend general funds beyond any general funds appropriated to it by the Legislature. This amendment augments the fiscal protections within the bill, which provides that the plan will purchase excess or stop loss insurance and reinsurance, will be subject to actuarial and Bureau of Insurance review and is subject to an annual audit. In the event costs of the plan exceed the budget, the plan will close enrollment.

Senate Amendment "A" to LD 431 was not adopted.

### **Senate Amendment "B" (S-173)**

This amendment clarifies that the Dirigo Health self-administered plan may not expend general funds beyond any general funds appropriated to it by the Legislature. This amendment augments the fiscal protections within the bill, which provides that the plan will purchase excess or stop loss insurance and reinsurance, will be subject to actuarial and Department of Professional and Financial Regulation, Bureau of Insurance review and is subject to an annual audit. The amendment also provides that the plan is under the jurisdiction of the Bureau of Insurance and must comply with all the provisions of the Maine Insurance Code, which is Title 24-A of the Maine Revised Statutes.

Senate Amendment "B" to LD 431 was not adopted.

### **Senate Amendment "C" (S-241)**

This amendment changes the appointing authority for the members of the Board of Trustees of Dirigo Health. The amendment requires the Superintendent of Insurance to complete a detailed review of the financial and actuarial aspects of the self-administered plan. It requires the superintendent to report any findings and recommendations at a public meeting of the joint standing committee of the Legislature having jurisdiction over insurance matters and to the Board of Trustees of Dirigo Health by March 1st of each year. The amendment also protects the General Fund from any impact of this bill.

Senate Amendment "C" to LD 431 was not adopted.

### **Senate Amendment "D" (S-309)**

This amendment changes the appointing authority for the members of the Board of Trustees of Dirigo Health. The amendment requires the Governor to appoint 4 of the 9 voting members from recommendations made by the President of the Senate, the Speaker of the House, the Minority Leader of the Senate and the Minority Leader of the House.

The amendment requires the Superintendent of Insurance to complete a detailed review of the financial and actuarial aspects of the self-administered plan. LD 658 requires health insurance carriers doing business in the State to offer coverage for medically necessary infant formula in individual and group policies, contracts and certificates.

**Committee Amendment "A" (H-598)**

This amendment replaces the bill. While the bill mandates that health insurance carriers offer coverage for medically necessary infant formula, the amendment requires health insurance carriers to provide coverage as a mandated benefit. The amendment requires health insurance policies to cover medically necessary amino acid-based elemental infant formulas, regardless of the delivery method, for the treatment of food protein allergies and intolerances, gastrointestinal disorders and other medically diagnosed conditions in individual and group policies, contracts and certificates. Coverage must be provided for up to \$6,000 per year. The amendment applies to all policies and contracts issued or renewed on or after January 1, 2008.

LD 658 as amended by Committee Amendment "A" was enacted in the House, but placed on the Special Appropriations Table in the Senate. Upon the recommendation of the Joint Standing Committee on Appropriations and Financial Affairs, LD 658 was recommitted to the committee and carried over by joint order, H.P. 1369, to the next special or regular session of the 123rd Legislature.

LD 687 clarifies that a financial institution must recognize an adverse claim to funds in a business account when served with a writ of execution in accordance with the Maine Revised Statutes, Title 14, section 4751. This bill also adds limited liability companies to the enumeration of entities that may have their credits taken on writ of execution.

**Committee Amendment "A" (H-70)**

This amendment changes the title to clarify the bill's intent and makes technical formatting changes to increase the readability of the bill. As in the bill, the amendment clarifies that a financial institution must recognize a writ of execution served on behalf of a creditor with an adverse claim to business accounts held by a financial institution. Under current law, without the clarification, creditors may be required to obtain a court-ordered injunction or

LD 688 is a concept draft pursuant to Joint Rule 208. This bill proposes to make the following changes to the laws governing health insurance and the Dirigo Health Program modeled on recent changes made by the Commonwealth of Massachusetts:

1. It would require that an individual in this State obtain health insurance coverage unless the individual qualifies for coverage under a public plan on the basis of income;
2. It would require all employers in this State with more than 10 full-time employees to offer health insurance coverage to their employees or pay a fair-share assessment to the State in lieu of providing coverage;
3. It would establish the Maine Health Insurance Connector within the Dirigo Health Program to facilitate the purchase of health insurance by individuals in this State through a pretax payroll deduction mechanism; and
4. It would merge the individual and small group health insurance markets for rating purposes.

LD 904 makes a number of technical and supervisory changes to the banking laws.

1. It permits the Superintendent of Financial Institutions to designate more than one deputy superintendent. This authority would not add to the Bureau of Financial Institutions' headcount or change existing job classifications. It allows the superintendent to designate deputy superintendents with specific areas of expertise to assist in carrying out the mission of the bureau.
2. It requires that troubled financial institutions obtain approval from the superintendent before adding or replacing a member of the board of directors or governing body or employing or changing the duties of a senior executive officer.
3. It moves the requirement in the section of law regarding holding companies to the section of law regarding anticompetitive and unfair practices for the Superintendent of Financial Institution's approval for any financial institution, financial institution holding company, foreign bank or foreign bank holding company to acquire control of all or part of a financial institution if the acquiring institution would hold more than 30% of total deposits in the State.
4. It requires notice to the Superintendent of Financial Institutions when a state-chartered financial institution seeks to convert to a federally chartered financial institution.
5. It requires notice to the Superintendent of Financial Institutions when a state-chartered financial institution seeks to merge, consolidate with or acquire a federally chartered financial institution. It removes the requirement that the superintendent approve the transaction if the transaction is approved by a federal regulator and the resulting institution is federally chartered.
6. It clarifies that proxy voting on credit union mergers is permissible.
7. It requires notice to the Superintendent of Financial Institutions when a state-chartered credit union seeks to convert to a federally chartered credit union.

LD 1028 makes the following changes to the Dirigo Health Act.

The bill ends the terms of current members of the Board of Directors of Dirigo Health on September 30, 2007 and requires that the terms of new members be staggered. The bill retains the 5-member board but requires that 2 of the 5 members be elected by Dirigo plan enrollees by written ballot. The bill also adds 2 nonvoting members appointed by the Governor to represent labor and consumer advocacy interests.

# *Joint Standing Committee on Insurance and Financial Services*

The bill clarifies that the joint standing committee of the Legislature having jurisdiction over insurance and financial services matters is the committee of jurisdiction over Dirigo Health. The bill requires the joint standing committee of the Legislature having jurisdiction over insurance and financial services matters to review the Dirigo Health budget and make recommendations to the joint standing committee of the Legislature having jurisdiction over appropriations and financial affairs. The bill also requires that Dirigo Health be subject to review under the State Government Evaluation Act in 2008.

The bill provides that all carriers licensed to transact health insurance in this State may offer health insurance plans eligible for subsidy under the Dirigo Health Program if the plan is comparable to the prototype for a health benefits package developed by Dirigo Health and certified by the Superintendent of Insurance.

The bill limits eligibility for Dirigo Health Program coverage to employers and individuals who did not have prior health insurance coverage for 6 months. The bill also requires that Dirigo Health apply an asset limit that is 3 times the limits applied by MaineCare to determine eligibility for subsidies in addition to the requirement that an individual's income be under 300% of the federal poverty level. The bill clarifies that the amount of the subsidy individuals enrolled in Dirigo Health receive is not included as income for the purposes of determining eligibility for MaineCare. The bill requires that the subsidies be applied only to the premium cost for Dirigo Health Program coverage.

The bill repeals the savings offset payment as the source of funding for subsidies for the Dirigo Health Program and instead appropriates \$15,000,000 from the General Fund to support subsidies. The bill requires an annual transfer from General Fund undedicated revenue to permit subsidies. The bill also prohibits any funds collected by Dirigo Health from being used as the state share for an individual directly enrolled in MaineCare.

VAUGHAN	Taken pursuant to JR 309	

LD 1047 does the following.

Part A repeals the guaranteed issuance and community rating law for individual health plans effective April 1, 2008 and allows carriers to treat their pre-April 1, 2008 book of business separately from their post-April 1, 2008 book of business. It makes changes to the continuity of coverage laws to allow underwriting when someone switches carriers in the individual market. Part A creates a high-risk pool in the individual health insurance market called the Comprehensive Health Insurance Risk Pool Association. The purpose of the association is to spread the cost of high-risk individuals among all health insurers. The bill funds the high-risk pool through an assessment on insurers. An individual insured through the high-risk pool may be charged a premium up to 150% of the average premium rates charged by carriers for similar health insurance plans. The bill requires the State to submit an application to

the Federal Government for federal assistance to create a high-risk pool.

Part A also removes the requirement that carriers offer standardized plans as defined in Bureau of Insurance Rule Chapter 750 in the individual market.

Part B repeals the community rating law for small group health plans effective January 1, 2009 and enacts in its place provisions governing the rating of small group health plans based on a model act from the National Association of Insurance Commissioners.

Part C allows a health maintenance organization to offer health plans that do not comply with geographic access standards if the health maintenance organization also offers health plans that comply with those access standards or offers a fee-for-service health plan.

Part D repeals the statutory provisions governing the State Health Plan and Certificate of Need.

Part E requires the Department of Professional and Financial Regulation, Bureau of Insurance to conduct a study of the State's rate and form filing laws and make recommendations for changes to reduce the costs and resources expended by health insurance carriers seeking regulatory approval of new health insurance products.

le of the State. All residents and nonresidents who maintain significant contact with the State are eligible for covered health care services through the Maine Health Care Plan. The plan is funded by the Maine Health Care Trust Fund, a dedicated fund receiving payments from employers, individuals and plan members and, after fiscal year 2007, from the 5¢ per package increase in the cigarette tax. The Maine Health Care Plan provides a range of benefits, including hospital services, health care services from participating providers, laboratories and imaging procedures, home health services, rehabilitative services, prescription drugs and devices, mental health services, substance abuse treatment services, dental services, vision appliances, medical supplies and equipment and hospice care. Health care services under the Maine Health Care Plan are provided by participating providers in organized delivery systems and through the open plan, which is available to all providers. The plan is supplemental to other health care programs that may be available to plan members, such as Medicare, Medicaid, the federal Civilian Health and Medical Program of the Uniformed Services, the federal Indian Health Care Improvement Act and workers' compensation.

It establishes the Maine Health Care Agency to administer and oversee the Maine Health Care Plan, to act under the direction of the Maine Health Care Council and to administer and oversee the Maine Health Care Trust Fund. The Maine Health Care Council is the decision-making and directing council for the agency and is composed of 3 full-time appointees.

It directs the Maine Health Care Agency to establish programs to ensure quality, affordability, efficiency of care and health planning. The agency health planning program includes the establishment of global budgets for health care expenditures for the State and for institutions and hospitals. The health planning program also encompasses the certificate of need responsibilities of the agency pursuant to the Maine Revised Statutes, Title 22, chapter 103-A and the health planning responsibilities pursuant to Title 2, chapter 5.

It contains a directive to the State Controller to advance \$400,000 to the Maine Health Care Trust Fund on the effective date, January 1, 2008. This amount must be repaid by the Maine Health Care Agency by June 30, 2009.

Part B of the bill establishes the Maine Health Care Plan Transition Advisory Committee. Composed of 20 members, appointed and subject to confirmation, the committee is charged with holding public hearings, soliciting public comments and advising the Maine Health Care Agency on the transition from the current health care system to the Maine Health Care Plan. Members of the committee serve without compensation but may be reimbursed for their expenses. The committee is directed to report to the Governor and to the Legislature on July 1, 2008, January 1, 2009, July 1, 2009 and December 31, 2009. The committee completes its work on December 31, 2009.

Part C of the bill establishes the salaries of the members of the Maine Health Care Council and the executive director of the Maine Health Care Agency.

Part D of the bill prohibits the sale on the commercial market of health insurance policies and contracts that duplicate the coverage provided by the Maine Health Care Plan. It allows the sale of health care policies and contracts that do not duplicate and are supplemental to the coverage of the Maine Health Care Plan.

Part E of the bill imposes a 5¢ per package increase in the cigarette tax beginning December 1, 2007. Proceeds from the cigarette tax increase are paid to the Maine Health Care Trust Fund.

Part F of the bill directs the Maine Health Care Agency to ensure employment retraining for administrative workers employed by insurers and providers who are displaced by the transition to the Maine Health Care Plan. It directs the Maine Health Care Agency to study the delivery and financing of long-term care services to plan members. Consultation is required with the Maine Health Care Plan Transition Advisory Committee, representatives of consumers and potential consumers of long-term care services and representatives of providers of long-term care services, employers, employees and the public. A report by the agency to the joint standing committee of the Legislature having jurisdiction over health and human services matters is due January 1, 2009.

## Joint Standing Committee on Insurance and Financial Services

The Maine Health Care Agency is directed to study the provision of health care services under the MaineCare, Medicaid and Medicare programs, waivers, coordination of benefit delivery and compensation, reorganization of State Government necessary to accomplish the objectives of the Maine Health Care Agency and legislation needed to carry out the purposes of the bill. The agency is directed to apply for all waivers required to coordinate the benefits of the Maine Health Care Plan and the Medicaid and Medicare programs. A report by the agency is due to the joint standing committee of the Legislature having jurisdiction over health and human services matters by March 1, 2008.

CROCKETT	OTP-AM	H-353

LD 1262 amends the Maine Insurance Code by replacing the current provisions regarding property and casualty actuarial opinions on insurer reserves with the model legislation adopted by the National Association of Insurance Commissioners. The bill requires the filing of the statement of actuarial opinion, the actuarial report supporting the opinion and the actuarial opinion summary by domestic insurers, excluding domestic mutual property insurers.

The bill also provides immunity to a qualified actuary for damages to persons other than the Superintendent of Insurance or a property and casualty insurance company for any act, error, omission, decision or conduct with respect to the actuary's opinion, except in cases of fraud or willful misconduct.

## Committee Amendment "A" (H-353)

This amendment clarifies that a qualified actuary is not immune from liability for damages to persons other than the Superintendent of Insurance or a property and casualty insurance company in cases of reckless disregard. The amendment also clarifies language relating to the public disclosure and confidentiality of certain documents.

LD 1262, as amended, was reviewed and evaluated by the Joint Standing Committee on Judiciary pursuant to Maine Revised Statutes, Title 1, section 434, which requires review and evaluation of new exceptions to laws governing public records.

## Enacted Law Summary

Public Law 2007, chapter 281 amends the Maine Insurance Code by replacing the current provisions regarding property and casualty actuarial opinions on insurer reserves with the model legislation adopted by the National Association of Insurance Commissioners. The law requires domestic insurers, excluding domestic mutual property insurers, to file the statement of actuarial opinion, the actuarial report supporting the opinion and the actuarial opinion summary with the Superintendent of Insurance. The law designates the statement of actuarial opinion as a public record, but otherwise designates the actuarial report, actuarial opinion summary and other documents

necessary.

6. It requires that rates not be approved unless certain standards are met and supported by evidence in the record.
7. It requires that carriers provide demonstrable proof and quantify the amount of any recovery of the savings offset payment through negotiations with health care providers as part of rate filings.
8. It increases the minimum loss ratios for individual and small group health plans and requires carriers to refund to policyholders the difference between the required loss ratio and the achieved loss ratio in instances when the carrier does not meet the minimum standards.
9. It repeals the exclusivity provision regarding an enrollee's right to sue under the Maine Revised Statutes, Title 24-A, chapter 56-A.

### **Committee Amendment "A" (H-512)**

This amendment is the minority report of the committee and replaces the bill. The amendment does the following.

1. It retains the provision of the bill that increases the time period for advance notice of rate increases and rate changes to policyholders from 60 to 90 days.
2. It requires that individual and small group rates be filed and approved by the Superintendent of Insurance.
3. It authorizes the Attorney General to request that a hearing be held for an individual or small group rate filing. If a hearing is held, the Attorney General is authorized to contract for actuarial consultants, with the costs of the consultants up to \$50,000 paid by the insurer. If the Attorney General or another party has not intervened, the amendment requires the Bureau of Insurance to appoint an advocacy panel to represent consumers in a rate hearing, with the costs of the panel to be paid by the insurer.
4. It clarifies that all rate filings and information and documentation used to support the filings, except for information relating to contracts between an insurer and a 3rd party, are public records and may be disclosed to the public.
5. It retains the provision of the bill that changes the standard of review that rates not be excessive to the standard that rates be reasonable and necessary.
6. It retains the provision of the bill that requires that rates not be approved unless certain standards are met and supported by evidence in the record.
7. It requires the Bureau of Insurance to develop consumer publications using the Office of the Public Advocate's Ratewatcher publication as a model and directs that a link to the Bureau of Insurance be added to the office's website.
8. It adds an appropriations and allocations section to reflect the costs to the Bureau of Insurance associated with the amendment.
9. It corrects cross-references to repealed law.

LD 1489 does the following.

It prohibits the use of binding consumer arbitration agreements unless permitted under federal law.

It requires that consumer arbitration agreements contain specific disclosures related to the costs and fees of arbitration.

It imposes reporting requirements on arbitration service providers.

It prohibits the imposition of the costs of the opposing party if the consumer does not prevail in the arbitration and requires the arbitration provider to waive fees upon request or if the consumer is indigent.

It prohibits an arbitration service provider from conducting an arbitration if the provider has a financial interest in a party or legal representative of a party to the arbitration or if a party or legal representative of a party has a financial interest in the arbitration.

It preserves certain legal rights of a party when entering into a binding arbitration agreement.

It prohibits the use of mandatory binding arbitration clauses in insurance contracts.

Part A corrects a redundancy made by prior revisions to the rate-making law.

Part B amends the rate-filing law to require the Department of Professional and Financial Regulation, Bureau of Insurance to act on electronic filings within 30 days.

Part C makes a variety of changes to the cancellation statutes. It amends the definition of "renewal" in the casualty insurance laws by adding language concerning affiliates that the Legislature added to the property insurance law in 2005. It adds to the laws governing cancellation of commercial policies covering physical damage the Maine Automobile Insurance Cancellation Control Act's requirement that the loss payee receive notice of cancellation or nonrenewal. It amends the Maine Automobile Insurance Cancellation Control Act to correct a typographical error in the definition of "policy" and to improve clarity by moving affiliate language from the statute governing cancellation to the statute governing notice of intent not to renew.

Part C also corrects technical errors in the property insurance law. It also amends laws governing property insurance cancellation control to be consistent in excepting policies that have been in effect for less than 90 days, to add to personal policies the requirement that a mortgagee receive notice of cancellation, to move a provision concerning affiliate renewal from the statute governing delivery of cancellation notice to the statute governing notice of intention not to renew.

### **Enacted Law Summary**

Public Law 2007, chapter 188 makes the following changes to clarify and update the laws related to property and casualty insurance.

The law corrects a redundancy made by prior revisions to the rate-making law.

The law amends the rate-filing law to require the Department of Professional and Financial Regulation, Bureau of Insurance to act on electronic filings within 30 days.

The law makes a variety of changes to the cancellation statutes. It amends the definition of "renewal" in the casualty insurance laws by adding language concerning affiliates that the Legislature added to the property insurance law in 2005. It adds to the laws governing cancellation of commercial policies covering physical damage the Maine Automobile Insurance Cancellation Control Act's requirement that the loss payee receive notice of cancellation or nonrenewal. It amends the Maine Automobile Insurance Cancellation Control Act to correct a typographical error in the definition of "policy" and to improve clarity by moving affiliate language from the statute governing cancellation to the statute governing notice of intent not to renew.

The law also corrects technical errors in the property insurance law. It amends laws governing property insurance cancellation control to be consistent in excepting policies that have been in effect for less than 90 days, to add to personal policies the requirement that a mortgagee receive notice of cancellation, to move a provision concerning affiliate renewal from the statute governing delivery of cancellation notice to the statute governing notice of intention not to renew.

published in December 2004 to clarify the federal Health Insurance Portability and Accountability Act of 1996. It also provides that a waiting period in a small group health plan includes a period between the time a substantially complete application is filed and the time the coverage takes effect.

Part B requires that second level appeals of health insurance claims be completed within 30 days when the insured has not requested the opportunity to appear in person before authorized representatives of the health carrier. It also clarifies that provisions of the health plan improvement laws applying to carriers offering health plans apply to carriers renewing health plans even if the plans are no longer sold.

Part C amends the list of exceptions to the law concerning guaranteed renewal of individual health insurance to include withdrawal from the market.

Part D amends the law concerning continuity of health insurance to clarify that it applies to blanket coverage.

Part E clarifies that a life and health insurer can be licensed to issue health maintenance organization contracts.

Part F clarifies the law requiring notice of group health termination.

Part G clarifies the law regarding permissible limitations on coverage of preexisting conditions in specified disease policies.

### **Committee Amendment "A" (H-234)**

This amendment clarifies the law relating to participation requirements at renewal of a policy to make it consistent with the law relating to participation requirements at the time a policy is issued. The amendment extends for 2 years the provision allowing financial incentives under Bureau of Insurance Rule Chapter 850. The amendment also corrects grammatical and punctuation errors.

## LD 1514 An Act To Require Health Insurance Coverage for Hearing Aids

PUBLIC 452

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
SULLIVAN	OTP-AM MAJ ONTP MIN	S-265 S-371 ROTUNDO

LD 1514 requires health insurance policies, contracts and certificates to provide coverage for hearing aids for persons under 21 years of age whose hearing loss has been documented by a physician or licensed audiologist. The provisions of this bill apply to all policies, contracts and certificates issued or renewed on or after January 1, 2008.

### Committee Amendment "A" (S-265)

This amendment replaces the bill. The amendment requires health insurance policies, contracts and certificates to provide coverage for hearing aids for persons 18 years of age and under. The amendment allows insurance policies to limit coverage to \$1,400 per hearing aid every 36 months. The bill would have required coverage for hearing aids for persons under 21 years of age without limits on the amount of coverage.

The amendment also adds an appropriations and allocations section to the bill.

### Senate Amendment "A" (S-371)

This amendment makes changes to Committee Amendment "A" to require health insurance policies, contracts and certificates issued or renewed on or after January 1, 2008 to provide coverage for hearing aids for persons from birth to 5 years of age, beginning January 1, 2008; for persons from 6 to 13 years of age, beginning January 1, 2009; and for persons from 14 to 18 years of age, beginning January 1, 2010.

The amendment also replaces the appropriations and allocations section to reflect the changes in required funding as a result of the amendment.

### Enacted Law Summary

Public Law 2007, chapter 452 requires health insurance policies, contracts and certificates to provide coverage for hearing aids for persons from birth to 5 years of age, beginning January 1, 2008; for persons from 6 to 13 years of age, beginning January 1, 2009; and for persons from 14 to 18 years of age, beginning January 1, 2010. The law allows health insurance policies to limit coverage to \$1,400 per hearing aid every 36 months.

## *Joint Standing Committee on Insurance and Financial Services*

Part A of LD 1517 permits out-of-state health insurers, which are referred to as regional insurers in the bill, to offer their individual or group health plans for sale in this State if certain requirements of Maine law are met, including minimum capital and surplus and reserve, disclosure and reporting and grievance procedures. The bill defines the out-of-state health insurers as those insurers authorized to transact individual or group health insurance in one of the following states or jurisdictions: Connecticut, Massachusetts, New Hampshire, Rhode Island, Vermont, Delaware, Maryland, New Jersey, New York, Pennsylvania or the District of Columbia. It also permits Maine health insurers to offer individual health plans of out-of-state parent or subsidiary health insurers if similar requirements are met. If out-of-state health plans are offered for sale in this State, the bill requires that prospective enrollees be provided adequate disclosure of how the plans differ from Maine health plans in a format approved by the Superintendent of Insurance.

Part B of the bill repeals the statutory provisions governing the Capital Investment Fund and certificate of need. The bill takes effect January 1, 2008.

### **Committee Amendment "A" (S-261)**

This amendment is the minority report of the committee. The amendment clarifies that the bill's provisions apply to the sale of individual and small group health plans. The amendment clarifies that the regional insurer must be domiciled and licensed to transact health insurance in the states listed in the bill. The amendment also clarifies the provision relating to the participation of a regional insurer in the guaranty association.

The amendment removes Part B of the bill, which proposed to repeal the statutory provisions governing the Capital Investment Fund and Certificate of Need.

Committee Amendment "A" was not adopted.

LD 1659 establishes a high-risk pool in the individual health insurance market called the Comprehensive Health Insurance Risk Pool Association. The purpose of the association is to spread the cost of high-risk individuals among all health insurers. The bill funds the high-risk pool through an assessment on insurers. An individual insured through the high-risk pool may be charged a premium up to 150% of the average premium rates charges by carriers for similar health insurance plans. The bill requires the State to submit an application to the Federal Government for federal assistance to create a high-risk pool. The bill also removes the guaranteed issuance requirement for individual health plans, effective January 1, 2008.

The bill also broadens the community rating laws to allow carriers to vary premiums on the basis of age within a maximum rate differential from highest to lowest on a ratio of 4 to one and on the basis of health status and tobacco use within a maximum rate differential from highest to lowest on a ratio of 1.5 to one.

### Committee Amendment "A" (H-511)

This amendment replaces the bill. The amendment creates a separate article in the Maine Consumer Credit Code to differentiate the activities of legal funding companies from lenders or creditors. The amendment does the following.

1. It establishes a registration requirement for legal funding companies.
2. It incorporates disclosure and operational provisions that legal funding companies are currently complying with in other states.
3. It limits to 42 months the period for which fees may be charged to a consumer and requires that fees be assessed only on amounts actually retained by the consumer.
4. It permits semiannual compounding of interest and prohibits the compounding of interest for any lesser period of time.
5. It prohibits the use of mandatory arbitration clauses in contracts.
6. It establishes enforcement provisions based on those now applied to consumer creditors and lenders.
7. It requires an annual report to the joint standing committee of the Legislature having jurisdiction over insurance and financial services matters on the status of legal funding in this State. As part of the first annual report submitted by March 1, 2009, the Director of the Office of Consumer Credit Regulation within the Department of Professional and Financial Regulation is required to review and evaluate the annual percentage fees charged to consumers and assess whether a cap on the maximum annual percentage fee is necessary. The amendment authorizes the joint standing committee to submit legislation to implement a cap to the 124th Legislature.

LD 1760 establishes a reinsurance high-risk pool for the individual health insurance market called the Maine Individual High-risk Reinsurance Pool, which is modeled on a similar reinsurance pool in the state of Idaho. The bill modifies the guaranteed issuance law to require all individual health insurance carriers to guarantee coverage under health plans approved by the Maine Individual High-risk Reinsurance Pool. The bill requires health maintenance organizations to pay an assessment of 2% of premiums to partially support the costs of the reinsurance pool. The remaining costs of the pool are funded through reinsurance premiums paid by participating carriers. The bill provides reimbursement to carriers for individuals insured through the high-risk reinsurance pool for 90% of claims between \$5,000 and \$25,000 and 100% of claims incurred over \$25,000.

The bill also expands the community rating bands in the individual health insurance market to allow a maximum rate differential from highest to lowest of 5 to 1 on the basis of age, occupation and industry or geographic area and a maximum rate differential from highest to lowest of 1.5 to 1 on the basis of health status or tobacco use.

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
CUMMINGS DOW	OTP-AM	H-354

## *Joint Standing Committee on Insurance and Financial Services*

LD 1869 makes significant changes to current Maine law relating to residential mortgage loans and permissible high-rate, high-fee mortgages. The bill updates and amends current law to address predatory and abusive lending practices and to provide additional protections for Maine consumers.

With regard to the making of residential mortgage loans, the bill includes the following provisions.

1. It lowers the threshold for fees that can be charged in connection with certain residential home mortgage loans from 8% of the total loan amount to 5% or 6% based upon the total loan amount.
2. It prohibits creditors from recommending or encouraging default on an existing loan in connection with the closing or planned closing on a refinancing.
3. It prohibits creditors from "flipping" loans, which means the refinancing of a loan with no tangible net benefit to the borrower.
4. It places restrictions on the imposition of late payment fees or penalties.
5. It prohibits creditors from financing premiums or payments for credit insurance or debt cancellation agreements as part of the loan.
6. It prohibits the inclusion of a provision in mortgage loan contracts that permits the creditor, in its sole discretion, to accelerate the indebtedness.
7. It prohibits creditors from charging a fee to receive the amount of the payoff balance for a loan or to receive a release upon prepayment and also requires creditors to provide a payoff balance as required by law.
8. It requires that creditors have a reasonable belief at the time of closing that the borrower has the financial ability to make the scheduled payments on the loan.

With regard to the making of high-rate, high-fee mortgages, the bill includes the following provisions.

1. It requires that, before making the loan, creditors receive certification that a borrower has received counseling on the advisability of such a loan from a 3rd-party, nonprofit organization approved by the federal housing agency, a state housing financing agency or the state regulatory agency with jurisdiction over the creditor.
2. It prohibits creditors from financing any points or fees in connection with the loan.
3. It prohibits the inclusion of prepayment penalties or fees.
4. It prohibits scheduled payments more than twice as large as the average of earlier scheduled payments unless the payment schedule is adjusted according to the seasonal or irregular income of a borrower.
5. It prohibits payment terms under which outstanding principal or accrued interest will increase at any time because the scheduled payments do not cover the full amount of interest due.
6. It prohibits loan terms that increase the interest rate following a default.
7. It prohibits terms under which more than 2 periodic payments are consolidated and paid in advance from loan proceeds provided to the borrower.
8. It prohibits fees in connection with the modification of the loan or deferral of payments under the terms of the loan.

## *Joint Standing Committee on Insurance and Financial Services*

9. It requires certain disclosures related to the purchase or assignment of high-rate, high-fee mortgages and the effect on claims and defenses available to the borrower. The bill makes purchasers or assignees of high-rate, high-fee mortgages subject to all affirmative claims and any defenses that a borrower can assert against the creditor that originated the loan, except claims that the creditor did not have a reasonable belief at closing that the borrower had the financial ability to make scheduled payments, unless certain requirements are satisfied by the purchaser or assignee of the mortgage.

10. It prohibits creditors from paying a contractor for home improvements from the proceeds of a high-rate, high-fee mortgage unless the payment instrument is payable jointly to the borrower and the contractor or paid to an escrow account and the creditor has received proof that the home repairs are completed.

The bill requires that a consumer be specifically notified if a prepayment penalty provision is added to the consumer's mortgage note just before closing.

The bill applies consumer protections to so-called "piggy-back" loans, which are second-lien mortgages used in conjunction with first-lien loans to purchase real estate. This bill prohibits lenders and loan brokers from facilitating submission of false credit application information by a consumer.

The bill regulates the sale and issuance of rate locks by lenders and brokers.

The bill prohibits inclusion of contradictory information about prepayment penalties in a consumer's closing package.

The bill requires disclosure to a consumer of any yield spread premium to be paid to a loan broker by a lender.

The bill prevents unfair or deceptive practices with respect to trigger leads derived from consumers' credit reports.

The bill increases the accountability of lenders and loan brokers operating across state lines by permitting state mortgage regulators to participate in a uniform automated nationwide mortgage licensing system once the system is developed and implemented.

The bill adds 2 positions, an investigator and a staff attorney, within the Office of Consumer Credit Regulation, to implement the provisions.

The bill makes creditors who violate the provisions enacted in the bill subject to monetary penalties and enforcement by the Department of Professional and Financial Regulation, Bureau of Financial Institutions, the Office of Consumer Credit Regulation as well as the Attorney General for entities regulated by the Office of Consumer Credit Regulation. The bill also gives borrowers the right to bring a private court action against creditors for violations and to recover statutory, actual and punitive damages.

The bill applies to all residential mortgage loans and high-rate, high-fee mortgages made in connection with residential property located in this State.

The bill takes effect January 1, 2008, except for the provision establishing 2 positions in the Office of Consumer Credit Regulation, which takes effect 90 days after adjournment.

### **Committee Amendment "A" (H-354)**

This amendment does the following.

1. It clarifies that implementation of the multistate licensing system must reflect principles agreed upon by the Conference of State Bank Supervisors and the American Financial Services Association.

## *Joint Standing Committee on Insurance and Financial Services*

2. It clarifies that records provided to the administrator that are confidential must be maintained as confidential and not disclosed except as authorized.
3. It clarifies that construction loans are excluded from the definition of "residential mortgage loan."
4. It adds a definition of "subprime mortgage loan."
5. It clarifies that counseling organizations must be approved by the United States Department of Housing and Urban Development, the Maine State Housing Authority or the Department of Professional and Financial Regulation, Bureau of Consumer Credit Protection.
6. It requires rulemaking to further define tangible net benefit before January 1, 2008.
7. It clarifies that the provision requiring a creditor to determine a borrower's reasonable ability to pay before making a loan applies only to subprime mortgage loans.
8. It clarifies that a borrower must pay the reasonable costs of the lender incurred before cure of default.
9. It clarifies that assignees or purchasers of loans are not subject to the violations provision except as specifically provided.
10. It clarifies that punitive damages are permitted for violations of the high-rate, high-fee mortgage provisions or the flipping provision when the violation is malicious or reckless.
11. It excludes residential mortgage loans from potential criminal liability and clarifies that fines and terms of imprisonment for violations of the bill's provisions are in accordance with the Maine Revised Statutes, Title 17-A.
12. It requires the Superintendent of Consumer Credit Protection to report annually to the Legislature.
13. It adds a requirement of good faith and fair dealing on loan brokers.
14. It establishes the Bureau of Consumer Credit Protection to replace the current Office of Consumer Credit Regulation within the Department of Professional and Financial Regulation.

LD 1869, as amended, was reviewed and evaluated by the Joint Standing Committee on Judiciary pursuant to Maine Revised Statutes, Title 1, section 434, which requires review and evaluation of new exceptions to laws governing public records.

### **Enacted Law Summary**

Public Law 2007, chapter 273 makes significant changes to current Maine law relating to residential mortgage loans and permissible high-rate, high-fee mortgages. The law updates and amends current law to address predatory and abusive lending practices and to provide additional protections for Maine consumers.

With regard to the making of residential mortgage loans, the law includes the following provisions.

It clarifies that construction loans are excluded from the definition of "residential mortgage loan."

It lowers the threshold for fees that can be charged in connection with certain residential home mortgage loans from 8% of the total loan amount to 5% or 6% based upon the total loan amount.

It prohibits creditors from recommending or encouraging default on an existing loan in connection with the

ing or planned closing on a refinancing.

It prohibits creditors from "flipping" loans, which means the refinancing of a loan with no tangible net benefit to the borrower. It also requires rulemaking to further define net tangible benefit before January 1, 2008.

It places restrictions on the imposition of late payment fees or penalties.

It prohibits creditors from financing premiums or payments for credit insurance or debt cancellation agreements as part of the loan.

It prohibits the inclusion of a provision in mortgage loan contracts that permits the creditor, in its sole discretion, to accelerate the indebtedness.

It prohibits creditors from charging a fee to receive the amount of the payoff balance for a loan or to receive a release upon prepayment and also requires creditors to provide a payoff balance as required by law.

It requires that creditors have a reasonable belief at the time of closing on a subprime mortgage loan that the borrower has the financial ability to make the scheduled payments on the loan.

With regard to the making of high-rate, high-fee mortgages, the law includes the following provisions.

1. It requires that, before making the loan, creditors receive certification that a borrower has received counseling on the advisability of such a loan from a 3rd-party, nonprofit organization approved by the United States Department of Housing and Urban Development, the Maine State Housing Authority or the Department of Professional and Financial Regulation, Bureau of Consumer Credit Protection.
2. It prohibits creditors from financing any points or fees in connection with the loan.
3. It prohibits the inclusion of prepayment penalties or fees.
4. It prohibits scheduled payments more than twice as large as the average of earlier scheduled payments unless the payment schedule is adjusted according to the seasonal or irregular income of a borrower.
5. It prohibits payment terms under which outstanding principal or accrued interest will increase at any time because the scheduled payments do not cover the full amount of interest due.
6. It prohibits loan terms that increase the interest rate following a default.
7. It prohibits terms under which more than 2 periodic payments are consolidated and paid in advance from loan proceeds provided to the borrower.
8. It prohibits fees in connection with the modification of the loan or deferral of payments under the terms of the loan.
9. It requires certain disclosures related to the purchase or assignment of high-rate, high-fee mortgages and the effect on claims and defenses available to the borrower. The law makes purchasers or assignees of high-rate, high-fee mortgages subject to all affirmative claims and any defenses that a borrower can assert against the creditor that originated the loan, except claims that the creditor did not have a reasonable belief at closing that the borrower had the financial ability to make scheduled payments, unless certain requirements are satisfied by the purchaser or assignee of the mortgage.
10. It prohibits creditors from paying a contractor for home improvements from the proceeds of a high-rate, high-fee

## *Joint Standing Committee on Insurance and Financial Services*

mortgage unless the payment instrument is payable jointly to the borrower and the contractor or paid to an escrow account and the creditor has received proof that the home repairs are completed.

The law requires that a consumer be specifically notified if a prepayment penalty provision is added to the consumer's mortgage note just before closing.

The law applies consumer protections to so-called "piggy-back" loans, which are second-lien mortgages used in conjunction with first-lien loans to purchase real estate. This law prohibits lenders and loan brokers from facilitating submission of false credit application information by a consumer.

The law regulates the sale and issuance of rate locks by lenders and brokers.

The law prohibits inclusion of contradictory information about prepayment penalties in a consumer's closing package.

The law requires disclosure to a consumer of any yield spread premium to be paid to a loan broker by a lender.

The law prevents unfair or deceptive practices with respect to trigger leads derived from consumers' credit reports.

The law adds a requirement of good faith and fair dealing on loan brokers.

The law increases the accountability of lenders and loan brokers operating across state lines by permitting state mortgage regulators to participate in a uniform automated nationwide mortgage licensing system once the system is developed and implemented.

The law makes creditors who violate the provisions enacted in the law subject to monetary penalties and enforcement by the Department of Professional and Financial Regulation, Bureau of Financial Institutions, the Office of Consumer Credit Regulation as well as the Attorney General for entities regulated by the Office of Consumer Credit Regulation, except for assignees or purchasers of loans. The law also gives borrowers the right to bring a private court action against creditors for violations and to recover statutory, actual and punitive damages. Punitive damages are permitted for violations of the high-rate, high-fee mortgage provisions or the flipping provision when the violation is malicious or reckless. The law excludes creditors who make residential mortgage loans from potential criminal liability and clarifies that fines and terms of imprisonment for violations of the law's provisions are in accordance with the Maine Revised Statutes, Title 17-A.

The law applies to all residential mortgage loans and high-rate, high-fee mortgages made in connection with residential property located in this State.

The law establishes the Bureau of Consumer Credit Protection to replace the current Office of Consumer Credit Regulation within the Department of Professional and Financial Regulation and adds 2 new positions, an investigator and a staff attorney.

Public Law 2007, chapter 273 takes effect January 1, 2008, except for the provisions establishing the Bureau of Consumer Credit Protection and the 2 new positions, which take effect 90 days after adjournment.

LD 1890 An Act To Make Health Care Affordable, Accessible and Effective for All

DIED ON  
ADJOURNMENT

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
PINGREE	OTP-AM A OTP-AM B OTP-AM C	

LD 1890 does the following.

Part A requires all insurance carriers to offer a discount on premiums for nonsmokers and requires insurance carriers in the small and large group markets to offer a discount on premiums for participants in workplace wellness programs. This Part directs Dirigo Health's Maine Quality Forum to develop certification standards for eligible workplace wellness programs.

Part B clarifies that all rate filings, as well as information and documentation used to support the filings, are public records. It also requires that carriers provide demonstrable proof and quantify the amount of any recovery of the savings offset payment until repealed or the surcharge through negotiations with health care providers as part of the filing.

Part C requires a medical loss ratio of 78% in the individual market and requires approval from the Department of Professional and Financial Regulation, Bureau of Insurance for all rate filings in the small group market. This Part also requires carriers to refund the amount of the premium above the amount necessary to achieve a 78% loss ratio to policyholders in both the individual and small group markets.

Part D extends the provision allowing carriers to lower premium costs by including financial incentives to members to use designated providers and gives the Superintendent of Insurance the authority to develop a financial incentive pilot program that allows companies to offer products in which consumers can choose to travel further for cost savings and better quality.

Part E establishes a reinsurance plan for the individual health insurance market, effective January 2009. It preserves guaranteed issue, keeps all people in the same pool and provides reinsurance for all claims above a certain limit, reducing the community rate in the individual insurance market. It requires that all insurers in the individual market offer a plan that includes a \$1,000 deductible, a prescription drug benefit not subject to a deductible and the option of no lifetime benefit maximum. It expands individual insurance market community rating bands for age and geography to plus or minus 33% in 2008; in 2009, when the reinsurance program becomes effective, the bands may be adjusted to plus or minus 50% and by an additional 10% upward for variation in health status. If individual insurance market savings are not achieved in the rate-filings submitted by insurers to the Bureau of Insurance by September 1, 2008, the 2009 rating expansions and the law establishing the individual reinsurance plan will not go into effect.

Part E also provides that health maintenance organizations are subject to the tax imposed on insurance premiums beginning October 1, 2007, with 85% of the resulting revenue dedicated to the Dirigo Health Program for one year and then to the individual reinsurance plan in the Maine Revised Statutes, Title 24-A, chapter 54. The reinsurance program is also financed in part by reinsurance premiums paid by insurers in the individual market. Beginning October 1, 2007, health maintenance organizations will not be subject to the corporate income tax. This Part also amends the Maine corporate income tax law to provide that income received by an insurance company from a health maintenance organization that is not separately organized is also not subject to the corporate income tax.

Part F makes permanent, beginning on or after July 1, 2008, the temporary voluntary cost containment targets on

## *Joint Standing Committee on Insurance and Financial Services*

hospital consolidated operating margins and cost increases, which were initiated in Public Law 2003, chapter 469, Part F, section 1 and which otherwise would expire.

Part G allows Dirigo Health to administer grants and other subsidies to strengthen the State's health care quality improvement infrastructure.

Part H allows persons who become eligible for premium assistance through MaineCare to enroll in their employer's group health care plan outside of the annual open enrollment period in order to allow MaineCare to pay eligible employees' premiums.

Part I establishes a health care shared responsibility program to require certain employers and individuals who do not offer or take up health insurance to pay a fee toward coverage of the uninsured. This Part directs Dirigo Health, in consultation with representatives from the business, labor, economic development, taxation, consumer, insurance and health care communities along with other interested stakeholders, to adopt major substantive rules to implement this program and to address the concerns for affordability and fairness and the impact on the business climate.

Part J disallows employers from counting MaineCare enrollees for purposes of determining the 75% of workforce eligibility for small group health plans, including DirigoChoice. This Part allows Dirigo Health to reduce the amount employers must contribute toward coverage to join DirigoChoice and also allows Dirigo Health, once the health care shared responsibility contribution requirement is implemented, to subsidize approved plans provided by multiple carriers. This Part also reduces from 20 to 10 the number of hours employees must work before being eligible for coverage under their employer's DirigoChoice plan. This Part allows Dirigo Health to assist employers in establishing payroll deduction systems that would help employees purchase health coverage with pre-tax dollars.

Part K requires the Superintendent of Insurance to report yearly to the Legislature the numbers of previously uninsured individuals who have enrolled in any health insurance product regulated by the Bureau of Insurance.

Part L replaces the savings offset payment with a surcharge. The surcharge is added to certain payments made to hospitals and is paid to Dirigo Health by an expanded group of payors, some of whom are now exempt from payment. The intent of this provision is to reduce the amount paid by each payor by sharing responsibility among a larger group of payors. The amount of the surcharge cannot exceed the actual total incurred claims paid in the preceding year for previously underinsured and uninsured individuals now covered through the program. The Board of Directors of Dirigo Health has the authority to exclude amounts established by rule for which the costs and efficiency of billing or enforcing collection from an individual would not be cost-effective.

### **Committee Amendment "A" (H-615)**

This amendment replaces the bill and makes changes to the laws governing health insurance and the Dirigo Health Program.

Part A requires carriers to offer a wellness program in all small group and group health plans. The Part requires that carriers offer enrollees participating in the wellness program a financially tangible benefit, including a premium discount. The Part also requires that carriers report annually to the Superintendent of Insurance about the wellness programs offered to enrollees and that the superintendent report aggregate data from carriers to the Legislature and to the Maine Quality Forum. Part A also requires all individual health plans to provide coverage for tobacco cessation treatment.

Part B requires that all insurers in the individual market offer a plan that includes a \$1,000 deductible, a prescription drug benefit not subject to a deductible and the option of no cap on the lifetime maximum benefit.

Part C directs the Superintendent of Insurance to report the results of the consensus-based rule-making process related to possible amendments to Bureau of Insurance Rule Chapter 850. The Part also permits the Joint Standing Committee on Insurance and Financial Services to submit legislation to the Second Regular Session of the 123rd

## *Joint Standing Committee on Insurance and Financial Services*

Legislature.

Part D establishes a reinsurance mechanism for the individual health insurance market. The Part provides reimbursement to carriers offering individual health plans for 80% of claims incurred between \$50,000 and \$200,000 for health plans as determined by the superintendent.

Part E modifies the community rating band in the individual market to permit the variation of rates below the community rate by 40% on the basis of age. This Part prohibits rating variations on the basis of geographic area and occupation or industry. Rates may not vary above the community rate by more than 20%.

Part F requires the Superintendent of Insurance to study the impact of merging the individual and small group markets.

Part G makes changes to the standards for the review of individual and small group health insurance rate filings. This Part also prohibits carriers from increasing rates to account for the hospital surcharge paid to support Dirigo Health unless the carrier has a loss ratio of 83% or higher for its individual health plans. Small group carriers are prohibited from increasing their rates.

Part H clarifies that rate filings and supporting information are public records subject to disclosure and requires the Superintendent of Insurance to review Bureau of Insurance Rule Chapter 945 to identify any gaps in data filed by insurance companies to improve transparency in developing premium rates. Part H also requires carriers in the individual market to have a loss ratio of 78% and to refund the excess amount to policy holders.

Part I requires the Superintendent of Insurance to report yearly to the Legislature the impact of changes to the rating provisions in the Maine Revised Statutes, Title 24-A, section 2736-C and the establishment of the Maine Individual Reinsurance Program pursuant to Title 24-A, chapter 54 on the overall health insurance market, including the number of carriers, the types of products offered and the number of individuals enrolled in health plans. This Part also requires the Governor's Office of Health Policy and Finance to study the impact of an individual and employer mandate in conjunction with the Department of Labor.

Part J allows Dirigo Health to administer grants and other subsidies to strengthen the State's health care quality improvement infrastructure.

Part K allows Dirigo Health to subsidize approved plans provided by multiple carriers. This Part also permits eligible businesses to elect to treat as eligible employees who work at least 10 hours per week for coverage under their employer's DirigoChoice plan. This Part allows Dirigo Health to assist employers in establishing payroll deduction systems that would help employees purchase health coverage with pre-tax dollars.

Part L makes permanent, beginning on or after July 1, 2008, the temporary voluntary cost containment targets on hospital consolidated operating margins and cost increases, which were initiated in Public Law 2003, chapter 469, Part F, section 1 and which otherwise would expire.

Part M authorizes the Board of Directors of Dirigo Health to develop a demonstration project to provide a targeted DirigoChoice health coverage plan to meet the needs of temporary and seasonal workers and long-term care employers and their employees and that allows multiple employers to contribute monthly premium assistance to temporary and seasonal workers and direct-care employees eligible to enroll in DirigoChoice as an individual.

Part N repeals the savings offset payment. The Part establishes a 1.8% surcharge on hospital bills. The Part increases the tax on cigarettes by 75 cents per pack and equalizes the rate of tax imposed on all tobacco products. The Part requires that these revenues be credited to the Dirigo Health Enterprise Fund to support the Dirigo Health Program except that 24% of the revenues must be transferred to the Maine Individual Reinsurance Program.

Part O changes cross-references.

Part P adds an appropriations and allocations section to the bill.

Committee Amendment "A" was not adopted.

### **Committee Amendment "B" (H-616)**

This amendment replaces the bill and makes changes to the laws governing health insurance and the Dirigo Health Program.

Part A requires carriers to offer a wellness program in all small group and group health plans. The Part requires that carriers offer enrollees participating in the wellness program a financially tangible benefit, including a premium discount. The Part also requires that carriers report annually to the Superintendent of Insurance about the wellness programs offered to enrollees and that the superintendent report aggregate data from carriers to the Legislature and to the Maine Quality Forum.

Part B requires that all insurers in the individual market offer a plan that includes a \$1,000 deductible, a prescription drug benefit not subject to a deductible and the option of no cap on the lifetime maximum benefit.

Part C extends the provision allowing carriers to lower premium costs by including financial incentives to members to use designated providers and gives the Superintendent of Insurance the authority to develop a financial incentive pilot program that allows companies to offer products in which consumers can choose to travel further for cost savings and better quality.

Part D establishes a reinsurance pool for the individual health insurance market and is modeled on a similar reinsurance pool in Idaho. The Part requires insurers that provide medical insurance as defined in the bill to pay an assessment of up to \$2 per covered person per month to partially support the costs of the reinsurance pool. The Part requires all individual carriers to guarantee issue of all health plans approved by the high-risk reinsurance pool as a condition of offering individual health plans in this State.

Part E allows a maximum rate differential for individual health plans on the basis of age, occupation or industry and geographic area of 4:1 and a maximum rate differential on the basis of health status and tobacco use of 1.5:1.

Part F requires the Superintendent of Insurance to report yearly to the Legislature the impact of changes to the rating provisions in Title 24-A, section 2736-C and the establishment of the Maine Individual High-risk Reinsurance Pool pursuant to Title 24-A, chapter 54, the total number of individuals enrolled in any health insurance product regulated by the Bureau of Insurance and the numbers of previously uninsured individuals who have enrolled in any health insurance product regulated by the Bureau of Insurance.

Part G allows Dirigo Health to administer grants and other subsidies to strengthen the State's health care quality improvement infrastructure.

Part H allows Dirigo Health to subsidize approved plans provided by multiple carriers. This Part allows Dirigo Health to assist employers in establishing payroll deduction systems that would help employees purchase health coverage with pre-tax dollars.

Senate Amendment "B" to Committee Amendment "C" strikes all of that committee amendment and replaces it with all of the provisions of Committee Amendment "B." Senate Amendment "B" to Committee Amendment "C" was not adopted.

### **Senate Amendment "C" (S-383)**

Senate Amendment "C" to Committee Amendment "C" strikes out all of the committee amendment and instead does the following in order to increase the affordability and accessibility of health care.

Part A repeals the guaranteed issuance and community rating law for individual health plans effective April 1, 2008 and allows carriers to treat their pre-April 1, 2008 book of business separately from their post-April 1, 2008 book of business. It makes changes to the continuity of coverage laws to allow underwriting when someone switches carriers in the individual market.

Part A creates the Comprehensive Health Insurance Risk Pool Association. The purpose of the association is to spread the cost of high-risk individuals among all health insurers. The bill funds the high-risk pool through an assessment on insurers. An individual insured through the high-risk pool may be charged a premium up to 150% of the average premium rates charged by carriers for similar health insurance plans. The bill requires the State to submit an application to the Federal Government for federal assistance to create a high-risk pool.

Part A also removes the requirement that carriers offer standardized plans as defined in Bureau of Insurance Rule Chapter 750 in the individual market.

