 - (1-C) For compensation of Legislators, representatives of Indian tribes, Secretary and Assistant Secretary of the Senate and Clerk and Assistant Clerk of the House of Representatives, including all payments for salaries, meals, housing, travel, mileage, constituent services and all other expenses and allowances, and for additional services by the President of the Senate, Speaker of the House of Representatives and members of legislative leadership;
- C. The reasons for its recommendations;
- D. Drafts of any legislation required to implement its recommendations; and
- E. Any other material and recommendations that commission members may wish to submit.

Before reporting as required in this subsection and subsequent to giving public notice, the commission shall hold a public hearing on the report. Subsequent to reporting, the commission shall meet, if requested, with the Governor, the Legislative Council and legislative committees to discuss the report.

The joint standing committee of the Legislature having jurisdiction over state and local government matters may introduce a bill based upon the final report of the commission.

Emergency clause. In view of the emergency cited in the preamble, this legislation takes effect when approved.

Effective June 19, 2019.

CHAPTER 385

H.P. 1152 - L.D. 1593

An Act To Support Infrastructure Improvements in Schools

Be it enacted by the People of the State of Maine as follows:

Sec. 1. 20-A MRSA §15915, sub-§1, as repealed and replaced by PL 2011, c. 279, §1, is amended to read:

1. Initial agreement for energy conservation improvements. A school administrative unit may enter into an agreement of up to 20 years with an energy services company. For the purposes of this section, "energy services company" means a company or 3rd-party financing company that provides design, installation, operation, maintenance and financing of locally funded energy conservation improvements, air quality improvements or combined energy conservation and related air quality improvements at existing school administrative unit facilities. The school administrative unit's costs to enter into such an agreement are not applicable to the unit's school construction project costs, the debt service on which is eligible for subsidy purposes under section 15907. Such an agreement is deemed to be a professional service, which is not subject to the competitive bidding requirements of Title 5, section 1743-A, if the agreement:

- A. Provides for operation or maintenance of the improvement for at least 5 years or the entire term of the financing agreement if longer than 5 years;
- B. Requires a guaranty by the contractor that the improvement will meet performance criteria set forth in the agreement for at least 5 years or for the entire term of the financing agreement if longer than 5 years; and
- C. Has a total contract cost, excluding private or federal grant funds, interest and operating and maintenance costs, of less than \$2,500,000 \$10,000,000 for any school building or project.

A school administrative unit may select an energy services company on the basis of a request for qualifications or a request for proposals, and it is not required to use a competitive method set forth in this chapter and Title 5, section 1743-A and Private and Special Law 1999, chapter 79. The selection process must

include at a minimum a request for qualifications or a request for proposals that is advertised in a newspaper of general circulation in the school administrative unit and a newspaper of general circulation in the City of Augusta. The deadline for receipt of requests for qualifications or requests for proposals may not be less than 15 days from the last day the advertisement was published. The school administrative unit shall establish an interview committee, which must include the superintendent of the school administrative unit and at least one school board member. The interview committee shall interview not fewer than 3 energy services companies unless a smaller number of energy services companies responds to the request for qualifications or request for proposals. A request for qualifications or a request for proposals may not contain terms that require an energy services company to have more than 3 years of experience in the energy conservation field, a minimum number of prior projects or project references or membership in or accreditation from a regional, national or international association of energy services companies or to use equipment that is not generally available to energy services companies or terms that are otherwise included for the purpose of bias or favoritism toward a particular energy services company.

Objections to the terms of a request for qualifications or a request for proposals under this subsection are deemed waived if not delivered in writing to the office of the superintendent of schools in that school administrative unit within 7 days of the last publication of the newspaper advertisement. If an objection is received, the school board shall conduct a hearing on the objection within 14 days of its receipt. The school board shall allow interested energy services companies to speak at the hearing and shall issue a decision to either validate or invalidate the request for qualifications or the request for proposals within 7 days of the close of the hearing. A decision by the school board in response to an objection is a final government action subject to appeal to the Superior Court.

See title page for effective date.

CHAPTER 386

S.P. 505 - L.D. 1586

An Act To Promote Major Food Processing and Manufacturing Facility Expansion and To Create Jobs in Maine

Emergency preamble. Whereas, acts and resolves of the Legislature do not become effective until 90 days after adjournment unless enacted as emergencies; and

Whereas, food processing and manufacturing facilities based in Maine create employment opportunities and generate significant economic growth; and

Whereas, there is an immediate need for greater employment opportunities and economic growth in the food processing and manufacturing industry; and

Whereas, investment in new food processing and manufacturing facilities is not likely to occur without the incentives provided in this legislation; and

Whereas, in the judgment of the Legislature, these facts create an emergency within the meaning of the Constitution of Maine and require the following legislation as immediately necessary for the preservation of the public peace, health and safety; now, therefore,

Be it enacted by the People of the State of Maine as follows:

Sec. 1. 36 MRSA §191, sub-§2, ¶¶HHH and III are enacted to read:

HHH. The disclosure to the joint standing committee of the Legislature having jurisdiction over taxation matters pursuant to section 5219-VV, subsection 4, paragraph B of the revenue loss, including the loss due to refundable credits, attributable to each taxpayer claiming the tax credit for major food processing and manufacturing facility expansion provided under that section, regardless of the number of persons eligible for the credit.

III. The disclosure of information to the Department of Economic and Community Development necessary for the administration of the tax credit for major food processing and manufacturing facility expansion pursuant to section 5219-VV.

Sec. 2. 36 MRSA §5219-VV is enacted to read:

§5219-VV. Credit for major food processing and manufacturing facility expansion

1. Definitions. As used in this section, unless the context otherwise indicates, the following terms have the following meanings.

A. "Base level of employment" means the greater of:

- (1) The total employment of a qualified applicant as of the March 31st, June 30th, September 30th and December 31st immediately preceding the application for a certificate of approval under subsection 2 divided by 4; and
- (2) The qualified applicant's average employment during the base period.

B. "Base period" means the 3 calendar years prior to the year in which a qualified applicant's appli-

ation for a certificate of approval under subsection 2 is approved by the commissioner.

C. "Certified applicant" means a qualified applicant that has received a certificate of approval from the commissioner pursuant to this section.

D. "Commissioner" means the Commissioner of Economic and Community Development.

E. "Employees based in the State" means employees that perform 100% of employee-related activities for the employer at the facility in the State.

F. "Facility" means a food processing and manufacturing facility, plant or mill, including one or more structures and including the equipment, machinery, fixtures and personal property located in, on, over, under and adjacent to those structures, by which the applicant, as determined by the commissioner at the time of application, processes, produces and manufactures food from agricultural products primarily grown and harvested in the State.

G. "Full-time" means an average of at least 36 hours weekly during the period of measurement.

H. "Headquarters" means the principal office from which a qualified applicant directs its national or global business activities, as determined by the commissioner at the time of application.

I. "Primarily grown and harvested in the State" means that not less than 95% of the agricultural products processed in the facility are grown and harvested in the State, except when such products are not reasonably available by reason of an act of God, pestilence, weather or other factors beyond the reasonable control of the applicant or applicant's suppliers.

J. "Qualified applicant" means an applicant that, at the time an application for a certificate of approval is submitted, is itself, or is the parent or subsidiary of, an entity that satisfies all of the following criteria:

(1) The applicant's headquarters are, and have been for each of the last 5 years prior to application for a certificate of approval, located in the State;

(2) The applicant intends to make a qualified investment in the State within 5 years following the date of the application;

(3) Construction of the applicant's facility begins no sooner than April 1, 2019 as evidenced by the date of issuance of an appropriate municipal building permit;

(4) The applicant employs or will employ upon start-up of the facility at least 40 full-time employees based in the State; and

(5) The annual income derived from employment with the applicant of at least 75% of the applicant's employees exceeds the most recent annual per capita personal income in the county in which the facility is located.

K. "Qualified investment" means an investment of at least \$35,000,000 to design, permit, construct, modify, equip or expand the applicant's facility in the State. The investments and activities of a qualified applicant and other entities that are members of the qualified applicant's unitary business may be aggregated to determine whether a qualified investment has been made. A qualified investment does not include an investment made prior to April 1, 2019 or after December 31, 2024.

2. Procedures for application; certificate of approval. The provisions of this subsection govern the procedures for providing for and obtaining a certificate of approval.

A. A qualified applicant may apply to the commissioner for a certificate of approval. An applicant shall submit to the commissioner information demonstrating that the applicant is a qualified applicant. If a certified applicant undertakes to make an additional qualified investment, the certified applicant may apply to the commissioner for an additional certificate of approval.

B. The commissioner, within 30 days of receipt of an application submitted pursuant to paragraph A, shall determine whether the applicant is a qualified applicant and shall issue either a certificate of approval or a written denial indicating why the applicant is not qualified. The certificate issued by the commissioner must describe the qualified investment and specify the total amount of qualified investment approved under the certificate.

C. A certified applicant shall obtain approval from the commissioner to transfer the certificate of approval or, if the certified applicant has obtained a certificate of completion under paragraph E, that certificate of completion to another person. A certificate of approval or certificate of completion may be transferred only if all or substantially all of the assets of the certified applicant are, or will be, transferred to that person or if 50% or more of the certified applicant's voting stock is, or will be, acquired by that person. The commissioner shall approve the transfer of the certificate of approval or the certificate of completion only if at least one of the following conditions is satisfied:

(1) The transferee is a member of the applicant's unitary affiliated group at the time of the transfer; or

(2) The commissioner finds that the transferee will, and has the capacity to, maintain operations of the facility in the State in a manner that meets the minimum qualifications for continued eligibility of benefits under this section after the transfer occurs.

If the commissioner approves the transfer of the certificate, the transferee, from the date of the transfer, must be treated as the certified applicant and as eligible to claim any remaining benefit under the certificate of approval or the certificate of completion that has not been previously claimed by the transferor as long as the transferee meets the same eligibility requirements and conditions for the credit as applied to the original certified applicant.

D. The commissioner shall revoke a certificate of approval if the certified applicant or a person to whom a certificate of approval has been transferred pursuant to paragraph C fails to make a qualified investment within 5 years of the date of the certificate of approval. The commissioner shall revoke a certificate of approval or a certificate of completion under paragraph E if the applicant or transferee ceases operations of the facility in the State or the certificate of approval or certificate of completion is transferred to another person without approval from the commissioner pursuant to paragraph C. A certified applicant whose certificate of completion is revoked within 5 years after the date issued shall return within 60 days following revocation of the certificate to the State an amount equal to the total credits claimed for all tax years under this section. A certified applicant whose certificate of completion is revoked during the period from 6 years after through 10 years after the date the certificate was issued shall return within 60 days following revocation of the certificate to the State an amount equal to the total credits claimed under this section for the period from 6 years after through 10 years after the date the certificate was issued. The amount to be returned to the State under this paragraph is, for purposes of this Title, a tax subject to the collection and enforcement provisions contained in Part 1, including the application of applicable interest and penalties. The amount to be returned to the State must be added to the tax imposed on the taxpayer under this Part for the taxable year during which the certificate is revoked.

E. A certified applicant shall submit an application to the commissioner for a certificate of completion. If the commissioner determines that the certified applicant has made a qualified invest-

ment and satisfied the facility and employment criteria in subsection 1, paragraph J, the commissioner shall issue a certificate of completion to the certified applicant as soon as is practical. The certificate of completion must state the amount of qualified investment made by the certified applicant.

The commissioner may not issue certificates of approval under this subsection that total, in the aggregate, more than \$100,000,000 of qualified investment or any individual certificate of approval for more than \$85,000,000 of qualified investment.

3. Refundable credit allowed. A certified applicant is allowed a credit as provided in this subsection.

A. Subject to the limitations under paragraph B, beginning with the first full tax year after the certified applicant has been issued a certificate of completion under subsection 2, paragraph E or the tax year beginning on January 1, 2022, whichever is later, and for each of the following 19 tax years, a certified applicant is allowed a credit against the tax due under this Part for the taxable year in an amount equal to 1.8% of the certified applicant's qualified investment. If the certified applicant is a pass-through entity, the owner or owners of the certified applicant are allowed the credit. The credit allowed under this paragraph is refundable.

B. The credit under this subsection is limited as follows.

(1) A credit is not allowed for any tax year during which the taxpayer does not meet or exceed the following employment targets as measured on the last day of the tax year.

(a) For each of the first 3 tax years for which the credit is claimed, there must be a total of at least 40 full-time employees based in the State above the certified applicant's base level of employment whose jobs were added since the first day of the first tax year for which the credit was claimed.

(b) For each tax year after the 3rd tax year for which the credit is claimed, the taxpayer must employ a total of at least 60 full-time employees based in the State above the certified applicant's base level of employment whose jobs were added since the first day of the first tax year for which the credit was claimed.

Jobs for additional full-time employees that are counted for determining eligibility for the credit under one certificate of completion under subsection 2, paragraph E may not be counted for determining eligibility for the credit under a separate certificate of comple-

tion. For purposes of this subparagraph, "additional full-time employees" does not include employees who are shifted to a certified applicant's facility in the State from an affiliated business in the State. The commissioner shall determine whether a shifting of employees has occurred. For purposes of this subparagraph, "affiliated business" has the same meaning as in section 6753, subsection 1-A.

(2) A credit is not allowed for any tax year following 2 consecutive tax years during which the certified applicant did not have between \$5,500,000 and \$12,000,000 in ordinary business income.

(3) Cumulative credits under this subsection may not exceed \$34,000,000 under any one certificate.

4. Appeals. The applicant or certified applicant may appeal in accordance with Title 5, chapter 375, subchapter 7 any determination, action or failure to act by the commissioner under this section.

5. Reporting required. A certified applicant, the commissioner and the assessor are required to make reports pursuant to this subsection.

A. On or before March 1st of each year, a certified applicant shall file a report with the commissioner for the tax year ending during the immediately preceding calendar year, referred to in this paragraph as "the report year," containing the following information:

(1) The number of full-time employees based in the State of the certified applicant on the last day of the tax year ending during the calendar year immediately preceding the report year; and

(2) The incremental amount of qualified investment made in the report year.

The commissioner may prescribe forms for the annual report described in this paragraph. The commissioner shall provide copies of the report to the assessor, to the Office of Program Evaluation and Government Accountability and to the joint standing committee of the Legislature having jurisdiction over taxation matters at the time the report is received.

B. By April 1st of each year, the commissioner shall report to the Office of Program Evaluation and Government Accountability and to the joint standing committee of the Legislature having jurisdiction over taxation matters aggregate data on employment levels and qualified investment amounts of certified applicants for each year that the certified applicant claimed a credit under this section, and the assessor shall report to the Office of Program Evaluation and Government Account-

ability and to the committee the revenue loss during the previous calendar year, including the loss due to refundable credits, as a result of this section for each taxpayer claiming the credit.

Notwithstanding any provision of law to the contrary, the reports provided under this subsection are public records as defined in Title 1, section 402, subsection 3.

6. Rulemaking. The commissioner may adopt routine technical rules as defined in Title 5, chapter 375, subchapter 2-A to implement this section.

7. Evaluation; specific public policy objectives; performance measures. The credit provided under this section is subject to ongoing legislative review in accordance with Title 3, chapter 37. The Office of Program Evaluation and Government Accountability shall submit an evaluation of the credit provided under this section to the joint legislative committee established to oversee program evaluation and government accountability and the joint standing committee of the Legislature having jurisdiction over taxation matters. In developing evaluation parameters to perform the review, the office shall consider:

A. That the specific public policy objectives of the credit provided under this section are:

(1) To create high-quality jobs in the State by encouraging major businesses to locate or expand their food processing and manufacturing facilities in this State and to encourage the recruitment and training of employees for these facilities; and

(2) To directly and indirectly improve the overall economy of the State including the agricultural economy, small businesses, employment in rural areas and expansion of the tax base; and

B. Performance measures, including, but not limited to:

(1) The number, geographic distribution and income of full-time employees added or retained during a period being reviewed who would not have been added or retained in the absence of the credit;

(2) The number and amount of qualified investments made by certified applicants during the review period;

(3) The increase in value in agricultural products produced in the State; and

(4) Direct and indirect economic benefits to the State attributable to qualified investments entitled to a credit under this section.

Emergency clause. In view of the emergency cited in the preamble, this legislation takes effect when approved.

Effective June 19, 2019.

CHAPTER 387

S.P. 618 - L.D. 1828

**An Act To Amend the Laws
Governing Overtime**

Emergency preamble. Whereas, acts and resolves of the Legislature do not become effective until 90 days after adjournment unless enacted as emergencies; and

Whereas, this legislation changes the law governing the payment of overtime for those state employees engaged in fire protection activities and law enforcement activities, bringing state law into compliance with federal law; and

Whereas, this legislation is necessary to resolve conflicts between controlling statute, contracts and scheduling practices; and

Whereas, it is necessary to immediately effectuate this change in law, as it relates to the ability of employers and employees to maintain current work schedules; and

Whereas, in the judgment of the Legislature, these facts create an emergency within the meaning of the Constitution of Maine and require the following legislation as immediately necessary for the preservation of the public peace, health and safety; now, therefore,

Be it enacted by the People of the State of Maine as follows:

Sec. 1. 26 MRSA §664, sub-§3, ¶F, as amended by PL 2017, c. 219, §15, is further amended to read:

F. The canning; processing; preserving; freezing; drying; marketing; storing; packing for shipment; or distributing of:

- (1) Agricultural produce;
- (2) Meat and fish products; and
- (3) Perishable foods.

Individuals employed, directly or indirectly, for or at an egg processing facility that has over 300,000 laying birds must be paid overtime in accordance with this subsection; ~~and~~

Sec. 2. 26 MRSA §664, sub-§3, ¶K, as enacted by PL 2011, c. 681, §3, is amended to read:

K. A driver or driver's helper who is not paid hourly and is subject to the provisions of 49 United States Code, Section 31502 as amended or to regulations adopted pursuant to that section, who

is governed by the applicable provisions of federal law with respect to payment of overtime.

Nothing in this paragraph may be construed to limit the rights of parties to negotiate rates of pay for drivers and driver's helpers who are represented for purposes of collective bargaining by a labor organization certified by the National Labor Relations Board or who are employed by an entity that is party to a contract with the Federal Government or an agency of the Federal Government that dictates the minimum hourly rate of pay to be paid a driver or driver's helper; ~~and~~

Sec. 3. 26 MRSA §664, sub-§3, ¶L is enacted to read:

L. Public employees employed by the executive or judicial branch of the State engaged in fire protection activities, as defined in the federal Fair Labor Standards Act, 29 United States Code, Section 203(y), or in law enforcement activities, as defined in 29 Code of Federal Regulations, Section 553.211, and who are eligible to have overtime pay calculated and paid in accordance with 29 United States Code, Section 207(k).

This paragraph may not be construed to limit the rights of parties to negotiate an agreement that provides for payment of overtime that exceeds the requirements of 29 United States Code, Section 207(k).

Sec. 4. Retroactivity. Notwithstanding any law to the contrary, this Act applies retroactively to April 1, 2016.

Emergency clause. In view of the emergency cited in the preamble, this legislation takes effect when approved.

Effective June 19, 2019.

CHAPTER 388

H.P. 1053 - L.D. 1441

**An Act To Align the Laws
Governing Dental Therapy
with Standards Established by
the American Dental
Association Commission on
Dental Accreditation**

Be it enacted by the People of the State of Maine as follows:

Sec. 1. 22 MRSA §3174-XX, as amended by PL 2015, c. 429, §5, is further amended to read:

§3174-XX. Dental therapy reimbursement

1. Reimbursement. By October 1, 2015, the department shall provide for the reimbursement under

the MaineCare program of dental hygiene therapists practicing as authorized under Title 32, section 18377 for the procedures identified in their scope of practice. Reimbursement must be provided to dental hygiene therapists directly or to a federally qualified health center pursuant to section 3174-V when a dental hygiene therapist is employed as a core provider at the center.

2. Rulemaking. The department shall adopt rules to implement this section. Rules adopted pursuant to this subsection are routine technical rules as defined by Title 5, chapter 375, subchapter 2-A.

Sec. 2. 24 MRSA §2317-B, sub-§21, as enacted by PL 2013, c. 575, §4 and affected by §10, is amended to read:

21. Title 24-A, sections 2765-A and 2847-U. The practice of dental hygiene therapy by a dental hygiene therapist, Title 24-A, sections 2765-A and 2847-U.

Sec. 3. 24-A MRSA §2765-A, as amended by PL 2015, c. 429, §12, is further amended to read:

§2765-A. Coverage for services provided by dental therapist

1. Services provided by dental therapist. An insurer that issues individual dental insurance or health insurance that includes coverage for dental services shall provide coverage for dental services performed by a dental hygiene therapist licensed under Title 32, chapter 143 when those services are covered services under the contract and when they are within the lawful scope of practice of the dental hygiene therapist.

2. Limits; coinsurance; deductibles. A contract that provides coverage for the services required by this section may contain provisions for maximum benefits and coinsurance and reasonable limitations, deductibles and exclusions to the extent that these provisions are not inconsistent with the requirements of this section.

3. Coordination of benefits with dental insurance. If an enrollee eligible for coverage under this section is eligible for coverage under a dental insurance policy or contract and a health insurance policy or contract, the insurer providing dental insurance is the primary payer responsible for charges under subsection 1 and the insurer providing individual health insurance is the secondary payer.

4. Application. The requirements of this section apply to all policies, contracts and certificates executed, delivered, issued for delivery, continued or renewed in this State. For purposes of this section, all contracts are deemed to be renewed no later than the next yearly anniversary of the contract date.

Sec. 4. 24-A MRSA §2847-U, as amended by PL 2015, c. 429, §14, is further amended to read:

§2847-U. Coverage for services provided by dental therapist

1. Services provided by dental therapist. An insurer that issues group dental insurance or health insurance that includes coverage for dental services shall provide coverage for dental services performed by a dental hygiene therapist licensed under Title 32, chapter 143 when those services are covered services under the contract and when they are within the lawful scope of practice of the dental hygiene therapist.

2. Limits; coinsurance; deductibles. A contract that provides coverage for the services required by this section may contain provisions for maximum benefits and coinsurance and reasonable limitations, deductibles and exclusions to the extent that these provisions are not inconsistent with the requirements of this section.

3. Coordination of benefits with dental insurance. If an enrollee eligible for coverage under this section is eligible for coverage under a dental insurance policy or contract and a health insurance policy or contract, the insurer providing dental insurance is the primary payer responsible for charges under subsection 1 and the insurer providing group health insurance is the secondary payer.

Sec. 5. 32 MRSA §18302, sub-§§5, 7 and 8, as enacted by PL 2015, c. 429, §21, are further amended to read:

5. Dental auxiliary. "Dental auxiliary" means a dental radiographer, expanded function dental assistant, dental hygienist, independent practice dental hygienist, public health dental hygienist, dental hygiene therapist or denturist.

7. Dental therapist. "Dental hygiene therapist" means a person who holds a valid license as a dental hygienist issued by the board and is authorized to practice dental hygiene therapy under this chapter.

8. Dental therapy. "Dental hygiene therapy" means the delivery of dental hygiene services, including performance of certain dental procedures in accordance with this chapter.

Sec. 6. 32 MRSA §18302, sub-§29, as enacted by PL 2015, c. 429, §21, is amended to read:

29. Provisional dental therapist. "Provisional dental hygiene therapist" means a person who holds a valid license as a dental hygienist issued by the board and who is authorized to practice dental hygiene therapy under the supervision of a dentist in accordance with this chapter.

Sec. 7. 32 MRSA §18345, sub-§2, ¶¶C and F, as enacted by PL 2015, c. 429, §21, are amended to read:

C. For dental hygiene therapist authority:

~~(1) Verification of having successfully completed a dental hygiene therapy program that:~~

~~(a) Is accredited by the American Dental Association Commission on Dental Accreditation or a successor organization;~~

~~(b) Is a minimum of 4 semesters;~~

~~(c) Is consistent with the model curriculum for educating dental hygiene therapists adopted by the American Association of Public Health Dentistry or a successor organization;~~

~~(d) Is consistent with existing dental hygiene therapy programs in other states approved by the board; and~~

~~(e) Meets the requirements for dental hygiene therapy education programs adopted by board rule;~~

(2) Verification of a ~~bachelor's~~ master's degree ~~or higher in dental hygiene, dental hygiene therapy or in~~ dental therapy from a school accredited by the American Dental Association Commission on Dental Accreditation or a its successor organization ~~or a master's degree in dental therapy from a program that meets the requirements adopted by board rule consistent with the accreditation standards identified by the American Dental Association Commission on Dental Accreditation or its successor organization;~~

(3) Verification of passing a clinical examination and all other examinations required by board rule. The clinical examination must be a comprehensive, competency-based clinical examination approved by the board and administered independently of an institution providing dental hygiene therapy education;

(4) Verification of having engaged in 2,000 hours of supervised clinical practice under the supervision of a dentist and in conformity with rules adopted by the board, during which supervised clinical practice the applicant is authorized to practice pursuant to paragraph F.

For purposes of meeting the clinical requirements of this subparagraph, an applicant's hours of supervised clinical experience ~~while enrolled in the dental hygiene therapy program under subparagraph (1) may be included as well as hours completed under the supervision of a dentist licensed in another state or a Canadian province~~ may be included, provided that as long as the applicant was operating lawfully under the laws and rules of that state or province; and

(5) A copy of the written practice agreement and standing orders required by section 18377, subsection 3; ~~and~~

(6) Verification of a current advanced cardiac life support certification;

F. For provisional dental hygiene therapist authority:

(1) Verification of meeting the requirements of paragraph C, subparagraphs ~~(1) to~~ (2), (3) and (6); and

(2) A copy of the written agreement between the applicant and a dentist who will provide levels of supervision consistent with the scope of practice outlined in section 18377 and in conformity with rules adopted by the board.

During the period of provisional authority the applicant may be compensated for services performed as a dental hygiene therapist. The period of provisional authority may not exceed 3 years.

Sec. 8. 32 MRSA §18351, last ¶, as amended by PL 2017, c. 388, §12, is further amended to read:

An individual who practices under a resident dentist license or as a provisional dental hygiene therapist may not apply for inactive status.

Sec. 9. 32 MRSA §18371, sub-§5, as enacted by PL 2015, c. 429, §21, is amended to read:

5. Supervision of dental therapists. A dentist, referred to in this section as the "supervising dentist," who employs a dental hygiene therapist shall comply with this subsection.

A. A supervising dentist shall arrange for another dentist or specialist to provide any services needed by a patient of a dental hygiene therapist supervised by that dentist that are beyond the scope of practice of the dental hygiene therapist and that the supervising dentist is unable to provide.

B. The supervising dentist is responsible for all authorized services and procedures performed by the dental hygiene therapist pursuant to a written practice agreement executed by the dentist pursuant to section 18377.

C. Revisions to a written practice agreement must be documented in a new written practice agreement signed by the supervising dentist and the dental hygiene therapist.

D. A supervising dentist who signs a written practice agreement shall file a copy of the agreement with the board, keep a copy for the dentist's own records and make a copy available to patients of the dental hygiene therapist upon request.

Sec. 10. 32 MRSA §18377, as enacted by PL 2015, c. 429, §21, is amended to read:

§18377. Dental therapist

1. Scope of practice. A dental hygiene therapist may perform the following procedures in limited practice settings, if authorized by a written practice agreement with a dentist licensed in this State pursuant to subsection 3.

A. To the extent permitted in a written practice agreement, a dental hygiene therapist may provide the care and services listed in this paragraph only under the direct supervision of the supervising dentist:

- (1) Perform oral health assessments, pulpal disease assessments for primary and young teeth, simple cavity preparations and restorations and simple extractions;
- (2) Prepare and place stainless steel crowns and aesthetic anterior crowns for primary incisors and prepare, place and remove space maintainers;
- (3) Provide referrals;
- (4) Administer local anesthesia and nitrous oxide analgesia;
- (5) Perform preventive services;
- (6) Conduct urgent management of dental trauma, perform suturing, extract primary teeth and perform nonsurgical extractions of periodontally diseased permanent teeth if authorized in advance by the supervising dentist;
- (7) Provide, dispense and administer anti-inflammatories, nonprescription analgesics, antimicrobials, antibiotics and anticaries materials;
- (8) Administer radiographs; and
- (9) Perform other related services and functions authorized by the supervising dentist and for which the dental hygiene therapist is trained.

B. To the extent permitted in a written practice agreement, a dental hygiene therapist may provide the care and services listed in section 18374, subsections 1 and 2 under the general supervision of the supervising dentist.

2. Supervision responsibilities. A dental hygiene therapist may be delegated a dentist's responsibility to supervise up to 2 dental hygienists and 3 unlicensed persons in any one practice setting through a written practice agreement pursuant to subsection 3.

3. Practice requirements. A dental hygiene therapist must comply with the following practice limitations.

~~A. A dental hygiene therapist may provide services only in a hospital; a public school, as defined in Title 20-A, section 1, subsection 24; a nursing facility licensed under Title 22, chapter 405; a residential care facility licensed under Title 22, chapter 1663; a clinic; a health center reimbursed as a federally qualified health center as defined in 42 United States Code, Section 1395x(aa)(4) (1993) or that has been determined by the federal Department of Health and Human Services, Centers for Medicare and Medicaid Services to meet the requirements for funding under Section 330 of the Public Health Service Act, 42 United States Code, Section 254(b); a federally qualified health center licensed in this State; a public health setting that serves underserved populations as recognized by the federal Department of Health and Human Services; or a private dental practice in which at least 50% of the patients who are provided services by that dental hygiene therapist are covered by the MaineCare program under Title 22 or are underserved adults.~~

B. A dental hygiene therapist may practice only under the direct supervision of a dentist through a written practice agreement signed by both parties. A written practice agreement is a signed document that outlines the functions that the dental hygiene therapist is authorized to perform, which may not exceed the scopes of practice specified in subsections 1 and 2. A dental hygiene therapist may practice only under the standing order of the supervising dentist, may provide only care that follows written protocols and may provide only services that the dental hygiene therapist is authorized to provide by the written practice agreement.

C. A written practice agreement between a supervising dentist and a dental hygiene therapist must include the following elements:

- (1) The services and procedures and the practice settings for those services and procedures that the dental hygiene therapist may provide, together with any limitations on those services and procedures;
- (2) Any age-specific and procedure-specific practice protocols, including case selection criteria, assessment guidelines and imaging frequency;
- (3) Procedures to be used with patients treated by the dental hygiene therapist for obtaining informed consent and for creating and maintaining dental records;

- (4) A plan for review of patient records by the supervising dentist and the dental hygiene therapist;
- (5) A plan for managing medical emergencies in each practice setting in which the dental hygiene therapist provides care;
- (6) A quality assurance plan for monitoring care, including patient care review, referral follow-up and a quality assurance chart review;
- (7) Protocols for administering and dispensing medications, including the specific circumstances under which medications may be administered and dispensed;
- (8) Criteria for providing care to patients with specific medical conditions or complex medical histories, including requirements for consultation prior to initiating care; and
- (9) Specific written protocols, including a plan for providing clinical resources and referrals, governing situations in which the patient requires treatment that exceeds the scope of practice or capabilities of the dental hygiene therapist.

D. Revisions to a written practice agreement must be documented in a new written practice agreement signed by the supervising dentist and the dental hygiene therapist.

E. A dental hygiene therapist shall file a copy of a written practice agreement with the board, keep a copy for the dental hygiene therapist's own records and make a copy available to patients of the dental hygiene therapist upon request.

F. A dental hygiene therapist shall refer patients in accordance with a written practice agreement to another qualified dental or health care professional to receive needed services that exceed the scope of practice of the dental hygiene therapist.

G. A dental hygiene therapist who provides services or procedures beyond those authorized in a written agreement engages in unprofessional conduct and is subject to discipline pursuant to section 18325.

4. Dental coverage and reimbursement. Notwithstanding Title 24-A, section 2752, any service performed by a dentist, dental assistant or dental hygienist licensed in this State that is reimbursed by private insurance, a dental service corporation, the MaineCare program under Title 22 or the Cub Care program under Title 22, section 3174-T must also be covered and reimbursed when performed by a dental hygiene therapist authorized to practice under this chapter.

Sec. 11. Board of Dental Practice to review dental practice laws and recommend changes. The Board of Dental Practice, in consultation with interested parties, shall review the Maine Revised Statutes, Title 32, chapter 143 and any rules adopted by the board and recommend changes to the statutory definitions of supervision and recommend a definition of "teledentistry" for the purpose of aligning current supervision practices and reflecting advancements in technology. The Board of Dental Practice shall submit its report and recommendations to the Joint Standing Committee on Health Coverage, Insurance and Financial Services no later than February 1, 2020. The Joint Standing Committee on Health Coverage, Insurance and Financial Services may report out a bill to the Second Regular Session of the 129th Legislature based on the board's recommendations.

CHAPTER 389

H.P. 1063 - L.D. 1451

An Act Providing Labor Unions with Reasonable Access to Current and Newly Hired Public Sector Workers

Be it enacted by the People of the State of Maine as follows:

Sec. 1. 26 MRSA §975 is enacted to read:

§975. Bargaining agent access

1. Bargaining agent access to employees. Public employers shall provide to a bargaining agent access to members of the bargaining unit that the bargaining agent exclusively represents. Access must include, but is not limited to, the following:

A. The right to meet with individual employees on the premises of the public employer's workplace during the work day to investigate and discuss grievances, workplace-related complaints and other workplace issues;

B. The right to conduct workplace meetings during lunch and other breaks, and before and after the work day, on the public employer's premises to discuss workplace issues, collective bargaining negotiations, the administration of collective bargaining agreements and other matters related to the duties of a bargaining agent and internal bargaining agent matters involving the governance or the business of the bargaining agent;

C. The right to meet with newly hired employees, without charge to the pay or leave time of the employees, for a minimum of 30 minutes or for an amount of time agreed upon by all parties, not lat-

er than 10 calendar days after receipt of the information provided pursuant to subsection 2, during new employee orientations or, if the employer does not conduct new employee orientations, at individual or group meetings; and

D. The right to use the e-mail system of a public employer to communicate with bargaining unit members regarding official bargaining agent matters including, but not limited to, elections, meetings and social activities, as long as the use of the e-mail system does not create an unreasonable burden on the public employer's network capabilities or system administration.

2. Bargaining agent access to employee information. Public employers shall provide to a bargaining agent access to information about members of the bargaining unit that the bargaining agent exclusively represents, as follows.

A. Not later than 30 calendar days after the date a prospective school employee accepts an offer of employment or not later than 30 calendar days after the date of hire for all other public employees, public employers shall provide the following information to a bargaining agent in spreadsheet file format or another format agreed to by the bargaining agent:

- (1) Name;
- (2) Job title;
- (3) Workplace location;
- (4) Home address;
- (5) Work telephone numbers;
- (6) Home telephone and personal cellular telephone numbers, if known;
- (7) Work e-mail address;
- (8) Personal e-mail address, if known; and
- (9) Date of hire.

B. The following are not public records as defined in Title 1, section 402, subsection 3 and are confidential and may not be disclosed by the public employer, except as provided in paragraph A:

- (1) Home addresses, home or personal telephone numbers, personal e-mail addresses and dates of birth of employees;
- (2) Names of employees within a bargaining unit; and
- (3) Communications between a bargaining agent and its members.

3. Bargaining agent access to government buildings and facilities. The bargaining agent has the right to use government buildings and other facilities that are owned or leased by government entities to

conduct meetings with bargaining unit members regarding bargaining negotiations, the administration of collective bargaining agreements, the investigation of grievances, other workplace-related complaints and issues and internal matters involving the governance or business of the bargaining agent, as long as that use does not interfere with governmental operations. A bargaining agent conducting a meeting in a government building or facility pursuant to this section may be charged for maintenance, security and other costs related to the use of the government building or facility that would not otherwise be incurred by the government entity.

4. Employee may opt out. After an initial meeting pursuant to subsection 1, paragraph C, an employee may opt out of receiving any further communications from a bargaining agent or allowing a bargaining agent to have any further access to that employee's information described in subsection 2, paragraph A, except for communications related to direct representation of that employee by a bargaining agent.

5. Selling or sharing nonmember data prohibited. A bargaining agent may not sell or share the information provided in accordance with subsection 2, paragraph A of an employee who is not a member of an employee organization except for the purpose of fulfilling the agent's collective bargaining obligations.

Nothing in this section may be construed to limit the terms of a collective bargaining agreement that provide a bargaining agent with greater rights of access to employees than the rights established by this section.

Sec. 2. 26 MRSA §979-T is enacted to read:

§979-T. Bargaining agent access

1. Bargaining agent access to employees. Public employers shall provide to a bargaining agent access to members of the bargaining unit that the bargaining agent exclusively represents. Access must include, but is not limited to, the following:

A. The right to meet with individual employees on the premises of the public employer's workplace during the work day to investigate and discuss grievances, workplace-related complaints and other workplace issues;

B. The right to conduct workplace meetings during lunch and other breaks, and before and after the work day, on the public employer's premises to discuss workplace issues, collective bargaining negotiations, the administration of collective bargaining agreements and other matters related to the duties of a bargaining agent and internal bargaining agent matters involving the governance or the business of the bargaining agent;

C. The right to meet with newly hired employees, without charge to the pay or leave time of the em-

ployees, for a minimum of 30 minutes or for an amount of time agreed upon by all parties, not later than 10 calendar days after receipt of the information provided pursuant to subsection 2, during new employee orientations or, if the employer does not conduct new employee orientations, at individual or group meetings; and

D. The right to use the e-mail system of a public employer to communicate with bargaining unit members regarding official bargaining agent matters including, but not limited to, elections, meetings and social activities, as long as the use of the e-mail system does not create an unreasonable burden on the public employer's network capabilities or system administration.

2. Bargaining agent access to employee information. Public employers shall provide to a bargaining agent access to information about members of the bargaining unit that the bargaining agent exclusively represents, as follows.

A. Not later than 30 calendar days after the date a prospective school employee accepts an offer of employment or not later than 30 calendar days after the date of hire for all other state employees and legislative employees, public employers shall provide the following information to a bargaining agent in spreadsheet file format or another format agreed to by the bargaining agent:

- (1) Name;
- (2) Job title;
- (3) Workplace location;
- (4) Home address;
- (5) Work telephone numbers;
- (6) Home telephone and personal cellular telephone numbers, if known;
- (7) Work e-mail address;
- (8) Personal e-mail address, if known; and
- (9) Date of hire.

B. The following are not public records as defined in Title 1, section 402, subsection 3 and are confidential and may not be disclosed by the public employer, except as provided in paragraph A:

- (1) Home addresses, home or personal telephone numbers, personal e-mail addresses and dates of birth of employees;
- (2) Names of employees within a bargaining unit; and
- (3) Communications between a bargaining agent and its members.

3. Bargaining agent access to government buildings and facilities. The bargaining agent has the

right to use government buildings and other facilities that are owned or leased by government entities to conduct meetings with bargaining unit members regarding bargaining negotiations, the administration of collective bargaining agreements, the investigation of grievances, other workplace-related complaints and issues and internal matters involving the governance or business of the bargaining agent, as long as that use does not interfere with governmental operations. A bargaining agent conducting a meeting in a government building or facility pursuant to this section may be charged for maintenance, security and other costs related to the use of the government building or facility that would not otherwise be incurred by the government entity.

4. Employee may opt out. After an initial meeting pursuant to subsection 1, paragraph C, an employee may opt out of receiving any further communications from a bargaining agent or allowing a bargaining agent to have any further access to that employee's information described in subsection 2, paragraph A, except for communications related to direct representation of that employee by a bargaining agent.

5. Selling or sharing nonmember data prohibited. A bargaining agent may not sell or share the information provided in accordance with subsection 2, paragraph A of an employee who is not a member of an employee organization except for the purpose of fulfilling the agent's collective bargaining obligations.

Nothing in this section may be construed to limit the terms of a collective bargaining agreement that provide a bargaining agent with greater rights of access to employees than the rights established by this section.

Sec. 3. 26 MRSA §1037 is enacted to read:

§1037. Bargaining agent access

1. Bargaining agent access to employees. The university, academy or community college shall provide to a bargaining agent access to members of the bargaining unit that the bargaining agent exclusively represents. Access must include, but is not limited to, the following:

A. The right to meet with individual employees on the premises of the university's, academy's or community college's workplace during the work day to investigate and discuss grievances, workplace-related complaints and other workplace issues;

B. The right to conduct workplace meetings during lunch and other breaks, and before and after the work day, on the university's, academy's or community college's premises to discuss workplace issues, collective bargaining negotiations, the administration of collective bargaining agreements and other matters related to the duties of a

bargaining agent and internal bargaining agent matters involving the governance or the business of the bargaining agent;

C. The right to meet with newly hired employees, without charge to the pay or leave time of the employees, for a minimum of 30 minutes or for an amount of time agreed upon by all parties, not later than 10 calendar days after receipt of the information provided pursuant to subsection 2, during new employee orientations or, if the university, academy or community college does not conduct new employee orientations, at individual or group meetings; and

D. The right to use the e-mail system of the university, academy or community college to communicate with bargaining unit members regarding official bargaining agent matters including, but not limited to, elections, meetings and social activities, as long as the use of the e-mail system does not create an unreasonable burden on the university's, academy's or community college's network capabilities or system administration.

2. Bargaining agent access to employee information. The university, academy or community college shall provide to a bargaining agent access to information about members of the bargaining unit that the bargaining agent exclusively represents, as follows.

A. Not later than 30 calendar days after the date of hire for an employee, the university, academy or community college shall provide the following information to a bargaining agent in spreadsheet file format or another format agreed to by the bargaining agent:

- (1) Name;
- (2) Job title;
- (3) Workplace location;
- (4) Home address;
- (5) Work telephone numbers;
- (6) Home telephone and personal cellular telephone numbers, if known;
- (7) Work e-mail address;
- (8) Personal e-mail address, if known; and
- (9) Date of hire.

B. The following are not public records as defined in Title 1, section 402, subsection 3 and are confidential and may not be disclosed by the university, academy or community college, except as provided in paragraph A:

- (1) Home addresses, home or personal telephone numbers, personal e-mail addresses and dates of birth of employees;

(2) Names of employees within a bargaining unit; and

(3) Communications between a bargaining agent and its members.

3. Bargaining agent access to university, academy or community college buildings and facilities.

The bargaining agent has the right to use university, academy and community college buildings and other facilities that are owned or leased by the university, academy or community college to conduct meetings with bargaining unit members regarding bargaining negotiations, the administration of collective bargaining agreements, the investigation of grievances, other workplace-related complaints and issues and internal matters involving the governance or business of the bargaining agent, as long as that use does not interfere with operations. A bargaining agent conducting a meeting in a university, academy or community college building or facility pursuant to this section may be charged for maintenance, security and other costs related to the use of the university, academy or community college building or facility that would not otherwise be incurred by the university, academy or community college.

4. Employee may opt out. After an initial meeting pursuant to subsection 1, paragraph C, an employee may opt out of receiving any further communications from a bargaining agent or allowing a bargaining agent to have any further access to that employee's information described in subsection 2, paragraph A, except for communications related to direct representation of that employee by a bargaining agent.

5. Selling or sharing nonmember data prohibited. A bargaining agent may not sell or share the information provided in accordance with subsection 2, paragraph A of an employee who is not a member of an employee organization except for the purpose of fulfilling the agent's collective bargaining obligations.

Nothing in this section may be construed to limit the terms of a collective bargaining agreement that provide a bargaining agent with greater rights of access to employees than the rights established by this section.

Sec. 4. 26 MRSA §1295 is enacted to read:

§1295. Bargaining agent access

1. Bargaining agent access to employees. Public employers shall provide to a bargaining agent access to members of the bargaining unit that the bargaining agent exclusively represents. Access must include, but is not limited to, the following:

A. The right to meet with individual employees on the premises of the public employer's workplace during the work day to investigate and discuss grievances, workplace-related complaints and other workplace issues;

B. The right to conduct workplace meetings during lunch and other breaks, and before and after the work day, on the public employer's premises to discuss workplace issues, collective bargaining negotiations, the administration of collective bargaining agreements and other matters related to the duties of a bargaining agent and internal bargaining agent matters involving the governance or the business of the bargaining agent;

C. The right to meet with newly hired employees, without charge to the pay or leave time of the employees, for a minimum of 30 minutes or for an amount of time agreed upon by all parties, not later than 10 calendar days after receipt of the information provided pursuant to subsection 2, during new employee orientations or, if the employer does not conduct new employee orientations, at individual or group meetings; and

D. The right to use the e-mail system of a public employer to communicate with bargaining unit members regarding official bargaining agent matters including, but not limited to, elections, meetings and social activities, as long as the use of the e-mail system does not create an unreasonable burden on the public employer's network capabilities or system administration.

2. Bargaining agent access to employee information. Public employers shall provide to a bargaining agent access to information about members of the bargaining unit that the bargaining agent exclusively represents, as follows.

A. Not later than 30 calendar days after the date of hire for a judicial employee, the public employer shall provide the following information to a bargaining agent in spreadsheet file format or another format agreed to by the bargaining agent:

- (1) Name;
- (2) Job title;
- (3) Workplace location;
- (4) Home address;
- (5) Work telephone numbers;
- (6) Home telephone and personal cellular telephone numbers, if known;
- (7) Work e-mail address;
- (8) Personal e-mail address, if known; and
- (9) Date of hire.

B. The following are not public records as defined in Title 1, section 402, subsection 3 and are confidential and may not be disclosed by the public employer, except as provided in paragraph A:

(1) Home addresses, home or personal telephone numbers, personal e-mail addresses and dates of birth of employees;

(2) Names of employees within a bargaining unit; and

(3) Communications between a bargaining agent and its members.

3. Bargaining agent access to government buildings and facilities. The bargaining agent has the right to use government buildings and other facilities that are owned or leased by government entities to conduct meetings with bargaining unit members regarding bargaining negotiations, the administration of collective bargaining agreements, the investigation of grievances, other workplace-related complaints and issues and internal matters involving the governance or business of the bargaining agent, as long as that use does not interfere with governmental operations. A bargaining agent conducting a meeting in a government building or facility pursuant to this section may be charged for maintenance, security and other costs related to the use of the government building or facility that would not otherwise be incurred by the government entity.

4. Employee may opt out. After an initial meeting pursuant to subsection 1, paragraph C, an employee may opt out of receiving any further communications from a bargaining agent or allowing a bargaining agent to have any further access to that employee's information described in subsection 2, paragraph A, except for communications related to direct representation of that employee by a bargaining agent.

5. Selling or sharing nonmember data prohibited. A bargaining agent may not sell or share the information provided in accordance with subsection 2, paragraph A of an employee who is not a member of an employee organization except for the purpose of fulfilling the agent's collective bargaining obligations.

Nothing in this section may be construed to limit the terms of a collective bargaining agreement that provide a bargaining agent with greater rights of access to employees than the rights established by this section.

Sec. 4. 10 MRSA §9722, sub-§6, as amended by PL 2015, c. 126, §§1 to 3, is further amended to read:

6. Duties and powers. In addition to other duties set forth in this chapter, the board shall:

A. Adopt rules in accordance with the Maine Administrative Procedure Act necessary to carry out its duties under this chapter. Rules adopted pursuant to this chapter are routine technical rules as defined in Title 5, chapter 375, subchapter 2-A;

B. Adopt, amend and maintain the Maine Uniform Building and Energy Code; The board shall ensure that the Maine Uniform Building and Energy Code consists of the following codes and standards:

- (1) International Building Code published by the International Code Council;
- (2) International Existing Building Code published by the International Code Council;
- (3) International Residential Code published by the International Code Council;
- (4) International Energy Conservation Code published by the International Code Council;
- (5) International Mechanical Code published by the International Code Council;
- (6) ASHRAE Standard 62.1 Ventilation for Acceptable Indoor Air Quality;
- (7) ASHRAE Standard 62.2 Ventilation and Acceptable Indoor Air Quality in Low-Rise Residential Buildings;
- (8) ASHRAE Standard 90.1 Energy Standard for Buildings Except Low-Rise Residential Buildings; and

(9) Standard Practice for Radon Control Options for the Design and Construction of New Low-Rise Residential Buildings published by the American Society for Testing and Materials.

For purposes of this paragraph, ASHRAE has the same meaning as in section 1413, subsection 1.

Codes and standards adopted under this paragraph are mandatory, except as provided in paragraph B-1. The board shall ensure that each new edition of a code or standard adopted under this paragraph is reviewed by the board, and that each code or standard adopted under paragraph B is either the most recent edition or the edition previous to the most recent edition of that code or standard;

B-1. Ensure the following in adopting and amending the Maine Uniform Building and Energy Code:

(1) That historic preservation is a policy priority by ensuring that:

(a) Provisions of model codes and standards intended to facilitate the continued use or adaptive reuse of historic buildings are maintained in the adopted versions of the Maine Uniform Building and Energy Code; and

(b) The board proactively identifies additional or alternative compliance means and methods for historic buildings in the adoption and amendment of the Maine Uniform Building and Energy Code;

(2) That nontraditional or experimental construction, including but not limited to straw bale, mass timber and earth berm construction, is permissible under the Maine Uniform Building and Energy Code;

(3) That building materials from local sawmills, including but not limited to non-graded lumber, are permissible under the Maine Uniform Building and Energy Code; and

(4) That buildings used to house livestock or harvested crops are not subject to the Maine Uniform Building and Energy Code;

C. Adopt rules for the review and adoption of amendments to the Maine Uniform Building and Energy Code, including:

(1) A process for consideration of amendment proposals submitted by municipalities, county, regional or state governmental units, professional trade organizations and the public;

(2) A requirement that amendments that are more restrictive than the national minimum

standard be accompanied by an economic impact statement that includes:

(a) An identification of the types and an estimate of the number of the small businesses subject to the proposed amendment;

(b) The projected reporting, record-keeping and other administrative costs required for compliance with the proposed amendment, including the type of professional skills necessary for preparation of the report or record;

(c) A brief statement of the probable impact on affected small businesses; and

(d) A description of any less intrusive or less costly, reasonable alternative methods of achieving the purposes of the proposed amendment;

(3) A process for reviewing and evaluating criteria to identify whether an amendment is needed to:

(a) Address a critical life or safety need, a specific state policy or statute or a unique character of the State;

(b) Ensure consistency with state rules or federal regulations; or

(c) Correct errors and omissions;

(4) Timelines governing the filing of amendments and a process to establish an annual adoption cycle; and

(5) A process for publication of adopted amendments within 30 days of adoption;

D. Identify and resolve conflicts between the Maine Uniform Building and Energy Code and the fire safety codes and standards adopted pursuant to Title 25, section 2452. The board shall develop rules designed to resolve these conflicts, which must include:

(1) Notification to the authority or authorities having jurisdiction over the code or standard that is in conflict with the Maine Uniform Building and Energy Code and a request for submission of proposed solutions for such conflicts;

(2) Procedures for consideration of proposed solutions submitted by the authority or authorities having jurisdiction over the code or standard that is in conflict with the Maine Uniform Building and Energy Code and consideration of new approaches to resolving the conflict; and

(3) Publication of resolution of the conflict within 30 days of adoption;

E. On January 31st of each calendar year beginning in 2011, report to the joint standing committee of the Legislature having jurisdiction over business, research and economic development matters any proposals for proposed conflict resolutions for codes and standards referenced in section 9725, subsections 2 to 7; proposals to improve the efficiency and effectiveness of those codes and standards; and alternative methods of funding for the board to create an equitable source of revenue;

F. Develop technical advisory groups of experts and interest group representatives as necessary to provide the board with detailed information and recommendations on amendments to the Maine Uniform Building and Energy Code, national model codes revisions and conflict resolution with other building-related codes and standards adopted in the State. The board may direct the technical advisory groups to identify economic impacts on small businesses, housing affordability, construction costs, life-cycle costs or code enforcement costs of proposed changes to the code;

G. In accordance with section 9723, ensure that training and certification regarding the Maine Uniform Building and Energy Code is readily available, affordable and accessible to municipal building officials; and

~~H. Make historic preservation a policy priority in the adoption and amendment of the Maine Uniform Building and Energy Code.~~

~~(1) Provisions of model codes and standards intended to facilitate the continued use or adaptive reuse of historic buildings must be maintained in the adopted versions of the Maine Uniform Building and Energy Code.~~

~~(2) The board shall proactively identify additional or alternative compliance means and methods for historic buildings in the adoption and amendment of the Maine Uniform Building and Energy Code;~~

I. Approve methods of energy performance rating for use in generating any consumer information labels that may be required in the marketing and sale of residential and commercial buildings or units within buildings;

~~J. In the adoption and amendment of the Maine Uniform Building and Energy Code, ensure that nontraditional or experimental construction, including but not limited to straw bale and earth berm construction, is permissible under the code;~~

~~K. In the adoption and amendment of the Maine Uniform Building and Energy Code, ensure that~~

~~building materials from local sawmills, including but not limited to nongraded lumber, are permissible under the code;~~

~~L. In the adoption and amendment of the Maine Uniform Building and Energy Code, adopt the standards for residential basement wall insulation under the 2006 edition of the International Energy Conservation Code published by the International Code Council;~~

~~M. Adopt, amend and maintain the Maine Uniform Building Code and the Maine Uniform Energy Code; and~~

~~N. In the adoption and amendment of the Maine Uniform Building and Energy Code, ensure that buildings used to house livestock or harvested crops are not subject to the code.~~

Sec. 5. 10 MRSA §9724, sub-§1, as amended by PL 2011, c. 408, §4, is further amended to read:

1. Limitations on home rule authority. This chapter provides express limitations on municipal home rule authority. The Maine Uniform Building and Energy Code must be enforced in a municipality that has more than 4,000 residents ~~and that has adopted any building code by August 1, 2008. Beginning July 1, 2012, the Maine Uniform Building and Energy Code must be enforced in a municipality that has more than 4,000 residents and that has not adopted any building code by August 1, 2008.~~ The Maine Uniform Building and Energy Code must be enforced through inspections that comply with Title 25, section 2373.

Sec. 6. 10 MRSA §9724, sub-§1-A, as enacted by PL 2011, c. 408, §5, is amended to read:

1-A. Municipalities up to 4,000 residents. A municipality of up to 4,000 residents is not required to enforce, but may not adopt or enforce a building code other than the Maine Uniform Building Code, the Maine Uniform Energy Code or the Maine Uniform Building and Energy Code. ~~Notwithstanding any other provision of this chapter or Title 25, chapter 314, the provisions of the Maine Uniform Building Code, the Maine Uniform Energy Code or the Maine Uniform Building and Energy Code do not apply in a municipality that has 4,000 or fewer residents except to the extent the municipality has adopted that code pursuant to this subsection.~~

Sec. 7. 25 MRSA §2373, first ¶, as amended by PL 2011, c. 408, §6, is further amended to read:

The code must be enforced in a municipality that has more than 4,000 residents ~~and that has adopted any building code by August 1, 2008. Beginning July 1, 2012, the code must be enforced in a municipality that has more than 4,000 residents and that has not adopted any building code by August 1, 2008.~~ The code must be enforced through inspections that comply with the code through any of the following means:

**An Act To Increase the
Supplement for Certain
National Board for
Professional Teaching
Standards Certified Teachers
in Maine**

**Be it enacted by the People of the State of
Maine as follows:**

Sec. 1. 20-A MRSA §13013-A, sub-§1, as amended by PL 2011, c. 702, §2, is further amended to read:

1. Department of Education salary supplement. Notwithstanding any other provision of law, the Department of Education shall provide a public school teacher or a teacher in a publicly supported secondary school who has attained certification from the National Board for Professional Teaching Standards, or its successor organization, with an annual national board certification salary supplement for the life of the certificate. The salary supplement must be added to the teacher's base salary and must be considered in the calculation for contributions to the Maine Public Employees Retirement System. If a nationally certified teacher is no longer employed as a teacher, the supplement ceases. The amount of the salary supplement is:

A. For fiscal year 2012-13, \$2,500;

- B. For fiscal year 2013-14, \$2,750; ~~and~~
- C. For fiscal year 2014-15 and succeeding years, except for a teacher under paragraph D, \$3,000; and
- D. For fiscal year 2020-21 and succeeding years, for a teacher who is employed in a school in which at least 50% of students qualify for a free or reduced-price lunch under chapter 223, subchapter 7 during the year that the supplement is provided, \$5,000.

Sec. 2. Report. The Department of Education shall calculate the full funding necessary to fund 100% of the costs of the increase in the national board certification salary supplement pursuant to the Maine Revised Statutes, Title 20-A, section 13013-A, subsection 1 for fiscal year 2020-21 and 100% of the costs of the funding necessary to fund the National Board Certification Scholarship Fund for fiscal year 2020-21. The department shall report on its findings to the Joint Standing Committee on Education and Cultural Affairs no later than January 1, 2020. The Joint Standing Committee on Education and Cultural Affairs may submit a bill related to the department's findings to the Second Regular Session of the 129th Legislature.

An Act To Exclude Collectively Bargained Salary and Job Promotion Increases from the Earnable Compensation Limitation for Retirement Purposes

Be it enacted by the People of the State of Maine as follows:

Sec. 1. 5 MRSA §17001, sub-§13, ¶C, as repealed and replaced by PL 1999, c. 489, §2, is amended to read:

- C. The following provisions govern limitations on earnable compensation.
 - (1) Notwithstanding the other provisions of this subsection, except as provided in subparagraph (3), for the purposes of determining average final compensation, "earnable compensation" does not include any increase that exceeds the prior year's earnable compensation by more than 5% or that results in a total increase of more than 10% during the 3-year period used in the calculation of average final compensation, unless the cost of the additional actuarial liability arising from the excess

increase is paid by the employer as provided in section 17154. Any payment made under paragraph B, subparagraph (1) must be included in determining the amount of increase in the year in which the payment is made. This subparagraph does not apply to excess increases resulting from compensation paid prior to July 1, 1993, from compensation paid in accordance with an individual employment contract executed prior to July 1, 1993 or a collective bargaining agreement executed or ratified in its final form by final vote of one party to the agreement prior to July 1, 1993 for the initial term of that contract or agreement or from other action by the governing body of a school administrative unit in effect on July 1, 1993. This subparagraph does not apply to increases in compensation of state employees during fiscal year 1993-94 and fiscal year 1994-95. In all circumstances in which this subparagraph does not apply to earnable compensation of state employees and teachers, the provisions of this subparagraph that were in effect prior to June 30, 1993 apply. This subparagraph does not apply to earnable compensation of employees of participating local districts.

(2) Effective October 1, 1999, the 5% limitation and the 10% limitation on increases in earnable compensation set out in subparagraph (1) may not be changed to a lower percentage for members who, on October 1, 1999 or thereafter, meet the creditable service requirement for eligibility to receive a service retirement benefit, at the applicable age if so required, under section 17851 or section 17851-A, subsection 2.

(3) Collectively bargained salary or wage increases pursuant to Title 26, chapter 9-A, 9-B or 12 or job promotion may not be considered in calculating salary or wage increases for the purposes of subparagraph (1).

CHAPTER 396

H.P. 1201 - L.D. 1677

An Act To Allow Reentry Houses as Part of Supervised Community Confinement

Be it enacted by the People of the State of Maine as follows:

Sec. 1. 34-A MRSA §3036-B is enacted to read:

§3036-B. Reentry houses

1. Reentry house defined; requirement. For purposes of this section, "reentry house" means a correctional program provided by the department through a written contract with one or more private employers under which the employers provide and maintain housing for specified prisoners, employ those prisoners and provide to those prisoners all meals, laundry facilities and transportation to and from job sites. A reentry house is not a correctional facility. A reentry house must meet all state and local building and life safety codes for the type of building in which the reentry house is located.

2. Contract. The commissioner may enter into contracts for the establishment of reentry houses for the purpose of providing housing and other assistance to prisoners transferred to supervised community confinement under section 3036-A.

3. Other assistance. The department shall employ, or contract for, program staff to provide other assistance to prisoners housed at a reentry house, including, but not limited to, assistance with reentry planning.

4. Transfer. A prisoner may be transferred to supervised community confinement to be housed in a reentry house only if the prisoner meets all of the eligibility requirements of section 3036-A and the rules adopted by the commissioner pursuant to section 3036-A, has successfully participated in a work release program at a department facility and has the skills necessary to perform a job available from a private employer with which the department has contracted.

5. Supervision. All of the provisions of section 3036-A and the rules adopted by the commissioner pursuant to section 3036-A apply to a prisoner housed at a reentry house, and supervision of the prisoner must be conducted by a probation officer in the same manner as for any other prisoner transferred to supervised community confinement.

6. Escape. A prisoner who is transferred to supervised community confinement who intentionally violates a requirement to reside at a reentry house or otherwise escapes is guilty of escape under Title 17-A, section 755.

CHAPTER 397**H.P. 1268 - L.D. 1783****An Act To Amend the Motor Vehicle Laws**

Be it enacted by the People of the State of Maine as follows:

Sec. 1. 29-A MRSA §106, as enacted by PL 1993, c. 683, Pt. A, §2 and affected by Pt. B, §5, is amended to read:

§106. Enforcement of laws pertaining to dealers, transporters and automobile graveyards

All state, county and local law enforcement officers and all ~~investigators~~ motor vehicle detectives appointed by the Secretary of State pursuant to section 152, subsection 2 shall expeditiously enforce the provisions of chapter 9; section 1612; Title 10, chapter 217; and Title 30-A, chapter 183, subchapter 1 as it relates to automobile graveyards.

Sec. 2. 29-A MRSA §409, sub-§2, ¶A, as amended by PL 2017, c. 67, §1, is further amended to read:

A. ~~Submitted a dealer's certificate in a form prescribed by the State Tax Assessor a properly completed bill of sale, showing either that:~~

- (1) The sales tax due has been collected by the dealer; or
- (2) The sale of the vehicle is not subject to tax; or

Sec. 3. 29-A MRSA §409, sub-§3, as amended by PL 2017, c. 67, §1, is further amended to read:

3. Collection fee. ~~Each official shall retain from the use taxes collected a fee of~~ The Secretary of State must be reimbursed by the State Tax Assessor \$1.25 ~~for each vehicle per use tax certificate processed~~, even if a certificate indicates that no use tax is due.

Retained fees must be transmitted to the Treasurer of State and credited to the Highway Fund.

Taxes collected must be transmitted to the Treasurer of State and credited to the General Fund.

Sec. 4. 29-A MRSA §453, sub-§3-A, ¶E, as enacted by PL 2015, c. 206, §2, is amended to read:

E. ~~The Secretary of State finds consists~~ Consists of language that encourages violence or may result in an act of violence or other unlawful activity because of the content of the language requested by the registrant.

Sec. 5. 29-A MRSA §456-C, sub-§5, as enacted by PL 2007, c. 240, Pt. LLLL, §2, is repealed.

Sec. 6. 29-A MRSA §462, sub-§8, as amended by PL 2003, c. 132, §1, is repealed.

Sec. 7. 29-A MRSA §462, sub-§11, as enacted by PL 2003, c. 452, Pt. Q, §5 and affected by Pt. X, §2, is amended to read:

11. Records. A person issued temporary registration plates by the Secretary of State shall maintain a written record on a form prescribed by the Secretary of State of the use or disposal of every plate. The record

must be available for inspection by the Secretary of State at the person's place of business and must be submitted annually upon application for renewal of a dealer license. A person who violates this subsection commits a traffic infraction.

Sec. 8. 29-A MRSA §467, as enacted by PL 1995, c. 645, Pt. C, §7, is repealed.

Sec. 9. 29-A MRSA §468-A, sub-§10, as enacted by PL 2007, c. 383, §6, is amended to read:

10. Limit on authorization. The Secretary of State shall retire and cease to issue any plate authorized after January 1, 2007 ~~upon the occurrence of the earlier of:~~

A. When the number of sets of the plate issued falls below 4,000 for more than one year; ~~and~~

B. ~~Ten years after the date of authorization.~~

Sec. 10. 29-A MRSA §512, sub-§3, as enacted by PL 1997, c. 776, §16, is amended to read:

3. Permanent registration program. A person registering ~~30,000~~ 20,000 or more semitrailers may be issued 25-year permanent registrations. For the purposes of this subsection, "permanent registration" means a long-term trailer registration certificate and plate with an expiration date of December 31st, 25 years from the year of issue.

A. The fee for each registration is \$80. The fee is nonrefundable.

B. All registrations expire on December 31st, 25 years from the year of issue.

C. The registrant may transfer an unexpired registration to a semitrailer not previously registered to the registrant in this State. The transfer fee is \$20.

D. The Secretary of State may adopt rules to implement this subsection. Rules adopted pursuant to this subsection are routine technical rules as defined in Title 5, chapter 375, subchapter ~~H-A~~ 2-A.

Sec. 11. 29-A MRSA §523, sub-§7, as amended by PL 2013, c. 586, Pt. I, §1, is repealed.

Sec. 12. 29-A MRSA §532, sub-§8, as enacted by PL 1993, c. 683, Pt. A, §2 and affected by Pt. B, §5, is amended to read:

8. Presentation of credentials. Upon request of any law enforcement officer, an operator of a motor vehicle registered pursuant to the plan must present temporary or permanent credentials for inspection. The credentials must be a legible original, legible copy or legible electronic image in compliance with the provisions of the plan governing credentials for apportioned registrations under the plan.

Sec. 13. 29-A MRSA §652, sub-§18, as amended by PL 2019, c. 141, §1, is further amended to read:

18. Vehicle model year at least 20 years old. A vehicle that is at least 20 years old according to its model year at the time of sale or transfer of ownership to a recycler, salvage vehicle dealer or scrap processor if:

A. The recycler, salvage vehicle dealer or scrap processor obtains the seller's name and the address of the seller's residence from a government-issued photograph identification document or credential and maintains the seller's name and address and vehicle identification number of the scrapped vehicle for a period of at least ~~one year~~ 5 years; and

B. The recycler, salvage vehicle dealer or scrap processor accurately reports the destruction of the vehicle to the Secretary of State within 30 days in a manner prescribed by the Secretary of State.

Violation of this subsection is a traffic infraction.

This subsection applies only to vehicles that are scrapped. For purposes of this subsection, a government-issued photograph identification document or credential includes, but is not limited to, a current and valid United States passport, military identification, driver's license or nondriver identification card.

Sec. 14. 29-A MRSA §667, sub-§3, as enacted by PL 1993, c. 683, Pt. A, §2 and affected by Pt. B, §5, is amended to read:

3. Surrender and cancellation of certificate. Surrender and cancellation of a certificate of title or certificate of salvage must be as follows.

A. An owner who scraps or dismantles a vehicle shall ~~immediately~~ surrender the certificate of title or certificate of salvage to the Secretary of State for cancellation within 30 days of that action.

B. A person who acquires a vehicle to be scrapped or dismantled shall ~~immediately~~ surrender the certificate to the Secretary of State within 30 days of that action. If an owner transfers a vehicle for which a certificate of salvage has not been issued to a salvage dealer ~~or~~ recycler ~~or~~ scrap processor licensed under ~~this~~ chapter 9, the vehicle is deemed declared by the owner to be a salvage vehicle, and the salvage dealer ~~or~~ recycler ~~or~~ scrap processor shall immediately apply for a certificate of salvage for the vehicle in accordance with section 654 within 30 days, unless the vehicle's certificate of title is surrendered in compliance with this subsection.

C. A person who repairs or rebuilds for operation on public ways a salvage vehicle shall comply with subsection 4 and shall:

(1) If the vehicle was not insured, obtain the certificate of title from the owner; or

(2) If the vehicle was insured, obtain a certificate of salvage or a certificate of title from

the insurer and apply for a certificate of salvage.

D. A salvage dealer, recycler or scrap processor may retain possession of a certificate of salvage until the recycler scraps or dismantles the vehicle. Once a vehicle is scrapped or dismantled, the salvage dealer, recycler or scrap processor shall deliver the certificate of title or certificate of salvage to the Secretary of State for cancellation within 30 days of that action.

E. Except in the case of a dismantled vehicle that has been repaired or rebuilt, a certificate of title or registration to a scrapped or dismantled vehicle may not be reissued.

Sec. 15. 29-A MRSA §954, sub-§§6 and 7 are enacted to read:

6. Trailer transit plate. A business that delivers or services mobile homes, leases or transports storage trailers or transports light trailers, modular homes or frames for transporting modular homes may apply for a trailer transit license and plate. The transit plate may not be loaned, used in place of registration plates on another vehicle, used for personal reasons or used on the towing vehicle. Issuance of a trailer transit license and plate does not exempt the holder from compliance with any state law or municipal ordinance governing the movement of mobile homes, storage trailers, modular homes or frames for transporting modular homes or light trailers over the highways of this State and does not exempt the holder from required permits or certificates prior to moving the vehicles. Trailer transit plates issued pursuant to this subsection may be used only subject to the following conditions.

A. A storage trailer must be empty during transportation.

B. A light trailer may be transported with a load appropriate for the light trailer, as long as the load is owned by or in the custody of the transporting business.

C. A light trailer may be transported with a trailer transit plate only if the business owner or an employee of the business accompanies the vehicle transporting the light trailer.

Fees for trailer transit licenses and plates are established in section 852. Trailer transit licenses are exempt from section 951, subsection 6.

For purposes of this subsection, "business" means a corporation, firm, partnership, joint venture, sole proprietorship or other commercial entity. For the purposes of this subsection, "modular home" has the same meaning as in Title 30-A, section 4358, subsection 1, paragraph A, subparagraph (2).

A person who violates this subsection commits a traffic infraction.

7. Expiration date. A trailer transit plate under subsection 6 expires annually on the last day of the month of March.

Sec. 16. 29-A MRSA §1110, sub-§1, as enacted by PL 1993, c. 683, Pt. A, §2 and affected by Pt. B, §5, is amended to read:

1. Record keeping. A licensee shall maintain business records for 5 years, including a record of:

A. Every vehicle or component part received or disposed of; its make, model, model year, vehicle identification number and any other part identifying number; the date of its receipt or disposition; and the name and address of the person from whom received or to whom given; and

A-1. Every component part, as defined in section 602, subsection 2, received or disposed of; its part identifying number; the date of its receipt or disposition; and the name and address of the person from whom received or to whom given;

B. Every vehicle scrapped or dismantled by the licensee, the date of that action and the vehicle's make, model, model year and vehicle identification number; and

C. The seller's name and address from a government-issued photograph identification document or credential. For purposes of this subsection, "government-issued photograph identification document or credential" includes, but is not limited to, a current and valid United States passport, military identification card, driver's license or nondriver identification card.

A licensed mobile crusher must maintain an operator log for each location. The log must contain the make, model, model year and vehicle identification number of each vehicle crushed and the date of that action.

A scrap processor is exempt from the requirements set forth in paragraph A ~~A-1~~ for vehicles received that are already dismantled.

Sec. 17. 29-A MRSA §1110, sub-§3, as enacted by PL 1993, c. 683, Pt. A, §2 and affected by Pt. B, §5, is amended to read:

3. Compliance with federal law. In the keeping of records, a licensee shall comply with the federal Truth in Mileage Act of 1986, Public Law 99-579, as amended, and the regulations of the United States Secretary of Transportation, 49 Code of Federal Regulations, Part 580. A licensee shall comply with the federal Anti Car Theft Act of 1992, Public Law 102-519, as amended, 49 United States Code, Section 30502 and the Code of Federal Regulations, Part 25.56.

Sec. 18. 29-A MRSA §1111, as enacted by PL 1993, c. 683, Pt. A, §2 and affected by Pt. B, §5, is repealed.

Sec. 19. 29-A MRSA §1304, sub-§4-A, ¶G, as enacted by PL 2013, c. 381, Pt. B, §16, is amended to read:

G. The commercial learner's permit is valid for no more than ~~180 days~~ one year from the date of issuance. ~~The Secretary of State may renew the commercial learner's permit for an additional 180 days without requiring the commercial learner's permit holder to retake the general and endorsement knowledge tests.~~

Sec. 20. 29-A MRSA §1354, sub-§8, as amended by PL 2011, c. 556, §20, is further amended to read:

8. Suspension or revocation of license; hearings. The Secretary of State may suspend, revoke or refuse to issue or renew a driver education school or instructor license or deny a certificate of completion for just cause or for noncompliance with statutory and regulatory requirements in accordance with the Maine Administrative Procedure Act. A person refused a license or denied a certificate of completion or whose license is suspended or revoked may request a hearing with the Secretary of State. A requested hearing must be conducted pursuant to chapter 23, subchapter 2 3, article 3.

Sec. 21. 29-A MRSA §1404, as amended by PL 2009, c. 598, §34, is further amended to read:

§1404. Design layout or marking of license of a minor

The Secretary of State shall provide that a license issued to a person less than 21 years of age bears a distinctive ~~color code~~ design layout or marking.

Sec. 22. 29-A MRSA §1404-A, as enacted by PL 2007, c. 123, §1, is amended to read:

§1404-A. Deaf or hard-of-hearing designation

The Secretary of State shall, at the request of a person who is deaf or hard-of-hearing, ~~issue a sticker to that person to place in a location designated by the Secretary of State on the back of the person's print a~~ driver's license or nondriver identification card with a distinctive marker or code to indicate that the person is deaf or hard-of-hearing. The Secretary of State may require appropriate documentation that a person is deaf or hard-of-hearing before issuing ~~the sticker~~ the driver's license or nondriver identification card. For purposes of this section, the terms "deaf person" and "hard-of-hearing person" have the same meanings as in section 1358, subsection 1.

Sec. 23. 29-A MRSA §1405, sub-§4, as amended by PL 2013, c. 381, Pt. B, §23, is further amended to read:

4. Change of information. When any change is made on ~~an operator's photograph or digitized a driver's license or~~ nondriver identification card, registra-

tion certificate or learner's permit, that updated driver's license or ~~nondriver identification card, registration certificate or learner's permit~~ is considered a duplicate.

Sec. 24. 29-A MRSA §1410, sub-§2, as amended by PL 2013, c. 51, §6, is further amended to read:

2. Issuance of card; contents. Except as provided by section 1255, upon receipt of a completed application and payment of a fee of \$5, the Secretary of State shall issue a nondriver identification card to the applicant. If an applicant is the holder of a motor vehicle driver's license bearing a photograph or digital image of the individual and issued under this chapter, the Secretary of State or the Secretary of State's representative may refuse to issue a nondriver identification card. The Secretary of State shall provide that a nondriver identification card issued to a person less than 21 years of age has a distinctive ~~color code~~ design layout or marking. Each nondriver identification card must contain:

- A. The applicant's photograph or digital image;
- B. The applicant's name and address;
- C. The applicant's date of birth; and
- E. Any other information and identification that the Secretary of State by rule requires.

Sec. 25. 29-A MRSA §2054, sub-§1, ¶B, as amended by PL 2017, c. 229, §32, is further amended to read:

B. "Authorized emergency vehicle" means any one of the following vehicles:

- (1) An ambulance;
- (2) A Baxter State Park Authority vehicle operated by a Baxter State Park ranger;
- (3) A Bureau of Marine Patrol vehicle operated by a coastal warden;
- (4) A Department of Agriculture, Conservation and Forestry vehicle operated by a forest ranger;
- (5) A Department of Agriculture, Conservation and Forestry vehicle used for forest fire control;
- (6) A Department of Corrections vehicle used for responding to the escape of or performing the high-security transfer of a prisoner, juvenile client or juvenile detainee;

CHAPTER 398
H.P. 1270 - L.D. 1785

**An Act To Amend Certain
Education Laws**

Be it enacted by the People of the State of Maine as follows:

Sec. 1. 5 MRSA §20005, sub-§§19 and 20, as amended by PL 2005, c. 674, §1, are further amended to read:

19. Fiscal and program accountability. Enhance its current efforts to ensure fiscal and program accountability for the services it purchases and provides; and

20. Review policies. Review the full range of public policies and strategies existing in State Government to identify changes that would strengthen its response, identify policies that might discourage excessive consumption of alcohol and other drugs and generate new funding for alcohol and other drug services; and.

Sec. 2. 20 MRSA §3457, as amended by PL 1977, c. 563, §3 and c. 625, §5, is repealed.

Sec. 3. 20 MRSA §3458, as corrected by RR 2011, c. 2, §16, is repealed.

Sec. 4. 20 MRSA §3459, as amended by PL 1989, c. 700, Pt. A, §§42 and 43, is repealed.

Sec. 5. 20 MRSA §3460, as amended by PL 1989, c. 700, Pt. A, §44, is repealed.

Sec. 6. 20-A MRSA §256, sub-§6, as enacted by PL 1989, c. 518, Pt. A, §1, is repealed.

Sec. 7. 20-A MRSA §256, sub-§11 is enacted to read:

11. Resources for people with disabilities. The department shall develop and maintain a comprehensive database of resources for people with disabilities on the department's publicly accessible website.

Sec. 8. 20-A MRSA §405, sub-§8, as enacted by PL 1987, c. 140, §2, is repealed.

Sec. 9. 20-A MRSA §1311, sub-§3, ¶E, as enacted by PL 1981, c. 693, §§5 and 8, is amended to read:

E. The board of directors of a district ~~which that~~ has received a certificate of approval of a school construction project pursuant to former Title 20, section 3458 to be paid in accordance with the alternate method prescribed in former Title 20, section 3460, may borrow in anticipation of unpaid portions of state aid and may issue temporary and renewal notes.

Sec. 10. 20-A MRSA §1490, sub-§3, ¶E, as enacted by PL 2007, c. 240, Pt. XXXX, §13, is amended to read:

E. A regional school unit board that has received a certificate of approval of a school construction project pursuant to former Title 20, section 3458 to be paid in accordance with the alternate method prescribed in former Title 20, section 3460 may borrow in anticipation of unpaid portions of state aid and may issue temporary and renewal notes.

Sec. 11. 20-A MRSA §1490, sub-§6, ¶¶D and E, as enacted by PL 2007, c. 240, Pt. XXXX, §13, are amended to read:

D. If the issuance of bonds or notes together with all outstanding indebtedness included within the regional school unit's limit of indebtedness would cause the regional school unit's indebtedness to exceed 10% of the total of the last preceding state valuation of all the municipalities within the regional school unit, the regional school unit board may not issue those bonds or notes until it has received a certificate of approval pursuant to former Title 20, section 3458.

E. If a certificate of approval under former Title 20, section 3458 indicates that the state board has authorized state aid to be paid in accordance with the alternate method prescribed by former Title 20, section 3460, the total estimated amount of state aid payable on account of the school construction project described in the certificate of approval must be treated as outstanding school indebtedness for the purpose of computing the borrowing capacity of the regional school unit to finance that project by issuing its bonds or notes. State aid is determined by applying the applicable percentage of state aid to the total estimated cost of the project, as set forth in the certificate of approval.

Sec. 12. 20-A MRSA §2405, sub-§4, as amended by PL 2015, c. 448, §5, is further amended to read:

4. Reporting and evaluation. An authorizer shall submit to the commissioner and the Legislature an annual report within ~~90~~ 150 days of the end of each school fiscal year summarizing:

A. The authorizer's strategic vision for chartering and progress toward achieving that vision;

B. The performance of all operating public charter schools overseen by the authorizer, according to the performance measures and expectations specified in the charter contracts;

C. The status of the authorizer's public charter school portfolio of approved charter applications, identifying all public charter schools within that portfolio as:

- (1) Approved, but not yet open;
- (2) Operating;
- (3) Renewed;
- (4) Transferred;
- (5) Terminated;
- (6) Closed; or
- (7) Never opened;

D. The oversight and services provided by the authorizer to the public charter schools under the authorizer's purview; and

E. The total amount of funds collected from each public charter school the authorizer authorized pursuant to subsection 5, paragraph B and the costs incurred by the authorizer to oversee each public charter school.

Sec. 13. 20-A MRSA §2413, sub-§2, ¶A, as amended by PL 2013, c. 272, §2, is further amended to read:

A. For each public charter school student, the school administrative unit in which the student resides must forward the per-pupil allocation to the public charter school attended by the student as follows.

(1) The per-pupil allocation amount is the EPS per-pupil rate for the school administrative unit in which the student resides, as calculated pursuant to section 15676, based on the student's grade level and adjusted as appropriate for ~~economic disadvantage~~ economically disadvantaged students and ~~limited English proficiency learners~~ pursuant to section 15675, subsections 1 and 2. Debt service and capital outlays may not be included in the calculation of these per-pupil allocations. The department shall adopt rules governing how to calculate these per-pupil allocations, including those for targeted funds for assessment technology and kindergarten to grade 2 programs.

(2) For students attending public charter schools, the school administrative unit of residence shall forward the per-pupil allocations described in subparagraph (1) directly to the public charter school attended. These per-pupil allocations must be forwarded to each public charter school on a quarterly basis, as follows. For each fiscal year, allocations must be made in quarterly payments on September 1st, December 1st, March 1st and June 1st. The September and December payments must be based on the identity and number of students enrolled or anticipated to be enrolled in the public charter school at the

opening of school for that school year. The number of students may not exceed the maximum enrollment approved in the charter contract for that year unless a waiver is obtained from the authorizer. The March and June payments must be based on the identity and number of students enrolled in the public charter school on February 1st.

(3) For transportation expenses, the average per-pupil expense in each school administrative unit of residence must be calculated and an amount equal to a proportion, up to but not more than 100%, of that per-pupil allocation amount must be forwarded to the public charter school attended on the same basis as the per-pupil allocations for operating funds. The percentage of that per-pupil expense must be determined by the authorizer of the public charter school and must be based on the cost of transportation services provided by the public charter school to the student.

(4) The department shall pay to the public charter school any additional allocation assigned to the public charter school for gifted and talented students pursuant to section 15681-A, subsection 5 in the year in which the allocation is assigned.

A school administrative unit is not required to send funds to a public charter school for a student enrolled in the public charter school's preschool or prekindergarten program if the school administrative unit of the student's residence does not offer that program to its own residents.

Sec. 14. 20-A MRSA §2413-A, sub-§2, ¶A, as enacted by PL 2015, c. 54, §5, is amended to read:

A. For each public charter school, the total allocation must be determined as follows.

(1) The total allocation must be calculated pursuant to section 15683-B, based on the student's grade level and adjusted as appropriate for economically disadvantaged students and ~~limited English proficiency students~~ learners pursuant to section 15675, subsections 1 and 2. Debt service and capital outlays may not be included in the calculation of these allocations. The department shall adopt rules governing how to calculate per-pupil allocations, including those for targeted funds for assessment, technology and kindergarten to grade 2 programs.

(2) For students attending public charter schools, the payments for public charter schools must be made pursuant to section 15683-B, subsection 6.

(3) For transportation expenses, the transportation operating allocation must be the statewide per-pupil essential programs and services transportation operating allocation multiplied by pupil counts determined under section 15683-B, subsection 2, paragraph A multiplied by the percentage established by the commission for the public charter school based on the cost of transportation services provided by the public charter school to the student, but not to exceed 100%.

(4) The department shall pay to the public charter school any additional allocation assigned to the public charter school for gifted and talented students pursuant to section 15681-A, subsection 5 in the year in which the allocation is assigned.

Sec. 15. 20-A MRSA §3252, sub-§1, as repealed and replaced by PL 1985, c. 490, §3, is amended to read:

1. Elementary school privileges provided. The commissioner may provide elementary schooling for resident children by establishing and maintaining such elementary schools as may seem advisable or by sending these children as tuition students to a public or private elementary schools elsewhere in the State school approved for tuition purposes under section 2951.

Sec. 16. 20-A MRSA §3252, sub-§6, as repealed and replaced by PL 1985, c. 490, §3, is amended to read:

6. Studies outside the country. The commissioner may, in his the commissioner's discretion, make special arrangements for children in the unorganized territory to attend a public school in the adjoining territory of the Province of Quebec and may pay tuition for those students.

3. Return required. An apportionment provided in this chapter, chapters 505 and 606-B, and section 13601, ~~and Title 20, section 3457~~, may not be paid to a school administrative unit by the Treasurer of State until returns required by law have been filed with the commissioner.

Sec. 28. 20-A MRSA §15401, sub-§4 is enacted to read:

4. Rural school administrative unit. For purposes of allocating federal funds under the federal Every Student Succeeds Act of 2015, 20 United States Code, Chapter 70, Subchapter V, "rural school administrative unit" means a school administrative unit in which no single municipality within the school admin-

istrative unit has a population over 8,000 residents for purposes of federal funding under the Every Student Succeeds Act.

Sec. 29. 20-A MRSA §15671, sub-§1, as amended by PL 2017, c. 284, Pt. C, §15, is further amended to read:

1. State and local partnership. The State and each local school administrative unit are jointly responsible for contributing to the cost of the components of essential programs and services described in this chapter. ~~Except as otherwise provided in this subsection, for each fiscal year, the total cost of the components of essential programs and services may not exceed the prior fiscal year's costs multiplied by one plus the average personal income growth rate as defined in Title 5, section 1665, subsection 1. The Legislature, by an affirmative vote of each House, may exceed the limitations on increases in the total cost of the components of essential programs and services provided in this subsection, as long as that vote is taken upon legislation stating that it is the Legislature's intent to override the limitation for that fiscal year.~~ The state contribution to the cost of the components of essential programs and services must be made in accordance with this subsection:

A. The level of the state share of funding attributable to the cost of the components of essential programs and services must be at least 50% of eligible state and local General Fund education costs statewide, no later than fiscal year 2006-07; and

B. By fiscal year 2008-09 the state share of the total cost of funding public education from kindergarten to grade 12, as described by essential programs and services, must be 55%. Beginning in fiscal year 2005-06 and in each fiscal year until fiscal year 2008-09, the state share of essential programs and services described costs must increase toward the 55% level required in fiscal year 2008-09.

Beginning in fiscal year 2005-06 and in each fiscal year thereafter, the commissioner shall use the funding level determined in accordance with this section as the basis for a recommended funding level for the state share of the cost of the components of essential programs and services.

Sec. 30. 20-A MRSA §15672, sub-§7-B is enacted to read:

7-B. English learner. "English learner" means a student who has a primary or home language other than English, as determined by a language use survey developed by the department; who is not yet proficient in English, as determined by a state-approved English language proficiency assessment; and who satisfies the definition of an English learner under the federal Ele-

mentary and Secondary Education Act of 1965, as amended, 20 United States Code, Chapter 70.

Sec. 31. 20-A MRSA §15672, sub-§18, as enacted by PL 2003, c. 504, Pt. A, §6, is repealed.

Sec. 32. 20-A MRSA §15675, sub-§1, as amended by PL 2007, c. 539, Pt. C, §§6 to 8, is further amended to read:

1. English learners. The additional weights for school administrative units with ~~limited English proficiency students~~ learners are as follows:

A. For a school administrative unit with 15 or fewer ~~limited English proficiency students~~ learners, the unit receives an additional weight of .70 per student;

B. For a school administrative unit with more than 15 and fewer than 251 ~~limited English proficiency students~~ learners, the unit receives an additional weight of .50 per student;

C. For a school administrative unit with 251 or more ~~limited English proficiency students~~ learners, the unit receives an additional weight of .525 per student; and

Eligibility for state funds under this subsection is limited to school administrative units that are providing services to ~~limited English proficiency students~~ learners through programs approved by the department.

Sec. 33. 20-A MRSA §15683, sub-§1, ¶¶A and B, as amended by PL 2005, c. 2, Pt. D, §47 and affected by §§72 and 74 and c. 12, Pt. WW, §18, are further amended to read:

A. The product of the school administrative unit's kindergarten to grade 8 EPS per-pupil rate multiplied by the total of the kindergarten to grade 8 portions of the following pupil counts:

(1) The pupil count set forth in section 15674, subsection 1, paragraph C;

(2) The additional weight for ~~limited English proficiency students~~ learners calculated pursuant to section 15675, subsection 1; and

(3) The additional weight for economically disadvantaged students calculated pursuant to section 15675, subsection 2;

B. The product of the school administrative unit's grade 9 to 12 EPS per-pupil rate multiplied by the total of the grade 9 to 12 portion of the following pupil counts:

(1) The pupil count set forth in section 15674, subsection 1, paragraphs A, B and C;

(2) The additional weight for ~~limited English proficiency students~~ learners calculated pursuant to section 15675, subsection 1; and

(3) The additional weight for economically disadvantaged students calculated pursuant to section 15675, subsection 2;

Sec. 34. 20-A MRSA §15683-B, sub-§2, ¶C, as enacted by PL 2015, c. 54, §6, is amended to read:

C. The number of ~~limited English proficiency students~~ learners for each public charter school is the number of ~~limited English proficiency students~~ learners from the most recent October count prior to the year of funding.

Sec. 35. 20-A MRSA §15683-B, sub-§3, ¶C, as enacted by PL 2015, c. 54, §6, is amended to read:

C. The ~~limited English proficiency student~~ learner allocation, which is the pupil count pursuant to subsection 2, paragraph C multiplied by the additional weight for each ~~limited English proficiency student~~ learner pursuant to section 15675, subsection 1;

Sec. 36. 20-A MRSA §15689, sub-§11, ¶B, as amended by PL 2017, c. 284, Pt. C, §51, is further amended to read:

B. The amount of the adjustment for economically disadvantaged students is the ~~difference, but not less than zero, between the state share of the total allocation under this chapter and the amount computed as the school administrative unit's total allocation for economically disadvantaged students, multiplied by the relevant percentage in subsection 1, paragraph B.~~

Sec. 37. 20-A MRSA §15692, sub-§1, as enacted by PL 2005, c. 2, Pt. D, §62 and affected by §§72 and 74 and c. 12, Pt. WW, §18, is amended to read:

1. School administrative unit. For the purposes of section 15695 and Title 20, sections 3457 to 3460, a special school district is deemed to be a school administrative unit.

Sec. 38. 20-A MRSA §15903, sub-§3, as amended by PL 2011, c. 691, Pt. B, §21, is repealed.

Sec. 39. 20-A MRSA §15908, sub-§1, as amended by PL 2011, c. 691, Pt. B, §22, is further amended to read:

1. Technical assistance. In order to provide the technical assistance required by the state board in assessing proposed school construction projects, the ~~Bureau of General Services~~ department may contract for the services of a professional engineer whenever the ~~bureau~~ department is not employing qualified personnel on a full-time basis.

Sec. 40. 20-A MRSA §15908, sub-§3, as amended by PL 2011, c. 691, Pt. B, §22, is further amended to read:

3. Life-cycle costs. The department and the Bureau of General Services may not approve the plans and specifications of a project that does not meet the requirements of Title 5, chapter 153, subchapter 1-A.

Sec. 41. 30-A MRSA §5953-C, sub-§3, as amended by PL 2007, c. 66, §1, is further amended to read:

3. Proposals; contracts. The bank shall solicit proposals from energy service companies and individual vendors of energy service products. Notwithstanding any provision of the law regarding bidding requirements, the bank shall contract with an energy service company or companies or vendor or vendors to provide energy services in municipal and school buildings under the program. Whenever the bid proposals received are substantially equivalent, the bank shall in the contract process select an in-state energy service company or vendor whose primary place of business is within this State. For public school projects, bid proposals for energy efficiency improvements must include plans and specifications that are adequate to permit review by the agencies listed under Title 20-A, section 15903, subsection 3 and that bear the stamp of a licensed professional engineer or licensed architect. ~~The agencies listed in Title 20-A, section 15903, subsection 3 shall review the plans and specifications and approve or disapprove them within a reasonable time period.~~

CHAPTER 399

H.P. 1274 - L.D. 1792

An Act To Ensure Compliance with Federal Family First Prevention Services Legislation

Be it enacted by the People of the State of Maine as follows:

Sec. 1. 22 MRSA §8110 is enacted to read:

§8110. Criminal history record checks for employees of children's residential care facilities

1. Definitions. As used in this section, unless the context otherwise indicates, the following terms have the following meanings.

A. "Federal Bureau of Investigation" means the United States Department of Justice, Federal Bureau of Investigation.

B. "State Police" means the Department of Public Safety, Bureau of State Police.

2. Criminal history; information about criminal records and data obtained. The department shall obtain, in print or electronic format, criminal history record information containing a record of public criminal history record information as defined in Title 16, section 703, subsection 8, from the Maine Criminal Justice Information System, established pursuant to Title 16, section 631, and the Federal Bureau of Investigation, for any staff member of a children's residential care facility in order to comply with the federal family first prevention services legislation. For purposes of this section, "staff member" means an individual who is employed by, or has applied for and may be offered employment at, a children's residential care facility, including a contract employee or self-employed individual, whether or not the individual has direct contact with children. "Staff member" does not include a contractor performing maintenance or repairs at the children's residential care facility who does not have unsupervised access to children at the facility.

3. Fingerprint-based criminal history obtained. A staff member shall consent to and have the staff member's fingerprints taken. The State Police shall take or cause to be taken the fingerprints of a staff member who has consented under this subsection and shall forward the fingerprints to the Department of Public Safety so that the Department of Public Safety may conduct a state and national criminal history record check on the person. The Department of Public Safety shall forward the results obtained to the department. The State Police shall assess a fee set annually by the Department of Public Safety to be paid by the children's residential care facility or the staff member for each criminal history record check required to be performed under this section. Except for the portion of the payment that constitutes the processing fee charged by the Federal Bureau of Investigation, all money received by the State Police under this subsection must be paid to the Treasurer of State, who shall apply the money to the expenses of administration of this section by the Department of Public Safety.

4. Updates to information. The department may request a subsequent criminal history record check under subsection 3 on a staff member as the department determines appropriate, including continuous notifications of updated criminal history record information if a service providing notifications of updated criminal history record information becomes available.

5. Confidentiality. Information obtained pursuant to this section is confidential and may not be disseminated for purposes other than as provided in subsections 6 and 7.

6. Use of information obtained. Criminal history record information obtained pursuant to this section may be used by the department for employment pur-

poses to screen a staff member. The subject of any criminal history record check under subsection 3 may contest any negative decision made by the department based upon the information received pursuant to the criminal history record check.

7. Person's access to information obtained. A person subject to a criminal history record check pursuant to subsection 3 must be notified each time a criminal history record check is performed on the person. A person subject to a criminal history record check under subsection 3 may inspect and review the criminal history record information pursuant to Title 16, section 709 and obtain federal information obtained pursuant to the criminal history record check by following the procedures outlined in 28 Code of Federal Regulations, Sections 16.32 and 16.33.

8. Right of subject to remove fingerprints from record. Upon request from a person subject to a criminal history record check pursuant to subsection 3, the Department of Public Safety shall remove the person's fingerprints from the Department of Public Safety's records and provide written confirmation of the removal to the person.

Sec. 2. 25 MRSA §1542-A, sub-§1, ¶P, as enacted by PL 2017, c. 452, §25 and c. 457, §13, is repealed and the following enacted in its place:

P. Who is licensed under Title 32, chapter 36 and has applied for an expedited license under Title 32, section 18506;

Sec. 3. 25 MRSA §1542-A, sub-§1, ¶¶Q and R, as enacted by PL 2017, c. 457, §13, are amended to read:

Q. Who is an applicant for licensure with the State Board of Nursing as required under Title 32, section 2111, subsection 1; or

R. Who is required to have a criminal background check under Title 22, section 8302-A or 8302-B;

Sec. 4. 25 MRSA §1542-A, sub-§1, ¶¶S and T are enacted to read:

S. Who is required to have a criminal history record check under Title 22, section 2425-A, subsection 3-A; or

T. Who is required to have a criminal history record check under Title 22, section 8110.

Sec. 5. 25 MRSA §1542-A, sub-§3, ¶O, as enacted by PL 2017, c. 452, §26 and c. 457, §15, is repealed and the following enacted in its place:

O. The State Police shall take or cause to be taken the fingerprints of the person named in subsection 1, paragraph P at the request of that person and upon payment of the expenses by that person as required by Title 32, section 2571-A.

Sec. 6. 25 MRSA §1542-A, sub-§3, ¶¶R and S are enacted to read:

R. The State Police shall take or cause to be taken the fingerprints of the person named in subsection 1, paragraph S at the request of that person or the Department of Administrative and Financial Services under Title 22, section 2425-A, subsection 3-A.

S. The State Police shall take or cause to be taken the fingerprints of the person named in subsection 1, paragraph T at the request of that person or the Department of Health and Human Services pursuant to Title 22, section 8110.

Sec. 7. 25 MRSA §1542-A, sub-§4, as amended by PL 2017, c. 452, §27 and c. 457, §16, is repealed and the following enacted in its place:

4. Duty to submit to State Bureau of Identification. It is the duty of the law enforcement agency taking the fingerprints as required by subsection 3, paragraphs A, B and G to transmit immediately to the State Bureau of Identification the criminal fingerprint record. Fingerprints taken pursuant to subsection 1, paragraph C, D, E or F or pursuant to subsection 5 may not be submitted to the State Bureau of Identification unless an express request is made by the commanding officer of the State Bureau of Identification. Fingerprints taken pursuant to subsection 1, paragraph G must be transmitted immediately to the State Bureau of Identification to enable the bureau to conduct state and national criminal history record checks for the Department of Education. The bureau may not use the fingerprints for any purpose other than that provided for under Title 20-A, section 6103. The bureau shall retain the fingerprints, except as provided under Title 20-A, section 6103, subsection 9. Fingerprints taken pursuant to subsection 1, paragraph I and subsection 3, paragraph I must be transmitted immediately to the State Bureau of Identification to enable the bureau to conduct state and national criminal history record checks for the court and the Department of Public Safety, Gambling Control Board, respectively. Fingerprints taken pursuant to subsection 1, paragraph J, K, L or S must be transmitted immediately to the State Bureau of Identification to enable the bureau to conduct state and national criminal history record checks for the Department of Administrative and Financial Services. Fingerprints taken pursuant to subsection 1, paragraph P must be transmitted immediately to the State Bureau of Identification to enable the bureau to conduct state and national criminal history record checks for the Board of Osteopathic Licensure, established in Title 32, chapter 36. Fingerprints taken pursuant to subsection 1, paragraph N must be transmitted immediately to the State Bureau of Identification to enable the bureau to conduct state and national criminal history record checks for the Board of Licensure in Medicine, established in Title 32, chapter 48. Finger-

prints taken pursuant to subsection 1, paragraph Q must be transmitted immediately to the State Bureau of Identification to enable the bureau to conduct state and national criminal history record checks for the State Board of Nursing, established in Title 32, chapter 31. Fingerprints taken pursuant to subsection 1, paragraph O must be transmitted immediately to the State Bureau of Identification to enable the bureau to conduct state and national criminal history record checks under Title 28-B, section 204. Fingerprints taken pursuant to subsection 1, paragraph R or T must be transmitted immediately to the State Bureau of Identification to enable the bureau to conduct state and national criminal history record checks for the Department of Health and Human Services.

S.P. 607 - L.D. 1794

An Act To Amend the Service Fee for Child Support Services

Be it enacted by the People of the State of Maine as follows:

Sec. 1. 19-A MRSA §2103, sub-§3-A, as amended by PL 2011, c. 477, Pt. L, §2, is further amended to read:

3-A. Service fee. In the case of an individual who has never received assistance under a state program and for whom the State has collected at least ~~\$500~~ \$550 in child support, the State shall impose an annual ~~\$25~~ \$35 fee for each child support enforcement case that is:

- A. Retained by the State from child support collected on behalf of the individual after the collected support exceeds ~~\$500~~ \$550;
- B. Paid by the individual applying for services;
- C. Recovered from the noncustodial parent; or
- D. Paid by the State out of its own funds. The annual fee may not be considered as an administrative cost of the State for operation of child support enforcement services and must be considered income to the program under which the individual has received child support enforcement services.

The nonfederal share of the annual fee collected pursuant to this subsection must be deposited as General Fund undedicated revenue.

See title page for effective date.

CHAPTER 401

H.P. 1279 - L.D. 1798

An Act To Amend the Maine Tax Laws

Be it enacted by the People of the State of Maine as follows:

PART A

Sec. A-1. 36 MRSA §192, sub-§2, as enacted by PL 1981, c. 364, §19, is amended to read:

2. Facsimile signature. A facsimile of the written signature of the State Tax Assessor imprinted by or at ~~his the State Tax Assessor's~~ direction ~~upon any license, registration certificate, notice of assessment or statutory demand notice issued by him under authority of this Title shall have~~ has the same validity as ~~his the State Tax Assessor's~~ written signature.

Sec. A-2. 36 MRSA §208, as amended by PL 2017, c. 288, Pt. A, §36, is further amended to read:

§208. Equalization

The State Tax Assessor has the duty of equalizing the state and county taxes among the several towns and unorganized territory. The State Tax Assessor shall equalize and adjust the assessment list of each town, by adding to or deducting from it such amount as will make it equal to its just value as of April 1st. Notice of the proposed valuations of municipalities within each county must be sent annually ~~by certified mail~~ to the chair of the board of assessors, and chair of the board of selectmen in municipalities having selectmen, of each municipality within that county on or before the first day of October. The valuation so determined is subject to review by the State Board of Property Tax Review pursuant to subchapter 2-A, but the valuation finally certified to the Secretary of State pursuant to section 381 must be used for all computations required by law to be based upon the state valuation with respect to municipalities.

Sec. A-3. 36 MRSA §209 is enacted to read:

§209. Adjustment for audits; determination of the State Tax Assessor

1. Audits. If the State Tax Assessor determines that value was improperly excluded from any of the 3 most recently certified state valuations, the State Tax Assessor shall recalculate the equalized just value of that municipality to reflect the requirements of section 305.

A municipality that is aggrieved by a determination of the State Tax Assessor under this section may appeal pursuant to section 272-A.

2. Notifications. If an adjustment is made to a municipality's equalized municipal valuation pursuant

to this section, the State Tax Assessor, in writing, shall make the following notifications:

A. To the municipality, a decision, which must include the findings of fact upon which the decision is based. This written decision constitutes final agency action;

B. To the joint standing committee of the Legislature having jurisdiction over taxation matters, a copy of the decision from paragraph A; and

C. To the Commissioner of Education prior to December 1st, and to the Treasurer of State, any adjustment to state valuation determined under this section and the time period to which the adjustment applies.

3. Effect of modified state valuation. The following provisions apply to an adjustment to state valuation under this section.

A. The Commissioner of Education shall use the adjusted state valuation amount instead of the valuation certified under section 305 in calculating education funding obligations under Title 20-A, chapter 606-B for the following fiscal year.

B. The Treasurer of State shall use the adjusted state valuation amount instead of the valuation certified under section 305 in calculating distributions of state-municipal revenue sharing under Title 30-A, section 5681 for the following fiscal year.

Sec. A-4. 36 MRS §271, sub-§2, ¶A, as amended by PL 2007, c. 466, Pt. A, §57, is further amended to read:

A. Hear and determine appeals according to the following provisions of law:

- (1) The tree growth tax law, chapter 105, subchapter 2-A;
- (2) The farm and open space law, chapter 105, subchapter 10;
- (3) As provided in section 843;
- (4) As provided in section 844;
- (5) Section 272;
- (6) Section 2865; ~~and~~
- (7) The current use valuation of certain working waterfront land law, chapter 105, subchapter 10-A; ~~and~~
- (8) Section 209;

Sec. A-5. 36 MRS §272, sub-§1, as amended by PL 1989, c. 619 and PL 1997, c. 526, §14, is further amended to read:

1. Filing. Any municipality aggrieved shall file a written notice of appeal ~~within 45 days of its receipt of~~

~~notification of the decision of~~ by November 15th, or, if November 15th is a Saturday, Sunday or holiday, the next business day after that November 15th, of the year the determination is made by the Bureau of Revenue Services. The appeal to the board ~~shall~~ must be in writing signed by a majority of the municipal officers, and ~~shall~~ must be accompanied by an affidavit stating the grounds for appeal. A copy of the appeal and the affidavit ~~shall~~ must be served on the Bureau of Revenue Services.

Sec. A-6. 36 MRS §272-A is enacted to read:

§272-A. Appeals of adjusted municipal valuation

The State Board of Property Tax Review shall hear appeals by any municipality aggrieved by the Bureau of Revenue Services' determination of adjusted equalized valuation pursuant to section 209 and render its decision based upon the recorded evidence.

1. Filing. Any municipality aggrieved shall file a written notice of appeal within 45 days of its receipt of notification of the decision of the Bureau of Revenue Services. The appeal to the board must be in writing and signed by a majority of the municipal officers and must be accompanied by an affidavit stating the grounds for appeal. A copy of the appeal and the affidavit must be served on the Bureau of Revenue Services.

2. Hearing. The board shall hear the appeal within a reasonable time of the filing of the appeal by the municipality and shall render its decision no later than November 15th following the date on which the appeal is taken. The board shall order notice of the hearing and give at least 5 days' notice prior to the hearing to the municipality and to the Bureau of Revenue Services.

3. Determination. The Bureau of Revenue Services has the burden of showing that its determination is reasonable and the municipality's claims are unreasonable. The board shall sustain the determination of the Bureau of Revenue Services only upon finding that the bureau's determination is reasonable and the claims of the municipality are unreasonable. If the board does not sustain the bureau's determination, it shall make its own reasonable determination giving due weight to the claims of the municipality and the Bureau of Revenue Services.

4. Powers. The board, after hearing, may raise, lower or sustain the adjusted state valuation as determined by the Bureau of Revenue Services with respect to the municipality that has filed the appeal. The board shall certify its decision to the Bureau of Revenue Services.

5. Procedure following appeal. The valuation determined on appeal must be certified to the Bureau of Revenue Services, which shall, if necessary, incor-

porate the decision in the valuation used pursuant to section 209. If an appeal to the Superior Court or Supreme Judicial Court results in a lowering of the municipality's state valuation, the Treasurer of State shall reimburse with funds appropriated from the General Fund an amount equal to money lost by the municipality due to the use by the State of an incorrect state valuation in any statutory formula used to distribute state funds to municipalities.

Sec. A-7. 36 MRSA §555 is amended to read:

§555. Tenants in common and joint tenants

A tenant in common or a joint tenant may be considered sole owner for the purposes of taxation, unless ~~he~~ the tenant notifies the assessors ~~assessor on or before April 1st in the year in which a separate assessment is first requested~~ what his the tenant's interest is; but when a tax is assessed on lands owned or claimed to be owned in common, or in severalty, any person may furnish the tax collector and provides an accurate description of his the tenant's interest in the land and pay his proportion of such tax; and thereafter his land or interest shall be free of all lien created by such tax property on a form provided by the State Tax Assessor.

Sec. A-8. 36 MRSA §654-A, sub-§1, as enacted by PL 2013, c. 416, §2, is amended to read:

1. Exemption. The residential real estate up to the just value of \$4,000, having a taxable situs in the place of residence, of inhabitants of the State who are legally blind as determined by a properly licensed Doctor of Medicine, Doctor of Osteopathy or Doctor of Optometry is exempt from taxation.

Sec. A-9. 36 MRSA §654-A, sub-§4, as enacted by PL 2013, c. 416, §2, is repealed.

Sec. A-10. 36 MRSA §943-C, first ¶, as enacted by PL 2017, c. 478, §3, is amended to read:

Notwithstanding any provision of law to the contrary, after the foreclosure process under sections 942 and 943 or sections 1281 and 1282 is completed and the right of redemption has expired, if a municipality chooses to sell to someone other than the immediate former owner or owners property that immediately prior to foreclosure received a property tax exemption as a homestead under subchapter 4-B, the municipal officers or their designee shall notify the immediate former owner or owners of the right to require the municipality to use the sale process under subsection 3 as long as the immediate former owner or owners demonstrate that the property meets the requirements of subsection 1. The notice must be sent by first-class mail to the last known address of the immediate former owner or owners. If the municipality agrees to sell the property back to the immediate former owner or owners, the alternative sale process under this section does not apply. If the sale to the immediate former

owner or owners is not completed, the requirements of this section are reinstated.

Sec. A-11. 36 MRSA §1232, as amended by PL 1983, c. 403, §2, is further amended to read:

§1232. Proceedings on delinquency

~~Taxes levied under section 1602 shall be paid to the State Tax Assessor on or before October 1st of each year. A lien is created on all personal property for such taxes levied under section 1602 on the property and expenses incurred in accordance with section 1233, and such the property may be sold for the payment of such the taxes and expenses at any time after October 1st. When the time for the payment of the tax to the State Tax Assessor has expired, and it is unpaid, the State Tax Assessor shall give notice thereof to the delinquent property owner, and unless such that tax shall be is paid within 60 days, the State Tax Assessor may issue his a warrant to the sheriff of the county, requiring him the sheriff to levy by distress and sale upon the personal property of said the property owner, and the sheriff or his the sheriff's deputy shall execute such warrants the warrant. Any balance remaining after deducting taxes and necessary additions made in accordance with this subchapter shall must be returned to the owner or person in possession of such the property or; the State Tax Assessor may certify such the unpaid taxes to the Attorney General, who shall bring a civil action in the name of the State.~~

In addition to the procedure authorized in ~~the preceding paragraph~~ this section, the State Tax Assessor may follow the procedure provided in section 612 and, with regard to that procedure, ~~shall be is~~ subject to the same rights and obligations as a municipality or municipal officers.

Sec. A-12. 36 MRSA §1281, as amended by PL 2017, c. 478, §4, is further amended to read:

§1281. Payment of taxes; delinquent taxes; publication; certificate filed in registry

~~Taxes on real estate mentioned in section 1602, including supplementary taxes assessed under section 1331, are delinquent on the 15th day of January next following the date of assessment. Annually, on or before February 1st after January 15th but no later than January 31st, the State Tax Assessor shall send by mail to the last known address of each owner of such real estate subject to assessment under section 1602, including supplementary taxes assessed under section 1331, upon which taxes remain unpaid a notice in writing, containing a description of the real estate assessed and the amount of unpaid taxes and interest, and alleging that a lien is claimed on that real estate for payment of those taxes, interests and costs, with a demand that payment be made by the next February 21st. For property that constitutes a homestead for which a property tax exemption is claimed under chapter 105, subchapter 4-B, the State Tax Assessor shall~~

include in the written notice written notice to the owner named on the tax lien mortgage that that owner may be eligible to file an application for tax abatement under section 841, subsection 2, indicating that the State Tax Assessor, upon request, will assist the owner in requesting an abatement and provide information regarding the procedures for making such a request. The notice must also indicate that the owner may seek assistance from the Department of Professional and Financial Regulation, Bureau of Consumer Credit Protection regarding options for finding an advisor who can help the owner work with the State Tax Assessor to avoid tax lien foreclosure and provide information regarding ways to contact the bureau. The Department of Professional and Financial Regulation, Bureau of Consumer Credit Protection, by July 15th annually, shall provide to a statewide organization representing municipalities and to the State Tax Assessor information regarding assistance in avoiding tax lien foreclosure to assist municipalities and the State Tax Assessor in providing the information required in the notice. If the owners of any such real estate are unknown, instead of sending the notices by mail, the assessor shall cause the information required in this section on that real estate to be advertised in the state paper and in a newspaper, if any, of general circulation in the county in which the real estate lies. Such a statement or advertisement is sufficient legal notice of delinquent taxes. If those taxes and interest to date of payment and costs are not paid by February 21st, the State Tax Assessor shall record by March 15th, in the registry of deeds of the county or registry district where the real estate lies, a certificate signed by the assessor, setting forth the name or names of the owners according to the last state valuation, or the valuation established in accordance with section 1331; the description of the real estate assessed as contained in the last state valuation, or the valuation established in accordance with section 1331; the amount of unpaid taxes and interest; the amount of costs; and a statement that demand for payment of those taxes has been made, and that those taxes, interest and costs remain unpaid. The costs charged by the register of deeds for the filing may not exceed the fees established by Title 33, section 751.

Sec. A-13. 36 MRSA §1481, sub-§1, ¶B, as enacted by PL 1981, c. 275, is repealed.

Sec. A-14. 36 MRSA §1481, sub-§1-A, ¶A, as repealed and replaced by PL 1975, c. 252, §16, is amended to read:

A. A trailer or semitrailer of less than 32 feet in length primarily designed and constructed to provide temporary living quarters for recreational, camping, travel or other use.

Sec. A-15. 36 MRSA §1482, sub-§3, as amended by PL 2011, c. 240, §12, is further amended to read:

3. Tax paid for previous registration year. If an excise tax was paid in accordance with this section for the previous registration year by the same person on the same vehicle, the excise tax for the new registration year must be assessed as if the vehicle was in its next year of model.

Sec. A-16. 36 MRSA §1482, sub-§5, as amended by PL 2015, c. 87, §1, is further amended to read:

5. Credits. An owner or lessee who has paid the excise tax in accordance with this section or the property tax for a vehicle is entitled to a credit up to the maximum amount of the tax previously paid in that registration year for any one vehicle toward the tax for any number of vehicles, regardless of the number of transfers that may be required of the owner or lessee in that registration year. The credit is available only if the vehicle's ownership is transferred, the vehicle is totally lost by fire, theft or accident, the vehicle is totally junked or abandoned, the use of the vehicle is totally discontinued or, in the case of a leased vehicle, the registration is transferred.

A. The credit must be given in any place in which the excise tax is payable.

B. For each transfer made in the same registration year, the owner shall pay \$3 to the place in which the excise tax is payable.

C. During the last 4 months of the registration year, the credit may not exceed 1/2 of the maximum amount of the tax previously paid in that registration year for any one vehicle.

D. If the credit available under this subsection exceeds the amount transferred to another vehicle, a municipality may choose, but is not required to refund the excess amount. If a municipality chooses to refund excess amounts it must do so in all instances where there is an excess amount.

E. For the purposes of this subsection, "owner" includes the surviving spouse of the owner.

G. For the purposes of this subsection, "totally discontinued" means that the owner has permanently discontinued all use of the vehicle except for selling, transferring ownership of, junking or abandoning that vehicle. The owner of the vehicle must provide a signed statement attesting that use of the vehicle from which the credit is being transferred is totally discontinued. If the owner who has totally discontinued use of a vehicle later seeks to register that vehicle, no excise tax credits may be applied with respect to the registration of that vehicle or any subsequent transfer of that vehicle's registration.

Sec. A-17. 36 MRSA §1602, sub-§5 is enacted to read:

5. Due dates; interest. Taxes levied under this section must be paid to the State Tax Assessor on or before October 1st of each year. A person who fails to pay the tax on or before October 1st is liable for interest on the tax pursuant to section 186, except that the rate of interest beginning on October 1, 2019 equals the maximum rate posted on the Treasurer of State's publicly accessible website according to section 505, subsection 4.

Sec. A-18. 36 MRSA §4641, sub-§3, as amended by PL 2001, c. 559, Pt. I, §2 and affected by §15, is further amended to read:

3. Value. "Value" means the amount of the actual consideration for real property, except that in the case of a gift, or a contract or deed with nominal consideration or without stated consideration, or in the case of the transfer of a controlling interest in an entity with a fee interest in real property when the consideration for the real property cannot be determined, "value" is to be based on the estimated price a property will bring in the open market and under prevailing market conditions in a sale between a willing seller and a willing buyer, both conversant with the property and with prevailing general price levels. For the purposes of this subsection, "nominal" means less than 20% of the property's most recently locally assessed value as adjusted by the municipality's or unorganized territory's certified assessment ratio, unless the taxpayer provides an attestation from the local assessor that the most recent locally assessed value does not reflect current market value.

"Value" does not include the amount of consideration attributable to vacation exchange rights, vacation services or club memberships or the costs associated with those rights, services or memberships. Upon request of a municipal assessor or the State Tax Assessor, a developer of a time-share estate, as defined in Title 33, section 591, subsection 7, or an association of time-share estate owners shall provide an itemized schedule of fees included in the sales price of a time-share estate.

Sec. A-19. Application. Those sections of this Part that amend the Maine Revised Statutes, Title 36, section 555 and section 654-A, subsection 1 and that repeal Title 36, section 654-A, subsection 4 apply to property tax years beginning on or after April 1, 2020. Those sections of this Part that amend Title 36, section 1481, subsection 1-A, paragraph A and section 1482, subsection 3 and subsection 5 and that repeal Title 36, section 1481, subsection 1, paragraph B apply to registration years beginning on or after January 1, 2019.

PART B

Sec. B-1. 36 MRSA §191, sub-§2, ¶EE, as amended by PL 2007, c. 438, §10, is further amended to read:

EE. (8) The sale of loaner vehicles to a new vehicle dealer licensed as such pursuant to Title 29-A, section 953;

(9) The sale of automobile repair parts used in the performance of repair services on an automobile pursuant to an extended service contract sold on or after September 20, 2007 that entitles the purchaser to specific benefits in the service of the automobile for a specific duration;

(10) The sale, to a retailer that has been issued a resale certificate pursuant to section 1754-B, subsection 2-B or 2-C, of tangible personal property for resale in the form of tangible personal property, except resale as a casual sale;

(11) The sale, to a retailer that has been issued a resale certificate pursuant to section 1754-B, subsection 2-B or 2-C, of a taxable service for resale, except resale as a casual sale;

(12) The sale, to a retailer that is not required to register under section 1754-B, of tangible personal property for resale outside the State in the form of tangible personal property, except resale as a casual sale;

(13) The sale, to a retailer that is not required to register under section 1754-B, of a taxable service for resale outside the State, except resale as a casual sale;

(14) The sale of repair parts used in the performance of repair services on telecommunications equipment as defined in section 2551, subsection 19 pursuant to an extended service contract that entitles the purchaser to specific benefits in the service of the telecommunications equipment for a specific duration;

(15) The sale of positive airway pressure equipment and supplies for rental for personal use to a person engaged in the business of renting positive airway pressure equipment;

(16) The sale, to a person engaged in the business of renting or leasing motor homes, as defined in Title 29-A, section 101, subsection 40, or camper trailers, of motor homes or camper trailers for rental as tangible personal property but not as the rental of living quarters; or

(17) The sale of truck repair parts used in the performance of repair services on a truck pursuant to an extended service contract that entitles the purchaser to specific benefits in the service of the truck for a specific duration.

Sec. B-5. 36 MRSA §1752, sub-§14, ¶A, as amended by PL 2017, c. 375, Pt. A, §2, is further amended to read:

A. "Sale price" includes:

(1) Any consideration for services that are a part of a retail sale;

(2) All receipts, cash, credits and property of any kind or nature and any amount for which credit is allowed by the seller to the purchaser, without any deduction on account of the cost of the property sold, the cost of the materials used, labor or service cost, interest paid, losses or any other expenses; ~~and~~

(3) All consideration received for the rental of living quarters in this State, including any service charge or other charge or amount required to be paid as a condition for occupancy, valued in money, whether received in money or otherwise and whether received by the owner, occupant, manager or operator of the living quarters, by a room remarketer, by a person that operates a transient rental platform or by another person on behalf of any of those persons-;

(4) In the case of the lease or rental for a period of less than one year of an automobile or of a pickup truck or van with a gross vehicle weight of less than 26,000 pounds rented from a person primarily engaged in the business of renting automobiles, the value is the total rental charged to the lessee and includes, but is not limited to, maintenance and service contracts, drop-off or pick-up fees, airport surcharges, mileage fees and any separately itemized charges on the rental agreement to recover the owner's estimated costs of the charges imposed by government authority for title fees, inspection fees, local excise tax and agent fees on all vehicles in its rental fleet registered in the State. All fees must be disclosed when an estimated quote is provided to the lessee; and

(5) In the case of the lease or rental of an automobile for one year or more, the value is the total monthly lease payment multiplied by the number of payments in the lease or rental, the amount of equity involved in any trade-in and the value of any cash down payment. Collection and remittance of the tax is the responsibility of the person that negotiates the lease transaction with the lessee.

Sec. B-6. 36 MRSA §1752, sub-§19-A, as amended by PL 2009, c. 207, §1, is further amended to read:

19-A. Trailer. "Trailer" means a vehicle without motive power and mounted on wheels that is designed to carry persons or property and to be drawn by a motor vehicle and not operated on tracks. "Trailer" includes a camper trailer as defined in section 1481, subsection 1-A ~~but without restriction on length.~~

Sec. B-7. 36 MRSA §1752, sub-§22, as enacted by PL 1987, c. 49, §1, is amended to read:

22. Camper trailer. "Camper trailer" has the same meaning as in section 1481, ~~but without any restriction on length~~ subsection 1-A.

Sec. B-8. 36 MRSA §1754-A, as amended by PL 2011, c. 644, §10 and affected by §35, is repealed.

Sec. B-9. 36 MRSA §1754-B, sub-§1, as amended by PL 2017, c. 375, Pt. A, §§4 and 5, is repealed.

Sec. B-10. 36 MRSA §1754-B, sub-§1-A, as amended by PL 2013, c. 546, §10, is further amended to read:

1-A. Persons presumptively required to register. This subsection defines the basis for and obligations associated with the rebuttable presumption created by this subsection that a seller not registered under subsection ~~1-B~~ is engaged in the business of selling tangible personal property or taxable services for use in this State and is required to register as a retailer with the assessor.

A. As used in this subsection, unless the context otherwise indicates, the following terms have the following meanings.

(1) "Affiliated person" means a person that is a member of the same controlled group of corporations as the seller or any other entity that, notwithstanding its form of organization, bears the same ownership relationship to the seller as a corporation that is a member of the same controlled group of corporations. For purposes of this subparagraph, "controlled group of corporations" has the same meaning as in the Code, Section 1563(a).

(2) "Person" means an individual or entity that qualifies as a person under the Code, Section 7701(a)(1).

(3) "Seller" means a person that sells, other than in a casual sale, tangible personal property or taxable services.

B. A seller is presumed to be engaged in the business of selling tangible personal property or taxable services for use in this State if an affiliated person has a substantial physical presence in this

State or if any person, other than a person acting in its capacity as a common carrier, that has a substantial physical presence in this State:

(1) Sells a similar line of products as the seller and does so under a business name that is the same as or similar to that of the seller;

(2) Maintains an office, distribution facility, warehouse or storage place or similar place of business in the State to facilitate the delivery of property or services sold by the seller to the seller's customers;

(3) Uses trademarks, service marks or trade names in the State that are the same as or substantially similar to those used by the seller;

(4) Delivers, installs, assembles or performs maintenance services for the seller's customers within the State;

(5) Facilitates the seller's delivery of property to customers in the State by allowing the seller's customers to pick up property sold by the seller at an office, distribution facility, warehouse, storage place or similar place of business maintained by the person in the State; or

(6) Conducts any activities in the State that are significantly associated with the seller's ability to establish and maintain a market in the State for the seller's sales.

A seller who meets the requirements of this paragraph shall register with the assessor and collect and remit taxes in accordance with the provisions of this Part. A seller may rebut the presumption created in this paragraph by demonstrating that the person's activities in the State are not significantly associated with the seller's ability to establish or maintain a market in this State for the seller's sales.

C. A seller that does not otherwise meet the requirements of paragraph B is presumed to be engaged in the business of selling tangible personal property or taxable services for use in this State if the seller enters into an agreement with a person under which the person, for a commission or other consideration, while within this State:

(1) Directly or indirectly refers potential customers, whether by a link on an Internet website, by telemarketing, by an in-person presentation or otherwise, to the seller; and

(2) The cumulative gross receipts from retail sales by the seller to customers in the State who are referred to the seller by all persons with this type of an agreement with the seller

are in excess of \$10,000 during the preceding 12 months.

A seller who meets the requirements of this paragraph shall register with the assessor and collect and remit taxes in accordance with the provisions of this Part.

A seller may rebut the presumption created in this paragraph by submitting proof that the person with whom the seller has an agreement did not engage in any activity within the State that was significantly associated with the seller's ability to establish or maintain the seller's market in the State during the preceding 12 months. Such proof may consist of sworn, written statements from all of the persons within this State with whom the seller has an agreement stating that they did not engage in any solicitation in the State on behalf of the seller during the preceding 12 months; these statements must be provided and obtained in good faith.

A person who enters into an agreement with a seller under this paragraph to refer customers by a link on an Internet website is not required to register or collect taxes under this Part solely because of the existence of the agreement.

Sec. B-11. 36 MRSA §1754-B, sub-§§1-B and 1-C are enacted to read:

1-B. Persons required to register. Except as otherwise provided in this section, the following persons, other than casual sellers, shall register with the assessor and collect and remit taxes in accordance with the provisions of this Part:

A. Every person that has a substantial physical presence in this State and that makes sales of tangible personal property or taxable services in this State, including, but not limited to:

(1) Every person that makes sales of tangible personal property or taxable services, whether or not at retail, and that maintains in this State any office, manufacturing facility, distribution facility, warehouse or storage facility, sales or sample room or other place of business;

(2) Every person that makes sales of tangible personal property or taxable services that does not maintain a place of business in this State but makes retail sales in this State or solicits orders, by means of one or more salespeople within this State, for retail sales within this State; and

(3) Every lessor engaged in the leasing of tangible personal property located in this State that does not maintain a place of business in this State but makes retail sales to purchasers from this State;

B. Every person that makes sales of tangible personal property or taxable services for delivery into this State if:

(1) The person's gross sales from delivery of tangible personal property or taxable services into this State in the previous calendar year or current calendar year exceeds \$100,000; or

(2) The person sold tangible personal property or taxable services for delivery into this State in at least 200 separate transactions in the previous calendar year or the current calendar year;

C. Every person that has a substantial physical presence in this State and that makes retail sales in this State of tangible personal property or taxable services on behalf of a principal that is outside of this State if the principal is not the holder of a valid registration certificate;

D. Every agent, representative, salesperson, solicitor or distributor that has a substantial physical presence in this State and that receives compensation by reason of sales of tangible personal property or taxable services made outside this State by a principal for use, storage or other consumption in this State;

E. Every person that manages or operates in the regular course of business or on a casual basis a hotel, rooming house or tourist or trailer camp in this State or that collects or receives rents on behalf of a hotel, rooming house or tourist or trailer camp in this State;

F. Every person that operates a transient rental platform and reserves, arranges for, offers, furnishes or collects or receives consideration for the rental of living quarters in this State;

G. Every room remarketer;

H. Every person that makes retail sales in this State of tangible personal property or taxable services on behalf of the owner of that property or the provider of those services;

I. Every person not otherwise required to be registered that sells tangible personal property to the State and is required to register as a condition of doing business with the State pursuant to Title 5, section 1825-B; and

J. Every person that holds a wine direct shipper license under Title 28-A, section 1403-A.

1-C. Certain activities. For purposes of subsection 1-B, the following activities do not constitute substantial physical presence in this State:

A. Solicitation of business in this State through catalogs, flyers, telephone or electronic media when delivery of ordered goods is effected by the

United States mail or by an interstate 3rd-party common carrier;

B. Attending trade shows, seminars or conventions in this State;

C. Holding a meeting of a corporate board of directors or shareholders or holding a company retreat or recreational event in this State;

D. Maintaining a bank account or banking relationship in this State; or

E. Using a vendor in this State for printing.

Sec. B-12. 36 MRSA §1754-B, sub-§2-B, as amended by PL 2005, c. 519, Pt. OOO, §1, is further amended to read:

2-B. Issuance of resale certificates; new accounts. The assessor shall issue a ~~provisional~~ resale certificate to each applicant for initial registration that states on its application that it expects to make annual gross sales of \$3,000 or more. A ~~provisional~~ resale certificate issued between January 1st and September 30th is effective for the duration of the calendar year in which it is issued and the ~~2~~ 3 subsequent years. A ~~provisional~~ resale certificate issued between October 1st and December 31st is effective until the end of the ~~3rd~~ 4th succeeding calendar year. Each certificate must contain the name and address of the retailer, the expiration date of the certificate and the certificate number. If a vendor has a true copy of a retailer's resale certificate on file, that retailer need not present the certificate for each subsequent transaction with that vendor during the period for which it is valid.

Sec. B-13. 36 MRSA §1754-B, sub-§2-C, as amended by PL 2013, c. 588, Pt. A, §45, is further amended to read:

2-C. Renewal of resale certificates; contents; presentation to vendor. On November 1st of each year, the assessor shall review the returns filed by each registered retailer unless the retailer has a resale certificate expiring after December 31st of that year. If the retailer reports \$3,000 or more in gross sales during the 12 months preceding the assessor's review, the assessor shall issue to the registered retailer a resale certificate effective for 5 calendar years. Each certificate must contain the name and address of the retailer, the expiration date of the certificate and the certificate number. If a vendor has a true copy of a retailer's resale certificate on file, that retailer need not present the certificate for each subsequent transaction with that vendor during the period for which it is valid.

A registered retailer that fails to meet the \$3,000 threshold upon the annual review of the assessor is not entitled to renewal of its resale certificate except as provided in this subsection. When any such retailer shows that its gross sales for a more current 12-month period total \$3,000 or more or explains to the satisfaction of the assessor why temporary extraordinary cir-

cumstances caused ~~its~~ that retailer's gross sales for the period used for the assessor's annual review to be less than \$3,000, the assessor shall, upon the written request of the retailer, issue to the retailer a resale certificate effective for the next 5 calendar years.

Sec. B-14. 36 MRSA §1759, as amended by PL 2017, c. 375, Pt. H, §1, is further amended to read:

§1759. Bonds

Either as a condition for issuance or subsequent to the issuance of a registration certificate under section 1754-B, or 1756 ~~or 1951-B~~, the State Tax Assessor may require from a taxpayer a bond written by a surety company qualified to do business in this State, in an amount and upon conditions to be determined by the assessor. In lieu of a bond the assessor may accept a deposit of money or securities in an amount and of a kind acceptable to the assessor. The deposit must be delivered to the Treasurer of State, who shall safely keep it subject to the instructions of the assessor.