Part B repeals the community rating law for small group health plans effective January 1, 2009 and enacts in its place provisions governing the rating of small group health plans based on a model act from the National Association of Insurance Commissioners.

Part C allows a health maintenance organization to offer health plans that do not comply with geographic access standards if the health maintenance organization also offers health plans that comply with those access standards or offers a fee-for-service health plan.

Part D requires the Department of Professional and Financial Regulation, Bureau of Insurance to conduct a study of the State's rate and form filing laws and make recommendations for changes to reduce the costs and resources expended by health insurance carriers seeking regulatory approval of new health insurance products.

Senate Amendment "C" to Committee Amendment "C" was not adopted.

Senate Amendment "A" to Committee Amendment "A" was not adopted.

### **Senate Amendment "A" (S-379)**

Senate Amendment "A" to Committee Amendment "C" does the following.

1. It maintains guaranteed issue in the individual market.
2. It modifies the reinsurance pool to make it clear that individuals will not be placed in a separate risk pool or be covered under different health plans than those available in the individual market. The amendment permits carriers in the individual market to use an individual health assessment to designate persons covered under an individual health plan for inclusion in the reinsurance pool at the time a policy is issued.
3. The amendment requires carriers to account for the impact of the reinsurance pool in rates for individual health plans filed for approval with the Superintendent of Insurance.
4. The amendment modifies the community rating provisions in the committee amendment to permit premium rates to vary on the basis of age up to 33% above or up to 66% below the community rate. The amendment would maintain the requirement in current law that permits premium rates to vary on the basis of geographic area and occupation or industry up to 20% above or below the community rate.
5. The amendment adds a requirement that carriers in the individual market maintain a loss ratio of 78%.

## *Joint Standing Committee on Insurance and Financial Services*

6. The amendment removes the provisions in the committee amendment that impose a 1% assessment on carriers and increase the hospital tax by 1% to fund the Dirigo Health Program. This amendment increases the tax on cigarettes by 75¢ and equalizes the rate of tax on all other tobacco products. The amendment requires that all of the revenues from the tax increases be credited to the Dirigo Health Enterprise Fund to support the Dirigo Health Program.

7. The amendment removes the provision in the committee amendment establishing a voluntary checkoff on individual income tax returns for contributions to the Dirigo Health Enterprise Fund.

### **LD 1894 An Act To Ensure Affordable Health Care for Maine Families through Shared Responsibilities**

ONTP

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
BRAUTIGAM	ONTP	

LD 1894 is a concept draft pursuant to Joint Rule 208. The bill proposes to expand health care coverage through the Dirigo Health Program based on the principle of shared responsibility.

The major components of the bill include the following.

**1. Employer contribution.** The bill requires that employers pay an assessment based on the employer's taxable payroll. Before making such payment, the employer may credit against the payment any sums paid by the employer toward employee nonpayroll benefits. Small employers, employers in financial hardship and employers in business for less than 2 years may be exempted from the employer contribution. The assessment must be used solely for the purpose of expanding access to health care through the Dirigo Health Program.

**2. Insurance carrier contribution.** The bill requires each insurance carrier to achieve a minimum loss ratio, to be specified in this bill, across all its products. This minimum loss ratio must be calculated at the end of each calendar year and must reflect the aggregate of all health insurance products sold in Maine by that carrier. Any insurance carrier that does not achieve the minimum loss ratio must be assessed an amount equal to 1/2 of the difference between the carrier's actual loss ratio and the minimum loss ratio. The carrier may not pass through any portion of the assessment to individual policyholders or providers. This assessment must be used to provide reinsurance to reduce premiums in the nongroup health insurance market and in the DirigoChoice product.

**3. Hospital contribution.** Under this bill, each hospital licensed to operate as a charity in the State must provide an amount of free charity care, to be determined in this bill. Any hospital that does not provide free care in the statutorily determined amount will be assessed an amount equal to the difference between the statutorily determined amount and the value of the free care actually provided by the hospital. The charity hospital may not pass this payment on to patients, providers or carriers. Any charity hospital in financial hardship may apply to the Department of Health and Human Services for a waiver of the assessment. A hospital is not in financial hardship if its most recent yearly operating margin exceeds a threshold to be determined in this bill, or if its unrestricted financial assets exceed a percentage of its net operating revenue to be determined in this bill. The assessment will be used solely for the purposes of expanding access to health care through the Dirigo Health Program.

## *Joint Standing Committee on Insurance and Financial Services*

**4. Individual contribution.** The bill requires that persons earning above a statutorily determined income threshold ensure that they and their dependents are covered by a comprehensive health insurance policy by January 1, 2008, except that for a person under 30 years of age, a qualifying health insurance policy is any policy approved by the Department of Professional and Financial Regulation, Bureau of Insurance. A person who does not maintain a qualifying health insurance policy for at least 10 months during the year may not be credited with the standard individual exemption in that person's next Maine income tax filing. Maine Revenue Services will transfer the value of any increased tax collections as a result of this provision to the Dirigo Health Program.

**5. Application of assessments.** The bill requires that funding from the employer, hospital and individual contribution sources be applied to achieve the goal of expanding access to health care by opening Dirigo Health up to 60,000 members by 2010.

**6. Cost containment.** The bill establishes a cost containment commission, which is charged with the responsibility and authority of achieving savings of 2% in the cost of health care in the State.

**7. Rulemaking.** The bill authorizes Dirigo Health, the Bureau of Insurance, Maine Revenue Services or other authority established pursuant to this legislation to undertake rulemaking to enforce the provisions of this bill.

### LD 47 An Act To Prohibit the Promotion of Travel for Sex Tourism

ONTP

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
FAIRCLOTH	ONTP	

LD 47, which is based on a law passed in Washington State, prohibits travel agencies within the State from engaging in travel for commercial sexual purposes. "Travel for commercial sexual purposes" is defined as advertising or arranging for travel with the intention of enabling the customer to engage in prostitution or to engage a prostitute or to engage in a sexual act, sexual contact or sexual touching for which anything of value is given, promised or received. The bill also makes a violation of this prohibition a Class C crime, with a penalty of up to 5 years in prison and up to a \$5,000 fine.

### LD 49 Resolve, To Deny Family Status to Fetuses

ONTP

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
DUPREY PLOWMAN	ONTP	

LD 49 directs the Department of Health and Human Services to amend the rules for all public assistance programs to deny fetuses familial status by January 1, 2008. In amending the rules the department shall prohibit the counting of a fetus as a family member in the computation of income for the family unit. The rules would be routine technical rules.

### LD 61 An Act To Add Abortion Providers to the List of Mandated Reporters to the Department of Health and Human Services

ONTP

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
DUPREY PLOWMAN	ONTP	

## Joint Standing Committee on Judiciary

LD 61 makes providers of abortion services mandatory reporters of child sex abuse with regard to a child under 16 years of age when the provider knows or has reasonable cause to suspect that the child has been sexually abused by a family member. LD 61 makes confidential the information that the child had sought abortion services.

### LD 73 An Act To Place Land in Centerville in Trust

PUBLIC 221

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
SOCTOMAH	OTP-AM	H-239

LD 73 amends the Act to Implement the Maine Indian Claims Settlement concerning the trust lands of the Passamaquoddy Tribe. The Secretary of the Interior of the United States has until January 31, 2017 to acquire and place in trust on behalf of the Passamaquoddy Tribe all land acquired in Centerville. If that deadline is met, the acquired land becomes part of the trust lands of the Passamaquoddy Tribe.

#### Committee Amendment "A" (H-239)

This amendment specifies that the land eligible for trust status consists of particular parcels listed in the deed from Bertram C. Tackeff to the Passamaquoddy Tribe.

#### Enacted Law Summary

Public Law 2007, chapter 221 amends the Act to Implement the Maine Indian Claims Settlement concerning the trust lands of the Passamaquoddy Tribe. The Secretary of the Interior of the United States has until January 31, 2017 to acquire and place in trust on behalf of the Passamaquoddy Tribe particular parcels listed in the deed from Bertram C. Tackeff to the Passamaquoddy Tribe located in Centerville. If that deadline is met, the acquired land becomes part of the trust lands of the Passamaquoddy Tribe. Chapter 221 takes effect upon ratification by the Passamaquoddy Tribe.

### LD 74 An Act To Exempt Certain Parents and Caretakers from Jury Duty

ONTP

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
BRYANT M DIAMOND	ONTP	

LD 74 exempts from jury duty a mother who is breast-feeding a child; a parent of child who has not attained 10 years of age if the court determines that service of the parent as a juror would jeopardize the safety of the child; and a caretaker of an elderly or disabled person if that person requires full-time attention from the caretaker.

ONTP

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
BARTLETT BRANNIGAN	ONTP	

## Joint Standing Committee on Judiciary

LD 86 requires that an accident report be filed for a motor vehicle accident on private property as current law requires for an accident on a public way. LD 86 was rereferred from the Transportation Committee.

### LD 94 An Act To Protect Consumer Rights under the Maine Unfair Trade Practices Act

PUBLIC 222

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
FAIRCLOTH HOBBINS	OTP-AM	H-240

LD 94 clarifies and achieves the original intent of the Maine Unfair Trade Practices Act concerning regulatory boards by exempting from application of the law actions expressly permitted by law by a regulatory board or officer.

#### Committee Amendment "A" (H-240)

This amendment replaces the bill. The amendment establishes a two-step analysis to determine if a defendant's transactions or actions are excepted from the application of the Maine Unfair Trade Practices Act. First, the defendant must show that its business activities are subject to regulation by a state or federal agency. If the defendant satisfies the first step, then the defendant must show that the specific activity that is the focus of the inquiry is authorized, permitted or required by a state or federal agency or by applicable law, rule or regulation, or that other regulatory approval, which may be less formal than law, rule or regulation, authorizes, permits or requires the specific activity.

#### Enacted Law Summary

Public Law 2007, c. 222 establishes a two-step analysis to determine if a defendant's transactions or actions are excepted from the application of the Maine Unfair Trade Practices Act. First, the defendant must show that its business activities are subject to regulation by a state or federal agency. If the defendant satisfies the first step, then the defendant must show that the specific activity that is the focus of the inquiry is authorized, permitted or required by a state or federal agency or by applicable law, rule or regulation, or that other regulatory approval, which may be less formal than law, rule or regulation, authorizes, permits or requires the specific activity.

LD 178 An Act Regarding the Reporting of Sexual Abuse

ACCEPTED ONTP  
REPORT

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
STRIMLING	ONTP MAJ OTP-AM MIN	

LD 178 creates a two-year window for claims for which the statute of limitations had expired at the time the current law, which imposes no statute of limitations, took effect: August 11, 2000. Starting January 1, 2008, persons who were victims of child sexual abuse have the opportunity to file civil suits if the action was time-barred as of August 11, 2000. The revival of these causes of action lasts through the end of 2009.

### Committee Amendment "A" (S-204)

This amendment is the minority report of the Joint Standing Committee on Judiciary. This amendment provides a one-year window for the bringing of claims against individuals accused of committing sexual acts against minors if those claims were time-barred as of August 11, 2000, rather than the two-year window proposed in the bill. The claims may be filed after January 1, 2008 and no later than December 31, 2008. The plaintiff may be awarded damages only if the plaintiff proves by clear and convincing evidence that the named defendant committed a sexual act toward the plaintiff when the plaintiff was a minor.

LD 308 An Act To Establish the Fully Informed Jury Act (by request)

ONTP

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
JOY	ONTP	

LD 308 enacts the Fully Informed Jury Act. It applies to all actions in which the defendant has a right to a jury trial and in which the State or a political subdivision of the State is the plaintiff. The bill provides that the right to a trial by jury includes the right to inform the jury of the jury's power to judge the law as well as all the evidence. Failure to allow the defendant to so inform the jury is grounds for a mistrial or a new trial. A party may present evidence on the law, including its merit, intent, constitutionality or applicability, as well as the motive, moral perspective or circumstances of the defendant. LD 308 applies to juries impaneled on or after October 1, 2007.

LD 354 requires the filing of annual reports and a final report, and acceptance of the final report by the court, for a guardian who has responsibility over the estate of a protected person or ward and for a conservator for a protected person.

### Committee Amendment "A" (H-374)

This amendment replaces the bill. It requires a private conservator to file an annual account with the Probate Court for approval. The Probate Court may waive or modify the duty to file an annual account for good cause shown by the conservator who is the protected person's spouse or domestic partner. The duty does not end until the court approves the account. This change concerning annual accounting applies to conservators appointed after January 1, 2008. This amendment provides that when the Probate Court determines that the minority or disability of the protected person has ceased, the court shall terminate the conservatorship upon approval of a final account. The bill provided reporting requirements for guardians. This amendment deletes those requirements, but requires the Commissioner of Health and Human Services to convene a working group to review the reporting requirements for guardians and report to the Joint Standing Committee on Judiciary by January 11, 2008.

LD 389 gives the District Court the authority to enter an order in a child protection case under the Child and Family Services and Child Protection Act that establishes parental rights and responsibilities in the same manner as permitted in the Maine Revised Statutes, Title 19-A. The bill also ensures that the Department of Health and Human Services will participate as a full party in any subsequent proceeding to modify or terminate that order.

# Joint Standing Committee on Judiciary

## Committee Amendment "A" (H-340)

This amendment clarifies that a parental rights and responsibilities order may be entered by the court in a child protective case upon the request of a parent. This amendment replaces the paragraph in the bill that provides party status to the Department of Health and Human Services with regard to a parental rights and responsibilities order issued in the context of a child protective proceeding. Instead, this amendment makes clear that the department is not a party to any proceeding to modify or terminate the parental rights and responsibilities order unless the court orders otherwise. The department still has the ability to request judicial review under the existing child protective laws. This amendment gives the court discretion to determine in child protective cases in which the court enters a parental rights and responsibilities order whether further reviews of the child protection order are necessary and whether further permanency planning hearings should be held. This amendment gives the court discretion to determine in the same situations whether the appointments of the guardian ad litem and attorneys for the parents should be terminated.

## Enacted Law Summary

Public Law 2007, chapter 256 gives the District Court the authority to enter an order upon the request of a parent in a child protection case under the Child and Family Services and Child Protection Act that establishes parental rights and responsibilities in the same manner as permitted in the Maine Revised Statutes, Title 19-A. The department is not a party to any proceeding to modify or terminate the parental rights and responsibilities order unless the court orders otherwise. LD 433 eliminates the requirement that a personal representative of a decedent's taxable estate obtain a bond to secure the payment of estate taxes if the Judge of Probate finds that any estate tax due is not secured by the State's estate tax lien upon real estate in the decedent's estate, since all property of a decedent of the State is already charged with a lien benefiting the State for all taxes, interest or penalties that are or may become due regardless of whether the property is real or otherwise.

### Committee Amendment "A" (S-76)

This amendment replaces the bill. This amendment clarifies that a Probate Court need not require a personal representative of a decedent's estate to give a bond to secure the payment of estate taxes if the Probate Court finds that any estate tax due is secured by the statutory estate tax lien upon real property in the decedent's estate or by other adequate security.

LD 461 An Act To Implement the Recommendations of the Human Trafficking Task Force

CARRIED OVER

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
	OTP-AM	H-488

LD 461 contains the recommendations of the Human Trafficking Task Force. The bill proposes to:

1. Enact a law criminalizing involuntary servitude and human trafficking, making them Class B offenses, with enhancement to Class A in certain circumstances, and specifying certain defenses that do not apply to involuntary servitude or human trafficking offenses;
2. Authorize the court to order forfeiture of assets acquired as a result of human trafficking;
3. Give the human trafficking victim rights, restitution and the right to collect damages and compensation through criminal restitution law and the Victims Compensation Fund and require rulemaking by the Department of Labor for the purposes of victim restitution;
4. Prohibit travel agencies operating within the State from advertising or arranging for travel for commercial sexual purposes;
5. Require commercial international matchmaking organizations operating within the State to inform recruits and clients of the right to information on the other person's criminal, marital, protection from abuse, harassment and other official records;

## *Joint Standing Committee on Judiciary*

6. Direct the Attorney General to convene a broad working group to address human trafficking issues. The working group would report to the Legislature by January 15, 2008; and
7. Provide an effective date of January 1, 2008 except that the provisions enacting the Attorney General's working group on human trafficking and the definition of "work loss" and rulemaking in the Department of Labor regarding work loss take effect 90 days after adjournment of the First Regular Session of the 123rd Legislature.

### **Committee Amendment "A" (H-488)**

This amendment replaces the bill. Like the bill, it is based on the work of the Human Trafficking Task Force and establishes the crimes of causing involuntary servitude, human trafficking and aggravated human trafficking. It also provides that certain circumstances cannot be used as defenses to prosecutions. This amendment creates a new chapter that provides for civil remedies for human trafficking. It allows a trafficked person to bring a civil action for actual damages, compensatory damages, punitive damages, injunctive relief, any combination of those remedies and any other appropriate relief. This amendment provides for the civil forfeiture of property used in involuntary servitude and human trafficking offenses. Like the bill, this amendment gives the human trafficking victim the right to collect damages and compensation through criminal restitution law and the Victims' Compensation Fund. It requires rulemaking by the Department of Labor for the purposes of victim restitution.

This amendment directs the Attorney General to convene a broad working group to address human trafficking issues. Monitoring international matchmaking organizations is added to the list of tasks, as is whether a special statute of limitations tolling provision is appropriate because of victims' cultural and linguistic isolation. The working group will report to the Legislature by January 15, 2009.

This amendment provides an effective date of January 1, 2008, except that the provisions establishing the Attorney General's working group on human trafficking and the definition of "work loss" and rulemaking in the Department of Labor regarding work loss take effect 90 days after adjournment of the First Regular Session of the 123rd Legislature.

LD 488 amends the child support laws in two ways. First, this bill revises the payment schedule of child support from weekly payments to biweekly payments. Second, it eliminates the requirement that child support be paid during the time the child is living with the child support obligor, as long as that time period is at least seven days.

### Committee Amendment "A" (H-174)

This amendment amends the bill to continue to allow child support payments to be scheduled on a weekly basis and adds in the option of payments on a biweekly basis, as proposed by the bill. The amendment deletes section 2 from the bill, which would have allowed changes in child support payments without a modification of the child support order by the court when the child's residence changed for a period of at least seven days.

LD 583 bill extends the existing good faith immunity provision to the reporters of animal cruelty, abuse or neglect that are social service agencies under contract with the Department of Health and Human Services. In addition, LD 583 permits employees of the Department of Health and Human Services to disclose the same information to local animal control officers or to the animal welfare program of the Department of Agriculture, Food and Rural Resources.

### Committee Amendment "A" (H-172)

This amendment clarifies that the immunity provided for good faith reporting that is established in the Maine Revised Statutes, Title 34-B is available as a defense to any civil or criminal action brought against a reporter of animal cruelty, abuse or neglect. Because the reporting is permissive, this amendment deletes the requirement that a report must be made as soon as possible when an immediate response is judged to be necessary.

LD 588 establishes a civil trespass law for those involved with activities regulated or requiring licensure by the Maine Revised Statutes, Title 12, Part 13. The "foreign object" provision clarifies the scope of the prohibition on trespass for conservation law purposes. LD 588 also makes commission of this violation grounds for mandatory revocation of a hunting or fishing license or permit.

### Committee Amendment "A" (H-375)

This amendment replaces the term "foreign object" with the term "projectile," which is similar to the concept used in Florida statutes to cover instances of trespass. "Projectile" means a bullet, pellet, shot, shell, ball, arrow, bolt or other object propelled or launched from any firearm or a bow, crossbow or similar tensile device. This amendment makes the new violation consistent with the Maine Revised Statutes, Title 12, Part 13 standard that a civil violation becomes a Class E crime if there are at least three prior adjudications of civil violations under that Part. This amendment deletes the section of the bill that made the commission of the new civil violation of civil trespass grounds for mandatory revocation of a hunting or fishing license or permit.

### Enacted Law Summary

Public Law 2007, chapter 334 establishes a civil trespass law for those involved with activities regulated or requiring licensure by the Maine Revised Statutes, Title 12, Part 13. The Supreme Judicial Court may increase filing fees to pay for mediation. This amendment clarifies that the provisions of the bill apply to forcible entry and detainer when used in mobile home evictions. This amendment requires the Court Alternative Dispute Resolution Service to report to the joint standing committee of the Legislature having jurisdiction over judiciary matters by January 15, 2009 about the efficiency and use of the mediation program.

This amendment establishes an effective date of January 1, 2008.

### Enacted Law Summary

Public Law 2007, chapter 246 allows the court to order mediation prior to a trial in a landlord-tenant forcible entry and detainer court trial. The Court Alternative Dispute Resolution Service will provide the mediators for the mediations. The Supreme Judicial Court may adopt rules of procedure for landlord-tenant mediation, and may increase filing fees to pay for mediation. The mediation provisions also apply to forcible entry and detainer when used in mobile home evictions. The Court Alternative Dispute Resolution Service will report to the joint standing committee of the Legislature having jurisdiction over judiciary matters by January 15, 2009 about the efficiency and use of the mediation program.

Public Law 2007, chapter 246 is effective January 1, 2008.

Amendments Adopted

Current law requires that a law enforcement officer who seeks to have a person involuntarily committed to a mental health hospital on an emergency basis must have that person examined by a licensed physician, a licensed clinical psychologist, a physician's assistant, a nurse practitioner or a certified psychiatric clinical nurse specialist for the purpose of determining whether that person poses a likelihood of serious harm. A related section of law says that this examination may be performed only by a licensed physician or a licensed clinical psychologist if the examination is performed outside a hospital emergency room. LD 681 allows the examination to be performed by any of the health care professionals authorized to conduct such examinations, whether the examination is performed in a hospital emergency room or elsewhere.

### Enacted Law Summary

Public Law 2007, chapter 178 provides that the examination of a person recommended for involuntary commitment may be conducted by a licensed physician, a licensed clinical psychologist, a physician's assistant, a nurse practitioner or a certified psychiatric clinical nurse specialist for the purpose of determining whether that person poses a likelihood of serious harm, regardless of whether the examination takes place in a hospital emergency room or elsewhere.

LD 1027 amends the definition of "physical or mental disability" in the Maine Human Rights Act to mean a condition that substantially limits one or more major life activities, making the definition consistent with federal law and returning the definition to the one used by the Maine Human Rights Commission before the Maine Supreme Judicial Court's decision, *Whitney v. Wal-Mart Stores, Inc.*, 2006 ME 37.

#### Committee Amendment "A" (S-248)

This amendment replaces the bill and adopts a new definition of "physical or mental disability." A physical or mental impairment qualifies as a physical or mental disability under the Maine Human Rights Act if it:

This amendment adds to the construction provisions of the Maine Human Rights Act a rule of construction that directs that the definition of "physical or mental disability" in the Act is to be interpreted broadly to create greater coverage than under the federal Americans with Disabilities Act of 1990. This amendment provides that rules

## Joint Standing Committee on Judiciary

adopted by the Maine Human Rights Commission to implement the new definition of "physical or mental disability" are major substantive rules and therefore require review by the Legislature before being finally adopted.

This amendment adds an emergency preamble and emergency clause to make the changes take effect immediately.

### Enacted Law Summary

Public Law 2007, chapter 385 adopts a new definition of "physical or mental disability." A physical or mental impairment qualifies as a physical or mental disability under the Maine Human Rights Act if it:

1. Substantially limits one or more of a person's major life activities;
2. Significantly impairs physical or mental health; or
3. Requires special education, vocational rehabilitation or related services.

The definition includes a list of specific physical or mental impairments that qualify as physical or mental disabilities. "Physical or mental disability" includes an individual with a record of physical or mental disability, as defined. It also includes an individual who is regarded as having or likely to develop any of the conditions within the definition of "physical or mental disability." The existence of a physical or mental disability is determined without regard to the ameliorative effects of mitigating measures such as medication, auxiliary aids or prosthetic devices. Also included is a list of conditions that are not included as physical or mental disabilities.

Chapter 385 adds to the construction provisions of the Maine Human Rights Act a rule of construction that directs that the definition of "physical or mental disability" in the Act is to be interpreted broadly to create greater coverage than under the federal Americans with Disabilities Act of 1990. Chapter 385 provides that rules adopted by the Maine Human Rights Commission to implement the new definition of "physical or mental disability" are major substantive rules and therefore require review by the Legislature before being finally adopted.

LD 1119 addresses conflicting confidentiality and reporting requirements imposed on mental health professionals who know or have reason to know that a client poses a danger of inflicting harm on a person. LD 1119 provides that a licensed mental health professional may disclose information about the mental or medical status of a client to those who may be affected by the client's conduct to the extent that such information is reasonably necessary to protect any person from risk of harm. It also provides that the mental health professional is required to provide information about the danger to persons who have the responsibility of the care and custody of the client.

### Committee Amendment "A" (S-189)

This amendment replaces the bill but carries out the original intent to allow a mental health professional to disclose protected health information about a patient when necessary to avert a serious and imminent threat to health or safety if the disclosure is made in good faith and to a person who is reasonably able to prevent or minimize the threat. It also allows a mental health professional to disclose a client's mental health information to a family member, to another relative, to a close personal friend or caretaker or to anyone identified by the client in circumstances consistent with disclosure under the federal Health Insurance Portability and Accountability Act.

This amendment repeals the designation as a Class D crime for violations and instead provides that a violation of the section subjects a mental health professional to the disciplinary procedures under the regulatory requirements for that profession.

LD 1576 amends the laws governing the relationships between lessees and lessors. It expands the application of the Maine Revised Statutes, Title 14, chapter 710-D to all leases other than those covering trailer parks, apartment buildings, condominiums, time shares or townhouses. LD 1576 provides that a lessee can assign or transfer the lease. LD 1576 provides that the annual lease fee may not exceed 2.5% of the fair market value of the real property leased, not including the value of the buildings, fixtures and improvements. LD 1576 prohibits a lessor from mortgaging or otherwise encumbering the buildings, fixtures and improvements owned by the lessee. If a lessor terminates a lease without cause, the lessor shall reimburse the lessee for the fair market value of all buildings, fixtures and improvements on the real estate. The fair market value is established by a licensed appraiser. If the lessor disputes the appraisal, the appraisal must be submitted to binding arbitration. Violation of these provisions makes the lessor ineligible for tree growth tax benefits. If title to the land on which a lease exists is transferred to a different owner after the effective date of this bill, the lessee at the time of the transfer has the right of first refusal with regard to subsequent leases of the land.

LD 1576 has an effective date of January 1, 2008.

LD 1629 increases the mileage reimbursement rate for jurors from 15¢ per mile to 50¢ per mile. This bill also limits to three the number of times that a person may be required to serve as a juror or called to service as a juror.

#### Committee Amendment "A" (S-164)

This amendment deletes from the bill the proposed increases in mileage reimbursement to jurors. This amendment revises the limitations on required jury service. Current law provides that a person may not be required to serve as a grand juror or traverse juror more than once every five years. The bill proposes to limit required service to a total of three times over a person's lifetime. This amendment limits required service to three times in a person's lifetime and no more than once in any five-year period. It also retains the current law limitation of traverse jury service to 15 court days, except if necessary to complete service in a particular case.

Code as an alternative to a real estate mortgage. This amendment limits the exemption from the real estate license law to transactions in HUD-code manufactured housing. This amendment mandates the conveyance by deed of HUD-code manufactured housing to a consumer and incorporates the transformation from personal property to real estate caused by the conveyance into the sales and real estate transfer tax laws. This amendment clarifies that all kinds of deeds are available for transfers of title in HUD-code manufactured housing, adds parentheses to the provisions for spousal joinder in the deed forms to remove any suggestion that spousal rights are created in the forms. It also removes the limitation to transfers occurring prior to installation to the requirement of transfer of HUD-code manufactured housing by deed to a consumer and exempts from the real estate transfer tax original transfers by deed of HUD-code manufactured housing to a consumer that are subject to sales tax. This amendment also repeals the language establishing a titling process in the Maine Revised Statutes, Title 29-A, originally enacted by Public Law 2005, chapter 678. The sections dealing with the titling process are repealed September 30, 2007. The provisions establishing the conveyancing by deed of HUD-code manufactured housing take effect January 1, 2008.

BRYANT M	ONTP	

LD 1734 maintains the option of confidential adoption. It applies prospectively to allow birth parents to choose to keep the personally identifying information confidential by so stating at the time of the consent, surrender and release or termination of parental rights. The statement includes an acknowledgment that the birth parent knows that medical and family information can be added to the Probate Court records at any time, and such information will be available to the adoptive parents or the adoptee. The birth parent also acknowledges that the decision to keep the information confidential may be changed and therefore made available. LD 1734 provides that a birth parent may, at any time, provide current medical or other relevant information to the Probate Court to be made available to the adoptee and the adoptee's adoptive parents, descendants or legal guardian. LD 1734 also requires a family history form to be completed before biological parents may surrender and release a child. If the biological parents choose to maintain their records in confidentiality, then they must update the family history form every 10 years, until they reach 40 years of age, and every five years thereafter. Current law provides for the collection of information when an adopted child suffers a serious medical or mental illness. The Department of Health and Human Services, the licensed child-placing agency or other person who assisted in placing the child must attempt to obtain additional information and must provide that information to the adoptive parents. LD 1734 applies that requirement when the adoptee has reached 18 years of age and either the adoptee or the adoptee's descendant suffers a serious medical or mental illness for which the specific medical, psychological or social history of the biological parents or the adoptee may be useful in diagnosis or treatment.

Under the bill, a court must find that a change of circumstances makes the conservation easement no longer in the public interest before the conservation easement may be terminated or amended in a manner that diminishes its

conservation purposes. LD 1737 also requires that future conservation easements must clearly recite the conservation purposes and public benefits of the easement. LD 1737 further requires that future conservation easements include a statement of the power of the holder to amend the easement and be accompanied by documentation of the condition of the property. As necessary to future enforcement of conservation easements, holders are required to periodically monitor the condition of the property subject to the easement

LD 1737 also allows the Attorney General to be a party in any action affecting a conservation easement, as the Attorney General may with any charitable trust. LD 1737 also provides that conservation easements will not be destroyed by reason of merger of the fee and easement holder's interests nor by tax foreclosure.

Finally, this bill establishes a conservation easement registration system administered by the Secretary of State and Executive Department, State Planning Office with a modest annual filing fee, and requires that the transfer tax form for property subject to a conservation easement disclose that notice of the property's transfer has been given to the holder of the easement.

### **Committee Amendment "A" (H-490)**

This amendment deletes the section of the bill relating to termination and modification of conservation easements, the section of the bill relating to the termination of a conservation easement when it is no longer in the public interest, the section of the bill relating to entering land to ensure compliance with the terms of a conservation easement, the section of the bill relating to new conservation easement standards, and the section of the bill relating to judicial action affecting a conservation easement. This amendment requires the annual filing by conservation easement holders to be made directly to the Executive Department, State Planning Office rather than through the Secretary of State. The filing fee has been changed to \$30 to cover the costs estimated by the State Planning Office for setting up and maintaining the registry. The special reference to filing by government easement holders in the bill is eliminated as unnecessary because the filing is to be made directly to the State Planning Office rather than as part of an annual corporate filing with the Secretary of State. This amendment deletes the requirement in the bill concerning the transfer tax form.

### **Senate Amendment "B" (S-305)**

This amendment sets certain standards for conservation easements. It provides that a conservation easement executed on or after the effective date of this legislation must include a statement of the conservation purposes and public benefits of the easement. It includes standards for the amendment and termination of a conservation easement. It requires the holder of a conservation easement to monitor the condition of the real property subject to the conservation easement at least every three years and prepare and retain a written monitoring report. The amendment also amends the laws governing judicial actions affecting conservation easements. It provides that an action affecting a conservation easement may be brought or intervened in by the Attorney General and it specifies under what circumstances the Attorney General may initiate action seeking enforcement of a conservation easement. It contains a provision regarding the confidentiality of documents and records obtained by the Attorney General in an action affecting a conservation easement.

## LD 1789 An Act To Ratify the Revised Interstate Compact for the Placement of Children To Promote Compliance with the Federal Safe and Timely Interstate Placement of Foster Children Act of 2006

PUBLIC 255

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
BRANNIGAN	OTP-AM	S-165

LD 1789 repeals the Interstate Compact on the Placement of Children adopted in 1961 and replaces it with the new Interstate Compact for the Placement of Children. This compact affects a child under 18 years of age who is being placed in a different state by a state that has been granted custody of the child, whether because the child has been found to be abused, neglected or deprived or because the child has been adjudicated as delinquent or unmanageable. The sending state must obtain the receiving state's approval before placement, and the sending state retains jurisdiction over and responsibility for the child after placement.

## Committee Amendment "A" (S-165)

This amendment deletes provisions of the bill that repealed the existing Interstate Compact on Placement of Children, and retains cross-references to that compact. The revised Interstate Compact for the Placement of Children, included in the bill as the Maine Revised Statutes, Title 22, chapter 1154, does not become effective until at least 35 states ratify it. By retaining the existing compact, this amendment ensures that current law remains in place for the interstate placement of foster children. The existing compact will also govern placements with states that choose not to ratify the revised compact.

This amendment also makes changes to the child protective laws as required by the federal Safe and Timely Interstate Placement of Foster Children Act of 2006. These changes require foster parents, preadoptive families and relative care givers to be provided notice and the right to be heard at any proceeding concerning the child. Current law refers to an opportunity to be heard at any reviews or hearings.

This amendment also amends the definition of "foster parent" to be consistent with the requirements of federal law.

### Enacted Law Summary

Public Law 2007, chapter 255 concerns the interstate placement of children. Chapter 255 enacts the revised Interstate Compact for the Placement of Children, but the Compact does not become effective until at least 35 states ratify it. The existing compact is retained to ensure that current law remains in place for the interstate placement of foster children. The existing compact will also govern placements with states that choose not to ratify the revised compact.

Chapter 255 also makes changes to the child protective laws as required by the federal Safe and Timely Interstate

## Joint Standing Committee on Judiciary

Placement of Foster Children Act of 2006. These changes require foster parents, preadoptive families and relative care givers to be provided notice and the right to be heard at any proceeding concerning the child. Current law refers to an opportunity to be heard at any reviews or hearings. Chapter 255 also amends the definition of "foster parent" to be consistent with the requirements of federal law.

SCHNEIDER		

LD 1792 seeks to ensure that the nonprofit corporate mission of a nonprofit corporation is not overshadowed by excessive compensation to directors and officers. It applies to nonprofit corporations that receive at least 25% of their total funding from one or more municipal, county, state or federal sources. LD 1792 prohibits nonprofit corporations from compensating an officer or director in excess of \$250,000 per year. Excessive compensation of a director or officer is added as a ground to dissolution of the nonprofit corporation pursuant to court order.

LD 1792 is carried over pursuant to Joint Order, HP 1369.

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
HASTINGS	OTP	

LD 1806 makes necessary changes to the laws relating to corporations, limited partnerships, limited liability companies, limited liability partnerships and general partnerships. LD 1806 makes uniform changes to filing fees that were changed in 2004 and 2005 that were not changed as part of the overhaul of fee changes. This adjustment of filing fees is necessary to make similar filing fees in all entity laws uniform. LD 1806 adds language to clarify that an entity must file all annual reports due and pay any outstanding fees or penalties due the Secretary of State prior to filing any dissolution or termination filing. LD 1806 also adds a provision to revive domestic entities after dissolution for a specific purpose and specific amount of time. LD 1806 also removes the requirement of a filing with the registers of deeds when cooperatives organize with the Secretary of State's office. Additionally, LD 1806 adds language necessary to correct discrepancies in the original drafting of the Uniform Limited Partnership Act of 2007, which will become effective July 1, 2007.

#### Enacted Law Summary

Public Law 2007, chapter 231 makes necessary changes to the laws relating to corporations, limited partnerships, limited liability companies, limited liability partnerships and general partnerships. Chapter 231 makes uniform changes to filing fees that were changed in 2004 and 2005 that were not changed as part of the overhaul of fee changes. Chapter 231 clarifies that an entity must file all annual reports due and pay any outstanding fees or penalties due the Secretary of State prior to filing any dissolution or termination filing. It also provides the ability to revive domestic entities after dissolution for a specific purpose and specific amount of time. Chapter 231 removes the requirement of a filing with the registers of deeds when cooperatives organize with the Secretary of State's office. Chapter 231 corrects discrepancies in the original drafting of the Uniform Limited Partnership Act of 2007, which will become effective July 1, 2007.

Public Law 2007, chapter 231 was enacted as an emergency measure effective June 5, 2007.

PUBLIC 248

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
MILLS J	OTP-AM	H-346

LD 1813 enhances the authority of the Attorney General's office to engage in collections actions for debts, fines, penalties and other money owed to the State. The Attorney General's office is given the authority to add a fee, which is deposited in the General Fund, in its collecting of money owed the State in order to secure some reimbursement for the cost of pursuing payment. Seized property may be sold by the State.

## Committee Amendment "A" (H-346)

This amendment deletes from the bill the proposed language to allow the State to add a fee to cover the costs of collecting money owed the State.

PUBLIC 349

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
	OTP-AM	H-536

LD 1822 consists of the legislative recommendations of the Right To Know Advisory Committee.

LD 1822 requires certain elected officials to complete a training course on the State's freedom of access laws within 90 days of taking elected office beginning January 1, 2008. The bill requires that the Public Access Ombudsman, in conjunction with the Right To Know Advisory Committee, develop a training course of less than two hours using the State's publicly accessible website to be available at no cost to the elected official. The bill also requires that elected officials send electronic notification to the ombudsman upon completion of the training and further requires the ombudsman to make a record of those elected officials who have completed the training available to the public.

LD 1822 establishes the Public Access Division and the Public Access Ombudsman within the Department of the Attorney General. The ombudsman is required to provide information and educational materials and programs to the public, as well as to public agencies and officials, in cooperation with the Right To Know Advisory Committee. The ombudsman will respond to informal inquiries, resolve freedom of access complaints when possible and issue advisory opinions concerning the State's freedom of access laws. The ombudsman is not permitted to issue an advisory opinion on an issue that is the subject of a lawsuit filed under the freedom of access laws. The ombudsman must make the advisory opinions available to the public once they are distributed to the persons requesting the advisory opinion and the parties involved. The ombudsman is required to make recommendations concerning ways to improve public access to public records and public proceedings. The ombudsman may request the assistance of any public agency or official in carrying out these responsibilities. The ombudsman may access records that a public agency or official believes are confidential in order to determine whether the records may be released to the public. Records that would be confidential if they were in the possession or custody of a public agency or official are confidential if those records are in the possession of the ombudsman. The ombudsman shall maintain the

# Joint Standing Committee on Judiciary

confidentiality of confidential records and information provided to the ombudsman.

Beginning in March 2008, the ombudsman is required to report annually to the Legislature and the Right To Know Advisory Committee regarding the ombudsman's activities and the inquiries and complaints received. The report must also include recommendations concerning ways to improve public access to public records and proceedings.

## Committee Amendment "A" (H-536)

This amendment revises the freedom of access training requirement for elected officials to delay the effective date to July 1, 2008. The amendment deletes the section of the bill that creates the Public Access Ombudsman and instead requires that the training course be approved by the Right To Know Advisory Committee. It also requires elected officials to send a written or electronic notification to the Right To Know Advisory Committee when they have completed their training. It also adds a mandate preamble to the bill.

### Committee Amendment "A" (H-630)

## Joint Standing Committee on Judiciary

This amendment establishes the sections in the bill as Part A. This amendment strikes from the bill sections 13, 29, 58, 59, 69, 76 and 79 because the errors are addressed by other legislation. Section 52 is amended to incorporate a recently enacted Public Law chapter. Section 75 is amended to correct the application section for corrections to the income tax statutes.

This amendment adds a Part B that makes technical corrections.

This amendment adds a Part C that does the following and contains provisions that are or may be considered substantive.

Part C, section 1 repeals the subchapter that established the Court Unification Oversight Committee, because the committee has completed its work. Part C, section 2 includes an amendment to allow the Director of the Bureau of General Services within the Department of Administrative and Financial Services to waive the competitive bidding process in emergency circumstances. The same changes were made in Public Law 2007, chapter 9, which was not an emergency measure.

Public Law 2007, chapter 240, Part LLL directs the Commissioner of Professional and Financial Regulation to annually conduct a survey of all the fees collected by the Department of Professional and Financial Regulation and provide a written report identifying any recommended fee changes to the State Budget Officer and three joint standing committees of the Legislature. The language was placed in Title 32, which includes laws regulating professions and occupations, but not the other duties of the department. Part C, section 8 repeals the Title 32 provision enacted in Public Law 2007, chapter 240, Part LLL. Part C, section 5 enacts the language in Title 10 in the chapter that provides for the organization of the department and the duties of the commissioner. Part C, section 6 includes an exception from the prohibition of firearms in courthouse for a courier or security service approved by the state judicial marshal. Part C, section 7 clarifies that compliance and satisfactory participation in a plan or program are contemporaneous requirements for participation in curricular activities for a child with a disability.

Part D contains technical cross-reference corrections in the Maine Insurance Code.

### House Amendment "A" (H-631)

LD 1851 created the Maine Energy Conservation Board, including three public members. The unallocated language provided for staggered terms: one's initial term was for one year, another's initial term was for two years and the third initial term was for three years. The committee amendment added an additional public member, but did not amend the unallocated language to address the length of the initial term. This amendment amends the unallocated language in Public Law 2007, chapter 317 to provide that the initial terms for two of the public members are for three years.

H-607 SIMPSON

LD 1923 is introduced by the Joint Standing Committee on Judiciary pursuant to the Maine Revised Statutes, Title 1, section 411, subsection 6, paragraph G and is based on the Right To Know Advisory Committee's recommendation to establish a Public Access Ombudsman.

LD 1923 establishes the Public Access Ombudsman within the Department of the Attorney General. The ombudsman will provide information and educational materials and programs to the public, as well as public agencies and officials, in cooperation with the Right To Know Advisory Committee. The ombudsman will respond to informal inquiries, resolve freedom of access complaints when possible and issue advisory opinions concerning the State's freedom of access laws. The ombudsman is not permitted to issue an advisory opinion on an issue that is the subject of a lawsuit filed under the freedom of access laws. The ombudsman must make the advisory opinions available to the public once they are distributed to the persons requesting the advisory opinion and the parties involved. The ombudsman will make recommendations concerning ways to improve public access to public records and public proceedings. The ombudsman may request the assistance of any public agency or official in carrying out these responsibilities. The ombudsman may access records that a public agency or official believes are confidential in order to determine whether the records may be released to the public. Records that would be confidential if they were in the possession or custody of a public agency or official are confidential if those records are in the possession of the ombudsman. The ombudsman shall maintain the confidentiality of confidential records and information provided to the ombudsman. Beginning in March 2008, the ombudsman will report annually to the Legislature and

the Right To Know Advisory Committee regarding the ombudsman's activities and the inquiries and complaints received. The report must also include recommendations concerning ways to improve public access to public records and proceedings.

LD 1923 is carried over pursuant to Joint Order, HP 1369.

### **House Amendment "A" (H-607)**

This amendment clarifies that the Public Access Ombudsman makes nonbinding recommendations concerning the release of records to the public and clarifies the manner in which those records must be handled.

PUBLIC 26

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
	OTP	S-18     STRIMLING

This bill repeals and replaces a section of Title 39-A relating to penalties. The new section retains all of the language of the existing section which provides that:

- o penalties are payable to the Workers' Compensation Board Administrative Fund; and
- o Fund amounts attributable to penalties that are not required to support the activities of the board shall be transferred to the General Fund.

The bill adds language which provides that:

- o all penalties are enforceable by the Superior Court;
- o the Attorney General shall prosecute any action necessary to recover penalties or the board may retain private counsel for that purpose; and
- o if a person fails to pay a penalty and enforcement by the Superior Court is necessary, that person shall pay court costs, including reasonable attorney's fees, and, if the failure to pay was without due cause, double the penalty.

## Senate Amendment "A" (S-18)

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
DAMON	OTP-AM MAJ ONTP MIN	S-121

This bill adds domestic partners to the list of family members that employees may use family medical leave to take care of. The bill also defines domestic partner to mean the partner of an employee who:

- o is a mentally competent adult, as is the employee;
- o has been legally domiciled with the employee for at least 12 months;
- o is not legally married to or legally separated from another individual;
- o is the sole partner of the employee and expects to remain so; and
- o is jointly responsible with the employee for each other's common welfare as evidenced by joint living arrangements, joint financial arrangements or joint ownership of real or personal property.

### Committee Amendment "A" (S-121)

This amendment adds to the definition of "domestic partner" by excluding a sibling of an employee from the definition.

### Enacted Law Summary

Public Law 2007, Chapter 261 adds domestic partners to the list of family members that employees may use family medical leave to take care of. The bill also defines "domestic partner" to mean the partner of an employee who:

LD 382 An Act To Correct an Inconsistency in Unemployment Insurance Tax Law

PUBLIC 23

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
STRIMLING	OTP	

This bill repeals a provision of State law that conflicts with a federal mandate prohibiting the practice of State Unemployment Tax Act (SUTA) "dumping", whereby an employer seeks to avoid unemployment taxes by forming a shell corporation with typically lower new employer unemployment tax rates and transferring its employees to the new entity. The conflicting provision of state law relates to transfers of experience for unemployment tax rate purposes.

### Enacted Law Summary

Public Law 2007, Chapter 23 repeals a provision of State law that conflicts with a federal mandate prohibiting the practice of State Unemployment Tax Act (SUTA) "dumping", whereby an employer seeks to avoid unemployment taxes by forming a shell corporation with typically lower new employer unemployment tax rates and transferring its employees to the new entity. The conflicting provision of state law relates to transfers of experience for unemployment tax rate purposes.

LD 392 An Act To Establish Penalties for Violation of the Severance Pay Law

PUBLIC 333

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
CLARK DAMON	OTP-AM	H-391

Current law requires a person proposing to relocate a business outside of the State to provide notice of the relocation to the employees of that business and the officers of the municipality in which the business is located. This bill requires the same notice if the person proposes to terminate the business. The bill also adds a penalty section for violations of the severance pay law.

### Committee Amendment "A" (H-391)

This amendment allows the Director of Labor Standards within the Department of Labor to waive the notice of termination or relocation requirement and provides that fines won't be collected if their payment would prevent the payment of required severance payments to employees. The amendment also specifies the provision to which the penalty provision applies.

### Enacted Law Summary

Public Law 2007, Chapter 333 requires a person proposing to terminate a business to provide notice of the termination to the employees of that business and the officers of the municipality in which the business is located in the same manner as is required under current law if the person proposes to relocate the business outside of the State. The bill also allows the Director of Labor Standards within the Department of Labor to waive the notice of termination or relocation requirement, adds a penalty section for violations of a specific provision of the severance pay laws and provides that fines won't be collected if their payment would prevent the payment of required severance payments to employees.

LD 814 **An Act To Incorporate Binding Arbitration for Monetary Issues in Collective Bargaining for All State Employees**

**DIED BETWEEN HOUSES**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
STRIMLING	OTP-AM MAJ ONTP MIN	S-268

This bill makes binding a determination of a salary, pension or insurance issue by an arbitrator in collective bargaining for state or municipal employees and prohibits certain practices by a public employer of state and municipal employees including:

1. Invoking a lockout;
2. Failing to comply with the provisions of the municipal public employees labor relations laws or the state employees labor relations laws or any rule adopted by the Maine Labor Relations Board pursuant to these laws;
3. Breaching a collective bargaining agreement; or
4. Enacting any law or adopting any rule relative to the terms and conditions of employment that would invalidate a portion of an agreement entered into by the public employer enacting the law or adopting the rule.

### **Committee Amendment "A" (S-268)**

The amendment removes from the bill the prohibitions against certain practices by public employers of state and municipal employees and limits binding arbitration to state collective bargaining practices. The amendment also provides that, with respect to controversies over salaries, pensions and insurance, the arbitrator must take the last best offer as the arbitrator's determination. This provision will be repealed 90 days after adjournment of the Second Regular Session of the 125th Legislature. The amendment also changes the title of the bill.

LD 827 **An Act To Allow Certain Special Education Teachers To Acquire Time from the Maine State Retirement System**

**PUBLIC 303**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
DRISCOLL	OTP-AM	H-392

This bill allows teachers to obtain service credit in the Maine State Retirement System for years in which they taught children with disabilities in private schools before such children were provided access to the public school system.

### **Committee Amendment "A" (H-392)**

This amendment strikes and replaces the bill but retains a provision for the acquisition of service credit similar to the bill, in which educators can acquire service credit in the Maine State Retirement System for years in which they taught children with disabilities in private schools before such children were provided access to the public school system. The bill granted one year of service credit. Under the amendment, up to one year of service credit may be purchased at full actuarial cost.

### **Enacted Law Summary**

Public Law 2007, Chapter 303 allows teachers to acquire service credit in the Maine State Retirement System for time during which they taught children with disabilities in private schools before such children were provided access to the public school system. Under the bill, up to one year of service credit may be purchased at full actuarial cost.

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
SMITH N SCHNEIDER	OTP-AM	H-371

This bill provides that, in the context of employee compensation required to be returned to the employer for the payment of a debt owed to the employer, uniforms, personal protective equipment or other tools of the trade that are considered to be primarily for the benefit or convenience of the employer may not be considered a "debt". The bill also prohibits an employer from mandating that an employee pay for the cleaning and maintenance of a uniform, but may have a written agreement with the employee whereby the employee chooses to have a payroll deduction for the cost of cleaning and maintenance.

### Committee Amendment "A" (H-371)

This amendment clarifies the provisions of the bill and incorporates the provisions of federal law in Maine statutory determinations as to what, in the context of employee compensation required to be returned to the employer for the payment of a debt owed to the employer, is considered to be primarily for the benefit or convenience of the employer and may not be considered a "debt."

## Enacted Law Summary

Public Law 2007, Chapter 357 incorporates the provisions of federal law in Maine statutory determinations regarding employee compensation required to be returned to the employer for the payment of a debt owed to the employer. The bill provides that the cost of uniforms and of their laundering, the cost of any construction by and for the employer, the cost of tools of the trade and other materials and services incidental to carrying on the employer's business and other costs of furnishing facilities primarily for the benefit or convenience of the employer may not be considered a "debt."

This bill raises the penalty not-to-exceed amount from \$10,000 to \$100,000 that the Workers' Compensation Board may assess, where there has been a finding, after hearing, that an employer, insurer or 3rd-party administrator for an employer has engaged in a pattern of questionable claims-handling techniques or repeated unreasonably contested claims.

#### Committee Amendment "A" (S-174)

This amendment changes from mandatory to permissive the assessment of a penalty by the Workers' Compensation Board against an employer or insurance carrier for failure to pay compensation. The amendment increases the maximum penalty for engaging in a pattern of questionable claims-handling techniques or repeated unreasonably contested claims from \$10,000 to \$25,000, as opposed to the \$100,000 maximum proposed in the bill. The amendment also requires that the amount of the penalty be commensurate with the severity of the proscribed acts and that penalties collected go to the General Fund. Finally, the amendment provides that an insurance carrier's payment of any penalty assessed under the Maine Revised Statutes, Title 39-A, section 359 may not be considered an element of loss for the purpose of establishing rates for workers' compensation insurance. This amendment also makes several technical corrections to current law to conform to drafting standards.

CARRIED OVER

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
	OTP-AM	S-286

Contingent upon the full actuarial costs having been accumulated in a reserve of the Maine State Retirement System, this bill adds mental health workers to the 1998 Special Plan for certain Maine State Retirement System members and requires that service retirement benefits for corrections and mental health workers included in the 1998 Special Plan be computed on the basis of all the member's creditable service, regardless of when that service was earned. The bill provides for funding the full actuarial costs of new corrections and mental health worker retirement benefits by creating a reserve and transferring funds to it that would otherwise qualify for transfer to the Retirement Allowance Fund from unappropriated surplus of the General Fund. Transfers continue until the accumulation of funds to cover the full actuarial costs, including normal costs for 6 years, is complete. Under the bill, retirement service credit may not be given and increased benefits may not be paid until the full actuarial costs of the liability for the increased value of that service has been funded.

#### Committee Amendment "A" (S-286)

This bill requires the Workers' Compensation Board to issue a construction contractor certificate to a person working in the construction industry upon proof that the person functions in a particular trade or occupation as an independent contractor rather than an employee or upon proof that the person has secured the payment of compensation by obtaining insurance coverage. The certificate creates a binding presumption that the person is an independent contractor so long as the person works in the trade, business, occupation or profession identified in the certificate. The application for and issuance of a certificate constitutes a waiver of rights under the Maine Workers' Compensation Act of 1992. A person who engages in construction work without a certificate is deemed an employee of the person's hiring agent.

HASKELL	OTP-AM	H-273

Cost-of-living adjustments to retirement allowances for retirees of participating local districts under the Maine State Retirement System are currently limited to a maximum of 4%. The Consumer Price Index adjustment for September 2006 was 4.3%. This bill authorizes the Board of Trustees of the Maine State Retirement System to implement a one-time additional increase of .3% for retirees of participating local districts who were eligible for a cost-of-living adjustment in September 2006. The additional .3% increase will be paid retroactively to September 2006.

### **Committee Amendment "A" (H-273)**

This amendment incorporates a fiscal note.

### **Enacted Law Summary**

Private and Special Law 2007, Chapter 17, was enacted as an emergency measure effective June 4, 2007. This bill authorizes the Board of Trustees of the Maine State Retirement System to implement a one-time additional increase in the cost-of-living adjustment of .3% for retirees of participating local districts who were eligible for a cost-of-living adjustment in September 2006. The additional .3% increase will be paid retroactively to September 2006.

BURNS STRIMLING	OTP-AM	H-394 S-215 DOW

This bill directs the Department of Labor to annually calculate the livable wages for various household sizes using the methodology employed by the Maine Center for Economic Policy and to report the livable wage calculations to the Legislature. The bill also defines "livable wage" and requires the department to measure and report on the costs to workers paid less than a livable wage and the bureaucratic costs to subsidize workers paid less than a livable wage.

### Committee Amendment "A" (H-394)

This amendment changes the defined household in the livable wage definition from a single-parent, one-child household to a 2-parent household with 2 earners and 2 children. The amendment also removes a section of the bill requiring the Department of Labor to measure annually the costs to workers paid less than a livable wage and the bureaucratic costs to subsidize workers paid less than a livable wage. This amendment also adds an appropriations and allocations section.

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
FAIRCLOTH	OTP-AM	H-517

This bill provides minimum staffing requirements for direct-care registered nurse-to-patient staffing in all hospitals, with an increase of direct-care registered nurses and other licensed and unlicensed nursing staff required based on the individual acuity of the patients. The bill includes professional responsibilities for direct-care registered nurses and protections for certain functions and activities. The bill requires daily posting of staffing ratios, requires that patients be given the toll-free telephone number of the Division of Licensing and Regulatory Services within the Department of Health and Human Services and provides fines of up to \$25,000 for violations of the provisions of the bill. Hospital management, nursing services or medical personnel who violate or interfere with protected rights under the bill are also subject to penalties.

### Committee Amendment "A" (H-517)

This amendment strikes the bill and the title and replaces the bill with a resolve. The resolve requires the Maine Health Data Organization to adopt rules that require the submission of measures of nursing satisfaction using only metrics that can be compared to national benchmark data. The resolve also requires the Department of Health and Human Services to adopt rules that direct hospitals to provide annual notice of the provisions of the Whistleblowers' Protection Act to registered nurses.

PUBLIC 367

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
SIMPSON	OTP-AM	H-370

This bill clarifies that tips belong to the employee providing direct service and that the entire tip, less a pro-rated percentage, if any, charged by a credit card company from any credit card payment must go to the employee by the next regular payday. The bill also allows the pooling of tips in limited circumstances. The bill amends the definition of service employee by providing examples and raising the minimum amount that must be earned in tips in order to meet the definition.

### Committee Amendment "A" (H-370)

This amendment removes the word "evenly" from language allowing service employees to split tips and strikes a provision allowing an employer to deduct a prorated percentage of the credit card charge from an employee's tip.

**LD 1603 An Act To Make Actuarially Fair Adjustments in Retirement Benefits for Older Employees**

ONTP

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
WOODBURY	ONTP	

Sections 1 through 5 of the bill replace the current retirement system for state employees, which provides for normal retirement benefits beginning at age 60 or 62, with a system that indexes the age of eligibility to the number of years of remaining life expectancy. The reform is calibrated to retain the identical life expectancy in retirement as is projected for individuals retiring this year. For those currently eligible for retirement benefits at age 60, the indexed system would provide normal benefits at the age when there are 22 years and 2 months of remaining life expectancy. For those currently eligible for retirement benefits at age 62, the indexed system would provide normal benefits at the age when there are 20 years and 7 months of remaining life expectancy. These ages of eligibility would be revised annually, based on life expectancy statistics maintained by the National Center for Health Statistics. Section 6 of the bill provides for a 6% increase in the retirement benefit amount for each year that an employee works after the normal retirement age. This adjustment prevents older workers from losing the actuarial value of their accumulated benefits if they continue to work beyond the normal retirement age.

The bill makes the following changes to the laws governing the Maine State Retirement System.

1. It removes language that became obsolete when the retirement system became a public instrumentality in 1993.
2. It clarifies when Maine State Retirement System creditable service may be transferred to the Maine Legislative Retirement System.
3. It amends the laws that govern when the retirement system must report to the Legislature regarding the occurrence of a Consumer Price Index increase that exceeds the statutory cap on cost-of-living adjustments in retirement benefits for retirees from the judicial plan and the participating local district plans.
4. It gives judges the same retirement beneficiary provision as was enacted for other system members by Public Law 2005, chapter 560.
5. It repeals references to health insurance and health insurance funds, in which the retirement system no longer serves a role.
6. It repeals some sections of law and amends other sections that refer to funds that are no longer segregated by the retirement system into separate funds.
7. It clarifies that "early retirement" includes retirement from the 1998 Special Plan prior to reaching the normal retirement age of that plan.
8. It makes clear that the employer contribution rate must support the payment of survivors' benefits and disability retirement benefits. This is not a change but a clarification.
9. It removes an incorrect cross-reference and inserts a definition of "federally recognized period of conflict" for participating local district members that is consistent with that for other retirement system members.
10. It permits an individual to be duly designated as a member of the Participating Local District Advisory Committee by respective constituent groups who formerly made nominations to the Governor. It removes the requirement that those individuals also be appointed by the Governor. It also deletes obsolete requirements pertaining to initial terms of committee members.
11. It provides that the laws governing the unauthorized practice of law do not apply to a person who is not an attorney who is representing a party in any hearing, action or proceeding before the Maine State Retirement System.

It amends the laws that govern when the retirement system must report to the Legislature regarding the occurrence of a Consumer Price Index increase that exceeds the statutory cap on cost-of-living adjustments in retirement benefits for retirees from the judicial plan and the participating local district plans.
4. It gives judges the same retirement beneficiary provision as was enacted for other system members by Public Law 2005, chapter 560.
5. It repeals references to health insurance and health insurance funds, in which the retirement system no longer serves a role.
6. It repeals some sections of law and amends other sections that refer to funds that are no longer segregated by the retirement system into separate funds.
7. It clarifies that "early retirement" includes retirement from the 1998 Special Plan prior to reaching the normal retirement age of that plan.
8. It makes clear that the employer contribution rate must support the payment of survivors' benefits and disability retirement benefits. This is not a change but a clarification.
9. It removes an incorrect cross-reference and inserts a definition of "federally recognized period of conflict" for participating local district members that is consistent with that for other retirement system members.
10. It permits an individual to be duly designated as a member of the Participating Local District Advisory Committee by respective constituent groups who formerly made nominations to the Governor. It removes the requirement that those individuals also be appointed by the Governor. It also deletes obsolete requirements pertaining to initial terms of committee members.
11. It provides that the laws governing the unauthorized practice of law do not apply to a person who is not an attorney who is representing a party in any hearing, action or proceeding before the Maine State Retirement System.

## LD 1884 An Act To Create the Competitive Skills Scholarship Fund and To Improve Maine Employment Security Programs

PUBLIC 352

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
CAMPBELL STRIMLING	OTP-AM	H-503

This bill contains four parts. Part A establishes the Competitiveness Training Program to provide access to education, training and support through the Department of Labor's career centers, to prepare individuals for high-wage jobs in industries with significant demand for skilled labor, as designated by the department. Part A establishes the Competitiveness Training Fund which receives payments from employers in the same manner as unemployment insurance contributions. These payments are offset by a reduction in unemployment insurance contributions for a zero net effect. Part A also reduces the benefit reserve cap on the Unemployment Trust Fund from 21 months to 18 months, giving employers a reduction in unemployment taxes for the first two years following implementation.

Part B eliminates the pension offset against unemployment benefits for persons who receive social security or any other pension or plan to which the individual made at least 50% of the contributions. If the person contributed some amount to the pension, but less than 50%, the offset is made after deduction of that portion of the pension that is directly attributable to the percentage of the contributions made to the pension by that person.

Part C provides for the continuation of the unemployment compensation provision that permits certain people who are able and available for part-time work to receive unemployment benefits.

Part D provides for the distribution to the Department of Labor of federal funds under the Reed Act. In 2002, Maine received \$32,486,816 in Reed Act funds. Under federal law, these funds may be used only to maintain the State's unemployment and public employment system or to pay regular unemployment benefits. Part D authorizes the use of \$5,200,000 of Reed Act funds to make technological upgrades and improvements to the unemployment insurance and employment services computer systems as well as improvements to the labor market information services computer systems as they pertain to the analysis of unemployment and employment data. Additionally, a portion of these funds will be used to pay the administrative costs associated with helping unemployment benefit recipients return to work more quickly and to reduce the benefit costs of the unemployment insurance program.

### Committee Amendment "A" (H-503)

This amendment changes the name of the training fund to the Competitive Skills Scholarship Fund and the name of the program to the Competitive Skills Scholarship Program. The title of the bill is replaced to reflect these name changes. The amendment provides that unencumbered balances in the Competitive Skills Scholarship Fund remain in the fund and do not lapse to the General Fund. The amendment also provides that Competitive Skills Scholarship Fund dollars must be used to supplement, and not supplant, other state or local funds that are used to deliver workforce investment services through Maine's CareerCenters. The amendment includes technical changes to make the bill internally consistent and clarifies that an individual career plan is developed in cooperation with the participant and that it must, to the maximum extent feasible, reflect the preferences of the participant, provided that the individual career plan remains within the confines of the goals of the program. The amendment also clarifies that participants must be given a description of the program as well as a list of services and supports available through the program. The amendment also permits the Department of Administrative and Financial Services, Bureau of Revenue Services to disclose to designated employees of the Department of Labor information necessary to administer the contributions to the Competitive Skills Scholarship Fund. It also adds an appropriations and allocations section.

STRIMLING	OTP-AM MAJ ONTP MIN	S-274

This bill is a concept draft pursuant to Joint Rule 208. This bill proposes to prohibit an employer from discharging an employee who refuses to pay service fees imposed by a union.

#### Committee Amendment "A" (S-274)

This amendment specifies that public employees, including state and legislative employees, university, academy and community college employees and judicial employees, may not be required by an employer or other person to join a union, labor organization or bargaining agent and may not be terminated for nonpayment of any service fee. The amendment permits the employer to deduct service fees from the pay of unit members who do not join the union. The amendment further provides that any fee balance owed to the union may be deducted only to the extent that the total deduction for the current fee and arrears installment does not exceed in each pay period 10% of the employee's gross pay. Finally, the amendment directs the Maine Labor Relations Board to develop recommendations to improve the procedures for resolving disputes over a union's calculation of its service fee and report those recommendations to the Joint Standing Committee on Labor.

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
BARSTOW	OTP-AM	H-568 H-587    PATRICK

This bill relaxes the residency requirement for the appointment of election clerks, permitting a municipal clerk to appoint election clerks who are residents of the county of the municipality if insufficient numbers of municipal residents are available.

### Committee Amendment "A" (H-568)

This amendment requires a municipal clerk to notify the chairs of the local and state party committees of the lack of available election clerks necessary to provide a balance among the major political parties. After providing this notice the clerk may appoint election clerks from within the county. This amendment also requires municipal officers to consider persons nominated from the county and state party committees when appointing election clerks. Finally, this amendment requires the municipal clerk to complete a form provided by the Secretary of State, when a registered voter changes party enrollment status in order to be available to serve as an election clerk to maintain a balance between the major political parties and that election clerk participates in the counting of ballots. That form must be filed with tabulation results sent to the Secretary of State and attached to the sorted group of ballots counted by an election clerk who conducted the count on those ballots. This amendment also requires the Secretary of State to report how many forms regarding election clerks who changed party enrollment status were submitted.

### House Amendment "A" (H-587)

This amendment removes the mandate preamble, which was included in the committee amendment in error.

### Enacted Law Summary

Public Law 2007, chapter 422 requires a municipal clerk to notify the chairs of the local and state party committees of the lack of available election clerks necessary to provide a balance among the major political parties. After providing this notice the clerk may appoint election clerks from within the county. It also requires municipal officers to consider persons nominated from the county and state party committees when appointing election clerks. Chapter XXX requires the municipal clerk to complete a form provided by the Secretary of State, when a registered voter changes party enrollment status in order to be available to serve as an election clerk to maintain a balance between the major political parties and that election clerk participates in the counting of ballots. That form must be filed with tabulation results sent to the Secretary of State and attached to the sorted group of ballots counted by an election clerk who conducted the count on those ballots. This law also requires the Secretary of State to report how many forms regarding election clerks who changed party enrollment status were submitted.

This bill directs the Adjutant General to establish an award to give to "gold star" parents and close family members of armed services members who are killed in action or die as a consequence of wounds received in battle if one of the "gold star" parents or close family members lives in this State.

**Committee Amendment "A" (H-84)**

This amendment clarifies the system to be developed by the Adjutant General to award gold star medals to relatives living in Maine of members of the United States Armed Forces who are killed in action or die as a result of injuries received in battle since September 11, 2001. The system is to be administered by the Director of the Bureau of Maine Veterans' Services within the Department of Defense, Veterans and Emergency Management. The amendment provides that up to 3 medals may be awarded. One medal would be issued to a surviving spouse and one to the parents or 2 if the parents are divorced. If the service member has no surviving spouse or parents or they live outside of the State, a medal may be awarded to the service member's next of kin.

**Senate Amendment "A" (S-350)**

This amendment strikes from the committee amendment the General Fund appropriations for the Department of Defense, Veterans and Emergency Management for a medal system to recognize certain members of the United States Armed Forces. The department will have to implement this program using currently budgeted resources.

BROMLEY	ONTP MAJ OTP-AM MIN	

This bill allows for an out-of-state producer, supplier, importer, wholesaler, distributor or retailer who obtains a Maine certificate of approval license and a non-resident shippers license to ship wine or malt-liquor directly to a resident of this state 21 years of age or older for personal use. This bill creates a non-resident shipper's license available to certificate of approval holders who show proof of an out-of-state alcoholic beverage license. The fee for a non-resident shipper's license as provided by this bill is \$100. Certificate of approval holder in current law is an in-state manufacturer, out-of-state manufacturer or out-of-state wholesaler license by the bureau. A manufacturer is a person who distills, rectifies, brews, ferments, bottles, or other wise produces liquor.

This bill requires that shipped wine or malt liquor go only to a resident 21 years of age or older and may not be re-sold. The delivery must be made to the person who has ordered the product or an of-age person who resides in that household. The bill requires that the shipping container be conspicuously labeled "CONTAINS ALCOHOL: SIGNATURE OF PERSON 21 YEARS OF AGE OR OLDER REQUIRED FOR DELIVERY" A shipper would be barred from shipping to prohibited shipping areas as identified by the bureau or local option.

The bill provides that a non-resident shipper shall pay annually all sales and excise taxes due on sales during the preceding calendar year.

The bill requires a non-resident shipper to report to the bureau annually the total number of bottles of beer or wine shipped into the state. It also provides that the bureau may audit the shipper's records.

The bill provides that a violation of this act would be a Class D crime and would constitute a violation of the Maine Unfair Trade Practices Act. The bureau may suspend or revoke the shipper's license for a violation - subject to administrative proceedings.

The bill provides that the bureau may adopt routine technical rules to administer these provisions.

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
STRIMLING	OTP-AM	S-114

Current law provides that the Secretary of State is required to provide the wording of the ballot question to initiative petition applicants within 10 business days of receipt of written consent to the final language of the proposed initiative law.

This bill, proposed as an emergency measure, requires the Secretary of State to provide reasonable notice to the general public when the Secretary of State drafts a question that will be on a ballot for a citizen initiative. After providing notice, the Secretary of State would be required to provide a 30-day opportunity for members of the general public to provide comments with respect to the accuracy of the proposed question. After accepting and reviewing all commentary submitted, the Secretary of State would then finalize the initiative question.

## **Committee Amendment "A" (S-114)**

This amendment replaces the bill. The amendment, an emergency measure, establishes a comment period so that the public may offer comments on the wording and content of ballot questions for any initiative that will appear on the ballot in accordance with the procedure for citizen-initiated measures. The amendment requires the Secretary of State to propose a question for the initiative within 10 business days after adjournment of the legislative session. That proposed question will be posted on the publicly accessible website of the Secretary of State along with a notice of a public comment period. The notice may also be published in newspapers with general statewide circulation. No later than 10 days after receiving public comments, the Secretary of State shall write the question to appear on the ballot.

This amendment also makes changes to provisions of law that have been rendered inconsistent by the November 2006 passage of a Constitutional Amendment regarding when petitions for citizen initiatives are due to municipalities for signature verification.

**ONTP**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
HINCK	ONTP	

This bill amends the process by which the determination of the election of Governor is determined. It establishes a system for ranking gubernatorial candidates, in order of preference, if more than 2 are listed on the ballot. The bill defines this method as instant run-off voting. Under the bill, this method would be implemented for elections for Governor beginning in 2014. The method provides for rounds of counting. The first round will count all of the highest ranking choices. The candidate with the fewest high ranking votes is eliminated. The remaining, or advancing candidates, will be considered in a subsequent round. Once it is determined that a second round will occur, the bill directs the Secretary of State to administer the run-off process for determining the winning candidate. In this subsequent round, the next highest ranking votes from the ballots that had the eliminated candidate as first choice, are credited to the corresponding advancing candidates. This process continues until only 2 candidates remain. The candidate with the most votes wins the election.

The bill requires that instructions must be placed on sample ballots and on the actual ballot used on election day. Sample ballots would be required to be sent out with actual absentee ballots and posted in or near each voting booth. The bill also provides that a municipality or election authorities may provide for the use of mechanical or electronic devices for marking, sorting, counting and tabulating ballots.

Under this bill, a ballot is determined "exhausted" for the purposes of being counted when: (1) there are no more ranked choices; (2) more than one ranking has been skipped and then counting stops at the ranking where the skipped ranks begin; or (3) when a ballot has the same ranking for more than one candidate, then the ballot is exhausted at that ranking point. The bill provides that if a tie occurs at any stage, determinations are made based on whomever received the most votes at the previous stage. If no previous stage applies, the bill states that the tie must be resolved in accordance with general election laws.

The bill provides that the Secretary of State may limit the total number of rankings to no fewer than 5 candidates and states that two or more candidates may be eliminated simultaneously if the total votes for the two is less than those credited to the next highest ranked candidate.

Finally, this bill provides, that in terms of determining the status of a recognized political party, only the votes for that party's candidate in the initial round of counting shall apply.

This bill allows a sales representative for a distilled spirits manufacturer or supplier to give a retail licensee a sample bottle of spirits in a size not to exceed 1 liter. These samples would be provided in the form of a bottle to be taken by the retail licensee to consume elsewhere. The provisions in LD 620 that allows for spirits samples are similar to those provisions in current law that provide for beer/wine samples.

### Committee Amendment "A" (H-101)

This amendment clarifies that the 3-liter-per-year limitation is per distiller represented by a sales representative. The amendment removes the provision that samples be provided in the smallest container size available for sale in this State and retains the provision that samples may not exceed one liter.

### Enacted Law Summary

Public Law 2007, chapter 113 allows a sales representative for a distilled spirits manufacturer to provide spirits samples to retail licensees. These samples are provided in the form of a bottle of spirits given to the retail licensee to be consumed away from the licensed retail establishment. Individual samples may not exceed one liter in size and the sales representative may give no more than 3 liters to any one retail licensee per year.

VALENTINO	ONTP	

This bill sets up specific provisions within the Maine Clean Election Act that would provide additional financing for certified candidates who intend to run for Legislative leadership positions. It defines "leadership position" as President of the Senate, House Speaker, and party leaders in the House and Senate.

To qualify for financing under this program, a certified candidate in the Senate must get 7 signatures from party members and House candidates must get 20. A letter of intent must be filed with the Commission on Governmental Ethics and Election Practices after certification and within 3 days of becoming a leadership candidate. Prior to certification a leadership candidate would be required to collect 10% of their Clean Election Act Fund distribution in seed money, which may not come from an out-of-state donor.

Candidates for Speaker of the House would receive \$20,000. House leadership positions would receive \$10,000. Senate President candidates would receive \$15,000. Senate leadership candidates would receive \$5000. Unspent money would be returned to the commission. The bill provides that leadership candidates do not receive matching funds for leadership races. A candidate for leadership under this program would be prohibited from giving money to a candidate, campaign, political committee or PAC during the leadership campaign and would be prohibited from accepting or spending other funds in running for leadership. It also prohibits leadership candidates in the program from serving as an officer or having control over a PAC that contributes to a campaign in the state.

Finally, this bill allows for the commission to adopt routine technical rules to implement this program.

FLETCHER	ONTP	

This bill amends the law that provides that any voter of any municipality may challenge the right of another to vote. It strikes the requirement that a challenge must be made in the form of a signed affidavit under oath administered by the warden. Under current law, the affidavit must state the challenger's name, address, party affiliation, voter registration status in the municipality, the reason the challenged person may be ineligible to vote, the source of the information or personal knowledge on which the challenge is based. It also provides that a false statement is punishable under the penalties of perjury. This bill would lessen the existing challenge requirements and require only that the challenger state his or her name, the name of the voter challenged and the reason for the challenge.

### LD 732 An Act To Improve the Candidate Nomination and Replacement Process

FLETCHER	ONTP	

Current law provides that a political committee may nominate a replacement candidate following a candidate's withdrawal in accordance with the following provisions:

the candidate who has withdrawn was nominated via primary election, and;  
the candidate who has withdrawn, did so by the 2nd Monday in July; or

# Joint Standing Committee on Legal and Veterans Affairs

the candidate withdrew due to becoming permanently and continuously incapacitated; or the candidate died.

The replacement candidate must be nominated by the 4th Monday in July preceding the general election (or as soon as practicable if the candidate withdrew because of incapacitation or the candidate died).

This bill would allow the party to name a replacement for a candidate who withdrew after only filing a primary petition with the Secretary of State. Current law provides that certified primary petitions must be filed by March 15th.

S-37   MARRACHE

This bill was presented to the 123rd Legislature as a result of the citizen initiative process provided for by the Constitution of Maine. The bill amends the current framework that authorizes and regulates the existing racino in Bangor to allow for slot machines to be operated at a tribal commercial harness racing track in Washington County.

Currently, a commercial track operator is eligible for a slot machine operator license. This bill creates a tribal commercial track, comparable to a commercial track, and provides that the tribal track would be eligible for a license to operate slot machines. Under this bill, a tribal commercial track would be more than 90 miles from an existing commercial track and within 45 miles of tribal land. A tribal commercial track would be required to race a minimum of 25 days annually. LD 805 places the same requirements on a tribal commercial track that exist for regular commercial tracks including payments to the state, off-track betting facilities, agricultural fairs and other industry related funds. All licensing requirements in existing law would apply to a tribal commercial track slot machine facility. The current statewide limit for slot machines is 1500. LD 805 raises that limit to 3000.

The distribution of slot machine revenue would be the same for a tribal racino as is required by law for the Bangor racino with the following exceptions:

The revenue from the tribal racino required to be distributed for scholarships at the University System and Community Colleges would be dedicated to campuses in Washington County.

The tribal racino also makes two additional distributions - 1% to the Washington County Development Authority and 1% to career and technical education centers in Washington County.

Finally, this initiated bill provides for a license to conduct high-stakes beano on non-tribal land in Washington County and that the license may be issued jointly to all Federally recognized tribes in the state.

This bill was passed by the Legislature without change, in accordance with the Constitution Maine, but then vetoed by the Governor. The veto was sustained. In accordance with the Constitution of Maine, this initiated bill will be put before the people of the state for a vote in November 2007.

Current law provides that an agency liquor store must be located at least 300 feet from a public or private school, church, chapel or parish house. This distance requirement may be waived for a church, chapel, parish house or post secondary school, after holding a public hearing near the proposed location. The waiver does not apply to all schools, just post-secondary schools. The 300 feet distance requirement in current law would still be applicable with regard to churches, chapels and parish houses.

This bill amends that law to require that an agency store must be at least 750 feet from a public or private school. This requirement would apply to newly licensed agency stores as well as existing agency stores when those licenses are due for renewal. The bill provides that after a public hearing near the agency store or proposed agency store, the bureau may waive the distance requirement as long as the spirits sold by the agency store are placed in a locked display case accessed only by an employee who is 17 years of age or older.

This bill provides that nonprofit organizations eligible for a license to conduct beano are eligible for a license to operate up to 5 slot machines per nonprofit organization location. A non-profit would be required to get municipal approval before the gambling control board could issue a slot machine operator license. Slot machines operated by the non-profits would be required to be connected to the central site monitoring system that is currently in place to monitor slot machines operated at the slot machine facility in Bangor. That system is enabled to monitor all activities and to shut down machines if necessary.

Under this bill, the initial license fee for an operator of a non-profit slot machine license is \$1000 and the annual renewal fee is \$250.

The bill provides for the distribution of slot machine revenue as follows:

1. One percent of gross slot machine income to the General Fund for administrative costs of the Gambling Control Board;
2. Twenty-four percent of net slot machine income to the General Fund for administrative costs of the Gambling Control Board and \$200,000 for the Citizen Trade Policy Commission;
3. One percent of net slot machine income for gambling addiction services; and
4. Ten percent of net slot machine income directly to the municipality where the slot machines are located.

The bill also provides for revenue sharing agreement with the municipality that could provide 10% of the net slot machine income to the municipality.

Current law allows for licensed games of chance, like poker, but limits the maximum bet on a game, to \$1 per bet. This bill creates a new tournament game license where an entry fee would be paid per person to participate in the tournament plus a license fee. The winner of the tournament would receive 75% of the entry fees as the winning prize.

This bill authorizes the Chief of the State Police to issue a tournament game license to organizations that are eligible to conduct beano and games and games of chance and have first received municipal approval. The maximum entry fee would be \$100 and the maximum number of players would be 100. The bill provides for an additional license fee of \$5 per person. An organization would be limited to one tournament license per month. Tokens or chips would be used during the course of play and the tournament must be completed within 48 hours. Lucky-seven or similar sealed tickets would be permitted to be sold at these tournaments.

Seventy-five percent of the proceeds remaining after the payment of prizes would be required to go to the charity designated in the license application already submitted to the Chief of the State Police. The bill provides that the Chief of the State Police may only retain revenue from license fees in an amount to cover administration of tournament games. License fees collected in excess of those used to defray administrative costs are divided between the River Valley Technology Center, the Fractionation Development Center and the General Fund.

**Committee Amendment "A" (H-267)**

This amendment removes the reference to municipal approval and replaces it with local governing authority approval in reference to the requirements to be met before the Chief of the State Police will consider an application for a tournament game license. This amendment also removes the River Valley Technology Center as a recipient of surplus fees from tournament game licenses. Under this amendment the 20% that would have gone to the River Valley Technology Center will be credited to the General Fund.

**LD 1008 Resolve, Directing the Commission on Governmental Ethics and Election Practices To Provide Historical Data Regarding the Receipt and Resolution of Complaints Pertaining to Legislative Ethics Violations**

**RESOLVE 81**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
EDMONDS	OTP-AM	S-228

This bill amends the legislative ethics laws, as recommended by a 15-member study group created during the Second Regular Session of the 122nd Legislature: the Presiding Officers' Advisory Committee on Legislative Ethics. It broadens the definition of "conflict of interest" and increases protection against possible undue influence by Legislators. It also changes the workings of the Commission on Governmental Ethics and Election Practices to require that most commission proceedings on legislative ethics be conducted in public and to allow members of the public to file complaints regarding possible violations of legislative ethics laws. Finally, the bill rearranges, rewrites and edits several provisions of the law to make it easier to read and understand.

Under current law and rules of the Legislature, a Legislator is prohibited from voting on legislation on the grounds of conflict of interest only if the Legislator or certain family members or business associates would derive a unique and distinct benefit from the legislation. This bill proposes that a Legislator faces a conflict of interest in voting if the Legislator or an immediate family member or close economic associate of the Legislator would be benefited or harmed by the legislation to a degree that is significantly greater than similarly situated persons or entities or the Legislator, a member of the Legislator's immediate family or a close economic associate is a member of a small group of persons or entities that derive a significant benefit or harm from the proposed legislation.

The bill revises the limits on Legislators appearing before state agencies. Current law allows Legislators who

## *Joint Standing Committee on Legal and Veterans Affairs*

are lawyers or other professional persons to represent clients before state agencies as long as they do not refer to their legislative capacity, but prohibits other Legislators from doing so. This bill prohibits a Legislator from representing a client before a state agency if the Legislator is a member of the joint standing committee with jurisdiction over that state agency. In such instances, a department and its staff would be more likely to know the identity of the Legislator and be influenced in their decision making by the Legislator's influence over the agency's policies and budget. Exceptions to the prohibition are made for representation before courts, uncompensated representation for a constituent and representation involving only the agency's ministerial, nondiscretionary functions.

The bill provides that the committee jurisdiction be determined by definition of the Legislature, including matters such as jurisdiction for purposes of referencing bills or for budget review by a policy committee.

The bill allows members of the public to file complaints alleging a violation of legislative ethics with the Commission on Governmental Ethics and Election Practices. A complaint must relate to a sitting Legislator but may refer to conduct that occurred within 2 years prior to the complaint. The bill requires the commission to conduct an initial review of all complaints in executive session to screen out frivolous or bad-faith accusations. If the commission does not have its full complement of 5 members, the bill proposes that a vote of 2 members would be sufficient to pursue a complaint. Once the commission votes to pursue a complaint, all commission meetings on the complaint must be conducted in public. Current law allows the commission to order a complainant to reimburse the subject of a complaint for costs incurred if the commission finds the complaint to be "groundless and without foundation." The bill changes the standard to "frivolous" complaints and those "filed in bad faith." These standards are more commonly used in courts and other situations. The bill allows a person to appeal a commission order under this provision pursuant to the Maine Administrative Procedure Act.

The bill provides that a complaint and most investigative records relating to the complaint are public records once the commission votes to pursue the complaint. If the commission votes not to pursue the complaint, the complaint and investigative records remain confidential. As under current law, the commission's findings of fact and recommendations are public records. The bill prohibits communication between commission members and a complainant or the subject of a complaint while a complaint is pending before the commission. It also requires the commission to make reasonable efforts to resolve a complaint within 90 days of its filing and replaces current process provisions with a requirement that the commission adopt rules regarding the conduct of its investigations and hearings.

The bill revises the structure of the legislative ethics laws to create a definition of "violation of legislative ethics" and to designate the term "conflict of interest" as referring specifically to conflicts regarding voting or advocating on legislation. Other violations of legislative ethics are specifically set out as under current law, such as "undue influence" and "abuse of position." Rather than referring to these as "conflicts of interest," the bill classifies them as violations of legislative ethics. The law specifically authorizes the commission to hear complaints and make recommendations to the Senate and the House of Representatives regarding these violations of legislative ethics statutes.

The Presiding Officers' Advisory Committee on Legislative Ethics also proposed a number of changes to the Legislature's Joint Rules and the rules of the Senate and the House of Representatives relating to ethics and the process for addressing concerns about ethics. Recommendations for amendments to the rules, which are matters of internal procedure reserved for the House and Senate, will be presented separately from this bill to the Joint Select Committee on Joint Rules for their consideration.

CANAVAN MITCHELL	OTP-AM	H-367

Current law provides that "lobbying" means directly communicating with any official of the legislature for the purpose of influencing legislative action. It also includes communication directly with the Governor for the purpose of influencing the approval or veto of a legislative action. The definition provides that these types of communication are lobbying if the person receives compensation or reimbursement for expenditures. The definition includes time spent to prepare and submit oral or written proposals, testimony or analyses concerning a legislative action.

This bill expands the definition by adding communication with a state agency commissioner, a commissioner's designee, or constitutional officer. It further expands the definition with regard to time spent preparing and submitting oral or written proposals, testimony or analyses to include that submitted to an official within the executive branch, a state agency commissioner, commissioner's designee or constitutional officer.

Finally, the bill specifies what lobbying does not include. That provision states that lobbying does not include time spent by any person providing information to or participating in a subcommittee, stakeholder group, task force or other work group regarding a legislative action by the appointment or at the request of the Governor, a Legislator or legislative committee, a constitutional officer, a state agency, commissioner or the chair of a state board or commission as long as the person's regular employment does not otherwise include lobbying.

Current law provides that an agency store license, a license to sell spirits as an agent of the state that controls the sale of spirits, is not transferable but allows for someone to take over the license temporarily until a new licensee is selected. In this event, the bureau would post notice of an available license and accept applications. The bureau selects a new licensee based on criteria established in law. It may or may not be the temporary license holder.

This bill requires the transfer of an agency liquor store license if the new owner meets the eligibility qualifications that license applicants are required to meet and if the physical premises of the establishment remains unchanged. The initial license fee in current law for an agency liquor store is \$2000. Under this bill, the same fee would apply to a transferee.

This bill requires the parties to submit a list of nominees for a vacancy on the Commission on Governmental Ethics and Election Practices within 60 days of the vacancy or the Governor has the power within 30 days after to appoint a nominee as the Governor determines.

## Committee Amendment "A" (H-336)

This amendment replaces the proposal made by the bill that would have required the Governor to appoint a candidate to fill a vacancy for the 5th member of the Commission on Governmental Ethics and Election Practices if the leaders of each party from both bodies of the Legislature fail to provide a jointly derived list of 3 qualified candidates within 60 days of the vacancy's being created. The amendment provides that if the jointly derived list is not presented to the Governor within 60 days of the vacancy's being created, then within the subsequent 15 days each party from both bodies of the Legislature shall present a separate list to the Governor, who shall appoint a candidate within 30 days of receiving the lists.

## Enacted Law Summary

Public Law 2007, chapter 252 establishes a process to fill a vacancy for the 5th member of the Commission on Governmental Ethics and Election Practices if the leaders of each party from both bodies of the Legislature fail to provide a jointly derived list of 3 qualified candidates within 60 days of the vacancy's being created, as required by current law. Chapter 252 provides that if the jointly derived list is not presented to the Governor within 60 days of the vacancy's being created, then within the subsequent 15 days each party from both bodies of the Legislature shall present a separate list to the Governor, who shall appoint a candidate within 30 days of receiving the lists.

PERCY	ONTP MAJ OTP-AM MIN	

This bill amends the law governing the powers and duties of the lottery commission. It requires the commission to work with the Department of Agriculture, Food and Rural Resources (DAFRR) to develop an animal welfare lottery game. Lottery agents who sell this ticket would receive a commission at 1% point higher than that applied to other lottery tickets. Sales of the tickets would be divided among the General Fund, which would receive one-third and DAFRR which would receive two-thirds. The amount to go to DAFRR would be divided equally between the program to provide subsidies to low income persons for spaying and neutering companion animals and to the animal welfare program.

### Committee Amendment "A" (H-208)

DIAMOND	OTP-AM	S-168

Current law requires a license for any game of chance where a person pays up to \$1 for a chance to play and may receive a prize of money or something of value.

This bill provides that a license to hold, conduct or operate a game of chance is not required of a bona fide nonprofit charitable, educational, political, civic, recreational, fraternal, patriotic or religious organization or an auxiliary of any of these organizations if all of the prizes awarded in that game of chance are non-monetary with a value of under \$10 and a chance costs \$1 or less.

**Committee Amendment "A" (S-168)**

This amendment replaces the bill, which allowed for the operation of games of chance by a nonprofit organization without a license. The amendment instead provides that certain games of chance that are intended for play by children at festival-style events may be operated by persons under 16 years of age and may be played by persons under 16 who are not accompanied by an adult. This exception to current law and rule would apply only to games in which a nonmonetary prize valued at less than \$10 is awarded for every chance played and would require approval from the Chief of the State Police.

This bill establishes a definition of importer as a person other than a licensed manufacturer wherever located who imports spirits into the state for sale or use. The bill requires spirits manufacturers and importers to be licensed under a new license fee structure. This license fee structure sets a fee for in-state spirits manufacturers at \$1,000 annually. A separate graduated fee structure is established for out-of-state spirits manufacturers based on annual in-state sales in gallons during the immediately preceding calendar year:

- \$50,000 for 10,000 gallons or greater;
- \$25,000 for greater than 5,000 but less than 10,000 gallons;
- \$5,000 for greater than 1,000 but less than 5,000 gallons; and
- \$1,000 for less than \$1,000.

The bill also establishes an annual license fee for importers of \$5,000 and an additional fee for out-of-state manufacturers with no prior Maine sales at \$10,000.

The bill increases the certificate of approval license fee for malt liquor only from \$600 to \$10,000 per year and for wine only from \$600 to \$5,000 per year. The bill increases the annual license fee for sales representatives from \$50 to \$2500. Wholesale licenses for malt liquor and wine would be increased from \$600 to \$10,000 annually. The effective date for fee increases would be January 1, 2008.

With regard to collection of these increased fees, as well as other fees collected in current law under chapter 51 (special warehouse fee, low alcohol spirits taxes), these fees would be deposited into the General Fund and then an equal amount appropriated to the Office of Substance Abuse. The bill requires that such funds would be required to use for substance abuse prevention, case treatment, management, monitoring, enforcement programs and drug courts.

This bill extends the period that certain expenditures under the Maine Clean Election Act are deemed independent expenditures from 21 days to 60 days prior to an election. This bill also repeals the provision in the Maine Clean Election Act that gives a longer qualifying period to unenrolled candidates. It also adds a provision to the terms of participation of the Maine Clean Election Act requiring a candidate to maintain the same enrollment status the candidate held at the time of the preceding general election prior to seeking certification as a Maine Clean Election Act candidate. The bill directs the Commission on Governmental Ethics and Election Practices to adopt rules that will: permit a candidate to reuse campaign signs from a prior election without updating disclaimers; establish an equitable formula for the allowance of travel expenses based on the square miles in a candidate's legislative district; and permit primary funds to be spent during a general election if a candidate was unopposed in the primary. Finally, this bill directs the commission to issue a report that suggests a statutory mechanism for narrowing to one the number of unenrolled gubernatorial candidates that may receive Maine Clean Election Act funds.

MILLS P	ONTP	

This bill amends the Maine Clean Election Act by combining seed money and qualifying contributions into one qualifying system. Rather than seed money, a candidate would be able to spend qualifying contributions prior to certification as a Maine Clean Election Act candidate. Qualifying contributions, which may be made by either cash or money order under this bill, are defined as any amount between \$5 and \$40 payable to the candidate or the

# Joint Standing Committee on Legal and Veterans Affairs

campaign and must come from the candidate's district. To be certified as a Maine Clean Election Act candidate, the candidate must raise qualifying contributions in numbers and amounts as follows:

Minimum number of contributors Total sum required to qualify  
or House 50 \$500  
or Senate 150 \$1,500  
or Governor 2,500 \$25,000

The number of required contributors remains the same as in present law, but the minimum amount of money required is doubled from \$5 per check to what would be an average of \$10 if only the minimum number were obtained. Each \$5 contribution still counts and contributions up to \$40 are acceptable. Instead of turning checks in to the commission, this bill provides that candidates submit an acknowledgment receipt signed by each contributor as evidence of the payment and support.

Under this bill, initial distributions from the Maine Clean Election Fund to a candidate certified as a Maine Clean Election Act candidate are reduced by one-half of the qualifying contributions collected. Under this bill, the qualifying period would begin on November 1st of the year prior to an election year for candidates for all offices. Current law provides that November 1st is the beginning of the qualifying period for just gubernatorial candidates. The bill repeals a provision that presently allows an unenrolled candidate to receive a distribution equal to a primary or general election campaign distributions in uncontested races if the candidate qualifies before April 15th. For unenrolled candidates, distributions are set at 40% of those available to a party candidate unless the unenrolled candidate obtains a number of contributors equal to 160% of those required for a party candidate. The total dollar sum of contributions required by current law remains the same for party and for unenrolled candidates under this bill.

This bill prohibits a registered voter from making a qualifying contribution to more than one candidate for the same office. This bill removes a provision that permits a candidate to pay the fee for money orders to be used as qualifying contributions since it provides for the authorization of cash transactions for qualifying contributions. The bill provides that no revenue from the Maine Clean Election Fund may be pledged or applied to the collection of qualifying contributions.

This bill expands from 21 days to 42 days the period before an election in which a paid communication is deemed to be an independent expenditure if it clearly identifies a candidate on the ballot.

The bill also adds a private funding option for candidates. Before April 15th of an election year, a candidate whose campaign is supported by private contributions may request that the Commission on Governmental Ethics and Election Practices provide matching fund protections of the Maine Clean Election Act if the candidate agrees to limit and does, in fact, limit campaign contributions and expenditures to the amount that would be authorized for distribution to the candidate if the candidate were qualified as a Maine Clean Election Act candidate. A candidate making such an election is entitled to public matching funds in the same manner as a qualified Maine Clean Election Act candidate.

This bill was considered with a larger comprehensive bill that addressed campaign finance and the Maine Clean Election Act, LD 1854.

## LD 1688 An Act To Allow the Use of Credit Cards To Purchase Wine, Beer and Spirits from Distributors ACCEPTED ONTP REPORT

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
PLOWMAN	ONTP MAJ OTP-AM MIN	

This bill amends the current law that requires shipments of alcoholic beverages to be paid for in full, in cash at the time of delivery. This law applies to the state's spirits wholesaler who sells to state agency stores, state agency stores who are reselling agents and supply bars and restaurants and beer and wine wholesalers who supply on-premises and off-premises licensees.

This bill, as it amends current law, would provide that the spirits wholesaler may accept payment by credit card and that reselling agents and beer/wine wholesalers may only accept payment in the form of cash, check, electronic funds transfer or credit card.

BRYANT M	OTP-AM	H-457

Current law permits raffles to be sold during the one hour period before a beano game. This bill extends that timeframe so that raffles may be sold for one hour after the game begins (thus, during beano play). It also provides that a raffle for a prize valued at greater than \$10,000 but less than \$75,000 may be divided into multiple drawings not to go beyond 1 year.

### Committee Amendment "A" (H-457)

This amendment strikes a provision in the bill that permits raffle tickets to be sold up to one hour after a beano game as an exception to current law. This amendment specifies that multiple drawing raffles are progressive raffles that are divided into a maximum of 12 drawings with previous entries rolled into subsequent drawings.

### Enacted Law Summary

Public Law 2007, chapter 378 provides for multiple drawing raffles and specifies that they are progressive raffles that are divided into a maximum of 12 drawings with previous entries rolled into subsequent drawings.

BRYANT M	ONTP	

This bill amends current law to allow different organizations to conduct beano games at the same location on the same day. Current law provides that no more than one game may be conducted at any one place on a given day. It also extends the time at the beginning of beano games when games of chance may be sold from one hour to 2 hours. This bill increases the prize limit on individual games from \$400 to \$500.

Current rules prohibit beano workers from assisting players by playing their cards except the law provides for an exception for restroom breaks. This bill allows beano workers to assist players by marking their beano cards when the players have to leave their seats for a smoke or refreshment break.

Finally, this bill directs the Chief of the State Police to make certain changes to the rules pertaining to the conduct of beano games, including permitting the licensee to reserve seats at a beano game for parties of 10 or more, allowing additional cards to be distributed during the middle of a game, charging for beano cards based on the retail value of individual games and to charge a fee for the use or exchange of electronic beano daubers. Current rule prohibits changing or purchasing new cards once beano play has commenced.

This bill amends the Maine Clean Election Act by increasing the number of qualifying contributions required of a gubernatorial candidate for certification from 2,500 to 3,250 and requiring that candidate to raise at least \$15,000 in seed money. The bill amends the definition of a qualifying contribution to state that the \$5 donation may be made to only one candidate seeking the gubernatorial election or one candidate in a particular legislative election. It extends the authority to certify candidates as Maine Clean Election Act candidates to the executive director of the Commission on Governmental Ethics and Election Practices. This bill adds to the requirements for certification and provides for circumstances under which the commission or its executive director may revoke certification of a Maine Clean Election Act candidate and require the return of Maine Clean Election Act funds. Finally, this bill removes language designating rules adopted under the Maine Clean Election Act as major substantive rules.

This bill increases the contribution limits in current law for legislative and gubernatorial candidates. Under this bill, individuals may make contributions aggregating up to \$1,000 for a gubernatorial candidate, \$750 to a candidate for the state Senate and \$500 to a candidate for the state House of Representatives. This bill specifies that seed money contributions for a candidate seeking certification as a Maine Clean Election Act candidate must come from voters within the candidate's voting district and that a minimum amount must be collected in order to become certified as a Maine Clean Election Act candidate.

The bill also changes current law to exclude the distribution of matching funds in primary elections. Finally, this bill includes seed money raised by a Maine Clean Election Act candidate in the formula used to determine whether a candidate may receive matching funds.

This bill proposes to adopt the interstate compact that is the agreement among the states to elect the President of the United States by national popular vote. Under the compact and the bill, the presidential candidate who receives the most popular votes in all 50 states and the District of Columbia will win the presidency. Under this bill, all of the state's electoral votes would be awarded to the presidential candidate who receives the most popular votes in all 50 states and the District of Columbia.

This bill would take effect only when enacted by states possessing a majority of the electoral votes, that is, enough electoral votes to elect a President, which is 270 of 538.

This bill adds a definition for "domestic partner" and includes a domestic partner in the definition of "immediate family." The bill also adds definitions for "voting booth," "voting station," "accessible voting system" and "voting system." The bill clarifies who is ineligible to serve as registrar of voters. It also makes changes to the process for a voter registration appeals hearing by specifying the minimum time period for written notice, establishing that the hearing is a de novo hearing and requiring that a voter be kept in the central voter registration system and allowed to cast a challenged ballot until the appeals are exhausted. The bill specifies that a person loses a voting residence when that person registers to vote in another state. It also clarifies the requirements for the name by which a voter may register to vote and for how a candidate's name may be listed on a state ballot. The bill clarifies the requirements for change of enrollment, including the restrictions during the 15-day period until the change becomes effective. The bill also makes the language on prohibited party names or political designations consistent with other laws on prohibited names. The bill prohibits a candidate from withdrawing less than 60 days before a primary or general election. The bill clarifies the Secretary of State's authority to determine the format of all instructional election materials. The bill clarifies that the requirements for providing test ballots apply to other voting devices, such as the accessible voting system. It also clarifies that the minimum requirement to allow one poll watcher from each of the qualified parties applies to each segment of the incoming voting list if the municipality divides the list by voting district or by the alphabetic listing of the voters' names. This bill clarifies the requirements for the accessible voting system and prohibits the municipality from using the accessible voting system for purposes other than voting. This bill also clarifies the process for establishing and consolidating voting places, as distinct from the process of establishing or consolidating voting districts. It also clarifies the process for facilitating a voter's use of the accessible voting system. The bill clarifies how a voter may receive assistance from another person in voting. This bill clarifies the process for an election official to challenge a voter as well as the process for the registrar to resolve the status of challenged voters after the election. The bill eliminates the use of stickers for write-in candidates at a primary election. It also changes the deadline for a write-in candidate to file a declaration of write-in candidacy to 5 p.m. on the 3rd business day prior to the election and provides that a write-in vote may not be counted as valid unless the name is of a person who has filed a declaration of write-in candidacy by the deadline. This bill restricts absentee voting on the day before election day and on election day to ballots requested in writing and issued for voting outside the presence of the clerk and further provides that a clerk does not have to issue a ballot by mail if the request is received on election day or on the day before election day if the voter is outside the municipality.

## Committee Amendment "A" (H-489)

This amendment removes the provision of the bill that amends the definition of "immediate family" to include a domestic partner as that amendment has already been enacted by another bill. The amendment adds clarifying language to the prohibition in the bill that a registrar may not serve during an election period if a member of the registrar's immediate family is a candidate for office in the electoral division in which the registrar serves. The clarification states that the election period is the time beginning when the immediate family member becomes a candidate up until the election.

The amendment also removes provisions in the bill regarding change of enrollment in a party including a provision that would require a replacement candidate to be enrolled in the same party as the person that candidate is replacing on the day that candidate is nominated.

The amendment also removes a provision that would have the warden reject an absentee ballot that was given

to a voter from a different district and replaces it with a provision that allows the correct portions of the ballot to be counted but requires it to be challenged for the purposes of a subsequent recount or disputed election. This amendment removes a section of current law that would prohibit the counting of absentee ballots of voters who die after submitting the ballot. The amendment also sets up a system for municipalities that wish to process absentee ballots the day before election day. Additionally, the amendment changes the date of the implementation of an early voting pilot program from November 2008 to November 2007.

Finally, the amendment also removes a provision in the bill that would have reclassified certain crimes related to citizen initiative and referendum provisions from Class E to Class D crimes.

### **Senate Amendment "D" (S-389)**

This amendment removes language that would have eliminated the use of stickers for write-in candidates but requires the clerk to report to the Secretary of State any problems arising from the use of stickers.

### **Enacted Law Summary**

Public Law 2007, chapter 455 makes several changes to the laws governing elections. It adds definitions for "voting booth," "voting station," "accessible voting system" and "voting system" and clarifies who is ineligible to serve as registrar of voters. It also makes changes to the process for a voter registration appeals hearing by specifying the minimum time period for written notice, establishing that the hearing is a de novo hearing and requiring that a voter be kept in the central voter registration system and allowed to cast a challenged ballot until the appeals are exhausted.

Chapter 455 specifies that a person loses a voting residence when that person registers to vote in another state. It also clarifies the requirements for the name by which a voter may register to vote and for how a candidate's name may be listed on a state ballot and makes the language on prohibited party names or political designations consistent with other laws on prohibited names. This law prohibits a candidate from withdrawing less than 60 days before a primary or general election and clarifies the Secretary of State's authority to determine the format of all instructional election materials.