Sec. B-15. 36 MRSA §1760, sub-§94, as enacted by PL 2011, c. 655, Pt. PP, §3 and affected by §4, is amended to read:

94. Positive airway pressure and oxygen delivery equipment and supplies. Positive airway pressure equipment and supplies and oxygen delivery equipment sold or leased for personal use.

Sec. B-16. 36 MRSA §1811, as amended by PL 2019, c. 231, Pt. A, §10, is repealed and the following enacted in its place:

§1811. Sales tax

1. Tax imposed; rates. A tax is imposed on the value of all tangible personal property, products transferred electronically and taxable services sold at retail in this State. Value is measured by the sale price.

A. For sales occurring on or after October 1, 2013 and before January 1, 2016, the rate of tax is 5.5% on the value of all tangible personal property and taxable services, except the rate of tax is:

(1) Eight percent on the value of prepared food;

(2) Eight percent on the value of liquor sold in licensed establishments as defined in Title 28-A, section 2, subsection 15, in accordance with Title 28-A, chapter 43;

(3) Eight percent on the value of rental of living quarters in any hotel, rooming house or tourist or trailer camp; and

(4) Ten percent on the value of rental for a period of less than one year of an automobile, of a pickup truck or van with a gross vehicle weight of less than 26,000 pounds rented from a person primarily engaged in the busi-

ness of renting automobiles or of a loaner vehicle that is provided other than to a motor vehicle dealer's service customers pursuant to a manufacturer's or dealer's warranty.

B. For sales occurring on or after January 1, 2016 and before May 2, 2018, the rate of tax is 5.5% on the value of all tangible personal property and taxable services, except the rate of tax is:

(1) Eight percent on the value of prepared food;

(2) Eight percent on the value of liquor sold in licensed establishments as defined in Title 28-A, section 2, subsection 15, in accordance with Title 28-A, chapter 43;

(3) Nine percent on the value of rental of living quarters in any hotel, rooming house or tourist or trailer camp; and

(4) Ten percent on the value of rental for a period of less than one year of an automobile, of a pickup truck or van with a gross vehicle weight of less than 26,000 pounds rented from a person primarily engaged in the business of renting automobiles or of a loaner vehicle that is provided other than to a motor vehicle dealer's service customers pursuant to a manufacturer's or dealer's warranty.

C. For sales occurring on or after May 2, 2018 and before October 1, 2019, the rate of tax is 5.5% on the value of all tangible personal property and taxable services, except the rate of tax is:

(1) Eight percent on the value of prepared food;

(2) Eight percent on the value of liquor sold in licensed establishments as defined in Title 28-A, section 2, subsection 15, in accordance with Title 28-A, chapter 43;

(3) Nine percent on the value of rental of living quarters in any hotel, rooming house or tourist or trailer camp;

(4) Ten percent on the value of rental for a period of less than one year of an automobile, of a pickup truck or van with a gross vehicle weight of less than 26,000 pounds rented from a person primarily engaged in the business of renting automobiles or of a loaner vehicle that is provided other than to a motor vehicle dealer's service customers pursuant to a manufacturer's or dealer's warranty; and

(5) Ten percent on the value of adult use marijuana and adult use marijuana products beginning on the first day of the calendar month in which adult use marijuana and adult use marijuana products may be sold in the State by a marijuana establishment licensed

to conduct retail sales pursuant to Title 28-B, chapter 1.

D. For sales occurring on or after October 1, 2019, the rate of tax is 5.5% on the value of all tangible personal property and taxable services, except the rate of tax is:

(1) Eight percent on the value of prepared food;

(2) Eight percent on the value of liquor sold in licensed establishments as defined in Title 28-A, section 2, subsection 15, in accordance with Title 28-A, chapter 43 and liquor sold for on-premises consumption by a licensed brewery, small brewery, winery, small winery, distillery or small distillery pursuant to Title 28-A, section 1355-A, subsection 2, paragraph F;

(3) Nine percent on the value of rental of living quarters in any hotel, rooming house or tourist or trailer camp;

(4) Ten percent on the value of rental for a period of less than one year of an automobile, of a pickup truck or van with a gross vehicle weight of less than 26,000 pounds rented from a person primarily engaged in the business of renting automobiles or of a loaner vehicle that is provided other than to a motor vehicle dealer's service customers pursuant to a manufacturer's or dealer's warranty; and

(5) Ten percent on the value of adult use marijuana, adult use marijuana products and, if sold by a person to an individual who is not a qualifying patient, marijuana and marijuana products beginning on the first day of the calendar month in which adult use marijuana and adult use marijuana products may be sold in the State by a marijuana establishment licensed to conduct retail sales pursuant to Title 28-B, chapter 1.

2. Public utility sales; tax added to rates. The tax imposed upon the sale and distribution of gas, water or electricity by any public utility, the rates for which sale and distribution are established by the Public Utilities Commission, must be added to the rates so established.

Sec. B-17. 36 MRSA §1811-B, as amended by PL 2005, c. 332, §14 and affected by §30, is further amended to read:

§1811-B. Credit for tax paid on purchases for resale

A retailer registered under section 1754-B or 1756 may claim a credit for sales tax imposed by this Part if the retailer has paid the sales tax on tangible personal property purchased for resale at retail sale. The credit

may be claimed only on the return that corresponds to the period in which the tax was paid. The credit may not be claimed if the item has been withdrawn from inventory by the retailer for the retailer's own use prior to its sale. If the retailer purchases an item for resale at retail sale and pays tax to its vendor and if the retailer's sales and use tax liability for the tax period in question is less than the credit being claimed, the retailer is entitled either to carry the credit forward or to receive a refund of the tax paid.

Sec. B-18. 36 MRSA §1819 is enacted to read:

§1819. Sourcing

1. "Receive" and "receipt" defined. For the purposes of this section, "receive" and "receipt" mean:

- A. Taking possession of tangible personal property;
- B. Making first use of services; or
- C. Taking possession or making first use of products transferred electronically, whichever comes first.

"Receive" and "receipt" do not include possession by a shipping company on behalf of the purchaser.

2. Sourcing for sales of tangible personal property and taxable services. The retail sale of tangible personal property or a taxable service is sourced in this State pursuant to this subsection.

- A. When the tangible personal property or taxable service is received by the purchaser at a business location of the seller, the sale is sourced to that business location.
- B. When the tangible personal property or taxable service is not received by the purchaser at a business location of the seller, the sale is sourced to the location where receipt by the purchaser or the purchaser's donee occurs, including the location indicated by instructions for delivery to the purchaser or donee known to the seller.
- C. For a sale when paragraphs A and B do not apply, the sale is sourced to the location indicated by an address for the purchaser that is available from the business records of the seller that are maintained in the ordinary course of the seller's business when use of this address does not constitute bad faith.
- D. For a sale when paragraphs A to C do not apply, the sale is sourced to the location indicated by an address for the purchaser obtained during the consummation of the sale, including the address of a purchaser's payment instrument, if no other address is available, when use of this address does not constitute bad faith.

E. When paragraphs A to D do not apply, including the circumstance in which the seller is without sufficient information to apply paragraphs A to D, the location is determined by the address from which tangible personal property was shipped, from which the tangible personal property or taxable service transferred electronically was first available for transmission by the seller or from which the service was provided, disregarding for these purposes any location that merely provided the digital transfer of the tangible personal property or taxable service sold.

Sec. B-19. 36 MRSA §1863, as enacted by PL 1981, c. 503, is repealed.

Sec. B-20. 36 MRSA §1864, as enacted by PL 2001, c. 439, Pt. II, §1 and affected by §2, is amended to read:

§1864. No use tax on donations to exempt organization

A use tax is not imposed on the donation of merchandise by a retailer from inventory, including merchandise that has been returned to the retailer, to an organization if sales to that organization are exempt from sales tax under section 1760 or if that organization is exempt from taxation under the Code, Section 501(c)(3).

Sec. B-21. 36 MRSA §1951-B, as enacted by PL 2017, c. 245, §1 and affected by §2, is repealed.

Sec. B-22. Application. Those sections of this Part that amend the Maine Revised Statutes, Title 36, section 1752, subsection 11, paragraph B; subsection 14, paragraph A; and subsection 17-B; and that enact Title 36, section 1819 apply to sales occurring on or after October 1, 2019. Those sections of this Part that amend Title 36, section 1760, subsection 94 and that enact Title 36, section 1752, subsection 7-F apply retroactively to sales occurring on or after January 1, 2012.

PART C

Sec. C-1. 12 MRSA c. 903, sub-c. 8, as amended, is repealed.

Sec. C-2. 30-A MRSA §5250-I, sub-§8, as amended by PL 2009, c. 627, §2, is further amended to read:

8. Financial services. "Financial services" means services provided by an insurance company subject to taxation under Title 36, chapter 357; a captive insurance company formed or licensed under Title 24-A, chapter 83; a financial institution subject to taxation under Title 36, chapter 819; or a mutual fund service provider as defined in Title 36, section 5212, subsection 1, paragraph E.

Sec. C-3. 30-A MRSA §5250-I, sub-§11-B is enacted to read:

11-B. Mutual fund service provider. "Mutual fund service provider" means a taxpayer, as defined in Title 36, section 111, subsection 7, subject to tax under Title 36, Part 8 other than a financial institution as defined in Title 36, section 5206-D, subsection 8, that derives more than 50% of its gross income from the direct or indirect provision of management, distribution or administration services to or on behalf of a regulated investment company or from trustees, sponsors and participants of employee benefit plans that have accounts in a regulated investment company.

Sec. C-4. 36 MRSA §191, sub-§2, ¶WW, as repealed and replaced by PL 2013, c. 331, Pt. B, §4, is repealed.

Sec. C-5. 36 MRSA §5122, sub-§1, ¶GG, as amended by PL 2015, c. 1, §2, is repealed.

Sec. C-6. 36 MRSA §5142, sub-§3-A, as amended by PL 2007, c. 627, §83, is further amended to read:

3-A. Gain or loss on sale of partnership interest. Notwithstanding subsection 3, the gain or loss on the sale of a partnership interest is sourced to this State in an amount equal to the gain or loss multiplied by the ratio obtained by dividing the original cost of partnership tangible property located in Maine by the original cost of partnership tangible property everywhere, determined at the time of the sale. Tangible property includes property owned or rented and is valued in accordance with section 5211, subsection 10. If more than 50% of the value of the partnership's assets ~~consist~~ consists of intangible property, gain or loss from the sale of the partnership interest is sourced to this State in accordance with the sales factor of the partnership for its first full tax period immediately preceding the tax period of the partnership during which the partnership interest was sold. For purposes of this subsection, the sales factor of a partnership is determined in accordance with section 5211, ~~subsections~~ subsection 14, subsection 15 and subsection 16-A, paragraphs A to E. This subsection does not apply to the sale of a limited partner's interest in an investment partnership where more than 80% of the value of the partnership's total assets consists of intangible personal property held for investment, except that such property cannot include an interest in a partnership unless that partnership is itself an investment partnership.

If the apportionment provisions of this ~~section~~ subsection do not fairly represent the extent of the partnership's business activity in this State, the taxpayer may petition for, or the State Tax Assessor may require, in respect to all or any part of the partnership's business activity the employment of any other method to effectuate an equitable apportionment to this State of the partner's income from the sale of the partnership interest.

Sec. C-7. 36 MRSA §5147 is enacted to read:

§5147. Installment sale election

Notwithstanding any provision of this Part to the contrary, an individual who transferred, during the taxable year, real or tangible property located in this State under an installment sale agreement may elect to recognize, for purposes of determining the taxable income under this chapter, the total gain or loss from that sale in the taxable year of the transfer, or to recognize any remaining gain or loss in a subsequent tax year to the extent of the gain or loss not reported in a prior tax year. An election under this section is not available to an individual unless that individual is a nonresident of this State at the time of the transfer or at the time the election is made. An election under this section must be made on a timely filed original income tax return, including if filed by any extension granted for filing the return, and, once made, is irrevocable.

Sec. C-8. 36 MRSA §5200-A, sub-§1, ¶Z, as amended by PL 2015, c. 1, §8, is repealed.

Sec. C-9. 36 MRSA §5211, sub-§16-A, ¶F, as enacted by PL 2007, c. 240, Pt. V, §9 and affected by §15, is repealed and the following enacted in its place:

F. Gross receipts on the sale of a partnership interest must be sourced to this State in an amount equal to the gross receipts multiplied by the ratio obtained by dividing the original cost of partnership tangible property located in Maine by the original cost of partnership tangible property everywhere, determined at the time of the sale. Tangible property includes property owned or rented and is valued in accordance with subsection 10. If more than 50% of the value of the partnership's assets consists of intangible property, gross receipts from the sale of the partnership interest must be sourced to this State in accordance with the sales factor of the partnership for its first full tax period immediately preceding the tax period of the partnership during which the partnership interest was sold. For purposes of this paragraph, the sales factor of a partnership is determined in accordance with subsection 14, subsection 15 and subsection 16-A, paragraphs A to E. This paragraph does not apply to the sale of a limited partner's interest in an investment partnership when more than 80% of the value of the partnership's total assets consists of intangible personal property held for investment, except that such property cannot include an interest in a partnership unless that partnership is itself an investment partnership.

Sec. C-10. 36 MRSA §5212, as amended by PL 2007, c. 240, Pt. V, §13, is repealed.

Sec. C-11. 36 MRSA §5216-D, as amended by PL 2011, c. 548, §30 and affected by §36 and amended by c. 644, §28 and affected by §33, is repealed.

Sec. C-12. 36 MRSA §5217-D, sub-§1, ¶G, as amended by PL 2015, c. 482, §3, is further amended to read:

G. "Qualified individual" means an individual, including the spouse filing a joint return with the individual under section 5221, who is eligible for the credit provided in this section. An individual is eligible for the credit if the individual:

(1) Attended and obtained:

(a) An associate or bachelor's degree from an accredited Maine community college, college or university after December 31, 2007 but before January 1, 2016. The individual need not obtain the degree from the institution in which that individual originally enrolled as long as all course work toward the degree is performed at an accredited Maine community college, college or university, except that an individual who transfers to an accredited Maine community college, college or university after December 31, 2012 but before January 1, 2016 from outside the State and earned no more than 30 credit hours of course work toward the degree at an accredited non-Maine community college, college or university after December 31, 2007 and prior to the transfer is eligible for the credit if all other eligibility criteria are met. Program eligibility for such an individual must be determined as if the commencement of course work at the relevant accredited Maine community college, college or university was the commencement of course work for the degree program as a whole. This division does not apply to tax years beginning after December 31, 2015;

(a-1) For tax years beginning on or after January 1, 2016, an associate or bachelor's degree from an accredited Maine community college, college or university after December 31, 2007 but before January 1, 2016, regardless of whether the individual earned credit hours of course work toward the degree outside the State;

(b) An associate or bachelor's degree from an accredited Maine or non-Maine community college, college or university after December 31, 2015; or

(c) A graduate degree from an accredited Maine college or university after December 31, 2015;

(4) During the taxable year, was a resident individual; and

(5) Worked during the taxable year:

(a) For tax years beginning prior to January 1, 2015, at least part time for an employer located in this State or, for tax years beginning on or after January 1, 2013, was, during the taxable year, deployed for military service in the United States Armed Forces, including the National Guard and the Reserves of the United States Armed Forces;

(b) For tax years beginning on or after January 1, 2015, at least part time in this State for an employer or as a self-employed individual or was, during the taxable year, deployed for military service in the United States Armed Forces, including the National Guard and the Reserves of the United States Armed Forces; or

(c) For tax years beginning on or after January 1, 2016, at least part time in a position on a vessel at sea.

As used in this subparagraph, "deployed for military service" ~~has the same meaning as in Title 26, section 814, subsection 1, paragraph A~~ means active military duty with the state military forces, as defined in Title 37-B, section 102, or the United States Armed Forces, including the National Guard and the Reserves of the United States Armed Forces, whether pursuant to orders of the Governor or the President of the United States.

Sec. C-13. 36 MRSA §5219-HH, sub-§6-A is enacted to read:

6-A. Interest inapplicable. Notwithstanding any provision of this Title to the contrary, interest does not accrue during any period of delay as the result of the fiscal year credit limit imposed by Title 10, section 1100-Z, subsection 4 of any payment to a taxpayer pursuant to this section.

Sec. C-14. 36 MRSA §5250, sub-§5 is enacted to read:

5. Fiscal agents. Fiduciaries, agents and other persons designated in accordance with the Code, Section 3504 to perform acts required of employers may, at the discretion of the assessor, be designated to perform acts required of employers for the purposes of complying with the requirements of this section. Designation by the assessor is subject to the terms and conditions the assessor may require. Except as may be otherwise prescribed by rule, all provisions of this Title applicable with respect to an employer, to the extent that such provision has application to the provisions of this section, including the provisions of section 177, are applicable to the designated fiduciary.

agent or other person, including, but not limited to, provisions governing assessment of liability and application of interest and penalties. Notwithstanding the immediately preceding sentence, an employer for which a fiduciary, agent or other person acts remains subject to the provisions of this Title applicable with respect to employers.

Sec. C-15. IB 2017, c. 1, Pt. B, §2 is repealed.

Sec. C-16. Application; retroactive application. Those sections of this Part that enact the Maine Revised Statutes, Title 36, section 5147; that amend Title 36, section 5142, subsection 3-A; that repeal Title 12, chapter 903, subchapter 8 and Title 36, section 5122, subsection 1, paragraph GG; section 5200-A, subsection 1, paragraph Z; section 5212; and section 5216-D; and that repeal and replace Title 36, section 5211, subsection 16-A, paragraph F apply to tax years beginning on or after January 1, 2019. That section of this Part that amends Title 36, section 5217-D, subsection 1, paragraph G applies retroactively to tax years beginning on or after January 1, 2013.

PART D

Sec. D-1. 36 MRSA §5219-QQ, sub-§2, ¶E, as amended by PL 2017, c. 375, Pt. D, §3 and c. 405, §1, is repealed and the following enacted in its place:

E. The commissioner shall revoke a certificate of approval if the certified applicant or a person to whom a certificate of approval has been transferred pursuant to paragraph D fails to make a qualified investment within 5 years of the date of the certificate of approval. The commissioner shall revoke a certificate of approval or a certificate of completion if the applicant or transferee ceases operations of the headquarters in the State or the certificate of approval or certificate of completion is transferred to another person without approval from the commissioner pursuant to paragraph D. A certified applicant whose certificate of completion is revoked within 5 years after the date issued shall return to the State an amount equal to the total credits claimed for all tax years under this section. A certified applicant whose certificate of completion is revoked during the period from 6 years after through 10 years after the date the certificate was issued shall return to the State an amount equal to the total credits claimed under this section for the period from 6 years after through 10 years after the date the certificate was issued. If credit amounts are recaptured after a certificate of approval has been transferred as provided in paragraph D, the transferee is responsible for payment of any credit amounts that must be returned to the State. The amount to be returned to the State under this paragraph is, for purposes of this Title, a tax subject to the collection and enforcement provisions contained in Part

1, including the application of applicable interest and penalties. The amount to be returned to the State must be added to the tax imposed on the taxpayer under this Part for the taxable year during which the certificate is revoked.

Sec. D-2. 36 MRSA §5219-QQ, sub-§3, as amended by PL 2017, c. 375, Pt. D, §4 and c. 405, §1, is repealed and the following enacted in its place:

3. Refundable credit allowed. A certified applicant who has received a certificate of completion is allowed a credit as provided in this subsection.

A. Subject to the limitations under paragraph B, beginning with the tax year during which the certificate of completion is issued or the tax year beginning in 2020, whichever is later, and for each of the following 19 tax years, a certified applicant is allowed a credit against the tax due under this Part for the taxable year in an amount equal to 2% of the amount of actual qualified investment specified on the certified applicant's certificate of completion under subsection 2, paragraph F or the amount of qualified investment approved by the commissioner in the certificate of approval under subsection 2, paragraph B, whichever is less. The credit allowed under this paragraph is refundable.

B. The credit under this subsection is limited as follows.

(1) A credit is not allowed for any tax year during which the taxpayer does not meet or exceed the following employment targets as measured on the last day of the tax year.

(a) For each of the first 10 tax years for which the credit is claimed, there must be a total of at least 80 additional full-time employees based in the State above the certified applicant's base level of employment whose jobs were added since the first day of the first tax year for which the credit was claimed multiplied by the number of years for which the credit has been claimed, including the tax year for which the credit is currently being claimed.

(b) For each tax year after the 10th tax year for which the credit is claimed, the taxpayer must employ a total of at least 800 additional full-time employees based in the State above the certified applicant's base level of employment whose jobs were added since the first day of the first tax year for which the credit was claimed.

Jobs for additional full-time employees that are counted for determining eligibility for the credit under one certificate of completion

may not be counted for determining eligibility for the credit under a separate certificate of completion. For purposes of this paragraph, "additional full-time employees" does not include employees who are shifted to a certified applicant's headquarters in the State from an affiliated business in the State. The commissioner shall determine whether a shifting of employees has occurred. For purposes of this paragraph, "affiliated business" has the same meaning as in section 6753, subsection 1-A.

(2) Cumulative credits under this subsection may not exceed \$16,000,000 under any one certificate.

Sec. D-3. 36 MRSA §5219-QQ, sub-§4, as amended by PL 2017, c. 375, Pt. D, §4 and c. 405, §1, is repealed and the following enacted in its place:

4. Reporting required. A certified applicant, the commissioner and the State Tax Assessor are required to make reports pursuant to this subsection.

A. On or before March 1st of each year, a certified applicant shall file a report with the commissioner for the tax year ending during the immediately preceding calendar year, referred to in this subsection as "the report year," containing the following information:

(1) The number of all full-time employees based in this State of the certified applicant on the last day of the report year;

(2) The incremental amount of qualified investment made in the report year;

(3) The total number of additional full-time employees added in the State by the certified applicant above the certified applicant's base level of employment since the date a certificate of approval was issued;

(4) The incremental number of additional full-time employees added in the State by the certified applicant above the certified applicant's base level of employment during the report year;

(5) The average and median wages of all additional full-time employees above the certified applicant's base level of employment in the State whose jobs were added since the first day of the first tax year for which the credit was claimed; and

(6) The percentage and number of all additional full-time employees above the certified applicant's base level of employment who have access to retirement benefits and health benefits.

The commissioner may prescribe forms for the annual report described in this paragraph. The commissioner shall provide copies of the report to the State Tax Assessor and to the joint standing committee of the Legislature having jurisdiction over taxation matters at the time the report is received.

B. By December 31st of each year, the State Tax Assessor shall report to the joint standing committee of the Legislature having jurisdiction over taxation matters the revenue loss during the report year as a result of this section for each taxpayer claiming the credit and, if necessary, shall include updated revenue loss amounts for any previous tax year. For purposes of this paragraph, "revenue loss" means the credit claimed by the taxpayer and allowed pursuant to this section, consisting of the amount of the credit used to reduce the tax liability of the taxpayer and the amount of the credit refunded to the taxpayer, stated separately.

Notwithstanding any other provision of law to the contrary, the reports provided under this subsection are public records as defined in Title 1, section 402, subsection 3.

Sec. D-4. 36 MRSA §5219-QQ, sub-§5, as enacted by PL 2017, c. 375, Pt. D, §5, is reallocated to 36 MRSA §5219-QQ, sub-§6.

PART E

Sec. E-1. 36 MRSA §191, sub-§2, ¶HHH is enacted to read:

HHH. The disclosure of information to an authorized representative of the Public Utilities Commission for use in the commission's administration and oversight of the E-9-1-1 funding under Title 25, section 2927, the state universal service fund under Title 35-A, section 7104 and the telecommunications education access fund under Title 35-A, section 7104-B. The assessor shall apprise the authorized representative of the provisions regarding confidentiality of such information and of the continuing confidential nature of the disclosed information.

CHAPTER 402
H.P. 1282 - L.D. 1801

**An Act To Ensure Compliance
with Federal Requirements for
Background Checks of Certain
Department of Health and
Human Services Employees**

Be it enacted by the People of the State of Maine as follows:

Sec. 1. 19-A MRSA §2111 is enacted to read:

§2111. Criminal history record checks for Department of Health and Human Services employees, applicants for employment, contractors and subcontractors

1. Definitions. As used in this section, unless the context otherwise indicates, the following terms have the following meanings.

A. "Federal Bureau of Investigation" means the United States Department of Justice, Federal Bureau of Investigation.

B. "State Police" means the Department of Public Safety, Bureau of State Police.

2. Criminal history; information about criminal records and data obtained. The department shall obtain, in print or electronic format, criminal history record information containing a record of public criminal history record information as defined in Title 16, section 703, subsection 8, from the Maine Criminal Justice Information System, established pursuant to Title 16, section 631, and the Federal Bureau of Investigation, for any person employed by the department, who may be offered employment by the department or who is employed by or may be offered employment by a department contractor or subcontractor in order to comply with the United States Internal Revenue Service's tax information security guidelines for federal, state and local agencies.

3. Fingerprint-based criminal history obtained. A person employed by the department or a person who is employed by a department contractor or subcontractor shall consent to and have the person's fingerprints taken. A person who may be offered employment by the department or by a department contractor or subcontractor shall consent to and have the person's fingerprints taken prior to being employed by the department or by a department contractor or subcontractor. The State Police shall take or cause to be taken the fingerprints of a person who has consented under this subsection and shall forward the fingerprints to the Department of Public Safety so that the Department of Public Safety may conduct a state and national criminal history record check on the person.

The Department of Public Safety shall forward the results obtained to the department. The fee charged to the department by the State Police must be consistent with the fee charged to executive branch agencies receiving similar services. Except for the portion of the payment that constitutes the processing fee charged by the Federal Bureau of Investigation, all money received by the State Police under this subsection must be paid to the Treasurer of State, who shall apply the money to the expenses of administration of this section by the Department of Public Safety.

4. Updates to information. The department may request a subsequent criminal history record check under subsection 3 on an employee, a person who has been offered employment by the department, an employee of a department contractor or subcontractor or a person who has been offered employment by a department contractor or subcontractor as the department determines appropriate, including continuous notifications of updated criminal history record information if a service providing notifications of updated criminal history record information becomes available.

5. Confidentiality. Information obtained pursuant to this section is confidential and may not be disseminated for purposes other than as provided in subsections 6 and 7.

6. Use of information obtained. Criminal history record information obtained pursuant to this section may be used by the department for employment purposes to screen an employee, a person who may be offered employment by the department, an employee of a department contractor or subcontractor or a person who may be offered employment by a department contractor or subcontractor. The subject of any criminal history record check under subsection 3 may contest any negative decision made by the department based upon the information received pursuant to the criminal history record check.

7. Person's access to information obtained. A person subject to a criminal history record check pursuant to subsection 3 must be notified each time a criminal history record check is performed on the person. A person subject to a criminal history record check under subsection 3 may inspect and review the criminal history record information pursuant to Title 16, section 709 and obtain federal information obtained pursuant to the criminal history record check by following the procedures outlined in 28 Code of Federal Regulations, Sections 16.32 and 16.33.

8. Right of subject to remove fingerprints from record. Upon request from a person subject to a criminal history record check pursuant to subsection 3, the Department of Public Safety shall remove the person's fingerprints from the Department of Public Safety's records and provide written confirmation of the removal to the person.

Sec. 2. 25 MRSA §1542-A, sub-§1, ¶P, as enacted by PL 2017, c. 452, §25 and c. 457, §13, is repealed and the following enacted in its place:

P. Who is licensed under Title 32, chapter 36 and has applied for an expedited license under Title 32, section 18506;

Sec. 3. 25 MRSA §1542-A, sub-§1, ¶¶Q and R, as enacted by PL 2017, c. 457, §13, are amended to read:

Q. Who is an applicant for licensure with the State Board of Nursing as required under Title 32, section 2111, subsection 1; or

R. Who is required to have a criminal background check under Title 22, section 8302-A or 8302-B;

Sec. 4. 25 MRSA §1542-A, sub-§1, ¶¶S and T are enacted to read:

S. Who is required to have a criminal history record check under Title 22, section 2425-A, subsection 3-A; or

T. Who is required to have a criminal history record check under Title 19-A, section 2111.

Sec. 5. 25 MRSA §1542-A, sub-§3, ¶O, as enacted by PL 2017, c. 452, §26 and c. 457, §15, is repealed and the following enacted in its place:

O. The State Police shall take or cause to be taken the fingerprints of the person named in subsection 1, paragraph P at the request of that person and upon payment of the expenses by that person as required by Title 32, section 2571-A.

Sec. 6. 25 MRSA §1542-A, sub-§3, ¶¶R and S are enacted to read:

R. The State Police shall take or cause to be taken the fingerprints of the person named in subsection 1, paragraph S at the request of that person or the Department of Administrative and Financial Services under Title 22, section 2425-A, subsection 3-A.

S. The State Police shall take or cause to be taken the fingerprints of the person named in subsection 1, paragraph T at the request of that person or the Department of Health and Human Services pursuant to Title 19-A, section 2111.

Sec. 7. 25 MRSA §1542-A, sub-§4, as amended by PL 2017, c. 452, §27 and c. 457, §16, is repealed and the following enacted in its place:

4. Duty to submit to State Bureau of Identification. It is the duty of the law enforcement agency taking the fingerprints as required by subsection 3, paragraphs A, B and G to transmit immediately to the State Bureau of Identification the criminal fingerprint record. Fingerprints taken pursuant to subsection 1,

paragraph C, D, E or F or pursuant to subsection 5 may not be submitted to the State Bureau of Identification unless an express request is made by the commanding officer of the State Bureau of Identification. Fingerprints taken pursuant to subsection 1, paragraph G must be transmitted immediately to the State Bureau of Identification to enable the bureau to conduct state and national criminal history record checks for the Department of Education. The bureau may not use the fingerprints for any purpose other than that provided for under Title 20-A, section 6103. The bureau shall retain the fingerprints, except as provided under Title 20-A, section 6103, subsection 9. Fingerprints taken pursuant to subsection 1, paragraph I and subsection 3, paragraph I must be transmitted immediately to the State Bureau of Identification to enable the bureau to conduct state and national criminal history record checks for the court and the Department of Public Safety, Gambling Control Board, respectively. Fingerprints taken pursuant to subsection 1, paragraph J, K, L or S must be transmitted immediately to the State Bureau of Identification to enable the bureau to conduct state and national criminal history record checks for the Department of Administrative and Financial Services. Fingerprints taken pursuant to subsection 1, paragraph P must be transmitted immediately to the State Bureau of Identification to enable the bureau to conduct state and national criminal history record checks for the Board of Osteopathic Licensure, established in Title 32, chapter 36. Fingerprints taken pursuant to subsection 1, paragraph N must be transmitted immediately to the State Bureau of Identification to enable the bureau to conduct state and national criminal history record checks for the Board of Licensure in Medicine, established in Title 32, chapter 48. Fingerprints taken pursuant to subsection 1, paragraph Q must be transmitted immediately to the State Bureau of Identification to enable the bureau to conduct state and national criminal history record checks for the State Board of Nursing, established in Title 32, chapter 31. Fingerprints taken pursuant to subsection 1, paragraph O must be transmitted immediately to the State Bureau of Identification to enable the bureau to conduct state and national criminal history record checks under Title 28-B, section 204. Fingerprints taken pursuant to subsection 1, paragraph R or T must be transmitted immediately to the State Bureau of Identification to enable the bureau to conduct state and national criminal history record checks for the Department of Health and Human Services.

CHAPTER 403
H.P. 1297 - L.D. 1820

**An Act To Amend the Laws
Governing Investigations by
School Entities into Holders of
Credentials**

Be it enacted by the People of the State of Maine as follows:

Sec. 1. 20-A MRSA §13025, as repealed and replaced by PL 2017, c. 477, §1, is amended to read:

§13025. Investigations

1. Definitions. As used in this section, unless the context otherwise indicates, the following terms have the following meanings.

A. ~~"Boundaries" means the physical, emotional and social structures that ensure that interactions with a student have a legitimate academic purpose.~~

B. "Covered investigation" means an investigation by a school entity into the conduct of a holder of a credential that a school entity has a reasonable expectation would affect the credential holder's employment or contracted service because the alleged conduct involves alcohol, illegal drugs, physical abuse, emotional abuse, ~~violating boundaries~~, inappropriate contact between a credential holder and a student, stalking, or similar behavior that ~~may endanger~~ endangers the health, safety or welfare of a student.

C. "School entity" means an approved private school, school administrative unit, public charter school, school management and leadership center, school in the unorganized territory or school operated by the State.

2. Subpoenas. When conducting an investigation relating to the credentialing of personnel under chapter 501 and this chapter and rules of the state board, the commissioner may issue subpoenas for education records relevant to that investigation.

3. Duties of school entities. A school entity shall notify the department ~~within 15 business days of the~~ immediately if a credential holder who is the subject of a covered investigation leaves the school entity's initiating a employment for any reason prior to the conclusion of the covered investigation. The A school entity shall notify the department immediately if ~~the~~ a credential holder is ~~put on administrative leave~~ disciplined, suspended or terminated as ~~part~~ a result of a covered investigation in which the school entity determined that a student's health, safety or welfare was endangered. The notification must include the matter being investigated. Within 5 business days after completion of a covered investigation, the school entity

~~shall notify the department in writing of the final outcome of the investigation, including, but not limited to, any actions taken, and shall provide to the department any final report produced in support of the school entity's decision to discipline, suspend or terminate the credential holder. The credential holder who is the subject of the report may submit to the department a written rebuttal to the report. The written rebuttal must be placed in the department's investigative file.~~

4. Duties of department. The department shall ~~notify school entities~~ act in accordance with this subsection.

A. The department shall notify the superintendent or chief administrative officer of a school entity within 15 business days of the department's initiating an investigation into a holder of a credential who works for the school entity and shall notify the school entity immediately if the department takes action on that credential. Within 5 business days after completion of an investigation, the department shall notify each school entity for which the credential holder works of the final outcome of the investigation, including, but not limited to, any actions taken, and shall provide to the school entity any final written decision.

B. Immediately upon receipt from a school entity of notification pursuant to subsection 3 of ~~a covered investigation or administrative leave~~ the discipline, suspension or termination of a credential holder, or the leaving of employment by a credential holder prior to the completion of a covered investigation of that credential holder, the department shall notify the superintendent or chief administrative officer of all other school entities for which the credential holder works, as reported to the department under section 13026, that the credential holder ~~is being investigated or has been placed on administrative leave was disciplined, suspended or terminated as part of a result of a covered investigation, or that the credential holder left employment prior to completion of a covered investigation. The department shall notify the superintendent or chief administrative officer of each school entity for which the credential holder works of the final outcome of the covered investigation, including, but not limited to, any actions taken and any final report produced, upon receipt of that information from the investigating school entity. If a credential holder provides consent as part of that credential holder's application for employment with a school entity, the department shall notify the superintendent or the chief administrative officer of that school entity if that credential holder left employment with a school entity prior to the completion of a covered investigation of that credential holder.~~

C. The department shall destroy copies of all records and reports related to a finding resulting in discipline, suspension or termination of a credential holder if the finding resulting in that discipline, suspension or termination is reversed upon appeal at the school entity level.

5. Confidentiality. The department may share information that is confidential pursuant to section 6101 or 13004 with a school entity in accordance with subsection 4. A school entity that receives confidential information shall maintain the confidentiality of that information ~~in accordance with rules adopted by the department pursuant to subsection 6.~~

~~**6. Rules.** The commissioner shall adopt rules as necessary to carry out this section. In adopting rules, the commissioner shall identify the types of conduct of which a school entity must notify the department under subsection 3 and shall develop procedures for school entities to ensure the confidentiality of information received pursuant to subsection 5. Rules adopted under this subsection are major substantive rules as defined in Title 5, chapter 375, subchapter 2-A.~~

Sec. 2. Work group; report. The Department of Education shall convene a work group of stakeholders, including but not limited to the Maine School Management Association, the Maine Education Association and the Office of the Attorney General, to study and report to the Joint Standing Committee on Education and Cultural Affairs, no later than February 1, 2020 on recommendations and suggested legislation to improve the law regarding investigations into educator credential holders. The Joint Standing Committee on Education and Cultural Affairs may report out a bill to the Second Regular Session of the 129th Legislature on the subject matter of the report.

CHAPTER 404

S.P. 616 - L.D. 1826

An Act To Update the Laws Relating to Liquor Licensing and Enforcement

Be it enacted by the People of the State of Maine as follows:

Sec. 1. 28-A MRSA §2, sub-§29-A, as enacted by PL 2005, c. 390, §1, is amended to read:

29-A. Small distillery. "Small distillery" means a distiller that produces distilled spirits in an amount that does not exceed 50,000 gallons per year.

Sec. 2. 28-A MRSA §2, sub-§31, as amended by PL 2017, c. 301, §2, is further amended to read:

31. Spirits. "Spirits" means any liquor produced by distillation or, if produced by any other process, strengthened or fortified by the addition of distilled spirits of any kind. "Spirits" does not include low-alcohol spirits products or fortified wine. Beginning July 1, 2019, "spirits" does not mean an additive or flavoring, such as an extract or concentrate, that:

- A. Contains alcohol;
- B. Is not intended to be consumed alone as a beverage or a food product but serves as a flavor enhancement to a beverage or a food product; and
- C. Is not subject to excise tax under chapter 65.

Sec. 3. 28-A MRSA §83-C, sub-§2-A is enacted to read:

2-A. Special pricing situations. Notwithstanding section 1651, the bureau may, by rule, set retail prices on spirits at different levels than those established by the commission in the following circumstances.

- A. The bureau may establish special retail prices on certain listed spirits items to be made available to the consumer at all agency liquor stores.
- B. The bureau may reduce the retail price of a listed spirits item that is unlikely to be sold for the retail price set by the commission.
- C. The bureau may reduce, at the expense of the manufacturer or supplier, the retail price of those test-market spirits items that fail to meet set minimum gross profit standards after a 3-month period.

Sec. 4. 28-A MRSA §83-C, sub-§9, as enacted by PL 2013, c. 476, Pt. A, §9, is amended to read:

9. Report on expenditures. Report annually on expenditures and investments made by the bureau, including, but not limited to, reductions in the ~~list~~ retail price at which spirits are sold and incentives offered to agency liquor stores, to the joint standing committee of the Legislature having jurisdiction over appropriations and financial affairs and the joint standing committee of the Legislature having jurisdiction over alcoholic beverage matters. The report must include the impact of those spending initiatives on the number of cases of spirits sold in the State and on sales of spirits generally.

Sec. 5. 28-A MRSA §453, sub-§2-C, ¶A, as amended by PL 2017, c. 167, §4, is further amended to read:

A. If the applicant has previously held a license to sell malt liquor and wine for off-premises consumption, the applicant was not found by the District Court to have committed a violation of any provision of this Title or rule of the bureau within the last year;

Sec. 6. 28-A MRSA §460, sub-§2, ¶M-1, as amended by PL 2019, c. 79, §1, is further amended to read:

M-1. Spirits served at a taste-testing event must be provided by the agency liquor store or purchased, at the retail ~~list~~ price, by a licensed sales representative participating in the taste-testing event from existing stock available for purchase at the agency liquor store.

Sec. 7. 28-A MRSA §606, sub-§1, as amended by PL 2013, c. 368, Pt. V, §35, is further amended to read:

1. Purchase of liquor. Subject to the restrictions provided in subsection 1-A, a person licensed to sell spirits ~~and fortified wine for on-premises consumption~~ must purchase spirits ~~and fortified wine~~ from an agency liquor store licensed as a reselling agent under section 453-C. This subsection does not apply to public service corporations operating interstate.

Sec. 8. 28-A MRSA §606, sub-§1-A, ¶A, as amended by PL 2013, c. 476, Pt. A, §19, is further amended to read:

A. The sale price of spirits sold by a reselling agent to an establishment licensed for on-premises consumption must ~~equal~~ be the retail price established by the commission or the discounted retail price established by the bureau in accordance with subsection 1-C.

Sec. 9. 28-A MRSA §606, sub-§1-C, as amended by PL 2013, c. 476, Pt. A, §20, is further amended to read:

1-C. Price of state spirits sales to agency liquor stores. The bureau may offer discounts below the ~~list retail price set by the commission~~ on spirits sold to agency liquor stores.

H.P. 1105 - L.D. 1512

An Act Regarding Persons Who Are Found Not Criminally Responsible and Are Sent out of State for Treatment

Be it enacted by the People of the State of Maine as follows:

Sec. 1. 15 MRSA §104-A, sub-§1, as amended by PL 2005, c. 464, §1, is further amended to read:

1. Release and discharge. The term "release," as used in this section, means termination of institutional inpatient residency and return to permanent residency in the community. The head of the institution in which a person is placed, under section 103, shall, annually, forward to the Commissioner of Health and Human Services a report containing the opinion of a staff psychiatrist as to the mental conditions of that person, stating specifically whether the person may be released or discharged without likelihood that the person will cause injury to that person or to others due to mental disease or mental defect. The report must also contain a brief statement of the reasons for the opinion. If a person has been placed in an institution outside the State pursuant to section 103, the institution of this State required to monitor the person's placement shall forward the report to the commissioner every 6 months. If a person who has been found not criminally responsible by reason of insanity for the crime of murder or a Class A crime and was committed under section 103 is the subject of a report finding that the person may be released, the report must specifically ~~describe~~ recommend the supervision for the Department of Health and Human Services ~~will to~~ provide the person and must specifically include measures for the department ~~will to~~ take to provide psychoactive medication monitoring of the person. The commissioner shall immediately file the report in the Superior Court for the county in which the person is committed. If a person has been placed in an institution outside the State, the commissioner shall immediately file the report in the Superior Court for the county in which the institution in this State required to monitor the person's placement is located. The court shall review each report and, if it is made to appear by the report that any person may be ready for release or discharge, the court shall set a date for and hold a hearing on the issue of the person's readiness for release or discharge.

The court shall give notice of the hearing and mail a copy of the report to the Attorney General, offices of the district attorney that prosecuted the criminal charges for which the person was committed under section 103 and the offices of the district attorneys in whose district the release petition was filed or in whose district release may occur. At the hearing, the court shall receive the testimony of at least one psychiatrist who has treated the person and a member of the State Forensic Service who has examined the person, the testimony of any independent psychiatrist or licensed clinical psychologist who is employed by the prosecutor and has examined the person and any other relevant testimony. If, after hearing, the court finds that the person may be released or discharged without likelihood that the person will cause injury to that person or to others due to mental disease or mental defect, the court shall order, as applicable:

A. Release from the institution, provided that:

- (1) The order for release includes conditions determined appropriate by the court, including, but not limited to, outpatient treatment and supervision by the Department of Health and Human Services, Division of Mental Health. If the order for release covers a person found not criminally responsible by reason of insanity for the crime of murder or a Class A crime and was committed under section 103, the order must direct the Department of Health and Human Services to provide the level of supervision necessary, including specific measures to provide psychoactive medication monitoring; and
- (2) The order for release includes the condition that the person must be returned to the institution immediately upon the order of the commissioner whenever the person fails to comply with other conditions of release ordered by the court; or

B. Discharge from the custody of the Commissioner of Health and Human Services.

Release from the institution is subject to annual review by the court and, except for return as ordered by the commissioner under paragraph A, subparagraph (1), must continue until terminated by the court. Each person released under this section ~~shall remain~~ remains in the custody of the commissioner. The Commissioner of Health and Human Services shall inform the public safety officer of the municipality or the sheriff's office of the county into which the person is released of the release.

Sec. 2. 15 MRSA §109 is enacted to read:

§109. Committee for the oversight of patient human rights

S.P. 527 - L.D. 1638

**An Act To Provide for
Gubernatorial Appointments
to the Maine Charter School
Commission**

**Be it enacted by the People of the State of
Maine as follows:**

Sec. 1. 20-A MRSA §2405, sub-§8, ¶A, as amended by PL 2013, c. 368, Pt. JJJJ, §2, is further amended to read:

A. The commission consists of 7 members ~~appointed by the state board for 3-year terms.~~ The commission shall elect a chair and such other officers as may be necessary to conduct its business. Four members constitute a quorum.

(1) Three members must be members of the state board, appointed by the state board for 3-year terms, and those 3 members shall nominate the other 4 members who must be approved by a majority vote of the state board are appointed by the Governor, subject to review by the joint standing committee of the Legislature having jurisdiction over education matters and to confirmation by the Senate, for 4-year terms.

(2) Members appointed to the commission must have diverse professional experience in education, social services, youth training, business startup and administration, accounting and finance, strategic planning and non-profit governance. The following provisions apply to the appointment of the 4 other members nominated and appointed by state board members pursuant to subparagraph (1): In appointing members to the commission, the Governor shall give proper consideration to candidates with experience in a noncharter public school in the State in one of the following positions: school board member, superintendent, teacher and special education director.

(a) In appointing members to the commission, the state board shall give proper consideration to candidates with experience in a noncharter public school in the State in one of the following positions:

~~school board member, superintendent, teacher and special education director;~~

~~(b) The state board shall ensure that the joint standing committee of the Legislature having jurisdiction over education matters has an opportunity to meet and interview the candidate or candidates nominated for the commission;~~

~~(c) Within 10 days of meeting with the candidate or candidates, the joint standing committee of the Legislature having jurisdiction over education matters shall deliver to the state board its written appraisal of the strengths and weaknesses of the candidate or candidates; and~~

~~(d) The state board shall consider the appraisal of the joint standing committee of the Legislature having jurisdiction over education matters prior to appointing a candidate or candidates to the commission.~~

(3) A commission member may not serve more than 3 consecutive terms, but may serve again after not serving on the commission for at least one term.

(4) A commission member may receive an amount equal to the legislative per diem and be reimbursed for expenses.

(5) A commission member who is a member of the state board serves on the commission only during that person's membership on the state board. Upon expiration of that person's state board membership, the position on the commission becomes vacant and must be filled in the manner provided for filling vacancies. ~~The term of a member who is approved by the state board and reviewed by the joint standing committee of the Legislature having jurisdiction over education matters ends on June 30th of the final year of the member's term.~~

(6) A vacancy on the commission must be filled in the same manner as the position in which the vacancy occurs is regularly filled, including, if applicable, a review by the joint standing committee of the Legislature having jurisdiction over education matters. A vacancy is filled for the remainder of the unexpired term. If the person serves more than 1 1/2 years of an unexpired term, that service counts as one term for purposes of the limitation set forth in subparagraph (3).

(7) A member of the commission may be removed for failure to perform the duties of

office, as specified in commission rules, by a majority vote of the state board.

**An Act To Provide Relief to
Survivors of Economic Abuse**

Be it enacted by the People of the State of Maine as follows:

Sec. 1. 10 MRSA §1310-H, sub-§2-A is enacted to read:

2-A. Economic abuse. Except as prohibited by federal law, if a consumer provides documentation to the consumer reporting agency as set forth in Title 14, section 6001, subsection 6, paragraph H that the debt or any portion of the debt is the result of economic abuse as defined in Title 19-A, section 4002, subsection 3-B, the consumer reporting agency shall reinvestigate the debt. If after the investigation it is determined that the debt is the result of economic abuse, the consumer reporting agency shall remove any reference to the debt or any portion of the debt determined to be the result of economic abuse from the consumer's credit report.

Sec. 2. 10 MRSA §1310-H, sub-§3, as enacted by PL 2013, c. 228, §1, is amended to read:

3. Nonliability. A person may not be held liable for any violation of this section if the person shows by a preponderance of the evidence that at the time of the alleged violation the person maintained reasonable procedures to ensure compliance with the provisions of subsections 1 ~~and~~ 2 ~~and~~ 2-A.

Sec. 3. 19-A MRSA §4002, sub-§3-B is enacted to read:

3-B. Economic abuse. "Economic abuse" means causing or attempting to cause an individual to be financially dependent by maintaining control over the individual's financial resources, including, but not limited to, unauthorized or coerced use of credit or property, withholding access to money or credit cards, forbidding attendance at school or employment, stealing from or defrauding of money or assets, exploiting the individual's resources for personal gain of the defendant or withholding physical resources such as food, clothing, necessary medications or shelter.

Sec. 4. 19-A MRSA §4007, sub-§1, as amended by PL 2017, c. 288, Pt. A, §§23 to 26, is further amended to read:

1. Protection order; consent agreement. The court, after a hearing and upon finding that the defendant has committed the alleged abuse as defined in section 4002, subsection 1 or engaged in the alleged conduct described in section 4005, subsection 1, may grant a protective order or, upon making that finding, approve a consent agreement to bring about a cessation of abuse or the alleged conduct. This subsection does not preclude the parties from voluntarily requesting a consent agreement without a finding of abuse. The court may enter a finding that the defendant represents a credible threat to the physical safety of the plaintiff or a minor child residing in the plaintiff's household. The court may enter a finding of economic abuse. Relief granted under this section may include:

A. Directing the defendant to refrain from threatening, assaulting, molesting, harassing, attacking or otherwise abusing the plaintiff and any minor children residing in the household;

A-1. Directing the defendant not to possess a firearm, muzzle-loading firearm, bow, crossbow or other dangerous weapon for the duration of the order;

A-2. Prohibiting the defendant from the use, attempted use or threatened use of physical force that would reasonably be expected to cause bodily injury against the plaintiff or a minor child residing in the household;

B. Directing the defendant to refrain from going upon the premises of the plaintiff's residence;

C. Directing the defendant to refrain from repeatedly and without reasonable cause:

(1) Following the plaintiff;

(2) Being at or in the vicinity of the plaintiff's home, school, business or place of employment; or

(3) Engaging in conduct defined as stalking in Title 17-A, section 210-A;

D. Directing the defendant to refrain from having any direct or indirect contact with the plaintiff;

E. When the mutual residence or household of the parties is jointly owned or jointly leased or when one party has a duty to support the other or their minor children living in the residence or household and that party is the sole owner or lessee:

(1) Granting or restoring possession of the residence or household to one party, excluding the other; or

(2) A consent agreement, allowing the party with the duty to support to provide suitable alternate housing;

E-1. Directing the defendant to refrain from injuring or threatening to injure any animal owned, possessed, leased, kept or held by either party or a minor child residing in the household;

F. Ordering a division of the personal property and household goods and furnishings of the parties and placing any protective orders considered appropriate by the court, including an order to refrain from taking, converting or damaging property in which the plaintiff has a legal interest;

F-1. Ordering the termination of a life insurance policy or rider under that policy owned by the defendant if the plaintiff is the insured life under the policy or rider. Upon issuance, a copy of the court order must be sent to the insurer that issued the policy;

G. Either awarding some or all temporary parental rights and responsibilities with regard to minor children or awarding temporary rights of contact with regard to minor children, or both, under such conditions that the court finds appropriate as determined in accordance with the best interest of the child pursuant to section 1653, subsections 3 to 6-B. The court's award of parental rights and responsibilities or rights of contact is not binding in any separate action involving an award of parental rights and responsibilities pursuant to chapter 55 or in a similar action brought in another jurisdiction exercising child custody jurisdiction in accordance with the Uniform Child Custody Jurisdiction and Enforcement Act;

H. Requiring the defendant to receive counseling from a social worker, family service agency, mental health center, psychiatrist or any other guidance service that the court considers appropriate. The court may not order and the State may not pay for the defendant to attend a batterers' intervention program unless the program is certified under section 4014;

I. Ordering the payment of temporary support for the dependent party or for a child in the dependent party's custody in accordance with chapter 63, or both, when there is a legal obligation to support that dependent party or that child, or both;

J. Ordering the payment of temporary support payments to the State as provided in chapters 63 and 67;

K. Ordering payment of monetary ~~compensation relief~~ to the ~~abused person plaintiff~~ for losses suffered as a ~~direct~~ result of the ~~abuse defendant's~~ conduct. ~~Compensatory losses are~~ Monetary relief includes but is not limited to loss of earnings

or support, reasonable expenses incurred for personal injuries or property damage, transitional living expenses and reasonable moving expenses. Upon the motion of either party, for sufficient cause, the court may set a later hearing on the issue of the amount of ~~damages~~ monetary relief, if any, to be awarded. Nothing in this paragraph may be construed to limit the court's discretion to enter any of the other available relief under this chapter, and does not preclude a plaintiff from seeking monetary relief through other actions as permissible by law;

L. Ordering the defendant to pay court costs or reasonable attorney's fees;

L-1. Ordering the plaintiff to pay court costs or reasonable attorney's fees, or both, only if a judgment is entered against the plaintiff after a hearing in which both the plaintiff and the defendant are present and the court finds that the complaint is frivolous;

M. Entering any other orders determined necessary or appropriate in the discretion of the court;

N. Directing the care, custody or control of any animal owned, possessed, leased, kept or held by either party or a minor child residing in the household;

O. With regard to conduct described as aggravated sex trafficking or sex trafficking as described in Title 17-A, section 852 or 853, respectively, entering any other orders determined necessary or appropriate in the discretion of the court, including, but not limited to, requiring the defendant to pay economic damages related to the return or restoration of the plaintiff's passport or other immigration document and any debts of the plaintiff arising from the trafficking relationship;

P. With respect to unauthorized dissemination of certain private images as described in Title 17-A, section 511-A, entering any orders determined necessary or appropriate in the discretion of the court, including but not limited to ordering the defendant to pay costs associated with removal, destruction or return of the private images; or

Q. With respect to unauthorized dissemination of certain private images as described in Title 17-A, section 511-A, ordering the defendant to remove, destroy or return or to direct the removal, destruction or return of the private images, ordering the defendant to cease the dissemination of the private images and prohibiting the defendant from disseminating the private images.

If the court enjoins the defendant under this subsection and the enjoined conduct constitutes harassment under Title 17-A, section 506-A, the court shall include in

the order a warning in conformity with Title 17-A, section 506-A.

Sec. 5. 32 MRSA §11014, sub-§2-A is enacted to read:

2-A. Economic abuse. If the consumer provides documentation to the debt collector as set forth in Title 14, section 6001, subsection 6, paragraph H that the debt or any portion of the debt is the result of economic abuse as defined in Title 19-A, section 4002, subsection 3-B, the debt collector shall cease collection of the debt or any disputed portion of the debt owed by the consumer subjected to economic abuse.

CHAPTER 408

H.P. 1020 - L.D. 1405

An Act To Amend the Laws Governing Foreclosure To Ensure Timely Completion

Be it enacted by the People of the State of Maine as follows:

Sec. 1. 14 MRSA §6323, sub-§1, as amended by PL 2013, c. 521, Pt. C, §1, is further amended to read:

1. Procedures for all civil actions. Upon expiration of the period of redemption, if the mortgagor or the mortgagor's successors, heirs or assigns have not redeemed the mortgage, any remaining rights of the mortgagor to possession terminate, and the mortgagee shall cause notice of a public sale of the premises stating the time, place and terms of the sale to be published once in each of 3 successive weeks in a newspaper of general circulation in the county in which the premises are located, the first publication to be made not more than 90 days after the expiration of the period of redemption. Except when otherwise required under 12 Code of Federal Regulations, Section 1024.41 or any successor provision, the public sale must be held not less than 30 days nor more than 45 days after the first date of that publication. Except for sales of premises that the court has determined to be abandoned pursuant to section 6326, the public sale may be adjourned, for any time not exceeding ~~7~~ 60 days ~~and from time to time until a sale is made~~, by announcement to those present at ~~each~~ any such adjournment. The court, upon motion of the mortgagee, filed before the deadline for sale and showing good cause, may grant such further extensions of the mortgagee's time to sell as it considers appropriate. For sales of premises that the court has determined to be abandoned pursuant to section 6326, the public sale may be adjourned once for any time not exceeding 7 days, except that the court may permit one additional

adjournment for good cause shown. Adjournments may also be made in accordance with the requirements of 12 Code of Federal Regulations, Section 1024.41 or any successor provision. The mortgagee, in its sole discretion, may allow the mortgagor to redeem or reinstate the loan after the expiration of the period of redemption but before the public sale. The mortgagee ~~may shall~~ convey the property to the mortgagor upon redemption or may execute a waiver of foreclosure; ~~and in conjunction with a reinstatement only with the written consent of the mortgagor.~~ A waiver of foreclosure and the consent of the mortgagor to the waiver must be included in a stipulation of dismissal of the foreclosure and signed by the mortgagee and mortgagor or their respective attorneys, and, upon the filing of the stipulation of dismissal with the court, all other rights of all other parties remain as if no foreclosure had been commenced. The mortgagee shall sell the premises to the highest bidder at the public sale and deliver a deed of that sale and ~~the any~~ writ of possession, ~~if a writ of possession was obtained during the foreclosure process, that has been issued to the purchaser.~~ The deed conveys the premises free and clear of all interests of the parties in interest joined in the action. The mortgagee or any other party in interest may bid at the public sale. If the mortgagee is the highest bidder at the public sale, there is no obligation to account for any surplus upon a subsequent sale by the mortgagee. Any rights of the mortgagee to a deficiency claim against the mortgagors are limited to the amount established as of the date of the public sale. The date of the public sale is the date on which bids are received to establish the sales price, no matter when the sale is completed by the delivery of the deed to the highest bidder. If the property is conveyed by deed pursuant to a public sale in accordance with this subsection, a copy of the judgment of foreclosure and evidence of compliance with the requirements of this subsection for the notice of public sale and the public sale itself must be attached to or included within the deed, or both, or otherwise be recorded in the registry of deeds.

Sec. 2. 14 MRSA §6324, as amended by PL 2003, c. 20, Pt. T, §10, is further amended by adding at the end a new paragraph to read:

The report of sale required by this section must be filed with the court within the earlier of 90 days after the public sale and 45 days after the mortgagee's delivery of the deed conveying the mortgaged property to the purchaser at the mortgage sale. Upon a showing of good cause by the mortgagee, made by motion filed before the expiration of the deadline, the court may extend the deadline for the filing of the report of sale for an additional period of time as the court considers appropriate. In the event that the mortgagee fails to timely file the report of sale, the mortgagee has no right to seek a deficiency judgment.

CHAPTER 409

H.P. 1070 - L.D. 1463

**An Act To Create an
Automatic Voter Registration
System**

**Be it enacted by the People of the State of
Maine as follows:**

Sec. 1. 21-A MRSA §122-A, as enacted by PL 2005, c. 364, §4, is amended to read:

**§122-A. Alternative registration procedure for
participants in Address Confidentiality
Program**

Notwithstanding sections 122 and 152 and subchapter 9, a person who is certified by the Secretary of State as a program participant in the Address Confidentiality Program pursuant to Title 5, section 90-B may register to vote using the designated address and voter code assigned to that person pursuant to rules adopted to implement the program. To register to vote, a voter must present the registrar with that voter's authorization card assigned to the voter pursuant to rules adopted by the Secretary of State showing that voter's name, voter code, designated address and certification expiration date. The registrar may contact the Address Confidentiality Program administrator in the Secretary of State's office to determine the voter's eligibility to register in the municipality and to verify the electoral district in which the voter is voting for purposes of issuing an absentee ballot to the voter pursuant to section 753-C. All registration records for such voters must be designated as confidential and kept sealed in the registrar's office. The name of any voter certified as a program participant in the Address Confidentiality Program may not be placed on any voter list that is available for public inspection or copying.

Sec. 2. 21-A MRSA §129, first ¶, as amended by PL 2011, c. 399, §11, is further amended to read:

When Notwithstanding subchapter 9, when a voter's name is changed by marriage or other process of law; or when the voter moves within a municipality, the following provisions apply.

Sec. 3. 21-A MRSA §152, sub-§1, as amended by PL 2015, c. 447, §§4 and 5, is further amended to read:

1. Application. In addition to the ~~procedure~~ procedures provided by section 122 and subchapter 9, a person may register to vote or enroll in a political party, or both, by completing an application that is designed by the Secretary of State. The application must include, but is not limited to:

A. The legal name of the voter, in one of the following combinations:

- (1) First name and last name;
- (2) First initial, middle name and last name; or
- (3) First name, middle name or middle initial and last name;

B. Residence address, including street, street number, apartment number, town and zip code;

C. Mailing address;

D. Date of birth;

F. Most recent prior residence where registered to vote, including the municipality, county and state, and the name under which previously registered, if changed;

H. Notification that failure to complete the entire application may prevent registration;

J. Date of application;

K. Signature of applicant collected in a way that ensures the quality and integrity of the signature;

L. Choice of political party if the applicant desires to enroll in a political party or an indication that the applicant chose not to enroll in a party;

M. A place for the person's current, valid Maine driver's license number, if applicable; or, if the applicant has no driver's license number, the last 4 digits of the person's social security number, if applicable; or, if the applicant has neither number, a place to put "none" or "not applicable"; and

N. A place for the applicant to respond to the questions concerning the voter's qualifications as required by the federal Help America Vote Act of 2002, Public Law 107-252.

Sec. 4. 21-A MRSA §155, first ¶, as amended by PL 2011, c. 342, §8, is further amended to read:

The registrar shall conditionally accept the registration and enrollment of any person who is 16 or 17 years of age and who is otherwise qualified to be a voter. The conditional registration automatically becomes effective on the person's 18th birthday and the registrant then is eligible to vote.

Sec. 5. 21-A MRSA §195, as amended by PL 2009, c. 564, §6, is repealed and the following enacted in its place:

§195. Report

The Secretary of State shall report annually by January 15th to the joint standing committee of the Legislature having jurisdiction over voter registration matters on the administration of the central voter regis-

tration system and the automatic voter registration system established pursuant to subchapter 9.

1. Automatic registration efforts. Beginning January 15, 2023, the report required under this section must include the following information regarding the actions taken pursuant to subchapter 9:

A. The number of pending voter registration records that have been created by source agencies;

B. The number of voters added to the central voter registration system because of pending voter registration records created by source agencies;

C. The number of voters in the central voter registration system whose information was updated because of pending voter registration records created by source agencies;

D. The number of pending voter registration records created, by source agency, that do not relate to individuals affirmatively identified as eligible to vote;

E. The number of individuals who chose to not register to vote; and

F. The number of voters who submitted requests to update or correct registration information through the system established in subchapter 9, by type of information updated.

As used in this subsection, "pending voter registration record" and "source agency" have the same meanings as in section 231, subsections 2 and 4, respectively.

2. Public access. The report required under this section may address issues of public access to the information from the central voter registration system.

3. Legislation. The report required under this section may include suggested legislation necessary to administer the central voter registration system and the automatic voter registration system implemented pursuant to subchapter 9. The joint standing committee of the Legislature having jurisdiction over voter registration matters may report out legislation regarding the central voter registration system and the automatic voter registration system to the Legislature.

Sec. 6. 21-A MRSA c. 3, sub-c. 9 is enacted to read:

SUBCHAPTER 9

AUTOMATIC VOTER REGISTRATION

§231. Definitions

As used in this subchapter, unless the context otherwise indicates, the following terms have the following meanings.

1. Bureau. "Bureau" means the Department of the Secretary of State, Bureau of Motor Vehicles.

2. Pending voter registration record. "Pending voter registration record" means the electronic record created by a source agency that contains the personal identification information, including name, age, citizenship and legal residence, and other information required by section 152 of a person who is in the process of being considered for voter registration.

3. Proof of voter eligibility. "Proof of voter eligibility" means reliable evidence of a person's eligibility to vote and must include proof of age, citizenship and residence.

4. Source agency. "Source agency" means the bureau and a state agency or department or other entity designated as a source agency pursuant to section 233, subsection 1 that, as part of the normal course of business of that entity, collects documents that contain personal identification information that provides proof of voter eligibility.

§232. Automatic registration by the bureau

1. Application; creation of pending voter registration record. If an individual applies for a driver's license or nondriver identification card from the bureau, the bureau shall scan the documentation provided by the individual and create a pending voter registration record for that individual, which must be stored electronically in the bureau's database. The pending voter registration record and the accompanying scanned documentation must be in a searchable, auditable format.

2. Proof of citizenship. If an individual in the course of business with the bureau provides a document that proves the individual is a United States citizen, the pending voter registration record of that individual in the bureau's database must indicate that the individual has fulfilled the citizenship eligibility requirement for the purpose of registering to vote.

3. Electronic transmission of voter registration data. Unless the individual has opted out of automatic voter registration as provided in section 234, if an individual's pending voter registration record establishes voter eligibility, the bureau shall transmit electronically the individual's pending voter registration record to the applicable registrar of voters in a format that may be reviewed by the registrar and converted and uploaded into the central voter registration system.

4. Registration of individual or update of individual's registration record. The registrar of voters shall determine whether an individual whose pending voter registration record was transmitted under subsection 3 is eligible to and registered to vote in the central voter registration system. If the individual is eligible to vote but is not registered in the central voter registration system, the registrar shall enter the individual's information into the central voter registration system. If the individual is registered to vote, the registrar shall enter any changes to the address or name of the indi-

vidual in the central voter registration system to ensure that the voting lists are kept current.

§233. Automatic registration by source agencies other than the bureau

1. Designation of source agencies. The Secretary of State may designate a state agency or department as a source agency if the Secretary of State verifies that the agency or department, as part of the normal course of business of that agency or department, collects documents that provide proof of voter eligibility. The Secretary of State may designate as source agencies other entities designated by Section 7 of the National Voter Registration Act of 1993, 52 United States Code, Section 20506, including, but not limited to, public or private universities or colleges or entities that provide services to persons with disabilities, as long as those entities, as part of the entities' normal course of business, collect documents that provide proof of voter eligibility.

2. Automatic registration. An agency designated as a source agency pursuant to this section shall follow the procedures established by the Secretary of State by rule for automatic voter registration. Those procedures, to the extent possible, must be the same as the procedures for automatic voter registration by the bureau under section 232.

§234. Voluntary opt-out from voter list

1. Opportunity to opt out. Any document or application used by a source agency in the normal course of business of that agency to collect proof of voter eligibility data must contain notice that, unless the applicant declines, the information provided by the applicant could be used to register the applicant to vote and that some of the applicant's information would be sent to a central voter database where it would be accessible to entities other than the State or the source agency.

2. Opportunity to opt out prior to voter registration transaction. The Secretary of State shall ensure that, prior to the creation of a pending voter registration record by a source agency, an individual is given the opportunity to opt out of any voter registration transaction. If an individual opts out of voter registration, information about that individual may not be transmitted from the source agency that obtained the information to a registrar of voters.

§235. Protection against liability of individuals on basis of information transferred; false information

1. No individual liability for error by State. If an individual who is ineligible to vote becomes a registered voter pursuant to this subchapter, that individual's registration is deemed to be the fault of the State and not attributable to or the fault of the individual.

2. Providing false information. Notwithstanding subsection 1, an individual who knowingly and willfully provides false information under this subchapter is subject to prosecution pursuant to Title 17-A, section 452.

§236. Nondiscrimination

A person acting under color of law may not discriminate against an individual on the basis of the individual's absence from the central voter registration system, the information supplied by the individual for voter registration purposes at a source agency or the individual's declining to supply such information, except as required to administer elections or enforce the laws against election crimes.

§237. Secretary of State duties

1. Audit of data. The Secretary of State shall audit the central voter registration system for quality of data prior to implementation of the automatic voter registration system pursuant to this subchapter and shall periodically thereafter conduct regular audits and random checks to ensure the accuracy and reliability of the data.

2. Rulemaking. The Secretary of State may adopt rules to implement this subchapter. Rules adopted pursuant to this subsection are routine technical rules as defined in Title 5, chapter 375, subchapter 2-A.

§238. Rule of construction

1. No change to authority to maintain voting lists. This subchapter may not be construed to interfere with any election official's authority or obligation, under state or federal law, to:

A. Determine whether an individual is qualified to be a voter; or

B. Conduct regular, nondiscriminatory voting list maintenance designed to ensure that persons who are ineligible to vote are not reflected as voters in the central voter registration system.

2. Right to opt out. This subchapter may not be construed to interfere with the right of an individual to decline for any reason to be registered to vote.

Sec. 7. Report. By January 1, 2020, the Secretary of State shall submit a report to the Joint Standing Committee on Veterans and Legal Affairs on the progress made toward implementing automatic voter registration and the estimated time required to complete all activities necessary for implementation. The report may include recommended legislation for the proper implementation of the automatic voter registration system, including recommended adjustments to the implementation date. The Joint Standing Committee on Veterans and Legal Affairs may report out legislation to the Second Regular Session of the 129th Legislature based on the report.

Sec. 8. Appropriations and allocations. The following appropriations and allocations are made.

SECRETARY OF STATE, DEPARTMENT OF Elections and Commissions 0693

CHAPTER 410

H.P. 1077 - L.D. 1475

An Act To Eliminate Profiling in Maine

Be it enacted by the People of the State of Maine as follows:

Sec. 1. 5 MRSA §200-K is enacted to read:

§200-K. Attorney General procedures and programs to eliminate profiling

1. Complaints. The Attorney General shall implement procedures for receiving, investigating and responding to complaints alleging profiling by law enforcement officers or law enforcement agencies.

2. Rules. In consultation with interested parties, including law enforcement agencies and community, professional, research, civil liberties and civil rights organizations, the Attorney General may adopt rules for the operation of administrative complaint procedures and independent audit programs to ensure that programs and procedures provide an appropriate response to allegations of profiling by law enforcement

officers or law enforcement agencies. Rules may contain guidelines and ensure the fairness, effectiveness and independence of the administrative complaint procedures and independent auditor programs. Rules adopted pursuant to this subsection are routine technical rules as defined in chapter 375, subchapter 2-A.

Sec. 2. 25 MRSA §2803-B, sub-§1, ¶E, as enacted by PL 1993, c. 744, §5, is amended to read:

E. Hate or bias crimes. A policy adopted under this paragraph must include a policy statement that prohibits stops, detentions, searches or asset seizures and forfeitures efforts based on race, ethnicity, gender, sexual orientation, gender identity, religion, socioeconomic status, age, national origin or ancestry by members of the law enforcement agency, states that individuals may be stopped or detained only when legal authority exists to do so and states that members of the law enforcement agency must base their enforcement actions solely on an individual's conduct and behavior or specific suspect information;

Sec. 3. 25 MRSA §2804-C, sub-§2-E is enacted to read:

2-E. Training regarding bias-based profiling. The board shall include in the basic law enforcement training program a block of instruction aimed specifically at the prohibition of bias-based profiling that prohibits stops, detentions, searches or asset seizures and forfeitures efforts based on race, ethnicity, gender, sexual orientation, gender identity, religion, socioeconomic status, age, national origin or ancestry by members of a law enforcement agency, that provides that individuals may be stopped or detained only when legal authority exists to do so and that provides that members of a law enforcement agency must base their enforcement actions solely on an individual's conduct and behavior or specific suspect information.

Sec. 4. Collection and compilation of data on profiling. The Attorney General, in consultation with interested parties, including law enforcement agencies and community, professional, research, civil liberties and civil rights organizations, shall explore available techniques for the collection and compilation of profiling data and shall report findings and recommendations to the Joint Standing Committee on Judiciary no later than March 15, 2020. The joint standing committee may report out legislation based on the recommendations to the Second Regular Session of the 129th Legislature.

See title page for effective date.

CHAPTER 411
S.P. 612 - L.D. 1811

**An Act To Enhance Personal
and Public Safety by Requiring
Evaluations of and Judicial
Hearings for Persons in
Protective Custody Regarding
Risk of Harm and Restricting
Access to Dangerous Weapons**

K. "Restricted person" means a person taken into protective custody by a law enforcement officer who the officer has probable cause to believe possesses or controls or may acquire a dangerous weapon and who is found by a medical practitioner to present a likelihood of foreseeable harm.

L. "Threat-based restriction" means a prohibition on a restricted person from purchasing, possessing or controlling or attempting to purchase, possess or control a dangerous weapon during the period of the restriction.

2. Assessment by a medical practitioner; security; immunity. This subsection applies when a law enforcement officer has taken a person into protective custody.

A. Notwithstanding any provision of law to the contrary, the law enforcement officer shall provide to the medical practitioner the information that led to the protective custody including, but not limited to, the information that gave rise to the probable cause determination, the person's pertinent criminal history record information and other known history and recent or recurring actions and behaviors.

B. The medical practitioner under paragraph A shall assess whether the person presents a likelihood of foreseeable harm. In assessing the person, a medical practitioner may consult with other medical professionals as the medical practitioner determines advisable. If the medical practitioner finds that the person can benefit from treatment and services, the medical practitioner shall refer the person to treatment and services.

C. Notwithstanding any provision of law to the contrary, an assessment pursuant to this section may be performed at a health care facility but, when available and as appropriate, must be performed at an alternative location. If the assessment is provided at a health care facility, law enforcement shall, upon request of the facility and consistent with section 3863, subsection 2-A, absent compelling circumstances, assist the facility with the security of the person awaiting the assessment under this section.

D. A juvenile, as defined in Title 15, section 3003, subsection 14, who is subject to this section may be accompanied at the assessment by a parent, guardian, grandparent, aunt or uncle or a sibling who has attained the age of 18, whose company is requested by the juvenile, who is timely

available and whose accompaniment is practicable.

E. A medical practitioner and any other medical or mental health professional consulted by the medical practitioner are not liable in a civil action brought by any person for any act performed in good faith in execution of the obligations imposed on medical practitioners by this section, including any decision regarding the affirmative or negative assessment of the likelihood of foreseeable harm. The immunity provided in this paragraph also applies to a principal if the medical practitioner or professional is acting as an agent or employee of the principal.

3. Notification by medical practitioner and judicial endorsement. A medical practitioner shall notify in writing the law enforcement officer or law enforcement agency that, based on the assessment under subsection 2, paragraph B, the person is found to present a likelihood of foreseeable harm. If so notified, the law enforcement officer or law enforcement agency shall as soon as practicable seek endorsement by a Superior Court Justice, District Court Judge, judge of probate or justice of the peace of the medical practitioner's assessment and law enforcement's declarations that the person was taken into protective custody and that the law enforcement officer has probable cause that the person possesses, controls or may acquire a dangerous weapon. The judge or justice shall promptly transmit to the law enforcement officer or agency the decision to endorse or not endorse. A decision transmitted electronically has the same legal effect and validity as a signed original. An endorsement must authorize law enforcement to execute the authority in subsection 4. This section may not be construed to prevent law enforcement from accepting a voluntary surrender of dangerous weapons.

4. Initial restrictions; notice by law enforcement. A person whose assessment is endorsed by a judicial officer under subsection 3 becomes, at the time of notice by a law enforcement officer under paragraph B, a restricted person subject to initial restrictions and subject to the prohibitions in Title 15, section 393, subsection 1, paragraphs E-1 and E-2 as follows:

A. The restricted person, after notice under paragraph B:

(1) Is prohibited from possessing, controlling, acquiring or attempting to possess, control or acquire a dangerous weapon pending the outcome of a judicial hearing;

(2) Shall immediately and temporarily surrender any weapons possessed, controlled or acquired by the restricted person to a law enforcement officer who has authority in the jurisdiction in which the weapons are located

pending the outcome of a judicial hearing; and

(3) Has a right to a judicial hearing within 14 days of notice under paragraph B; and

B. A law enforcement officer shall, as soon as practicable, but no later than 24 hours after the judicial endorsement:

(1) Notify the restricted person that the restricted person:

(a) Is prohibited from possessing, controlling, acquiring or attempting to possess, control or acquire a dangerous weapon pending the outcome of a judicial hearing;

(b) Is required to immediately and temporarily surrender any weapons possessed, controlled or acquired by the restricted person to a law enforcement officer who has authority in the jurisdiction in which the weapons are located pending the outcome of a judicial hearing; and

(c) Has a right to a judicial hearing within 14 days of the notice under this paragraph;

(2) Notify the contact person, if any, disclosed by the restricted person to the medical practitioner and the district attorney in the district of the restricted person's residence of the person's restricted status; and

(3) Report the person's restricted status to the Department of Public Safety.

5. Temporary surrender to law enforcement. A law enforcement agency may store, or make arrangements with another law enforcement agency or federally licensed firearms dealer to store, and care for the weapons surrendered by a restricted person in the manner provided in subsection 7. A restricted person who makes all practical, immediate efforts to comply with a surrender notice under subsection 4 is not subject to arrest or prosecution as a prohibited person under Title 15, section 393, subsection 1, paragraph E-1 or E-2. If a law enforcement agency has probable cause to believe the restricted person possesses or controls but has not surrendered a weapon, law enforcement may, prior to or as part of a judicial hearing, search for and seize such a weapon when authorized by a judicially issued warrant or other circumstances approved by law.

6. Judicial hearing. A judicial hearing under this section is governed by this subsection.

A. Within 5 days of the date of the notice given to a restricted person under subsection 4, paragraph B, the district attorney in the district of the

restricted person's residence shall file a petition for judicial review of the initial restrictions by the district court. The district attorney shall provide to the restricted person written notice of the petition and hearing at least 7 days prior to the hearing. The restricted person has the right to be represented by counsel at the hearing, and the court may appoint counsel for an indigent party. Upon a showing of good cause, the court may extend the time to hold the hearing.

B. Within 14 days of the notice given under subsection 4, the court shall hold a hearing to determine whether to dissolve or extend the initial restrictions. In the hearing determining whether to dissolve or extend the initial restrictions, the district attorney has the burden to prove by clear and convincing evidence that the restricted person presents a likelihood of foreseeable harm.

C. In determining whether there are grounds to extend the initial restrictions, the court shall consider all relevant evidence, including, but not limited to, recent threats or acts of violence by the restricted person directed toward other persons; recent threats or acts of violence by the restricted person directed toward the restricted person; recent acts of unlawful abuse of animals by the restricted person; the reckless use or threatening display of a dangerous weapon by the restricted person; a history of the use, attempted use or threatened use of physical force by the restricted person against other persons; a record of prior custodial events or restrictions under this section; prior involuntary confinement of the restricted person in a hospital for persons with psychiatric disabilities; prior protection from abuse and protection from harassment orders against the restricted person or violations regarding protection from abuse or protection from harassment by the restricted person; evidence of stalking behavior, severe obsession or sexual violence by the restricted person; the illegal use of controlled substances by the restricted person; and evidence of alcohol or drug abuse by the restricted person. The court shall also consider whether the restricted person is receiving treatment responsive to that person's mental health or substance use needs.

D. This paragraph governs court orders.

(1) If the court finds after hearing that there is not clear and convincing evidence to continue or extend the initial restrictions, the court shall dissolve the initial restrictions and order the return of any weapons surrendered or seized. The court shall direct the Department of Public Safety to remove the record of restrictions from the department's pertinent database when developed by the department.

(2) If the court finds after hearing that there is clear and convincing evidence to continue or extend the initial restrictions, the court shall inform the restricted person that the restricted person is prohibited for up to one year from purchasing, possessing or controlling any dangerous weapon or attempting to purchase, possess or control any dangerous weapon. The court shall further order the person to immediately surrender dangerous weapons possessed or controlled by that person to a law enforcement officer and notify the Department of Public Safety for entry in the pertinent database when developed by the department.

(3) Extended restrictions imposed under this paragraph expire according to the terms of the court's order. The court shall schedule a hearing within 45 days prior to the expiration of the order to determine if the order should be extended. The district attorney has the burden of proving that the restricted person continues to pose a likelihood of foreseeable harm. If, after a hearing, the court finds by clear and convincing evidence that the restricted person continues to pose a likelihood of foreseeable harm, the court shall renew the extended restrictions for up to one year. If the court does not so find, the court shall deny the petition and order the return of any weapons surrendered or seized. Upon motion by the State, the court may for cause shown order that the restricted person be examined for assessment of whether the restricted person continues to pose a likelihood of foreseeable harm. The fees or expenses for an assessment pursuant to this subparagraph may be paid from the Extradition and Prosecution Expenses Account established by Title 15, section 224-A.

(4) A restricted person may file one motion for dissolution during an extended restriction. For that motion, the restricted person has the burden of proving by clear and convincing evidence that the restricted person no longer poses a likelihood of foreseeable harm.

(5) A court shall electronically update or transmit to the Department of Public Safety, Bureau of State Police an abstract of the order issued by the court pursuant to this section that includes a prohibition on the possession of a dangerous weapon. The abstract must include the name, date of birth and gender of the person who is the subject of the order; the court's order and the expiration date of that order; and a notation that the person has been notified by the court.

The abstract required by this subparagraph is confidential and is not a public record as defined in Title 1, chapter 13; however, the information contained in the abstract or a copy of the abstract may be provided by the Department of Public Safety to a criminal justice agency for law enforcement purposes, to the Federal Bureau of Investigation, National Instant Criminal Background Check System or to an issuing authority for the purpose of processing concealed firearm permit applications. The Department of Public Safety shall, when the pertinent database is developed, request that the Federal Bureau of Investigation ensure that, immediately after the order expires, the National Instant Criminal Background Check System no longer reflects that expired order as a ground for prohibiting the subject of the order from possessing or acquiring a firearm. For the purposes of this subsection, "criminal justice agency" means a federal, state, tribal, district, county or local government agency or any subunit of those entities that performs the administration of criminal justice under a statute or executive order and that allocates a substantial part of its annual budget to the administration of criminal justice. Courts and the Department of the Attorney General are considered criminal justice agencies, as is any equivalent agency at any level of Canadian government.

(6) Nothing in this subsection may be construed to prevent the restricted person, district attorney and court from accepting a court-ordered disposition to which each agrees.

7. Weapons storage and return. A law enforcement agency may store, or make arrangements with another law enforcement agency or federally licensed firearms dealer to store, any weapon surrendered to or seized by law enforcement under this section for as long as the threat-based restrictions are in effect. The duties and liability of a law enforcement agency with respect to handling and storage of a weapon surrendered or seized are governed by Title 25, section 2804-C, subsection 2-C. A weapon surrendered to or seized by a law enforcement agency must be returned to the restricted person when the threat-based restrictions expire. If a seized or surrendered weapon remains unclaimed for 6 months after the expiration or dissolution of threat-based restrictions, the law enforcement agency may dispose of the weapon consistent with Title 25, section 3503-A.

8. Offense. Possession of a dangerous weapon by a restricted person is a Class D crime.

PART B

Sec. B-1. 34-B MRSA §3873-A, sub-§5, ¶A-1 is enacted to read:

A-1. Prior to the commencement of the hearing, the court shall inform the patient that, if an order is entered that includes a prohibition on the possession of dangerous weapons, that patient is a prohibited person and may not possess or have under that patient's control a firearm pursuant to Title 15, section 393, subsection 1.

Sec. B-2. 34-B MRSA §3873-A, sub-§§7-A and 7-B are enacted to read:

7-A. Dangerous weapons. If the court directs a patient to follow an individualized treatment plan pursuant to subsection 6, the court may prohibit the patient from possessing a dangerous weapon as described in Title 17-A, section 2, subsection 9, paragraph C, including a firearm as defined in Title 17-A, section 2, subsection 12-A, for the duration of the treatment plan. If the court prohibits the patient from possessing a dangerous weapon, the court shall specify the type of weapon the patient is prohibited from possessing; notify the patient that possession of such a weapon by the person is prohibited pursuant to Title 15, section 393; and direct the patient to relinquish, within 24 hours after service of the order on the patient or such earlier time as the court specifies in the order, such weapons in the possession of the patient to a law enforcement officer for the duration of the order. The duties and liability of a law enforcement agency with respect to dangerous weapons surrendered pursuant to this subsection are governed by Title 25, section 2804-C, subsection 2-C.

7-B. Transmission of abstract of court ruling to Department of Public Safety. Notwithstanding any other provision of this section or section 1207, a court shall electronically update or transmit to the Department of Public Safety an abstract of the order issued by the court pursuant to this section that includes a prohibition on the possession of a dangerous weapon pursuant to subsection 7-A. Implementation of this requirement is governed by section 3862-A, subsection 6, paragraph D, subparagraph (5).

PART C

Sec. C-1. 15 MRSA §224-A, sub-§1, as amended by PL 2013, c. 566, §3, is further amended to read:

1. Establishment; use. Notwithstanding any other provision of law to the contrary, there is established an Extradition and Prosecution Expenses Account in each prosecutorial district in an amount not to exceed \$30,000, to be administered by the district attorney and to be used solely for the purposes of paying the expenses of extraditing persons charged with or convicted of a crime in this State and who are fugitives from justice, as defined in section 201, subsection 4, paying fees or expenses of prosecution pursuant to section 1319 and, paying witness fees pursuant to section 1320 and paying for examination fees or expenses

pursuant to Title 34-B, section 3862-A, subsection 6, paragraph D, subparagraph (3).

Sec. C-2. 15 MRSA §393, sub-§1, ¶¶E-1 and E-2 are enacted to read:

E-1. Is currently a restricted person under Title 34-B, section 3862-A, subsection 2 or subsection 6, paragraph D except that the prohibition applies to possession and control, and not ownership. Violation of this paragraph is a Class D crime;

E-2. Has been ordered to participate in a progressive treatment program pursuant to Title 34-B, section 3873-A and, as part of that order, directed not to possess a dangerous weapon pursuant to Title 34-B, section 3873-A, subsection 7-A for the duration of the treatment program, except that the prohibition applies to possession and control, and not ownership. Violation of this paragraph is a Class D crime;

Sec. C-3. 25 MRSA §2803-B, sub-§1, ¶L, as amended by PL 2013, c. 147, §19, is further amended to read:

L. Mental illness and the process for involuntary commitment, and the process pursuant to Title 34-B, section 3862-A; and

Sec. C-4. 25 MRSA §2804-C, sub-§2-E is enacted to read:

2-E. Receipt of certain dangerous weapons; training; procedure; liability. Beginning in 2020, the Maine Criminal Justice Academy Board of Trustees shall require training as part of its mandated training schedule for municipal, county and state law enforcement officers regarding the process for protection from substantial threats by a restricted person and the proper handling, storage, safekeeping and return of dangerous weapons received pursuant to an endorsement or court order under Title 34-B, section 3862-A or 3873-A. The training must include education concerning the prohibitions on the purchase, control or possession of dangerous weapons. A law enforcement officer who receives custody of a dangerous weapon pursuant to Title 34-B, section 3862-A or 3873-A shall exercise reasonable care to avoid loss, damage or reduction in value of the weapon and may not permanently mark or fire the weapon unless there is reasonable suspicion that the weapon has been used in the commission of a crime. Any liability for damage or reduction in value to such a weapon is governed by Title 14, chapter 741.

Sec. C-5. 34-B MRSA §3862, sub-§1, ¶B, as amended by PL 2017, c. 402, Pt. C, §97 and affected by Pt. F, §1, is further amended to read:

B. If the law enforcement officer does take the person into protective custody, shall deliver the person immediately for examination by a medical practitioner as provided in section 3862-A or 3863

or, for a person taken into protective custody who has an advance health care directive authorizing mental health treatment, for examination as provided in Title 18-C, section 5-803, subsection 4 to determine the individual's capacity and the existence of conditions specified in the advance health care directive for the directive to be effective.

PART D

Sec. D-1. Assessments at alternative locations. The executive branch shall work with medical practitioners and law enforcement to develop and release, by January 1, 2020, a request for proposals for the development and acquisition of the technology necessary to enable assessments under the Maine Revised Statutes, Title 34-B, section 3862-A at locations other than health care facilities.

Sec. D-2. Database of restrictions. By February 1, 2020, the Department of Public Safety shall develop a plan, including any cost estimates, to implement a database system to support this Act.

Sec. D-3. Effective dates. Parts A to C of this Act take effect July 1, 2020. This Part takes effect 90 days after the adjournment of the First Regular Session of the 129th Legislature.

See title page for effective date, unless otherwise indicated.

CHAPTER 412

H.P. 19 - L.D. 18

An Act To Ensure Proper Prosecution of Crimes Involving Domestic Violence and Enhance Protection of Victims of Domestic Violence

Emergency preamble. Whereas, acts and resolves of the Legislature do not become effective until 90 days after adjournment unless enacted as emergencies; and

Whereas, to ensure the necessary and proper prosecution of crimes in the State involving domestic violence and to enhance the protection of victims of domestic violence from their abusers, this legislation must take effect immediately; and

Whereas, in the judgment of the Legislature, these facts create an emergency within the meaning of the Constitution of Maine and require the following legislation as immediately necessary for the preservation of the public peace, health and safety; now, therefore,

Be it enacted by the People of the State of Maine as follows:

Sec. 1. 17-A MRSA §207-A, sub-§1, ¶B, as amended by PL 2017, c. 432, Pt. D, §1, is further amended to read:

B. The person violates paragraph A and at the time of the offense:

(1) Has one or more prior convictions for violating paragraph A or for violating section 208-D, 208-E, 208-F, 209-A, 210-B, 210-C or 211-A or one or more prior convictions for engaging in conduct substantially similar to that contained in paragraph A or in section 208-D, 208-E, 208-F, 209-A, 210-B, 210-C or 211-A in another jurisdiction;

(2) Has one or more prior convictions for violating Title 19-A, section 4011, subsection 1 or one or more prior convictions for engaging in conduct substantially similar to that contained in Title 19-A, section 4011, subsection 1 in another jurisdiction;

(3) Has one or more prior convictions for violating Title 15, section 1092, subsection 1, paragraph B when the condition of release violated is specified in Title 15, section 1026, subsection 3, paragraph A, subparagraph (5) or (8) when the alleged victim in the case for which the defendant was on bail was a family or household member as defined in Title 19-A, section 4002, subsection 4; or

(4) Has one or more prior convictions for violating section 208, 208-B or 208-C, and the State had pled and proved that the victim of the applicable prior conviction was a family or household member, as defined in Title 19-A, section 4002, subsection 4, or has one or more prior convictions in another jurisdiction for engaging in conduct substantially similar to that contained in section 208, 208-B or 208-C and it had been pled and proved that the victim was a family or household member.

Violation of this paragraph is a Class C crime.

Sec. 2. 17-A MRSA §§208-D, 208-E and 208-F are enacted to read:

§208-D. Domestic violence aggravated assault

1. A person is guilty of domestic violence aggravated assault if that person:

A. Violates section 208, subsection 1, paragraph A and the victim is a family or household member as defined in Title 19-A, section 4002, subsection 4. Violation of this paragraph is a Class B crime;

B. Violates section 208, subsection 1, paragraph A-1 and the victim is a family or household member as defined in Title 19-A, section 4002, subsec-

tion 4. Violation of this paragraph is a Class A crime;

C. Violates section 208, subsection 1, paragraph B and the victim is a family or household member as defined in Title 19-A, section 4002, subsection 4. Violation of this paragraph is a Class B crime; or

D. Violates section 208, subsection 1, paragraph C and the victim is a family or household member as defined in Title 19-A, section 4002, subsection 4. Violation of this paragraph is a Class B crime.

§208-E. Domestic violence elevated aggravated assault

1. A person is guilty of domestic violence elevated aggravated assault if:

A. The person violates section 208-B; and

B. The victim is a family or household member as defined in Title 19-A, section 4002, subsection 4.

2. Violation of this section is a Class A crime.

§208-F. Domestic violence elevated aggravated assault on pregnant person

1. A person is guilty of domestic violence elevated aggravated assault on a pregnant person if:

A. The person violates section 208-C; and

B. The victim is a family or household member as defined in Title 19-A, section 4002, subsection 4.

2. Violation of this section is a Class A crime.

Sec. 3. 17-A MRSA §209-A, sub-§1, ¶B, as amended by PL 2017, c. 432, Pt. D, §2, is further amended to read:

B. The person violates paragraph A and at the time of the offense:

(1) Has one or more prior convictions for violating paragraph A or for violating section 207-A, 208-D, 208-E, 208-F, 210-B, 210-C or 211-A or one or more prior convictions for engaging in conduct substantially similar to that contained in paragraph A or in section 207-A, 208-D, 208-E, 208-F, 210-B, 210-C or 211-A in another jurisdiction;

(2) Has one or more prior convictions for violating Title 19-A, section 4011, subsection 1 or one or more prior convictions for engaging in conduct substantially similar to that contained in Title 19-A, section 4011, subsection 1 in another jurisdiction;

(3) Has one or more prior convictions for violating Title 15, section 1092, subsection 1, paragraph B when the condition of release vi-

olated is specified in Title 15, section 1026, subsection 3, paragraph A, subparagraph (5) or (8) when the alleged victim in the case for which the defendant was on bail was a family or household member as defined in Title 19-A, section 4002, subsection 4; or

(4) Has one or more prior convictions for violating section 208, 208-B or 208-C, and the State had pled and proved that the victim of the applicable prior conviction was a family or household member, as defined in Title 19-A, section 4002, subsection 4, or has one or more prior convictions in another jurisdiction for engaging in conduct substantially similar to that contained in section 208, 208-B or 208-C and it had been pled and proved that the victim was a family or household member.

Violation of this paragraph is a Class C crime.

Sec. 4. 17-A MRSA §210-B, sub-§1, ¶B, as amended by PL 2017, c. 432, Pt. D, §3, is further amended to read:

B. The person violates paragraph A and at the time of the offense:

(1) Has one or more prior convictions for violating paragraph A or for violating section 207-A, 208-D, 208-E, 208-F, 209-A, 210-C or 211-A or one or more prior convictions for engaging in conduct substantially similar to that contained in paragraph A or in section 207-A, 208-D, 208-E, 208-F, 209-A, 210-C or 211-A in another jurisdiction;

(2) Has one or more prior convictions for violating Title 19-A, section 4011, subsection 1 or one or more prior convictions for engaging in conduct substantially similar to that contained in Title 19-A, section 4011, subsection 1 in another jurisdiction;

(3) Has one or more prior convictions for violating Title 15, section 1092, subsection 1, paragraph B when the condition of release violated is specified in Title 15, section 1026, subsection 3, paragraph A, subparagraph (5) or (8) when the alleged victim in the case for which the defendant was on bail was a family or household member as defined in Title 19-A, section 4002, subsection 4; or

(4) Has one or more prior convictions for violating section 208, 208-B or 208-C, and the State had pled and proved that the victim of the applicable prior conviction was a family or household member, as defined in Title 19-A, section 4002, subsection 4, or has one or more prior convictions in another jurisdiction for engaging in conduct substantially

similar to that contained in section 208, 208-B or 208-C and it had been pled and proved that the victim was a family or household member.

Violation of this paragraph is a Class C crime.

Sec. 5. 17-A MRSA §210-C, sub-§1, ¶B, as amended by PL 2017, c. 432, Pt. D, §4, is further amended to read:

B. The person violates paragraph A and at the time of the offense:

(1) Has one or more prior convictions for violating paragraph A or for violating section 207-A, 208-D, 208-E, 208-F, 209-A, 210-B or 211-A or one or more prior convictions for engaging in conduct substantially similar to that contained in paragraph A or in section 207-A, 208-D, 208-E, 208-F, 209-A, 210-B or 211-A in another jurisdiction;

(2) Has one or more prior convictions for violating Title 19-A, section 4011, subsection 1 or one or more prior convictions for engaging in conduct substantially similar to that contained in Title 19-A, section 4011, subsection 1 in another jurisdiction;

(3) Has one or more prior convictions for violating Title 15, section 1092, subsection 1, paragraph B when the condition of release violated is specified in Title 15, section 1026, subsection 3, paragraph A, subparagraph (5) or (8) when the alleged victim in the case for which the defendant was on bail was a family or household member as defined in Title 19-A, section 4002, subsection 4; or

(4) Has one or more prior convictions for violating section 208, 208-B or 208-C, and the State had pled and proved that the victim of the applicable prior conviction was a family or household member, as defined in Title 19-A, section 4002, subsection 4, or has one or more prior convictions in another jurisdiction for engaging in conduct substantially similar to that contained in section 208, 208-B or 208-C and it had been pled and proved that the victim was a family or household member.

Violation of this paragraph is a Class C crime.

Sec. 6. 17-A MRSA §211-A, sub-§1, ¶B, as amended by PL 2017, c. 432, Pt. D, §5, is further amended to read:

B. The person violates paragraph A and at the time of the offense:

(1) Has one or more prior convictions for violating paragraph A or for violating section 207-A, 208-D, 208-E, 208-F, 209-A, 210-B

or 210-C or one or more prior convictions for engaging in conduct substantially similar to that contained in paragraph A or in section 207-A, 208-D, 208-E, 208-F, 209-A, 210-B or 210-C in another jurisdiction;

(2) Has one or more prior convictions for violating Title 19-A, section 4011, subsection 1 or one or more prior convictions for engaging in conduct substantially similar to that contained in Title 19-A, section 4011, subsection 1 in another jurisdiction;

(3) Has one or more prior convictions for violating Title 15, section 1092, subsection 1, paragraph B when the condition of release violated is specified in Title 15, section 1026, subsection 3, paragraph A, subparagraph (5) or (8) when the alleged victim in the case for which the defendant was on bail was a family or household member as defined in Title 19-A, section 4002, subsection 4; or

(4) Has one or more prior convictions for violating section 208, 208-B or 208-C, and the State had pled and proved that the victim of the applicable prior conviction was a family or household member, as defined in Title 19-A, section 4002, subsection 4, or has one or more prior convictions in another jurisdiction for engaging in conduct substantially similar to that contained in section 208, 208-B or 208-C and it had been pled and proved that the victim was a family or household member.

Violation of this paragraph is a Class C crime.

Sec. 7. 19-A MRSA §4002, sub-§4, as amended by PL 2015, c. 296, Pt. C, §24 and affected by Pt. D, §1, is further amended to read:

4. Family or household members. "Family or household members" means spouses or domestic partners or former spouses or former domestic partners, individuals presently or formerly living together as spouses, parents of the same child, adult household members related by consanguinity or affinity or minor children of a household member when the defendant is an adult household member and, for the purposes of Title 15, section 1023, subsection 4, paragraph B-1 and Title 15, section 1094-B, this chapter and Title 17-A, sections 15, 207-A, 208-D, 208-E, 208-F, 209-A, 210-B, 210-C, 211-A, 1201, 1202 and 1253 only, includes individuals presently or formerly living together and individuals who are or were sexual partners. Holding oneself out to be a spouse is not necessary to constitute "living as spouses." For purposes of this subsection, "domestic partners" means 2 unmarried adults who are domiciled together under long-term arrangements that evidence a commitment to

remain responsible indefinitely for each other's welfare.

Sec. 8. 19-A MRSA §4011, sub-§5 is enacted to read:

5. Repeat violations. A person who commits a violation under subsection 1 and has 2 or more prior convictions under subsection 1 or 2 or more convictions for engaging in substantially similar conduct in another jurisdiction commits a Class C crime. Title 17-A, section 9-A governs the use of prior convictions when determining a sentence.

Sec. 9. 19-A MRSA §4012, sub-§5, as enacted by PL 1995, c. 694, Pt. B, §2 and affected by Pt. E, §2, is amended to read:

5. Arrest in certain situations. When a law enforcement officer has probable cause to believe that there has been a criminal violation under section 4011 of a court-approved consent agreement or a protection order issued pursuant to this chapter or Title 15, chapter 12-A, or that a violation of Title 17-A, section ~~208~~ 208-D, 208-E, 208-F ~~has occurred between members of the same family or household~~ has occurred, that enforcement officer shall arrest and take into custody the alleged offender.

Emergency clause. In view of the emergency cited in the preamble, this legislation takes effect when approved.

Effective June 20, 2019.

CHAPTER 413

H.P. 20 - L.D. 19

An Act To Require Newly Purchased Public School Buses To Be Equipped with School Bus Crossing Arms

Emergency preamble. Whereas, acts and resolves of the Legislature do not become effective until 90 days after adjournment unless enacted as emergencies; and

Whereas, it is necessary to enact this legislation before model year 2021 school buses become available for purchase to avoid requiring previously purchased school buses to be retrofitted with a school bus crossing arm; and

Whereas, in the judgment of the Legislature, these facts create an emergency within the meaning of the Constitution of Maine and require the following legislation as immediately necessary for the preservation of the public peace, health and safety; now, therefore,

Be it enacted by the People of the State of Maine as follows:

Sec. 1. 29-A MRSA §2301, sub-§5-C is enacted to read:

5-C. School bus crossing arm. "School bus crossing arm" means a device mounted on the front bumper of a school bus that is no shorter than 70 inches and no longer than the width of the school bus and when activated extends outward in front of the school bus to require students who cross the roadway in front of the school bus to maintain a safe distance in front of the school bus.

Sec. 2. 29-A MRSA §2302, as amended by PL 2003, c. 293, §2, is further amended to read:

§2302. School bus markings; lights; mirrors; school bus crossing arms

1. Identifications. Each school bus:

A. Must be identified with the words, "school bus":

- (1) Printed in letters not less than 8 inches high; and
- (2) Located between the warning signal lamps as high as possible without impairing front and rear visibility of the lettering;

B. Must have no other lettering on the front or rear, except lettering not more than 4 inches high indicating an emergency exit and a bus number;

C. Must be painted national school bus glossy yellow, except that the hood may be lusterless black;

D. Must have bumpers of glossy black unless painting is impracticable through use of rubber, reflective material or other devices;

E. Must be equipped with a system of signal lights that conform to school bus requirements approved by the Commissioner of Education;

F. Must be equipped with a system of mirrors that give the seated operator a view of the way to each side of the bus, and of the area immediately in front of the front bumper;

G. May be equipped with a system of stop arms to be operated only with the red signal lights; and

H. May be equipped with reflective strips of national school bus yellow.

1-A. School bus crossing arms. A school bus of model year 2021 or newer must be equipped with a school bus crossing arm.

3. Other purposes. A school bus permanently converted wholly to other purposes must be painted a color other than national school bus glossy yellow and

have the words "school bus," school bus signal lights and stop arms removed.

4. Other passengers. A school bus operated on a public way and transporting passengers who do not include school-age persons must have the words "school bus" removed or concealed and the school bus signal lamps may not be operable.

5. Application. A vehicle operated on a public way displaying the words "school bus" or with the equipment required by this section may only be used to transport school-age persons, as defined in section 2301.

Emergency clause. In view of the emergency cited in the preamble, this legislation takes effect when approved.

Effective June 20, 2019.

CHAPTER 414

H.P. 391 - L.D. 534

An Act To Make Ballot Questions Easier To Read and Understand for Maine Voters

Emergency preamble. Whereas, acts and resolves of the Legislature do not become effective until 90 days after adjournment unless enacted as emergencies; and

Whereas, the ability of voters to make informed choices on ballot questions is essential for the proper functioning of the State's citizen democracy; and

Whereas, this Act makes necessary improvements to the process of presenting referendum questions to the voters; and

Whereas, it is possible that referenda may be sent to the voters before the 90-day period has expired; and

Whereas, in the judgment of the Legislature, these facts create an emergency within the meaning of the Constitution of Maine and require the following legislation as immediately necessary for the preservation of the public peace, health and safety; now, therefore,

Be it enacted by the People of the State of Maine as follows:

Sec. 1. 21-A MRSA §906, sub-§6, ¶¶B and C, as repealed and replaced by PL 1993, c. 352, §3, are amended to read:

B. The Secretary of State shall write the question in a ~~simple~~, clear, concise and direct manner that describes the subject matter of the people's veto or direct initiative as simply as is possible.

C. The question for a direct initiative must be phrased so that an affirmative vote is in favor of the people's veto or direct initiative.

Sec. 2. 21-A MRSA §906, sub-§8 is enacted to read:

8. Explanation of effect of "yes" or "no" vote. The Secretary of State shall include on the ballot for each referendum question those portions of the statement prepared by the Attorney General pursuant to Title 1, section 353 that describe what a "yes" vote favors and what a "no" vote opposes. These statements must appear directly below the relevant referendum question and above the place on the ballot for the voter to designate the voter's choice.

Emergency clause. In view of the emergency cited in the preamble, this legislation takes effect when approved.

Effective June 20, 2019.

CHAPTER 415

An Act Making Unified Appropriations and Allocations for the Expenditures of State Government, Highway Fund and Other Funds, and Changing Certain Provisions of the Law Necessary to the Proper Operations of State Government for the Fiscal Years Ending June 30, 2019, June 30, 2020 and June 30, 2021

Emergency preamble. Whereas, acts and resolves of the Legislature do not become effective until 90 days after adjournment unless enacted as emergencies; and

Whereas, the 90-day period may not terminate until after the beginning of the next fiscal year; and

Whereas, certain obligations and expenses incident to the operation of state departments and institutions will become due and payable immediately; and

Whereas, in the judgment of the Legislature, these facts create an emergency within the meaning of the Constitution of Maine and require the following legislation as immediately necessary for the preservation of the public peace, health and safety; now, therefore,

Be it enacted by the People of the State of Maine as follows:

PART A

Sec. A-1. Appropriations and allocations.

PART B

Sec. B-1. Attrition savings. Notwithstanding any provision of law to the contrary, the attrition rate for the 2020-2021 biennium is increased from 1.6% to 5% for judicial branch and executive branch departments and agencies only. The attrition rate for subsequent biennia is 1.6%.

Sec. B-2. Calculation and transfer. Notwithstanding any provision of law to the contrary, the State Budget Officer shall calculate the amount of savings in this Part that applies against each Highway Fund account for all departments and agencies from savings associated with attrition in fiscal year 2019-20 and fiscal year 2020-21 and shall transfer the amounts by financial order upon the approval of the Governor. These transfers are considered adjustments to appro-

priations in fiscal year 2019-20 and fiscal year 2020-21. The State Budget Officer shall provide a report of the transferred amounts to the Joint Standing Committee on Appropriations and Financial Affairs no later than October 1, 2019.

Sec. B-3. Appropriations and allocations.

The following appropriations and allocations are made.

ADMINISTRATIVE AND FINANCIAL SERVICES, DEPARTMENT OF

Executive Branch Departments and Independent Agencies - Statewide 0017

Notwithstanding any provision of law to the contrary and pursuant to the Maine Revised Statutes, Title 23, chapter 19, subchapter 3-A, the Maine Municipal Bond Bank may issue from time to time up to \$75,000,000 of GARVEE bonds for highway and bridge needs statewide to be repaid solely from annual federal transportation appropriations for funding for qualified transportation projects.

PART F

Sec. F-1. Transfer of Highway Fund unallocated balance; capital program needs; Department of Transportation. Notwithstanding the Maine Revised Statutes, Title 5, section 1585 or any other provision of law to the contrary, at the close of the fiscal years 2019-20 and 2020-21, the State Controller shall transfer amounts exceeding \$100,000 from the unallocated balance in the Highway Fund after the deduction of all allocations, financial commitments and other designated funds and any other transfer authorized by statute and the fiscal year 2019-20 unallocated balance dedicated to the fiscal year 2020-21 budget to the Department of Transportation, Highway and Bridge Capital, Highway Light Capital and Maintenance and Operations programs for capital or all other needs. The Commissioner of Transportation is authorized to allot these funds by financial order upon the recommendation of the State Budget Officer and the approval of the Governor. The transferred amounts are considered adjustments to allocations. Within 30 days of approval of the financial order, the Commissioner of Transportation shall provide to the Joint Standing Committee on Transportation a report detailing the financial status of the department's capital program.

PART G

Sec. G-1. Transfer authorized. Notwithstanding the Maine Revised Statutes, Title 5, section 1585 or any other provision of law to the contrary, for the fiscal years ending June 30, 2020 and June 30, 2021 the Commissioner of Transportation is authorized to transfer, by financial order upon the recommendation of the State Budget Officer and approval of the Governor, identified Highway Fund Personal Services savings to the Department of Transportation, Highway and Bridge Capital, Highway Light Capital

and Maintenance and Operations programs for capital or all other needs. The financial order must identify the specific savings after all adjustments that may be required by the State Controller to ensure that all financial commitments have been met in Personal Services after assuming all costs for that program including collective bargaining costs. The Commissioner of Transportation shall provide a report by September 15, 2020 and September 15, 2021 to the joint standing committee of the Legislature having jurisdiction over transportation matters detailing the financial adjustments to the Highway Fund.

PART H

Sec. H-1. Transfer of funds; Highway Fund; TransCap. Notwithstanding any provision of law to the contrary, the State Controller shall transfer \$6,345,967 in fiscal year 2019-20 and \$6,404,253 in fiscal year 2020-21 from the Highway Fund unallocated surplus to the TransCap Trust Fund established in the Maine Revised Statutes, Title 30-A, section 6006-G.

PART I

Sec. I-1. Transfers of nonbond funds; capital project expenditures; 5-year useful life. Notwithstanding the Maine Revised Statutes, Title 23, section 1604, subsection 3 or any other provision of law to the contrary, transfers of nonbond funds from the TransCap Trust Fund established in Title 30-A, section 6006-G may be used for capital projects having an estimated useful life of 5 years or more.

PART J

Sec. J-1. 23 MRSA §4210-C, sub-§3, as amended by PL 2011, c. 652, §10 and affected by §14, is repealed.

CHAPTER 416

H.P. 968 - L.D. 1340

An Act To Require Criminal History Record Checks for All Prospective and Current Staff Members of the Office of the State Auditor

Emergency preamble. Whereas, acts and resolves of the Legislature do not become effective until 90 days after adjournment unless enacted as emergencies; and

Whereas, the work of the Office of the State Auditor requires that its employees have access to federal tax information and other confidential financial records; and

Whereas, the United States Internal Revenue Service requires state agencies that permit employees and contractors access to federal tax information must complete a criminal history background investigation that is favorably adjudicated; and

Whereas, this background investigation must include submission of fingerprints to the United States Department of Justice, Federal Bureau of Investigation; and

Whereas, the work of the Office of the State Auditor will be delayed until such time as its employees have completed the required criminal history background investigation; and

Whereas, in the judgment of the Legislature, these facts create an emergency within the meaning of the Constitution of Maine and require the following legislation as immediately necessary for the preservation of the public peace, health and safety; now, therefore,

Be it enacted by the People of the State of Maine as follows:

Sec. 1. 5 MRSA §247 is enacted to read:

§247. Criminal history background checks for State Auditor employees

1. Definitions. As used in this section, unless the context otherwise indicates, the following terms have the following meanings.

A. "Department" means the Department of Public Safety, State Bureau of Identification.

B. "Federal Bureau of Investigation" means the United States Department of Justice, Federal Bureau of Investigation.

C. "Office" means the Office of the State Auditor.

D. "State Police" means the Department of Public Safety, Bureau of State Police.

2. Criminal history; information about criminal records and data obtained. The office shall obtain in print or electronic format, criminal history record information containing a record of public criminal history record information as defined in Title 16, section 703, subsection 8 from the Maine Criminal Justice Information System, created pursuant to Title 16, section 631, and the Federal Bureau of Investigation for any person employed by or who may be offered employment by the office to comply with the United States Internal Revenue Service's tax information security guidelines for federal, state and local agencies.

3. Fingerprint-based criminal history obtained. A person employed by the office shall consent to having the person's fingerprints taken. A person who may be offered employment by the office shall consent to and have the person's fingerprints taken prior to being employed by the office. The Maine State Police shall take or cause to be taken the fingerprints of a person who has consented under this subsection and shall forward the fingerprints to the department so that the department may conduct a state and national criminal history record check on the person. The department shall forward the results obtained to the office. The fee charged to the office by the Maine State Police must be consistent with the fee charged to executive branch agencies receiving similar services. Except for the portion of the payment that constitutes the processing fee charged by the Federal Bureau of Investigation, all money received by the Maine State Police under this subsection must be paid to the Treasurer of State, who shall apply the money to the expenses of administration of this section by the department.

4. Reliance on criminal history record information. The office may rely on the information from the department under subsection 3 for 24 months after receiving the information.

5. Updates to information. The office may request a subsequent criminal background check under subsection 3 on an employee or a person who may be offered employment by the office as the office determines appropriate, including receiving continuous notifications of updated criminal history record information if a service providing notifications of updated criminal history record information becomes available.

6. Confidentiality. Information obtained pursuant to this section is confidential and may not be disseminated for purposes other than as provided in subsection 7.

7. Use of information obtained. Criminal history record and fingerprint information obtained pursuant to this section may be used by the office to screen an employee and a person who may be offered employment by the office for employment purposes. The subject of any criminal background check search under subsection 3 may contest any negative decision made by the office based upon the information received pursuant to the criminal background check.

8. Person's access to information obtained. A person subject to a criminal background check pursuant to subsection 3 must be notified each time a criminal background check is performed on the person. A person subject to a criminal background check under subsection 3 may inspect and review the criminal history record information pursuant to Title 16, section 709 and obtain federal information obtained pursuant to the criminal background check by following the procedures outlined in 28 Code of Federal Regulations, Sections 16.32 and 16.33.

9. Right of subject to remove fingerprints from record. Upon request from an applicant for employment by the office who was fingerprinted but not hired or a former employee of the office, the department shall remove the applicant's or former employee's fingerprints from the department's records and provide written confirmation of the removal to the applicant or former employee.

Sec. 2. 25 MRSA §1542-A, sub-§1, ¶P, as enacted by PL 2017, c. 452, §25, is reallocated to 25 MRSA §1542-A, sub-§1, ¶S.

CHAPTER 417
H.P. 1118 - L.D. 1535

**An Act To Correct Errors and
Inconsistencies Related to the
Maine Uniform Probate Code
and To Make Other
Substantive Changes**

Emergency preamble. Whereas, acts and resolves of the Legislature do not become effective until 90 days after adjournment unless enacted as emergencies; and

Whereas, this Act amends provisions in the Maine Uniform Probate Code, which is effective July 1, 2019; and

Whereas, the 90-day period may not expire until after July 1, 2019; and

Whereas, in the judgment of the Legislature, these facts create an emergency within the meaning of the Constitution of Maine and require the following legislation as immediately necessary for the preservation of the public peace, health and safety; now, therefore,

Be it enacted by the People of the State of Maine as follows:

PART A

Sec. A-1. 18-C MRSA §1-108, sub-§2, as enacted by PL 2017, c. 402, Pt. A, §2 and affected by Pt. F, §1, is amended to read:

2. Automatic adjustment of amounts for inflation. The dollar amounts stated in sections 2-102, 2-402, 2-403 ~~and~~ 2-405 ~~and~~ 3-1201 apply to the estate of a decedent who died in or after 2017, but for the estate of a decedent who died after 2018, these dollar amounts must be increased or decreased if the Consumer Price Index for the calendar year immediately preceding the year of death exceeds or is less than the reference base index. The amount of any increase or decrease is computed by multiplying each dollar amount by the percentage by which the Consumer Price Index for the calendar year immediately preceding the year of death exceeds or is less than the reference base index. If any increase or decrease produced by the computation is not a multiple of \$100, the increase or decrease is rounded down, if an increase, or up, if a decrease, to the next multiple of \$100, but for the purpose of section 2-405, the periodic installment amount is the lump-sum amount divided by 12. If the Consumer Price Index for 2018 is changed by the United States Department of Labor, Bureau of Labor Statistics, the reference base index must be revised using the rebasing factor reported by the Bureau of Labor Statistics or other comparable data if a rebasing factor is not reported.

Sec. A-2. 18-C MRSA §1-201, sub-§44, as enacted by PL 2017, c. 402, Pt. A, §2 and affected by Pt. F, §1, is amended to read:

44. Property. "Property" means anything that may be the subject of ownership and includes both real and personal property or any interest therein, including a digital asset as defined in section 10-102, subsection 2.

Sec. A-3. 18-C MRSA §2-807, sub-§2, as enacted by PL 2017, c. 402, Pt. A, §2 and affected by Pt. F, §1, is amended to read:

2. Wrongful death action; damages; limitations. Every wrongful death action must be brought by and in the name of the personal representative or special administrator of the deceased person, and is distributable, after payment for funeral expenses and the costs of recovery including attorney's fees, directly to the decedent's heirs without becoming part of the probate estate, except as may be specifically provided in this subsection. The amount recovered in every wrongful death action, except as specifically provided in this subsection, is for the exclusive benefit of the deceased's heirs to be distributed to the individuals and in the proportions as provided ~~in~~ under the intestacy laws of this State in sections 2-102 and 2-103 2-101 to 2-113. The jury may give damages as it determines a fair and just compensation with reference to the pecuniary injuries resulting from the death. Damages are payable to the estate of the deceased person only if the jury specifically makes an award payable to the estate for reasonable expenses of medical, surgical and hospital care and treatment and for reasonable funeral expenses or, in the case of a settlement, the settlement documents specifically provide for such an allocation to the estate for the same. In addition, the jury may give damages not exceeding \$500,000 for the loss of comfort, society and companionship of the deceased, including any damages for emotional distress arising from the same facts as those constituting the underlying claim, to the persons for whose benefit the action is brought. The jury may also give punitive damages not exceeding \$250,000. An action under this section must be commenced within 2 years after the decedent's death, except that if the decedent's death is caused by a homicide, the action may be commenced within 6 years of the date the personal representative or special administrator of the decedent discovers that there is a just cause of action against the person who caused the homicide. If a claim under this section is settled without an action having been commenced, the amount paid in settlement must be distributed as provided in this subsection. A settlement on behalf of minor children is not valid unless approved by the court, as provided in Title 14, section 1605.

Sec. A-4. 18-C MRSA §3-108, sub-§1, ¶¶D and E, as enacted by PL 2017, c. 402, Pt. A, §2 and affected by Pt. F, §1, are amended to read:

D. An informal appointment or a formal testacy or appointment proceeding may be commenced more than 3 years after the decedent's death if no proceeding concerning the succession or estate administration has occurred within the 3-year period after the decedent's death, but the personal representative has no right to possess estate assets as provided in section 3-709 beyond that necessary to confirm title in the successors to the estate, and claims other than expenses of administration may not be presented against the estate; ~~and~~

E. A formal testacy proceeding may be commenced at any time after 3 years from the decedent's death for the purpose of establishing an instrument to direct or control the ownership of property passing or distributable after the decedent's death from a person other than the decedent when the property is to be appointed by the terms of the decedent's will or is to pass or be distributed as a part of the decedent's estate or its transfer is otherwise to be controlled by the terms of the decedent's will; and

Sec. A-5. 18-C MRSA §3-108, sub-§1, ¶F is enacted to read:

F. Appropriate probate, appointment or testacy proceedings may be commenced in relation to a claim for personal injury made against the decedent by a person without actual notice of the death of the decedent at any time within 6 years after the cause of action accrues. If the proceedings are commenced more than 3 years after the decedent's death, any recovery is limited to applicable insurance.

Sec. A-6. 18-C MRSA §3-203, sub-§5, as enacted by PL 2017, c. 402, Pt. A, §2 and affected by Pt. F, §1, is amended to read:

5. Appointment without priority. Appointment of a person who does not have priority, ~~including except~~ priority resulting from renunciation or nomination determined pursuant to this section, may be made only in formal proceedings. Before appointing a person without priority, the court must determine that those persons having priority, although given notice of the proceedings, have failed to request appointment or to nominate another person for appointment and that administration is necessary.

Sec. A-7. 18-C MRSA §3-916, sub-§1, as enacted by PL 2017, c. 402, Pt. A, §2 and affected by Pt. F, §1, is amended to read:

1. Short title. This section may be known and cited as "the Uniform Estate Tax Apportionment Act."

Sec. A-8. 18-C MRSA §5-101, as enacted by PL 2017, c. 402, Pt. A, §2 and affected by Pt. F, §1, is amended to read:

§5-101. Short title

Parts 1, 2, 3, 4 and 5 of this Article may be known and cited as "the Maine Uniform Guardianship, Conservatorship and Protective Proceedings Act."

Sec. A-9. 18-C MRSA §5-103, sub-§1, as enacted by PL 2017, c. 402, Pt. A, §2 and affected by Pt. F, §1, is amended to read:

1. Transfer of money or personal property to minor. Unless a person required to transfer money or personal property to a minor knows that a conservator has been appointed or that a proceeding for appointment of a conservator of the estate of the minor is pending, the person may do so, as to an amount or value not exceeding ~~\$10,000 a year~~ the annual gift tax exclusion pursuant to 26 United States Code, Section 2503, by transferring it to:

A. A person who has the care and custody of the minor and with whom the minor resides;

B. A guardian of the minor;

C. A custodian under the Maine Uniform Transfers to Minors Act;

C-1. A qualified tuition program or a qualified ABLE program in the State, or both, under Sections 529 and 529A, respectively, of the federal Internal Revenue Code of 1986;

D. A financial institution as a deposit in an interest-bearing account or certificate in the sole name of the minor and giving notice of the deposit to the minor; or

E. The minor, if married or emancipated.

Sec. A-10. 18-C MRSA §5-113, sub-§2, as enacted by PL 2017, c. 402, Pt. A, §2 and affected by Pt. F, §1, is amended to read:

2. Proof of notice. Proof of notice of a hearing under this Act must be ~~made filed~~ made filed before ~~or at~~ the hearing ~~and filed in the proceeding.~~

Sec. A-11. 18-C MRSA §5-114, sub-§2, as enacted by PL 2017, c. 402, Pt. A, §2 and affected by Pt. F, §1, is amended to read:

2. Waiver prohibited. ~~Unless represented by an attorney,~~ a respondent, an individual subject to guardianship, an individual subject to conservatorship, an individual subject to a protective arrangement instead of guardianship or conservatorship, an appointed guardian or an appointed conservator may not waive notice under this Act.

Sec. A-12. 18-C MRSA §5-116, as enacted by PL 2017, c. 402, Pt. A, §2 and affected by Pt. F, §1, is amended to read:

§5-116. Request for notice

A person that is interested in the welfare of a respondent, individual subject to guardianship or conservatorship or individual subject to a protective arrangement instead of guardianship or conservatorship and that is not otherwise entitled to notice under this Act may file a request with the court for notice. The court shall send or deliver a copy of the request to the guardian, to the ~~eustodian conservator~~ if one has been appointed and to the individual who is subject to the guardianship, conservatorship or protective arrangement. ~~The recipient of the notice guardian, conservator and the individual who is subject to the guardianship, conservatorship or other protective arrangement~~ may file an objection to the demand for notice within 60 days. If an objection is filed, the court shall hold a hearing on the request. If the court approves the request, the court shall give notice of the approval to the guardian or conservator if one has been appointed or to the respondent if no guardian or conservator has been appointed. The request must include a statement showing the interest of the person making it and the address of the person or an attorney for the person to whom notice is to be given. If the court approves the request or if no objection is filed within 60 days then the requesting party is entitled to notice.

Sec. A-13. 18-C MRSA §5-117, sub-§1, as enacted by PL 2017, c. 402, Pt. A, §2 and affected by Pt. F, §1, is amended to read:

1. Disclosure; petition. As part of the petition to be appointed a guardian or conservator, ~~a person the petitioner~~ shall disclose to the court whether the ~~person~~ proposed guardian or conservator:

- A. Is or has been a debtor in a bankruptcy, insolvency or receivership proceeding; or
- B. Has been convicted of:
 - (1) A felony;
 - (2) A crime involving dishonesty, neglect, violence or use of physical force; or
 - (3) Any other crime relevant to the functions the individual would assume as guardian or conservator.

Sec. A-14. 18-C MRSA §5-119, as enacted by PL 2017, c. 402, Pt. A, §2 and affected by Pt. F, §1, is amended to read:

§5-119. Compensation and expenses; in general

1. Attorney for respondent. Unless ~~otherwise compensated for services rendered~~ the court has made a finding that the respondent is indigent and has appointed an attorney for the respondent on that basis, an attorney for a respondent in a proceeding under this Act is entitled to reasonable compensation and reimbursement of reasonable expenses from the property of the respondent.

2. Attorney or other person. Unless ~~otherwise compensated for services rendered~~ the court has made a finding that the respondent is indigent, an attorney or other person whose services resulted in an order beneficial to an individual subject to guardianship or conservatorship or beneficial to an individual for whom a protective arrangement instead of guardianship or conservatorship was ordered is entitled to reasonable compensation and reimbursement of reasonable expenses from the property of the individual.

3. Court review. After notice to all interested persons, on petition of an interested person, the propriety of employment of any person by a conservator or guardian, including any attorney, accountant, investment advisor or other specialized agent or assistant, and the reasonableness of the compensation of any person so employed, and the propriety of employment and the reasonableness of compensation for an attorney for a respondent under subsection 1 and an attorney or other person under subsection 2, may be reviewed by the court. Any person who has received excessive compensation or reimbursement of inappropriate expenses for services rendered may be ordered to make appropriate refunds. The factors set forth in section 3-721, subsection 2 must be considered as guides in determining the reasonableness of compensation under this section.

4. Costs assessed against petitioner. If the court dismisses a petition under this Act and determines the petition was filed in bad faith, the court may assess the cost of any court-ordered professional evaluation or visitor, and any attorney's fees or other costs incurred by the respondent, against the petitioner.

Sec. A-15. 18-C MRSA §5-122, sub-§2, ¶A, as enacted by PL 2017, c. 402, Pt. A, §2 and affected by Pt. F, §1, is amended to read:

A. The guardian's or conservator's proposed action would be inconsistent with this Act or any other law, rule or regulation; or

Sec. A-16. 18-C MRSA §5-122, sub-§3, as enacted by PL 2017, c. 402, Pt. A, §2 and affected by Pt. F, §1, is amended to read:

3. Report refusal to court. A person ~~that~~ who refuses to accept the authority of a guardian or conservator in accordance with subsection 1 or 2 shall report the refusal and the reason for refusal to the court. The court on receiving a report shall consider whether removal of the guardian or conservator or other action is appropriate.

Sec. A-17. 18-C MRSA §5-122, sub-§4, as enacted by PL 2017, c. 402, Pt. A, §2 and affected by Pt. F, §1, is amended to read:

4. Petition to require recognition or acceptance. A guardian or conservator may petition the court to require a 3rd party to recognize the authority

of a guardian or conservator or accept a decision made by the guardian or conservator on behalf of the individual subject to guardianship or conservatorship, and if the court finds that the refusal of a 3rd party to recognize the authority of a guardian or conservator or accept the decision made by the guardian or conservator was in bad faith and without adequate justification, the court may charge the person who refuses to recognize the authority of a guardian or conservator or accept the decision of the guardian or conservator for attorney's fees and costs. Notice of the petition must be given to the adult subject to guardianship or conservatorship and to all persons entitled to notice under section 5-310, subsection 5, section 5-411, subsection 5 or a subsequent order.

Sec. A-18. 18-C MRSA §5-204, sub-§4, as enacted by PL 2017, c. 402, Pt. A, §2 and affected by Pt. F, §1, is repealed and the following enacted in its place:

4. Appointment of a guardian on an emergency basis. The court may appoint a guardian on an emergency basis for a minor pursuant to this subsection.

A. On motion by a person who has also filed a petition for appointment of a guardian pursuant to subsection 1, the court may appoint a guardian for the minor on an emergency basis if the court finds by a preponderance of the evidence that:

- (1) The sworn affidavit or testimony demonstrates that appointment of a guardian on an emergency basis is needed to prevent substantial harm to the minor's physical health or safety;
- (2) No other person appears to have authority and willingness to act in the circumstances;
- (3) Following the procedures set forth in section 5-205, including those for appointment of a guardian on an interim basis, will likely result in substantial harm to the minor's health or safety before a guardian can be appointed;
- (4) A petition has been filed under subsection 1 and there is a substantial likelihood that a basis for appointment of a guardian under subsection 2 exists; and
- (5) The requirements of this subsection for providing notice have been satisfied.

B. The petitioner bears the burden of proof on the appropriateness of the appointment pursuant to this subsection.

C. The duration of the authority of a guardian appointed pursuant to this subsection may not exceed 90 days, and the guardian may exercise only the powers specified in the order.

D. Reasonable notice of the motion for appointment of an emergency guardian and the time and place of the hearing on the petition must be given by the petitioner to the minor, if the minor has attained 14 years of age, to each living parent of the minor and to a person having care or custody of the minor, if other than a parent. The court shall hold a hearing on the appointment of the guardian on an emergency basis within 14 days but not less than 7 days after the filing of the petition.

E. The court may dispense with the notice requirement in paragraph D and appoint a guardian pursuant to this subsection on a temporary ex parte basis if it finds from affidavit or testimony that the minor will be substantially harmed before notice can be completed to all those entitled to receive notice and a hearing can be held on the petition. If the guardian is appointed without notice and hearing, the court shall schedule a hearing on the appointment of the guardian on an emergency basis within 14 days but not less than 7 days after issuance of the order appointing the guardian, except that a parent may request that the hearing take place sooner. Notice of the appointment and hearing must be given by the petitioner to the minor, if the minor has attained 14 years of age, to each living parent of the minor and to a person having care or custody of the minor, if other than a parent, within 48 hours after the appointment.

F. The notices required under this subsection regarding guardianship on an emergency basis may be provided orally or in writing using a means that the petitioner in good faith believes is the most effective way to ensure actual notice. The petitioner shall state in an affidavit the date, time, location and method of providing the required notice and to whom the notice was provided or attempted. The court shall make a determination as to whether the methods of notices or attempted notices by petitioner were reasonably calculated to give notice of the pendency of the petition.

G. Appointment of a guardian on an emergency basis under this subsection is not a determination that the conditions required for appointment of a guardian under subsection 2 or the notice requirements set forth in section 5-205 have been satisfied. Before a guardian may be appointed pursuant to subsection 2, the petitioner must meet the notice requirements set forth in this Part and any applicable rules of procedure.

Sec. A-19. 18-C MRSA §5-210, sub-§1, as enacted by PL 2017, c. 402, Pt. A, §2 and affected by Pt. F, §1, is amended to read:

1. Modification of guardianship order. A guardian of a minor, a parent of a minor, a person interested in the welfare of a minor or the minor, if 14 years of age or older, may file a motion asking the

court to modify the terms of an order appointing a guardian or to take other action in the best interest of the minor as circumstances require. The motion must be filed with the court and served on all parties entitled to notice. Unless the motion specifies that it is filed with the consent of all parties entitled to notice, the matter must be set for hearing to determine whether there has been a substantial change in circumstances necessitating modification of the order and how the court should modify the order in furtherance of the best interest of the minor and the parent's rights. The court may identify certain requirements that must be met before specific provisions of the order are modified. A court may modify a term of a guardianship order as needed to grant relief to a party to address contempt or other failure to follow the order.