Chapter 455 clarifies that the requirements for providing test ballots apply to other voting devices, such as the accessible voting system. It also clarifies that the minimum requirement to allow one pollwatcher from each of the qualified parties applies to each segment of the incoming voting list if the municipality divides the list by voting district or by the alphabetic listing of the voters' names. This law also clarifies the requirements for the accessible voting system and prohibits the municipality from using the accessible voting system for purposes other than voting and clarifies the process for establishing and consolidating voting places, as distinct from the process of establishing or consolidating voting districts. It also clarifies the process for facilitating a voter's use of the accessible voting system and how a voter may receive assistance from another person in voting.

Chapter 455 clarifies the process for an election official to challenge a voter as well as the process for the registrar to resolve the status of challenged voters after the election. It also changes the deadline for a write-in candidate to file a declaration of write-in candidacy to 5 p.m. on the 3rd business day prior to the election and provides that a write-in vote may not be counted as valid unless the name is of a person who has filed a declaration of write-in candidacy by the deadline.

Chapter 455 states that the warden does not need to reject an absentee ballot that was given to a voter from a different district but rather allows the correct portions of the ballot to be counted but requires it to be challenged for the purposes of a subsequent recount or disputed election. Finally, this law sets up a system for municipalities that wish to process absentee ballots the day before election day and changes the date of the implementation of an early voting pilot program from November 2008 to November 2007.

Part A of this bill authorizes Evergreen Mountain Enterprises, LLC to operate a gaming facility at a single site in Oxford County, subject to approval of the voters at the general election held in November 2008. The legislative body and voters of any municipality in which the site is located must approve the site for the operation of the gaming facility. The gaming facility is authorized to contain 4,500 slot machines, bazaar games conducted solely for merchandise prizes, lottery games, video facsimiles, card games, table games and other games of chance, including without limitation blackjack, poker, dice, roulette, baccarat, money-wheels and bingo. The minimum age to play a slot machine or gaming device is lowered from 21 years of age to 19 years of age. The bill provides that, other than the approved commercial race tracks in the State that operate slot machines, the gaming facility operated by Evergreen Mountain Enterprises, LLC must be the only gaming facility in the State for at least 10 years. The bill provides for regulation of the gaming facility by the Department of Public Safety, Gambling Control Board.

The bill requires the gaming operator to collect and distribute 1% of gross gaming device income to the Treasurer of State for deposit in the General Fund for the administrative expenses of the Gambling Control Board. The gaming operator must pay to the State 39% of the net gaming device income. This money paid to the State must be used for the following purposes:

1. Five percent of the net gaming device income must be distributed to repay student loans of residents of this State;
2. Four percent of the net gaming device income must be distributed to the research and development of an east-west highway in the State;
3. Three percent of the net gaming device income must be distributed to develop and construct a facility to produce biofuels, including fuel for heating homes;
4. Three percent of the net gaming device income must be distributed for revenue sharing with municipalities, with the intent of providing local property tax relief;
5. Two percent of the net gaming device income must be distributed to a Maine prepaid college plan to allow residents of this State to prepay the cost of college tuition, fees and dormitory housing before a child goes to college;
6. Two percent of the net gaming device income must be used to assist the elderly with the cost of prescription drugs;
7. Two percent of the net gaming device income must be used for the improvement of secondary rural roads in the State;
8. Three percent of the net gaming device income must be distributed to make health care more affordable for employees of businesses and the self-employed in this State. This endeavor must include expanding membership in the Dirigo Health Program and allowing such health care to be offered as a self-insured product;
9. Two percent of the net gaming device income must be distributed for the program cost portion of general purpose aid for local schools;

11. One percent of the net gaming device income must be distributed to the Finance Authority of Maine for its NextGen First Step Grant program to assist residents of this State in saving for college tuition;

12. One percent of the net gaming device income must be distributed to towns to be used for regionalization efforts of towns that express interest in reducing and eliminating duplicative municipal services;

13. One percent of the net gaming device income must be distributed to help fund raising the minimum wage to a level comparable with a livable wage for the resident workers in this State of \$7.70 per hour in 2008 and \$8.40 in 2009 and in accordance with the Consumer Price Index for Urban Wage Earners and Clerical Workers, CPI-W index, thereafter;

14. One percent of the net gaming device income must be distributed for grants to residents of this State who demonstrate energy efficiency and conservation proficiency, such as rebates for purchasers of hybrid and biodiesel-capable vehicles and biofuel for home and business heating, and grants for residents of this State to develop such clean and efficient fuel technologies;

15. One percent of the net gaming device income must be distributed for the improvement of the water quality of the rivers of this State and the technology to allow paper mills and waste treatment plants to eliminate the toxins they release into rivers;

16. One percent of the net gaming device income must be distributed to public access television stations in this State for the improvement of technology and programming;

17. One percent of the net gaming device income must be distributed for funding residents of this State who are 15 years of age to 30 years of age to support ideas and projects that will stimulate the creative economy in this State, enhance technology, improve civic engagement or otherwise effect positive community change;

18. One percent of the net gaming device income must be distributed for programs to protect gaming patrons against the risks of gambling, including gambling addiction counseling services and monitoring patrons who may be at risk and have a propensity for problem gambling;

19. Two percent of the net gaming device income must be forwarded directly to any municipality in which the gaming facility is located; and

20. One percent of the net gaming device income must be forwarded directly to Oxford County to pay for mitigation of costs resulting from gaming operations.

Part B requires the Department of Public Safety, Gambling Control Board to report by January 15, 2008 to the Governor and the Legislature on including in the board's regulatory authority games of chance and gaming devices other than slot machines. Part B requires another report by the board by March 15, 2008 on the effectiveness of the board in regulating the operation of gaming devices and slot machines.

## *Joint Standing Committee on Legal and Veterans Affairs*

Part A makes changes affecting campaign finance reports in the Maine Revised Statutes, Title 21-A, chapter 13. Specifically, Part A:

1. Amends the definition of "person" to remove the word "group";
2. Eliminates the requirement that the office of the Commission on Governmental Ethics and Election Practices remain open after 5:00 p.m. on election day;
3. Adds the term "domestic partner" in sections referring to a candidate's spouse and includes a definition for the term in the general definition section for Title 21-A;
4. Exempts lists of registered voters obtained by party committees from the definitions of "contributions" and "expenditures";
5. Includes facilities owned by a candidate's immediate family in determining whether an exception to expenditure is applicable;
6. Clarifies that a state party committee can provide a total of only 20 hours of assistance to a candidate in an election without making a contribution to that candidate and expands the type of service provided from "advice" to "assistance";
7. Allows party candidate listings to treat federal candidates differently from other state candidates if required by federal election law and to include campaign slogans and logos;
8. Eliminates the requirement that Maine Clean Election Act candidates sign and file the voluntary spending limits statement;
9. Requires an outgoing treasurer to certify in writing the accuracy of a campaign's records;
10. Removes the requirement that the address be included in the disclosure statement in campaign communications financed by the candidate that are aired on the radio;
11. Requires that communications that name or depict a clearly identified candidate within 21 days before a primary election or 60 days before a general election contain the disclosure statement, unless the communication's purpose has a purpose other than influencing an election;
12. Extends the prohibition against broadcasting communications without the disclosure statement to agents of a broadcasting station and to online versions of newspapers;
13. Extends the time period during which fines will be assessed for communications that lack the disclosure statement;
14. Establishes disclosure requirements regarding certain automated and live telephone calls to voters;
15. Clarifies that funds that are earmarked for a candidate through a conduit or intermediary are considered contributions to the candidate;
16. Clarifies expenditure limitations in legislative elections;
17. Requires that sole proprietorships and their owners be treated as a single entity for the purposes of contribution limits;

## *Joint Standing Committee on Legal and Veterans Affairs*

18. Removes the requirement that federal candidates and state party committees file federal campaign finance reports with the commission;
19. Revises the report filing schedule for candidates, party committees and political action committees to allow the commission to have more complete information upon which to base matching fund calculations;
20. Establishes a single 24-hour reporting requirement applicable to all candidates, party committees and political action committees;
21. Changes the amount of a campaign surplus or deficit from \$50 to \$100 that requires candidates to file semiannual reports with the commission;
22. Requires party committees to retain records of contributions and expenditures and receipts for expenditures;
23. Expands the period during which a communication that names or depicts a clearly identified candidate is presumed to be an independent expenditure to 21 days before a primary election or 60 days before a general election and requires independent expenditure reports to contain a description of the communications made;
24. Increases the fine for not registering as a candidate from \$10 to \$100 and raises the amount of the penalty waiver for a late-filed report for candidates, party committees and political action committees from \$5 to \$10;
25. Clarifies when an electronically submitted or facsimile copy is allowed;
26. Increases the triggering threshold for political action committees from \$50 to \$1,500;
27. Requires political action committees to identify, upon registering, Legislators who have a significant role in fund-raising or decision-making for the committee;
28. Requires political action committees to file an initial campaign finance report upon registering with the commission; and
29. Clarifies the conditions for dissolving a political action committee.

Part B makes changes affecting the Maine Clean Election Act in the Maine Revised Statutes, Title 21-A, chapter 14. Specifically, Part B:

1. Adds a definition of "immediate family";
2. Clarifies the requirements for a valid qualifying contribution;
3. Requires that seed money come from Maine residents only and adds restrictions in collection and use of seed money;
4. Requires a transfer of funds to the Maine Clean Election Fund on or before September 1st of each year, instead of January 1st, beginning on September 1, 2010;
5. Allows the commission to request an advance on the annual amount to be transferred if there will be insufficient funds for an upcoming election;
6. Clarifies that Maine Clean Election Act funds cannot be used to pay for goods and services received during the qualifying period;

## *Joint Standing Committee on Legal and Veterans Affairs*

7. Adds new conditions for certification, including whether a candidate has made material false statements to the commission or has been denied certification or had certification revoked due to substantial violations of election laws;
8. Requires gubernatorial candidates to raise at least \$15,000 in seed money in order to be certified and establishes procedures for the documentation of seed money contributions to gubernatorial candidates seeking certification;
9. Extends the period of time the commission has to certify gubernatorial candidates and allows the commission to take additional time to certify a candidate if a compliance investigation is necessary;
10. Creates a process for the commission to revoke certification;
11. Increases the amount of the initial distribution to a gubernatorial candidate in the general election to \$600,000 and limits the amount of matching to an equivalent amount;
12. Prohibits Maine Clean Election Act candidates from using public funds to pay for services provided by the candidate or immediate family members;
13. Requires the commission staff to audit all gubernatorial candidates who receive Maine Clean Election Act funds and requires gubernatorial candidates and campaign staff to meet with the commission staff in order to discuss spending and record-keeping requirements within one month of the candidate's declaring an intention to seek public financing under the Maine Clean Election Act;
14. Clarifies the matching funds provision to include all contributions and fund distributions in calculating matching funds;
15. Clarifies the amount and timing of distributions to unenrolled candidates; and
16. Updates the provisions regarding appeals from the commission's decisions regarding certification.

### **Committee Amendment "A" (S-279)**

This amendment strikes a provision of the bill that would have provided that the office of the Commission on Governmental Ethics and Election Practices does not have to be open until 8:00 p.m. on election day. The amendment increases from 20 to 40 the number of hours of assistance party committee employees can provide before such assistance is considered a contribution or an expenditure. The amendment clarifies that the disclosure required for authorized candidate advertisements does not include the address of the person who financed the advertisements whether broadcast on radio or television. The amendment changes from 60 days, as proposed by the bill, to 35 days the period of time before a general election during which there is a rebuttable presumption that a communication clearly depicting a candidate is an independent expenditure. In accordance with that 35-day period, disclosure requirements are triggered at that time for media communications and telephone calls that clearly depict a candidate.

The amendment also changes the time of day that campaign finance reports, with the exception of those required under the accelerated reporting schedule, are due to the commission from 5:00 p.m. to 11:59 p.m. on the day that they are due. The amendment eliminates the decrease in the dollar amount from \$1,000 to \$500 for expenditures by candidates or party committees made in the last 2 weeks of an election that would trigger 24-hour reports. The amendment removes a provision from the bill that would have required more detailed reporting of independent expenditures and a provision that would increase the fine from \$10 to \$100 for failure to properly register information required of candidates.

The amendment eliminates the provision in the bill that would have required that seed money contributions under the Maine Clean Election Act come from Maine residents and clarifies current seed money restrictions. The

amendment removes the part of the bill that would transfer General Fund money to the Maine Clean Election Fund in September rather than in January as required by current law. The amendment removes a provision in the bill that would prohibit a Maine Clean Election Act candidate from paying family members services provided to the candidate's campaign.

The amendment increases from 2,500 to 3,250 the number of qualifying contributions a gubernatorial candidate must obtain to become certified, but eliminates the proposal in the bill that would require a gubernatorial candidate to raise a minimum of \$15,000 in seed money contributions. The amendment clarifies an error in the bill with regard to gubernatorial matching funds.

### **Enacted Law Summary**

Public Law 2007, chapter 443 makes several changes to the laws governing campaign finance reporting and the Maine Clean Election Act. It amends the laws on campaign finance reporting as follows:

1. Amends the definition of "person" to remove the word "group";

11. Establishes disclosure requirements regarding certain automated and live telephone calls to voters made 35 days prior to an election;
12. Clarifies that funds that are earmarked for a candidate through a conduit or intermediary are considered contributions to the candidate;
13. Requires that sole proprietorships and their owners be treated as a single entity for the purposes of contribution limits;

## *Joint Standing Committee on Legal and Veterans Affairs*

14. Removes the requirement that federal candidates and state party committees file federal campaign finance reports with the commission;
15. Revises the report filing schedule for candidates, party committees and political action committees to allow the commission to have more complete information upon which to base matching fund calculations and provides that in most circumstances, reports are not due to the commission until 11:59pm;
16. Changes the amount of a campaign surplus or deficit from \$50 to \$100 that requires candidates to file semiannual reports with the commission;
17. Requires party committees to retain records of contributions and expenditures and receipts for expenditures;
18. Expands the period during which a communication that names or depicts a clearly identified candidate is presumed to be an independent expenditure to 21 days before a primary election or 35 days before a general election and requires independent expenditure reports to contain a description of the communications made;
19. Raises the amount of the penalty waiver for a late-filed report for candidates, party committees and political action committees from \$5 to \$10;
20. Clarifies when an electronically submitted or facsimile copy is allowed;
21. Corrects an error in the statute that sets the triggering threshold for political action committees from \$50 to \$1,500;
22. Requires political action committees to identify, upon registering, Legislators who have a significant role in fund-raising or decision-making for the committee;
23. Requires political action committees to file an initial campaign finance report upon registering with the commission; and
24. Clarifies the conditions for dissolving a political action committee.

Chapter 443 amends the laws governing the Maine Clean Election Act as follows:

1. Adds a definition of "immediate family";
2. Clarifies the requirements for a valid qualifying contribution;
3. Allows the commission to request an advance on the annual amount to be transferred if there will be insufficient funds for an upcoming election;
4. Clarifies that Maine Clean Election Act funds cannot be used to pay for goods and services received during the qualifying period;
5. Adds new conditions for certification, including whether a candidate has made material false statements to the commission or has been denied certification or had certification revoked due to substantial violations of election laws;
6. Increases the number of qualifying contributions that must be collected by gubernatorial candidates from 2500 to 3250 and clarifies an error in the bill regarding matching funds for gubernatorial candidates;

## Joint Standing Committee on Legal and Veterans Affairs

7. Extends the period of time the commission has to certify gubernatorial candidates and allows the commission to take additional time to certify a candidate if a compliance investigation is necessary;
8. Creates a process for the commission to revoke certification;
9. Increases the amount of the initial distribution to a gubernatorial candidate in the general election to \$600,000 and limits the amount of matching to an equivalent amount;
10. Requires the commission staff to audit all gubernatorial candidates who receive Maine Clean Election Act funds and requires gubernatorial candidates and campaign staff to meet with the commission staff in order to discuss spending and record-keeping requirements within one month of the candidate's declaring an intention to seek public financing under the Maine Clean Election Act;
11. Clarifies the matching funds provision to include all contributions and fund distributions in calculating matching funds;
12. Clarifies the amount and timing of distributions to unenrolled candidates; and
13. Updates the provisions regarding appeals from the commission's decisions regarding certification.

This resolve provides for legislative review of portions of Chapter 3: Maine Clean Election Act and Related Provisions, a major substantive rule of the Commission on Governmental Ethics and Election Practices.

**Enacted Law Summary**

Resolve 2007, chapter 72 approved Major Substantive Rules regarding the Maine Clean Election Act provisionally adopted by the Commission on Governmental Ethics and Election Practices. Those rules contain the following amendments to the Major Substantive Rules in Chapter 3 governing the administration of Maine Clean Election Act:

Clarifies that any qualifying contributions received more than 5 days before a candidate files a Declaration of Intent with the Commission will not count towards the required minimum;

Removes the requirement that the candidate identify the treasurer and political committee on the Declaration of Intent;

Removes the requirement that information about the campaign's financial institution and the candidate's social security or tax identification number be disclosed on the Declaration of Intent;

Requires that the Declaration of Intent include an affirmation that the candidate has read and will comply with the guidelines on using public funds;

Changes the content of the receipt and acknowledgement form that candidates use in collecting qualifying contributions and signatures by eliminating the requirement for candidates to sign each form separately, and instead requiring candidates to affirm their compliance with all qualifying contribution requirements on a new certification request form;

Clarifies that the proof of the contributor's voter registration, (i.e. the signature of the municipal registrar or clerk on the receipt and acknowledgement form) will not be accepted by the Commission after the close of the qualifying period;

Eliminates the option for candidates to submit photocopies or receipt and acknowledgment forms prior to the deadline of the qualifying period as long as the verified original forms were submitted to the Commission within 10 days after the photocopies were delivered to the Commission;

Clarifies the procedures for requesting certification as a Maine Clean Election Act candidate;

Clarifies the process by which matching funds are calculated;

Requires a campaign treasurer to keep bank account records and vendor invoices and authorizes the Commission to require the return of funds if a candidate or treasurer cannot produce supporting documentation for an expenditure, or otherwise failed to keep records;

Clarifies that Maine Clean Election Act funds can be commingled with unspent money and that matching funds can only be spent after the candidate receives authorization

Eliminates the pro rata reimbursement for vehicle travel expense based on actual expenses; and

Allows primary and general election candidates to reserve \$1000 and \$2500, respectively, to defray the costs associated with an audit.

MOORE G SNOWE-MELLO		

This bill permits the operation of additional slot machines at a harness horse racing track in a municipality along the railroad line from Portland to the New Hampshire border overseen by the Northern New England Passenger Rail Authority or the railroad line from Portland through Westbrook, Gorham, Standish and Fryeburg to the New Hampshire border known as the Mountain Division rail line. The bill limits the location of the operation of these slot machines to one harness horse racing track and to within 200 feet of the outside edge of the racing oval at that harness horse racing track. A municipality must approve the operation of slot machines before slot machines authorized by this bill may be operated in that municipality.

An entity that operates an agricultural fair or a person licensed to operate a commercial track may apply to the Department of Public Safety, Gambling Control Board no later than December 31, 2009 for a license to operate slot machines authorized by this bill. The Gambling Control Board will choose one applicant to receive the license authorized by this bill. Slot machines authorized by this bill are subject to regulation and supervision by the Gambling Control Board.

The bill is subject to approval by the voters of this State at referendum.

The slot machine operator will be required to collect and distribute 1% of gross slot machine income for deposit in the General Fund. The slot machine operator will be required to collect and distribute 39% of the net slot machine income as follows:

1. Two percent for deposit in the General Fund for administrative expenses of the Gambling Control Board, including gambling addiction counseling services;
2. Ten percent to supplement harness racing purses;
3. Three percent for deposit in the Sire Stakes Fund;
4. Three percent for deposit in the Agricultural Fair Support Fund;
5. Five percent for the Town of Standish to establish a drinking water protection fund to protect the quality of the drinking water for communities served by the Portland Water District and to establish a recreational area on Sebago Lake in Standish;
6. One percent for scholarships for students at the University of Maine System;
7. One percent for scholarships for students at the Maine Community College System;
8. Ten percent for the Mountain Division Rail Line Authority, which is established in this bill and may issue bonds, to fund the acquisition, financing, construction, operation, improvement and repair of a railroad line from Portland through Westbrook, Gorham, Standish and Fryeburg to the New Hampshire border;

## *Joint Standing Committee on Legal and Veterans Affairs*

9. Two percent for the Northern New England Passenger Rail Authority to support the operation of a train on the railroad line from Portland to the New Hampshire border;
10. One percent for the Department of Agriculture, Food and Rural Resources to be used for equine rescue and other animal protection programs; and
11. One percent for the municipality in which the slot machines are located.

CUMMINGS EDMONDS	OTP-AM	H-419

This bill creates the Commission to Protect the Lives and Health of Members of the Maine National Guard. The commission consists of 9 voting members and one or 2 advisory nonvoting members. The intent of the bill is to provide through the commission a higher and safer standard for preventative medical practices and health screenings administered to members of the Maine National Guard than currently exists.

The commission, working with the Department of Defense, Veterans and Emergency Management and the Department of Health and Human Services, Maine Center for Disease Control and Prevention, is required to review all preventative health care treatment practices and protocols and vaccinations and other medications administered to members of the Maine National Guard and propose recommendations to the Armed Forces of the United States regarding safer health care practices and medications. The commission shall also assist veterans' families who have members who have died while in the Maine National Guard to obtain accurate and timely information regarding the deaths. The commission shall track the care of wounded Maine National Guard members and help ensure good care.

The commission must hold at least 4 meetings a year, including one public hearing, to obtain information, including information provided by veterans and their families in regard to the issues that the commission is required to address.

Commission members include, among others, a physician, a psychologist, a pharmacist, a retired veteran who has served in a war zone, a family member of a deceased military person who died while serving in the Maine National Guard and a disabled veteran who suffered a disability while serving in a military capacity.

The commission must issue its first complete report by December 15, 2008 and an annual report thereafter.

LD 1409 proposes to make several technical changes to Maine's aquaculture statutes. It provides a more specific definition for "intertidal zone" for the Maine Revised Statutes, Title 12, chapter 605, subchapter 2. It allows a limited-purpose aquaculture license to be issued to a municipal shellfish committee. It prohibits a person from marking or designating an area as a sea farm or aquaculture lease unless the area is currently leased for aquaculture or is under consideration for leasing through the aquaculture lease process. Finally, it provides that information obtained from other state, federal or foreign government agencies about aquaculture operations in their jurisdictions that is designated as confidential must be kept confidential by the Department of Marine Resources.

LD 1409 was reviewed and evaluated by the Joint Standing Committee on Judiciary pursuant to MRSA Title 1, § 434, which requires review and evaluation of new exceptions to laws governing public records.

## *Joint Standing Committee on Marine Resources*

LD 1870 proposes to the following changes to the laws governing lobstering in the Monhegan Lobster Conservation Area.

1. It changes the parameters of the open season that the Commissioner of Marine Resources establishes by rule from a period of 180 days between December 1st and June 25th to a period of not more than 270 days between September 1st and June 25th.
2. It charges the commissioner with establishing by rule a trap limit for the area not to exceed 475 traps per individual. The same procedural guidelines in place for establishing the open and closed seasons will also apply to setting the trap limit, specifically:
  - A. Two-thirds of the individuals registered to obtain area trap tags must agree with the limit;
  - B. A public hearing is not required;
  - C. No one may petition for adoption or modification of a rule establishing the trap limit; and
  - D. The commissioner need not have the advice and consent of the Marine Resources Advisory Council to adopt the limit.

### **Committee Amendment "A" (H-279)**

This committee amendment replaces the title of the bill with "An Act to Amend the Laws Governing Lobster Fishing in Monhegan Island Conservation Area and to Amend the Requirements for a Student Lobster and Crab Fishing License." It also:

1. Changes the proposed start for the open season on lobster fishing in the Monhegan Lobster Conservation Area from September 1st to October 1st and limits the proposed number of days open to fishing from 270 to 250 and removes the requirement that those days be consecutive;
2. Provides that the Commissioner of Marine Resources may accept the open season and trap limits for lobster fishing in the Monhegan Lobster Conservation Area preferences proposed by 2/3 of the registrants in that area as reasonable and adopt those preferences or reject the proposed preferences as unreasonable. The commissioner must consult with the lobster management policy council for Zone D before making a decision on the preferences proposed by the registrants;
3. Increases the number of days a person must apprentice in the Monhegan Lobster Conservation Area from 150 days to 200 days to match the apprenticeship requirements in other lobster zones;
4. Provides that a person registered to fish lobsters in the Monhegan Lobster Conservation Area must have harvested lobsters during 5 open seasons in that area before that person can fish elsewhere in Zone D without having to go on a waiting list to fish lobsters in that zone; and
5. Directs the Commissioner of Marine Resources to report to the joint standing committee of the Legislature having jurisdiction over marine resources matters no later than January 15, 2011 on the results of the open season and trap limit change for fishing lobsters in the Monhegan Lobster Conservation Area.

### **Enacted Law Summary**

Public Law 2007, chapter 219 makes the following changes to the laws governing lobstering in the Monhegan Lobster Conservation Area:

1. Changes the proposed start for the open season on lobster fishing in the Monhegan Lobster Conservation Area from September 1st to October 1st and limits the proposed number of days open to fishing from 270 to 250 and removes the requirement that those days be consecutive;
2. Provides that the Commissioner of Marine Resources may accept the open season and trap limits for lobster fishing in the Monhegan Lobster Conservation Area preferences proposed by 2/3 of the registrants in that area as reasonable and adopt those preferences or reject the proposed preferences as unreasonable. The commissioner must consult with the lobster management policy council for Zone D before making a decision on the preferences proposed by the registrants;

**PUBLIC 77  
EMERGENCY**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
KOFFMAN	OTP-AM	H-60

This bill addresses the issue of state regulation of local rate of growth ordinances, which limit the number of building permits issued each year. The Maine Revised Statutes, Title 30-A, section 4360, subsection 3 (enacted by Public Law 2005, chapter 597) provides that local rate of growth ordinances must be based upon the number of building or development permits issued over the past 10 years. The current language could be interpreted to mean all building permits, including permits for minor construction activity such as adding a deck onto an existing dwelling, which are not limited by rate of growth ordinances. This bill clarifies that local rate of growth ordinances must be based upon the number of building permits issued only for new residential dwellings over the past 10 years.

#### Committee Amendment "A" (H-60)

This amendment adds an emergency preamble and emergency clause to the bill.

#### Enacted Law Summary

Public Law 2007, chapter 77 clarifies that local rate of growth ordinances must be based upon the number of building permits issued only for new residential dwellings over the past 10 years.

Public Law 2007, chapter 77 was enacted as an emergency measure effective May 8, 2007.

MARTIN	OTP-AM	S-197

This bill provides that a person who causes certain discharges of oil will not be subject to fines or civil penalties if certain requirements are met.

### Committee Amendment "A" (S-197)

This amendment replaces the bill with a resolve. The amendment requires the Department of Environmental Protection to establish guidance concerning the use of memoranda of agreement between aboveground oil and storage and handling facilities and the department. It also requires the department to undertake education and outreach to small facilities concerning the reporting requirements relating to the discharge of oil.

### Enacted Law Summary

Resolve 2007, chapter 99 requires the Department of Environmental Protection to establish guidance concerning the use of memoranda of agreement between aboveground oil and storage and handling facilities and the department relating to the reporting of oil spills and discharges. It also requires the department to undertake education and outreach to small facilities concerning the reporting requirements relating to the discharge of oil.

PUBLIC 95

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
MARTIN	OTP-AM	S-50

This bill provides that the current sulfur content cap applies to sources that are required to satisfy case-by-case requirements of best available retrofit technology. It also requires the Department of Environmental Protection to report to the Legislature on its plan to meet the federal requirements on regional haze visibility impairment no later than March 1, 2008.

### Committee Amendment "A" (S-50)

This amendment replaces the bill. The amendment defines "Best Available Retrofit Technology" and "BART eligible unit." It sets BART requirements for facilities that are determined to need additional sulfur air pollution controls. It requires the Department of Environmental Protection to report on a plan to meet federal requirements on regional haze. It gives the Joint Standing Committee on Natural Resources authority to submit legislation to the Second Regular Session of the 123rd Legislature.

### Enacted Law Summary

Public Law 2007, chapter 95 defines "Best Available Retrofit Technology" and "BART eligible unit." ## LD 555 An Act To Protect Children from Lead Exposure by Requiring Sufficient Notice of Renovations

PUBLIC 238

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
HINCK	OTP-AM	H-179 H-290 HINCK

This bill requires a person to give to every household in a residential structure 30 days' notice by posting and by certified mail of an activity involving lead-based paint or that has a risk of creating a lead hazard if the structure is child-occupied. The notice may be a 7 days' notice if each adult who lives in the structure signs an acknowledgment and waiver form.

### Committee Amendment "A" (H-179)

This amendment replaces the bill. The amendment requires landlords to give 30 days' notice when undertaking any repair, renovation or remodeling activity in a residential building built before 1978 that includes one or more units for rent. The 30-day notice of the work may be waived by obtaining from one adult tenant of each unit in the building a written waiver of the 30-day notice requirement and a written acknowledgement of receipt of notice. The amendment requires the waiver to be in plain language, to immediately precede the adult tenant's signature, to be printed in no less than 12-point boldface type and to be in substantially similar form to a waiver specified in the amendment. The amendment exempts emergency repairs from the notification requirements. Finally, the amendment provides that a person who violates the notice requirements is liable to the lessee for actual damages or \$100, whichever is greater, and reasonable attorney's fees and costs.

### House Amendment "A" (H-290)

This amendment strikes the provision of Committee Amendment "A" that imposes a penalty of the greater of actual damages or \$100 and instead provides for a civil violation, subject to a fine of up to \$500 per violation, enforceable in either District Court or Superior Court.

### Enacted Law Summary

Public Law 2007, chapter 238 requires landlords to give 30 days' notice when undertaking any repair, renovation or remodeling activity in a residential building built before 1978 that includes one or more units for rent. The 30-day notice of the work may be waived by obtaining from one adult tenant of each unit in the building a written waiver of the 30-day notice requirement and a written acknowledgement of receipt of notice. It requires the waiver to be in plain language, to immediately precede the adult tenant's signature, to be printed in no less than 12-point boldface type and to be in substantially similar form to a waiver specified in the law. Emergency repairs are exempt from the notification requirements. Finally, chapter 238 provides for a civil violation, subject to a fine of up to \$500 per violation, enforceable in either District Court or Superior Court.

## LD 587 An Act To Protect and Improve Lake Water Quality by Reducing Phosphorus in Lawn Care Fertilizer

PUBLIC 65

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
EBERLE	OTP-AM	H-49

This bill adds a prohibition, beginning on January 1, 2008, against the sale or use of fertilizer containing phosphorus for nonagricultural law or turf unless a soil test indicates that additional phosphate is needed or the fertilizer will be used in the establishment of a new lawn. When establishing new grass on bare soil, the fertilizer must be tilled into the soil. The seller of fertilizer containing phosphorus for use on lawn or turf shall

## *Joint Standing Committee on Natural Resources*

identify such fertilizer by a sign approved by the Department of Environmental Protection indicating that the product may not be used except as indicated. The sign must be positioned between 4 and 7 feet above the floor and prominently posted where fertilizers containing phosphorus for use on lawn or turf are displayed.

### **Committee Amendment "A" (H-49)**

This amendment removes the provision of the bill that prohibits the use of fertilizer containing phosphorus. The amendment prohibits the sale of fertilizer containing phosphorus at retail stores after January 1, 2008 unless the seller posts a sign that indicates that the product is not appropriate for use on nonagricultural lawns or turf except when a soil test indicates the need for additional phosphorus or the fertilizer will be used in establishing a new lawn or turf or for reseeding or overseeding an existing lawn or turf. The amendment also directs the Department of Environmental Protection to report to the Joint Standing Committee on Natural Resources with recommendations on ways to protect or improve lake water quality. The committee is given authority to submit legislation to the Second Regular Session of the 123rd Legislature.

### **Enacted Law Summary**

Public Law 2007, chapter 65 prohibits the sale of fertilizer containing phosphorus at retail stores after January 1, 2008 unless the seller posts a sign that indicates that the product is not appropriate for use on nonagricultural lawns or turf except when a soil test indicates the need for additional phosphorus or the fertilizer will be used in establishing a new lawn or turf or for reseeding or overseeding an existing lawn or turf. This amendment replaces the bill. The amendment clarifies that the water use rules adopted by the Board of Environmental Protection are water use requirements adopted in accordance with the authority reserved to states under the federal Clean Water Act. It directs the board to incorporate into the rules a mechanism to reconcile the objective of protecting aquatic life and other uses with the objective of allowing community public water systems to use their existing water supplies to provide water service. It requires that a community water system withdrawal certificate must be reviewed and approved by the drinking water program of the Department of Health and Human Services, with technical assistance from the Public Advocate, before being issued by the Department of Environmental Protection. It also adds an emergency preamble and clause.

LD 895 An Act Concerning Blasting near Residential Areas

PUBLIC 297

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
MITCHELL	OTP-AM	S-169

This bill is a concept draft pursuant to Joint Rule 208. The bill, as emergency legislation, proposes to amend the current law concerning blasting and the use of explosives to break up or otherwise aid in the extraction or removal of a rock or other consolidated natural formation near residential areas. Specifically, the bill proposes to change the peak particle velocity standards in urban compact areas to protect residential housing developments from excessive continuous blasting. Further, the bill proposes to require a natural buffer between gravel pits and residential areas.

### Committee Amendment "A" (S-169)

This amendment replaces the bill. The amendment does the following.

It allows the Department of Environmental Protection to charge rock crushers an annual fee for an air emissions license under a general permit.

It adds a provision to the site location law requiring all blasting to be conducted in accordance with performance standards unless otherwise approved by the department.

It amends the performance standards for gravel pits to clarify that the standards apply to any pit with a total area of 5 or more acres that is located on more than one parcel that is under a common owner or operator.

It amends the notice of intent to comply sections of the gravel pit laws and quarry laws to require that notice to abutters and municipalities be by certified mail.

It amends the performance standards of the gravel pit laws to clarify that setbacks from public drinking water sources apply to sources that exist at the time of filing a notice of intent to comply or exist prior to obtaining a permit for excavation into groundwater.

It amends the performance standards for quarries to clarify that the standards apply to any quarry with a total area of more than one acre that is located on more than one parcel that is under a common owner or operator.

It amends the performance standards of the quarry law to add a standard requiring the owner or operator to notify the department within 48 hours of a blast event if the event exceeds any of the blasting standards. The notice must include a description of the incident and its cause and the steps taken or planned to reduce, eliminate or prevent recurrence. Further use of explosives at the quarry may be suspended until written authorization to resume blasting is obtained from the department.

It amends the quarry law to require the owner or operator to develop and implement a plan that provides an opportunity for property owners within 1,000 feet of the blast site to receive prior notification of a scheduled

LD 935 An Act To Continue To Ensure the Long-term Capacity of Municipal Landfills

PUBLIC 338

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
MAKAS	OTP-AM	H-411

Public Law 2005, chapter 612 amended the Maine Hazardous Waste, Septage and Solid Waste Management Act to exempt, until January 1, 2007, publicly owned solid waste landfills from the definition of "commercial solid waste disposal facility" as long as that facility accepted only waste that is generated within the State. This bill continues the exemption retroactive to January 1, 2007.

**Committee Amendment "A" (H-411)**

This amendment changes the provisions in the bill that define "commercial solid waste disposal facility" by providing that:

1. A municipally owned landfill is a commercial landfill if it accepts waste that is not generated within the State unless the commissioner finds that the acceptance of that waste provides a substantial public benefit and the acceptance of that waste is approved by a majority of the voters of the municipality; and
2. Other publicly owned landfills, owned by public waste disposal corporations and refuse disposal districts, are commercial landfills if they accept waste that is not generated within the State unless the commissioner finds that the acceptance of that waste provides a substantial public benefit.

The amendment does not make any changes to the definition of commercial landfill relating to state-owned landfills.

Under the amendment, "waste that is generated within the State" includes: residue and bypass generated by incineration, processing and recycling facilities within the State; waste whether generated within the State or outside of the State used for daily cover, frost protection or stability; and waste generated within 30 miles of the facility.

## Joint Standing Committee on Natural Resources

The amendment adds a new standard to be applied when the Commissioner of Environmental Protection makes a public benefit determination relating to the acceptance of waste that is not generated within the State.

### Enacted Law Summary

Public Law 2007, chapter 338 provides that:

1. A municipally owned landfill is a commercial landfill if it accepts waste that is not generated within the State unless the commissioner finds that the acceptance of that waste provides a substantial public benefit and the acceptance of that waste is approved by a majority of the voters of the municipality; and
2. Other publicly owned landfills, owned by public waste disposal corporations and refuse disposal districts, are commercial landfills if they accept waste that is not generated within the State unless the commissioner finds that the acceptance of that waste provides a substantial public benefit.

Chapter 338 does not make any changes to the definition of commercial landfill relating to state-owned landfills.

Under chapter 338, "waste that is generated within the State" includes: residue and bypass generated by incineration, processing and recycling facilities within the State; waste whether generated within the State or outside of the State used for daily cover, frost protection or stability; and waste generated within 30 miles of the facility.

Chapter 338 also adds a new standard to be applied when the Commissioner of Environmental Protection makes a public benefit determination relating to the acceptance of waste at certain classes of facilities when that waste is not generated within the State.

Amendments Adopted

This bill is a concept draft pursuant to Joint Rule 208. The bill proposes to create the Maine Natural Resource and Environment Efficiency Commission, referred to in this concept draft as "the commission," to methodically review the structure and operations of all state natural resources and environmental agencies and propose specific reforms to eliminate duplication and inefficiency. The specific elements of the commission are as follows.

1. The commission consists of 12 bipartisan members appointed jointly by the Governor and the leaders of the parties of each House of the Legislature with the largest number of members in each House and the second-largest number of members in each House. The members must be from the general public, be respected and known for their independent-mindedness and have expertise in natural resources, environmental policy, planning, administration, economics and engineering.
2. The goal of the commission is to ensure coordinated and unified natural resources conservation and environmental protection policies to support sustainable prosperity and quality locations in the State.
3. The commission is empowered to: A. Hire top-quality expert staff to conduct and subcontract sophisticated program analysis, manage information flows and prepare reports; B. Investigate and identify sources of administrative inefficiencies, program overlap and inefficiencies in the delivery of services; C. Develop a coherent set of reforms to streamline, reconfigure and improve the performance of state natural resource and environmental agencies and programs to yield about \$2,000,000 to \$6,000,000 a year in budget savings; and D. Develop criteria for evaluating state natural resources and environmental agencies with the assistance of the Office of Program Evaluation and Government Accountability, including criteria for administrative efficiency, program quality and effectiveness, potential overlap within and between state natural resource and environmental agencies and other state or local agencies or programs and overall cost-benefit concerns.
4. The commission would receive an appropriation of \$425,000 with which to hire staff and carry out its purposes.
5. Savings from the implementation of commission recommendations must be apportioned, with 75% going to reduce property taxes and 25% going to the acquisition of lands for the protection and preservation of biological diversity and rare, unique or endangered species.

This bill adds an exception to the prohibition against issuance of a waste discharge license for the direct discharge of pollutants to waters having a drainage area of less than 10 square miles and for the discharge of pollutants to Class AA waters, Class GPA waters and Class SA waters. The new exception is for discharges of aquatic pesticides approved by the Department of Environmental Protection for the control of mosquito-borne diseases in the interest of public health and safety using materials and methods that provide for protection of nontarget species.

The bill allows the department to find that discharge of effluent to Class A waters will be equal to or better than the existing water quality of the receiving waters, in which case the department may allow the discharge of aquatic pesticides approved by the department for the control of mosquito-borne diseases in the interest of public health and safety if the materials and methods used provide protection for nontarget species.

This bill allows the department to find that discharged effluent to Class B waters will not cause adverse impact to aquatic life, in which case the department may allow the discharge of aquatic pesticides approved by the department for the control of mosquito-borne diseases in the interest of public health and safety if the materials and methods used provide protection for nontarget species.

This bill allows the department to find that discharged effluent to Class SB waters will not cause adverse impact to estuarine and marine life, in which case the department may allow the discharge of aquatic pesticides approved by the department for the control of mosquito-borne diseases in the interest of public health and safety if the materials and methods used provide protection for nontarget species.

## Committee Amendment "A" (H-302)

This bill repeals the laws governing the current dioxin monitoring program, which under current law are scheduled to sunset on December 31, 2007. The bill changes the laws governing the surface water ambient toxic monitoring program to include the relevant portions of the laws governing the dioxin monitoring program. Certain provisions of the dioxin monitoring program are continued in order to determine the status of fish consumption advisories on Maine rivers, streams and lakes. The bill provides that the Commissioner of Environmental Protection shall notify the owners or operators of selected facilities proposed for dioxin monitoring of each facility's inclusion in the commissioner's plan for monitoring pollutants.

MARTIN	ONTP	

This bill creates a stream of revenue to retire the costs of investigation and remediation at the Portland-Bangor Waste Oil Services Sites in Plymouth, Ellsworth and Casco where waste motor oil was stored and that are now contaminated. The Finance Authority of Maine is authorized to issue revenue obligation securities in amounts sufficient to cover a large percentage of the clean-up costs. These revenue obligation securities are to be retired with funds derived from a premium on motor oil. The premium is imposed at the wholesale level.

The State and instrumentalities of the State, including the Department of Transportation, the Department of Public Safety and counties and municipalities, are eligible to participate in the waste motor oil disposal site remediation program. The revenue obligation securities will also cover the shares of those businesses that maintained or repaired motor vehicles between 1953 and 1981 or their successors in interest, and that had waste motor oil deposited at one or more of the 3 sites. Any business that operated a fleet of 25 or more vehicles for which it performed its own maintenance and repairs and that contributed waste motor oil to one or more of the 3 sites is eligible for participation in the program. The United States Government and its instrumentalities are not eligible to participate in the program.

The bill creates the Waste Motor Oil Revenue Board to oversee the process and make determinations as to eligibility for participation in the program.

VALENTINO HOBBINS	OTP-AM	H-493

This bill requires solid waste disposal facilities and incineration facilities to have in place host community agreements and directs the Commissioner of Environmental Protection to establish a mediation process to hear and review disputes concerning host community agreements.

### Committee Amendment "A" (H-493)

This amendment replaces the bill. The amendment expands on the provisions of the bill that deal with host community agreements.

1. It changes the definition of "host community."
2. It prohibits the Department of Environmental Protection from issuing a license unless a host community agreement is in place.
3. It requires commercial and publicly owned solid waste disposal facilities, including municipal and state-owned facilities, to have in place host community agreements during the development and operation and through closure of the facility.
4. If the host community and the facility cannot agree on the terms of agreement, this amendment requires the parties to submit to mediation and to arbitration if mediation is not successful.
5. It adds a provision requiring consideration of case-specific issues in connection with host community benefits for state-owned facilities.
6. It adds a mandate preamble.

### Enacted Law Summary

Public Law 2007, chapter 406 accomplishes the following relating to host community agreements.

1. It defines "host community."
2. It prohibits the Department of Environmental Protection from issuing a license for a solid waste disposal facility unless a host community agreement is in place.
3. It requires commercial and publicly owned solid waste disposal facilities, including municipal and state-owned facilities, to have in place host community agreements during the development and operation and through closure of the facility.

This bill:

1. Clarifies the definition of "permanent structure" for the natural resources protection laws;
2. Amends the section concerning identification by maps to be consistent with previous amendments to the definition of "significant wildlife habitat" in the natural resources protection laws by qualifying the mapping requirement through a reference to the Maine Revised Statutes, Title 38, section 480-B, subsection 10, paragraphs A and B. It also removes out-of-date language concerning jurisdiction and mapping requirements that applied to wetlands of 10 acres or more when section 480-B was amended in 1995;
3. Repeals the exemption for alteration of freshwater wetlands associated with the construction, operation, maintenance or repair of an interstate pipeline;
4. Amends an applicability section to be consistent with previous amendments to the definition of "significant wildlife habitat";
5. Amends Title 38, section 490-D, subsection 1 of the borrow pit law to provide that the Department of Environmental Protection may allow excavation in a significant wildlife habitat provided a permit is obtained pursuant to the protection of natural resources laws;
6. Amends Title 38, section 490-Z, subsection 1 of the quarry law to provide that the Department of Environmental Protection may allow excavation in a significant wildlife habitat provided a permit is obtained pursuant to the protection of natural resources laws;
7. Enacts a section providing supplemental provisions concerning shorebird feeding, staging and roosting areas. It includes supplemental definitions and permitting standards for cutting within roosting buffers and feeding buffers that apply in addition to otherwise applicable standards under the protection of natural resources laws;
8. Enacts a section to allow the Department of Inland Fisheries and Wildlife to determine that an area is not a significant wildlife habitat due to the impact of development in existence on June 8, 2006 and continuing in existence on the date of the determination, although the area otherwise conforms with significant wildlife criteria adopted by the Department of Environmental Protection for shorebird nesting, feeding and staging areas or high and moderate value inland waterfowl and wading bird habitat. Certain factors and requirements are specified;
9. Amends Resolve 2005, chapter 183, which approved amendments to chapter 335, Significant Wildlife Habitat, a major substantive rule of the Department of Environmental Protection, to clarify that an activity in, on, over or adjacent to a significant vernal pool habitat or potential significant vernal pool habitat is eligible for

10. Provides that changes to the Maine Revised Statutes, Title 38, sections 480-CC and 480-DD and changes to Resolve 2005, chapter 183 are applicable as of June 8, 2006. The bill also provides that changes to the Department of Environmental Protection's rules on significant wildlife habitat that are adopted pursuant to this legislation as well as additional corrections, clarifications and minor changes of the significant wildlife habitat rules are routine technical rules as defined in Title 5, chapter 375, subchapter 2-A. The bill also provides that the Department of Environmental Protection's rules concerning permit by rule must be amended to allow certain specified activities to be authorized under permit by rules if applicable standards are met. The Department of Environmental Protection's rules on permit by rule and amendments to those rules are routine technical rules as defined in Title 5, chapter 375, subchapter 2-A and

11. Provides the short title for the Maine Revised Statutes, Title 38, chapter 3, subchapter 1, article 5-A of "the Natural Resources Protection Act."

### **Committee Amendment "A" (H-388)**

This amendment clarifies that a person lawfully harvesting marine organisms or vegetation is not required to obtain a permit under the natural resources protection laws to engage in those activities in a coastal wetland containing a high or moderate value wading bird habitat or shorebird feeding or staging area.

It removes from the bill the provision that repeals the exemption for alteration of freshwater wetlands associated with the construction, operation, maintenance or repair of an interstate pipeline.

It changes the definition of "shorebird feeding area" that is in the bill to include a 100-foot-wide surrounding buffer. It removes from the bill supplemental cutting standards for shorebird feeding buffers.

It allows the Department of Inland Fisheries and Wildlife to determine that an area is not a significant wildlife habitat due to the topography in existence on June 8, 2006.

It clarifies that upland areas that abut open water on great ponds and are more than 250 feet from freshwater wetlands are not regulated under the natural resources protection laws.

It requires the Department of Environmental Protection to notify municipalities and members of the Legislature who represent residents of those municipalities if a shorebird nesting, feeding or staging area, a significant vernal pool habitat or a high or moderate value waterfowl and wading bird habitat is identified by the Department of Inland Fisheries and Wildlife after the effective date of the bill.

It requires the Department of Environmental Protection to amend its rules to clarify that significant wildlife habitat that is not fully contained within a freshwater wetland is not subject to the department's adjacency jurisdiction under the Maine Revised Statutes, Title 38, section 480-C.

It requires the Department of Environmental Protection to develop a proposal for mitigation and compensation standards for tidal and freshwater significant wildlife habitat.

### **Senate Amendment "A" (S-224)**

The amendment clarifies that the cutting standards applied within 100 feet of a shorebird feeding area are those that are used within 75 feet of a coastal wetland under shoreland zoning.

## *Joint Standing Committee on Natural Resources*

The amendment also makes 2 changes to the proposed exemption for lawful harvesting. It clarifies that the exemption applies to waterfowl as well as wading bird habitat and that the removal of vegetation or displacement of soil associated with lawful harvesting activities is not a violation of the natural resources protection laws.

## LD 1508 An Act To Protect the Scenic Value of the Kennebec River

**PUBLIC 364  
EMERGENCY**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
MITCHELL	OTP-AM	H-422 KOFFMAN S-147

This bill is a concept draft pursuant to Joint Rule 208. The bill proposes to enact measures designed to protect the scenic value of the Kennebec River. In order to accomplish this, the Department of Environmental Protection is directed to:

1. Require greater buffer zones with natural vegetation on the riverbank;
2. Take measures to protect the integrity of the river; and
3. Restore and remediate the existing gravel pits along the river.

### Committee Amendment "A" (S-147)

This amendment replaces the bill. Under current law, the Kennebec River from Bay Point in Georgetown to the Father Curran Bridge in Augusta is designated as an outstanding river segment. The amendment would continue the designation from Bay Point in Georgetown to the confluence of the Kennebec River with the Sebasticook River in Winslow as an outstanding river segment. It also directs the Department of Environmental Protection to review the setback and buffer standards for excavations and quarries, including how setbacks and buffers for areas of steep slopes are addressed, and report to the Joint Standing Committee on Natural Resources by January 15, 2008. It also authorizes the committee to submit legislation relating to the report to the Second Regular Session of the 123rd Legislature.

### House Amendment "A" (H-422)

This amendment adds an emergency preamble and emergency clause. The amendment requires that a 100-foot-wide natural buffer be maintained between the working edge of an excavation for borrow, clay, topsoil or silt and the normal high water line of a segment of the Kennebec River identified in the Maine Revised Statutes, Title 12, section 403, subsection 7.

The amendment also requires that a 100-foot-wide natural buffer be maintained between the working edge of a quarry excavation and the normal high water line of a segment of the Kennebec River identified in Title 12, section 403, subsection 7.

### Enacted Law Summary

Public Law 2007, chapter 364 designates the Kennebec River from Bay Point in Georgetown to the confluence of the Kennebec River with the Sebasticook River in Winslow as an outstanding river segment. It requires that a 100-foot-wide natural buffer be maintained between the working edge of an excavation for borrow, clay, topsoil or silt and the normal high water line of a segment of the Kennebec River identified in the Maine Revised Statutes, Title 12, section 403, subsection 7. This bill amends current law restricting the manufacture, sale and distribution in this State of products containing certain brominated flame retardants. The bill accomplishes the following.

1. It defines "brominated flame retardant."
2. It prohibits, beginning January 1, 2008, the manufacture, sale or distribution of mattresses or mattress pads or upholstered furniture intended for indoor residential use if they have plastic fibers that contain the "deca" mixture.
3. It prohibits, beginning January 1, 2010, the manufacture, sale or distribution of televisions and computers that have a plastic housing that contains the "deca" mixture.
4. It exempts from the "deca" restrictions transportation vehicles or products or parts, products or equipment used in industrial or manufacturing processes, and electronic wiring and cable used for power transmission.
5. It requires manufacturers to notify sellers of the manufacturer's product of the law, beginning January 1, 2008.
6. It requires the Department of Environmental Protection to develop a program to assist retailers in identifying

products that might contain PBDEs.

7. Beginning January 1, 2010, it requires manufacturers of products that contain any brominated flame retardant to provide written notice to DEP. If the notice is not provided, the product may not be offered for sale in Maine.
8. It authorizes the department to participate in a regional, multistate clearinghouse to assist in carrying out any activities related to the administration of the proposed law.
9. It amends the review and reporting requirements of the Department of Environmental Protection and the Maine CDC. It requires DEP and the Maine CDC to review hazard and risk assessments in connection with brominated flame retardants; assessments of alternatives; and findings and rulings of the USEPA and the European Union. It requires DEP to report to the Natural Resources Committee every 2 years beginning in 2008.
10. It exempts used products.

### **Committee Amendment "A" (H-231)**

This amendment is the majority report of the Joint Standing Committee on Natural Resources. The amendment:

1. Removes the use notification provision in the bill;
2. Authorizes the Commissioner of Environmental Protection to require a manufacturer to provide a certificate of compliance if there are grounds to suspect that a product is being offered for sale in violation of the law;
3. Makes a grammatical correction;
4. Changes the date a report is due from the department from 2008 to 2009; and
5. Authorizes the Commissioner of Environmental Protection to prohibit the manufacture, sale or distribution of mattresses or mattress pads, upholstered furniture intended for indoor use in a residence and televisions or computers that contain a flame retardant if the commissioner determines, in consultation with the Department of Health and Human Services, Maine Center for Disease Control and Prevention, that the prohibition is necessary to protect the public health and the environment and that a safer alternative to the flame retardant is nationally available and the State Fire Marshal determines that the alternative meets applicable fire safety standards.

This bill requires a retail establishment that sells cellular telephones to accept used cellular telephones for reuse, recycling or proper disposal. The bill also requires retail establishments to report by January 1, 2008 to the Department of Environmental Protection with the reuse, recycling and disposal system they have implemented.

### Committee Amendment "A" (H-418)

## Joint Standing Committee on Natural Resources

This amendment replaces the bill. The amendment deletes the provisions in the bill that require retailers to have a specified system in place for the collection of used cellular telephones and replaces those provisions with a provision requiring retailers to accept used cellular telephones from any person beginning January 1, 2008. It also deletes from the bill the provision making it unlawful for retailers who do not comply with the law to sell cell phones in the State.

The amendment prohibits the disposal of cellular telephones in solid waste disposal facilities. It requires service providers to report to the Department of Environmental Protection the number of cellular telephones collected and how the collected phones were disposed of, reused or recycled. It also requires the Department of Environmental Protection to report on the collection program to the joint standing committee of the Legislature having jurisdiction over natural resources matters.

This bill provides for the creation of the Freshwater Resource Board to protect Maine groundwater, to protect the rights of all persons who own homes, farms and businesses over the groundwater and to protect the surface water that benefits from groundwater and the plants and wildlife that benefit. The bill provides for the continuation of water removal by water bottling interests when the removal of water does not threaten these goals. The bulk water transport permitting process is amended to make clear that transport for bottling is permitted. The bill transfers the authority to issue bulk water transport permits from the Commissioner of Health and Human Services to the Freshwater Resource Board and to also convey the power to set fees to carry out this law from the commissioner to the board.

### Committee Amendment "A" (S-273)

The amendment replaces the bill. require transport authorization pursuant to the bulk water transport laws.

It repeals the legislative findings section of the bulk water transport laws.

It repeals 2 standards in the bulk water transport laws.

It amends the fee provisions of the Department of Environmental Protection to provide processing and licensing fee ceilings for a permit for a significant groundwater well and a permit for an activity within a community public water supply primary protection area.

It makes the following changes to the natural resources protection laws:

1. It adds a definition of "significant groundwater well";
2. It amends the prohibition provisions to provide that a person may not establish or operate a significant groundwater well without first obtaining a permit from the Department of Environmental Protection; and
3. It adds an additional standard applicable to significant groundwater wells.

It provides transition language for persons who are required to obtain a permit for a significant groundwater well but already are authorized to transport bulk water pursuant to the bulk water transport laws on the effective date of this Act.

It requires the Department of Environmental Protection and the Maine Land Use Regulation Commission to amend their rules to require that a public information meeting be held prior to submission of an application for a significant groundwater well. The public information meeting must be in conformance with requirements for public information meetings contained in the Department of Environmental Protection's rules concerning the processing of applications and other administrative matters. These rules are routine technical rules.

It requires the Department of Environmental Protection and the Maine Land Use Regulation Commission to periodically contract with independent environmental professionals to provide a technical review and assessment of monitoring information. It also requires each department to undertake rulemaking to develop a fee structure to provide funding for those contracts.

### **Enacted Law Summary**

Public Law 2007, chapter 399 requires the Land and Water Resources Council to convene the Water Resources Planning Committee and describes requirements related to membership, meetings and reporting. It details a list of areas on which to focus effort. It also requires the committee to conduct an annual review of state policy in regard to certain topics, provide guidance to municipalities and develop and disseminate educational materials.

It requires an applicant for or a holder of a permit from the Department of Environmental Protection or the Department of Conservation who retains an environmental professional for the purpose of providing information to either agency to disclose if the environmental professional has a financial interest in the applicant, in the permit holder or in the property or activity that is the subject of the permit.

It adds to the list of exceptions in the bulk water transport laws so that water withdrawn pursuant to a permit issued by the Department of Environmental Protection or the Maine Land Use Regulation Commission does not require transport authorization pursuant to the bulk water transport laws.

It repeals the legislative findings section of the bulk water transport laws.

This bill:

1. Amends the law governing certification of underground oil storage tank installers by the Board of Underground Oil Storage Tank Installers. The amendments eliminate the current distinction between Class I and Class II installers and eliminate the requirement to complete 6 tank installations as a condition of certification. In lieu of the latter requirement, candidates for certification must demonstrate field experience in accordance with rules to be adopted by the board;
2. Amends the definition of "Code of Federal Regulations" to include those regulations effective on or before July 1, 2007;
3. Amends the definition of "Federal Water Pollution Control Act" to include amendments effective on or before July 1, 2007;

4. Amends the transfer provision in the waste discharge laws to provide that application for transfer of a license must be made no later than 2 weeks after the transfer of ownership or interest in the source of the discharge is completed;
5. Adds a rescission provision to the stormwater management laws;
6. Amends the Fish River provision in the significant rivers list of the mandatory shoreland zoning laws to update a location description that refers to a bridge that has been removed;
7. Amends the volume standard in the timber harvesting standard of the mandatory shoreland zoning laws to be consistent with statewide timber harvesting standards adopted by the Department of Conservation;
8. Amends the volume standard in the clearing of vegetation standard of the mandatory shoreland zoning laws to be consistent with statewide timber harvesting standards adopted by the Department of Conservation;
9. Amends the bacteria standard for Class GPA waters in the water classification program to include *Escherichia coli* bacteria of domestic animal origin, consistent with other recent changes to bacteria standards in this program;
10. Amends the Fish River provision in the list of outstanding river segments in the natural resources protection laws to update a location description that refers to a bridge that has been removed;
11. Amends the Piscataquis River provision in the list of outstanding river segments in the natural resources protection laws to change the name of Little Squaw Township to Moosehead Junction Township;
12. Amends the exemption in the natural resources protection laws for cutting or clearing subject to mandatory shoreland zoning laws to be consistent with statewide timber harvesting standards adopted by the Department of Conservation;
13. Reduces the number of members on the Oil Spill Advisory Committee from 14 to 9;
14. Eliminates reference to 2 completed reporting requirements on the availability of insurance for oil storage tanks, while preserving the requirement to prepare an annual report on the adequacy of the Ground Water Oil Clean-up Fund;
15. Provides for the biennial report on hazardous waste handling prepared by the Department of Environmental Protection under the Maine Revised Statutes, Title 38, section 1319-Q to be filed directly with the Legislature by November 1st. The bill also eliminates the need for the report to include recommendations for legislative action to develop and establish needed hazardous waste facilities. The current law provides for the report to be filed first with the Board of Environmental Protection for the purpose of making recommendations regarding the need for additional hazardous waste capacity. The board's responsibility to assess capacity needs was eliminated with the repeal of Title 38, section 1319-Q, subsection 3 in 1993;
16. Clarifies the law governing recycling of electronic waste by defining the term "consolidator" and amending the definitions of "consolidation facility" and "manufacturer;"

LD 1803 An Act To Clarify Comprehensive Planning and Land Use Ordinances

PUBLIC 247

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
KOFFMAN	OTP-AM	H-300

This bill makes the following changes to the laws governing growth management. It:

1. Clarifies that the portion of a rate of growth, zoning or impact fee ordinance not directly related to an inconsistency identified during a comprehensive plan review by the State Planning Office remains in effect after the inconsistency is identified;
2. Excludes certain ordinances from the definition of "zoning ordinance" thereby allowing towns to adopt those ordinances without having a consistent comprehensive plan;
3. Requires a comprehensive plan's implementation strategy and timetable to guide periodic review and revision of the comprehensive plan;
4. Exempts towns with no village or densely settled area and towns that identify as its growth area a growth area identified in another town's comprehensive plan from having to designate a growth area; and
5. Revises the review process for comprehensive plans.

## Committee Amendment "A" (H-300)

This amendment adds a provision that clarifies that portions of rate of growth, zoning or impact fee ordinances not directly related to an inconsistency identified by a court remain in effect. It clarifies that cluster development ordinances and design ordinances that apply townwide are not included in the definition of "zoning ordinance." It removes the requirement in the bill that implementation strategies must guide revision of a comprehensive plan. It requires a finding of inconsistency made by the Executive Department, State Planning Office to identify sections of the growth management laws and rules that are not adequately addressed in the comprehensive plan and to make recommendations for resolving the inconsistency.

## Enacted Law Summary

Public Law 2007, chapter 247 makes the following changes to the laws governing growth management. It:

1. Clarifies that the portion of a rate of growth, zoning or impact fee ordinance not directly related to an inconsistency identified by a court or during a comprehensive plan review by the State Planning Office remains in effect after the inconsistency is identified;
2. Excludes certain ordinances from the definition of "zoning ordinance" thereby allowing towns to adopt those ordinances without having a consistent comprehensive plan;

LD 1824 An Act To Regulate Outdoor Wood Boilers

PUBLIC 442  
EMERGENCY

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
BERRY BENOIT	OTP-AM	H-494

This bill defines "outdoor wood boiler." It permits the Commissioner of Environmental Protection to adopt a moratorium on the sale of high-emissions outdoor wood boilers until the department establishes rules regulating the sale, installation and use of outdoor wood boilers and directs the department to review the rules every 3 years and revise them if necessary. The bill also restricts the use of outdoor wood boilers manufactured prior to October 1, 2007 unless they meet the standards and rules adopted by the department. It directs the Department of Health and Human Services, Maine Center for Disease Control and Prevention in consultation with the Department of Environmental Protection to develop guidelines to determine whether an outdoor wood boiler is causing a public health nuisance.

**Committee Amendment "A" (H-494)**

This amendment changes the title and adds an emergency preamble and clause to the bill. It removes from the bill the moratorium provisions with regard to wood boilers. It sets emission standards for the sale of outdoor wood boilers and prohibits the operation of outdoor wood boilers in a manner that creates a nuisance condition as defined in rules of the Department of Environmental Protection. It directs the Department of Environmental Protection to adopt emergency major substantive rules for the regulation of outdoor wood boilers including provisions relating to siting, operation and labeling requirements, stack heights, dealer and manufacturer reporting, public notification of emission standards and operation and siting requirements, code enforcement officer training, nuisance conditions and existing inventory issues. The rules must provide for enforcement of the rules by the Department of Environmental Protection. The amendment directs the Department of Environmental Protection to report to the joint standing committee of the Legislature having jurisdiction over natural resources matters on achievable emission standards for outdoor wood boilers and on the status of the resolution of complaints regarding outdoor wood boilers.

**Enacted Law Summary**

Public Law 2007, chapter 442 sets emission standards for the sale of outdoor wood boilers and prohibits the operation of outdoor wood boilers in a manner that creates a nuisance condition as defined in rules of the Department of Environmental Protection. It directs the Department of Environmental Protection to adopt emergency major substantive rules for the regulation of outdoor wood boilers including provisions relating to siting, operation and labeling requirements, stack heights, dealer and manufacturer reporting, public notification of emission standards and operation and siting requirements, code enforcement officer training, nuisance conditions and existing inventory issues. This bill establishes a statewide carbon dioxide cap-and-trade program for fossil fuel fired electrical generating units within the State that have a nameplate capacity equal to or greater than 25 megawatts and requires the Department of Environmental Protection to develop carbon dioxide cap-and-trade rules. The bill also authorizes the Department of Environmental Protection to adopt major substantive rules regarding combined heat and power incentives and the Public Utilities Commission to adopt major substantive rules regarding the establishment and administration of the Maine Energy Conservation Board. The bill also authorizes the sale of carbon dioxide emissions allowances for the benefit of consumers and the creation of the Energy and Carbon Savings Trust.

## Committee Amendment "A" (H-321)

This amendment makes the following changes to the bill.

1. It amends the provision of the bill regarding additional assessments on transmission and distribution utilities to fund efficiency programming to require that prior to making such assessments the Public Utilities Commission shall consider: the amount and timing of the existing assessments to fund conservation programs; the funding for conservation programs through the Energy and Carbon Savings Trust; forward capacity market payments; and other predictable sources of funding for or investment in energy conservation and efficiency programs. It also specifies that any such assessments may not be charged until the Legislature has approved the commission's budget and requires that the commission identify these assessments in its presentation of its budget recommendations in any current services budget legislation or supplemental budget legislation. It specifies that these additional assessments must be paid on the same schedule that payment of assessments to the commission is required for the current conservation program assessment.
2. It amends the provisions of the bill regarding the Maine Energy Conservation Board in several ways. It changes the composition of the board as follows: it removes 3 trustees of the Energy and Carbon Savings Trust from the board as voting members, while retaining one trustee on the board as a nonvoting member; and it adds as voting members a representative of small business, the Commissioner of Environmental Protection or the commissioner's designee and the director of the Governor's Office of Energy Independence and Security or the director's designee. The amendment removes the Public Utilities Commission's responsibility for staffing the board and authorizes the board to contract for technical expertise and administrative services.
3. It amends the provision in the bill regarding the energy efficiency and conservation plan. It specifies that the plan must be a triennial plan developed jointly by the Public Utilities Commission and the trustees of the

## *Joint Standing Committee on Natural Resources*

Energy and Carbon Savings Trust with input from the Maine Energy Conservation Board. It requires that the commission and the trustees consult the board in development of the plan and authorizes the board to submit recommended changes to the plan to the commission and the trustees for review. It requires the board to vote on the plan and make a full report of its vote to the commission and the trustees. It specifies that with respect to the commission's conservation programs, the first triennial plan must address programs implemented on or after July 1, 2010.

4. It amends the provisions of the bill governing the Energy and Carbon Savings Trust to provide an effective date of October 1, 2008; to remove the Public Utilities Commission's responsibility for the management, administration, staffing and rulemaking of the trust and other trust-related responsibilities, while retaining the provision that requires the commission to appoint the 3 trustees; to specify that legal action in the name of the trust is to be taken by the trustees; and to provide initial funding for the trust through a temporary transfer of funds from the conservation program fund to the trust to be repaid when the trust receives revenue as a result of the regional greenhouse gas initiative.

5. It amends the circumstances under which the Commissioner of Environmental Protection may grant a waiver of enforcement for violations of the carbon dioxide cap-and-trade program. The bill authorizes the commissioner to grant waivers if the regional greenhouse gas initiative auction results in price levels that are expected to be excessive, or that are excessive and will result, or that are expected to result, in immediate and irreparable harm. The amendment authorizes the commissioner to grant a temporary waiver of enforcement, not to exceed one year, if the regional greenhouse gas initiative results in price levels for allowances that will result in immediate and irreparable harm.

6. It amends the provisions regarding combined heat and power units. The bill requires the Department of Environmental Protection to set aside a portion of the emissions allowances for carbon dioxide budget units that are combined heat and power units located at integrated manufacturing facilities. The amendment clarifies that the department is required to use the allowances for emissions related to electricity and thermal power generated at a unit that is a combined heat and power unit and to clarify that a combined heat and power unit may be a combined cycle system or other energy generation configuration. It also clarifies language authorizing department rules to distinguish between combined heat and power units that commence operation after July 1, 2007 and those that commence operation before July 1, 2007.

7. It amends the provision regarding the submittal of an annual report by the Department of Environmental Protection and the Energy and Carbon Savings Trust by clarifying that the joint standing committees of the Legislature having jurisdiction over natural resources matters and utilities and energy matters may individually submit legislation relating to areas within each committee's jurisdiction.

8. It adds a provision to the bill that directs the Office of the Public Advocate to study the feasibility of integrating the programmatic and organizational responsibilities and functions with respect to energy efficiency and conservation within the Public Utilities Commission and the Energy and Carbon Savings Trust and consider the responsibilities of the Maine Energy Conservation Board in relation to the commission and the trust. The Office of the Public Advocate is required to submit a report by January 15, 2008 to the Joint Standing Committee on Utilities and Energy, and the committee may submit legislation on this issue to the Second Regular Session of the 123rd Legislature.

9. It adds an appropriations and allocations section to the bill.

Carbon Savings Trust Fund from October 1, 2008 to July 1, 2008 and makes the same date change to the authorization to transfer funds.

This amendment also requires the Office of the Public Advocate, in its study of integrating and combining responsibilities for energy efficiency functions into a single entity, to identify and report on options and the timing of integration.

### Enacted Law Summary

Public Law 2007, chapter 317 establishes a statewide carbon dioxide cap-and-trade program for fossil fuel fired electrical generating units within the State that have a nameplate capacity equal to or greater than 25 megawatts of electrical output. The cap-and-trade program is contingent on initiation of comparable programs in other states that are participating in the northeast regional greenhouse gas initiative. Chapter 317 requires the Department of Environmental Protection to develop carbon dioxide rules to implement the cap-and-trade program. Chapter 317 also:

1. Amends the laws governing the Public Utilities Commission's Efficiency Maine program, including a provision for an additional assessment on transmission and distribution utilities to fund efficiency programming;
2. Establishes the Energy and Carbon Savings Trust and the Energy and Carbon Savings Trust Fund, consisting of revenue from the sale of carbon dioxide offset allowances, to support the goals and implementation of the carbon dioxide cap-and-trade program; and
3. Establishes the Maine Energy Conservation Board to assist the Public Utilities Commission and the trustees of the Energy and Carbon Savings Trust in the development, coordination and integration of planning for the State's energy conservation efforts and to provide advice and counsel to the commission and the Energy and Carbon Savings Trust on energy conservation and carbon dioxide reduction matters.

## LD 1888 An Act To Implement Recommendations of the Drinking Water Program Regarding Public Water Supply Protection

PUBLIC 353

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
	OTP-AM	S-263

This bill implements recommendations of the drinking water program of the Department of Health and Human Services in connection with a report required pursuant to Resolve 2005, chapter 140. The bill accomplishes the following.

1. It amends the acquisition criteria for the Executive Department, Land for Maine's Future Board. It requires the board to consider whether the site provides public water supply protection.
2. It requires state agencies to consider the negative impact of the agency's actions on public water supplies, evaluate alternatives to minimize the impact and conduct mitigation of any unavoidable impact.
3. It allows the safe drinking water revolving loan fund to be used by a public water system to acquire protective interests in land.
4. It defines "community public water system" and "community public water system primary protection area."
5. It adds community public water system primary protection areas to the definition of "protected natural resource."
6. It adds language to the standards imposed under the laws governing natural resources protection to require that an applicant for a project in a community public water system primary protection area has to meet only the soil erosion and water quality standards contained in those laws.
7. It requires the applicant to notify the drinking water program of the Department of Health and Human Services and the community public water system if the resource subject to alteration or the underlying groundwater is used by a community public water system.
8. It authorizes the Commissioner of Environmental Protection to, under certain circumstances, delegate to the drinking water program of the Department of Health and Human Services or to a community public water system the authority to determine whether an activity that is located within a community public water system primary protection area meets the erosion and water quality standards.
9. It exempts community public water systems from the laws governing natural resources protection permitting requirements for activities within their community public water system primary protection areas.
10. It requires the Department of Environmental Protection to adopt rules to specify requirements for an activity located in a community public water system primary protection area.
11. It directs the Department of Environmental Protection to report to the Joint Standing Committee on Natural Resources by January 15, 2008 concerning the status of the rulemaking.

### Committee Amendment "A" (S-263)

This amendment deletes the requirement in the bill that requires state agencies to conduct mitigation of unavoidable impacts the agency's actions have on a public water supply. It clarifies that the Commissioner of Environmental

Protection may delegate review authority to the drinking water program of the Department of Health and Human Services or to a community public water system. It adds an exemption to the laws regarding the protection of natural resources for transportation reconstruction or replacement projects within a community public water system primary protection area. It clarifies that the Department of Environmental Protection may address mitigation in rules concerning community public water system primary protection areas, but may not include compensation as a method of mitigation. It designates rules specifying requirements for activities located in a community public water system primary protection area as major substantive rules. It requires the Department of Environmental Protection to provide notice of the rulemaking to municipalities in which community public water system primary protection areas are located.

### **Enacted Law Summary**

Public Law 2007, chapter 353 implements recommendations of the drinking water program of the Department of Health and Human Services in connection with a report required pursuant to Resolve 2005, chapter 140. Chapter 353 accomplishes the following.

1. It amends the acquisition criteria for the Executive Department, Land for Maine's Future Board. It requires the board to consider whether the site provides public water supply protection.
2. It requires state agencies to consider the negative impact of the agency's actions on public water supplies and to evaluate alternatives to avoid and minimize the impact.
3. It allows the safe drinking water revolving loan fund to be used by a public water system to acquire protective interests in land.
4. It defines "community public water system" and "community public water system primary protection area."
5. It adds community public water system primary protection areas to the definition of "protected natural resource."
6. It adds language to the standards imposed under the laws governing natural resources protection to require that an applicant for a project in a community public water system primary protection area has to meet only the soil erosion and water quality standards contained in those laws.
7. It requires the applicant to notify the drinking water program of the Department of Health and Human Services and the community public water system if the resource subject to alteration or the underlying groundwater is used by a community public water system.
8. It authorizes the Commissioner of Environmental Protection to, under certain circumstances, delegate review authority to the drinking water program of the Department of Health and Human Services or to a community public water system to determine whether an activity that is located within a community public water system primary protection area meets the erosion and water quality standards.
9. It adds an exemption to the laws regarding the protection of natural resources for transportation reconstruction or replacement projects within a community public water system primary protection area.
10. It exempts community public water systems from the laws governing natural resources protection permitting requirements for activities within their community public water system primary protection areas.
11. It requires the Department of Environmental Protection to adopt major substantive rules to specify requirements for an activity located in a community public water system primary protection area. The department is required to provide notice of the rulemaking to municipalities in which community public water system primary protection areas are located.

## LD 1903 An Act To Implement the Recommendations of the Working Group Studying Mold in Buildings

PUBLIC 355

Sponsor(s)

Committee Report

Amendments Adopted

OTP-AM

H-514

This bill implements recommendations of the working group created pursuant to Resolve 2005, chapter 174 to study mold in buildings. Specifically, the bill:

1. Requires home construction contracts to contain the training received and certifications held by project supervisors;
2. Requires disclosure of the potential for conflict of interest if mold assessment and remediation services are provided by the same person or company;
3. Adds mandatory moisture control provisions to the Maine Model Building Code and the Maine model building energy code;
4. Establishes a mandatory mediation program for mold or excess moisture disputes between tenants and landlords;
5. Authorizes local health officers to evaluate complaints made by tenants concerning issues with mold or excess moisture;
6. Directs the Maine Center for Disease Control and Prevention to review and recommend guidelines and standards regarding assessment and remediation of mold; and
7. Establishes one position in the Department of the Attorney General, Consumer Protection Division to support investigations of complaints related to substandard construction, renovation and mold assessment and remediation practices. It also establishes one position in the Department of Health and Human Services, Maine Center for Disease Control and Prevention to support the reviewing and recommending of guidelines and standards in connection with mold in buildings in the State and to provide education and response to public concerns regarding mold.

### Committee Amendment "A" (H-514)

This amendment strikes all of the provisions from the bill except for the requirement for disclosure of the potential for conflict of interest if mold assessment and remediation services are provided by the same person or company. It also adds a requirement directing the Department of Health and Human Services, Maine Center for Disease Control and Prevention to submit a report to the joint standing committees of the Legislature having jurisdiction over natural resources matters, legal and veterans affairs and judiciary matters on activities and reviews undertaken by the department in connection with issues relating to mold and excess moisture in buildings.

### Enacted Law Summary

Public Law 2007, chapter 355 requires disclosure of the potential for conflict of interest if mold assessment and remediation services are provided by the same person or company. It also requires the Department of Health and Human Services, Maine Center for Disease Control and Prevention to submit a report to the joint standing committees of the Legislature having jurisdiction over natural resources matters, legal and veterans affairs and

## LD 1908 An Act To Implement Recommendations of the Blue Ribbon Commission on Solid Waste Management

PUBLIC 414

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
	OTP-AM	S-238

This bill implements recommendations of the Blue Ribbon Commission on Solid Waste Management.

It amends the provisions relating to a public benefit determination by requiring state-owned disposal facilities to provide a substantial public benefit and by authorizing the Department of Environmental Protection to revise a public benefit determination if a change in the underlying facts or circumstances upon which the determination was based has occurred or is proposed.

It prohibits state-owned solid waste disposal facilities from accepting waste that is not generated within the State.

It requires the Department of Environmental Protection to submit recommendations on the sources of revenue from construction and demolition debris recycling and incineration that are sufficient to fund ambient air quality monitoring and landfill oversight. The report must be submitted to the Joint Standing Committee on Natural Resources by January 15, 2008, and the committee is authorized to submit legislation relating to the recommendations to the Second Regular Session of the 123rd Legislature.

### Committee Amendment "A" (S-238)

This amendment replaces the bill. The amendment exempts from the provisions of the bill relating to public benefit determinations those solid waste disposal facilities that are owned by the State and currently in operation or to an expansion of those facilities. It defines "waste generated within the State" and "bypass."

It clarifies the reporting requirement in the bill to require the Department of Environmental Protection to submit a report on funding options for the State's solid waste management program, including recommendations concerning potential sources of revenue from fees relating to construction and demolition debris to fund monitoring and compliance activities.

### Enacted Law Summary

Public Law 2007, chapter 414 requires a solid waste disposal facility owned by the State, other than a facility that is currently in operation or to an expansion of that facility, to provide a substantial public benefit. It authorizes the Department of Environmental Protection to revise a public benefit determination if a change in the underlying facts or circumstances upon which the determination was based has occurred or is proposed. It prohibits state-owned solid waste disposal facilities from accepting waste that is not waste generated within the State. It defines "waste generated within the State" and "bypass."

Chapter 414 also requires the Department of Environmental Protection to submit a report on funding options for the State's solid waste management program, including recommendations concerning potential sources of revenue from fees relating to construction and demolition debris to fund monitoring and compliance activities.

Amendments Adopted

S-378 ROTUNDO

This bill creates a stream of revenue to retire the costs of investigation and remediation at the Portland-Bangor Waste Oil Services Sites in Plymouth, Ellsworth, Casco and Presque Isle. The Finance Authority of Maine is authorized to issue revenue obligation securities in amounts sufficient to cover the clean-up costs. These revenue obligation securities are to be retired with funds derived from a premium on motor vehicle oil changes. The premium is imposed at the retail level.

Parties that contributed waste motor oil to one of the 4 sites and who have been designated as responsible parties, including the State, instrumentalities of the State and counties and municipalities, are eligible to participate in the waste motor oil disposal site remediation program. The United States Government and its instrumentalities are not eligible to participate in the program.

**Senate Amendment "A" (S-378)**

This amendment includes a provision to transfer the first \$11,000 received by the Waste Motor Oil Revenue Fund within the Finance Authority of Maine to the General Fund no later than June 30, 2008.

**Enacted Law Summary**

Public Law 2007, chapter 464 creates a stream of revenue to retire the costs of investigation and remediation at the Portland-Bangor Waste Oil Services Sites in Plymouth, Ellsworth, Casco and Presque Isle. <u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
	OTP-AM   MAJ OTP-AM   MIN	H-12

LD 214 reforms county government in the following ways:

1. It amends the county budget process so that all county budget committees are advisory and the county commissioners have the authority to adopt a final budget. It amends the budget process in the counties of Androscoggin, Aroostook, Knox, York, Waldo, Kennebec, Franklin, Oxford, Somerset and Penobscot.
2. It establishes an apportionment commission to increase the number of county commissioner districts to 5 or 7 in all counties except York County, which already has 5 commissioner districts, and Knox County and Aroostook County, both of which have county charters that set the number of commissioner districts at 3. It requires the apportionment commission to develop 2 plans, one that increases the number of county commissioner districts to 5 and one that increases the number to 7. Voters in each county vote on whether to accept the plan that increases the number of districts to 7. If the referendum fails, that county shall adopt the plan increasing the number of districts to 5.
5. The plans chosen by county voters are to be submitted to the Legislature for enactment no later than January 15, 2009. Election of county commissioners must take place at the November 2010 election.
3. It requires the Department of Audit to post on its website the government chart of accounts for municipal and county governments.

# Joint Standing Committee on State and Local Government

## Committee Amendment "A" (H-12)

This amendment is the majority report of the committee. It retains only the section of the bill that requires the Department of Audit to post on its website the government chart of accounts for municipal and county governments. It removes all the sections relating to increasing the number of county commissioners and making county budget committees advisory.

## Committee Amendment "B" (H-13)

This amendment replaces the bill and is the minority report. It requires all counties that do not currently have a county charter to initiate a charter commission. The membership of the commission must be elected no later than the November 2007 election and the proposed county charter must be submitted to the voters no later than November 2008. Each charter must include the powers of the budget committees in that county. The joint standing committee of the Legislature having jurisdiction over state and local government matters may submit a bill to the Second Regular Session of the 124th Legislature after the charters have been adopted in all counties making the necessary changes to the Maine Revised Statutes relating to budgetary procedures. The amendment retains the requirement of the Department of Audit to supply the government chart of accounts for municipal and county governments on its website.

## Enacted Law Summary

Private & Special Law 2007, chapter 3 requires the Department of Audit to post on its website the government chart of accounts for municipal and county governments.

LD 1238 is a constitutional amendment to change the terms of Senators and members of the House of Representatives to 4 years. It provides for staggered terms by having half of the Senators and members of the House beginning 4-year terms in 2010 and the other half beginning in 2012. It retains term limits of 8 years, except that during the period of transition from 2-year to 4-year terms a limit of 10 years is imposed. Each Legislature would continue to consist of a 2-year cycle, with a first regular session and a second regular session. In order to ensure that terms remain staggered, a provision is added to require that districts retain like number designations during 10-year reapportionments and that a reapportionment plan not curtail or cut short a 4-year term before its expiration.

LD 1264 gives municipalities the authority to plant, trim, cut and remove trees in the right-of-way, after giving notice to the abutting property owners. The property owners have the opportunity to appeal the decision and negotiate changes. Municipalities retain the authority to cut and remove trees without notice in emergency situations. Municipalities are required to adopt standards governing many aspects of maintaining trees in the right-of-way, including setbacks and utilities' plans to trim, cut and remove trees. Utilities are required to give customers and abutting landowners in the municipality notice of plans to cut, trim or remove trees in the right-of-way or that encroach on the right-of-way. Notice must also be posted at the municipal office.

### **Committee Amendment "A" (H-136)**

This amendment, which is the minority report, amends the bill so that municipalities are not required to adopt ordinances or standards but may choose to do as long as those ordinances or standards do not include restrictions on utility companies. The amendment removes the requirements for utilities to comply with municipal standards or to provide additional notice to customers other than those requirements that currently exist in state law.

LD 1550 affects term limits for Legislators in the following ways and is contingent upon the adoption and ratification of a constitutional amendment in LD 1553 that would increase the number of years for a legislative term from 2 to 4:

1. Legislators would have a lifetime cumulative limit of 8 terms regardless of where those terms are served. The limit on 4 consecutive terms in one chamber would remain intact, thereby requiring a break in service to return to service in the same chamber for a 5th term.
2. The limits for serving as President of the Senate and Speaker of the House would be 2 consecutive Legislatures.

### **Committee Amendment "A" (H-506)**

This amendment amends the term limit law to maintain the current maximum of 8 years in each chamber rather than the 16 years proposed by the bill. Like the bill, this amendment is contingent upon a constitutional amendment being adopted and ratified by referendum that would increase legislative terms from 2 years to 4. The amendment also requires the President of the Senate and the Speaker of the House to be reelected by their respective chambers at the beginning of the each odd-numbered regular session of the Legislature. The constitutional amendment and new term limit law would not take effect until the 2014 general election.

2. Amends the laws regarding the state purchasing code of conduct to allow a party found not to be in compliance with the code of conduct to provide continued access to independent monitors; and
3. Creates the Citizens' Code of Conduct Working Group, with 7 members appointed by the Governor and the State Purchasing Agent and Commissioner of Administrative and Financial Service as ex officio members, to advise the State Purchasing Agent on matters related to the state purchasing code of conduct and to help implement a monitoring consortium for the code of conduct.

### **Committee Amendment "A" (S-102)**

This amendment amends the section of the bill relating to the 1% vendor's fee. Rather than requiring the fee, it gives authority to the State Purchasing Agent to charge the fee to reflect the fact that the consortium to monitor and investigate alleged violations of the state purchasing code of conduct is not yet operational. Rules adopted by the State Purchasing Agent with respect to the fee are changed from major substantive to routine technical. The amendment also requires the Director of the Bureau of General Services to submit an annual report on the revenue generated by the vendor's fee to the joint standing committee of the Legislature having jurisdiction over state and local government matters. This amendment adds an appropriations and allocations section to the bill.

LD 1810 enacts the Informed Growth Act to supplement existing municipal project application review criteria with a comprehensive impact study specifically related to the impact of large-scale retail development. It requires an applicant seeking a permit to build a large-scale retail development that is larger than 75,000 square feet to pay for a comprehensive impact study, a public hearing and related municipal staff support in order to estimate the positive and negative economic and environmental effects of the project on the local area prior to permit approval. The study must be presented at a public hearing before the municipal reviewing authority held simultaneously with its review of the permit application. In order for approval for the application to be given, the municipal reviewing authority must determine, based on the comprehensive impact study, other materials and a public hearing, that the project would have no undue adverse impact on the local area.

## Committee Amendment "A" (H-355)

This amendment makes a number of changes to the bill:

1. It removes the definitions of "aggregate of buildings or structures" and "market area" from the bill.
2. It includes a definition of "municipal reviewing authority" and clarifies that "office" means the Executive Department, State Planning Office.
3. It changes the defined term "comprehensive impact area" to "comprehensive economic impact area." "Comprehensive economic impact area" includes the municipality and the abutting municipalities in the geographic area affected by the proposed large-scale retail development rather than the market area of the development or 5 miles in all directions.
4. It changes the defined term "comprehensive impact study" to "comprehensive economic impact study." It estimates effects of the retail development rather than requiring positive and negative judgments. It removes other references to positive and negative effects. It also requires the preparer of the study to collect any studies on environmental issues that have already been carried out.
5. It limits the definition of "large-scale retail development" to a single retail business on a single site.
6. It clarifies the definition of "retail business establishment" by removing a reference to services.
7. It requires the study to be completed within 4 months of application rather than 6 months.
8. It requires the municipal reviewing authority and the applicant for the permit to agree on the preparer of the study from the list provided by the State Planning Office. If there is no agreement after 15 days, the municipal reviewing authority has the authority to choose the preparer.
9. It adds an appropriations and allocations section.

## *Joint Standing Committee on State and Local Government*

This amendment, which is the minority report, is the same as Committee Amendment "A" (H-355) except that it requires the applicant for the permit to pay the \$40,000 fee to the municipality rather than to the State Planning Office. This amendment was not adopted.

### **House Amendment "A" (H-383)**

This amendment provides an exemption from the Informed Growth Act for a municipality that has adopted economic and community impact review criteria that apply to large-scale retail development land use permit applications and that require a study of the comprehensive economic and community impacts of the proposed large-scale retail development for consideration, among other evidence, in applying the review criteria to the application.

### **House Amendment "A" (H-409)**

This amendment allows a municipality to voluntarily adopt the Informed Growth Act and specifies that the Act does not apply to a municipality that chooses not to adopt it. It also replaces the requirement that the applicant for a permit pay a \$40,000 fee with language allowing the municipality to assess the fee necessary to conduct the impact study. This amendment was not adopted.

### **Senate Amendment "A" (S-236)**

This amendment clarifies that a municipality that, after the effective date of this Act, adopts economic and community impact review criteria that apply to large-scale retail development land use permit applications may be exempt from the provisions of the Informed Growth Act.

### **Enacted Law Summary**

Public Law 2007, chapter 347 enacts the Informed Growth Act to supplement existing municipal project application review criteria with a comprehensive impact study specifically related to the impact of large-scale retail development.

The law requires an applicant seeking a permit to build a large-scale retail development that is larger than 75,000 square feet to pay for a comprehensive economic impact study, a public hearing and related municipal staff support in order to estimate the effects of the project on the local area prior to permit approval. The study must be presented at a public hearing before the municipal reviewing authority held simultaneously with its review of the permit application. In order for approval for the application to be given, the municipal reviewing authority must determine, based on the comprehensive economic impact study, other materials and a public hearing, that the project would have no undue adverse impact on the local area. The preparer of the study must come from a list provided by the State Planning Office and must be mutually agreed upon by the municipal reviewing authority and the applicant for the permit. If there is no agreement after 15 days, the municipal reviewing authority has the authority to choose the preparer.

A municipality that has adopted economic and community impact review criteria that apply to large-scale retail development land use permit applications and that require a study of the comprehensive economic and community impacts of the proposed large-scale retail development for consideration as part of the review criteria for the application are exempt from the Informed Growth Act.

LD 1867 amends Private & Special Law 1911, chapter 227, which created the Bayville Village Corporation, by repealing the provision that required 60% of property taxes raised by the Town of Boothbay Harbor on property located in Bayville Village Corporation to be annually paid over to the corporation for use in providing municipal-type services to the residents within the territory of the Bayville Village Corporation. It clarifies that the residents of Bayville Village Corporation are considered residents of the Town of Boothbay Harbor in all respects and that they are entitled to receive the same municipal services delivered in the same manner as any other residents of the town.

	OTP-AM	H-400
		H-466    ADAMS

LD 1876 amends Resolve 2005, chapter 168, which established a task force to develop a plan for the Maine State Cultural Building in Augusta. It adds to the existing membership of the task force representatives of the Department of Transportation and the judicial branch. It requires the task force to submit a 2nd report by November 15, 2007 with any recommendations regarding the cultural building. It also provides an appropriation of \$100,000 to contract with an architectural consultant and give the Joint Standing Committee on State and Local Government authority to submit legislation to the Second Regular Session of the 123rd Legislature.

### **Committee Amendment "A" (H-400)**

This amendment changes the membership of the task force to develop a plan for the Maine State Cultural Building in Augusta by adding a representative of the Department of Defense, Veterans and Emergency Management, office of the Adjutant General and from the Friends of the Blaine House. It changes the report date to the joint standing committee of the Legislature having jurisdiction over state and local government matters to January 15, 2009. The joint standing committee is authorized to submit legislation to the First Regular Session of the 124th Legislature. It requires the task force to raise the \$100,000 necessary for architectural consultant services from private funds and requires the Department of Administrative and

Financial Services, Bureau of General Services to administer the funds. If sufficient money is not raised privately by January 15, 2008, the Legislature is authorized to make up the difference. The consultant services must be contracted according to purchasing standards established for the Department of Administrative and Financial Services, Bureau of General Services.

### House Amendment "A" (H-466)

This amendment specifies that the task force may apply for New Century Community Program funds to provide funding for the task force and the architectural consultant; any funds received from the New Century Community Program are eligible to be matched by federal, state or local funds.

This bill was carried over to any special or regular session of the 123rd Legislature by joint order, H.P. 1369.

### LD 1878 An Act To Generate Savings by Changing Public Notice Requirements

CARRIED OVER

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
HAYES SCHNEIDER	OTP-AM ONTP	

LD 1878 phases out, over a one-year period, the requirement that State Government, including the executive branch, departments, independent agencies, the Legislature and the judicial branch, and the Maine Land Use Regulation Commission, or LURC, publish legal or public notices in a newspaper. Instead, the Department of Administrative and Financial Services, for State Government, and LURC, for the unorganized territory, are required to establish and maintain a publicly accessible Internet site on which to post all legal and public notices. In addition, the department and LURC are required to establish and maintain an in-state toll-free telephone number that allows a person in Maine to call and receive, by mail, any notice posted on the respective Internet sites.

For the first 6 months, from July 1, 2007 to December 31, 2007, every notice published in a newspaper by an entity of State Government or LURC is required to include an entity of statement with the printing of each public notice that notices will not be printed in newspapers after December 31, 2007 and the address of the Internet site and telephone number of the government entity or LURC, as the case may be. For the next 6 months, from January 1, 2008 to June 30, 2008, instead of publishing a notice, the government entity and LURC are only required to publish a statement that notices are no longer published in the newspaper and the address of the Internet site and telephone number where such notices may not be obtained. Finally, beginning July 1, 2008, no notices will be published in newspapers by a government entity or LURC.

Municipalities are allowed to publish legal notices in a newspaper medium distributed as 3rd-class mail if the municipal officers adopt a publication policy. The policy must contain 5 requirements: the newspaper of general circulation must have a subscription rate of less than 30% of the residents in the municipality; all households in the municipality must receive the alternative newspaper; the alternative newspaper must cost less than the newspaper of general circulation; the municipality must retain a record of all notices published in the alternative newspaper; and the publisher of the alternative newspaper must have a system of archiving past editions.

The Department of Administrative and Financial Services is required to submit legislation by December 15, 2007 to the Joint Standing Committee on State and Local Government that removes any statutory requirement that a government entity publish notices in newspapers.

This bill was carried over to any special or regular session of the 123rd Legislature by joint order, H.P. 1369.

# *Joint Standing Committee on State and Local Government*

## **Committee Amendment "A" (H-531)**

This amendment delays and extends the phasing out of publishing legal or public notices in newspapers. The first phase, lasting from the effective date of this legislation until June 30, 2008, requires that legal and public notices be published in newspapers along with a notice informing readers that notices will be published only electronically after July 1, 2009. The second phase, lasting from July 1, 2008 until June 30, 2009, requires that only a notice informing readers where notices can be found electronically may be published in newspapers. After July 1, 2009, all public and legal notices are to be published electronically.

The amendment removes the specific language of the notices from the bill and removes the requirement for a toll-free number to be included in the notice. It gives the Commissioner of Administrative and Financial Services the duty to resolve disputes. It allows the commissioner to waive the requirement for executive departments in the interests of the State. The same authority is granted to the Executive Director of the Legislative Council for the Legislature and to the State Court Administrator for the judicial branch. It also requires the Commissioner of Administrative and Financial Services, the Executive Director of the Legislative Council and the State Court Administrator to provide annual reports to the joint standing committee of the Legislature having jurisdiction over state and local government matters until January 15, 2010. Finally, it removes the emergency preamble and emergency clause from the bill and adds an appropriations and allocations section.

LD 1885 repeals boards and commissions that did not file annual reports in 2005 or 2006, or that filed an annual report but indicated inactivity for 2005 and 2006. The boards and commissions being repealed are:

1. Education Commission of the States;
2. Future for Youth in Maine State Work Action Tactics Team;
3. Maine Higher Educational Attainment Council;
4. Pharmaceutical Cost Management Council;
5. Prescription Drug Advisory Commission;
6. Telecommunications Relay Services Advisory Council;
7. Work Center Purchases Committee;
8. Agricultural Products Utilization Commission;
9. Commission on Safety and Health in the Maine Workplace;
10. Maine Engineers Recruitment and Retention Advisory Committee;

11. Maine-Canadian Legislative Advisory Commission;
12. Natural Areas Advisory Board;
13. Oil Spill Advisory Committee;
14. The State Compensation Commission; and
15. The Board of Directors of the Maine Consumer Choice Health Plan.

It also removes references to the Advisory Commission on Radioactive Waste and Decommissioning, which has a sunset date of June 30, 2006; the General River Corridor Commissions, which were never formed; and the Commission on Performance Budgeting, which is repealed July 1, 2007.

### **Committee Amendment "A" (H-496)**

This amendment removes a number of boards and commissions from the list to be repealed in the bill. Those boards and commissions being removed from the bill are:

1. Education Commission of the States;
2. Pharmaceutical Cost Management Council;
3. Telecommunications Relay Services Advisory Council;
4. Maine Engineers Recruitment and Retention Advisory Committee;
5. Maine-Canadian Legislative Advisory Commission;
6. Oil Spill Advisory Committee; and
7. State Compensation Commission.

It also transfers the responsibilities of the Work Center Purchases Committee to the Director of the Bureau of General Services within the Department of Administrative and Financial Services and repeals the committee itself. It gives authority for the joint standing committee of the Legislature having jurisdiction over state and local government matters to submit legislation in the first regular session of each biennium in order to act on the Secretary of State's report without the need for a joint order.

### **Senate Amendment "A" (S-283)**

This amendment, presented on behalf of the Committee on Bills in the Second Reading, prevents a conflict by removing a section of the bill that amended a section of law amended by Public Law 2007, chapter 240, Part RRRR, section 4.

### **Enacted Law Summary**

Public Law 2007, chapter 395 repeals boards and commissions that did not file annual reports in 2005 or 2006, or that filed an annual report but indicated inactivity for 2005 and 2006. The boards and commissions being repealed are:

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
LANSLEY	OTP-AM   MAJ ONTP   MIN	H-507 H-608   BARSTOW

LD 1916 is a concept draft pursuant to Joint Rule 208. The bill proposes to increase the number of commissioners for Androscoggin County from 3 to 5. It puts the question out to the voters of Androscoggin County through a statewide referendum in November 2007.

#### Committee Amendment "A" (H-507)

This amendment replaces the bill with a resolve to establish an apportionment commission to develop a plan to redistrict Androscoggin County to increase the number of county commissioners to 5. The plan must be developed by October 1, 2007. The county commissioners may submit the plan to the county voters at referendum at the November 2007 election and to the Legislature for enactment during the Second Regular Session of the 123rd Legislature. If the plan is approved, the election for commissioners of the new county commissioner districts must take place at the November 2008 election.

#### House Amendment "A" (H-608)

This amendment allows the Androscoggin County commissioners to establish an apportionment commission to increase the number of county commissioners from 3 to 5. It delays any increase in county commissioners in Androscoggin County until the November 2010 election. If the Androscoggin County commissioners establish an apportionment commission, it requires the plan to be developed by October 1, 2009 for submission to the voters at the November 2009 election. If the plan is approved, the election for county commissioners would take place at the November 2010 election.

### Enacted Law Summary

Resolve 2007, chapter 135 allows the Androscoggin County commissioners to establish an apportionment commission to increase the number of county commissioners in Androscoggin County from 3 to 5. If the Androscoggin County commissioners establish an apportionment commission, the plan must be developed by October 1, 2009 for submission to the voters at the November 2009 election. If the plan is approved, the election for county commissioners would take place at the November 2010 election.

## Joint Standing Committee on Taxation

This bill creates the retired senior resident homestead property tax exemption to provide a property tax exemption for retired persons of 50% of the just value of that person's homestead. A person is eligible if that person:

1. Is a permanent resident of this State and has had that status for the previous 5 years;
2. Is at least 65 years of age;
3. Is employed fewer than 20 hours per week; and
4. Has a Maine adjusted gross income of less than \$50,000.

The State is required to reimburse the municipality 100% of the taxes lost due to the exemption. A person must apply for the exemption annually, either by applying to the municipality and providing a copy of the person's income tax form or other suitable verification of income or by using the individual income tax form to obtain a refundable credit.

**DIED ON  
ADJOURNMENT**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
WATSON	OTP-AM MAJ ONTP MIN	H-528

This bill provides a transferable income tax credit for voluntary contributions of land for conservation and for conservation easements that qualify as charitable donations under the federal income tax. The credit is equal to 25% of the value of the donation up to \$500,000 for corporate donors and \$250,000 for other donors.

#### **Committee Amendment "A" (H-528)**

This amendment decreases the total amount of the credit from 25% to 15% of the value of the donation, provides that the credit is refundable up to 20% per year instead of being transferable and requires the Commissioner of Conservation to adopt major substantive rules to ensure maximum state benefit from the credit and to ensure that smaller landowners are the primary users of the credit. The amendment also provides that the credit begins with the 2009 tax year and expires after 5 years.

This bill was placed on the Special Appropriations Table and died on adjournment.

PENDLETON	ONTP	

This bill is a concept draft pursuant to Joint Rule 208.

This bill proposes to implement the recommendations of the Secretary of State's task force to study the motor vehicle excise tax and motor vehicle registration fees. The recommendations include:

1. Flattening the current excise tax rate imposed on motor vehicles to provide for a lower initial rate from the current 24 mills and a more gradual decrease in the rate;
2. Phasing in gradually a decrease in the top excise tax rate from 24 mills to 18 mills, the national average;
3. Enhancing the vehicle registration form to make it clear that the motor vehicle excise tax is municipal revenue to be used by the municipality at its discretion;
4. Requiring municipalities to include in their town reports an explanation of the implementation and

distribution of the motor vehicle excise tax; and

5. Developing an educational program, working in conjunction with the Maine Municipal Association, to allow municipal agents who collect motor vehicle excise taxes to provide consistent and correct information to citizens regarding the use of motor vehicle excise tax revenue by the municipality.

**LD 559      An Act Regarding the Valuation of Land within Buffer Areas Established      PUBLIC 389**  
**under the Natural Resources Protection Laws**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
JOY	OTP-AM	H-505

This bill provides that land and buffer areas designated by the Department of Inland Fisheries and Wildlife as significant wildlife habitat under the natural resources protection laws may be classified as open space land and taxed at their current use value for property tax purposes. If a current use value is not available, the land may receive a reduction in just value for property tax purposes of at least 50%.

### Committee Amendment "A" (H-505)

This amendment eliminates provisions for open space valuation and clarifies that designation of land as significant wildlife habitat is one of the relevant factors that must be considered by local tax assessors when determining the just value of land.

### Enacted Law Summary

Public Law 2007, chapter 389 clarifies that designation of land as significant wildlife habitat under the natural resources protection laws is one of the relevant factors that must be considered by local tax assessors when determining the just value of land.

This bill amends the minimum taxability threshold for nonresidents by increasing from 10 to 45 the number of days a nonresident must be performing personal services in Maine before the compensation is considered Maine-source income. This bill also establishes a number of personal services that, when performed in Maine, do not count towards the 45-day threshold.

### Committee Amendment "A" (H-602)

This amendment provides new minimum taxability thresholds for nonresidents. The new thresholds permit greater income-earning activity by nonresidents in the State before Maine income tax liability is triggered. The amendment also excludes from the determination of taxability in the State up to 24 days of personal services related to certain training, management functions, equipment upgrade and new investment. The amendment also adds an appropriations and allocations section.

This bill is a concept draft pursuant to Joint Rule 208.