Sec. A-20. 18-C MRSA §5-210, sub-§7, as enacted by PL 2017, c. 402, Pt. A, §2 and affected by Pt. F, §1, is amended to read:

7. Parent's petition to terminate guardianship; burden of proof. A parent may bring a petition to terminate the guardianship of a minor. A parent's notification to the court of the revocation of prior consent for a guardianship must be considered a petition to terminate the guardianship. Before the court may apply the termination requirements in subsection 6, a party opposing a parent's petition to terminate a guardianship bears the burden of proving by a ~~preponderance of the~~ clear and convincing evidence that the parent seeking to terminate the guardianship is currently unfit to regain custody of the minor, in accordance with the standard set forth in section 5-204, subsection 2, paragraph C. If the party opposing termination of the guardianship fails to meet its burden of proof on the question of the parent's fitness to regain custody, the court shall terminate the guardianship and make any further order that may be appropriate. In a contested action, the court may appoint counsel for the minor or for any indigent guardian or parent. In ruling on a petition to terminate a guardianship, the court may modify the terms of the guardianship or order transitional arrangements pursuant to section 5-211.

Sec. A-21. 18-C MRSA §5-301, as enacted by PL 2017, c. 402, Pt. A, §2 and affected by Pt. F, §1, is amended to read:

§5-301. Basis for appointment of guardian for adult

1. Appointment. On petition and after notice and hearing, the court may:

A. Appoint a guardian for a respondent who is an adult if it finds by clear and convincing evidence that the respondent lacks the ability to meet essential requirements for physical health, safety or self-care because:

- (1) The respondent is unable to receive and evaluate information or make or communi-

cate decisions, even with appropriate supportive services, technological assistance or supported decision making that provides adequate protection for the respondent;

- (2) The respondent's identified needs cannot be met by a protective arrangement instead of guardianship or other less restrictive alternatives that provide adequate protection for the respondent; and

- (3) The appointment is necessary or desirable as a means of enabling the respondent to meet essential requirements for physical health, safety or self-care; or

B. With appropriate findings, and additional notice to persons the court determines are entitled to notice, treat the petition as one for a conservatorship under Part 4 or a protective arrangement instead of guardianship or conservatorship under Part 5, enter any other appropriate order or dismiss the proceeding.

In making a determination on a petition under this section, including whether supported decision making or other less restrictive alternatives are appropriate, the court may consider the following factors: any proposed vetting of the person or persons chosen to provide support in decision making; reports to the court by an interested party or parties regarding the effectiveness of an existing supported decision-making arrangement; or any other information the court determines necessary or appropriate to determine whether supportive services, technological assistance, supported decision making, protective arrangements or less restrictive arrangements will provide adequate protection for the respondent.

2. Powers. The court shall grant to a guardian appointed under subsection 1 only those powers necessitated by the limitations and demonstrated needs of the respondent and enter orders that will encourage the development of the respondent's maximum self-determination and independence. The court may not establish a full guardianship if a limited guardianship, protective arrangement instead of guardianship or other less restrictive alternatives would meet the needs of and provide adequate protection for the respondent.

Sec. A-22. 18-C MRSA §5-302, sub-§2, ¶C, as enacted by PL 2017, c. 402, Pt. A, §2 and affected by Pt. F, §1, is amended to read:

C. The name and current address of each of the following, if applicable:

- (1) A person responsible for care or custody of the respondent;
- (2) Any attorney currently representing the respondent;

- (3) The representative payee appointed by the United States Social Security Administration for the respondent;
- (4) A guardian or conservator acting for the respondent in this State or in another jurisdiction;
- (5) A trustee or custodian of a trust or custodianship of which the respondent is a beneficiary;
- (6) The United States Department of Veterans Affairs fiduciary for the respondent;
- (7) An agent designated under a power of attorney for health care in which the respondent is identified as the principal;
- (8) An agent designated under a power of attorney for finances in which the respondent is identified as the principal;
- (9) A person nominated as guardian by the respondent;
- (10) A person nominated as guardian by the respondent's parent, spouse or domestic partner in a will or other signed record;
- (11) A proposed guardian and the reason the proposed guardian should be selected; and
- (12) A person known to have routinely assisted the respondent with decision making within the 6 months before the filing of the petition;

Sec. A-23. 18-C MRSA §5-304, sub-§2, as enacted by PL 2017, c. 402, Pt. A, §2 and affected by Pt. F, §1, is amended to read:

2. Interview with petitioner, proposed guardian and respondent. A visitor appointed under subsection 1 shall interview the petitioner and the proposed guardian and shall interview the respondent in person and, in a manner the respondent is best able to understand:

- A. Explain to the respondent the substance of the petition, the nature, purpose and effect of the proceeding, the respondent's rights at the hearing and the general powers and duties of a guardian;
- B. Determine the respondent's views about the appointment, including views about a proposed guardian, the guardian's proposed powers and duties and the scope and duration of the proposed guardianship, and general preferences and values;
- C. Inform the respondent of the respondent's right to employ and consult with an attorney at the respondent's expense and the right to request a court-appointed attorney; and
- D. Inform the respondent that all costs and expenses of the proceeding, including the respondent's

attorney's fees, may be paid from the respondent's assets.

Sec. A-24. 18-C MRSA §5-304, sub-§3, as enacted by PL 2017, c. 402, Pt. A, §2 and affected by Pt. F, §1, is amended to read:

3. Additional duties. In addition to the duties imposed by subsection 2, the visitor shall perform any duties that the court directs, which may include:

- ~~A. Interview the petitioner and proposed guardian, if any;~~
- B. ~~Visit~~ Visiting the respondent's present dwelling and any dwelling in which it is reasonably believed the respondent will live if the appointment is made;
- C. ~~Obtain~~ Obtaining information from any physician or other person known to have treated, advised or assessed the respondent's relevant physical or mental condition; and
- D. ~~Investigate~~ Investigating the allegations in the petition and any other matter relating to the petition as the court directs.

Sec. A-25. 18-C MRSA §5-304, sub-§4, ¶C, as enacted by PL 2017, c. 402, Pt. A, §2 and affected by Pt. F, §1, is amended to read:

C. A summary of the respondent's medical conditions, cognitive functioning, everyday functioning, preferences and values and a summary of self-care and independent living tasks the respondent can manage without assistance or with existing supports, could manage with the assistance of appropriate supportive services, technological assistance or supported decision making and cannot manage;

Sec. A-26. 18-C MRSA §5-304, sub-§4, ¶H-1 is enacted to read:

H-1. A statement whether the respondent wishes to attend the hearing under paragraph H after being informed of the right to attend the hearing, the purposes of the hearing and the potential consequences of failing to attend;

Sec. A-27. 18-C MRSA §5-306, sub-§2, as enacted by PL 2017, c. 402, Pt. A, §2 and affected by Pt. F, §1, is amended to read:

2. Right to decline. The respondent has the right to decline to participate in an evaluation ordered under subsection 1. If the respondent declines to participate in an evaluation ordered under subsection 1, the petitioner may request an examination under the Maine Rules of Civil Procedure, Rule 35.

Sec. A-28. 18-C MRSA §5-307, sub-§1, as enacted by PL 2017, c. 402, Pt. A, §2 and affected by Pt. F, §1, is amended to read:

1. Attendance by respondent. Except as otherwise provided in subsection 2, a hearing under section 5-303 may proceed only if the respondent attends the hearing. If it is not reasonably feasible for the respondent to attend a hearing at the location court proceedings typically are conducted, the court shall make reasonable efforts to hold the hearing at an alternative location convenient to the respondent or allow the respondent to attend the hearing using real-time audiovisual technology or by telephone if real-time audiovisual technology is not available.

Sec. A-29. 18-C MRSA §5-307, sub-§6, as enacted by PL 2017, c. 402, Pt. A, §2 and affected by Pt. F, §1, is amended to read:

6. Attendance by proposed guardian required. Unless excused by the court for good cause, the proposed guardian shall attend a hearing under section 5-303 in person. Upon a showing of good cause, the court may allow the proposed guardian to participate using real-time audiovisual technology or by telephone if real-time audiovisual technology is not available.

Sec. A-30. 18-C MRSA §5-308, sub-§4 is enacted to read:

4. Effective date. This section takes effect January 1, 2021.

Sec. A-31. 18-C MRSA §5-309, sub-§1, ¶D, as enacted by PL 2017, c. 402, Pt. A, §2 and affected by Pt. F, §1, is amended to read:

D. A spouse or domestic partner of the respondent; and

Sec. A-32. 18-C MRSA §5-309, sub-§1, ¶E, as enacted by PL 2017, c. 402, Pt. A, §2 and affected by Pt. F, §1, is repealed.

Sec. A-33. 18-C MRSA §5-309, sub-§1, ¶¶F to I are enacted to read:

F. An adult child of the respondent;

G. A parent of the respondent, including a person nominated by will or other writing signed by a deceased parent;

H. Any relative of the respondent with whom the respondent resided for more than 6 months within the 12 months prior to the filing of the petition under section 5-302; and

I. A family member or other individual who has exhibited special care and concern for the respondent.

Sec. A-34. 18-C MRSA §5-309, sub-§3, as enacted by PL 2017, c. 402, Pt. A, §2 and affected by Pt. F, §1, is amended to read:

3. Appointment based on best interest of respondent. The court, acting in the best interest of the respondent, may decline to appoint as guardian a per-

son having priority under subsection 1 and appoint a person having a lower priority or no priority. In its determination, the court may evaluate whatever factors the court determines appropriate, including comparing the following factors for the person having priority and the potential guardian who has a lower or no priority: relationships with the respondent, the higher priority person's and the potential guardian's skills, the expressed wishes of the respondent and the extent to which the person with higher priority and the potential guardian with lower or no priority have similar values and preferences as the respondent and the likelihood that the potential guardian will be able to satisfy the duties of a guardian successfully.

Sec. A-35. 18-C MRSA §5-310, sub-§§1 and 2, as enacted by PL 2017, c. 402, Pt. A, §2 and affected by Pt. F, §1, are amended to read:

1. Order contents. A court order appointing a guardian for an adult must clearly:

A. Include a finding that clear and convincing evidence has established that the identified needs of the respondent cannot be met by a protective arrangement instead of guardianship or other less restrictive alternatives, including use of appropriate supportive services, technological assistance or supported decision-making basis for an appointment of a guardian, as required under section 5-301, has been met; and

B. Include a finding that clear and convincing evidence established that the respondent was given proper notice of the hearing on the petition;

C. State whether the adult subject to guardianship retains the right to vote and, if the adult does not retain the right to vote, include findings that support removing that right, which must include a finding that the adult cannot communicate, with or without support, a specific desire to participate in the voting process; and

D. State whether the adult subject to guardianship retains the right to marry and, if the adult's right to marry is subject to conditions or if the adult does not retain the right to marry, include findings that support the conditions on that right or the removal of that right.

2. Rights retained. An adult subject to guardianship retains the right to vote and the right to marry unless the order under subsection 1 includes the findings required by subsection 1, paragraph C or orders otherwise. An adult subject to guardianship retains the right to marry unless the order under subsection 1 includes the findings required by subsection 1, paragraph D. A court order removing the right to vote must include a finding that the adult cannot communicate, with or without support, a specific desire to participate in the voting process. A court order removing the right to marry or placing conditions on the right to

marry must include findings that support the removal of the right to marry or support conditions on the right to marry.

Sec. A-36. 18-C MRSA §5-310, sub-§5, ¶D, as enacted by PL 2017, c. 402, Pt. A, §2 and affected by Pt. F, §1, is amended to read:

D. Notice that the guardian will be ~~unavailable to visit the adult subject to guardianship for more than 2 months or~~ unable to perform the guardian's duties for more than one month;

Sec. A-37. 18-C MRSA §5-312, sub-§3, ¶C, as enacted by PL 2017, c. 402, Pt. A, §2 and affected by Pt. F, §1, is amended to read:

C. The petitioner shall state in an affidavit the date, time, location and method of providing the required notice under paragraph A and to whom the notice was provided. The court shall make a determination as to the adequacy of the method of providing notice and whether the petitioner complied with the notice requirements of this subsection. The requirements of section ~~5-309~~ 5-303 do not apply to this section.

Sec. A-38. 18-C MRSA §5-312, sub-§4-A is enacted to read:

4-A. Appointment without professional evaluation. A professional evaluation under section 5-306 is not required before the appointment of an emergency guardian if the court finds from the affidavit or testimony that the basis for an emergency has been met and the petitioner has good cause for not submitting a professional evaluation before the emergency order.

Sec. A-39. 18-C MRSA §5-313, sub-§3, ¶C, as enacted by PL 2017, c. 402, Pt. A, §2 and affected by Pt. F, §1, is amended to read:

C. Administer assets of the adult subject to guardianship having a value of ~~\$5,000~~ \$10,000 or less;

Sec. A-40. 18-C MRSA §5-314, sub-§1, ¶A, as enacted by PL 2017, c. 402, Pt. A, §2 and affected by Pt. F, §1, is amended to read:

A. Apply for or receive money, personal effects or benefits for the support of the adult and apply the money for support, care and education of the adult, unless a conservator has been appointed for the adult and the application or receipt is within the powers of the conservator, but the guardian may not use money from the adult's estate for room and board that the guardian or the guardian's spouse, parent or child has furnished to the adult unless a charge for the services is approved by order of the court;

Sec. A-41. 18-C MRSA §5-314, sub-§5, ¶¶D and F, as enacted by PL 2017, c. 402, Pt. A, §2 and affected by Pt. F, §1, are amended to read:

D. Establish or move the permanent place of dwelling of an adult subject to guardianship to a nursing home, mental health facility or other facility that places restrictions on the individual's ability to leave or have visitors only if:

- (1) The establishment or move is generally set forth in the guardian's plan;
- (2) The court authorizes the establishment or move; or
- (3) Notice Absent a compelling reason, notice of the establishment or move is given at least 14 days before the establishment or move to the adult subject to guardianship and all persons entitled to the notice under section 5-310, subsection 5 or a subsequent order and no objection has been filed. The notice must be given orally and in writing to the adult subject to guardianship, and in writing to all persons entitled to notice under section 5-310, subsection 5 and must include the address of the current place of dwelling, the address and type of new permanent place of dwelling, the reason for the establishment or move to the new permanent place of dwelling and the right to object to the new place of dwelling;

F. Take action that would result in the sale of or surrender the lease to the primary dwelling of the adult subject to guardianship only if:

- (1) The action is ~~specifically~~ generally set forth in the guardian's plan;
- (2) The court authorizes the action by specific order; or
- (3) Notice of the action is given at least 14 days before the action to the adult subject to guardianship ~~and, orally and in writing, and in writing to~~ all persons entitled to the notice under section 5-310, subsection 5 or a subsequent order, and no objection has been filed within 14 days of the notice.

Sec. A-42. 18-C MRSA §5-314, sub-§7 is enacted to read:

7. Application to existing guardianships. For guardianships established prior to September 1, 2019, the guardian is not subject to the duties of notice and restrictions of power set forth in subsection 5, paragraphs C, D and F until so ordered by the court.

Sec. A-43. 18-C MRSA §5-315, sub-§3, ¶C, as enacted by PL 2017, c. 402, Pt. A, §2 and affected by Pt. F, §1, is amended to read:

C. The guardian has good cause to believe restriction is necessary because interaction with the person poses a risk of significant physical, psychological or financial harm to the adult ~~and the restriction is~~. The guardian shall provide a no-

tice, orally and in writing, of the restriction to the adult subject to guardianship immediately upon imposition of the restriction and shall provide written notice of the restriction to all other persons entitled to notice under section 5-310, subsection 5 within 7 days of imposition of the restriction. Notice must include a description of the restriction, contact information of the court and the right to object to the restriction.

~~(1) For a period of not more than 7 business days if the person has a family or preexisting social relationship with the adult; or~~

~~(2) For a period of not more than 60 days if the person does not have a family or preexisting social relationship with the adult.~~

Sec. A-44. 18-C MRSA §5-315, sub-§4 is enacted to read:

4. Application to existing guardianships. For guardianships established prior to September 1, 2019, the guardian is not subject to the duties of notice and restrictions of power set forth in subsection 3 until so ordered by the court.

Sec. A-45. 18-C MRSA §5-316, sub-§1, ¶A-1 is enacted to read:

A-1. The adult's medical conditions, cognitive functioning, everyday functioning and levels of supervision needed;

Sec. A-46. 18-C MRSA §5-316, sub-§§3 and 4, as enacted by PL 2017, c. 402, Pt. A, §2 and affected by Pt. F, §1, are amended to read:

3. Objection to revised plan. An adult subject to guardianship and any person entitled under subsection 2 to receive notice and a copy of the guardian's plan may object to the revised plan within 14 days of receipt of notice of the revised plan.

4. Court review of plan or revised plan; approval. The court shall review a guardian's plan or revised plan filed under subsection 1. In deciding whether to approve the plan or the revised plan the court shall consider an objection under subsection 3 and whether the plan or revised plan is consistent with the guardian's duties and powers under sections 5-313 and 5-314. The court may schedule a hearing on any revised plan submitted and may not approve any revised plan until 30 days after its filing. The guardian may implement the revised plan 30 days after filing unless the court orders otherwise.

Sec. A-47. 18-C MRSA §5-316, sub-§6 is enacted to read:

6. Application to existing guardianship. For guardianships established prior to September 1, 2019, the guardian is not subject to the requirement for filing a revised plan until so ordered by the court.

Sec. A-48. 18-C MRSA §5-317, sub-§1, ¶D, as enacted by PL 2017, c. 402, Pt. A, §2 and affected by Pt. F, §1, is amended to read:

D. A summary of the guardian's visits with the adult, including the dates of the visits and the visits of agents designated by the guardian to visit on behalf of the guardian;

Sec. A-49. 18-C MRSA §5-317, sub-§1, ¶¶M and N, as enacted by PL 2017, c. 402, Pt. A, §2 and affected by Pt. F, §1, are amended to read:

M. A recommendation as to the need for continued guardianship and any recommended change in the scope of the guardianship; ~~and~~

N. Whether any coguardian or successor guardian appointed to serve when a designated future event occurs is alive and able to serve; ~~and~~

Sec. A-50. 18-C MRSA §5-317, sub-§1, ¶O is enacted to read:

O. The fees that are paid to the guardian for the year or still outstanding.

Sec. A-51. 18-C MRSA §5-317, sub-§8 is enacted to read:

8. Application to existing guardianship. For guardianships established prior to September 1, 2019, in which there is no existing order to file an annual report, the guardian is not subject to the requirements for filing an annual report until so ordered by the court.

Sec. A-52. 18-C MRSA §5-401, sub-§2, as enacted by PL 2017, c. 402, Pt. A, §2 and affected by Pt. F, §1, is amended to read:

2. Conservator for adult; findings. On petition and after notice and hearing, the court may appoint a conservator for the property or financial affairs of an adult if the court determines by clear and convincing evidence that:

A. The adult is unable to manage property or financial affairs because:

(1) Of a limitation in the ability to receive and evaluate information or make or communicate decisions even with the use of appropriate supportive services, technological assistance and supported decision making that provide adequate protection for the respondent; or

(2) The adult is missing, detained or unable to return to the United States;

B. Appointment is necessary to:

(1) Avoid harm to the adult or significant dissipation of the property of the adult; or

(2) Obtain or provide money needed for the support, care, education, health or welfare of the adult, or of an individual entitled to the adult's support, and protection is necessary or desirable to obtain or provide money for the purpose; and

C. The respondent's identified needs cannot be met by less restrictive alternatives.

In making a determination on a petition under this section, including whether supported decision making or other less restrictive alternatives are appropriate, the court may consider the following factors: any proposed vetting of the person or persons chosen to provide support in decision making; reports to the court by an interested party or parties regarding the effectiveness of an existing supported decision-making arrangement; or any other information the court determines necessary or appropriate to determine whether supportive services, technological assistance, supported decision making, protective arrangements or less restrictive arrangements will provide adequate protection for the respondent.

Sec. A-53. 18-C MRSA §5-401, sub-§3, as enacted by PL 2017, c. 402, Pt. A, §2 and affected by Pt. F, §1, is amended to read:

3. Powers. The court shall grant a conservator only those powers necessitated by demonstrated limitations and needs of the respondent and enter orders that encourage the development of the respondent's maximum self-determination and independence. The court may not establish a full conservatorship if a limited conservatorship, protective arrangement instead of conservatorship or other less restrictive alternatives would meet the needs of and provide adequate protection for the respondent.

Sec. A-54. 18-C MRSA §5-402, sub-§2, ¶E, as enacted by PL 2017, c. 402, Pt. A, §2 and affected by Pt. F, §1, is amended to read:

E. The reason conservatorship is necessary, including a brief description of:

(1) The nature and extent of the respondent's alleged need based on the respondent's medical conditions, cognitive functioning and everyday financial functioning and levels of supervision needed;

(2) If the petition alleges the respondent is missing, detained or unable to return to the United States, the relevant circumstances, including the time and nature of the disappearance or detention and any search or inquiry concerning the respondent's whereabouts;

(3) Any protective arrangement instead of conservatorship or other less restrictive alternatives for meeting the respondent's alleged

need which have been considered or implemented;

(4) If no protective arrangement or other less restrictive alternatives have been considered or implemented, the reason they have not been considered or implemented; and

(5) The reason a protective arrangement or other less restrictive alternatives are insufficient to meet the respondent's need;

Sec. A-55. 18-C MRSA §5-404, sub-§4 is enacted to read:

4. Order to preserve or apply property while proceeding pending. While a petition under section 5-402 is pending, after preliminary hearing and without notice to others, the court may issue an order to preserve and apply property of the respondent as required for the support of the respondent or an individual who is in fact dependent on the respondent.

Sec. A-56. 18-C MRSA §5-405, sub-§§3 and 4, as enacted by PL 2017, c. 402, Pt. A, §2 and affected by Pt. F, §1, are amended to read:

3. Interview with petitioner, proposed conservator and adult respondent. A visitor appointed for an adult under subsection 2 shall interview the petitioner and the proposed conservator and shall interview the respondent in person and, in a manner the respondent is best able to understand:

A. Explain to the respondent the substance of the petition, the nature, purpose and effect of the proceeding, the respondent's rights at the hearing and the general powers and duties of a conservator;

B. Determine the respondent's views about the appointment sought by the petitioner, including views about a proposed conservator, the conservator's proposed powers and duties and the scope and duration of the proposed conservatorship, and general financial preferences and values;

C. Inform the respondent of the respondent's right to employ and consult with an attorney at the respondent's expense and the right to request a court-appointed attorney; and

D. Inform the respondent that all costs and expenses of the proceeding, including the respondent's attorney's fees, may be paid from the respondent's assets.

4. Additional duties. In addition to the duties imposed by subsection 3, the visitor appointed for an adult under subsection 2 shall perform any duties that the court directs, which may include:

~~A. Interview the petitioner and proposed conservator, if any;~~

B. ~~Review~~ Reviewing financial records of the respondent, if relevant to the visitor's recommendation under subsection 5, paragraph B;

C. ~~State~~ Stating whether the respondent's needs could be met by a less restrictive alternative, including a protective arrangement instead of conservatorship and, if so, ~~identify~~ identifying the less restrictive alternative; and

D. ~~Investigate~~ Investigating the allegations in the petition and any other matter relating to the petition as the court directs.

Sec. A-57. 18-C MRSA §5-405, sub-§5, ¶A-1 is enacted to read:

A-1. A summary of the respondent's financial functioning, financial preferences and independent financial tasks the respondent can manage without assistance or with existing supports or could manage with the assistance of appropriate supportive services, technological assistance or supported decision making;

Sec. A-58. 18-C MRSA §5-405, sub-§5, ¶F-1 is enacted to read:

F-1. A statement whether the respondent wishes to attend the hearing under paragraph F after being informed of the right to attend the hearing, the purposes of the hearing and the potential consequences of failing to attend;

Sec. A-59. 18-C MRSA §5-407, sub-§2, as enacted by PL 2017, c. 402, Pt. A, §2 and affected by Pt. F, §1, is amended to read:

2. Right to decline. The respondent has the right to decline to participate in an evaluation ordered under subsection 1. If the respondent declines to participate in an evaluation ordered under subsection 1, the petitioner may request an examination under the Maine Rules of Civil Procedure, Rule 35.

Sec. A-64. 18-C MRSA §5-410, sub-§1, ¶E, as enacted by PL 2017, c. 402, Pt. A, §2 and affected by Pt. F, §1, is repealed.

Sec. A-65. 18-C MRSA §5-410, sub-§1, ¶¶F to H are enacted to read:

F. An adult child of the respondent;

G. A parent of the respondent or a person nominated in the will of a deceased parent; and

H. A family member or other individual who has exhibited special care and concern for the respondent.

Sec. A-66. 18-C MRSA §5-410, sub-§3, as enacted by PL 2017, c. 402, Pt. A, §2 and affected by Pt. F, §1, is amended to read:

3. Appointment based on best interest of respondent. The court, acting in the best interest of the respondent, may decline to appoint as conservator a person having priority under subsection 1 and appoint a person having a lower priority or no priority. In its determination, the court may evaluate whatever factors the court determines appropriate, including comparing the following factors for the person having priority and the potential conservator who has a lower or no priority: relationships with the respondent, the higher priority person's and the potential conservator's skills, the expressed wishes of the respondent and the extent to which the person with higher priority and the potential conservator with lower priority or no priority have similar values and preferences as the respondent and the likelihood that the potential conservator will be able to satisfy the duties of a conservator successfully.

Sec. A-67. 18-C MRSA §5-411, sub-§§2 to 4, as enacted by PL 2017, c. 402, Pt. A, §2 and affected by Pt. F, §1, are amended to read:

2. Conservator for adult; findings. A court order appointing a conservator for an adult must include a ~~clear~~ finding by clear and convincing evidence that:

A. ~~The identified needs of the respondent cannot be met by a protective arrangement instead of conservatorship or other less restrictive alternatives, including use of appropriate supportive services, technological assistance or supported decision making basis for appointment of a conservator as required under section 5-401 has been met;~~ and

B. ~~Clear and convincing evidence established the~~ The respondent was given proper notice of the hearing on the petition.

3. Basis for full conservatorship. A court order establishing a full conservatorship for an adult ~~clearly~~ must state the basis for granting a full conservatorship and include specific findings to support the conclusion that a limited conservatorship would not meet the functional needs of the adult.

4. Limited conservatorship; powers granted to conservator. A court order establishing a limited conservatorship must ~~state clearly~~ identify the property placed under the control of the conservator and the powers granted to the conservator.

Sec. A-68. 18-C MRSA §5-413, sub-§3, ¶C, as enacted by PL 2017, c. 402, Pt. A, §2 and affected by Pt. F, §1, is amended to read:

C. The petitioner shall state in an affidavit the date, time, location and method of providing the required notice under paragraph A and to whom the notice was provided. The court shall make a determination as to the adequacy of the method of providing notice and whether the petitioner complied with the notice requirements of this subsection. The requirements of section ~~5-410~~ 5-403 do not apply to this section.

Sec. A-69. 18-C MRSA §5-413, sub-§4-A is enacted to read:

4-A. Appointment without professional evaluation. A professional evaluation under section 5-407 is not required before the appointment of an emergency conservator if the court finds from the affidavit or testimony that the basis for an emergency has been met and the petitioner has good cause for not submitting a professional evaluation before the emergency order.

Sec. A-70. 18-C MRSA §5-414, sub-§1, ¶A, as enacted by PL 2017, c. 402, Pt. A, §2 and affected by Pt. F, §1, is amended to read:

A. ~~Make~~ Except as provided in section 5-421, subsection 2, paragraph Y, make gifts, except those of de minimis value;

I. Make, modify, amend or revoke the will of the individual subject to conservatorship ~~in compliance with the laws of the State governing executing wills, with the conservator treated as the individual making, modifying, amending or revoking the will.~~

Sec. A-72. 18-C MRSA §5-414, sub-§5 is enacted to read:

5. Application to existing conservatorships. For conservatorships established prior to September 1, 2019, the conservator is not subject to the notice and court authorization requirements under subsection 1, paragraph B until so ordered by the court.

Sec. A-73. 18-C MRSA §5-416, sub-§1, as enacted by PL 2017, c. 402, Pt. A, §2 and affected by Pt. F, §1, is amended to read:

1. Bond or alternative asset-protection arrangement required. The court shall require a conservator of an estate of \$50,000 or more to furnish a bond with a surety the court specifies, or require an alternative asset-protection arrangement, conditioned on faithful discharge of all duties of the conservator. The court may waive the requirement only if the court finds that a bond or other asset-protection arrangement is not necessary to protect the interests of the individual subject to conservatorship. The court may not waive the requirement if the conservator is in the business of serving as a conservator and is being paid for the conservator's service except as provided by subsection 3. With respect to an estate of less than \$50,000, the court in its discretion may require a bond or other surety.

Sec. A-74. 18-C MRSA §5-416, sub-§4 is enacted to read:

4. Spouse as conservator. The court in its discretion may waive the requirement of a bond or other surety for a spouse wishing to serve as conservator.

Sec. A-75. 18-C MRSA §5-419, sub-§§2 to 4, as enacted by PL 2017, c. 402, Pt. A, §2 and affected by Pt. F, §1, are amended to read:

2. Notice of revised plan. A conservator shall give notice of the filing of a revised plan under subsection 1, along with a copy of the revised plan, to the individual subject to conservatorship, all persons entitled to notice under section 5-411, subsection 5 or a subsequent order and other persons as the court determines. The notice must include a statement of the right to object to the revised plan and be given not later than 14 days after the filing.

3. Objection to revised plan. An individual subject to conservatorship and any person entitled under

subsection 2 to receive notice and a copy of the conservator's revised plan may object to the revised plan within 14 days of receipt of notice of the revised plan.

4. Court review of plan or revised plan; approval. The court shall review a conservator's plan or revised plan filed under subsection 1. In deciding whether to approve the plan or revised plan, the court shall consider any objection under subsection 3 and whether the plan or revised plan is consistent with the conservator's duties and powers. The court may schedule a hearing on any revised plan submitted and may not approve the plan or revised plan until 30 days after its filing. The conservator may implement the revised plan 30 days after filing unless the court orders otherwise.

Sec. A-76. 18-C MRSA §5-419, sub-§6 is enacted to read:

6. Application to existing conservatorships. For conservatorships established prior to September 1, 2019, the conservator is not subject to the requirement for the filing of a revised plan until so ordered by the court.

Sec. A-77. 18-C MRSA §5-420, sub-§1, as enacted by PL 2017, c. 402, Pt. A, §2 and affected by Pt. F, §1, is amended to read:

1. Inventory. Not later than ~~60~~ 90 days after appointment, a conservator shall prepare and file with the appointing court a detailed inventory of the conservatorship estate, together with an oath or affirmation that the inventory is believed to be complete and accurate as far as information permits.

Sec. A-78. 18-C MRSA §5-421, sub-§2, ¶A, as enacted by PL 2017, c. 402, Pt. A, §2 and affected by Pt. F, §1, is amended to read:

A. Collect, hold and retain property included in the conservatorship estate, including property in which the conservator has a personal interest and real property in this State or another state, until the conservator determines disposition of the property should be made;

Sec. A-79. 18-C MRSA §5-421, sub-§2, ¶G, as enacted by PL 2017, c. 402, Pt. A, §2 and affected by Pt. F, §1, is amended to read:

G. Acquire or dispose of property of the conservatorship estate, including real property in this State or another state, for cash or on credit, at public or private sale, and manage, develop, improve, exchange, partition, change the character of or abandon property included in the conservatorship estate;

Sec. A-80. 18-C MRSA §5-423, sub-§2, ¶E, as enacted by PL 2017, c. 402, Pt. A, §2 and affected by Pt. F, §1, is amended to read:

E. ~~Annual~~ An annual credit report of the individual subject to conservatorship and, to the extent feasible, a copy of the most recent reasonably available financial statements evidencing the status of bank accounts, investment accounts and mortgages or other debts of the individual subject to conservatorship, ~~along with,~~ with all but the last 4 digits of the account numbers and the individual's social security number redacted;

Sec. A-81. 18-C MRSA §5-423, sub-§9 is enacted to read:

9. Application to existing conservatorships. For conservatorships established prior to January 1, 2008, the conservator is not subject to the requirement for an annual report and accounting until so ordered by the court.

Sec. A-82. 18-C MRSA §5-431, sub-§10, as enacted by PL 2017, c. 402, Pt. A, §2 and affected by Pt. F, §1, is amended to read:

10. Property; report; petition for discharge. On termination of a conservatorship and whether or not formally distributed by the conservator, property of the conservatorship estate passes to the individual formerly subject to conservatorship or ~~the individual's heirs, successors or assigns~~ other persons entitled to the property. The order of termination must provide for expenses of administration and direct the conservator to file a final report and petition for discharge on approval of the final report.

Sec. A-83. 18-C MRSA §5-502, sub-§1, as enacted by PL 2017, c. 402, Pt. A, §2 and affected by Pt. F, §1, is amended to read:

1. Findings. After the hearing conducted on a petition for guardianship under section 5-302 or one or more protective arrangements instead of guardianship under section 5-501, subsection ~~+~~ 2, the court may enter an order for one or more protective arrangements instead of guardianship under subsection 2 if the court finds by clear and convincing evidence that:

A. The respondent lacks the ability to meet essential requirements for physical health, safety or self-care because the respondent is unable to receive and evaluate information or make or communicate decisions, ~~even with after the court's consideration of the respondent's ability to use appropriate supportive services, technological assistance or supported decision making that provides adequate protection for the respondent;~~ and

B. The respondent's identified needs cannot be met by less restrictive alternatives that provide adequate protection for the respondent.

Sec. A-84. 18-C MRSA §5-502, sub-§3, as enacted by PL 2017, c. 402, Pt. A, §2 and affected by Pt. F, §1, is amended to read:

3. Factors. In deciding whether to enter an order under this section, the court shall consider the factors under sections 5-313 and 5-314 that a guardian must consider when making a decision on behalf of an adult subject to guardianship. In addition, in deciding whether supported decision making or other less restrictive alternatives are appropriate, the court may consider the following factors: any proposed vetting of the person or persons chosen to provide support in decision making; reports to the court by an interested party or parties regarding the effectiveness of an existing supported decision-making arrangement; or any other information the court determines necessary or appropriate to determine whether supportive services, technological assistance, supported decision making, protective arrangements or less restrictive arrangements will provide adequate protection for the respondent.

Sec. A-85. 18-C MRSA §5-503, sub-§1, ¶A, as enacted by PL 2017, c. 402, Pt. A, §2 and affected by Pt. F, §1, is amended to read:

A. By clear and convincing evidence that the respondent is unable to manage property or financial affairs because of a limitation in the ability to receive and evaluate information or make or communicate decisions, even with appropriate supportive services, technological assistance or supported decision making that provides adequate protection for the respondent, or the adult is missing, detained or unable to return to the United States;

Sec. A-86. 18-C MRSA §5-503, sub-§3, ¶A, as enacted by PL 2017, c. 402, Pt. A, §2 and affected by Pt. F, §1, is amended to read:

A. Authorize or direct a transaction necessary to protect the financial interest or property of the respondent, including but not limited to:

4. Order to restrict access. If, after the hearing conducted under section 5-505 on a petition under section 5-501, subsection 1, paragraph B or section 5-501, subsection 3, a court may enter an order to restrict access to the respondent or the respondent's property by a person that the court ~~finds~~ by clear and convincing evidence finds:

A. Through fraud, coercion, duress or the use of deception and control, caused or attempted to cause ~~an action that would have resulted in financial~~ harm to the respondent or the respondent's property; ~~and or~~

B. Poses a ~~serious~~ significant risk of ~~substantial financial~~ harm to the respondent or the respondent's property.

Sec. A-88. 18-C MRSA §5-503, sub-§5, as enacted by PL 2017, c. 402, Pt. A, §2 and affected by Pt. F, §1, is amended to read:

5. Factors. In deciding whether to enter an order under subsection 3 or 4, the court shall consider the factors under section 5-418 a conservator must consider when making a decision on behalf of an individual subject to conservatorship. In addition, in deciding whether to enter an order under this section, including whether supported decision making or other less restrictive alternatives are appropriate, the court may consider the following factors: any proposed vetting of the person or persons chosen to provide support in decision making; reports to the court by an interested party or parties regarding the effectiveness of an existing supported decision-making arrangement; or any other information the court determines necessary or appropriate to determine whether supportive services, technological assistance, supported decision making, protective arrangements or less restrictive arrangements will provide adequate protection for the respondent.

Sec. A-89. 18-C MRSA §5-506, sub-§4, ¶¶B to D, as enacted by PL 2017, c. 402, Pt. A, §2 and affected by Pt. F, §1, are amended to read:

B. Determine the respondent's views, preferences and values with respect to the order sought;

C. Inform the respondent of the respondent's right to employ and consult with an attorney at the respondent's expense and the right to request a court-appointed attorney; and

D. Inform the respondent that all costs and expenses of the proceeding, including the respondent's attorney's fees, may be paid from the respondent's assets;

Sec. A-90. 18-C MRSA §5-506, sub-§4, ¶¶E to H, as enacted by PL 2017, c. 402, Pt. A, §2 and affected by Pt. F, §1, are repealed.

Sec. A-91. 18-C MRSA §5-506, sub-§4-A is enacted to read:

4-A. Additional visitor duties. In addition to the duties imposed by subsection 4, the visitor shall perform any duties that the court directs, which may include:

A. Visiting the respondent's present dwelling and any dwelling in which it is reasonably believed the respondent will live if the order is granted;

B. Obtaining information from any physician or other person known to have treated, advised or assessed the respondent's relevant physical or mental condition;

C. Reviewing financial records of the respondent if relevant to the visitor's recommendation; and

D. Investigating the allegations in the petition and any other matter relating to the petition as the court directs.

Sec. A-92. 18-C MRSA §5-506, sub-§5, as enacted by PL 2017, c. 402, Pt. A, §2 and affected by Pt. F, §1, is amended to read:

5. Report. A visitor under this section promptly shall file a report in a record with the court, which, in addition to reporting on the additional visitor duties directed by the court under subsection 4-A, must include:

A. A recommendation whether an attorney should be appointed to represent the respondent;

B. To the extent relevant to the order sought, a summary of self-care, independent living tasks and financial management tasks the respondent can manage without assistance or with existing supports, or could manage with the assistance of appropriate supportive services, technological assistance or supported decision making and cannot manage that provides adequate protections for the respondent;

B-1. To the extent relevant to the order sought, a summary of the respondent's medical conditions, cognitive functioning, everyday functioning, values and preferences, risks and levels of supervision needed and any means to enhance the respondent's capacity;

C. Recommendations regarding the appropriateness of the protective arrangement sought and whether less restrictive alternatives for meeting

the respondent's needs are available that provide adequate protections for the respondent;

D. If the petition seeks to change the physical location of the dwelling of the respondent, a statement whether the proposed dwelling meets the respondent's needs and whether the respondent has expressed a preference as to the respondent's dwelling;

E. A recommendation whether a professional evaluation under section 5-508 is necessary;

F. A statement whether the respondent is able to attend a hearing at the location court proceedings typically are conducted;

F-1. A statement whether the respondent wishes to attend a hearing under paragraph F, after being informed of the right to attend the hearing, the purposes of the hearing and the potential consequences of failing to attend the hearing;

G. A statement whether the respondent is able to participate in a hearing and that identifies any technology or other form of support that would enhance the respondent's ability to participate; and

H. Any other matter as the court directs.

Sec. A-93. 18-C MRSA §5-508, sub-§3, as enacted by PL 2017, c. 402, Pt. A, §2 and affected by Pt. F, §1, is amended to read:

3. Right to decline. The respondent has the right to decline to participate in an evaluation ordered under subsection 1. If the respondent declines to participate in an evaluation ordered under subsection 1, the petitioner may request an examination under the Maine Rules of Civil Procedure, Rule 35.

Sec. A-94. 18-C MRSA §5-509, sub-§1, as enacted by PL 2017, c. 402, Pt. A, §2 and affected by Pt. F, §1, is amended to read:

1. Attendance by respondent required. Except as otherwise provided in subsection 2, a hearing under this Part may proceed only if the respondent attends the hearing. If it is not reasonably feasible for the respondent to attend a hearing at the location court proceedings typically are conducted, the court shall make reasonable efforts to hold the hearing at an alternative location convenient to the respondent or allow the respondent to attend the hearing using real-time audiovisual technology or by telephone if real-time audiovisual technology is not available.

B. The Code applies to any proceedings in court pending on the effective date or commenced after the effective date regardless of the time of the death of the decedent except to the extent that in the opinion of the court the former procedure should be made applicable in a particular case in the interest of justice or because of infeasibility of application of the procedure of this Code;

C. Every personal representative appointed prior to ~~July~~ September 1, 2019 continues to hold the appointment but has only the powers conferred by this Code and is subject to the duties imposed with respect to any act occurring or done after the effective date, and a guardian or conservator appointed prior to ~~July~~ September 1, 2019 has the powers conferred by this Code on guardians and conservators, unless otherwise limited by the original order of appointment or subsequent court order under this Code;

D. An act done before ~~July~~ September 1, 2019 in any proceeding and any accrued right is not impaired by this Code. If a right is acquired, extinguished or barred upon the expiration of a pre-

scribed period of time that has commenced to run by the provisions of any statute before ~~July~~ September 1, 2019, the provisions remain in force with respect to that right;

E. Any rule of construction or presumption provided in this Code applies to instruments executed and multiple party accounts opened before ~~July~~ September 1, 2019 unless there is a clear indication of a contrary intent; and

F. For an adoption decree entered before ~~July~~ September 1, 2019 and not amended after ~~July~~ September 1, 2019, the child is the child of both the former and adopting parents for purposes of intestate succession, notwithstanding section 2-117, unless the decree provides otherwise.

Sec. A-104. 18-C MRSA §9-202, sub-§6, as enacted by PL 2017, c. 402, Pt. A, §2 and affected by Pt. F, §1, is amended to read:

6. Final and irrevocable; exceptions. Except as provided in subsection 7 and section 9-205, subsection 2, a surrender and release or a consent is final and irrevocable ~~when duly executed upon the court's approval of the surrender and release or consent pursuant to subsection 2.~~

Sec. A-105. 18-C MRSA §9-204, sub-§3, as enacted by PL 2017, c. 402, Pt. A, §2 and affected by Pt. F, §1, is amended to read:

3. Grounds for termination. The court may order termination of parental rights if:

A. The parent consents to the termination. Consent must be written and voluntarily and knowingly executed in court before a judge. The judge shall explain the effects of a termination order; or

B. The court finds, based on clear and convincing evidence, that:

(1) Termination is in the best interest of the child; and

(2) Either:

(a) The parent is unwilling or unable to protect the child from jeopardy, as defined by Title 22, section 4002, subsection 6, and these circumstances are unlikely to change within a time that is reasonably calculated to meet the child's needs;

(b) The parent has been unwilling or unable to take responsibility for the child within a time that is reasonably calculated to meet the child's needs; or

(c) The parent has abandoned the child, as described in Title 22, section 4002, subsection 1-A~~2~~.

In making findings pursuant to this paragraph, the court may consider the extent to which the parent had opportunities to rehabilitate and to reunify with the child, including actions by the child's other parent to foster or to interfere with a relationship between the parent and child or services provided by public or nonprofit agencies.

Sec. A-106. 18-C MRSA §9-401, sub-§4, ~~¶F~~, as enacted by PL 2017, c. 402, Pt. A, §2 and affected by Pt. F, §1, is amended to read:

F. Has in that child's family background factors such as severe mental illness, substance ~~abuse~~ use disorder, prostitution, genetic or medical conditions or illnesses that place the child at risk for future problems.

Sec. A-107. 18-C MRSA Art. 10 is enacted to read:

ARTICLE 10

MAINE REVISED UNIFORM FIDUCIARY ACCESS TO DIGITAL ASSETS ACT

§10-101. Short title

This Article may be known and cited as "the Maine Revised Uniform Fiduciary Access to Digital Assets Act."

§10-102. Definitions

As used in this Act, unless the context otherwise indicates, the following terms have the following meanings.

1. Account. "Account" means an arrangement under a terms of service agreement in which a custodian carries, maintains, processes, receives or stores a digital asset of a user or provides goods or services to a user.

2. Agent. "Agent" means an attorney in fact granted authority under a durable or nondurable power of attorney.

3. Carries. "Carries" means engages in the transmission of an electronic communication.

4. Catalog of electronic communications. "Catalog of electronic communications" means information that identifies each person with which a user has had an electronic communication, the time and date of the communication and the electronic address of the person.

5. Conservator. "Conservator" means a person appointed by a court to manage the estate of a living individual. "Conservator" includes a limited conservator and a guardian exercising the powers of a conservator when a conservator has not been appointed.

6. Content of an electronic communication. "Content of an electronic communication" means in-

formation concerning the substance or meaning of an electronic communication that:

A. Has been sent or received by a user;

B. Is in electronic storage by a custodian providing an electronic communication service to the public or is carried or maintained by a custodian providing a remote computing service to the public; and

C. Is not readily accessible to the public.

7. Custodian. "Custodian" means a person that carries, maintains, processes, receives or stores a digital asset of a user.

8. Designated recipient. "Designated recipient" means a person chosen by a user using an online tool to administer digital assets of the user.

9. Digital asset. "Digital asset" means an electronic record in which an individual has a right or interest. "Digital asset" does not include an underlying asset or liability unless the asset or liability is itself an electronic record.

10. Electronic. "Electronic" means relating to technology having electrical, digital, magnetic, wireless, optical, electromagnetic or similar capabilities.

11. Electronic communication. "Electronic communication" has the same meaning as in 18 United States Code, Section 2510(12).

12. Electronic communication service. "Electronic communication service" means a service that provides to a user the ability to send or receive an electronic communication.

13. Fiduciary. "Fiduciary" means an original, additional or successor personal representative, conservator, agent or trustee.

14. Information. "Information" means data, text, images, videos, sounds, codes, computer programs, software and databases or the like.

15. Online tool. "Online tool" means an electronic service provided by a custodian that allows a user, in an agreement distinct from the terms of service agreement between the custodian and user, to provide directions for disclosure or nondisclosure of digital assets to a 3rd person.

16. Person. "Person" means an individual, estate, business or nonprofit entity, public corporation, government or governmental subdivision, agency or instrumentality or other legal entity.

17. Personal representative. "Personal representative" means an executor, administrator, special administrator or person that performs substantially the same function under the laws of this State other than this Act and a person claiming to be a successor of the

decendent user who presents an affidavit under section 3-1201.

18. Power of attorney. "Power of attorney" means a record that grants an agent authority to act in the place of a principal.

19. Principal. "Principal" means an individual who grants authority to an agent in a power of attorney.

20. Protected person. "Protected person" means an individual for whom a conservator has been appointed. "Protected person" includes an individual for whom an application for the appointment of a conservator is pending and an individual for whom a guardian has been appointed, when no conservator has been appointed.

21. Record. "Record" means information that is inscribed on a tangible medium or that is stored in an electronic or other medium and is retrievable in perceivable form.

22. Remote computing service. "Remote computing service" means a service that provides to a user computer processing services or the storage of digital assets by means of an electronic communications system as defined in 18 United States Code, Section 2510(14).

23. Terms of service agreement. "Terms of service agreement" means an agreement, as defined in Title 11, section 1-1201, subsection (3), that controls the relationship between a user and a custodian.

24. Trustee. "Trustee" means a fiduciary with legal title to property pursuant to an agreement or declaration that creates a beneficial interest in another person. "Trustee" includes a successor trustee.

25. User. "User" means a person that has an account with a custodian.

26. Will. "Will" includes a codicil, a testamentary instrument that only appoints an executor and an instrument that revokes or revises a testamentary instrument.

§10-103. Applicability

1. Applicable date. This Act applies to:

A. A fiduciary or agent acting under a will or power of attorney executed before, on or after July 1, 2018;

B. A personal representative acting for a decedent who died before, on or after July 1, 2018;

C. A conservatorship proceeding commenced before, on or after July 1, 2018; and

D. A trustee acting under a trust created before, on or after July 1, 2018.

2. User resident of this State. This Act applies to a custodian if the user resides in this State or resided in this State at the time of the user's death.

3. Digital asset of employer. This Act does not apply to a digital asset of an employer used by an employee in the ordinary course of the employer's business.

§10-104. User direction for disclosure of digital assets

1. Use of online tool. A user may use an online tool to direct the custodian to disclose to a designated recipient or not to disclose some or all of the user's digital assets, including the content of electronic communications. If the online tool allows the user to modify or delete a direction at all times, a direction regarding disclosure using an online tool overrides a contrary direction by the user in a will, trust, power of attorney or other record.

2. No online tool used. If a user has not used an online tool to give direction under subsection 1 or if the custodian has not provided an online tool, the user may allow or prohibit in a will, trust, power of attorney or other record disclosure to a fiduciary of some or all of the user's digital assets, including the content of electronic communications.

3. User direction overrides. A user's direction under subsection 1 or 2 overrides a contrary provision in a terms of service agreement that does not require the user to act affirmatively and distinctly from the user's assent to the terms of service.

§10-105. Terms of service agreement

1. Rights of custodian or user not changed or impaired. This Act does not change or impair a right of a custodian or a user under a terms of service agreement to access and use digital assets of the user.

2. No new or expanded rights to fiduciary or designated recipient. This Act does not give a fiduciary or designated recipient any new or expanded rights other than those held by the user for whom, or for whose estate, the fiduciary or designated recipient acts or represents.

3. Fiduciary's or designated recipient's access may be modified or eliminated. A fiduciary's or designated recipient's access to digital assets may be modified or eliminated by a user, by federal law or by a terms of service agreement if the user has not provided direction under section 10-104.

§10-106. Procedure for disclosing digital assets

1. Disclosure at discretion of custodian. When disclosing digital assets of a user under this Act, the custodian may at its sole discretion:

A. Grant a fiduciary or designated recipient full access to the user's account;

B. Grant a fiduciary or designated recipient partial access to the user's account sufficient to perform the tasks with which the fiduciary or designated recipient is charged; or

C. Provide a fiduciary or designated recipient a copy in a record of any digital asset that, on the date the custodian received the request for disclosure, the user could have accessed if the user were alive and had full capacity and access to the account.

2. Administrative charge. A custodian may assess a reasonable administrative charge for the cost of disclosing digital assets under this Act.

3. Deleted digital assets. A custodian need not disclose under this Act a digital asset deleted by a user.

4. Undue burden on custodian; court order to disclose. If a user directs or a fiduciary requests a custodian to disclose under this Act some, but not all, of the user's digital assets, the custodian need not disclose the assets if segregation of the assets would impose an undue burden on the custodian. If the custodian believes the direction or request imposes an undue burden, the custodian or fiduciary may seek an order from the court to disclose:

A. A subset limited by date of the user's digital assets;

B. All of the user's digital assets to the fiduciary or designated recipient;

C. None of the user's digital assets; or

D. All of the user's digital assets to the court for review in camera.

§10-107. Disclosure of content of electronic communications of deceased user

If a deceased user consented to or a court directs disclosure of the content of electronic communications of the user, the custodian shall disclose to the personal representative of the estate of the user the content of an electronic communication if the representative gives the custodian:

1. Written request. A written request for disclosure in physical or electronic form;

2. Death certificate. A copy of the death certificate of the user;

3. Letters of appointment or court order. A copy of the letters of appointment of the personal representative or court order;

4. Record of consent to disclosure. Unless the user provided direction using an online tool, a copy of the user's will, trust, power of attorney or other record evidencing the user's consent to disclosure of the content of electronic communications; and

5. Information requested by custodian. If requested by the custodian:

- A. A number, username, address or other unique subscriber or account identifier assigned by the custodian to identify the user's account;
- B. Evidence linking the account to the user; or
- C. A finding by the court that:

(1) The user had a specific account with the custodian, identifiable by the information specified in paragraph A;

(2) Disclosure of the content of electronic communications of the user would not violate 18 United States Code, Section 2701 et seq., 47 United States Code, Section 222 or other applicable law;

(3) Unless the user provided direction using an online tool, the user consented to disclosure of the content of electronic communications; or

(4) Disclosure of the content of electronic communications of the user is reasonably necessary for administration of the estate.

§10-108. Disclosure of other digital assets of deceased user

Unless the user prohibited disclosure of digital assets or the court directs otherwise, a custodian shall disclose to the personal representative of the estate of a deceased user a catalog of electronic communications sent or received by the user and digital assets, other than the content of electronic communications, of the user if the representative gives the custodian:

1. Written request. A written request for disclosure in physical or electronic form;

2. Death certificate. A copy of the death certificate of the user;

3. Letters of appointment or court order. A copy of the letters of appointment of the personal representative or court order; and

4. Information requested by custodian. If requested by the custodian:

A. A number, username, address or other unique subscriber or account identifier assigned by the custodian to identify the user's account;

B. Evidence linking the account to the user;

C. An affidavit stating that disclosure of the user's digital assets is reasonably necessary for administration of the estate; or

D. A finding by the court that:

(1) The user had a specific account with the custodian, identifiable by the information specified in paragraph A; or

(2) Disclosure of the user's digital assets is reasonably necessary for administration of the estate.

§10-109. Disclosure of content of electronic communications of principal

To the extent a power of attorney expressly grants an agent authority over the content of electronic communications sent or received by the principal and unless directed otherwise by the principal or the court, a custodian shall disclose to the agent the content of electronic communications if the agent gives the custodian:

1. Written request. A written request for disclosure in physical or electronic form;

2. Power of attorney. An original or copy of the power of attorney expressly granting the agent authority over the content of electronic communications of the principal;

3. Agent's certificate. A certification by the agent, under penalty of perjury, that the power of attorney is in effect; and

4. Information requested by custodian. If requested by the custodian:

A. A number, username, address or other unique subscriber or account identifier assigned by the custodian to identify the principal's account; or

B. Evidence linking the account to the principal.

§10-110. Disclosure of other digital assets of principal

Unless otherwise ordered by the court, directed by the principal or provided by a power of attorney, a custodian shall disclose to an agent with specific authority over digital assets or general authority to act on behalf of a principal a catalog of electronic communications sent or received by the principal and digital assets, other than the content of electronic communications, of the principal if the agent gives the custodian:

1. Written request. A written request for disclosure in physical or electronic form;

2. Power of attorney. An original or a copy of the power of attorney that gives the agent specific authority over digital assets or general authority to act on behalf of the principal;

3. Agent's certificate. A certification by the agent, under penalty of perjury, that the power of attorney is in effect; and

4. Information requested by custodian. If requested by the custodian:

A. A number, username, address or other unique subscriber or account identifier assigned by the custodian to identify the principal's account; or

B. Evidence linking the account to the principal.

§10-111. Disclosure of digital assets held in trust when trustee is original user

Unless otherwise ordered by the court or provided in a trust, a custodian shall disclose to a trustee that is an original user of an account any digital asset of the account held in trust, including a catalog of electronic communications of the trustee and the content of those electronic communications.

§10-112. Disclosure of content of electronic communications held in trust when trustee is not original user

Unless otherwise ordered by the court, directed by the user or provided in a trust, a custodian shall disclose to a trustee that is not an original user of an account the content of an electronic communication sent or received by an original or successor user and carried, maintained, processed, received or stored by the custodian in the account of the trust if the trustee gives the custodian:

1. **Written request.** A written request for disclosure in physical or electronic form;

2. **Trust instrument or certification of trust.** A certified copy of the trust instrument or a certification of the trust under Title 18-B, section 1013 that includes consent to disclosure of the content of electronic communications to the trustee;

3. **Trustee's certification.** A certification by the trustee, under penalty of perjury, that the trust exists and the trustee is a currently acting trustee of the trust; and

4. **Information requested by custodian.** If requested by the custodian:

A. A number, username, address or other unique subscriber or account identifier assigned by the custodian to identify the trust's account; or

B. Evidence linking the account to the trust.

§10-113. Disclosure of other digital assets held in trust when trustee is not original user

Unless otherwise ordered by the court, directed by the user or provided in a trust, a custodian shall disclose to a trustee that is not an original user of an account a catalog of electronic communications sent or received by an original or successor user and stored, carried or maintained by the custodian in an account of the trust and any digital assets, other than the content of electronic communications, in which the trust has a right or interest if the trustee gives the custodian:

1. **Written request.** A written request for disclosure in physical or electronic form;

2. **Trust instrument or certification of trust.** A certified copy of the trust instrument or a certification of the trust under Title 18-B, section 1013;

3. **Trustee's certification.** A certification by the trustee, under penalty of perjury, that the trust exists and the trustee is a currently acting trustee of the trust; and

4. **Information requested by custodian.** If requested by the custodian:

A. A number, username, address or other unique subscriber or account identifier assigned by the custodian to identify the trust's account; or

B. Evidence linking the account to the trust.

§10-114. Disclosure of digital assets to conservator of protected person

1. **Court order granting access.** After an opportunity for a hearing under Article 5, Part 4, the court may grant a conservator access to the digital assets of a protected person.

2. **Disclosure by custodian.** Unless otherwise ordered by the court or directed by the user, a custodian shall disclose to a conservator the catalog of electronic communications sent or received by a protected person and any digital assets, other than the content of electronic communications, in which the protected person has a right or interest if the conservator gives the custodian:

A. A written request for disclosure in physical or electronic form;

B. A certified copy of the court order that gives the conservator authority over the digital assets of the protected person; and

C. If requested by the custodian:

(1) A number, username, address or other unique subscriber or account identifier assigned by the custodian to identify the account of the protected person; or

(2) Evidence linking the account to the protected person.

3. **Request to suspend or terminate account.** A conservator with general authority to manage the assets of a protected person may request a custodian of the digital assets of the protected person to suspend or terminate an account of the protected person for good cause. A request made under this subsection must be accompanied by a copy of the court order giving the conservator authority over the protected person's property.

§10-115. Fiduciary duty and authority

1. Fiduciary's legal duties. The legal duties imposed on a fiduciary charged with managing tangible property apply to the management of digital assets, including:

- A. The duty of care;
- B. The duty of loyalty; and
- C. The duty of confidentiality.

2. Limitations on fiduciary's or designated recipient's authority. A fiduciary's or designated recipient's authority with respect to a digital asset of a user:

- A. Except as otherwise provided in section 10-104, is subject to the applicable terms of service agreement;
- B. Is subject to other applicable law, including copyright law;
- C. In the case of a fiduciary, is limited by the scope of the fiduciary's duties; and
- D. May not be used to impersonate the user.

3. Right to access. A fiduciary with authority over the property of a decedent, protected person, principal or settlor has the right to access any digital asset in which the decedent, protected person, principal or settlor had a right or interest and that is not held by a custodian or subject to a terms of service agreement.

4. Authorized user. A fiduciary acting within the scope of the fiduciary's duties is an authorized user of the property of the decedent, protected person, principal or settlor for the purpose of applicable computer fraud and unauthorized computer access laws, including Title 17-A, chapter 18.

5. Fiduciary's authority to access; authorized user. A fiduciary with authority over the tangible, personal property of a decedent, protected person, principal or settlor:

- A. Has the right to access the property and any digital asset stored in it; and
- B. Is an authorized user for the purpose of computer fraud and unauthorized computer access laws, including Title 17-A, chapter 18.

6. Disclosure of information to terminate account. A custodian may disclose information in an account to a fiduciary of a user when the information is required to terminate an account used to access digital assets licensed to the user.

7. Request for termination. A fiduciary of a user may request a custodian to terminate the user's account. A request for termination must be in writing, in either physical or electronic form, and accompanied by:

A. If the user is deceased, a copy of the death certificate of the user;

B. A copy of the letters of appointment of the personal representative or court order, power of attorney or trust giving the fiduciary authority over the account; and

C. If requested by the custodian:

(1) A number, username, address or other unique subscriber or account identifier assigned by the custodian to identify the user's account;

(2) Evidence linking the account to the user; or

(3) A finding by the court that the user had a specific account with the custodian, identifiable by the information specified in subparagraph (1).

§10-116. Custodian compliance and immunity

1. Disclose or terminate upon request; court order. Not later than 60 days after receipt of the information required under sections 10-107 to 10-115, a custodian shall comply with a request under this Act from a fiduciary or designated recipient to disclose digital assets or terminate an account. If the custodian fails to comply, the fiduciary or designated recipient may apply to the court for an order directing compliance.

2. Finding that compliance not in violation. An order under subsection 1 directing compliance must contain a finding that compliance is not in violation of 18 United States Code, Section 2702.

3. Notification to user. A custodian may notify the user that a request for disclosure or to terminate an account was made under this Act.

4. Denial of request if subsequent lawful access. A custodian may deny a request under this Act from a fiduciary or designated recipient for disclosure of digital assets or to terminate an account if the custodian is aware of any lawful access to the account following the receipt of the fiduciary's request.

5. Court order. This Act does not limit a custodian's ability to obtain or require a fiduciary or designated recipient requesting disclosure or termination under this Act to obtain a court order that:

A. Specifies that an account belongs to the protected person or principal;

B. Specifies that there is sufficient consent from the protected person or principal to support the requested disclosure; and

C. Contains a finding required by law other than this Act.

6. Immunity. A custodian and its officers, employees and agents are immune from liability for an act or omission done in good faith in compliance with this Act.

§10-117. Uniformity of application and construction

In applying and construing this Act, consideration must be given to the need to promote uniformity of the law with respect to its subject matter among states that enact it.

§10-118. Relation to Electronic Signatures in Global and National Commerce Act

This Act modifies, limits or supersedes the federal Electronic Signatures in Global and National Commerce Act, 15 United States Code, Section 7001 et seq., but does not modify, limit or supersede Section 101(c) of that Act, 15 United States Code, Section 7001(c), or authorize electronic delivery of any of the notices described in Section 103(b) of that Act, 15 United States Code, Section 7003(b).

Sec. A-108. 32 MRSA §9405, sub-§1-A, ¶F, as amended by PL 2017, c. 402, Pt. C, §86 and affected by Pt. F, §1 and amended by c. 407, Pt. A, §142, is repealed and the following enacted in its place:

F. Submits an application that contains the following, to be answered by the applicant:

This list must identify each employee by the employee's full name, full current address and addresses for the prior 5 years and the employee's date and place of birth, height, weight and color of eyes. For each employee on this list who will perform security guard functions at the site of a labor dispute or strike, the applicant shall have previously investigated the background of the employee to ensure that the employee meets all of the re-

quirements to be a security guard as contained in section 9410-A, subsection 1. If the employee meets all of the requirements to be a security guard, the applicant shall also submit a statement, signed by the applicant, stating that the applicant has conducted this background investigation and that the employee meets the requirements contained in section 9410-A, subsection 1; and

(7) A photograph of the applicant taken within 6 months of the date the applicant affixes the applicant's signature to the application; and

Sec. A-109. 36 MRSA §4641-D, sub-§6, as amended by PL 2017, c. 402, Pt. C, §107 and Pt. E, §6 and affected by Pt. F, §1, is repealed and the following enacted in its place:

6. Deed of distribution. Any deed of distribution made pursuant to Title 18-C; and

Sec. A-110. Maine Revised Statutes headnote amended; revision clause. In the Maine Revised Statutes, Title 18-C, Article 5, in the article headnote, the words "uniform guardianship and protective proceedings" are amended to read "Maine uniform guardianship, conservatorship and protective proceedings" and the Revisor of Statutes shall implement this revision when updating, publishing or republishing the statutes.

Sec. A-111. Study and recommendations by Family Law Advisory Commission. The Family Law Advisory Commission shall study and provide recommendations on the following matters related to the Maine Uniform Probate Code: petitions for termination of parental rights in the context of adoption; competing adoption petitions; and rights of contact between a minor and the former guardian when the guardianship is terminated. The Family Law Advisory Commission shall review relevant decisions of the Maine Supreme Judicial Court and the United States Supreme Court, as well as relevant court cases and legislative action in other jurisdictions, and work with stakeholders to explore policy options and develop recommendations. The Family Law Advisory Commission shall submit a report, including specific recommendations for amendments to the Maine Uniform Probate Code and other family law statutes, to the Joint Standing Committee on Judiciary by December 1, 2019.

CHAPTER 429
S.P. 204 - L.D. 642

**An Act Regarding
Kindergarten Readiness for
Children Who Are Deaf and
Hard of Hearing**

Be it enacted by the People of the State of Maine as follows:

Sec. 1. 20-A MRSA §7204, sub-§6, as amended by PL 2015, c. 448, §11, is further amended to read:

6. Technical assistance. May, on the request of a school administrative unit, provide technical assistance in the formulation of a plan or subsequent report required of all administrative units. Assistance may not be designed to transfer the responsibility for or actual development of the plan or report; ~~and~~

Sec. 2. 20-A MRSA §7204, sub-§7, as enacted by PL 2015, c. 448, §12, is amended to read:

7. Out-of-state placement of a state ward. May, when a child with a disability who is a state ward is placed in an out-of-state residential treatment center by the Department of Health and Human Services, designate the Department of Education as having responsibility for oversight of the child's individualized education program to ensure that the child receives a free, appropriate public education; ~~and~~

Sec. 3. 20-A MRSA §7204, sub-§8 is enacted to read:

8. Report on language and literacy development of children who are deaf and hard of hearing from birth to 5 years of age. Beginning July 31, 2020 and annually thereafter, shall submit a report to the joint standing committee of the Legislature having jurisdiction over education and cultural affairs of:

A. The data reported in compliance with the state performance plan required by the federal Individuals with Disabilities Education Act that are specific to language and literacy development of children who are deaf or hard of hearing from birth to 5 years of age, including children who are deaf or hard of hearing and have other disabilities, that demonstrate language and literacy development of children who are deaf or hard of hearing relative to the children's peers who are not deaf or hard of hearing; and

B. Any language developmental milestones or parent resources used or disseminated by the department to parents, educators, early interventionists or therapists for use in tracking or assessing

the expressive and receptive language acquisition of children from birth to 5 years of age who are deaf and hard of hearing and their development stages toward literacy in American Sign Language or English, or both.

The commissioner shall post the report on the department's publicly accessible website.

Sec. 4. Departmental task force established. The Commissioner of Education shall establish a departmental task force to recommend language developmental milestones for children, from birth to 5 years of age, based on existing resources and current standards and to develop a parent resource portfolio as described in subsection 5 to monitor and track the expressive and receptive language acquisition of children who are deaf and hard of hearing and their developmental stages toward literacy in American Sign Language or English, or both. The task force must be convened no later than November 1, 2019.

1. The commissioner shall appoint members of the task force in accordance with the following provisions.

A. The task force must include:

- (1) A majority of members who are deaf or hard of hearing;
- (2) Members who are advocates and professionals within the field of education for children who are deaf and hard of hearing and parents of children who are deaf and hard of hearing; and
- (3) A balance between members who personally, professionally or as parents use both American Sign Language and English and members who personally, professionally or as parents use only spoken English.

B. The task force may include:

- (1) A parent of a child who is deaf or hard of hearing and who communicates using only spoken English without visual supplements;
- (2) A parent of a child who is deaf or hard of hearing and who communicates using American Sign Language;
- (3) A parent of a child who is deaf or hard of hearing and who communicates using American Sign Language and spoken English;
- (4) A parent of a child who is deaf or hard of hearing and who has additional special needs;
- (5) A credentialed teacher of students who are deaf and hard of hearing and who use both American Sign Language and English;

(6) A credentialed teacher of students who are deaf and hard of hearing who use only spoken English;

(7) A credentialed teacher of students who are deaf and hard of hearing whose expertise is in curriculum development and instruction in American Sign Language;

(8) A credentialed teacher of students who are deaf and hard of hearing whose expertise is in curriculum development and instruction in English;

(9) A credentialed teacher of students who are deaf and hard of hearing whose expertise is in American Sign Language and English language assessment;

(10) A credentialed spoken language therapist whose expertise is in spoken English assessments;

(11) An expert who researches language outcomes for children who are deaf and hard of hearing;

(12) An advocate for the teaching and use of both American Sign Language and English;

(13) An advocate for the teaching and use of spoken English, with or without visual supplements;

(14) An early intervention specialist who oversees statewide programming for infants and toddlers who are deaf and hard of hearing;

(15) A pediatrician who is committed to the health and well-being of children who are deaf and hard of hearing;

(16) A specialist whose expertise is in the resources, curriculum and teaching of children who are blind and who are also deaf or hard of hearing;

(17) A licensed audiologist who specializes in pediatric and educational audiology;

(18) A licensed clinical social worker who specializes in working with children who are deaf or hard of hearing;

(19) A representative from the Child Development Services System, established under the Maine Revised Statutes, Title 20-A, section 7209; and

(20) A representative from the Maine Newborn Hearing Program established by Title 22, section 8821 within the Department of Health and Human Services who is responsible for referring children who are deaf and hard of hearing to early intervention services.

C. Members are not entitled to compensation.

2. The Department of Education shall provide to the task force the following information:

A. A list of language developmental milestones based on current standardized norms that are aligned to the department's infant, toddler and preschool guidelines;

B. Information held by the department relating to language developmental milestones;

C. The instrument currently used by the Department of Education to assess the development of children with disabilities pursuant to federal law; and

D. The state standards in English language arts education as provided under the Maine Revised Statutes, Title 20-A, section 6209.

3. By September 1, 2020, the task force shall recommend to the Department of Education language developmental milestones based on current standardized norms and aligned with the state instrument used to meet the requirements of federal law for the assessment of children who are deaf or hard of hearing from birth to 5 years of age for purposes of developing a parent resource portfolio as described in subsection 5 for use by parents to monitor and track their children's expressive and receptive language acquisition and developmental stages toward literacy in American Sign Language or English, or both. In selecting language developmental milestones, the task force shall solicit input from experts in the field of education for the deaf and hard of hearing. The Department of Education shall post the recommendations on its publicly accessible website and shall solicit public comments.

4. By September 30, 2020, the Department of Education shall select the language developmental milestones to include in the parent resource portfolio and inform the task force of which language developmental milestones have been selected.

5. By December 1, 2020, the task force shall, in consultation with any governmental entities that oversee the education of children who are deaf or hard of hearing from birth to 5 years of age, develop a parent resource portfolio. The parent resource portfolio may:

A. Include the language developmental milestones selected pursuant to subsection 4;

B. Be appropriate for use, in both content and administration, with children who are deaf and hard of hearing from birth to 5 years of age who use American Sign Language or English, or both;

C. Present the developmental milestones in terms of typical development of all children;

D. Be written for clarity and ease of use for parents to monitor and track their children's expressive and receptive language acquisition and de-

velopmental stages toward literacy in American Sign Language or English, or both;

E. Be aligned to the department's existing infant, toddler and preschool guidelines, the existing instrument used to assess the development of children with disabilities pursuant to federal law and state standards in English language arts;

F. Make clear that parents have the right to select American Sign Language, English, or both, and the modalities for language provision, including but not limited to cued speech, lipreading, listening and tactile communication, for the child's language acquisition and developmental milestones;

G. Make clear that the parent resource portfolio is not a formal assessment of language and literacy development and that a parent's observation of that parent's child may differ from formal assessment data presented at an individual family service plan meeting or individual education program meeting;

H. Make clear that a parent may bring the parent resource portfolio to an individual family service plan meeting or individual education program meeting for purposes of sharing that parent's observations about that parent's child's development; and

I. Include balanced and comprehensive information about languages and communication modes as well as available services and programs.

6. The task force may advise the department on the content and administration of instruments used to assess the development of children with disabilities pursuant to federal law as used to assess the language and literacy development of children who are deaf and hard of hearing to ensure appropriate use of those instruments and may make recommendations regarding future research to improve the measurement of progress in language and literacy of children who are deaf and hard of hearing.

Sec. 5. Department of Education's selection of tools and assessments for educators, early interventionists and therapists. The Department of Education shall select tools and assessments for educators, early interventionists and therapists that can be used to assess the language and literacy development of children who are deaf and hard of hearing and that, in addition to the assessment required by federal law, can be used by the children's individual family service plans or individual education program teams, as applicable, to track the progress of these children and to establish and modify individual family service plans or individual education programs. These tools and assessments must:

1. Be in a format that shows stages of language development;

2. Be currently used by educators to track the development of expressive and receptive language acquisition of children who are deaf and hard of hearing and their developmental stages toward literacy in American Sign Language or English, or both;

3. Be drawn from existing instruments or assessments currently used to assess the development of all children from birth to 5 years of age; and

4. Be appropriate, both in content and administration, for use with children who are deaf and hard of hearing.

The selection of tools and assessments for educators, early interventionists and therapists may also reflect the recommendations of the task force made pursuant to section 4, subsection 6.

Sec. 6. Report. The Department of Education shall submit an interim report no later than March 1, 2020 and a final report no later than January 1, 2021 of its findings and recommendations for presentation to the joint standing committee of the Legislature having jurisdiction over education and cultural affairs. The report may include suggested legislation and must include:

1. The parent resource portfolio developed by the departmental task force under section 4, and a procedure to disseminate the parent resource portfolio to parents and guardians of children who are deaf and hard of hearing;

2. A procedure to disseminate to local educational agencies educator tools and assessments selected by the department according to section 5 for use in the development and modification of individual family service plans and individual education programs and materials and training in their use in assisting children who are deaf and hard of hearing to become linguistically prepared for kindergarten using American Sign Language or English, or both; and

3. A procedure to require, if a child who is deaf or hard of hearing does not demonstrate progress in expressive and receptive language skills, as measured by one of the educator tools or assessments selected by the department according to section 5 or by the instrument used to assess the development of children with disabilities pursuant to federal law, the child's individual family service plan or individual education program team to provide a detailed explanation of why the child is not meeting the language developmental milestones or progressing toward them and to recommend specific strategies, services and programs that should be provided to the child to assist in the child's success toward literacy in American Sign Language or English, or both, including the possibility that a child may be monolingual in American Sign Language or English.

The joint standing committee of the Legislature having jurisdiction over education and cultural affairs may report out a bill to the First Regular Session of the 130th Legislature to implement the findings and recommendations included in the report.

Sec. 7. Appropriations and allocations. The following appropriations and allocations are made.

An Act To Establish a Student Loan Bill of Rights To License and Regulate Student Loan Servicers

Be it enacted by the People of the State of Maine as follows:

Sec. 1. 9-A MRSA §1-202, sub-§7, as amended by PL 2005, c. 55, §1, is further amended to read:

7. A Except as provided by Article 14, a loan or consumer credit sale made exclusively for the purpose of deferring or financing educational expenses and on which the finance charge does not exceed that rate per year on the unpaid balances of the amount financed, as established by federal law, or, for loans or consumer credit sales for which federal law does not establish a rate, the highest rate established for educational loans under any federal program and which is insured, guaranteed, subsidized or made directly by the Federal Government, a state, a nonprofit private loan guaranty or organization, by the educational institution itself or through an endowment or trust fund affiliated with such an institution;

Sec. 2. 9-A MRSA art. 14 is enacted to read:

ARTICLE 14

STUDENT LOAN BILL OF RIGHTS

§14-101. Short title

This Article may be known and cited as "the Student Loan Bill of Rights."

§14-102. Applicability

This Article applies to a person who acts as a student loan servicer in this State, except that this Article does not apply to a supervised financial organization or a financial institution holding company as defined in Title 9-B, section 1011, subsection 1, to a mutual holding company as defined in Title 9-B, section 1052, subsection 2 or to a wholly owned subsidiary of a supervised financial organization, financial institution holding company or mutual holding company.

§14-103. Definitions

As used in this Article, unless the context otherwise indicates, the following terms have the following meanings.

1. Servicing. "Servicing" means:

A. Receiving any scheduled periodic payments from a student loan borrower or notification of such payments and applying the payments to the student loan borrower's account pursuant to the terms of a student education loan or to the terms

of the contract governing the servicing of the student education loan;

B. During a period when a payment is not required on a student education loan, maintaining account records for a student education loan and communicating with a student loan borrower regarding the loan on behalf of the loan's holder; or

C. Interactions with a student loan borrower, including activities to help prevent default on obligations arising from student education loans, conducted to facilitate any of the activities described in paragraph A or B.

2. Student education loan. "Student education loan" means a loan that is extended to a student loan borrower expressly for postsecondary education expenses or other school-related expenses and does not include open-ended credit or any loan that is secured by real property.

3. Student loan borrower. "Student loan borrower" means:

A. A resident of this State who has received or agreed to pay a student education loan; or

B. A person who shares legal responsibility with a resident under paragraph A for repaying the student education loan.

4. Student loan servicer. "Student loan servicer" means a person, wherever located, responsible for the servicing of a student education loan to a student loan borrower. "Student loan servicer" does not include a supervised financial organization or a financial institution holding company as defined in Title 9-B, section 1011, subsection 1, a mutual holding company as defined in Title 9-B, section 1052, subsection 2 or a wholly owned subsidiary of a supervised financial organization, financial institution holding company or mutual holding company.

5. Superintendent. "Superintendent" means the Superintendent of Consumer Credit Protection within the Department of Professional and Financial Regulation.

§14-104. Student loan ombudsman

The superintendent shall, using licensing and investigation fees collected pursuant to section 14-107, support, maintain and designate a student loan ombudsman within the Department of Professional and Financial Regulation, Bureau of Consumer Credit Protection to provide timely assistance to student loan borrowers.

The student loan ombudsman, in consultation with the superintendent, shall:

1. Complaints. Receive, review and attempt to resolve complaints between:

A. Student loan borrowers; and

B. Student loan servicers or any other participants in student education loan lending, including, but not limited to, originators servicing their own student education loans. The ombudsman may collaborate with institutions of higher education to attempt to resolve complaints;

2. Data. Compile and analyze data on student loan borrower complaints as described in subsection 1 and as resolved pursuant to section 14-106;

3. Assistance. Assist student loan borrowers to understand their rights and responsibilities under the terms of student education loans;

4. Information. Provide information to the public, agencies, Legislators and others regarding the problems and concerns of student loan borrowers and make recommendations for resolving those problems and concerns;

5. Laws, regulations and policies. Analyze and monitor the development and implementation of federal, state and local laws, ordinances, regulations, rules and policies relating to student loan borrowers and recommend any necessary changes;

6. Student loan history. Review, as authorized and appropriate, the complete student education loan history for a student loan borrower who provides written consent for such a review;

7. Outreach. Provide sufficient outreach and disseminate information concerning the availability of the student loan ombudsman to assist student loan borrowers and potential student loan borrowers, public institutions of higher education, student loan servicers and any other participants in student education loan lending with any student education loan servicing concerns;

8. Assistance with complaints. Seek the assistance of an exempt organization in the resolution of a student loan borrower complaint as described in subsection 1 involving that exempt organization. The exempt organization shall cooperate with the student loan ombudsman as required by section 14-106. For purposes of this subsection, "exempt organization" means the Finance Authority of Maine and financial institutions exempt from this Article pursuant to section 14-107, subsection 1; and

9. Other actions. Take any other actions necessary to fulfill the duties of the student loan ombudsman as set forth in this Article.

§14-105. Annual report

The superintendent shall submit a report by January 1st of each year to the joint standing committees of the Legislature having jurisdiction over education and cultural affairs and insurance and financial services matters. The report must include:

1. Implementation. A description of actions taken with respect to the implementation of this Article;

2. Effectiveness. An assessment of the overall effectiveness of the student loan ombudsman, including information, in the aggregate, regarding student loan borrower complaints investigated with the assistance of an organization that is exempt from this Article pursuant to section 14-107, subsection 1;

3. Funding. An accounting of the funding for the program, including the license, examination and investigation fees collected pursuant to this Article, and whether those funds are adequate for or are in excess of the costs of carrying out the duties of this Article; and

4. Additional steps. Recommendations regarding additional steps for the Department of Professional and Financial Regulation to gain regulatory control over licensing and enforcement with respect to student loan servicers.

5. Additional steps. Recommendations regarding additional steps for the Department of Professional and Financial Regulation to gain regulatory control over licensing and enforcement with respect to student loan servicers.

§14-106. Assistance by exempt organization; report

An exempt organization that is requested by the student loan ombudsman to provide assistance pursuant to section 14-104, subsection 8 shall provide, in a timely manner, the information requested by the ombudsman necessary to investigate and resolve a student loan borrower complaint, including the steps taken by the exempt organization to resolve the complaint, or, on its own, shall resolve, in a timely manner, the complaint and provide the ombudsman with documentation regarding the resolution. Annually, an exempt organization that is involved in the resolution of a complaint pursuant to this section shall report to the ombudsman the number of complaints received and the number of complaints resolved by the exempt organization. For purposes of this section, "exempt organization" means the Finance Authority of Maine and financial institutions exempt from this Article pursuant to section 14-107, subsection 1.

§14-107. Licensing of student loan servicers

A person may not act as a student loan servicer, directly or indirectly, without first obtaining a license from the superintendent pursuant to this section, unless that person is exempt from licensure pursuant to subsection 1.

1. Exempt. The following persons are exempt from student loan servicer licensing requirements:

A. A licensed bank or credit union, a wholly owned subsidiary of such a bank or credit union and an operating subsidiary of such a bank or credit union as long as each owner of the operating subsidiary is wholly owned by that bank or credit union;

B. A supervised financial organization or a Maine financial institution holding company as defined in Title 9-B, section 1011, subsection 2; a Maine financial institution as defined in Title 9-B, section 1011, subsection 6; a mutual holding company as defined in Title 9-B, section 1052, subsection 2 whose home state, as defined in Title 9-B, section 131, subsection 20-A, is Maine; or a wholly owned subsidiary of a supervised financial organization, Maine financial institution holding company, Maine financial institution or mutual holding company; and

C. The Finance Authority of Maine.

2. Application. A person seeking to act within this State as a student loan servicer shall make a written application to the superintendent for an initial license in such form as the superintendent prescribes. The application must be accompanied by:

A. Financial statements and references of all applicants for a license as the superintendent considers necessary;

B. Information regarding the history of criminal convictions of the following:

- (1) The applicant;
- (2) Partners, if the applicant is a partnership;
- (3) Members, if the applicant is a limited liability company or association; and
- (4) Officers, directors and principal employees, if the applicant is a corporation.

The information submitted pursuant to this paragraph must be sufficient, as determined by the superintendent, to make the findings under subsection 3;

C. A nonrefundable license fee of \$1,000; and

D. A nonrefundable investigation fee of \$800.

The superintendent may require or allow applications to be made electronically through the nationwide mortgage licensing system and registry, as defined in section 13-102, subsection 8. An applicant using that system shall pay any required processing fees.

3. Investigation of applicant. Upon the filing of an application for an initial license and the payment of the fees for licensing and investigation pursuant to subsection 2, the superintendent shall investigate the financial condition and responsibility, financial and business experience, character and general fitness of

the applicant. The superintendent, in accordance with Title 25, section 1706, may conduct state and national criminal history record checks of the applicant and of each partner, member, officer, director and principal employee of the applicant. The superintendent may issue a license if the superintendent finds that:

A. The applicant's financial condition is sound;

B. The applicant's business will be conducted honestly, fairly, equitably, carefully and efficiently within the purposes and intent of this Article and in a manner commanding the confidence and trust of the community;

C. If the applicant is:

(1) An individual, the individual is in all respects properly qualified and of good character;

(2) A partnership, each partner is in all respects properly qualified and of good character;

(3) A corporation, the president, chair of the executive committee, senior officer responsible for the corporation's business and chief financial officer or any other person who performs similar functions as determined by the superintendent, each director, each trustee and each shareholder owning 10% or more of each class of the securities of the corporation is in all respects properly qualified and of good character; or

(4) A limited liability company or association, each member is in all respects properly qualified and of good character;

D. No person on behalf of the applicant knowingly has made an incorrect statement of a material fact in the application or in any report or statement made pursuant to this Article; and

E. The applicant has met any other requirements as determined by the superintendent.

4. License expiration. A license issued pursuant to this Article expires at the close of business on September 30th of the odd-numbered year following its issuance, unless renewed or earlier surrendered, suspended or revoked pursuant to this Article. No later than 15 days after a licensee ceases to engage in the business of student education loan servicing in this State for any reason, including a business decision to terminate operations in this State, license revocation, bankruptcy or voluntary dissolution, the licensee shall provide written notice of surrender to the superintendent and shall surrender to the superintendent its license for each location in which the licensee has ceased to engage in such business. The written notice of surrender must identify the location where the records of the licensee will be stored and the name, ad-

dress and telephone number of an individual authorized to provide access to the records. The surrender of a license does not reduce or eliminate the licensee's civil or criminal liability arising from acts or omissions occurring prior to the surrender of the license, including any administrative actions undertaken by the superintendent to revoke or suspend a license, assess a civil penalty, order restitution or exercise any other authority provided to the superintendent. If the superintendent permits or requires licensing through the nationwide mortgage licensing system and registry pursuant to subsection 2, the superintendent may amend the license term and license expiration date to comply with the parameters of the system. License and investigation fees must be apportioned so the average of such fees does not increase on an annualized basis.

5. License renewal. A license issued pursuant to this Article may be renewed for the ensuing 24-month period upon the filing of an application containing all required documents and fees as provided in this section. A renewal application must be filed on or before September 1st of the year in which the license expires. A renewal application filed with the superintendent after September 1st that is accompanied by a \$100 late fee is deemed to be timely and sufficient. If an application for a renewal license has been filed with the superintendent on or before the date the license expires, the license sought to be renewed continues in effect until the issuance by the superintendent of the renewal license applied for or until the superintendent has notified the licensee in writing of the superintendent's refusal to issue the renewal license together with the grounds upon which the refusal is based. The superintendent may refuse to issue a renewal license on any ground on which the superintendent might refuse to issue an initial license.

6. Dishonored check. If a check filed with the superintendent to pay a license, investigation or renewal fee under this section is dishonored, the superintendent shall automatically suspend the license or the renewal license that has been issued but is not yet effective. The superintendent shall give the licensee notice of the automatic suspension pending proceedings for revocation or refusal to renew and an opportunity for a hearing on such actions in accordance with Article 6.

7. Update application information. An applicant or licensee under this Article shall notify the superintendent, in writing, of any change in the information provided in its initial application for a license or its most recent renewal application for a license, as applicable, not later than 10 business days after the occurrence of the event that results in the change.

8. Incomplete application. The superintendent may consider an application for a license under this Article abandoned if the applicant fails to respond to

any request for information required under this Article or any rules adopted pursuant to this Article, as long as the superintendent notifies the applicant, in writing, that the application will be considered abandoned if the applicant fails to submit the information within 60 days after the date on which the request for information was made. An application filing fee paid prior to the date an application is abandoned pursuant to this subsection may not be refunded. Abandonment of an application pursuant to this subsection does not preclude the applicant from submitting a new application for a license under this Article.

9. Automatic licensure. The superintendent shall issue automatically a limited, irrevocable license to a person servicing a student loan under contract with the United States Department of Education as follows.

A. A person seeking to act within this State as a student loan servicer is exempt from the procedures described in subsection 2, except for subsection 2, paragraphs C and D, upon a determination by the superintendent that student loan servicing performed in this State is solely conducted pursuant to a contract or contracts awarded by the United States Secretary of Education under 20 United States Code, Section 1087f. The procedure to document eligibility for such an exemption must be prescribed by the superintendent.

B. The superintendent shall issue automatically a license to a person determined exempt by the superintendent pursuant to paragraph A; that person is deemed to have met all of the requirements of subsection 3.

C. A person issued a license pursuant to this subsection is exempt from subsections 4 to 8.

D. A person issued a license pursuant to this subsection shall provide the superintendent with written notice within 7 days following the notification of the expiration, revocation or termination of any contract awarded by the United States Secretary of Education under 20 United States Code, Section 1087f; that person has 30 days to satisfy the requirements of this Article in order to continue to act as a student loan servicer within this State. Upon the expiration of the 30-day period, if the person seeking to act as a student loan servicer within this State has not satisfied all requirements established under this Article, the superintendent shall immediately suspend any license issued under this subsection.

E. With respect to student loan servicing not conducted pursuant to a contract awarded by the United States Secretary of Education under 20 United States Code, Section 1087f, this subsection does not prevent the superintendent from issuing an order to temporarily or permanently prohibit or

bar a person from acting as a student loan servicer.

F. With respect to student loan servicing conducted pursuant to a contract awarded by the United States Secretary of Education under 20 United States Code, Section 1087f, this subsection does not prevent the superintendent from issuing a cease and desist order or injunction against a student loan servicer to cease activities in violation of this Article or the Maine Unfair Trade Practices Act.

10. Branch office license; change of license notification. A licensee under this Article may not act within this State as a student loan servicer under any name or at any place of business other than those named in the license. Any change of location of a place of business of a licensee requires prior written notice to the superintendent. Not more than one place of business may be maintained under the same license, but the superintendent may issue more than one license to a licensee that complies with the provisions of this Article as to each license. If a licensee desires to carry on business in more than one location, the licensee shall procure a branch office license for each additional location where the business is to be conducted. A license is not transferable or assignable.

11. Records retention; records request. A student loan servicer shall maintain adequate records of each student education loan transaction for not less than 2 years following the final payment on the student education loan or the assignment of the student education loan, whichever occurs first, or except as otherwise required by federal law, a federal student loan education agreement or a contract between the Federal Government and a licensee under this Article.

Upon request by the superintendent, a student loan servicer shall make such records available or shall send such records to the superintendent by registered or certified mail, return receipt requested, or by any express delivery carrier that provides a dated delivery receipt, not later than 5 business days after requested by the superintendent to do so. The superintendent may grant a licensee additional time to make such records available or to send the records to the superintendent.

12. License suspension and revocation; refusal to renew. The superintendent may suspend, revoke or refuse to renew a license issued pursuant to this section or take any other action in accordance with Article 6 if the superintendent finds one of the following:

A. The licensee has violated any provision of this Article or any rule or order lawfully adopted or made pursuant to and within the authority of this Article; or

B. Any fact or condition exists that, if it had existed at the time of the original application for the

license, clearly would have warranted a denial of the license.

An abatement of the license fee may not be made if the license is surrendered, revoked or suspended.

§14-108. Student loan servicers

1. Definition. As used in this section, "nonconforming payment" means a payment on a student education loan of a student loan borrower that is different than the required payment.

2. Requirements. Except as otherwise provided in federal law, a federal student education loan agreement or a contract between the Federal Government and a student loan servicer, a student loan servicer shall comply with the requirements of this subsection.

A. Upon receipt of a written inquiry from a student loan borrower or the representative of a student loan borrower, a student loan servicer shall respond by:

(1) Acknowledging receipt of the written inquiry within 10 days; and

(2) Providing, within 30 days after receiving the inquiry, information relating to the inquiry and, if applicable, the action the student loan servicer will take to correct the student loan borrower's account or an explanation of the student loan servicer's position that the borrower's account is correct.

B. A student loan servicer shall inquire of a student loan borrower how to apply an overpayment or prepayment to a student loan. A student loan borrower's direction on how to apply an overpayment or prepayment to a student loan must stay in effect for any future overpayments or prepayments during the term of a student loan until the borrower provides different directions. For purposes of this paragraph, "overpayment" or "prepayment" means a payment on a student loan in excess of the monthly amount due from a borrower on a student loan.

C. A student loan servicer shall apply a partial payment or underpayment in a manner that minimizes late fees and negative credit reporting. When loans on a student loan borrower's account have an equal stage of delinquency, a student loan servicer shall apply a partial payment or underpayment to satisfy as many individual loan payments as possible on a borrower's account. For purposes of this paragraph, "partial payment" or "underpayment" means a payment on a student loan account that contains multiple individual loans in an amount less than the amount necessary to satisfy the outstanding payment due on all loans in the student loan account.

D. In the event of the sale, assignment or other transfer of the servicing of a student education loan that results in a change in the identity of the person to whom a student loan borrower is required to send payments or direct any communication concerning the student education loan:

(1) As a condition of the sale, assignment or transfer, the student loan servicer shall require the new student loan servicer to honor all benefits originally represented as available to the student loan borrower during the repayment of the student education loan and preserve the availability of such benefits, including any benefits for which the student loan borrower has not yet qualified;

(2) Within 45 days after the sale, assignment or transfer, the student loan servicer shall transfer to the new student loan servicer all information regarding the student loan borrower, the account of the student loan borrower and the student education loan of the student loan borrower, including the repayment status of the student loan borrower and any benefits associated with the student education loan of the student loan borrower; and

(3) The sale, assignment or transfer of the servicing of the student education loan must be completed at least 7 days before the next payment on the loan is due.

E. A student loan servicer that obtains the right to service a student education loan shall adopt policies and procedures to verify that the student loan servicer has received all information regarding the student loan borrower, the account of the student loan borrower and the student education loan of the student loan borrower, including, but not limited to, the repayment status of the student loan borrower and any benefits associated with the student education loan of the student loan borrower.

F. A student loan servicer shall evaluate a student loan borrower for a repayment program based on income prior to placing the borrower in forbearance or default, if a repayment program based on income is available to the borrower.

3. Prohibited acts. A student loan servicer may not:

A. Directly or indirectly employ a scheme, device or artifice to defraud or mislead student loan borrowers;

B. Engage in an unfair or deceptive practice toward any person or misrepresent or omit any material information in connection with the servicing of a student education loan, including, but not limited to, misrepresenting the amount, nature or terms of any fee or payment due or claimed to be

due on a student education loan, the terms and conditions of the loan agreement or the borrower's obligations under the loan;

C. Obtain property by fraud or misrepresentation;

D. Misapply student education loan payments to the outstanding balance of a student education loan;

E. Provide inaccurate information to a credit bureau, thereby harming the determination of a student loan borrower's creditworthiness;

F. Fail to report both the favorable and unfavorable payment history of a student loan borrower to a nationally recognized consumer credit bureau at least annually if the student loan servicer regularly reports information to such a credit bureau;

G. Refuse to communicate with an authorized representative of a student loan borrower who provides a written authorization signed by the student loan borrower, except that the student loan servicer may adopt procedures reasonably related to verifying that the representative is in fact authorized to act on behalf of the student loan borrower;

H. Make any false statement or omit a material fact in connection with information or reports filed with a governmental agency or in connection with an investigation conducted by the superintendent or another governmental agency;

I. Fail to respond within 15 days to communication from the student loan ombudsman, or within a shorter reasonable time as the student loan ombudsman may request in the communication; or

J. Fail to respond within 15 days to a student loan borrower complaint submitted to the servicer by the student loan ombudsman. If necessary, a student loan servicer may request additional time, up to 45 days, as long as the request is accompanied by an explanation of why additional time is reasonable and necessary.

4. Penalties. A violation of this section is an unfair trade practice under the Maine Unfair Trade Practices Act and is subject to the enforcement and penalty provisions contained in that Act.

A. A student loan servicer that fails to comply with any requirement imposed under this section with respect to a student loan borrower is liable in an amount equal to the sum of:

(1) Any actual damages sustained by the borrower as result of the failure;

(2) A monetary award equal to 3 times the total amount the student loan servicer collected from the borrower;

(3) Punitive damages as the court may allow; and

(4) In the case of any successful action by the borrower to enforce the liability set out in this subsection, the costs of the action, together with reasonable attorney's fees as determined by the court.

B. The remedies provided in this subsection are not intended to be the exclusive remedies available to a student loan borrower, nor must the borrower exhaust any administrative remedies provided under this subsection or any other applicable law before proceeding under this subsection.

§14-109. Superintendent powers and duties

1. Investigations and examinations. The superintendent has the authority to conduct investigations and examinations as follows.

A. For purposes of initial licensing, license renewal, license suspension, license revocation or termination or general or specific inquiry or investigation to determine compliance with this Article, the superintendent may access, receive and use any books, accounts, records, files, documents, information or evidence belonging to a licensee or person under examination, including, but not limited to, criminal, civil and administrative history information; personal history and experience information, including independent credit reports obtained from a consumer reporting agency described in Section 603(p) of the federal Fair Credit Reporting Act, 15 United States Code, Section 1681a; and any other documents, information or evidence the superintendent considers relevant to the inquiry or investigation regardless of the location, possession, control or custody of such documents, information or evidence.

B. For the purposes of investigating violations or complaints arising under this Article or for the purposes of examination, the superintendent may review, investigate or examine any licensee or person subject to this Article as often as necessary in order to carry out the purposes of this Article. The superintendent may direct, subpoena or order the attendance of and examine under oath any person whose testimony may be required about the student education loan or the business or subject matter of any such examination or investigation and may direct, subpoena or order the person to produce books, accounts, records, files and any other documents the superintendent considers relevant to the inquiry.

C. In making an examination or investigation authorized by this section, the superintendent may control access to any documents and records of the licensee or person under examination or investigation. The superintendent may take possession

of the documents and records or place a person in exclusive charge of the documents and records in the place where they are usually kept. During the period of control, a person may not remove or attempt to remove any of the documents and records except pursuant to a court order or with the consent of the superintendent. Unless the superintendent has reasonable grounds to believe the documents or records of the licensee or person have been, or are at risk of being, altered or destroyed for purposes of concealing a violation of this Article, the licensee or owner of the documents and records may have access to the documents or records as necessary to conduct its ordinary business affairs.

D. In order to carry out the purposes of this section, the superintendent may:

(1) Retain attorneys, accountants or other professionals and specialists as examiners, auditors or investigators to conduct or assist in the conduct of examinations or investigations;

(2) Enter into agreements or relationships with other government officials or regulatory associations in order to improve efficiencies and reduce regulatory burden by sharing resources, standardized or uniform methods or procedures and documents, records, information or evidence obtained under this section;

(3) Use, hire, contract for or employ public or privately available analytical systems, methods or software to examine or investigate the licensee or person subject to this Article;

(4) Accept and rely on examination or investigation reports made by other government officials, within or without this State; and

(5) Accept audit reports made by an independent certified public accountant for the licensee or person subject to this Article in the course of that part of the examination covering the same general subject matter as the audit and may incorporate the audit report in a report of examination, report of investigation or other writing of the superintendent.

E. A licensee or person subject to investigation or examination under this section may not knowingly withhold, abstract, remove, mutilate or destroy any books, physical records, computer records or other information relating to information regulated under this Article.

F. Whenever it appears to the superintendent that a person has violated, is violating or is about to violate a provision of this Article or a rule adopted

pursuant to this Article or that a licensee or an owner, director, officer, member, partner, shareholder, trustee, employee or agent of the licensee has committed fraud, engaged in dishonest activities or made a misrepresentation, the superintendent may take action against the person or licensee in accordance with Article 6.

G. The costs of an investigation conducted by the superintendent must be paid by the licensee or person being investigated.

H. The superintendent shall adopt rules to implement this Article. Rules adopted pursuant to this paragraph are routine technical rules as defined in Title 5, chapter 375, subchapter 2-A.

§14-110. Compliance with federal law

A student loan servicer shall comply with all applicable federal laws and regulations relating to student education loan servicing, including, but not limited to, the federal Truth in Lending Act, 15 United States Code, Sections 1601 to 1667f (2010), as amended, and the regulations adopted pursuant to that Act. In addition to any other remedies provided by law, a violation of that Act or regulations adopted pursuant to that Act is a violation of this section and a basis upon which the superintendent may take enforcement action pursuant to this Article.

§14-111. Funding

The superintendent shall internally track any license, examination and investigation fees collected pursuant to this Article and any funds received from any public or private source. The superintendent shall use these funds to cover the costs of carrying out the duties of this Article, and funds received may not be used for any other purpose.

Sec. 3. Appropriations and allocations.

CHAPTER 432

H.P. 760 - L.D. 1030

**An Act To Amend the Laws
Governing the Substance Use
Disorder Services Commission**

Be it enacted by the People of the State of Maine as follows:

Sec. 1. 5 MRSA §20065, as amended by PL 2017, c. 407, Pt. A, §§41 to 43, is further amended to read:

§20065. Membership

1. Members; appointment. The Substance Use Disorder Services Commission, as established by section 12004-G, subsection 13-C, consists of ~~24~~ 18 members.

2. Qualifications. To be qualified to serve, members must have education, training, experience, knowledge, expertise and interest in substance use disorder in the areas of intervention, prevention, treatment and training recovery. ~~Members must reflect experiential diversity and concern for substance use disorder prevention and treatment in the State. Members must have an unselfish and dedicated personal interest demonstrated by active participation in substance use disorder programs such as prevention, treatment, rehabilitation, training or research in substance use disorder from across the State and must have demonstrated active participation in issues related to substance use disorder.~~

3. Members; representation. The commission consists of the following members:

A. ~~One member~~ Two members of the Senate, appointed by the President of the Senate, and ~~5~~ 2 members of the Legislature ~~who may be members of either the Senate or the House of Representatives, appointed by the President of the Senate if Senators or the Speaker of the House if members of the House of Representatives and 2 of these 5 at large members of the Legislature.~~ Of the 2 members of the House of Representatives, one must be a member of the joint standing committee of the Legislature having jurisdiction over health and human services matters and one must be a member of the joint standing committee of the Legislature having jurisdiction over criminal justice and public safety matters;

B. One physician or health care provider experienced in the treatment of substance use disorder, appointed by the Governor;

C. One public school ~~superintendent~~ administrator who has experience with school-based substance use disorder intervention, prevention and education programs, appointed by the Governor;

D. One elementary school educator, appointed by the Governor;

E. One representative from nominations by a statewide ~~alliance for addiction~~ community-based recovery coalition, appointed by the Governor;

F. One ~~attorney~~ representative from the criminal justice system who represents ~~clients~~ or is involved with the substance use disorder criminal justice system, appointed by the Governor;

G. One educator involved in postsecondary substance use disorder intervention, prevention, treatment and recovery education, appointed by the Governor;

H. One substance use disorder intervention practitioner, one substance use disorder prevention practitioner, one substance use disorder education treatment practitioner and one substance use disorder treatment recovery practitioner, appointed by the Governor;

I. One private sector employer familiar with ~~substance use disorder~~ employee assistance programs, appointed by the Governor; and

J. ~~Five~~ Three members of the public, appointed by the Governor. In appointing these ~~5~~ 3 members, the Governor shall select members ~~from outstanding people in the following areas who are actively involved in the areas of:~~

- ~~(1) Substance use disorder prevention;~~
- ~~(2) Substance use disorder treatment;~~
- ~~(3) Education;~~
- ~~(4) Employers; and~~
- ~~(5) Persons in recovery from substance use disorder for a minimum of 3 years.~~
- (6) Co-occurring disorder services;
- (7) Employment; and
- (8) Substance use disorder recovery.

4. Term; vacancies. Terms of appointment begin and expire on June 1st. A vacancy in the commission does not affect the commission's powers, but must be filled in ~~the same manner as the original appointment~~ accordance with this subsection.

A member appointed to fill a vacancy occurring before the expiration of the term for which the member's pre-

decessor was appointed may be appointed only for the remainder of that term.

A. The terms of the ~~5~~ 3 public members appointed under subsection 3, paragraph J are ~~staggered. Of the initial appointees under that paragraph, 2 are appointed for terms of 3 years, 2 for terms of 2 years and one for a term of one year. Thereafter, all appointments are~~ for terms of 3 years, except that a member appointed to fill a vacancy in an unexpired term serves only for the remainder of that term. Members hold office until the appointment and confirmation of their successors. A public member may not be appointed for more than 2 consecutive, 3-year terms.

B. Members who are members of the Legislature and appointed by the President of the Senate or the Speaker of the House of Representatives serve at the pleasure of the appointing authority.

5. Reappointment; termination. Members may be appointed for 2 consecutive terms only and may serve after the expiration of their terms until their successors have been appointed and qualified and have taken office. The appointing authority may terminate the appointment of a member for good and just cause and the appointing authority shall communicate the reason for the termination to the member terminated. The appointment of a member of the commission is terminated if a member is absent from 3 consecutive meetings without a good and just cause that is communicated to the chair of the commission.

6. Officers. The Governor shall designate one member to chair the commission. The commission may elect other officers from its members as it considers appropriate.

7. Subcommittees. The commission may appoint from its membership subcommittees relating to particular problem areas or other matters, provided that the commission functions as an integrated committee.

8. Administrative and financial assistance. The department shall provide the commission administrative or financial assistance that is available from department resources.

Sec. 2. 5 MRS §20067, sub-§§3 and 4, as amended by PL 2017, c. 407, Pt. A, §44, are further amended to read:

3. Serve as advocate; review and evaluate; inform the public. The commission shall serve as an advocate and resource for the State on substance use disorder intervention, prevention, promoting and assisting activities designed to meet the problems of substance use disorder at the national and state levels treatment and recovery. The commission shall promote and assess activities designed to meet and remediate challenges of substance use disorder in the State.

With the support of the department, the commission shall review and evaluate on a continuing basis state and federal policies and programs relating to substance use disorder ~~and other activities conducted or assisted by state departments or agencies that affect persons with substance use disorder or who use drugs.~~ In cooperation with the department, the commission shall keep the public informed by collecting and disseminating information, by conducting or commissioning studies and publishing the results of those studies, by issuing publications and reports and by providing public forums, including conferences and workshops. The commission, based on its activities pursuant to this subsection, shall make recommendations relating to substance use disorder to the department and the Governor.

4. Report to the Legislature. The commission shall report annually to the joint standing committee of the Legislature having jurisdiction over health and human services matters and the joint standing committee of the Legislature having jurisdiction over appropriations and financial affairs on or before the last business day of each year. The report must include developments and needs related to substance use disorder intervention, prevention, and significant policy matters relating to substance use disorder treatment and recovery in the State.

Sec. 3. Transition. Notwithstanding the Maine Revised Statutes, Title 5, section 20065, subsection 3, paragraph J, public members of the Substance Use Disorder Services Commission serving on the effective date of this Act may continue to serve for the remainder of the terms for which they were appointed. When the term of a public member expires, that member's successor is appointed in accordance with this Act.

Sec. 4. Appropriations and allocations. The following appropriations and allocations are made.

CHAPTER 433
H.P. 774 - L.D. 1044

An Act To Advance Children's
Cancer Research in Maine

Be it enacted by the People of the State of
Maine as follows:

Sec. 1. 22 MRSA §1409 is enacted to read:

§1409. Maine Children's Cancer Research Fund

1. Fund established. The Maine Children's Cancer Research Fund, referred to in this section as "the fund," is established as a nonlapsing fund to support children's cancer research by individuals and organizations determined to be eligible according to rules adopted by the department under subsection 3. Money in the fund must be expended as allocated by the Legislature for the purposes of the fund and may be invested as provided by law. Interest on investments must be credited to the fund.

2. Use of fund. Amounts available in the fund must be used to provide grants and other funding to support children's cancer research provided by research facilities in this State that operate children's cancer programs.

3. Administration. The department shall administer the fund and shall adopt rules as necessary to administer the fund and to determine the criteria for eligible recipients. When providing grants and other funding under subsection 2, the department shall consider the number of patients served by programs receiving support. Rules adopted pursuant to this section are routine technical rules as defined in Title 5, chapter 375, subchapter 2-A.

4. Income tax checkoff funding. Revenue collected from the income tax checkoff pursuant to Title 36, section 5292 must be credited to the fund.

5. Other funds. The fund may receive money from any source, including grants, gifts, bequests and donations.

Sec. 2. 36 MRSA §5283-A, sub-§1, as repealed and replaced by PL 2017, c. 475, Pt. A, §62, is amended to read:

1. Minimum threshold for total contributions. The State Tax Assessor may not include on an individual income tax return form a designation for a taxpayer to make a contribution through a checkoff under section 5284, 5284-A, 5285, 5288-A, 5289 or 5291 or 5292 unless on returns filed in the prior calendar year the total contributions to the organization or fund to which the contributions are credited under the applicable section are at least:

- A. For calendar year 2012, \$10,000;
- B. For calendar year 2013, \$13,000;

- C. For calendar year 2014, \$16,000;
- D. For calendar year 2015, \$19,000;
- E. For calendar year 2016, \$22,000; and
- F. For calendar years beginning on or after January 1, 2017, \$25,000.

This subsection does not apply to a contribution checkoff that has been on the individual income tax form for less than one year.

Sec. 3. 36 MRSA §5292 is enacted to read:

§5292. Maine Children's Cancer Research Fund; voluntary checkoff

1. Maine Children's Cancer Research Fund. When filing a return, a taxpayer entitled to a refund under this Part may designate that a portion of that refund be paid into the Maine Children's Cancer Research Fund established in Title 22, section 1409. A taxpayer who is not entitled to a refund under this Part may contribute to the Maine Children's Cancer Research Fund by including with that taxpayer's return sufficient funds to make the contribution. The contribution may not be less than \$5. Each individual income tax return form must contain a designation in substantially the following form: "Maine Children's Cancer Research Fund: () \$5, () \$10, () \$25 or () Other \$..."

2. Contributions credited to Maine Children's Cancer Research Fund. The State Tax Assessor shall determine annually the total amount contributed pursuant to subsection 1. Prior to the beginning of the next year, the State Tax Assessor shall deduct the cost of administering the Maine Children's Cancer Research Fund checkoff and report the remainder to the Treasurer of State, who shall forward that amount to the Maine Children's Cancer Research Fund.

Sec. 4. Application. This Act applies to tax years beginning on or after January 1, 2020.

Sec. 5. Appropriations and allocations. The following appropriations and allocations are made.

CHAPTER 435

H.P. 879 - L.D. 1219

An Act To Establish an Independent Panel To Review the Use of Deadly Force by Law Enforcement Officers

Be it enacted by the People of the State of Maine as follows:

Sec. 1. 5 MRSA §200-K is enacted to read:

§200-K. Deadly Force Review Panel

There is created, within the Office of the Attorney General, the Deadly Force Review Panel, referred to in this section as "the panel." The panel must, to the extent practicable, include members that reflect the diversity of Maine's racial, gender, indigenous and tribal demographics.

1. Composition. The panel is composed of 15 members as follows:

- A. The Commissioner of Public Safety, ex officio;
- B. The director of investigations for the Office of the Attorney General, ex officio;
- C. The Director of the Maine Criminal Justice Academy, ex officio;
- D. The Chief Medical Examiner, ex officio;
- E. An attorney who represents plaintiffs in actions under 42 United States Code, Section 1983 appointed by the Attorney General;
- F. A municipal police chief appointed by the Attorney General;
- G. A county sheriff appointed by the Attorney General;
- H. A mental health professional appointed by the Attorney General;
- I. A representative of a statewide collective bargaining organization for law enforcement employees appointed by the Attorney General;
- J. A representative of a statewide civil rights organization whose primary mission is related to racial justice appointed by the Attorney General;

K. An attorney who represents defendants in actions under 42 United States Code, Section 1983 appointed by the Attorney General;

L. A criminal prosecutor appointed by the Attorney General; and

M. Three citizens, each of whom is not and has never been a sworn law enforcement officer, appointed by the Attorney General.

2. Designees; terms of office. An ex officio member of the panel may appoint a designee to represent the ex officio member on the panel for one or more meetings. A designee, once appointed, qualifies as a full voting member of the panel and may hold office and enjoy all the other rights and privileges of full membership on the panel. The appointed members of the panel serve for a term of 3 years. Any vacancy on the panel must be filled in the same manner as the original appointment for the unexpired term.

3. Meetings; officers. The Attorney General shall call the first meeting before January 1, 2020. The panel shall organize initially and annually thereafter by electing a chair and a vice-chair from among its members. The vice-chair shall also serve as secretary. The panel shall meet at such time or times as may be reasonably necessary to carry out its duties, but it shall meet at least once in each calendar quarter at such place and time as the panel determines and it shall meet at the call of the chair.

4. Powers and duties. The panel shall examine deaths or serious injuries resulting from the use of deadly force by a law enforcement officer after the Attorney General has completed the investigation of the use of deadly force under section 200-A. The purpose of such examinations is to identify whether there was compliance with accepted and best practices under the particular circumstances and whether the practices were sufficient for the particular circumstances or whether the practices require adjustment or improvement. The panel shall recommend methods of improving standards, including changes to statutes, rules, training, policies and procedures designed to ensure incorporation of best practices that demonstrate increased public safety and officer safety.

5. Access to information and records. In any case subject to review by the panel, unless prohibited by federal law and notwithstanding any provision of law to the contrary, upon oral or written request of the panel, any person who possesses information or records that are necessary and relevant to a panel review shall as soon as practicable provide the panel with the information and records. Persons disclosing or providing information or records upon request of the panel are not criminally or civilly liable for disclosing or providing information or records in compliance with this subsection. The panel in its discretion may consult with content experts or other professionals and

discuss necessary information or records within the scope of such consultations.

6. Confidentiality. The proceedings of the panel are not public proceedings and the records of the panel are confidential and are not subject to subpoena, discovery or introduction into evidence in a civil or criminal action. The Legislature may inspect and review records covered by this subsection under conditions that protect the information from further disclosure. The Office of the Attorney General shall disclose conclusions of the panel but may not disclose information, records or data that are otherwise classified as confidential.

7. Incident examination and annual reports. Within 30 days of the conclusion of the examination of the use of deadly force by a law enforcement officer under subsection 4, the panel shall submit a report on the panel's activities, conclusions and recommendations with regard to the incident to the joint standing committee of the Legislature having jurisdiction over judiciary matters. The panel shall submit a report by January 30, 2021, and annually thereafter, that summarizes the panel's meetings and the incidents of the use of deadly force by law enforcement officers that resulted in deaths or serious injuries that the panel examined in the preceding year.

Sec. 2. 5 MRSA §12004-I, sub-§74-J is enacted to read:

CHAPTER 436

H.P. 880 - L.D. 1220

An Act To Remove Certain Restrictions Imposed on Retired State Employees Who Return to Work

Be it enacted by the People of the State of Maine as follows:

Sec. 1. 5 MRSA §17859, as amended by PL 2015, c. 321, §1, is further amended to read:

§17859. Retiring and returning to work

1. Restoration to service. Any state employee or teacher who has reached normal retirement age and who retires after September 1, 2011 may be restored to service for up to 5 years. The decision to hire a retired state employee or retired teacher under this section is

at the discretion of the appointing authority. The retired state employee or retired teacher must have had a bona fide termination of employment in accordance with state and federal laws and rules, may not return to employment after retirement with the same employer for at least 30 calendar days after the termination of employment and may not return to employment before the effective date of the person's retirement.

1-A. Restoration to work as classroom-based employees or administrators. ~~Effective August 1, 2014, a classroom based employee who has reached normal retirement age and who retires after September 1, 2014~~ Any retired state employee, retired teacher or retired school administrator may be restored to service as a classroom-based employee or school administrator in a school in the unorganized territory or with a school administrative unit as defined in Title 20-A, section 1, subsection 26:

~~A. In one-year contracts, which may be nonconsecutive. The maximum time that a classroom-based employee may be restored to service with an individual school administrative unit pursuant to this paragraph is 5 years;~~

~~B. Subject to the 5 year restriction specified in subsection 1 and the 75% compensation limitation for retired state employees and retired teachers specified in subsection 2, paragraph A; or~~

~~C. In any combination of paragraphs A and B, as long as the total time the classroom based employee is restored to service does not exceed 10 years with an individual school administrative unit.~~

The retired classroom-based employee must have had a bona fide termination of employment in accordance with state and federal laws and rules, may not return to employment after retirement with the same employer for at least 30 calendar days after the termination of employment and may not return to employment before the effective date of the person's retirement.

For purposes of this section, "classroom-based employee" means a teacher whose principal function is to introduce new learning to students in the classroom or to provide support in the classroom during the introduction of new learning to students.

~~**2. Compensation and benefits.** The compensation and benefits of the retired state employee or retired teacher who returns to service after retirement as set out in subsection 1 is governed by this subsection.~~

~~A. The compensation of the retired state employee or retired teacher who returns to service must be set at 75% of the compensation established for the position to be filled, at a step determined by the appointing authority. The compensation of the retired classroom based employee who returns to service as a classroom based employee pursuant~~

~~to subsection 1-A, paragraph A must be set at 100% of the compensation established for the position to be filled, at a step determined by the school administrative unit, for up to the maximum 5-year period that a classroom-based employee may contract with an individual school administrative unit.~~

~~B. The retired state employee or retired teacher who returns to service under this section is not a member and therefore may not accrue additional creditable service or change the retired state employee's or retired teacher's earnable compensation for benefit calculation purposes.~~

~~C. During the period of reemployment, the retired state employee or retired teacher is not entitled to health insurance, dental insurance or life insurance benefits. The retired state employee or retired teacher is entitled to all other benefits for the reemployment position under collective bargaining agreements or civil service laws and rules. Health insurance benefits must be provided under the provisions of section 285, subsection 1-A for retired state employees or Title 20-A, section 13451 for retired teachers and life insurance benefits must be provided under the provisions of section 18055.~~

2-A. Compensation. The compensation rate of the retired state employee, retired teacher or retired school administrator returning to service under subsection 1 or 1-A is the same as is required for the position as if the position were filled by an employee who is not a retired state employee, retired teacher or retired school administrator. The compensation rate is determined on the basis of the position under any applicable collective bargaining agreement or determined through normal salary negotiations when the position is not part of a collective bargaining unit.

2-B. Benefits. The benefits of the retired state employee, retired teacher or retired school administrator who returns to service after retirement as set out in subsection 1 or 1-A are governed by this subsection.

A. During the period of reemployment, a retired teacher or retired school administrator continues to receive any retirement benefits that the teacher or administrator is entitled to under Title 20-A, section 13451.

B. During the period of reemployment, a retired state employee continues to receive any retirement benefits that the employee is entitled to under sections 285 and 18055.

C. During the period of reemployment, a retired state employee, retired teacher or retired school administrator who is not receiving any retirement benefits as described in paragraphs A and B is eligible for such benefits as per the local collective bargaining agreement or established through nor-

mal negotiations if the position is not part of a collective bargaining unit.

D. During the period of reemployment, a retiree as described in paragraphs A and B may receive additional compensation toward such benefits in an amount not to exceed that of the local collective bargaining agreement if applicable.

~~**3.—Contributions to the Maine Public Employees Retirement System and state group health plan.** The portion of the employer contribution that goes to pay the retirement system for the unfunded liability and the state group health plan for retiree health care must be continued and based on the retired state employee's or retired teacher's compensation as provided under subsection 2 during the reemployment period.~~

3-A. Contributions to the Maine Public Employees Retirement System. For a reemployed retired state employee, retired teacher or retired school administrator, the portion of the employer contribution that goes to pay the retirement system for the unfunded liability must be continued at the same contribution rate of the employer as described in section 17253 as is required for the position as if the position were filled by an employee who is not a retired state employee, retired teacher or retired school administrator. A retired state employee, retired teacher or retired school administrator who returns to service under this section is not a member and therefore may not accrue additional creditable service during the reemployment period or change the retired state employee's, retired teacher's or retired school administrator's earnable compensation for benefit calculation purposes.

3-B. Contributions to the state group health plan. For a reemployed retired state employee, retired teacher or retired school administrator, the portion of the employer and employee contribution that goes to pay the state group health plan for health care must be continued at the same contribution rate of the employer and employee as is required for the position as if the position were filled by an employee who is not a retired state employee, retired teacher or retired school administrator.

4. Notification requirements. Employers under this section are required to identify and report to the retirement system, in the manner specified by the retirement system, each individual who is a retiree who becomes an employee of the employer under the an option provided in this section. Departments shall also report each retiree who becomes an employee to the Bureau of the Budget in a manner specified by the bureau. The employer shall report each such employee whenever and so long as the employee is the employer's employee.

~~**5.—Exclusion.** A retired state employee or retired teacher who is hired as a substitute teacher is not subject to the restoration to service 5-year limitation in~~

~~subsection 1 or the compensation limitation in subsection 2, paragraph A.~~

H.P. 891 - L.D. 1230

An Act To Update the Civil Animal Welfare Laws

Be it enacted by the People of the State of Maine as follows:

Sec. 1. 7 MRSA §3922, sub-§4, as amended by PL 2007, c. 664, §11, is further amended to read:

4. Service dogs. If a service dog has not been previously registered or licensed by the municipal clerk to whom the application is being made, the clerk may not register the dog nor issue to its owner or keeper a license ~~and tag that identifies the dog as a service dog~~ unless the applicant presents written evidence to the municipal clerk that the dog meets the definition of "service dog." For the purpose of this subsection, "written evidence" means a service dog certification form approved by the department in consultation with the Maine Human Rights Commission.

Sec. 2. 7 MRSA §3947, first ¶, as amended by PL 2017, c. 404, §9, is further amended to read:

Each municipality shall appoint one or more animal control officers whose duties are enforcement of sections 3911, 3912, 3916, 3921, 3924, 3948, 3950, 3950-A, 3952-A ~~and~~ 4041 ~~and~~ 4042 and Title 17, section 1023, responding to reports of animals suspected of having rabies in accordance with Title 22, sections 1313 and 1313-A and any other duties to control animals as the municipality may require. A municipality may appoint an employee of an animal shelter as an animal control officer as long as the person meets the qualifications and training requirements of this section.

Sec. 3. 7 MRSA §§3950-B and 3950-C are enacted to read:

§3950-B. Euthanasia for severely sick or severely injured livestock

1. Written authorization. A humane agent, animal control officer or animal shelter may authorize in writing the euthanasia of severely sick or severely injured livestock under the following conditions:

A. The clerk or animal control officer of the municipality in which the livestock was found has been notified of the livestock's presence and a reasonable attempt to contact the owner of the livestock has been made; and

B. A veterinarian states in writing that given reasonable time and reasonable care the livestock's recovery from the livestock's sickness or injury is doubtful.

2. Immediate euthanasia. Notwithstanding subsection 1, paragraphs A and B, a veterinarian may authorize immediate euthanasia if, in the veterinarian's judgment, there is no possibility of recovery for severely sick or severely injured livestock.

§3950-C. Immunity from civil liability

A municipality, veterinarian, humane agent, animal control officer or animal shelter is not civilly liable to any party for authorization made in accordance with section 3950-B nor is any person performing euthanasia under that authorization civilly liable.

Sec. 4. 7 MRSA §4011, sub-§1, ¶D, as amended by PL 1997, c. 456, §4, is further amended to read:

D. Injures, overworks, tortures, torments, abandons or cruelly beats or intentionally mutilates an animal; gives drugs, including but not limited to, a scheduled drug as defined in Title 17-A, section 1101, subsection 11, to an animal with an intent to harm or intoxicate the animal; gives poison or alcohol to an animal; or exposes a poison with intent that it be taken by an animal. The owner or occupant of property is privileged to use reasonable force to eject a trespassing animal;

Sec. 5. 7 MRSA §4016, sub-§1, ¶A, as enacted by PL 2001, c. 425, §4, is amended to read:

A. The court shall adjudge a civil fine of not less than \$500 nor more than ~~\$2,500~~ \$5,000 for the first violation, none of which may be suspended, and a civil fine of not less than \$1,000 nor more than ~~\$5,000~~ \$10,000 for a 2nd or subsequent violation of section 4011, none of which may be suspended.

Sec. 6. 7 MRSA §4042 is enacted to read:

§4042. Stray livestock

1. Ownership of livestock unknown. If the ownership of any stray livestock cannot be established, the livestock must be handled as a stray and an animal control officer shall seize, impound or restrain the livestock and:

A. Deliver the livestock to an animal shelter, farm or holding facility that is capable of safely containing the number, type and size of the livestock; or

B. Arrange for the safe confinement of the livestock at a location designated by the municipality in which the livestock was found.

2. Municipal procedure for stray livestock. A municipality shall retain custody of stray livestock

under subsection 1 for a period of 10 days. The municipality is responsible for ensuring the proper care of the livestock while confined, including providing proper sustenance, shelter and necessary medical care. If ownership of the stray livestock is not claimed by any person, after 10 days, ownership of the livestock vests with the municipality or an animal shelter designated by the municipality, and the municipality or designated animal shelter may sell, adopt, give away or humanely euthanize the stray livestock. A municipality may reimburse a farm, holding facility or animal shelter for the care and housing of stray livestock pursuant to this section at the same rates as in section 3919-C. For purposes of this section, "municipality" includes a county under Title 30-A, section 7501 if the stray livestock has been found in the unorganized territory of that county.

For purposes of this section, "livestock" does not include feral swine or domesticated cervids.

Sec. 7. 33 MRSA §1052 is repealed.

Sec. 8. 33 MRSA §1053, as amended by PL 1995, c. 227, §2, is further amended to read:

§1053. Appraisal if value \$10 or more

Every A finder of lost goods or stray beasts of the value of \$10 or more shall, within 2 months after finding and before using them the lost goods to their the disadvantage of the owner, procure a warrant from the town clerk or a notary public, directed to 2 persons appointed by said the clerk or notary, not interested except as inhabitants of the town, returnable at said the clerk's office within 7 days from its the date of the warrant, to appraise said the goods under oath.

Sec. 9. 33 MRSA §1054, as amended by PL 1995, c. 227, §3, is further amended to read:

§1054. Restitution to appearing owner; money or goods

If the owner of such lost money or goods appears within 6 months, and if the owner of such stray beasts appears within 2 months after said notice to the town clerk under section 1051 is made by the finder and gives reasonable evidence of ownership to the finder, the owner shall must have restitution of them or the value of the lost money or goods, paying all necessary charges and reasonable compensation to the finder for keeping, to be adjudged by the district court; if the owner and finder cannot agree.

Sec. 10. 33 MRSA §1055 is repealed.

Sec. 11. 33 MRSA §1057 is repealed.

Sec. 12. 33 MRSA §1058 is amended to read:

§1058. Failure to give notice; penalty

If the finder of lost money or goods of the value of \$3 or more or if the person taking up such stray beast neglects to give notice to the town clerk and to

cause them the lost money or goods to be advertised as provided under section 1051, he the finder forfeits to the owner the full value thereof of the lost money or goods unless he the finder delivers or accounts therefor for the lost money or goods to the owner, in which case he shall the finder must forfeit not more than \$20, 1/2 to the town and 1/2 to the prosecutor.

Sec. 13. 33 MRSA §§1059 and 1060 are repealed.

Sec. 14. Maine Revised Statutes headnote amended; revision clause. In the Maine Revised Statutes, Title 33, chapter 21, in the chapter headnote, the words "lost goods and stray beasts" are amended to read "lost goods" and the Revisor of Statutes shall implement this revision when updating, publishing or republishing the statutes.

**CHAPTER 441
H.P. 1064 - L.D. 1452**

**An Act Regarding the
Collection of the Sales and Use
Tax by Marketplace
Facilitators**

Be it enacted by the People of the State of Maine as follows:

Sec. 1. 36 MRSA §1752, sub-§6-E, 6-F and 6-G are enacted to read:

6-E. Marketplace. "Marketplace" means a physical or electronic location, including, but not limited to, a store, a booth, an Internet website, a catalog or a dedicated sales software application, where tangible personal property or taxable services are offered for sale, regardless of whether the marketplace, marketplace facilitator, marketplace seller or tangible personal property is physically present in this State.

6-F. Marketplace facilitator. "Marketplace facilitator" means any person that facilitates a retail sale by providing a marketplace that lists, advertises, stores, or processes orders for tangible personal property or taxable services for sale by marketplace sellers and directly, or indirectly through one or more agents, contractors or affiliated persons, does any of the following:

- A. Transmits or otherwise communicates an offer by the marketplace seller or an acceptance between the customer and marketplace seller;
- B. Collects payment from the customer and transmits that payment to the marketplace seller; or
- C. Engages in any of the following activities with respect to the marketplace seller's products or taxable services:
 - (1) Fulfillment or storage services;
 - (2) Customer service; or
 - (3) Accepting or assisting with returns or exchanges.

For the purposes of this subsection, "affiliated person" means a person that, with respect to another person, has a direct or indirect ownership interest of more than 5% in the other person or is related to the other person because a 3rd person, or group of 3rd persons who are affiliated persons, holds a direct or indirect ownership interest of more than 5% in the related person.

A marketplace facilitator does not include a public utility as defined in Title 35-A, section 102.

6-G. Marketplace seller. "Marketplace seller" means any person that makes retail sales through a marketplace operated by a marketplace facilitator.

Sec. 2. 36 MRSA §1754-B, sub-§1, as amended by PL 2017, c. 375, Pt. A, §§4 and 5, is repealed.

Sec. 3. 36 MRSA §1754-B, sub-§1-A, as amended by PL 2013, c. 546, §10, is further amended to read:

1-A. Persons presumptively required to register. This subsection defines the basis for and obligations associated with the rebuttable presumption created by this subsection that a seller not registered under subsection ~~1-B~~ is engaged in the business of selling tangible personal property or taxable services for use in this State and is required to register as a retailer with the assessor.

A. As used in this subsection, unless the context otherwise indicates, the following terms have the following meanings.

(1) "Affiliated person" means a person that is a member of the same controlled group of corporations as the seller or any other entity that, notwithstanding its form of organization, bears the same ownership relationship to the seller as a corporation that is a member of the same controlled group of corporations. For purposes of this subparagraph, "controlled group of corporations" has the same meaning as in the Code, Section 1563(a).

(2) "Person" means an individual or entity that qualifies as a person under the Code, Section 7701(a)(1).

(3) "Seller" means a person that sells, other than in a casual sale, tangible personal property or taxable services.