This bill proposes to create a land bank program to provide tax relief to property owners in the State who pledge to retain their residential property or maintain the use of their commercial property for at least 5 years. The program requires an amendment to the Constitution of Maine, Title IX, Section 8 concerning the taxation of real estate according to its just value. The program is similar to the Maine Tree Growth Tax Law, and the program's elements include:

1. An owner of real property in the State regardless of residency is eligible for participation in the program;
2. The property for which the relief is given is separated into 3 classes: primary residence, secondary residence and commercial property;
3. Tax relief for a property that is a primary residence is determined based upon criteria such as how long the property has been owned by the owner or the owner's immediate family, the size of the property and whether the owner is self-employed and works from the property;
4. Tax relief for a property that is a secondary residence is determined based upon criteria such as how long the

property has been owned by the owner or the owner's immediate family, the size of the property, whether the property has seasonal or year-round use and utilities and its valuation;

5. Tax relief for a commercial property is determined based upon criteria such as how long the property has been owned by the owner or owner's immediate family, how long the business has been operated in the same manner, the size of the property and the nature of the ownership such as sole proprietorship, closely held corporation, foreign corporation or franchise;

6. Tax relief is provided based upon an owner's pledge to retain ownership of a primary or secondary residence or not to allow a change of use of a commercial property for at least 5 years, which may be renewed in 5-year intervals;

7. Tax relief is determined by basing the property's value on a look-back period of 5 years preceding the property's admission into the program and beginning the valuation at 100% using the state-certified ratio for that year and adjusting the value based upon the criteria for that class of property; and

8. The penalty for withdrawing from the program before the end of the 5-year period is 10% of the capital gains incurred by the transfer of the residential property or change of use of the commercial property.

Part C makes the standard deduction under the income tax the same as at the federal level, starting in 2007.

Part D makes the personal exemption under the income tax the same as at the federal level, starting in 2007.

Part E restores conformity with federal law with regard to the deduction of business expenses under Section 179 of the United States Internal Revenue Code.

Part F repeals sales tax exemptions for packaging materials, sales by schools and school-sponsored organizations, ships' stores, railroad track materials and snacks and repeals special treatment of vending machine sales. Part F extends the sales tax to certain long-term rentals, consumer interstate telephone calls, amusement and recreational services, personal property services, personal services, real property services, lawn and landscaping services and taxi and limousine services. Part F also extends the service provider tax to telephone directory advertising, rental and leases of all tangible personal property and motor vehicle parking.

Part G increases the sales tax on short-term auto rentals from 10% to 15%. It increases the sales tax on lodging and prepared food and liquor at licensed establishments from 7% to 8% and provides that the additional revenue from the increase in the tax on meals and lodging is transferred to the Maine Quality Places Fund, which is established to promote conservation of quality places, outdoor recreation and high-quality tourism. Part G also provides that 0.5% of the revenue from the sales tax is transferred to the Outdoor Fund, which is established to support activities of the Department of Conservation and the Department of Inland Fisheries and Wildlife. The

transfer to the Outdoor Fund equals approximately the amount of sales tax revenue attributable to recreational and sporting equipment, including guns.

Part H establishes an excise tax on soft drinks equal to \$4 per gallon of syrup and 42¢ per gallon of bottled soft drinks.

Part I changes the rate structure for the real estate transfer tax to provide that a transferor and a transferee of property must each pay a transfer tax starting at \$1 per \$1,000 of value of the property for property valued at less than \$100,000, increasing to \$7 per \$1,000 of value for real estate with a value of \$1,000,000 or more. The revenue from the portion of the tax received to the State and attributable to transfers by deed tax is credited 65% to the General Fund and 35% to the Housing Opportunities for Maine Fund.

Part J increases the low-income tax credit from \$2,000 to \$4,000.

Part K increase the maximum benefit under the Maine Residents Property Tax Program from \$2,000 to \$3000.

Part L requires the State to reimburse municipalities for 100% of taxes lost by reason of the homestead property tax exemption.

Part M provides that a lien for unpaid property taxes may not be foreclosed against the homestead of a person who is at least 65 years of age and has lived in the homestead for at least 10 years until the property is transferred by deed or upon death. Liens would continue in effect and would accrue interest until the lien is satisfied.

**LD 885     An Act To Implement the Recommendations of the Commission To Study the Costs of Providing Certain Services in the Unorganized Territories**

**CARRIED OVER**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>

This bill implements the recommendations of the Commission to Study the Cost of Providing Certain Services in the Unorganized Territories established by Resolve 2005, chapter 125.

Part A provides authority for county commissioners to impose service fees for certain types of services provided in the unorganized territory. Service fees must be based on the actual cost of providing the service, imposed only on persons actually receiving the service and imposed on all similarly situated persons receiving the service. Revenues must be used to reduce property taxes.

Part B changes the method of assessing areas under the jurisdiction of the Maine Land Use Regulation Commission for the cost of providing services. The unorganized territory will be assessed a fee equal to .014% of state valuation. Towns and plantations under the jurisdiction of the Maine Land Use Regulation Commission will be assessed a fee equal to .025% of state valuation, reflecting a higher amount of commission activities in those areas. The commission is required to report during the First Regular Session of the 124th Legislature regarding financial matters.

Part C provides that the Commissioner of Education may not provide or reimburse parents for providing transportation for students over roads that have not been accepted by the county as public roads or that do not meet Department of Transportation standards. Reimbursement to parents for transportation of a student will not be permitted beginning in fiscal year 2008-09.

## Joint Standing Committee on Taxation

Part D requires the State Controller to establish an Unorganized Territory Education and Services Fund that is in accordance with the standards of a governmental accounting standards board as they apply to financial statements.

Part E increases the fee paid to agents collecting motor vehicle and watercraft excise taxes in the unorganized territory from \$4 to \$6.

Part F makes technical changes to update language and statutory references and repeals an obsolete provision in the laws relating to the funding of services in the unorganized territory.

This bill was carried over to any special or regular session of the 123rd Legislature by joint order, H.P. 1369.

This bill specifies how the Tax Relief Fund for Maine Residents is to be used to provide tax relief. It requires the State Tax Assessor to annually adjust the income tax rates and nontaxable income amount using funds in the Tax Relief Fund for Maine Residents. The bill specifies that 50% of the revenue is to be used to decrease individual income tax rates and 50% is to be used to increase the earned income tax credit. The new rates and credit would be applicable for the immediately succeeding tax year only. If insufficient funds exist to decrease the tax rates by at least one quarter of a percentage point each and increase the earned income tax credit by 5 percentage points, then the assessor is prohibited from making any adjustment for that year.

#### **Committee Amendment "A" (S-281)**

This amendment replaces the bill and requires the transfer to the Tax Relief Fund for Maine Residents, beginning in fiscal year 2009-10, of 15% of the growth in income tax revenues over the previous year. This bill amends the laws regarding the taxability of certain motor vehicle dealership transactions by:

1. Excluding from the definition of "retail sale" the sale of motor vehicles required by a franchise agreement to be used by service customers of the new car dealer;
2. Exempting from the sales and use tax the use of a loaner vehicle by a service customer of a new car dealer pursuant to a manufacturer's or dealer's warranty. Loaner vehicles that are provided to a service customer but not pursuant to a warranty are taxed at the same rate as a short-term automobile rental, 10% ; and
3. Specifying that dealers can sell vehicles under certain circumstances on a tax-exempt basis as long as the vehicle is removed from the State immediately and for more than one year.

### Committee Amendment "A" (S-233)

This amendment:

## Joint Standing Committee on Taxation

1. Revises the sales tax methodology on extended service contracts on automobiles; rather than through the current formula, which subjects parts and a percentage of the deductible on all such contracts to sales tax at the time service is provided, the tax will be assessed at the time of the sale.
2. Removes the change made by the bill that removed the distinction between domestic and foreign limited liability companies in the definition of "nonresident" for purposes of the exemption; and
3. Adds a retroactive application section exempting amounts charged or collected on loaner vehicles after November 1, 2002 unless the tax was paid and the person paying did not appeal that payment.

### Enacted Law Summary

Public Law 2007, chapter 410 amends the laws regarding the taxability of certain motor vehicle dealership transactions by:

1. Excluding from the definition of "retail sale" the sale of motor vehicles required by a franchise agreement to be used by service customers of the new car dealer;
2. Exempting from the sales and use tax the use of a loaner vehicle by a service customer of a new car dealer pursuant to a manufacturer's or dealer's warranty. Loaner vehicles that are provided to a service customer but not pursuant to a warranty are taxed at the same rate as a short-term automobile rental, 10%;
3. Exempting from sales and use tax the sale of vehicles under certain circumstances to a qualifying resident business if the vehicle is removed from the State immediately and for more than one year; and
4. Revises the sales tax methodology on extended service contracts on automobiles; rather than through the current formula, which subjects parts and a percentage of the deductible on all such contracts to sales tax at the time service is provided, the tax will be assessed at the time of the sale.

Provisions exempting amounts charged or collected on loaner vehicles apply retroactively to November 1, 2002 unless the tax was paid and the person paying did not appeal that payment.

This bill allows a person who owns or rents a homestead for at least 6 months of the prior calendar year to obtain a portion of benefits under the Circuitbreaker Program based on the number of months the person occupied the homestead. This bill maintains the current requirement that the person be a resident of Maine for the entire prior year.

This bill also allows a person who owns and occupies more than one homestead during the year to be reimbursed for taxes owed for the time during which the person occupied each homestead. This reimbursement is determined by dividing by 12 months the property tax owed on each homestead during the year for which the claim is filed and multiplying that number by the number of months the property was occupied by the person as a homestead during that year.

### Committee Amendment "A" (H-373)

This amendment deletes the provision of the bill that permitted an individual to qualify for circuitbreaker benefits if the resident occupied the homestead for at least 6 months. It also specifies the manner in which the circuitbreaker benefit is calculated for residents who move from one homestead to another during the year in which relief is requested.

### Enacted Law Summary

Public Law 2007, chapter 325 allows a person who owns and occupies more than one homestead during the year to be reimbursed for taxes owed for the time during which the person occupied each homestead. This reimbursement is determined by dividing by 12 months the property tax owed on each homestead during the year for which the claim is filed and multiplying that number by the number of months the property was occupied by the person as a homestead during that year.

This bill provides tax incentives to Maine malt liquor brewers based on the amount of malt liquor produced in Maine and exported for sale outside of Maine. Specifically, this bill:

1. Provides a tax credit against the excise taxes imposed on alcohol manufactured and sold in Maine by a brewer equal to 17.5¢ per gallon of malt liquor manufactured and exported by that brewer. This tax credit is limited to 50% of the amount of excise taxes due from a brewer. The percentage of malt liquor that is eligible for the credit is 90% of the amount produced and exported and is reduced by 10% each year. If a brewer increases its production and export of malt liquor by 10% in a year, an additional credit is allowed for the excess; and
2. Expands the employment tax increment financing program to provide an enhanced reimbursement for qualified brewers who add qualified employees.

The bill also provides that the excise tax credit and enhanced employment tax increment financing reimbursement are repealed March 1, 2011 unless the Commissioner of Economic and Community Development certifies that the number of new employees of qualified brewers for which reimbursement was made in 2010 has increased at least 10% over total 2007 employment.

LD 1144 An Act To Provide Information to Property Tax Payers

PUBLIC 432

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
SAMSON SNOWE-MELLO	OTP-AM MAJ ONTP MIN	H-570 S-387 PERRY J

This bill requires the State Tax Assessor to determine a standardized form for property tax bills issued by municipalities and provide this form to municipalities. The form must include the following information:

1. The amount or percentage by which the taxpayer's tax has been reduced by the distribution of state-municipal revenue sharing, state reimbursement for the Maine resident homestead property tax exemption and state aid for education;
2. The assessed value of a homestead, before and after the calculation of a Maine resident homestead property tax exemption, and the amount of the exemption applied to the homestead;
3. The percentage of property taxes distributed to education and local, county and state government;
4. The outstanding bonded indebtedness of the issuing municipality; and
5. The date interest begins to accrue.

### Committee Amendment "A" (H-570)

This amendment removes provisions from the bill requiring certain property tax bills to be in a form determined by the State Tax Assessor and repeals a requirement in current law that requires property tax bills to contain a separate statement regarding the amount and impact of the homestead exemption. This amendment adds a mandate preamble and an appropriations and allocations section.

### Senate Amendment "A" (S-387)

This amendment removes the General Fund appropriation.

### Enacted Law Summary

Public Law 2007, chapter 432 changes the information that municipalities that issue property tax bills must provide with those bills in the following ways.

1. The percentage of property taxes distributed to education and local, county and state government must be stated;
- 2.. The outstanding bonded indebtedness of the issuing municipality must be stated; and
3. The current requirement that the property tax bill contain a calculation of assessed value before and after application of the homestead exemption is repealed.

**LD 1145    An Act To Impose a Real Estate Transfer Tax Based on the Value of the Property**

**ONTP**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
KOFFMAN	ONTP	

This bill changes the rate of the real estate transfer tax imposed on the buyer and seller of real property and the manner of imposition. The buyer of property is charged a flat tax of \$2 per \$1,000 of value of the property being purchased. The seller of the property is charged a tax rate dependent on the value of the property being sold, starting at \$2 per \$1,000 of value of the property for property valued at less than \$300,000, increased for every \$100,000 in property value by \$1 per \$1,000 of the value of the property being sold. A maximum tax rate of 1% of the value of the property being sold is reached for property valued at \$1,000,000 or more.

Ten percent of the revenue from the tax is credited to the county where the tax was collected, 45% to the Maine State Housing Authority and 45% to the so-called circuit breaker reserve to fund the Maine Residents Property Tax Program.

**LD 1155    An Act To Include Fuel Economy when Calculating the Excise Tax on Motor Vehicles**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
BABBIDGE NASS R		

This bill is a concept draft pursuant to Joint Rule 208.

This bill proposes to amend the method of determining the rate of the excise tax imposed on motor vehicles to take into consideration the fuel economy of the vehicle. The manufacturer's suggested retail price, or "MSRP," would still be used to determine a portion of the tax but the remaining portion of the tax would be assessed according to a sliding scale based upon the median average miles per gallon of the vehicle, using the range posted for city and highway mileage, which, like the price, would be taken from the manufacturer's sticker. The new system would begin on January 1, 2008 and would be phased in over a 6-year period.

This bill was carried over to any special or regular session of the 123rd Legislature by joint order, H.P. 1369.

This bill allows a town located close to a national park, such as Bar Harbor, to impose a 2% local option sales and use tax. Revenue from the tax, after the deduction of administrative costs, must be used to reduce the property tax rate. If, despite the use of all the revenue generated by the local option sales and use tax, the property tax rate, after adjustment for inflation, cannot be decreased below a level that is less than 1% higher than the previous year's property tax rate, then this bill requires a 2/3 vote of the governing body of the town to pass the budget containing the higher tax rate.

This bill requires the Treasurer of State to disburse to a municipality an amount equal to 10% of the difference between the sales tax on prepared food and lodging collected in that municipality in a fiscal year and the amount collected in that municipality in fiscal year 2006. If the amount of sales taxes collected in a fiscal year in a municipality is below that collected in 2006, then the municipality receives no revenue under this bill. The amount received under this bill may not reduce any other state aid or revenue sharing received by that municipality, and the municipality must use the amount received under this bill to reduce property taxes by the same amount.

# Joint Standing Committee on Taxation

## Committee Amendment "A" (H-576)

This amendment replaces the bill and requires payments beginning in fiscal year 2009-10 to municipalities of an amount equal to 10% of the difference between the sales and use tax attributable to the municipality in a fiscal year and the comparable amounts for fiscal year 2008-09, referred to as the "local sales tax increment." If the amount of sales and use tax collected in a fiscal year in a municipality is below that collected in fiscal year 2008-09, then the municipality receives no payment. Under this amendment the amount received may not reduce any other state aid or revenue sharing received by that municipality, and the municipality must use the amount received to reduce property taxes by the same amount. The Unorganized Territory Education and Services Fund receives the same payment as municipalities and is subject to the same requirement to use the revenue to reduce property taxes.

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
HARLOW SNOWE-MELLO	ONTP	

This bill allows a municipality to establish a municipal property tax deferral program. The program would allow a resident who is at least 65 years of age and whose annual income is not more than 300% of the poverty level to pay property taxes on that person's homestead at the rate that was in effect on that person's 65th birthday, the date the person purchased the homestead or April 1, 2007, whichever is later. The assessment remains at that level until the residence is sold or transferred, the person elects to stop participating or the person is no longer eligible to participate in the program. At that time, all property taxes assessed on the property but deferred because of participation in the program must be paid to the municipality. Deferred taxes that are not paid within the required time accrue interest.

In order to offset the temporary loss of revenue caused by persons participating in the program, the municipality may, upon approval of its voters, impose an additional assessment of up to 2% of the taxes deferred upon property in the municipality. The revenue from the additional assessment must be kept in a dedicated escrow account and used solely for the administrative costs of the program.

## Joint Standing Committee on Taxation

This resolution proposes to amend the Constitution of Maine to establish the base property value for real property as the just value of the property as of April 1, 2008. Increases in the value of real property are limited to the just value of any improvements or degradations to the property and the lower of the rate of inflation and the actual increase in value of the real property, unless there is a change of ownership. If there is a change of ownership, the value of the property may be changed to the higher of the actual purchase price and the just value of the property on the April 1st preceding the change in ownership.

LD 1504 An Act To Make Minor Substantive Changes to the Tax Laws

PUBLIC 437

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
PIOTTI	OTP-AM	H-550 S-307 PERRY J

This bill makes the following changes to the laws governing taxation.

It amends the definition of "annual growth ceiling," which is used for purposes of state-municipal revenue sharing to determine the amount, if any, that must be transferred to the Disproportionate Tax Burden Fund, to correct the omission of this change when various taxable services were removed from the sales tax and placed in a newly created service provider tax.

It authorizes the State Tax Assessor to seek an injunction against a person who refuses to register, to file returns or to pay taxes under the service provider tax law as provided in the Maine Revised Statutes, Title 36, chapter 358.

It enacts penalties for failure to file an information return under the income tax law by partnerships and S corporations, if the partnership or S corporation has received a formal demand that the return be filed, and for filing substantially excessive refund claims under the fuel tax laws.

It expands the circumstances under which a person may be required to file a tax return electronically and make tax payments by electronic funds transfer, using a phased-in approach.

It expands and clarifies the eligibility of paraplegic veterans of certain war periods for a property tax exemption, making the eligibility periods of this exemption the same as those of the general veterans exemption.

It amends the definition of "eligible business equipment" by adding a reference to existing limitations.

It clarifies that a taxpayer who fails to timely file a report identifying the property that is claimed to be exempt may not obtain an exemption for that tax year for that property under the business equipment tax exemption laws, Title 36, chapter 105, subchapter 4-C.

It clarifies that bulk sales of inventory being held for sale or lease in the ordinary course of business are not casual sales.

It amends the definition of "retail sale" to clarify that sales of tangible personal property to a person who is not engaged in the business of selling that kind of property are not exempt sales for resale, even if the property is in fact subsequently resold through a 3rd-party retailer.

It provides authority for the State Tax Assessor to issue an assessment against an exempt organization that has authorized inappropriate use of its exemption.

## *Joint Standing Committee on Taxation*

It eliminates a requirement that an insurance company must elect a basis for reporting and paying the insurance premium tax, and increases the threshold for quarterly filing of insurance premium tax returns from \$500 per year to \$1,000 per year.

It clarifies the definition of "telecommunications equipment" to include any wiring capable of transmitting or receiving telecommunications signals, regardless of the actual use of the wiring, consistent with past and present administrative practice. Current technology uses optical fiber, data wire and coaxial cable, all of which are capable of providing either one-way or 2-way transmission service. The ultimate use of the wiring is often unknown, uncertain or subject to change.

It eliminates the requirement that a declaration of value under the real estate transfer tax laws must be filed in duplicate, and authorizes the State Tax Assessor to establish by rule guidelines for waiving the requirement that the declaration of value must indicate the taxpayer identification numbers of the grantor and grantee. It also repeals an obsolete provision relating to deeds executed before the effective date of the tax.

It adds a specific requirement that estates must include in Maine adjusted gross income administrative expenses that were claimed as a deduction for Maine estate tax purposes.

It changes certain requirements relating to payee statements furnished with respect to income that is subject to Maine income tax withholding to make them consistent with federal law.

It amends the forest management planning income tax credit to require that forest land be located in this State in order to be eligible for the credit.

It establishes a penalty similar to that imposed by federal law for failure to furnish accurate and timely statements to payees with respect to income that is subject to Maine income tax withholding.

It makes specific the statutory references to eligible business equipment for which no claim may be made under the business equipment reimbursement program.

### **Committee Amendment "A" (H-550)**

This amendment expands the authority of the State Tax Assessor, with the approval of the Commissioner of Administrative and Financial Services, to adopt a rule requiring the filing of returns or other documents and the payment of tax obligations, by electronic data submission. The phrase "or by telephone" is deleted as that term is included within the meaning of the phrase "electronic data submission."

This amendment provides additional clarification regarding the timeliness of requests for exemption under the business equipment tax exemption laws.

This amendment also provides additional clarification regarding the sales tax treatment of the sale of assets of a business in connection with the sale or liquidation of the business.

### **Senate Amendment "A" (S-307)**

This amendment clarifies the provisions of the bill regarding the sales tax treatment of the sale of assets of a business and corrects a date.

### LD 1558 An Act To Improve the Process for Adjustment for Sudden and Severe Disruption of Valuation

PUBLIC 322

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
WOODBURY	OTP-AM	H-360

This bill changes the procedures for providing relief to municipalities that have experienced a sudden and severe loss of taxable valuation attributable to a single property taxpayer. The procedures in current law have become outdated because of recent changes to the school funding formula and are not flexible enough to deal with the variety of situations presented. The bill replaces the current procedures for adjustment of state valuation by permitting municipalities to apply to the State Tax Assessor for a determination at any time and requiring the State Tax Assessor to determine not only the amount of the adjustment but also the appropriate time period to which the adjustment should apply. The bill affects distributions for general purpose aid for local schools and state-municipal revenue sharing. The bill provides that funds needed to relieve affected municipalities will be paid from the Maine Budget Stabilization Fund rather than risking reductions in distributions to other municipalities.

#### Committee Amendment "A" (H-360)

This amendment adds a requirement that the State Tax Assessor provide an annual report to the joint standing committee of the Legislature having jurisdiction over taxation matters containing information regarding requests for adjustment to equalized valuation.

#### Enacted Law Summary

Public Law 2007, chapter 322 changes the procedures for providing relief to municipalities that have experienced a sudden and severe loss of taxable valuation attributable to a single property taxpayer. Chapter 322 replaces the current outdated procedures for adjustment of state valuation by permitting municipalities to apply to the State Tax Assessor for a determination at any time and requiring the State Tax Assessor to determine not only the amount of the adjustment but also the appropriate time period to which the adjustment should apply. Distributions for general purpose aid for local schools and state-municipal revenue sharing are affected, and adjustments are made using funds from the Maine Budget Stabilization Fund rather than risking reductions in distributions to other municipalities. The State Tax Assessor is required to report annually on requests for adjustments using the authorized procedure.

LD 1560 An Act To Rebalance Maine's Tax Code

ONTP

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
BLISS	ONTP	

This bill makes major changes to Maine's tax structure beginning January 1, 2008.

Part A increases the low-income tax credit under the income tax by increasing the threshold of taxable income below which no taxes are due from \$2,000 to \$4,000 for single individuals and married persons filing separately, \$6,000 for persons filing as heads of households and \$8,000 for persons filing married joint returns.

Part B conforms the standard deduction under the income tax to the federal standard deduction beginning with the 2008 tax year, thereby eliminating the marriage penalty.

Part C conforms the personal exemption under the income tax to the same amount as the federal personal exemption.

Part D lowers the top income tax rate from 8.5% to 8.25% for the 2008 tax year.

Part E increases state reimbursement for the homestead exemption to 100% of municipal property taxes lost as a result of the exemption beginning in 2008.

Part F increases the maximum benefit under the Maine Residents Property Tax program from \$2,000 to \$3,000 and increases to \$5,000 the maximum amount of property tax that may be used to calculate benefits.

Part G expands the tax base under the sales tax by repealing sales tax exemptions for packaging materials, ships' stores, railroad track materials and certain short-term rentals and by extending the sales tax to amusements, personal services, personal property services, home care services, real property services, lawn and landscaping services, taxi, limousine and same day courier services, telephone directory advertising and safe deposit box rental. This Part also reinstates the sales tax on snack foods and extends the service provider tax to basic cable and satellite television and radio service and to consumer interstate telephone calls.

Part H increases the sales tax on meals and lodging, liquor serviced at licensed establishments and prepared food from 7% to 8% and increases the sales tax on short-term rentals of automobiles from 10% to 15%.

Part I increases the excise tax on malt liquor from 25¢ per gallon to 60¢ per gallon, on wine from 30¢ per gallon to \$1 per gallon and on hard cider from 25¢ per gallon to \$1 per gallon.

Part J establishes a tax on the distribution, manufacture and wholesale of soft drinks and soft drink products.

Part K changes the rate structure for the real estate transfer tax to provide that a transferor of the property must pay a transfer tax starting at \$1 per \$1,000 of value of the property for property valued at less than \$100,000, increasing to \$7 per \$1,000 of value for real estate with a value exceeding \$1,000,000. The revenue from the portion of the tax received to the State and attributable to transfers by deed tax is credited 65% to the General Fund and 35% to the Housing Opportunities for Maine Fund.

**LD 1588 An Act To Enact the 2007 Tax Reform and Tax Relief Act**

**ONTP**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
WOODBURY	ONTP	

This bill is a concept draft pursuant to Joint Rule 208.

This bill proposes to enact the 2007 Tax Reform and Tax Relief Act to bring together 3 major categories of tax reform and tax relief into a comprehensive package that would be sent to referendum for voter ratification. The major components are:

1. Ten-Year Tax Burden Reduction Plan. The first part of the bill draws on aspects of the so-called "Taxpayer Bill of Rights," and the so-called "LD 1," and establishes a statewide tax burden reduction factor, applied

## *Joint Standing Committee on Taxation*

uniformly to all levels of government. The tax burden reduction limitations would restrict government spending to a rate of growth below the growth rate of personal income in Maine, thereby lowering Maine's tax burden over a 10-year period.

2. Financial Incentives for Administrative Efficiency and Tax Burden Reduction. The 2nd part of the bill creates financial incentives for administering schools and municipalities through service-delivery areas of a sufficient size to obtain cost efficiencies. It puts into law a very strong incentive-based approach to consolidated service delivery, rather than imposing a statewide mandate on municipal decision-making. The remaining 5% of the State's General Purpose Aid, or "GPA," school funding obligation that is scheduled to be added to the GPA funding formula by FY2009 would be distributed to school districts, based on a set of "efficiency points" awarded to districts that achieve school consolidation and tax burden reduction targets. A similar set-aside would be created with new state funding to municipalities, awarded through an "efficiency point" system, and allocated among municipalities that achieve service-sharing efficiencies and tax burden reduction targets at the municipal level.

3. Income Tax Reduction to 4% of Income. Through a rebalancing of income and sales taxes, the elimination of many exemptions and deductions from both the income and sales tax systems and an increase in various sales and excise tax rates, the 3rd part of the bill would reduce the income tax rates to a flat 4% of income. An earned income tax credit for low-income and middle-income workers would assure that a major income group would not pay more in taxes than they pay under current law.

4. Homestead Property Taxes Capped at 5% of Income. The 4th part of the bill proposes to integrate the Maine Residents Property Tax Program, also known as the Circuitbreaker Program, and the Maine resident homestead property tax exemption program into an expanded and redefined Homestead Tax Credit Program. The amount of the tax credit would be determined based on a formula that equates to an income-based tax cap of 5% of income. As a simplification of the current Circuitbreaker Program, the new benefit formula would be based on "adjusted gross income," rather than the more complicated definition of income currently applied for Circuitbreaker Program benefits and would be distributed to municipalities as a pre-payment toward the tax assessment on homestead property so that the net tax bill imposed on homeowners is reduced accordingly.

This constitutional resolution proposes 3 changes to the Constitution of Maine and provides that each change must be presented as a separate and independent questions to the voters.

Part A of this resolution proposes to amend the Constitution of Maine to allow the Legislature to authorize a local option homestead property tax exemption.

Part B of this resolution proposes to amend the Constitution of Maine to allow the Legislature to authorize a local option property tax refund or tax forgiveness program based on a resident's ability to pay.

Part C of this resolution proposes to amend the Constitution of Maine to allow the Legislature to permit or require municipalities to adopt a tax rate on secondary residential property that is higher than the rate on other property, provided that the rate on the secondary residential property does not exceed the statewide average rate applied to other taxable property.

This bill extends the property tax exemption for eligible business equipment to qualified property used in manufacturing that was first subject to property tax in Maine before the start of the Business Equipment Tax Reimbursement program.

**LD 1613    An Act To Reduce Property Taxes through a Municipal Tax Deferral  
Program**

**ONTP**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
GILES	ONTP	

This bill creates a municipal homestead property tax deferral program to defer indefinitely property taxes levied on the assessed value of a homestead above a base amount. Taxes that would be assessed on the property above this base value are deferred until the sale or transfer of the property to someone other than a family member or trust. When the property is sold or transferred or is no longer the homestead of the owner or, in the case of a trailer or houseboat, moved out of the State, the amount of the deferred property taxes for the last 3 years or since the last transfer or sale, whichever period is shorter, must be paid.

The program allows a spouse or other family member, such as a parent, sibling, child or grandchild, to continue the deferral as long as the spouse or other family member uses the property as a homestead. During the period of property tax deferral, the municipality holds a lien on the property against the deferred amount of property taxes.

LD 1631 An Act To Cut Taxes for Working-income Mainers

ONTP

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
FAIRCLOTH	ONTP	

Part A exempts certain motor vehicles from the excise tax in the 6th and succeeding model years based on the manufacturer's estimated highway mileage.

Part B increases the lodging tax by 3% to 10%, the tax on liquor sold by the glass by 7% to 14% and the tax on certain automobile rentals by 5% to 15%.

Part C increases the low-income tax credit under the income tax by increasing the threshold of taxable income below which no taxes are due from \$2,000 to \$4,000 for single individuals and married persons filing separately, \$6,000 for persons filing as heads of households and \$8,000 for persons filing married joint returns.

Part D conforms the standard deduction under the income tax to the federal standard deduction beginning with the 2007 tax year, thereby eliminating the marriage penalty.

Part E conforms the personal exemption under the income tax to the same amount as the federal personal exemption.

Part F lowers the top income tax rate from 8.5% to 8.25% for the 2007 tax year.

Part G increases the maximum benefit under the Maine Residents Property Tax Program from \$2,000 to \$3,000 and increases to \$6,000 the maximum amount of property tax that may be used to calculate benefits.

Part H expands the tax base under the sales tax by repealing sales tax exemptions for packaging materials, ships' stores, certain vending machine sales, railroad track materials and certain short-term rentals and by extending the sales tax to amusements, personal services, personal property services, real property services, lawn and landscaping services, taxi, limousine and same-day courier services, telephone directory advertising and safe deposit box rental. This Part also reinstates the sales tax on snack foods and extends the service provider tax to basic cable and satellite television and radio service.

Part I increases the excise tax on malt liquor produced by small manufacturers from 25¢ per gallon to 60¢ per gallon, the excise tax on malt liquor produced by other manufacturers from 25¢ to 85¢ per gallon, on wine from 30¢ per gallon to \$1 per gallon and on hard cider from 25¢ per gallon to \$1 per gallon.

Part J establishes a tax on the distribution, manufacture and wholesale of soft drinks and soft drink products.

Part K changes the rate structure for the real estate transfer tax to provide that a transferor of the property must pay a transfer tax starting at \$1 per \$1,000 of value of the property for property valued at less than \$100,000, increasing to \$7 per \$1,000 of value for real estate with a value exceeding \$1,000,000. The revenue from the portion of the tax received by the State and attributable to transfers by deed tax is credited 65% to the General Fund and 35% to the Housing Opportunities for Maine Fund.

Part L provides General Fund appropriations to reimburse municipalities for the revenue loss associated with the change in motor vehicle excise taxes.

**LD 1632 An Act To Impose Reasonable Limits on the Growth of State Government** **ACCEPTED ONTP REPORT**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
CEBRA	ONTP MAJ OTP-AM MIN	

This bill is the so-called "Taxpayer Bill of Rights" or "TABOR" that was sent to referendum in November 2006, except that the restrictions imposed by TABOR on county, municipal or school governmental units have been removed in this bill. The bill proposes to restrain the growth in State Government by imposing expenditure limitations on State Government and by requiring a procedure of voter approval of tax and fee increases.

Under this bill, growth in annual expenditures of the General Fund, the Highway Fund, quasi-governmental organizations and Other Special Revenue Funds are limited according to increases in population and inflation. Growth in budgets of state-level education institutions is limited according to increases in inflation and student enrollment. For the General Fund and Highway Fund budgets, revenues exceeding the expenditure limitation must be distributed by directing 20% of that excess to a budget stabilization fund and 80% of that excess to a tax relief fund. The budget stabilization funds may be used only in years when revenues are not sufficient to fund the level of expenditure permitted by the growth limits. The tax relief funds must be used to provide tax relief through refunds proportional to individual income tax personal exemptions claimed in the previous tax year or a decrease in motor fuels taxes. For quasi-governmental agencies and state agencies that manage Other Special Revenue Funds, the managers of those funds must report excess surpluses to the Legislature with a plan for refund of those revenues.

Under this bill, an increase in revenue would be possible only by a 2/3 vote of each House of the Legislature and the approval of the voters of the State, if applicable.

This bill amends Maine tax law in the following ways.

Part A amends the Maine Residents Property Tax Program, also known as the Circuitbreaker Program, by allowing an individual to apply for a benefit using the individual income tax form.

Part B also amends the Circuitbreaker Program to increase the maximum refund under the program from \$2,000 to \$3,000.

Part C amends the Circuitbreaker Program, by allowing certain homeowners who rent their homesteads for a maximum of 30 days in the aggregate during the year to qualify for benefits under the program and prorating

benefits to reflect the rental period.

Part D increases the amount of the exemption under the Maine resident homestead property tax exemption program from \$13,000 to \$20,000 and increases the State reimbursement to 72.5% of the municipal property taxes lost as a result of the exemption, beginning in 2008.

Part E decreases the top income tax rate, beginning with tax year 2008, from 8.5% to 7.9%.

Part F increases the earned income credit from 5% of the federal credit to 25% and makes it refundable.

Part G increases the general sales tax rate from 5% to 6%, effective January 1, 2008.

Part H sends the proposals in this bill out to referendum to be voted on in November 2007.

### **LD 1671 An Act To Limit Homestead Property Taxes to 5% of Income**

**ONTP**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
WOODBURY	ONTP	

This bill proposes a homestead tax credit program that would limit property taxes to no more than 5% of income for property taxes on a home. The homestead tax credit is distributed to municipalities as a prepayment toward the tax assessment on homestead property so that the net tax bill imposed on homeowners is reduced accordingly. The homestead tax credit program replaces the Maine Residents Property Tax Program, the Maine Resident Homestead Property Tax Exemption and the state-municipal revenue sharing program and redirects funds previously allocated to those programs to support the cost of the homestead credits.

Administration of the program is simplified and made concurrent with the income tax filing period. For homeowners, credits are calculated based on the previous year's income and property taxes accrued. Credit payments are made to the municipality where the home is located as a credit against the current year's property taxes. Renters are also eligible for a credit in an amount comparable to the benefit available under current law, which would be paid as a refundable income tax credit. Benefits in current law for low-income elderly persons are preserved.

To prevent the homestead tax credit from translating into increased spending at the municipal level, the bill would redefine and make it harder to override the spending limits on municipal, county and school government units. It would incorporate tax burden reduction factors into the spending limits imposed on government at all levels, and it would change the override process for exceeding county, municipal and school growth limits to require either a 2/3 vote of the local body proposing the increase or approval by the voters at referendum.

The changes proposed by this bill are subject to approval by the voters at a referendum vote in November of 2007.

This bill requires a municipality that forecloses on a property tax lien to provide notice of the availability of excess funds, after subtracting the tax lien, interest, fees for recording the lien, costs of mailing notice, court costs and any other expenses incurred in disposing of the real estate, to the former owner within 30 days of sale of the real estate or 180 days of the foreclosure, whichever is sooner. The municipality is required to keep the excess funds in a segregated escrow account. If the former owner fails to claim the excess funds within 90 days of the notice, the municipality is allowed to retain the excess funds. If the former owner or the former owner's representative notifies the municipality within 90 days of the notice, the municipality must negotiate with the former owner over the return of the excess funds. If the owner is dissatisfied with the municipality's offer, the former owner may seek binding arbitration for resolution of the matter.

**LD 1725 An Act To Modernize the Alcohol Tax by Imposing It on a Per Drink Basis**

**CARRIED OVER**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
BARSTOW		

This bill adjusts alcohol premium taxes on beer, wine, sparkling wine, fortified wine, hard cider and low-alcohol spirits products by establishing a uniform tax intended to equal 10¢ per drink. To accomplish this, the bill raises the premium tax on beer, hard cider and wine and reduces the premium tax on low-alcohol spirits products. This bill will significantly increase revenues for the prevention fund. Taxes on distilled spirits are unaffected by the bill.

The bill increases the premium tax on beer and hard cider from 10¢ per gallon to 82¢ per gallon. The premium tax on table wines increases from 30¢ per gallon to \$2.26 per gallon. The premium tax on fortified wines and sparkling wines increases from 24¢ to \$1.56 per gallon.

The bill indexes both the excise tax and the premium tax to inflation beginning in 2008. This provision will result in modest increases to both the General Fund and the prevention fund.

This bill also directs that increased premium tax revenues be used for substance abuse treatment and prevention programs, after-school programs and property tax relief, the latter by offsetting the cost of local law and liquor enforcement programs.

The bill establishes an effective date of January 1, 2008.

This bill was carried over to any special or regular session of the 123rd Legislature by joint order, H.P. 1369.

**LD 1739    An Act Concerning Technical Changes to the Tax Laws**

**PUBLIC 438**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
PIOTTI	OTP-AM	H-591

This bill is submitted on behalf of the Bureau of Revenue Services and makes the following technical changes to the laws governing taxation.

1. It repeals a provision that authorizes the State Tax Assessor to subtract from revenues credit card fees associated with income tax returns filed by telephone. Maine's income tax Telefile system has been discontinued.
2. It replaces the imprecise term "report" with the defined term "return" throughout the tax laws.
3. It authorizes a 120-day extension of the time allowed for filing a return after the taxpayer has received a formal demand for filing. The Department of Administrative and Financial Services, Bureau of Revenue Services has been administratively granting such extensions.
4. It provides clear statutory authority for the State Tax Assessor to disclose the fact that a person has or has not been issued a certificate of exemption under the sales tax law or the service provider tax law. The bureau has administratively interpreted existing law to authorize these disclosures.
5. It replaces an obsolete reference to the Bureau of Property Taxation, which was merged into the Bureau of Taxation, now the Bureau of Revenue Services, a number of years ago.
6. It clarifies that all owners of property proposed for tree growth classification must consent to the application in writing.
7. It repeals an obsolete provision that related to valuation of tree growth property for taxable years prior to April 1, 1983.
8. It repeals obsolete language relating to the computation of tree growth reimbursements and authorizes the State Tax Assessor to adopt rules governing the assessment of tree growth land and the computation of reimbursements.

## *Joint Standing Committee on Taxation*

9. It repeals obsolete provisions relating to the administration of changes to the Maine Tree Growth Tax Law that were enacted in 1981 and corrects an erroneous reference.
10. It replaces obsolete terminology, corrects cross-references and clarifies the definition of "nonprofit."
11. It clarifies certain deadlines relating to the certification of pollution control facilities for property tax exemption.
12. It clarifies the deadline for filing an application for a homestead property tax exemption and repeals an obsolete provision that governed program applications for the 1998 tax year.
13. It makes technical changes to the business equipment tax exemption law enacted in 2006.
14. It clarifies that all owners of property proposed for farm and open space classification must consent to the application in writing and repeals obsolete language.
15. It clarifies the deadlines for notifying the landowner of the status of an application for classification of land under the farm and open space law and for reporting income from farmland under the farm and open space law, corrects a cross-reference and reallocates a paragraph into the subsection to which the paragraph's subject matter relates.
16. It repeals an obsolete statute that provided for transfers to the Unorganized Territory Education and Services Fund in fiscal years 1985 to 1990.
17. It replaces the word "primary" with "elementary" in the definition of "school" to match the term that is defined and used in other Maine statutes pertaining to schools.
18. It repeals a superfluous provision relating to determinations of residency under the sales and use tax law.
19. It eliminates redundant language.
20. It clarifies exemptions for certain sales of residential fuel and electricity.
21. It repeals an obsolete provision relating to the administration of changes that were enacted in 1989 in the sales tax exemption for continuous residence in a hotel, rooming house, tourist camp or trailer camp.
22. It simplifies and clarifies existing law providing that certain sales tax exemptions for vehicles purchased by nonresidents are not limited to natural persons.
23. It clarifies existing law providing that certain sales tax exemptions for items purchased by nonresidents are limited to natural persons.
24. It clarifies the sales and use tax exemption for water and air pollution control facilities by including chemicals and supplies for certified facilities within the scope of the exemption. The bureau currently treats these items as exempt based on a 1994 court decision.
25. It clarifies the exemption for sales of residential water.
26. It clarifies an existing sales tax exemption for property used in production.

## *Joint Standing Committee on Taxation*

27. It relocates an existing sales and use tax exemption for certain sales of electricity or water to the section that provides for exemptions.
28. It repeals a statute that imposes criminal penalties for violation of unspecified laws.
29. It repeals the solid waste reduction investment tax credit in the insurance premium tax law. The credit is no longer available.
30. It corrects the name of the state agency that licenses private nonmedical institutions to reflect legislation effective July 1, 2004 that combined and reorganized the former Department of Human Services and the former Department of Behavioral and Developmental Services.
31. It clarifies that certain separately stated transportation charges are excluded from the sale price under the service provider tax law on the same basis as under the sales and use tax law.
32. It adds a specific exemption for purchases of fabrication services to print advertising or promotional materials for the purpose of subsequently transporting those materials outside the State for use by the purchaser thereafter solely outside the State. This is the administrative position taken by the bureau.
33. It clarifies that the basis of reporting for purposes of the gasoline tax is actual measured gallonage, without any adjustment for temperature or barometric pressure variations.
34. It adds a definition of "retail dealer" to the gasoline tax law in order to clarify the type of transaction that qualifies for a retail shrinkage refund under the Maine Revised Statutes, Title 36, section 2906, subsection 4.
35. It clarifies that when gasoline is placed in a retail tank it is deemed to have been sold for purposes of the gasoline tax law. This is longstanding administrative policy of the bureau.
36. It clarifies that gasoline tax refunds to a retail dealer based on shrinkage or loss by evaporation are based on purchases of gasoline delivered to the dealer's tanks and actually sold from those tanks, rather than on the total gross purchases made during the year.
37. It eliminates a reference to a "monthly" refund claim for fuel used in commercial uses since there is no requirement that the claims be filed monthly.
38. It repeals the requirement that original invoices must be submitted with refund claims for gasoline tax paid on fuel used in locally encouraged vehicles. This requirement has not been enforced for several years. It also eliminates the requirement that refund claims must be filed quarterly. By administrative policy they may be filed for any open period.
39. It adds a specific provision to clarify that gasoline tax refunds for fuel used in aircraft are reduced by the amount of Maine use tax due on the fuel. This is consistent with longstanding administrative practice of the bureau.
40. It eliminates an obsolete cross-reference to the affidavit prescribed for registered sellers in Title 36, section 3205. Title 36, section 3205 no longer contains any reference to an affidavit.
41. It repeals statutes that formerly governed taxation of fuel consumed by interstate buses. This tax is now reported under the International Fuel Tax Agreement.

## *Joint Standing Committee on Taxation*

42. It clarifies that distillates delivered to a consumer or a retail outlet, whether or not "on consignment," are deemed to have been sold for purposes of the special fuel tax. This is longstanding administrative policy of the bureau.
43. It clarifies that propane shrinkage allowances must be calculated on an annual basis. This is current administrative policy of the bureau.
44. It limits the exemption for sales of special fuel to the State and its political subdivisions to bulk sales. Because of the way the tax is imposed it is not practical to make exempt sales at the pump. Governmental entities may apply for a refund of the tax paid on those sales.
45. It removes obsolete and redundant language relating to refund applications by special fuel users.
46. It eliminates the requirement that original invoices must be submitted with refund claims for special fuel tax paid by political subdivisions. This requirement has not been enforced for several years. It also repeals an obsolete provision that governed refunds of tax paid before April of 1986.
47. It clarifies the administration of the special fuel tax.
48. It eliminates the requirement that original invoices must be submitted with refund claims for special fuel tax paid on fuel used in locally encouraged vehicles. This requirement has not been enforced for several years. It also eliminates the requirement that refund claims must be filed quarterly. By administrative policy they may be filed for any open period.
49. It eliminates the requirement that original invoices must be submitted with refund claims for special fuel tax paid on fuel used off-highway. This requirement has not been enforced for several years. It also eliminates a reference to a "monthly" refund claim since there is no requirement that the claims be filed monthly.
50. It repeals the definition of "dealer" from the cigarette tax law. There is no longer any distinction between dealers and distributors.
51. It clarifies the cigarette tax law by replacing references to "license holder" with the defined term "distributor."
52. It repeals superfluous criminal provisions and clarifies an ambiguous statute prohibiting sale and reuse of cigarette stamps.
53. It repeals obsolete provisions setting discount rates for cigarette stamps that are no longer in effect.
54. It prohibits the return of partial rolls of cigarette stamps for credit unless the person is ceasing business as a distributor. This is longstanding bureau policy. It also repeals unnecessary language regarding the payment of refunds.
55. It deletes the obsolete term "dealer" from the cigarette tax law and clarifies certain record-keeping requirements.
56. It clarifies that the personal use exception applies to importation of tobacco products other than cigars and that any quantity of untaxed tobacco products imported into the State is subject to tax.
57. It repeals the law requiring certain fiduciaries to notify the State Tax Assessor of their appointment. This

requirement has not been enforced for many years.

58. It clarifies that a taxpayer's estimated tax liability includes all taxes due under the income tax law except withholding tax.

59. It clarifies that a person who fails to withhold tax as required is not relieved from liability for penalties for failure to file returns and pay withholding tax. This is the bureau's longstanding position.

60. It consolidates 2 closely related provisions relating to overpayments of withholding tax by employers and pass-through entities into a single subsection and eliminates a superfluous authorization for rulemaking that has never been implemented.

61. It clarifies the determination of the period during which a claimant under the Circuitbreaker Program must have been domiciled in Maine.

62. It clarifies the definition of "elderly household" for purposes of the Circuitbreaker Program. The new language is consistent with the way the statute has been administratively interpreted by the bureau.

63. It restructures for clarity the definition of "income" in the Circuitbreaker Program law, but does not change the way in which income is determined for purposes of the program.

64. It makes technical changes to the business equipment tax reimbursement law. It also corrects a conflict created by Public Law 2005, chapters 618 and 623, which affected the same provision of law, by incorporating changes made by both laws.

65. It eliminates the requirement for an annual revenue enhancement and amnesty report to the Legislature by the bureau.

The bill also corrects several grammatical errors and replaces archaic, redundant and gender-specific language.

### **Committee Amendment "A" (H-591)**

This amendment removes from the bill provisions regarding the taxation of certain fabrication services related to advertising or promotional materials.

### **Enacted Law Summary**

Public Law 2007, chapter 438, submitted on behalf of the Bureau of Revenue Services, makes the following technical changes to the laws governing taxation.

1. It repeals a provision that authorizes the State Tax Assessor to subtract from revenues credit card fees associated with income tax returns filed by telephone. Maine's income tax Telefile system has been discontinued.
2. It replaces the imprecise term "report" with the defined term "return" throughout the tax laws.
3. It authorizes a 120-day extension of the time allowed for filing a return after the taxpayer has received a formal demand for filing. The Department of Administrative and Financial Services, Bureau of Revenue Services has been administratively granting such extensions.
4. It provides clear statutory authority for the State Tax Assessor to disclose the fact that a person has or has not been issued a certificate of exemption under the sales tax law or the service provider tax law. The bureau has

## *Joint Standing Committee on Taxation*

administratively interpreted existing law to authorize these disclosures.

5. It replaces an obsolete reference to the Bureau of Property Taxation, which was merged into the Bureau of Taxation, now the Bureau of Revenue Services, a number of years ago.
6. It clarifies that all owners of property proposed for tree growth classification must consent to the application in writing.
7. It repeals an obsolete provision that related to valuation of tree growth property for taxable years prior to April 1, 1983.
8. It repeals obsolete language relating to the computation of tree growth reimbursements and authorizes the State Tax Assessor to adopt rules governing the assessment of tree growth land and the computation of reimbursements.
9. It repeals obsolete provisions relating to the administration of changes to the Maine Tree Growth Tax Law that were enacted in 1981 and corrects an erroneous reference.
10. It replaces obsolete terminology, corrects cross-references and clarifies the definition of "nonprofit."
11. It clarifies certain deadlines relating to the certification of pollution control facilities for property tax exemption.
12. It clarifies the deadline for filing an application for a homestead property tax exemption and repeals an obsolete provision that governed program applications for the 1998 tax year.
13. It makes technical changes to the business equipment tax exemption law enacted in 2006.
14. It clarifies that all owners of property proposed for farm and open space classification must consent to the application in writing and repeals obsolete language.
15. It clarifies the deadlines for notifying the landowner of the status of an application for classification of land under the farm and open space law and for reporting income from farmland under the farm and open space law, corrects a cross-reference and reallocates a paragraph into the subsection to which the paragraph's subject matter relates.
16. It repeals an obsolete statute that provided for transfers to the Unorganized Territory Education and Services Fund in fiscal years 1985 to 1990.
17. It replaces the word "primary" with "elementary" in the definition of "school" to match the term that is defined and used in other Maine statutes pertaining to schools.
18. It repeals a superfluous provision relating to determinations of residency under the sales and use tax law.
19. It eliminates redundant language.
20. It clarifies exemptions for certain sales of residential fuel and electricity.
21. It repeals an obsolete provision relating to the administration of changes that were enacted in 1989 in the sales tax exemption for continuous residence in a hotel, rooming house, tourist camp or trailer camp.

## *Joint Standing Committee on Taxation*

22. It simplifies and clarifies existing law providing that certain sales tax exemptions for vehicles purchased by nonresidents are not limited to natural persons.
23. It clarifies existing law providing that certain sales tax exemptions for items purchased by nonresidents are limited to natural persons.
24. It clarifies the sales and use tax exemption for water and air pollution control facilities by including chemicals and supplies for certified facilities within the scope of the exemption. The bureau currently treats these items as exempt based on a 1994 court decision.
25. It clarifies the exemption for sales of residential water.
26. It clarifies an existing sales tax exemption for property used in production.
27. It relocates an existing sales and use tax exemption for certain sales of electricity or water to the section that provides for exemptions.
28. It repeals a statute that imposes criminal penalties for violation of unspecified laws.
29. It repeals the solid waste reduction investment tax credit in the insurance premium tax law. The credit is no longer available.
30. It corrects the name of the state agency that licenses private nonmedical institutions to reflect legislation effective July 1, 2004 that combined and reorganized the former Department of Human Services and the former Department of Behavioral and Developmental Services.
31. It clarifies that certain separately stated transportation charges are excluded from the sale price under the service provider tax law on the same basis as under the sales and use tax law.
32. It clarifies that the basis of reporting for purposes of the gasoline tax is actual measured gallonage, without any adjustment for temperature or barometric pressure variations.
33. It adds a definition of "retail dealer" to the gasoline tax law in order to clarify the type of transaction that qualifies for a retail shrinkage refund under the Maine Revised Statutes, Title 36, section 2906, subsection 4.
34. It clarifies that when gasoline is placed in a retail tank it is deemed to have been sold for purposes of the gasoline tax law. This is longstanding administrative policy of the bureau.
35. It clarifies that gasoline tax refunds to a retail dealer based on shrinkage or loss by evaporation are based on purchases of gasoline delivered to the dealer's tanks and actually sold from those tanks, rather than on the total gross purchases made during the year.
36. It eliminates a reference to a "monthly" refund claim for fuel used in commercial uses since there is no requirement that the claims be filed monthly.
37. It repeals the requirement that original invoices must be submitted with refund claims for gasoline tax paid on fuel used in locally encouraged vehicles. This requirement has not been enforced for several years. It also eliminates the requirement that refund claims must be filed quarterly. By administrative policy they may be filed for any open period.

## *Joint Standing Committee on Taxation*

38. It adds a specific provision to clarify that gasoline tax refunds for fuel used in aircraft are reduced by the amount of Maine use tax due on the fuel. This is consistent with longstanding administrative practice of the bureau.
39. It eliminates an obsolete cross-reference to the affidavit prescribed for registered sellers in Title 36, section 3205. Title 36, section 3205 no longer contains any reference to an affidavit.
40. It repeals statutes that formerly governed taxation of fuel consumed by interstate buses. This tax is now reported under the International Fuel Tax Agreement.
41. It clarifies that distillates delivered to a consumer or a retail outlet, whether or not "on consignment," are deemed to have been sold for purposes of the special fuel tax. This is longstanding administrative policy of the bureau.
42. It clarifies that propane shrinkage allowances must be calculated on an annual basis. This is current administrative policy of the bureau.
43. It limits the exemption for sales of special fuel to the State and its political subdivisions to bulk sales. Because of the way the tax is imposed it is not practical to make exempt sales at the pump. Governmental entities may apply for a refund of the tax paid on those sales.
44. It removes obsolete and redundant language relating to refund applications by special fuel users.
45. It eliminates the requirement that original invoices must be submitted with refund claims for special fuel tax paid by political subdivisions. This requirement has not been enforced for several years. It also repeals an obsolete provision that governed refunds of tax paid before April of 1986.
46. It clarifies the administration of the special fuel tax.
47. It eliminates the requirement that original invoices must be submitted with refund claims for special fuel tax paid on fuel used in locally encouraged vehicles. This requirement has not been enforced for several years. It also eliminates the requirement that refund claims must be filed quarterly. By administrative policy they may be filed for any open period.
48. It eliminates the requirement that original invoices must be submitted with refund claims for special fuel tax paid on fuel used off-highway. This requirement has not been enforced for several years. It also eliminates a reference to a "monthly" refund claim since there is no requirement that the claims be filed monthly.
49. It repeals the definition of "dealer" from the cigarette tax law. There is no longer any distinction between dealers and distributors.
50. It clarifies the cigarette tax law by replacing references to "license holder" with the defined term "distributor."
51. It repeals superfluous criminal provisions and clarifies an ambiguous statute prohibiting sale and reuse of cigarette stamps.
52. It repeals obsolete provisions setting discount rates for cigarette stamps that are no longer in effect.

## Joint Standing Committee on Taxation

53. It prohibits the return of partial rolls of cigarette stamps for credit unless the person is ceasing business as a distributor. This is longstanding bureau policy. It also repeals unnecessary language regarding the payment of refunds.
54. It deletes the obsolete term "dealer" from the cigarette tax law and clarifies certain record-keeping requirements.
55. It clarifies that the personal use exception applies to importation of tobacco products other than cigars and that any quantity of untaxed tobacco products imported into the State is subject to tax.
56. It repeals the law requiring certain fiduciaries to notify the State Tax Assessor of their appointment. This requirement has not been enforced for many years.
57. It clarifies that a taxpayer's estimated tax liability includes all taxes due under the income tax law except withholding tax.
58. It clarifies that a person who fails to withhold tax as required is not relieved from liability for penalties for failure to file returns and pay withholding tax. This is the bureau's longstanding position.
59. It consolidates 2 closely related provisions relating to overpayments of withholding tax by employers and pass-through entities into a single subsection and eliminates a superfluous authorization for rulemaking that has never been implemented.
60. It clarifies the determination of the period during which a claimant under the Circuitbreaker Program must have been domiciled in Maine.
61. It clarifies the definition of "elderly household" for purposes of the Circuitbreaker Program. The new language is consistent with the way the statute has been administratively interpreted by the bureau.
62. It restructures for clarity the definition of "income" in the Circuitbreaker Program law, but does not change the way in which income is determined for purposes of the program.
63. It makes technical changes to the business equipment tax reimbursement law. It also corrects a conflict created by Public Law 2005, chapters 618 and 623, which affected the same provision of law, by incorporating changes made by both laws.

Amendments Adopted

This bill is a concept draft pursuant to Joint Rule 208.

This bill proposes to amend the property tax laws in the following ways:

## *Joint Standing Committee on Taxation*

1. Cap yearly increases in municipal spending to a percentage based upon the Consumer Price Index published by the United States Department of Labor, Bureau of Labor Statistics;
2. Limit tax-exempt property to 10% of the area of a municipality;
3. Assess equally the square footage of all land in a municipality in the same land use zone, with exceptions for land with a higher social value, such as waterfront, farmland, forest land, open space, interstate access roads and railroad land, which would receive no or a reduced tax rate or the owners of that land would receive a tax credit;
4. Assess equally the square footage of all buildings in the same land use zone in a municipality and with access to the same utilities, for example, public water and sewer;
5. If there is a budget shortfall for a fiscal year, allow a municipality to assess a budget gap adjustment that would cover the shortfall as a percentage of the combined property values in sections 3 and 4 to be applied equally among all property owners in the municipality;
6. Implement a homestead exemption program for certain property owners in disadvantaged circumstances, such as property owners who are low-income or 65 years of age or older or who have a physical disability; and
7. Enhance municipal revenues based upon the fair market value of the property by a special assessment of a percentage of the capital gains incurred when a property changes ownership or is otherwise transferred; an increase in value when a change in property status occurs, such as the property's zoning, use, impact or connection to a utility; or an increase in value resulting from tax increment financing or infrastructure improvements.

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
MACDONALD	ONTP	

This resolution proposes to amend the Constitution of Maine to authorize the Legislature to require municipalities to cap property taxes on property owned and occupied as a person's primary residence if that person is at least 65 years of age and the property has an assessed value of no more than 150% of the median assessed value of housing in Maine. The rate of tax would be stabilized at the rate in effect on the later of the date by which the person attained 65 years of age or purchased the property. Upon transfer of the property to someone other than a family member of the owner, the property would assume the just value at the time of transfer. The State would be required to reimburse a municipality for any revenue lost due to the cap on property taxes.

This bill provides a tax credit to reimburse educational loan payments for a Maine resident who earns an associate degree or a bachelor's degree in Maine and lives, works and pays taxes in Maine after earning that degree. Under an agreement with the State, a Maine resident who obtains an associate degree or a bachelor's degree from an accredited Maine junior college, college or university may take advantage of the credit. A person who qualifies may claim the credit for payments made during each year the person lives and works in Maine. In addition, the qualified person's employer, or, if the qualified person is an independent contractor, the entity contracting with that qualified person, may make the loan payments and claim the credit. The credit is limited to what the person actually pays in loan payments or to the amount that would be necessary to pay for an education in the University of Maine System or Maine Community College System, whichever is less.

**DIED BETWEEN HOUSES**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
STRIMLING	OTP-AM MAJ OTP-AM MIN	

This constitutional resolution proposes 3 changes to the Constitution of Maine and provides that each change must be presented as a separate and independent question to the voters.

Part A requires approval of 2/3 of each House of the Legislature to alter the tax rate for income taxes, motor vehicle excise tax mill rates or general sales tax rates except when inadequate funds have been appropriated for debt payment.

Part B authorizes municipalities to opt out of the unreimbursed portion of the homestead exemption by holding a municipal referendum and would allow them to reverse that decision by a subsequent referendum.

Part C requires a 2/3 vote of a municipal legislative body to increase the local property tax mill rate or implement a sales tax at the municipal level and further requires that if a local sales tax is authorized, it must provide property or excise tax relief.

This resolution is presented as part of a tax reform proposal. See also LD 1833.

### Committee Amendment "A" (S-271)

This amendment is the majority report of the Joint Standing Committee on Taxation.

Like the constitutional resolution, this amendment proposes 3 changes to the Constitution of Maine and provides that each change must be presented as a separate and independent question to the voters. Under the amendment, which clarifies the language of the resolution:

## *Joint Standing Committee on Taxation*

1. Part A requires approval of 2/3 of each House of the Legislature to alter the statutory tax rates for income tax, motor vehicle excise tax or sales tax except when adequate funds have not been appropriated for debt payment;
2. Part B authorizes municipalities to opt out of the unreimbursed portion of the general homestead exemption by holding a municipal referendum subject to procedural conditions enacted by the Legislature and allows them to reverse that decision by a subsequent referendum; and
3. Part C authorizes municipalities to adopt a local sales tax subject to guidelines and procedures enacted by the Legislature. Revenues must be used to reduce property taxes.

### **Committee Amendment "B" (S-272)**

This amendment is the minority report of the Joint Standing Committee on Taxation. It removes those parts of the constitutional resolution that required a 2/3 vote to alter certain taxes and that authorized a local sales tax. The amendment retains the authority of municipalities to opt out of the unreimbursed portion of the general homestead exemption by holding a municipal referendum subject to procedural conditions enacted by the Legislature and to reverse that decision by a subsequent referendum.

This bill provides a framework for property tax relief and income tax relief discussions in the following ways.

Part A increases the homestead property tax exemption from \$13,000 to \$50,000.

## *Joint Standing Committee on Taxation*

Part B increases benefits by reducing the threshold for 100% reimbursement of property taxes from 8% of income to 6% of income. It also changes the maximum property taxes that may be considered in the formula from \$3,000 to \$2,400 for single-member households and from \$4,000 to \$3,400 for households with 2 or more members, having the effect of reducing the income eligibility threshold to \$60,000 for single-member households and \$85,000 for households with 2 or more members.

Part C increases the earned income tax credit from 5% of the federal credit to 25% and makes it refundable.

Part D provides that the personal exemption under the income tax will be the same as the federal personal exemption, increasing the amount from \$2,850 to \$3,400 for tax years beginning in 2007.

Part E increases the low-income tax credit threshold from \$2,000 of taxable income to \$10,000 of taxable income.

Part F reduces personal income tax rates and adjusts brackets.

Part G eliminates the income tax incorporation of the standard deduction or itemized deductions claimed on a federal income tax return.

Part H increases the excise tax on beer from 25¢ per gallon to 50¢ per gallon and on wine from 30¢ per gallon to 45¢ per gallon.

Part I changes the rate of tax on all taxable income for corporations to 8.93%.

Part J increases the sales tax on meals and lodging from 7% to 9%.

Part K repeals various sales tax exemptions and broadens the sales tax and service provider tax to cover certain services not currently taxed. It also reinstates the sales tax on nonstaple foods.

This bill was carried over to any special or regular session of the 123rd Legislature by joint order, H.P. 1369.

**DIED BETWEEN  
HOUSES**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>

This bill represents the work of the Joint Standing Committee on Taxation to reform Maine's tax structure and reduce the burden of taxes on Maine residents. This bill reduces taxes on Maine families by over \$140,000,000. The bill contains the following provisions.

Part A makes fundamental changes to simplify and reduce the burden of the State's income tax and create an income tax that is intended to be more beneficial to investment and economic growth in the State. The current structure of 4 tax brackets, personal exemptions and deductions is replaced by a flat rate of 6% on all taxable income. The progressivity of the current income tax is maintained through a household credit that alleviates the impact of the 6% rate on low-income and middle-income households. The corporate income tax is also changed to a flat rate at 8.93%. Conformity with certain federal business expensing and depreciation treatment is provided. The complicated and confusing alternative minimum tax on individuals is repealed.

Part B provides property tax relief by increasing the homestead property tax deduction from \$13,000 to \$26,000.

Part C provides further property tax relief by making the Property Tax and Rent Refund Program, currently known as "the Maine Residents Property Tax Program" or "the circuitbreaker program," available to a larger number of residents and increasing benefits. It requires the State to make greater efforts to increase awareness of the program and produce greater participation.

Part D provides a process that permits persons 65 years of age or older to defer property taxes on their

## *Joint Standing Committee on Taxation*

homesteads. The State would reimburse municipalities for the deferred taxes and acquire a lien on the property to collect what is owed when the property is sold or otherwise transferred.

Part E broadens the sales tax base by including certain services and repealing certain exemptions. Part E also increases the sales tax on prepared food and lodging to 8% and the sales tax on rentals of automobiles of less than one year to 15%.

Part F changes the format for the real estate transfer tax and provides that permanent residences with a value of \$1,000,000 or less would be taxed at 0.6% on the first \$250,000 of value, 0.8% on the next \$250,000 of value and 1% on the next \$500,000 of value. Residential property valued at over \$1,000,000 would be taxed at 1.5% and all other property would be taxed at 1%.

Part G doubles the excise tax on wine and malt liquor except for malt liquor produced by a manufacturer that produced less than 100,000 barrels in the previous calendar year.

Part H provides that, beginning in fiscal year 2009-10, 15% of growth in sales and income tax would be transferred to the Tax Relief Fund for Maine Residents to be used for tax relief.

Part I provides that, beginning in fiscal year 2009-10, 10% of sales tax revenue growth must be returned to the municipalities where the growth occurred.

Part J requires the Department of Administrative and Financial Services, Bureau of Revenue Services to make information available to citizens that explains the State's tax structure and the changes contained in this Act.

Part K provides that a lien for unpaid property taxes may not be foreclosed against the homestead of a person who is at least 65 years of age and has lived in the homestead for at least 10 years until the property is transferred by deed or upon death. Liens would continue in effect and would accrue interest until the lien is satisfied.

Part L makes appropriations and allocations necessary to implement the bill.

**LD 9      An Act To Continue the Axle Weight Law Changes beyond September 15, 2007** **PUBLIC 453  
EMERGENCY**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
THOMAS	OTP-AM	H-48

Recently enacted law (Public Law 2005, chapter 426) amended the calculation of tandem axle weight fines for 6-axle trucks hauling special commodities to provide that the lower of the fines specified in statute applies. It also amended the axle weight fine schedules to eliminate relatively steep fine increases for smaller violations for trucks hauling forest products and it also eliminated axle weight fine violations during the months of January and February on most state roads. The changes made by that recently enacted law are scheduled to sunset September 15, 2007. This bill repeals the sunset.

**Committee Amendment "A" (H-48)**

## Joint Standing Committee on Transportation

This committee amendment adds an emergency preamble and emergency clause to the bill and adds a sunset of September 15, 2009 to that portion of law that eliminates axle weight fine violations during the months of January and February on most state roads.

### Enacted Law Summary

Public Law 2007, chapter 453, amends recently enacted law relating to axle weights. The recently enacted law (Public Law 2005, chapter 426) amended the calculation of tandem axle weight fines for 6-axle trucks hauling special commodities to provide that the lower of the fines specified in statute applies. It also amended the axle weight fine schedules to eliminate relatively steep fine increases for smaller violations for trucks hauling forest products and it eliminated axle weight fine violations during the months of January and February on most state roads. These provisions were scheduled to sunset September 15, 2007. Chapter 453 bill repeals this sunset except with respect to the provision that eliminates axle weight fine violations during the months of January and February on most state roads; chapter 543 establishes a sunset of September 15, 2009 for that provision of the law.

Public Law 2007, chapter 453 was enacted as an emergency measure effective June 28, 2007.

**LD 13      Resolve, To Return Swanville Road in Frankfort to State Road Classification      ONTP**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
WEDDELL	ONTP	

This resolve directs the Department of Transportation to take over the maintenance, repair and upkeep of Swanville Road in Frankfort, since the usage of that road has increased substantially over the years. It also directs the department to take the appropriate steps to reclassify the town road as a state road.

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
HANLEY S		H-4 MARLEY

This bill, which was acted upon without being referenced to committee, authorizes the Secretary of State to accept the form certifying driving time from the licensed driver who accompanied the applicant for a driver's license for the majority of the required 35 hours of driving if the applicant is at least 18 years of age and has no individual otherwise authorized to certify driving time.

### House Amendment "A" (H-4)

Current law requires a person under 21 years of age applying for a driver's license to complete 35 hours of driving accompanied by a parent, guardian or licensed driver. The applicant's parent, stepparent, guardian, spouse or employer must certify the applicant's driving time, but is not required to be the person who accompanied the applicant.

This amendment requires the person certifying the driving log of the applicant to provide the name and address of the person who accompanied the applicant for a majority of the required 35 hours. This amendment also allows the Secretary of State to complete the certification of a person between 18 and 21 years of age who does not have a parent, stepparent, guardian, spouse or employer if the applicant provides the name and address of the person accompanying the applicant for the majority of the required 35 hours.

### Enacted Law Summary

Public Law 2007, chapter 2 amends the law governing the certification of pre-license driving time for persons under 21 applying for driver's licenses. Current law requires a person under 21 years of age applying for a driver's license to complete 35 hours of driving accompanied by a parent, guardian or licensed driver. The applicant's parent, stepparent, guardian, spouse or employer must certify the applicant's driving time, but is not required to be the person who accompanied the applicant. This bill adds the Combat Infantryman Badge, established by the War Department in 1943 to recognize the skill and heroism of the American infantry, to the list of special commemorative decals for sets of special veterans registration plates.

#### Committee Amendment "A" (H-107)

This amendment replaces the bill with a resolve that directs the Director of the Bureau of Veterans' Services within the Department of Defense, Veterans and Emergency Management, in consultation with the Secretary of State, to convene a working group composed of combat veterans to develop an appropriate manner of commemorating combat service in the form of one or more commemorative license plate decals. The working group is directed to examine the appropriateness of developing a single decal versus the use of decals representing the following combat badges: Army Combat Infantry Badge, Army Combat Medic Badge, Army Combat Action Badge, Combat Action Ribbon and Combat Action Medal. If the working group determines that a single decal is appropriate, it must design the decal in consultation with the Secretary of State. The director and the Secretary of State are directed to report the findings and recommendations of the working group to the Joint Standing Committee on Transportation no later than November 30, 2007. The Secretary of State must include with the report draft legislation to make appropriate changes to law to implement the recommendations of the working group. **PUBLIC 383**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
DAMON	OTP-AM	S-242

This bill:

1. Creates a definition of "sport utility vehicle" for registration purposes and clarifies that a sport utility vehicle may be registered either as an automobile or as a truck. A sport utility vehicle used in a commercial enterprise with a weight in excess of 10,000 pounds must be registered as a truck according to its actual weight;
2. Clarifies that a pickup truck, which by definition has a gross vehicle weight of 6,000 pounds or less, hauling a trailer registered for 2,000 pounds or less may be operated at the combined weight;
3. Makes minor adjustments to the truck and farm truck registration brackets to create a bracket at 10,000 pounds. Many federal safety requirements become effective at 10,001 pounds;
4. Clarifies that special veteran vehicle registration plates may be issued to a company under certain conditions;
5. Removes the fee for the Pearl Harbor Survivor vehicle registration plate;
6. Resolves a conflict in implementation dates for the issuance of titles for manufactured housing;
7. Resolves a conflict regarding the mailing of lien certificates;
8. Makes a technical change to ensure compliance with the federal Commercial Motor Vehicle Safety Act of 1986 and regulations adopted thereto;
9. Clarifies that a 3rd or subsequent offense committed by an adult while holding a provisional license requires a 90-day driver license suspension; and
10. Clarifies that a 3rd or subsequent offense committed by a juvenile while holding a provisional license requires a 90-day driver license suspension.

## **Committee Amendment "A" (S-242)**

This amendment:

1. Removes the section of the bill that would have amended the law regarding when the State must begin issuing the title for manufactured housing (this matter was dealt with in the Error's Bill, LD 1904, handled by the Judiciary Committee);
2. Establishes definitions of commercial-vehicle-class and non-commercial-vehicle-class school buses. This revision reflects changes in the federal commercial driver's license requirements for school buses rated as

commercial motor vehicles;

3. Provides that a person issued a summons for operating in excess of registered weight does not commit a subsequent violation involving the same vehicle and the same load until the next business day;
4. Repeals the requirement that a state trooper collect the difference in registration fee when a truck is found to be exceeding its registered weight and repeals the requirement that a foreign vehicle obtain a trip permit before proceeding. Currently, troopers calculate and collect the difference between the fee paid and the fee for the higher weight;
5. Makes altering the expiration date of a disability placard a traffic infraction;
6. Changes the name of the Motorcycle Rider Course to the Basic Rider Course;
7. Extends the term of a motorcycle learner's permit from 1 to 2 years to allow more time to for drivers to complete the driving test;
8. Changes the maximum weight limits for certain plates to conform to changes to the weight registration brackets made by the bill;
9. Requires the Secretary of State to brand the certificate of title of vehicles subject to the disclosure requirements of the Maine Lemon Law;
10. Makes a variety of changes to the specialty plate and recognition plate laws: it makes it clear that a proposed plate must be reviewed by the joint standing committee of the Legislature having jurisdiction over transportation matters and approved by the Legislature; requires supporters to sign and date a statement declaring that they intend to purchase and display the plate; requires that signatures be no more than 2 years old when submitted; increases the plate fee from \$20 to \$25 and clarifies that each supporter must contribute \$25; makes the total \$50,000 prepayment nonrefundable; increases the weight restriction to 10,000 lbs; retires new specialty plates after 10 years or if the number of plates falls below 4,000 plates for more than one year; and provides that all requirements of the law must be met for each version or class of plate; and
11. Provides that a sponsor who, as of June 1, 2007, has registered with the Secretary of State as a sponsor of a specialty plate or recognition plate under the Maine Revised Statutes, Title 29-A, section 468, subsection 1 or section 468-A, subsection 2 may meet the requirements of Title 29-A, section 468 or section 468-A, as applicable, that were in effect on June 1, 2007. A sponsor who registered with the Secretary of State prior to June 1, 2005 has until January 1, 2008 to meet those requirements that were in effect on June 1, 2007. A sponsor who registered with the Secretary of State on or after June 1, 2005 has until 2 years from the date of registration to meet those requirements that were in effect on June 1, 2007. If the sponsor fails to meet those requirements within the applicable time frame, the sponsor becomes subject to the new requirements established under this amendment.

This bill amends laws governing abandoned motor vehicles: it specifies that the law applies to vehicles towed at the direction of a law enforcement officer (in addition to the other circumstances listed in the current law); provides that the last owner of record of a vehicle is deemed to be the owner of an abandoned vehicle and is liable for all towing and other costs and fines related to the abandonment of the vehicle; shortens the time period for an owner/leinholder to reclaim a vehicle; allows a person holding or storing an abandoned vehicle to hold the vehicle until all fees are paid; repeales provisions of law that establish limits on storage fees that may be charged by person sorting an abandoned vehicle; requires towing and storage fees to be reasonable; directs the Secretary of State to suspend the driving and vehicle registration privileges of the owner of an abandoned vehicle if a person towing, holding or storing the abandoned vehicle certifies to the Secretary of State that the towing or storage fees have not been paid in full; allows a person towing or storing a vehicle that was used in the commission of a crime to receive a fee of up to \$250; provides that not only the owner of the premises where an abandoned vehicle is located, but also the owner's agent may initiate and sign a notification to the Secretary of State indicating that the owner or owner's agent is in possession of an abandoned vehicle.

## Committee Amendment "A" (H-165)

This amendment makes the following changes to the bill.

1. It amends a portion of the bill that deems the last owner of record of a motor vehicle found abandoned to be the owner of the motor vehicle at the time it was abandoned and to be the person who abandoned it. The

## *Joint Standing Committee on Transportation*

amendment provides that there is a rebuttable presumption that the last owner of record of a motor vehicle found abandoned is the owner of the motor vehicle at the time it was abandoned and the person who abandoned it.

2. It amends the portion of the bill that would reduce the minimum period after the Secretary of State receives notice of an abandoned vehicle that the Secretary of State must wait before issuing a letter of ownership or certificate of title to the person holding the abandoned vehicle. In current law the minimum period is 30 days. The bill proposed to reduce this to 15 days. The amendment makes the minimum period 21 days.

3. It replaces a section of the bill that would have removed current limits on the fees a person holding an abandoned vehicle may charge for storing the vehicle. The amendment preserves that provision of law, but amends it to provide that total storage charges may not exceed \$900 for a 30-day period. It also amends the provision to provide that if the person holding the vehicle fails to notify the Secretary of State within 7 days of coming into possession of the vehicle, the person may only charge 7 days of storage fees. Under current law, the period is 30 days.

4. It adds a provision to the bill that establishes a minimum fine of \$250 for abandoning a vehicle on a public way.

5. It amends a provision of the bill that allows a person storing an abandoned vehicle to hold the vehicle until all fees are paid. The amendment provides that the person may hold the vehicle until all reasonable towing and storage fees are paid.

6. It removes the portions of the bill that provide for the suspension of an owner's driver's license and registration privileges for failure to pay towing and storage fees and the collection of an impoundment fee for storing vehicles used in the commission of a crime.

### **Enacted Law Summary**

Public Law 2007, chapter 150 does the following.

1. It establishes a rebuttable presumption that the last owner of record of a motor vehicle found abandoned is the owner of the motor vehicle at the time it was abandoned and is the person who abandoned it.

2. It amends the current law requiring the Secretary of State to wait at least 30 days after receiving notice of an abandoned vehicle before issuing a letter of ownership or certificate of title to the person holding the abandoned vehicle: It reduces this minimum period to 21 days.

3. It increases the current limits on the fees a person holding an abandoned vehicle may charge for storing the vehicle: the current limit to \$600 for a 30-day period; this law increases the limit to \$900 for a 30-day period. It also provides that if the person holding the vehicle fails to notify the Secretary of State within 7 days of coming into possession of the vehicle, the person may only charge 7 days of storage fees (under current law, the period is 30 days).

4. It establishes a minimum fine of \$250 for the traffic infraction of abandoning a vehicle on a public way (under current law this is a traffic infraction, but there is no minimum fine).

5. It provides that the person storing an abandoned vehicle may hold the vehicle until all reasonable towing and storage fees are paid.

This bill does the following.

Part A makes appropriations and allocations of funds for the 2008-2009 biennium.

Part B makes appropriations and allocations of funds for approved reclassifications and range changes.

Part C authorizes the Department of Administrative and Financial Services on behalf of the Department of Transportation's Transportation Facilities Fund, to enter into financing arrangements in fiscal years 2007-08 and 2008-09 to establish lease-purchase contracts for the procurement of transportation facilities.

Part D requires the State Budget Officer to calculate the amount of savings in Part A that apply against each Highway Fund account for all departments and agencies from savings in the cost of health insurance and to transfer the amounts by financial order upon the approval of the Governor. These transfers are considered adjustments to allocations in fiscal years 2007-08 and 2008-09.

Part E authorizes the State Budget Officer to transfer available balances of Highway Fund allocations for Personal Services in fiscal year 2007-08 and fiscal year 2008-09 between programs and departments within the Highway Fund by financial order upon approval of the Governor to be used for costs associated with collective bargaining agreements for state employees.

Part F establishes the maximum principal cost, interest rate and duration term for a financing agreement to acquire motor vehicles for the Maine State Police. It specifies that annual principal and interest costs must be paid from the appropriate line category appropriations and allocations in the Department of Public Safety General Fund and Highway Fund accounts.

Part D establishes the maximum principal cost, interest rate and duration term for a financing agreement to acquire motor vehicles for the Maine State Police. It specifies that annual principal and interest costs must be paid from the appropriate line category appropriations and allocations in the Department of Public Safety General Fund and Highway Fund accounts.

Part E reduces funding to reflect a different methodology for funding the administrative costs of the Maine State Retirement System.

Part F authorizes the State Budget Officer to transfer by financial order between programs and departments available balances of Highway Fund allocations for Personal Services in fiscal years 2007-08 and 2008-09 to be used for costs associated with collective bargaining.

Part G authorizes the State Controller to transfer unexpended Personal Services balance from lapsing Highway Fund programs to the Compensation Salary Plan Highway Fund account to be used for costs associated with collective bargaining agreements for Highway Fund state employees and allows the State Controller to transfer any balance in the Compensation Salary Plan Highway Fund account to the unallocated balance of the Highway Fund at the end of fiscal year 2008-09.

Part H authorizes the State Controller, at the close of the fiscal years 2007-08 and 2008-09, to transfer amounts exceeding \$500,000 from the unallocated balance in the Highway Fund to the Department of Transportation Highway and Bridge Improvement and Maintenance and Operation programs for capital needs.

Part I authorizes the Commissioner of Transportation to transfer, through the use of financial orders, identified Highway Fund Personal Services savings to the Department of Transportation Highway and Bridge Improvement and Maintenance and Operation programs for capital needs.

Part J authorizes the State Controller to transfer \$980,136 by June 30, 2007 from the Accident, Sickness and Health Insurance Internal Service Fund in the Department of Administrative and Financial Services to the unallocated surplus of the Highway Fund.

Part K authorizes the Department of Administrative and Financial Services, Office of Information Technology to enter into lease-purchase arrangements for the acquisition of information technology systems, software, hardware and enhancements.

Part L authorizes the State Controller to transfer \$524,131 and any remaining balance by September 30, 2007 from the Single State Registration System account within the Department of the Secretary of State to the unallocated surplus of the Highway Fund.

Part M repeals the requirement that a company insuring a motor vehicle registered in this State notify the Secretary of State when that insurance is cancelled, terminated or lapses.

Part N authorizes the Department of Administrative and Financial Services to enter into financing arrangements on or after January 1, 2007 for the acquisition of hardware and software for the computer system in the Department of the Secretary of State, Bureau of Motor Vehicles.

Part O establishes that the proceeds from the salvage of rail track taken from the Calais Branch rail corridor must be deposited into the State Transit, Aviation and Rail Transportation Fund within the Department of

Transportation and allocates funds from that fund for the development of a multi-use trail within the Calais Branch rail corridor.

Part O also requires funds repaid to the Department of Transportation as a result of state investments or loans for the redevelopment of the Calais Branch rail corridor to be used to preserve the rail corridor and allows the department to terminate the recreational uses of the rail corridor at any time.

Part P provides enabling legislation for GARVEE bonds. Such bonds would be used only to fund projects to reconstruct, rehabilitate or replace existing bridges and arterial highways that have a useful life of at least 20 years. The maximum federal debt to revenue ratio is set at 15%, less sufficient debt service capacity under the 15% level for \$25,000,000 of GARVEE bonding for emergencies. It directs that GARVEE bonding levels must be presented for legislative approval as part of the Highway Fund budget. This Part also authorizes GARVEE bonds of up to \$50,000,000.

Part Q requires the Department of Administrative and Financial Services, the Department of Public Safety and the Department of Transportation to undertake a comprehensive analysis of light fleet vehicle purchase and operation with the goals of consolidating functions and eliminating duplication and inefficiencies in programs and to report to the Joint Standing Committee on Transportation by March 15, 2008.

Part R equalizes the 6-year cycle for driver's licenses by allowing the Secretary of State to issue certain driver's licenses that have expiration dates that are either longer or shorter than the usual license duration.

# Joint Standing Committee on Transportation

This bill allows the use of graphic, pictorial or photographic images on changeable signs.

## Committee Amendment "A" (H-61)

The amendment, which is the majority report of the Joint Standing Committee on Transportation, clarifies that a changeable sign may consist only of alphabetic or numeric text on a plain background and may not include any graphic, pictorial or photographic images unless the municipality in which the sign is located adopts an ordinance to the contrary. Administration of the ordinance is the responsibility of the municipality.

## Committee Amendment "B" (H-62)

The amendment, which is the minority report of the Joint Standing Committee on Transportation, clarifies that a changeable sign may consist only of alphabetic or numeric text on a plain background and may not include any graphic, pictorial or photographic images unless the municipality in which the sign is located adopts an ordinance to the contrary. Administration of the ordinance is the responsibility of the municipality.

The amendment also strikes from the bill a provision that repeals the limit on displays to no more than 50% of the surface area of a changeable sign (thus preserving that limit).

## House Amendment "A" (H-177)

This amendment clarifies Committee Amendment "B" so that graphic, pictorial or photographic images are generally allowed on either a plain or colored background on a changeable sign unless a municipal ordinance does not allow those elements.

## Enacted Law Summary

Public Law 2007, chapter 124 allows the use of graphic, pictorial or photographic images on changeable signs. Graphic, pictorial or photographic images are generally allowed on either a plain or colored background on a changeable sign unless a municipal ordinance does not allow those elements. If a municipal ordinance is adopted, the municipality must notify the Department of Transportation and administration of the ordinance is the responsibility of the municipality. Ordinances in effect on the effective date of this law are not superseded by this law.

This bill makes the following changes to the laws governing transportation.

It expands the powers of the Department of Transportation to conduct traffic survey interviews and other statistical studies on the state highway system as considered necessary for the use in planning and development of the statewide highway system.

It requires an abutter to install a culvert, at the direction of the Department of Transportation, when constructing an entrance to a state-owned highway. Current law requires the abutter to provide the culvert, at the owner's expense; the department then installs it.

It revises language relating to design-build projects to provide that the Department of Transportation may issue public notice requesting qualifications from interested firms through its website or through newspaper advertisements. Current law requires the notice to be through newspaper notice.

It provides more specific cross-references to federal laws governing the surface transportation program as they relate to reimbursement for the cost of relocating or burying overhead utilities in historic districts.

It revises the definition and overall length limit of saddlemount vehicle transporters traveling on the Interstate

way System and certain primary roads in accordance with changes in federal law.

It repeals certain laws that provide authority for limiting the weight, number or speed of vehicles permitted on a bridge and fixes cross-references

It modifies the law governing fuel tax indexing to require the Department of Transportation to submit emergency legislation every 2 years to 1st Regular Session to suspend the adjustment resulting from indexing for the succeeding biennium.

It repeals the laws that established the Maine-New Hampshire Interstate Bridge Authority.

### **Committee Amendment "A" (S-177)**

This amendment makes the following changes to the bill:

1. It replaces the provision in the bill creating a definition of "drive-away saddlemount with fullmount vehicle transporter combination" with a definition of "drive-away saddlemount vehicle transporter combination." It also amends the provision of the bill that alters certain requirements for these vehicles to reflect this new defined term. It also adds a provision to allow these vehicles to be issued transporter plates;
2. It removes the provisions of the bill that would have repealed certain laws that provide authority for limiting weight, number or speed of vehicles permitted on a bridge;
3. It adds a provision that provides that the Department of Transportation and the Maine Turnpike Authority are not subject to any fee or tax imposed pursuant to a municipal storm water ordinance that was in effect on January 1, 2007. This provision does not apply to ordinances passed after January 1, 2007;
4. It provides that the section of the bill that repeals the law creating the Maine-New Hampshire Interstate Bridge Authority takes effect only if the New Hampshire General Court repeals the concurrent New Hampshire law relating to the Maine-New Hampshire Interstate Bridge Authority; and
5. It adds an emergency preamble and emergency clause to the bill.

This amendment replaces the bill. The amendment allows the Commissioner of Transportation to allow construction of fixtures within the bounds a state or state aid highway located in a municipality if the construction is supported by the municipal officers, the road speed is no more than 35 miles per hour and the commissioner determines the construction will not adversely affect safety or the public welfare. The amendment also adds an emergency preamble and clause to the bill.

### Enacted Law Summary

Public Law 2007, chapter 191 permits the Commissioner of Transportation to allow construction of fixtures within the bounds a state or state aid highway located in a municipality if the construction is supported by the municipal officers, the road speed is no more than 35 miles per hour and the commissioner determines the construction will not adversely affect safety or the public welfare.

Public Law 2007, chapter 191 was enacted as an emergency measure effective May 30, 2007.

This bill prohibits the use of pavement reclaimers and vibratory rollers in the construction, maintenance or repair of a street or road in an area zoned as residential. This bill also presumes liability on a general contractor responsible for road construction, maintenance or repair if that activity, including blasting, damages private property, with the exception of a municipality or state agency that directly performs construction, maintenance or repair of a road without subcontracting to a private entity.

### Committee Amendment "A" (H-310)

This amendment, which is the minority report of the Joint Standing Committee on Transportation, replaces the bill. The amendment removes the portion of the bill prohibiting the use of certain construction equipment in residential areas. The amendment clarifies and moves to the Maine Revised Statutes, Title 14 the provision of the bill relating to the liability of a general contractor for damages caused by road building, maintenance and repair activities. The amendment provides that a general contractor undertaking the construction, maintenance or repair of a public way pursuant to a contract with a governmental entity is presumed liable for property damage caused by that activity, including but not limited to damage to buildings or structures resulting from vibrations created by the use of machinery or from blasting. The amendment specifies that this provision does not alter immunity or liability of a governmental entity under the Maine Tort Claims Act.

This bill authorizes the issuance of a special registration plate to raise funds for members of the Maine National Guard and their families and residents of the State who are members of the Reserves of the Armed Forces of the United States and their families. The bill establishes the We Support Our Troops Advisory Board and directs the board to determine the appropriate use of the revenue generated by the special registration plate and distribute the funds in the form of loans or grants to members of the Maine National Guard and their families and residents of the State who are members of the Reserves of the Armed Forces of the United States and their families.

The bill also directs the Secretary of State to copyright the design of this plate and offer the design to other states for a fee.

### Committee Amendment "A" (H-223)

This amendment makes the following changes to the bill:

1. It removes a provision that waives the requirements of current law that a sponsor provide a list of 2,000 names of supporters who intend to buy the specialty plate and raise \$40,000 toward the cost of issuing those plates;

## Joint Standing Committee on Transportation

2. It waives the requirements of current law that the design of the specialty plate be submitted by September 1st to the Secretary of State and that the Secretary of State then submit the authorizing legislation with respect to the specialty plate;
3. It removes the legislative members from the We Support Our Troops Advisory Board, adds 2 more public members to the board, establishes terms for the members of the board and provides for the filling of vacancies;
4. It removes provisions allowing persons to purchase the plates without registering a vehicle;
5. It modifies how fees raised by the plate are administratively handled;
6. It removes a provision providing for copyrighting the plate design;
7. It adds provisions relating to the issuance of vanity plates, number sequencing and weight limits on vehicles eligible for the plates;
8. It provides for an issuance date of November 1, 2007 only if the sponsor of the plate pays for the incremental costs associated with that issuance date. If that funding is not provided, the issuance date is moved to April 1, 2008; and
9. It adds an appropriations and allocations section.

Amendments Adopted

Under current law, an on-premises sign must be located within 1,000 feet of the principal building where the business is carried on. This bill amends the law to allow on-premises signs within 1,000 feet of the location where the business is carried on and explicitly recognizes that storage areas, parking lots, warehouses and other auxiliary structures are considered locations where the business is carried on.

#### Committee Amendment "A" (H-350)

This amendment, which is the minority report of the Joint Standing Committee on Transportation, replaces the bill but preserves the essential purpose of the bill to allow on-premises signs at locations beyond 1,000 feet of the principal building where a business, facility or point of interest is carried on or practiced.

The amendment provides that on-premises signs must be located within 1,000 feet of the location of the business, facility or point of interest. The location of the business, facility or point of interest includes the buildings, parking lots, storage and processing areas or other structures or features that are essential and customary to the conduct of the business, facility or point of interest but does not include driveways, fences or similar features.

The amendment also provides that current restrictions regarding on-premises signs located adjacent to the interstate system are based on whether the sign is located within or beyond 50 feet of the location of the business, facility or point of interest rather than within or beyond 50 feet of the principal structure of the business, facility or point of interest.

Under the amendment, all on-premises signs must be located on land that is owned by the entity owning the business, facility or point of interest and contiguous to the location of the business, facility or point of interest. An on-premises sign may not be separated from the location of the business, facility or point of interest by a

This bill increases the number of members on the Maine Port Authority's board of directors from 5 to 8, clarifies the general qualifications for membership, allows the president of the Maine International Trade Center to be an ex officio member of the board, transfers liability for compensation and expenses of board members fully to the authority and requires that employees of the authority be subject to the state retirement system and state employee health insurance program, with all costs for these benefits to be paid by the authority.

### Committee Amendment "A" (S-68)

This amendment makes the following changes to the bill.

1. The bill provides for the appointment of 6 directors to the Maine Port Authority by the Governor. The amendment reduces this to 5 appointments so that the total number of directors, including the Commissioner of Transportation and the president of the Maine International Trade Center, is 7 members.
2. The amendment changes a reference in the Maine Revised Statutes, Title 5, section 12004-F, subsection 8 to the compensation of the directors of the Maine Port Authority to make it consistent with the change to compensation made by the bill. The amendment also clarifies that the Commissioner of Transportation and the president of the Maine International Trade Center are not entitled to this compensation.
3. The bill provides that employees of the Maine Port Authority are subject to the state retirement system. The amendment adds these employees to the definition of "state employee" in the retirement system laws to clarify that they are included under the retirement system.

### **LD 1748 An Act Regarding Street Rods and Custom Vehicles ONTP**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
PLOWMAN	ONTP	

This bill amends the definitions of "custom vehicle" and "street rod" in the laws governing motor vehicles to provide that a custom vehicle or street rod be maintained primarily for use in exhibitions, club activities, parades and other functions of public interest and not used as its owner's primary mode of transportation of passengers or goods. It amends the definition of "custom vehicle" to provide that such a vehicle be at least 25 years old or manufactured to resemble a motor vehicle that is at least 25 years old rather than at least 30 years old or manufactured to resemble a motor vehicle that is at least 30 years old as under current law and to eliminate the requirement that such a vehicle be of a model year after 1948 or manufactured to resemble a motor vehicle of a model year after 1948. It provides that only a motor vehicle that is maintained primarily for use in exhibitions, club activities, parades and other functions of public interest and is not used as its owner's primary mode of transportation of passengers or goods may be registered pursuant to the Maine Revised Statutes, Title 29-A, section 457. It provides that an owner of a custom vehicle may use contemporary plates on that vehicle. It eliminates an alternative method of registering custom vehicles and clarifies that custom vehicles, horseless carriages, street rods and antique motorcycles are exempt from motor vehicle inspection requirements.

LD 1790 An Act To Secure Maine's Transportation Future

HELD BY  
GOVERNOR

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
DAMON	OTP-AM MAJ ONTP MIN	S-308 S-391 ROTUNDO

This bill does the following.

It establishes legislative goals and planning guidance for road and bridge reconstruction, rehabilitation, replacement, extraordinary project financing and capital improvements including: reconstruction of principal and minor arterials to national standards by 2017; reconstruction of major collectors to at least state design standards by 2027; even distribution across inventory of service periods for rehabilitation of arterials, major collectors and non-extraordinary bridges; special consideration for extraordinary bridge replacement and new capacity highway projects; maximization of benefits to freight and passenger users while mitigating energy and environmental impacts.

It establishes a legislative purpose to comprehensively address the State's transportation capital improvement needs and to provide long-term funding to meet those needs.

It directs the DOT to establish priorities and financing plans for significant new capacity projects (the bill lists a number of specific projects) and extraordinary bridge replacement, removal or rehabilitation projects (the bill lists a number of specific projects) and to report on these priorities and plans to the TRA committee by January 15, 2008.

The rest of the bill establishes new financing mechanisms for transportation infrastructure and alternative transportation subsidies.

It establishes a state/local program to fund transportation projects in urban compact municipalities. Funds for the program come from a portion of local excise tax collections and a portion of sales and use taxes. The funds are placed in a transportation trust fund administered by the Maine Municipal Bond Bank.

It sets aside excise taxes (4% in 07; reaching 20% in 2011 and thereafter) for the state/local program - the funds are set aside in the transportation trust fund in the name of the urban compact municipality that collected the tax.

It sets aside a portion of sales and use taxes collected on vehicles and transportation-related items (4% in 07; reaching 20% in 2011 and thereafter) in the Highway Fund: a portion of these funds are transferred to the transportation trust fund as an equal match for municipal excise tax deposits in that fund; the rest is available for arterial and collector modernization efforts, including to provide state matches for the state/local program and for alternative transportation subsidies.

It sets aside 7.5% of the gas excise tax and 7.5% of the distillate excise tax in a Bridge Investment Trust Fund to be held and administered by the Maine Municipal Bond Bank. The fund would be used to provide financial assistance in constructing, rehabilitating or replacing state bridges. The bank would be authorized to issue grant anticipation revenue bonds (GARVEE) for these purposes.

## Committee Amendment "A" (S-308)

This amendment replaces the bill. This amendment:

1. Amends the legislative purposes of the bill to include establishing long-term transportation goals and priorities and providing stable, long-term transportation funding;
2. Establishes capital goals for the Department of Transportation including with respect to interstate modernization, reconstructing arterial highways, reconstructing major collectors and reconstructing state aid minor collectors. It also establishes biennial reporting requirements to track progress toward the goals;

## *Joint Standing Committee on Transportation*

3. Requires the Department of Transportation to report to the Legislature by January 15, 2008 with recommendations on the appropriate scope, priorities, schedule for community consensus and funding plans for significant new capacity projects and extraordinary bridge replacement, removal or rehabilitation projects estimated to cost in excess of \$10,000,000;
4. Establishes a transportation debt policy for capital planning purposes. Actual authorization for and issuance of debt will occur as otherwise provided by law;
5. Provides enabling legislation for GARVEE bonds. Such bonds would be used only to fund projects to reconstruct, rehabilitate or replace existing bridges and existing arterial highways that have a useful life of at least 20 years. The maximum federal debt to revenue ratio is set at 15%, provided sufficient debt service capacity under the 15% level is reserved for a \$25,000,000 GARVEE bonding in emergencies. It directs that GARVEE bonding levels must be presented for legislative approval as part of the Highway Fund budget;
6. Provides an initial authorization for \$50,000,000 in GARVEE bonding to allow the Department of Transportation to deliver on its published Capital Work Plan;
7. Establishes a TransCap Trust Fund at the Maine Municipal Bond Bank to allow dedicated revenue streams to leverage revenue bonds to be used to achieve long-term transportation capital goals. It provides that bonding levels using the TransCap Trust Fund must be presented for legislative approval as part of the Highway Fund budget;
8. Beginning in fiscal year 2010, gradually increases the General Fund percentage of the Department of Public Safety, Bureau of State Police funding from the current 40% to 75% over 7 years and correspondingly decreases the Highway Fund percentage;
9. Beginning January 1, 2009, dedicates 7.5% of motor fuel tax revenues to the newly created TransCap Trust Fund at the Maine Municipal Bond Bank;
10. Effective October 1, 2007, increases the registration fee for vehicles under 6,000 pounds from \$25 to \$30 per year; increases title, certificate of salvage and related fees from \$23 to \$30 per year; increases the vanity plate fee from \$15 to \$25 per year; increases the semipermanent registration plate fees for trailers and semitrailers from \$12 to \$14; increases the annual registration fees for trailers and semitrailers by \$2; and increases the registration transfer fee from \$8 to \$10 per transaction;
11. Beginning July 1, 2008, dedicates 15% of the automobile registration fee, commercial vehicle registration fees and semipermanent and permanent registration fees for trailers and semitrailers to the newly created TransCap Trust Fund at the Maine Municipal Bond Bank. This amount approximately equals the amount of revenue generated by the various fee increases under the amendment;
12. Beginning July 1, 2009, dedicates the revenue from the tax on auto rentals to the STAR Transportation Fund for operational funding for transit, including the Downeaster train service;
13. Defines "transportation-related sales tax receipts" as 19% of total sales tax receipts and gradually dedicates an increasing percentage of these transportation-related sales tax receipts for transportation-related purposes. By July 1, 2013, 20% of the defined transportation-related sales tax receipts are dedicated to transportation-related purposes. Of these amounts dedicated to transportation-related purposes, each year 90% are deposited in the newly created TransCap Trust Fund at the Maine Municipal Bond Bank and 10% are deposited in the STAR Transportation Fund; and
14. Adds an appropriations and allocations section to the bill.

**Senate Amendment "B" (S-339)**

## *Joint Standing Committee on Transportation*

This amendment makes the following changes to Committee Amendment "A."

1. It removes language that establishes the percentage of state funding for the Department of Public Safety, Bureau of State Police that must be appropriated and allocated from the General Fund and the Highway Fund, respectively, after fiscal year 2011.
2. It reduces the increase in the annual service fee for a vanity registration plate and reduces the increase in certain fees that must be paid to the Secretary of State.
3. It specifies that the State Controller shall make the required transfer to the STAR Transportation Fund rather than the Treasurer of State and clarifies other aspects of this transfer.
4. It removes language that requires increasing percentages of transportation-related sales tax receipts to be transferred from the General Fund to transportation-related funds.

### **Senate Amendment "C" (S-391)**

This amendment incorporates the provisions of Senate Amendment "B" to Committee Amendment "A," except that:

1. It removes those provisions in the bill that affect General Fund revenue and appropriations;
2. It removes Part D from the bill because the provisions contained in that Part were enacted by Public Law 2007, chapter 329, Part P (LD 781);
3. It clarifies that TransCap revenue bonds must be approved by the Legislature;
4. It removes Part G, which increases certain fees;
5. It expresses the intent of the Legislature that by fiscal year 2011-12 the percentage of state funding for the Department of Public Safety, Bureau of the State Police be 51%;
6. It expresses the intent of the Legislature that by July 1, 2009 the State pay a state operating subsidy for the Downeaster commuter rail service; and
7. It expands the significant capacity projects to be considered by the Department of Transportation to include the Lewiston-Auburn rail corridor.

### **Enacted Law Summary**

This bill was enacted but, as of the date of this printing, has not been signed by the Governor. The following is a summary of the enacted bill.

1. It establishes the legislative purposes of the bill, which include long-term transportation goal setting and prioritization and stable, long-term transportation funding.
2. It establishes capital goals for the Department of Transportation including with respect to interstate modernization, reconstructing arterial highways, reconstructing major collectors and reconstructing state aid minor collectors. It also establishes biennial reporting requirements to track progress toward the goals.
3. It requires the Department of Transportation to report to the Legislature by January 15, 2008 with recommendations on the appropriate scope, priorities, schedule for community consensus and funding plans for significant new capacity projects and extraordinary bridge replacement, removal or rehabilitation projects estimated to cost in excess of \$10,000,000.

## *Joint Standing Committee on Transportation*

4. It establishes a transportation debt policy for capital planning purposes. Actual authorization for and issuance of debt will occur as otherwise provided by law.
5. It establishes a TransCap Trust Fund at the Maine Municipal Bond Bank to allow dedicated revenue streams to leverage revenue bonds to be used to achieve long-term transportation capital goals. It provides that each new authorization of TransCap revenue bonding must be presented for legislative approval as part of the Highway Fund budget.
6. Beginning January 1, 2009, it dedicates 7.5% of motor fuel tax revenues to the newly created TransCap Trust Fund at the Maine Municipal Bond Bank.
7. It expresses the intent of the Legislature that by fiscal year 2011-12 the percentage of state funding for the Department of Public Safety, Bureau of the State Police be 51%.
8. It expresses the intent of the Legislature that by July 1, 2009 the State pay a state operating subsidy for the Downeaster commuter rail service.