B. A seller is presumed to be engaged in the business of selling tangible personal property or taxable services for use in this State if an affiliated person has a substantial physical presence in this State or if any person, other than a person acting in its capacity as a common carrier, that has a substantial physical presence in this State:

(1) Sells a similar line of products as the seller and does so under a business name that is the same as or similar to that of the seller;

(2) Maintains an office, distribution facility, warehouse or storage place or similar place of business in the State to facilitate the delivery of property or services sold by the seller to the seller's customers;

(3) Uses trademarks, service marks or trade names in the State that are the same as or substantially similar to those used by the seller;

(4) Delivers, installs, assembles or performs maintenance services for the seller's customers within the State;

(5) Facilitates the seller's delivery of property to customers in the State by allowing the seller's customers to pick up property sold by the seller at an office, distribution facility, warehouse, storage place or similar place of business maintained by the person in the State; or

(6) Conducts any activities in the State that are significantly associated with the seller's ability to establish and maintain a market in the State for the seller's sales.

A seller who meets the requirements of this paragraph shall register with the assessor and collect and remit taxes in accordance with the provisions of this Part. A seller may rebut the presumption created in this paragraph by demonstrating that the person's activities in the State are not significantly associated with the seller's ability to establish or maintain a market in this State for the seller's sales.

C. A seller that does not otherwise meet the requirements of paragraph B is presumed to be engaged in the business of selling tangible personal property or taxable services for use in this State if the seller enters into an agreement with a person under which the person, for a commission or other consideration, while within this State:

(1) Directly or indirectly refers potential customers, whether by a link on an Internet website, by telemarketing, by an in-person presentation or otherwise, to the seller; and

(2) The cumulative gross receipts from retail sales by the seller to customers in the State who are referred to the seller by all persons with this type of an agreement with the seller are in excess of \$10,000 during the preceding 12 months.

A seller who meets the requirements of this paragraph shall register with the assessor and collect and remit taxes in accordance with the provisions of this Part.

A seller may rebut the presumption created in this paragraph by submitting proof that the person with whom the seller has an agreement did not engage in any activity within the State that was significantly associated with the seller's ability to establish or maintain the seller's market in the State during the preceding 12 months. Such proof may consist of sworn, written statements from all of the persons within this State with whom the seller has an agreement stating that they did not engage in any solicitation in the State on behalf of

the seller during the preceding 12 months; these statements must be provided and obtained in good faith.

A person who enters into an agreement with a seller under this paragraph to refer customers by a link on an Internet website is not required to register or collect taxes under this Part solely because of the existence of the agreement.

Sec. 4. 36 MRSA §1754-B, sub-§§1-B and 1-C are enacted to read:

1-B. Persons required to register. Except as otherwise provided in this section and section 1951-C, the following persons, other than casual sellers, shall register with the assessor and collect and remit taxes in accordance with the provisions of this Part:

A. Every person that has a substantial physical presence in this State and that makes sales of tangible personal property or taxable services in this State, including, but not limited to:

(1) Every person that makes sales of tangible personal property or taxable services, whether or not at retail, that maintains in this State any office, manufacturing facility, distribution facility, warehouse or storage facility, sales or sample room or other place of business;

(2) Every person that makes sales of tangible personal property or taxable services that does not maintain a place of business in this State but makes retail sales in this State or solicits orders, by means of one or more salespeople within this State, for retail sales within this State; and

(3) Every lessor engaged in the leasing of tangible personal property located in this State that does not maintain a place of business in this State but makes retail sales to purchasers from this State;

B. Every person that makes sales of tangible personal property or taxable services for delivery into this State if:

(1) The person's gross sales from delivery of tangible personal property or taxable services into this State in the previous calendar year or current calendar year exceeds \$100,000; or

(2) The person sold tangible personal property or taxable services for delivery into this State in at least 200 separate transactions in the previous calendar year or the current calendar year;

C. Every person that has a substantial physical presence in this State and that makes retail sales in this State of tangible personal property or taxable services on behalf of a principal that is outside of

this State if the principal is not the holder of a valid registration certificate;

D. Every agent, representative, salesperson, solicitor or distributor that has a substantial physical presence in this State and that receives compensation by reason of sales of tangible personal property or taxable services made outside this State by a principal for use, storage or other consumption in this State;

E. Every person that manages or operates in the regular course of business or on a casual basis a hotel, rooming house or tourist or trailer camp in this State or that collects or receives rents on behalf of a hotel, rooming house or tourist or trailer camp in this State;

F. Every person that operates a transient rental platform and reserves, arranges for, offers, furnishes or collects or receives consideration for the rental of living quarters in this State;

G. Every room remarketer;

H. Every person that makes retail sales in this State of tangible personal property or taxable services on behalf of the owner of that property or the provider of those services;

I. Every person not otherwise required to be registered that sells tangible personal property to the State and is required to register as a condition of doing business with the State pursuant to Title 5, section 1825-B;

J. Every person that holds a wine direct shipper license under Title 28-A, section 1403-A; and

K. A marketplace facilitator if:

(1) The marketplace facilitator's gross sales from delivery of tangible personal property or taxable services into this State in the previous calendar year or current calendar year exceeds \$100,000; or

(2) The marketplace facilitator sold or facilitated sales of tangible personal property or taxable services for delivery into this State in at least 200 separate transactions in the previous calendar year or the current calendar year.

For the purposes of this paragraph, the marketplace facilitator's gross sales and total number of transactions include sales facilitated on behalf of marketplace sellers and any sales of tangible personal property or taxable services made directly by the marketplace facilitator.

1-C. Certain activities. For purposes of subsection 1-B, the following activities do not constitute substantial physical presence in this State:

A. Solicitation of business in this State through catalogs, flyers, telephone or electronic media when delivery of ordered goods is effected by the United States mail or by an interstate 3rd-party common carrier;

B. Attending trade shows, seminars or conventions in this State;

C. Holding a meeting of a corporate board of directors or shareholders or holding a company retreat or recreational event in this State;

D. Maintaining a bank account or banking relationship in this State; or

E. Using a vendor in this State for printing.

Sec. 5. 36 MRSA §1759, as amended by PL 2017, c. 375, Pt. H, §1, is further amended to read:

§1759. Bonds

Either as a condition for issuance or subsequent to the issuance of a registration certificate under section 1754-B; ~~or 1756 or 1951-B~~, the State Tax Assessor may require from a taxpayer a bond written by a surety company qualified to do business in this State, in an amount and upon conditions to be determined by the assessor. In lieu of a bond the assessor may accept a deposit of money or securities in an amount and of a kind acceptable to the assessor. The deposit must be delivered to the Treasurer of State, who shall safely keep it subject to the instructions of the assessor.

Sec. 6. 36 MRSA §1861-A, as amended by PL 2007, c. 240, Pt. W, §1 and affected by §2, is further amended to read:

§1861-A. Reporting use tax on individual income tax returns

The assessor shall provide that individuals report use tax on items with a sale price of \$5,000 or less on their Maine individual income tax returns. Taxpayers are required to attest to the amount of their use tax liability for the period of the tax return. Alternatively, they may elect to report an amount that is ~~08%~~ .04% of their Maine adjusted gross income. A taxpayer electing to satisfy a use tax liability by estimating it shall calculate the liability in accordance with the use tax table. The estimated liability is applicable only to purchases of any individual items each having a sale price no greater than \$1,000. For each taxable item with a sale price greater than \$1,000 but no more than \$5,000, the actual use tax liability for each purchase must be added to the amount of the estimated liability derived from the use tax table. Upon subsequent review, if use tax liability for the period of the return exceeds the amount of use tax paid with the return, a credit of that amount paid relative to the item or items being supplementarily assessed is allowed. Use tax on any item with a sale price of more than \$5,000 must be reported in accordance with section 1951-A.

Sec. 7. 36 MRSA §1951-B, as enacted by PL 2017, c. 245, §1 and affected by §2, is repealed.

Sec. 8. 36 MRSA §1951-C is enacted to read:

§1951-C. Collection of tax by marketplace facilitators and marketplace sellers

This section governs the collection, reporting and remittance of sales and use tax by marketplace facilitators and marketplace sellers.

1. Responsibilities of marketplace facilitator. A marketplace facilitator is considered a retailer for each sale of tangible personal property or taxable services for delivery in this State that the marketplace facilitator facilitates on or through its marketplace.

2. Written statement between marketplace facilitators and marketplace sellers. A marketplace facilitator shall provide to a marketplace seller that sells tangible personal property or taxable services through the marketplace operated by the marketplace facilitator a written statement in which the marketplace facilitator explicitly provides that the marketplace facilitator will collect and remit the taxes imposed pursuant to this Part on all taxable sales the marketplace facilitator facilitates for the marketplace seller.

3. Responsibilities of marketplace seller. For sales facilitated by a marketplace facilitator, when the marketplace seller has received a written statement from the marketplace facilitator that satisfies the requirements of subsection 2:

A. The marketplace seller shall exclude sales under this section for the purposes of determining the registration requirements of the marketplace seller under section 1754-B, subsection 1-B, paragraph B;

B. A marketplace seller required to register under section 1754-B, subsection 1-B, paragraph A may not include the receipts from sales under this section in its total of taxable sales for purposes of its return filed pursuant to section 1951-A; and

C. A marketplace seller that holds a registration certificate with the State, when the marketplace seller is not required to register under section 1754-B, subsection 1-B, paragraph A, may not report sales under this section for purposes of its return filed pursuant to section 1951-A.

4. Room remarketers and transient rental platforms. Subsections 1 to 3 do not apply to the rental of living quarters by a room remarketer or through a transient rental platform.

Sec. 9. Application date. This Act applies to sales occurring on or after October 1, 2019, except that the section of this Act that amends the Maine Revised Statutes, Title 36, section 1861-A applies to tax years beginning on or after January 1, 2019.

An Act To Create a Contact Person Program in the Department of Public Safety

Be it enacted by the People of the State of Maine as follows:

Sec. 1. 25 MRSA §2917 is enacted to read:

§2917. Contact person program

1. Definitions. As used in this section, unless the context otherwise indicates, the following terms have the following meanings.

A. "Contact person program" or "program" means the program developed and operated pursuant to this section.

B. "Law enforcement officer" has the same meaning as in section 3701, subsection 3.

C. "Participating person" means a person:

(1) Who voluntarily provides to a law enforcement agency contact information for a person or persons to assist with communications; or

(2) Who has a legal guardian under Title 18-C, section 5-301 or 5-701 and for whom the legal guardian provides to a law enforcement agency contact information to assist with communications.

2. Contact person program. The Department of Public Safety shall develop and implement a contact person program to assist a law enforcement officer with communications with a participating person during an encounter between the participating person and the law enforcement officer. The program must provide the law enforcement officer with access to contact information for a person that is voluntarily submitted by a participating person or the legal guardian of a participating person. The program must interface with the State's telecommunications and radio message switching system.

3. Standards of procedure. The program must include standards of procedure for law enforcement agencies consistent with policies adopted by the Department of Public Safety. The standards must address processing the application of a participating person or that person's legal guardian, determining the validity of identity and legal guardianship information, entering contact information into the State's telecommunications and radio message switching system, procedures for a participating person or that person's legal

guardian to withdraw from the program and procedures for a law enforcement officer to access contact information.

Sec. 2. Appropriations and allocations. The following appropriations and allocations are made.

PUBLIC SAFETY, DEPARTMENT OF State Police 0291

Sec. 4. 21-A MRSA c. 5, sub-c. 8 is enacted to read:

SUBCHAPTER 8

PRESIDENTIAL PRIMARY ELECTIONS

§441. Determination and date of primary; voter eligibility

1. Determination of primary. No later than November 1st of the year prior to a presidential election year, the state committee of each party shall certify whether there is a contest among candidates for nomination as the presidential candidate. Upon receiving the certification from one or more parties, the

Secretary of State shall announce the parties that will have a presidential primary election, which must be held on the first Tuesday after the first Monday in March of the presidential election year.

2. Eligible voter. No later than December 1st of the year prior to a presidential election year, the state committee of each party shall notify the Secretary of State of the enrollment qualifications, subject to the restrictions in section 144, for voters eligible to vote in that party's presidential primary election. If no notice is received by that date, only voters enrolled in a political party may vote in that party's presidential primary election.

§442. Petitions

On or before November 1st of the year prior to a presidential election year, the Secretary of State shall prepare and make available petitions for circulation by a person desiring to be a candidate in the state presidential primary election of any party. This petition must be completed and filed no later than 5:00 p.m. on December 21st of the year prior to a presidential election year in the manner provided in sections 335 and 336.

§443. Ballot preparation

The Secretary of State shall prepare ballots for a presidential primary election. A ballot must include the name of a person who files a petition with the Secretary of State in accordance with section 442. The Secretary of State shall determine if a petition meets the requirements of sections 335, 336 and 442, subject to challenge and appeal under section 337.

Sec. 5. Appropriations and allocations. The following appropriations and allocations are made.

CHAPTER 446
S.P. 545 - L.D. 1674

**An Act To Amend the Laws
Concerning the Retired County
and Municipal Law
Enforcement Officers and
Municipal Firefighters Health
Insurance Program**

Be it enacted by the People of the State of Maine as follows:

Sec. 1. 5 MRSA §286-M, sub-§3, as enacted by PL 2005, c. 636, Pt. A, §3 and amended by PL 2007, c. 58, §3, is further amended to read:

3. Eligibility for program coverage. A person must make contributions pursuant to subsection 5, paragraph D and subsection 8 for 60 months ~~or the payment required pursuant to subsection 9~~ in order to be eligible for coverage under the program. In addition, a person must satisfy the eligibility criteria specified in this subsection as follows:

A. The person must:

- (1) Be at least 50 years of age;
- (2) Be a retired county or municipal law enforcement officer or a retired municipal firefighter;
- (3) Have, while actively employed as a county or municipal law enforcement officer or municipal firefighter, participated in the person's employer's health insurance plan or other fully-insured health insurance plan; and
- (4) Receive or be eligible to receive:
 - (a) If retired from at least 25 years of service in a position as a county or municipal law enforcement officer or a municipal firefighter, a retirement benefit from the Maine Public Employees Retirement System or a defined contribution retirement plan other than the United States Social Security Act; or
 - (b) If retired from less than 25 years of service in a position as a county or municipal law enforcement officer or a municipal firefighter, a retirement benefit from the Maine Public Employees Retirement System or a defined contribution retirement plan other than the United States Social Security Act, as long as the benefit provided is at least 50% of average final compensation, with no reduction for early retirement and with or without a cost-of-living adjustment; or

B. The person must be a dependent of a person meeting the criteria of paragraph A.

Sec. 2. 5 MRSA §286-M, sub-§§5 and 6, as enacted by PL 2005, c. 636, Pt. A, §3, are amended to read:

5. Enrollment. A county or municipal law enforcement officer, a municipal firefighter or a person retired from such a position is eligible to enroll in the program. An eligible person who fails to enroll in the program pursuant to this subsection is not otherwise eligible to enroll in the program and is not eligible for the premium subsidy provided pursuant to this section for enrollment in any other health plan. A county or municipality that employs a county or municipal law enforcement officer or municipal firefighter shall notify such an employee of the program in writing no later than 60 days following the effective date of hire of that employee. Such an employee shall choose in writing whether to enroll in the program. A copy of the form on which an employee chooses to enroll in the program or to not enroll in the program must be retained by the county or municipality. Notwithstanding the date of enrollment, insurance coverage is not effective until the date of retirement or July 1, 2007, whichever occurs later. Eligible persons may enroll themselves, their spouses and their dependents in the program during the following time periods:

A. When the effective date of hire of the eligible person is on or before November 1, 2006, the eligible person must enroll in the program before January 1, 2007, subject to the enrollment and eligibility requirements of the applicable group health plan;

B. When the effective date of hire of the eligible person is after November 1, 2006 and before October 1, 2019, the eligible person must enroll in the program no later than 60 days following the effective date of hire, subject to the enrollment and eligibility requirements of the applicable group health plan; ~~or~~

C. Notwithstanding paragraphs A and B, when the eligible person, the eligible person's spouse or the eligible person's dependent experiences an involuntary loss of other health insurance coverage carried as of January 1, 2007 or 60 days following the date of the eligible person's hire, whichever is later, the eligible person may elect to enroll in the program no later than 60 days after the effective date of the loss of that coverage, subject to the enrollment and eligibility requirements of the applicable group health plan. Involuntary loss of coverage does not include a loss of coverage arising as a result of nonpayment of premiums; or

D. When the effective date of hire of the eligible person is on or after October 1, 2019, the eligible person must enroll in the program no later than 5

years following the effective date of hire, subject to the enrollment and eligibility requirements of the applicable group health plan. If the eligible person enrolls in the program no later than 60 days following the effective date of hire, the eligible person contributes to the fund at the rate specified in subsection 8, paragraph A. If the eligible person enrolls in the program more than 60 days following the effective date of hire, the eligible person shall contribute to the fund 2% of the eligible person's gross wages since the eligible person's effective date of hire to that person's date of enrollment in the program and shall contribute to the fund at the rate specified in subsection 8, paragraph A after the eligible person's date of enrollment.

6. Premiums; subsidy. Premiums for the program and the premium subsidy are subject to the provisions of this subsection. Premium subsidies are not provided for supplemental health insurance coverage.

A. An enrollee participating in the majority multiple-employer welfare arrangement is responsible for the premium payment associated with the cost of the majority multiple-employer welfare arrangement benefit option in which the enrollee is participating, to the extent such premium obligations exist following the application of any premium subsidy authorized by law. An enrollee who fails to remit the premium payments as established and required by the majority multiple-employer welfare arrangement must be disenrolled from the program. Beginning July 1, 2007, the State shall provide a premium subsidy for enrollees in the form of a direct payment to the majority multiple-employer welfare arrangement for each enrollee. ~~The~~ Prior to July 1, 2021, the level of the subsidy must equal 45% of the individual premium cost for the enrollee and varies among enrollees depending upon the terms of the majority multiple-employer welfare arrangement coverage plan in which each enrollee is participating. Beginning July 1, 2021, the level of the subsidy must equal 55% of the individual premium cost for the enrollee and varies among enrollees depending upon the terms of the majority multiple-employer welfare arrangement coverage plan in which each enrollee is participating. Enrollees are responsible for the balance of the applicable individual premium, as well as the total cost of the premium for any applicable dependent coverage, and shall make payments directly to the majority multiple-employer welfare arrangement.

B. Enrollees retiring from counties or municipalities that do not participate in the majority multiple-employer welfare arrangement but who are eligible and elect to participate in that county's or municipality's fully insured health benefits plan are responsible for the premium payment associ-

ated with the cost of that plan, to the extent such premium obligations exist following the application of any premium subsidy authorized by law. An enrollee who fails to remit the premium payments as established and required by the fully insured plan must be disenrolled from the program. Beginning July 1, 2007, the State shall provide a premium subsidy for enrollees participating in fully insured health benefits plans pursuant to this subsection. ~~This~~ Prior to July 1, 2021, this subsidy must be made in the form of a direct payment to the enrollee's health benefits plan and must equal 45% of the individual premium cost for the enrollee or a dollar amount equivalent to the highest premium subsidy provided in accordance with paragraph A, whichever is less. Beginning July 1, 2021, this subsidy must be made in the form of a direct payment to the enrollee's health benefits plan and must equal 55% of the individual premium cost for the enrollee or a dollar amount equivalent to the highest premium subsidy provided in accordance with paragraph A, whichever is less. A retiree electing to enroll a spouse or a dependent in the program is responsible for payment of 100% of such coverage in addition to that portion of the retiree's individual premium cost not contributed by the State.

C. Enrollees retiring from counties or municipalities that do not participate in the majority multiple-employer welfare arrangement and do not provide health insurance coverage for retirees may enroll in the group health plan available to state employees and other eligible persons under section 285 and are responsible for the premium payment associated with the cost of that plan, to the extent such premium obligations exist following the application of any premium subsidy authorized by law. An enrollee who fails to remit the premium payments as established and required by the group health plan available to state employees and other eligible persons must be disenrolled from the program. The State shall provide a premium subsidy for enrollees participating in the group health plan available to state employees and other eligible persons pursuant to this paragraph. Prior to July 1, 2021, this subsidy must be made in the form of a direct payment to the group health plan available to state employees and other eligible persons and must equal 45% of the individual premium cost for the enrollee or a dollar amount equivalent to the highest premium subsidy provided in accordance with paragraph A, whichever is less. Beginning July 1, 2021, this subsidy must be made in the form of a direct payment to the group health plan available to state employees and other eligible persons and must equal 55% of the individual premium cost for the enrollee or a dollar amount equivalent to the highest premium subsidy provided in accordance with paragraph A.

whichever is less. A retiree electing to enroll a spouse or a dependent in the program is responsible for payment of 100% of such coverage in addition to that portion of the retiree's individual premium cost not contributed by the State.

D. An enrollee may participate in the group health insurance plan in which the enrollee's spouse participates if that plan is offered in this State or in another group health insurance plan that is offered in this State. An enrollee is responsible for the premium payment associated with the cost of the group health insurance plan in which the enrollee is participating, to the extent such premium obligations exist following the application of any premium subsidy authorized by law. An enrollee who fails to remit the premium payments as established and required by the group health insurance plan in which the enrollee is participating must be disenrolled from the program. The State shall provide a premium subsidy for each enrollee in the form of a direct payment to the group health insurance plan in which the enrollee is participating. Prior to July 1, 2021, the level of the premium subsidy must equal 45% of the individual premium cost for the enrollee or a dollar amount equivalent to the highest premium subsidy provided in accordance with paragraph A, whichever is less. Beginning July 1, 2021, the level of the premium subsidy must equal 55% of the individual premium cost for the enrollee or a dollar amount equivalent to the highest premium subsidy provided in accordance with paragraph A, whichever is less. Enrollees are responsible for the balance of the applicable individual premium, as well as the total cost of the premium for any applicable dependent coverage, and shall make payments directly to the group health insurance plan in which the enrollee is participating.

Sec. 3. 5 MRSA §286-M, sub-§8, ¶¶C to E are enacted to read:

C. An enrollee who is not receiving wages from a county or municipal employer on account of an absence from work due to an injury compensable under the Maine Workers' Compensation Act of 1992, a disability for which the enrollee is receiving a disability retirement benefit from the Maine Public Employees Retirement System or a leave of absence must contribute to the fund for the period of time of the absence from work based on the enrollee's gross wages immediately before the absence from work in order for the enrollee to be eligible for coverage under the program.

D. An enrollee who retires and is subsequently hired as a county or municipal law enforcement officer or municipal firefighter must contribute to the fund while employed as a county or municipal law enforcement officer or municipal firefighter in

order for the enrollee to be eligible for coverage under the program.

E. An enrollee who is not receiving wages from a county or municipal employer because the enrollee is a member of the United States Armed Forces or state military forces on active duty and deployed is not required to contribute to the fund while deployed.

Sec. 4. 5 MRSA §286-M, sub-§9, as enacted by PL 2005, c. 636, Pt. A, §3, is repealed.

Sec. 5. 5 MRSA §286-N is enacted to read:

§286-N. Retired County and Municipal Law Enforcement Officers and Municipal Firefighters Health Insurance Program Advisory Committee

1. Composition; designation. The Retired County and Municipal Law Enforcement Officers and Municipal Firefighters Health Insurance Program Advisory Committee, referred to in this section as "the advisory committee," is composed of the following 8 members:

A. Six voting members who are members of the organizations listed in subparagraphs (1) to (4), duly designated by their respective organizations as follows:

(1) One member duly designated by a statewide association of fire chiefs;

(2) One member duly designated by a statewide association of police chiefs;

(3) Two members duly designated by a statewide association of professional firefighters; and

(4) Two members duly designated by a statewide association of police; and

B. Two ex officio nonvoting members as follows:

(1) The executive director of the office of employee health and benefits within the Department of Administrative and Financial Services, Bureau of Human Resources or the executive director's designee; and

(2) The employee of the Department of Administrative and Financial Services, Bureau of Human Resources, office of employee health and benefits assigned to the program.

2. Compensation of members. The members of the advisory committee are not entitled to receive compensation for their participation in the advisory committee's activities.

3. Chair. The executive director of the office of employee health and benefits within the Department of Administrative and Financial Services, Bureau of Hu-

man Resources, or the executive director's designee, shall serve as chair.

4. Term. The terms of the members are as follows.

- A. Each member serves a term of 5 years.
- B. A member shall continue to serve after the expiration of that member's term until a qualified successor is designated. The member's continuation as a member does not change the expiration of that member's term.
- C. The term of a member designated to succeed a member whose term has expired expires 5 years after the expiration date of the term of the previous member, regardless of the effective date of the new designation. There is no limit to the number of terms to which a member may be designated.
- D. The designating authority shall designate a person to fill a vacancy caused by death, resignation or ineligibility within 60 days. This designation is for the unexpired portion of the term and must be made from a designation provided by the organization the former member represented, as provided in subsection 1. With the agreement of the member being replaced and of the designating authority, the member being replaced serves until a replacement is designated. Otherwise, a vacancy exists until a replacement is designated.
- E. A member is considered to have resigned if:
 - (1) The member severs the affiliation with the organization that designated the member in accordance with subsection 1; or
 - (2) The member is absent from 3 consecutive meetings of the advisory committee without good cause as determined by the advisory committee.

5. Transaction of business. The transaction of business by the advisory committee is governed as follows.

- A. Four voting members constitute a quorum for the transaction of any business.
- B. Each member is entitled to one vote.
- C. Affirmative votes of a simple majority of the quorum or, if greater, of the voting members present are necessary for the passage of any resolution or any other action by the advisory committee.

6. Rules. Rules authorized by section 286-M, subsection 4, paragraph C must be submitted to the advisory committee for the advisory committee's review and recommendations before those rules may be adopted.

Sec. 6. 5 MRSA §12004-I, sub-§74-J is enacted to read:

74-J.

**An Act To Facilitate Entry of
Immigrants into the Workforce**

Be it enacted by the People of the State of Maine as follows:

Sec. 1. 10 MRSA c. 110, sub-c. 13 is enacted to read:

SUBCHAPTER 13**FOREIGN CREDENTIALING AND SKILLS
RECOGNITION REVOLVING LOAN
PROGRAM****§1100-AA. Foreign Credentialing and Skills
Recognition Revolving Loan Program**

1. Definitions. As used in this section, unless the context otherwise indicates, the following terms have the following meanings.

A. "Eligible costs" means the following costs incurred by an immigrant prior to the immigrant's obtaining a work permit and incurred for the purpose of improving the immigrant's work-readiness once the immigrant obtains a work permit:

(1) Costs of translating into English any diplomas, transcripts or other documents establishing courses studied or the completion of secondary school or of higher education at either the undergraduate or graduate level;

(2) Fees related to education evaluations establishing the equivalency level of education or experience attained abroad;

(3) Costs of translation into English of documents related to professional licenses or registrations obtained abroad;

(4) Costs of translation into English of letters of reference or recommendations related to education or experience obtained abroad;

(5) Fees related to test preparation courses or registration fees for a standard test of English as a foreign language or other standardized test recognized worldwide that measures English language proficiency, when necessary for an immigrant's work;

(6) Expenses for employment or professional applications, certifications, licensing fees and related requirements for seeking employment, including but not limited to fingerprinting and required tests;

(7) Fees related to obtaining a Maine driver's license, including but not limited to driver's education course fees, learner's permit application fees and driver's license fees; and

(8) Costs to travel to the nearest location of any exam or test needed to establish the applicant's skills or credentials or English language proficiency if there is no location within 60 miles of the Maine town in which the immigrant resides.

B. "Fund" means the Foreign Credentialing and Skills Recognition Revolving Loan Program Fund, established in subsection 3.

C. "Immigrant" means a person who:

(1) Is not a United States citizen;

(2) Has filed applications or petitions with the United States Citizenship and Immigration Services or with the immigration courts of the United States Department of Justice, Executive Office for Immigration Review or with any successor federal immigration authority entitling the person to request a work permit while the person's applications or petitions are pending; and

(3) Has received education, work experience or work training, or any combination, in a foreign country.

D. "Program" means the Foreign Credentialing and Skills Recognition Revolving Loan Program, established in subsection 2.

E. "Work permit" means a federal authorization of a person who is not a United States citizen to work in the United States.

2. Program established. The Foreign Credentialing and Skills Recognition Revolving Loan Program is established to provide financial assistance to immigrants who need assistance in paying for eligible costs.

3. Fund established. The Foreign Credentialing and Skills Recognition Revolving Loan Program Fund is established as a nonlapsing revolving fund to be administered by the authority. All amounts appropriated to the program must be deposited into the fund as well as all amounts repaid to the program by persons receiving loans under the program. Amounts in the fund must be used by the authority for purposes authorized in this section.

4. Eligible applicants. To be eligible to receive assistance from the fund an immigrant:

A. Shall apply to the authority to participate in the program. The application may be filed directly by the immigrant or, at the request of and on behalf of the immigrant, by an adult education program of a school administrative unit that provides English as a second language, job skills or other instruction or assistance to improve the work readiness of the immigrant;

B. Must have filed an application or petition with federal immigration authorities that entitles the immigrant to request a work permit in any of the categories set forth in 8 Code of Federal Regulations, Section 274a.12(c)(2019). The immigrant shall provide electronic or paper evidence establishing that the application or petition was filed with federal immigration authorities and shall state which section of 8 Code of Federal Regulations, Section 274a.12(c)(2019) allows the immi-

grant to request a work permit. An immigrant is not eligible if the immigrant has been denied a work permit at the time of making the application. In the case of asylum seekers, an immigrant is eligible if the immigrant's request for asylum has been pending for fewer than 150 days since the date of its filing and the immigrant has not yet been able to apply for a work permit pursuant to 8 Code of Federal Regulations, Section 274a.12(c)(8)(2019) or, if more than 150 days have elapsed since the asylum application was filed, the immigrant has a pending application for a work permit at the time of making the application to the program; and

C. Shall submit evidence of incurring or needing to incur eligible costs.

5. Disbursement from the fund. Upon approval of an immigrant, the authority shall determine the amount to be disbursed from the fund to the immigrant. Funds must be disbursed directly to and used by the immigrant pursuant to a contract entered into between the immigrant and the authority in accordance with subsection 7. Funds must be disbursed by the authority in one lump sum in the form of an interest-free loan. An immigrant may not receive more than the maximum amount established by the authority, regardless of whether the immigrant submits one or multiple applications to the fund.

6. Treatment of loans. Amounts loaned to an individual under the program are not income for purposes of any municipal general assistance program as defined by Title 22, section 4301, subsection 7.

7. Contract. An individual who has been approved for participation in the program shall enter into a contract with the authority. The contract governs the administration of the program and the use of funds. The contract must include the following terms and conditions:

A. Agreement by the individual that the individual will use the funds only to pay for eligible costs;

B. Agreement by the individual to repay the loan in compliance with the terms and conditions established by the authority;

C. Agreement by the individual to retain copies of receipts for expenditures on eligible costs incurred and provide these to the authority upon request for auditing or reporting purposes;

D. A provision that, if the individual breaches the contract with the authority, the authority may require immediate repayment of the loan to the authority; and

E. Any other terms and conditions the authority determines appropriate.

8. Administrative costs. The authority may charge the fund reasonable administrative fees, not to exceed 5%, for its administration of the fund.

9. Financing terms and conditions. Loans under the program must conform to the following requirements.

A. A loan to any individual for eligible costs may not exceed \$700, but this limit may be adjusted upward at least biannually by the authority to reflect inflation or cost of living or other necessary adjustments;

B. Loans are not subject to interest;

C. Loans must be repaid in full by an individual within 18 months of disbursement by the authority, together with any reasonable administrative fee established by the authority not to exceed 5% of the total of the loan funds disbursed to the individual, except that:

(1) In any case of demonstrable hardship, the authority may allow extensions of time for repayment or other flexibility in repayment terms; and

(2) Repayment of a loan may not be required until at least 60 days after the recipient of the loan has obtained a work permit, except that, if the recipient of the loan has obtained a work permit but has not obtained employment, repayment may not be required until at least 30 days after the recipient has obtained employment as long as the recipient is in compliance with the provisions of Title 22, section 4316-A.

10. Rules. The authority shall adopt rules to carry out the purposes of this chapter. Rules adopted pursuant to this subsection are routine technical rules pursuant to Title 5, chapter 375, subchapter 2-A.

Sec. 2. Appropriations and allocations. The following appropriations and allocations are made.

H.P. 1223 - L.D. 1713**

**An Act To Return Funds to
Maine Property Tax Payers**

**Be it enacted by the People of the State of
Maine as follows:**

Sec. 1. 5 MRS A §1518-A, as amended by PL 2015, c. 390, §1, is further amended to read:

**§1518-A. Property Tax Relief Fund for Maine
Residents**

1. Property Tax Relief Fund for Maine Residents. There is created the Property Tax Relief Fund for Maine Residents, referred to in this section as "the fund," which must be used to provide property tax relief to residents of the State. The fund consists of all resources transferred to the fund under subsection 4 and section 1536 and other resources made available to the fund. The fund must be used to reduce the individual income tax rates to 4% pursuant to subsection 1-A provide relief payments to property tax payers pursuant to subsection 1-B and pay the costs of the Treasurer of State for administering relief payments under this section.

1-A. Implementation. ~~By September 1, 2016~~ By November 1, 2019 and annually thereafter, the State Controller shall inform the State Tax Assessor Treasurer of State of the amount available in the fund for the purposes of subsection 1.

~~A. By November 1st annually, the State Tax Assessor shall calculate the amount by which the income tax rates under Title 36, section 5111, subsections 1 F, 2 F and 3 F may be reduced during the subsequent tax year using the amount available from the fund. Bracket rate reductions must be a minimum of 0.2 percentage points in the first year in which reductions are made and a minimum of 0.1 percentage points in subsequent years. If sufficient funds are not available to pay for the minimum reduction, a rate reduction may not be made until the amount in the fund is sufficient to pay for the reduction. When the amount is sufficient to pay for the reduction, the reduction must first be applied equally to each bracket under Title 36, section 5111, subsections 1 F, 2 F and 3 F until the lower bracket reaches 4%. Funds available from the fund in subsequent years must be applied to reduce the higher bracket rates until there is a single bracket with a rate of 4%, after which future tax relief may be identified.~~

~~B. The State Tax Assessor shall provide public notice of new bracket rates calculated under this subsection by November 15th annually.~~

~~C. New bracket rates calculated under this subsection apply beginning with tax years that begin~~

~~on or after January 1st of the calendar year following the determinations made under this subsection.~~

1-B. Process. The process for providing relief payments to property tax payers is established pursuant to this subsection.

A. As used in this subsection, unless the context otherwise indicates, the following terms have the following meanings.

- (1) "Homestead" means any residential property, including cooperative property, that receives a homestead property tax exemption.
- (2) "Homestead property tax exemption" means the exemption established in Title 36, chapter 105, subchapter 4-B.
- (3) "Property tax payer" means an individual who owns a homestead.
- (4) "Relief payment" means the funds, as determined pursuant to paragraph C, provided to the owner of a homestead pursuant to paragraph D to offset property tax payments made by that owner.

B. By November 15, 2019 and annually thereafter, the Treasurer of State shall determine whether the amount available in the fund is sufficient to make a relief payment of at least \$100 to the property tax payer for each homestead in the State, to pay for the Treasurer of State's costs in administering relief payments and to make state payments to municipalities for costs related to relief payments pursuant to a mandate under the Constitution of Maine, Article IX, Section 21. If the amount available in the fund is sufficient to make a relief payment of at least \$100 to the property tax payer for each homestead in the State, to pay for the Treasurer of State's costs in administering relief payments and to make state payments to municipalities for costs related to relief payments pursuant to a mandate under the Constitution of Maine, Article IX, Section 21, the Treasurer of State shall direct the assessor for each municipality and the State Tax Assessor for the unorganized territory to report to the Treasurer of State by the following January 1st the name and address of the property tax payer for each homestead within the assessor's jurisdiction.

C. Using the data provided pursuant to paragraph B, the Treasurer of State shall determine the amount of relief payment each property tax payer is entitled to by dividing the amount of the funds available in the fund, after subtraction of the Treasurer of State's costs in administering relief payments and making state payments to municipalities for mandate costs, by the total number of homesteads in the State.

D. By March 1st in any year in which the Treasurer of State determines under paragraph C that the relief payment to each property tax payer for a homestead equals or exceeds \$100, the Treasurer of State shall make the relief payment determined under paragraph C by mail to the property tax payer at the address provided to the Treasurer of State under paragraph B or by any other effective means. Funds for the relief payments must come from the fund. The Treasurer of State shall certify annually to the State Controller the total cost of relief payments made under this section, the total costs to the Treasurer of State in administering this section and the total costs to make state payments to municipalities for costs related to relief payments pursuant to a mandate under the Constitution of Maine, Article IX, Section 21. The State Controller shall transfer those amounts from the fund to the Property Tax Relief Program, an Other Special Revenue Funds account in the Office of the Treasurer of State, to cover the cost of relief payments, the costs of the Treasurer of State in administering this section and the cost to make state payments to municipalities for costs related to relief payments pursuant to mandates under the Constitution of Maine, Article IX, Section 21.

2. Nonlapsing fund. Any unexpended balance in the Property Tax Relief Fund for Maine Residents may not lapse but must be carried forward to be used pursuant to subsection 1-A 1-B.

~~**3. Transfer for income tax reduction.** In the fiscal years immediately following the calculation of the income tax rate reduction under subsection 1-A, paragraph A, the State Tax Assessor shall certify to the State Controller the amount of the reduction in General Fund revenue by fiscal year, and the State Controller shall transfer from the fund the amount certified for the reduction in revenue attributable to adjustments made under subsection 1-A to the General Fund unappropriated surplus.~~

4. Transfer from General Fund revenue growth. Beginning with fiscal year 2013-14 and before any other transfers from the General Fund, the State Controller shall transfer to the fund at the close of each fiscal year 40% of the amount by which General Fund budgeted revenue for that fiscal year exceeds the General Fund appropriation limitation calculated for that fiscal year under section 1534.

5. Report. Beginning March 10, 2020 and annually thereafter, the Treasurer of State shall report to the joint standing committee of the Legislature having jurisdiction over taxation matters and the joint standing committee of the Legislature having jurisdiction over appropriations and financial affairs the amount of funds in the fund, the amount of the property tax relief payment calculated pursuant to subsection 1-B, paragraph C and the number and amount of property tax

relief payments distributed, if any, pursuant to subsection 1-B, paragraph D.

Sec. 2. 5 MRSA §1536, sub-§1, ¶F, as enacted by PL 2011, c. 692, §2 and affected by §3, is amended to read:

F. Twenty percent to the Property Tax Relief Fund for Maine Residents established in section 1518-A.

Sec. 3. 5 MRSA §1536, sub-§3, as amended by PL 2015, c. 267, Pt. L, §8, is further amended to read:

3. Exceptions; stabilization fund at limit. If the stabilization fund is at its limit of 18% of General Fund revenue of the immediately preceding year, then amounts that would otherwise have been transferred to the stabilization fund pursuant to subsections 1 and 2 must be transferred to the Property Tax Relief Fund for Maine Residents established in section 1518-A.

CHAPTER 451

H.P. 1272 - L.D. 1790

An Act To Amend the Law To Protect the Confidentiality of State and Local Government Employees' Private Information

Be it enacted by the People of the State of Maine as follows:

Sec. 1. 5 MRSA §7070, sub-§2, ¶D-1, as amended by PL 2007, c. 597, §6, is repealed and the following enacted in its place:

D-1. Personal information, including that which pertains to the employee's:

- (1) Age;
- (2) Ancestry, ethnicity, genetic information, national origin, race or skin color;
- (3) Marital status;
- (4) Mental or physical disabilities;
- (5) Personal contact information, as described in Title 1, section 402, subsection 3, paragraph O;
- (6) Personal employment choices pertaining to elected payroll deductions, deferred compensation, savings plans, pension plans, health insurance and life insurance;
- (7) Religion;
- (8) Sex, gender identity or sexual orientation as defined in section 4553, subsection 9-C; or
- (9) Social security number.

Such personal information may be disclosed publicly in aggregate form, unless there is a reasonable possibility that the information would be able to be used, directly or indirectly, to identify any specific employee.

When there is a work requirement for public access to personal information under this paragraph that is not otherwise protected by law, that information may be made public. The Director of the Bureau of Human Resources, upon the request of the employing agency, shall make the determination that the release of certain personal information not otherwise protected by law is allowed; and

Sec. 2. 30-A MRSA §503, sub-§1, ¶B, as amended by PL 1997, c. 770, §2, is further amended to read:

B. County records containing the following:

- (1) Medical information of any kind, including information pertaining to the diagnosis or treatment of mental or emotional disorders;
- (2) Performance evaluations and personal references submitted in confidence;
- (3) Information pertaining to the creditworthiness of a named employee;
- (4) Information pertaining to the personal history, general character or conduct of members of an employee's immediate family; ~~and~~
- (5) Complaints, charges or accusations of misconduct, replies to those complaints, charges or accusations and any other information or materials that may result in disciplinary action. If disciplinary action is taken, the final written decision relating to that action is no longer confidential after the decision is completed if it imposes or upholds discipline. If an arbitrator completely overturns or removes disciplinary action from an employee personnel file, the final written decision is public except that the employee's name must be deleted from the final written decision and kept confidential. If the employee whose name was deleted from the final written decision discloses that the employee is the person who is the subject of the final written decision, the entire final written report, with regard to that employee, is public.

For purposes of this subparagraph, "final written decision" means:

- (a) The final written administrative decision that is not appealed pursuant to a grievance arbitration procedure; or

- (b) If the final written administrative decision is appealed to arbitration, the final written decision of a neutral arbitrator.

A final written administrative decision that is appealed to arbitration is no longer confidential 120 days after a written request for the decision is made to the employer if the final written decision of the neutral arbitrator is not issued and released before the expiration of the 120 days; and

(6) Personal information, including that which pertains to the employee's:

(a) Age;

(b) Ancestry, ethnicity, genetic information, national origin, race or skin color;

(c) Marital status;

(d) Mental or physical disabilities;

(e) Personal contact information, as described in Title 1, section 402, subsection 3, paragraph O;

(f) Personal employment choices pertaining to elected payroll deductions, deferred compensation, savings plans, pension plans, health insurance and life insurance;

(g) Religion;

(h) Sex, gender identity or sexual orientation as defined in Title 5, section 4553, subsection 9-C; or

(i) Social security number.

Such personal information may be disclosed publicly in aggregate form, unless there is a reasonable possibility that the information would be able to be used, directly or indirectly, to identify any specific employee; and

Sec. 3. 30-A MRSA §2702, sub-§1, as amended by PL 1997, c. 770, §3, is further amended to read:

1. Confidential records. The following records are confidential and not open to public inspection. They are not "public records" as defined in Title 1, section 402, subsection 3. These records include:

A. Except as provided in this paragraph, applications, resumes, letters and notes of reference, working papers, research materials, records, examinations and any other documents or records and the information they contain, solicited or prepared either by the applicant or the municipality for use in the examination or evaluation of applicants for positions as municipal employees.

(1) Notwithstanding any confidentiality provision other than this paragraph, applications, resumes and letters and notes of reference, other than those letters and notes of reference expressly submitted in confidence, pertaining to the applicant hired are public records after the applicant is hired.

(2) Telephone numbers are not public records if they are designated as "unlisted" or "unpublished" in an application, resume or letter or note of reference.

(3) This paragraph does not preclude union representatives from access to personnel records ~~which that~~ may be necessary for the bargaining agent to carry out its collective bargaining responsibilities. Any records available to union representatives ~~which that~~ are otherwise covered by this subsection ~~shall~~ must remain confidential and are not open to public inspection;

B. Municipal records pertaining to an identifiable employee and containing the following:

(1) Medical information of any kind, including information pertaining to diagnosis or treatment of mental or emotional disorders;

(2) Performance evaluations and personal references submitted in confidence;

(3) Information pertaining to the creditworthiness of a named employee;

(4) Information pertaining to the personal history, general character or conduct of members of an employee's immediate family; ~~and~~

(5) Complaints, charges or accusations of misconduct, replies to those complaints, charges or accusations and any other information or materials that may result in disciplinary action. If disciplinary action is taken, the final written decision relating to that action is no longer confidential after the decision is completed if it imposes or upholds discipline. The decision must state the conduct or other facts on the basis of which disciplinary action is being imposed and the conclusions of the acting authority as to the reasons for that action. If an arbitrator completely overturns or removes disciplinary action from an employee personnel file, the final written decision is public except that the employee's name must be deleted from the final written decision and kept confidential. If the employee whose name was deleted from the final written decision discloses that the employee is the person who is the subject of the final written decision, the entire final

written report, with regard to that employee, is public.

For purposes of this subparagraph, "final written decision" means:

(a) The final written administrative decision that is not appealed pursuant to a grievance arbitration procedure; or

(b) If the final written administrative decision is appealed to arbitration, the final written decision of a neutral arbitrator.

A final written administrative decision that is appealed to arbitration is no longer confidential 120 days after a written request for the decision is made to the employer if the final written decision of the neutral arbitrator is not issued and released before the expiration of the 120 days; and

(6) Personal information, including that which pertains to the employee's:

(a) Age;

(b) Ancestry, ethnicity, genetic information, national origin, race or skin color;

(c) Marital status;

(d) Mental or physical disabilities;

(e) Personal contact information, as described in Title 1, section 402, subsection 3, paragraph O;

(f) Personal employment choices pertaining to elected payroll deductions, deferred compensation, savings plans, pension plans, health insurance and life insurance;

(g) Religion;

(h) Sex, gender identity or sexual orientation as defined in Title 5, section 4553, subsection 9-C; or

(i) Social security number.

Such personal information may be disclosed publicly in aggregate form, unless there is a reasonable possibility that the information would be able to be used, directly or indirectly, to identify any specific employee; and

C. Other information to which access by the general public is prohibited by law.

See title page for effective date.

CHAPTER 452
S.P. 614 - L.D. 1824

**An Act To Make Certain
Snowmobile and Watercraft
Laws Consistent with
All-terrain Vehicle Laws**

Be it enacted by the People of the State of Maine as follows:

Sec. 1. 12 MRSA §10651, sub-§1, ¶E, as affected by PL 2003, c. 614, §9 and amended by c. 695, Pt. B, §6 and affected by Pt. C, §1, is further amended to read:

E. Attempt to elude a law enforcement officer by:

- (1) Operating or attempting to operate an all-terrain vehicle or snowmobile past a clearly identifiable police roadblock; or
- (2) After being requested or signaled to stop by a law enforcement officer in uniform, operating or attempting to operate an all-terrain vehicle, snowmobile or watercraft at a reckless rate of speed.

Sec. 2. 12 MRSA §10703, sub-§1, as enacted by PL 2003, c. 414, Pt. A, §2 and affected by c. 614, §9, is amended to read:

1. Blood or breath test. If the law enforcement officer has probable cause to believe a person hunted wild animals or wild birds or operated or attempted to operate a watercraft, snowmobile or ATV while under the influence of intoxicating liquor, then the officer shall inform the person that a breath test will be administered, unless, in the determination of the officer, it is unreasonable for a breath test to be administered, in which case a blood test must be administered. ~~When a blood test is required, the test may be administered by a physician of the accused's choice, at the request of the accused and if reasonably available.~~ The law enforcement officer may determine which type of breath test, as described in subsection 5, will be administered.

Sec. 3. 12 MRSA §10703, sub-§2, as affected by PL 2003, c. 614, §9 and amended by c. 655, Pt. B, §77 and affected by §422, is further amended to read:

2. Prerequisites to tests. ~~Before any test is given, the~~ The law enforcement officer shall inform the person to be tested of the consequences of refusing to comply with the test. If the person fails to comply with the duty to submit to and complete the requested chemical tests at the direction of the law enforcement officer, that person is committing a civil violation for which the person may be required to pay a fine of up to \$500. The officer shall also inform the person that the failure to comply with the duty to submit to a chemical test is admissible in evidence against that

person at any trial for hunting or operating under the influence of intoxicating liquor or drugs or a combination of liquor and drugs.

Test results may not be excluded as evidence in any proceeding before any administrative officer or court of this State as a result of the failure of the law enforcement officer to comply with these prerequisites. The only effects of the failure of the officer to comply with the prerequisites are as provided in subsection 7.

Sec. 4. 12 MRSA §10703, sub-§4, ¶B, as amended by PL 2009, c. 447, §11, is further amended to read:

B. If, at the time alleged, a defendant who was 21 years of age or older at the time of the arrest had an alcohol level in excess of 0.05 grams of alcohol ~~or more~~ but less than 0.08 grams of alcohol per 100 milliliters of blood or 210 liters of breath, it is relevant evidence, but it is not to be given prima facie effect in indicating whether or not the defendant was under the influence of intoxicating liquor within the meaning of this section, but that fact may be considered with other competent evidence in determining whether or not the defendant was under the influence of intoxicating liquor.

Sec. 5. 12 MRSA §10703, sub-§5, ¶A, as amended by PL 2009, c. 447, §12, is further amended to read:

A. ~~Only a duly licensed physician, registered physician's assistant, registered nurse or a person certified by the Department of Health and Human Services under certification standards set by that department, acting at the request of a law enforcement officer, may draw a specimen of blood to determine an alcohol level or drug concentration of a person who is complying with the duty to submit to a chemical test. Only a physician, registered physician's assistant, registered nurse or person whose occupational license or training allows that person to draw blood samples may draw a specimen of blood for the purpose of determining the blood-alcohol level or the presence of a drug or drug metabolite.~~ This limitation does not apply to the taking of breath or urine specimens. When a person draws a specimen of blood at the request of a law enforcement officer, that person may issue a certificate that states that the person is in fact a duly licensed or certified person as required by this subsection and that the person followed the proper procedure for drawing a specimen of blood to determine an alcohol level or drug concentration. That certificate, when duly signed and sworn to by the person, is admissible as evidence in any court of the State. It is prima facie evidence that the person was duly licensed or certified and that the person followed the proper procedure for drawing a specimen of blood for chemical testing, unless, with 10 days' written notice to

the prosecution, the defendant requests that the person testify as to licensure or certification, or the procedure for drawing the specimen of blood.

Sec. 6. 12 MRSA §10703, sub-§6, as enacted by PL 2003, c. 414, Pt. A, §2 and affected by c. 614, §9 and amended by c. 689, Pt. B, §6, is further amended to read:

6. Liability. ~~A physician, physician's assistant, registered nurse, person certified by the Department of Health and Human Services or hospital~~ Only a physician, registered physician's assistant, registered nurse or person whose occupational license or training allows that person to draw blood samples or other health care provider in the exercise of due care is not liable in damages or otherwise for any act done or omitted in performing the act of collecting or withdrawing specimens of blood at the request of a law enforcement officer pursuant to this section.

Sec. 7. 12 MRSA §10757, as amended by PL 2015, c. 281, Pt. A, §2, is further amended to read:

§10757. Fraudulently obtaining or possessing license, permit or registration

A person may not obtain or possess a paper or electronic license ~~or~~ permit or registration authorized in this Part through fraud, misstatement or misrepresentation. A person who violates this section commits a Class E crime.

Sec. 8. 12 MRSA §10902, sub-§10, as amended by PL 2011, c. 253, §17, is further amended to read:

10. Mandatory suspension for certain ATV, snowmobile and watercraft violations. The commissioner shall suspend for at least one year all licenses, permits and registrations issued by the department pursuant to this Part to any person convicted or adjudicated of:

- A. Abuse of another person's property as prohibited under section 13157-A, subsection 22;
- B. Operating an ATV, snowmobile or watercraft under the influence as prohibited under section 10701, subsection 1-A, paragraph D;
- C. Operating an ATV to endanger, as prohibited under section 13157-A, subsection 11, operating a snowmobile to endanger, as prohibited under section 13106-A, subsection 10, or operating a watercraft to endanger, as prohibited under section 13068-A, subsection 5;
- D. Reckless operation of an ATV, as prohibited under section 13157-A, subsection 10, reckless operation of a snowmobile, as prohibited under section 13106-A, subsection 9, or reckless operation of a watercraft, as prohibited under section 13068-A, subsection 6; or

E. Failure or refusal to stop an ATV or attempting to elude an officer, as prohibited under section 10651, subsection 1, paragraphs D and E, failure or refusal to stop a snowmobile or attempting to elude an officer, as prohibited under section 10651, subsection 1-E, or failure or refusal to stop a watercraft or attempting to elude an officer, as prohibited under section 10651, subsection 1-E.

The commissioner shall reinstate licenses, permits and registrations that have been suspended pursuant to this subsection after the period of suspension has lapsed and after that person has successfully completed an ~~ATV safety and ethics course as provided in subsection 9~~ ethics course as required by the department and has successfully completed a safety course as required by the department that relates to the specific violation for which the person was convicted or adjudicated.

Sec. 9. 12 MRSA §13001, sub-§25, as enacted by PL 2003, c. 414, Pt. A, §2 and affected by c. 614, §9, is amended to read:

25. Snowmobile. "Snowmobile" means a vehicle propelled by mechanical power that is primarily designed to travel over ice or snow and is supported in part by skis, belts or cleats. "Snowmobile" does not include a motor vehicle as defined in Title 29-A, section 101.

Sec. 10. 12 MRSA §13056, sub-§8, as amended by PL 2009, c. 213, Pt. OO, §§14 and 15, is further amended to read:

8. Fees. The fees for each original or renewal certificate of number with 2 validation stickers are set out in this subsection.

A. For a watercraft requiring or whose owner requests a certificate of number and that is equipped with a motor having a manufacturer's horsepower rating of:

- (1) Ten horsepower or less, the fee is \$25 for operating on inland waters of the State and \$15 for operating only on tidal waters of the State;
- (2) Greater than 10, but not more than 50 horsepower, the fee is \$30 for operating on inland waters of the State and \$20 for operating only on tidal waters of the State; and
- (3) Greater than 50 horsepower but not more than 115 horsepower, the fee is \$36 for operating on inland waters of the State and \$26 for operating only on tidal waters of the State.

B. For a personal watercraft requiring or whose owner requests a certificate of number and watercraft equipped with a motor having a manufacturer's horsepower rating of 115 horsepower or greater, the fee is \$44 for operating on inland wa-

ters of the State and \$34 for operating only on tidal waters of the State.

C. For a duplicate certificate of number, the fee is \$1.

D. For a duplicate validation sticker (per set), the fee is \$1.

E. For a certificate of number issued with transfer of ownership authorized in subsection 10, the fee is \$2.

Validation stickers are nontransferable.

A motorboat that is used for governmental purposes and is owned and operated in the State by the Federal Government, the State or a political subdivision of the State is exempt from registration fees.

Sec. 11. 12 MRSA §13104, sub-§13, as affected by PL 2003, c. 614, §9 and amended by c. 655, Pt. B, §390 and affected by §422, is repealed.

Sec. 12. 12 MRSA §13106-A, sub-§10, ¶B, as enacted by PL 2003, c. 655, Pt. B, §394 and affected by §422, is amended to read:

B. Operating the snowmobile in a manner that fails to control its speed at all times as necessary to avoid colliding with any person, vehicle, snowmobile or other object ~~on or adjacent to the snowmobile trail.~~

Sec. 13. 12 MRSA §13113, sub-§6, as enacted by PL 2005, c. 93, §3, is repealed.

Sec. 14. 36 MRSA §2903-D, sub-§2, ¶A, as amended by PL 2003, c. 414, Pt. B, §66 and affected by c. 614, §9, is further amended to read:

A. The Commissioner of Inland Fisheries and Wildlife receives 14.93% of that amount, to be used by the commissioner for the purposes set forth in Title 12, section 1893, subsection 3, section 10206, subsection 2, section 13104, subsections 2 to ~~13~~ 12 and section 13105, subsection 1; and

drug, medicine or pharmaceutical or medical preparation by means of any public exhibition, entertainment, performance, carnival or by vending machines, except as described in subsection 2.

2. Sale of nonprescription drugs by vending machines. The Maine Board of Pharmacy shall adopt rules to allow a pharmacy licensed as a vending machine outlet in accordance with section 13751 to sell or distribute nonprescription drugs by vending machines. The rules must include, but are not limited to, the following:

A. A requirement that only nonprescription drugs may be dispensed by a vending machine;

B. A requirement that nonprescription drugs dispensed by a vending machine must be stored in accordance with manufacturer recommendations, including those that require a stable temperature;

C. A requirement that nonprescription drugs dispensed by a vending machine must be sold only in the manufacturer's clearly labeled, original, unbroken, tamper-proof and expiration-dated packaging;

D. A requirement that nonprescription drugs dispensed by a vending machine may not be older than the manufacturer's expiration date;

E. A limitation that no more than 12 different nonprescription drugs may be dispensed by any single vending machine;

F. A requirement that a vending machine through which nonprescription drugs are dispensed must have an obvious and legible statement on the machine that identifies the owner of the machine, a toll-free telephone number at which the consumer may contact the owner of the machine, a statement advising the consumer to check the expiration date of the product before using the product and the telephone number of the board;

G. Identification of any nonprescription drugs that may not be dispensed by a vending machine; and

H. Identification of locations at which a vending machine dispensing nonprescription drugs may not be located, including the following:

(1) Private schools as defined in Title 20-A, section 1, subsection 22;

(2) Public preschool programs as defined in Title 20-A, section 1, subsection 23-A;

(3) Public schools as defined in Title 20-A, section 1, subsection 24; and

(4) Child care facilities as defined in Title 22, section 8301-A, subsection 1-A, paragraph B.

CHAPTER 455

H.P. 277 - L.D. 351

An Act To Ensure Accuracy in the Labeling of Maine Meat and Poultry

Be it enacted by the People of the State of Maine as follows:

Sec. 1. 22 MRSA §2157, sub-§15 is enacted to read:

15. Mislabeling poultry and meat. If it is poultry, a poultry product, meat or a meat product offered for sale, sold or distributed within the State and labeled or advertised as "Maine-raised" or by a similar designation unless the poultry or animal was raised in Maine. A determination that poultry, a poultry product, meat or a meat product is misbranded may be waived by the commissioner upon application if the commissioner finds a waiver warranted due to economic factors, including, but not limited to, the proximity of processing facilities to the in-state poultry producer or meat producer and the availability of poultry processing facilities or meat processing facilities in the State. For purposes of this subsection, "raised in Maine" means:

A. For poultry and poultry products, that the poultry was raised solely in the State from no later than the 7th day after hatching and processed solely in the State; and

B. For meat and meat products, that the animal was born, raised and processed solely in the State.

As used in this subsection, "poultry," "poultry product," "meat" and "meat product" have the same meanings as in section 2511.

See title page for effective date.

S.P. 164 - L.D. 499

An Act To Collect Data Regarding How Payment Is Made for Collection of Signatures for Direct Initiatives and People's Veto Referendums

Be it enacted by the People of the State of Maine as follows:

Sec. 1. 21-A MRSA §903-A, sub-§§4 and 5 are enacted to read:

4. Circulator affidavit. A person who circulates a petition shall execute an affidavit that must include:

A. The circulator's printed name, the physical address at which the circulator resides and the date the circulator signed the affidavit;

B. That the circulator read the information provided by the Secretary of State pursuant to subsection 3 and understands the laws governing the circulation of petitions in the State;

C. That the circulator was a resident of the State and a registered voter in the State at the time of circulating the petition; and

D. That the circulator understands that the circulator can be prosecuted under section 904 for violating the laws governing the circulation of petitions, including the requirement that the circulator truthfully executed the affidavit.

The circulator shall file the affidavit with the Secretary of State at the time the petition is filed.

5. Circulator payment. A person or organization that pays individuals to circulate petitions, other than by reimbursing travel expenses, shall provide a list of those individuals to the Secretary of State along with information indicating the method by which the individuals are being compensated when the petitions are filed pursuant to the Constitution of Maine, Article IV, Part Third, Section 17 or 18.

Sec. 2. 21-A MRSA §903-C, sub-§1, ¶D, as enacted by PL 2015, c. 99, §2, is amended to read:

D. A list containing the names of all individuals hired by the petition organization to assist in circulating petitions or in organizing, supervising or managing the circulation. The list must include a statement indicating the method by which the individuals hired to assist in circulating petitions are being compensated. The list must be updated and resubmitted to the Secretary of State when the petitions are filed pursuant to the Constitution of Maine, Article IV, Part Third, Section 17 or 18.

Sec. 3. 21-A MRSA §904, sub-§4, as repealed and replaced by PL 2007, c. 455, §53, is amended to read:

4. Duplicate signature. Knowingly signs the person's name more than once on initiative or referendum petitions for the same measure; or

Sec. 4. 21-A MRSA §904, sub-§5, as enacted by PL 2007, c. 455, §53, is amended to read:

5. False swearing; signature made in circulator's presence. Circulates an initiative or referendum petition and willfully swears that a signature to the petition was made in the circulator's presence when it was not; or

Sec. 5. 21-A MRSA §904, sub-§6 is enacted to read:

6. Failure to truthfully execute and file circulator affidavit. Knowingly fails to truthfully execute and timely file a circulator affidavit under section 903-A, subsection 4.

Racial, Indigenous and Maine Tribal Populations	Permanent Commission on the Sta- tus of Ra- cial, Indige- nous and Maine Trib- al Popula- tions	Not Au- thorized	5 MRSA §25001
---	---	---------------------	------------------

Sec. 2. 5 MRSA Pt. 31 is enacted to read:

**PART 31
RACIAL, INDIGENOUS AND MAINE TRIBAL
POPULATIONS
CHAPTER 631
PERMANENT COMMISSION ON THE STATUS
OF RACIAL, INDIGENOUS AND MAINE
TRIBAL POPULATIONS**

§25001. Commission established

The Permanent Commission on the Status of Racial, Indigenous and Maine Tribal Populations, established by section 12004-I, subsection 74-J and referred to in this chapter as "the commission," is an independent commission. The commission shall promote, implement and coordinate programs that create and improve opportunities and incorporate the goal of eliminating disparities for historically disadvantaged racial, indigenous and tribal populations in the State.

§25002. Membership

1. Membership. To the extent possible, the commission must consist of members who represent the diverse racial, indigenous and tribal populations in the State. In making appointments, the Governor, the President of the Senate and the Speaker of the House shall consider and appoint residents of the State who have a knowledge of problems facing racial, indigenous and tribal populations in the State, who have experience in advocacy relating to racial, indigenous and tribal populations' issues and who provide leadership in programs or activities that create and improve opportunities for racial, indigenous and tribal populations. The commission consists of the following members:

A. Members appointed by the President of the Senate:

(1) A representative of a statewide organization promoting civil rights that has racial justice or racial equity as its primary mission;

(2) A representative of an economic policy organization or other data-focused organization;

(3) A representative of an organization with expertise in legal and policy matters related to public benefit programs that assists individuals with low incomes;

(4) A faculty member of a college or university in this State specializing in the history, the culture or the civil and human rights of historically disadvantaged racial, indigenous and tribal populations; and

(5) A representative of organized labor with expertise in labor rights and working conditions;

B. Members appointed by the Speaker of the House:

(1) A representative of an immigrant or refugee rights organization;

(2) A representative from a housing or homelessness advocacy organization;

(3) A representative of a community development financial institution; and

(4) A representative of a historically disadvantaged racial population of the State;

C. Members appointed by the Governor:

(1) A member of the public representing the faith-based community; and

(2) A member of the public representing youth; and

D. Other members:

(1) A representative from each of the federally recognized Indian tribes in the State.

§25003. Term of office

Members of the commission are appointed for 2-year terms. A member may serve multiple terms.

Members of the commission may serve after the expiration of their terms until their successors have taken office. The Governor, the President of the Senate and the Speaker of the House may terminate the membership of their respective appointees for good cause. The reason for the termination must be communicated in writing to a member whose membership is terminated. The membership of any member of the commission must be terminated if the member is absent from 3 consecutive meetings without communicating good cause to a chair of the commission.

§25004. Vacancies

A member appointed to fill a vacancy occurring prior to the expiration of the term for which the member's predecessor was appointed serves only for the remainder of that term and must be appointed by the same appointing authority. Any vacancy on the commission does not affect its powers.

§25005. Chair

The commission shall select 3 chairs from among the members of the commission. The chairs are authorized to appoint subcommittees.

§25006. Department input

The commission shall seek input from the Department of Labor, the Department of Health and Human Services, the Department of Economic and Community Development and the Department of Education, as well as any other experts, in carrying out its duties.

§25007. Duties and powers

1. Commission duties. The commission shall:

A. Carry out research necessary to determine the status of historically disadvantaged racial, indigenous and tribal populations, including the study of income levels of and opportunities available to historically disadvantaged racial, indigenous and tribal populations and the examination of quantitative and qualitative data associated with those populations regarding business ownership, household assets, debts and income, housing, employment, education, health care and access to wealth, capital and benefits;

B. Seek public input by conducting public hearings annually to obtain information about the needs of and solutions to the problems faced by historically disadvantaged racial, indigenous and tribal populations; and

C. Beginning January 1, 2020, and biennially thereafter, report to the Governor and the Legislature concerning the work and interests of the commission, including a summary of public comments obtained pursuant to paragraph B.

2. Commission powers. The commission may:

A. Promote and coordinate activities on state and local levels designed to meet the problems faced by historically disadvantaged racial, indigenous and tribal populations;

B. Inform the public about the presence or absence of opportunities for historically disadvantaged racial, indigenous and tribal populations;

C. Conduct additional public hearings, conferences, workshops and other such meetings to obtain information about, discuss and publicize the needs of and solutions to the problems faced by historically disadvantaged racial, indigenous and tribal populations;

D. Submit to the Legislature, at the start of each regular session, such legislation as the commission determines appropriate for improving opportunities and eliminating disparities for historically disadvantaged racial, indigenous and tribal populations in the State;

E. Advise and consult with the Chief Justice of the Supreme Judicial Court and other officials of the State and the Federal Government with respect to state and federal policies, programs and other activities affecting or relating to historically disadvantaged racial, indigenous and tribal populations; and

F. Advise and consult with the Governor and the Legislature about, and assist them in improving, opportunities for historically disadvantaged racial, indigenous and tribal populations.

§25008. Meetings

The commission shall meet at the call of the chairs not less than 4 times each year.

§25009. Administrative support

The Commissioner of Labor shall provide administrative support to the commission as required.

§25010. Federal and state funds

The commission may accept funds from the Federal Government, from a political subdivision of the State or from an individual, a foundation or a corporation and may expend funds for purposes that are consistent with this chapter. Funds received under this section must be deposited in a nonlapsing Other Special Revenue Funds account within the Department of Labor to support the work of the commission.

Sec. 3. Initial members. Notwithstanding the Maine Revised Statutes, Title 5, section 25003, of those public members first appointed to the Permanent Commission on the Status of Racial, Indigenous and Maine Tribal Populations, one appointed by the Governor, one appointed by the President of the Senate and one appointed by the Speaker of the House must be appointed for one-year terms. The term of office of each member must be designated at the time of appointment.

Sec. 4. Initial report. No later than January 1, 2020, the Permanent Commission on the Status of Racial, Indigenous and Maine Tribal Populations established in the Maine Revised Statutes, Title 5, section 12004-I, subsection 74-J shall submit a report that includes the commission's findings and recommendations on the commission's research and consideration of policy proposals pursuant to Title 5, section 25007, including suggested legislation, for presentation to the Second Regular Session of the 129th Legislature.

CHAPTER 458

S.P. 425 - L.D. 1370

An Act To Address Dangerous Behavior in the Classroom

Mandate preamble. This measure requires one or more local units of government to expand or modify activities so as to necessitate additional expenditures from local revenues but does not provide funding for at least 90% of those expenditures. Pursuant to the Constitution of Maine, Article IX, Section 21, 2/3 of all of the members elected to each House have determined it necessary to enact this measure.

Be it enacted by the People of the State of Maine as follows:

Sec. 1. 20-A MRSA §6555 is enacted to read:
§6555. Dangerous behavior prevention and intervention

1. Definitions. As used in this section, unless the context otherwise indicates, the following terms have the following meanings.

A. "Administrator" has the same meaning as in section 13001-A, subsection 1.

B. "Assigned public school employee" means a public school employee chosen by the local president of the applicable bargaining unit to review a reported incident of dangerous behavior.

C. "Dangerous behavior" means behavior of a student that presents a risk of injury or harm to a student or others.

2. Report of incident of dangerous behavior. Upon receipt of a report of an incident of dangerous behavior made by a teacher or school staff person, a school administrative unit shall review the reported incident and develop an individualized response plan in accordance with this subsection. The review of the reported incident must be conducted by an administrator and an assigned public school employee. If the report of the incident of dangerous behavior is substantiated, the school administrative unit shall, in consultation with the public school employee who was subjected to the dangerous behavior, if any, develop an individualized response plan to avoid future dangerous behavior, which may include but is not limited to:

A. Minimizing suspension and expulsion of the student;

B. Prioritizing counseling and guidance services for the student and educators;

C. Providing positive behavioral interventions and supports and supports designed to address the consequences of trauma in the individual and training for the student and educators;

D. Restorative practices;

E. Training for public school employees who interact with the student; and

F. Provision of adequate staffing and professional development necessary to implement the plan.

Nothing in this subsection may be construed as limiting any federally protected right of a student, including, but not limited to, federally protected rights of students with disabilities.

Notwithstanding any provision of this subsection to the contrary, in the case of a student eligible for services under the federal Individuals with Disabilities Education Act or protected from discrimination under Section 504 of the federal Rehabilitation Act of 1973, any discussions or actions related to the identification,

evaluation or educational placement of the student or provision of a free, appropriate public education to the student must take place through the processes established under federal law.

Sec. 2. 20-A MRSA §13601, sub-§5 is enacted to read:

5. Injuries caused by dangerous behavior. A school administrative unit may not count time away from work against a public school employee's accrued sick leave if the time away from work is due to an injury caused by dangerous behavior and a physician has determined that the public school employee is unable to work as a result of the injury sustained. For the purposes of this subsection, "dangerous behavior" has the same meaning as in section 6555, subsection 1, paragraph C.

See title page for effective date.

CHAPTER 459

H.P. 1015 - L.D. 1400

**An Act To Improve
 Recruitment and Retention in
 State Law Enforcement by
 Offering Retirement Service
 Credit**

**Be it enacted by the People of the State of
 Maine as follows:**

Sec. 1. 5 MRSA §17767 is enacted to read:

§17767. Law enforcement service

Service credit for service in law enforcement is governed as follows.

1. Service before becoming member. A member who served as a full-time law enforcement officer with a federal, state, county or local law enforcement agency before becoming a member is entitled under this subsection to purchase service credit for the period of time that the member served as a law enforcement officer if the member has at least 15 years of creditable service at the time of retirement by complying with the terms and conditions of this subsection and the applicable provisions of subsection 2. Service credit purchased under this section is limited to 4 years. Notwithstanding anything to the contrary, a member for which service credit under this section is to be granted must provide a certified statement from the appropriate retirement system that the service credit to be granted has not been and will not be used to obtain other retirement benefits.

2. Members qualified for credit at actuarial cost. A member qualified under subsection 1 to purchase service credit at the cost set forth in this subsection is entitled to service credit if the member pays an

amount that, together with regular interest on that amount, is the actuarial equivalent, at the effective date of the retirement benefit, of the portion of the retirement benefit based on the additional creditable service.

A. Payment must be made before any retirement benefit becomes effective for that member.

B. Payment may be made to the retirement system by a single direct payment or by annual direct payments in accordance with section 17701, subsection 4.

Sec. 2. 5 MRSA §17851-A, sub-§3, ¶B, as enacted by PL 1997, c. 769, §11, is amended to read:

B. For the purpose of meeting the qualification requirement of subsection 2, paragraph B:

(1) Service credit purchased by repayment of an earlier refund of accumulated contributions following termination of service is included if the time to which the refund relates was served in any one or a combination of the capacities specified in subsection 1, regardless of whether the time was served before or after the establishment of the 1998 Special Plan; and

(2) Service credit purchased other than as provided under subparagraph (1) is not included, except that service credit purchased for military service or for law enforcement service pursuant to section 17767 is included.

Sec. 3. 5 MRSA §18363 is enacted to read:

§18363. Law enforcement service

Service credit for service in law enforcement is governed as follows.

1. Service before becoming member. A member who served as a full-time law enforcement officer with a federal, state, county or local law enforcement agency before becoming a member is entitled under this subsection to purchase service credit for the period of time that the member served as a law enforcement officer if the member has at least 15 years of creditable service at the time of retirement by complying with the terms and conditions of this subsection and the applicable provisions of subsection 2. Service credit purchased under this section is limited to 4 years. Notwithstanding anything to the contrary, a member for which service credit under this section is to be granted must provide a certified statement from the appropriate retirement system that the service credit to be granted has not been and will not be used to obtain other retirement benefits.

2. Members qualified for credit at actuarial cost. A member qualified under subsection 1 to purchase service credit at the cost set forth in this subsection is entitled to service credit if the member pays an

amount that, together with regular interest on that amount, is the actuarial equivalent, at the effective date of the retirement benefit, of the portion of the retirement benefit based on the additional creditable service.

A. Payment must be made before any retirement benefit becomes effective for that member.

B. Payment may be made to the retirement system by a single direct payment or by annual direct payments in accordance with section 17701, subsection 4.

See title page for effective date.

CHAPTER 460

H.P. 1025 - L.D. 1412

**An Act To Amend the Laws
Governing the Collective
Bargaining Rights of
Employees of School
Management and Leadership
Centers**

Be it enacted by the People of the State of Maine as follows:

Sec. 1. 5 MRSA §17001, sub-§42, as amended by PL 2007, c. 491, §§66 and 67, is further amended to read:

42. Teacher. "Teacher" means:

A. Any employee of a public school or a school management and leadership center established pursuant to Title 20-A, chapter 123 who fills any position that the Department of Education requires be filled by a person who holds the appropriate certification or license required for that position and:

(1) Holds appropriate certification from the Department of Education, including an employee whose duties include, in addition to those for which certification is required, either the setup, maintenance or upgrading of a school computer system the use of which is to assist in the introduction of new learning to students or providing school faculty orientation and training related to use of the computer system for educational purposes; or

(2) Holds an appropriate license issued to a professional employee by a licensing agency of the State;

B. Any employee of a public school or a school management and leadership center established pursuant to Title 20-A, chapter 123 who fills any position not included in paragraph A, the principal

function of which is to introduce new learning to students, except that a coach who is employed by a public school and who is not otherwise covered by the definition of teacher as defined in this subsection or an employee who is employed in adult education as defined in Title 20-A, section 8601-A, subsection 1 and who is not otherwise covered by the definition of teacher defined in this subsection may not be considered a teacher for purposes of this Part;

C. Any employee of a public school on June 30, 1989, in a position not included in paragraph A or B which was included in the definition of teacher in effect on June 30, 1989, as long as:

- (1) The employee does not terminate employment; or
- (2) The employee terminates employment and returns to employment in a position in the same classification within 2 years of the date of termination.

Regardless of any subsequent employment history, any employee of a public school in a position which was included in the definition of teacher in effect on June 30, 1989, is entitled to creditable service as a teacher for all service in that position on or before that date;

D. Any employee of a public school or a school management and leadership center established pursuant to Title 20-A, chapter 123 in a position not included in paragraph A, B or C who was a member of the State Employee and Teacher Retirement Program of the retirement system as a teacher on August 1, 1988, as long as:

- (1) The employee does not terminate employment; or
- (2) The employee terminates employment and returns to employment in a position in the same classification within 2 years of the date of termination;

E. Any former employee of a public school or a school management and leadership center established pursuant to Title 20-A, chapter 123 in a position not included in paragraph A, B or C who was a member of the State Employee and Teacher Retirement Program of the retirement system as a teacher before August 1, 1988, as long as the former employee returns to employment in a position in the same classification before July 1, 1991; or

F. For service before July 1, 1989, any employee of a public school in a position which was included in the definition of teacher before July 1, 1989.

"Teacher" includes a person who is on a one-year leave of absence from a position as a teacher and is participating in the education of prospective teachers

by teaching and supervising students enrolled in college-level teacher preparation programs in this State.

"Teacher" also includes a person who is on a leave of absence from a position as a teacher and is duly elected as President of the Maine Education Association.

"Teacher" also includes a person who, subsequent to July 1, 1981, has served as president of a recognized or certified bargaining agent representing teachers for which released time from teaching duties for performance of the functions of president has been negotiated in a collective bargaining agreement between the collective bargaining agent and the teacher's school administrative unit and for whom contributions related to the portion of the person's salary attributable to the released time have been paid as part of the regular payroll of the school administrative unit.

Sec. 2. 5 MRSA §17154, sub-§6, ¶J is enacted to read:

J. Notwithstanding this section, the employer retirement costs and administrative operating expenses related to the retirement programs applicable to those teachers employed by a school management and leadership center, as defined in Title 20-A, section 3801, subsection 1, paragraph B, whose funding is provided from local and state funds must be paid by that school management and leadership center.

Sec. 3. 20-A MRSA §3808 is enacted to read:

§3808. Collective bargaining in school management and leadership centers

1. Assumption of obligations, duties, liabilities and rights. On and after the operational date of a school management and leadership center, teachers and other employees whose positions are transferred from a school administrative unit to the school management and leadership center and were included in a bargaining unit represented by a bargaining agent, and for participating school administrative units, teachers and other employees who are subsequently employed by the school management and leadership center and were included in a bargaining unit and represented by a bargaining agent, continue to be included in the same bargaining unit and represented by the same bargaining agent pending completion of the bargaining agent and bargaining unit merger procedures and bargaining for initial school management and leadership center collective bargaining agreements covering school management and leadership center employees, as described in this section. After teachers and other employees become employees of the school management and leadership center, the school management and leadership center has the obligations, duties, liabilities and rights of a public employer pursuant to Title 26, chapter 9-A with respect to those teachers and other employees.

2. Structure of bargaining units. All bargaining units of school management and leadership center employees must be structured on a school management and leadership center-wide basis. Teachers and other employees who are employed by the school management and leadership center to provide consolidated services must be removed from the existing bargaining units of teachers and other employees who are employed by each member school unit and merged into units of school management and leadership center employees. Merger into school management and leadership center-wide bargaining units is not subject to approval or disapproval of employees. Formation of school management and leadership center-wide bargaining units must occur in accordance with this subsection.

A. In each school management and leadership center, there must be one bargaining unit of teachers, if any teachers are employed by the school management and leadership center, and, to the extent they are on the effective date of this paragraph included in bargaining units, other certified professional employees, excluding principals and other administrators.

B. Any additional bargaining units in a school management and leadership center must be structured as follows.

(1) In the initial establishment of such units, units must be structured primarily on the basis of the existing pattern of organization, maintaining the grouping of employee classifications into bargaining units that existed prior to the creation of the school management and leadership center and avoiding conflicts among different bargaining agents to the extent possible.

(2) In the event of a dispute regarding the classifications to be included within a school management and leadership center-wide bargaining unit, the current bargaining agent or agents or the school management and leadership center may petition the Maine Labor Relations Board to determine the appropriate unit in accordance with this section and Title 26, section 966.

C. When there is the same bargaining agent in all bargaining units that will be merged into a school management and leadership center-wide bargaining unit, the units must be separated and merged on the operational date or the date represented employees are transferred to the school management and leadership center, whichever is applicable, and the school management and leadership center shall recognize the bargaining agent as the representative of the merged unit.

D. When all bargaining units that will be separated and merged into a school management and leadership center-wide bargaining unit are represented by separate local affiliates of the same state labor organization, the units must be separated and merged on the operational date or the date represented employees are transferred to the school management and leadership center, whichever is applicable. The identity of a single affiliate that will be designated the bargaining agent for the merged unit must be selected by the existing bargaining agents and the state labor organization. Upon completion of the merger and designation of the bargaining agent and notification by the state labor organization to the school management and leadership center, the school management and leadership center shall recognize the designated bargaining agent as the representative of employees in the merged unit. If necessary, the parties shall then execute a written amendment to any collective bargaining agreement then in effect to change the name of the bargaining agent to reflect the merger.

E. When there are bargaining units that will be separated and merged into a school management and leadership center-wide bargaining unit in which there are employees who are not represented by any bargaining agent and other employees who are represented either by the same bargaining agent or separate local affiliates of the same state labor organization, the units must be separated and merged on the operational date or the date represented employees are transferred to the school management and leadership center, whichever is applicable, as long as a majority of employees who compose the merged unit were represented by the bargaining agent prior to the merger. The procedures for separation and merger of separate local affiliates of the same state labor organization described in paragraph D must be followed if applicable. If prior to the merger a bargaining agent did not represent a majority of employees who compose the merged unit, a bargaining agent election must be conducted by the Maine Labor Relations Board pursuant to paragraph F.

F. When bargaining units with different bargaining agents must be merged into a single school management and leadership center-wide bargaining unit pursuant to this section, the bargaining agent of the merged bargaining unit must be selected in accordance with Title 26, section 967 except as modified in this section.

(1) A petition for an election to determine the bargaining agent must be filed with the Maine Labor Relations Board by any of the current bargaining agents or the school management and leadership center.

(2) The petition must be filed not more than 90 days prior to the first August 31st occurring after either the 3rd anniversary date of the operational date of the school management and leadership center or the date on which positions are transferred from member school units to the school management and leadership center, whichever is later.

(3) The election ballot may contain only the names of the bargaining agents of bargaining units that will be merged into the school management and leadership center-wide bargaining unit and the choice of no representative, but no other choices. A showing of interest is not required from any such bargaining agent other than its current status as representative.

(4) The obligation to bargain with existing bargaining agents continues from the operational date of the school management and leadership center or the date on which positions are transferred from member school units to the school management and leadership center, whichever is later, until the determination of the bargaining agent of the school management and leadership center-wide bargaining unit under this section; but in no event may any collective bargaining agreement that is executed after the operational date extend beyond the first August 31st occurring after either the 3rd anniversary date of the operational date of the school management and leadership center or the date on which positions are transferred from member school units to the school management and leadership center, whichever is later.

(5) The Maine Labor Relations Board shall expedite to the extent practicable all petitions for determination of the bargaining agent in the school management and leadership center filed pursuant to this section.

(6) The bargaining units must be merged into a school management and leadership center-wide bargaining unit as of the date of certification of the results of the election by the Maine Labor Relations Board or the expiration of the collective bargaining agreements in the unit, whichever occurs later.

(7) Until the first August 31st occurring after either the 3rd anniversary date of the operational date of the school management and leadership center or the date on which positions are transferred from member school units to the school management and leadership center, whichever is later, existing bargaining agents shall continue to represent the

bargaining units that they represented on the day prior to the operational date of the school management and leadership center. If necessary, each bargaining agent and the school management and leadership center must negotiate interim collective bargaining agreements to expire the first August 31st occurring after either the 3rd anniversary date of the operational date of the school management and leadership center or the date on which positions are transferred from member school units to the school management and leadership center, whichever is later.

(8) When there are 2 or more bargaining units in which there are employees who are represented either by the same bargaining agent or by separate local affiliates of the same state labor organization that will be merged into a school management and leadership center-wide bargaining unit with one or more other bargaining units pursuant to the election procedures described in this paragraph, the bargaining units that are represented either by the same bargaining agent or by separate local affiliates of the same state labor organization must merge as of the operational date. The procedures for merger of separate local affiliates of the same state labor organization described in paragraph D must be followed if applicable.

3. Agent to engage in collective bargaining.

After the merger of bargaining units in a school management and leadership center, the bargaining agent of a school management and leadership center-wide bargaining unit and the school management and leadership center shall engage in collective bargaining for a collective bargaining agreement for the school management and leadership center-wide bargaining unit. In the collective bargaining agreement for each school management and leadership center-wide bargaining unit, the employment relations, policies, practices, salary schedules, hours and working conditions throughout the school management and leadership center must be made uniform and consistent as soon as practicable. In the event that the parties are unable to agree upon an initial school management and leadership center-wide collective bargaining agreement, the parties shall use the dispute resolution procedures pursuant to Title 26, section 965 to resolve their differences.

4. Application of collective bargaining agreements. On and after the operational date of a school management and leadership center, but before the completion of negotiations for a single school management and leadership center-wide collective bargaining agreement for the school management and leadership center-wide bargaining unit, the wages, hours and working conditions of an employee of the

school management and leadership center who is in a bargaining unit and who is reassigned to a different position that is in a different bargaining unit but that upon the completion of the merger of bargaining units will be included in the same school management and leadership center-wide bargaining unit must be determined by the terms of the collective bargaining agreement that applies to the position to which the employee is reassigned, except as provided in this subsection.

A. If the application of the collective bargaining agreement that applies to the position to which the employee is reassigned would cause a reduction in the employee's wage or salary rate, the employee's wage or salary rate must be maintained at the rate the employee was paid immediately prior to the reassignment until the completion of negotiations for a single school management and leadership center-wide collective bargaining agreement for the school management and leadership center-wide bargaining unit or the applicable collective bargaining agreement requires a higher wage or salary rate for the employee, whichever occurs sooner.

B. If the application of the existing collective bargaining agreement that applies to the position to which the employee is reassigned would cause a reduction in the amount that is paid by the school management and leadership center for premiums for health insurance for the employee and the employee's dependents, the school management and leadership center's payment must be maintained at the amount that was paid immediately prior to the reassignment until the completion of negotiations for a single school management and leadership center-wide collective bargaining agreement for the school management and leadership center-wide bargaining unit or the applicable collective bargaining agreement requires a higher payment, whichever occurs sooner.

C. If the application of the existing collective bargaining agreement that applies to the position to which the employee is reassigned provides for coverage under a different health insurance plan, the employee may elect to retain coverage under the health insurance plan in which the employee was enrolled immediately prior to reassignment if the eligibility provisions of the plan permit until the completion of negotiations for a single school management and leadership center-wide collective bargaining agreement for the school management and leadership center-wide bargaining unit.

CHAPTER 461 S.P. 473 - L.D. 1524

An Act To Prevent Wage Theft and Promote Employer Accountability

Be it enacted by the People of the State of Maine as follows:

Sec. 1. 26 MRSA §637 is enacted to read:

§637. Wage theft remedies

1. Wage theft; defined. For the purposes of this section, "wage theft" means a violation of section 621-A, 622, 623, 626, 629, 629-A or 664.

2. Injunction. In addition to other remedies allowed by this chapter, the Department of Labor or any person or persons injured by an unlawful wage payment practice or policy that causes direct harm to workers may bring an action for injunctive relief to enjoin further wage theft. If a party seeking an injunction prevails, the employer is liable to pay the cost of suit, including a reasonable attorney's fee.

3. Issuance of a cease operations order. The Commissioner of Labor or the commissioner's designee may order an employer to cease its business operations if the commissioner or the commissioner's designee determines that the employer has committed wage theft, the commissioner or the commissioner's designee has previously determined the employer's practice or policy resulted in wage theft on more than one occasion or within the last 12 months and:

A. The practice or policy resulting in the wage theft affects 10 or more employees; or

B. The wage theft is equal to or greater than twice an employee's average weekly wage.

The commissioner or the commissioner's designee shall provide the employer with notice and an opportunity to be heard 3 business days before the effective date of an order issued pursuant to this subsection. The issuance of a cease operations order constitutes final agency action. The commissioner or the commissioner's designee shall issue the cease operations order as narrowly as is determined necessary. Any person who is aggrieved by the imposition of a cease operations order has 10 days from the date of its service to make a request to the commissioner or the commissioner's designee for a hearing. The hearing must be held within 7 business days of the request. The hearing officer shall issue a decision within 5 business days of the hearing.

If an employer refuses to obey an order to cease operations, that order may be enforced in Superior Court.

4. Stay of cease operations order. The Commissioner of Labor or the commissioner's designee

shall stay the issuance of a cease operations order under subsection 3 if the employer provides evidence acceptable to the commissioner or the commissioner's designee that the employer has paid the employee or employees for the amount of unpaid wages and benefits owed and has implemented wage payment practices and policies that comply with this chapter.

5. Rules. The Commissioner of Labor shall adopt rules to implement this section. Rules adopted pursuant to this subsection are routine technical rules as defined in Title 5, chapter 375, subchapter 2-A.

See title page for effective date.

CHAPTER 462

H.P. 1175 - L.D. 1632

An Act Regarding Criminal Procedure with Respect to Allowable Defenses

Be it enacted by the People of the State of Maine as follows:

Sec. 1. 17-A MRSA §38, as enacted by PL 1981, c. 324, §14, is amended by adding at the end a new paragraph to read:

An actor does not suffer from an abnormal condition of the mind based solely on the discovery of knowledge about or potential disclosure of the victim's actual or perceived gender, gender identity, gender expression or sexual orientation, including under circumstances in which the victim made an unwanted nonforcible romantic or sexual advance toward the actor or in which the actor and victim dated or had a romantic or sexual relationship.

Sec. 2. 17-A MRSA §108, sub-§3 is enacted to read:

3. A person is not justified in using force against another based solely on the discovery of, knowledge about or potential disclosure of the victim's actual or perceived gender, gender identity, gender expression or sexual orientation, including under circumstances in which the victim made an unwanted nonforcible romantic or sexual advance toward the person or in which the person and victim dated or had a romantic or sexual relationship.

Sec. 3. 17-A MRSA §201, sub-§4, as amended by PL 2001, c. 383, §8 and affected by §156, is further amended to read:

4. For purposes of subsection 3, provocation is adequate if:

- A. It is not induced by the person; and
- B. It is reasonable for the person to react to the provocation with extreme anger or extreme fear,

provided that evidence demonstrating only that the person has a tendency towards extreme anger or extreme fear is not sufficient, in and of itself, to establish the reasonableness of the person's reaction.

For purposes of determining whether extreme anger or extreme fear was brought about by adequate provocation, the provocation was not adequate if it resulted solely from the discovery of, knowledge about or potential disclosure of the victim's actual or perceived gender, gender identity, gender expression or sexual orientation, including under circumstances in which the victim made an unwanted nonforcible romantic or sexual advance toward the person or in which the person and victim dated or had a romantic or sexual relationship.

See title page for effective date.

CHAPTER 463

H.P. 1262 - L.D. 1775

An Act To Protect Sustenance Fishing

Be it enacted by the People of the State of Maine as follows:

Sec. 1. 38 MRSA §420, sub-§1-B, ¶A, as enacted by PL 2001, c. 418, §3, is amended to read:

A. The ambient criteria for mercury are as follows:

(1) Ambient water quality criteria for aquatic life:

- (a) Freshwater acute: 1.7 micrograms per liter;
- (b) Freshwater chronic: 0.91 micrograms per liter;
- (c) Saltwater acute: 2.1 micrograms per liter; and
- (d) Saltwater chronic: 1.1 micrograms per liter; and

(2) Fish tissue residue criterion for human health: 0.2 milligrams per kilogram in the edible portion of fish for all waters, except for those water body segments subject to a sustenance fishing designated use pursuant to article 4-A, which must have a fish tissue residue criterion for human health of 0.03 milligrams per kilogram in the edible portion of fish.

Sec. 2. 38 MRSA §465-A, sub-§1, ¶C, as amended by PL 2013, c. 193, §4, is further amended to read:

C. There may be no new direct discharge of pollutants into Class GPA waters. The Notwithstanding paragraph D, section 466-A or any other provision of law to the contrary, the following are exempt from this provision:

- (1) Chemical discharges for the purpose of restoring water quality approved by the department;
- (2) Aquatic pesticide or chemical discharges approved by the department and conducted by the department, the Department of Inland Fisheries and Wildlife or an agent of either agency for the purpose of restoring biological communities affected by an invasive species;
- (3) Storm water discharges that are in compliance with state and local requirements;
- (4) Discharges of aquatic pesticides approved by the department for the control of mosquito-borne diseases in the interest of public health and safety using materials and methods that provide for protection of non-target species. When the department issues a license for the discharge of aquatic pesticides authorized under this subparagraph, the department shall notify the municipality in which the application is licensed to occur and post the notice on the department's publicly accessible website; and
- (5) Discharges of pesticides approved by the department that are:
 - (a) Unintended and an incidental result of the spraying of pesticides;
 - (b) Applied in compliance with federal labeling restrictions; and
 - (c) Applied in compliance with statute, Board of Pesticides Control rules and best management practices.

Discharges into these waters licensed prior to January 1, 1986 are allowed to continue only until practical alternatives exist. Materials may not be placed on or removed from the shores or banks of a Class GPA water body in such a manner that materials may fall or be washed into the water or that contaminated drainage may flow or leach into those waters, except as permitted pursuant to section 480-C. A change of land use in the watershed of a Class GPA water body may not, by itself or in combination with other activities, cause water quality degradation that impairs the characteristics and designated uses of downstream GPA waters or causes an increase in the trophic state of those GPA waters.

Sec. 3. 38 MRSA §465-A, sub-§1, ¶D is enacted to read:

D. The following waters are subject to a sustenance fishing designated use pursuant to section 466-A: Conroy Lake in Monticello; Grand Lake Matagamon in Trout Brook Township and T.6 R.8 W.E.L.S.; Mattamiscontis Lake in T.3 R.9 N.W.P. and T.2 R.9 N.W.P.; Grand Falls Flowage, Berry Brook Flowage, George Brook Flowage, Huntley Brook Flowage, Lewey Lake, The Basin, The Narrows, Long Lake and Big Lake, adjacent to Indian Township; and Sysladobsis Lake in T.5 N.D.

Sec. 4. 38 MRSA §466, sub-§10-A is enacted to read:

10-A. Sustenance fishing designated use. "Sustenance fishing designated use" is a subcategory of the applicable fishing designated use that protects human consumption of fish for nutritional and cultural purposes and applies only to those water body segments that are identified in this article as subject to a sustenance fishing designated use.

Sec. 5. 38 MRSA §466-A is enacted to read:

§466-A. Sustenance fishing designated use

1. Water quality criteria. To protect the sustenance fishing designated use designated under this article, the department shall calculate and establish water quality criteria for human health using a fish consumption rate of 200 grams per day and a cancer risk level of one in 1,000,000, except that the cancer risk level for inorganic arsenic is governed by section 420, subsection 2, paragraph J.

2. Criteria deemed protective. For all purposes, the sustenance fishing designated use established under this article is deemed protected through the water quality criteria for human health calculated and established by the department for the water body segments subject to a sustenance fishing designated use under this article.

3. Limitation; construction. Nothing in this section and nothing in the designation in this article of a sustenance fishing designated use may be construed to:

A. Create any other right or protection, including a right to any particular quantity or quality of fish;

B. Limit any right or protection otherwise existing in law; or

C. Alter or affect the regulation of mercury in discharges, which is governed exclusively by section 413, subsection 11 and section 420, subsection 1-B.

Sec. 6. 38 MRSA §467, sub-§7, ¶A, as amended by PL 2003, c. 317, §12, is further amended to read:

A. Penobscot River, main stem.

(1) From the confluence of the East Branch and the West Branch to the confluence of the Mattawamkeag River, including all impoundments - Class B. This segment is subject to a sustenance fishing designated use pursuant to section 466-A.

(2) From the confluence of the Mattawamkeag River to the confluence of Cambolasse Stream - Class B. This segment is subject to a sustenance fishing designated use pursuant to section 466-A.

(3) From the confluence of Cambolasse Stream to the West Enfield Dam - Class B. This segment is subject to a sustenance fishing designated use pursuant to section 466-A.

(5) From the West Enfield Dam, ~~including the Stillwater Branch,~~ to the ~~Veazie Milford Dam,~~ including all impoundments, ~~and the Stillwater Branch~~ - Class B. That portion of this segment upstream of the Milford Dam and upstream of the Gilman Falls Dam at Route 43 is subject to a sustenance fishing designated use pursuant to section 466-A.

(6) From the ~~Veazie Milford Dam,~~ but not including the ~~Veazie Milford Dam,~~ to the Maine Central Railroad bridge in Bangor-Brewer - Class B. Further, the Legislature finds that the free-flowing habitat of this river segment provides irreplaceable social and economic benefits and that this use must be maintained.

(7) From the Maine Central Railroad bridge in Bangor to a line extended in an east-west direction from a point 1.25 miles upstream of the confluence of Reeds Brook in Hampden - Class B. Further, the Legislature finds that the free-flowing habitat of this river segment provides irreplaceable social and economic benefits and that this use must be maintained.

Sec. 7. 38 MRSA §467, sub-§7, ¶B, as repealed and replaced by PL 1989, c. 764, §7, is amended to read:

B. Penobscot River, East Branch Drainage.

(1) East Branch of the Penobscot River, main stem.

(a) Above its confluence with Grand Lake Mattagamon - Class A.

(b) From the dam at the outlet of Grand Lake Mattagamon to a point located 1,000 feet downstream from the dam - Class A. This segment is subject to a sustenance fishing designated use pursuant to section 466-A.

(c) From a point located 1,000 feet downstream from the dam at the outlet of Grand Lake Mattagamon to its confluence with the ~~West Branch Mattaceunk impoundment~~ as it existed on July 14, 1990 - Class AA. This segment is subject to a sustenance fishing designated use pursuant to section 466-A.

(d) From its confluence with the Mattaceunk impoundment as it existed on July 14, 1990 to its confluence with the West Branch - Class B. Further, there may be no new direct discharges to this segment after January 1, 2019. This segment is subject to a sustenance fishing designated use pursuant to section 466-A.

(2) East Branch of the Penobscot River, tributaries - Class A unless otherwise specified.

(a) All tributaries, any portion of which is located within the boundaries of Baxter State Park - Class AA.

(b) Sawtelle Brook, from a point located 1,000 feet downstream from the dam at the outlet of Sawtelle Deadwater to its confluence with the Sebocis River - Class AA.

(c) Sebocis River, from the outlet of Snowshoe Lake to its confluence with the East Branch - Class AA.

(d) Wassataquoik Stream, from the boundary of Baxter State Park to its confluence with the East Branch - Class AA.

(e) Webster Brook, from a point located 1,000 feet downstream from the dam at the outlet of Telos Lake to its confluence with Webster Lake - Class AA.

Sec. 8. 38 MRSA §467, sub-§7, ¶D, as amended by PL 1999, c. 277, §11, is further amended to read:

D. Mattawamkeag River Drainage.

(1) Mattawamkeag River, main stem.

(a) From the confluence of the East Branch and the West Branch to the Kingman-Mattawamkeag boundary - Class A.

(b) From the Kingman-Mattawamkeag boundary to its confluence with the Penobscot River - Class AA.

(2) Mattawamkeag River, tributaries - Class A unless otherwise specified.

(a) East Branch Mattawamkeag River above Red Bridge - Class B.

~~(b) West Branch Mattawamkeag River from Interstate 95 to its confluence with Mattawamkeag Lake - Class B.~~

~~(c) Fish Stream - Class B.~~

(d) West Branch Mattawamkeag River from its source at Rockabema Lake to its confluence with Mattawamkeag Lake - Class A. This segment is subject to a sustenance fishing designated use pursuant to section 466-A.

Sec. 9. 38 MRSA §467, sub-§13, as amended by PL 2009, c. 163, §9, is further amended to read:

13. St. Croix River Basin.

A. St. Croix River, main stem.

(1) Except as otherwise provided, from the outlet of Chiputneticook Lakes to its confluence with the Woodland Lake impoundment, those waters lying within the State - Class A. This segment is subject to a sustenance fishing designated use pursuant to section 466-A.

(2) Those waters impounded in the Grand Falls Flowage including those waters between Route 1 (Princeton and Indian Township) and Grand Falls Dam - Class GPA. These waters are subject to a sustenance fishing designated use pursuant to section 466-A.

(3) Woodland Lake impoundment - Class C.

(4) From the Woodland Dam to tidewater, those waters lying within the State, including all impoundments - Class C.

B. St. Croix River, tributaries, those waters lying within the State - Class B unless otherwise specified.

(1) All tributaries entering upstream from the dam at Calais, the drainage areas of which are wholly within the State - Class A unless otherwise classified.

(2) Tomah Stream - Class AA. This stream is subject to a sustenance fishing designated use pursuant to section 466-A.

(3) Monument Brook - Class A.

(4) Waters connecting the Chiputneticook Lakes, including The Thoroughfare, Forest City Stream and Mud Lake Stream - Class A.

(5) Berry Brook, George Brook, Huntley Brook, Musquash Stream, Flipper Creek, Patten Pond Stream and all segments of the West Branch of the St. Croix River between the West Grand Lake Dam and Route 1 - Class

A. These waters are subject to a sustenance fishing designated use pursuant to section 466-A.

Sec. 10. 38 MRSA §467, sub-§15, ¶A, as repealed and replaced by PL 1989, c. 764, §16, is amended to read:

A. St. John River, main stem.

(1) From the confluence of the Northwest Branch and the Southwest Branch to a point located one mile above the foot of Big Rapids in Allagash - Class AA. This segment is subject to a sustenance fishing designated use pursuant to section 466-A.

(2) From a point located one mile above the foot of Big Rapids in Allagash to the international bridge in Fort Kent, those waters lying within the State, including all impoundments - Class A.

(3) From the international bridge in Fort Kent to the international bridge in Madawaska, those waters lying within the State, including all impoundments - Class B.

(4) From the international bridge in Madawaska to where the international boundary leaves the river in Hamlin, those waters lying within the State, including all impoundments - Class C.

(7) Violette Stream and its tributaries, from its source to the confluence with Caniba Brook - Class A.

Sec. 14. 38 MRSA §468, sub-§8, ¶¶P and Q are enacted to read:

P. Cherryfield.

(1) Tunk Stream and its tributaries - Class A.

Q. Perry.

(1) Boyden Stream - Class B. This segment is subject to a sustenance fishing designated use pursuant to section 466-A.

Sec. 15. 38 MRSA §469, sub-§7, ¶H-1 is enacted to read:

H-1. Perry.

(1) Tidal waters south of a line running from Gleason Point easterly to the international boundary, thence southerly to the town line with Quoddy, thence westerly to the Old Eastport Road, including Boyden Stream and the Little River - Class SB. These waters are subject to a sustenance fishing designated use pursuant to section 466-A.

Sec. 16. Rulemaking. The Department of Environmental Protection shall adopt rules no later than March 1, 2020 that calculate and establish water quality criteria protective of human health for toxic pollutants and the sustenance fishing designated use as established pursuant to this Act. Rules adopted under this section are routine technical rules as defined in the Maine Revised Statutes, Title 5, chapter 375, subchapter 2-A.

See title page for effective date.

CHAPTER 464

H.P. 1216 - L.D. 1701

An Act To Clarify Various Provisions of the Maine Human Rights Act

Be it enacted by the People of the State of Maine as follows:

Sec. 1. 5 MRSA §4553, as amended by PL 2015, c. 457, §§1 and 2, is further amended to read:

§4553. Definitions

As used in this Act, unless the context or subchapter otherwise indicates, the following words have the following meanings.

1. Commission. "Commission" means the Maine Human Rights Commission established by this Act.

1-A. Commercial facilities. "Commercial facilities" means facilities that are intended for nonresidential use.

1-B. Covered entity. For purposes of subchapter ~~HH~~ **3**, "covered entity" means an employer, employment agency, labor organization or joint labor-management committee. For purposes of subchapter ~~V~~ **5**, "covered entity" means any applicable private entity or public entity.

1-C. Direct threat. For purposes of subchapter ~~HH~~ **3**, "direct threat" means a significant risk to the health or safety of others that can not be eliminated by reasonable accommodation.

1-D. Aggrieved person. "Aggrieved person" includes any person who claims to have been subject to unlawful discrimination on the basis of protected class status, including discrimination based on the person's known relationship or association with a member of a protected class and discrimination on the basis of perceived protected class status. "Aggrieved person" also includes any person who claims to have been injured by unlawful housing discrimination.

1-E. Complainant. "Complainant" means a person who files a complaint under section 4611 ~~or a civil action under section 4621.~~

1-F. Conciliation. "Conciliation" means the attempted resolution after a finding by the commission that unlawful discrimination has occurred of issues raised by a complaint filed under section 4611 or by an investigation of such a complaint through informal negotiations involving the complainant, the respondent and the commission.

1-G. Conciliation agreement. "Conciliation agreement" means a written agreement setting forth the resolution of the issues in conciliation.

1-H. Assistance animal. "Assistance animal" means, for the purposes of subchapter 4:

A. An animal that has been determined necessary for an individual with a physical or mental disability to mitigate the effects of a physical or mental disability by a physician, psychologist, physician assistant, nurse practitioner ~~or~~, licensed social worker, licensed professional counselor or other licensed health professional with knowledge of the disability-related need for an assistance animal; or

B. An animal individually trained to do work or perform tasks for the benefit of an individual with a physical or mental disability, including, but not limited to, guiding individuals with impaired vision, alerting individuals who are deaf or hard of hearing to intruders or sounds, providing reasonable protection or rescue work, pulling a wheelchair or retrieving dropped items.

2. Discriminate. "Discriminate" includes, without limitation, segregate ~~or~~, separate or subject to harassment.

For purposes of subchapter ~~III~~ 3, "discriminate" also includes, ~~as it relates to individuals with physical or mental disability~~:

A. Limiting, segregating or classifying a job applicant or employee in a way that adversely affects the opportunities or status of the applicant or employee because of the ~~disability~~ protected class of the applicant or employee;

B. Participating in a contractual or other arrangement or relationship that has the effect of subjecting a covered entity's qualified applicant or employee ~~with a disability~~ to the discrimination prohibited by this Act. A relationship includes a relationship with an employment or referral agency, labor union, an organization providing fringe benefits to an employee of the covered entity or an organization providing training and apprenticeship programs;

C. Utilizing standards, criteria or methods of administration:

(1) That have the effect of discrimination on the basis of ~~disability~~ protected class status; or

(2) That perpetuate ~~the~~ discrimination ~~of~~ on the basis of protected class status by others who are subject to common administrative control;

D. Excluding or otherwise denying equal jobs or benefits to a qualified individual because of the known ~~disability~~ protected class status of an individual with whom the qualified individual is known to have a relationship or association;

E. Not making reasonable accommodations to the known physical or mental limitations of an otherwise qualified individual with a disability who is an applicant or employee, unless the covered entity can demonstrate that the accommodation would impose an undue hardship on the operation of the business of the covered entity;

F. Denying employment opportunities to a job applicant or employee who is an otherwise qualified individual with a disability, if the denial is based on the need of the covered entity to make reasonable accommodation to the physical or mental impairments of the employee or applicant;

G. Using qualification standards, employment tests or other selection criteria that screen out or tend to screen out an individual ~~with a disability~~ or a class of individuals ~~with disabilities~~ based on their protected class status unless the standard, test or other selection criteria, as used by the covered entity, is shown to be job-related for the position in question and is consistent with business necessity; and

H. Failing to select and administer tests concerning employment in the most effective manner to ensure that, when the test is administered to a job applicant or employee who has a disability that impairs sensory, manual or speaking skills, the test results accurately reflect the skills, aptitude or any other factor of the applicant or employee that the test purports to measure, rather than reflecting the impaired sensory, manual or speaking skills of the employee or applicant, except when the skills are the factors that the test purports to measure.

2-A. Educational institution. "Educational institution" means any public school or educational program, any public post-secondary institution, any private school or educational program approved for tuition purposes if both male and female students are admitted and the governing body of each such school or program. For purposes related to disability-related discrimination, "educational institution" also means any private school or educational program approved for tuition purposes.

3. Employee. "Employee" means an individual employed by an employer. "Employee" does not include any individual employed by that individual's parents, spouse or child, except for purposes of disability-related discrimination, in which case the individual is considered to be an employee.

4. Employer. "Employer" includes any person in this State employing any number of employees, whatever the place of employment of the employees, and any person outside this State employing any number of employees whose usual place of employment is in this State; any person acting in the interest of any employer, directly or indirectly, such that the person's actions are considered the actions of the employer for purposes of liability; and labor organizations, whether or not organized on a religious, fraternal or sectarian basis, with respect to their employment of employees. "Employer" does not include a religious or fraternal corporation or association, not organized for private profit and in fact not conducted for private profit, with respect to employment of its members of the same religion, sect or fraternity, except for purposes of disability-related discrimination, in which case the corporation or association is considered to be an employer.

5. Employment agency. "Employment agency" includes any person undertaking with or without compensation to procure opportunities to work, or to procure, recruit, refer or place employees; it includes, without limitation, placement services, training schools and centers, and labor organizations, to the extent that they act as employee referral sources; and it includes any agent of such person acting in the interest of the person such that the agent's actions are considered the actions of the employment agency for purposes of liability.

5-A. Familial status. "Familial status" means that a family unit may contain one or more individuals who have not attained ~~the age of~~ 18 years of age and are living with:

- A. A parent or another person having legal custody of the individual or individuals; or
- B. The designee of the parent or other person having custody, with the written permission of the parent or other person.

The protections afforded against discrimination on the basis of familial status ~~shall~~ apply to any person who is pregnant or who is in the process of securing legal custody of any individual who has not attained ~~the age of~~ 18 years of age.

5-B. Family. "Family" includes, but is not limited to, a single individual.

5-C. Gender identity. "Gender identity" means the gender-related identity, appearance, mannerisms or

other gender-related characteristics of an individual, regardless of the individual's assigned sex at birth.

6. Housing accommodation. "Housing accommodation" includes any building or structure or portion thereof, or any parcel of land, developed or undeveloped, that is occupied, or is intended to be occupied or to be developed for occupancy, for residential purposes.

6-A. Normal retirement age. "Normal retirement age" means the specified age, the years of service requirement or any age and years of service combination at which a member may become eligible for retirement benefits. This subsection may not be construed to require the mandatory retirement of a member or to deny employment to any person based solely on that person's normal retirement age.

7. Person. "Person" includes one or more individuals, partnerships, associations, organizations, corporations, municipal corporations, legal representatives, trustees, trustees in bankruptcy, receivers and other legal representatives, labor organizations, mutual companies, joint-stock companies and unincorporated organizations and includes the State and all agencies thereof.

7-A. Physical or mental disability. "Physical or mental disability" has the meaning set forth in section 4553-A.

8. Place of public accommodation. "Place of public accommodation" means a facility, operated by a public entity or private entity, whose operations fall within at least one of the following categories:

- A. An inn, hotel, motel or other place of lodging, whether conducted for the entertainment or accommodation of transient guests or those seeking health, recreation or rest;
- B. A restaurant, eating house, bar, tavern, buffet, saloon, soda fountain, ice cream parlor or other establishment serving or selling food or drink;
- C. A motion picture house, theater, concert hall, stadium, roof garden, airdrome or other place of exhibition or entertainment;
- D. An auditorium, convention center, lecture hall or other place of public gathering;
- E. A bakery, grocery store, clothing store, hardware store, shopping center, garage, gasoline station or other sales or rental establishment;
- F. A laundromat, dry cleaner, bank, barber shop, beauty shop, travel service, shoe repair service, funeral parlor, gas station, office of an accountant or lawyer, pharmacy, insurance office, professional office of a health care provider, hospital, dispensary, clinic, bathhouse or other service establishment;

G. All public conveyances operated on land or water or in the air as well as a terminal, depot or other station used for specified public transportation;

H. A museum, library, gallery or other place of public display or collection;

I. A park, zoo, amusement park, race course, skating rink, fair, bowling alley, golf course, golf club, country club, gymnasium, health spa, shooting gallery, billiard or pool parlor, swimming pool, seashore accommodation or boardwalk or other place of recreation, exercise or health;

J. A nursery, elementary, secondary, undergraduate or postgraduate school or other place of education;

K. A ~~day-care~~ day care center, senior citizen center, homeless shelter, food bank, adoption agency or other social service center establishment;

L. Public elevators of buildings occupied by 2 or more tenants or by the owner and one or more tenants;

M. A municipal building, courthouse, town hall or other establishment of the State or a local government; and

N. Any establishment that in fact caters to, or offers its goods, facilities or services to, or solicits or accepts patronage from, the general public.

When a place of public accommodation is located in a private residence, the portion of the residence used exclusively as a residence is not covered by this subchapter, but that portion used exclusively in the operation of the place of public accommodation or that portion used both for the place of public accommodation and for the residential purposes is covered by this subchapter. The covered portion of the residence extends to those elements used to enter the place of public accommodation, and those exterior and interior portions of the residence available to or used by customers or clients, including rest rooms.

8-A. Private entity. "Private entity" means any entity other than a public entity.

8-B. Public accommodation. "Public accommodation" means a public entity or private entity that owns, leases to or operates a place of public accommodation.

8-C. Public entity. "Public entity" means:

A. The State or any local government;

B. Any department, agency, special purpose district or other instrumentality of the State, 2 or more states or a local government; and

C. A state, local or private commuter authority as defined in the federal Rail Passenger Service Act, ~~Section 103 (8).~~

8-D. Qualified individual with a disability. "Qualified individual with a disability" applies to only:

A. Subchapter ~~III~~ 3 (employment); and

B. Subchapter ~~V~~ 5 (public accommodations) with regard to public entities only.

For purposes of subchapter ~~III~~ 3, "qualified individual with a disability" means an individual with a physical or mental disability who, with or without reasonable accommodation, can perform the essential functions of the employment position that the individual holds or desires.

For purposes of subchapter ~~V~~ 5, "qualified individual with a disability" means an individual with a disability who, with or without reasonable modification to rules, policies or practices, the removal of architectural, communication or transportation barriers or the provision of auxiliary aids and services, meets the essential eligibility requirements for the receipt of services or the participation in programs or activities provided by a public entity.

8-E. Protected class. "Protected class" means a class of individuals protected from unlawful discrimination under this Act.

9. Real estate broker and sales agent. "Real estate broker" and "real estate ~~salesman~~ sales agent" have the same definitions meanings as are given ~~respectively~~ in Title 32, ~~section 4001, subsections 2 and 3~~ sections 13198 and 13200 respectively; but include all persons meeting those definitions, whether ~~or not~~ they are licensed or required to be licensed.

9-A. Reasonable accommodation. For purposes of subchapter ~~III~~ 3, "reasonable accommodation" may include, but is not limited to:

A. Making existing facilities used by employees readily accessible to and usable by individuals with disabilities; and

B. Job restructuring, part-time or modified work schedules, reassignment to a vacant position, leaves of absence, acquisition or modification of equipment or devices, appropriate adjustment or modifications of examinations, training materials or policies, the provision of qualified readers or interpreters and other similar accommodations for individuals with disabilities.

9-B. Undue hardship; undue burden. "Undue hardship" or "undue burden" ~~mean~~ means an action requiring undue financial or administrative hardship. In determining whether an action would result in an undue hardship, factors to be considered include:

- A. The nature and cost of the accommodation needed under this Act;
- B. The overall financial resources of the facility or facilities involved in the action, the number of persons employed at the facility, the effect on expenses and resources or the impact otherwise of the action upon the operation of the facility;
- C. The overall financial resources of the covered entity, the overall size of the business of a covered entity with respect to the number of its employees and the number, type and location of its facilities;
- D. The type of operation or operations of the covered entity, including the composition, structure and functions of the work force of the entity, the geographic separateness, administrative or fiscal relationship of the facility or facilities in question to the covered entity;
- E. All the resources available to meet the costs of the accommodation, including any government funding or other grants available for making public accommodations and places of employment accessible;
- F. The extent to which current costs of accommodations have been minimized by past efforts to provide equal access to persons with disabilities;
- G. The extent to which resources spent on improving inaccessible equipment or service could have been spent on making an accommodation so that service or equipment is accessible to individuals with disabilities, as well as to individuals without disabilities;
- H. Documented good faith efforts to explore less restrictive or less expensive alternatives;
- I. The availability of equipment and technology for the accommodation;
- J. Whether an accommodation would result in a fundamental change in the nature of the public accommodation;
- K. Efforts to minimize costs by spreading costs over time; and
- L. The extent to which resources saved by failing to make an accommodation for persons who have disabilities could have been saved by cutting costs in equipment or services for the general public.

"Undue hardship" or "undue burden" is a higher standard than "readily achievable" and requires a greater level of effort on the part of the public accommodation.

9-C. Sexual orientation. "Sexual orientation" means a person's actual or perceived heterosexuality, bisexuality, homosexuality or gender identity or expression.

9-E. Service animal. "Service animal" means:

B. For the purposes of subchapter 5, a dog that is individually trained to do work or perform tasks for the benefit of an individual with a disability, including a physical, sensory, psychiatric, intellectual or other mental disability. Other species of animals, whether wild or domestic, trained or untrained, are not service animals for the purposes of this definition. The work or tasks performed by a service animal must be directly related to the individual's disability. Examples of such work or tasks include, but are not limited to, assisting an individual who is totally or partially blind with navigation and other tasks, alerting an individual who is deaf or hard of hearing to the presence of people or sounds, providing nonviolent protection or rescue work, pulling a wheelchair, assisting an individual during a seizure, alerting an individual to the presence of allergens, retrieving items such as medicine or a telephone, providing physical support and assistance with balance and stability to an individual with a mobility disability and helping a person with a psychiatric or neurological disability by preventing or interrupting impulsive or destructive behaviors. The crime deterrent effects of an animal's presence and the provision of emotional support, well-being, comfort or companionship do not constitute work or tasks for the purposes of this definition.

9-F. Rent. "Rent" includes to lease, to sublease, to let or otherwise to grant for a consideration the right to occupy premises not owned by the occupant.

9-G. Respondent. "Respondent" means a person accused of unlawful discrimination in a complaint filed under section 4611 ~~or a civil action filed under section 4621.~~

10. Unlawful discrimination. "Unlawful discrimination" includes:

- A. Unlawful employment discrimination as defined and limited by subchapter ~~III~~ 3;
- B. Unlawful housing discrimination as defined and limited by subchapter ~~IV~~ 4;
- C. Unlawful public accommodations discrimination as defined by subchapter ~~V~~ 5;
- D. Aiding, abetting, inciting, compelling or coercing another to do any of such types of unlawful discrimination; obstructing or preventing any person from complying with this Act or any order issued in this subsection; attempting to do any act of unlawful discrimination; and punishing or penalizing, or attempting to punish or penalize, any person for seeking to exercise any of the civil rights declared by this Act or for complaining of a violation of this Act or for testifying in any proceeding brought in this subsection;

E. In determining whether a person is acting as an agent or employee of another person so as to make such other person responsible for that person's acts, the question of whether the specific acts performed were actually authorized or subsequently ratified is not controlling;

F. Unlawful educational discrimination as defined and limited by subchapter 5-B; and

G. Discrimination in employment, housing, public accommodation, credit and educational opportunity on the basis of sexual orientation or gender identity, except that a religious corporation, association or organization that does not receive public funds is exempt from this provision with respect to:

- (1) Employment, as is more fully set forth in section 4553, subsection 4 and section 4573-A;
- (2) Housing; and
- (3) Educational opportunity, as is more fully set forth in section 4602, subsection 4.

Any for-profit organization owned, controlled or operated by a religious association or corporation and subject to the provisions of the Internal Revenue Code, 26 United States Code, Section 511(a) is not covered by the exemptions set forth in this paragraph.

Sec. 2. 5 MRSA §4555, as enacted by PL 1995, c. 393, §10, is repealed.

Sec. 3. 5 MRSA §4573-A, sub-§1, as enacted by PL 1995, c. 393, §21, is amended to read:

1. General provisions. It is a defense to a charge of discrimination under this subchapter that an alleged application of qualification standards, tests or selection criteria that screen out or tend to screen out or otherwise deny a job or benefit to an individual ~~with a disability based on protected class status~~ has been shown to be job-related and consistent with business necessity, and such performance can not be accomplished by reasonable accommodation, as required by this subchapter.

Sec. 4. 5 MRSA §4573-A, sub-§1-B, as enacted by PL 1995, c. 511, §1 and affected by §3, is repealed.

Sec. 5. 5 MRSA §4592, sub-§7, ¶B, as amended by PL 2007, c. 664, §6, is further amended to read:

B. That perpetuate the discrimination of others who are subject to common administrative control; ~~and~~

Sec. 6. 5 MRSA §4592, sub-§8, as amended by PL 2015, c. 457, §4, is further amended to read:

8. Service animals. For any public accommodation or any person who is the owner, lessor, lessee, proprietor, operator, manager, superintendent, agent or employee of any place of public accommodation to refuse to permit the use of a service animal or otherwise discriminate against an individual with a physical or mental disability who uses a service animal at the public accommodation unless it is shown by defense that the service animal poses a direct threat to the health or safety of others or the use of the service animal would result in substantial physical damage to the property of others or would substantially interfere with the reasonable enjoyment of the public accommodation by others. The use of a service animal may not be conditioned on the payment of a fee or security deposit, although the individual with a physical or mental disability is liable for any damage done to the premises or facilities by such a service animal. This subsection does not apply to an assistance animal as defined in section 4553, subsection 1-H unless the assistance animal also qualifies as a service animal; ~~and~~

Sec. 7. 5 MRSA §4592, sub-§9 is enacted to read:

9. Unlawful public accommodations. For any public accommodation to designate a single-occupancy toilet facility as for use only by members of one sex. A single-occupancy toilet facility may be identified by a sign, as long as the sign does not indicate that the facility is for use by members of one specific sex. For the purposes of this subsection, a "single-occupancy toilet facility" is a restroom for use by one user at a time or for family or assisted use and that has an outer door that can be locked by the occupant.

CHAPTER 465

H.P. 1217 - L.D. 1702

An Act To Enhance the Administration of the Maine Human Rights Act

Be it enacted by the People of the State of Maine as follows:

Sec. 1. 5 MRSA §4566, sub-§3, as amended by PL 1985, c. 785, Pt. B, §36, is further amended to read:

3. Personnel. To appoint a full-time executive ~~secretary~~ director and counsel to the commission, not subject to the Civil Service Law, and determine their remuneration; and to appoint, subject to the Civil Service Law, other personnel including, but not limited to, investigators, attorneys, compliance personnel and

secretaries, as it shall deem necessary to effectuate the purposes of this Act;

Sec. 2. 5 MRSA §4566, sub-§4, as enacted by PL 1971, c. 501, §1, is amended to read:

4. Hearings. To hold hearings, to administer oaths and to take the testimony of any person under oath. There ~~shall be~~ is no executive privilege in such investigations and hearings, but law enforcement officers, prosecution officers and judges of this State and of the United States ~~shall be~~ are privileged from compulsory testimony or production of documents before the commission. Such hearings and testimony may relate to general investigations concerning the effectiveness of this Act and the existence of practices of discrimination not prohibited by it, as well as to investigations of other alleged infringements upon human rights and personal dignity. The commission may make rules as to the administration of oaths, and the holding of preliminary and general investigations by panels of commissioners and by the executive ~~secretary~~ director;

Sec. 3. 5 MRSA §4566, sub-§6, as amended by PL 2005, c. 10, §7, is further amended to read:

6. Advisory groups. To create local or statewide advisory agencies and conciliation councils to aid in effectuating the purposes of this Act. The commission may study or may empower these agencies and councils to study the problems of discrimination in all or specific fields of human relationships when based on ~~race or color, sex, sexual orientation, physical or mental disability, religion, age, ancestry or national origin~~ protected class characteristics, membership or status, and foster good will among the groups and elements of the population of the State. Agencies and councils may make recommendations to the commission for the development of policies and procedures. Advisory agencies and conciliation councils created by the commission must be composed of representative citizens serving without pay, but with reimbursement for actual and necessary traveling expenses;

Sec. 4. 5 MRSA §4566, sub-§10, as amended by PL 2005, c. 10, §8, is further amended to read:

10. Publications. To publish results of investigations and research to promote good will and minimize or eliminate discrimination based on ~~race or color, sex, sexual orientation, physical or mental disability, religion, age, ancestry or national origin~~ protected class characteristics, membership or status;

Sec. 5. 5 MRSA §4566, sub-§11, as amended by PL 2005, c. 10, §9, is further amended to read:

11. Reports. To report to the Legislature and the Governor at least once a year describing the investigations, proceedings and hearings the commission has conducted and the outcome and other work performed by the commission, and to make recommendations for

further legislation or executive action concerning abuses and discrimination based on ~~race or color, sex, sexual orientation, physical or mental disability, religion, age, ancestry or national origin~~ protected class characteristics, membership or status, or other infringements on human rights or personal dignity; and

Sec. 6. 5 MRSA §4612, as amended by PL 2011, c. 613, §§19 and 20 and affected by §29, is further amended to read:

§4612. Procedure on complaints

1. Predetermination resolution; investigation.

Upon receipt of such a complaint, the commission or its delegated single commissioner or investigator shall take the following actions.

A. The commission or its delegated single commissioner or investigator shall provide an opportunity for the complainant and respondent to resolve the matter by settlement agreement prior to a determination of whether there are reasonable grounds to believe that unlawful discrimination has occurred. Evidence of conduct or statements made in compromise settlement negotiations, offers of settlement and any final agreement are confidential and may not be disclosed without the written consent of the parties to the proceeding nor used as evidence in any subsequent proceeding, civil or criminal, except in a civil action alleging a breach of agreement filed by the commission or a party. Notwithstanding this paragraph, the commission and its employees have discretion to disclose such information to a party as is reasonably necessary to facilitate settlement. The commission may adopt rules providing for a 3rd-party neutral mediation program. The rules may permit one or more parties to a proceeding to agree to pay the costs of mediation. The commission may receive funds from any source for the purposes of implementing a 3rd-party neutral mediation program, and such funds are not subject to any statewide cost allocation plan.

B. The commission or its delegated commissioner or investigator shall conduct such preliminary investigation as it determines necessary to determine whether there are reasonable grounds to believe that unlawful discrimination has occurred. In conducting an investigation, the commission, or its designated representative, must have access at all reasonable times to premises, records, documents, individuals and other evidence or possible sources of evidence and may examine, record and copy those materials and take and record the testimony or statements of such persons as are reasonably necessary for the furtherance of the investigation. The commission may issue subpoenas to compel access to or production of those materials or the appearance of those persons, subject to section 4566, subsections 4-A and 4-B, and may

serve interrogatories on a respondent to the same extent as interrogatories served in aid of a civil action in the Superior Court. The commission may administer oaths. The complaint and evidence collected during the investigation of the complaint, other than data identifying persons not parties to the complaint and other information designated as confidential in subsection 1-A, is a matter of public record at the conclusion of the investigation of the complaint prior to a determination by the commission. An investigation is concluded upon issuance of a letter of dismissal or upon listing of the complaint on a published commission meeting agenda, whichever first occurs. Prior to the conclusion of an investigation, all information possessed by the commission relating to the investigation is confidential and may not be disclosed, except that the commission and its employees have discretion to disclose such information as is reasonably necessary to further the investigation. Notwithstanding any other provision of this section, the complaint and evidence collected during the investigation of the complaint may be used as evidence in any subsequent proceeding, civil or criminal. The commission must conclude an investigation under this paragraph within 2 years after the complaint is filed with the commission.

1-A. Confidential documents. The following information collected during the investigation of a complaint pursuant to this section is confidential and may not be disclosed except to the parties to a complaint, the commission and its federal partner agencies or in a subsequent civil or criminal legal action:

- A. Medical, counseling, psychiatric and other confidential health records;
- B. Social security numbers;
- C. Evidence of conduct or statements made in compromise settlement negotiations, offers of settlement and final agreements made prior to the conclusion of the investigative process;
- D. Names of minor children;
- E. Any information the commission is required to keep confidential pursuant to work-sharing agreements with the United States Equal Employment Opportunity Commission, the United States Department of Housing and Urban Development or any other federal partner agencies;
- F. Criminal history record information that is not otherwise made public by law;
- G. Personnel records and personal information that has been made confidential by law;
- H. Notes made by the investigator for the investigator's private use in assessing evidence gathered during an investigation; and

I. Any other records that are not public records in accordance with Title 1, section 402.

Documents containing information set forth in this subsection are not "public records," as defined in Title 1, section 402, subsection 3, and do not become a matter of public record under this section.

2. Order of dismissal. If the commission does not find reasonable grounds to believe that unlawful discrimination has occurred, it shall enter an order so finding, and dismiss the proceeding.

2-A. Administrative dismissal. The executive director of the commission may administratively dismiss a complaint for reasons including, but not limited to:

- A. Lack of jurisdiction;
- B. Failure to substantiate the complaint of discrimination;
- C. Failure to file a complaint of discrimination within 300 days of the date of alleged discrimination;
- D. Failure by complainant to proceed or cooperate with the investigation, including but not limited to a complainant's repeated or egregious failure to abide by the commission's confidentiality requirements;
- E. Bankruptcy filing by respondent; or
- F. Death of a complainant, if no person with legal authority to continue the case appears on that person's own behalf or on behalf of the complainant's estate within a reasonable time.

An administrative dismissal operates as an order of dismissal and has the same effect as a finding by the commission that no reasonable grounds exist to believe that unlawful discrimination has occurred.

3. Informal methods, conciliation. If the commission finds reasonable grounds to believe that unlawful discrimination has occurred, but finds no emergency of the sort contemplated in subsection 4, paragraph B, it shall endeavor to eliminate such discrimination by informal means such as conference, conciliation and persuasion. Everything said or done as part of such endeavors is confidential and may not be disclosed without the written consent of the parties to the proceeding, nor used as evidence in any subsequent proceeding, civil or criminal, except in a civil action alleging a breach of agreement filed by the commission or a party. Any post-finding conciliation agreement that includes the commission as a signatory is a public record. Notwithstanding this subsection, the commission and its employees have discretion to disclose such information to a party as is reasonably necessary to facilitate conciliation. If the case is disposed of by such informal means in a manner satisfactory to

a majority of the commission, it shall dismiss the proceeding.

4. Civil action by commission. The commission may file a civil action in accordance with this subsection.

A. If the commission finds reasonable grounds to believe that unlawful discrimination has occurred, and further believes that irreparable injury or great inconvenience will be caused the victim of such discrimination or to members of a ~~racial, color, sex, sexual orientation, physical or mental disability, religious or nationality group or age~~ protected class group if relief is not immediately granted, or if conciliation efforts under subsection 3 have not succeeded, the commission may file in the Superior Court a civil action seeking such relief as is appropriate, including temporary restraining orders. In a complaint investigated pursuant to a memorandum of understanding between the commission and the United States Department of Housing and Urban Development that results in a reasonable grounds determination, the commission shall file a civil action for the use of complainant if conciliation efforts under subsection 3 are unsuccessful.

B. Grounds for the filing of such an action before attempting conciliation include, but are not limited to:

- (1) In unlawful housing discrimination, that the housing accommodation sought is likely to be sold or rented to another during the pendency of proceedings, or that an unlawful eviction is about to occur;
- (2) In unlawful employment discrimination, that the victim of the discrimination has lost or is threatened with the loss of job and income as a result of such discrimination;
- (3) In unlawful public accommodations discrimination, that such discrimination is causing inconvenience to many persons;
- (4) In any unlawful discrimination, that the victim of the discrimination is suffering or is in danger of suffering severe financial loss in relation to circumstances, severe hardship or personal danger as a result of such discrimination.

5. Confidentiality of 3rd-party records. The Legislature finds that persons who are not parties to a complaint under this chapter as a complainant or a respondent have a right to privacy. Any records of the commission that are open to the public under Title 1, chapter 13, must be kept in such a manner as to ensure that data identifying these 3rd parties is not reflected in the record. ~~Only data reflecting the identity of these persons may be kept confidential.~~

6. Right to sue. If, within 180 days of a complaint being filed with the commission, the commission has not filed a civil action in the case or has not entered into a conciliation agreement in the case, the complainant may request a right-to-sue letter, and, if a letter is given, the commission shall end its investigation.

Sec. 7. 5 MRSA §4614, as enacted by PL 1981, c. 255, §3, is amended to read:

§4614. Attorney's fees and costs

In any civil action under this Act, the court, in its discretion, may allow the prevailing party, ~~other than the commission,~~ reasonable ~~attorneys'~~ attorney's fees and costs, ~~and except that the commission shall be liable for attorneys' fees and costs the same as a private person may not be awarded attorney's fees and costs and is not liable to pay any party's attorney's fees and costs.~~

Sec. 8. 5 MRSA §4622, sub-§1, ¶A, as amended by PL 1993, c. 327, §3, is further amended to read:

A. Dismissed the case under section 4612, subsection 2 or 2-A;

See title page for effective date.

**An Act Regarding Driver's
License Suspensions**

Be it enacted by the People of the State of Maine as follows:

Sec. 1. 29-A MRSA §2458, sub-§2-A, as amended by PL 2015, c. 13, §1, is further amended to read:

2-A. Minimum suspension for negligent operation. The Secretary of State without preliminary hearing shall suspend for a period of at least 3 years one year a person's license if the Secretary of State, based on the Secretary of State's records or other sufficient evidence, finds that person to have negligently operated a motor vehicle in a manner so as to cause the death of another person. Prior to the determination and issuance of the suspension, the Secretary of State shall notify any family of the victim and shall consider written or oral statements received from the family in response to the notice. Upon suspending the person's license, the Secretary of State shall notify that person of an opportunity for hearing as provided in section 2483. If a person whose license is suspended under this subsection requests a hearing, the suspension is stayed pursuant to section 2483.

CHAPTER 468
H.P. 986 - L.D. 1364

**An Act Regarding Net
Neutrality and Internet Policy**

Be it enacted by the People of the State of Maine as follows:

Sec. 1. 5 MRSA §1541-B is enacted to read:

§1541-B. Net neutrality

1. Definitions. As used in this section, unless the context otherwise indicates, the following terms have the following meanings.

A. "Advanced communications technology infrastructure" has the same meaning as in Title 35-A, section 9202, subsection 1.

B. "Broadband Internet access service" means a mass-market retail service by wire or radio that provides the capability to transmit data to and receive data from all or substantially all Internet endpoints, including any capabilities that are incidental to and enable the operation of the service, but excluding dial-up Internet access service.

C. "Commit state funds" means to enter into a contract, make a grant or otherwise commit any state funds, including but not limited to any act that would incur a financial obligation against the State Government subject to review under section 1541, subsection 2.

D. "Internet service provider" has the same meaning as in section 200-B, subsection 1-A, paragraph A.

E. "Net neutral service" means fixed or mobile broadband Internet access service that is provided without engaging in any of the following:

- (1) Blocking of lawful content, applications, services or devices, subject to reasonable network management practices;
- (2) Throttling; or
- (3) Paid prioritization.

F. "Paid prioritization" means management of the network of an Internet service provider that provides broadband Internet access service to directly or indirectly favor some traffic over other traffic, either in exchange for monetary or other consideration from a 3rd party or to benefit an affiliated entity.

G. "Reasonable network management practice" means a practice that has a primarily technical network management justification and is primarily used for and tailored to achieving a legitimate network management purpose, taking into account the particular network architecture and technology of the broadband Internet access service. "Reasonable network management practice" does not include other business practices.

H. "State entity" means a department, agency or instrumentality of the State.

I. "Throttling" means impairing or degrading lawful Internet traffic on the basis of Internet content, application or service or use of a nonharmful device, subject to reasonable network management practices.

2. Provider agreement. A state entity may not commit state funds to an Internet service provider unless:

A. The Internet service provider agrees in writing to provide net neutral service in the provision of broadband Internet access service:

- (1) Directly to the state entity; or
- (2) Across advanced communications technology infrastructure constructed with the use of the state funds;

B. The state entity provides to the State Controller:

(1) Notice of its intent to commit state funds to an Internet service provider; and

(2) A written agreement from the Internet service provider that conforms to the requirements of paragraph A; and

C. The State Controller finds that the requirements of paragraphs A and B have been satisfied and authorizes the state agency or instrumentality to commit state funds.

Nothing in this section limits the authority of the State Controller under any other provision of law to limit or prohibit a state entity from committing state funds.

Nothing in this section prohibits reasonable efforts by an Internet service provider providing broadband Internet access service to address copyright infringement or other unlawful activity.

Nothing in this section supersedes any obligations, authorizations or restrictions on an Internet service provider providing broadband Internet access service to address the needs of emergency communications or law enforcement, public safety or national security authorities under the laws of the State and the United States of America and the United States Constitution and the Constitution of Maine.

Upon receipt of information or complaint from any person that an Internet service provider may be failing to meet the requirements of an agreement made under this section, the Attorney General may undertake an investigation and take any action the Attorney General determines appropriate, including, but not limited to, action pursuant to section 192.

See title page for effective date.

Sec. 8. 24-A MRSA c. 56-C is enacted to read:

CHAPTER 56-C

HEALTH PLANS THAT PROVIDE PRESCRIPTION DRUG BENEFITS

§4347. Definitions

As used in this chapter, unless the context otherwise indicates, the following terms have the following meanings.

1. Average wholesale price. "Average wholesale price" means the average wholesale price of a prescription drug as identified by a national drug pricing source selected by a health insurer. The average wholesale price must be identified by the 11-digit national drug code, as amended from time to time, for the prescription drug dispensed for the quantity dispensed.

2. Brand-name drug. "Brand-name drug" means a prescription drug marketed under a proprietary name or registered trademark name, including a biological product.

3. Carrier. "Carrier" has the same meaning as in section 4301-A, subsection 3, except that "carrier" does not include a multiple-employer welfare arrangement, as defined in section 6601, subsection 5, if the multiple-employer welfare arrangement contracts with a 3rd-party administrator to manage and administer health benefits, including benefits for prescription drugs. "Carrier" also includes the MaineCare program pursuant to Title 22, chapter 855 and the group health plan provided to state employees and other eligible persons pursuant to Title 5, section 285.

4. Compensation. "Compensation" means any direct or indirect financial benefit, including, but not limited to, rebates, discounts, credits, fees, grants, charge-backs or other payments or benefits of any kind.

5. Cost-sharing amount. "Cost-sharing amount" means the amount paid by a covered person as required under the covered person's health plan for a prescription drug at the point of sale.

6. Covered person. "Covered person" means a policyholder, subscriber, enrollee or other individual participating in a health plan. "Covered person" includes the authorized representative of a covered person.

7. Dispensing fee. "Dispensing fee" means the professional fee incurred at the point of sale or service that pays for pharmacy costs, in excess of ingredient cost, associated with ensuring that possession of the appropriate prescription drug is transferred to a covered person.

8. Formulary. "Formulary" means a list of prescription drugs covered by a health plan and any tier levels applicable to a prescription drug.

9. Generic drug. "Generic drug" means a prescription drug, whether identified by its chemical, proprietary or nonproprietary name, that is not a brand-name drug and is therapeutically equivalent to a brand-name drug in dosage, safety, strength, method of consumption, quality, performance and intended use. "Generic drug" includes a biosimilar product.

10. Health plan. "Health plan" has the same meaning as in section 4301-A, subsection 7.

11. Ingredient cost. "Ingredient cost" means the actual amount paid to a pharmacy provider by a carrier or the carrier's pharmacy benefits manager for a prescription drug, not including the dispensing fee or cost-sharing amount.

12. Mail order pharmacy. "Mail order pharmacy" means a pharmacy whose primary business is to receive prescriptions by mail, by fax or through electronic submissions and to dispense medication to covered persons through the use of the United States mail or other common or contract carrier services and that provides any consultation with patients electronically rather than face to face.

13. Maximum allowable cost. "Maximum allowable cost" means the maximum amount a health insurer will pay for a generic drug or brand-name drug that has at least one generic alternative available.

14. Network pharmacy. "Network pharmacy" means a licensed retail pharmacy or other pharmacy provider that contracts with a pharmacy benefits manager.

15. Pharmacy. "Pharmacy" means an established location, either physical or electronic, that is licensed by the State and that has entered into a network pharmacy contract with a pharmacy benefits manager or carrier.

16. Pharmacy and therapeutics committee. "Pharmacy and therapeutics committee" means a committee, board or equivalent body established by a carrier to develop and maintain formularies.

17. Pharmacy benefits manager. "Pharmacy benefits manager" means a person, business or other entity that, pursuant to a contract or under an employment relationship with a carrier, a self-insurance plan or other 3rd-party payer, either directly or through an intermediary, manages the prescription drug coverage provided by the carrier, self-insurance plan or other 3rd-party payer, including, but not limited to, processing and paying claims for prescription drugs, performing drug utilization review, processing drug prior authorization requests, adjudicating appeals or grievances related to prescription drug coverage, contracting with network pharmacies and controlling the cost of covered prescription drugs.

18. Pharmacy provider. "Pharmacy provider" means a retail pharmacy, mail order pharmacy or licensed pharmacist.

19. Retail pharmacy. "Retail pharmacy" means a chain pharmacy, a supermarket pharmacy, a mass merchandiser pharmacy, an independent pharmacy or a network of independent pharmacies that is licensed as a pharmacy by this State and that dispenses medications to the public.

§4348. Licensure of pharmacy benefits managers

Beginning January 1, 2020, a person may not act as a pharmacy benefits manager in this State without first obtaining a license from the superintendent in accordance with this section and paying the licensing fee required under section 601, subsection 28-A.

1. Applicant information. An applicant for licensure as a pharmacy benefits manager must file with the superintendent at least the following information:

A. The name of the applicant;

B. The address and telephone number of the applicant;

C. The name and address of the applicant's agent for service of process in the State;

D. The name and address of each person beneficially interested in the applicant; and

E. The name and address of each person with management or control over the applicant.

2. Qualification. The superintendent may issue a pharmacy benefits manager license to an applicant only if the superintendent is satisfied that the applicant

possesses the necessary organization, expertise and financial integrity to supply the services sought to be offered.

3. Restrictions permitted. The superintendent may issue a pharmacy benefits manager license subject to restrictions or limitations, including the type of services that may be supplied or the activities in which the pharmacy benefits manager may engage.

4. Valid for 3 years. A license issued pursuant to this section is valid for a period of 3 years and must be renewed.

5. Nontransferable. A license issued pursuant to this section is not transferable.

6. Suspension, revocation or probationary license. The superintendent may suspend, revoke or place on probation a pharmacy benefits manager license under any of the following circumstances:

A. The pharmacy benefits manager has engaged in fraudulent activity that constitutes a violation of state or federal law;

B. The superintendent has received consumer complaints that justify an action under this subsection to protect the safety and interests of consumers;

C. The pharmacy benefits manager fails to pay the original issuance or renewal fee for the license; or

D. The pharmacy benefits manager fails to comply with a requirement set forth in this chapter.

7. Penalty for failure to obtain license. If a pharmacy benefits manager acts without obtaining a license pursuant to this section, the pharmacy benefits manager is subject to a fine of \$5,000 per day for the period the pharmacy benefits manager is found to be in violation.

8. Rules. The superintendent may adopt routine technical rules pursuant to Title 5, chapter 375, subchapter 2-A to administer and enforce the requirements of this section.

9. Enforcement. The superintendent may enforce this section under sections 220 and 223 and other provisions of this Title.

10. Registration remains effective until January 1, 2020 or registration date. The registration of a pharmacy benefits manager issued during 2019 in accordance with former section 1913 remains valid until January 1, 2020 or the next yearly anniversary of the registration date, whichever is later. Upon expiration of that registration, the pharmacy benefits manager shall obtain a license under this section in order to do business in this State.

§4349. Oversight and contracting responsibilities

1. Compliance. A carrier is responsible for monitoring all activities carried out by the carrier, or all activities carried out on behalf of the carrier by a pharmacy benefits manager if the carrier contracts with a pharmacy benefits manager, related to a carrier's prescription drug benefits and for ensuring that all requirements of this chapter are met.

2. Fiduciary duty. A carrier that contracts with a pharmacy benefits manager to perform any activities related to the carrier's prescription drug benefits is responsible for ensuring that, under the contract, the pharmacy benefits manager acts as the carrier's agent and owes a fiduciary duty to the carrier in the pharmacy benefits manager's management of activities related to the carrier's prescription drug benefits.

3. Contract requirements. A carrier may not enter into a contract or agreement or allow a pharmacy benefits manager or any person acting on the carrier's behalf to enter into a contract or agreement that prohibits a pharmacy provider from:

A. Providing a covered person with the option of paying the pharmacy provider's cash price for the purchase of a prescription drug and not filing a claim with the covered person's carrier if the cash price is less than the covered person's cost-sharing amount; or

B. Providing information to a state or federal agency, law enforcement agency or the superintendent when such information is required by law.

4. Excess payments at point of sale prohibited. A carrier or pharmacy benefits manager may not require a covered person to make a payment at the point of sale for a covered prescription drug in an amount greater than the least of:

A. The applicable cost-sharing amount for the prescription drug;

B. The amount a covered person would pay for the prescription drug if the covered person purchased the prescription drug without using a health plan or any other source of prescription drug benefits or discounts; and

C. The total amount the pharmacy will be reimbursed for the prescription drug from the pharmacy benefits manager or carrier, including the cost-sharing amount paid by a covered person.

5. Adequate network. A carrier shall provide a reasonably adequate retail pharmacy network for the provision of prescription drugs for its covered persons. A mail order pharmacy may not be included in determining the adequacy of a retail pharmacy network. The superintendent may adopt rules as necessary to carry out the purposes of this subsection. Rules adopted pursuant to this subsection are routine technical

rules as defined in Title 5, chapter 375, subchapter 2-A.

§4350. Prescription drug pricing; maximum allowable cost

1. Single maximum allowable cost list. A carrier, or a pharmacy benefits manager under contract with a carrier, shall use a single maximum allowable cost list to establish the maximum amount to be paid by a health plan to a pharmacy provider for a generic drug or a brand-name drug that has at least one generic alternative available. A carrier, or a pharmacy benefits manager under contract with a carrier, shall use the same maximum allowable cost list for each pharmacy provider.

2. Listing of prescription drug. A maximum allowable cost may be set for a prescription drug, or a prescription drug may be allowed to continue on a maximum allowable cost list, only if that prescription drug:

A. Is rated as "A" or "B" in the most recent version of the United States Food and Drug Administration's "Approved Drug Products with Therapeutic Equivalence Evaluations," also known as "the Orange Book," or an equivalent rating from a successor publication, or is rated as "NR" or "NA" or a similar rating by a nationally recognized pricing reference; and

B. Is not obsolete and is generally available for purchase in this State from a national or regional wholesale distributor by pharmacies having a contract with the pharmacy benefits manager.

3. Changes to maximum allowable cost list. A carrier, or a pharmacy benefits manager under contract with a carrier, shall establish a process for removing a prescription drug from a maximum allowable cost list or modifying a maximum allowable cost for a prescription drug in a timely manner to remain consistent with changes to such costs and the availability of the drug in the national marketplace.

4. Disclosure. With regard to a pharmacy with which the carrier, or the pharmacy benefits manager under contract with a carrier, has entered into a contract, a carrier, or a pharmacy benefits manager under contract with a carrier, shall:

A. Upon request, disclose the sources used to establish the maximum allowable costs;

B. Provide a process for a pharmacy to readily obtain the maximum allowable payment available to that pharmacy under a maximum allowable cost list; and

C. At least once every 7 business days, review and update maximum allowable cost list information to reflect any modification of the maximum allowable payment available to a pharmacy

under a maximum allowable cost list used by the carrier or the pharmacy benefits manager under contract with a carrier.

5. Appeal procedure. A carrier, or a pharmacy benefits manager under contract with a carrier, shall provide a reasonable administrative appeal procedure, including a right to appeal that is limited to 14 days following the initial claim, to allow pharmacies with which the carrier or pharmacy benefits manager has a contract to challenge maximum allowable costs for a specified drug.

6. Resolution of appeals. A carrier, or a pharmacy benefits manager under contract with a carrier, shall respond to, investigate and resolve an appeal under subsection 5 within 14 days after the receipt of the appeal. The carrier or pharmacy benefits manager shall respond to an appeal as follows:

A. If the appeal is upheld, the carrier or pharmacy benefits manager shall make the appropriate adjustment in the maximum allowable cost and permit the challenging pharmacy or pharmacist to reverse and rebill the claim in question; or

B. If the appeal is denied, the carrier or pharmacy benefits manager shall provide the challenging pharmacy or pharmacist the national drug code from national or regional wholesalers of a comparable prescription drug that may be purchased at or below the maximum allowable cost.

7. Average wholesale price; use of a prescription drug not on maximum allowable cost list. A carrier, or a pharmacy benefits manager under contract with a carrier, shall use the average wholesale price to establish the maximum payment for a brand-name drug for which a generic equivalent is not available or a prescription drug not included on a maximum allowable cost list. In order to use the average wholesale price of a brand-name drug or prescription drug not included on a maximum allowable cost list, a carrier, or a pharmacy benefits manager under contract with a carrier, must use only one national drug pricing source during a calendar year, except that a carrier, or a pharmacy benefits manager under contract with a carrier, may use a different national drug pricing source if the original pricing source is no longer available. A carrier, or a pharmacy benefits manager under contract with a carrier, shall use the same national drug pricing source for each pharmacy provider and identify on its publicly accessible website the name of the national drug pricing source used to determine the average wholesale price of a prescription drug not included on the maximum allowable cost list.

8. Payment. This subsection governs payments between a carrier or a carrier's pharmacy benefits manager and a pharmacy provider.

A. The amount paid by a carrier or a carrier's pharmacy benefits manager to a pharmacy provid-

er under contract with the carrier or the carrier's pharmacy benefits manager for dispensing a prescription drug must be the ingredient cost plus the dispensing fee less any cost-sharing amount paid by a covered person.

B. The ingredient cost may not exceed the maximum allowable cost or average wholesale price, as applicable, and must be disclosed by the carrier's pharmacy benefits manager to the carrier.

C. Only the pharmacy provider that dispensed the prescription drug may retain the payment described in this subsection.

D. A pharmacy provider may not be denied payment or be subject to a reduced payment retroactively unless the original claim was submitted fraudulently or in error.

§4350-A. Responsibility to use compensation for benefit of covered persons

1. Compensation used to reduce point-of-sale costs, improve benefits or lower premiums. All compensation remitted by or on behalf of a pharmaceutical manufacturer, developer or labeler, directly or indirectly, to a carrier, or to a pharmacy benefits manager under contract with a carrier, related to its prescription drug benefits must be:

A. Remitted directly to the covered person at the point of sale to reduce the out-of-pocket cost to the covered person associated with a particular prescription drug; or

B. Remitted to, and retained by, the carrier. Compensation remitted to the carrier must be applied by the carrier in its plan design and in future plan years to offset the premium for covered persons.

2. Compliance. Beginning March 1, 2021 and annually thereafter, a carrier shall file with the superintendent a report in the manner and form determined by the superintendent demonstrating how the carrier has complied with this section.

§4350-B. Prescription drug formularies; pharmacy and therapeutics committee

1. Pharmacy and therapeutics committee; use of formulary. A carrier, or a pharmacy benefits manager under contract with a carrier, shall establish a pharmacy and therapeutics committee. A carrier shall require its pharmacy and therapeutics committee or the pharmacy and therapeutics committee of the carrier's pharmacy benefits manager to use one or more formularies.

2. Pharmacy and therapeutics committee; no conflict of interest for members. A carrier, or a pharmacy benefits manager under contract with a carrier, may not allow a person with a conflict of interest, as described in paragraph A or B, to be a member of

its pharmacy and therapeutics committee. A person may not serve as a member of a pharmacy and therapeutics committee if the person:

A. Is employed, or was employed within the preceding year, by a pharmaceutical manufacturer, developer, labeler, wholesaler or distributor; or

B. Receives compensation, or received compensation within the preceding year, from a pharmaceutical manufacturer, developer, labeler, wholesaler or distributor.

3. Compensation prohibited. A carrier, or a pharmacy benefits manager under contract with a carrier, shall prohibit its pharmacy and therapeutics committee or any member of the committee from receiving any compensation from a pharmaceutical manufacturer, developer, labeler, wholesaler or distributor.

§4350-C. Access to records; audits

1. Requirements; record keeping. A carrier shall maintain and have the ability to access all data related to the administration and provision of prescription drug benefits under a health plan of a carrier, including, but not limited to:

A. The names, addresses, member identification numbers, protected health information and other personal information of covered persons; and

B. All contracts, documentation and records, including transaction and pricing data, related to the dispensing of prescription drugs to covered persons under the health plan.

2. Compliance with federal law. A sale or transaction involving the transfer of any records, information or data described in subsection 1 must comply with the federal Health Insurance Portability and Accountability Act of 1996, Public Law 104-191 and the federal Health Information Technology for Economic and Clinical Health Act, Public Law 111-5 and any regulations adopted pursuant to those laws.

3. Audit records. A carrier may audit all transaction records related to the dispensing of prescription drugs to covered persons under a health plan of the carrier. A carrier may conduct audits at a location of its choosing and with an auditor of its choosing.

4. Maintenance of records. A carrier shall maintain all records, information and data described in subsection 1 and all audit records described in subsection 3 for a period of no less than 5 years.

5. Authority of superintendent. Upon request, a carrier shall provide to the superintendent any records, contracts, documents or data held by the carrier or the carrier's pharmacy benefits manager for inspection, examination or audit purposes.

§4350-D. Treatment of pharmacy benefits manager compensation

1. Definitions. As used in this section, unless the context otherwise indicates, the following terms have the following meanings.

A. "Anticipated loss ratio" means the ratio of the present value of the future benefits payments to the present value of the future premiums of a policy form over the entire period for which rates are computed to provide health insurance coverage.

B. "Pharmacy benefits manager compensation" means the difference between:

(1) The value of payments made by a carrier of a health plan to its pharmacy benefits manager; and

(2) The value of payments made by the pharmacy benefits manager to dispensing pharmacists for the provision of prescription drugs or pharmacy services with regard to pharmacy benefits covered by the health plan.

2. Pharmacy benefits manager compensation included as administrative cost. If a carrier uses a pharmacy benefits manager to administer or manage prescription drug benefits provided for the benefit of covered persons, for purposes of calculating a carrier's anticipated loss ratio, any pharmacy benefits manager compensation:

A. Constitutes an administrative cost incurred by the carrier in connection with a health plan; and

B. May not constitute a benefit provided under a health plan.

A carrier may claim only the amounts paid by the pharmacy benefits manager to a pharmacy or pharmacist as an incurred claim.

3. Calculation of pharmacy benefits manager compensation. Each rate filing submitted by a carrier with respect to a health plan that provides coverage for prescription drugs or pharmacy services that is administered or managed by a pharmacy benefits manager must include:

A. A memorandum prepared by a qualified actuary describing the calculation of the pharmacy benefits manager compensation; and

B. Such records and supporting information as the superintendent reasonably determines is necessary to confirm the calculation of the pharmacy benefits manager compensation.

4. Records. Upon request, a carrier shall provide any records to the superintendent that relate to the calculation of the pharmacy benefits manager compensation.

5. Documentation from pharmacy benefits manager. A pharmacy benefits manager shall provide any necessary documentation requested by a carrier that relates to pharmacy benefits manager compensation in order to comply with the requirements of this section.

§4350-E. Effective date

This chapter takes effect January 1, 2020.

Sec. 9. Effective date. This Act takes effect January 1, 2020.

Effective January 1, 2020.

CHAPTER 470

S.P. 350 - L.D. 1162

An Act To Further Expand Drug Price Transparency

Be it enacted by the People of the State of Maine as follows:

Sec. 1. 22 MRSA §8703, sub-§1, as amended by PL 2003, c. 469, Pt. C, §22, is further amended to read:

1. Objective. The purposes of the organization are to create and maintain a useful, objective, reliable and comprehensive health information database that is used to improve the health of Maine citizens and to issue reports, as provided in ~~section~~ sections 8712 and 8736. This database must be publicly accessible while protecting patient confidentiality and respecting providers of care. The organization shall collect, process, analyze and report clinical, financial, quality and restructuring data as defined in this chapter.

Sec. 2. 22 MRSA §8704, sub-§1, ¶A, as amended by PL 2003, c. 469, Pt. C, §23, is further amended to read:

A. The board shall develop and implement policies and procedures for the collection, processing, storage and analysis of clinical, financial, quality and restructuring and prescription drug price data in accordance with this subsection for the following purposes:

- (1) To use, build and improve upon and coordinate existing data sources and measurement efforts through the integration of data systems and standardization of concepts;
- (2) To coordinate the development of a linked public and private sector information system;
- (3) To emphasize data that is useful, relevant and not duplicative of existing data;

(4) To minimize the burden on those providing data; and

(5) To preserve the reliability, accuracy and integrity of collected data while ensuring that the data is available in the public domain.

Sec. 3. 22 MRSA §8705-A, first ¶, as enacted by PL 2003, c. 659, §2 is further amended to read:

The board shall adopt rules to ensure that payors ~~and~~ providers, prescription drug manufacturers, wholesale drug distributors and pharmacy benefits managers file data as required by section 8704, subsection 1; that users that obtain health data and information from the organization safeguard the identification of patients and health care practitioners as required by section 8707, subsections 1 and 3; and that payors ~~and~~ providers, prescription drug manufacturers, wholesale drug distributors and pharmacy benefits managers pay all assessments as required by section 8706, subsection 2.

Sec. 4. 22 MRSA §8705-A, first ¶, as amended by PL 2013, c. 528, §6 and affected by §12, is further amended to read:

The board shall adopt rules to ensure that payors ~~and~~ providers, prescription drug manufacturers, wholesale drug distributors and pharmacy benefits managers file data as required by section 8704, subsection 1; that users that obtain health data and information from the organization safeguard the identification of patients and health care practitioners as required by section 8714, subsections 2, 3 and 4; and that payors ~~and~~ providers, prescription drug manufacturers, wholesale drug distributors and pharmacy benefits managers pay all assessments as required by section 8706, subsection 2.

Sec. 5. 22 MRSA §8705-A, sub-§3, ¶A, as amended by PL 2007, c. 136, §4, is further amended to read:

A. When a person or entity that is a health care facility ~~or~~ payor, prescription drug manufacturer, wholesale drug distributor or pharmacy benefits manager violates the requirements of this chapter, except for section 8707, that person or entity commits a civil violation for which a fine of not more than \$1,000 per day may be adjudged. A fine imposed under this paragraph may not exceed \$25,000 for any one occurrence.

Sec. 6. 22 MRSA §8705-A, sub-§3, ¶A, as amended by PL 2013, c. 528, §7 and affected by §12, is further amended to read:

A. When a person or entity that is a health care facility ~~or~~ payor, prescription drug manufacturer, wholesale drug distributor or pharmacy benefits manager violates the requirements of this chapter, except for section 8714, that person or entity commits a civil violation for which a fine of not

more than \$1,000 per day may be adjudged. A fine imposed under this paragraph may not exceed \$25,000 for any one occurrence.

Sec. 7. 22 MRSA §8706, sub-§2, as amended by PL 2007, c. 136, §5, is further amended to read:

2. Permanent funding. Permanent funding for the organization is provided from reasonable costs, user fees and assessments according to this subsection and as provided by rules adopted by the board.

A. Fees may be charged for the reasonable costs of duplicating, mailing, publishing and supplies.

B. Reasonable user fees must be charged on a sliding scale for the right to access and use the health data and information available from the organization. Fees may be charged for services provided to the department on a contractual basis. Fees may be reduced or waived for users that demonstrate a plan to use the data or information in research of general value to the public health or inability to pay the scheduled fees, as provided by rules adopted by the board.

C. The operations of the organization must be supported from ~~3~~ 4 sources as provided in this paragraph:

(1) Fees collected pursuant to paragraphs A and B;

(2) Annual assessments of not less than \$100 assessed against the following entities licensed under Titles 24 and 24-A: nonprofit hospital and medical service organizations, health insurance carriers and health maintenance organizations on the basis of the total annual health care premium; and 3rd-party administrators, carriers that provide only administrative services for a plan sponsor and pharmacy benefits managers that process and pay claims on the basis of claims processed or paid for each plan sponsor. The assessments are to be determined on an annual basis by the board. Health care policies issued for specified disease, accident, injury, hospital indemnity, disability, long-term care or other limited benefit health insurance policies are not subject to assessment under this subparagraph. For purposes of this subparagraph, policies issued for dental services are not considered to be limited benefit health insurance policies. The total dollar amount of assessments under this subparagraph must equal the assessments under subparagraph (3); ~~and~~

(3) Annual assessments of not less than \$100 assessed by the organization against providers. The assessments are to be determined on an annual basis by the board. The total dollar amount of assessments under this subpara-

graph must equal the assessments under subparagraph (2); and

(4) Annual assessments of \$500 assessed by the organization against prescription drug manufacturers, wholesale drug distributors and pharmacy benefits managers.

The aggregate level of annual assessments under subparagraphs (2) ~~and~~ (3) and (4) must be an amount sufficient to meet the organization's expenditures authorized in the state budget established under Title 5, chapter 149. ~~The annual assessment may not exceed \$1,346,904 in fiscal year 2002-03. In subsequent fiscal years, the annual assessment may increase above \$1,346,904 by an amount not to exceed 5% per fiscal year.~~ The board may waive assessments otherwise due under subparagraphs (2) ~~and~~ (3) and (4) when a waiver is determined to be in the interests of the organization and the parties to be assessed.

Sec. 8. 22 MRSA c. 1683, sub-c. 3 is enacted to read:

SUBCHAPTER 3

PRESCRIPTION DRUG PRICING FOR PURCHASERS

§8731. Definitions

As used in this subchapter, unless the context otherwise indicates, the following terms have the following meanings.

1. **Brand-name drug.** "Brand-name drug" means a prescription drug marketed under a proprietary name or registered trademark name, including a biological product.

2. **Generic drug.** "Generic drug" means a prescription drug, whether identified by its chemical, proprietary or nonproprietary name, that is not a brand-name drug and is therapeutically equivalent to a brand-name drug in dosage, safety, strength, method of consumption, quality, performance and intended use. "Generic drug" includes a biosimilar product.

3. **Manufacturer.** "Manufacturer" means a manufacturer of prescription drugs that are distributed in the State.

4. **Pricing component data.** "Pricing component data" means data unique to each manufacturer, wholesale drug distributor or pharmacy benefits manager subject to this subchapter that evidences the cost to each manufacturer, wholesale drug distributor or pharmacy benefits manager to make a prescription drug available to consumers and the payments received by each manufacturer, wholesale drug distributor or pharmacy benefits manager to make a prescription drug available to consumers, taking into account any price concessions, and that is measured uniformly

among the entities, as determined by rules adopted by the organization pursuant to section 8737.

5. **Pricing unit.** "Pricing unit" means the smallest dispensable amount of a prescription drug that could be dispensed.

6. **Wholesale acquisition cost.** "Wholesale acquisition cost" means a manufacturer's listed price for sale to a wholesale drug distributor or other entity that purchases a prescription drug directly from the manufacturer, not including any price concessions.

§8732. Drug price notifications and disclosures

1. **Notifications by manufacturers.** No later than January 30, 2020 and annually thereafter, a manufacturer shall notify the organization when the manufacturer has during the prior calendar year:

A. Increased the wholesale acquisition cost of a brand-name drug by more than 20% per pricing unit;

B. Increased the wholesale acquisition cost of a generic drug that costs at least \$10 per pricing unit by more than 20% per pricing unit; or

C. Introduced a new drug for distribution in this State when the wholesale acquisition cost is greater than the amount that would cause the drug to be considered a specialty drug under the Medicare Part D program. For the purposes of this subsection, "Medicare Part D" has the same meaning as in section 254-D, subsection 1, paragraph F.

2. **Disclosures by manufacturers, wholesale drug distributors and pharmacy benefits managers.** Within 60 days of a request from the organization relating to a specific prescription drug, a manufacturer, wholesale drug distributor or pharmacy benefits manager shall notify the organization of pricing component data per pricing unit of a drug.

§8733. Confidentiality

Information provided to the organization as required by this subchapter by a manufacturer, wholesale drug distributor or pharmacy benefits manager is confidential and not a public record under Title 1, chapter 13, except that the organization may share information:

1. **Bureau of Insurance.** With the Department of Professional and Financial Regulation, Bureau of Insurance, to the extent necessary for the bureau to enforce the provisions of Title 24-A, as long as any information shared is kept confidential; and

2. **Aggregate.** In the aggregate, as long as it is not released in a manner that allows the identification of an individual drug or manufacturer, wholesale drug distributor or pharmacy benefits manager.

§8734. Registration requirements

Beginning January 1, 2020, a manufacturer and wholesale drug distributor subject to this subchapter shall register annually with the organization in a manner prescribed by the organization.

§8735. Compliance

1. Certification of accuracy. A manufacturer, wholesale drug distributor or pharmacy benefits manager that submits a notification or report to the organization pursuant to this subchapter shall submit with the notification or report a signed written certification of the notification's or report's accuracy.

2. Civil penalty. A manufacturer, wholesale drug distributor or pharmacy benefits manager that violates this subchapter commits a civil violation for which a fine of \$30,000 may be adjudged for each day of the violation.

3. Audit. The organization may audit the data submitted by a manufacturer, wholesale drug distributor or pharmacy benefits manager pursuant to this subchapter. The manufacturer, wholesale drug distributor or pharmacy benefits manager shall pay for the costs of the audit.

4. Corrective action plan. The organization may require a manufacturer, wholesale drug distributor or pharmacy benefits manager subject to this subchapter to develop a corrective action plan to correct any deficiencies the organization finds with the manufacturer's, wholesale drug distributor's or pharmacy benefits manager's compliance with this subchapter.

§8736. Public report

Beginning November 1, 2020 and annually thereafter, the organization shall produce and post on its publicly accessible website an annual report, including information developed from the notifications and disclosures received pursuant to this subchapter on trends in the cost of prescription drugs, analysis of manufacturer prices and price increases, the major components of prescription drug pricing along the supply chain and the impacts on insurance premiums and cost sharing and any other information the organization determines is relevant to providing greater consumer awareness of the factors contributing to the cost of prescription drugs in the State. The report may not disclose information attributable to any particular manufacturer, wholesale drug distributor or pharmacy benefits manager subject to this subchapter and may not make public any information that is confidential pursuant to section 8733. The organization shall submit the report required by this section to the joint standing committee of the Legislature having jurisdiction over health data reporting and prescription drug matters and the committee may report out legislation to the first regular or second regular session of the Legislature, depending on the year in which the report is submitted.

§8737. Rulemaking

The organization may adopt rules to implement this subchapter. Rules adopted pursuant to this section are major substantive rules as defined in Title 5, chapter 375, subchapter 2-A.

Sec. 9. Maine Revised Statutes headnote amended; revision clause. In the Maine Revised Statutes, Title 22, chapter 1683, before section 8701, the headnote "subchapter 1, general provisions" is enacted and the Revisor of Statutes shall implement this revision when updating, publishing or republishing the statutes.

Sec. 10. Initial rulemaking. Notwithstanding the Maine Revised Statutes, Title 22, section 8737, the Maine Health Data Organization may adopt emergency rules that are otherwise in accordance with section 8737 to implement the provisions of Title 22, chapter 1683, subchapter 3 and may adopt routine technical rules to implement that subchapter before April 1, 2020.

See title page for effective date.

CHAPTER 471

S.P. 461 - L.D. 1499

**An Act To Establish the Maine
Prescription Drug
Affordability Board**

**Be it enacted by the People of the State of
Maine as follows:**

Sec. 1. 5 MRSA c. 167 is enacted to read:

CHAPTER 167

**MAINE PRESCRIPTION DRUG
AFFORDABILITY BOARD**

**§2041. Maine Prescription Drug Affordability
Board established**

1. Board established. The Maine Prescription Drug Affordability Board, as established in section 12004-G, subsection 14-I and referred to in this chapter as "the board," shall carry out the purposes of this chapter.

2. Membership. The board has 5 members with expertise in health care economics or clinical medicine, who may not be affiliated with or represent the interests of a public payor, as that term is defined in section 2042, and who are appointed as follows:

A. Two members by the President of the Senate. The President of the Senate shall also appoint one alternate board member who will participate in deliberations of the board in the event a member appointed by the President of the Senate elects to

be recused as provided in subsection 7, paragraph B;

B. Two members by the Speaker of the House of Representatives. The Speaker of the House of Representatives shall also appoint one alternate board member who will participate in deliberations of the board in the event a member appointed by the Speaker of the House of Representatives elects to be recused as provided in subsection 7, paragraph B; and

C. One member by the Governor. The Governor shall also appoint one alternate board member who will participate in deliberations of the board in the event the member appointed by the Governor elects to be recused as provided in subsection 7, paragraph B.

3. Terms. Members are appointed to 5-year terms. Of the initial appointees, the member appointed by the Governor serves an initial term of 5 years, one member appointed by the President of the Senate and one member appointed by the Speaker of the House of Representatives serve an initial term of 4 years and one member appointed by the President of the Senate and one member appointed by the Speaker of the House of Representatives serve an initial term of 3 years.

4. Quorum. A majority of board members constitutes a quorum.

5. Chair. The Governor shall name the chair.

6. Meetings. Beginning no later than March 1, 2020, the board shall meet in public session at least every 12 weeks to review prescription drug information and to make recommendations pursuant to section 2042. Meetings may be cancelled or postponed at the discretion of the chair.

A. Each public meeting must be announced 2 weeks in advance, and materials for the meeting must be made public at least one week in advance.

B. Each public meeting must provide opportunity for comment from the public in attendance at the meeting, and the board shall provide the opportunity for the public to submit written comments on pending decisions.

C. The board may allow expert testimony at public meetings and any meeting conducted in executive session as permitted by paragraph D.

D. Notwithstanding the requirements of Title 1, section 405, the board may meet in executive session, except that any decision of the board must be made in public.

7. Conflicts of interest. The following provisions govern any conflict of interest for a member of the board, a member of the advisory council estab-

lished pursuant to subsection 10 or any staff member or contractor of the board.

A. When appointing a member of the board or the advisory council established pursuant to subsection 10, the appointing authority shall consider any conflict of interest disclosed by the prospective member. A member shall elect to be recused from any board activity in the case in which the member or an immediate family member of the member has a conflict of interest. For the purposes of this paragraph, "conflict of interest" means an association, including a financial or personal association, that has the potential to bias or have the appearance of biasing an individual's decisions in matters related to the board or the conduct of the board's activities.

B. A board member or staff or contractor of the board with a conflict of interest shall elect to be recused. For purposes of this paragraph, "conflict of interest" means any instance in which a member of the board or an immediate family member of the member has received or could receive either of the following:

(1) A direct financial benefit of any amount deriving from the results or findings of a study or determination by or for the board; or

(2) A financial benefit from individuals or companies that own or manufacture prescription drugs, services or items to be studied by the board that in the aggregate exceeds \$5,000 per year. For purposes of this subparagraph, "financial benefit" includes honoraria, fees, stock or other financial benefit and the current value of the member's or immediate family member's already existing stock holdings, in addition to any direct financial benefit deriving from the results or findings conducted under this section.

C. A conflict of interest must be disclosed in the following manner:

(1) By the board in the employment of board senior staff;

(2) By the Governor, President of the Senate or Speaker of the House of Representatives when appointing members to the board and advisory council established pursuant to subsection 10;

(3) By the board, describing any recusals as part of any final decision relating to a prescription drug; and

(4) By the 5th day after a conflict is identified or, if a public meeting of the board will occur within that 5-day period, in advance of the public meeting.

D. Conflicts of interest must be publicly posted on the website of the board. The information disclosed must include the type, nature and magnitude of the interests of the individual involved, except to the extent that the individual elects to be recused from participation in any activity with respect to which the potential conflict exists.

E. The board, the advisory council established pursuant to subsection 10, a member of the board or staff or a contractor of the board may not accept gifts, bequests or donations of services or property that suggest a conflict of interest or have the appearance of creating bias in the work of the board or advisory council.

F. A member of the advisory council established pursuant to subsection 10 who accepts a gift, bequest or donation of services or property that suggests a conflict of interest or has the appearance of creating bias in the work of the advisory council shall disclose the gift, bequest or donation publicly.

8. Staff. The board may employ an executive director, whose salary, to the extent feasible, must comport with state personnel rules and requirements.

9. Compensation. A member of the board and a member of the advisory council appointed pursuant to subsection 10, paragraph L are entitled to legislative per diem and reimbursement for expenses as provided in section 12004-G, subsection 14-I.

10. Advisory council. A 12-member advisory council is established to advise the board on establishing annual spending targets pursuant to section 2042, subsection 1 and determining methods for meeting those spending targets pursuant to section 2042, subsection 3. The advisory council consists of:

- A. The Governor or the governor's designee;
- B. The Commissioner of Administrative and Financial Services or the commissioner's designee;
- C. The Commissioner of Corrections or the commissioner's designee;
- D. The Commissioner of Health and Human Services or the commissioner's designee;
- E. The Attorney General or the Attorney General's designee;
- F. The Executive Director of Employee Health and Benefits, within the Department of Administrative and Financial Services, Bureau of Human Resources, or the executive director's designee;
- G. A representative from the Maine State Employees Association, appointed by the Governor, based on a nomination by the association;

H. A representative from the Maine Education Association, appointed by the Governor, based on a nomination by the association;

I. A representative from the Maine Municipal Association, appointed by the Governor, based on a nomination by the association;

J. A representative from the University of Maine System, appointed by the Governor, based on a nomination by the system;

K. A representative from the Maine Community College System, appointed by the Governor, based on a nomination by the system; and

L. A representative of consumer interests, appointed by the Governor, who serves a 3-year term.

11. Funds and grants. The board may apply for and receive funds, grants or contracts from public and private sources.

12. Assessment. The board may recommend that a public payor, as defined in section 2042, subsection 1, pay an annual assessment to support the administrative costs of the board.

§2042. Powers and duties of the board

1. Prescription drug spending targets. The board has the following powers and duties. For the purposes of this section, the term "public payor" means any division of state, county or municipal government that administers a health plan for employees of that division of state, county or municipal government or an association of state, county or municipal employers that administers a health plan for its employees, except for the MaineCare program. The board shall:

A. Beginning for the year 2021 and in consultation with the advisory council established under section 2041, subsection 10, determine annual spending targets for prescription drugs purchased by public payors based upon a 10-year rolling average of the medical care services component of the United States Department of Labor, Bureau of Labor Statistics Consumer Price Index medical care services index plus a reasonable percentage for inflation and minus a spending target determined by the board for pharmacy savings;

B. Determine spending targets on specific prescription drugs that may cause affordability challenges to enrollees in a public payor health plan; and

C. Determine which public payors are likely to exceed the spending targets determined under paragraph A.

2. Prescription drug spending data. The board may consider the following data to accomplish its duties under this section:

A. A public payor's prescription drug spending data, which the 3rd-party administrator or insurer for the public payor's health plan shall provide to the board on behalf of the public payor upon request notwithstanding any provision of law to the contrary, including:

- (1) Expenditures and utilization data for prescription drugs for each plan offered by a public payor;
- (2) The formulary for each plan offered by a public payor and prescription drugs common to each formulary;
- (3) Pharmacy benefit management services and other administrative expenses of the prescription drug benefit for each plan offered by a public payor; and
- (4) Enrollee cost sharing for each plan offered by a public payor; and

B. Data compiled by the Maine Health Data Organization under Title 22, chapter 1683.

Prescription drug spending data provided to the board under this subsection is confidential to the same extent it is confidential while in the custody of the entity that provided the data to the board.

3. Recommendations. Based upon the prescription drug spending data received under subsection 2, the board, in consultation with a representative of each public payor identified under subsection 1, paragraph A, shall determine methods for the public payor to meet the spending targets established under subsection 1. The board shall determine whether the following methods reduce costs to individuals purchasing prescription drugs through a public payor and allow public payors to meet the spending targets established under subsection 1:

- A. Negotiating specific rebate amounts on the prescription drugs that contribute most to spending that exceeds the spending targets;
- B. Changing a formulary when sufficient rebates cannot be secured under paragraph A;
- C. Changing a formulary with respect to all of the prescription drugs of a manufacturer within a formulary when sufficient rebates cannot be secured under paragraph A;
- D. Establishing a common prescription drug formulary for all public payors;
- E. Prohibiting health insurance carriers in the State from offering on their formularies a prescription drug or any of the prescription drugs manufactured by a particular manufacturer when

the methods described in paragraph B or C are implemented;

F. Purchasing prescription drugs in bulk or through a single purchasing agreement for use among public payors;

G. Collaborating with other states and state prescription drug purchasing consortia to purchase prescription drugs in bulk or to jointly negotiate rebates;

H. Allowing health insurance carriers providing coverage to small businesses and individuals in the State to participate in the public payor prescription drug benefit for a fee;

I. Procuring common expert services for public payors, including but not limited to pharmacy benefit management services and actuarial services; and

J. Any other method the board may determine.

4. Report. The board shall report its recommendations, including prescription drug spending targets, and the progress of implementing those recommendations to the joint standing committee of the Legislature having jurisdiction over health coverage and insurance matters no later than October 1, 2020 and on January 30th annually thereafter. The joint standing committee may report out legislation based upon the report.

CHAPTER 472
S.P. 392 - L.D. 1272

**An Act To Increase Access to
Low-cost Prescription Drugs**

Be it enacted by the People of the State of Maine as follows:

Sec. 1. 5 MRSA c. 167 is enacted to read:

CHAPTER 167

**WHOLESALE PRESCRIPTION DRUG
IMPORTATION PROGRAM**

§2041. Authorization

The Wholesale Prescription Drug Importation Program, referred to in this chapter as "the program," is established to provide for the wholesale importation of prescription drugs from Canada by or on behalf of the State. The program must be designed in accordance with the requirements of this chapter. The program may not be implemented unless the State obtains approval and certification, pursuant to section 2042, subsection 3, from the United States Department of Health and Human Services.

§2042. Design of program

1. Design requirements. The Department of Health and Human Services, in consultation with appropriate federal and other state agencies, other states and interested parties, shall design the program to comply with the applicable requirements of 21 United States Code, Section 384, including requirements regarding safety and cost savings. The program design must:

A. Designate a state agency to become a licensed drug wholesaler or to contract with a licensed drug wholesaler in order to seek federal certification and approval, pursuant to section 2042, subsection 3, to import safe prescription drugs and provide cost savings to consumers in the State;

B. Use prescription drug suppliers in Canada regulated under the laws of Canada or of one or more Canadian provinces, or both;

C. Ensure that only prescription drugs meeting the federal Food and Drug Administration's safety, effectiveness and other standards are imported by or on behalf of the State;

D. Import only those prescription drugs expected to generate substantial cost savings for consumers in the State;

E. Ensure that the program complies with the transaction and tracing requirements of 21 United States Code, Sections 360eee and 360eee-1 to the extent feasible and practical prior to imported prescription drugs coming into the possession of the

licensed drug wholesaler and that the program complies fully with those federal requirements after imported prescription drugs are in the possession of the licensed drug wholesaler;

F. Consider whether the program may be developed on a multistate basis through collaboration with other states;

G. Prohibit the distribution, dispensing or sale of imported prescription drugs outside of the State;

H. Recommend a charge per prescription or another method of financing to ensure that the program is adequately funded in a manner that does not jeopardize significant cost savings to consumers, including adequate funding for the initial start-up costs of the program;

I. Apply for and receive funds, grants or contracts from public and private sources; and

J. Include an audit function.

2. Rules. The Department of Health and Human Services shall adopt rules to design the program in accordance with the requirements of subsection 1 no later than January 1, 2020. Rules adopted pursuant to this subsection are major substantive rules as defined in chapter 375, subchapter 2-A.

3. Request for federal approval and certification. The Department of Health and Human Services shall submit a request for approval and certification of the program to the United States Department of Health and Human Services no later than May 1, 2020.

§2043. Implementation

1. Implementation; operation. Upon receipt of federal approval and certification under section 2042, subsection 3, the state agency designated to oversee the program pursuant to this chapter shall implement the program as required in subsection 2. The program must begin operating no later than 6 months following receipt of federal approval and certification.

2. Requirements. Prior to operating the program, the state agency designated to oversee the program pursuant to this chapter shall:

A. Become a licensed drug wholesaler or enter into a contract with a licensed drug wholesaler in the State;

B. Contract with one or more distributors licensed in the State;

C. Contract with one or more licensed and regulated prescription drug suppliers in Canada;

D. Consult with health insurance carriers, employers, pharmacies, pharmacists, health care providers and consumers;

E. Develop a registration process for health insurance carriers, pharmacies and health care pro-

viders authorized to prescribe and administer prescription drugs that are willing to participate in the program;

F. Create a publicly accessible website for listing the prices of prescription drugs to be imported under the program;

G. Create an outreach and marketing plan to generate public awareness of the program;

H. Provide a telephone hotline to answer questions and address needs of consumers, employers, health insurance carriers, pharmacies, health care providers and others affected by the program;

I. Develop a 2-year audit work plan; and

J. Conduct any other activity determined necessary to successfully implement and operate the program.

§2044. Annual reporting

Beginning January 2021, and annually thereafter, the Department of Health and Human Services, or other state agency designated to oversee the program pursuant to this chapter, shall report to the joint standing committee of the Legislature having jurisdiction over health coverage and prescription drugs regarding the implementation and operation of the program during the previous calendar year, including:

1. Prescription drugs included. The prescription drugs included in the program;

2. Participation. The number of participating pharmacies, health care providers and health insurance carriers;

3. Prescriptions dispensed. The number of prescription drugs dispensed through the program;

4. Estimated savings. The estimated cost savings to consumers, health insurance carriers, employers and the State during the previous calendar year and to date;

5. Audit findings. Information regarding implementation of the audit work plan and audit findings; and

6. Other relevant information. Any other information the Department of Health and Human Services, or other state agency designated to oversee the program pursuant to this chapter, considers relevant.

See title page for effective date.

**An Act To Ease Financial
Burdens for Juveniles Involved
in the Justice System**

Be it enacted by the People of the State of Maine as follows:

Sec. 1. 15 MRSA §3313, sub-§2, ¶F, as enacted by PL 1977, c. 520, §1, is amended to read:

F. The juvenile has made or has agreed to ~~make pay~~ restitution to the victim of ~~his~~ the juvenile's conduct for the damage or injury that the victim sustained in an amount that the court has determined is within the juvenile's ability to pay pursuant to section 3314-C;

Sec. 2. 15 MRSA §3314, sub-§1, ¶E, as amended by PL 2019, c. 113, Pt. C, §46, is further amended to read:

E. The court may require the juvenile to ~~make pay~~ restitution for ~~any damage to the victim or other authorized claimant as compensation for economic loss upon reasonable conditions that the court determines appropriate.~~ For the purposes of this paragraph, the provisions of Title 17-A, chapter 69 apply, except that section 2015 does not apply. Enforcement of a restitution order is available pursuant to subsection 7. If the restitution was a condition of probation, the attorney for the State may, with written consent of the juvenile community corrections officer, file a motion to ~~revoke probation~~ pursuant to section 3314-C.

Sec. 3. 15 MRSA §3314, sub-§7, as amended by PL 2009, c. 608, §2, is further amended to read:

7. Enforcement of a dispositional order or order to appear. After notice and hearing and in accordance with the Maine Rules of Civil Procedure, Rule 66, the court may exercise its inherent contempt power by way of a plenary contempt proceeding involving punitive sanctions, accompanied or unaccompanied by remedial sanctions, to enforce the disposition ordered following an adjudication for a juvenile crime or to enforce any order requiring the appearance of a juvenile before the court. The court may not order confinement as a contempt sanction for any juvenile who has not attained 14 years of age. Any confinement imposed as a punitive or remedial sanction upon a person who has not attained 18 years of age may not exceed 30 days and must be served in a facility approved or operated by the Department of Corrections exclusively for juveniles. Any confinement imposed as a punitive or remedial sanction upon a person who has attained 18 years of age, if to be served in a facility approved or operated by the Department of Corrections exclusively for juveniles, may not exceed 30 days. To enforce the disposition ordered following an adjudication for a juvenile crime defined in section 3103, subsection 1, paragraph B or C upon a person who has not attained 18 years of age, the court shall, at the time of the disposition, provide written notice to the juvenile of the court's authority to enforce the dispositional order through an exercise of its inherent contempt power and that a contempt order could include an order of confinement for up to 30 days as a punitive sanction and for up to 30 days as a remedial sanction. Except as explicitly set out in this subsection, nothing in this subsection affects the court's ability to exercise its contempt powers for persons who have attained 18 years of age.

~~In addition to the contempt powers described in this subsection, upon a default in payment of a fine or restitution, execution may be levied and other measures authorized for the collection of unpaid civil judgments may be taken to collect the unpaid fine or restitution. A levy of execution does not discharge a juvenile confined as a punitive sanction and does not discharge a juvenile confined as a remedial sanction until the full amount of the fine or restitution has been paid.~~

Sec. 4. 15 MRSA §3314-C is enacted to read:

§3314-C. Juvenile restitution

1. Definitions. Terms used in this section have the same meaning as in Title 17-A, section 2002, unless otherwise indicated.

2. Mandatory consideration of restitution. This subsection applies to the mandatory consideration of restitution.

A. The court shall, whenever practicable, inquire of a prosecutor, law enforcement officer or victim

with respect to the extent of the victim's economic loss and shall order restitution when authorized and appropriate.

B. The order for restitution must designate the amount of restitution to be paid, that the order may be subject to modification or termination pursuant to subsection 6 and the person or persons to whom restitution must be paid.

C. In any case in which the court determines that restitution should not be imposed in accordance with the criteria set forth in subsection 3, the court shall state on the record or in writing the reasons for not imposing restitution.

3. Criteria for juvenile restitution. The criteria for ordering restitution to be paid by a juvenile are as follows.

A. Restitution as part of a juvenile disposition may be authorized, in whole or in part, as compensation for economic loss. In determining the amount of restitution a court is authorized to order a juvenile to pay, the court shall consider the following:

(1) The contributory misconduct of the victim;

(2) Failure by the victim to report the crime to a law enforcement officer within 72 hours after its occurrence, without good cause for failure to report within that time period; and

(3) The present and future capacity of the juvenile to pay restitution.

B. The court is not authorized to order that a juvenile pay restitution:

(1) To a victim without that victim's consent;

(2) To a victim who is an accomplice of the juvenile;

(3) To a victim who has otherwise been compensated from a collateral source, but economic loss in excess of that collateral compensation may be authorized;

(4) On a joint and several basis; or

(5) When the amount and method of payment of monetary restitution places an excessive financial hardship on the juvenile or dependent of the juvenile. In making this determination, the court shall consider all relevant factors, including, but not limited to, the following:

(a) The impact a restitution order would have on a juvenile, the juvenile's dependents and the juvenile's family, with particular consideration given to whether or not the juvenile or the juvenile's parents

or guardians have been determined to be indigent;

(b) The minimum living expenses of the juvenile and the juvenile's dependents, including any other persons who are actually dependent on the juvenile;

(c) The special needs of the juvenile and the juvenile's dependents, including necessary travel expenses to and from work;

(d) The juvenile's present income and potential future earning capacity;

(e) The juvenile's resources;

(f) The juvenile's age;

(g) The juvenile's educational obligations;

(h) The juvenile's participation in substance use disorder treatment or mental health treatment or both;

(i) The stability or transience of the juvenile's living situation;

(j) The juvenile's access to transportation;

(k) Work restrictions on juveniles as set forth in Title 26, chapter 7; and

(l) The confinement of the juvenile as part of the juvenile's disposition.

4. Authorized claimants. A court's order directing a juvenile to pay restitution is authorized only for:

A. The victim or victims, who must be natural persons, or a dependent of a deceased victim. A juvenile's obligation to pay restitution is not affected by the death of the victim to whom the restitution is due. In the case of the death of a victim, the money collected as restitution must be forwarded to the estate of the victim; and

B. Any person legally authorized to act on behalf of the victim.

5. Burdens of proof. At a hearing on a juvenile's capacity to pay restitution, there exists a rebuttable presumption that a juvenile who has not attained 16 years of age lacks the capacity to pay restitution. The State has the burden to rebut that presumption by a preponderance of the evidence. At a hearing in which a juvenile who has attained 16 years of age asserts a present or future incapacity to pay restitution, the juvenile has the burden of proving the incapacity to pay restitution by a preponderance of the evidence. On appeal of a restitution order, as part of a juvenile disposition, the juvenile has the burden of demonstrating that the court abused its discretion in ordering an amount of restitution.

6. Modification of orders on juvenile restitution. This subsection governs the modification of juvenile restitution orders.

A. A juvenile who is not able to make restitution payments in the manner ordered by the court shall move the court for a modification of the time or method of payment. If the juvenile establishes by a preponderance of the evidence that the juvenile is unable to pay restitution in the time and manner ordered, the court may modify its prior order to reduce the amount of each installment or to allow additional time for payment.

B. Upon motion of the juvenile, the juvenile's parent or parents or the juvenile's guardian, and upon notice to the State and providing an opportunity for the victim to comment on the motion, pursuant to Title 17-A, sections 2102, 2104 and 2105, the court may review the restitution order and may modify its dispositional order to reduce or eliminate the amount of restitution ordered when the court determines that the juvenile has established by a preponderance of the evidence that payment of the current restitution order would, based on a substantial change in the juvenile's circumstances, constitute an excessive financial hardship on the juvenile or the juvenile's dependents. Additionally, if a court determines that a juvenile's failure to pay restitution was not willful and was excusable, the court may order that the juvenile complete court-approved community service to offset the juvenile's restitution obligations at an hourly rate set by the court that may be no less than the minimum wage established in Title 26, section 664.

7. Enforcement of an order of juvenile restitution. Notwithstanding section 3314, subsection 7, to enforce an order of restitution upon a finding that the juvenile has inexcusably failed to comply with the order, the court may not order confinement as a remedial or punitive contempt sanction unless the juvenile has in fact attained 16 years of age. Upon a motion by the State to enforce the payment of restitution, the court may order, in addition to other remedial or punitive contempt sanctions for an inexcusable failure to pay restitution, that a juvenile complete court-approved community service at an hourly rate set by the court that may be no less than the minimum wage established in Title 26, section 664.

§456. Statements and form of answers

The witness or ~~his~~ the witness's counsel may insert in the record sworn, written statements of reasonable length relevant to the subject matter and scope of the investigation. In giving testimony, the witness may explain ~~his~~ the witness's answers briefly.

§457. Privileges

The witness ~~shall~~ must be given the benefit of any privilege which ~~he~~ the witness could have claimed in court as a party to a civil action, provided that the committee ~~chairman chair~~ may direct compliance with any request for testimony to which claim of privilege has been made. However, the ~~chairman's chair's~~ direction may be overruled by investigating committee action.

Sec. 29. 3 MRSA §473, first ¶, as enacted by PL 1975, c. 593, §3, is amended to read:

~~No~~ A witness ~~shall~~ may not be punished for contempt of an investigating committee unless the court finds:

Sec. 30. 3 MRSA §473, sub-§3, ¶¶B and C, as enacted by PL 1975, c. 593, §3, are amended to read:

B. A citation for failure to testify in response to a request for ~~his~~ the witness's testimony challenged as not pertinent to the subject matter and scope of the investigation, the requirements of sections 412 and 453 have been complied with and the request was pertinent as explained;

C. A citation for failure to testify in response to a request for ~~his~~ the witness's testimony on grounds of privilege, the requirements of section 457 have been complied with.

Sec. 31. 3 MRSA §701, sub-§9, as enacted by PL 1985, c. 507, §1, is amended to read:

9. Earnable compensation. "Earnable compensation" means the actual compensation of a Legislator. Any money paid by the State under an annuity contract for the future benefit of a Legislator ~~shall be~~ is considered part of the Legislator's earnable compensation. The earnable compensation of a member retired with a disability retirement allowance under section 853 ~~shall be~~ is assumed, for the purposes of determining benefits under this chapter, to be continued after ~~his~~ the Legislator's date of termination of service at the same rate as received immediately prior to that time, subject to the same percentage adjustments, if any, that may apply to the amount of retirement allowance of the beneficiary under section 858.

Sec. 32. 3 MRSA §854, as enacted by PL 1985, c. 507, §1, is amended to read:

§854. Restoration to service

If a recipient of a retirement allowance under this chapter again becomes a member of the Legislature, ~~he~~ the recipient may:

1. Receive allowance. Continue to receive the retirement allowance and not accrue any additional creditable service for that legislative service; or

2. Discontinue allowance. Direct, in writing, that the executive director discontinue ~~his~~ the recipient's retirement allowance and ~~he shall accrue~~ the recipient accrues additional creditable service for that legislative service.

Sec. 33. 4 MRSA §2, as amended by PL 1979, c. 127, §6, is further amended to read:

§2. Appointment of additional justices

Whenever the Chief Justice of the Supreme Judicial Court or, in the event of ~~his~~ the Chief Justice's disability, any associate justice thereof has reason to believe that any Justice of the Supreme Judicial or Superior Court is totally and permanently disabled by reason of physical or mental incapacity and because thereof is unable to perform the duties of ~~his~~ the of-

vice, ~~he~~ the Chief Justice or associate justice shall cause a commission of 3 competent disinterested members of the medical profession to make due inquiry and examination into the facts and report ~~thereon~~ the results of the inquiry to the Supreme Judicial Court. Upon receiving ~~said~~ the report, ~~he~~ the Chief Justice or associate justice shall ~~thereupon~~ call a meeting of ~~said court~~ the Supreme Judicial Court and submit to ~~them~~ it the report of ~~said~~ the medical commission. The court shall ~~thereupon, upon said,~~ based on the report and such other evidence as they may deem consider necessary, if any, determine the facts ~~in relation thereto~~. If ~~said~~ the court ~~find~~ finds that ~~said~~ the Justice of the Supreme Judicial or Superior Court is permanently and totally disabled by reason of physical or mental incapacity and because ~~thereof~~ of the disability is unable to perform the duties of ~~his~~ the office, the Chief Justice shall certify ~~said~~ that fact to the Governor. Upon receipt of ~~such~~ a certificate from the court, the Governor shall make due inquiry into the matter and, if ~~he~~ the Governor confirms the finding of ~~said~~ the court, the Governor shall appoint an additional Justice of the Supreme Judicial or Superior Court, as the case may be.

Sec. 34. 4 MRSA §4, sub-§3, ¶C, as enacted by PL 1983, c. 853, Pt. C, §§4 and 18, is amended to read:

C. The Chief Justice of the Supreme Judicial Court or ~~his~~ the Chief Justice's designee may prescribe regulations for the submission of the required statements through ~~his~~ the Chief Justice's office; and for the advance approval by ~~him~~ the Chief Justice of other reasonably necessary expenses.

Sec. 35. 4 MRSA §6, as amended by PL 1983, c. 853, Pt. C, §§6 and 18, is further amended to read:

§6. Active Retired Justices

Any Justice of the Supreme Judicial Court, who has retired from the court under this chapter in effect prior to December 1, 1984, or any Justice of the Supreme Judicial Court who retires or terminates ~~his~~ service on the court in accordance with chapter 27, except for a disability retirement, is eligible for appointment as an Active Retired Justice of the Supreme Judicial Court as provided. The Governor may, subject to review by the joint standing committee of the Legislature having jurisdiction over judiciary and to confirmation by the Legislature, appoint any eligible justice as an Active Retired Justice of the Supreme Judicial Court for a term of 7 years, unless sooner removed, and that justice may be reappointed for a like term. Any justice so appointed and designated ~~shall thereupon constitute~~ as an Active Retired Justice of the Supreme Judicial Court constitutes a part of the court from which ~~he has~~ the Justice retired and ~~shall have~~ has the same jurisdiction and ~~be~~ is subject to the same restrictions ~~therein~~ as before retirement, except that ~~he~~

~~shall~~ the Active Retired Justice may act only in the cases and matters and hold court only at the terms and times as ~~he may be~~ directed and assigned ~~to~~ by the Chief Justice of the Supreme Judicial Court. The Chief Justice is empowered and authorized to assign and designate ~~any such an~~ Active Retired Justice of the Supreme Judicial Court as to ~~his~~ that justice's services and may direct as to which ~~term of the Law Court he~~ shall attend the Active Retired Justice attends, and order ~~him~~ the Active Retired Justice to hear all matters and issue all orders, notices, decrees and judgments in vacation that any Justice of the Supreme Judicial Court is authorized to hear or issue.

Sec. 36. 4 MRSA §6-A, as enacted by PL 1979, c. 12, §1, is amended to read:

§6-A. Active Retired Justice of Supreme Judicial Court to sit in Superior Court

An Active Retired Justice of the Supreme Judicial Court may be assigned by the Chief Justice of the Supreme Judicial Court to sit in the Superior Court in any county, and when so directed ~~he shall have the Active Retired Justice has~~ authority and jurisdiction ~~therein in that county~~ as if ~~he~~ the Active Retired Justice were a regular Justice of the Superior Court; and, whenever the Chief Justice of the Supreme Judicial Court so directs, ~~he~~ the Active Retired Justice may hear all matters and issue all orders, notices, decrees and judgments that any Justice of the Superior Court is authorized to hear and issue.

The order of the Chief Justice of the Supreme Judicial Court directing an Active Retired Justice of the Supreme Judicial Court to sit in the Superior Court ~~shall must~~ be filed with the Executive Clerk of the Supreme Judicial Court, but need not be docketed or otherwise recorded in any case heard by ~~him~~ the Active Retired Justice.

Sec. 37. 4 MRSA §54, as amended by PL 1975, c. 408, §8, is further amended to read:

§54. Clerks; duties; compensation; expenses of county

The Chief Justice of the Supreme Judicial Court shall appoint a clerk of the law court to serve at ~~his~~ the Chief Justice's pleasure and shall, from time to time, designate one or more of the clerks of court or some competent person or persons ~~who shall to~~ act as additional clerks of the law court. The clerk of the law court ~~shall is entitled to~~ receive such salary as the Chief Justice ~~shall determine determines~~ and shall devote full time to ~~his~~ the clerk's duties. The clerk of the law court shall also act as reporter of decisions. The Chief Justice or in ~~his~~ the Chief Justice's absence the senior justice present shall allow to the county in which any law term is held such expense as may be incurred on account of such law term, which ~~shall must~~ be paid by the State. The dockets of the law court

~~shall must~~ be made from time to time and kept as the court may direct.

Sec. 38. 4 MRSA §101-A, as enacted by PL 1983, c. 269, §§7 and 9, is amended to read:

§101-A. Chief Justice of the Superior Court

The Chief Justice of the Supreme Judicial Court shall designate one of the Justices of the Superior Court as the Chief Justice of the Superior Court. ~~He shall serve~~ The Justice so designated serves at the pleasure and under the supervision of the Chief Justice of the Supreme Judicial Court and ~~shall be is~~ responsible for the operation of the Superior Court. Any authority relating to the operation of the Superior Court, that is vested by law in the Chief Justice of the Supreme Judicial Court, may be delegated by ~~him~~ the Chief Justice of the Supreme Judicial Court to the Chief Justice of the Superior Court acting under ~~his~~ the supervision of the Chief Justice of the Supreme Judicial Court. The Chief Justice of the Superior Court shall also perform such additional duties as may be assigned to ~~him~~ the Chief Justice of the Superior Court from time to time by the Chief Justice of the Supreme Judicial Court. The term "Justice of the Superior Court" includes the Chief Justice of the Superior Court.

Sec. 39. 4 MRSA §102, sub-§3, as enacted by PL 1983, c. 853, Pt. C, §§7 and 18, is amended to read:

3. Expenses. Section 4, relating to reimbursement of Justices of the Supreme Judicial Court for expenses incurred by them, including clerical assistance, ~~shall apply applies~~ to Justices of the Superior Court. The Chief Justice of the Supreme Judicial Court or ~~his~~ the Chief Justice's designee may specify by order a maximum amount to be expended by any justice for clerical assistance.

Sec. 40. 4 MRSA §106 is amended to read:

§106. Conferences

The Chief Justice of the Supreme Judicial Court may from time to time call together the several Justices of the Superior Court at such place as ~~he~~ the Chief Justice may appoint for conference as to the conduct and dispatch of judicial business and interchange of views in matters of practice in ~~said~~ the court. In addition to their salaries and expenses in holding the several terms of court to which they are assigned, the several justices ~~shall be are~~ entitled to their actual cash disbursements in attending such conferences.

Sec. 41. 4 MRSA §117, as amended by PL 1975, c. 735, §5, is further amended to read:

§117. Other expenses of the court

Within the limits of the funds and appropriations available to the Superior and Supreme Judicial Courts, the Chief Justice of the Supreme Judicial Court or ~~his~~

the Chief Justice's designee may authorize the expenditure of funds for such other expenses and capital improvements as are reasonably necessary for the efficient operation of the Superior and Supreme Judicial Courts.

Sec. 42. 4 MRSA §120, first ¶, as repealed and replaced by PL 1987, c. 769, Pt. B, §2, is amended to read:

The Chief Justice of the Supreme Judicial Court may assign a Justice of the Superior Court who had been serving as a Judge of the District Court and who has been nominated and confirmed as a Justice of the Superior Court to sit in the District Court in order to finish any cases ~~which he~~ that the justice had presided over as a Judge of the District Court and ~~which that~~ remain unresolved after his the justice's confirmation.

Sec. 43. 4 MRSA §164, sub-§1 is amended to read:

1. Hold court when necessary. Hold court in any division when ~~he deems~~ the Chief Judge determines it necessary by reason of illness, absence or disability of the judge regularly assigned or by reason of an excessive case load in any district;

11. Conference of judges. Convene at least once annually at such place as ~~he may deem~~ the Chief Judge considers appropriate, a conference of District Court Judges to consider and take action upon or make recommendations with respect to current problems in the operation of the District Court. The expenses of District Court Judges attending this conference ~~shall be~~ are an expense of the District Court;

Sec. 47. 4 MRSA §556, first ¶, as repealed and replaced by PL 1975, c. 735, §11, is amended to read:

The clerk shall keep a true and exact account of all moneys ~~which he~~ that the clerk receives or is entitled to receive for services by virtue of ~~his~~ the office as clerk of the Superior or Supreme Judicial Courts and shall pay the same to the Treasurer of State. All moneys belonging to the county or State respectively ~~shall~~ must be paid within 30 days after they are received by ~~him~~ the clerk, in such manner as the Chief Justice or ~~his~~ the Chief Justice's designee shall from time to time specify. If, in either case, ~~he~~ the clerk neglects to do so, ~~he~~ the clerk shall pay 25% interest thereon until paid. Upon the county treasurer's or Treasurer of State's notice of any known delinquency, the clerk's bond ~~shall~~ must then be sued.

Sec. 48. 4 MRSA §702, as amended by PL 1973, c. 788, §8, is further amended to read:

§702. Duties

The Reporter of Decisions shall prepare correct reports of all legal questions argued and decided, reporting cases more or less at large according to ~~his~~ the reporter's judgment of their importance. ~~He~~ The reporter shall publish periodic advance sheets and at least one volume of Maine Reports yearly. The reporter shall, subject to the approval of the Chief Justice of the Supreme Judicial Court, make a written contract in the name of the State with any person, firm or corporation for the printing, publishing and binding of ~~said~~ those reports. The price of each volume and the advance sheets ~~shall~~ must be stated in the contract. ~~He~~ The reporter may require ~~such~~ the person, firm or corporation with whom the reporter contracts to give a good and sufficient bond with good and sufficient sureties, conditioned for the faithful performance of all the terms and conditions of ~~such~~ that contract by the person, firm or corporation with whom the reporter ~~makes such contract~~ contracts. In case of a breach of any or all of the conditions of ~~such~~ the bond, the reporter may maintain an action on ~~such~~ the bond in the name of the State. In the exercise of any discretionary powers vested in ~~him~~ the reporter by this section or by section 57, the Reporter of Decisions shall act in accordance with such instructions or advice ~~as may be given to him by~~ received from the Chief Justice of the Supreme Judicial Court.

All copies of the Maine Reports purchased by the State ~~shall~~ must be delivered to the State Law Librarian for distribution as provided in Title 3, section 173, subsection 3, paragraph B.

Sec. 49. 4 MRSA §1051, first ¶, as repealed and replaced by PL 1985, c. 819, Pt. A, §1, is amended to read:

~~No court~~ Court may not be held on Sunday or any day designated for the annual Thanksgiving; New

Year's Day, January 1st; Martin Luther King, Jr., Day, the 3rd Monday in January; Washington's Birthday, the 3rd Monday in February; Patriot's Day, the 3rd Monday in April; Memorial Day, the last Monday in May, but if the Federal Government designates May 30th as the date for observance of Memorial Day, the 30th of May; the 4th of July; Labor Day, the first Monday of September; Columbus Day, the 2nd Monday in October; Veterans' Day, November 11th; or on Christmas Day. The Chief Justice of the Supreme Judicial Court may order that court be held on a legal holiday when ~~he~~ the Chief Justice finds that the interests of justice and judicial economy in any particular case will be served. The public offices in county buildings may be closed to business on the holidays named in this section. When any one of the holidays named in this section falls on Sunday, the Monday following ~~shall~~ must be observed as a holiday, with all the privileges applying to any of the days named in this section.

Sec. 50. 25 MRSA §50, 2nd ¶, as enacted by PL 1971, c. 423, §2, is amended to read:

The Governor is authorized and empowered to do all things necessary to protect the public and prevent damage to property. The Governor may order the State Police or National Guard to evacuate any area designated by ~~him~~ the Governor and to carry out any other orders ~~he deems~~ the Governor determines necessary, and ~~they shall~~ in such event the State Police and National Guard have full authority to carry out ~~his~~ the Governor's orders. The Governor may delegate any authority vested in ~~him~~ the Governor under this provision.

Sec. 51. 35-A MRSA §1320, sub-§7, as enacted by PL 1987, c. 141, Pt. A, §6, is amended to read:

7. Stay. While an appeal under subsection 1 is pending, no injunction may issue suspending or staying any order of the commission and the appeal ~~shall~~ does not excuse any person or corporation from complying with and obeying any order or decision or any requirement of any order or decision of the commission or operate in any manner to stay or postpone the enforcement of the order or decision, except in the cases and upon the terms as the commission orders. While an appeal under subsection 5 is pending final determination by the court, the Chief Justice, or in ~~his~~ the Chief Justice's absence any other justice, may enjoin or stay the effect of the ruling or order upon the terms and conditions as ~~he~~ the Chief Justice determines proper.

Sec. 52. Maine Revised Statutes revisions. The Revisor of Statutes shall review the Maine Revised Statutes to determine where references to individuals occurring throughout the statutes need to be made gender-neutral and shall implement these revisions when updating, publishing or republishing the

statutes. The Revisor of Statutes shall develop a schedule to change all such gender-specific terms to gender-neutral terms in all Titles of the Maine Revised Statutes as soon as reasonably practicable. The changes may be made through the preparation and publication of an additional annual revisor's report pursuant to the Maine Revised Statutes, Title 1, section 95 that is dedicated to the correction of gender-specific terms. The Revisor of Statutes shall include in the annual report a report on the progress in carrying out the schedule developed pursuant to this section. When correcting gender-specific references within statutory units in the additional annual revisor's report prepared pursuant to this section, the Revisor of Statutes need not correct those statutory units to incorporate other administrative changes and corrections authorized under Title 1, section 93.

See title page for effective date.

CHAPTER 476

S.P. 550 - L.D. 1679

An Act To Promote Clean Energy Jobs and To Establish the Maine Climate Council

Emergency preamble. Whereas, acts and resolves of the Legislature do not become effective until 90 days after adjournment unless enacted as emergencies; and

Whereas, the Maine Climate Council, its Scientific and Technical Subcommittee and its working groups, which are established in this legislation and which are directed in this legislation to address a number of critical and pressing issues relating to the effects of climate change on the State, its communities and its environment and natural resources, must commence work on those issues as soon as is possible; and

Whereas, in the judgment of the Legislature, these facts create an emergency within the meaning of the Constitution of Maine and require the following legislation as immediately necessary for the preservation of the public peace, health and safety; now, therefore,

Be it enacted by the People of the State of Maine as follows:

Sec. 1. 5 MRSA §12004-I, sub-§24-G is enacted to read:

24-G.

<u>Environment:</u>	<u>Maine</u>	<u>Legislative</u>	<u>38</u>
<u>Natural</u>	<u>Climate</u>	<u>Per Diem</u>	<u>MRSA</u>
<u>Resources</u>	<u>Council,</u>	<u>and</u>	<u>§577-A</u>

Sec. 2. 35-A MRSA §3210-C, sub-§3, as amended by PL 2017, c. 134, §2, is further amended to read:

3. Commission authority. The commission may direct investor-owned transmission and distribution utilities to enter into long-term contracts for:

- A. Capacity resources;
- B. Any available energy associated with capacity resources contracted under paragraph A:
 - (1) To the extent necessary to fulfill the policy of subsection 2, paragraph A; or
 - (2) If the commission determines appropriate for purposes of supplying or lowering the cost of standard-offer service or otherwise lowering the cost of electricity for the ratepayers in the State. Available energy contracted pursuant to this subparagraph may be sold into the wholesale electricity market in conjunction with solicitations for standard-offer supply bids;
- C. Any available renewable energy credits associated with capacity resources contracted under paragraph A. The price paid by the investor-owned transmission and distribution utility for the renewable energy credits must be lower than the price received for those renewable energy credits at the time they are sold by the investor-owned transmission and distribution utility; and
- D. Transmission capacity, capacity resources, energy or renewable energy credits pursuant to a regional procurement process in conjunction with other states.

The commission may permit, but may not require, investor-owned transmission and distribution utilities to enter into contracts for differences that are designed and intended to buffer ratepayers in the State from potential negative impacts from transmission development. To the greatest extent possible, the commission shall develop procedures for long-term contracts for investor-owned transmission and distribution utilities under this subsection having the same legal and financial effect as the procedures used for standard-

offer service pursuant to section 3212 for investor-owned transmission and distribution utilities.

The commission may enter into contracts for interruptible, demand response or energy efficiency capacity resources. These contracts are not subject to the rules of the State Purchasing Agent. In a competitive solicitation conducted pursuant to subsection 6, the commission shall allow transmission and distribution utilities to submit bids for interruptible or demand response capacity resources.

Capacity resources contracted under this subsection may not exceed the amount necessary to ensure the reliability of the electric grid of this State, to meet the energy efficiency program budget allocations articulated in the triennial plan as approved by the commission pursuant to section 10104, subsection 4 or any annual update plan approved by the commission pursuant to section 10104, subsection 6 or to lower customer costs as determined by the commission pursuant to rules adopted under subsection 10.

Unless the commission determines the public interest requires otherwise, a capacity resource may not be contracted under this subsection unless the commission determines that the capacity resource is recognized as a capacity resource for purposes of any regional or federal capacity requirements.

The commission shall ensure that any long-term contract authorized under this subsection is consistent with ~~the State's goals for greenhouse gas reduction~~ under Title 38, section ~~576~~ 576-A and the regional greenhouse gas initiative as described in the state climate action plan required in Title 38, section 577.

By January 1st of each year, the commission shall submit a report to the joint standing committee of the Legislature having jurisdiction over energy and utilities matters on the procurement of transmission capacity, capacity resources, energy and renewable energy credits in the preceding 12 months under this subsection, the Community-based Renewable Energy Act and deep-water offshore wind energy pilot projects under Public Law 2009, chapter 615, Part A, section 6, as amended by Public Law 2013, chapter 369, Part H, sections 1 and 2 and chapter 378, sections 4 to 6. The report must contain information including, but not limited to, the number of requests for proposals by the commission for long-term contracts, the number of responses to requests for proposals pursuant to which a contract has been finalized, the number of executed term sheets or contracts resulting from the requests for proposals, the commission's initial estimates of ratepayer costs or savings associated with any approved term sheet, actual ratepayer costs or savings for the previous year associated with any procurement, the total ratepayer costs or savings at the time of the report and the megawatt-hours, renewable energy credits or capacity produced or procured through contracts. The report must also include a plan for the succeeding 12

months pertaining to the procurement of capacity resources, energy and renewable energy credits, including dates for requests for proposals, and types of resources to be procured.

Sec. 3. 35-A MRSA §3402, sub-§1, ¶A, as amended by PL 2009, c. 615, Pt. A, §2, is further amended to read:

A. Wind energy is an economically feasible, large-scale energy resource that does not rely on fossil fuel combustion or nuclear fission, thereby displacing electrical energy provided by these other sources and avoiding air pollution, waste disposal problems and hazards to human health from emissions, waste and by-products; consequently, wind energy development may address energy needs while making a significant contribution to achievement of the State's renewable energy and greenhouse gas reduction objectives, including those in Title 38, section ~~576~~ 576-A;

Sec. 4. 35-A MRSA §10104, sub-§4, ¶F, as repealed and replaced by PL 2013, c. 369, Pt. A, §13, is amended to read:

F. It is an objective of the triennial plan to design, coordinate and integrate sustained energy efficiency and weatherization programs that are available to all energy consumers in the State and to users of all fuel types. The plan must set forth the costs and benefits of energy efficiency programs that advance the following goals, and funding necessary to meet those goals:

- (1) Reducing energy costs, including residential heating costs;
- (2) Weatherizing substantially all homes whose owners or occupants are willing to participate in and share the costs of cost-effective home weatherization to a minimum standard of weatherization, as defined by the trust, by 2030;
- (3) Reducing peak-load demand for electricity through trust programs by 300 megawatts by 2020;
- (4) By 2020, achieving electricity and natural gas program savings of at least 20% and heating fuel savings of at least 20%, as defined in and determined pursuant to the measures of performance approved by the commission under section 10120;
- (5) Creating stable private sector jobs providing alternative energy and energy efficiency products and services in the State by 2020; and
- (6) Reducing greenhouse gas emissions from the heating and cooling of buildings in the State by amounts consistent with ~~the State's~~

~~goals established in Title 38, section 576~~
576-A.

The trust shall preserve when possible and appropriate the opportunity for carbon emission reductions to be monetized and sold into a voluntary carbon market. Any program of the trust that supports weatherization of buildings must be voluntary and may not constitute a mandate that would prevent the sale of emission reductions generated through weatherization measures into a voluntary carbon market.

Except when specifically provided in the individual goals under this paragraph, the trust may consider expected savings from market effects not attributable to the trust as well as efforts by other organizations, including but not limited to federally funded low-income weatherization programs.

As used in this paragraph, "heating fuel" means liquefied petroleum gas, kerosene or #2 heating oil, but does not include fuels when used for industrial or manufacturing processes.

Sec. 5. 38 MRSA §574, sub-§§1-A to 1-C are enacted to read:

1-A. Climate action plan. "Climate action plan" means the state plan adopted under section 577.

1-B. Gross annual greenhouse gas emissions. "Gross annual greenhouse gas emissions" means the total amount of greenhouse gases emitted by all sources within the State each year.

1-C. Net annual greenhouse gas emissions. "Net annual greenhouse gas emissions" means gross annual greenhouse gas emissions less the total amount of greenhouse gases absorbed each year by plants and natural ecosystems, including, but not limited to, trees, crops, soil and wetlands within the State.

Sec. 6. 38 MRSA §576, as enacted by PL 2003, c. 237, §1, is repealed.

Sec. 7. 38 MRSA §576-A is enacted to read:
§576-A. Greenhouse gas emissions reductions

1. 2030 annual emissions level. By January 1, 2030, the State shall reduce gross annual greenhouse gas emissions to at least 45% below the 1990 gross annual greenhouse gas emissions level.

2. Interim emissions level. By January 1, 2040, the gross annual greenhouse gas emissions level must, at a minimum, be on an annual trajectory sufficient to achieve the 2050 annual emissions level in accordance with subsection 3.

3. 2050 annual emissions level. By January 1, 2050, the State shall reduce gross annual greenhouse gas emissions to at least 80% below the 1990 gross annual greenhouse gas emissions level.

4. Monitoring, reporting and compliance rules.
By July 1, 2021, the department shall adopt rules to track and report to the Legislature on gross annual greenhouse gas emissions and net annual greenhouse gas emissions.

Notwithstanding any provision of section 341-H to the contrary, by September 1, 2021, the board shall adopt rules to ensure compliance with the levels established by subsections 1 to 3 which:

A. Must be consistent with the climate action plan, as updated pursuant to section 577, subsection 1;

B. Must prioritize greenhouse gas emissions reductions by sectors that are the most significant sources of greenhouse gas emissions, as identified by the United States Energy Information Administration and in the department's biennial reports submitted under section 578, taking into account gross greenhouse gas emissions reductions achieved by each sector since 1990 measured as a percentage of statewide gross greenhouse gas emissions and taking into account the cost-effectiveness of future gross greenhouse gas emissions reductions by each sector;

C. Must be fair and equitable and account for and give significant weight to greenhouse gas emissions reductions already achieved by various sectors; and

D. May establish a mechanism for crediting voluntary measures that quantifiably and reliably sequester additional carbon in forests, farms and coastal lands in the State or by the use of materials that sequester additional carbon.

The Department of Transportation, after consultation with the department, may adopt rules as necessary to ensure compliance with the levels established by subsections 1 to 3.

Rules adopted pursuant to this subsection are routine technical rules as defined in Title 5, chapter 375, subchapter 2-A.

Sec. 8. 38 MRSA §577, as enacted by PL 2003, c. 237, §1, is amended to read:

§577. Climate action plan; update

By July 1, 2004, the department, with input from stakeholders, shall adopt a state climate action plan to meet ~~the reduction goals specified in section 576 for~~ greenhouse gas emissions. The action plan must address reduction in each sector in cost-effective ways and must allow sustainably managed forestry, agricultural and other natural resource activities to be used to sequester greenhouse gas emissions. The department shall submit the action plan to the joint standing committee of the Legislature having jurisdiction over natural resources matters.

1. Update plan. By December 1, 2020, and every 4 years thereafter, the Maine Climate Council, as established in section 577-A and referred to in this section as "the council," with input from stakeholders, shall update the state climate action plan under this section and shall include in the plan strategies to meet the greenhouse gas emissions reduction levels specified in section 576-A.

2. Mitigation strategies. In updating the climate action plan under subsection 1, the council shall evaluate mitigation strategies to reduce gross annual greenhouse gas emissions and net annual greenhouse gas emissions consistent with the reduction levels in section 576-A. The council shall quantitatively analyze and report on the technical feasibility and cost-effectiveness of each mitigation strategy. The updated climate action plan must include climate change mitigation strategies to reduce greenhouse gas emissions in the State and, as applicable, must include updates to the mitigation strategies included in the plan and identification of new strategies through the application of the latest scientific and technological information available related to climate change.

3. Adaptation and resilience strategies. The updated climate action plan under subsection 1 must address the impacts of climate change upon the State and provide strategies and actions for climate adaptation and resiliency. These strategies must include implementation guidelines that:

A. Prioritize the welfare of the State's citizens and visitors and recognize and foster the value of the State's natural resources and natural resource-based industries;

B. Encourage diversity, inclusion and equity;

C. Provide education and training opportunities when appropriate;

D. Build upon existing global, national and state plans and partnerships for addressing climate adaptation, emergency preparedness and disaster risk reduction;

E. Encourage investments that prevent and proactively mitigate risk;

F. Encourage, foster and utilize the most recent scientific and technical information available; and

G. Incorporate means for measuring progress.

4. Clean energy economy transition plan. The updated climate action plan under subsection 1 must include a clean energy economy transition plan that, as applicable, incorporates feedback from the Maine Climate Council working groups established under section 577-A, subsection 7 and which may incorporate feedback from other entities with expertise in education, training, apprenticeships, workforce and labor.

The clean energy economy transition plan under this subsection must:

A. Include opportunities for and address barriers to advancing the State's clean energy economy;

B. Highlight strategies for the State's rural communities, workers and businesses as the State transitions to a low-carbon future that are designed to encourage good-paying jobs and long-term employment; and

C. Identify policy recommendations; opportunities for public-private partnerships; workforce development and educational opportunities, including opportunities for training and retraining workers and the development of apprenticeship programs; and other strategies necessary to the creation of clean energy jobs and a robust clean energy economy in the State.

5. Effects of climate change. The updated climate action plan under subsection 1 must provide the latest information on climate change effects in the State and on the sectors, ecosystems and communities most at risk from such effects.

6. Submission of plan. By December 1, 2020, and every 4 years thereafter, the council shall submit the updated climate action plan under subsection 1 and any recommended legislation to the joint standing committee of the Legislature having jurisdiction over natural resources matters. Upon receipt and review of the plan, the joint standing committee may report out a bill to the Legislature related to the plan or the council's recommendations.

7. Objectives. In identifying the mitigation strategies and adaptation and resilience strategies to include in the updated climate action plan under subsections 2 and 3 and in developing the clean energy economy transition plan under subsection 4, the council shall give consideration to the following objectives:

A. Pursuing cost-effective, technologically feasible and equitable greenhouse gas emissions reduction pathways and adaptation and preparedness strategies, informed by scientific and technical expertise;

B. Pursuing actions that minimize deleterious effects, including those on persons of low income and moderate income, to public health and the environment and that support economic sectors that face the biggest barriers to emissions reductions and creating, when feasible, additional employment and economic growth in the State, especially in rural and economically distressed regions of the State;

C. Ensuring equity for all sectors and regions of the State and that the broadest group of residents benefit from the achievement of the greenhouse gas emissions reduction levels in section 576-A,

with consideration of economic, quality-of-life and public health benefits;

D. Encouraging the use of natural solutions to reduce net annual greenhouse gas emissions and increase resiliency, such as solutions related to forests, farms and coastal lands in the State and materials that sequester carbon;

E. Maximizing involvement in interstate and regional initiatives and programs designed to reduce regional greenhouse gas emissions;

F. Supporting industries, technology and training that will allow workers and companies in the State to benefit from carbon reduction solutions through jobs and economic activity; and

G. Planning for adaptation and resilience strategies that will prepare the State's communities, infrastructure and industries for current and anticipated effects of climate change.

8. Use of existing data. In updating the climate action plan under subsection 1, the council shall draw upon existing state data and studies, including, but not limited to, analyses and data from the 2004 climate action plan and the 2010 adaptation plan developed by the department, the evaluations of the State's progress toward meeting greenhouse gas emissions levels under section 578, the comprehensive state energy plan pursuant to Title 2, section 9, subsection 3, paragraph C and the Efficiency Maine Trust's triennial plan pursuant to Title 35-A, section 10104, subsection 4.

9. Funding. The costs to the council of updating the climate action plan pursuant to this section, including, but not limited to, the costs associated with the evaluation of mitigation strategies to reduce gross annual greenhouse gas emissions and net annual greenhouse gas emissions under subsection 2, may be funded using funds solicited and accepted by the council pursuant to section 577-A, subsection 9.

Sec. 9. 38 MRSA §577-A is enacted to read:

§577-A. Maine Climate Council

The Maine Climate Council, referred to in this section as "the council," is created to advise the Governor and Legislature on ways to mitigate the causes of, prepare for and adapt to the consequences of climate change.

1. Membership. The council's membership consists of the following 39 members:

A. Two members of the Senate, appointed by the President of the Senate, including one member of each of the 2 parties holding the most seats in the Senate;

B. Two members of the House of Representatives, appointed by the Speaker of the House, including one member of each of the 2 parties hold-

ing the most seats in the House of Representatives;

C. The Director of the Governor's Office of Policy and Management, or the director's designee;

D. The Commissioner of Administrative and Financial Services, or the commissioner's designee;

E. The Commissioner of Agriculture, Conservation and Forestry, or the commissioner's designee;

F. The Commissioner of Economic and Community Development, or the commissioner's designee;

G. The Commissioner of Environmental Protection, or the commissioner's designee;

H. The Commissioner of Inland Fisheries and Wildlife, or the commissioner's designee;

I. The Commissioner of Labor, or the commissioner's designee;

J. The Commissioner of Marine Resources, or the commissioner's designee;

K. The Commissioner of Transportation, or the commissioner's designee;

L. The Commissioner of Defense, Veterans and Emergency Management, or the commissioner's designee;

M. The Commissioner of Education, or the commissioner's designee;

N. The Commissioner of Health and Human Services, or the commissioner's designee;

O. The Director of the Governor's Energy Office, or the director's designee;

P. The director of the Efficiency Maine Trust, or the director's designee;

Q. The director of the Maine State Housing Authority, or the director's designee; and

R. The following 20 additional members appointed by the Governor representing state interests affected by climate change or with expertise in climate change issues:

(1) One member to represent marine fisheries;

(2) One member to represent agriculture;

(3) One member to represent municipal governments;

(4) One member to represent the forestry industry;

(5) One member to represent the State's energy sector;

(6) One member to represent the State's Indian tribes;

(7) One member to represent building or construction trades;

(8) One member to represent the manufacturing industry;

(9) One member to represent organized labor;

(10) Two members to represent business, including one member to represent small business;

(11) Two members to represent environmental nonprofit organizations or private foundations focused on environmental issues;

(12) Two members with expertise in climate change science, including a representative of the University of Maine System;

(13) Two members with expertise in climate change resilience and adaptation, emergency management or disaster risk reduction;

(14) One member to represent the State's youth; and

(15) Two other government or public members.

2. Terms; compensation; staffing. The term of a member appointed pursuant to subsection 1, paragraph R is 3 years. A legislative member appointed pursuant to subsection 1, paragraphs A or B serves for the duration of the Legislature in which the legislative member was appointed. At the end of a term, a member continues to serve until a successor is appointed.

Legislative members of the council, the subcommittee under subsection 6 and the working groups under subsection 7 are entitled to receive the legislative per diem, as defined in Title 3, section 2, and reimbursement for travel and other necessary expenses for their attendance at meetings of the council, the subcommittee and the working groups. Public members of the council not otherwise compensated by their employers or other entities that they represent are entitled to receive reimbursement for travel and other necessary expenses only. Public members of the subcommittee and the working groups are not entitled to receive reimbursement of any expenses.

The Governor's Office of Policy and Management shall provide staffing services as necessary to the council, the subcommittee and the working groups. The departments and agencies referenced in subsection 1, paragraphs D through Q shall provide additional staffing services to the council, the subcommittee and the working groups, as necessary and as resources allow and when the expertise of the departments or

agencies is relevant to the work for which the additional staffing services are required.

3. Chairs. The Governor shall appoint 2 cochairs from among the members serving pursuant to subsection 1, paragraphs C to N.

4. Removal. The Governor may remove any member appointed under subsection 1, paragraph R for incompetence, misconduct or failure to perform the duties of the position.

5. Steering committee. The cochairs of the council shall designate a steering committee composed of a subset of the council, including, but not limited to, the cochairs of the council, the subcommittee cochairs under subsection 6 and the working group cochairs under subsection 7. The steering committee shall establish the priorities and order of business of the council, the subcommittee and the working groups and shall provide input on other administrative matters before the council, the subcommittee and the working groups, including, but not limited to, determining the dates and frequency of meetings of the steering committee, the council, the subcommittee and the working groups.

6. Scientific and Technical Subcommittee. The Scientific and Technical Subcommittee, referred to in this section as "the subcommittee," is established within the council to identify, monitor, study and report out to the council and to the working groups under subsection 7 relevant data, findings and recommendations related to climate change in the State and its effects on the State's climate, species, marine and coastal environments and natural landscape and on the oceans and other bodies of water.

The President of the Senate shall appoint as a member of the subcommittee a member of the Senate, and the Speaker of the House of Representatives shall appoint as a member of the subcommittee a member of the House of Representatives and, at the request of the cochairs of the council, either presiding officer may appoint additional legislators as members of the subcommittee from their respective chamber of the Legislature, except that the President and the Speaker shall ensure that both of the 2 political parties holding the most seats in the Legislature are represented in their appointments to the subcommittee under this subsection. The cochairs of the council shall appoint as additional members of the subcommittee persons with scientific backgrounds, training and expertise relating to the purposes for which the subcommittee is established. From among these appointed members of the subcommittee, the cochairs of the council shall designate 2 cochairs of the subcommittee.

In carrying out its duties, the subcommittee:

A. Shall meet at least every 6 months beginning no later than October 1, 2019, except that the subcommittee must meet at least 4 times before July

1, 2020. The subcommittee shall at its first meeting each calendar year establish an annual work plan;

B. May seek the advice of experts in fields related to its duties;

C. May create subgroups to provide data and recommendations on specific subtopics related to the subcommittee's duties;

D. Shall identify, review and monitor the direct and indirect effects of climate change and the factors contributing to those effects, including, but not limited to, air temperature changes, sea level rise, ocean and coastal acidification, warming ocean temperatures, increased precipitation and changes in salinity and dissolved oxygen concentrations;

E. Shall review, study and analyze existing scientific literature and data on the direct and indirect effects of climate change and how those effects have directly or indirectly affected communities and public health, marine environments and species, agriculture and forestry and ecosystems and species in the State;

F. Shall identify critical scientific data and knowledge gaps pertaining to the data and monitoring of state-based climate changes and impacts and recommend methods for monitoring;

G. Shall identify methods and protocols to mitigate direct and indirect effects of climate change on the State's species;

H. Shall establish science-based sea level rise projections for the State's coastal areas by December 1, 2020 and update those projections at least every 4 years;

I. Shall create maps that indicate the areas of the State that may be most affected by storm surges, ocean and river flooding and extreme weather events and make these maps publicly available on a website maintained by the Department of Agriculture, Conservation and Forestry, Maine Geological Survey; and

J. Shall analyze and identify options for quantifying carbon sequestration and emissions associated with biomass growth, management and utilization in upland and marine environments.

7. Working groups. There is established within the council the following working groups:

A. A transportation working group;

B. A coastal and marine working group;

C. A buildings, infrastructure and housing working group;

D. A working lands working group;

E. An energy working group; and

F. Other working groups established by the council as needed.

The President of the Senate shall appoint as a member of each working group a member of the Senate, and the Speaker of the House of Representatives shall appoint as a member of each working group a member of the House of Representatives and, at the request of the cochairs of the council, either presiding officer may appoint additional legislators from their respective chamber of the Legislature as members of any working group, except that the President and the Speaker shall ensure that both of the 2 political parties holding the most seats in the Legislature are represented in their appointments to each working group under this paragraph. The cochairs of the council shall appoint as additional members of each working group representatives of scientific and academic institutions, affected and involved businesses and industries, non-profit organizations and foundations, the State's youth and federal, state and local governments and agencies. From among these appointed members of each working group, the cochairs of the council shall designate 2 cochairs for that working group.

Each working group shall meet at least every 6 months, beginning no later than October 1, 2019 and shall establish at the working group's first meeting each calendar year an annual work plan.

8. Actions by council, subcommittee and working groups. The council shall consider and prioritize actions recommended by the subcommittee established in subsection 6 and the working groups established in subsection 7 and shall ensure that its actions and the actions of the subcommittee and the working groups, as applicable, are consistent with and include, but are not limited to, the following:

A. Developing the State's updated climate action plan in accordance with section 577;

B. Developing recommendations for legislation, including, but not limited to, legislation to better enable state agencies to implement the long-term goals included in the updated climate action plan under section 577;

C. Soliciting input from members of the public when developing the State's updated climate action plan and communicating with the public on progress and actions;

D. Developing broad public and private partnerships with federal, state and local agencies;

E. Ensuring that the State's transition to a clean energy economy benefits all residents of the State fairly and equitably, with particular consideration given to sources of employment, income levels and historical experience. Development of mitigation and adaptation strategies must include con-

sideration of how low-income residents of the State and residents of the State who are members of vulnerable communities will be affected by climate change and by the transition to a clean energy economy and how programs and incentives to address such effects can be designed to be accessible to all residents of the State regardless of income level, age, race or geographic location;

F. Assessing the impacts that climate change may have on the State's economy, revenues and investment decisions;

G. Assessing the need for utilities and other public and private service providers throughout the State to adjust their operating practices and investment strategies to increase their resiliency to climate change impacts;

H. Maximizing infrastructure, energy and new technologies for mitigation and adaptation options that come from state sources or create jobs in the State, or both;

I. Assessing the impacts that climate change may have on agriculture, fishing, forestry and other natural resource-based industries in the State and how those industries might best adapt to preserve those industries and the communities they support;

J. Recommending short-term and long-term strategies to mitigate the causes of and prepare for and adapt to the consequences of climate change;

K. Developing a plan to encourage and prepare for transitions in transportation, including both low-carbon and no-carbon technologies, and the changes in infrastructure required to accommodate those technologies, as well as infrastructure changes required as the result of climate disruption;

L. Developing and recommending strategies to address and prepare for coastal and coastal watershed hazards, including, but not limited to, ocean and coastal acidification, increased storm surges, extreme precipitation and other extreme weather events, projected sea level rise and increased river flooding and storm water runoff and the risks such hazards pose to municipalities, the coastal economy and state assets;

M. Developing new and supporting existing programs, codes and incentives that encourage increased energy efficiency and lower carbon emissions from the State's public and private buildings and businesses;

N. Assisting local governments and other constituents in supporting regional and community-scale climate vulnerability assessments and the development of specific strategies and integration of specific strategies into local plans and ordinances;

O. Encouraging programming in State Government and in municipal governments that allows the State to lead the way in demonstrating initiatives that reduce carbon emissions;

P. Establishing comprehensive and accountable annual working group work plans that set annual goals and performance benchmarks and prioritize new and existing climate change mitigation, preparedness actions and initiatives and report these out to stakeholders and the public; and

Q. Considering other related matters as the council, the subcommittee and the working groups determine to be necessary.

The council shall meet at least every 3 months, beginning no later than October 1, 2019, and shall establish at its first meeting each calendar year an annual work plan.

9. Funding. The council may solicit and accept funds from any source, public or private, to fulfill its responsibilities under this section, including, but not limited to, funds necessary to fulfill the responsibilities of the subcommittee under subsection 6 and the working groups under subsection 7.

The council shall include in the report required under subsection 10 a list of the amounts and sources of any funds accepted by the council in the prior calendar year, excluding those funds appropriated or allocated by the Legislature, and an indication of whether such outside funds were expended in the prior calendar year and, if expended, the purpose or purposes of the expenditure.

10. Report. Beginning January 15, 2021, and annually thereafter, the council shall submit a report to the joint standing committee of the Legislature having jurisdiction over environment and natural resources matters describing the activities of the council, the subcommittee and its working groups over the prior calendar year and including any findings and recommendations of the council, including any proposed legislation. After reviewing the report, the joint standing committee may report out legislation to implement any recommendations contained in the report.

Sec. 10. 38 MRSA §578, as amended by PL 2013, c. 415, §5, is further amended to read:

§578. Progress evaluation

By January 1, 2006 and by that date every 2 years thereafter, the department The department, in consultation with the Maine Climate Council, established under section 577-A, shall evaluate the State's progress toward meeting the reduction goals specified in section 576, review the cost-effectiveness of the actions taken toward meeting the reduction goals and shall amend the action plan as necessary to ensure that the State can meet the reduction goals 576-A and progress toward implementing the climate action plan in section

577. The department, after consultation with the council, shall submit a report of its evaluation to the joint standing committee of the Legislature having jurisdiction over natural resources matters and the joint standing committee of the Legislature having jurisdiction over utilities and energy matters by ~~January 1, 2016~~ December 1, 2022 and by that date every 2 years thereafter. The department, in consultation with the council, may recommend other metrics to share the progress on climate mitigation and adaptation strategies with the Legislature and public. The joint standing committee of the Legislature having jurisdiction over natural resources matters is authorized to report out legislation relating to the ~~evaluation to the second regular session of any Legislature. The report required under this section, and the joint standing committee of the Legislature having jurisdiction over utilities and energy matters may make recommendations to the joint standing committee of the Legislature having jurisdiction over natural resources matters regarding that legislation. Starting no earlier than January 1, 2008, the department may recommend to the joint standing committee of the Legislature having jurisdiction over natural resources matters that the reduction goals specified in section 576 be increased or decreased.~~

Sec. 11. Appropriations and allocations.

The following appropriations and allocations are made.

CHAPTER 477
S.P. 457 - L.D. 1494

**An Act To Reform Maine's
Renewable Portfolio Standard**

Be it enacted by the People of the State of Maine as follows:

Sec. 1. 35-A MRSA §3210, as amended by PL 2017, c. 291, §1, is further amended to read:

§3210. Renewable resources

1. Policy. In order to ensure an adequate and reliable supply of electricity for Maine residents and to encourage the use of renewable, efficient and indigenous resources, it is the policy of this State to encourage the generation of electricity from renewable and efficient sources and to diversify electricity production on which residents of this State rely in a manner consistent with this section.

1-A. State goals for consumption of electricity from renewable resources. The State's goals for increasing consumption of electricity in the State that comes from renewable resources are as follows:

A. By January 1, 2030, 80% of retail sales electricity in the State will come from renewable resources; and

B. By January 1, 2050, 100% of retail sales electricity in the State will come from renewable resources.

2. Definitions. As used in this section, unless the context otherwise indicates, the following terms have the following meanings.

A. "Efficient resource" means a source of electrical generation that:

(1) Qualifies as a qualifying cogeneration facility under the Federal Energy Regulatory Commission rules, 18 Code of Federal Regulations, Part 292, Subpart B, as in effect on January 1, 1997, was constructed prior to January 1, 1997 and meets the following efficiency standard:

(a) During any calendar year, the sum of the useful power output and the useful thermal energy output of the facility is no less than 60% of the total energy input to the facility.

For purposes of this paragraph, the term "useful power output" means the electrical or mechanical energy made available for use, exclusive of any energy used in the power production process. For purposes of this paragraph, the term "useful thermal energy" means ~~thermal~~ heat energy made available to an industrial or commercial process, net of heat contained in condensate return and

makeup water, used in a heating application or used in a space cooling application.

A-1. "Alternative compliance payment rate" means a certain dollar amount per kilowatt-hour set by the commission that a competitive electricity provider may pay to the commission to satisfy the portfolio requirements of ~~subsection~~ subsections 3-A, 3-B and 3-C.

A-2. "Class I resource" means a new renewable capacity resource.

A-3. "Class IA resource" means a Class I resource other than a Class I resource that for at least 2 years was not operated or was not recognized by the New England independent system operator as a capacity resource and, after September 1, 2005, resumed operation or was recognized by the New England independent system operator as a capacity resource.

B. "Eligible resource" or "Class II resource" means a source of electrical generation that:

(1) Generates power that can physically be delivered to the control region in which the New England Power Pool, or its successor as approved by the Federal Energy Regulatory Commission, has authority over transmission, or to the Maritimes Control Area; and

(2) Is either a renewable resource or an efficient resource.

B-2. "Renewable energy credit" means a tradable instrument that represents an amount of electricity generated from eligible resources or renewable capacity resources.

B-3. "Renewable capacity resource" means a source of electrical generation:

(1) Whose total power production capacity does not exceed 100 megawatts and relies on one or more of the following:

(a) Fuel cells;

(b) Tidal power;

~~(c) Solar arrays and installations;~~

(d) Geothermal installations;

(e) Hydroelectric generators that meet all state and federal fish passage requirements applicable to the generator;

(f) Biomass generators that are fueled by wood, wood waste or landfill gas; or

(g) Anaerobic digestion of by-products of waste from animals or agricultural crops, food or vegetative material, algae or organic refuse; or

(2) That relies on wind power installations or solar power installations.

B-4. "New" as applied to any a renewable capacity resource means qualified hydroelectric output or a renewable capacity resource that:

- (1) Has an in-service date after September 1, 2005;
- (2) Was added to an existing facility after September 1, 2005;
- (3) For at least 2 years was not operated or was not recognized by the New England independent system operator as a capacity resource and, after September 1, 2005, resumed operation or was recognized by the New England independent system operator as a capacity resource. For the purposes of this subparagraph, "capacity resource" has the same meaning as in section 3210-C, subsection 1, paragraph A; or
- (4) Was refurbished after September 1, 2005 and ~~is operating beyond its previous useful life or is employing an alternate technology that significantly increases the efficiency of the generation process.~~ received certification from the commission:
 - (a) Before September 1, 2019 that it is operating beyond its previous useful life or is employing an alternate technology that significantly increases the efficiency of the generation process; or
 - (b) On or after September 1, 2019 that it is operating beyond its previous useful life as evidenced by a finding that the facility would be reasonably likely to cease operation if not for substantial capital investment made after September 1, 2018, except for capital investment required to meet state and federal fish passage standards.

For the purposes of this subparagraph, "refurbished" means an investment has been made in equipment or facilities, other than for routine maintenance and repair, to renovate, reequip or restore the renewable capacity resource.

~~For the purposes of this paragraph, "capacity resource" has the same meaning as in section 3210-C, subsection 1, paragraph A. For the purposes of this paragraph, "to refurbish" means to make an investment in equipment or facilities, other than for routine maintenance and repair, to renovate, reequip or restore the renewable capacity resource.~~

B-5. "Qualified hydroelectric output" means the following annual percentages of the total electrical output of a hydroelectric generator licensed by the Federal Energy Regulatory Commission that is a renewable capacity resource and that on January 1, 2019 had a total nameplate capacity of at least 25 megawatts, as specified in the license issued by the Federal Energy Regulatory Commission, is located outside of the historic freshwater range of the Gulf of Maine distinct population segment of Atlantic salmon as defined by the National Oceanic and Atmospheric Administration, National Marine Fisheries Service in 74 Federal Register, 29299 (2009) and 29343 (2009), and is interconnected to an electric distribution system located in the State:

- (1) In 2020, 40%, not to exceed an aggregate of 200,000 megawatt-hours for all qualified hydroelectric output;
- (2) In 2021, 50%, not to exceed an aggregate of 250,000 megawatt-hours for all qualified hydroelectric output;
- (3) In 2022, 60%, not to exceed an aggregate of 300,000 megawatt-hours for all qualified hydroelectric output;
- (4) In 2023, 70%;
- (5) In 2024, 80%;
- (6) In 2025, 90%; and
- (7) In 2026 and each year thereafter, 100%.

C. "Renewable resource" means a source of electrical generation:

- (1) That qualifies as a small power production facility under the Federal Energy Regulatory Commission rules, 18 Code of Federal Regulations, Part 292, Subpart B, as in effect on January 1, 1997; or
- (2) Whose total power production capacity does not exceed 100 megawatts and that relies on one or more of the following:
 - (a) Fuel cells;
 - (b) Tidal power;
 - (c) Solar arrays and installations;
 - (d) Wind power installations;
 - (e) Geothermal installations;
 - (f) Hydroelectric generators;
 - (g) Biomass generators that are fueled by wood or wood waste, landfill gas or anaerobic digestion of agricultural products, by-products or wastes; or

(h) Generators fueled by municipal solid waste in conjunction with recycling.

D. "Thermal energy" means heat, steam, hot water or another form of thermal energy:

(1) Produced directly by a facility using sunlight, biomass, biogas or liquid biofuel or produced as a byproduct of electricity generated by a Class I or Class IA resource;

(2) That begins operation after June 30, 2019, as certified by the commission;

(3) Delivered to an end user in the State in a manner that can be verified by metering or other means certified by the commission to allow for auditable validation of useful thermal energy generated;

(4) Used for heating, cooling, humidity control, process use or other end use to meet a need of the end user that would otherwise be met using another energy source such as electricity or an on-site thermal energy system; and

(5) Generated or delivered in accordance with any efficiency performance standards established by the commission.

E. "Thermal renewable energy credit" means a tradable instrument that represents an amount of thermal energy equivalent to a unit of electricity. A thermal renewable energy credit of one megawatt represents 3,412,000 British thermal units of thermal energy, as verified by the commission.

The commission shall establish by rule or order standards and procedures necessary to implement any definition under this subsection, including but not limited to certifications and performance and verification standards necessary for purposes of paragraphs B-4, D and E. Rules adopted under this subsection are routine technical rules pursuant to Title 5, chapter 375, subchapter 2-A.

3. Portfolio requirements; Class II resources.

As a condition of licensing pursuant to section 3203, each competitive electricity provider in this State must demonstrate in a manner satisfactory to the commission that no less than 30% of its portfolio of supply sources for retail electricity sales in this State is accounted for by eligible Class II resources. If a competitive electricity provider represents to a customer that the provider is selling to the customer a portfolio of supply sources that includes more than 30% eligible Class II resources, the resources necessary to supply more than 30% of that customer's load may not be applied to meet the aggregate 30% portfolio requirement. Rules adopted under this subsection are major substantive rules pursuant to Title 5, chapter 375, subchapter ~~H-A~~ 2-A.

A. For the purposes of meeting the portfolio requirement under this subsection, a 300% multiplier is applied to the output of a generator fueled by municipal solid waste in conjunction with recycling that has obtained a solid waste facility license from the Department of Environmental Protection.

This paragraph is repealed January 1, 2025.

3-A. Portfolio requirements; Class I resources.

Portfolio requirements for ~~new renewable capacity~~ Class I resources are governed by this subsection.

A. Except as provided in paragraph B, beginning January 1, 2008, as a condition of licensing pursuant to section 3203, each competitive electricity provider in this State must demonstrate in a manner satisfactory to the commission that the percentage of its portfolio of supply sources for retail electricity sales in this State accounted for by ~~new renewable capacity~~ Class I resources is as follows:

- (1) One percent for the period from January 1, 2008 to December 31, 2008;
- (2) Two percent for the period from January 1, 2009 to December 31, 2009;
- (3) Three percent for the period from January 1, 2010 to December 31, 2010;
- (4) Four percent for the period from January 1, 2011 to December 31, 2011;
- (5) Five percent for the period from January 1, 2012 to December 31, 2012;
- (6) Six percent for the period from January 1, 2013 to December 31, 2013;
- (7) Seven percent for the period from January 1, 2014 to December 31, 2014;
- (8) Eight percent for the period from January 1, 2015 to December 31, 2015;
- (9) Nine percent for the period from January 1, 2016 to December 31, 2016; and
- (10) Ten percent for the period from January 1, 2017 to December 31, 2022 and each year thereafter.

~~New renewable capacity~~ Class I resources used to satisfy the requirements of this paragraph may not be used to satisfy the requirements of subsection 3 or ~~3-B~~.

B. Suspensions of scheduled increases in the portfolio requirements as provided in paragraph A are governed by this paragraph.

- (1) If by March 31st of the years 2010, 2012, 2014 and 2016 the commission determines that investment in ~~new renewable capacity~~ Class I resources in the preceding 2 calendar

years has not been sufficient for competitive electricity providers to meet the portfolio requirements under paragraph A and that the resulting use of renewable energy credits pursuant to subsection 8 or the alternative compliance payment mechanism pursuant to subsection 9, or both of these methods, has burdened electricity customers in the State without providing the benefits of ~~new renewable capacity~~ Class I resources, the commission may suspend all or some of the future scheduled increases in the portfolio requirements under paragraph A.

(2) If the commission finds that alternative compliance payments are made pursuant to subsection 9 in 3 consecutive calendar years, the commission shall temporarily suspend all or some of the future scheduled increases in the portfolio requirements under paragraph A.

(3) If the commission suspends any scheduled increases in the portfolio requirements under paragraph A pursuant to subparagraph (1) or (2), the commission may resume increases, limited to no more than one percentage point per year over the previous year, in the portfolio requirements after a minimum of one year.

C. No later than March 31, 2008 and annually thereafter, the commission shall submit a report regarding the status of ~~new renewable capacity~~ Class I resources in the State and compliance with the portfolio requirements under paragraph A to the joint standing committee of the Legislature having jurisdiction over utilities and energy matters. The report must include, but is not limited to, a description of ~~new renewable capacity~~ Class I resources available to meet the portfolio requirements under paragraph A, documentation of the loss of any existing renewable generation capacity in the State, the status of implementation of the ~~new renewable capacity resources~~ portfolio requirements under paragraph A, including any suspensions pursuant to paragraph B, and recommendations to stimulate investment in ~~new renewable capacity~~ Class I resources.

D. Retail electricity sales pursuant to a supply contract or standard-offer service arrangement executed by a competitive electricity provider that is in effect on the effective date of this subsection is exempt from the requirements of this subsection until the end date of the current term of the supply contract or standard-offer service arrangement.

The commission shall adopt rules to implement this subsection. Rules adopted under this subsection are routine technical rules pursuant to Title 5, chapter 375, subchapter 2-A.

3-B. Portfolio requirements; Class IA resources. Portfolio requirements for Class IA resources are governed by this subsection.

A. Except as provided in paragraph B, beginning January 1, 2020, as a condition of licensing pursuant to section 3203, each competitive electricity provider in this State must demonstrate in a manner satisfactory to the commission that the percentage of its portfolio of supply sources for retail electricity sales in this State, other than to customers who have made an election pursuant to subsection 10 that is in effect with respect to this subsection, accounted for by Class IA resources is as follows:

(1) Two and one-half percent for the period from January 1, 2020 to December 31, 2020;

(2) Five percent for the period from January 1, 2021 to December 31, 2021;

(3) Eight percent for the period from January 1, 2022 to December 31, 2022;

(4) Eleven percent for the period from January 1, 2023 to December 31, 2023;

(5) Fifteen percent for the period from January 1, 2024 to December 31, 2024;

(6) Nineteen percent for the period from January 1, 2025 to December 31, 2025;

(7) Twenty-three percent for the period from January 1, 2026 to December 31, 2026;

(8) Twenty-seven percent for the period from January 1, 2027 to December 31, 2027;

(9) Thirty-one percent for the period from January 1, 2028 to December 31, 2028;

(10) Thirty-five percent for the period from January 1, 2029 to December 31, 2029; and

(11) Forty percent for the period from January 1, 2030 to December 31, 2030 and each year thereafter.

Class IA resources used to satisfy the requirements of this paragraph may not be used to satisfy the requirements of subsection 3 or 3-A.

B. Suspensions of scheduled increases in the portfolio requirements as provided in paragraph A are governed by this paragraph.

(1) If by March 31st of the year 2022 and every 2 years thereafter the commission determines that investment in Class IA resources in the preceding 2 calendar years has not been sufficient for competitive electricity providers to meet the portfolio requirements under paragraph A and that the resulting use of renewable energy credits pursuant to subsection 8 or the alternative compliance pay-

ment mechanism pursuant to subsection 9, or both of these methods, has burdened electricity customers in the State without providing the benefits of new Class IA resources, the commission may suspend all or some of the future scheduled increases in the portfolio requirements under paragraph A.

(2) If the commission finds that more than 10% of the obligations required to satisfy the portfolio requirements for Class IA resources under paragraph A are met through alternative compliance payments made pursuant to subsection 9 in 3 consecutive calendar years, the commission shall temporarily suspend all or some of the future scheduled increases in the portfolio requirements under paragraph A.

(3) If the commission suspends any scheduled increases in the portfolio requirements under paragraph A pursuant to subparagraph (1) or (2), the commission shall report its rationale for suspension to the joint standing committee of the Legislature having jurisdiction over energy and utilities matters, the Governor's Energy Office and the Office of the Public Advocate and make recommendations for modifications to the schedule of increases. The commission may resume increases, limited to no more than one percentage point per year over the previous year, in the portfolio requirements after a minimum of one year unless otherwise directed by the Legislature.

C. No later than March 31, 2021 and annually thereafter, the commission shall submit a report regarding the status of Class IA resources in the State and compliance with the portfolio requirements under paragraph A to the joint standing committee of the Legislature having jurisdiction over utilities and energy matters. The report must include, but is not limited to, a description of Class IA resources available to meet the portfolio requirements under paragraph A, documentation of the loss of any existing renewable generation capacity in the State, the status of implementation of the portfolio requirements under paragraph A, including any suspensions pursuant to paragraph B, and recommendations to stimulate investment in Class IA resources. If the commission has reliable information about benefits and costs of the portfolio requirements under paragraph A, over both the short and long terms with respect to the State's economy, environmental quality or electricity consumers, the commission shall include that information in the report. The report required under this paragraph may be submitted in conjunction with the report required under subsection 3-A, paragraph C.

D. Retail electricity sales pursuant to a supply contract or standard-offer service arrangement executed by a competitive electricity provider that is in effect on the effective date of this subsection are exempt from the requirements of this subsection until the end date of the existing term of the supply contract or standard-offer service arrangement.

The commission shall adopt rules to implement this subsection. Rules adopted under this subsection are routine technical rules pursuant to Title 5, chapter 375, subchapter 2-A.

3-C. Portfolio requirements; thermal renewable energy credits. Each competitive electricity provider must, in addition to meeting the other portfolio requirements of subsections 3, 3-A and 3-B, demonstrate in a manner satisfactory to the commission that it has purchased thermal renewable energy credits in an amount at least equal to the following percentages of its portfolio of supply sources for retail electricity sales in this State other than to customers who have made an election pursuant to subsection 10 that is in effect with respect to this subsection:

A. For calendar year 2021, 0.4%;

B. For calendar year 2022, 0.8%;

C. For calendar year 2023, 1.2%;

D. For calendar year 2024, 1.6%;

E. For calendar year 2025, 2%;

F. For calendar year 2026, 2.4%;

G. For calendar year 2027, 2.8%;

H. For calendar year 2028, 3.2%;

I. For calendar year 2029, 3.6%; and

J. For calendar year 2030, and each year thereafter, 4%.

~~**4. Report.** In view of property tax benefits, developments in other states and the development of a market for tradable credits for satisfying eligible resource requirements, the commission shall review the 30% portfolio requirement and make a recommendation for any change to the joint standing committee of the Legislature having jurisdiction over utilities and energy matters no later than 5 years after the beginning of retail competition.~~

7. Information. To the extent that funding is available, the commission shall inform electricity consumers in this State of the benefits of electricity generated in this State using renewable resources and of the opportunities available in this State to purchase electricity that is generated using those resources, including, but not limited to, the green power offer and other green power supply products and renewable energy credit products certified under section 3212-A. The

commission may not promote any renewable resources over others. The commission may apply for, receive and expend grant money from the United States Department of Energy and other government agencies for this purpose. The commission may create or cause to be created a brand or logo to identify Maine renewable resources, including the green power offer and other green power supply products and renewable energy credit products certified under section 3212-A, to consumers. The commission shall register any mark or logo created pursuant to this subsection with the United States Patent and Trademark Office or in accordance with Title 10, chapter 301-A, or both. Any brand or logo created pursuant to this subsection may only be used in accordance with the purposes of this subsection as approved by the commission.

8. Credit trading. The commission shall allow competitive electricity providers to satisfy the portfolio requirements of subsections 3 ~~and~~, 3-A, 3-B and 3-C through the use of renewable energy credits if the commission determines that a reliable system of electrical attribute trading exists. When renewable energy credits are used to satisfy the portfolio requirements of subsections 3 and 3-A, the value of a renewable energy credit for electricity generated by a community-based renewable energy project, as defined in section 3602, that is participating in the community-based renewable energy pilot program established in section 3603 and elects the renewable energy credit multiplier under section 3605 is 150% of the amount of the electricity.

9. Alternative compliance payment. The commission shall allow competitive electricity providers to satisfy the portfolio requirements for ~~new renewable capacity~~ Class I resources under subsection 3-A, Class IA resources under subsection 3-B and thermal renewable energy credits under subsection 3-C through an alternative compliance payment mechanism in accordance with this subsection.

A. The commission shall set the alternative compliance payment rate by rule, which may not be greater than \$50, and shall publish the alternative compliance payment rate by January 31st of each year. In setting the rate, the commission shall take into account prevailing market prices, standard-offer service prices for electricity, reliance on alternative compliance payments to meet the requirements of ~~subsection~~ subsections 3-A, 3-B and 3-C and investment in ~~new renewable capacity resources~~ Class I and Class IA resources and thermal renewable energy credits in the State during the previous calendar year.

B. The commission shall collect alternative compliance payments made by competitive electricity providers and shall deposit all funds collected under this paragraph in the Energy Efficiency and Renewable Resource Fund established under sec-

tion 10121, subsection 2 to be used to fund research, development and demonstration projects relating to renewable energy technologies and to fund rebates for cost-effective renewable energy technologies.

The commission shall adopt rules to implement this subsection. Rules adopted under this subsection are routine technical rules as defined in Title 5, chapter 375, subchapter 2-A.

10. Transmission or subtransmission customer options. A customer receiving service at a transmission or subtransmission voltage level, referred to in this subsection as "a large customer," may make an election under this subsection relating to Class IA resources portfolio requirements under subsection 3-B, the thermal renewable energy credit requirements under subsection 3-C and the costs and benefits resulting from Class IA resource contracts under section 3210-G. The election must be made no later than December 31, 2019. If a large customer makes an election under this paragraph, the following provisions apply.

A. With respect to Class IA resources portfolio requirements under subsection 3-B and the thermal renewable energy credit requirements under subsection 3-C:

(1) The election applies through December 31, 2027, unless rescinded earlier in accordance with this subsection. The customer may rescind an election in accordance with paragraph C. If the customer does not rescind an election in accordance with paragraph C, the customer may rescind its election solely with respect to Class IA resources portfolio requirements under subsection 3-B and the thermal renewable energy credit requirements under subsection 3-C by providing notice to the commission. The election with respect to Class IA resources portfolio requirements under subsection 3-B and the thermal renewable energy credit requirements under subsection 3-C is rescinded 6 months after the date of notice provided under this subparagraph. After December 31, 2027, the election with respect to Class IA resources portfolio requirements under subsection 3-B and the thermal renewable energy credit requirements under subsection 3-C is automatically terminated; and

(2) As long as the election remains in effect:

(a) All retail sales of electricity to that customer are exempt from the requirements of subsections 3-B and 3-C; and

(b) No electricity generation or renewable energy credits produced by the customer may be used or applied to satisfy

the requirements of subsection 3-B or 3-C.

B. With respect to the costs and benefits resulting from Class IA resource contracts under section 3210-G:

(1) The election may not be rescinded except as provided in paragraph C. Except as provided in paragraph C, if a large customer makes an election under this subsection, the commission shall ensure that the customer:

(a) Does not pay any costs or receive any savings that the commission determines to result from contracts approved under section 3210-G; and

(b) Is not allowed to bid on any solicitation or obtain a contract under any procurement under section 3210-G.

C. A large customer may rescind an election in accordance with this paragraph. In order to rescind an election under this paragraph, the customer must provide notice to the commission no later than 30 days after the commission initiates the 2nd solicitation under section 3210-G. An election is rescinded 6 months after the date of notice provided under this paragraph. If an election is rescinded under this paragraph, it is rescinded with respect to Class IA resources portfolio requirements under subsection 3-B, the thermal renewable energy credit requirements under subsection 3-C and the costs and benefits resulting from Class IA resource contracts under section 3210-G, except that with respect to contracts under section 3210-G that are approved pursuant to the first solicitation before December 31, 2020, the commission shall continue to ensure that the customer does not pay any costs or receive any savings that the commission determines to result from those contracts, for the duration of those contracts.

The commission shall review and report on the use of the election allowed under this subsection as part of its annual report on Class IA resource portfolio requirements under subsection 3-B, paragraph C. No later than January 1, 2027, the joint standing committee of the Legislature having jurisdiction over energy and utilities matters shall review the elections that have been made under this subsection and examine whether the December 31, 2027 date established in paragraph A, subparagraph (1) should be extended. The committee may report out a bill relating to the subject matter of this subsection to the First Regular Session of the 133rd Legislature.