**PUBLIC 400**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
DAMON	OTP-AM	H-447    MILLS J S-166

It makes "Bicycling Street Smarts" by John S. Allen, copyright 1988 and 2001 by Rodale, Inc. of Emmaus, Pennsylvania and published by Rubel BikeMaps, the official state bicycling manual.

It limits the liability of an establishment with a drive-up window with respect to injury, death or damages caused to a bicyclist that uses the window; it provides that a bicyclist may use a drive-up window at any establishment that has such a window.

It removes "toy vehicle" (skateboards, rollerskates, sleds, etc.) from the section of law that governs bicycles and scooters and establishes a new section of law to govern toy vehicles: the new section preserves the current prohibition on a person riding a toy vehicle attached to a moving vehicle on a way.

It modifies the law governing operating a bicycle on the right side of a way. It requires a bicyclist operating at less than traffic speed and going in the direction of traffic to drive on the right portion of the way as far as practicable except when unsafe, when passing, when approaching a place where right turns are permitted, and when necessary to avoid hazards.

It requires a person operating a bicycle to ride *upon* or astride the seat.

It removes the penalty provision from the law governing operating a bicycle that limits penalties for violators 17 and older to no more than \$10. (Penalties would revert to the general penalties for traffic

ctions)

It requires an operator of a motor vehicle that is passing a bicycle at 35 mph to leave a distance of 3 feet between the vehicle and the bicycle and an additional foot for every 10 mph over 35 mph.

It provides that a person operating a bicycle may pass a motor vehicle on the right "at the bicyclist's own risk."

It allows a motor vehicle to pass a bicycle traveling in the same direction in a no-passing zone when it is safe to do so.

It adds a new penalty provision for violations of the law prohibiting a person under 16 years of age from operating a bicycle without a helmet. For a first violation, a law enforcement officer may provide bicycle safety information to the person and may inform the person's parent or guardian about the law and where to obtain a helmet. For a 2nd or subsequent violation, a penalty of up to \$25 is specified but allows a law enforcement officer to waive the fine if the person presents proof of purchase of a helmet since the citation.

It defines "operating" for purposes of major traffic offenses (including OUI) to include operating a bicycle. It also provides that a person who operates a bicycle under the influence of intoxicants or while having a blood-alcohol level of .08% is subject only to the fines applicable to motor vehicle OUI.

### **Committee Amendment "A" (S-166)**

This amendment does the following:

1. It removes from the bill the provision that proposes to make *Bicycling Street Smarts* by John S. Allen the official state bicycling manual;
2. It modifies the provision of the bill relating to operating a bicycle on the right side of a way. It provides that a bicyclist operating at less than traffic speed and going in the direction of traffic is allowed to drive in a location other than the right side of the road when preparing for or making a left turn or when proceeding straight in a place where right turns are permitted. It also reinserts a provision of current law that was proposed to be repealed by the bill that allows a municipality by ordinance and with the approval of the Department of Public Safety and the Department of Transportation to locally regulate the operating location of a bicycle on a roadway;
3. It provides that a violation of Title 29-A, section 2063 relating to operating a bicycle is a civil violation, not a traffic infraction, and is subject to a fine of not less than \$25 and not more than \$250. It provides that persons under 17 years of age are not subject to the fine;
4. It removes the provision of the bill that proposes to provide a legal authorization to bicyclists to use a drive-up window;
5. It modifies the provision of the bill that proposes to require the operator of a motor vehicle to allow at least 3 feet of space when passing a bicyclist at 35 m.p.h. and greater distances at greater speeds. The amendment provides that the motorist must leave at least 3 feet, regardless of the speed of the vehicle;
6. It adds an amendment to the law governing no-passing zones established at municipal request in residential areas. The amendment removes language from current law that requires such zones to be posted, that allows municipalities to request additional posting at municipal expense and that provides that a no-passing zone is not enforceable until the required posting has been completed;
7. It provides that violation of the law requiring a cyclist under 16 years of age to wear a helmet on public ways is a civil violation, not a traffic infraction;
8. It provides that a violation of the law prohibiting a person 17 years of age or older from riding a toy vehicle and hitching a ride on a moving vehicle is a civil violation for which a forfeiture of not less than \$25 and not

more than \$250 may be adjudged; and

9. It removes the provisions of the bill that propose to make operating a bicycle under the influence subject to certain penalties under the criminal OUI laws. Instead, it provides that operating a bicycle on a public way while under the influence is a civil violation subject to a fine of not less than \$25 and not more than \$250.

### **House Amendment "A" (H-447)**

This amendment removes the language that provides that operating a bicycle on a public way while under the influence is a civil violation subject to a fine of not less than \$25 and not more than \$250.

### **Enacted Law Summary**

Public Law 2007, chapter 400 amends the laws that pertain to bicycles.

It limits the liability of an establishment with a drive-up window with respect to injury, death or damages caused to a bicyclist that uses the window.

It removes "toy vehicle" (skateboards, rollerskates, sleds, etc.) from the section of law that governs bicycles and scooters and establishes a new section of law to govern toy vehicles. It provides that a violation of the law prohibiting a person 17 years of age or older from riding a toy vehicle and hitching a ride on a moving vehicle is a civil violation for which a forfeiture of not less than \$25 and not more than \$250 may be adjudged.

It provides that a bicyclist operating at less than traffic speed and going in the direction of traffic is allowed to drive in a location other than the right side of the road when preparing for or making a left turn or when proceeding straight in a place where right turns are permitted.

It requires a person operating a bicycle to ride upon or astride the seat.

It requires an operator of a motor vehicle that is passing a bicycle allow at least 3 feet clearance, regardless of the speed of the vehicle.

It provides that a person operating a bicycle may pass a motor vehicle on the right "at the bicyclist's own risk."

It allows a motor vehicle to pass a bicycle traveling in the same direction in a no-passing zone when it is safe to do so.

It provides that violation of the law prohibiting a person under 16 years of age from operating a bicycle without a helmet is a civil violation. For a first violation, a law enforcement officer may provide bicycle safety information to the person and may inform the person's parent or guardian about the law and where to obtain a helmet. LD 1817 An Act To Strengthen and Clarify Maine's Motor Vehicle Laws

PUBLIC 348

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
DAMON	OTP-AM	S-200

This bill amends the motor vehicle laws. The bill adds mopeds to the list of vehicles exempt from motor vehicle inspections; details the circumstances under which a trailer or semitrailer must be inspected; specifies that camp trailers are exempt from annual inspection; repeals statutory standards for seat belt inspections; repeals a provision requiring inspection rejection for certain malfunctioning equipment; removes language allowing the State Police to license part-time inspection stations; removes statutory standards for certifying an inspection mechanic and adds a provision requiring inspection garages to comply with rules of the Chief of the State Police; modifies when inspection station licenses expire (currently the 2-year term runs from January 1st of year of issuance; bill changes to run from date of issuance); clarifies that inspection station license appeal hearings may be conducted by a designee of the Chief of the State Police; modifies penalties with respect to violations by inspection stations or inspection mechanics; repeals statutory standards for licensing fleet inspection stations; amends the laws regarding reflective and tinted glass to provide a 35% net light transmittance for side and rear windows; repeals language creating an exception to the window tinting requirements for original installation or original replacement windows that are in conformance with federal standards, but provides that if the light transmittance is less than 70% no further tinting is allowed; provides that persons who issue certificates of compliance with respect to window tinting must be authorized to do so by the State Police; modifies the law regarding measuring tire tread depths; repeals a provision relating to vehicle frame height; creates a definition for "fire department vehicle" in a provision of law allowing fire department vehicles to be equipped with and display certain types of lights (blue light on rear of vehicle; alternate flashing headlights; red auxiliary or emergency lights); establishes a traffic infraction for failure to yield (currently it's Class E crime if a person fails to yield *and* actually collides with vehicle or pedestrian); and clarifies "apparent property damage" in the definition of "reportable accident" so that reporting requirements are based on market value of necessary repairs and are not limited by the market value of the vehicle.

## Committee Amendment "A" (S-200)

This amendment:

1. Removes several provisions from the bill: the provision of the bill that would have repealed a law requiring inspection rejection for certain malfunctioning equipment; the provision of the bill establishing a 35% net light transmittance standard for side and rear windows (this provision was addressed by LD 1487); and the provision of the bill repealing the provision of law dealing with vehicle frame height;
2. Clarifies 2 provisions of the bill: the provision relating to the persons authorized by the Chief of the State Police to examine window glazing and tint material and the provision relating to readings for tire tread wear;
3. Adds several new provisions: a provision clarifying who may issue permits allowing operation of an uninspected vehicle to an inspection station for an inspection; a provision adding stationary wreckers using authorized lights to the law requiring motorists to use caution when passing stationary emergency vehicles; and a provision allowing a detective employed by the Attorney General or motor vehicle investigator to use emergency lights.

## Enacted Law Summary

Public Law 2007, chapter 348 accomplishes the following:

Adds mopeds to the list of vehicles exempt from motor vehicle inspections;

## *Joint Standing Committee on Transportation*

Details the circumstances under which a trailer or semitrailer must be inspected: if over 7,000 lbs, independent of towing vehicle; or if the total weight of vehicle, trailer/semi-trailer and load is over 10,000 lbs (current exceptions in law preserved, e.g., trailer and load not exceed 3,000 lbs). Under current law, a trailer/semitrailer is required to be inspected if used with a commercial vehicle that is required to be inspected;

Specifies that camp trailers are exempt from annual inspection

Repeals statutory standards for seat belt inspections (leaves standards to those set in rules);

Removes language allowing the State Police to license part-time inspection stations;

Removes statutory standards for certifying an inspection mechanic and adds a provision requiring a inspection garages to comply with rules of the Chief of the State Police;

Modifies when inspection station licenses expire (currently the 2-year term runs from January 1st of year of issuance; bill changes to run from date of issuance);

Clarifies that inspection station license appeal hearings may be conducted by a designee of the Chief of the State Police;

Modifies penalties with respect to violations by inspection stations or inspection mechanics; current law requires a 6 month suspension for a 1st offense and a year suspension or license revocation for a 2nd or subsequent violations; the bill allows the State Police discretion to suspend for shorter periods;

Repeals statutory standards for licensing fleet inspection stations (leaves standards to rules);

Repeals language creating an exception to the window tinting requirements for original installation or original replacement windows that are in conformance with federal standards, but provides that if the light transmittance is less than 70% no further tinting is allowed;

Provides that persons who issue certificates of compliance with respect to window tinting must be authorized to do so by the State Police;

Modifies the law regarding measuring tire tread depths;

Creates a definition for "fire department vehicle" in a provision of law allowing fire department vehicles to be equipped with and display certain types of lights (blue light on rear of vehicle; alternate flashing headlights; red auxiliary or emergency lights);

Establishes a traffic infraction for failure to yield (currently it's Class E crime if a person fails to yield *and* actually collides with vehicle or pedestrian);

Clarifies "apparent property damage" in the definition of "reportable accident" so that reporting requirements are based on market value of necessary repairs and are not limited by the market value of the vehicle (which may be less than the cost of repairs);

Clarifies that the Chief of State Police may designate employees of the Department of Public Safety who may not be employees of the State Police to issue permits allowing operation of an uninspected vehicle to an inspection station for an inspection;

Adds stationary wreckers using authorized lights to the law requiring motorists to use caution when passing stationary emergency vehicles; and

## Joint Standing Committee on Transportation

Adds provisions allowing a detective employed by the Attorney General or motor vehicle investigator to use emergency lights.

This bill provides that the Department of Transportation (DOT) may install and maintain traffic signals, directional signs and markings on town ways (current law allows the DOT to do this on state, state aid and federal aid highways), when necessary for public convenience and safety. It provides that owners of utility facilities located within or along a public right-of-way must accommodate traffic control signals and appurtenances on their facilities without charge to the public. It provides that if a utility refuses to make this accommodation within 30 days of notice, it is subject to a fine of up to \$500 per day for each traffic signal. It provides that the DOT may incorporate in its rules guidelines for the accommodation of such traffic control signal systems on utility facilities. The bill also corrects some outdated statutory references.

This resolve is the unanimous report of the Joint Standing Committee on Transportation pursuant to Joint Order 2007, H.P. 1342. This resolve directs the Department of Transportation and the Department of Administrative and Financial Services, working with 2 Legislators, to examine how motor fuel taxes could be restructured to eliminate or change the current indexing system. The resolve directs the departments to submit their recommendations to the Joint Standing Committee on Transportation no later than January 15, 2008. The Joint Standing Committee on Transportation is authorized to submit legislation relating to the motor fuel taxes to the Second Regular Session of the 123rd Legislature. Though this bill ultimately died, the Presiding Officers authorized the Transportation Committee to review these issues during authorized interim meetings.

LD 33 An Act To Simplify Wireless Telecommunications

ONTP

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
ROSEN R	ONTP	

This bill authorizes the Public Utilities Commission, to the extent permitted under federal law, to prevent providers of mobile telecommunications services from requiring subscribers to dial the area code when dialing a number in the same area code.

The Joint Standing Committee on Utilities and Energy, by letter dated 2/21/07, requested that the Public Utilities Commission notify the committee if it encounters any legal barriers in responding to consumer complaints related to in-state dialing pattern requirements.

LD 36 An Act To Transfer the Administration of the Renewable Resource Fund from the State Planning Office to the Public Utilities Commission

PUBLIC 18  
EMERGENCY

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
BLISS BARTLETT	OTP-AM	H-10

This bill transfers responsibilities for administering the Renewable Resource Fund from the State Planning Office to the Public Utilities Commission. The bill also adds municipalities and school administrative districts to the list of entities eligible to receive money from the Renewable Resource Fund for community demonstration projects.

### Committee Amendment "A" (H-10)

This amendment adds an emergency preamble and clause to the bill and provides for an effective date of July 1, 2007. It amends the list of entities that are eligible to receive distributions from the Renewable Resource Fund for community demonstration projects to add quasi-municipal corporations and districts. The amendment also adds a requirement that the Public Utilities Commission make an annual report to the joint standing committee of the Legislature having jurisdiction over utilities and energy matters regarding the Renewable Resource Fund and the activities funded by the fund.

### Enacted Law Summary

Public Law 2007, chapter 18 transfers responsibilities for administering the Renewable Resource Fund from the State Planning Office to the Public Utilities Commission. The law expands the list of entities that are eligible to receive distributions from the Renewable Resource Fund for community demonstration projects to include municipalities, school administrative districts and quasi-municipal corporations and districts. The law also requires that the Public Utilities Commission make an annual report to the joint standing committee of the Legislature having jurisdiction over utilities and energy matters regarding the Renewable Resource Fund and the activities funded by the fund.

Public Law 2007, chapter 18 was enacted as an emergency measure effective July 1, 2007.

LD 134 An Act To Encourage the Use of Solar Energy

PUBLIC 29

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
BARTLETT	OTP-AM MAJ ONTP MIN	S-11

Current law governing the Public Utilities Commission's solar energy rebate program sets the rebate amount for solar thermal systems in statute at 25% of the cost of a solar thermal system or \$1,250, whichever is less. This bill gives the Public Utilities Commission discretion to set rebate levels for solar thermal systems.

## Committee Amendment "A" (S-11)

This amendment is the majority report of the committee. The amendment retains the provision in the bill that gives the Public Utilities Commission discretion to set rebate levels for solar thermal systems and adds a provision to give the commission discretion to set rebate levels for solar photovoltaic systems.

## Enacted Law Summary

Public Law 2007, chapter 29 gives the Public Utilities Commission discretion to set rebate levels for solar thermal systems and solar photovoltaic systems under the commission's solar energy rebate program.

LD 229 An Act To Facilitate the Establishment of Tribal Electric Utility Districts

PUBLIC 189

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
PINGREE	OTP-AM	H-184

Under current law, the Passamaquoddy Tribe and the Penobscot Nation possess the authority of municipalities within their respective Indian territories, and municipalities are authorized to form municipal power districts. This bill directs the Public Utilities Commission to authorize, upon application by the Passamaquoddy Tribe or Penobscot Nation, a municipal power district formed by the Passamaquoddy Tribe or Penobscot Nation to serve its respective Indian territory and to direct any transmission and distribution utility serving in that territory to convey to the district, for reasonable compensation, its transmission and distribution assets located within the district.

## Committee Amendment "A" (H-184)

This amendment replaces the bill. The amendment explicitly affirms the right of the Passamaquoddy Tribe and the Penobscot Nation to form and organize tribal power districts with the same rights, powers, privileges, obligations and limitations as municipal power districts. The amendment also clarifies the interaction between the laws governing municipal power districts and the Maine Indian land claims settlement. The purpose of this amendment is to provide the Penobscot Nation and the Passamaquoddy Tribe the opportunity to acquire, develop, finance and provide electric power within their respective Indian territories to allow them to develop a sustainable local economy.

## Enacted Law Summary

Public Law 2007, chapter 189 explicitly affirms the right of the Passamaquoddy Tribe and the Penobscot Nation to form and organize tribal power districts with the same rights, powers, privileges, obligations and limitations as municipal power districts. This law also clarifies the interaction between the laws governing municipal power districts and the Maine Indian land claims settlement. The purpose of this law is to provide the Penobscot Nation and

# *Joint Standing Committee on Utilities and Energy*

This bill eliminates the fixed annual cap of \$5,505,000 for the Public Utilities Commission's assessment on the gross intrastate operating revenues of utilities that provides funding for the commission and replaces it with language that allows the commission set the assessment annually to provide sufficient revenue for the level of expenditures allocated by the Legislature for operating the commission.

## **Committee Amendment "A" (H-11)**

This amendment clarifies the role of the joint standing committee of the Legislature having jurisdiction over public utilities matters with respect to review and oversight of the Public Utilities Commission's budget and the commission's Regulatory Fund in particular. It amends the provision of law governing the legislative approval of the commission's budget to specify that the commission shall present its budget to the joint standing committee and that the committee shall make recommendations on the entire budget, including the Regulatory Fund. The amendment also clarifies the language in the bill regarding the maximum total assessment to specify that legislative allocations for the Regulatory Fund govern the total assessment amount. Finally, it also clarifies that the Legislature may allocate, not only appropriate, additional funds for the commission.

## **Enacted Law Summary**

Public Law 2007, chapter 16 eliminates the fixed annual cap of \$5,505,000 for the Public Utilities Commission's assessment on the gross intrastate operating revenues of utilities that provides funding for the commission and replaces it with language that allows the commission set the assessment annually to provide sufficient revenue for the level of expenditures allocated by the Legislature for operating the commission. This law also clarifies the role of the joint standing committee of the Legislature having jurisdiction over public utilities matters with respect to review and oversight of the Public Utilities Commission's budget and the commission's Regulatory Fund in particular. It amends the provision of law governing the legislative approval of the commission's budget to specify that the commission shall present its budget to the joint standing committee and that the committee shall make recommendations on the entire budget, including the Regulatory Fund.

Public Law 2007, chapter 16 was enacted as an emergency measure effective March 23, 2007.

## **LD 268    An Act Regarding the Long-term Contracting Authority of the Public Utilities Commission**

**PUBLIC 293**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
BLISS BARTLETT	OTP-AM MAJ ONTP MIN	H-220

This bill makes several changes to the laws governing capacity resources for electricity generation and the Public Utilities Commission's authority to direct transmission and distribution utilities to enter into long-term contracts for capacity resources. The bill includes the following provisions.

It amends the definition of "interruptible, demand response or energy efficiency capacity resource" to shift responsibility for recognizing these resources from the commission to New England independent system operator.

It amends the definition of "renewable capacity resource," to clarify the definition with respect to the application of fish passage requirements for hydroelectric generators.

It amends the laws governing long-term contracts for capacity resources to allow contracted energy to be sold into the wholesale market in conjunction with standard offer solicitations.

It adds language to provide the commission with authority to direct transmission and distribution utilities to enter long-term contracts for ancillary services and renewable energy credits associated with capacity

# Joint Standing Committee on Utilities and Energy

urces.

It eliminates the language in current law that limits the commission to directing transmission and distribution utilities to enter contracts only as agents for their customers and instead allows the commission to direct transmission and distribution utilities to enter contracts on a wholesale basis.

It eliminates the requirement that the commission consider the cost of capacity and cost of related energy in the selection of capacity resources and the requirement that the commission's rules provide a methodology for calculating and considering the cost of related energy for capacity-only offers.

## Committee Amendment "A" (H-220)

This amendment is the majority report of the committee. The amendment eliminates the provisions in the bill that would authorize the Public Utilities Commission to direct large investor-owned transmission and distribution utilities to enter into long-term contracts for ancillary services and renewable energy credits associated with capacity resources and to enter into long-term contracts on a wholesale basis. The amendment also adds language to revise the definition of "renewable capacity resource" to eliminate the 100 megawatt capacity limit in current law and removes language in the bill in order to preserve the definition of "interruptible, demand response or energy efficiency capacity resource" as it exists in current law. The amendment also removes the emergency preamble and emergency clause from the bill.

## Enacted Law Summary

Public Law 2007, chapter 293 makes the following changes to the laws governing capacity resources for electricity generation and the Public Utilities Commission's authority to direct transmission and distribution utilities to enter into long-term contracts for capacity resources.

It amends the definition of "renewable capacity resource" to eliminate the 100 megawatt capacity limit in current law to clarify the definition with respect to the application of fish passage requirements;

It amends the laws governing long-term contracts for capacity resources to allow contracted energy to be sold into the wholesale market in conjunction with standard offer solicitations; and

It eliminates the requirement that the commission consider the cost of capacity and cost of related energy in the selection of capacity resources and the requirement that the commission's rules provide a methodology for calculating and considering the cost of related energy for capacity-only offers.

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
TUTTLE	ONTP	

This bill provides a process for consumers to appeal a water or sewer rate increase adopted by a quasi-municipal corporation or district that services a single municipality. Specifically, the bill provides the opportunity for ratepayers to appeal the rate increase to the municipal officers of the municipality upon the written petition of 10 ratepayers. The bill also provides the opportunity for ratepayers to appeal the rate increase through a referendum if the municipal officers uphold the rate increase.

This bill is a concept draft pursuant to Joint Rule 208. This bill would remove the prohibition in Maine's electric utility restructuring laws that currently prohibits electric utilities from owning and operating generation service. It would allow utilities to own and operate electric generation service and provide energy and energy services to their customers, subject to regulation by the Public Utilities Commission.

#### **Committee Amendment "A" (H-280)**

This amendment replaces the bill with a resolve. The amendment directs the Public Utilities Commission to undertake a review of issues related to electric utilities' participation in the energy supply business and requires that the review be conducted through a public investigative proceeding. The amendment requires the Public Utilities Commission to report its findings and recommendations to the Joint Standing Committee on Utilities and Energy by January 15, 2008 and authorizes the committee to submit legislation related to the report to the Second Regular Session of the 123rd Legislature.

### Amendments Adopted

H-57

This bill is a concept draft pursuant to Joint Rule 208. This bill proposes to amend the current law to require the prepaid wireless and the broadband markets of telephone service to collect funding for E-9-1-1 services.

### Committee Amendment "A" (H-57)

This amendment replaces the bill. It amends the law governing the funding of the E-9-1-1 system in the following ways.

It clarifies that prepaid wireless telephone service, as a type of cellular or wireless telecommunications service, is subject to the monthly statewide E-9-1-1 surcharge.

It specifies 3 methods for providers of prepaid wireless telephone service to collect the statewide E-9-1-1 surcharge as follows: (a) collect the surcharge from each customer whose account balance is equal to or greater than the amount of the surcharge, (b) collect the surcharge from the customer at the point of sale or (c) collect the surcharge indirectly by calculating the total surcharged owed by dividing its monthly intrastate revenue by average revenue per user and multiplying the result by the amount of the surcharge.

It adds interconnected voice over Internet protocol service as a type of telephone service subject to the statewide E-9-1-1 surcharge, and it amends the provision of the E-9-1-1 law regarding tort liability for telecommunications providers to grant interconnected voice over Internet protocol providers the same treatment as other telecommunications service providers.

# Joint Standing Committee on Utilities and Energy

It requires the Public Utilities Commission to adopt rules to implement the provisions of the E-9-1-1 funding law and to report to the joint standing committee of the Legislature having jurisdiction over telecommunications matters no later than January 15, 2009 regarding the collection of the E-9-1-1 surcharge on prepaid wireless telephone service and interconnected voice over Internet protocol service.

## Enacted Law Summary

Public Law 2007, chapter 68 amends the law governing the funding of the E-9-1-1 system in the following ways.

It clarifies that prepaid wireless telephone service, as a type of cellular or wireless telecommunications service, is subject to the monthly statewide E-9-1-1 surcharge.

This bill clarifies the emergency medical dispatch (EMD) role of public safety answering points (PSAP) and requires state licensure for all persons and entities engaged in EMD. The current statute requires certification only for PSAPs and dispatchers who are employed by the PSAPs. This bill provides flexibility for PSAPs to enter into cooperative agreements with non-PSAPs to provide EMD services and ensures that non-PSAPs engaged in EMD do so in accordance with rules established by the Emergency Medical Services' Board.

### Committee Amendment "A" (H-30)

This amendment eliminates a reference to January 1, 2007 in the bill to ensure that all provisions contained in the bill take effect upon the effective date of the legislation.

### Enacted Law Summary

Public Law 2007, chapter 42 clarifies the emergency medical dispatch (EMD) role of public safety answering points (PSAP) and requires state licensure for all persons and entities engaged in EMD. This law provides flexibility for PSAPs to enter into cooperative agreements with non-PSAPs to provide EMD services and ensures that non-PSAPs engaged in EMD do so in accordance with rules established by the Emergency Medical Services' Board.

EBERLE BARTLETT	OTP-AM	H-45

# Joint Standing Committee on Utilities and Energy

This bill establishes funding to provide grants to municipalities to identify cost-effective energy conservation measures and improvements to municipal buildings and municipal vehicle fleets to achieve energy savings. The bill provides for grants of up to \$40,000 for 5 to 10 municipalities annually. The bill directs the Maine Municipal Bond Bank to administer the grants and directs the bank to develop criteria for the grants in consultation with the Public Utilities Commission and the Executive Department, State Planning Office. The bill requires that conservation measures and improvements in municipal buildings identified with grant funds be identified through a comprehensive energy audit performed by a licensed professional engineer. The bill requires the bond bank to report on the program every 2 years to the joint standing committee of the Legislature having jurisdiction over utilities and energy matters.

## Committee Amendment "A" (H-45)

This amendment replaces the bill. The amendment modifies the existing Efficiency Partners Program to incorporate financing for energy audits. Under current law, the program is authorized to provide financing for cost-effective energy efficiency improvements to achieve energy cost savings in municipal and school buildings. The amendment also requires that an energy audit conducted under the program address compliance with the model building energy code adopted by the Public Utilities Commission instead of the standards for indoor air quality developed by the American Society of Heating, Refrigeration and Air Conditioning Engineers. The amendment adds provisions to the Efficiency Partners Program law to require the Maine Municipal Bond Bank to report annually on the program to the joint standing committee of the Legislature having jurisdiction over utilities and energy matters. The amendment also makes technical changes to improve consistency and clarity in statutory language.

## Enacted Law Summary

Public Law 2007, chapter 66 modifies the Efficiency Partners Program to incorporate financing for energy audits. This law requires that an energy audit conducted under the program address compliance with the model building energy code adopted by the Public Utilities Commission instead of the standards for indoor air quality developed by the American Society of Heating, Refrigeration and Air Conditioning Engineers. This law also requires the Maine Municipal Bond Bank to report annually on the program to the joint standing committee of the Legislature having jurisdiction over utilities and energy matters.

This bill is a concept draft pursuant to Joint Rule 208. This bill seeks to establish a position in State Government with the mission of promoting the development of telecommunications infrastructure and capacity in rural areas of this State. This position would be charged with coordinating the State's efforts to identify need, create options and provide support at the local level. This position would provide advocacy and technical support to help communities, businesses and nonprofits obtain funds that would help advance their communications vision. This bill also seeks to establish a challenge grant fund that would leverage funds available from a variety of sources, including funds currently available from the Federal Government, to expand broadband access in rural areas.

The Joint Standing Committee on Utilities and Energy, by letter dated 4/13/07, requested that the ConnectME Authority place a high priority on identifying and securing federal funds and other funding sources to promote the expansion of broadband service in rural areas and dedicate staff resources to this task.

technical issues presented by the development of tidal energy projects and issue a report by January 1, 2008. The bill authorizes the Joint Standing Committee on Utilities and Energy to submit legislation related to the permitting of tidal power projects to the Second Regular Session of the 123rd Legislature following its review of the report. Finally, this bill also adds references to submerged lands in the natural resources protection laws.

### **Committee Amendment "A" (H-134)**

This amendment replaces the bill. It amends the definition of "hydropower project" in the Maine Waterway Development and Conservation Act to clarify that the definition includes hydropower projects that use tidal energy or wave energy to produce electricity. It also clarifies that the requirement to obtain a permit for structural alteration of a hydropower project is not limited to those projects that include a dam.

### **Enacted Law Summary**

Public Law 2007, chapter 160 amends the definition of "hydropower project" in the Maine Waterway Development and Conservation Act to clarify that the definition includes hydropower projects that use tidal energy or wave energy to produce electricity. STRIMLING	OTP-AM	S-313

This bill does the following to encourage wind energy:

It allows the Finance Authority of Maine and the Public Utilities Commission to establish a program to increase the financial capacity of the Finance Authority of Maine programs to assist in financing wind energy development and allows the use of funds from the conservation program fund;

It allows the State to provide the benefits of Pine Tree Development Zone eligibility to wind energy projects;

It declares that enhancement of electricity transmission from northern and eastern to southern areas of the State is essential to wind energy development;

It makes permanent the community wind power generator tax credit by removing the scheduled repeal under current law of that tax credit on December 31, 2007; and

It provides for the Department of Environmental Protection, Board of Environmental Protection to adopt major substantive rules for streamlined permitting of wind energy projects and the designation by the State of preferred areas for viable wind energy project development.

## Committee Amendment "A" (S-313)

This amendment replaces the bill. The amendment makes one change to current law related to wind energy. Specifically, the amendment extends the community wind power generator tax credit in current law by changing the repeal date for this tax credit from December 31, 2007 to December 31, 2009.

This bill, as amended by Committee Amendment "A" (S-313), was placed on the Special Appropriations Table pending enactment. The bill was subsequently taken from the table, committed to the Joint Standing Committee on Utilities and Energy and carried over by H.P. 1369 to any special or regular session of the 123rd Legislature.

This bill seeks to exempt a rate, toll or charge by a consumer-owned water utility for a service other than the provision of water that will not increase the revenues of a consumer-owned water utility by more than 1% from statutory requirement that rate changes of consumer-owned water utilities be subject to suspension, investigation, hearing and rate substitution by the Public Utilities Commission.

### Committee Amendment "A" (H-119)

This amendment replaces the bill. The amendment clarifies the exception to the laws that require that rate changes of consumer-owned water utilities be subject to suspension, investigation, hearing or rate substitution by the Public Utilities Commission that is proposed in the bill. The exception is limited to changes in rates or charges for services other than the provision of water, as in the bill. The amendment specifies that the cumulative effect of such changes over a 12-month period may not exceed 1% of total annual revenue. The amendment also places the exception in a more relevant section of the law.

### Enacted Law Summary

Public Law 2007, chapter 127 provides an exception to the laws that require that rate changes of consumer-owned water utilities be subject to suspension, investigation, hearing or rate substitution by the Public Utilities Commission. The exception is limited to changes in rates or charges for services other than the provision of water and the cumulative effect of such changes over a 12-month period may not exceed 1% of total annual revenue.

BARTLETT	OTP-AM	S-125

This bill creates the Office of Energy Independence as a stand-alone office within the Executive Department that is dedicated to the formulation, coordination and management of state energy policy for the purpose of increasing the energy independence of the State.

The bill removes from the Executive Department, State Planning Office the energy-related powers, duties, responsibilities and programs assigned to the State Planning Office under current law and assigns them to the new Office of Energy Independence. Specific programmatic responsibilities that are transferred to the Office of Energy Independence include management of the Energy Resources Council, the energy resources development program and data collection and reporting of petroleum inventories and deliveries.

The bill establishes the powers and duties of the Office of Energy Independence, which include: coordinating the development and implementation of policies to achieve energy independence and to reduce growth in energy demand through cost-effective efficiency measures; collecting and analyzing energy data; preparing a biennial energy independence plan; supporting research to develop alternative energy resources; identifying conservation alternatives to new generation and transmission and distribution facilities; coordinating the actions of state agencies that affect energy consumption; and conducting studies and policy analysis related to energy issues at the request of the Governor and the Legislature.

The bill requires the Office of Energy Independence to develop the following 3 specific initiatives and submit a report on each initiative to the Joint Standing Committee on Utilities and Energy by January 31, 2008:

A biofuel action plan to increase the availability and use of biofuels in the State;

A renewable energy investment program to support the development and operation of renewable energy generation facilities within the State through consumer purchase of renewable energy certificates; and

## *Joint Standing Committee on Utilities and Energy*

A green communities program to support and recognize communities in the State that take steps to become more energy independent, reduce reliance on fossil fuels and increase reliance on renewable energy resources.

The bill authorizes the committee to submit legislation regarding each of these initiatives to the Second Regular Session of the 123rd Legislature following its review of the report on each initiative.

The bill requires the Office of Energy Independence, in consultation with the Public Utilities Commission and the State Planning Office, to review the laws governing the Office of Energy Independence and other state laws relating to the functions of that office. It requires the Office of Energy Independence to submit a report on the results of the review, including recommended legislation, to the Joint Standing Committee on Utilities and Energy by January 1, 2008 and authorizes the committee to submit legislation related to the report.

### **Committee Amendment "A" (S-125)**

This amendment replaces the bill with a resolve. The amendment directs the Executive Department, Office of Energy Independence and Security to conduct a review of the current policy-making and administrative structures and functions within State Government relating to energy policy and to develop recommendations regarding the organization of energy-related responsibilities within a clearly defined statutory framework that provides for well-coordinated and efficient formulation, management and administration of state energy policy. The amendment directs the office to consider, as part of its review, ideas for advancing the development of energy independence policy initiatives to support biofuels, renewable energy, cogeneration and green communities. The amendment requires the office to submit a report and recommendations to the Joint Standing Committee on Utilities and Energy by January 1, 2008 and authorizes the joint standing committee to submit legislation to the Second Regular Session of the 123rd Legislature.

Current law establishes as a policy of the State the goal of increasing the share of new renewable capacity resources as a percentage of the total capacity resources in this State by 10% by 2017. This bill implements that policy goal by establishing portfolio requirements for new renewable capacity resources, beginning at 1% for calendar year 2008 and increasing by one percentage point per year until 2017.

The bill allows competitive electricity providers to meet the new renewable capacity portfolio requirements through the use of renewable energy credits or an alternative compliance payment mechanism to be established by the commission. It allows competitive electricity providers to meet the renewable portfolio requirements through the use of renewable energy credits without requiring that the Public Utilities Commission determine that a reliable system of electrical attribute trading exists.

The bill allows the Public Utilities Commission to suspend all or some of the new renewable capacity portfolio requirements if it finds that investment in new renewable capacity resources is insufficient and the resulting use of the renewable energy credits or the alternative payment system has burdened electricity customers, and it requires the commission to suspend the requirements if the alternative payment system is used to meet the portfolio requirements for 3 or more consecutive years. The bill requires the commission to report annually to the Legislature regarding the status of new renewable capacity resources in the State. Finally, the bill requires the Public Utilities Commission to establish a standard-offer service that is composed of 100% renewable.

### **Committee Amendment "A" (S-153)**

This amendment is the majority report of the committee. The amendment strikes the provision of the bill

# Joint Standing Committee on Utilities and Energy

regarding attachment of traffic control devices to utility facilities in or on a public right-of-way. The amendment changes the provision of the bill relating to the University of Maine System to specify that the authority granted to the university system is limited to the installation of lines or wires on existing utility facilities located in public rights-of-way.

## Enacted Law Summary

Public Law 2007, chapter 268 allows the University of Maine System to install lines or wires on existing utility facilities located in public rights-of-way for the purpose of transmitting data between and among its facilities and partnering education and research organizations.

Public Law 2007, chapter 168 was enacted as an emergency measure effective June 4, 2007.

LD 1381 **Resolve, To Ensure the Success of Regional Climate Change Efforts**

RESOLVE 52

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
FLETCHER	OTP-AM	H-274

This resolve requires the Office of the Public Advocate to study the potential economic impacts on Maine electricity consumers of the regional greenhouse gas initiative (RGGI). The study must determine the possible range of cost impacts of RGGI on Maine electricity consumers on an annual basis for the first 10 years of the initiative; identify alternatives for reducing the cost impacts; determine the effect upon any manufacturing facility that acquires thermal and electric energy from a RGGI-designated power plant; and identify recipients of revenues derived from electricity consumers under RGGI. The resolve requires the Public Advocate to submit a report and any suggested legislation to reduce the costs of RGGI implementation to the Joint Standing Committee on Utilities and Energy by January 1, 2008 and authorizes the committee to submit legislation on this subject to the Second Regular Session of the 123rd Legislature.

## Committee Amendment "A" (H-274)

This amendment makes several changes to the study of the regional greenhouse gas initiative contained in the resolve. The amendment directs the Office of the Public Advocate to convene a study group to examine issues related to the impact of the regional greenhouse gas initiative on electricity prices for Maine consumers and to identify potential strategies to reduce the costs. The amendment also eliminates the requirements in the resolve that the study determine the effect of the initiative on certain manufacturing facilities and identify recipients of revenues resulting from the initiative. The amendment retains the provisions in the resolve requiring the Office of the Public Advocate to submit a report by January 1, 2008 and authorizing the Joint Standing Committee on Utilities and Energy to submit legislation on this subject to the Second Regular Session of the 123rd Legislature.

## Enacted Law Summary

Resolve 2007, chapter 52 directs the Office of the Public Advocate to convene a study group to examine issues related to the impact of the regional greenhouse gas initiative on electricity prices for Maine consumers and to identify potential strategies to reduce the costs. The resolve requires the Office of the Public Advocate to submit a report to the Joint Standing Committee on Utilities and Energy by January 1, 2008 and authorizes the committee to submit legislation on this subject to the Second Regular Session of the 123rd Legislature.

P & S 10

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
MCKANE	OTP-AM	H-113

This bill creates the Edgcomb Utility District, subject to approval by referendum vote.

## Committee Amendment "A" (H-113)

This amendment adds a provision to the bill to authorize the Edgcomb Utility District to purchase the water and wastewater assets of the Town of Edgcomb. It also incorporates that provision into the referendum question.

## Enacted Law Summary

Private and Special Law 2007, chapter 10 creates the Edgcomb Utility District and authorizes the Edgcomb Utility District to purchase the water and wastewater assets of the Town of Edgcomb, subject to approval by referendum vote.

LD 1383 An Act To Enhance Availability of Emergency Telephone Services

PUBLIC 226

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
ADAMS	OTP-AM MAJ ONTP MIN	H-282

This bill requires local exchange carriers to provide dial tone for E-9-1-1 purposes, or "soft dial tone," on all residential customer telephone lines in the state. The "soft dial tone" must be maintained by the carrier regardless of whether telephone service is in place at the premises and must continue after telephone service is disconnected for any reason, for as long as the local exchange carrier is the last carrier to provide service at that location.

## Committee Amendment "A" (H-282)

This amendment replaces the bill. The amendment requires the Public Utilities Commission to establish, by major substantive rule, requirements for the provision of E-9-1-1 access to the premises of a residential telephone customer when telephone service to the premises has been otherwise suspended or disconnected. The rules must address, but are not limited to, the circumstances in which E-9-1-1 access-only service is and is not required and which telephone service providers are and are not subject to the requirements. The amendment requires the commission to submit provisionally adopted rules to the Legislature by January 15, 2008 and authorizes the Joint Standing Committee on Utilities and Energy to submit legislation to the Second Regular Session of the 123rd Legislature regarding E-9-1-1 access-only service.

## Enacted Law Summary

Public Law 2007, chapter 226 requires the Public Utilities Commission to establish, by major substantive rule, requirements for the provision of E-9-1-1 access to the premises of a residential telephone customer when telephone service to the premises has been otherwise suspended or disconnected. The rules must address, but are not limited to, the circumstances in which E-9-1-1 access-only service is and is not required and which telephone service providers are and are not subject to the requirements. The law requires the commission to submit provisionally adopted rules to the Legislature by January 15, 2008 and authorizes the Joint Standing Committee on Utilities and Energy to submit legislation to the Second Regular Session of the 123rd Legislature regarding E-9-1-1 access-only service.

## LD 1495 An Act To Reduce Additional State Fees for Consumer-owned Electric Utility Customers

ONTP

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
SNOWE-MELLO	ONTP	

This bill provides that any state fee or other charge may not be imposed on a consumer-owned transmission and distribution utility or on its customers' bills unless it is approved by a 2/3 vote of all members of each House of the Legislature. The bill defines "state fee or other charge" as any fee or charge imposed by any state law or rule or by the Public Utilities Commission or any other state agency, except that it does not include state taxes under Title 36.

## LD 1573 An Act To Encourage and Facilitate Regional Utility Districts

ONTP

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
TREAT	ONTP	

Under current law, a consumer-owned water utility may choose to make no investment in a water main extension and may require anyone requesting an extension to advance to the utility the entire cost of the extension. This bill grants that same authority to sewer districts and sanitary districts. Under current law, if a consumer-owner water utility chooses to invest consumer funds in water main extensions, the Public Utilities Commission provides clear policy and procedures governing investment in water main extensions, including investment amounts and the process for making such investments. This bill requires that a sewer district or sanitary district that chooses to invest in sewer main extensions first adopt similar investment policies for the protection of its ratepayers. The bill also prohibits a consumer-owned water utility, sewer district or sanitary district from lending district funds to any person requesting a water or sewer extension. The bill also specifies that the assets of water districts, sewer districts and sanitary districts are owned by the ratepayers of the district.

This resolve directs the Maine Land Use Regulation Commission to create a stakeholder group to review and establish site requirements for wind power.

Related to the subject of this bill, the Governor's Task Force on Wind Power Development in Maine was established on May 8, 2007 by Executive Order 31 FY 06/07.

### LD 1655 Resolve, To Improve the Energy Efficiency of Residential and Commercial Buildings

RESOLVE 93

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
HINCK	OTP-AM MAJ ONTP MIN	H-331

Currently, Maine law requires that all commercial new construction and renovation and multifamily residential construction must comply with the standards set forth in the Energy Efficiency Building Performance Standards Act. This bill requires that any new construction or renovation of any residential building must conform to the model building energy code developed by the Public Utilities Commission pursuant to the Maine Revised Statutes, Title 35-A, section 121. This bill also establishes an enforcement mechanism for ensuring compliance with the mandatory standards established for both residential and commercial construction.

#### Committee Amendment "A" (H-331)

This amendment replaces the bill with a resolve. The amendment directs the Public Utilities Commission and the Maine State Housing Authority to study the feasibility of and make recommendations for state policies or programs designed to increase compliance with the Maine Model Building Energy Code. The amendment requires the Public Utilities Commission and the Maine State Housing Authority to report their findings to the Joint Standing Committee on Utilities and Energy by January 1, 2008 and authorizes the committee to submit legislation related to the resolve's subject matter to the Second Regular Session of the 123rd Legislature.

#### Enacted Law Summary

Resolve 2007, chapter 93 directs the Public Utilities Commission and the Maine State Housing Authority to study the feasibility of and make recommendations for state policies or programs designed to increase compliance with the Maine Model Building Energy Code. LD 1666 Resolve, To Promote Energy Conservation in Schools

RESOLVE 55

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
PINGREE	OTP-AM	H-281

This resolve includes three provisions to increase energy conservation in schools.

It directs the Public Utilities Commission to amend its rules to provide school districts with additional funds under the Public Utilities Commission's Maine High Performing Schools program for cost-effective energy efficiency projects;

It directs the State Board of Education to collaborate with the Public Utilities Commission to enact new energy efficiency standards for new construction and renovations of existing school facilities and allows the State Board of Education to use current renovation loan and grant funds for energy efficiency retrofitting of school facilities; and

It requires school administrative units to yearly report energy consumption data to the Department of Education so that the department, the Public Utilities Commission and the Governor's Energy Office may quantify taxpayer and carbon dioxide savings from energy efficiency programs and directs the Department of Education and Public Utilities Commission to set the goal of 30% reduction in overall public school energy consumption by the year 2014.

**Committee Amendment "A" (H-281)**

This amendment replaces the resolve. The amendment directs the Public Utilities Commission to develop a plan to increase energy efficiency and conservation in school facilities in the State, to promote opportunities for school

**RESOLVE 106**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
STRIMLING	OTP-AM   MAJ ONTP    MIN	S-192

This bill requires Internet service providers offering service in the State to offer nondiscriminatory access to the Internet for all users. Elements of nondiscriminatory access, as provided in the bill, include offering Internet service on demand on a first-come, first-served basis, not blocking or interfering with access to content, applications or service, enabling any Internet content, application or service to be provided on a nondiscriminatory basis, not restricting or impeding access between a content service provider and a customer and making its service available separate from content the provider may offer. The bill allows an Internet service provider to protect the security of a user's computer, offer consumer protection services and handle breaches of terms of service, provided that is done in a manner that meets the nondiscriminatory access requirements.

### **Committee Amendment "A" (S-192)**

This amendment replaces the bill with a resolve. The amendment directs the Office of the Public Advocate to take several actions to monitor state and federal activity relating to full and fair access to the Internet and to submit a report summarizing the results of its activities to the Joint Standing Committee on Utilities and Energy by February 1, 2008.

STRIMLING		

This bill is a concept draft pursuant to Joint Rule 208. This bill would authorize Maine Revenue Services to impose a windfall profits tax on capacity payments made to certain power plants in Maine. The tax would apply to capacity payments to generators during the years 2007, 2008, 2009 and 2010 for capacity payments for sales of energy and capacity transmitted through a transmission and distribution utility. Payments used exclusively in the tax year for the creation of new generation assets in Maine will not be subject to the tax. New generation is generation constructed after January 1, 2007 and before December 31, 2010. This bill was indefinitely postponed prior to being referenced to a committee.

PERRY J	ONTP	

This bill establishes the Education and Municipal Technology Advisory Committee to provide oversight and advice to community networks and to aid in the development and maintenance of community networks by municipalities in partnership with local schools. Under the bill, a community network is defined as a computer system within a municipality that provides free or low-cost access to information and services through a centrally managed network or intranet or Internet connection or any combination of network and connections. The bill makes a one-time appropriation for the purpose of establishing a grant program from a fund to be administered by the advisory committee to aid in the development of community networks and an ongoing appropriation for expenses of the advisory committee members.

The Joint Standing Committee on Utilities and Energy, by letter dated 6/14/07, requested that the ConnectME Authority take steps to encourage the development of community networks and report back to the committee by January 15, 2008.

apportionment of funds collected for conservation programs among groups of customers.

The bill also amends the laws governing rate-adjustment mechanisms for transmission and distribution utilities as they relate to utility sales and earnings. It specifically directs the Public Utilities Commission to adopt provisions to sever the link between sales and earnings, often referred to as "decoupling."

The Joint Standing Committee on Utilities and Energy, by letter dated 6/14/07, requested that the Public Utilities Commission, the Office of the Public Advocate and the Governor's Office of Energy Independence and Security convene a stakeholder group to discuss decoupling and rate design options to reduce incentives for utilities to encourage increased electricity consumption and report back to the committee by January 15, 2008.

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
SULLIVAN	OTP-AM MAJ ONTP MIN	

This bill adds several new criteria for approval by the Public Utilities Commission of the reorganization, merger, consolidation, sale or other transfer of property involving a Maine public utility with annual revenues greater than \$50 million. Specifically, the bill states that commission may only approve a reorganization, merger, consolidation, sale or other transfer of property involving such a utility if the commission finds that the proposal will: (a) advance the economic development and information access goals of the State's telecommunications policy to the extent applicable to the type of utility involved, (b) result in short-term and long-term economic benefits to ratepayers, and (c) be consistent with the interests of the utility's investors.

The bill also increases the filing fee for a reorganization involving a utility with revenues greater than \$50 million from \$50,000 to \$100,000.

Finally, the bill specifies that the provisions in the bill apply to any decision of the Public Utilities Commission after the effective date of this Act, including decisions made involving proceedings that are pending before the commission prior to the effective date.

### Committee Amendment "A" (S-191)

This amendment (not adopted) changes several provisions of the bill relating to the additional criteria for approval required for a merger, consolidation, reorganization or sale involving a Maine public utility with

resulting use of the renewable energy credits or alternative compliance payments has burdened electricity customers, and it requires the commission to suspend these portfolio requirements if the alternative compliance payments are used to meet the requirements for 3 or more consecutive years. The bill requires the commission to report annually to the Legislature regarding the status of new renewable capacity resources and compliance with the portfolio requirements for new renewable capacity resources.

Beginning July 1, 2008, the bill allows for information regarding the availability of green power products and renewable energy credit products offered by competitive electricity providers and certified by the Public Utilities Commission to be presented, at the option of the provider and with the cooperation of the utility, through inserts in customer bills issued by transmission and distribution utilities. The bill requires the Public Utilities Commission to report, no later than January 31, 2010, to the joint standing committee of the Legislature having jurisdiction over utilities and energy matters regarding green power options that have been certified and promoted since July 1, 2008. The provisions regarding green power options are repealed July 1, 2010.

### **House Amendment "A" (H-516)**

This amendment clarifies that "green power supply" includes anaerobic digestion of agricultural products, byproducts or wastes.

### **Enacted Law Summary**

Public Law 2007, chapter 403 establishes portfolio requirements for new renewable capacity resources, beginning at 1% for calendar year 2008 and increasing by one percentage point per year, ending at 10% in 2017. The law allows competitive electricity providers to meet the portfolio requirements for new renewable capacity resources through the use of renewable energy credits or an alternative compliance payment to be set by the Public Utilities Commission. The law allows the commission to suspend increases in the portfolio requirements for new renewable capacity resources if it finds that investment in new renewable capacity resources is insufficient and the resulting use of the renewable energy credits or alternative compliance payments has burdened electricity customers, and it requires the commission to suspend these portfolio requirements if the alternative compliance payments are used to meet the requirements for 3 or more consecutive years. The law requires the commission to report annually to the Legislature regarding the status of new renewable capacity resources and compliance with the portfolio requirements for new renewable capacity resources.

Beginning July 1, 2008, this law allows for information regarding the availability of green power products and renewable energy credit products offered by competitive electricity providers and certified by the Public Utilities Commission to be presented, at the option of the provider and with the cooperation of the utility, through inserts in customer bills issued by transmission and distribution utilities. The law requires the Public Utilities Commission to report, no later than January 31, 2010, to the joint standing committee of the Legislature having jurisdiction over utilities and energy matters regarding green power options that have been certified and promoted since July 1, 2008. The provisions regarding green power options are repealed July 1, 2010.