11. Report: Class IA resource and thermal renewable energy credit portfolio requirements. By March 31, 2024 and every 5 years thereafter, the commission shall submit a report to the joint standing committee of the Legislature having jurisdiction over

energy matters based on a review, conducted in consultation with the Governor's Energy Office, of the status and impacts of the implementation of the portfolio requirements for Class IA resources under subsection 3-B and thermal renewable energy credits under subsection 3-C. The review must be completed through a public process and must include consideration of impacts of these renewable portfolio requirements on energy prices and assessment of benefits on greenhouse gas emissions and the economy of the State. The report required under this subsection may be submitted in conjunction with the report required under subsection 3-A, paragraph C. After reviewing the report required under this subsection, the committee may report out legislation regarding renewable portfolio requirements.

Sec. 2. 35-A MRSA §3210-G is enacted to read:

§3210-G. Renewable portfolio standard procurement

The commission shall direct investor-owned transmission and distribution utilities to enter into one or more contracts for energy or renewable energy credits from Class IA resources in accordance with this section. Customers who have made an election pursuant to section 3210, subsection 10 are subject to prohibitions on bidding on or obtaining a contract under this section as provided in section 3210, subsection 10. For purposes of this section, "Class IA resource" and "renewable energy credit" have the same meanings as in section 3210, subsection 2.

1. Competitive procurement. The commission shall conduct 2 competitive solicitations in order to select Class IA resources for contracts under this section.

A. Through competitive solicitations under this section, the commission shall procure an amount of energy or renewable energy credits from Class IA resources that is equal to 14% of retail electricity sales in this State for the period from January 1, 2018 to December 31, 2018, as determined by the commission.

(1) The commission shall initiate a first competitive solicitation and ensure that solicitation results in the approval of contracts by December 31, 2020 for energy or renewable energy credits equal to at least 7% of retail electricity sales for the period from January 1, 2018 to December 31, 2018, as determined by the commission. If the commission determines that contracts for an amount greater than 7% of retail electricity sales will provide financial benefits to ratepayers, it may approve contracts by December 31, 2020 for up to 10% of retail electricity sales.

(2) No later than January 15, 2021, the commission shall initiate a 2nd competitive solicitation for an amount of energy or renewable energy credits equal to the difference between 14% of retail electricity sales and the amount approved in contracts by December 31, 2020.

B. To the extent sufficient resources are available, 75% of the energy or renewable energy credits contracted under this section must come from Class IA resources that begin commercial operations after June 30, 2019 and 25% must come from Class IA resources that began commercial operations on or prior to June 30, 2019.

C. In conducting a solicitation and selecting Class IA resources for contracts under this section, the commission shall weigh the benefits to ratepayers and the benefits to the State's economy as follows:

(1) A weight of 70% must be given to the benefits to ratepayers; and

(2) A weight of 30% must be given to benefits to the economy, which may include, but are not limited to:

(a) Capital investments by the Class IA resource to improve long-term viability of an existing facility;

(b) Payments by the Class IA resource for the harvest of wood fuel;

(c) Employment resulting from the Class IA resource;

(d) Payments by the Class IA resource to a host community, whether or not required by law or rule;

(e) Excise, income, property and sales taxes paid by the Class IA resource;

(f) Purchases of goods and services by the Class IA resource; and

(g) Avoided emissions resulting from the operation of the Class IA resource.

D. The commission shall, in accordance with this paragraph, allow energy storage systems to participate in solicitations or be awarded contracts under this section.

(1) The commission shall permit an energy storage system to bid on solicitations or to be contracted under this section only if the energy storage system is connected to the State's electricity grid, paired as a complementary resource with a Class IA resource and either:

(a) Colocated with the Class IA resource, whether metered jointly with or separately from the Class IA resource; or

(b) Located at a different location from the Class IA resource and the commission finds that inclusion of the energy storage system would result in a reduction in greenhouse gas emissions.

(2) A bid under this section that includes an energy storage system must include 2 separate bid proposals, one with the energy storage system and one without. The commission shall assess the bid proposals based on the benefits to ratepayers, which may include, but are not limited to:

(a) Reduction in costs;

(b) Decrease in peak electricity demand;

(c) Deferral of investments in the transmission and distribution system;

(d) Deferral of capital investments in new generating capacity;

(e) Increase in the electricity grid's overall flexibility, reliability and resiliency; and

(f) Reduction in greenhouse gas emissions.

(3) An energy storage system that is not colocated with a Class IA resource may receive renewable energy credits only for stored energy generated from a Class IA resource.

(4) If chosen for a contract under this section, an energy storage system must remain stationary and under the same ownership throughout the contract term.

(5) The commission may permit an energy storage system to be paired with and added to a Class IA resource after that resource has been awarded a contract.

For the purposes of this paragraph, "energy storage system" means a commercially available technology that uses mechanical, chemical or thermal processes for absorbing energy and storing it for a period of time for use at a later time.

2. Contract terms. A contract entered into pursuant to this section must be for a term of 20 years, unless the commission finds a contract for a longer term to be prudent. If a Class IA resource offers to sell capacity, the commission may allow a contract with that resource to include the purchase of such capacity, but the commission may not require any Class IA resource to offer or sell capacity in order to participate in any solicitation or contract under this section.

3. Report. No later than March 31, 2023 and biennially thereafter, the commission shall submit a report regarding the status of contracts for Class IA re-

sources under this section to the joint standing committee of the Legislature having jurisdiction over utilities and energy matters. The report must include, but is not limited to, a description of Class IA resources participating in competitive solicitations, information about the resources selected for contracts and the selection process, the benefits and costs of the contracts and recommendations about how to further stimulate investment in Class IA resources or achieve ratepayer benefits from Class IA resources. The report may include information about benefits and costs of the contracts to the State's economy, environmental quality or electricity consumers over both the short and long terms. Any analysis of the benefits or costs of the contracts must be based on a forecast of all avoided costs resulting from the contracts that is transparent and balanced over the long term.

Sec. 3. Study; report; renewable energy goals market assessment. The Governor's Office of Policy and Management and the Governor's Energy Office shall jointly conduct a market assessment study, including an in-depth analysis and review of the opportunities, potential and challenges facing the State in reaching the goal by January 1, 2030 that 80% of retail electricity sales in this State will come from renewable energy resources, and shall, no later than January 31, 2021, submit a report on the market assessment study, along with any recommendations on adjustments or changes to the renewable portfolio requirements in the Maine Revised Statutes, Title 35-A, section 3210, to the joint standing committee of the Legislature having jurisdiction over energy and utilities matters.

1. The market assessment study must include, but is not limited to, examination of:

A. The availability of commercially viable renewable energy technologies, including emerging technologies, in the State and region between 2020 and 2030;

B. The estimated electricity costs and benefits for ratepayers and the capacity of commercially viable renewable energy technologies during the 10-year period between 2020 and 2030, including the remaining useful lives of existing technology in use during that period;

C. The time frames for permitting, financing and construction for commercially viable renewable technologies in the State and region;

D. The policy and regulatory options and structures that may influence the speed, predictability and cost to ratepayers associated with the development of renewable energy technologies in this State and the amount of renewable energy generated;

E. Policies and regulations in other states and the region, including an analysis of the dynamics between and among the various states, provinces

and this State, and the importance and role of generating 80% of electricity from renewable capacity resources in achieving the greenhouse reduction limits in Title 38, chapter 3-A in a cost-effective manner; and

F. In coordination with the Department of Environmental Protection, the benefits and costs of incentives provided to generators fueled by municipal solid waste, landfill gas facilities and anaerobic digestion facilities under the State's renewable portfolio requirements. The examination must also consider and make recommendations for further alignment between renewable energy and solid waste policy initiatives.

2. Upon written request of the Governor's Office of Policy and Management or the Governor's Energy Office, the Public Utilities Commission shall provide for the study:

A. Reasonable technical, legal and other assistance, including the provision of requested information; and

B. Funding for staff and consultants in an amount not to exceed \$150,000. Any such costs must be recovered through assessments on transmission and distribution utilities in accordance with Title 35-A, section 116.

3. The Governor's Office of Policy and Management and the Governor's Energy Office shall encourage state agencies, including the Office of the Public Advocate, and other interested parties to submit relevant information, including data, to inform the market assessment study. Not more than 60 days prior to issuance of the report required by this section, the offices shall invite interested parties to provide comments on draft proposed conclusions of the study.

Sec. 4. Appropriations and allocations. The following appropriations and allocations are made.

PUBLIC UTILITIES COMMISSION

**CHAPTER 478
S.P. 565 - L.D. 1711**

**An Act To Promote Solar
Energy Projects and
Distributed Generation
Resources in Maine**

**Be it enacted by the People of the State of
Maine as follows:**

PART A

Sec. A-1. 35-A MRSA §3201, sub-§11-A is enacted to read:

11-A. Investor-owned transmission and distribution utility. "Investor-owned transmission and distribution utility" has the same meaning as in section 3104, subsection 1, paragraph A.

Sec. A-2. 35-A MRSA §3201, sub-§13-A is enacted to read:

13-A. Nameplate capacity. "Nameplate capacity" means the installed or rated capacity of a power generator.

Sec. A-3. 35-A MRSA §3209-A, as amended by PL 2019, c. 16, §1, is further amended to read:

§3209-A. Net energy billing

The commission may adopt or amend rules governing net energy billing. Rules adopted or amended under this section are major substantive rules as defined in Title 5, chapter 375, subchapter 2-A. "~~Net energy billing" means a billing and metering practice under which a customer is billed on the basis of the difference between the kilowatt hours delivered by a transmission and distribution utility to the customer over a billing period and the kilowatt hours delivered by the customer to the transmission and distribution utility over the billing period, taking into account accumulated unused kilowatt hour credits from the previous billing period.~~

1. Definitions. As used in this section, the following terms have the following meanings.

A. "Customer" means a customer of a transmission and distribution utility in the State.

B. "Distributed generation resource" means an electric generating facility that uses a renewable fuel or technology under section 3210, subsection 2, paragraph B-3 and is located in the service territory of a transmission and distribution utility in the State.

C. "Net energy billing" means a billing and metering practice under which a customer is billed on the basis of the difference between the kilowatt-hours delivered by a transmission and distribution utility to the customer over a billing

period and the kilowatt-hours delivered by the customer to the transmission and distribution utility over the billing period, taking into account accumulated unused kilowatt-hour credits from the previous billing period.

2. Financial interest required. The commission shall allow a customer to participate in net energy billing if the customer has a financial interest in a distributed generation resource or in a generation resource that has a net energy billing arrangement on the effective date of this section, including facility ownership, a lease agreement or a power purchase agreement.

3. Shared financial interest for investor-owned utility customers; limitation. Multiple customers of an investor-owned transmission and distribution utility that have distinct billing accounts with that utility may share a financial interest in a distributed generation resource under subsection 2. Any number of customers of an investor-owned transmission and distribution utility with a shared financial interest in a distributed generation resource may participate in net energy billing, except that the number of eligible customers or meters is limited to 10 for a shared financial interest in a distributed generation resource located in the service territory of an investor-owned transmission and distribution utility located in an area administered by the independent system administrator for northern Maine or any successor of the independent system administrator for northern Maine unless the commission determines that the utility's billing system can accommodate more than 10 accounts or meters for the purpose of net energy billing.

4. System size. The nameplate capacity of a distributed generation resource that may be used for net energy billing must be less than 5 megawatts, except that, if a municipality is the customer participating in net energy billing, the nameplate capacity of a distributed generation resource located in that municipality that may be used for the net energy billing may be 5 megawatts or more, as long as less than 5 megawatts of metered electricity from the resource is used for net energy billing.

Sec. A-4. 35-A MRSA §3209-B is enacted to read:

§3209-B. Commercial and institutional net energy billing

The commission shall establish by rule, in accordance with this section, a net energy billing program for commercial and institutional customers of investor-owned utilities.

1. Definitions. As used in this section, the following terms have the following meanings.

A. "Commercial and institutional net energy billing program" or "program" means the net energy

billing program established pursuant to this section.

B. "Commercial or institutional customer" or "customer" means a nonresidential customer of an investor-owned transmission and distribution utility in the State.

C. "Distributed generation resource" has the same meaning as in section 3209-A, subsection 1, paragraph B.

D. "Net energy billing" means the system of bill credits available under the program as described in subsection 5.

2. Financial interest. The program must allow a commercial or institutional customer to participate in the program if the customer has a financial interest in a distributed generation resource, including facility ownership, a lease agreement or a power purchase agreement.

3. System size. The nameplate capacity of a distributed generation resource that may be used for net energy billing under this section must be less than 5 megawatts.

4. Shared financial interest; limitation. Multiple commercial or institutional customers that have distinct billing accounts with an investor-owned transmission and distribution utility may share a financial interest in a distributed generation resource under subsection 2. Any number of commercial or institutional customers may participate in net energy billing with a shared interest in a distributed generation resource, except that the number of customers or meters is limited to 10 for a shared interest in a distributed generation resource located in the service territory of an investor-owned transmission and distribution utility located in an area administered by the independent system administrator for northern Maine or any successor of the independent system administrator for northern Maine unless the commission determines that the utility's billing system can accommodate more than 10 accounts or meters for the purpose of net energy billing.

5. Tariff rate; bill credits. The commission shall establish by rule a tariff rate for customers participating in the program. The initial tariff rate must be established no later than December 1, 2019.

A. The tariff rate must equal the standard offer service rate established under section 3212 that is applicable to the customer receiving the credit plus 75% of the effective transmission and distribution rate for the rate class that includes the smallest commercial customers of the investor-owned transmission and distribution utility.

B. A customer participating in the program must receive for electricity delivered to the electric grid

from a distributed generation resource in which the customer has a financial interest a bill credit based on the tariff rate to apply against the costs of electricity delivered to the customer by the investor-owned transmission and distribution utility.

C. A bill credit under the program as described in paragraph B may be applied to any portion of a customer's electricity bill. Credits that remain unused at the end of any billing period may be carried forward for up to one year from the end of that billing period.

D. A customer participating in the program who remains eligible to participate in the program must be allowed to receive a bill credit based on the tariff rate for a period of no less than 20 years from the date of first receiving the credit.

6. Rules. The commission shall adopt rules to implement this section. Rules adopted under this subsection are routine technical rules as defined in Title 5, chapter 375, subchapter 2-A.

Sec. A-5. Reports. By December 1, 2021, the Public Utilities Commission shall provide a report to the joint standing committee of the Legislature having jurisdiction over energy matters on the status of metering and billing system capabilities for investor-owned transmission and distribution utilities in the State. The report must include capabilities of systems to reliably offer time-differentiated rates for delivery and supply of energy; the commission's level of confidence in metering and billing systems to provide accurate information to utilities, consumers and the commission; the capacity of systems to accommodate rates for bidirectional flow of power for customers with distributed energy resources; and the degree to which systems are being used to achieve the smart grid policy goals under the Maine Revised Statutes, Title 35-A, section 3143. The commission shall report on any changes to rates or rules or other changes the commission intends to adopt to increase the effectiveness of systems under this paragraph and may make recommendations to the joint standing committee.

The joint standing committee of the Legislature having jurisdiction over energy matters may report out legislation based on any recommendations under this section to the Second Regular Session of the 130th Legislature.

Sec. A-6. Evaluation. The Public Utilities Commission shall evaluate net energy billing under the Maine Revised Statutes, Title 35-A, section 3209-A when the total amount of generation capacity involved in net energy billing in the State reaches 10% of the total maximum load of transmission and distribution utilities in the State or 3 years after the effective date of this Act, whichever comes first. The commission shall evaluate the effectiveness of net energy bill-

ing in achieving state policy goals and providing benefits to ratepayers and submit a report to the joint standing committee of the Legislature having jurisdiction over energy matters with its findings. The joint standing committee may report out legislation based on the recommendations.

Sec. A-7. Rules. Notwithstanding Public Law 2019, chapter 16, section 2, the Public Utilities Commission may adopt rules prior to July 1, 2020 to implement the changes made by this Act to Title 35-A, section 3209-A. Notwithstanding Title 35-A, section 3209-A, rules adopted for this purpose prior to July 1, 2020 are routine technical rules, as defined in Title 5, chapter 375, subchapter 2-A.

PART B

Sec. B-1. 35-A MRSA c. 34-C is enacted to read:

CHAPTER 34-C

DISTRIBUTED GENERATION

§3481. Definitions

As used in this chapter, unless the context otherwise indicates, the following terms have the following meanings.

1. Bid rate. "Bid rate" means the rate proposed under a qualified bid for the output of a distributed generation resource in response to a competitive procurement solicitation.

2. Clearing price. "Clearing price" means the highest bid rate accepted by the commission for a procurement under this chapter.

3. Commercial or institutional customer. "Commercial or institutional customer" means a non-residential customer of an investor-owned transmission and distribution utility in the State.

4. Credit rate. "Credit rate" means the per-kilowatt-hour rate used to calculate the monetary value of a distributed generation resource. The credit rate is equal to the per-kilowatt-hour rate in the long-term contracts entered into between a standard buyer or a transmission and distribution utility and a project sponsor and must be the same for all subscribers of a particular shared distributed generation resource.

5. Distributed generation resource. "Distributed generation resource" means an electric generating facility with a nameplate capacity of less than 5 megawatts that uses a renewable fuel or technology under section 3210, subsection 2, paragraph B-3 and is located in the service territory of a transmission and distribution utility in the State.

6. Energy storage system. "Energy storage system" means a commercially available technology that uses mechanical, chemical or thermal processes for

absorbing energy and storing it for a period of time for use at a later time.

7. Investor-owned transmission and distribution utility. "Investor-owned transmission and distribution utility" has the same meaning as in section 3104, subsection 1, paragraph A.

8. Kilowatt. "Kilowatt" means 1,000 watts, measured in alternating current.

9. Kilowatt-hour. "Kilowatt-hour" means one kilowatt of power sustained for one hour.

10. Megawatt. "Megawatt" means 1,000,000 watts, measured in alternating current. When used in reference to a generation resource, a megawatt is measured by the generator's nameplate capacity.

11. Nameplate capacity. "Nameplate capacity" means the installed or rated capacity of a power generator.

12. Offer. "Offer" means a proposal to install and operate a distributed generation resource of a specified capacity in exchange for a contract with a standard buyer designated pursuant to section 3483.

13. Output. "Output" means energy, capacity, renewable energy certificates and all other environmental attributes and market products that are available or may become available from a distributed generation resource.

14. Project sponsor. "Project sponsor" means an entity or its successor or assignee that owns or operates:

A. A shared distributed generation resource on behalf of subscribers; or

B. A commercial or institutional distributed generation resource.

15. Qualified bid. "Qualified bid" means a bid to supply the output from a distributed generation resource that the commission determines meets the minimum qualification requirements established by rule.

16. Rate. "Rate" means a price per kilowatt-hour of delivered energy as measured by a revenue grade meter, as defined by the commission by rule, at a distributed generation resource's point of connection to the electric grid.

17. Shared distributed generation resource. "Shared distributed generation resource" means a distributed generation resource that is selected in a procurement under section 3486 the beneficial use of the output of which is owned by or allocated to subscribers.

18. Subscriber. "Subscriber" means a retail customer of a transmission and distribution utility that owns or has the right to a subscription and that has

identified an account to which the subscription is attributed.

19. Subscription. "Subscription" means a proportional interest in a shared distributed generation resource. Each subscription must be sized to represent at least one kilowatt of the resource's generating capacity.

§3482. Specific measures to support distributed generation

1. Procurements. The commission shall procure distributed generation resources in the shared distributed generation and commercial or institutional distributed generation market segments using the targets and procurement methods described in this chapter.

2. Participation in wholesale markets. The commission and investor-owned transmission and distribution utilities shall take all commercially reasonable steps to promote the participation of distributed generation resources in serving the State's energy needs and in the wholesale electricity, capacity and ancillary service markets.

3. Change in tax treatment. If a change in federal tax laws, regulations or policy materially modifies the burdens or costs to customers or utilities associated with the procurements under this chapter, the commission shall issue a report to the joint standing committee of the Legislature having jurisdiction over energy matters describing the impact of these changes and recommending any actions necessary to maintain the benefits of the procurements under this chapter.

4. Timely interconnection. The commission shall ensure the timely review and execution of interconnection requests and the timely completion of work needed for the safe, reliable and cost-effective interconnection of distributed generation resources. The commission shall establish by rule requirements for investor-owned transmission and distribution utilities to interconnect distributed generation resources to the grid and financial penalties to ensure timely actions by those utilities to achieve the procurements under sections 3485 and 3486.

§3483. Standard buyer

A standard buyer designated pursuant to this section shall aggregate the output of the portfolio of distributed generation resources procured pursuant to this chapter and sell or use the output of the resources in a manner that maximizes the value of the portfolio of the resources to all ratepayers.

1. Designation of standard buyer. Each investor-owned transmission and distribution utility serves as the standard buyer in its service territory, except that the commission may designate another entity to serve as the standard buyer if the commission determines that the designation is in the best interest of customers in the service territory. The commission

shall oversee the activities of the standard buyer to ensure compliance with this chapter.

2. Obligations of standard buyer. A standard buyer shall:

A. Serve as counterparty to long-term contracts with project sponsors pursuant to section 3486;

B. If the standard buyer is not an investor-owned transmission and distribution utility, reimburse an investor-owned transmission and distribution utility for any bill credit or payment to a subscriber or project sponsor pursuant to section 3486;

C. Establish reasonable measurement and verification requirements for distributed generation resources;

D. Provide information needed to allocate costs and benefits pursuant to subsection 3; and

E. Provide aggregate data regarding the output of distributed generation resources pursuant to sections 3485 and 3486.

3. Standard buyer cost allocation. The commission and each standard buyer designated pursuant to subsection 1 shall implement a transparent mechanism to track and recover or distribute the eligible costs and benefits under this subsection incurred by procuring distributed generation resources pursuant to this chapter. These eligible costs and benefits must be reviewed by the commission annually and allocated to and recovered from customers of the investor-owned transmission and distribution utility in whose territory the distributed generation resource is located through a process established by rule of the commission. The process established by the commission must be similar to the allocation of costs and benefits of long-term energy contracts in section 3210-F. Eligible costs and benefits include:

A. Incremental costs of serving as the standard buyer;

B. All payments or bill credits to customers, subscribers and project sponsors under each procurement pursuant to sections 3485 and 3486; and

C. All revenue from sale of the output of distributed generation resources procured pursuant to this chapter.

4. Entities other than the standard buyer. The commission shall ensure that the rules and procedures established under this chapter provide opportunities for entities other than the standard buyer to aggregate and sell the output of distributed generation resources in the applicable markets.

§3484. Procurement methods

1. Initial competitive procurement. The following standards and methods apply to the initial competitive procurement of distributed generation

resources associated with commercial or institutional customer accounts under section 3485 and of shared distributed generation resources under section 3486:

A. On or before January 1, 2020, the commission shall adopt rules for each initial competitive solicitation of the first block of distributed generation resources under sections 3485 and 3486. The rules must include the form of contract provided under subsection 7;

B. The commission shall accept bids for 30 calendar days beginning on or before July 1, 2020 and review the bids based on the requirements under subsections 4, 5 and 6. The commission may select qualified bids in excess of the first block if the commission determines that the incremental procurement is in the public interest. If the commission selects qualified bids in excess of the first block, the commission shall reduce the quantity procured in subsequent block procurements. If the commission selects bids totaling less than the first block in the initial competitive procurement, the quantity procured in subsequent block procurements must increase by the difference between the first block and the number of megawatts submitted in the initial competitive procurement. If pursuant to subsections 4 and 5 no bids are accepted, the commission shall:

(1) Conduct a new initial competitive procurement under this subsection within 9 months; and

(2) Study the reasons for the inability of the procurement to secure the target amount and submit a report of its findings and any recommended legislation to the joint standing committee of the Legislature having jurisdiction over energy matters;

C. The commission shall issue a public notice of the initial competitive procurement results no later than 30 calendar days after the bid acceptance period has ended. The public notice must include the name, sponsor, size and location of each selected project and the awarded contract price; and

D. The applicable standard buyer shall enter into a contract with the selected project or projects for a term of 20 years at a specified contract rate equal to the clearing price to be paid as a bill credit to the commercial or institutional customer or the subscribers of a shared distributed generation resource, as applicable.

2. Subsequent block contract rate procurements. Subsequent to the initial competitive procurement under subsection 1, the remaining procurement under sections 3485 and 3486 must proceed pursuant to the following:

A. The commission shall procure 4 additional blocks of contracted distributed generation resources to meet the overall procurement goal specified in section 3485 for commercial or institutional distributed generation resources and in section 3486 for shared distributed generation resources. Each procurement block size equals 1/4 of the difference between the overall procurement goal and the quantity procured under subsection 1. These blocks are numbered sequentially, starting with 2. Subsequent procurements are assigned to a particular block, starting with procurement block 2 and finishing with procurement block 5;

B. The block contract rate for procurement block 2 must equal 97% of the clearing price determined in subsection 1. Each successive procurement block must have a block contract rate equal to 97% of the preceding block;

C. Block 2 must be opened immediately following the initial competitive procurement for bids qualifying under subsection 4;

D. The applicable standard buyer shall enter into a contract with each qualified project for a term of 20 years at a specified contract rate equal to the block contract rate of the procurement block then open and paid as a bill credit to the commercial or institutional customer or the subscribers of a shared distributed generation resource, as applicable;

E. Each contract awarded pursuant to this subsection reduces the available capacity in the current procurement block. If an awarded contract exceeds the remaining capacity of its procurement block, then that block is closed and the next block opened and the contract rate is set at the block contract rate for the block filled by this award and any overprocurement in one block is subtracted from the quantity available in the next block. If a contract award exceeds the capacity of procurement block 5, the entire quantity of the offer is awarded at the block contract rate for procurement block 5 and no further contracts may be awarded except under subsection 7; and

F. The commission may by rule establish incentives in the procurement of distributed generation resources including, but not limited to, incentives to support resources that pair with energy storage systems, development of dual-use projects, siting of resources that provide locational benefits to the distribution system and other siting criteria developed in consultation with the Department of Environmental Protection and the Department of Agriculture, Conservation and Forestry.

3. Failure to complete timely procurement. If any procurement block remains unfilled for more than 12 months from the time the previous block was filled:

A. The commission shall suspend procurements under subsection 2 pending completion of the process described in this subsection;

B. The commission shall review and may amend the rules adopted under subsection 1, paragraph A or the standard contract under subsection 7 for a new competitive procurement of long-term contracts for the output of at least the first block of distributed generation resources as part of the procurement goal in section 3485, subsection 1 or section 3486, subsection 1. The commission shall publish any amendments and a new bid acceptance period for not less than 6 months and not more than 9 months;

C. The commission shall accept bids for 30 calendar days from the date established in paragraph B and review the bids based on the requirements set forth in subsections 4, 5 and 6 and the adopted rules. The commission may select qualified bids in excess of the first block if the commission determines that the incremental procurement is in the public interest and the incremental procurement reduces the quantity procured in subsequent procurements;

D. The commission shall issue a public notice of the procurement results no later than 30 calendar days after the bid acceptance period under paragraph C has ended. The public notice must include the name, sponsor, size and location of each selected project and the awarded contract price;

E. The applicable standard buyer shall enter into a contract with the project or projects selected under paragraph C for a term of 20 years at a specified contract rate equal to the highest selected offer rate as adjusted under subsection 6 to be paid as a bill credit to the commercial or institutional customer or the subscribers of a shared distributed generation resource, as applicable;

F. The commission shall reopen procurements under subsection 2 unless no contracts are awarded under paragraph E. The quantity procured under paragraph C must be subtracted from the current procurement block and the block contract rate for that procurement block must be set at the clearing price set under paragraph E. The block contract rate for each subsequent procurement block must be set at 97% of the newly established rate for the preceding procurement block; and

G. If no contracts are awarded under paragraph E, the commission shall:

(1) Conduct another competitive solicitation under this subsection with the bid acceptance period to open approximately 12 months after the bid acceptance period determined in paragraph B; and

(2) Examine the reasons for the inability of the procurement to secure the target amount and submit a report of its findings and any recommended legislation to the joint standing committee of the legislature having jurisdiction over energy matters.

4. Bid or offer qualification. The commission shall establish minimum requirements for bids or offers in a solicitation under this section, including:

A. Demonstration of site control;

B. A fully executed interconnection service agreement with an investor-owned transmission and distribution utility;

C. Demonstration that all required federal, state and local approvals and nonministerial permits for the project have been obtained. For the purposes of this paragraph, "nonministerial permit" means a permit for which one or more officials consider various factors and exercise discretion in deciding whether to issue or deny the permit;

D. The capacity to make a financial assurance deposit at the time a contract is signed; and

E. The following requirements based on the procurement type:

(1) For a commercial or institutional distributed generation resources procurement, if a participating commercial or institutional customer is not the party making the bid, an agreement from a customer that would receive bill credits under section 3485, subsection 2; and

(2) For a shared distributed generation resources procurement, demonstration of experiencing fulfilling the obligation to subscribers of shared distributed generation resources.

The commission may by rule require a bidder to pay a reasonable bidding fee to defray administrative costs.

5. Ensuring competition. Prior to each solicitation under subsections 1 to 3, the commission shall establish standards to ensure that the solicitation has a sufficient number of unique bidders and quantity of qualified bids to be determined competitive. If the commission concludes that a solicitation is not competitive, the commission may reduce the target procurement quantities to produce the greatest quantity that may be procured consistent with this subsection and shall defer to subsequent solicitations the capacity reduced in the solicitation.

6. Bid selection. Following a review of bids received in the solicitations under subsections 1 to 3, and after any adjustment to the target quantity under subsection 5, the commission shall select one or more winning bids that, in the aggregate, meet the target procurement quantity. If there are multiple qualified

bids at the same offer rate, the commission shall give preference to the qualified bid or bids that minimize the cost to the standard buyers or, if there is no difference in cost, to the bid that was submitted first.

In evaluating bids in a competitive solicitation, the commission shall evaluate a qualified bid for a project that is located on previously developed or impacted land at 90% of the offered rate. For the purposes of this subsection, "previously developed or impacted land" means areas covered by impervious surfaces, capped landfills or brownfield sites as defined by the Department of Environmental Protection. If a bid under this subsection is accepted, the contract rate for each accepted bid for a project located on previously developed or impacted land must be paid a rate equal to the clearing price.

7. Standard contract and milestones. Prior to a solicitation, the commission shall provide, in consultation with the standard buyer or standard buyers, a standard contract that commits the standard buyer and a project sponsor to commercially reasonable behavior and includes provisions including an interconnection fee list and interconnection schedule to ensure that the project proceeds to commercial operation on a reasonable timeline. The standard contracts for all standard buyers must be substantially identical to the extent commercially reasonable.

A qualified project must be commercially operable within 18 months of being awarded a contract. The commission may grant an extension for good cause. If a project fails to meet a milestone, the project sponsor is in default and the sponsor's contract must be cancelled. The capacity associated with a cancelled project must be added to the currently open procurement block. If procurement block 5 has been filled and procurements closed, the defaulted quantity must be added to procurement block 5 and new offers must be accepted under subsection 2.

§3485. Commercial or institutional distributed generation resources procurement

1. Procurement amounts. By July 1, 2024, the commission shall procure 125 megawatts of the output of distributed generation resources associated with commercial or institutional customer accounts by conducting an initial competitive solicitation for the first block of 25 megawatts pursuant to section 3484 to establish market-based, declining block contract rates to procure the remaining 100 megawatts.

2. Determination of bill credit. The bill credit allocated to a commercial or institutional customer must be based on the total kilowatt-hours of energy production of the distributed generation resource for the previous month. For each billing month, the value of the credit must be calculated by multiplying the number of kilowatt-hours by the contract rate. A payment to a commercial or institutional customer

must be credited against the customer's monthly electricity bill in accordance with section 3487. The monthly energy production must be determined by a revenue-grade meter installed and paid for by the participating commercial or institutional customer.

3. Exemption. A commercial or institutional customer is not considered a public utility or competitive electricity provider solely as a result of entering into a contract with a standard buyer under this section.

§3486. Shared distributed generation resources procurement

1. Procurement amounts. By July 1, 2024, the commission shall procure 250 megawatts of the output of shared distributed generation resources by conducting an initial competitive solicitation for the first block of 50 megawatts pursuant to section 3484 to establish market-based, declining block contract rates to procure the remaining 200 megawatts.

2. Payment and minimum subscription. The project sponsor and subscribers of a distributed generation resource that receives a contract under this section must receive the contract rate for the output of a shared distributed generation resource that is fully subscribed. For any portion not subscribed, the project sponsor must receive the wholesale rate obtained by the standard buyer for resale of the shared distributed generation resource output. Requirements for minimum subscriptions include:

A. At least 50% of the total nameplate capacity of a shared distributed generation resource must be subscribed by subscriptions of 25 kilowatts or less or at least 20% of the total nameplate capacity must be subscribed by subscriptions of 25 kilowatts or less if subscriptions from a municipality or units of municipal government account for more than 30% of the total nameplate capacity, unless subscriptions from a municipality or units of municipal government account for more than 50% of the total nameplate capacity of a shared distributed generation resource; and

B. At least:

(1) Ten percent of the total nameplate capacity of a shared distributed generation resource must be subscribed by households with low or moderate income or by organizations serving households with low or moderate income if the subscriptions serve to directly reduce the electricity costs for households with low or moderate income; or

(2) If a municipality or unit of municipal government accounts for more than 50% of the subscriptions to a shared distributed generation resource, 5% of the total nameplate capacity of the shared distributed generation

resource must be subscribed by households with low or moderate income or by organizations serving households with low or moderate income if the subscriptions serve to directly reduce the electricity costs for households with low or moderate income.

Subscriptions from municipalities or units of municipal government may not account for more than 70% of the nameplate capacity of a shared distributed generation resource. For the purposes of this subsection, "household with low or moderate income" means a household that provides proof of participation in a utility, municipal, state or federal income-based assistance program or a household that provides proof of household income up to 80% of the median income for the county or metropolitan area where the household is located.

3. Determination of subscriber bill credit. The bill credit allocated to each subscriber from a shared distributed generation resource must be based on the subscriber's percentage interest of the total production of the shared distributed generation resource for the previous month. For each billing month, the value of the credit allocated to a subscriber must be calculated by multiplying the number of kilowatt-hours constituting the subscriber's share by the contract rate. On a monthly basis, the project sponsor shall provide to the investor-owned transmission and distribution utility in a standardized and electronic format a list of subscribers and subscriber information required to calculate the bill credit to be provided to each subscriber. A credit to a subscriber must be applied against the subscriber's monthly electricity bill in accordance with section 3487 no later than one billing month following the month during which the energy was generated by the shared distributed generation resource. The investor-owned transmission and distribution utility shall provide a monthly record to the project sponsor of the credit applied to a subscriber within a month after the credits are applied to the subscriber's bill.

The monthly output available for allocation as subscribed or unsubscribed energy must be determined by a revenue-grade meter installed and paid for by the project sponsor.

4. Exemption. A project sponsor or subscriber is not considered a public utility or competitive electricity provider solely as a result of the project sponsor's or subscriber's interest or participation in a shared distributed generation resource.

5. Renewable energy credits. Prior to a project sponsor's entering into a contract with a subscriber under this section, the commission shall provide to the sponsor a standard disclosure to be distributed by the sponsor to all participating subscribers that describes the effect of selling the renewable attributes of exported electricity to the standard buyer and explains how a subscriber may participate in the voluntary renewable

energy credit market. The commission shall establish a mechanism to allow a subscriber with a share of less than 25 kilowatts to purchase renewable energy credits up to the amount of and of a substantially equivalent type to that which the subscriber has sold to the standard buyer at a price equal to 80% of market value.

6. Consumer protection. The commission shall establish by rule consumer protection standards to protect subscribers from fraud and other unfair and deceptive business practices. The commission may impose administrative penalties under chapter 15 upon a project sponsor and may order restitution for any party injured by a violation for which a penalty may be assessed pursuant to chapter 15.

The commission through its own counsel or through the Attorney General may apply to the Superior Court of any county of the State to enforce any lawful order made or action taken by the commission pursuant to this subsection, and the court may issue any preliminary or final order that the court determines proper.

7. Disclosures. Prior to the sale or resale of a subscription in a shared distributed generation resource or proposed shared distributed generation resource, a project sponsor selling or reselling the subscription shall provide a disclosure to potential subscribers that includes the following:

A. A good faith estimate of the annual kilowatt-hours to be delivered by the shared distributed generation resource based on the size of the subscriber's interest;

B. A plain language explanation of the terms under which the bill credit under section 3487 will be calculated;

C. A plain language explanation of the contract provisions regulating the disposition or transfer of the subscription; and

D. A plain language explanation of the costs and benefits to the potential subscriber, based on the subscriber's current usage for the term of the proposed contract.

The commission may establish a standard disclosure to be provided to potential subscribers by a project sponsor to disclose the information under this subsection and other information as the commission determines necessary to protect the interests of potential subscribers.

8. Transfer of subscriptions. A subscriber may transfer or assign a subscription to the associated project sponsor or to any person or entity that qualifies to be a subscriber in the shared distributed generation resource. A project sponsor must provide a process for assignment or transfer of a subscription. A project sponsor may not impose transfer fees on a subscriber that moves to a different location within the same utility service territory.

9. Project sponsor report. One year after commercial operation of a shared distributed generation resource commences, the project sponsor must submit to the commission a report detailing compliance with this subsection and subsections 3, 5, 7 and 8.

§3487. Bill credits; utility costs paid by project sponsor

1. Credit assigned to a customer's bill. If the value of a credit to be applied to a customer's bill under this chapter is less than the amount owed by the customer at the end of the applicable billing period, the customer must be billed for the difference between the amount shown on the bill and the value of the available credit. If the value of the credit to be applied to a customer's bill under this chapter is greater than the amount owed by the customer at the end of the billing period, the remaining value of the credit must carry over from month to month.

2. Utility costs paid by project sponsor. If a project sponsor pays an investor-owned transmission and distribution utility's costs associated with billing and collection from a subscriber, at the request of the project sponsor the utility shall bill the subscriber on behalf of the project sponsor. Costs under this subsection are subject to review by the commission.

§3488. Rules

The commission shall adopt rules to implement this chapter. Rules adopted under this section are routine technical rules as defined in Title 5, chapter 375, subchapter 2-A.

Sec. B-2. Rulemaking timeline. By January 1, 2020, the Public Utilities Commission shall adopt rules in accordance with the Maine Revised Statutes, Title 35-A, section 3488 to implement the provisions of Title 35-A, sections 3484, 3485 and 3486.

CHAPTER 479

S.P. 336 - L.D. 1116

An Act To Strengthen the Lead Poisoning Control Act

Emergency preamble. Whereas, acts and resolves of the Legislature do not become effective until 90 days after adjournment unless enacted as emergencies; and

Whereas, immediately amending the Lead Poisoning Control Act is required to ensure the safety of children; and

Whereas, in the judgment of the Legislature, these facts create an emergency within the meaning of the Constitution of Maine and require the following legislation as immediately necessary for the preservation of the public peace, health and safety; now, therefore,

Be it enacted by the People of the State of Maine as follows:

Sec. 1. 22 MRSA §1314-A, as enacted by PL 1991, c. 810, §1, is amended to read:

§1314-A. Goal

The goal of the State in the area of lead poisoning is to eradicate childhood lead poisoning by the year ~~2010~~ 2030 through the elimination of potential sources of environmental lead. By January 1, ~~1997~~ 2025, the department shall submit a report to the joint standing committee of the Legislature having jurisdiction over ~~human resource~~ health and human services matters

regarding progress made toward this goal. The report must include any recommendations the department may have to revise the goal, along with any necessary legislation.

Sec. 2. 22 MRSA §1317-D, sub-§4, as enacted by PL 2001, c. 683, §3 and affected by §10, is amended to read:

4. Testing of children not covered by MaineCare program. The program must require the testing of blood lead levels of all children not covered by the MaineCare program at one year of age and 2 years of age ~~unless, in the professional judgment of the provider of primary health care, in conjunction with the use of the lead poisoning risk assessment tool, the child's level of risk does not warrant a blood lead level test.~~ The drawing of blood for the testing may be done in the health care provider's office or may be referred to another laboratory.

Sec. 3. 22 MRSA §1322-F, sub-§4, as amended by PL 2007, c. 628, Pt. A, §6, is further amended to read:

4. Contingent repeal. This section is repealed when the Commissioner of Health and Human Services certifies that a period of 24 months has elapsed since the Department of Health and Human Services identified a child with an elevated blood lead level through screening by health care providers under section 1317-C. The Commissioner of Health and Human Services shall provide notice to the Secretary of the Senate, the Clerk of the House of Representatives and the Office of the Revisor of Statutes when this condition has been met. For purposes of this subsection, "elevated blood lead level" means a confirmed level of blood lead ~~of 10 that is equal to or exceeds 5 micrograms per deciliter or a level of blood lead defined by the federal Department of Health and Human Services, Centers for Disease Control and Prevention, whichever is lower.~~

Emergency clause. In view of the emergency cited in the preamble, this legislation takes effect when approved.

§6601-A. Free or reduced-price school meals; Internet-based school meal applications

The department shall ~~make information available to public schools regarding contract for the development and implementation of an~~ Internet-based ~~application for eligible students~~ application for free or reduced-price meals under the National School Lunch Program under 7 Code of Federal Regulations, Part 210 and the School Breakfast Program under 7 Code of Federal Regulations, Part 220. The department shall make available to public schools the Internet-based application for free or reduced-price meals developed under this section. A public school may make ~~an~~ the Internet-based application available for school meal applications. If a public school implements ~~an~~ the Internet-based application process under this section, the public school shall ~~make available a~~ continue to distribute paper application applications for school meals to ~~any student, parent or legal guardian who requests one all students.~~ A public school implementing the Internet-based application is solely responsible for processing that school's online applications.

Sec. 2. Internet-based application development. The Department of Education shall make the Internet-based application for free or reduced-price school meals under the Maine Revised Statutes, Title 20-A, section 6601-A available by October 1, 2019. The department may contract with a 3rd-party vendor to develop and implement the Internet-based application.

Sec. 3. Transfer of funds. Notwithstanding any provision of law to the contrary, the State Controller shall transfer to the unappropriated surplus of the General Fund \$650,000 no later than June 30, 2020 and \$150,000 no later than June 30, 2021 from the Medical Use of Marijuana Fund, established in the Maine Revised Statutes, Title 22, section 2430.

Sec. 4. Appropriations and allocations. The following appropriations and allocations are made.

EDUCATION, DEPARTMENT OF

Alternative Breakfast Delivery Service Program N318

Initiative: Provides one-time funding in fiscal year 2019-20 only to school administrative units that start or expand alternative breakfast delivery services that provide breakfast after the start of the school day. A school administrative unit with a public school in which at least 50% of students qualified for a free or reduced-price lunch during the preceding school year qualifies for funding. The department is required to develop guidelines to allocate and disburse the funding to participating schools. Guidelines must be devel-

oped within 90 days following the effective date of this Act. Funding appropriated to this program does not lapse but must be carried forward into the next fiscal year to be used only for the purpose for which it was provided.

**CHAPTER 481
S.P. 287 - L.D. 997**

**An Act To Promote Social and
Emotional Learning and
Development for Young
Children**

**Be it enacted by the People of the State of
Maine as follows:**

Sec. 1. 34-B MRSA c. 15, sub-c. 2 is enacted to read:

**SUBCHAPTER 2
EARLY CHILDHOOD CONSULTATION
PROGRAM**

**§15011. Statewide voluntary early childhood
consultation program**

Beginning September 1, 2020, the commissioner shall implement a statewide voluntary early childhood consultation program to provide support, guidance and training to improve the abilities and skills of early care and education teachers and providers working in public elementary schools, child care facilities as defined in Title 22, section 8301-A, subsection 1-A, paragraph B, family child care settings and Head Start programs serving infants and children who are 8 years of age or younger who are experiencing challenging behaviors that put the infants or children at risk of learning difficulties and removal from early learning and education settings, and to improve the abilities and skills of families and foster parents with infants or children who are 8 years of age or younger in the home who are experiencing challenging behaviors that put the infants or children at risk of learning difficulties and removal from early learning and education settings. Any record about a child created as a result of a consultation under this section must be made available to the parents or guardians of that child and may not become part of that child's education record. Fifty percent of the costs related to the program implemented under this section must be paid from funds provided to the department under the federal child and development block grant authorized under the federal Child Care and Development Block Grant Act of 1990.

Sec. 2. Maine Revised Statutes headnote enacted; revision clause. In the Maine Revised Statutes, Title 34-B, chapter 15, after the chapter headnote, the headnote "subchapter 1, children's mental health program" is enacted and the Revisor of Statutes shall implement this revision when updating, publishing or republishing the statutes.

Sec. 3. Early childhood consultation program. By September 1, 2020, the Department of Health and Human Services shall develop, establish and implement an early childhood consultation program under the Maine Revised Statutes, Title 34-B, chapter 15, subchapter 2, referred to in this section as "the program," to enable trained consultants with expertise in the areas of early childhood development and mental health to work on-site with early care and education teachers and providers working with children to aid them in the use of low-cost or no-cost evidence-based strategies that reduce challenging behaviors in children and promote social-emotional growth; to provide guidance to parents about effective ways to address their children's behavioral difficulties; and to connect children and families to programs, resources and supports that will assist them in their development and success, while addressing barriers to

accessing these resources and supports. The department shall design the program in consultation with the national Center of Excellence for Infant and Early Childhood Mental Health Consultation, a project funded by the United States Department of Health and Human Services, Substance Abuse and Mental Health Services Administration, the Children's Cabinet established in Title 5, chapter 439 and key stakeholders in the State, including mental health professionals delivering mental health consultation within the State. In developing the program, the department shall:

1. Develop standards and guidelines to ensure that the program is implemented with primary consideration given to the core elements of evidence-based services as adapted for the State's unique rural character. The guidelines must include effective strengths-based strategies and plans that support children's success across learning environments. The standards must include knowledge of research-informed infant and early childhood mental health practices, family circumstances that affect children's behavior and mental health, developmental science and milestones, mental health, trauma-informed approaches, adverse childhood experiences, sensory processing issues, poverty, disability and community supports, resources and services available to a child and the child's family to alleviate family stress;

2. Explore enhancing cross-sector professional development capacity in the State through partnerships with entities such as the national Center of Excellence for Infant and Early Childhood Mental Health Consultation;

3. Develop and implement a plan for consultants to provide individualized on-site coaching as requested by teachers, caregivers and families. The plan may include professional development in the form of group training and communities of practice that include professionals, such as home visitors or child welfare staff, who work with young children and families. The plan must reinforce and extend the supports provided by early childhood mental health consultants to people providing professional development in early childhood and public school settings;

4. Develop a system for collecting and analyzing implementation data and selected outcomes to identify areas for improvement, promote accountability and provide continuous quality improvement and service delivery to improve child outcomes by providing feedback, including feedback from department staff and community consultation staff. Data collected must include specific data related to age, gender, race and disability;

5. Develop and implement a plan for establishing, training and certifying a roster of community-based qualified mental health consultants with the specialized knowledge, skills and experience to effectively coach families, teachers, providers and program direc-

tors to promote a child's social and emotional health and reduce challenging behaviors. Early childhood consultants must be mental health professionals licensed under the Maine Revised Statutes, Title 32, section 3831, subsection 2; section 7053, subsection 1, paragraph A; or section 13858, subsection 2 or 3. The training must include training related to the following: trauma; adverse childhood experiences; resilience; trauma-informed practices; child development from birth to 8 years of age including appropriate developmental and behavioral expectations; effects of substance use; sensory processing issues; needs of children with disabilities, including special education law; the State's child protection and foster care system; other disciplines such as occupational therapy, speech therapy, physical therapy and mental health therapy; and public and private supports and services, including the Women, Infants and Children Special Supplemental Food Program of the federal Child Nutrition Act of 1966; the Child Development Services System under Title 20-A, section 7209; the divisions within the Department of Health and Human Services concerned with children's behavioral health services; case management; and entitlement programs. Consultants must also receive training that is regionally appropriate to understand the programs, resources and supports in their region or community in order to link children, families and professionals to them. The training must also include training in cultural competence to ensure consultants understand the needs of the ethnically diverse communities they may be serving and how to form relationships to provide the unique services needed to support those populations;

6. Develop and implement a plan for supervision of early childhood consultation and outreach staff that includes administrative, clinical and reflective supervision; and

7. Develop and implement a plan in conjunction with staff from the Child Development Services System under the Maine Revised Statutes, Title 20-A, section 7209 for how early childhood consultants can support children, families and staff who intersect with the Child Development Services System, particularly as the plan relates to children who are referred for behavior issues.

Sec. 4. Early implementation. The Department of Health and Human Services shall provide support, guidance and training under the Maine Revised Statutes, Title 34-B, chapter 15, subchapter 2 in 5 locations prior to implementation of the statewide voluntary early childhood consultation program in Title 34-B, chapter 15, subchapter 2.

Sec. 5. Report. The Department of Health and Human Services shall submit a report by January 1, 2021 to the joint standing committee of the Legislature having jurisdiction over health and human services matters regarding the status of the statewide voluntary

early childhood consultation program in the Maine Revised Statutes, Title 34-B, chapter 15, subchapter 2 and the program's ability to provide support and guidance to families, early care and education teachers and providers working with children. The joint standing committee may submit legislation related to the report to the First Regular Session of the 130th Legislature.

CHAPTER 482

H.P. 1082 - L.D. 1480

An Act To Modify Retirement Plans for Fire Investigators and Sergeants

Be it enacted by the People of the State of Maine as follows:

Sec. 1. 5 MRSA §17851-A, sub-§1, ¶K, as amended by PL 2001, c. 409, §1, is further amended to read:

K. The State Fire Marshal or a state fire marshal investigator or state fire marshal inspector in the employment of the Department of Public Safety on January 1, 2000 or hired thereafter or, until June 30, 2020, a state fire marshal investigator in the employment of the Department of Public Safety on January 1, 2000 or hired thereafter; and

Sec. 2. 5 MRSA §17851-B is enacted to read:

§17851-B. Special plan for fire marshal investigators and fire marshal sergeants

1. Establishment and applicability. Effective July 1, 2020, there is established a special retirement plan for fire marshal investigators and fire marshal sergeants, referred to in this section as "the special plan." The special plan applies to a state fire marshal investigator, state fire marshal senior investigator and state fire marshal sergeant.

2. Qualification for benefits. A member employed in any of the positions specified in subsection 1 qualifies for a service retirement benefit after completing 20 years of creditable service in that capacity, whether or not the creditable service included in determining that the 20-year requirement has been met was earned under the special plan established in this section or prior to its establishment.

3. Purchase of service credit to be used for qualification for benefits. This subsection governs the use of purchased service credit in order to qualify for benefits under this section. For the purpose of meeting the qualification requirement of subsection 2:

A. Service credit purchased by repayment of an earlier refund of accumulated contributions following termination of service is included if the time to which the refund relates was served in any one or a combination of the positions specified in subsection 1, regardless of whether the time was

served before or after the establishment of the special plan; and

B. Service credit purchased other than as provided under paragraph A is not included.

4. Computation of benefits. The amount of the service retirement benefit for members qualified under subsection 2 is 1/2 of the person's average final compensation and an additional 2% of the person's average final compensation for each year of membership service not included in determining qualification under subsection 2.

5. Contributions. Notwithstanding any other provision of subchapter 3, after June 30, 2020, a member in a position specified in subsection 1 shall contribute to the State Employee and Teacher Retirement Program or have pick-up contributions made at the rate of 8.65% of earnable compensation until the member has completed 20 years of creditable service as provided in this section and at the rate of 7.65% thereafter.

Sec. 3. Appropriations and allocations. The following appropriations and allocations are made.

**CHAPTER 483
S.P. 20 - L.D. 67**

An Act To Ensure Access to Justice for Victims of Sexual Assault

Be it enacted by the People of the State of Maine as follows:

Sec. 1. 17-A MRSA §8, sub-§1, as amended by PL 1999, c. 438, §1, is repealed and the following enacted in its place:

1. It is a defense that prosecution was commenced after the expiration of the applicable period of limitations provided in this section, except that the following prosecutions may be commenced at any time:

A. A prosecution for murder or criminal homicide in the first or 2nd degree; or

B. If the victim had not attained the age of 16 years at the time of the crime, a prosecution for incest; unlawful sexual contact; sexual abuse of a minor; or rape or gross sexual assault, formerly denominated as gross sexual misconduct.

Sec. 2. 17-A MRSA §8, sub-§2, as amended by PL 2013, c. 392, §1, is repealed and the following enacted in its place:

2. Except as provided in subsection 1 or 2-A, a prosecution for a Class A, Class B or Class C crime must be commenced within 6 years after it is committed and a prosecution for a Class D or Class E crime must be commenced within 3 years after it is committed.

Sec. 3. 17-A MRSA §8, sub-§2-A, as enacted by PL 2013, c. 392, §2, is amended to read:

2-A. A prosecution for a Class A, Class B or Class C crime involving unlawful sexual contact or gross sexual assault must be commenced within **8** 20 years after it is committed.

This subsection does not apply to a Class D crime enhanced to a Class C crime pursuant to section 1252, subsection 4-A.

Sec. 4. Application. This Act applies to the following Class A, Class B or Class C crimes committed on or after the effective date of this Act or for which the prosecution has not yet been barred by the statute of limitations in force immediately prior to the effective date of this Act: gross sexual assault under the Maine Revised Statutes, Title 17-A, section 253; and unlawful sexual contact under Title 17-A, section 255-A.

See title page for effective date.

**CHAPTER 484
H.P. 1259 - L.D. 1772**

An Act To Secure Transitions to Economic Prosperity for Maine Families and Children

Be it enacted by the People of the State of Maine as follows:

Sec. 1. 22 MRSA §3762, sub-§3, ¶B, as amended by PL 2017, c. 256, §1; c. 284, Pt. NNNNNN, §10; c. 290, §1; and c. 412, §2, is further amended to read:

B. The department may use funds, insofar as resources permit, provided under and in accordance with the United States Social Security Act or state funds appropriated for this purpose or a combination of state and federal funds to provide assistance to families under this chapter. In addition to assistance for families described in this subsection, funds must be expended for the following purposes:

(1) To continue the pass-through of the first \$50 per month of current child support collections and the exclusion of the \$50 pass-through from the budget tests and benefit calculations;

(2) To provide financial assistance to noncitizens legally admitted to the United States who are receiving assistance under this subsection as of July 1, 2011. Recipients of assistance under this subparagraph are limited to the categories of noncitizens who would be eligible for the TANF programs but for their status as aliens under PRWORA. Eligibility for the TANF program for these categories of noncitizens must be determined using the criteria applicable to other recipients of assistance from the TANF program. Any household receiving assistance as of July 1, 2011 may continue to receive assistance, as long as that household remains eligible, without regard to interruptions in coverage or gaps in eligibility for service. A noncitizen legally

admitted to the United States who is neither receiving assistance on July 1, 2011 nor has an application pending for assistance on July 1, 2011 that is later approved is not eligible for financial assistance through a state-funded program unless that noncitizen is:

- (a) Elderly or disabled, as described under the laws governing supplemental security income in 42 United States Code, Sections 1381 to 1383f (2010);
 - (b) A victim of domestic violence;
 - (c) Experiencing other hardship, such as time necessary to obtain proper work documentation, as defined by the department by rule. Rules adopted by the department under this division are routine technical rules as defined by Title 5, chapter 375, subchapter 2-A; or
 - (d) Unemployed but has obtained proper work documentation, as defined by the department by rule. Rules adopted by the department under this division are routine technical rules as defined by Title 5, chapter 375, subchapter 2-A;
- (3) To provide benefits to 2-parent families with children using the same eligibility requirements as apply to families headed by a single custodial parent or caretaker relative;
- (4) To provide an assistance program for needy children, 19 to 21 years of age, who are in full-time attendance in secondary school. The program is operated for those individuals who qualify for TANF under the United States Social Security Act, except that they fail to meet the age requirement, and is also operated for the parent or caretaker relative of those individuals. Except for the age requirement, all provisions of TANF, including the standard of need and the amount of assistance, apply to the program established pursuant to this subparagraph;
- (5) To provide assistance for a pregnant woman who is otherwise eligible for assistance under this chapter, except that she has no dependents under 19 years of age. An individual is eligible for the monthly benefit for one eligible person if the medically substantiated expected date of the birth of her child is not more than 90 days following the date the benefit is received;
- (6) To provide a special housing allowance for TANF families whose shelter expenses for rent, mortgage or similar payments, homeowners insurance and property taxes equal or exceed 50% of their monthly income

excluding any income disregarded pursuant to subparagraph (7-D), divisions (a) and (b). The special housing allowance is limited to \$300 per month for each family. For purposes of this subparagraph, "monthly income" means the total of the TANF monthly benefit and all income countable under the TANF program, plus child support received by the family, excluding the \$50 pass-through payment;

~~(7) In determining benefit levels for TANF recipients who have earnings from employment, the department shall disregard from monthly earnings the following:~~

~~(a) One hundred and eight dollars;~~

~~(b) Fifty percent of the remaining earnings that are less than the federal poverty level; and~~

~~(c) All actual child care costs necessary for work, except that the department may limit the child care disregard to \$175 per month per child or \$200 per month per child under 2 years of age or with special needs;~~

(7-A) In determining eligibility and benefit levels, the department may apply a gross income test only to applicants and not to recipients;

(7-C) In determining financial eligibility for applicants who have earnings from employment, the department shall disregard from monthly earnings the following:

(a) One hundred and eight dollars;

(b) Fifty percent of the remaining earnings that are less than the federal poverty level; and

(c) All actual child care costs necessary for work, except that the department may limit the child care disregard to \$175 per month per child or \$200 per month per child under 2 years of age or with special needs;

(7-D) In determining benefit levels, the department shall disregard the following amounts from the monthly earnings of recipients:

(a) One hundred percent of all earned income for the first 3 months of employment. Any month in which the disregard under this division does not increase the recipient's benefit above that which it would be if the disregard in division (c) is applied does not count as a

month in which earned income is disregarded under this division;

(b) Seventy-five percent of all earned income for the 4th to 6th months of employment. Any month in which the disregard under this division does not increase the recipient's benefit above that which it would be if the disregard in division (c) is applied does not count as a month in which earned income is disregarded under this division;

(c) One hundred and eight dollars and 50% of the remaining earnings that are less than the federal poverty level for any month of employment in which a disregard in division (a) or (b) is not applied; and

(d) All actual child care costs necessary for work, except that the department may limit the child care disregard to \$175 per month per child or \$200 per month per child under 2 years of age or with special needs;

(7-E) For any period during which a household's food supplement assistance is reduced as a result of earnings and receipt of the earned income disregard applied under subparagraph (7-D), division (a) or (b), the household must receive additional food supplement assistance in an amount that will, in addition to the food supplement assistance for which the household remains eligible, provide the household with a minimum of \$50 in food supplement assistance. Additional food supplement assistance under this subparagraph is a noncash benefit and may be used to purchase only those food items permitted under the food supplement program;

(8) In cases when the TANF recipient has no child care cost, the monthly TANF benefit is the maximum payment level or the difference between the countable earnings and the standard of need established by rule adopted by the department, whichever is lower;

(9) In cases when the TANF recipient has child care costs, the department shall determine a total benefit package, including TANF cash assistance, determined in accordance with subparagraph (7) (7-D) and additional child care assistance, as provided by rule, necessary to cover the TANF recipient's actual child care costs up to the maximum amount specified in section 3782-A, subsection 5, paragraph B. The benefit amount must be paid as provided in this subparagraph.

(a) Before the first month in which child care assistance is available to an ASPIRE-TANF recipient under this paragraph and periodically thereafter, the department shall notify the recipient of the total benefit package and the following options of the recipient: to receive the total benefit package directly; or to have the department pay the recipient's child care assistance directly to the designated child care provider for the recipient and pay the balance of the total benefit package to the recipient.

(b) If an ASPIRE-TANF recipient notifies the department that the recipient chooses to receive the child care assistance directly, the department shall pay the total benefit package to the recipient.

(c) If an ASPIRE-TANF recipient does not respond or notifies the department of the choice to have the child care assistance paid directly to the child care provider from the total benefit package, the department shall pay the child care assistance directly to the designated child care provider for the recipient. The department shall pay the balance of the total benefit package to the recipient;

(10) Child care assistance under this paragraph must be paid by the department in a prompt manner that permits an ASPIRE-TANF recipient to access child care necessary for work; and

(11) The department shall adopt rules pursuant to Title 5, chapter 375 to implement this subsection. Rules adopted pursuant to this subparagraph are routine technical rules as defined in Title 5, chapter 375, subchapter 2-A.

Sec. 2. 22 MRSA §3762, sub-§8, ¶F, as enacted by PL 2011, c. 655, Pt. S, §2, is amended to read:

F. The department may provide limited transitional food benefits to meet the needs of food supplement benefit recipients living with one or more dependent children under 18 years of age who are working at least 30 hours per week or who are working at least 20 hours per week if one or more dependent child is under 6 years of age. The benefit may not exceed ~~\$50~~ \$100 per month per family.

Sec. 3. 22 MRSA §3762, sub-§18, as enacted by PL 2011, c. 380, Pt. PP, §2, is amended to read:

18. Lifetime limit on assistance. Beginning January 1, 2012, a family may not receive TANF as-

sistance for longer than 60 months except in those cases in which the department has determined that the family qualifies for an exemption or extension under rules adopted by the department. When an adult has received TANF assistance for 60 months, unless the adult has been exempted or granted an extension by the department, the family unit in which the adult is a member is ineligible for assistance. The department shall consider conditions or situations beyond the control of the adult recipient, including but not limited to a physical or mental condition that prevents the adult from obtaining or retaining gainful employment, being a victim of domestic violence, participating in good standing in an approved education program or a program that is expected to lead to gainful employment, being the caretaker relative in the household who is not the parent of the child or children in the assistance unit and who is required to remain at home to care for a dependent in the assistance unit and loss of employment by the adult following termination of TANF under this subsection. The department shall grant an extension to a household for each month in which a family received TANF assistance and an earnings disregard under subsection 3, paragraph B, subparagraph (7-D), division (a) or (b). This extension does not apply to a TANF recipient who has reached the 60-month time limit prior to October 1, 2019.

The department shall adopt rules to implement this subsection. Rules adopted pursuant to this subsection are routine technical rules pursuant to Title 5, chapter 375, subchapter 2-A.

Sec. 4. 22 MRSA §3769-G is enacted to read:

§3769-G. Temporary Assistance for Needy Families block grant; whole family economic security initiatives

1. Use of block grant funds. In fiscal year 2020-21 and annually thereafter, the department shall provide up to \$2,000,000 in funds provided under the Temporary Assistance for Needy Families block grant to community action agencies designated pursuant to section 5324 or other community-based organizations the department finds qualified pursuant to subsection 3 to assist parents with children as the parents pursue stable employment or education intended to lead to employment. The block grant funds must be used to administer services to families with children with income less than 200% of the nonfarm income official poverty line.

2. Required services. Services provided by a community-based organization the department finds qualified pursuant to subsection 3 must include education, including, but not limited to, assisting family members to acquire postsecondary degrees or other credentials, and the provision of health, social and economic support.

3. Qualifications. In order to be qualified under this section, a community action agency designated pursuant to section 5324 or a community-based organization must demonstrate to the department that it has the resources and capacity to implement evidence-based practices to provide the services required under this section. The department shall annually review contracts awarded under this section on the basis of tangible performance measures; participant satisfaction and well-being; and fiscal and administrative accountability.

4. Rules. The department shall adopt rules to implement this section. Rules adopted pursuant to this subsection are routine technical rules as defined in Title 5, chapter 375, subchapter 2-A.

Sec. 5. 22 MRSA §3788, sub-§7-A is enacted to read:

7-A. Basic skills education. The department shall make available to individuals participating in the ASPIRE-TANF program basic skills education, including programs that assist individuals in obtaining a high school diploma or its equivalent or comparable credential. The time spent by an ASPIRE-TANF participant in basic skills education must be counted toward the first 20 hours of the participant's required weekly work participation, except that this subsection is suspended for any period for which it would cause the State to fail to meet the work participation rate requirements pursuant to 42 United States Code, Section 607, subsection (a). The department shall ensure that the State's work verification plan required under federal law for validating work participation activities of ASPIRE-TANF participants includes basic skills education in the definition of vocational educational training when it is a necessary part of a participant's vocational educational training plan.

CHAPTER 485

H.P. 1261 - L.D. 1774

An Act To Reduce Child Poverty by Leveraging Investments so Families Can Thrive

Be it enacted by the People of the State of Maine as follows:

Sec. 1. 22 MRSA §3109 is enacted to read:

§3109. Promoting accountable public programs that reduce poverty, alleviate hardship and increase sustainable employment for low-income families with children

The department shall implement a system of accountability to measure access to and the performance of certain programs administered by the department under this Subtitle to ensure that those programs are working effectively to improve the health and well-being of program participants.

1. Definitions. As used in this section, unless the context otherwise indicates, the following terms have the following meanings.

A. "Federal poverty level" has the same meaning as in section 3762, subsection 1, paragraph C.

B. "Food supplement" means the federal supplemental nutrition assistance program administered by the State pursuant to section 3104.

C. "TANF" has the same meaning as in section 3762, subsection 1, paragraph E.

D. "WIC" means the Women, Infants and Children Special Supplemental Food Program described in section 3107.

2. Identify measures of child and family economic security. Beginning October 15, 2019 and annually thereafter, the department shall obtain and compile the following data for the State regarding child and family economic security from those sources reasonably available to the department, including, but not limited to, data collected and maintained by the department, data available from the Department of Labor and the Department of Administrative and Fi-

nancial Services, Bureau of Revenue Services or other state or federal agencies and such other data as can reasonably be obtained from other public or private sources upon request. The data must include:

A. The ratio of families with children receiving TANF cash assistance to the number of families with children and income at or below 100% of the federal poverty level in the current year and in the previous 4 years;

B. The percentage of children under 5 years of age receiving TANF cash assistance that also receive assistance from WIC in the current year and in the previous 4 years;

C. The percentage of children under 5 years of age receiving food supplement assistance that also receive assistance from WIC in the current year and in the previous 4 years;

D. For all families for whom TANF cash assistance has terminated:

(1) The number and percentage of families with no quarterly earnings from unsubsidized employment:

(a) At the time participation in the program was terminated;

(b) During the 2nd quarter after participation in the program was terminated; and

(c) During the 4th quarter after participation in the program was terminated;

(2) The number and percentage of families with quarterly earnings from unsubsidized employment that are below 50% of the federal poverty level:

(a) At the time participation in the program was terminated;

(b) During the 2nd quarter after participation in the program was terminated; and

(c) During the 4th quarter after participation in the program was terminated;

(3) The number and percentage of families with quarterly earnings from unsubsidized employment that are at least 50% but below 100% of the federal poverty level:

(a) At the time participation in the program was terminated;

(b) During the 2nd quarter after participation in the program was terminated; and

(c) During the 4th quarter after participation in the program was terminated;

(4) The number and percentage of families with quarterly earnings from unsubsidized employment that are at least 100% but below 150% of the federal poverty level:

(a) At the time participation in the program was terminated;

(b) During the 2nd quarter after participation in the program was terminated; and

(c) During the 4th quarter after participation in the program was terminated;

(5) The number and percentage of families with quarterly earnings from unsubsidized employment that are at least 150% but below 200% of the federal poverty level:

(a) At the time participation in the program was terminated;

(b) During the 2nd quarter after participation in the program was terminated; and

(c) During the 4th quarter after participation in the program was terminated;

(6) The number and percentage of families with quarterly earnings from unsubsidized employment that are at least 200% of the federal poverty level:

(a) At the time participation in the program was terminated;

(b) During the 2nd quarter after participation in the program was terminated; and

(c) During the 4th quarter after participation in the program was terminated;

(7) The mean and median income of families with no quarterly earnings from unsubsidized employment:

(a) At the time participation in the program was terminated;

(b) During the 2nd quarter after participation in the program was terminated; and

(c) During the 4th quarter after participation in the program was terminated; and

(8) The number and percentage of families receiving income from the federal supplemental security income program or federal social security disability benefits:

(a) At the time participation in the program was terminated;

(b) During the 2nd quarter after participation in the program was terminated; and

(c) During the 4th quarter after participation in the program was terminated;

E. Cumulative data on the highest level of educational attainment of adult parents or caretaker relatives receiving TANF cash assistance and cumulative data on the highest level of educational attainment of adult parents or caretaker relatives whose participation in the program was terminated in the prior year;

F. The ratio of persons receiving food supplement assistance to the total number of potentially eligible persons; the ratio of persons 60 years of age or older receiving food supplement assistance to the total number of potentially eligible persons 60 years of age or older; the ratio of nonelderly persons with a disability receiving food supplement assistance to the total number of potentially eligible nonelderly persons with a disability; and the ratio of children under 18 years of age receiving food supplement assistance to the total number of potentially eligible children under 18 years of age;

G. The number and percentage of adult parents or caretaker relatives who have children in the household and who are receiving food supplement assistance, grouped by highest level of educational attainment of the adult parent or caretaker relative;

H. The ratio of people participating in the MaineCare program, by eligibility group, to the total number of potentially eligible persons within each group;

I. The number and percentage of applications received by the department for the MaineCare program and the children's health insurance program as defined in section 3174-X, subsection 1, paragraph A, by eligibility group, that are processed in less than 24 hours; that are processed within one to 7 days; that are processed within 8 to 30 days; that are processed within 31 to 45 days; and that are processed more than 45 days after receipt;

J. The average waiting times, by month, for a person calling the department's call center to speak to a person, not including an interactive voice response system; and

K. The number and percentage, by month, of telephone calls to the department's call center that are terminated by a caller prior to the caller's speaking to a person, not including an interactive voice response system.

3. Measuring the effect of department initiatives to improve child and family economic security; report. The department shall examine and use the

data related to program measures compiled pursuant to subsection 2 and consider how department programming can contribute to improvements in child and family economic security, including increased ability to meet basic needs, improved educational levels and increased incomes. Beginning January 15, 2021, and annually thereafter, the department shall present the data collected pursuant to subsection 2 along with an assessment of how these measures can be improved through department programming to the joint standing committee of the Legislature having jurisdiction over health and human services matters for the committee's review. The department shall also identify any obstacles to improving the economic security for children, families and individuals and make recommendations for addressing those obstacles, which may include improved coordination between agencies of State Government. The committee's review must include the opportunity for public comment on the department's presentation and the committee may introduce any legislation that it considers necessary to address barriers faced by the department in improving economic security for children, families and individuals in this State.

Sec. 2. 22 MRSA §3174-G, as amended by IB 2017, c. 1, Pt. A, §§1 to 3, is further amended to read:

§3174-G. Medicaid coverage of certain elderly and disabled individuals, children and pregnant women; transitional Medicaid

1. Delivery of services. The department shall provide for the delivery of federally approved Medicaid services to the following persons:

A. A qualified woman during her pregnancy and up to 60 days following delivery when the woman's family income is equal to or below 200% of the nonfarm income official poverty line;

B. An infant under one year of age when the infant's family income is equal to or below 200% of the nonfarm income official poverty line, except that the department may adopt a rule that provides that infants in families with income over 185% and equal to or below 200% of the nonfarm income official poverty line who meet the eligibility requirements of the Cub Care program established under section 3174-T are eligible to participate in the Cub Care program instead of Medicaid. Rules adopted pursuant to this paragraph are routine technical rules as defined in Title 5, chapter 375, subchapter 2-A;

C. A qualified elderly or disabled person when the person's family income is equal to or below 100% of the nonfarm income official poverty line;

D. A child one year of age or older and under 19 years of age when the child's family income is equal to or below 200% of the nonfarm income official poverty line, except that the department

may adopt a rule that provides that children described in this paragraph in families with income over 150% and equal to or below 200% of the nonfarm income official poverty line who meet the eligibility requirements of the Cub Care program established under section 3174-T are eligible to participate in the Cub Care program instead of Medicaid. Rules adopted pursuant to this paragraph are routine technical rules as defined in Title 5, chapter 375, subchapter 2-A;

E. On or before September 30, 2012, the parent or caretaker relative of a child described in paragraph B or D when the child's family income is equal to or below 200% of the nonfarm income official poverty line, subject to adjustment by the commissioner under this paragraph and, beginning October 1, 2012, the parent or caretaker relative of a child described in paragraph B or D when the child's family income is equal to or below 133% of the nonfarm income official poverty line, subject to adjustment by the commissioner under this paragraph. Medicaid services provided under this paragraph must be provided within the limits of the program budget. Funds appropriated for services under this paragraph must include an annual inflationary adjustment equivalent to the rate of inflation in the Medicaid program. On a quarterly basis, the commissioner shall determine the fiscal status of program expenditures under this paragraph. If the commissioner determines that expenditures will exceed the funds available to provide Medicaid coverage pursuant to this paragraph, the commissioner must adjust the income eligibility limit for new applicants to the extent necessary to operate the program within the program budget. If, after an adjustment has occurred pursuant to this paragraph, expenditures fall below the program budget, the commissioner must raise the income eligibility limit to the extent necessary to provide services to as many eligible persons as possible within the fiscal constraints of the program budget, as long as on or before September 30, 2012 the income limit does not exceed 200% of the nonfarm income official poverty line and, beginning October 1, 2012, the income limit does not exceed 133% of the nonfarm income official poverty line;

F. A person 20 to 64 years of age who is not otherwise covered under paragraphs A to E when the person's family income is below or equal to 125% of the nonfarm income official poverty line, as long as the commissioner adjusts the maximum eligibility level in accordance with the requirements of the paragraph.

(2) If the commissioner reasonably anticipates the cost of the program to exceed the budget of the population described in this paragraph, the commissioner shall lower the

maximum eligibility level to the extent necessary to provide coverage to as many persons as possible within the program budget.

(3) The commissioner shall give at least 30 days' notice of the proposed change in maximum eligibility level to the joint standing committee of the Legislature having jurisdiction over appropriations and financial affairs and the joint standing committee of the Legislature having jurisdiction over health and human services matters;

G. A person who is a noncitizen legally admitted to the United States to the extent that coverage is allowable by federal law if the person is:

(1) A woman during her pregnancy and up to 60 days following delivery; or

(2) A child under 21 years of age; and

H. No later than 180 days after the effective date of this paragraph, a person under 65 years of age who is not otherwise eligible for assistance under this chapter and who qualifies for medical assistance pursuant to 42 United States Code, Section 1396a(a)(10)(A)(i)(VIII) when the person's income is at or below 133% plus 5% of the nonfarm income official poverty line for the applicable family size. The department shall provide such a person, at a minimum, the same scope of medical assistance as is provided to a person described in paragraph E.

Cost sharing, including copayments, for coverage established under this paragraph may not exceed the maximum allowable amounts authorized under section 3173-C, subsection 7.

No later than 90 days after the effective date of this paragraph, the department shall submit a state plan amendment to the United States Department of Health and Human Services, Centers for Medicare and Medicaid Services ensuring MaineCare eligibility for people under 65 years of age who qualify for medical assistance pursuant to 42 United States Code, Section 1396a(a)(10)(A)(i)(VIII).

The department shall adopt rules, including emergency rules pursuant to Title 5, section 8054 if necessary, to implement this paragraph in a timely manner to ensure that the persons described in this paragraph are enrolled for and eligible to receive services no later than 180 days after the effective date of this paragraph. Rules adopted pursuant to this paragraph are routine technical rules as defined by Title 5, chapter 375, subchapter 2-A.

For the purposes of this subsection, the "nonfarm income official poverty line" is that applicable to a family of the size involved, as defined by the federal Department of Health and Human Services and updated

annually in the Federal Register under authority of 42 United States Code, Section 9902(2). For purposes of this subsection, "program budget" means the amounts available from both federal and state sources to provide federally approved Medicaid services.

1-B. Funding. State funds necessary to implement subsection 1-C must include General Fund appropriations and Other Special Revenue allocations from the Fund for a Healthy Maine to the elderly low-cost drug program operated pursuant to section 254-D, including rebates received in that program from pharmaceutical manufacturers, that are no longer needed in that program as a result of the Medicaid waiver obtained pursuant to subsection 1-C.

1-C. Prescription drug waiver program. Except as provided in paragraph G, the department shall apply to the federal Centers for Medicare and Medicaid Services for a waiver or amend a pending or current waiver under the Medicaid program authorizing the department to use federal matching dollars to enhance the prescription drug benefits available to persons who qualify for the elderly low-cost drug program established under section 254-D. The program created pursuant to the waiver is the prescription drug waiver program, referred to in this subsection as the "program."

A. As funds permit, the department has the authority to establish income eligibility levels for the program up to and including 200% of the federal nonfarm income official poverty level, except that for individuals in households that spend at least 40% of income on unreimbursed direct medical expenses for prescription medications, the income eligibility level is increased by 25%.

B. To the extent reasonably achievable under the federal waiver process, the program must include the full range of prescription drugs provided under the Medicaid program on the effective date of this subsection and must limit copayments and cost sharing for participants. If cost sharing above the nominal cost sharing for the Medicaid program is determined to be necessary, the department may use a sliding scale to minimize the financial burden on lower-income participants.

C. Coverage under the program may not be less beneficial to persons who meet the qualifications of former section 254 than the coverage available under that section on September 30, 2001.

D. In determining enrollee benefits under the program, to the extent possible, the department shall give equitable treatment to coverage of prescription medications for cancer, Alzheimer's disease and behavioral health.

E. The department is authorized to provide funding for the program by using funds appropriated

or allocated to provide prescription drugs under sections 254-D and 258.

F. The department is authorized to amend the waiver or adjust program requirements as necessary to take advantage of enhanced federal matching funds that may become available.

G. If, upon thorough analysis, the department determines that a waiver under this subsection is not feasible or would not significantly benefit participants in the elderly low-cost drug program, the department may decide not to pursue the waiver. Within 30 days of a decision not to proceed with a waiver and before taking action on that decision, the department shall report to the joint standing committee of the Legislature having jurisdiction over health and human services matters and shall provide a detailed analysis of the reasons for reaching that decision.

1-D. Enrollment fee. The department may assess an annual enrollment fee of \$25 for participation in the MaineCare program for a family including a parent or caretaker relative of a child described in subsection 1, paragraph B or D when the family's income exceeds 150% of the nonfarm income official poverty line.

2. Resource test. The department may not apply a resource test to those children and pregnant women who are made eligible under this section, unless these persons also receive Temporary Assistance for Needy Families or United States Supplemental Security Income benefits.

3. Benefits authorized. The scope of medical assistance to be provided within this section ~~shall~~ **must** be that authorized by the Federal Sixth Omnibus Budget Reconciliation Act, Public Law 99-509.

4. Transitional Medicaid. The department shall administer a program of transitional Medicaid to families receiving benefits under Section 1931 of the federal Social Security Act in accordance with 42 United States Code, Section 1396r-6 and this subsection. The amount, duration and scope of services provided under this subsection must be the same as that provided to a parent or caretaker relative of a child described in subsection 1, paragraph B or D.

A. The department shall provide transitional Medicaid for a 12-month extension period in accordance with 42 United States Code, Section 1396r-6, Subsection (a), Paragraph (5) to families whose eligibility for Medicaid assistance terminated due to an increase in earned income, an increase in hours of employment or a loss of a time-limited earnings disregard.

B. The department shall provide transitional Medicaid for 4 months to families whose eligibility for Medicaid assistance terminated due to an

increase in the amount of child support received by the family.

Sec. 3. 22 MRSA §3762, sub-§3, ¶B, as amended by PL 2017, c. 256, §1; c. 284, Pt. NNNNNNN, §10; c. 290, §1; and c. 412, §2, is further amended to read:

B. The department may use funds, insofar as resources permit, provided under and in accordance with the United States Social Security Act or state funds appropriated for this purpose or a combination of state and federal funds to provide assistance to families under this chapter. In addition to assistance for families described in this subsection, funds must be expended for the following purposes:

(1) To continue the pass-through of the first \$50 per month of current child support collections and the exclusion of the \$50 pass-through from the budget tests and benefit calculations;

(2) To provide financial assistance to noncitizens legally admitted to the United States who are receiving assistance under this subsection as of July 1, 2011. Recipients of assistance under this subparagraph are limited to the categories of noncitizens who would be eligible for the TANF programs but for their status as aliens under PRWORA. Eligibility for the TANF program for these categories of noncitizens must be determined using the criteria applicable to other recipients of assistance from the TANF program. Any household receiving assistance as of July 1, 2011 may continue to receive assistance, as long as that household remains eligible, without regard to interruptions in coverage or gaps in eligibility for service. A noncitizen legally admitted to the United States who is neither receiving assistance on July 1, 2011 nor has an application pending for assistance on July 1, 2011 that is later approved is not eligible for financial assistance through a state-funded program unless that noncitizen is:

(a) Elderly or disabled, as described under the laws governing supplemental security income in 42 United States Code, Sections 1381 to 1383f(2010);

(b) A victim of domestic violence;

(c) Experiencing other hardship, such as time necessary to obtain proper work documentation, as defined by the department by rule. Rules adopted by the department under this division are routine technical rules as defined by Title 5, chapter 375, subchapter 2-A; or

(d) Unemployed but has obtained proper work documentation, as defined by the department by rule. Rules adopted by the department under this division are routine technical rules as defined by Title 5, chapter 375, subchapter 2-A;

(3) To provide benefits to 2-parent families with children using the same eligibility requirements as apply to families headed by a single custodial parent or caretaker relative;

(4) To provide an assistance program for needy children, 19 to 21 years of age, who are in full-time attendance in secondary school. The program is operated for those individuals who qualify for TANF under the United States Social Security Act, except that they fail to meet the age requirement, and is also operated for the parent or caretaker relative of those individuals. Except for the age requirement, all provisions of TANF, including the standard of need and the amount of assistance, apply to the program established pursuant to this subparagraph;

(5) To provide assistance for a pregnant woman who is otherwise eligible for assistance under this chapter, except that she has no dependents under 19 years of age. An individual is eligible for the monthly benefit for one eligible person if the medically substantiated expected date of the birth of her child is not more than 90 days following the date the benefit is received;

(6) To provide a special housing allowance for TANF families whose shelter expenses for rent, mortgage or similar payments, homeowners insurance and property taxes equal or exceed 50% of their monthly income. The special housing allowance is limited to \$300 per month for each family. For purposes of this subparagraph, "monthly income" means the total of the TANF monthly benefit and all income countable under the TANF program, plus child support received by the family, excluding the \$50 pass-through payment;

(7) In determining benefit levels for TANF recipients who have earnings from employment, the department shall disregard from monthly earnings the following:

(a) One hundred and eight dollars;

(b) Fifty percent of the remaining earnings that are less than the federal poverty level; and

(c) All actual child care costs necessary for work, except that the department may

limit the child care disregard to \$175 per month per child or \$200 per month per child under 2 years of age or with special needs;

~~(7-A) In determining eligibility and benefit levels, the department may apply a gross income test only to applicants and not to recipients;~~

(7-C) In determining financial eligibility and benefit levels for TANF applicants and TANF recipients, the department shall deduct the income less any applicable income disregards from the standard of need and may not apply any other income test;

(8) In cases when the TANF recipient has no child care cost, the monthly TANF benefit is the maximum payment level or the difference between the countable earnings and the standard of need established by rule adopted by the department, whichever is lower;

(9) In cases when the TANF recipient has child care costs, the department shall determine a total benefit package, including TANF cash assistance, determined in accordance with subparagraph (7) and additional child care assistance, as provided by rule, necessary to cover the TANF recipient's actual child care costs up to the maximum amount specified in section 3782-A, subsection 5, paragraph B. The benefit amount must be paid as provided in this subparagraph.

(a) Before the first month in which child care assistance is available to an ASPIRE-TANF recipient under this paragraph and periodically thereafter, the department shall notify the recipient of the total benefit package and the following options of the recipient: to receive the total benefit package directly; or to have the department pay the recipient's child care assistance directly to the designated child care provider for the recipient and pay the balance of the total benefit package to the recipient.

(b) If an ASPIRE-TANF recipient notifies the department that the recipient chooses to receive the child care assistance directly, the department shall pay the total benefit package to the recipient.

(c) If an ASPIRE-TANF recipient does not respond or notifies the department of the choice to have the child care assistance paid directly to the child care provider from the total benefit package, the department shall pay the child care assistance directly to the designated child care

provider for the recipient. The department shall pay the balance of the total benefit package to the recipient;

(10) Child care assistance under this paragraph must be paid by the department in a prompt manner that permits an ASPIRE-TANF recipient to access child care necessary for work; and

(11) The department shall adopt rules pursuant to Title 5, chapter 375 to implement this subsection. Rules adopted pursuant to this subparagraph are routine technical rules as defined in Title 5, chapter 375, subchapter 2-A.

Sec. 4. 22 MRSA §3762, sub-§8, ¶A, as amended by PL 1999, c. 731, Pt. OO, §2, is repealed.

Sec. 5. 22 MRSA §3769-B, as amended by PL 1999, c. 401, Pt. S, §4, is repealed.

Sec. 6. 22 MRSA §3790, sub-§§3-A and 3-B are enacted to read:

3-A. Coordination with state educational institutions and programs. The department shall deem a referral from an educational institution or program that is part of the University of Maine System; the Maine Community College System; Jobs for Maine's Graduates, established in Title 20-A, chapter 226; an adult education program established in Title 20-A, chapter 315; or the career centers established by the Department of Labor as an application for the Parents as Scholars Program as long as, in accordance with department rules, it is submitted by a qualified person at the institution or program on a form provided by the department for this purpose and signed by the prospective student expressing a desire to enroll in the Parents as Scholars Program. The department shall notify these institutions and programs of the opportunity to refer prospective students in accordance with this subsection and make available to prospective students and these institutions and programs referral forms to serve as an application for purposes of this subsection.

3-B. Campus-based student support and navigation; working group. The commissioner or the commissioner's designee shall convene a working group to make recommendations to the department regarding the most effective means to establish or supplement personalized professional guidance, support and navigation services for participants in the Parents as Scholars Program in order to promote program completion and student success. The working group includes the Chancellor of the University of Maine System or the chancellor's designees; the President of the Maine Community College System or the president's designees; members of advocacy or other organizations with expertise in policy related to supports and other assistance needed to help adults with low incomes successfully achieve higher education creden-

tials or degrees; low-income students currently or previously enrolled in the University of Maine System or Maine Community College System; and other members determined appropriate by the commissioner. The working group shall also make recommendations to the department as to how the department may best contribute, through administration of the Parents as Scholars Program and the Higher Opportunity for Pathways to Employment Program established under chapter 1054-C, to the goal established in Title 26, section 2006, subsection 1, paragraph K. The department shall provide up to \$250,000 annually to educational institutions or programs identified under subsection 3-A to implement services identified to achieve the purposes under this section. These funds must be provided under the TANF block grant available under Title IV-A of the United States Social Security Act. The commissioner or the commissioner's designee shall convene the first meeting of the working group no later than November 1, 2019.

Sec. 7. Working group to improve performance of Department of Health and Human Services programs and systems to alleviate poverty, food insecurity and hardship. The Commissioner of Health and Human Services or the commissioner's designee shall convene a working group to review and make recommendations to improve the operations of systems and programs administered by the Department of Health and Human Services providing services to persons in need. The commissioner or the commissioner's designee shall convene the first meeting of the working group no later than November 1, 2019.

1. Members. The working group consists of at least 12 members, in addition to department staff as the commissioner determines appropriate, including persons that now receive or previously received assistance from department core safety net programs; members of advocacy organizations with expertise in policy or legal matters related to programs administered by the department; providers of health care or social services serving persons receiving assistance from the department; and persons with technological expertise who could assist with recommendations related to creating efficiencies in program enrollment, recertification and improved program integration. The working group may create subgroups to work on specific issues or initiatives and may include persons who are not working group members.

2. Duties. In developing its recommendations under this section, the working group shall:

A. Review opportunities to simplify operations and improve business processes that facilitate cross-enrollment and linkages connecting eligible persons enrolled in one program to other core services available to them related to health care, nutrition and help meeting basic needs;

B. Examine the potential for improved electronic data sharing between department programs to streamline and promote efficiencies in verification processes required for eligibility and recertification determinations;

C. Review state policy and procedural options available under federal law to improve or increase access to services to reduce food insecurity and improve the health and well-being of persons in the State living in poverty;

D. Investigate ways to transform the department into a more holistic and person-centered and better coordinated human services system with an approach that puts the varying needs of persons and families first and ensures more efficient access, clarity of information and respectful interactions;

E. Determine the extent to which the department could facilitate enrollment for families and persons receiving its services in programs administered by other agencies of State Government, including low-income home energy assistance benefits and the property tax fairness credit under the Maine Revised Statutes, Title 36, section 5219-KK; and

F. Make recommendations related to improvement targets for reduced levels of poverty and food insecurity and improved health outcomes to be considered by the department as it establishes improvement targets pursuant to the Maine Revised Statutes, Title 22, section 3109, subsection 3.

3. Report. No later than February 15, 2020, the Commissioner of Health and Human Services shall submit a report including the recommendations developed pursuant to this section, including any suggested legislation, to the Joint Standing Committee on Appropriations and Financial Affairs and the Joint Standing Committee on Health and Human Services.

Sec. 8. Funding. Any additional costs to the State resulting from the implementation of this Act must be paid from funds provided to the Department of Health and Human Services under the Temporary Assistance for Needy Families block grant available under Title IV-A of the United States Social Security Act or from resources representing the State's maintenance of effort in order to qualify for federal funds and may not result in an additional net cost to the General Fund.

**CHAPTER 486
S.P. 52 - L.D. 165**

An Act To Prohibit the Use of Handheld Phones and Devices While Driving

Be it enacted by the People of the State of Maine as follows:

Sec. 1. 4 MRSA §20, as amended by PL 2011, c. 131, §1, is further amended to read:

§20. Provide for collection of fines and fees from money collected

The Chief Justice of the Supreme Judicial Court shall plan and implement arrangements for the collection of overdue fines and fees due the state courts, the costs of which may be paid from money collected. These arrangements may include but are not limited to: Employing special project clerks, assistants and other staff; contracting with state agencies; contracting for special or private debt collection services; purchasing necessary equipment; and compensating state, county and municipal law enforcement agencies for services provided.

The Chief Justice of the Supreme Judicial Court may implement arrangements for the use of fines and fees collected under Title 29-A, section 2121 to pay the costs of processing traffic violations under that section and handling the fines or fees. These arrangements may include employing an assistant clerk.

Sec. 2. 23 MRSA §4210-G is enacted to read:
§4210-G. Supplemental Transportation Fund

1. Fund created. The Supplemental Transportation Fund, referred to in this section as "the fund," is established as a nonlapsing fund in the Department of Transportation.

2. Use of funds. Money deposited into the fund may be used by the Department of Transportation for transportation-related projects and services.

3. Source of funds. Money deposited in the fund includes, but is not limited to, fine revenue transferred into the fund pursuant to Title 29-A, section 2121, subsection 4. The Supplemental Transportation Fund may accept funds from other sources.

Sec. 3. 29-A MRSA §101, sub-§§26-C, 35-B and 80-B are enacted to read:

26-C. Handheld electronic device. "Handheld electronic device" means any handheld electronic device or portable electronic device that is not part of the operating equipment of the motor vehicle, including but not limited to an electronic game, a device for sending or receiving electronic mail, a text messaging device or a computer. "Handheld electronic device" does not include a:

A. Device for communication over a citizens band radio service as defined in 47 Code of Federal Regulations, Section 95.303, the multi-use radio service as defined in 47 Code of Federal Regulations, Section 95.2703 or a land mobile radio service as defined in 47 Code of Federal Regulations, Section 90.7; or

B. Personal medical device necessary to monitor or regulate a person's medical condition, including but not limited to an insulin pump or heart monitor.

35-B. Mobile telephone. "Mobile telephone" means a device used to access a wireless telephone service.

80-B. Text messaging. "Text messaging" means reading or manually composing electronic communications, including text messages, instant messages and electronic mail, using a handheld electronic device. "Text messaging" does not include using a global positioning or navigation system.

Sec. 4. 29-A MRSA §1304, sub-§1, ¶I, as amended by PL 2015, c. 113, §1, is further amended to read:

I. A person who has been issued a learner's permit may not operate a motor vehicle on a public way while using, manipulating, talking into or otherwise interacting with a handheld electronic device or mobile telephone, including but not limited to when the motor vehicle is temporarily stationary because of traffic, a traffic light or a stop sign. For the purpose of this paragraph, the following terms have the following meanings:

A person who has been issued a learner's permit may use, manipulate, talk into or otherwise interact with a handheld electronic device or mobile telephone while in the operator's seat of a motor vehicle if the person has pulled the motor vehicle over to the side of, or off, a public way and has halted in a location where the motor vehicle can safely remain stationary.

(1) "Handheld electronic device" means any handheld electronic device that is not part of the operating equipment of the motor vehicle, including but not limited to an electronic game, device for sending or receiving electronic mail, text messaging device or computer.

(2) "Mobile telephone" means a device used to access a wireless telephone service.

(3) "Operate" means driving a motor vehicle on a public way with the motor running, including while temporarily stationary because of traffic, a traffic light or a stop sign or otherwise stationary. "Operate" does not include operating a motor vehicle with or without the

motor running when the operator has pulled the motor vehicle over to the side of, or off, a public way and has halted in a location where the motor vehicle can safely remain stationary.

(4) "Using" means manipulating, talking into or otherwise interacting with a mobile telephone or handheld electronic device.

A person who violates this paragraph commits a traffic infraction.

Sec. 5. 29-A MRSA §1311, sub-§1, ¶C, as amended by PL 2015, c. 113, §2, is further amended to read:

C. Operate a motor vehicle on a public way while using, manipulating, talking into or otherwise interacting with a handheld electronic device or mobile telephone, including but not limited to when the motor vehicle is temporarily stationary because of traffic, a traffic light or a stop sign.

A person under 18 years of age who has been issued a driver's license may use, manipulate, talk into or otherwise interact with a handheld electronic device or mobile telephone while in the operator's seat of a motor vehicle if the person has pulled the motor vehicle over to the side of, or off, a public way and has halted in a location where the motor vehicle can safely remain stationary.

For the purpose of this paragraph, the following terms have the following meanings:

(1) "Handheld electronic device" means any handheld electronic device that is not part of the operating equipment of the motor vehicle, including but not limited to an electronic game, device for sending or receiving electronic mail, text messaging device or computer.

(2) "Mobile telephone" means a device used to access a wireless telephone service.

(3) "Operate" means driving a motor vehicle on a public way with the motor running, including while temporarily stationary because of traffic, a traffic light or a stop sign or otherwise stationary. "Operate" does not include operating a motor vehicle with or without the motor running when the operator has pulled the motor vehicle over to the side of, or off, a public way and has halted in a location where the motor vehicle can safely remain stationary.

(4) "Using" means manipulating, talking into or otherwise interacting with a mobile telephone or handheld electronic device.

Sec. 6. 29-A MRSA §1311, sub-§2, as amended by PL 2011, c. 654, §3, is further amended to read:

2. Period of restrictions. ~~Except as provided in section 2116 and subject~~ Subject to extension pursuant to subsection 3, the license restrictions in subsection 1 are in effect for a period of 270 days from license issuance. The period of license restrictions may extend beyond the person's 18th birthday.

Sec. 7. 29-A MRSA §1551, sub-§11-A, as enacted by PL 2013, c. 72, §4, is amended to read:

11-A. Portable electronic device. "Portable electronic device" means an electronic device that is portable in nature, including but not limited to a device for sending or receiving e-mail, a text messaging device, a ~~cellular~~ mobile telephone and a computer.

Sec. 8. 29-A MRSA §2116, as amended by PL 2015, c. 113, §§4 and 5, is repealed.

Sec. 9. 29-A MRSA §2119, as amended by PL 2013, c. 188, §1 and c. 381, Pt. B, §28, is further amended to read:

§2119. Text messaging while operating motor vehicle; prohibition

1. Definitions. ~~As used in this section, unless the context otherwise indicates, the following terms have the following meanings.~~

A. ~~"Cellular telephone" means a device used to access wireless telephone service.~~

B. ~~"Portable electronic device" means any portable electronic device that is not part of the operating equipment of a motor vehicle, including but not limited to an electronic game, device for sending or receiving e-mail, text messaging device, cellular telephone and computer.~~

C. ~~"Text messaging" means reading or manually composing electronic communications, including text messages, instant messages and e-mails, using a portable electronic device. "Text messaging" does not include using a global positioning or navigation system.~~

D. ~~"Operate" means driving a motor vehicle on a public way with the motor running, including while temporarily stationary because of traffic, a traffic light or a stop sign or otherwise stationary. "Operate" does not include operating a motor vehicle with or without the motor running when the operator has pulled the motor vehicle over to the side of, or off, a public way and has halted in a location where the motor vehicle can safely remain stationary.~~

2. Prohibition. A person may not operate a motor vehicle on a public way while engaging in text messaging, including but not limited to when the mo-

tor vehicle is temporarily stationary because of traffic, a traffic light or a stop sign.

A person may engage in text messaging while in the operator's seat of a motor vehicle if the person has pulled the motor vehicle over to the side of, or off, a public way and has halted in a location where the motor vehicle can safely remain stationary.

Nothing in this section prohibits a person employed as a commercial driver or a school bus driver from using a handheld electronic device or mobile telephone within the scope of the person's employment as permitted under Federal Motor Carrier Safety Administration regulations.

3. Penalties. The following penalties apply to a violation of this section.

A. A person who violates this section commits a traffic infraction for which a fine of not less than \$250 may be adjudged.

B. A person who violates this section after previously having been adjudicated as violating this section within a 3-year period commits a traffic infraction for which a fine of not less than \$500 may be adjudged, and the Secretary of State shall suspend the license of that person without right to hearing. The minimum periods of license suspension are:

- (1) Thirty days, if the person has 2 adjudications for a violation of this section within a 3-year period;
- (2) Sixty days, if the person has 3 adjudications for a violation of this section within a 3-year period; and
- (3) Ninety days, if the person has 4 or more adjudications for a violation of this section within a 3-year period.

For the purposes of this paragraph, an adjudication has occurred within a 3-year period if the date of the new conduct is within 3 years of the date of a docket entry of adjudication of a violation of this section.

Sec. 10. 29-A MRSA §2121 is enacted to read:

§2121. Use of mobile telephones and handheld electronic devices while operating motor vehicles prohibited

1. Prohibition. A person may not operate a motor vehicle on a public way while using, manipulating, talking into or otherwise interacting with a handheld electronic device or mobile telephone, including but not limited to the use of a handheld electronic device or mobile telephone while the vehicle is temporarily stationary because of traffic, a traffic light or a stop sign, unless:

A. The person, other than a person who is operating with a learner's permit issued pursuant to section 1304, is using a mobile telephone or handheld electronic device in order to communicate with law enforcement or emergency services personnel under emergency circumstances. For the purposes of this paragraph, "emergency circumstances" means circumstances in which there is an immediate threat to the health or well-being of any person;

B. The person is using a mobile telephone or handheld electronic device in hands-free mode as permitted under subsection 2; or

C. The person is employed as a commercial driver or a school bus driver and is using a handheld electronic device or mobile telephone within the scope of the person's employment as permitted under Federal Motor Carrier Safety Administration regulations.

A person who has pulled a motor vehicle to the side of, or off, a public way and has halted in a location where the motor vehicle can safely remain stationary may use, manipulate, talk into or otherwise interact with a handheld electronic device or mobile telephone.

2. Hands-free mode. A person who has attained 18 years of age and is not operating with an intermediate license issued pursuant to section 1311 or a learner's permit issued pursuant to section 1304 may use a mobile telephone or handheld electronic device while operating a motor vehicle if the mobile telephone or handheld electronic device is being used in hands-free mode.

The operator of a motor vehicle may use a hand to activate or deactivate a feature or function of a mobile telephone or handheld electronic device that is in hands-free mode and mounted or affixed to the vehicle in a location that does not interfere with the operator's view of the road if the feature or function activated requires only a single swipe, tap or push of the operator's finger.

For the purposes of this section, "hands-free mode" means the manner of use of a mobile telephone or handheld electronic device without use of either hand by employing an internal feature of, or an attachment to, the telephone or device.

3. Penalty. A person who violates this section commits a traffic infraction for which a fine of not less than \$50 for the first offense and not less than \$250 for a 2nd or subsequent offense may be adjudged.

4. Supplemental Transportation Fund. All fines collected under this section, other than amounts paid pursuant to Title 4, section 20, must be deposited into the Supplemental Transportation Fund established under Title 23, section 4210-G.

Nothing in this section requires the deposit into the Supplemental Transportation Fund of any penalty or surcharge imposed by a court, including but not limited to a surcharge imposed pursuant to Title 4, section 18-A or 1057.

Sec. 11. Appropriations and allocations.

The following appropriations and allocations are made.

An Act To Strengthen Brain Injury Resources for Underserved Populations, Including Opioid Overdose Brain Injury Survivors

Be it enacted by the People of the State of Maine as follows:

Sec. 1. 22 MRSA §3088-A is enacted to read:

§3088-A. Support for underserved populations

Within the limits of its available resources, the department may enter into contracts with organizations representing individuals with a brain injury and their families, bringing together state and national expertise to provide core brain injury support for underserved populations of individuals with an acquired brain injury, including, but not limited to, individuals who experienced an opioid drug overdose resulting in anoxic or hypoxic brain injury, who are veterans, who are victims of domestic violence, who are experiencing homelessness, who are ineligible for MaineCare and who have a newly acquired brain injury. For the purposes of this section, "core brain injury support" includes, but is not limited to, resource facilitation, brain injury support groups, outreach designed for individuals who have a newly acquired brain injury, access to a joint state and national helpline, information and resource education and family caregiver training. The department may adopt rules to implement this section. Rules adopted pursuant to this section are routine technical rules as defined in Title 5, chapter 375, subchapter 2-A.

An Act Regarding Portable Electronic Device Content, Location Information and Tracking Devices

Be it enacted by the People of the State of Maine as follows:

Sec. 1. 15 MRSA §56, sub-§1, ¶A, as enacted by PL 2017, c. 144, §3, is amended to read:

A. "Adverse result" means:

- (1) Immediate danger of death or serious physical injury to any person;
- (2) Flight from prosecution;

- (3) Destruction of or tampering with evidence;
- (4) Intimidation of a potential witness;
- (5) ~~Potentially~~ Seriously jeopardizing an investigation; ~~or~~
- (6) Undue delay of a trial; ~~or~~
- ~~(7) Other significantly detrimental consequence.~~

Sec. 2. 15 MRSA §56, sub-§4, as enacted by PL 2017, c. 144, §3, is amended to read:

4. Application for expedited production of records. Notwithstanding the 14-day period specified in subsection 2 or 3 for production of the records, if an applicant for a search warrant believes that delaying production is reasonably likely to cause an adverse result, the applicant may request that the court require the production of the records sooner than 14 days after service pursuant to this subsection.

A. The applicant shall demonstrate to the court the specific adverse result or results, as specified in subsection 1, paragraph A, subparagraphs (1) to ~~(7)~~ (6), that delaying production for 14 days is reasonably likely to cause.

B. If the court finds that the delay may cause an adverse result, the court shall state the adverse result specified in subsection 1, paragraph A, subparagraphs (1) to ~~(7)~~ (6) and may require the provider to produce the records in a specified number of days.

C. If the court specifies that the provider has less than 14 days to produce the record and the adverse result finding is listed in subsection 1, paragraph A, subparagraphs (1) to (4), the provider must respond within the time specified by the court.

D. If the court specifies that the provider has less than 14 days to produce the record and the only adverse result findings are results listed in subsection 1, paragraph A, subparagraphs (5) to ~~(7)~~ (6), the provider must notify the law enforcement officer serving the warrant that compliance within that period specified by the court is not practicable and must state the date within 14 days from service by which the provider will respond. The law enforcement officer shall file the provider's response with the court, and, upon a demonstration of good cause by the provider, the response period may be extended by the court to no more than 14 days from the date of service of the warrant. As used in this paragraph, good cause includes, but is not limited to, impracticability of timely response, difficulty of identifying and retrieving the data requested and the volume of data or number of sources sought.

Sec. 3. 16 MRSA c. 3, sub-c. 9-A is enacted to read:

SUBCHAPTER 9-A

TRACKING DEVICE INFORMATION

§638. Definitions

As used in this subchapter, unless the context otherwise indicates, the following terms have the following meanings.

1. Adverse result. "Adverse result" means:

A. Immediate danger of death or serious physical injury to any person;

B. Flight from prosecution;

C. Destruction of or tampering with evidence;

D. Intimidation of a potential witness;

E. Seriously jeopardizing an investigation; or

F. Undue delay of a trial.

2. Law enforcement officer. "Law enforcement officer" means any person who by virtue of public employment is vested by law with a duty to maintain public order, to prosecute offenders, to make arrests for crimes, whether that duty extends to all crimes or is limited to specific crimes, or to perform probation functions or who is an adult probation supervisor.

3. Tracking device. "Tracking device" means an electronic or mechanical device the primary purpose of which is to track the movement of a person or object. "Tracking device" does not include devices covered in subchapters 10 and 11.

§639. Authority to install and monitor a tracking device

1. Application. This subchapter only applies to tracking devices that are placed by law enforcement officers.

2. Installation and monitoring. A law enforcement officer may install and monitor a tracking device only in accordance with a valid search warrant issued by a duly authorized justice, judge or justice of the peace using procedures established pursuant to Title 15, section 55 or 56 or as otherwise provided in this subchapter.

3. Authorization of use. A court empowered to issue a search warrant or other order for the installation of a tracking device may authorize the use of that device within the jurisdiction of the court and outside that jurisdiction if the device is installed within the jurisdiction of the court.

4. Time period. A justice, judge or justice of the peace may issue a search warrant authorizing the installation and monitoring of a tracking device pursuant to this section. The warrant must require the installa-

tion of the tracking device within 14 days of the issuance of the warrant and allow the tracking device to be monitored for a period of 30 days following installation. A justice, judge or justice of the peace may grant an extension of the monitoring period for an additional 30 days upon a finding of continuing probable cause.

§640. Notice

1. Service of notice. Unless the court determines under subsection 3 that no notice is required, within 14 calendar days after the use of the tracking device has ended, the law enforcement officer who executed the warrant shall serve a copy of the warrant on the person who was tracked or whose property was tracked. The time period provided in this subsection may be extended for good cause shown.

2. Means of providing notice. The notice required under subsection 1 must be made by:

A. Delivering a copy to the person who was tracked or whose property was tracked;

B. Leaving a copy at the person's residence or usual place of abode with an individual of suitable age and discretion who resides at that location; or

C. Mailing a copy to the person's last known address.

3. Notification not required. A law enforcement officer acting pursuant to section 639 may include in the application for a warrant a request for an order to waive the notification required under this section. The court may issue an order waiving notification if the court determines that there is reason to believe that notification will have an adverse result.

Sec. 4. 16 MRSA §641, sub-§1, as enacted by PL 2013, c. 402, §1, is amended to read:

1. Adverse result. "Adverse result" means:

A. Immediate danger of death or serious physical injury to any person;

B. Flight from prosecution;

C. Destruction of or tampering with evidence;

D. Intimidation of a potential witness;

E. ~~Potentially~~ Seriously jeopardizing an investigation; or

F. Undue delay of a trial; ~~or~~

G. ~~Other significantly detrimental consequence.~~

Sec. 5. 16 MRSA §641, sub-§6, as enacted by PL 2013, c. 402, §1, is amended to read:

6. Portable electronic device. "Portable electronic device" means a ~~portable~~ portable device that is portable and electric that enables access to, or use of, an electronic communication service or remote computing service.

Sec. 6. 16 MRSA §641, sub-§7-A is enacted to read:

7-A. Serious physical injury. "Serious physical injury" means:

A. Bodily injury that creates a substantial risk of death, serious, permanent disfigurement or loss or substantial impairment of the function of a bodily member or organ or extended convalescence for recovery of physical health; or

B. Any harm potentially caused by a violation of Title 17-A, chapter 11 or Title 17-A, section 282, 301, 302 or 303.

Sec. 7. 16 MRSA §643, first ¶, as enacted by PL 2013, c. 402, §1, is amended to read:

Notice must be given to the owner or user of a portable electronic device whose content information was obtained by a government entity. The notice requirements of this section do not apply if the government entity is unable to identify the owner or user of a portable electronic device.

Sec. 8. 16 MRSA §643, sub-§1, as enacted by PL 2013, c. 402, §1, is amended to read:

1. Timing and content of notice. Unless the court determines under subsection 2 that no notice is required, the government entity shall provide notice to the owner or user that content information was obtained by the government entity from ~~that owner's or user's portable electronic device~~ a provider of electronic communication service or remote computing service within 3 days of obtaining the content information. The notice must be made by service or delivered by registered or first-class mail, e-mail or any other means reasonably calculated to be effective as specified by the court issuing the warrant. The notice must contain the following information:

A. The nature of the law enforcement inquiry, with reasonable specificity;

B. The content information of the owner or user that was supplied to or requested by the government entity and the date on which it was provided or requested; and

C. ~~If content information was obtained from a provider of electronic communication service or other 3rd party, the~~ The identity of the provider of electronic communication service or ~~the 3rd party~~ remote computing service from whom the information was obtained.

Sec. 9. 16 MRSA §644, sub-§§1 and 3, as enacted by PL 2013, c. 402, §1, are amended to read:

1. Consent of owner or user. When disclosure of portable electronic device content information is not prohibited by federal law, a government entity may obtain the information without a warrant with the in-

formed, affirmative consent of the owner or user of the portable electronic device concerned, except when the device is known or believed by the owner or user to be in the possession of a 3rd party ~~known to~~ authorized to possess the device by the owner or user.

3. Emergency. When a government entity cannot, with due diligence, obtain a warrant in time to address an emergency that involves or is believed to involve ~~an imminent threat to life or safety~~ danger of death or serious physical injury to any person, a government entity may obtain the content information from a portable electronic device without a warrant, and a provider of electronic communication service or remote computing service may disclose such information to the requesting government entity without a warrant.

Sec. 10. 16 MRSA §647, sub-§1, as reallocated by RR 2013, c. 1, §28, is amended to read:

1. Adverse result. "Adverse result" means:

- A. Immediate danger of death or serious physical injury to any person;
- B. Flight from prosecution;
- C. Destruction of or tampering with evidence;
- D. Intimidation of a potential witness;
- E. ~~Substantially~~ Seriously jeopardizes an investigation; or
- F. Undue delay of a trial.

Sec. 11. 16 MRSA §647, sub-§3, as reallocated by RR 2013, c. 1, §28, is amended to read:

3. Electronic device. "Electronic device" means a device that is electric and that enables access to, or use of, an electronic communication service, remote computing service or location information service.

Sec. 12. 16 MRSA §647, sub-§8-A is enacted to read:

8-A. Serious physical injury. "Serious physical injury" means:

- A. Bodily injury that creates a substantial risk of death, serious, permanent disfigurement or loss or substantial impairment of the function of a bodily member or organ or extended convalescence necessary for recovery of physical health; or
- B. Any harm potentially caused by a violation of Title 17-A, chapter 11 or Title 17-A, section 282, 301, 302 or 303.

Sec. 13. 16 MRSA §648, as amended by PL 2017, c. 144, §5, is further amended by adding at the end a new paragraph to read:

This subchapter does not apply to tracking devices, as defined in section 638, placed by law enforcement officers.

Sec. 14. 16 MRSA §649, sub-§1, ¶C, as reallocated by RR 2013, c. 1, §30, is amended to read:

C. If location information was obtained from a provider of electronic communication service ~~or~~, location information service or remote computing service or other 3rd party, the identity of the provider of electronic communication service ~~or~~, location information service or remote computing service or the 3rd party from whom the information was obtained.

Sec. 15. 16 MRSA §649, sub-§3, as amended by PL 2013, c. 588, Pt. A, §21, is further amended to read:

3. Preclusion of notice to owner or user subject to warrant for location information. A government entity acting under section 648 may include in its application for a warrant a request for an order directing a provider of electronic communication service, remote computing service or location information service to which a warrant is directed not to notify any other person of the existence of the warrant. The court may issue the order if the court determines that there is reason to believe that notification of the existence of the warrant will have an adverse result.

Sec. 16. 16 MRSA §650, sub-§§2 and 4, as reallocated by RR 2013, c. 1, §31, are amended to read:

2. Consent of owner or user. With the informed, affirmative consent of the owner or user of the electronic device concerned, except when the device is known or believed by the owner or user to be in the possession of a 3rd party ~~known to~~ authorized to possess the device by the owner or user;

4. Danger of death or serious injury. If the government entity reasonably believes that an emergency involving ~~immediate~~ imminent danger of death or serious physical injury to a person requires the disclosure, without delay, of location information concerning a specific person and that a warrant cannot be obtained in time to prevent the identified danger, and the possessor of the location information, in good faith, believes that an emergency involving danger of death or serious physical injury to a person requires the disclosure without delay.

Within a reasonable period of time after seeking disclosure pursuant to this subsection, the government entity seeking the location information shall file with the appropriate court a written statement setting forth the facts giving rise to the emergency and the facts as to why the person whose location information was sought is believed to be important in addressing the emergency.

Sec. 17. 16 MRSA §650-A, sub-§1, as reallocated by RR 2013, c. 1, §32, is amended to read:

1. Conditions of use of location information in proceeding. Location information obtained pursuant to this subchapter or evidence derived from that information may be received in evidence or otherwise disclosed in a trial, hearing or other proceeding only if each party, not less than 10 days before the trial, hearing or proceeding, has been furnished with a copy of the statement of emergency filed under section 650, subsection 4 or the warrant and accompanying application under which the information was obtained.

Sec. 18. Right To Know Advisory Committee; warrants for tracking devices and content and location information. The Right To Know Advisory Committee shall review the law concerning the application for and issuance of search warrants authorizing the installation and monitoring of tracking devices and seeking content and location information under the Maine Revised Statutes, Title 16, chapter 3, subchapters 9-A, 10 and 11 and shall make recommendations concerning the public's right to know aggregate information about warrants, including warrants in which the application for the warrant included a request for an order to waive notice of the issuance of the warrant. The Right To Know Advisory Committee shall include in its report submitted by January 15, 2020, pursuant to Title 1, section 411, subsection 10, a summary of its review and any recommendations.

CHAPTER 490

H.P. 487 - L.D. 666

An Act To Protect Pregnant Workers

Be it enacted by the People of the State of Maine as follows:

Sec. 1. 5 MRSA §4553, sub-§8-E is enacted to read:

8-E. Pregnancy-related condition. "Pregnancy-related condition" means a known limitation of an employee's ability to perform the functions of a job due to pregnancy, childbirth or related medical conditions, including but not limited to lactation.

Sec. 2. 5 MRSA §4572-A, as amended by PL 1995, c. 393, §14, is further amended to read:

§4572-A. Unlawful employment discrimination on the basis of sex

1. Sex defined. For the purpose of this Act, the word "sex" includes pregnancy and medical conditions ~~which that~~ result from pregnancy.

2. Pregnant persons who are able to work. It ~~shall be~~ is unlawful employment discrimination in

violation of this Act, except where based on a bona fide occupational qualification, for an employer, employment agency or labor organization to treat a pregnant ~~woman~~ person who is able to work in a different manner from other persons who are able to work.

2-A. Accommodations for pregnancy-related conditions. Accommodations for pregnancy-related conditions are set forth in this subsection.

A. Nothing in this section may be construed to indicate or deem that a pregnancy-related condition necessarily constitutes a disability.

B. It is unlawful employment discrimination in violation of this Act for an employer, employment agency or labor organization to fail upon request to provide a reasonable accommodation to any employee with a pregnancy-related condition, unless the employer, employment agency or labor organization can demonstrate that the accommodation would impose an undue hardship on the operation of the business of the employer, employment agency or labor organization.

C. Reasonable accommodations for a pregnancy-related condition may include, but are not limited to providing more frequent or longer breaks; temporary modification in work schedules, seating or equipment; temporary relief from lifting requirements; temporary transfer to less strenuous or hazardous work; and provisions for lactation in compliance with Title 26, section 604.

3. Pregnant persons who are not able to work. It ~~shall also be~~ is unlawful employment discrimination in violation of this Act, except where based on a bona fide occupational qualification, for an employer, employment agency or labor organization to treat a pregnant ~~woman~~ person who is not able to work because of a disability or illness resulting from pregnancy, or from medical conditions ~~which that~~ result from pregnancy, in a different manner from other employees who are not able to work because of other disabilities or illnesses.

4. Employer not responsible for additional benefits. Nothing in this section may be construed to mean that an employer, employment agency or labor organization is required to provide sick leave, a leave of absence, medical benefits or other benefits to a ~~woman~~ person because of pregnancy or other medical conditions that result from pregnancy, if the employer, employment agency or labor organization does not also provide sick leaves, leaves of absence, medical benefits or other benefits for the employer's other employees and is not otherwise required to provide those leaves or benefits under other state or federal laws. Reasonable accommodations for pregnancy-related conditions are not additional benefits.

CHAPTER 491
H.P. 524 - L.D. 719

**An Act Regarding Adult Use
Marijuana**

Be it enacted by the People of the State of Maine as follows:

Sec. 1. 22 MRSA §2158-B is enacted to read:

**§2158-B. Food, food additives and food products
containing adult use marijuana not
adulterated**

Notwithstanding any provision of law to the contrary, food, food additives or food products that contain adult use marijuana are not considered to be adulterated under this subchapter based solely on the inclusion of adult use marijuana. For the purposes of this section, "adult use marijuana" has the same meaning as in Title 28-B, section 102, subsection 1.

Sec. 2. 28-B MRSA §205, sub-§4, as amended by PL 2019, c. 231, Pt. B, §1, is further amended to read:

4. Issuance of active license upon certification of local authorization and payment of applicable license fee. The Except as otherwise provided in this subsection, the department shall issue an active license to an applicant that has been issued a conditional license pursuant to subsection 3 and that meets all applicable requirements of this subsection. Prior to issuance of an active license pursuant to this subsection, the department shall require an applicant that has been issued a conditional license to submit information necessary for the department to determine that the applicant continues to meet all applicable requirements for conditional licensure under this subchapter. The department may refuse to issue an active license to an applicant if the department determines that the applicant no longer meets all applicable requirements for conditional licensure under this subchapter.

A. Within 10 days of receiving certification of local authorization from a municipality as required by section 402, subsection 3, paragraph B or, in the case of a marijuana establishment to be located in the unorganized and deorganized areas, from the Maine Land Use Planning Commission as required by section 403, subsection 3, paragraphs B and C, the department shall notify the applicant that certification of local authorization has been confirmed and that, in order for the department to issue an active license, the applicant must:

- (1) Pay the applicable license fee required pursuant to section 207;
- (2) Submit a facility plan that specifies the location, size and layout of the marijuana es-

tablishment within the municipality or, in the case of a marijuana establishment to be located in the unorganized and deorganized areas, within the town, plantation or township in which the marijuana establishment will be located;

(3) If the application is for a license to operate a cultivation facility, submit updated operating and cultivation plans as required under section 302 based upon the actual premises to be licensed, except that, if no changes to the original operating and cultivation plans submitted by the applicant are necessary based upon the actual premises to be licensed, then the applicant may satisfy this requirement by resubmitting the original operating and cultivation plans and noting on those plans that no changes are necessary;

(4) If the application is for any license except a license to operate a testing facility, register with the State Tax Assessor pursuant to Title 36, section 1754-B to collect and remit the sales tax on the sale of adult use marijuana and adult use marijuana products imposed under Title 36, section 1811; and

(5) If the application is for a license to operate a cultivation facility, register with the State Tax Assessor pursuant to Title 36, section 4922 to collect and remit the excise tax on the sale of adult use marijuana imposed under Title 36, chapter 723.

B. The department shall prepare and furnish to applicants, municipalities and the Maine Land Use Planning Commission a certification form by which the municipality may certify to the department that the applicant has obtained local authorization as required by section 402, subsection 3, paragraph B or, in the case of a marijuana establishment to be located in the unorganized and deorganized areas, the Maine Land Use Planning Commission may certify to the department that the applicant has obtained local authorization as required by section 403, subsection 3, paragraphs B and C.

C. Upon receipt of payment of the applicable license fee and any other documentation required under paragraph A, the department shall issue an active license to the applicant. The license must specify the date of issuance of the license, the period of licensure, the date of expiration of the license, the name of the licensee and the address of the licensed premises.

Sec. 3. 28-B MRSA §503, sub-§10, as enacted by PL 2017, c. 409, Pt. A, §6, is amended to read:

10. Rules. The department shall adopt rules regarding the provisional licensure, licensure, certifica-

tion and accreditation of testing facilities and the testing of marijuana and marijuana products by testing facilities pursuant to this chapter, including, but not limited to, rules establishing acceptable testing and research practices for testing facilities, including, but not limited to, provisions relating to testing practices, methods and standards; remediation and retesting procedures; quality control analysis; equipment certification and calibration; chemical identification; testing facility record-keeping, documentation and business practices; disposal of used, unused and waste marijuana and marijuana products; and reporting of test results. Rules adopted pursuant to this section are routine technical rules as defined in Title 5, chapter 375, subchapter 2-A.

Sec. 4. 28-B MRSA §510, as enacted by PL 2017, c. 409, Pt. A, §6, is amended to read:

§510. Limited access areas

~~A Except as provided in subsection 1, a person may not enter or remain in any limited access area unless the person displays an individual identification card issued by the department pursuant to section 106. A licensee shall ensure that all areas of ingress and egress to limited access areas within its licensed premises are conspicuously marked and that a person is not allowed to enter or remain in any limited access area without displaying the person's individual identification card issued by the department pursuant to section 106.~~

1. Contractors. A licensee may allow a person to enter or remain in any limited access area without displaying an individual identification card if the person is a contractor of the licensee, including, but not limited to, an electrician, a plumber, an engineer or an alarm technician, whose scope of work will not involve the handling of marijuana or marijuana products; the person signs a visitor entry log provided and maintained by the licensee and is issued a visitor identification badge by the licensee; and, if the person is working in a limited access area with immediate access to marijuana or marijuana products, the person is supervised at all times by the licensee or an employee of the licensee.

2. Licensee compliance. A licensee shall ensure that all areas of ingress to and egress from limited access areas within its licensed premises are conspicuously marked and that a person is not allowed to enter or remain in any limited access area without displaying the person's individual identification card issued by the department pursuant to section 106.

Sec. 5. 28-B MRSA §703, sub-§1, ¶D, as enacted by PL 2017, c. 409, Pt. A, §6, is amended to read:

D. Must have a universal symbol stamped or embossed on each serving of the product, except that the department may determine by rule that, for a

particular type of product, such stamping or embossing is impracticable and is not required;

Sec. 6. 28-B MRSA §803-A is enacted to read:

§803-A. Administrative holds

In accordance with the provisions of this section, the department may impose an administrative hold on a licensee if, as a result of an inspection or investigation of the licensee by the department or a criminal justice agency, the department determines there are reasonable grounds to believe the licensee or an agent or employee of the licensee has committed or is committing a violation of the provisions of this chapter, the rules adopted pursuant to this chapter or the terms, conditions or provisions of the licensee's license.

1. Notice. The department shall provide to a licensee subject to an administrative hold notice of the imposition of that hold, which must:

A. Include a concise statement of the basis for the administrative hold;

B. Detail the marijuana, marijuana products or marijuana plants subject to the administrative hold;

C. Describe any operational restrictions to be placed on the licensee's license during the duration of the administrative hold; and

D. Indicate actions that must be taken by the licensee as a result of the administrative hold.

An administrative hold takes effect at the time that the notice under this subsection is provided by the department to the licensee.

2. Licensee actions. A licensee subject to an administrative hold must physically segregate in a limited access area any marijuana, marijuana products or marijuana plants subject to the hold, as detailed in the notice under subsection 1, from any other marijuana, marijuana products or marijuana plants not subject to the hold. For the duration of the administrative hold, the licensee may not sell, give away, transfer, transport, dispose of or destroy any marijuana, marijuana products or marijuana plants subject to the hold, but may, as applicable, cultivate, harvest, manufacture or otherwise maintain the marijuana, marijuana products or marijuana plants subject to the hold unless specifically restricted by the department from engaging in such activities pursuant to subsection 1, paragraph C.

3. Operational responsibilities and restrictions. A licensee subject to an administrative hold shall, for the duration of the hold, maintain the licensee's licensed premises and otherwise continue to operate the licensee's licensed marijuana establishment in accordance with the provisions of this chapter, the rules adopted pursuant to this chapter and the terms, condi-

tions or provisions of the licensee's license and the provisions of the administrative hold. Except as specifically restricted by the department pursuant to a notice under subsection 1, the licensee may, for the duration of the administrative hold and as applicable to the licensee's license type, cultivate, manufacture, test or sell any marijuana, marijuana products or marijuana plants not subject to the administrative hold.

4. Termination; duration. The department may terminate an administrative hold at any time following the imposition of the hold, except that a hold under this section may not be imposed for a period exceeding 30 consecutive days from the date notice is provided to the licensee in accordance with subsection 1. Notice of termination of an administrative hold must be provided by the department to the licensee subject to the hold.

5. Department action; administrative hold not required prior to imposition of penalty. Subsequent to the termination of an administrative hold under subsection 4, the department, in accordance with the applicable provisions of this subchapter and the rules adopted pursuant to this subchapter, may impose a monetary penalty on the licensee that was subject to the hold or suspend or revoke the licensee's license for a violation of the provisions of this chapter, the rules adopted pursuant to this chapter or the terms, conditions or provisions of the licensee's license.

The department is not required to impose an administrative hold on a licensee prior to imposing a monetary penalty on a licensee or suspending or revoking the licensee's license in accordance with the applicable provisions of this subchapter and the rules adopted pursuant to this subchapter for a violation of the provisions of this chapter, the rules adopted pursuant to this chapter or the terms, conditions or provisions of the licensee's license.

Sec. 7. 28-B MRSA §804, as enacted by PL 2017, c. 409, Pt. A, §6, is amended to read:

§804. Rules

The department shall adopt rules governing the imposition of administrative holds, monetary penalties, suspensions and revocations under this subchapter, which must include, but are not limited to, provisions relating to notice and conduct of hearings consistent with the Maine Administrative Procedure Act and provisions relating to the disposition of unauthorized marijuana and marijuana products of a licensee.

Sec. 8. Department of Administrative and Financial Services, office of marijuana policy; approval of final adoption. Final adoption of Chapter 1: Adult Use Marijuana Program, a provisionally adopted major substantive rule of the Department of Administrative and Financial Services, office of marijuana policy that was submitted to the Legislature for review pursuant to the Maine Revised Statutes,

Title 5, chapter 375, subchapter 2-A outside the legislative rule acceptance period, is authorized only if the following changes are made:

1. The rule must be amended in the section labeled "General" to:

A. Clarify in the first paragraph of that section that the rule establishes the requirements for licensure as a marijuana establishment, including the fees, application and licensing processes and requirements for the cultivation, manufacture, testing and sale of adult use marijuana and adult use marijuana products; that the activities described in the rule may be considered a violation of federal law; that persons cultivating, manufacturing, testing, selling, purchasing or otherwise receiving adult use marijuana or adult use marijuana products may be subject to federal sanctions for what may otherwise be considered authorized conduct in the State and that compliance with the rule does not exempt licensees, their employees or customers from possible federal prosecution; and that the department is not responsible or liable for the actions of licensed marijuana establishments under the rule; and

B. Delete the 2nd, 3rd, 4th and 5th paragraphs of that section regarding the availability and location of copies of the Code of Federal Regulations, the Maine Revised Statutes and the Code of Maine Rules;

2. The rule must be amended in section 1.1 to clarify that the department, acting through its office of marijuana policy, has developed the following rule in accordance with the statutory authority provided in Title 28-B, section 104 for the purpose of implementing, administering and enforcing the provisions of Title 28-B, chapter 1;

3. The rule must be amended, as necessary, in sections 1.3(1), 2.4.7, 2.4.9(B)(2), 12.1.3, 12.2.2(B)(1) and 12.2.3(B)(15) and any other relevant sections to substitute for the broad reference to the Maine Revised Statutes a reference to Title 28-B specifically;

4. The rule must be amended in section 1.3(4) to delete the definition for "age restricted retail area." The rule must be amended, as necessary, in sections 2.2.1(C)(6), 2.4.7(A), 3.2, 3.3.4(A), 3.4.1(C)(5), 3.6.4(E) and 3.9.4(A) and any other relevant sections to incorporate that deletion and to otherwise provide that, consistent with Title 28-B, section 507, the entry of persons under 21 years of age into the licensed premises of a marijuana establishment is prohibited;

5. The rule must be amended in sections 1.3(5), 1.3(14) and 1.3(58) to delete definitions for "analytical batch," "commissioner" and "nursery plant canopy";

6. The rule must be amended in sections 1.3(16), 1.3(33), 2.3.1(D)(1) and 12.1.3 and any other relevant

sections to delete references to the phrase "the rules adopted pursuant to this chapter." The rule must be amended as necessary and where appropriate to substitute for the term "this chapter" the term "this rule";

7. The rule must be amended in section 1.3(29) to define the term "inherently hazardous substance," consistent with the statutory definition in Title 28-B, section 102, subsection 20, rather than the term "inherently hazardous materials." The rule must be amended in sections 2.4.9(D) and 2.6.5(A)(1) and any other relevant sections to incorporate that amended definition;

8. The rule must be amended, as necessary, in sections 1.3(35), 2.7.1 and 3.2.3 and any other relevant sections to clarify that, consistent with Title 28-B, section 510, entry into limited access areas is authorized only for persons displaying an individual identification card and for contractors of a licensee and is not authorized for any other persons;

9. The rule must be amended in sections 1.3(37), 2.6.5(A)(3)(a), 3.5.1(C)(3) and 12.2.2(B)(1) and any other relevant sections to reference the Maine Land Use Planning Commission;

10. The rule must be amended, as appropriate, in sections 1.3(40), 3.8.2(A)(1), 3.8.2(B) and 3.8.5(C)(2) and any other relevant sections to substitute for the term "cannabis" the term "marijuana";

11. The rule must be amended in sections 1.3(47) and 1.3(83) to delete definitions for "marijuana items" and "usable marijuana." The rule must be amended, as necessary, in sections 1.3(28), 1.3(65), 3.4.1(E), 3.6.2(D), 3.6.6(E), 3.9.3, 3.9.5, 4.2.2, 4.2.4(B), 5.1(A), 5.2, 8.1, 11.1.1, 11.1.2, 12.2.3(B)(6), 12.5(D) and 12.7(B) and any other relevant sections to substitute for those deleted terms the terms "marijuana," "marijuana concentrate" and "marijuana products," as appropriate, and in a manner consistent with the definitions of those terms in sections 1.3(41), 1.3(42) and 1.3(49);

12. The rule must be amended in section 1.3(51) to define "marijuana trim," consistent with the statutory definition in Title 28-B, section 102, subsection 35, to mean any part of a marijuana plant, whether processed or unprocessed, that is not marijuana flower or a marijuana seed;

13. The rule must be amended in section 1.3(55) to delete the definition for "minor," and the rule must be amended, as necessary, in sections 3.8.2(A), 3.9.3(E), 5.2(A)(1), 5.2(B)(5), 12.2.2(B)(7) and 12.2.3(B)(8) and any other relevant sections to substitute the terms "person under 21 years of age" or "persons under 21 years of age" as appropriate;

14. The rule must be amended in sections 1.3(60), 1.3(61) and 1.3(80) to delete definitions for "other interested parties," "party of control" and "true party of interest." The rule must be amended, as nec-

essary and appropriate, in sections 2.4.2, 2.4.3, 2.5.1, 2.6.5(A)(7), 2.7.2(B), 2.8.3(B), 2.10, 3.1, 12.1.2(D), 12.3.2(A), 12.3.4(A) and 12.3.5(C)(3) and any other relevant sections to substitute for those deleted terms the statutory terminology in Title 28-B, chapter 1, subchapter 2 regarding the characterization of ownership interests, to incorporate the statutory application of the general licensing criteria in Title 28-B, section 202 to the ownership interests in a license, to incorporate the statutory requirements in Title 28-B, section 202 regarding the disclosure of direct and indirect financial interests in a license and to otherwise amend the rule consistent with the characterization of ownership interests in a license in Title 28-B, chapter 1, subchapter 2 and the application of the provisions of Title 28-B, chapter 1, subchapter 2 to those ownership interests;

15. The rule must be amended in section 1.3(63) to define "plant canopy," consistent with the statutory definition in Title 28-B, section 102, subsection 41, to mean the total surface area within the licensed premises of a cultivation facility that is authorized by the department for use at any time by the cultivation facility licensee to cultivate mature marijuana plants. The surface area of the plant canopy must be calculated in square feet and measured using the outside boundaries of the area and must include all of the area within the boundaries. If the surface area of the plant canopy consists of noncontiguous areas, each component area must be separated by identifiable boundaries. If a tiered or shelving system is used by the cultivation facility licensee, the surface area of each tier or shelf must be included in calculating the area of the plant canopy. Calculation of the area of the plant canopy may not include the areas within the licensed premises of a cultivation facility that are used by the licensee to cultivate immature marijuana plants and seedlings and that are not used by the licensee at any time to cultivate mature marijuana plants;

16. The rule must be amended in section 1.3(64) to define "premises" to mean the designated area within a structure or structures and land specified in a license application that is owned, leased or otherwise held under the control of the applicant or licensee where conduct related to the cultivation, manufacture, testing or sale of adult use marijuana and adult use marijuana products occurs. The premises must be a contiguous area and may be occupied by only one marijuana establishment unless otherwise permitted by statute or this rule, except that nothing in this definition may be construed to prohibit the siting of multiple marijuana establishments in the same building or property as long as each marijuana establishment operates in a space physically distinct from any other marijuana establishment;

17. The rule must be amended in 1.3(65) to delete the definition for "process," and the rule must be amended, as necessary, in sections 1.3(35), 2.4.8(B), 2.7.1(A)(1), 2.7.1(C), 3.3.1, 3.3.4, 10, 11.3.2(A)(1),

12.6.1(C) and 12.7(A)(5) and any other relevant sections to substitute the term "cultivation," as appropriate, for the term "process";

18. The rule must be amended in section 1.3(69) to define "provisional license" to mean a license issued by the department pursuant to Title 28-B, section 503, subsection 2, paragraph B, subparagraph (2) that authorizes testing of marijuana and marijuana products by a testing facility that has met all requirements for an active license under this rule and that has applied for but not yet obtained certification, registration or accreditation from an approved organization. The rule must be amended, as necessary, in any other relevant sections to ensure correct use of that defined term;

19. The rule must be amended in section 1.3(70)(a) to substitute for the phrase "This paragraph is repealed effective June 1, 2021" the phrase "This requirement does not apply after May 31, 2021";

20. The rule must be amended in section 1.3 to:

A. Define "certificate of analysis" consistent with the use of that term in sections 3.8.2(F), 3.9.3(Q) and 11;

B. Define "qualifying patient," consistent with the statutory definition in Title 28-B, section 102, subsection 45, to mean a person who possesses a valid certification for the medical use of marijuana pursuant to Title 22, section 2423-B. The rule must be amended, as necessary, in any relevant sections to ensure the correct use of that defined term;

C. Define "registered dispensary," consistent with the statutory definition in Title 28-B, section 102, subsection 46, as having the same meaning as in Title 22, section 2422, subsection 6. The rule must be amended, as necessary, in sections 2.4.4(D), 2.4.8 and 2.4.9 and any other relevant sections to ensure the correct use of that defined term;

D. Define "registered caregiver," consistent with the statutory definition in Title 28-B, section 102, subsection 47, as having the same meaning as in Title 22, section 2422, subsection 11. The rule must be amended, as necessary, in sections 2.4.4(D), 2.4.8 and 2.4.9 and any other relevant sections to ensure the correct use of that defined term; and

E. Define "sample," consistent with the statutory definition in Title 28-B, section 102, subsection 50, to mean:

(1) An amount of marijuana or an amount of a marijuana product provided to a testing facility by a marijuana establishment or other person for testing or research and development purposes in accordance with Title 28-B, chapter 1, subchapter 6;

(2) An amount of adult use marijuana or an amount of an adult use marijuana product collected from a licensee by the department for the purposes of testing the marijuana or marijuana product for product quality control purposes pursuant to Title 28-B, section 512, subsection 2;

(3) An amount of adult use marijuana provided by a cultivation facility to another licensee for business or marketing purposes pursuant to Title 28-B, section 501, subsection 8; or

(4) An amount of adult use marijuana or an amount of an adult use marijuana product provided to another licensee by a products manufacturing facility for business or marketing purposes pursuant to Title 28-B, section 502, subsection 6.

The rule must be amended, as necessary, in any relevant sections to ensure the correct use of that defined term;

21. The rule must be amended in sections 2.1.1, 2.2, 2.4, 3.3.1, 3.9.5, 4.1 and 13 and any other relevant sections to describe "types" of licenses rather than "classes" of licenses;

22. The rule must be amended to delete section 2.1.2 and to amend, as necessary and appropriate, any other sections affected by that deletion;

23. The rule must be amended, as necessary, in sections 2.2.1(C)(7) and 3.9.1(A)(1)(b) to clarify that a nursery cultivation facility, consistent with Title 28-B, section 501, subsection 3, paragraph D, may sell to consumers only immature marijuana plants, seedlings, marijuana seeds and agricultural or gardening supplies relating to the cultivation of marijuana;

24. The rule must be amended, as necessary, in section 2.2.3 and any other relevant sections to clarify that the addition of marijuana to food is not considered adulteration as provided in Title 22, section 2158-B;

25. The rule must be amended, as necessary, in sections 2.2.4 and 3.9 and any other relevant sections to incorporate all statutory prohibitions regarding the items authorized for sale by marijuana stores, and the prohibitions applicable to sales by marijuana stores consistent with Title 28-B, section 504, subsections 1 and 2;

26. The rule must be amended, as necessary, in section 2.3.1(E) and any other relevant sections to substitute for the term "felony" the phrase "a crime punishable by imprisonment for one year or more" and to substitute for the term "misdemeanor" the phrase "a crime punishable by imprisonment for less than one year";

27. The rule must be amended in section 2.3.1(E)(2) and any other relevant sections to clarify

that the applicant shall submit and the department shall consider all applicants' criminal convictions in this State or in another jurisdiction for offenses involving only dishonesty, deception, misappropriation or fraud, but that, consistent with Title 28-B, section 203, subsection 1, any such convictions may not be automatically disqualifying for the purposes of licensure;

28. The rule must be amended, as necessary, in section 2.3.1(E)(7) and (8) and any other relevant sections to clarify that the applicant shall submit and the department shall consider all applicants' tax compliance history, but that, consistent with Title 28-B, section 203, subsection 2, any tax delinquency may not be automatically disqualifying for the purposes of licensure;

29. The rule must be amended in section 2.3.1 to incorporate the statutory requirement in Title 28-B, section 203, subsection 3 that the applicant submit and the department consider information regarding any violations or penalties imposed on the applicant in another jurisdiction regarding the regulated cultivation, manufacture, testing or sale of marijuana or marijuana products, but that any such violations or penalties may not be automatically disqualifying for the purposes of licensure;

30. The rule must be amended, as necessary, in section 2.4.1(B) and any other relevant sections to clarify that a conditional license issued by the department may be used by the applicant to which the license was issued to demonstrate that the applicant has met all applicable requirements for conditional licensure in accordance with Title 28-B, section 205, subsection 3 for the purpose of seeking local authorization;

31. The rule must be amended, as necessary, in section 2.4.3(A)(8) and any other relevant sections to remove authorization for the department to disseminate or disclose criminal history record information obtained through a criminal history record check if requested as part of a law enforcement investigation. The rule must be amended, as necessary, in section 2.4.3 to ensure consistency between the provisions of section 2.4.3 and the provisions of Title 28-B, section 204;

32. The rule must be amended in sections 2.4.4(B) and 12.1.2(F) to substitute for the terms "Maine Electrical Code" and "Maine's Electrical Code" the term "applicable electrical code";

33. The rule must be amended in sections 2.4.4(D), 2.4.8, 2.4.9, 3.4.1(D), 3.6.7, 3.8.6, 12.2.2(B)(3) and 12.3.5(C) and any other relevant sections to substitute the terms "marijuana for medical use," "marijuana products for medical use," "marijuana concentrate for medical use," "marijuana plants for medical use," "marijuana cultivation for medical use" and other similar terminology, as appropriate and as

consistent with the use of such terminology in Title 22, chapter 558-C and in Title 28-B, for any incorrect terminology in those sections;

34. The rule must be amended, as necessary, in sections 2.4.8, 2.4.9 and 3.9 and any other relevant sections to incorporate the statutory prohibition in Title 28-B, section 504, subsection 5 on the use of a shared facility for the sale of adult use marijuana and adult use marijuana products and the sale of marijuana and marijuana products for medical use;

35. The rule must be amended in section 2.4.9(A) to substitute for the term "registered medical marijuana manufacturing facility" the term "manufacturing facility registered in accordance with Title 22, section 2423-F";

36. The rule must be amended in section 2.5.1 to clarify that the department verifies that each marijuana establishment, excluding testing facilities, satisfies the residency requirements of Title 28-B, section 202, subsection 2 and this rule. The rule must be amended in section 2.5.1(C) to clarify that the department may refuse to issue a conditional license to an applicant at its discretion until it is satisfied that the applicant has satisfied the residency requirements of Title 28-B, section 202, subsection 2 and this rule;

37. The rule must be amended, as necessary, in section 2.5.5 and any other relevant sections to clarify that any denial of an application for a conditional license must be for good cause consistent with Title 28-B, section 206;

38. The rule must be amended in section 2.6.2(B) to clarify that upon receipt of a local authorization certification form, the department shall, within 10 calendar days, notify the applicant of any additional information needed for the issuance of an active license or, if applicable, a provisional license;

39. The rule must be amended in section 2.7.2(D) to substitute for the phrase "medical marijuana credential revocation" the phrase "revocation of a registry identification card or registration certificate issued pursuant to Title 22, chapter 558-C";

40. The rule must be amended in section 2.8.1(B) and any other relevant sections to remove authority for the department to authorize inspections by a 3rd party;

41. The rule must be amended, as necessary, in sections 2.8.1(E) and 2.8.2 and any other relevant sections to clarify the application of and the requirements for an increase in cultivation tier upon approval, consistent with Title 28-B, section 303, and the application of and the requirements for an increase in maximum licensed plant canopy upon renewal of a tier 4 cultivation facility license, consistent with Title 28-B, section 304, including, but not limited to, clarification that the increase under Title 28-B, section 304 is available only with respect to a tier 4 cultivation facility

license and is available to a licensee only every 2 years;

42. The rule must be amended, as necessary, in section 2.10 to refer to a transfer of ownership interests instead of a transfer of license, consistent with Title 28-B, section 210;

43. The rule must be amended, as necessary, in section 2 and any other relevant sections to incorporate:

A. A process for revocation or refusal to renew an inactive license, consistent with Title 28-B, section 214;

B. The statutory prohibitions in Title 28-B, section 205, subsection 2, paragraphs A, B and C regarding the limitation on the number of cultivation facility licenses or total authorized plant canopy in common ownership, the limitation on the common ownership of a testing facility license and any other license type or common ownership with a registered caregiver or registered dispensary and the limitation until January 1, 2022 on the number of marijuana store licenses in common ownership; and

C. A process for the termination of a license, consistent with Title 28-B, section 212;

44. The rule must be amended in sections 3.6.3(B)(3) and (4) to substitute for the term "marijuana plant start" the term "seedling";

45. The rule must be amended, as necessary, in sections 3.8.1(G), 5.2(B)(9), 11 and 12.5 and any other relevant sections to remove the term "third-party" in reference to testing facilities or laboratories and to substitute, as appropriate, for the terms "laboratory" or "laboratories" the terms "testing facility" or "testing facilities";

46. The rule must be amended, as necessary, in section 3.8.2(A)(2) and any other relevant sections to incorporate the statutory prohibition in Title 28-B, section 703, subsection 1, paragraph E on the sale of edible marijuana products in the distinct shape of a human, animal or fruit and ensure consistency with Title 28-B, section 703, subsection 1, paragraph E;

47. The rule must be amended, as necessary, in section 3.9.7(B) and any other relevant sections to clarify that reusable exit packaging that is not tamper-evident may be used or sold by a licensee only if marijuana or marijuana products sold to a consumer that are placed in such reusable exit packaging are prepackaged in tamper-evident packaging and that such sale otherwise meets applicable packaging requirements of Title 28-B, section 701, subsection 2. The rule must be amended, as necessary, in sections 11.3, 11.4 and 11.5 and any other relevant sections to ensure consistency with the requirements in Title

28-B, section 701, subsection 2 regarding tamper-evident, child-resistant and opaque packaging;

48. The rule must be amended in section 4.1(B)(11) and any other relevant sections to require a licensee to record in the tracking system data regarding, where applicable, the municipality or municipalities where the marijuana or marijuana product was cultivated, harvested, manufactured, tested, sold to other licensees, sold to consumers and disposed of or destroyed;

49. The rule must be amended, as necessary, in section 5 and any other relevant sections, consistent with the statutory prohibition in Title 28-B, section 702, subsection 1, paragraph B, on advertising or marketing that has a high likelihood of reaching persons under 21 years of age or that is specifically designed to appeal particularly to persons under 21 years of age and to incorporate the statutory prohibition in Title 28-B, section 702, subsection 1, paragraph C on the use of advertising by a marijuana establishment within 1,000 feet from a school;

50. The rule must be amended, as necessary, in section 6.1.1 and any other relevant sections to clarify that trade samples may not be sold or otherwise provided or conveyed for payment or consideration;

51. The rule must be amended in section 9 to delete the 2nd sentence of the first paragraph and to delete section 9.1(A)(2). The rule must be amended in section 9.1(A)(1) to provide that licensees must notify the Department of Public Safety of a discharge but are not required to notify the Department of Environmental Protection of such discharge. The rule must be amended in section 9.1(B)(1) to provide that the licensee must contact the National Response Center. The rule must be amended in section 9.2(A) to provide that a marijuana plant, marijuana trim, other marijuana and other plant material may be classified as hazardous waste if it is toxic, flammable or a listed waste subject to regulation under Department of Environmental Protection rule Chapter 850;

52. The rule must be amended in the 2nd sentence of section 11 to delete the phrase "if such facility is in operation." The rule must be amended in the 3rd sentence of section 11 to clarify, consistent with Title 28-B, section 602, subsection 1, the department's authority to temporarily waive mandatory testing requirements;

53. The rule must be amended, as necessary, in section 11.1.3(F) and any other relevant sections, consistent with the statutory prohibition in Title 28-B, section 701, subsection 4, paragraph B, on labeling or packaging of marijuana or marijuana products in a manner that is specifically designed to appeal particularly to a person under 21 years of age. The rule must be amended, as necessary, in section 11.1 to incorporate the statutory requirements in Title 28-B, section

701, subsection 1, paragraphs A, B and C that all marijuana and marijuana product labels include the license numbers of the cultivation facility and products manufacturing facility, if applicable, involved with the cultivation and manufacture of the marijuana or marijuana product, an identity statement and health and safety warning labels. The rule must be amended, as necessary, in section 11.1 to incorporate the statutory prohibition in Title 28-B, section 701, subsection 4, paragraph D on labeling or packaging that depicts a human, animal or fruit;

54. The rule must be amended in section 11.2(C) to provide that any statement as to cannabinoid profile or the presence or absence of contaminants must require testing and label verification by a licensed testing facility;

55. The rule must be amended, as necessary, in section 13.6 and any other relevant sections to incorporate, consistent with Title 28-B, section 207, subsection 1, paragraph D, the increased annual license fee for a tier 4 cultivation facility license that has increased its maximum amount of plant canopy pursuant to Title 28-B, section 304;

56. All necessary grammatical, formatting, punctuation or other technical nonsubstantive editing changes must be made to the rule, including, but not limited to, the designation of the rule chapter as "Chapter 1: Adult Use Marijuana Program" and any necessary correction of the description of the units of the rule to ensure proper reference and application of the provisions of the rule; and

57. All other necessary changes must be made to the rule to ensure conformity and consistency throughout the rule and to ensure consistency between the rule and the provisions of this Act and between the rule and the provisions of Title 28-B.

The Department of Administrative and Financial Services, office of marijuana policy is not required to hold hearings or undertake further proceedings prior to final adoption of the rule in accordance with this section.

CHAPTER 492

H.P. 566 - L.D. 761

An Act To Ensure That Incarcerated Individuals Are Eligible for Medicaid during Incarceration and Receive Food Supplement Program Benefits upon Release

Be it enacted by the People of the State of Maine as follows:

Sec. 1. 22 MRSA §3104, sub-§17 is enacted to read:

17. Preenrollment for persons released from a correctional facility. The department shall apply for and implement a waiver pursuant to 7 Code of Federal Regulations, Part 273 to promote streamlined and timely access to food supplement program benefits for a person who is being released from incarceration. The waiver must:

A. Serve a person who is incarcerated in any state or county correctional facility and who, upon the person's release, is not entering a household that is receiving food supplement program benefits;

B. Permit a person described in paragraph A to submit an application for food supplement program benefits sufficiently in advance of the person's release date to ensure the availability of benefits on that date; and

C. Establish that the release date of a person described in paragraph A is the first day the person is eligible for food supplement program benefits.

Sec. 2. 22 MRSA §3174-CC, as enacted by PL 2001, c. 659, Pt. B, §1, is repealed and the following enacted in its place:

§3174-CC. Medicaid eligibility during incarceration

1. Establish procedures. The department shall establish procedures to ensure that:

A. A person receiving federally approved Medicaid services prior to incarceration does not lose Medicaid eligibility as a result of that incarceration and receives assistance with reapplying for benefits if that person's Medicaid coverage expires or is terminated during the term of incarceration; and

B. A person who is not receiving federally approved Medicaid services prior to incarceration but meets the eligibility requirements for Medicaid receives assistance with applying for federally approved Medicaid services.

2. Presumptive eligibility. If a MaineCare provider determines that a person who is incarcerated who does not have Medicaid coverage is likely to be eligible for services under this section, the provider must be reimbursed for services provided under this section in accordance with 42 Code of Federal Regulations, Section 435.1101.

3. Memorandum of understanding. The department and the Department of Corrections shall enter into a memorandum of understanding in order to provide an incarcerated person with assistance in applying for benefits under this section and section 3104, subsection 17.

The provisions of this section apply even if Medicaid coverage is limited during the period of incarceration. Nothing in this section requires or permits the department to maintain an incarcerated person's Medicaid eligibility if the person no longer meets eligibility requirements.

Sec. 3. Appropriations and allocations. The following appropriations and allocations are made.

HEALTH AND HUMAN SERVICES, DEPARTMENT OF

Office for Family Independence Z020

Initiative: Provides one-time appropriation and allocation for required technology changes to add a presumptive eligibility group when eligibility is determined by a provider other than a hospital.

CHAPTER 496

H.P. 1085 - L.D. 1483

An Act To Clarify the Disposition of Funds Presumed Abandoned in a Lawyer's Trust Account

Be it enacted by the People of the State of Maine as follows:

Sec. 1. 33 MRSA §1952, sub-§§7-A and 7-B are enacted to read:

7-A. Lawyer's trust account. "Lawyer's trust account" means a pooled trust account managed pursuant to rules adopted by the Supreme Judicial Court that earns interest or dividends at an eligible institution in which a lawyer or law firm holds funds on behalf of a client or clients. These funds are small in amount or held for a short period of time, such that the funds cannot earn interest or dividends for the client in excess of the costs incurred to secure such interest or dividends. For the purpose of this subsection, "eligible institution" means a financial organization meeting the requirements in rules adopted by the Supreme Judicial Court.

7-B. Lawyer's trust account program manager. "Lawyer's trust account program manager" means

an entity designated by the Supreme Judicial Court to manage the lawyer's trust account program adopted by the Supreme Judicial Court.

Sec. 2. 33 MRSA §1952, sub-§13, ¶¶F and G, as enacted by PL 1997, c. 508, Pt. A, §2 and affected by §3, are amended to read:

F. An amount due and payable under the terms of an annuity or insurance policy, including policies providing life insurance, property and casualty insurance, workers' compensation insurance or health and disability insurance; ~~and~~

G. An amount distributable from a trust or custodial fund established under a plan to provide health, welfare, pension, vacation, severance, retirement, death, stock purchase, profit sharing, employee savings, supplemental unemployment insurance or similar benefits; ~~and~~

Sec. 3. 33 MRSA §1952, sub-§13, ¶H is enacted to read:

H. Funds in a lawyer's trust account.

Sec. 4. 33 MRSA §1953, sub-§1, ¶O, as amended by PL 2003, c. 20, Pt. T, §22, is further amended to read:

O. All other property, including funds in a lawyer's trust account, 3 years after the owner's right to demand the property or after the obligation to pay or distribute the property arises, whichever first occurs;

Sec. 5. 33 MRSA §1959, sub-§5 is enacted to read:

5. Payment of certain funds presumed abandoned in lawyer's trust accounts. Notwithstanding any other provision in this chapter to the contrary, a lawyer, law firm or financial institution holding funds presumed abandoned in a lawyer's trust account for which no identifying client information can be found shall file a report with the administrator pursuant to section 1958, subsection 1 and then transfer such funds, along with a copy of the report, to the lawyer's trust account program manager to provide funding to organizations whose primary purpose is to provide civil legal aid to low-income residents of the State.

Sec. 6. 33 MRSA §1979, as enacted by PL 1997, c. 508, Pt. A, §2 and affected by §3, is amended to read:

§1979. Rules

The administrator may adopt rules pursuant to the Maine Administrative Procedure Act necessary to carry out this Act. Rules adopted ~~under~~ pursuant to this section are routine technical rules ~~under~~ as defined in Title 5, chapter 375, subchapter H-A 2-A. In addition, the Supreme Judicial Court may adopt rules for the

provisions of this Act relating to lawyer's trust accounts.

Sec. 7. Transfer of funds. The Treasurer of State shall transfer to the lawyer's trust account program manager as defined in the Maine Revised Statutes, Title 33, section 1952, subsection 7-B an amount equal to funds held on the effective date of this Act in the Unclaimed Property Fund of this State attributable to funds presumed abandoned in a lawyer's trust account for which no identifying client information can be found that were delivered to the Treasurer of State before the effective date of this Act.

CHAPTER 498

S.P. 481 - L.D. 1544

An Act To Enact the Maine Revised Unclaimed Property Act

Be it enacted by the People of the State of Maine as follows:

Sec. 1. 4 MRSA §8-A, sub-§2, as amended by PL 2003, c. 20, Pt. T, §2, is further amended to read:

2. Unclaimed property. To provide, after reasonable notice to interested parties or their attorneys, for the transfer to the Treasurer of State for disposition as unclaimed property in the manner provided by Title 33, sections 1958 and 1959 chapter 45 of property in the possession or custody of the courts of this State as a result of civil or criminal litigation.

Sec. 2. 8 MRSA §1032, as amended by IB 2009, c. 2, §40, is further amended to read:

§1032. Payment of credits by slot machine or casino operator

A slot machine operator or casino operator shall redeem credits for players who earn credits on a slot machine or table game located on the premises of that slot machine facility or casino in accordance with rules adopted by the board. A slot machine operator or casino operator may not redeem a credit slip more than 365 days from the date of issuance. The funds reserved for the payment of such a credit slip or expired unclaimed jackpot must be retained by the slot machine operator or casino operator and treated as gross slot machine income or gross table game income and do not constitute property subject to the requirements of Title 33, chapter 41 45.

Sec. 3. 9-B MRSA §161, sub-§2, ¶K, as amended by PL 2001, c. 262, Pt. B, §3, is further amended to read:

K. The examination or furnishing of any financial records by a financial institution authorized to do business in this State or credit union authorized to do business in this State to any officer, employee or agent of the Treasurer of State for use solely in

the exercise of that officer's, employee's or agent's duties under Title 33, chapter 44 ~~45~~;

Sec. 4. 9-B MRSA §428, as amended by PL 2001, c. 211, §13, is further amended to read:

§428. Inactive deposits or accounts

All moneys in unclaimed accounts in each financial institution authorized to do business in this State must be disposed of according to Title 33, chapter 44 ~~45~~.

Sec. 5. 10 MRSA §3751, last ¶, as amended by PL 2003, c. 20, Pt. T, §4, is further amended to read:

The contents of an opened safe or box, if unclaimed, must be disposed of according to Title 33, chapter 44 ~~45~~.

Sec. 6. 10 MRSA §3953, as amended by PL 2003, c. 20, Pt. T, §5, is further amended to read:

§3953. Disposal of residue

After satisfying the lien and the reasonable costs and expenses accrued, the residue must be disposed of according to Title 33, chapter 44 ~~45~~.

Sec. 7. 10 MRSA §4009, as amended by PL 2003, c. 20, Pt. T, §6, is further amended to read:

§4009. Disposal of proceeds

Money paid into court may be paid over to the person legally entitled to it, on motion and order of the court. If it is not called for at the first term after it is paid into court, it must be presumed unclaimed and disposed of according to Title 33, chapter 44 ~~45~~.

Sec. 8. 12 MRSA §12661, sub-§3, as amended by PL 2017, c. 164, §22, is further amended to read:

3. Removal of abandoned ice fishing shacks. A person may not leave a structure on another person's land without permission from the landowner. Notwithstanding the provisions of Title 33, chapter 44 ~~45~~ and Title 17, section 2263-A, a landowner on whose property an ice fishing shack is left in violation of this section may remove or destroy the shack. The landowner may recover any costs of removing or destroying the shack from the owner of the shack in a civil action.

Sec. 9. 13-C MRSA §1440, as enacted by PL 2001, c. 640, Pt. A, §2 and affected by Pt. B, §7, is amended to read:

§1440. Deposit with Treasurer of State

Assets of a dissolved corporation that should be transferred to a creditor, claimant or shareholder of the corporation who can not be found or who is not competent to receive the assets must be reduced to cash and deposited with the Treasurer of State or other ap-

propriate state official for safekeeping in accordance with Title 33, chapter 44 ~~45~~. When the creditor, claimant or shareholder furnishes satisfactory proof of entitlement to the amount deposited, the Treasurer of State or other appropriate state official shall pay the creditor, claimant or shareholder or that person's representative that amount.

Sec. 10. 14 MRSA §2901, last ¶, as enacted by PL 2003, c. 149, §8, is amended to read:

If the trustee discloses possession of goods, effects or credits of the principal defendant, or by virtue of default is adjudged trustee, and the trustee's funds are not collected or released within 7 years, they must be presumed abandoned under Title 33, chapter 44 ~~45~~ unless the trustee is served with a certificate of the clerk of the appropriate court, between 30 and 90 days prior to such date, evidencing that the principal action is still pending.

Sec. 11. 14 MRSA §6324, as amended by PL 2003, c. 20, Pt. T, §10, is further amended to read:

§6324. Proceeds of sale

After first deducting the expenses incurred in making the sale, the mortgagee shall disburse the remaining proceeds in accordance with the provisions of the judgment. The mortgagee shall file a report of the sale and the disbursement of the proceeds therefrom with the court and shall mail a copy to the mortgagor at the mortgagor's last known address. This report need not be accepted or approved by the court, provided that the mortgagor or any other party in interest may contest the accounting by motion filed within 30 days of receipt of the report, but any such challenge may be for money only and does not affect the title to the real estate purchased by the highest bidder at the public sale. Any deficiency must be assessed against the mortgagor and an execution must be issued by the court therefor. In the event the mortgagee has been the purchaser at the public sale, any deficiency is limited to the difference between the fair market value of the premises at the time of the public sale, as established by an independent appraisal, and the sum due the mortgagee as established by the court with interest plus the expenses incurred in making the sale. Any surplus must be paid to the mortgagor, the mortgagor's successors, heirs or assigns in the proceeding. If the mortgagor has not appeared personally or by an attorney, the surplus must be paid to the clerk of courts, who shall hold the surplus in escrow for 6 months for the benefit of the mortgagor, the mortgagor's successors, heirs or assigns and, if the surplus remains unclaimed after 6 months, the clerk shall pay the surplus to the Treasurer of State to be credited to the General Fund until it becomes unclaimed under the ~~Uniform~~ Maine Revised Unclaimed Property Act, and report and pay it to the State in accordance with that Act.

Sec. 12. 23 MRSA §156, next to the last ¶, as affected by PL 1997, c. 508, Pt. A, §3 and amended by Pt. B, §5, is further amended to read:

After the appeal period from the decree of the State Claims Commission or a judgment of any court has expired, any sum of money directed by a decree of the commission or by a judgment of any court to be paid over that remains unclaimed for 60 days must be disposed of consistent with Title 33, chapter 44 45.

Sec. 13. 24-A MRSA §3486, sub-§14, as amended by PL 2003, c. 344, Pt. D, §16, is further amended to read:

14. The provisions of Title 33, chapter 44 45 apply to any unclaimed payment to which a shareholder may be entitled under this section.

Sec. 14. 24-A MRSA §4551, first ¶, as amended by PL 2017, c. 129, §1, is further amended to read:

All unclaimed money held and owing by any life insurer doing business in this State must be disposed of according to Title 33, chapter 44 45. Before disposing of any unclaimed money in accordance with Title 33, chapter 44 45, a life insurer doing business in this State shall comply with this section.

Sec. 15. 25 MRSA §3503-B, as enacted by PL 2003, c. 77, §1, is amended to read:

§3503-B. Bicycle disposal

Notwithstanding section 3503, a local legislative body in a municipality may dispose of unclaimed bicycles in a manner decided by that body and is exempt from Title 33, chapter 44 45 with respect to unclaimed bicycles.

Sec. 16. 25 MRSA §3504, as affected by PL 1997, c. 508, Pt. A, §3 and amended by Pt. B, §6, is further amended to read:

§3504. Deposit of proceeds

Proceeds of the sale of the property at public auction, less reimbursement to the law enforcement agency and others authorized of the reasonable expenses of custody, must be disposed of according to Title 33, chapter 44 45.

Sec. 17. 27 MRSA §601, sub-§1, as amended by PL 2011, c. 263, §1, is further amended to read:

1. **Property to be considered abandoned; definition.** Any tangible property held by a museum within the State that is held for 3 years or more without a written gift or loan agreement, or after expiration of a written loan agreement, and to which a person has not made claim is considered to be abandoned and, notwithstanding Title 33, chapter 44 45, becomes the property of the museum, as long as the estimated market value of the material is less than \$100 or the museum has complied with subsection 2. The estimated

market value must be determined by a qualified appraiser, and a written copy of the determination must be retained in the museum's permanent records.

As used in this section, "museum" means an organization that is operated by a nonprofit corporation, public agency or educational institution primarily for educational, scientific, historic preservation, cultural or aesthetic purposes and that owns, cares for, exhibits, studies, archives and catalogues tangible property and includes, but is not limited to, historical societies, archives and art, history, science and natural history organizations.

Sec. 18. 29-A MRSA §754, sub-§4, ¶B, as affected by PL 1997, c. 508, Pt. A, §3 and amended by Pt. B, §7, is further amended to read:

B. After expiration of the 30-day notice period, the Secretary of State may dispose of the vehicle at public auction or report the vehicle as abandoned under Title 33, chapter 44 45.

Sec. 19. 30-A MRSA §3106, sub-§1, ¶A, as enacted by PL 1999, c. 667, §1, is amended to read:

A. "Covered property" means all tangible property, other than tangible property described in Title 33, section 1954 2065, located in or on real estate acquired by a political subdivision through tax delinquency proceedings pursuant to Title 36 or through any similar procedure created by statute for the collection of unpaid taxes, assessments, expenses or charges. "Covered property" includes all tangible property, other than tangible property described in Title 33, section 1954 2065, located in or on real estate that has been determined to be a dangerous building pursuant to Title 17, chapter 91, subchapter 4.

Sec. 20. 30-A MRSA §3862, sub-§3, as amended by PL 2003, c. 20, Pt. T, §17, is further amended to read:

3. **Proceeds.** After using the proceeds from the sale to satisfy the lien and any costs that may accrue, the keeper shall dispose of any remainder according to Title 33, chapter 44 45.

Sec. 21. 33 MRSA c. 41, as amended, is repealed.

Sec. 22. 33 MRSA c. 45 is enacted to read:

CHAPTER 45

MAINE REVISED UNCLAIMED PROPERTY ACT

SUBCHAPTER 1

GENERAL PROVISIONS

23. Person. "Person" means an individual, estate, business association, public corporation, government or governmental subdivision, agency or instrumentality or other legal entity, whether or not for profit.

24. Property. "Property" means tangible property described in section 2065 or a fixed and certain interest in intangible property held, issued or owed in the course of a holder's business or by a government or governmental subdivision, agency or instrumentality. "Property":

- A. Includes all income from or increments to the property;
- B. Includes property referred to as or evidenced by:

 - (1) Money, interest or a dividend, check, draft, deposit or payroll card;
 - (2) A credit balance, customer's overpayment, stored-value obligation, security deposit, refund, credit memorandum, unpaid wage, unused ticket for which the issuer has an obligation to provide a refund, mineral proceeds or unidentified remittance;
 - (3) A security, except for:

 - (a) A worthless security; or

(b) A security that is subject to a lien, legal hold or restriction evidenced on the records of the holder or imposed by operation of law, if the lien, legal hold or restriction restricts the holder's or owner's ability to receive, transfer, sell or otherwise negotiate the security;

(4) A bond, debenture, note or other evidence of indebtedness;

(5) Money deposited to redeem a security, make a distribution or pay a dividend;

(6) An amount due and payable under an annuity contract or insurance policy; and

(7) An amount distributable from a trust or custodial fund established under a plan to provide a health, welfare, pension, vacation, severance, retirement, death, stock purchase, profit sharing, employee savings, supplemental unemployment insurance or similar benefit; and

C. Does not include a loyalty obligation or game-related digital content.

25. Putative holder. "Putative holder" means a person believed by the administrator to be a holder, until the person pays or delivers to the administrator property subject to this Act or the administrator or a court makes a final determination that the person is or is not a holder.

26. Record. "Record" means information that is inscribed on a tangible medium or that is stored in an electronic or other medium and is retrievable in perceivable form. "Record," with regard to records of a holder, includes records maintained by a 3rd party that has contracted with the holder.

27. Security. "Security" means:

A. A security as defined in Title 11, Article 8-A;

B. A security entitlement as defined in Title 11, Article 8-A, including a customer security account held by a registered broker-dealer, to the extent the financial assets held in the security account are not:

(1) Registered on the books of the issuer in the name of the person for which the broker-dealer holds the assets;

(2) Payable to the order of the person; or

(3) Specifically indorsed to the person; or

C. An equity interest in a business association not included in paragraph A or B.

28. Sign. "Sign" means, with present intent to authenticate or adopt a record:

A. To execute or adopt a tangible symbol; or

B. To attach to or logically associate with the record an electronic symbol, sound or process.

29. State. "State" means a state of the United States, the District of Columbia, the Commonwealth of Puerto Rico, the United States Virgin Islands or any territory or insular possession subject to the jurisdiction of the United States.

30. Stored-value obligation. "Stored-value obligation" means a record evidencing a promise made for consideration by the seller or issuer of the record that goods, services or money will be provided to the owner of the record in the amount of the value or amount shown in the record. "Stored-value obligation":

A. Includes a record that contains or consists of a microprocessor chip, magnetic strip or other means for the storage of information, that is pre-funded and the value or amount of which is decreased on each use and increased by payment of additional consideration; and

B. Does not include a loyalty obligation, a gift obligation or game-related digital content.

31. United States savings bond. "United States savings bond" means property, tangible or intangible, in the form of a savings bond issued by the United States Treasury whether in paper form, electronic form or paperless form, along with all the proceeds of the savings bond.

32. Utility. "Utility" means a person that owns or operates for public use a plant, equipment, real property, franchise or license for the following public services:

A. Transmission of communications or information;

B. Production, storage, transmission, sale, delivery or furnishing of electricity, water, steam or gas; or

C. Provision of sewage or septic services or trash, garbage or recycling disposal.

33. Worthless security. "Worthless security" means a security of which the cost of liquidation and delivery to the administrator would exceed the value of the security on the date a report is due under this Act.

§2053. Inapplicability to foreign transaction

This Act does not apply to property held, due and owing in a foreign country if the transaction out of which the property arose was a wholly foreign transaction.

§2054. Rulemaking

The administrator may adopt rules to implement and administer this Act. Rules adopted pursuant to

this section are routine technical rules as defined in Title 5, chapter 375, subchapter 2-A.

SUBCHAPTER 2

PRESUMPTION OF ABANDONMENT

§2061. When property presumed abandoned

Subject to section 2070, the following property is presumed abandoned if it is unclaimed by the apparent owner during the period specified:

1. **Traveler's check.** A traveler's check, 15 years after issuance;

2. **Money order.** A money order, 7 years after issuance;

3. **State or municipal bond.** A state or municipal bond, bearer bond or original issue discount bond, 3 years after the date the bond matures or is called or the obligation to pay the principal of the bond arises, whichever is earlier;

4. **Debt of a business association.** A debt of a business association, 3 years after the obligation to pay arises;

5. **Payroll card or demand, savings or time deposit.** A payroll card or demand, savings or time deposit, including a deposit that is automatically renewable, 3 years after the maturity of the deposit, except that a deposit that is automatically renewable is deemed matured on its initial date of maturity unless the apparent owner consented in a record on file with the holder to renewal at or about the time of the renewal;

6. **Money or credit owed.** Money or a credit owed to a customer as a result of a retail business transaction, 3 years after the obligation arose;

7. **Amount owed on insurance policy or annuity contract.** An amount owed by an insurance company on a life or endowment insurance policy or an annuity contract that has matured or terminated, 3 years after the obligation to pay arose under the terms of the policy or contract or, if a policy or contract for which an amount is owed on proof of death has not matured by proof of the death of the insured or annuitant;

A. With respect to an amount owed on a life or endowment insurance policy, 3 years after the earlier of the date:

(1) The insurance company has knowledge of the death of the insured; and

(2) The insured has attained, or would have attained if living, the limiting age under the mortality table on which the reserve for the policy is based; and

B. With respect to an amount owed on an annuity contract, 3 years after the date the insurance company has knowledge of the death of the annuitant;

8. **Distributable property.** Property distributable by a business association in the course of dissolution, one year after the property becomes distributable;

9. **Property held by a court.** Property held by a court, including property received as proceeds of a class action, one year after the property becomes distributable;

10. **Property held by a government.** Property held by a government or governmental subdivision, agency or instrumentality, including municipal bond interest and unredeemed principal under the administration of a paying agent or indenture trustee, one year after the property becomes distributable;

11. **Wages, commissions, bonuses or reimbursements.** Wages, commissions, bonuses or reimbursements to which an employee is entitled or other compensation for personal services, one year after the amount becomes payable;

12. **Deposit or refund owed by a utility.** A deposit or refund owed to a subscriber by a utility, one year after the deposit or refund becomes payable;

13. **Prearranged funeral or burial plan.** Notwithstanding subsection 5, property contained in a prearranged funeral or burial plan described in Title 32, section 1401, including deposits containing funds from such a plan, 3 years after the death of a person on whose behalf funds were paid into the plan;

14. **Nonactivated stored-value obligation or electronic payment medium.** Funds represented by a nonactivated stored-value obligation or other nonactivated electronic payment medium that require activation for use, one year after the funds would have otherwise first been available to the owner; and

15. **Property not specified.** Property not specified in this section or sections 2062 to 2072, 3 years after the owner first has a right to demand the property or the obligation to pay or distribute the property arises, whichever is earlier.

§2062. When tax-deferred retirement account presumed abandoned

1. **Presumed abandoned after 3 years.** Subject to section 2070, property held in a pension account or retirement account that qualifies for tax deferral under the income tax laws of the United States is presumed abandoned if it is unclaimed by the apparent owner 3 years after the later of:

A. The later of the following dates:

(1) Except as in subparagraph (2), the date a communication sent by the holder by first class United States mail to the apparent own-

er is returned to the holder as undeliverable by the United States Postal Service; and

(2) If the returned communication is resent within 30 days, the date the resent communication was returned as undeliverable by the United States Postal Service; and

B. The earlier of the following dates:

(1) The date the apparent owner becomes 70 1/2 years of age; and

(2) If the federal Internal Revenue Code of 1986, as amended, requires distribution to avoid a tax penalty, the date the holder:

(a) Receives confirmation of the death of the apparent owner in the ordinary course of its business; or

(b) Confirms the death of the apparent owner under subsection 2.

2. Confirmation of death of apparent owner.

If a holder in the ordinary course of its business receives notice or an indication of the death of an apparent owner and subsection 1, paragraph B applies, the holder shall attempt not later than 90 days after receipt of the notice or indication to confirm whether the apparent owner is deceased.

3. Confirmation of apparent owner's interest.

If the holder does not send communications to the apparent owner of an account described in subsection 1 by first class United States mail on at least an annual basis, the holder shall attempt to confirm the apparent owner's interest in the property by sending the apparent owner an e-mail not later than 2 years after the apparent owner's last indication of interest in the property. However, the holder promptly shall attempt to contact the apparent owner by first class United States mail if:

A. The holder does not have information needed to send the apparent owner an e-mail or the holder believes that the apparent owner's e-mail address in the holder's records is not valid;

B. The holder receives notification that the e-mail was not received; or

C. The apparent owner does not respond to the e-mail within 30 days after the e-mail was sent.

§2063. When other tax-deferred account presumed abandoned

1. Presumed abandoned after 3 years. Subject to section 2070 and except for property described in section 2062, property held in an account or plan, including a health savings account, that qualifies for tax deferral under the income tax laws of the United States is presumed abandoned if it is unclaimed by the apparent owner 3 years after the earlier of:

A. The date, if determinable by the holder, specified in the income tax laws and regulations of the United States by which distribution of the property must begin to avoid a tax penalty, with no distribution having been made; and

B. Thirty years after the date the account or plan was opened.

2. Presumed abandoned after 2 years. If the owner is deceased, property under subsection 1 is presumed abandoned 2 years from the earliest of:

A. The date of the distribution or attempted distribution of the property;

B. The date of the required distribution as stated in the plan or trust agreement governing the plan; and

C. The date, if determinable by the holder, specified in the income tax laws of the United States by which distribution of the property must begin in order to avoid a tax penalty.

§2064. When custodial account for minor presumed abandoned

1. Presumed abandoned after 3 years. Subject to section 2070, and except as provided in subsection 3, property held in an account established under a state's Uniform Gifts to Minors Act or Uniform Transfers to Minors Act, if it is unclaimed by or on behalf of the minor on whose behalf the account was opened, is presumed abandoned 3 years after the later of:

A. The date a communication sent by the holder by first class United States mail to the custodian of the minor on whose behalf the account was opened is returned as undeliverable to the holder by the United States Postal Service or, if the communication is resent within 30 days after the date the first communication is returned as undeliverable, the date the first communication was returned as undeliverable; and

B. The date on which the custodian is required to transfer the property to the minor or the minor's estate in accordance with the Uniform Gifts to Minors Act or Uniform Transfers to Minors Act of the state in which the account was opened.

2. Confirmation of custodian's interest. If the holder does not send communications to the custodian of the minor on whose behalf an account described in subsection 1 was opened by first class United States mail on at least an annual basis, the holder shall attempt to confirm the custodian's interest in the property by sending the custodian an e-mail not later than 2 years after the custodian's last indication of interest in the property. However, the holder promptly shall attempt to contact the custodian by first class United States mail if:

A. The holder does not have information needed to send the custodian an e-mail or the holder believes that the custodian's e-mail address in the holder's records is not valid;

B. The holder receives notification that the e-mail was not received; or

C. The custodian does not respond to the e-mail within 30 days after the e-mail was sent.

3. If undeliverable, presumed abandoned after 3 years. If first class United States mail sent under subsection 2 is returned as undeliverable to the holder by the United States Postal Service, the property is presumed abandoned 3 years after the later of:

A. The date a 2nd consecutive communication to contact the custodian by first class United States mail is returned to the holder as undeliverable by the United States Postal Service; and

B. The date established by subsection 1, paragraph C.

4. No longer subject to section. When the property in the account described in subsection 1 is transferred to the minor on whose behalf the account was opened or to the minor's estate, the property in the account is no longer subject to this section.

§2065. When contents of safe deposit box presumed abandoned

Tangible property held in a safe deposit box or other safekeeping depository in this State in the ordinary course of the holder's business and proceeds resulting from the sale of the property permitted by other law are presumed abandoned if the property and proceeds remain unclaimed by the owner for more than 3 years after expiration of the lease or rental period on the box or other depository.

§2066. When stored-value obligation presumed abandoned

1. Presumed abandoned after 3 years. Subject to section 2070, the net obligation value of a stored-value obligation is presumed abandoned on the latest of 3 years after:

A. December 31st of the year in which the obligation is issued or additional funds are deposited into it;

B. The most recent indication of interest in the obligation by the apparent owner; and

C. A verification or review of the balance by or on behalf of the apparent owner.

2. Amount presumed abandoned. The amount presumed abandoned in a stored-value obligation is the net obligation value at the time it is presumed abandoned.

3. No period of limitation, charges or fees; exceptions, disclosure. Notwithstanding section 2112, fees, charges or a period of limitation may not be imposed on stored-value obligations, except that the issuer may charge a transaction fee for the initial issuance and for each occurrence of adding value to an existing stored-value obligation. These fees must be disclosed in a separate writing prior to the initial issuance or referenced on the stored-value obligation.

4. Redemption; balance in cash. If a stored-value obligation is redeemed in person and a balance of less than \$5 remains following redemption, at the consumer's request the merchant redeeming the stored-value obligation must refund the balance in cash to the consumer. This subsection does not apply to a stored-value obligation with an initial value of \$5 or less, or a stored-value obligation that is not purchased but provided as a promotion or as a refund for merchandise returned without a receipt.

§2067. When gift obligation presumed abandoned

1. Presumed abandoned after 2 years. Subject to section 2070, a gift obligation is presumed abandoned 2 years after December 31st of the year in which the obligation arises or the most recent transaction involving the obligation occurs, whichever is later.

2. Amount unclaimed is 60%. The amount unclaimed of a gift obligation is 60% of the net obligation value at the time it is presumed abandoned.

3. Not presumed abandoned; sales by a single issuer under \$250,000. A gift obligation is not presumed abandoned if it was sold by a single issuer who in the past calendar year sold no more than \$250,000 in face value of gift obligations. Sales of gift obligations are considered sales by a single issuer if the sales were by businesses that operate either:

A. Under common ownership or control with another business or businesses in the State; or

B. As franchised outlets of a parent business.

4. No period of limitation for redemption. A period of limitation may not be imposed on the owner's right to redeem the gift obligation.

5. No charges or fees; exception, disclosure. Notwithstanding section 2112, fees or charges may not be imposed on gift obligations, except that the issuer may charge a transaction fee for the initial issuance. The fee must be disclosed in a separate writing prior to the initial issuance or referenced on the gift obligation.

6. Redemption; balance in cash. If a gift obligation is redeemed in person and a balance of less than \$5 remains following redemption, at the consumer's request the merchant redeeming the gift obligation must refund the balance in cash to the consumer. This

subsection does not apply to a gift obligation with an initial value of \$5 or less.

§2068. When security presumed abandoned

1. If communications sent at least annually, presumed abandoned after 3 years. Subject to section 2070, if the holder sends communications to the apparent owner of a security by first class United States mail on at least an annual basis, a security is presumed abandoned 3 years after the later of:

A. The date a communication sent by the holder by first class United States mail to the apparent owner is returned to the holder as undeliverable by the United States Postal Service; and

B. If the communication is resent within 30 days after the first communication is returned, the date the resent communication is returned as undeliverable to the holder by the United States Postal Service.

2. If no communications sent, duty to confirm owner's interest not later than 2 years. If the holder does not send communications to the apparent owner of a security by first class United States mail, the holder shall attempt to confirm the apparent owner's interest in the security by sending the apparent owner an e-mail not later than 2 years after the apparent owner's last indication of interest in the security. However, the holder promptly shall attempt to contact the apparent owner by first class United States mail if:

A. The holder does not have information needed to send the apparent owner an e-mail or the holder believes that the apparent owner's e-mail address in the holder's records is not valid;

B. The holder receives notification that the e-mail was not received; or

C. The apparent owner does not respond to the e-mail within 30 days after the e-mail was sent.

3. If confirmation returned undeliverable, presumed abandoned after 3 years. If first class United States mail sent under subsection 2 is returned to the holder as undeliverable by the United States Postal Service, the security is presumed abandoned 3 years after the latest indication of interest by the apparent owner in the security.

§2069. When related property presumed abandoned

At and after the time property is presumed abandoned under this Act, any other property right or interest accrued or accruing from the property and not previously presumed abandoned is also presumed abandoned.

§2070. Indication of apparent owner

1. Period of abandonment. The period after which property is presumed abandoned is measured from the later of:

A. The date the property is presumed abandoned under this subchapter; and

B. The latest indication of interest by the apparent owner in the property.

2. Indication of interest. Under this Act, an indication of an apparent owner's interest in property includes:

A. A record communicated by the apparent owner to the holder or agent of the holder concerning the property or the account in which the property is held;

B. An oral communication by the apparent owner to the holder or agent of the holder concerning the property or the account in which the property is held, if the holder or its agent contemporaneously makes and preserves a record of the fact of the apparent owner's communication;

C. Presentment by the apparent owner of a check or other instrument of payment of a dividend, interest payment or other distribution, or evidence of receipt of a distribution made by electronic or similar means, with respect to an account, underlying security or interest in a business association;

D. Activity by the apparent owner in the account in which the property is held, including accessing the account balance, or a request by the apparent owner to increase, decrease or otherwise change the amount or type of property held in the account;

E. A deposit into or withdrawal from an account at a financial organization by the apparent owner, including an automatic withdrawal previously authorized or an automatic reinvestment of dividends or interest;

F. Subject to subsection 4, payment by the apparent owner of a premium on an insurance policy; and

G. For deposits in which the apparent owner has another relationship or account with the holder:

(1) The fact that the apparent owner has indicated interest with respect to the other relationships or accounts; or

(2) The fact that there is a memorandum or other record on file prepared by the holder indicating that the holder has communicated in writing with the apparent owner with regard to the deposit at the address to which communications regarding the other relationships or deposits are regularly sent.

3. Action of agent. Action by an agent of an apparent owner, other than the holder acting as the apparent owner's agent, is presumed to be an action on behalf of the apparent owner.

4. Nonforfeiture provision. Application of an automatic premium loan provision or other nonforfeiture provision contained in an insurance policy is not an indication of interest in the policy and does not prevent the policy from maturing or terminating if the insured has died or the insured or the beneficiary of the policy otherwise has become entitled to the proceeds before depletion of the cash surrender value of the policy by application of the provision.

§2071. Deposit account for proceeds of insurance policy or annuity

If proceeds payable under a life or endowment insurance policy or annuity contract are deposited into an account with check-writing or draft-writing privileges for the beneficiary of the policy or contract and, under a supplementary contract not involving annuity benefits other than death benefits, the proceeds are retained by the insurance company or the financial organization where the account is held, the policy or contract includes the assets in the account.

§2072. When United States savings bonds are presumed abandoned

1. Presumed abandoned. Notwithstanding section 2061, subsection 9 and sections 2112 and 2131, a United States savings bond subject to this chapter or held or owing in this State by any person is presumed abandoned in this State if:

A. The last known address of the owner of the United States savings bond is in this State; and

B. The United States savings bond has remained unclaimed for 3 years after its date of final maturity.

2. Escheat; procedure. United States savings bonds that are presumed abandoned and unclaimed under subsection 1, including bonds in the possession of the administrator, and those lost, stolen or destroyed bonds registered to persons with last known addresses in this State, escheat to the State 3 years after the bonds are presumed abandoned, and all property rights and legal title to and ownership of the United States savings bonds, including all rights, powers and privileges of survivorship of any owner, co-owner or beneficiary, vest solely in the State according to the following procedure.

A. Within 180 days after the 3-year period in this subsection has passed, if no claim has been filed in accordance with this chapter for the United States savings bonds, the administrator shall commence a civil action in the Kennebec County Superior Court or in any other court of competent jurisdiction for a determination that the United

States savings bonds escheat to the State. The administrator may postpone the bringing of such an action until sufficient United States savings bonds have accumulated in the administrator's custody to justify the expense of such a proceeding.

B. The administrator shall make service by publication of the civil action in accordance with the Maine Rules of Civil Procedure, Rule 4 and Title 1, sections 601 and 603.

C. If no person files a claim or appears at the hearing to substantiate a claim or if the court determines that a claimant is not entitled to the property claimed by the claimant, the court, if satisfied by evidence that the administrator has substantially complied with the laws of this State, shall enter a judgment that the United States savings bonds have escheated to the State and all property rights and legal title to and ownership of the United States savings bonds, including all rights, powers and privileges of survivorship of any owner, co-owner or beneficiary, vest solely in the State.

D. The administrator shall redeem the United States savings bonds escheated to the State. When the escheated proceeds have been recovered by the administrator, the administrator shall first pay all costs incident to the collection and recovery of the proceeds from the redemption of the United States savings bonds and then promptly deposit the remaining balance of the proceeds in the Unclaimed Property Fund under section 2141 to be distributed in accordance with law.

3. Claims after escheat. Notwithstanding subchapter 9, any person making a claim for a United States savings bond escheated to the State under this section may file a claim with the administrator. Upon being provided sufficient proof of the validity of the person's claim, the administrator may pay the claim and may subtract any expenses and costs incurred by the State in securing full title and ownership of the property by escheat. If payment has been made to a claimant, no action may be maintained by any other claimant or the State or any state officer for or on account of the funds.

SUBCHAPTER 3

RULES FOR TAKING CUSTODY OF PROPERTY PRESUMED ABANDONED

§2081. Address of apparent owner to establish priority

In this subchapter, the following rules apply:

1. Last known address. The last known address of an apparent owner, as shown in the records of the holder, is any description, code or other indication of the location of the apparent owner that identifies the

state, even if the description, code or indication of location is not sufficient to direct the delivery of first class United States mail to the apparent owner.

2. Zip code in this State; exception. If the zip code associated with the apparent owner is for a post office located in this State, this State is deemed to be the state of the last known address of the apparent owner unless other records associated with the apparent owner specifically identify the physical address of the apparent owner in another state.

3. Physical address in another state. If the address under subsection 2 is in another state, the other state is deemed to be the state of the last known address of the apparent owner.

4. Address of insured or annuitant. The address of the apparent owner of a life or endowment insurance policy or annuity contract or its proceeds is presumed to be the address of the insured or annuitant if a person other than the insured or annuitant is entitled to the amount owed under the policy or contract and the address of the other person is not known by the insurance company and cannot be determined under section 2082.

§2082. Address of apparent owner in this State

The administrator may take custody of property that is presumed abandoned, whether located in this State, another state or a foreign country if:

1. Last known address in records of holder. The last known address of the apparent owner in the records of the holder is in this State; or

2. Determination by administrator. The records of the holder do not reflect the identity or last known address of the apparent owner, but the administrator has determined that the last known address of the apparent owner is in this State.

§2083. If records show multiple addresses of apparent owner

1. Most recently recorded address. Except as in subsection 2, if records of a holder reflect multiple addresses for an apparent owner and this State is the state of the most recently recorded address, this State may take custody of property presumed abandoned, whether located in this State or another state.

2. Next most recently recorded address. If it appears from records of the holder that the most recently recorded address of the apparent owner under subsection 1 is a temporary address and this State is the state of the next most recently recorded address that is not a temporary address, this State may take custody of the property presumed abandoned.

§2084. Holder domiciled in this State

1. Holder domiciled in this State. Except as in subsection 2 or section 2082 or 2083, the administrator

may take custody of property presumed abandoned, whether located in this State, another state or a foreign country, if the holder is domiciled in this State or is this State or a governmental subdivision, agency or instrumentality of this State and:

A. Another state or foreign country is not entitled to the property because there is no last known address of the apparent owner or other person entitled to the property in the records of the holder; or

B. The state or foreign country of the last known address of the apparent owner or other person entitled to the property does not provide for custodial taking of the property.

2. Holder deemed domiciled. If a holder's state of domicile has changed since the time property was presumed abandoned, the holder's state of domicile in this section is deemed to be the state where the holder was domiciled at the time the property was presumed abandoned.

§2085. Custody if transaction took place in this State

Except as in section 2082, 2083 or 2084, the administrator may take custody of property presumed abandoned whether located in this State or another state if:

1. Transaction in this State. The transaction out of which the property arose took place in this State;

2. Holder's domicile in another state. The holder is domiciled in a state that does not provide for the custodial taking of the property; and

3. Apparent owner or other person entitled. The last known address of the apparent owner or other person entitled to the property is unknown or in a state that does not provide for the custodial taking of the property.

§2086. Traveler's check, money order or similar instrument

The administrator may take custody of sums payable on a traveler's check, money order or similar instrument presumed abandoned to the extent permissible under 12 United States Code, Sections 2501 to 2503, as amended.

§2087. Burden of proof to establish administrator's right to custody

Subject to subchapter 4 and section 2165, if the administrator asserts a right to custody of unclaimed property and there is a dispute concerning the property, the administrator has the burden of proving:

1. Amount. The amount of the property;

2. Presumed abandoned. That the property is presumed abandoned; and

3. Custody of the administrator. That the property is subject to the custody of the administrator.

SUBCHAPTER 4
REPORT BY HOLDER

§2091. Report required by holder

1. Report by holder. A holder of property presumed abandoned and subject to the custody of the administrator shall report in a record to the administrator concerning the property in a format approved by the administrator.

2. Contract with 3rd party. A holder may contract with a 3rd party to make the report required under subsection 1.

3. Responsibilities of holder. Whether or not a holder contracts with a 3rd party under subsection 2, the holder is responsible:

A. To the administrator for the complete, accurate and timely reporting of property presumed abandoned; and

B. For paying or delivering to the administrator property described in the report.

§2092. Content of report

1. Report. The report required under section 2091 must:

A. Be signed by or on behalf of the holder and verified as to its completeness and accuracy;

B. Be filed electronically;

C. Describe the property;

D. Except for a traveler's check, money order or similar instrument, contain the name, if known, last known address, if known, and social security number or taxpayer identification number, if known or readily ascertainable;

E. For an amount held or owing under a life or endowment insurance policy, annuity contract or other property for which ownership vests in a beneficiary upon the death of the owner, contain the name and last known address of the insured, annuitant or other apparent owner of the policy or contract and of the beneficiary;

F. For property held in or removed from a safe deposit box, indicate the location of the property, where it may be inspected by the administrator and any amounts owed to the holder under section 2116;

G. Contain the commencement date for determining abandonment under subchapter 2;

H. State that the holder has complied with the notice requirements of section 2101;

I. Identify property that is a nonfreely transferable security and explain why it is a nonfreely transferable security; and

J. Contain other information the administrator prescribes by rule.

2. Aggregate items valued under \$50. A report under section 2091 may include in the aggregate items valued under \$50 each for which personal information, as defined in section 2211, subsection 1, concerning the owner is unknown.

3. Personal information. A report under section 2091 may include personal information as defined in section 2211, subsection 1 about the apparent owner or the apparent owner's property.

4. Former name, name of previous holder. If a holder has changed its name while holding property presumed abandoned or is a successor to another person that previously held the property for the apparent owner, the holder must include in the report under section 2091 its former name or the name of the previous holder, if any, and the known name and address of each previous holder of the property.

§2093. When report filed

1. November 1st. Except as otherwise provided in subsection 2 and subject to subsection 3, the report under section 2091 must be filed before November 1st of each year and cover the 12 months preceding July 1st of that year.

2. May 1st. Subject to subsection 3, a report under section 2091 containing information about life insurance policies, gift obligations and stored-value obligations must be filed before May 1st of each year for the immediately preceding calendar year.

3. Extension; payment. Before the date for filing the report under section 2091, the holder of property presumed abandoned may request the administrator to extend the time for filing. The administrator may grant an extension. If the extension is granted, the administrator may require the holder to pay or make a partial payment of the amount the holder estimates ultimately will be due. The payment or partial payment terminates accrual of interest on the amount paid.

§2094. Retention of records by holder

A holder required to file a report under section 2091 shall retain records for 10 years after the date the report was filed or the last date a timely report was due to be filed, whichever is later, unless a shorter period is provided by rule of the administrator. The holder may satisfy the requirement to retain records under this section through an agent. The records must contain:

1. Required information. The information required to be included in the report;

2. Date, place, nature of circumstances. The date, place and nature of the circumstances that gave rise to the property right;

3. Amount or value. The amount or value of the property;

4. Last known address of apparent owner. The last known address of the apparent owner, if known to the holder;

5. Items not reported unclaimed. Records of items that were not reported as unclaimed sufficient to allow examination to determine whether the holder has complied with the Act; and

6. Record of outstanding instruments. If the holder sells, issues or provides to others for sale or issue in this State traveler's checks, money orders or similar instruments, other than 3rd-party bank checks, on which the holder is directly liable, a record of the instruments while they remain outstanding indicating the state and date of issue.

§2095. Property reportable and payable or deliverable absent owner demand

Property is reportable and payable or deliverable under this Act even if the owner fails to make demand or present an instrument or document otherwise required to obtain payment.

SUBCHAPTER 5

NOTICE TO APPARENT OWNER OF PROPERTY PRESUMED ABANDONED

§2101. Notice to apparent owner by holder

1. Notice to apparent owner. Subject to subsection 2, the holder of property presumed abandoned shall send to the apparent owner notice by first class United States mail that complies with section 2102 in a format acceptable to the administrator not more than 180 days nor less than 60 days before filing the report under 2091 if:

A. The holder has in its records an address for the apparent owner that the holder's records do not disclose to be invalid and is sufficient to direct the delivery of first class United States mail to the apparent owner; and

B. The value of the property held for an owner in aggregate is \$50 or more.

2. E-mail. If an apparent owner has consented to receive e-mail delivery from the holder, the holder shall send the notice described in subsection 1 both by first class United States mail to the apparent owner's last known mailing address and by e-mail, unless the holder believes that the apparent owner's e-mail address is invalid.

3. Notice; tax deferred account or security. The holder of securities presumed abandoned under

section 2062, 2063 or 2068 shall send to the apparent owner notice by certified United States mail that complies with section 2102 in a format acceptable to the administrator not less than 60 days before filing the report under section 2091 if:

A. The holder has in its records an address for the apparent owner that the holder's records do not disclose to be invalid and that is sufficient to direct the delivery of United States mail to the apparent owner; and

B. The value of the property is \$1,000 or more.

4. Return receipt constitutes record communicated by apparent owner. In addition to other indications of an apparent owner's interest in property pursuant to section 2070, a signed return receipt in response to a notice sent pursuant to this section by certified United States mail constitutes a record communicated by the apparent owner to the holder concerning the property or the account in which the property is held.

§2102. Contents of notice by holder

1. Notice heading. Notice under section 2101 must contain a heading that reads substantially as follows: "Notice. The State of Maine requires us to notify you that your property may be transferred to the custody of the State Treasurer if you do not contact us before (insert date that is 30 days after the date of this notice)."

2. Notice contents. The notice under section 2101 must:

A. Identify the nature and, except for property that does not have a fixed value, the value of the property that is the subject of the notice;

B. State that the property will be turned over to the administrator;

C. State that after the property is turned over to the administrator an apparent owner that seeks return of the property must file a claim with the administrator;

D. State that property that is not legal tender of the United States may be sold by the administrator; and

E. Provide instructions that the apparent owner must follow to prevent the holder from reporting and paying or delivering the property to the administrator.

§2103. Notice by administrator

1. Website; apparent owners. The administrator shall maintain a website accessible by the public and electronically searchable that contains the names reported to the administrator of all apparent owners for whom property is being held by the administrator. The administrator may exclude certain properties from

publication on this website if reasonable exclusion serves the best interest of the State and the owner of the property.

2. Instructions for filing. The website must include instructions for filing with the administrator a claim to property.

3. Other communications and media. The administrator may use any printed publication, telecommunication, the Internet or other media to inform the public of the existence of unclaimed property held by the administrator.

§2104. Cooperation among state officers and agencies to locate apparent owner

Unless prohibited by law of this State other than this Act, on request of the administrator, each officer, agency, board, commission, division and department of this State, any body politic and corporate created by this State for a public purpose, and each political subdivision of this State shall make its books and records available to the administrator and cooperate with the administrator to determine the current address of an apparent owner of property held by the administrator under this Act or to otherwise assist the administrator in the administration of this Act. The administrator may also enter into data-sharing agreements to enable other governmental agencies to provide an additional notice to apparent owners of property held by the administrator.

SUBCHAPTER 6

TAKING CUSTODY OF PROPERTY BY ADMINISTRATOR

§2111. Definition of good faith

In this subchapter, payment or delivery of property is made in good faith if a holder:

1. Reasonable basis. Had a reasonable basis for believing, based on the facts then known, that the property was required or permitted to be paid or delivered to the administrator under this Act; or

2. Payment or delivery. Made payment or delivery:

A. In response to a demand by the administrator or administrator's agent; or

B. Under a guidance or ruling issued by the administrator that the holder reasonably believed required or permitted the property to be paid or delivered.

§2112. Dormancy charge

1. Deduct dormancy charge. A holder may deduct a dormancy charge from property required to be paid or delivered to the administrator if:

A. A valid contract between the holder and the apparent owner authorizes imposition of the

charge for the apparent owner's failure to claim the property within a specified time; and

B. The holder regularly imposes the charge and regularly does not reverse or otherwise cancel the charge.

2. Not unconscionable amount. The amount of the deduction under subsection 1 is limited to an amount that is not unconscionable considering all relevant factors, including the marginal transactional costs incurred by the holder in maintaining the apparent owner's property and any services received by the apparent owner.

§2113. Payment or delivery of property to administrator

1. Payment or delivery. Except as otherwise provided in this section, on filing a report under section 2091, the holder shall pay or deliver to the administrator the property described in the report.

2. Extension of date. If property in a report under section 2091 is an automatically renewable deposit and a penalty or forfeiture in the payment of interest would result from paying the deposit to the administrator at the time of the report, the date for payment of the property to the administrator is extended until a penalty or forfeiture no longer would result from payment, if the holder informs the administrator of the extended date.

3. Delivery of tangible property in safe deposit box. Tangible property in a safe deposit box may not be delivered to the administrator until a mutually agreed upon date no sooner than 120 days after filing the report under section 2091.

4. Security. If property reported to the administrator under section 2091 is a security, the administrator may:

A. Make an endorsement, instruction or entitlement order on behalf of the apparent owner to invoke the duty of the issuer, its transfer agent or the securities intermediary to transfer the security; or

B. Dispose of the security under section 2132.

5. Issuer of certificated security. If the holder of property reported to the administrator under section 2091 is the issuer of a certificated security, the administrator may obtain a replacement certificate in physical or book-entry form under Title 11, section 8-1405. An indemnity bond is not required.

6. Securities procedures. The administrator shall establish procedures for the registration, issuance, method of delivery, transfer and maintenance of securities delivered to the administrator by a holder.

7. No liability after delivered. An issuer, holder and transfer agent or other person acting in good faith

under this section under instructions of and on behalf of the issuer or holder is not liable to the apparent owner for, and must be indemnified by the State against, a claim arising with respect to property after the property has been delivered to the administrator.

8. Nonfreely transferable security. A holder is not required to deliver to the administrator a security identified by the holder as a nonfreely transferable security. If the administrator or holder determines that a security is no longer a nonfreely transferable security, the holder shall deliver the security on the next regular date prescribed for delivery of securities under this Act. The holder shall make a determination annually whether a security identified in a report filed under section 2091 as a nonfreely transferable security is no longer a nonfreely transferable security.

§2114. Effect of payment or delivery of property to administrator

1. No liability of holder on payment or delivery. On payment or delivery of property to the administrator under this Act, the administrator as agent for the State assumes custody and responsibility for safekeeping the property. A holder that pays or delivers property to the administrator in good faith and substantially complies with sections 2101 and 2102 is relieved of liability arising thereafter with respect to payment or delivery of the property to the administrator.

2. State indemnification. This State shall defend and indemnify a holder against liability on a claim against the holder resulting from the payment or delivery of property to the administrator made in good faith and after the holder substantially complied with sections 2101 and 2102.

§2115. Recovery of property by holder from administrator

1. Claim for reimbursement. A holder that under this Act pays money to the administrator may file a claim for reimbursement from the administrator of the amount paid if the holder:

- A. Paid the money in error; or
- B. After paying the money to the administrator, paid money to a person the holder reasonably believed entitled to the money.

2. Proof instrument presented and paid. If a claim for reimbursement under subsection 1 is made for a payment made on a negotiable instrument, including a traveler's check, money order or similar instrument, the holder must submit proof that the instrument was presented and payment was made to a person the holder reasonably believed entitled to payment. The holder may claim reimbursement even if the payment was made to a person whose claim was made after expiration of a period of limitation on the

owner's right to receive or recover property, whether specified by contract, statute or court order.

3. Income or gain. If a holder is reimbursed by the administrator under subsection 1, paragraph B, the holder may also recover from the administrator income or gain under section 2117 that would have been paid to the owner if the money had been claimed from the administrator by the owner to the extent the income or gain was paid by the holder to the owner.

4. Property other than money, claim for return. A holder that under this Act delivers property other than money to the administrator may file a claim for return of the property from the administrator if:

- A. The holder delivered the property in error; or
- B. The apparent owner has claimed the property from the holder.

5. Evidence property claimed. If a claim for return of property under subsection 4 is made, the holder shall include with the claim evidence sufficient to establish that the apparent owner has claimed the property from the holder or that the property was delivered by the holder to the administrator in error.

6. Affidavit sufficient. The administrator may determine that an affidavit submitted by a holder is evidence sufficient to establish that the holder is entitled to reimbursement or to recover property under this section.

7. No fee or other charge. A holder is not required to pay a fee or other charge for reimbursement or return of property under this section.

8. Determination on claim. Not later than 90 days after a claim is filed under subsection 1 or 4, the administrator shall allow or deny the claim and give the claimant notice of the decision in a record. If the administrator does not take action on a claim during the 90-day period, the claim is deemed denied.

9. Claim in Superior Court. A person aggrieved by a decision of the administrator may maintain an original action to establish the claim in the Superior Court of Kennebec County naming the administrator as a defendant.

§2116. Property removed from safe deposit box

Property removed from a safe deposit box and delivered under this Act to the administrator is subject to the holder's right to reimbursement for the cost of opening the box and a lien or contract providing reimbursement to the holder for unpaid rent charges for the box. The administrator shall reimburse the holder from the proceeds remaining after deducting the expense incurred by the administrator in selling the property.

§2117. Crediting income or gain to owner's account

1. Income or gain realized. If property other than money is delivered to the administrator, the owner is entitled to receive from the administrator income or gain realized or accrued on the property before the property is sold. If the property was an interest-bearing demand, savings or time deposit, the administrator shall pay interest at the current 10-year average cash pool rate. Interest is calculated from the date the property is delivered to the administrator and ends on the expiration of 10 years after its delivery or the date on which payment is made to the owner, whichever is earlier.

2. Period before effective date. Interest on interest-bearing property is not payable under this section for any period before the effective date of this Act, unless authorized by former chapter 41.

§2118. Administrator's options as to custody

1. Custody declined. The administrator may decline to take custody of property reported under section 2091 if the administrator determines that:

- A. The property has a value less than the estimated expenses of notice and sale of the property; or
- B. Taking custody of the property would be unlawful.

2. Before presumed abandoned. A holder may pay or deliver property to the administrator before the property is presumed abandoned under this Act if the holder:

- A. Provides the apparent owner of the property notice required by section 2101 and provides the administrator evidence of the holder's compliance with this paragraph;
- B. Includes with the payment or delivery a report regarding the property conforming to section 2092; and
- C. First obtains the administrator's consent in a record to accept payment or delivery. The holder's request must be in writing.

3. Presumed abandoned. On payment or delivery of property under subsection 2, the property is presumed abandoned.

§2119. Disposition of property having no substantial value; immunity from liability

1. Return to holder. If the administrator takes custody of property delivered under this Act and later determines that the property has no substantial commercial value or that the cost of disposing of the property will exceed the value of the property, the administrator may return the property to the holder or destroy or otherwise dispose of the property.

2. Immunity from liability. An action or proceeding may not be commenced against the State, an agency of the State, the administrator, another officer, employee or agent of the State or a holder for or because of an act of the administrator under this section, except for intentional misconduct or malfeasance.

§2120. Periods of limitation and repose

1. Holder's duty to pay or deliver. Expiration, before, on or after October 1, 2019, of a period of limitation on an owner's right to receive or recover property, whether specified by contract, statute or court order, does not prevent the property from being presumed abandoned or affect the duty of a holder under this Act to file a report or pay or deliver property to the administrator.

2. Proceeding within 5 years after nonfraudulent report. The administrator may not commence an action or proceeding to enforce this Act with respect to the reporting, payment or delivery of property more than 5 years after the holder filed a nonfraudulent report under section 2091 with the administrator. The parties may agree in a record to extend the limitation in this subsection.

3. Proceeding within 10 years after duty arose. The administrator may not commence an action, proceeding or examination with respect to a duty of a holder under this Act more than 10 years after the duty arose.

SUBCHAPTER 7**SALE OF PROPERTY BY ADMINISTRATOR****§2131. Public sale of property**

1. Sale after one year. Subject to section 2132, not earlier than one year after receipt of property presumed abandoned, the administrator may sell the property.

2. Notice of sale. Before selling property under subsection 1, the administrator shall give notice to the public of:

- A. The date of the sale; and
- B. The nature of the property.

3. Sale to highest bidder. A sale under subsection 1 must be to the highest bidder:

- A. At public sale at a location in this State that the administrator determines to be the most favorable market for the property;
- B. On the Internet; or
- C. On another forum the administrator determines is likely to yield the highest net proceeds of sale.

4. Highest bid insufficient. The administrator may decline the highest bid at a sale under this section

and reoffer the property for sale if the administrator determines the highest bid is insufficient.

5. Publication of notice. If a sale held under this section is to be conducted other than on the Internet, the administrator may publish at least one notice of the sale, at least 2 weeks but not more than 10 weeks before the sale.

§2132. Disposal of securities

1. Sell or liquidate security after one year. Except as provided in section 2155, subsection 1, the administrator may not sell or otherwise liquidate a security until one year after the administrator receives the security.

2. Price of security. The administrator may not sell a security listed on an established stock exchange for less than the price prevailing on the exchange at the time of sale. The administrator may sell a security not listed on an established exchange by any commercially reasonable method.

§2133. Recovery of securities or value by owner

1. Claim for securities sold before one year after delivery. If securities are sold by the administrator before the expiration of one year after their delivery to the administrator, a person making a claim under this Act before the end of the one-year period is entitled to the proceeds of the sale of the securities or the market value of the securities at the time the claim is made, whichever is greater, plus dividends, interest and other increments thereon up to the time the claim is made, less any deduction for expenses of sale. A person making a claim under this Act after the expiration of the one-year period is entitled to receive the securities delivered to the administrator by the holder, if the securities remain in the custody of the administrator, or the net proceeds received from sale and is not entitled to receive any appreciation in the value of the property occurring after delivery to the administrator, except in a case of intentional misconduct or malfeasance by the administrator.

2. Claim for securities of a single issue. Notwithstanding this section, the administrator may sell the securities of any single issue for which custodial costs are likely to exceed value 90 days or more after the securities have been published pursuant to section 2103. A person making a claim under this Act after the securities have been sold is entitled only to the net proceeds received from the sale.

§2134. Purchaser owns property after sale

A purchaser of property at a sale conducted by the administrator under this Act takes the property free of all claims of the owner, a previous holder or a person claiming through the owner or holder. The administrator shall execute documents necessary to complete the transfer of ownership to the purchaser.

§2135. Military medal or decoration

1. Sale prohibited. The administrator may not sell a medal or decoration awarded for military service in the Armed Forces of the United States.

2. Delivery of medal or decoration. The administrator, with the consent of the respective organization under paragraph A, agency under paragraph B or entity under paragraph C, may deliver a medal or decoration described in subsection 1, to be held in custody for the owner, to:

A. A military veterans' organization qualified under the federal Internal Revenue Code of 1986, 26 United States Code, Section 501(c)(19), as amended;

B. The agency that awarded the medal or decoration; or

C. A governmental entity.

3. Not responsible after delivery. On delivery under subsection 2, the administrator is not responsible for safekeeping the medal or decoration.

SUBCHAPTER 8

ADMINISTRATION OF PROPERTY

§2141. Deposit of funds by administrator

1. Unclaimed Property Fund. The administrator shall deposit in the Unclaimed Property Fund all funds received under this Act, including proceeds from the sale of property under subchapter 7. The Unclaimed Property Fund is a permanent account and may not lapse, but must be carried forward.

2. Payment of claims from Unclaimed Property Fund. The administrator shall make prompt payment of claims the administrator duly allows as provided for in this Act from the Unclaimed Property Fund under subsection 1. This shall constitute an irrevocable and continuing appropriation of all amounts in the Unclaimed Property Fund necessary to make prompt payment of claims duly allowed by the administrator pursuant to this Act.

§2142. Administrator to retain records of property

The administrator shall:

1. Name and address of apparent owners. Record and retain the name and last known address of each person shown on a report filed under section 2091 to be the apparent owner of property delivered to the administrator;

2. Name and address of insureds, annuitants and beneficiaries. Record and retain the name and last known address of each insured or annuitant and beneficiary shown on the report;

3. Policy or account number, company and amount. For each policy of insurance or annuity con-

tract listed in the report of an insurance company, record and retain the policy or account number, the name of the company and the amount due or paid; and

4. Holder that filed report. For each apparent owner listed in the report, record and retain the name of the holder that filed the report and the amount due or paid.

§2143. Expenses and service charges of administrator

Before making a deposit of funds received under this Act to the Unclaimed Property Fund under section 2141, the administrator may deduct:

1. Expenses of disposition of property. Expenses of disposition of property delivered to the administrator under this Act;

2. Costs of mailing and publication. Costs of mailing and publication in connection with property delivered to the administrator under this Act;

3. Reasonable service charges. Reasonable service charges; and

4. Expenses incurred. Expenses incurred in examining records of or collecting property from a putative holder or holder.

At the end of each year or more often, the administrator shall transfer to the General Fund all money in the Unclaimed Property Fund under section 2141 that is in excess of \$500,000.

§2144. Administrator holds property as custodian for owner

Except as provided in section 2072, property received by the administrator under this Act is held in custody for the benefit of the owner and is not owned by the State.

SUBCHAPTER 9

CLAIM TO RECOVER PROPERTY FROM ADMINISTRATOR

§2151. Claim of another state to recover property

1. Subject to superior claim of another state. If the administrator knows that property held by the administrator under this Act is subject to a superior claim of another state, the administrator shall:

A. Report and pay or deliver the property to the other state; or

B. Return the property to the holder so that the holder may pay or deliver the property to the other state.

2. Agreement to transfer not required. The administrator is not required to enter into an agreement to transfer property to the other state under subsection 1.

§2152. When property subject to recovery by another state

1. Subject to right of another state. Property held under this Act by the administrator is subject to the right of another state to take custody of the property if:

A. The property was paid or delivered to the administrator because the records of the holder did not reflect a last known address in the other state of the apparent owner and:

(1) The other state establishes that the last known address of the apparent owner or other person entitled to the property was in the other state; or

(2) Under the law of the other state, the property has become subject to a claim by the other state of abandonment;

B. The records of the holder did not accurately identify the owner of the property, the last known address of the owner was in another state and, under the law of the other state, the property has become subject to a claim by the other state of abandonment;

C. The property was subject to the custody of the administrator under section 2085 and, under the law of the state of domicile of the holder, the property has become subject to a claim by the state of domicile of the holder of abandonment; or

D. The property:

(1) Is a sum payable on a traveler's check, money order or similar instrument that was purchased in the other state and delivered to the administrator under section 2086; and

(2) Under the law of the other state, has become subject to a claim by the other state of abandonment.

2. Form prescribed. A claim by another state to recover property under this section must be presented in a form prescribed by the administrator, unless the administrator waives presentation of the form.

3. Decision within 90 days. The administrator shall decide a claim under this section not later than 90 days after it is presented. If the administrator determines that the other state is entitled under subsection 1 to custody of the property, the administrator shall allow the claim and pay or deliver the property to the other state.

4. May require indemnification. The administrator may require another state, before recovering property under this section, to agree to indemnify this State and its agents, officers and employees against any liability on a claim to the property.

§2153. Claim for property by person claiming to be owner

1. Claim for property. A person claiming to be the owner of property held under this Act by the administrator may file a claim for the property on a form prescribed by the administrator. The claimant must verify the claim as to its completeness and accuracy.

2. Waive; pay or deliver directly. The administrator may waive the requirement in subsection 1 and may pay or deliver property directly to a person if:

A. The person receiving the property or payment is shown to be the apparent owner included on a report filed under section 2091; and

B. The administrator reasonably believes the person is entitled to receive the property or payment.

If a claimant has an agreement pursuant to subchapter 13 with a professional investigator licensed under Title 32, chapter 89, the administrator shall deliver the payment or property to the professional investigator.

§2154. When administrator must honor claim for property

1. Administrator shall pay claim. The administrator shall pay or deliver property to a claimant under section 2153, subsection 1 if the administrator receives evidence sufficient to establish to the satisfaction of the administrator that the claimant is the owner of the property.

2. Approve or deny claim within 90 days. Not later than 90 days after a claim is filed and completed under section 2153, subsection 1, the administrator shall approve or deny the claim and give the claimant, or professional investigator licensed under Title 32, chapter 89 under an agreement with the claimant pursuant to subchapter 13, notice in a record of the decision. A claim is complete when a claimant has provided all the information and documentation requested by the administrator necessary to prove legal ownership of the property.

3. Claim denied; procedure; amended claim. If the claim is denied under subsection 2:

A. The administrator shall inform the claimant, or professional investigator under an agreement with the claimant pursuant to subchapter 13, of the reason for the denial; and

B. The claimant, or professional investigator under an agreement with the claimant pursuant to subchapter 13, may file an amended claim with the administrator or commence an action under section 2156.

4. Claim deemed denied. If the administrator does not take action on a claim during the 90-day period under subsection 2, the claim is deemed denied.

§2155. Allowance of claim for property

1. Pay or deliver within 30 days. Not later than 30 days after a claim is approved under section 2154, subsection 2, the administrator shall pay or deliver to the owner the property or pay to the owner the net proceeds of a sale of the property, together with income or gain to which the owner is entitled under section 2117. If a claimant has an agreement pursuant to subchapter 13 with a professional investigator licensed under Title 32, chapter 89, the administrator shall deliver the payment or property to the professional investigator. On request of the owner, the administrator may sell or liquidate a security and pay the net proceeds to the owner, even if the security had been held by the administrator for less than one year or the administrator has not complied with the notice requirements under section 2131.

2. Subject to claim. Property held under this Act by the administrator is subject to a claim for the payment of an enforceable debt the owner owes in this State for:

A. Child support arrearages, including child support collection costs and child support arrearages that are combined with maintenance;

B. A final court judgment; or

C. State or federal taxes, penalties and interest that have been determined to be delinquent by the relevant tax authority.

§2156. Action by person whose claim is denied

Not later than one year after being denied a claim under section 2154, the claimant may commence an action against the administrator in the Superior Court of Kennebec County to establish a claim.

SUBCHAPTER 10**VERIFIED REPORT OF PROPERTY;
EXAMINATION OF RECORDS****§2161. Verified report of property**

If a person does not file a report required by section 2091 or the administrator believes that a person may have filed an inaccurate, incomplete or false report, the administrator may require the person to file a verified report in a form prescribed by the administrator. The verified report must:

1. Reportable property. State whether the person is holding property reportable under this Act;

2. Describe property. Describe property not previously reported or about which the administrator has inquired;

3. Specifically identify disputed property. Specifically identify property described under subsection 2 about which there is a dispute whether it is reportable under this Act; and

4. Amount or value. State the amount or value of the property.

§2162. Examination of records to determine compliance

The administrator, at reasonable times and on reasonable notice, may:

1. Examine records. Examine the records of a person, including examination of appropriate records in the possession of an agent of the person under examination, if the records are reasonably necessary to determine whether the person has complied with this Act;

2. Issue administrative subpoena. Issue an administrative subpoena requiring the person under subsection 1 or agent of the person to make records available for examination;

3. Examination even if person believes not in possession. The administrator may conduct the examination under subsection 1 even if the person believes it is not in possession of any property that must be reported, paid or delivered under this Act; and

4. Bring enforcement action. Bring an action seeking judicial enforcement of the subpoena under subsection 2.

§2163. Rules for conducting examination

The administrator may adopt rules governing procedures and standards for an examination under section 2162.

§2164. Records obtained in examination

Records obtained and records compiled, including work papers, by the administrator in the course of conducting an examination under section 2162:

1. Confidentiality and security provisions. Are subject to the confidentiality and security provisions of subchapter 14 and are not public records;

2. Use to collect property, enforce the Act. May be used by the administrator in an action to collect property or otherwise enforce this Act;

3. Use in joint examination. May be used in a joint examination conducted with another state, the United States, a foreign country or subordinate unit of a foreign country, or any other governmental entity if the governmental entity conducting the examination is legally bound to maintain the confidentiality and security of information obtained from a person subject to examination in a manner substantially equivalent to that under subchapter 14;

4. Disclosure. Must be disclosed, on request, to the person that administers the unclaimed property law of another state for that state's use in circumstances equivalent to circumstances described in this subchapter, if the other state is required to maintain the confi-

deniality and security of information obtained in a manner substantially equivalent to that under subchapter 14;

5. Produced pursuant to subpoena. Must be produced by the administrator under an administrative or judicial subpoena or administrative or court order; and

6. Produced upon request in proceeding. Must be produced by the administrator on request of the person subject to the examination in an administrative or judicial proceeding relating to the property.

§2165. Evidence of unpaid debt or undischarged obligation

1. Prima facie evidence of debt or obligation. A record of a putative holder showing an unpaid debt or undischarged obligation is prima facie evidence of the debt or obligation.

2. Preponderance of evidence. A putative holder may establish by a preponderance of the evidence that there is no unpaid debt or undischarged obligation for a debt or obligation described in subsection 1 or that the debt or obligation was not, or no longer is, a fixed and certain obligation of the putative holder.

3. Overcome prima facie evidence. A putative holder may overcome prima facie evidence under subsection 1 by establishing by a preponderance of the evidence that a check, draft or similar instrument was:

A. Issued as an unaccepted offer in settlement of an unliquidated amount;

B. Issued but later was replaced with another instrument because the earlier instrument was lost or contained an error that was corrected;

C. Issued to a party affiliated with the issuer;

D. Paid, satisfied or discharged;

E. Issued in error;

F. Issued without consideration;

G. Issued but there was a failure of consideration;

H. Voided not later than 90 days after issuance for a valid business reason set forth in a contemporaneous record; or

I. Issued but not delivered to a 3rd-party payee for a sufficient reason recorded within a reasonable time after issuance.

4. Evidence of course of dealing. In asserting a defense under this section, and subject to section 2094, a putative holder may present evidence of a course of dealing between the putative holder and the apparent owner.

§2166. Failure of person examined to retain records

If a person subject to examination under section 2162 does not retain the records as required by section 2094, the administrator may determine the value of property due using a reasonable method of estimation based on all information available to the administrator, including extrapolation and use of statistical sampling when appropriate and necessary, consistent with examination procedures and standards adopted under and in accordance with section 2163.

§2167. Report to person whose records were examined

At the conclusion of an examination under section 2162, upon request, the administrator shall provide to the person whose records were examined a report that specifies:

1. **Work performed.** The work performed;
2. **Property types.** The property types reviewed;
3. **Methodology.** The methodology of any estimation technique, extrapolation or statistical sampling used in conducting the examination;
4. **Calculation.** Each calculation showing the value of property determined to be due; and
5. **Findings.** The findings of the person conducting the examination.

§2168. Complaint to administrator about conduct of person conducting examination

If a person subject to examination under section 2162 believes the person conducting the examination has made an unreasonable or unauthorized request or is not proceeding expeditiously to complete the examination, the person in a record may ask the administrator to intervene and take appropriate remedial action, including countermanding the request of the person conducting the examination, imposing a time limit for completion of the examination or reassigning the examination to another person. The administrator shall respond to all such requests within 30 days of receipt of the complaint.

§2169. Administrator's contract to conduct examination

The administrator may contract with a person to conduct an examination under this subchapter.

§2170. Determination of liability for unreported reportable property

If the administrator determines from an examination conducted under section 2162 that a putative holder failed or refused to pay or deliver to the administrator property that is reportable under this Act, the administrator shall issue a determination of the putative holder's liability to pay or deliver and shall give

notice in a record to the putative holder of the determination.

SUBCHAPTER 11**DETERMINATION OF LIABILITY; PUTATIVE HOLDER REMEDIES****§2181. Informal conference**

1. **Request for informal conference.** Not later than 30 days after receipt of a notice under section 2170, the putative holder may request an informal conference with the administrator to review the determination. The holder must include in the request the specific items to be discussed. Except as otherwise provided in this section, the administrator may designate an employee to act on behalf of the administrator.

2. **Response to request for informal conference.** If a putative holder makes a timely request under subsection 1 for an informal conference:

A. Not later than 30 days after the date of the request, the administrator shall set the time and place of the conference;

B. The administrator shall give the putative holder notice in a record of the time and place of the conference;

C. The conference may be held in person, by telephone or by electronic means, as determined by the administrator;

D. The request tolls the 90-day period under sections 2183 and 2184 until notice of a decision under paragraph G has been given to the putative holder or the putative holder withdraws the request for the conference;

E. The conference may be postponed, adjourned and reconvened as the administrator determines appropriate;

F. The administrator or administrator's designee with the approval of the administrator may modify a determination made under section 2170 or withdraw the determination; and

G. The administrator shall issue a decision in a record and provide a copy of the record to the putative holder and examiner not later than 30 days after the conference ends.

3. **Conference not administrative remedy; procedure.** A conference under subsection 1 is not an administrative remedy. An oath is not required and rules of evidence do not apply in the conference.

4. **Opportunity to confer informally.** At a conference under subsection 2, the putative holder must be given an opportunity to confer informally with the administrator and the person that examined the records of the putative holder to:

A. Discuss the determination made under section 2170; and

B. Present any issue concerning the validity of the determination made under section 2170.

5. Failure to act within period. If the administrator fails to act within the period prescribed in subsection 2, paragraph A or G, the failure does not affect a right of the administrator, except that interest does not accrue on the amount for which the putative holder was determined to be liable under section 2170 during the period in which the administrator failed to act until the earlier of:

A. The date under section 2183 on which the putative holder initiates administrative review or the date on which the putative holder files an action under section 2184; and

B. Ninety days after the putative holder received notice of the administrator's determination under section 2170 if no review was initiated under section 2183 and no action was filed under section 2184.

6. Informal conference before administrative review. The administrator may hold an informal conference with a putative holder about a determination under section 2170 without a request at any time before the putative holder initiates administrative review under section 2183 or files an action under section 2184.

7. Interest and penalties. Interest and penalties under section 2194 continue to accrue on property not reported, paid or delivered as required by this Act after the initiation, and during the pendency, of an informal conference under this section.

§2182. Review of administrator's determination

A putative holder may seek relief from a determination under section 2170 by:

1. Administrative review. Administrative review under section 2183; or

2. Judicial review. Judicial review under section 2184.

§2183. Administrative review

1. Review under Maine Administrative Procedure Act. Not later than 90 days after receiving notice of the administrator's determination under section 2170, a putative holder may initiate a proceeding under the Maine Administrative Procedure Act for review of the administrator's determination.

2. Judicial review; de novo proceeding. A final decision in an administrative proceeding initiated under subsection 1 is subject to judicial review by the Superior Court as a matter of right in a de novo proceeding on the record in which either party is entitled to introduce evidence as a supplement to the record.

§2184. Judicial remedy

1. Action by putative holder. Not later than 90 days after receiving notice of the administrator's determination under section 2170, the putative holder may:

A. File an action against the administrator in the Superior Court of Kennebec County challenging the administrator's determination of liability and seeking a declaration that the determination is unenforceable, in whole or in part; or

B. Pay the amount or deliver the property determined by the administrator to be paid or delivered to the administrator and, not later than 6 months after payment or delivery, file an action against the administrator in the Superior Court of Kennebec County for a refund of all or part of the amount paid or return of all or part of the property delivered.

2. Continue action. If a putative holder pays or delivers property that the administrator determined must be paid or delivered to the administrator at any time after the putative holder files an action under subsection 1, paragraph A, the court shall continue the action as if it had been filed originally as an action for a refund or return of property under subsection 1, paragraph B.

SUBCHAPTER 12

ENFORCEMENT BY ADMINISTRATOR

§2191. Judicial action to enforce liability

1. Enforcement of determination. If a determination under section 2170 becomes final and is not subject to administrative or judicial review, the administrator may commence an action in the Superior Court of Kennebec County or in an appropriate court of another state to enforce the determination and secure payment or delivery of past due, unpaid or undeliverable property. The action must be brought not later than 5 years after the determination becomes final.

2. Court having jurisdiction. In an action under subsection 1, if no court in this State has jurisdiction over the defendant, the administrator may commence an action in any court having jurisdiction over the defendant.

§2192. Interstate and international agreement; cooperation

1. Exchange or examination. Subject to subsection 2, the administrator may:

A. Exchange information with another state or foreign country relating to property presumed abandoned or relating to the possible existence of property presumed abandoned; and

B. Authorize in a record another state or foreign country or a person acting on behalf of the other

state or country to examine the administrator's records of a putative holder as provided in subchapter 10.

2. Confidentiality and security protections. An exchange or examination under subsection 1 may be done only if the state or foreign country has confidentiality and security requirements substantially equivalent to those in subchapter 14 or agrees in a record to be bound by this State's confidentiality and security requirements.

§2193. Action involving another state or foreign country

1. Joint examination and enforcement. The administrator may join another state or foreign country to examine and seek enforcement of this Act against a putative holder.

2. Action by Attorney General. On request of another state or foreign country, the Attorney General may commence an action on behalf of the other state or country to enforce in this State the law of the other state or country against a putative holder subject to a claim by the other state or country.

3. Requested action in another state or foreign country. The administrator may request the official authorized to enforce the unclaimed property law of another state or foreign country to commence an action to recover property in the other state or country on behalf of the administrator. This State may pay the costs, including reasonable attorney's fees and expenses, incurred by the other state or foreign country in an action under this subsection.

4. Recovery of property in another state. The administrator may pursue an action on behalf of this State to recover property subject to this Act but delivered to the custody of another state if the administrator believes the property is subject to the custody of the administrator.

5. Retain an attorney. With the consent of the Attorney General, the administrator may retain an attorney in this State, another state or a foreign country to commence an action to recover property on behalf of the administrator and may agree to pay attorney's fees based in whole or in part on a fixed fee, hourly fee or a percentage of the amount or value of property recovered in the action.

6. Expenses. Expenses incurred by this State in an action under this section may be paid from property received under this Act or the net proceeds of the property. Expenses paid to recover property may not be deducted from the amount that is subject to a claim under this Act by the owner.

§2194. Interest and penalty for failure to act in timely manner

1. Interest. A holder that fails to report, pay or deliver property within the time prescribed by this Act shall pay to the administrator interest at an annual rate of 18%, or 10% above the annual rate of discount in effect on the date the property should have been paid or delivered for the most recent issue of 52-week United States Treasury bills, on the property or value thereof from the date the property should have been reported, paid or delivered.

2. Civil penalty. Except as otherwise provided in section 2195 or 2196, the administrator may require a holder that fails to report, pay or deliver property within the time prescribed by this Act to pay to the administrator, in addition to interest included under subsection 1, a civil penalty of \$200 for each day the duty is not performed, up to a cumulative maximum amount of \$5,000.

§2195. Other civil penalties

1. Evading obligation or willfully failing to perform. If a holder enters into a contract or other arrangement for the purpose of evading an obligation under this Act or otherwise willfully fails to perform a duty imposed on the holder under this Act, the administrator may require the holder to pay the administrator, in addition to interest as provided in section 2194, subsection 1, a civil penalty of \$1,000 for each day the obligation is evaded or the duty is not performed, up to a cumulative maximum amount of \$25,000, plus 25% of the amount or value of property that should have been but was not reported, paid or delivered as a result of the evasion or failure to perform.

2. Fraudulent report. If a holder makes a fraudulent report under this Act, the administrator may require the holder to pay to the administrator, in addition to interest under section 2194, subsection 1, a civil penalty of \$1,000 for each day from the date the report was made until corrected, up to a cumulative maximum of \$25,000, plus 25% of the amount or value of any property that should have been reported but was not included in the report or was underreported.

3. Lack of knowledge of death. A holder who fails to report, pay or deliver property within the time prescribed by this Act is not required to pay interest under section 2194, subsection 1 or subject to penalties under section 2194, subsection 2 if the failure to report, pay or deliver the property was due to lack of knowledge of a death that established the period of abandonment under this Act.

§2196. Waiver of interest and penalty

The administrator:

1. Waive interest and penalties. May waive, in whole or in part, interest under section 2194, subsec-

tion 1 and penalties under section 2194, subsection 2 or section 2195; and

2. Good faith, without negligence. Shall waive a penalty under section 2194, subsection 2 if the administrator determines that the holder acted in good faith and without negligence.

SUBCHAPTER 13

AGREEMENT TO LOCATE PROPERTY OF APPARENT OWNER HELD BY ADMINISTRATOR

§2201. Agreements to locate property

1. Agreements within 24 months. An agreement by an owner the primary purpose of which is to locate, deliver, recover or assist in the recovery of property that is presumed abandoned is void and unenforceable if it was entered into during the period commencing on the date the property was presumed abandoned and extending to a time that is 24 months after the date the property is paid or delivered to the administrator. This subsection does not apply to an owner's agreement with an attorney to file a claim as to identified property or contest the administrator's denial of a claim.

2. Agreement requirements. An agreement by an owner the primary purpose of which is to locate, deliver, recover or assist in the recovery of property is enforceable only if the agreement is in writing, clearly sets forth the nature of the property and the services to be rendered, is signed by the apparent owner and states the value of the property before and after the fee or other compensation has been deducted.

3. Mineral proceeds. If an agreement covered by this section applies to mineral proceeds and the agreement contains a provision to pay compensation that includes a portion of the underlying minerals or any mineral proceeds not then presumed abandoned, the provision is void and unenforceable.

4. Unconscionable compensation. An agreement covered by this section that provides for compensation that is unconscionable is unenforceable except by the owner. An owner who has agreed to pay compensation that is unconscionable, or the administrator on behalf of the owner, may maintain an action to reduce the compensation to a conscionable amount. The court may award reasonable attorney's fees to an owner who prevails in the action.

5. Other grounds not precluded. This section does not preclude an owner from asserting that an agreement covered by this section is invalid on grounds other than unconscionable compensation.

6. Limitation on fees or compensation. Fees or compensation under agreements made more than 24 months but less than 36 months after the date the

property is paid or delivered to the administrator may not exceed 15%.

7. Unfair trade practice. A person who makes a claim for compensation in violation of this section commits an unfair trade practice in violation of Title 5, section 207.

SUBCHAPTER 14

CONFIDENTIALITY AND SECURITY OF INFORMATION

§2211. Definitions; applicability

1. Personal information defined. As used in this subchapter, "personal information" means:

A. Information that identifies or reasonably can be used to identify an individual, such as first and last name in combination with the individual's:

- (1) Social security number or other government-issued number or identifier;
- (2) Date of birth;
- (3) Home or physical address;
- (4) E-mail address or other online contact information or Internet protocol address;
- (5) Financial account number or credit or debit card number;
- (6) Biometric data, health or medical data or insurance information; or
- (7) Passwords or other credentials that permit access to an online or other account;

B. Personally identifiable financial or insurance information, including nonpublic personal information defined by applicable federal law; and

C. Any combination of data that, if accessed, disclosed, modified or destroyed without authorization of the owner of the data or if lost or misused, would require notice or reporting under Title 10, section 1348 and federal privacy and data security law, whether or not the administrator or the administrator's agent is subject to the law.

2. Applies to administrator's agent. A provision of this subchapter that applies to the administrator or the administrator's records applies to an administrator's agent.

§2212. Confidential information

1. Confidential. Except as otherwise provided in this Act, the following are confidential and exempt from public inspection and disclosure:

A. Records of the administrator and the administrator's agent related to the administration of this Act;

B. Reports and records of a holder in the possession of the administrator or the administrator's agent;

C. Personal information and other information derived or otherwise obtained by or communicated to the administrator or the administrator's agent from an examination under this Act of the records of a person; and

D. The identity of a person subject to an examination under section 2162.

2. Continues to be confidential. A record or other information that is confidential under the laws of this State other than this Act, of another state or of the United States continues to be confidential when disclosed or delivered under this Act to the administrator or administrator's agent.

§2213. When confidential information may be disclosed

1. To enforce or implement Act. When reasonably necessary to enforce or implement this Act, the administrator may disclose confidential information concerning property held by the administrator or the administrator's agent only to:

A. An apparent owner or the apparent owner's attorney, other legal representative or relative;

B. The personal representative, executor, other legal representative or relative of a deceased apparent owner or a person entitled to inherit from a deceased apparent owner;

C. Another department or agency of this State or the United States;

D. The person that administers the unclaimed property law of another state, if the other state accords substantially reciprocal privileges to the administrator and if the other state is required to maintain the confidentiality and security of obtained information in a manner substantially equivalent to that under this subchapter; or

E. Pursuant to section 2164, subsection 6, the person subject to an examination.

2. Name of apparent owners; additional information. Except as otherwise provided in section 2212, subsection 1, the administrator shall include on the website required by section 2103, subsection 1 the name of each apparent owner of property held by the administrator. The administrator may include in published notices, printed publications, telecommunications, the Internet or other media and on the website or in the database additional information concerning the apparent owner's property if the administrator believes the information will assist in identifying and returning property to the owner and does not disclose personal information except the home or physical address of an apparent owner.

3. No use of confidential information; exception. The administrator and the administrator's agent may not use confidential information provided to them or in their possession except as expressly authorized by this Act or required by law other than this Act.

§2214. Confidentiality agreement

A person to be examined under section 2162 may require, as a condition of disclosure of the records of the person to be examined, that the administrator or the administrator's agent execute and deliver to the person to be examined a confidentiality agreement that:

1. Form. Is in a form that is reasonably satisfactory to the administrator; and

2. Compliance with subchapter. Requires the person having access to the records to comply with the provisions of this subchapter applicable to the person.

§2215. Security breach

1. Notice to holder. Except to the extent prohibited by law other than this Act, the administrator or administrator's agent shall notify a holder as soon as practicable of:

A. A suspected loss, misuse or unauthorized access, disclosure, modification or destruction of confidential information obtained from the holder in the possession of the administrator or an administrator's agent; and

B. Any interference with operations in any system hosting or housing confidential information that:

(1) Compromises the security, confidentiality or integrity of the information; or

(2) Creates a substantial risk of identity fraud or theft.

2. Disclosure of breach limited. Except as necessary to inform an insurer, attorney, investigator or others as required by law, the administrator and an administrator's agent may not disclose, without the express consent in a record of the holder, an event described in subsection 1 to a person whose confidential information was supplied by the holder.

3. Action of administrator and administrator's agent. If an event described in subsection 1 occurs, the administrator and the administrator's agent shall:

A. Take action necessary for the holder to understand and minimize the effect of the event and determine its scope; and

B. Cooperate with the holder with respect to:

(1) Any notification required by law concerning a data or other security breach; and

(2) A regulatory inquiry, litigation or similar action.

§2216. Indemnification for breach

1. Indemnification of holder by State. If a claim is made or action commenced arising out of an event described in section 2215, subsection 1 relating to confidential information possessed by the administrator, this State shall indemnify, defend and hold harmless a holder and the holder's affiliates, officers, directors, employees and agents as to:

A. Any claim or action; and

B. A liability, obligation, loss, damage, cost, fee, penalty, fine, settlement, charge or other expense, including reasonable attorney's fees and costs, established by the claim or action.

2. Indemnification by administrator's agent. If a claim is made or action commenced arising out of an event described in section 2215, subsection 1 relating to confidential information possessed by an administrator's agent, the administrator's agent shall indemnify, defend and hold harmless a holder and the holder's affiliates, officers, directors, employees and agents as to:

A. Any claim or action; and

B. A liability, obligation, loss, damage, cost, fee, penalty, fine, settlement, charge or other expense, including reasonable attorney's fees and costs, established by the claim or action.

3. Insurance for indemnification. The administrator shall require an administrator's agent that will receive confidential information required under this Act to maintain adequate insurance for indemnification obligations of the administrator's agent under subsection 2. The administrator's agent required to maintain the insurance shall provide evidence of the insurance to:

A. The administrator not less frequently than annually; and

B. The holder on commencement of an examination and annually thereafter until all confidential information is returned or destroyed by the administrator or the administrator's agent because the confidential information is no longer reasonably needed under this Act.

SUBCHAPTER 15

MISCELLANEOUS PROVISIONS

§2221. Relation to Electronic Signatures in Global and National Commerce Act

This Act modifies, limits and supersedes the federal Electronic Signatures in Global and National Commerce Act, 15 United States Code, Section 7001 et seq., but does not modify, limit or supersede Section

101(c) of that Act, 15 United States Code, Section 7001(c), or authorize electronic delivery of any of the notices described in Section 103(b) of that Act, 15 United States Code, Section 7003(b).

§2222. Transitional provision

This Act does not relieve a holder of a duty that arose before October 1, 2019 to report, pay or deliver property. Subject to section 2120, subsection 2, a holder that did not comply with the law governing unclaimed property before October 1, 2019 is subject to applicable provisions for enforcement and penalties in effect before October 1, 2019.

§2223. Effective date

This Act takes effect October 1, 2019.

Sec. 23. 34-A MRSA §3040, as amended by PL 2003, c. 20, Pt. T, §32, is further amended to read:

§3040. Clients' property presumed abandoned

Any property abandoned or unclaimed by a client in a correctional or detention facility must be disposed of according to Title 33, chapter 44 45.

Sec. 24. 34-B MRSA §1434, as amended by PL 2003, c. 20, Pt. T, §33, is further amended to read:

§1434. Resident's property presumed abandoned

Any property abandoned or unclaimed by a resident of a state institution must be disposed of according to Title 33, chapter 44 45.

Sec. 25. 36 MRSA §191, sub-§2, ¶Z, as amended by PL 2003, c. 390, §3, is further amended to read:

Z. The disclosure to the Treasurer of State when necessary for the performance of the Treasurer of State's official duties as administrator under Title 33, chapter 44 45 of the following information:

(1) The current mailing address for a taxpayer for purposes of returning unclaimed or abandoned property to the rightful owner or heir; and

(2) The names and mailing addresses of all Maine corporate income tax filers in an electronic medium prescribed by the State Tax Assessor;

See title page for effective date.

CHAPTER 499
H.P. 1142 - L.D. 1580

**An Act To Protect Licensing
Information of Medical
Professionals**

**Be it enacted by the People of the State of
Maine as follows:**

Sec. 1. 32 MRSA §2109-A is enacted to read:

**§2109-A. Inspection or copying of record;
procedure**

1. Request for record; redaction. When the board receives a request to inspect or copy all or part of the record of an applicant or licensee, the board shall redact information that is not public before making the record available for inspection or copying.

2. Notice and opportunity to review. When the board acknowledges a request to inspect or copy an applicant's or a licensee's record as required by Title 1, section 408-A, subsection 3, the board shall send a notice to the applicant or licensee at the applicant's or licensee's last address on file with the board explaining that the request has been made and that the applicant or licensee may review the redacted record before it is made available for inspection or copying. The acknowledgment to the requester must include a description of the review process provided to the applicant or licensee pursuant to this section, including the fact that all or part of the record may be withheld if the board finds that disclosure of all or part of the redacted record creates a potential risk to the applicant's or licensee's personal safety or the personal safety of any 3rd party. The applicant or licensee has 10 business days from the date the board sends the notice to request the opportunity to review the redacted record. If the applicant or licensee so requests, the board shall send a copy of the redacted record to the applicant or licensee for review. The board shall make the redacted record available to the requester for inspection or copying 10 business days after sending the redacted record to the applicant or licensee for review unless the board receives a petition from the applicant or licensee under subsection 4.

3. Reasonable costs. Reasonable costs related to the review of a record by the applicant or licensee are considered part of the board's costs to make the redacted record available for inspection or copying under subsection 2 and may be charged to the requester.

4. Action based on personal safety. An applicant or licensee may petition the board to withhold the release of all or part of a record under subsection 2 based on the potential risk to the applicant's or licensee's personal safety or the personal safety of any 3rd party if the record is disclosed to the public. The applicant or licensee must petition the board to withhold

all or part of the record within 10 business days after the board sends the applicant or licensee the redacted record. The petition must include an explanation of the potential safety risks and a list of items requested to be withheld. Within 60 days of receiving the petition, the board shall notify the applicant or licensee of its decision on the petition. If the applicant or licensee disagrees with the board's decision, the applicant or licensee may file a petition in Superior Court to enjoin the release of the record under subsection 5.

5. Injunction based on personal safety. An applicant or licensee may bring an action in Superior Court to enjoin the board from releasing all or part of a record under subsection 2 based on the potential risk to the applicant's or licensee's personal safety or the personal safety of any 3rd party if the record is disclosed to the public. The applicant or licensee must file the action within 10 business days after the board notifies the applicant or licensee under subsection 4 that the board will release all or part of the redacted record to the requester. The applicant or licensee shall immediately provide written notice to the board that the action has been filed, and the board may not make the record available for inspection or copying until the action is resolved.

6. Hearing. The hearing on an action filed under subsection 5 may be advanced on the docket and receive priority over other cases when the court determines that the interests of justice so require.

7. Application. This section does not apply to requests for records from other governmental licensing or disciplinary authorities or from any health care providers located within or outside this State that are concerned with granting, limiting or denying an applicant's or licensee's employment or privileges.

Sec. 2. 32 MRSA §2600-E is enacted to read:

**§2600-E. Inspection or copying of record;
procedure**

1. Request for record; redaction. When the board receives a request to inspect or copy all or part of the record of an applicant or licensee, the board shall redact information that is not public before making the record available for inspection or copying.

2. Notice and opportunity to review. When the board acknowledges a request to inspect or copy an applicant's or a licensee's record as required by Title 1, section 408-A, subsection 3, the board shall send a notice to the applicant or licensee at the applicant's or licensee's last address on file with the board explaining that the request has been made and that the applicant or licensee may review the redacted record before it is made available for inspection or copying. The acknowledgment to the requester must include a description of the review process provided to the applicant or licensee pursuant to this section, including the fact that all or part of the record may be withheld if the board

finds that disclosure of all or part of the redacted record creates a potential risk to the applicant's or licensee's personal safety or the personal safety of any 3rd party. The applicant or licensee has 10 business days from the date the board sends the notice to request the opportunity to review the redacted record. If the applicant or licensee so requests, the board shall send a copy of the redacted record to the applicant or licensee for review. The board shall make the redacted record available to the requester for inspection or copying 10 business days after sending the redacted record to the applicant or licensee for review unless the board receives a petition from the applicant or licensee under subsection 4.

3. Reasonable costs. Reasonable costs related to the review of a record by the applicant or licensee are considered part of the board's costs to make the redacted record available for inspection or copying under subsection 2 and may be charged to the requester.

4. Action based on personal safety. An applicant or licensee may petition the board to withhold the release of all or part of a record under subsection 2 based on the potential risk to the applicant's or licensee's personal safety or the personal safety of any 3rd party if the record is disclosed to the public. The applicant or licensee must petition the board to withhold all or part of the record within 10 business days after the board sends the applicant or licensee the redacted record. The petition must include an explanation of the potential safety risks and a list of items requested to be withheld. Within 60 days of receiving the petition, the board shall notify the applicant or licensee of its decision on the petition. If the applicant or licensee disagrees with the board's decision, the applicant or licensee may file a petition in Superior Court to enjoin the release of the record under subsection 5.

5. Injunction based on personal safety. An applicant or licensee may bring an action in Superior Court to enjoin the board from releasing all or part of a record under subsection 2 based on the potential risk to the applicant's or licensee's personal safety or the personal safety of any 3rd party if the record is disclosed to the public. The applicant or licensee must file the action within 10 business days after the board notifies the applicant or licensee under subsection 4 that the board will release all or part of the redacted record to the requester. The applicant or licensee shall immediately provide written notice to the board that the action has been filed, and the board may not make the record available for inspection or copying until the action is resolved.

6. Hearing. The hearing on an action filed under subsection 5 may be advanced on the docket and receive priority over other cases when the court determines that the interests of justice so require.

7. Application. This section does not apply to requests for records from other governmental licensing

or disciplinary authorities or from any health care providers located within or outside this State that are concerned with granting, limiting or denying an applicant's or licensee's employment or privileges.

Sec. 3. 32 MRSA §3300-H is enacted to read:

§3300-H. Inspection or copying of record; procedure

1. Request for record; redaction. When the board receives a request to inspect or copy all or part of the record of an applicant or licensee, the board shall redact information that is not public before making the record available for inspection or copying.

2. Notice and opportunity to review. When the board acknowledges a request to inspect or copy an applicant's or a licensee's record as required by Title 1, section 408-A, subsection 3, the board shall send a notice to the applicant or licensee at the applicant's or licensee's last address on file with the board explaining that the request has been made and that the applicant or licensee may review the redacted record before it is made available for inspection or copying. The acknowledgment to the requester must include a description of the review process provided to the applicant or licensee pursuant to this section, including the fact that all or part of the record may be withheld if the board finds that disclosure of all or part of the redacted record creates a potential risk to the applicant's or licensee's personal safety or the personal safety of any 3rd party. The applicant or licensee has 10 business days from the date the board sends the notice to request the opportunity to review the redacted record. If the applicant or licensee so requests, the board shall send a copy of the redacted record to the applicant or licensee for review. The board shall make the redacted record available to the requester for inspection or copying 10 business days after sending the redacted record to the applicant or licensee for review unless the board receives a petition from the applicant or licensee under subsection 4.

3. Reasonable costs. Reasonable costs related to the review of a record by the applicant or licensee are considered part of the board's costs to make the redacted record available for inspection or copying under subsection 2 and may be charged to the requester.

4. Action based on personal safety. An applicant or licensee may petition the board to withhold the release of all or part of a record under subsection 2 based on the potential risk to the applicant's or licensee's personal safety or the personal safety of any 3rd party if the record is disclosed to the public. The applicant or licensee must petition the board to withhold all or part of the record within 10 business days after the board sends the applicant or licensee the redacted record. The petition must include an explanation of the potential safety risks and a list of items requested to be withheld. Within 60 days of receiving the peti-

tion, the board shall notify the applicant or licensee of its decision on the petition. If the applicant or licensee disagrees with the board's decision, the applicant or licensee may file a petition in Superior Court to enjoin the release of the record under subsection 5.

5. Injunction based on personal safety. An applicant or licensee may bring an action in Superior Court to enjoin the board from releasing all or part of a record under subsection 2 based on the potential risk to the applicant's or licensee's personal safety or the personal safety of any 3rd party if the record is disclosed to the public. The applicant or licensee must file the action within 10 business days after the board notifies the applicant or licensee under subsection 4 that the board will release all or part of the redacted record to the requester. The applicant or licensee shall immediately provide written notice to the board that the action has been filed, and the board may not make the record available for inspection or copying until the action is resolved.

6. Hearing. The hearing on an action filed under subsection 5 may be advanced on the docket and receive priority over other cases when the court determines that the interests of justice so require.

7. Application. This section does not apply to requests for records from other governmental licensing or disciplinary authorities or from any health care providers located within or outside this State that are concerned with granting, limiting or denying an applicant's or licensee's employment or privileges.

An Act To Correct Inconsistencies, Conflicts and Errors in the Laws of Maine

Emergency preamble. Whereas, acts and resolves of the Legislature do not become effective until

90 days after adjournment unless enacted as emergencies; and

Whereas, acts of this and previous Legislatures have resulted in certain technical inconsistencies, conflicts and errors in the laws of Maine; and

Whereas, these inconsistencies, conflicts and errors create uncertainties and confusion in interpreting legislative intent; and

Whereas, it is vitally necessary that these uncertainties and this confusion be resolved in order to prevent any injustice or hardship to the citizens of Maine; and

Whereas, in the judgment of the Legislature, these facts create an emergency within the meaning of the Constitution of Maine and require the following legislation as immediately necessary for the preservation of the public peace, health and safety; now, therefore,

Be it enacted by the People of the State of Maine as follows:

Sec. 1. 4 MRSA §423, first ¶, as amended by PL 2017, c. 407, Pt. A, §4, is further amended to read:

The Judicial Department shall report to the joint standing committee of the Legislature having jurisdiction over judiciary matters by February 15th annually on the establishment and operation of substance ~~abuse~~ use disorder treatment programs in the courts. The report must cover at least the following:

Sec. 2. 5 MRSA §4701, sub-§1, ¶C, as amended by PL 2017, c. 416, §1, is further amended to read:

- C. "Human trafficking offense" includes:
 - (1) Aggravated sex trafficking and sex trafficking under Title 17-A, sections 852 and 853, respectively, and criminal forced labor and aggravated criminal forced labor under Title 17-A, sections 304 and 305, respectively; and
 - (2) ~~All~~ Except as provided in subparagraph (1), all offenses in Title 17-A, chapters 11, 12 and 13 if accompanied by the destruction, concealment, removal, confiscation or possession of any actual or purported passport or other immigration document or other actual or purported government identification document of the other person or done using any scheme, plan or pattern intended to cause the other person to believe that if that person does not perform certain labor or services, including prostitution, that the person or a 3rd person will be subject to a harm to their health, safety or immigration status.

7. Transportation permit. A transportation permit ~~shall be~~ is required for a special license holder to ship, transport or sell any marine organism raised or harvested under a special license. The commissioner may place conditions or limitations on the activities authorized by this permit to the extent necessary to provide proper controls and to comply with federal or state health or sanitation standards. The commissioner shall ~~annually~~ annually renew the permit on request unless the permit holder has not complied with the conditions of the permit or unless the permit holder no longer holds a special license.

Sec. 7. 12 MRSA §10265, as amended by PL 2015, c. 277, §9, is further amended to read:

§10265. Landowner Relations Fund

The Landowner Relations Fund, referred to in this section as "the fund," is established within the department as a nonlapsing fund to be used by the commis-

sioner to fund or assist in funding the landowner relations program established pursuant to section 10108, subsection 4-A and the Keep Maine Clean program established in section 10108, subsection 4-B. All funds from fees collected under section 10108, ~~subsection 3 and~~ subsection 4-A, paragraph C and money accepted by the commissioner pursuant to section 10108, subsection 4-B must be deposited in the fund. The fund receives any other funds appropriated or allocated to the fund. The commissioner may accept and deposit into the fund monetary gifts, donations or other contributions from public or private sources for the purposes specified in this section. The fund must be held separate and apart from all other money, funds and accounts.

Sec. 8. 12 MRSA §11109, sub-§3, ¶F, as amended by PL 2017, c. 164, §9, is further amended to read:

F. A nonresident junior hunting license, for a person under 16 years of age, is \$35 and permits hunting of all legal species, subject to the permit requirements in subchapter 3. Notwithstanding the permit fees established in subchapter 3, a nonresident junior hunting license includes all permits, stamps and other permissions needed to hunt at no additional cost. A license holder under this paragraph who qualifies to hunt during the special season on deer under section 11153 and who meets the eligibility requirements of section 11106 must have included in that ~~persons's~~ person's license one antlerless deer permit and one either-sex permit. A nonresident junior hunting license does not exempt the holder of the license from lottery-related application requirements under this Part.

Sec. 9. 12 MRSA §12152, sub-§3-D, ¶E, as enacted by PL 2017, c. 205, §18, is amended to read:

E. A wildlife rehabilitation permit, which allows the holder to possess debilitated or orphaned wildlife and rehabilitate that wildlife and release it into the wild as soon as the wildlife is rehabilitated or euthanize that wildlife in accordance with humane euthanization procedures if ~~rehabilitation~~ rehabilitation and release are not possible. A wildlife rehabilitation permit is available at no cost and expires 2 years from the date of issuance;

Sec. 10. 20-A MRSA §15672, sub-§31-A, as enacted by PL 2005, c. 2, Pt. D, §36 and affected by §§72 and 74 and c. 12, Pt. WW, §18, is amended to read:

31-A. State subsidy. "State subsidy" means the total of the state contribution determined under section 15688, subsection 3-A, paragraph ~~B~~ D and any applicable adjustment under section 15689.

Sec. 11. 22 MRSA §1822, as corrected by RR 2017, c. 2, §5, is amended to read:

§1822. Notice of voluntary closure of hospital, sanatorium, convalescent home, rest home, nursing home or similar institution

Any person, including county or local government units, who is conducting, managing or operating any hospital, sanatorium, convalescent home, rest home, nursing home or institution within the meaning of this chapter, and who is properly licensed therefor in accordance with this chapter shall give at least 30 days' advance notice of the voluntary closing of such facility to the patients therein and to those persons, governmental units or institutions who are primarily responsible for the welfare of those patients who are being cared for by said hospital, sanatorium, convalescent home, rest home, nursing home or institution so that adequate preparation may be made for the orderly transfer of said patients to another qualified facility.

~~Failure to provide such notice shall subject the offender to the same penalties provided in section 1821.~~

Sec. 12. 22 MRSA §2423-A, sub-§4, as amended by PL 2017, c. 452, §4, is further amended to read:

4. Long-term care facility. A qualifying patient may designate a long-term care facility to assist with the qualifying patient's medical use of marijuana if that use is consistent with the facility's policy and is pursuant to subsection 1, paragraph F-1, subparagraph ~~2~~ (2). If a long-term care facility is designated, the facility shall complete the registration process with the department and obtain a registration certificate for the facility. For a long-term care facility to be issued a registration certificate, staff persons of the facility who will be assisting a qualifying patient with the patient's medical use of marijuana in accordance with this chapter must be at least 21 years of age and may not have been convicted of a disqualifying drug offense. The long-term care facility and the staff of the facility may not cultivate marijuana plants for the patient.

Sec. 13. 28-B MRSA §302, sub-§2, ¶C, as enacted by PL 2017, c. 409, Pt. A, §6, is amended to read:

C. The total percentage or square footage of plant canopy designated under paragraph A, or, in the case of a plant-count-based tier 1 cultivation facility license, the areas within the cultivation facility, within which the applicant proposes to cultivate mature marijuana plants. An applicant for a nursery cultivation facility license shall meet the requirements of this paragraph by designating on the cultivation plan the areas within the cultivation facility within which the applicant proposes to cultivate mature marijuana plants, demonstrating the physical separation of such areas from the areas in which immature marijuana plants and seedlings are to be cultivated in accordance with section 501, subsection 3, paragraph B.

Neglect or failure to comply with such orders on the part of any assessor or other official ~~shall be~~ is deemed willful neglect of duty and ~~he shall be~~ the assessor or other official is subject to the penalties provided by law in such cases. ~~Provided~~ If a satisfactory reassessment is not made by the assessors, then the State Tax Assessor may employ assistance from within or without the jurisdiction where such reassessment is to be made, and said jurisdiction ~~shall bear~~ bears all necessary expense incurred. Any person aggrieved because of such reassessment ~~shall have~~ has the same right of petition and appeal as from the original assessment. The State ~~shall be permitted to~~ may intervene in any action resulting from an order of the State Tax Assessor pursuant to this section.

Sec. 18. 36 MRSA §556 is amended to read:

§556. Landlord and tenant

When a tenant paying rent for real estate is taxed therefor, ~~he~~ the tenant may retain out of ~~his~~ the tenant's rent half of the taxes paid by ~~him~~ the tenant. When a landlord is taxed for such real estate, ~~he~~ the landlord may recover half of the taxes paid by ~~him~~ the landlord and ~~his~~ the landlord's rent in the same action against the tenant, unless there is an agreement to the contrary.

Sec. 19. 36 MRSA §652, sub-§1, ¶C, as amended by PL 2007, c. 627, §20, is further amended to read:

C. Further conditions to the right of exemption under paragraphs A and B are that:

- (1) Any corporation claiming exemption under paragraph A must be organized and conducted exclusively for benevolent and charitable purposes;
- (2) A director, trustee, officer or employee of an organization claiming exemption may not receive directly or indirectly any pecuniary profit from the operation of that organization, except as reasonable compensation for services in effecting its purposes or as a proper beneficiary of its strictly benevolent or charitable purposes;
- (3) All profits derived from the operation of an organization claiming exemption and the proceeds from the sale of its property must be devoted exclusively to the purposes for which it is organized;

(4) The institution, organization or corporation claiming exemption under this section must file with the assessors upon their request a report for its preceding fiscal year in such detail as the assessors may reasonably require;

(5) An exemption may not be allowed under this section in favor of an agricultural fair association holding pari-mutuel racing meets unless it has qualified the next preceding year as a recipient of a stipend from the Stipend Fund provided in Title 7, section 86;

(6) An exemption allowed under paragraph A or B for real or personal property owned and occupied or used to provide federally subsidized residential rental housing is limited as follows: Federally subsidized residential rental housing placed in service prior to September 1, 1993 by other than a nonprofit housing corporation that is acquired on or after September 1, 1993 by a nonprofit housing corporation and the operation of which is not an unrelated trade or business to that nonprofit housing corporation is eligible for an exemption limited to 50% of the municipal assessed value of that property.

An exemption granted under this subparagraph must be revoked for any year in which the owner of the property is no longer a nonprofit housing corporation or the operation of the residential rental housing is an unrelated trade or business to that nonprofit housing corporation.

(a) For the purposes of this subparagraph, the following terms have the following meanings.

(i) "Federally subsidized residential rental housing" means residential rental housing that is subsidized through project-based rental assistance, operating assistance or interest rate subsidies paid or provided by or on behalf of an agency or department of the Federal Government.

(ii) "Nonprofit housing corporation" means a nonprofit corporation organized in the State that is exempt from tax under Section 501(c)(3) of the Code and has among its corporate purposes the provision of services to people of low income or the construction, rehabilitation, ownership or operation of housing.

(iii) "Residential rental housing" means one or more buildings, together with any facilities functional-

ly related and subordinate to the building or buildings, located on one parcel of land and held in common ownership prior to the conversion to nonprofit status and containing 9 or more similarly constructed residential units offered for rental to the general public for use on other than a transient basis, each of which contains separate and complete facilities for living, sleeping, eating, cooking and sanitation.

(iv) "Unrelated trade or business" means any trade or business whose conduct is not substantially related to the exercise or performance by a nonprofit corporation of the purposes or functions constituting the basis for exemption under Section 501(c)(3) of the Code.

(b) Eligibility of the following property for exemption is not affected by the provisions of this subparagraph:

(i) Property used as a nonprofit nursing home, residential care facility licensed by the Department of Health and Human Services pursuant to Title 22, chapter 1663 or a community living arrangement as defined in Title 30-A, section 4357-A or any property owned by a nonprofit organization licensed or funded by the Department of Health and Human Services to provide services to or for the benefit of persons with mental illness or ~~mental retardation~~ intellectual disabilities;

(ii) Property used for student housing;

(iii) Property used for parsonages;

(iv) Property that was owned and occupied or used to provide residential rental housing that qualified for exemption under paragraph A or B prior to September 1, 1993; or

(v) Property exempt from taxation under other provisions of law; and

(7) In addition to the requirements of subparagraphs (1) to (4), an exemption is not allowed under paragraph A or B for real or personal property owned and occupied or used to provide residential rental housing that is transferred or placed in service on or after September 1, 1993, unless the property is owned by a nonprofit housing corporation

and the operation of the residential rental housing is not an unrelated trade or business to the nonprofit housing corporation.

For the purposes of this subparagraph, the following terms have the following meanings.

(a) "Nonprofit housing corporation" means a nonprofit corporation organized in the State that is exempt from tax under Section 501(c)(3) of the Code and has among its corporate purposes the provision of services to people of low income or the construction, rehabilitation, ownership or operation of housing.

(b) "Residential rental housing" means one or more buildings, together with any facilities functionally related and subordinate to the building or buildings, containing one or more similarly constructed residential units offered for rental to the general public for use on other than a transient basis, each of which contains separate and complete facilities for living, sleeping, eating, cooking and sanitation.

(c) "Unrelated trade or business" means any trade or business whose conduct is not substantially related to the exercise or performance by a nonprofit organization of the purposes constituting the basis for exemption under Section 501(c)(3) of the Code.

Sec. 20. 36 MRSA §653, sub-§1, ¶C, as amended by PL 2015, c. 353, §1, is further amended to read:

C. The estates up to the just value of \$6,000, having a taxable situs in the place of residence, of veterans who served in the Armed Forces of the United States:

(1) During any federally recognized war period, including the Korean ~~Campaign~~ Conflict, the Vietnam War, the Persian Gulf War, the periods from August 24, 1982 to July 31, 1984 and December 20, 1989 to January 31, 1990, Operation Enduring Freedom, Operation Iraqi Freedom and Operation New Dawn, or who were awarded the Armed Forces Expeditionary Medal, when they have reached the age of 62 years or when they are receiving any form of pension or compensation from the United States Government for total disability, service-connected or nonservice-connected, as a veteran. A veteran of the Vietnam War must have served on active duty after February 27, 1961 and before May 8, 1975. "Persian Gulf War" means service on active duty on or after August 2, 1990 and be-

fore or on the date that the United States Government recognizes as the end of that war period; or

(2) Who are disabled by injury or disease incurred or aggravated during active military service in the line of duty and are receiving any form of pension or compensation from the United States Government for total, service-connected disability.

The exemptions provided in this paragraph apply to the property of that veteran, including property held in joint tenancy with that veteran's spouse or held in a revocable living trust for the benefit of that veteran.

Sec. 21. 36 MRSA §653, sub-§1, ¶D-1, as amended by PL 2015, c. 353, §2, is further amended to read:

D-1. The estates up to the just value of \$50,000, having a taxable situs in the place of residence, for specially adapted housing units, of veterans who served in the Armed Forces of the United States during any federally recognized war period, including the Korean ~~Campaign~~ Conflict, the Vietnam War, the Persian Gulf War, the periods from August 24, 1982 to July 31, 1984 and December 20, 1989 to January 31, 1990, Operation Enduring Freedom, Operation Iraqi Freedom and Operation New Dawn, or who were awarded the Armed Forces Expeditionary Medal, and who are paraplegic veterans within the meaning of 38 United States Code, Chapter 21, Section 2101, and who received a grant from the United States Government for any such housing, or of the unremarried widows or widowers of those veterans. A veteran of the Vietnam War must have served on active duty after February 27, 1961 and before May 8, 1975. "Persian Gulf War" means service on active duty on or after August 2, 1990 and before or on the date that the United States Government recognizes as the end of that war period. The exemption provided in this paragraph applies to the property of the veteran including property held in joint tenancy with a spouse or held in a revocable living trust for the benefit of that veteran.

Sec. 22. 36 MRSA §942, 4th ¶, as amended by PL 1979, c. 613, §2, is further amended to read:

After the expiration of the 30 days and within 10 days thereafter, the tax collector shall record in the registry of deeds of the county or registry district where the real estate is situated a tax lien certificate signed by the tax collector or bearing ~~his~~ the tax collector's facsimile signature, setting forth the amount of the tax, a description of the real estate on which the tax is assessed and an allegation that a lien is claimed on the real estate to secure the payment of the tax, that a

demand for payment of the tax has been made in accordance with this section, and that the tax remains unpaid. When the undivided real estate of a deceased person has been assessed to ~~his~~ the deceased's heirs or devisees without designating any of them by name it will be sufficient to record in said registry a tax lien certificate in the name of the heirs or the devisees of said decedent without designating them by name.

Sec. 23. 36 MRSA §943, 7th ¶ is amended to read:

After the expiration of the 18-month period for redemption, the mortgagee of record of said real estate or ~~his~~ the mortgagee's assignee and the owner of record if the said real estate has not been assessed to ~~him~~ the owner or the person claiming under ~~him~~ shall the owner, in the event the notice provided for said mortgage and said owner has not been given as provided in section 942, ~~have~~ has the right to redeem the ~~said~~ real estate within 3 months after receiving actual knowledge of the recording of the tax lien certificate by payment or tender of the amount of the tax lien mortgage, together with interest and costs, and the tax lien mortgage ~~shall~~ must then be discharged by the owner thereof in the manner provided.

Sec. 24. 36 MRSA §1104, as repealed and replaced by PL 1977, c. 467, Pt. A, §2, is amended to read:

§1104. Administration; rules

The State Tax Assessor shall adopt and amend such rules ~~and regulations~~ as may be reasonable and appropriate to carry out ~~his~~ the State Tax Assessor's responsibilities as provided in this subchapter.

Sec. 25. 36 MRSA §1282, 7th ¶ is amended to read:

Each owner may pay for ~~his~~ that owner's proportionate ownership in any tract of land whether in common or not, and upon filing with the State Tax Assessor a certificate containing a suitable description of the property on which ~~he~~ the owner desires to pay the taxes and where the same is located, and paying the amount due, together with interest and costs, ~~shall~~ must receive a certificate from the State Tax Assessor discharging the taxes on the fractional part or ownership upon which such payment is made.

Sec. 26. 36 MRSA §1284, as amended by PL 1979, c. 666, §32, is further amended to read:

§1284. Action to recover taxes

The State Tax Assessor may bring a civil action in ~~his~~ the State Tax Assessor's own name to enforce the lien on real estate created by section 552, to secure the payment of state taxes assessed under sections 1331 and 1602 upon real estate not liable to be assessed in any town. Such action ~~shall~~ must be begun after the expiration of 8 months and within one year after Au-

gust 1st following the date such taxes were assessed. The proceedings ~~shall~~ must be in accordance with section 941, except that the preliminary notice and demand for payment of ~~said~~ the tax as provided in ~~said~~ that section ~~shall~~ may not be required.

Sec. 27. 36 MRSA §1503, sub-§4-A, as enacted by PL 1987, c. 196, §5, is repealed.

Sec. 28. 36 MRSA §1752, sub-§14, ¶B, as amended by PL 2017, c. 422, §7 and affected by §12 and amended by c. 438, §1 and affected by §2, is repealed and the following enacted in its place:

B. "Sale price" does not include:

(1) Discounts allowed and taken on sales;

(2) Allowances in cash or by credit made upon the return of merchandise pursuant to warranty;

(3) The price of property returned by customers, when the full price is refunded either in cash or by credit;

(4) The price received for labor or services used in installing or applying or repairing the property sold, if separately charged or stated;

(5) Any amount charged or collected, in lieu of a gratuity or tip, as a specifically stated service charge, when that amount is to be disbursed by a hotel, restaurant or other eating establishment to its employees as wages;

(6) The amount of any tax imposed by the United States on or with respect to retail sales, whether imposed upon the retailer or the consumer, except any manufacturers', importers', alcohol or tobacco excise tax;

(7) The cost of transportation from the retailer's place of business or other point from which shipment is made directly to the purchaser, provided that those charges are separately stated and the transportation occurs by means of common carrier, contract carrier or the United States mail;

(9) Any amount charged for the disposal of used tires;

(10) Any amount charged for a paper or plastic single-use carry-out bag;

(11) Any charge, deposit, fee or premium imposed by a law of this State;

(12) Federal universal service support funds that are paid directly to the seller pursuant to 47 Code of Federal Regulations, Part 54; or

(13) A paint stewardship assessment imposed pursuant to Title 38, section 2144.

Sec. 29. 36 MRSA §2903-D, as amended by PL 2013, c. 405, Pt. A, §24, is further amended to read:

§2903-D. Distribution of gasoline taxes for nonhighway recreational vehicle programs

This section establishes the percentage of gasoline taxes that are attributable to snowmobile, all-terrain vehicle and motorboat gasoline purchases and equitably distributes that percentage among the appropriate state agencies for the administration of programs and the enforcement of laws relating to the use of those recreational vehicles. For the purposes of this section, the term "total gasoline tax revenues" means the total excise tax on internal combustion engine fuel sold or used within the State, but not including internal combustion fuel sold for use in the propulsion of aircraft.

1. Motorboats. Of total gasoline tax revenues, 1.4437% is distributed among the following agencies in the following manner:

A. The Commissioner of Marine Resources receives 24.6% for research, development and propagation activities of the Department of Marine Resources. In expending these funds, it is the responsibility of the Commissioner of Marine Resources to select activities and projects that will be most beneficial to the commercial fisheries of the State as well as the development of sports fisheries activities in the State; and

B. The Boating Facilities Fund, established under Title 12, section 1896, within the Department of Agriculture, Conservation and Forestry, Bureau of Parks and Lands, receives 75.4% of that amount.

2. Snowmobiles. Of total gasoline tax revenues, 0.9045% is distributed among the following agencies in the following manner:

A. The Commissioner of Inland Fisheries and Wildlife receives 14.93% of that amount, to be used by the commissioner for the purposes set forth in Title 12, section 1893, subsection 3, section 10206, subsection 2, section 13104, subsections 2 to 13 and section 13105, subsection 1; and

B. The Snowmobile Trail Fund of the Department of Agriculture, Conservation and Forestry, Bureau of Parks and Lands, described in Title 12, section 1893, subsection 3, receives 85.07% of that amount.

3. All-terrain vehicles. Of total gasoline tax revenues, 0.1525% is distributed among the following agencies in the following manner:

A. The ATV Enforcement Grant and Aid Program established in Title 12, section 10322 receives 50% of that amount; and

B. The ATV Recreational Management Fund, established in Title 12, section 1893, subsection 2 receives 50% of that amount.

~~The State Tax Assessor shall certify to the State Controller by the 15th day of each month the amounts to be distributed and credited under this section as of the close of the State Controller's records for the previous month.~~

The State Tax Assessor shall certify to the State Controller by the 15th day of each month the amounts to be distributed and credited under this section as of the close of the State Controller's records for the previous month.

Sec. 30. 36 MRSA §5126-A, sub-§2, as enacted by PL 2017, c. 474, Pt. B, §7, is amended to read:

2. Phase-out. The personal exemption deduction amount determined under subsection 1 must be reduced by an amount equal to the total personal exemption deduction amount multiplied by a fraction. The numerator of the fraction is the taxpayer's Maine adjusted gross income less the applicable amount, except that the numerator may not be less than zero, and the denominator is \$62,500 in the case of a married individual filing a separate return and \$125,000 in all other cases. In no case may the fraction contained in this ~~paragraph~~ subsection produce a result that is more than one. The applicable amount used to calculate the numerator in this subsection must be adjusted for inflation in accordance with section 5403, subsection 8.

For purposes of this subsection, "applicable amount" means:

A. For single individuals, \$266,700;

B. For individuals filing as heads of households, \$293,350;

C. For individuals filing married joint returns or surviving spouses, \$320,000; or

D. For married individuals filing separate returns, ~~one-half~~ 1/2 of the applicable amount under paragraph C.

Sec. 31. 39-A MRSA §404, sub-§2, ¶D, as enacted by PL 1995, c. 594, §7, is amended to read:

D. In determining membership in the association for the purposes of annual postinsolvency assessments, a successor employer approved for continuing self-insurance authority under section 403, subsection 14 or a successor employer qualifying and receiving a refund under section 403, subsection 14, paragraph H, former subparagraph (1) is deemed to be a member of the association from

the date of the former employer's initial self-insurance authorization.

Sec. 32. PL 2017, c. 475, Pt. A, §1 is amended to read:

Sec. A-1. 4 MRSA §1610-J, as enacted by PL 2017, c. 284, Pt. FF, §1 and reallocated by c. 288, Pt. A, §2, is reallocated to 4 MRSA §1610-K.

Emergency clause. In view of the emergency cited in the preamble, this legislation takes effect when approved.

Effective June 28, 2019.

CHAPTER 502

H.P. 1318 - L.D. 1846

An Act To Fund Collective Bargaining Agreements with Certain Judicial Department Employees

Emergency preamble. Whereas, acts and resolves of the Legislature do not become effective until 90 days after adjournment unless enacted as emergencies; and

Whereas, the Judicial Department has reached collective bargaining agreements with the 4 bargaining units representing Judicial Department employees; and

Whereas, this legislation authorizes funding of the agreements effective at the beginning of the pay week commencing closest to July 1, 2019; and

Whereas, in the judgment of the Legislature, these facts create an emergency within the meaning of the Constitution of Maine and require the following legislation as immediately necessary for the preservation of the public peace, health and safety; now, therefore,

Be it enacted by the People of the State of Maine as follows:

Sec. 1. Adjustment of salary schedules for fiscal years 2019-20 and 2020-21. The salaries and stipends for the Judicial Department employees in the administrative services bargaining unit, the supervisory services bargaining unit, the law enforcement bargaining unit and the professional services bargaining unit and employees referred to in section 2 must be adjusted consistent with the terms of any ratified contract.

Sec. 2. Other employees; similar and equitable treatment. Employees of the Judicial Department who are excluded from collective bargaining pursuant to the Maine Revised Statutes, Title 26, section 1282, subsection 5, paragraphs C, D, E, F and G must be given similar and equitable treatment on a pro

rata basis to that given employees covered by the collective bargaining agreements.

Sec. 3. Costs to General Fund. Costs to the General Fund must be provided in the Salary Plan program, General Fund account in the Department of Administrative and Financial Services in the amount of \$1,041,798 for the fiscal year ending June 30, 2020 and in the amount of \$2,202,337 for the fiscal year ending June 30, 2021 to implement the economic terms of the collective bargaining agreements made between the Judicial Department and the Maine State Employees Association for the administrative services bargaining unit, the supervisory services bargaining unit, the law enforcement bargaining unit and the professional services bargaining unit and for the costs of those Judicial Department employees referred to in section 2 who are excluded from collective bargaining pursuant to the Maine Revised Statutes, Title 26, section 1282, subsection 5.

Sec. 4. Contingent effective date. This Act takes effect only upon ratification of the collective bargaining agreements made between the Judicial Department and the Maine State Employees Association for the administrative services bargaining unit, the supervisory services bargaining unit, the law enforcement bargaining unit and the professional services bargaining unit tentatively agreed to as of June 17, 2019.

Emergency clause. In view of the emergency cited in the preamble, this legislation takes effect when approved.

Effective June 28, 2019, unless otherwise indicated.

CHAPTER 503

S.P. 580 - L.D. 1746

An Act To Amend the Licensing Laws of Certain Professions and Occupations

Be it enacted by the People of the State of Maine as follows:

PART A

Sec. A-1. 10 MRSA §8003, sub-§5-A, ¶A, as amended by PL 2009, c. 112, Pt. B, §4, is further amended to read:

A. The office, board or commission may deny or refuse to renew a license, may suspend or revoke a license and may impose other discipline as authorized in this subsection for any of the following reasons:

- (1) The practice of fraud, deceit or misrepresentation in obtaining a license from a bureau, office, board or commission, or in con-

nection with services rendered while engaged in the occupation or profession for which the person is licensed;

(2) Any gross negligence, incompetence, misconduct or violation of an applicable code of ethics or standard of practice while engaged in the occupation or profession for which the person is licensed;

(3) Conviction of a crime to the extent permitted by Title 5, chapter 341;

(4) Any violation of the governing law of an office, board or commission;

(5) Any violation of the rules of an office, board or commission;

(6) Engaging in any activity requiring a license under the governing law of an office, board or commission that is beyond the scope of acts authorized by the license held;

(7) Continuing to act in a capacity requiring a license under the governing law of an office, board or commission after expiration, suspension or revocation of that license;

(8) Aiding or abetting unlicensed practice by a person who is not licensed as required by the governing law of an office, board or commission;

(9) Noncompliance with an order or consent agreement of an office, board or commission;

(10) Failure to produce any requested documents in the licensee's possession or under the licensee's control concerning a pending complaint or proceeding or any matter under investigation; ~~or~~

(11) Any violation of a requirement imposed pursuant to section 8003-G; ~~or~~

(12) Failure of an individual subject to Title 22, section 1711 or Title 22, section 1711-B to provide to a patient, upon written request, a copy of that patient's treatment records in accordance with the requirements of Title 22, section 1711 or Title 22, section 1711-B, whichever is applicable.

PART B

Sec. B-1. 32 MRSA §1202-A, sub-§4, ¶B, as corrected by RR 2017, c. 1, §28, is amended to read:

PART E

Sec. E-1. 32 MRSA §17101, sub-§16, as enacted by PL 2007, c. 369, Pt. C, §3 and affected by §5, is amended to read:

16. Speech-language pathology assistant. "Speech-language pathology assistant" means an individual who meets minimum qualifications that the board may establish for speech-language pathology assistants, that are less than those qualifications established by this chapter for licensure as a speech-language pathologist, but must include an associate's

associate degree or its equivalent, as determined by the board, or a higher degree in the field of communication disorders.

Sec. E-2. 32 MRSA §17103, sub-§6, as enacted by PL 2007, c. 369, Pt. C, §3 and affected by §5, is amended to read:

6. Speech-language pathology assistants. Registration Licensure may be granted to an individual who meets the minimum qualifications for a speech-language pathology assistant established by the board and who is supervised by a licensed speech-language pathologist, as set forth by the board by rule. Rules adopted pursuant to this subsection are routine technical rules as defined in Title 5, chapter 375, subchapter 2-A.

Sec. E-3. 32 MRSA §17301, sub-§5, as enacted by PL 2007, c. 369, Pt. C, §3 and affected by §5, is amended to read:

5. Speech-language pathology assistant. A speech-language pathology assistant must have an associate's associate degree or higher from an accredited institution in the field of communication disorders, or its equivalent as determined by the board, and must meet such other minimum qualifications as the board may establish.

Sec. E-4. 32 MRSA §17308, first ¶, as enacted by PL 2007, c. 369, Pt. C, §3 and affected by §5, is amended to read:

A license issued under this chapter expires at a time that the commissioner may designate. Every individual licensed under this chapter shall pay the renewal fee as set under section 17309. Renewals are contingent upon evidence of participation in continuing professional education as determined by the board; temporary licenses licensees, speech-language pathology assistants and trainee permits trainees are exempt from this requirement. A license may be renewed up to 90 days after the date of its expiration upon payment of the late fee and renewal fee under section 17309. An individual who submits an application for renewal more than 90 days after the license expiration date is subject to all requirements governing new applicants under this chapter, except that the board may, in its discretion, waive examination if that renewal application is received together with the late fee and renewal fee under section 17309 within 2 years from the date of the expiration.

PART F

Sec. F-1. 22 MRSA §1711, first and 2nd ¶¶, as amended by PL 1997, c. 793, Pt. A, §1 and affected by §10, are further amended to read:

If a patient of an institution licensed as a hospital by the State, after discharge from such institution, makes written request for copies of the patient's medical records, the copies must, if available, be made

available to the patient in accordance with the requirements of 45 Code of Federal Regulations, Section 164.524 (2019) or for a hospital not subject to the requirements of 45 Code of Federal Regulations, Section 164.524 (2019) within a reasonable time unless, in the opinion of the hospital, it would be detrimental to the health of the patient to obtain the records. If the hospital is of the opinion that release of the records to the patient would be detrimental to the health of the patient, the hospital shall advise the patient that copies of the records will be made available to the patient's authorized representative upon presentation of a proper authorization signed by the patient. The hospital may exclude from the copies of medical records released any information related to a clinical trial sponsored, authorized or regulated by the federal Food and Drug Administration.

If an authorized representative for a patient requests, in writing, that a hospital provide the authorized representative with a copy of the patient's medical records and presents a proper authorization from the patient for the release of the information, copies must be provided to the authorized representative in accordance with the requirements of 45 Code of Federal Regulations, Section 164.524 (2019) or for a hospital not subject to the requirements of 45 Code of Federal Regulations, Section 164.524 (2019) within a reasonable time.

Sec. F-2. 22 MRSA §1711-B, sub-§2, as amended by PL 1997, c. 793, Pt. A, §4 and affected by §10, is further amended to read:

2. Access. Upon written authorization executed in accordance with section 1711-C, subsection 3, a health care practitioner shall release copies of all treatment records of a patient or a narrative containing all relevant information in the treatment records to the patient. The health care practitioner may exclude from the copies of treatment records released any personal notes that are not directly related to the patient's past or future treatment and any information related to a clinical trial sponsored, authorized or regulated by the federal Food and Drug Administration. The copies or narrative must be released to the designated person in accordance with the requirements of 45 Code of Federal Regulations, Section 164.524 (2019) or for a health care practitioner not subject to the requirements of 45 Code of Federal Regulations, Section 164.524 (2019) within a reasonable time.

If the practitioner believes that release of the records to the patient is detrimental to the health of the patient, the practitioner shall advise the patient that copies of the treatment records or a narrative containing all relevant information in the treatment records will be made available to the patient's authorized representative upon presentation of a written authorization signed by the patient. The copies or narrative must be released to the authorized representative in accordance with the

requirements of 45 Code of Federal Regulations, Section 164.524 (2019) or for a health care practitioner not subject to the requirements of 45 Code of Federal Regulations, Section 164.524 (2019) within a reasonable time.

Except as provided in subsection 3, release of a patient's treatment records to a person other than the patient is governed by section 1711-C.

H.P. 147 - L.D. 184

An Act To Amend the Veterans' Homelessness Prevention Coordination Program

Emergency preamble. Whereas, acts and resolves of the Legislature do not become effective until 90 days after adjournment unless enacted as emergencies; and

Whereas, the need to support homeless veterans is immediate and crucial for their health, safety and welfare; and

Whereas, in the judgment of the Legislature, these facts create an emergency within the meaning of the Constitution of Maine and require the following legislation as immediately necessary for the preservation of the public peace, health and safety; now, therefore,

Be it enacted by the People of the State of Maine as follows:

Sec. 1. 37-B MRSA §513, as enacted by PL 2011, c. 329, §1, is repealed.

Sec. 2. 37-B MRSA §513-A is enacted to read:

§513-A. Veterans' homelessness prevention coordination

1. Veterans' homelessness prevention partnership. The director shall, through one or more collaborative agreements, establish a program of partnerships with human services-based volunteer organizations to provide transitional housing to homeless veterans and coordinate efforts to remedy and prevent homelessness among veterans in this State. The volunteer organizations must have as their core programs addressing homelessness and veterans' services and have been active in the State for at least 2 years. Priority must be given to an organization founded, chartered or organized in the State. The director may accept donations from outside sources and state and federal funding to accomplish the priorities of the partnerships. To the

extent state, federal or outside funding is available, the priorities of these partnerships, listed in order of priority, include, but are not limited to:

- A. Identifying homeless veterans in the State;
- B. Identifying and securing temporary or permanent living space for veterans within the veterans' communities;
- C. Providing reimbursement to human services-based volunteer organizations that provide transitional housing to homeless veterans pursuant to collaborative agreements entered into pursuant to this subsection; and
- D. Conducting annual outreach events, targeted to reach the maximum number of veterans in need, to disseminate information on resources and services available to assist homeless veterans.

2. Rules. The bureau may adopt rules necessary to implement this section, including to define "veterans" for purposes of this section, to govern collaborative agreements with human services-based volunteer organizations and to govern the reimbursement of organizations that provide transitional housing to homeless veterans through disbursements from the Veterans' Homelessness Prevention Partnership Fund.

Rules adopted under this subsection are routine technical rules as defined in Title 5, chapter 375, subchapter 2-A.

3. Fund established. The Veterans' Homelessness Prevention Partnership Fund, a nonlapsing fund, is established under the bureau for the purpose of receiving funds from state, federal and other sources, including donations from private citizens, corporations and entities for the purpose of this section. The bureau shall use the fund to provide reimbursement to human services-based volunteer organizations that provide transitional housing to homeless veterans and to otherwise carry out the purposes of this section.

Sec. 3. Appropriations and allocations. The following appropriations and allocations are made.

CHAPTER 505
H.P. 1316 - L.D. 1845

An Act To Fund Collective Bargaining Agreements with Executive Branch Employees

Emergency preamble. Whereas, acts and resolves of the Legislature do not become effective until 90 days after adjournment unless enacted as emergencies; and

Whereas, certain obligations and expenses incident to the operation of state collective bargaining agreements will become due and payable immediately; and

Whereas, it is the responsibility of the Legislature to act upon those portions of collective bargaining agreements negotiated by the executive branch that require legislative action; and

Whereas, the Governor and the Legislature share a desire to address in a timely manner the needs of certain state employees excluded from collective bargaining units; and

Whereas, in the judgment of the Legislature, these facts create an emergency within the meaning of the Constitution of Maine and require the following legislation as immediately necessary for the preservation of the public peace, health and safety; now, therefore,

Be it enacted by the People of the State of Maine as follows:

Sec. 1. Adjustment of salary schedules for fiscal years 2019-20 and 2020-21. The salary schedules for the executive branch employees in bargaining units represented by the American Federation of State, County and Municipal Employees, the Maine State Troopers Association, the Maine State Law Enforcement Association and the Maine State Employees Association must be adjusted consistent with the terms of any ratified contracts.

Sec. 2. New, temporary and seasonal employees; similar and equitable treatment. The Governor is authorized to grant similar and equitable treatment consistent with this Act for employees in classifications included in bargaining units subject to collective bargaining agreements described in section 5 of this Act who are excluded from collective bargaining pursuant to the Maine Revised Statutes, Title 26, section 979-A, subsection 6, paragraphs E and F.

Sec. 3. Confidential employees; similar and equitable treatment. The Governor is authorized to grant similar and equitable treatment consistent with this Act for confidential employees. For the purposes of this section, "confidential employees" means those employees within the executive branch, includ-

ing probationary employees, who are in positions excluded from bargaining units pursuant to the Maine Revised Statutes, Title 26, section 979-A, subsection 6, paragraphs B, C, D, I and J.

Sec. 4. Employee salaries subject to Governor's adjustment or approval. The Governor is authorized to grant similar and equitable treatment consistent with this Act for those unclassified employees whose salaries are subject to the Governor's adjustment or approval.

Sec. 5. Costs to General Fund and Highway Fund. Costs to the General Fund and Highway Fund must be provided wholly or in part through a transfer of Personal Services appropriations within and between departments and agencies from the Salary Plan program, General Fund account in the Department of Administrative and Financial Services up to \$15,000,000 for the fiscal year ending June 30, 2020 and up to \$30,000,000 for the fiscal year ending June 30, 2021 to implement the economic terms of the most recent collective bargaining agreements made by the State and the American Federation of State, County and Municipal Employees, the Maine State Troopers Association, the Maine State Law Enforcement Association and the Maine State Employees Association, to provide equitable treatment of employees excluded from bargaining pursuant to the Maine Revised Statutes, Title 26, section 979-A, subsection 6, paragraphs E and F and, notwithstanding Title 26, section 979-D, subsection 1, paragraph E, subparagraph (3), to implement equitable adjustments for confidential employees.

Sec. 6. Transfer of Personal Services appropriations between programs and departments. Notwithstanding the Maine Revised Statutes, Title 5, section 1585 or any other provision of law to the contrary, available balances in the General Fund for Personal Services in fiscal year 2019-20 and fiscal year 2020-21 may be transferred by financial order between programs and departments within the General Fund upon recommendation of the State Budget Officer and approval of the Governor to be used for costs associated with collective bargaining agreements for state employees.

Sec. 7. Transfer from Salary Plan program and special account funding. The Salary Plan program, General Fund account in the Department of Administrative and Financial Services may be made available as needed in allotment by financial order upon the recommendation of the State Budget Officer and approval of the Governor to be used for the implementation of the collective bargaining agreements for state employees and for other economic items contained in this Act in fiscal years 2019-20 and 2020-21. Positions supported from sources of funding other than the General Fund and the Highway Fund must be funded from those other sources.

Sec. 8. Transfer of Personal Services allocations between programs and departments.

Notwithstanding the Maine Revised Statutes, Title 5, section 1585 or any other provision of law to the contrary, available balances in the Highway Fund for Personal Services in fiscal year 2019-20 and fiscal year 2020-21 may be transferred by financial order between programs and departments within the Highway Fund upon recommendation of the State Budget Officer and approval of the Governor to be used for costs associated with collective bargaining agreements for state employees.

Sec. 9. Authorization for reimbursement of costs associated with contract resolution.

The Department of Administrative and Financial Services may be reimbursed from the Salary Plan program, General Fund account in the Department of Administrative and Financial Services for the costs of contract resolution, administration and implementation and other costs required by the process of collective bargaining and negotiation procedures.

Sec. 10. Payment for settlement agreement.

Payments to affected executive branch employees made in accordance with overtime pay settlements between the State of Maine and the Maine State Troopers Association, the Maine State Law Enforcement Association, the American Federation of State, County and Municipal Employees and the Maine State Employees Association must be made within available balances in the General Fund and Highway Fund for Personal Services in fiscal year 2019-20 for those affected departments and agencies. Such payments for positions supported from sources other than the General Fund and the Highway Fund must be funded from those other sources. When available balances are insufficient in the General Fund and Highway Fund, the Salary Plan program, General Fund account within the Department of Administrative and Financial Services may be used as needed in allotment by financial order upon the recommendation of the State Budget Officer and approval of the Governor in fiscal year 2019-20. Transfers from the Salary Plan program pursuant to this settlement may not exceed \$2,100,000 in fiscal year 2019-20.

Emergency clause. In view of the emergency cited in the preamble, this legislation takes effect when approved.

Effective June 28, 2019.

CHAPTER 506**H.P. 50 - L.D. 49**

**An Act Authorizing the
Issuance on Request of
Acquired Brain Injury
Identification Cards**

**Be it enacted by the People of the State of
Maine as follows:**

Sec. 1. 29-A MRSA §1410-A is enacted to read:

§1410-A. Acquired brain injury identification cards

Beginning January 1, 2020, the Secretary of State shall issue, on the request of a person who elects to receive it, an acquired brain injury identification card in accordance with this section.

1. Issuance. Upon receipt of a completed application and payment of a fee of \$5 by an applicant, the Secretary of State shall issue a wallet-sized acquired brain injury identification card to the applicant. For the purposes of this section, "acquired brain injury" has the same meaning as in Title 22, section 3086. Each acquired brain injury identification card must contain:

A. The name and address of the person to whom the card is issued;

B. The seal of the State;

C. A statement that the card holder has an acquired brain injury; and

D. Any additional information about acquired brain injury as determined by the Secretary of State under subsection 3.

The issuance of an acquired brain injury identification card does not license, permit or privilege a person to operate a motor vehicle and may not be used for official identification purposes in place of a driver's license or nondriver identification card.

2. Application. A completed application for an acquired brain injury identification card must contain the following:

A. The name, date of birth, address and telephone number of the person requesting the card; and

B. Any appropriate documentation that a person has an acquired brain injury as determined by the Secretary of State by rule.

3. Additional information. The Secretary of State may determine by rule any additional information about acquired brain injury that must be placed on an acquired brain injury identification card.

4. Rulemaking. Rules adopted pursuant to this section are routine technical rules pursuant to Title 5, chapter 375, subchapter 2-A.

Sec. 7. 20-A MRSA §5001-A, sub-§1-A, as enacted by PL 2019, c. 235, §4, is amended to read:

1-A. Attendance of persons 5 years of age or older and under 6 years of age. A person 5 years of age or older and under ~~7~~ 6 years of age who is enrolled in and who has not withdrawn from a public day school is required to attend that school during the time it is in session.

Sec. 8. 20-A MRSA §5001-A, sub-§3, as amended by PL 2019, c. 235, §5, is further amended to read:

3. Alternatives to attendance at public day school. Alternatives to attendance at public day school are as follows. A person 5 years of age or older and under ~~7~~ 6 years of age is not required to meet the requirements of this subsection.

A. Equivalent instruction alternatives are as follows.

(1) A person is excused from attending a public day school if the person obtains equivalent instruction in:

(a) A private school approved for attendance purposes pursuant to section 2901;

(b) A private school recognized by the department as providing equivalent instruction;

(c-1) A home instruction program that complies with the requirements of subparagraph (4); or

(d) Any other manner arranged for by the school board and approved by the commissioner.

(2) A student is credited with attendance at a private school only if a certificate showing the name, residence and attendance of the person at the school, signed by the person or persons in charge of the school, has been filed with the school officials of the administrative unit in which the student resides.

(4) The following provisions govern a home instruction program.

(a) The student's parent or guardian shall provide a written notice of intent to provide home instruction simultaneously to the school officials of the administrative unit in which the student resides and to the commissioner within 10 calendar days of the beginning of home instruction. The notice must contain the following information:

(i) The name, signature and address of the student's parent or guardian;

(ii) The name and age of the student;

(iii) The date the home instruction program will begin;

(iv) A statement of assurance that indicates the home instruction program will provide at least 175 days annually of instruction and will provide instruction in the following subject areas: English and language arts, math, science, social studies, physical education, health education, library skills, fine arts and, in at least one grade from grade 6 to 12, Maine studies. At one grade level from grade 7 to 12, the student will demonstrate proficiency in the use of computers; and

(v) A statement of assurance that indicates that the home instruction program will include an annual assessment of the student's academic progress that includes at least one of the forms of assessment described in division (b).

(b) On or before September 1st of each subsequent year of home instruction, the student's parent or guardian shall file a letter with the school officials of the administrative unit in which the student resides and the commissioner stating the intention to continue providing home instruction and enclose a copy of one of the following forms of annual assessment of the student's academic progress:

(i) A standardized achievement test administered through the administrative unit in which the student resides or through other arrangements approved by the commissioner. If the test is administered through the administrative unit in which the student resides, that administration must be agreed to by the school officials of the administrative unit prior to submission of the written notice of intent to provide home instruction;

(ii) A test developed by the school officials of the administrative unit in which the student resides appropriate to the student's home instruction program, which must be agreed to by the school officials of the administrative unit prior to submission of

the written notice of intent to provide home instruction;

(iii) A review and acceptance of the student's progress by an identified individual who holds a current Maine teacher's certificate;

(iv) A review and acceptance of the student's progress based on, but not limited to, a presentation of an educational portfolio of the student to a local area homeschooling support group whose membership for this purpose includes a currently certified Maine teacher or administrator; or

(v) A review and acceptance of the student's progress by a local advisory board selected by the superintendent of the administrative unit in which the student resides that includes one administrative unit employee and 2 home instruction tutors. For the purpose of this subdivision, a "home instruction tutor" means the parent, guardian or other person who acts or will act as a primary teacher of the student in the home instruction program. This provision must be agreed to by the school officials of the administrative unit in which the student resides prior to submission of the written notice of intent to provide home instruction.

(c) Dissemination of any information filed under this subparagraph is governed by the provisions of section 6001; the federal Family Educational Rights and Privacy Act of 1974, 20 United States Code, Section 1232g (2002); and the federal Education for All Handicapped Children Act of 1975, 20 United States Code, Sections 1401 to 1487 (2002), except that "directory information," as defined by the federal Family Educational Rights and Privacy Act of 1974, is confidential and is not subject to public disclosure unless the parent or guardian specifically permits disclosure in writing or a judge orders otherwise. Copies of the information filed under this subparagraph must be maintained by the student's parent or guardian until the home instruction program concludes. The records must be made available to the commissioner upon request.

(d) If the home instruction program is discontinued, students of compulsory school age must be enrolled in a public school or an equivalent instruction alternative as provided for in this paragraph. The receiving school shall determine the placement of the student. At the secondary level, the principal of the receiving school shall determine the value of the prior educational experience toward meeting the standards of the system of learning results as established in section 6209.

B. A person may be excused from attendance at a public day school pursuant to section 5104-A or section 8605.

Sec. 9. 20-A MRSA §5051-A, sub-§1, ¶C, as amended by PL 2019, c. 235, §7, is amended to read:

C. Is at least ~~7~~ 6 years of age and has not completed grade 6 and has the equivalent of 7 full days of unexcused absences or 5 consecutive school days of unexcused absences during a school year; or

Sec. 10. Basic approval standards; rule-making. The Commissioner of Education shall amend the Department of Education rule Chapter 125: Basic Approval Standards: Public Schools and School Administrative Units to address developmentally appropriate educational practices for kindergarten to grade 2. The rule must be amended to provide for:

1. Classroom instruction with hands-on experiences with concrete materials and opportunities for students to interact with the world, ask questions, seek answers to questions and reflect on learning;

2. Instruction that includes integration of learning experiences from all content areas arranged around themes relevant to the lives of students in kindergarten to grade 2; and

3. An integrated school day that includes opportunities for student-centered and teacher-directed time combined with large and small group instruction.

Rules adopted or amended pursuant to this section are major substantive rules as defined in the Maine Revised Statutes, Title 5, chapter 375, subchapter 2-A. The commissioner shall provisionally adopt the amended rules and submit the provisionally adopted rules to the Executive Director of the Legislative Council by January 10, 2020.

See title page for effective date.

CHAPTER 509 H.P. 177 - L.D. 214

An Act To Increase Funding for Civil Legal Services

Be it enacted by the People of the State of Maine as follows:

Sec. 1. 4 MRSA §18-A, sub-§1, ¶B, as amended by PL 2005, c. 361, §1, is further amended to read:

B. Except as provided in paragraph C, money in the fund must be disbursed to legal services providers to support the provision of free civil legal services to low-income or needy people or the needy elderly in this State. Money disbursed from the fund may not be used by a recipient to support lobbying as defined in Title 3, section 312-A, subsection 9 unless the recipient is responding to a request by a Legislator or a member of the Executive Department. Only the following legal services providers may receive disbursement to provide free civil legal services:

(1) Nonprofit organizations whose missions include the provision of statewide free civil legal services and who have at least ~~one year~~ 5 years of experience providing free civil legal services;

(2) Legal aid clinics of accredited law schools operating exclusively in Maine; and

(3) Programs whose primary mission is to coordinate pro bono legal services on a statewide basis for low-income people in this State.

CHAPTER 511
S.P. 132 - L.D. 454

**An Act To Encourage the
Purchase of Local Produce for
Public Schools**

Be it enacted by the People of the State of Maine as follows:

Sec. 1. 20-A MRSA §6602, sub-§12, as amended by PL 2015, c. 267, Pt. 000, §1, is further amended to read:

12. Local Produce Fund. The Local Produce Fund is established within the department. The fund is authorized to receive revenue from public and private sources. The fund must be held separate and apart from all other money, funds and accounts. Any balance remaining in the fund at the end of the fiscal year must be carried forward to the next fiscal year. The fund must be used to match \$1 for every \$3 a school administrative unit pays for produce or minimally processed foods purchased directly from a farmer, farmers' cooperative or local food hub in the State, to a maximum state contribution of \$1,000 per school administrative unit in fiscal year 2019-20 and \$1,500 per school administrative unit in fiscal year 2020-21 and subsequent years or \$2,000 per school administrative unit if funding is received and the school administrative unit sends a food service employee to local foods training administered by the department under subsection 13. At the end of the fiscal year, the school administrative unit may provide the department with receipts documenting purchases pursuant to this subsection during that year. For purposes of this subsection, "minimally processed" means only the washing, cleaning, trimming, drying, sorting and packaging of food items or a combination of those activities. Reimbursement or partial reimbursement to school administrative units may only be made up to the amount available in the fund. Failure to reimburse does not constitute an obligation on behalf of the State to a school administrative unit. The department shall apply for federal grant funding to provide state contributions in excess of \$1,000 per school administrative unit in fiscal year 2019-20 and \$1,500 per school administrative unit in fiscal year 2020-21 and subsequent years pursuant to this subsection if applicable grant funding is available. The department may accept grant funding from hospitals and other sources to provide state contributions in excess of \$1,000 per school administrative unit in fiscal year 2019-20 and \$1,500 per school

administrative unit in fiscal year 2020-21 and subsequent years pursuant to this subsection.

Sec. 2. Effective date. This Act takes effect October 1, 2019.

Effective October 1, 2019.

CHAPTER 512
S.P. 209 - L.D. 696

**An Act To Require
Municipalities and School
Districts To Provide Notice of
Breaches in Personal Data
Security**

Be it enacted by the People of the State of Maine as follows:

Sec. 1. 10 MRSA §1347, sub-§5, as amended by PL 2005, c. 583, §3 and affected by §14, is further amended to read:

5. Person. "Person" means an individual, partnership, corporation, limited liability company, trust, estate, cooperative, association or other entity, including agencies of State Government, municipalities, school administrative units, the University of Maine System, the Maine Community College System, Maine Maritime Academy and private colleges and universities. "Person" as used in this chapter may not be construed to require duplicative notice by more than one individual, corporation, trust, estate, cooperative, association or other entity involved in the same transaction.

Sec. 2. 10 MRSA §1348, sub-§1, as repealed and replaced by PL 2005, c. 583, §6 and affected by §14, is amended to read:

1. Notification to residents. The following provisions apply to notification to residents by information brokers and other persons.

A. If an information broker that maintains computerized data that includes personal information becomes aware of a breach of the security of the system, the information broker shall conduct in good faith a reasonable and prompt investigation to determine the likelihood that personal information has been or will be misused and shall give notice of a breach of the security of the system following discovery or notification of the security breach to a resident of this State whose personal information has been, or is reasonably believed to have been, acquired by an unauthorized person.

B. If any other person who maintains computerized data that includes personal information becomes aware of a breach of the security of the system, the person shall conduct in good faith a rea-

sonable and prompt investigation to determine the likelihood that personal information has been or will be misused and shall give notice of a breach of the security of the system following discovery or notification of the security breach to a resident of this State if misuse of the personal information has occurred or if it is reasonably possible that misuse will occur.

The notices required under paragraphs A and B must be made as expediently as possible and without unreasonable delay, consistent with the legitimate needs of law enforcement pursuant to subsection 3 or with measures necessary to determine the scope of the security breach and restore the reasonable integrity, security and confidentiality of the data in the system. If there is no delay of notification due to law enforcement investigation pursuant to subsection 3, the notices must be made no more than 30 days after the person identified in paragraph A or B becomes aware of a breach of security and identifies its scope.

Sec. 3. 10 MRSA §1349, sub-§2, ¶A, as amended by PL 2005, c. 583, §11 and affected by §14, is further amended to read:

A. A fine of not more than \$500 per violation, up to a maximum of \$2,500 for each day the person is in violation of this chapter, except that this paragraph does not apply to State Government, municipalities, school administrative units, the University of Maine System, the Maine Community College System or Maine Maritime Academy;

See title page for effective date.

CHAPTER 513

H.P. 538 - L.D. 733

An Act To Promote Keeping Workers in Maine

Be it enacted by the People of the State of Maine as follows:

Sec. 1. 26 MRSA §§599-A and 599-B are enacted to read:

§599-A. Noncompete agreements

1. Definitions. As used in this section, unless the context otherwise indicates, the following terms have the following meanings.

A. "Federal poverty level" means the nonfarm income official poverty line for an individual, as defined by the federal Office of Management and Budget and revised annually in accordance with the Omnibus Budget Reconciliation Act of 1981, Section 673(2).

B. "Noncompete agreement" means a contract or contract provision that prohibits an employee or prospective employee from working in the same or a similar profession or in a specified geographic area for a certain period of time following termination of employment.

2. Public policy; enforceability of noncompete agreements. Noncompete agreements are contrary to public policy and are enforceable only to the extent that they are reasonable and are no broader than necessary to protect one or more of the following legitimate business interests of the employer:

A. The employer's trade secrets, as defined in Title 10, section 1542, subsection 4;

B. The employer's confidential information that does not qualify as a trade secret; or

C. The employer's goodwill.

A noncompete agreement may be presumed necessary if the legitimate business interest cannot be adequately protected through an alternative restrictive covenant, including but not limited to a nonsolicitation agreement or a nondisclosure or confidentiality agreement.

3. Prohibited for certain workers. Notwithstanding subsection 2, an employer may not require or permit an employee earning wages at or below 400% of the federal poverty level to enter into a noncompete agreement with the employer.

4. Disclosure; notice. An employer shall disclose prior to an offer of employment with the employer that will require the acceptance of a noncompete agreement a statement that a noncompete agreement will be required.

An employer shall notify an employee or prospective employee of a noncompete agreement requirement and provide a copy of the noncompete agreement not less than 3 business days before the employer requires the agreement to be signed to allow time for the employee or prospective employee to review the agreement and negotiate the terms of the agreement or employment with the employer if the employee or prospective employee wishes to do so.

5. Effective date of a noncompete agreement. Except for a noncompete agreement between an employer and an allopathic physician or an osteopathic physician licensed under Title 32, chapter 48 or chapter 36, respectively, the terms of a noncompete agreement do not take effect until after one year of the employee's employment with the employer or a period of 6 months from the date the agreement was signed, whichever is later.

6. Penalty; enforcement. An employer that violates subsection 3 or 4 commits a civil violation for which a fine of not less than \$5,000 may be adjudged.

The Department of Labor is responsible for enforcement of this section.

7. Application. This section applies to all non-compete agreements entered into or renewed after the effective date of this section.

§599-B. Restrictive employment agreements

1. Definition. For purposes of this section, "restrictive employment agreement" means an agreement that:

A. Is between 2 or more employers, including through a franchise agreement or a contractor and subcontractor agreement; and

B. Prohibits or restricts one employer from soliciting or hiring another employer's employees or former employees.

2. Restrictive employment agreements prohibited. An employer may not:

A. Enter into a restrictive employment agreement; or

B. Enforce or threaten to enforce a restrictive employment agreement.

3. Penalty; enforcement. An employer that violates subsection 2 commits a civil violation for which a fine of not less than \$5,000 may be adjudged. The Department of Labor is responsible for enforcement of this section.

See title page for effective date.

CHAPTER 514

S.P. 230 - L.D. 786

An Act To Reduce Hunger and Promote Maine Agriculture

Be it enacted by the People of the State of Maine as follows:

Sec. 1. Transfer of funds. Notwithstanding any provision of law to the contrary, the State Controller shall transfer to the unappropriated surplus of the General Fund \$1,000,000 no later than June 30, 2020 and \$1,000,000 no later than June 30, 2021 from the Medical Use of Marijuana Fund, established in the Maine Revised Statutes, Title 22, section 2430.

Sec. 2. Appropriations and allocations. The following appropriations and allocations are made.

AGRICULTURE, CONSERVATION AND FORESTRY, DEPARTMENT OF

Statewide Hunger Relief Program N230

Initiative: Provides ongoing funds to contract with a nonprofit organization that provides statewide hunger relief services to allow that organization to engage in statewide hunger relief services, including, but not limited to, the purchase of food from Maine food producers and processors, to provide grants to local hunger relief programs and to pay the operational and distribution expenses of the organization.

CHAPTER 515

S.P. 137 - L.D. 459

An Act Regarding Presumptive Eligibility and Homelessness under the General Assistance Laws

Be it enacted by the People of the State of Maine as follows:

Sec. 1. 22 MRSA §4301, sub-§5-A is enacted to read:

5-A. Homelessness. "Homelessness" means a situation in which a person or household is:

A. Living in a place that is not fit for human habitation;

B. Living in an emergency shelter;

C. Living in temporary housing, including but not limited to a hotel, motel, campground, unlicensed campsite or rehabilitation facility;

D. Exiting a hospital or institution licensed under chapter 405 or a correctional facility where the person or household resided for up to 90 days if the person or household was in an emergency shelter or a place not fit for human habitation before entering the hospital, institution or correctional facility;

E. Losing the person's or household's primary nighttime residence and lacking the resources or support networks to remain in that residence; or

F. Fleeing or attempting to flee violence and has no other residence.

Sec. 2. 22 MRSA §4308, sub-§2, as amended by PL 1999, c. 45, §1, is further amended to read:

2. Emergencies. A person, including a person experiencing or facing homelessness, who does not have sufficient resources to provide one or more basic

necessities in an emergency is eligible for emergency general assistance, even when that applicant has been found ineligible for nonemergency general assistance, except as provided in this subsection.

A. A person who is currently disqualified from general assistance for a violation of section 4315, 4316-A or 4317 is ineligible for emergency assistance under this subsection.

B. Municipalities may by standards adopted in municipal ordinances restrict the disbursement of emergency assistance to alleviate emergency situations to the extent that those situations could not have been averted by the applicant's use of income and resources for basic necessities. The person requesting assistance shall provide evidence of income and resources for the applicable time period.

A municipality may provide emergency assistance when the municipality determines that an emergency is imminent and that failure to provide assistance may result in undue hardship and unnecessary costs.

Sec. 3. 22 MRSA §4309, sub-§5 is enacted to read:

5. Presumptive eligibility. The overseer in a municipality shall presume eligibility to receive general assistance of a person who is provided shelter in an emergency shelter for the homeless located in that municipality. After 30 days, that person's eligibility must be redetermined. When presumptive eligibility is determined under this subsection, no other municipality may be determined to be the municipality of responsibility during that 30-day period.

Sec. 4. Work group. The Department of Health and Human Services shall convene a work group of stakeholders to study the municipal general assistance program established in the Maine Revised Statutes, Title 22, chapter 1161 to determine more efficient methods of distributing general assistance benefits to individuals, review differential effects on service center municipalities and other municipalities of providing general assistance, devise equitable methods of establishing the municipality of responsibility and develop services to reduce homelessness and reliance on homeless shelters. The stakeholders must include, but are not limited to, the Maine State Housing Authority and organizations representing mayors, municipalities, general assistance providers, clients of services and other appropriate persons. The department shall report its findings, together with recommendations and any suggested legislation, to the Joint Standing Committee on Health and Human Services no later than January 2, 2020.

See title page for effective date.

CHAPTER 516 H.P. 621 - L.D. 847

An Act To Ensure Persons with Disabilities Have Access to Public Rest Rooms

Be it enacted by the People of the State of Maine as follows:

Sec. 1. 5 MRSA §4594-G, sub-§12 is enacted to read:

12. Single-occupancy toilet facilities; qualifying new construction. Beginning January 1, 2020, new construction of a public building, as defined in subsection 6, must include single-occupancy toilet facilities that meet the standards of construction required by this section. This subsection applies to new construction for which the maximum occupant capacity exceeds 100 individuals.

See title page for effective date.

CHAPTER 517 H.P. 629 - L.D. 855

An Act To Strengthen the Maine Uniform Building and Energy Code

Be it enacted by the People of the State of Maine as follows:

Sec. 1. 10 MRSA §9723, sub-§2, as repealed and replaced by PL 2013, c. 424, Pt. A, §3, is amended to read:

2. Training program standards; implementation. The committee shall direct the training coordinator of the Division of Building Codes and Standards, established in Title 25, section 2372, to develop a training program for municipal building officials, local code enforcement officers and 3rd-party inspectors. The Department of ~~Economic and Community Development, Office of Community Development~~ Public Safety, Office of the State Fire Marshal, pursuant to Title 30-A, section 4451, subsection 3-A, shall implement the training and certification program established under this chapter.

Sec. 2. 25 MRSA §2372, sub-§2, as amended by PL 2011, c. 633, §9, is further amended to read:

2. Staff. The commissioner may appoint ~~or~~ and may remove for cause staff of the division, including:

A. A technical codes coordinator certified in building standards pursuant to Title 30-A, section 4451, subsection 2-A, paragraph E, who serves as the division director and principal administrative and supervisory employee of the board. The tech-

nical codes coordinator shall attend meetings of the board, keep records of the proceedings of the board and direct and supervise the personnel employed to carry out the duties of the board, including but not limited to providing technical support and public outreach for the adoption of the code, amendments, conflict resolutions and interpretations. Technical support and public outreach must include, but may not be limited to:

- (1) Providing nonbinding interpretation of the code for professionals and the general public; and
- (2) Establishing and maintaining a publicly accessible website to publish general technical assistance, code updates and interpretations and post-training course schedules; and

B. An office specialist to provide administrative support to the division and the board.

Sec. 3. 25 MRSA §2374, as repealed and replaced by PL 2013, c. 424, Pt. A, §12, is amended to read:

§2374. Uniform Building Codes and Standards Fund

The Uniform Building Codes and Standards Fund, referred to in this section as "the fund," is established within the Department of Public Safety to fund the activities of the board under this chapter and the activities of the board under Title 10, chapter 1103 and ~~the Department of Economic and Community Development, Office of Community Development~~ under Title 30-A, section 4451, subsection 3-A. Revenue for this fund is provided by the surcharge established by section 2450-A. The Department of Public Safety ~~and the Department of Economic and Community Development, Office of Community Development~~ shall together determine an amount to be transferred annually from the fund for training and certification under Title 30-A, section 4451, subsection 3-A to the Maine Code Enforcement Training and Certification Fund established in Title 30-A, section 4451, subsection 3-B. Any balance of the fund may not lapse, but must be carried forward as a continuing account to be expended for the same purpose in the following fiscal year.

Sec. 4. 30-A MRSA §4221, sub-§1, as amended by PL 2011, c. 655, Pt. FF, §6 and affected by §16, is further amended to read:

1. Appointment; compensation; removal. In every municipality, the municipal officers shall appoint one or more inspectors of plumbing, who need not be residents of the municipality for which they are appointed. Plumbing inspectors are appointed for a term of one year or more and must be sworn and the appointment recorded as provided in section 2526, subsection 9. An individual properly appointed as plumbing inspector and satisfactorily performing the

duties may continue in that capacity after the term has expired until replaced. The municipal officers shall notify the department and the Department of ~~Economic and Community Development, Office of Community Development~~ Public Safety, Office of the State Fire Marshal of the appointment of a plumbing inspector in writing within 30 days of the appointment.

Compensation of plumbing inspectors is determined by the municipal officers and paid by the respective municipalities.

The municipal officers may remove a plumbing inspector for cause, after notice and hearing.

Sec. 5. 30-A MRSA §4451, as amended by PL 2019, c. 40, §1, is further amended to read:

§4451. Training and certification for code enforcement officers

1. Certification required; exceptions. A municipality may not employ any individual to perform the duties of a code enforcement officer who is not certified by the former State Planning Office ~~or~~ the Department of Economic and Community Development, Office of Community Development ~~or the Department of Public Safety, Office of the State Fire Marshal~~, except that:

A. An individual other than an individual appointed as a plumbing inspector has 12 months after beginning employment to be trained and certified as provided in this section;

B. Whether or not any extension is available under paragraph A, the Department of ~~Economic and Community Development, Office of Community Development~~ Public Safety, Office of the State Fire Marshal may waive this requirement for up to one year if the certification requirements cannot be met without imposing a hardship on the municipality employing the individual;

C. An individual may be temporarily authorized in writing by the Department of Health and Human Services, Division of Health Engineering to be employed as a plumbing inspector for a period not to exceed 12 months; and

D. An individual whose certification has expired or is about to expire may be temporarily authorized in writing by the Department of ~~Economic and Community Development, Office of Community Development~~ Public Safety, Office of the State Fire Marshal to extend that individual's certification for a period not to exceed 12 months in cases where the necessary training or examination is suspended under subsection 3-B, paragraph E.

2. Penalty. Any municipality that violates this section commits a civil violation for which a ~~forfeiture~~ fine of not more than \$100 may be adjudged. Each day in violation constitutes a separate offense.

2-A. Code enforcement officer; definition and duties. As used in this subchapter, "code enforcement officer" means a person certified under this section and employed by a municipality to enforce all applicable laws and ordinances in the following areas:

- A. Shoreland zoning under Title 38, chapter 3, subchapter 1, article 2-B;
- B. Comprehensive planning and land use under Part 2, Subpart 6-A;
- C. Internal plumbing under chapter 185, subchapter 3;
- D. Subsurface wastewater disposal under chapter 185, subchapter 3; and
- E. Building standards under chapter 141; chapter 185, subchapter 1; Title 5, sections 4582-B, 4582-C and 4594-F; ~~beginning June 1, 2010~~, Title 10, chapter 1103; and Title 25, chapter 313.

3. Training and certification of code enforcement officers. In cooperation with code enforcement officer professional associations, the Maine Community College System, the Department of Environmental Protection, and the Department of Health and Human Services ~~and the Department of Public Safety~~, except as otherwise provided in paragraph H, the Department of ~~Economic and Community Development, Office of Community Development~~ Public Safety, Office of the State Fire Marshal shall establish a continuing education program for individuals engaged in code enforcement. This program must provide training in the technical and legal aspects of code enforcement necessary for certification. The training program must include training to provide familiarity with the laws and ordinances related to the structure and practice of the municipal code enforcement office, municipal planning board and appeals board procedures, application review and permitting procedures, inspection procedures and enforcement techniques.

H. If funding is not available to support the training and certification program authorized under this subsection, the Department of ~~Economic and Community Development, Office of Community Development~~ Public Safety, Office of the State Fire Marshal shall discontinue training and certification activities related to laws and ordinances referenced in subsection 2-A, paragraphs A and B and shall adopt by routine technical rules under Title 5, chapter 375, subchapter 2-A a program to register code enforcement officers that meet training and education qualifications. The Department of ~~Economic and Community Development, Office of Community Development~~ Public Safety, Office of the State Fire Marshal shall publish the list of persons registered for code enforcement who have submitted evidence of required qualifications. Persons registered under this paragraph must meet the requirements for training and certi-

fication under this subchapter. The Department of ~~Economic and Community Development, Office of Community Development~~ Public Safety, Office of the State Fire Marshal shall consult with the Department of Health and Human Services for the purposes of carrying out training and certification activities related to laws and ordinances referenced in subsection 2-A, paragraphs C and D. Within one month of discontinuation of training and certification under this paragraph, the Department of ~~Economic and Community Development, Office of Community Development~~ Public Safety, Office of the State Fire Marshal shall report to the joint standing committee of the Legislature having jurisdiction over appropriations and financial affairs and the joint standing committee of the Legislature having jurisdiction over state and local government matters a recommendation for funding the training and certification program or for further changes in program requirements.

3-A. Training and certification of inspectors in the Maine Uniform Building and Energy Code. In accordance with the training and certification requirements developed pursuant to Title 10, section 9723, the Department of ~~Economic and Community Development, Office of Community Development~~ Public Safety, Office of the State Fire Marshal shall provide the training necessary to certify municipal building officials, local code enforcement officers and 3rd-party inspectors.

3-B. Maine Code Enforcement Training and Certification Fund. The Maine Code Enforcement Training and Certification Fund, referred to in this section as "the fund," is established as a nonlapsing fund to support training and certification programs administered by the Department of ~~Economic and Community Development, Office of Community Development~~ Public Safety, Office of the State Fire Marshal for code enforcement officers, local plumbing inspectors, municipal building officials and 3rd-party inspectors in accordance with this subchapter.

A. ~~Beginning July 1, 2009, and each year thereafter on~~ On July 1st of each year, the funds identified in section 4215, subsection 4 for training and certifying local plumbing inspectors must be transferred to the fund.

B. ~~Beginning July 1, 2009, and each year thereafter on~~ On July 1st of each year, the funds identified in Title 25, section 2374 for training and certifying municipal building officials, local code enforcement officers and 3rd-party inspectors must be transferred to the fund.

C. The Department of ~~Economic and Community Development, Office of Community Development~~ Public Safety, Office of the State Fire Marshal shall place in the fund any money it receives from

grants to support the requirements of this subchapter.

D. Funds related to code enforcement training and certification may be expended only in accordance with allocations approved by the Legislature and solely for the administration of this subchapter. Any balance remaining in the fund at the end of any fiscal year may not lapse but must be carried forward to the next fiscal year.

E. If the fund does not contain sufficient money to support the costs of the training and certification provided for in this subchapter, the Department of ~~Economic and Community Development, Office of Community Development Public Safety, Office of the State Fire Marshal~~ may suspend all or reduce the level of training and certification activities.

4. Examination. The Department of ~~Economic and Community Development, Office of Community Development Public Safety, Office of the State Fire Marshal~~ shall conduct at least one examination each year to examine candidates for certification at a time and place designated by it. The Department of ~~Economic and Community Development, Office of Community Development Public Safety, Office of the State Fire Marshal~~ may conduct additional examinations to carry out the purposes of this subchapter.

5. Certification standards. The Department of ~~Economic and Community Development, Office of Community Development Public Safety, Office of the State Fire Marshal~~ shall adopt routine technical rules under Title 5, chapter 375, subchapter 2-A to establish the qualifications, conditions and licensing standards and procedures for the certification and recertification of individuals as code enforcement officers. A code enforcement officer need only be certified in the areas of actual job responsibilities. The rules established under this subsection must identify standards for each of the areas of training under subsection 2-A, in addition to general standards that apply to all code enforcement officers.

6. Certification; terms; revocation. The Department of ~~Economic and Community Development, Office of Community Development Public Safety, Office of the State Fire Marshal~~ shall certify individuals as to their competency to successfully enforce ordinances and other land use regulations and permits granted under those ordinances and regulations and shall issue certificates attesting to the competency of those individuals to act as code enforcement officers. Certificates issued by the former State Planning Office ~~or~~, the Department of Economic and Community Development, Office of Community Development ~~or~~ the Department of Public Safety, Office of the State Fire Marshal are valid for 6 years unless revoked by the District Court. An examination is not required for recertification of code enforcement officers. The De-

partment of ~~Economic and Community Development, Office of Community Development Public Safety, Office of the State Fire Marshal~~ shall recertify a code enforcement officer if the code enforcement officer successfully completes at least 12 hours of approved training in each area of job responsibility during the 6-year certification period.

A. The District Court may revoke the certificate of a code enforcement officer, in accordance with Title 4, chapter 5, when it finds that:

- (1) The code enforcement officer has practiced fraud or deception;
- (2) Reasonable care, judgment or the application of a duly trained and knowledgeable code enforcement officer's ability was not used in the performance of the duties of the office; or
- (3) The code enforcement officer is incompetent or unable to perform properly the duties of the office.

B. Code enforcement officers whose certificates are invalidated under this subsection may be issued new certificates provided that they are newly certified as provided in this section.

7. Other professions unaffected. This subchapter may not be construed to affect or prevent the practice of any other profession.

Sec. 6. 30-A MRSA §4452, sub-§7, as amended by PL 2011, c. 655, Pt. FF, §9 and affected by §16, is further amended to read:

7. Natural resources protection laws. A code enforcement officer, authorized by a municipality to represent that municipality in District Court and certified by the former State Planning Office or the Department of Economic and Community Development, Office of Community Development ~~or~~ the Department of Public Safety, Office of the State Fire Marshal under section 4453 as familiar with court procedures, may enforce the provisions of Title 38, section 420-C, Title 38, chapter 3, subchapter 1, article 5-A and Title 38, chapter 13-D by instituting injunctive proceedings or by seeking civil penalties in accordance with Title 38, section 349, subsection 2.

Sec. 7. 30-A MRSA §4453, first ¶, as amended by PL 2011, c. 655, Pt. FF, §10 and affected by §16, is further amended to read:

The Department of ~~Economic and Community Development, Office of Community Development Public Safety, Office of the State Fire Marshal~~ shall establish certification standards and a program to certify familiarity with court procedures for the following individuals:

Sec. 8. Appropriations and allocations.

An Act To Provide for Support for New Educators

Be it enacted by the People of the State of Maine as follows:

Sec. 1. 20-A MRSA §13012-A, sub-§4, as amended by PL 2017, c. 381, §14, is further amended to read:

4. Requirements. ~~If a~~ A school administrative unit ~~employs may not employ~~ a conditionally certified teacher or educational specialist unless it has a locally designed peer support and mentoring system as described in section 13015-A. For a conditional certificate issued under subsection 1, paragraph A or B, the school administrative unit shall for at least the first ~~year~~ 2 years of employment, or longer if determined to be necessary, and, for a conditional certificate issued under subsection 1, paragraph C, the school administrative unit shall for at least the first year of employment, or longer if determined to be necessary:

- A. Ensure that the conditionally certified teacher or educational specialist receives high-quality professional development that is sustained, intensive and classroom-focused in order to have a positive and lasting impact on classroom instruction while teaching; and
- B. Provide a program of intensive supervision for the conditionally certified teacher that consists of structured guidance and regular ongoing support or a mentoring program, which is separate from

any student-teacher requirement that may be required under another authority.

Sec. 2. 20-A MRSA §13013, sub-§2-B, ¶B, as enacted by PL 2017, c. 235, §12 and affected by §41, is amended to read:

B. Can demonstrate subject matter competency obtained through work experience that is directly related to any endorsements being sought and has held a conditional certificate under section 13012-A for 3 years, ~~unless the applicant is seeking only an endorsement for middle school and secondary school, in which case the applicant is not required to have held a conditional certificate;~~

Sec. 3. 20-A MRSA §13015-A is enacted to read:

§13015-A. Peer support and mentoring system

1. Purpose. The purpose of a peer support and mentoring system is to:

- A. Provide strong support services and mentoring programs that are sustained, intensive and classroom-focused in order to have a positive and lasting effect on classroom instruction and develop good teaching and classroom management skills for teachers certified for less than 5 years and teachers with conditional certificates;
- B. Provide assistance to and review for all individuals who are candidates for a higher level certificate or who are teaching under a waiver of the requirement to be certified under this chapter; and
- C. Assist all teachers in becoming better teachers.

A peer support and mentoring system is separate from local practices and procedures regarding the supervision and evaluation of a teacher for retention by a school administrative unit. The system must include opportunities for all educators to share, learn and continually improve their practices as educators in collaboration with peers. Peer support and mentoring must be formative in nature and be for the sole purpose of ongoing professional growth for educators.

Sec. 4. Professional Standards Board. The Governor shall appoint members for all vacant positions on the Professional Standards Board established under the Maine Revised Statutes, Title 20-A, chapter 502-B no later than November 1, 2019, and the Professional Standards Board shall convene a meeting no later than December 1, 2019.

Sec. 13. 15 MRSA §3301, sub-§7, as amended by PL 2005, c. 507, §9, is further amended to read:

7. Nonapplication of section. ~~Except for subsection 6-A, the~~ The provisions of this section do not apply to a juvenile charged with either of the juvenile crimes defined in section 3103, subsection 1, paragraph E or F, and a petition may be filed without recommendation by a juvenile community corrections officer. The provisions of section 3203-A apply in the case of a juvenile charged with either of the juvenile crimes defined in section 3103, subsection 1, paragraph E or F.

Sec. 14. 15 MRSA §3304, sub-§6, as enacted by PL 1977, c. 520, §1, is amended to read:

6. Summons of necessary parties. The court on its own motion or on the motion of any party may require the appearance of any person ~~it deems the court~~ determines necessary to the action and authorize the issuance of a summons directed to ~~such that~~ person. Any party to the action may request the issuance of compulsory process by the court requiring the attendance of witnesses on ~~his own~~ the party's behalf or on the behalf of the juvenile.

Sec. 15. 15 MRSA §3306, sub-§1, as amended by PL 1977, c. 664, §25, is further amended to read:

1. Notice and appointment.

A. At ~~his a juvenile's~~ first appearance before the court, the juvenile and ~~his the juvenile's~~ parent or parents, guardian or legal custodian ~~shall~~ must be fully advised by the court of their constitutional and legal rights, including the juvenile's right to be represented by counsel at every stage of the proceedings. At every subsequent appearance before the court, the juvenile ~~shall~~ must be advised of ~~his the juvenile's~~ right to be represented by counsel.

B. If the juvenile requests an attorney and if ~~he the juvenile~~ and ~~his the juvenile's~~ parent or parents, guardian or legal custodian are found to be without sufficient financial means, counsel ~~shall~~ must be appointed by the court.

C. The court may appoint counsel without ~~such a~~ request under paragraph B if ~~it deems the court~~ determines representation by counsel necessary to protect the interests of the juvenile.

Sec. 16. 15 MRSA §3307, sub-§1-A, as amended by PL 1999, c. 624, Pt. B, §17, is further amended to read:

1-A. Disclosure of identity. A law enforcement officer, officer of the court ~~or~~ juvenile community corrections officer or other representative of the Department of Corrections may not ~~release~~ disclose the identity of any juvenile until a petition is filed charging the juvenile with a juvenile crime described in subsection 2. This section does not preclude the ~~release~~ disclosure of the identity of a juvenile to a complainant or victim if a juvenile community corrections officer decides not to file a petition in accordance with section 3301, subsection 5, paragraph A or B or if the juvenile community corrections officer requests the prosecuting attorney to file a petition in accordance with section 3301, subsection 5, paragraph C.

Sec. 17. 15 MRSA §3308, as amended by PL 2013, c. 267, Pt. B, §6, is further amended to read:

§3308. Juvenile case records; inspection and sealing

1. Inspection. No person may inspect the records of juvenile proceedings except as provided in this section.

1-A. Confidentiality. Juvenile case records are confidential and may not be disclosed, disseminated or inspected except as expressly authorized by this Part.

2. Hearings open to public. In the case of a hearing open to the general public under section 3307, the petition, the record of the hearing and the order of adjudication are open to public inspection, provided that any court subsequently sentencing the juvenile after the juvenile has become an adult may consider only murder and Class A, Class B and Class C offenses committed by the juvenile. The petition, the record of the hearing and the order of adjudication ~~are open to inspection by the victim,~~ regardless of whether the hearing is open to the general public under section 3307, are open to inspection by:

A. The victim;

B. If the victim is a minor, a parent or parents, guardian or legal custodian of the victim; and

C. If the victim cannot act on the victim's own behalf due to death, age, physical or mental disease or disorder or intellectual disability or autism or other reason, an immediate family member, guardian, legal custodian of the victim or a licensed professional investigator under Title 32, chapter 89.

3. Dissemination of juvenile case records. ~~Records of court proceedings and of the other records described in subsection 5~~ Juvenile case records must be open to inspection by and, upon request, be disseminated to the juvenile, the juvenile's parent or parents, guardian or legal custodian, the juvenile's attorney, the prosecuting attorney and to any agency to which legal custody of the juvenile was transferred as a result of adjudication. These Juvenile case records may also be open to inspection by and, upon request, be disseminated to the Department of Health and Human Services prior to adjudication if commitment to the Department of Health and Human Services is a proposed disposition.

3-A. Disclosure of juvenile's identity to victims. ~~The name~~ Upon request, the identity of a juvenile subject to Juvenile Court proceedings ~~shall~~ must be made known disclosed by the Juvenile Court to the victim of the juvenile crime on his request. to:

A. The victim;

B. If the victim is a minor, a parent or parents, guardian or legal custodian of the victim; or

C. If the victim cannot act on the victim's own behalf due to death, age, physical or mental dis-

ease or disorder or intellectual disability or autism or other reason, an immediate family member, guardian, legal custodian of the victim or a licensed professional investigator under Title 32, chapter 89.

4. Access to juvenile case records by other persons. With the consent of the court, and subject to reasonable limitations to protect the identity, privacy and safety of 3rd parties, including, but not limited to, victims and other accused or adjudicated juveniles, and the interests of justice, juvenile case records of court proceedings, excluding the names of the juvenile, ~~his~~ and the juvenile's parent or parents, guardian, or legal custodian, his the juvenile's attorney or any other parties, may be inspected by or disseminated to persons having a legitimate interest in the proceedings or by persons conducting pertinent research studies.

5. Access to other records. ~~Police records~~ Except as otherwise authorized under section 3307 or this section, juvenile intelligence and investigative record information as defined in section 3308-A, subsection 1, paragraph E, juvenile community corrections officers' records and all other reports of social and clinical studies contained in juvenile case records may not be open to inspection or disclosed or disseminated except with consent of the court or except to the extent that such records, reports and studies were made a part of the record of a hearing that was open to the general public under section 3307. The names and identifying information regarding any alleged victim and minors contained in the juvenile case records must be redacted prior to disclosure, dissemination or inspection.

The court may not order the disclosure, dissemination or inspection of juvenile case records unless the juvenile, the juvenile's attorney or, if the juvenile does not have an attorney, the juvenile's attorney of record and the prosecuting attorney are given notice of the request and an opportunity to be heard regarding the request. In deciding whether to allow the disclosure, dissemination or inspection of any portion of juvenile case records under this subsection, the court shall consider the purposes of this Part and the reasons for which the request is being made and may restrict the disclosure, dissemination or inspection of the juvenile case records in any manner the court determines necessary or appropriate. The names and identifying information regarding any alleged victims and minors contained in the juvenile case records must be redacted prior to disclosure, dissemination or inspection.

6. Records to Secretary of State. Whenever a juvenile has been adjudicated as having committed a juvenile crime involving the operation of a motor vehicle, the court shall ~~forthwith~~ transmit to the Secretary of State an abstract, duly certified, setting forth the name of the juvenile, the offense, the date of the offense, the date of the adjudicatory hearing and any other pertinent facts. These juvenile case records are

admissible in evidence in hearings conducted by the Secretary of State or any of the Secretary of State's deputies and are open to public inspection.

Nothing in this Part may be construed to limit the authority of the Secretary of State, pursuant to Title 29-A, to suspend a person's license or permit to operate a motor vehicle, right to operate a motor vehicle or right to apply for or obtain a license.

7. Dissemination of information. The following provisions apply to the dissemination of information contained in ~~the juvenile case records of juvenile proceedings.~~

A. For purposes of this subsection the following terms have the following meanings.

(1) "Administration of criminal justice" has the same meaning as found in Title 16, section 703, subsection 1.

(2) "Administration of juvenile criminal justice" means activities related to the apprehension or summoning, detention, conditional or unconditional release, informal adjustment, initial appearance, bind over, adjudication, disposition, custody and supervision or rehabilitation of accused juveniles or adjudicated juvenile criminal offenders. It includes the collection, storage and dissemination of ~~juvenile crime information~~ juvenile case records.

(3) "Criminal justice agency" has the same meaning as found in Title 16, section 703, subsection 4.

(4) ~~"Dissemination" has the same meaning as found in Title 16, section 703, subsection 6.~~

B. Nothing in this section precludes sharing of any information contained in the juvenile case records ~~of court proceedings or other records described in subsection 5~~ by one criminal justice agency with another criminal justice agency for the administration of criminal justice or juvenile criminal justice or for criminal justice agency employment.

B-1. Nothing in this section precludes dissemination of any information contained in the juvenile case records ~~of court proceedings and in the other records described in subsection 5~~, if:

(1) The juvenile has been adjudicated as having committed a juvenile crime;

(2) The information is disseminated by and to persons who directly supervise or report on the health, behavior or progress of the juvenile, the superintendent of the juvenile's school and the superintendent's designees, criminal justice agencies or agencies that are or might become responsible for the health or welfare of the juvenile as a result of a court

order or by agreement with the Department of Corrections or the Department of Health and Human Services; and

(3) The information is relevant to and disseminated for the purpose of creating or maintaining an individualized plan for the juvenile's rehabilitation, including reintegration into a school.

Any information received under this paragraph is confidential and may not be further disseminated, except as otherwise provided by law.

C. Nothing in this section precludes dissemination of any information in the juvenile case records in the possession of the Department of Corrections if the person concerning whom the juvenile case records are sought, the person's legal guardian, if any, and, if the person is a minor, the person's parent or ~~legal parents,~~ guardian or legal custodian has given informed written consent to the ~~disclosure~~ dissemination of the juvenile case records.

D. When a juvenile who is adjudicated of a juvenile crime that if committed by an adult would be gross sexual assault under Title 17-A, section 253, subsection 1 is committed to a Department of Corrections juvenile correctional facility or placed on probation, the Department of Corrections shall provide, while the juvenile is committed or on probation, a copy of the juvenile's judgment and commitment to the Department of Health and Human Services, to all law enforcement agencies that have jurisdiction in those areas where the juvenile may reside, work or attend school and to the superintendent of any school system in which the juvenile attends school during the period of commitment or probation. The Department of Corrections shall provide a copy of the juvenile's judgment and commitment to all licensed and registered day-care facility operators located in the municipality where the juvenile resides, works or attends school during the period of commitment or probation. Upon request, the Department of Corrections shall also provide a copy of the juvenile's judgment and commitment to other entities that are involved in the care of children and are located in the municipality where the juvenile resides, works or attends school during the period of commitment or probation. The Department of Corrections may provide a copy of the juvenile's judgment and commitment to any other agency or person whom the Department of Corrections determines is appropriate to ensure public safety. Neither the failure of the Department of Corrections to perform the requirements of this paragraph nor compliance with this paragraph subjects

the Department of Corrections or its employees to liability in a civil action.

~~E. When a juvenile is charged in a juvenile petition that alleges the use or threatened use of physical force against a person or when a juvenile is adjudicated as having committed one or more juvenile crimes that involve the use or threatened use of physical force against a person, the district attorney in the district where the charges were brought shall provide to the superintendent of the juvenile's school or the superintendent's designees:~~

- ~~(1) The name of the juvenile;~~
- ~~(2) The nature of the alleged offense or of~~
~~offense;~~
- ~~(3) The date of the alleged offense or of~~
~~offense;~~
- ~~(4) The date of the petition;~~
- ~~(5) The date of the adjudication, if applica-~~
~~ble; and~~
- ~~(6) The location of the court where the case~~
~~was brought, if applicable.~~

~~All information provided under this paragraph is confidential and may not be further distributed, except as provided in Title 20-A, section 1055, subsection 11. Information provided pursuant to this paragraph to the superintendent of the juvenile's school or the superintendent's designees may not become part of the student's education record.~~

8. Juvenile case records sealed. This subsection governs the sealing of juvenile case records of a person adjudicated to have committed a juvenile crime.

A. A person adjudicated to have committed a juvenile crime may petition the court to seal from public inspection all juvenile case records pertaining to the juvenile crime and its disposition, and to any prior juvenile case records and their dispositions if:

- (1) At least 3 years have passed since the person's discharge from the disposition ordered for that juvenile crime;
- (2) Since the date of disposition, the person has not been adjudicated to have committed a juvenile crime and has not been convicted of committing a crime; and
- (3) There are no current adjudicatory proceedings pending for a juvenile or other crime.

B. The court may grant the petition if it finds that the requirements of paragraph A are satisfied, unless it finds that the general public's right to in-

formation substantially outweighs the juvenile's interest in privacy.

C. Notwithstanding subsections 3, 3-A, 4 and 5, the court order sealing the juvenile case records permits only the following persons to have access to the sealed records:

- (1) The courts and criminal justice agencies as provided by this section; and
- (2) The person whose juvenile case records are sealed or that person's designee.

D. If the petition is granted, the person may respond to inquiries from other than the courts and criminal justice agencies about that person's juvenile crimes, the juvenile case records of which have been sealed, as if the juvenile crimes had never occurred, without being subject to any sanctions.

8-A. Transmission of information about a committed juvenile. Information regarding a juvenile committed to the custody of the Department of Corrections or the custody of the Department of Health and Human Services must be provided as follows.

A. If a juvenile is committed to the custody of the Department of Corrections or the custody of the Department of Health and Human Services, the court shall transmit with the commitment order a copy of the petition, the order of adjudication, copies of any social studies, any clinical or educational reports and information pertinent to the care and treatment of the juvenile.

B. The Department of Corrections or the Department of Health and Human Services shall provide the court with any information concerning a juvenile committed to either department's custody that the court at any time may request.

9. Victims' Compensation Board. Notwithstanding any other provision of this section, juvenile case records of ~~Juvenile Court proceedings and the police records and other records described in subsection 5~~ must be open to inspection by or be disseminated to the Victims' Compensation Board ~~at any time~~ if a juvenile is alleged to have committed an offense upon which an application to the board is based.

Sec. 18. 15 MRSA §3308-A, sub-§1, ¶C, as enacted by PL 2013, c. 267, Pt. D, §1, is repealed.

Sec. 19. 15 MRSA §3308-A, sub-§2, as enacted by PL 2013, c. 267, Pt. D, §1, is amended to read:

2. Information part of juvenile case records. To the extent ~~the~~ juvenile intelligence and investigative record information has been made part of the ~~court~~ juvenile case records of a juvenile proceeding, dissemination of that juvenile intelligence and investigative record information by ~~a Maine criminal justice~~

agency the court having actual custody of the juvenile case records must be as provided by section 3307 and section 3308.

Sec. 20. 15 MRSA §3308-A, sub-§3, ¶B-1 is enacted to read:

B-1. A health care provider. "Health care provider" has the same meaning as in 45 Code of Federal Regulations, Section 160.103;

Sec. 21. 15 MRSA §3308-A, sub-§3, ¶D, as enacted by PL 2013, c. 267, Pt. D, §1, is amended to read:

D. A juvenile crime victim or that victim's agent or attorney if authorized by:

- (1) Statute; or
- (2) A court order pursuant to section 3307 or 3308.

As used in this paragraph, "agent" means a licensed professional investigator or an immediate family member if, due to death, age, physical or mental disease, disorder or intellectual disability or autism, the victim cannot realistically act on the victim's own behalf;

Sec. 22. 15 MRSA §3308-A, sub-§§4 to 6 are enacted to read:

4. Dissemination of juvenile intelligence and investigative record information subject to reasonable limitations. The dissemination of juvenile intelligence and investigative record information by a criminal justice agency pursuant to subsection 3 is subject to limitations to reasonably ensure that dissemination of the information will not:

- A. Interfere with law enforcement proceedings relating to crimes;
- B. Result in public dissemination of prejudicial information concerning an accused person or concerning the prosecution's evidence that will interfere with the ability of a court to impanel an impartial jury;
- C. Constitute an unwarranted invasion of personal privacy, including, but not limited to, the personal privacy of juveniles and victims;
- D. Disclose the identity of a confidential source;
- E. Disclose confidential information furnished only by a confidential source;
- F. Disclose investigative techniques and procedures or security plans and procedures not known by the general public;
- G. Endanger the life or physical safety of any individual, including law enforcement personnel;
- H. Disclose information designated confidential by statute; and

I. Interfere with proceedings relating to civil violations, civil enforcement proceedings and other civil proceedings conducted by the Department of the Attorney General or by a district attorney's office.

To comply with this subsection a criminal justice agency may deny access in whole or in part to records that contain or constitute juvenile intelligence and investigative record information. A criminal justice agency also may prepare and provide redacted copies of such records to a person or public or private entity authorized to receive the information under this section.

5. Secondary dissemination of confidential juvenile intelligence and investigative record information restricted. A person or public or private entity authorized to receive juvenile intelligence and investigative record information under this section may not further disseminate such information unless expressly authorized to do so by statute, court decision or court order. "Express authorization" means language in the statute, court decision or court order that specifically speaks of juvenile intelligence and investigative record information or specifically refers to a type of juvenile intelligence or investigative record.

6. Confirming existence or nonexistence of confidential juvenile intelligence and investigative record information prohibited. A criminal justice agency may not confirm the existence or nonexistence of juvenile intelligence and investigative record information that is confidential under this section to any person or public or private entity that is not eligible to know of or receive the information itself.

Sec. 23. 15 MRSA §3308-B is enacted to read:

§3308-B. Mandatory notice to schools

1. Mandatory notice to school administrative unit. When a juvenile is charged in a juvenile petition that alleges the use or threatened use of physical force against a person or when a juvenile is adjudicated as having committed one or more juvenile crimes that involve the use or threatened use of physical force against a person, the prosecuting attorney in the district where the charges were brought shall disseminate to the superintendent of the juvenile's school administrative unit or the superintendent's designee:

- A. The name of the juvenile;
- B. The offense alleged or adjudicated;
- C. The date of the offense;
- D. The date of the petition;
- E. The date of the adjudication, if applicable; and
- F. The location of the court where the case was brought, if applicable.

2. Confidentiality. Information provided under subsection 1 is confidential, may not be distributed except as provided in subsection 1 and in Title 20-A, section 1055, subsection 11 and may not be included in the juvenile's education record.

Sec. 24. 15 MRSA §3311, sub-§1, as amended by PL 1979, c. 681, §26, is further amended to read:

1. Reports as evidence. For the purpose of determining proper disposition of a juvenile who has been adjudicated as having committed a juvenile crime, written reports and other material relating to the juvenile's mental, physical and social history may be received by the court along with other evidence, but the court, if so requested by the juvenile, ~~his~~ the juvenile's parent or ~~parents,~~ guardian, or ~~legal custodian~~ or other party, shall require that the person who wrote the report or prepared the material appear as a witness and be subject to examination by the court and any party. In the absence of the request, the court may order the person who prepared the report or other material to testify if it finds that the interests of justice require it. The ~~parent or~~ parents, guardian or ~~other~~ legal custodian of the juvenile ~~shall~~ must be informed that information for the report is being gathered.

Sec. 25. 15 MRSA §3311, sub-§2, as amended by PL 1979, c. 681, §27, is further amended to read:

2. Notice of right to inspect. The court shall inform the juvenile or ~~his~~ the juvenile's parent or ~~parents,~~ guardian or legal custodian of the right of ~~examination concerning~~ to inspect any written report or other material specified in subsection 1.

Sec. 26. 15 MRSA §3313, as amended by PL 1995, c. 690, §5, is further amended to read:

§3313. Criteria for withholding an institutional disposition

1. Standard. The court shall enter an order of disposition for a juvenile who has been adjudicated as having committed a juvenile crime without imposing placement in a secure institution as disposition unless, having regard to the nature and circumstances of the crime and the history, character and condition of the juvenile, it finds that ~~his~~ the confinement of ~~the juvenile~~ the juvenile is necessary for protection of the public because:

- A. There is undue risk that, during the period of a suspended sentence or probation, the juvenile will commit another crime;
- B. The juvenile is in need of correctional treatment that can be provided most effectively by ~~his~~ the juvenile's commitment to an institution; or
- C. A lesser sentence will depreciate the seriousness of the juvenile's conduct.

2. Additional consideration. The following grounds, while not controlling the discretion of the court, ~~shall~~ must be accorded weight against ordering placement in a secure institution:

- A. The juvenile's conduct neither caused nor threatened serious harm;
- B. The juvenile did not contemplate that ~~his~~ the juvenile's conduct would cause or threaten serious harm;
- C. The juvenile acted under a strong provocation;
- D. There were substantial grounds tending to excuse or justify the juvenile's conduct, though failing to establish a defense;
- E. The victim of the juvenile's conduct induced or facilitated ~~its~~ the commission of the conduct;
- F. The juvenile has made or has agreed to make restitution to the victim of ~~his~~ the juvenile's conduct for the damage or injury that the victim sustained;
- G. The juvenile has not previously been adjudicated to have committed a juvenile crime or has led a law-abiding life for a substantial period of time prior to the conduct ~~which~~ that formed the basis for the present adjudication;
- H. The juvenile's conduct was the result of circumstances unlikely to recur;
- I. The character and attitudes of the juvenile indicate that ~~he~~ the juvenile is unlikely to commit another juvenile crime;
- J. The juvenile is particularly likely to respond affirmatively to probation; and
- K. The confinement of the juvenile would entail excessive hardship to ~~himself~~ the juvenile or ~~his~~ the juvenile's dependents.

3. Statement of reasons accompanying disposition for juvenile adjudicated of murder or a Class A, Class B or Class C crime. In a disposition for a juvenile crime that if committed by an adult would be murder or a Class A, Class B or Class C crime, the court shall state on the record and in open court the court's reasons for ordering or not ordering placement of the juvenile in a secure institution.

Sec. 27. 15 MRSA §3314, sub-§1, ¶A, as amended by PL 1987, c. 400, §2, is further amended to read:

- A. The court may allow the juvenile to remain in the legal custody of ~~his~~ the juvenile's parent or parents ~~or a,~~ guardian or ~~legal custodian~~ under such conditions as the court may impose. Conditions may include participation by the juvenile; ~~his~~ or the juvenile's parent or parents ~~or legal,~~ guardian or ~~legal custodian~~ in treatment services

aimed at the rehabilitation of the juvenile and improvement of the home environment.

Sec. 28. 15 MRSA §3316, sub-§1, as repealed and replaced by PL 1999, c. 127, Pt. B, §6 and amended by PL 2003, c. 689, Pt. B, §6, is repealed.

Sec. 29. 15 MRSA §3501, sub-§1, as enacted by PL 1977, c. 520, §1, is amended to read:

1. Interim care. A juvenile may be taken into interim care by a law enforcement officer without order by the court when the officer has reasonable grounds to believe that:

A. The juvenile is abandoned, lost or seriously endangered in ~~his~~ the juvenile's surroundings and that immediate removal is necessary for ~~his~~ the juvenile's protection; or

B. The juvenile has left the care of ~~his~~ the juvenile's parent or parents, guardian or legal custodian without the consent of ~~such person~~ the parent or parents, guardian or legal custodian.

Sec. 30. 15 MRSA §3501, sub-§8, as repealed and replaced by PL 1981, c. 619, §9 and amended by PL 2003, c. 689, Pt. B, §6, is further amended to read:

8. Interim care; voluntary services. The Department of Health and Human Services shall inform the juvenile and ~~his family~~ the juvenile's parent or parents, guardian or legal custodian of social services and encourage them to voluntarily accept social services.

Sec. 31. 15 MRSA §3503, as repealed and replaced by PL 1977, c. 664, §48, is amended to read:

§3503. Juveniles; voluntary return home

If a juvenile who has been taken into interim care under the provisions of section 3501 and ~~his~~ the juvenile's parent or parents, guardian or legal custodian agree to the juvenile's return home, the parent or parents, guardian or legal custodian shall cause the juvenile to be transported home as soon as practicable. If the parent or parents, guardian or legal custodian ~~fail~~ fails to arrange for the transportation of the juvenile, ~~he shall~~ the juvenile must be transported at the expense of the parent or parents, guardian or legal custodian.

Sec. 32. 15 MRSA §3506-A, sub-§1, as enacted by PL 1981, c. 619, §12, is amended to read:

1. Petition for emancipation. If a juvenile is 16 years of age or older and refuses to live in the home provided by ~~his~~ the juvenile's parent or parents, guardian or legal custodian, ~~he~~ the juvenile may request the District Court in the division in which ~~his~~ the juvenile's parent or parents, guardian or legal custodian resides to appoint counsel for ~~him~~ the juvenile to petition for emancipation.

Sec. 33. 15 MRSA §3506-A, sub-§2, ¶C, as enacted by PL 1981, c. 619, §12, is amended to read:

C. The name and residence of ~~his~~ the juvenile's parent or parents, guardian or legal custodian.

Sec. 34. 15 MRSA §3506-A, sub-§4, as enacted by PL 1981, c. 619, §12, is amended to read:

4. Order of emancipation. The court shall order emancipation of the juvenile if it determines that:

A. The juvenile has made reasonable provision for ~~his~~ the juvenile's room, board, health care and education, vocational training or employment; and

B. The juvenile is sufficiently mature to assume responsibility for ~~his~~ the juvenile's own care and it is in ~~his~~ the juvenile's best interest to do so.

Sec. 35. 20-A MRSA §1055, sub-§11, as amended by PL 2003, c. 190, §2, is further amended to read:

11. Notification teams. Within 10 days after receiving notice from a district attorney of an alleged juvenile offense or juvenile offense, pursuant to Title 15, section ~~3308~~ 3308-B, subsection 7, ~~paragraph E~~ 1 or after receiving notice from a law enforcement officer of credible information that indicates an imminent danger to the safety of students or school personnel pursuant to Title 15, section 3301-A, the superintendent shall convene a notification team. The notification team must consist of the administrator of the school building or the administrator's designee, at least one classroom teacher to whom the student is assigned, a parent or guardian of the student and a guidance counselor. The notification team is entitled to receive the information described in Title 15, section ~~3308~~ 3308-B, subsection 7, ~~paragraph E, subparagraphs (1) to (6)~~ 1, paragraphs A to F and in Title 15, section 3301-A. The notification team shall also determine on the basis of need which school employees are entitled to receive that information.

Confidentiality of this criminal justice information regarding juveniles must be ensured at all times, and the information may be released only under the conditions of this subsection. The superintendent shall ensure that confidentiality training is provided to all school employees who have access to the information.

See title page for effective date.

**CHAPTER 526
H.P. 1171 - L.D. 1628**

**An Act To Implement
Recommendations of the
Department of Environmental
Protection Regarding the
State's Container Redemption
Laws**

Be it enacted by the People of the State of Maine as follows:

Sec. 1. 36 MRSA §1760, sub-§93, as amended by PL 2015, c. 166, §13, is further amended to read:

93. Plastic bags sold to redemption centers. Sales to a local redemption center licensed under Title 38, section 3113 of plastic bags used by the redemption center to sort, store or transport returnable beverage containers.

Sec. 2. 38 MRSA §352, sub-§5-A, as amended by PL 2009, c. 374, §1, is further amended to read:

5-A. Accounting system. In order to determine the extent to which the functions set out in this section are necessary for the licensing process or are being performed in an efficient and expeditious manner, the commissioner shall require that all employees of the department involved in any aspect of these functions keep accurate and regular daily time records. These records must describe the matters worked on, services performed and the amount of time devoted to those matters and services, as well as amounts of money expended in performing those functions. Records must be kept for a sufficient duration of time as determined by the commissioner to establish to the commissioner's satisfaction that the fees are appropriate.

Sec. 3. 38 MRSA §3102, sub-§12, as enacted by PL 2015, c. 166, §14, is repealed.

Sec. 4. 38 MRSA §3102, sub-§13, as enacted by PL 2015, c. 166, §14, is amended to read:

13. Manufacturer. "Manufacturer" means a person ~~who bottles, cans or otherwise places beverages in beverage containers for sale to distributors or dealers, that:~~

A. Sells or offers for sale a beverage in the State under the manufacturer's brand or label;

B. Licenses another person to sell or offer for sale a beverage in the State under the manufacturer's brand or label;

C. Imports into the United States for sale or offering for sale in the State a beverage that is manufactured outside of the United States by another person without a presence in the United States; or

D. Is an out-of-state wholesaler of liquor that holds a certificate of approval issued pursuant to Title 28-A.

Sec. 5. 38 MRSA §3102, sub-§§16-A, 17-A, 17-B and 17-C are enacted to read:

16-A. Pick-up agent. "Pick-up agent" means an initiator of deposit, a distributor or a contracted agent of an initiator of deposit or a distributor that receives redeemed beverage containers from a redemption center and transports those containers for recycling.

17-A. Proprietary information. "Proprietary information" means information that is a trade secret or production, commercial or financial information the disclosure of which would impair the competitive position of the submitter and would make available information not otherwise publicly available.

17-B. Recycling. "Recycling" or "recycle" means a series of activities by which material that has reached the end of its current use is processed into material for use in the production of new products.

17-C. Redemption center. "Redemption center" means a place of business that deals in acceptance of empty returnable beverage containers from either consumers or from dealers, or both, and that is licensed under section 3113.

Sec. 6. 38 MRSA §3105, sub-§5, as enacted by PL 2015, c. 166, §14, is amended to read:

5. Label registration. An initiator of deposit shall register the container label of any beverage offered for sale in the State on which it initiates a deposit. Registration must be on forms or in an electronic format provided by the department and must include the universal product code for each combination of beverage and container manufactured. The initiator of deposit shall renew a label registration annually and whenever that label is revised by altering the universal product code or whenever the container on which it appears is changed in size, composition or glass color. The initiator of deposit shall also include as part of the registration the method of collection for that type of container, identification of a collection agent, identification of all of the parties to a commingling agreement that applies to the container and proof of the collection agreement. The department may charge a fee for registration and registration renewals under this subsection. ~~Rules adopted pursuant to this subsection that establish fees are major substantive rules as defined in Title 5, chapter 375, subchapter 2-A and subject to review by the joint standing committee of the Legislature having jurisdiction over environmental and natural resources matters.~~

Sec. 7. 38 MRSA §3106, as amended by PL 2019, c. 133, §1, is further amended to read:

§3106. Application

1. Dealer acceptance. Except as otherwise provided in this section, a dealer operating a retail space of 5,000 square feet or more may not refuse to accept from any consumer or other person not a dealer any empty, unbroken and reasonably clean beverage container of the kind, size and brand sold by the dealer, or refuse to pay in cash the refund value of the returned beverage container as established by section 3103. ~~This section does not require an operator of a vending machine to maintain a person to accept returned beverage containers on the premises where the vending machine is located, unless the dealer has a written agreement with a redemption center to provide redemption services on behalf of the dealer and that redemption center:~~

A. Is located within 10 miles from the dealer, as measured along public roadways; or

B. If there is no redemption center located within 10 miles from the dealer under paragraph A, is the redemption center in closest proximity to the dealer, as measured along public roadways.

This subsection does not require an operator of a vending machine to maintain a person to accept returned beverage containers on the premises where the vending machine is located.

~~2. **Permissive refusal by dealer.** A dealer may refuse to accept from a consumer or other person and to pay the refund value on any beverage container, if the place of business of the dealer and the kind, size and brand of beverage container are included in an order of the department approving a redemption center under section 3109.~~

3. Limitation or number of returnables accepted. A dealer may limit the total number of beverage containers that the dealer will accept from any one consumer or other person in any one business day to 240 containers, or any other number greater than 240.

4. Limitation on hours for returning containers. A dealer may refuse to accept beverage containers during no more than 3 hours in any one business day. If a dealer refuses to accept containers under this subsection, the hours during which the dealer will not accept containers must be conspicuously posted.

5. Distributor acceptance. A distributor may not refuse to accept from any dealer or local redemption center any empty, unbroken and reasonably clean beverage container or any beverage container that has been processed through an approved reverse vending machine that meets the requirements of rules adopted by the department pursuant to this chapter of the kind, size and brand sold by the distributor or refuse to pay to the dealer or local redemption center the refund value of a beverage container as established by section 3103.

6. Obligation to preserve recycling value. Notwithstanding subsection 8, a distributor or its agent may refuse to accept, or pay the refund value and handling costs to a dealer, redemption center or other person for, a beverage container that has been processed by a reverse vending machine in a way that has reduced the recycling value of the container below current market value. This subsection may not be interpreted to prohibit a written processing agreement between a distributor and a dealer or redemption center and does not relieve a distributor of its obligation under subsection 8 to accept empty, unbroken and reasonably clean beverage containers. The department shall adopt rules to establish the recycling value of beverage containers under this subsection and the rules may authorize the use of a 3rd-party vendor to determine if a beverage container has been processed by a reverse vending machine in a manner that has reduced the recycling value below current market value. The rules must outline the method of allocating among the parties involved the payment for 3rd-party vendor costs. ~~Rules adopted under this subsection are routine technical rules pursuant to Title 5, chapter 375, subchapter 2 A.~~

7. Reimbursement of handling costs. Reimbursement of handling costs is governed by this subsection.

A. In addition to the payment of the refund value, the initiator of the deposit under section 3103, subsections 1, 2 and 4 shall reimburse the dealer or local redemption center for the cost of handling beverage containers subject to section 3103, in an amount that equals at least 3¢ per returned container for containers picked up by the initiator before March 1, 2004, at least 3 1/2¢ for containers picked up on or after March 1, 2004 and before March 1, 2010, at least 4¢ for containers picked up on or after March 1, 2010 and before January 1, 2020 and at least 4 1/2¢ for containers picked up on or after January 1, 2020. The initiator of the deposit may reimburse the dealer or local redemption center directly or indirectly through a party with which it has entered into a commingling agreement.

B. In addition to the payment of the refund value, the initiator of the deposit under section 3103, subsection 3 shall reimburse the dealer or local redemption center for the cost of handling beverage containers subject to section 3103 in an amount that equals at least 3¢ per returned container for containers picked up by the initiator before March 1, 2004, at least 3 1/2¢ for containers picked up on or after March 1, 2004 and before March 1, 2010, at least 4¢ for containers picked up on or after March 1, 2010 and before January 1, 2020 and at least 4 1/2¢ for containers picked up on or after January 1, 2020. The initiator of the deposit may reimburse the dealer or local redemption center directly or indirectly through a contracted agent or through a party with which it has entered into a commingling agreement.

~~D. Paragraphs A and B do not apply to a brewer who annually produces no more than 50,000 gallons of its product or a bottler of water who annually sells no more than 250,000 containers each containing no more than one gallon of its product. In addition to the payment of the refund value, an initiator of deposit under section 3103, subsections 1 to 4 who is also a brewer who annually produces no more than 50,000 gallons of its product or a bottler of water who annually sells no more than 250,000 containers each containing no more than one gallon of its product shall reimburse the dealer or local redemption center for the cost of handling beverage containers subject to section 3103 in an amount that equals at least 3¢ per returned container, except that, beginning January 1, 2020, the initiator of deposit shall reimburse the dealer or local redemption center at least 3 1/2¢ per returned container.~~

8. Obligation to pick up and recycle containers. The obligation to pick up and recycle beverage containers subject to this chapter is determined as follows.

A. A distributor that initiates the deposit under section 3103, subsection 2 or 4 has the obligation to pick up and recycle any empty, unbroken and reasonably clean beverage containers of the particular kind, size and brand sold by the distributor from dealers to whom that distributor has sold those beverages and from licensed redemption centers ~~designated to serve those dealers pursuant to an order entered under section 3109.~~ A distributor that, within this State, sells beverages under a particular label exclusively to one dealer, which dealer offers those labeled beverages for sale at retail exclusively at the dealer's establishment, shall pick up any empty, unbroken and reasonably clean beverage containers of the kind, size and brand sold by the distributor to the dealer only from those licensed redemption centers that ~~serve the various establishments of the dealer, under an order entered under section 3109~~ are located within 25 miles from the dealer, as measured along public roadways. A dealer that manufactures its own beverages for exclusive sale by that dealer at retail has the obligation of a distributor under this section. The commissioner may establish by rule, in accordance with the Maine Administrative Procedure Act, criteria prescribing the manner in which distributors shall fulfill the obligations imposed by this paragraph. The rules may establish a minimum number or value of containers below which a distributor is not required to respond to a request to pick up empty containers. Any rules adopted under this paragraph must allocate the burdens associated with the handling, storage and transportation and recycling of empty containers to prevent unreasonable financial or other hardship.

B. The initiator of the deposit under section 3103, subsection 3 has the obligation to pick up and recycle any empty, unbroken and reasonably clean beverage containers of the particular kind, size and brand sold by the initiator from dealers to whom a distributor has sold those beverages and from licensed redemption centers ~~designated to serve those dealers pursuant to an order entered under section 3109.~~ The obligation may be fulfilled by the initiator directly or indirectly through a contracted agent.

C. An initiator of the deposit under section 3103, subsection 2, 3 or 4 has the obligation to pick up and recycle any empty, unbroken and reasonably clean beverage containers that are commingled pursuant to a commingling agreement along with any beverage containers that the initiator is other-

wise obligated to pick up and recycle pursuant to paragraphs A and B.

D. The initiator of deposit or initiators of deposit who are members of a commingling agreement have the obligation under this subsection to pick up and recycle empty, unbroken and reasonably clean beverage containers of the particular kind, size and brand sold by the initiator from dealers to whom a distributor has sold those beverages and from licensed redemption centers ~~designated to serve those dealers~~ every 15 days. The initiator of deposit or initiators of deposit who are members of a commingling agreement have the obligation to make additional pickups when a redemption center has collected 10,000 beverage containers from that initiator of deposit or from the initiators of deposit who are members of a commingling agreement.

The ~~obligation~~ obligations of the initiator of the deposit under this subsection may be fulfilled by the initiator directly or through a party with which it has entered into a commingling agreement. A contracted agent hired to pick up beverage containers for one or more initiators of deposit is deemed to have made a pickup at a redemption center for those initiators of deposit when it picks up beverage containers belonging to those initiators of deposit.

9. Plastic bags. A dealer or redemption center has an obligation to pick up plastic bags that are used by that dealer or redemption center to contain beverage containers. Plastic bags used by a dealer or redemption center and the cost allocation of these bags must conform to rules adopted by the department concerning size and gauge. ~~Rules adopted pursuant to this subsection are routine technical rules as defined in Title 5, chapter 375, subchapter 2-A.~~

10. Application to containers originally sold in the State. The obligations to accept or take empty beverage containers and to pay the refund value and handling fees for such containers as described in subsections 1, 2, 5, 7 and 8 apply only to containers originally sold in this State as filled beverage containers. A person who tenders to a dealer, distributor, redemption center or bottler more than 48 empty beverage containers that the person knows or has reason to know were not originally sold in this State as filled beverage containers is subject to the enforcement action and civil penalties set forth in this subsection. At each location where consumers tender containers for redemption, dealers and redemption centers must conspicuously display a sign in letters that are at least one inch in height with the following information: "WARNING: Persons tendering containers for redemption that were not originally purchased in this State may be subject to a fine of the greater of \$100 per container or \$25,000 for each tender. (38 MRSA Section 3106)." A person who violates the provisions

of this subsection is subject to a civil penalty of the greater of \$100 for each container or \$25,000 for each tender of containers.

11. License revocation. The department may revoke the license of a dealer or redemption center that has been adjudged to have committed a violation of this section.

12. Bulk redemption. In order to prevent fraud from the redemption of beverage containers not originally sold in this State, this subsection governs the redemption of more than 2,500 beverage containers.

A. A person tendering for redemption more than 2,500 beverage containers at one time to a dealer or redemption center must provide to the dealer or redemption center that person's name and address and the license plate number of the vehicle used to transport the beverage containers. The dealer or redemption center redeeming these beverage containers shall forward that information to the department within 10 days, and the information must be kept on file for a minimum of 12 months.

B. After complying at least once with the requirements of paragraph A, a person need not comply with paragraph A each subsequent time that person tenders to a dealer or redemption center for redemption more than 2,500 beverage containers if:

- (1) All of the containers were collected at one location in this State;
- (2) All proceeds of the refund value benefit a nonprofit organization that has been determined by the United States Internal Revenue Service to be exempt from taxation under the United States Internal Revenue Code of 1986, Section 501(c)(3); and
- (3) The person tendering the containers for redemption signs a declaration indicating the person's name, the address of the collection point and the name of the organization or organizations that will receive the refund value.

13. Private right of action; containers not originally sold in the State. An initiator of deposit may maintain a civil action in Superior Court against a person, other than a ~~local~~ redemption center licensed in accordance with section 3113, that tenders to a redemption center or retailer more than 48 empty beverage containers that the person knows or has reason to know were not originally sold in this State as filled beverage containers. If the initiator of deposit prevails in any action, the initiator of deposit is entitled to an award of reasonable attorney's fees and court costs, including expert witness fees.

Sec. 8. 38 MRS §3107, as enacted by PL 2015, c. 166, §14, is amended to read:

§3107. Commingling of beverage containers

Notwithstanding any other provision of this chapter to the contrary, 2 or more initiators of deposit may enter into a commingling agreement through which some or all of the beverage containers for which the initiators have initiated deposits may be commingled by dealers and operators of redemption centers as provided in this section.

An initiator of deposit that enters into a commingling agreement pursuant to this section shall permit any other initiator of deposit to become a party to that agreement on the same terms and conditions as the original agreement. Once the initiator of deposit has established a qualified commingling agreement pursuant to the requirements of subsection 1-A, the department shall allow additional brands of beverage containers from a different product group to be included in the commingling agreement if those additional brands are of like material to those containers already managed under the commingling agreement.

For the purposes of this chapter and notwithstanding any provision of this chapter to the contrary, the State, through the Department of Administrative and Financial Services, Bureau of Alcoholic Beverages and Lottery Operations, is deemed to be managing returned containers for which the State has initiated deposits in a commingling program pursuant to a qualified commingling agreement as long as the State allows a dealer or redemption center to commingle returned containers of like material.

1. Commingling requirement. If initiators of deposit enter into a commingling agreement pursuant to this section, commingling of beverage containers must be by all containers of like product group, material and size. An initiator of deposit required pursuant to section 3106, subsection 8 to pick up beverage containers subject to a commingling agreement also shall pick up all other beverage containers subject to the same agreement. The initiator of deposit may not require beverage containers that are subject to a commingling agreement to be sorted separately by a dealer or redemption center.

1-A. Qualified commingling agreements. The department shall determine that a commingling agreement is qualified for the purposes of this chapter if:

A. Fifty percent or more of beverage containers of like product group, material and size for which the deposits are being initiated in the State are included in the commingling agreement;

B. The initiators of deposit included in the commingling agreement are initiators of deposit for beverage containers containing wine and each initiator of deposit sells no more than 100,000 gallons of wine or 500,000 beverage containers containing wine in a calendar year; or

C. The commingling agreement has been approved by the department pursuant to subsection 3-A.

2. Commingling of like materials. For purposes of this section, containers are considered to be of like materials if made up of one of the following:

- A. Plastic;
- B. Aluminum;
- C. Metal other than aluminum; and
- D. Glass.

3. Commingling of like products. For purposes of this section, like products are those that are made up of one of the following:

- A. Beer, ale or other beverage produced by fermenting malt, wine and wine coolers;
- B. Spirits;
- C. Soda;
- D. Noncarbonated water; and
- E. All other beverages.

3-A. Commingling by 3rd party or stewardship organization. Subject to the requirements of this subsection, an initiator of deposit may enter into a commingling agreement for its beverage containers to be managed in a commingling program operated by a 3rd party or by a stewardship organization as defined in section 1771, subsection 8-A. The 3rd party or stewardship organization shall submit a plan for the operation of the commingling program to the department for review and approval as a qualified commingling agreement. A commingling program under this subsection must:

A. Require redemption centers to commingle all beverage containers of initiators of deposit included in the program by like material;

B. Establish standards to provide for fair apportionment of costs among initiators of deposit included in the program either on the basis of the count of containers redeemed or on the total weight of containers marketed in the State. These standards may provide for determination of the amount to be paid to a redemption center as based on the unit counts generated by a reverse vending machine, as long as the reverse vending machine is subject to periodic audits by the 3rd party or stewardship organization on a schedule approved by the department; and

C. Require that, no later than the 20th day of the month following the end of March, June, September and December, each initiator of deposit included in the program report to the 3rd party or stewardship organization operating the program regarding its sales of beverages into the State for

the previous 3-month period by brand and by number of nonrefillable beverage containers sold by product size and material type as well as the average beverage container weight by material type and size. The 3rd party or stewardship organization shall assign financial responsibility for the costs of operating the program to the initiators of deposit included in the program based on each initiator of deposit's proportion of the total weight of beverage containers marketed in the State by material type or by actual count of containers redeemed;

The 3rd party or stewardship organization operating the program may require an initiator of deposit included in the program to provide financial assurance in the form of a deposit no greater than the initiator of deposit's anticipated costs for beverage container deposits, redemption center handling costs and any contractual fees for up to 4 months of anticipated sales in the State. The 3rd party or stewardship organization shall retain any financial assurance required pursuant to this subsection in a separate account. In the event that an initiator of deposit that has provided financial assurance in accordance with this subsection fails to reimburse the 3rd party or stewardship organization for its incurred costs within 90 days of receipt of an invoice for such costs, the 3rd party or stewardship organization may cover those invoiced costs using the financial assurance provided by the initiator of deposit in accordance with this subsection.

The department may approve no more than 2 commingling agreements as qualified commingling agreements under this subsection and may not approve a qualified commingling agreement under this subsection for a period exceeding 10 years.

4. Registration of commingling agreements. Not later than 48 hours following the execution or amendment of a commingling agreement, including an amendment that adds an additional party to an existing agreement, the parties shall file a copy of the commingling agreement or amendment with the department.

5. Reapproval of qualified commingling agreements. This subsection provides for the reapproval of qualified commingling agreements that have been approved or reapproved by the department pursuant to this section.

A. The initiators of deposit participating in a qualified commingling agreement under this section that was approved as a qualified commingling agreement prior to November 9, 2016 shall, no later than July 1, 2021, submit to the department an application for reapproval of that commingling agreement in a form prescribed by the department.

B. The initiators of deposit participating in a qualified commingling agreement under this section that was approved or reapproved on or after

November 9, 2016 must submit to the department an application for reapproval of that commingling agreement in a form prescribed by the department at least 6 months prior to the date of expiration of the department's prior approval or reapproval.

C. After review of an application submitted under this subsection, the department may reapprove the commingling agreement for an additional period not to exceed 10 years.

Sec. 9. 38 MRSA §3109, as enacted by PL 2015, c. 166, §14, is amended to read:

§3109. Redemption centers

1. Establishment. ~~Local redemption~~ Redemption centers may be established and operated by any person or municipality, agency or regional association as defined in section 1303-C, subsection 24, subject to the approval of the commissioner, to serve local dealers and consumers, at which consumers may return empty beverage containers as provided under section 3106.

2. Application for approval. Application for approval of a ~~local~~ redemption center must be filed with the department. The application must state the name and address of the person responsible for the establishment and operation of the center, ~~the kinds, sizes and brand names of beverage containers that will be accepted and the names and addresses of dealers to be served~~ each dealer with whom the redemption center has entered into a written agreement to provide redemption services in accordance with section 3106, subsection 1 and their distances from the local redemption center, as measured along public roadways, and must include a statement that the redemption center will accept and manage all beverage containers the labels for which are registered in accordance with section 3105.

3. Approval. The commissioner may by order approve the licensing of a ~~local~~ redemption center if the redemption center complies with the requirements established under section 3113 and the applicable rules adopted pursuant to this chapter. ~~The order approving a local redemption center license must state the dealers to be served and the kinds, sizes and brand names of empty beverage containers that the center accepts.~~

4. Redemption center acceptance refund account. A ~~local~~ licensed redemption center may not refuse to accept from any consumer or ~~other person~~ not a dealer any empty, unbroken and reasonably clean beverage container of the kind, size and brand sold ~~by a dealer served by the center~~ in the State as long as the label for the container is registered under section 3105, subsection 5 or refuse to pay in cash the refund value of the returned beverage container as established by section 3103. A redemption center or reverse vending machine is not obligated to count containers or to pay a cash refund at the time the beverage container is re-

turned as long as the amount of the refund value due is placed into an account to be held for the benefit of the consumer and funded in a manner that allows the consumer to obtain deposits due within 2 business days of the time of the return.

5. Posted lists. ~~A list of the dealers served and the kinds, sizes and brand names of empty beverage containers accepted must be prominently displayed at each local redemption center.~~

5-A. Beverage container handling. A redemption center shall tender to pick-up agents only beverage containers sold in the State that are placed in shells, shipping cartons, bags or other receptacles in a manner that facilitates accurate eligible beverage container unit counts.

5-B. Beverage container auditing. A redemption center shall prepare beverage containers for pickup by pick-up agents, which are subject to audit pursuant to rules adopted by the department in accordance with this subsection.

A. A redemption center shall label each shell, shipping carton, bag or other receptacle with the business name, initials, redemption center license number or other unique identifying mark and with the number of beverage containers contained in each shell, shipping carton, bag or other receptacle.

B. The department may audit shells, shipping cartons, bags or other receptacles that have been prepared for pickup by a redemption center.

(1) An audit may be conducted by the department on site at the redemption center or off site at a different location. Off-site audits may involve the use of bulk redemption technology.

(2) An audit must be conducted on a minimum of 1,000 beverage containers.

(3) If the results of an audit vary from the beverage container count labeled in accordance with paragraph A, the department shall, in the case of an on-site audit, require the redemption center to add or remove containers to address the variation in the results of the audit or, in the case of an off-site audit, require the redemption center to accept payment from the initiator of deposit or pick-up agent adjusted in accordance with the variation in the results of the audit.

(4) The department may deny an application for approval of a redemption center under subsection 2 if the redemption center, pursuant to audits conducted by the department in accordance with this subsection, has repeatedly prepared for pickup shells, shipping cartons, bags or other receptacles containing less

than 97% of the beverage containers that such shells, shipping cartons, bags or other receptacles are labeled as containing.

6. License revocation. ~~The District Court department~~ may, in a manner consistent with the Maine Administrative Procedure Act, ~~withdraw approval of a local~~ revoke the license of a redemption center if ~~there~~ the redemption center has not ~~been compliance complied~~ with the commissioner's approval order issued under subsection 3 or if the ~~local~~ redemption center no longer provides a convenient service to the public.

Sec. 10. 38 MRSA §3113, as enacted by PL 2015, c. 166, §14, is amended to read:

§3113. Licensing requirements

A license issued annually by the department is required before any person may initiate deposits under section 3103, operate a redemption center under section 3109 or act as a contracted agent for the collection of beverage containers under section 3106, subsection 8, paragraph B.

1. Procedures; licensing fees. The department shall adopt rules establishing the requirements and procedures for issuance of licenses and annual renewals under this section, including a fee structure. ~~Initial rules adopted pursuant to this subsection are routine technical rules as defined in Title 5, chapter 375, subchapter 2-A. Rules adopted effective after calendar year 2003 are major substantive rules as defined in Title 5, chapter 375, subchapter 2-A and are subject to review by the joint standing committee of the Legislature having jurisdiction over environmental and natural resources matters.~~

2. Redemption center licensing criteria. In ~~developing rules under subsection 1~~ for licensing redemption centers, the department shall consider at least the following:

- A. The health and safety of the public, including sanitation protection when food is also sold on the premises;
- B. The convenience for the public, including ~~standards governing~~ the distribution of centers by population or by distance, or both;
- C. The proximity of the proposed redemption center to existing redemption centers and the potential impact that the location of the proposed redemption center may have on an existing redemption center;
- D. The proposed owner's record of compliance with this chapter and rules adopted by the department pursuant to this chapter; and
- E. The hours of operation of the proposed redemption center and existing redemption centers in the proximity of the proposed redemption center.

3. Location of redemption centers; population requirements. The department may grant a license to a redemption center if the following requirements are met:

- A. The department may license up to 5 redemption centers in a municipality with a population over 30,000;
- B. The department may license up to 3 redemption centers in a municipality with a population over 20,000 but no more than 30,000; and
- C. The department may license up to 2 redemption centers in a municipality with a population over 5,000 but no more than 20,000.

For a municipality with a population of no more than 5,000, the department may license redemption centers in accordance with rules adopted by the department. ~~Rules adopted pursuant to this subsection are routine technical rules as defined in Title 5, chapter 375, subchapter 2-A.~~

4. Exceptions. Notwithstanding subsection 3:

- A. An owner of a redemption center who is renewing the license of a redemption center licensed by the department as of April 1, 2009 need not comply with subsection 3;
- B. An entity that is a ~~food establishment or distributor~~ licensed by or registered with the department need not comply with subsection 3;
- C. A reverse vending machine is not considered a redemption center for purposes of subsection 3 when it is located in a licensed redemption center; and
- D. The department may grant a license that is inconsistent with the requirements set out in subsection 3 only if the applicant has demonstrated a compelling public need for an additional redemption center in the municipality.

Sec. 11. 38 MRSA §3115, first ¶, as enacted by PL 2015, c. 166, §14, is amended to read:

The department shall administer this chapter and has the authority, following public hearing, to adopt necessary rules to carry it into effect. The department may adopt rules governing ~~local~~ redemption centers that receive beverage containers from dealers supplied by distributors other than the distributors servicing the area in which the ~~local~~ redemption center is located in order to prevent the distributors servicing the area within which the redemption center is located from being unfairly penalized. Rules adopted by the department pursuant to this chapter are routine technical rules as defined in Title 5, chapter 375, subchapter 2-A, except that rules adopted by the department pursuant to this chapter that establish or modify fees are major substantive rules as defined in Title 5, chapter 375, subchapter 2-A. In addition to other actions re-

quired by this chapter, department responsibilities include the following.

Sec. 12. 38 MRSA §3116, sub-§2, as enacted by PL 2015, c. 166, §14, is amended to read:

2. Aggrieved applicants. An applicant aggrieved by a decision made by the department may appeal the decision to the board in accordance with section 344, subsection 2-A or by filing an appeal with the Superior Court and serving a copy of the appeal upon the department in accordance with the Maine Rules of Civil Procedure, Rule 80C. The appeal to the board or to the Superior Court must be filed and served within 30 days of the mailing of the department's decision.

Sec. 13. 38 MRSA §3117, sub-§3, as enacted by PL 2015, c. 166, §14, is amended to read:

3. Private right of action; containers not originally sold in the State. An initiator of deposit may maintain a civil action in Superior Court against a person, other than a ~~local~~ redemption center licensed in accordance with section 3113, in possession of more than 48 beverage containers that the person knows or has reason to know were not originally sold in this State as filled beverage containers. If the initiator of deposit prevails in any action, the initiator of deposit is entitled to an award of reasonable attorney's fees and court costs, including expert witness fees.

Sec. 14. 38 MRSA §3119 is enacted to read:

§3119. Reporting requirements

This section establishes annual reporting requirements for initiators of deposit and for pick-up agents that are not initiators of deposit.

1. Initiator of deposit annual report. Each initiator of deposit shall report annually by March 1st to the department concerning its deposit transactions in the preceding calendar year. The report must be in a form prescribed by the department and must include the number of nonrefillable beverage containers sold by the initiator of deposit in the State by container size, by beverage type and by redemption value, delineated at a minimum into wine, spirits and all other beverage types, and must include the number of nonrefillable beverage containers returned to the initiator of deposit by beverage type and by redemption value.

2. Pick-up agent annual report. Each pick-up agent that is not an initiator of deposit shall report annually by March 1st to the department concerning the redemptions for each initiator of deposit it served in the preceding calendar year. The report must be in a form prescribed by the department and must include the number of nonrefillable containers returned by the pick-up agent to each initiator of deposit it served by redemption value, except that the pick-up agent may report by average weight and total weight of beverage containers returned by material type for containers

managed pursuant to a qualified commingling agreement under section 3107.

3. Proprietary information. Proprietary information submitted to the department in a report required under this section that is identified by the submitter as proprietary information is confidential and must be handled by the department in the same manner as confidential information is handled under section 1310-B.

Sec. 15. Initiator of deposit and pick-up agent reporting of beverage container sales and redemption data for calendar year 2018; report. No later than November 1, 2019, each initiator of deposit and each pick-up agent that is not an initiator of deposit shall report to the Department of Environmental Protection, in a manner consistent with the Maine Revised Statutes, Title 38, section 3119, information regarding its beverage container sales and redemptions for calendar year 2018 which must include for calendar year 2018 the number of containers picked up from each redemption center by container type and by redemption value. Upon receipt of the data under this section, the department shall assess the efficiency and convenience of the beverage container redemption system and develop recommendations to improve efficiencies in the handling and transportation of beverage containers and to ensure convenient collection of beverage containers for consumers. On or before January 15, 2020, the department shall submit a report to the Joint Standing Committee on Environment and Natural Resources detailing the department's findings and recommendations, including any proposed legislation. The report under this section may be included in the report required pursuant to Public Law 2019, chapter 133, section 3. After reviewing the report, the committee may report out legislation to the Second Regular Session of the 129th Legislature to implement recommendations contained in the report.

**An Act To Amend the Laws
Governing the Maine Capital
Investment Credit To Ensure
Fairness for Maine Businesses
and To Reduce Taxes on
Lower-income Working
Families**

**Be it enacted by the People of the State of
Maine as follows:**

PART A

Sec. A-1. 36 MRSA §5122, sub-§2, ¶OO, as enacted by PL 2015, c. 388, Pt. A, §8, is amended to read:

OO. For taxable years beginning on or after January 1, 2016 and before January 1, 2020, an amount equal to the net increase in the depreciation deduction allowable under the Code, Sections 167 and 168 that would have been applicable to that property had the depreciation deduction under the Code, Section 168(k) not been claimed with respect to such property placed in service during the taxable year for which an addition was required under subsection 1, paragraph KK, subparagraph (2) for the taxable year.

Upon the taxable disposition of property to which this paragraph applies, the amount of any gain or loss includable in federal adjusted gross income must be adjusted for Maine income tax purposes by an amount equal to the difference between the addition modification for such property under subsection 1, paragraph KK, subparagraph (2) and the subtraction modifications allowed pursuant to this paragraph.

The total amount of subtraction claimed under this paragraph for all tax years may not exceed the addition modification under subsection 1, paragraph KK, subparagraph (2) for the same property.

Sec. A-2. 36 MRSA §5122, sub-§2, ¶QQ is enacted to read:

QQ. For taxable years beginning on or after January 1, 2020, an amount equal to the net increase in the depreciation deduction allowable under the Code, Sections 167 and 168 that would have been applicable to that property had the depreciation deduction under the Code, Section 168(k) not been claimed with respect to such property placed in service during the taxable year beginning on or after January 1, 2020 for which an addition was required under subsection 1, paragraph KK for the taxable year.

Upon the taxable disposition of property to which this paragraph applies, the amount of any gain or loss includable in federal adjusted gross income must be adjusted for Maine income tax purposes by an amount equal to the difference between the addition modification for such property under subsection 1, paragraph KK and the subtraction modifications allowed pursuant to this paragraph.

The total amount of subtraction claimed under this paragraph for all tax years may not exceed the addition modification under subsection 1, paragraph KK for the same property.

Sec. A-3. 36 MRSA §5200-A, sub-§2, ¶AA, as enacted by PL 2015, c. 388, Pt. A, §14, is amended to read:

AA. For taxable years beginning on or after January 1, 2016 and before January 1, 2020, an amount equal to the net increase in the depreciation deduction allowable under the Code, Sections 167 and 168 that would have been applicable to that property had the depreciation deduction under the Code, Section 168(k) not been claimed with respect to such property placed in service during the taxable year for which an addition was required under subsection 1, paragraph CC, subparagraph (2) for the taxable year.

Upon the taxable disposition of property to which this paragraph applies, the amount of any gain or loss includable in federal taxable income must be adjusted for Maine income tax purposes by an amount equal to the difference between the addition modification for such property under subsection 1, paragraph CC, subparagraph (2) and the subtraction modifications allowed pursuant to this paragraph.

The total amount of subtraction claimed under this paragraph for all tax years may not exceed the addition modification under subsection 1, paragraph CC, subparagraph (2) for the same property.

Sec. A-4. 36 MRSA §5200-A, sub-§2, ¶FF is enacted to read:

FF. For taxable years beginning on or after January 1, 2020, an amount equal to the net increase in the depreciation deduction allowable under the Code, Sections 167 and 168 that would have been applicable to that property had the depreciation deduction under the Code, Section 168(k) not been claimed with respect to such property placed in service during the taxable year beginning on or after January 1, 2020 for which an addition was required under subsection 1, paragraph CC for the taxable year.

Upon the taxable disposition of property to which this paragraph applies, the amount of any gain or loss includable in federal taxable income must be adjusted for Maine income tax purposes by an amount equal to the difference between the addition modification for such property under subsection 1, paragraph CC and the subtraction modifications allowed pursuant to this paragraph.

The total amount of subtraction claimed under this paragraph for all tax years may not exceed the addition modification under subsection 1, paragraph CC for the same property.

Sec. A-5. 36 MRSA §5219-NN, sub-§1, as repealed and replaced by PL 2017, c. 211, Pt. D, §8, is amended to read:

1. Credit allowed. A taxpayer that claims a depreciation deduction under the Code, Section 168(k) for property placed in service in the State during a taxable year that begins on or after January 1, 2015 and before January 1, 2020 is allowed a credit as follows:

A. A taxable corporation is allowed a credit against the taxes imposed by this Part in an amount equal to 9% of the amount of the net increase in the depreciation deduction reported as an addition to income for the taxable year under section 5200-A, subsection 1, paragraph CC, subparagraph (1) with respect to that property, except for excluded property under subsection 2; or

B. An individual is allowed a credit against the taxes imposed by this Part in an amount equal to:

(1) For taxable years beginning in 2015, 8% of the amount of the net increase in the depreciation deduction reported as an addition to income for the taxable year under section 5122, subsection 1, paragraph KK, subparagraph (1) with respect to that property, except for excluded property under subsection 2; and

(2) For taxable years beginning on or after January 1, 2016, 7% of the amount of the net increase in the depreciation deduction reported as an addition to income for the taxable year under section 5122, subsection 1, paragraph KK, subparagraph (1) with respect to that property, except for excluded property under subsection 2.

Sec. A-6. 36 MRSA §5219-NN, sub-§1-A is enacted to read:

1-A. Credit allowed; on or after January 1, 2020. A taxpayer that claims a depreciation deduction under the Code, Section 168(k) for property placed in service in the State during a taxable year that begins on or after January 1, 2020 is allowed a credit as follows:

A. For a taxable corporation, a credit against the taxes imposed by this Part in an amount equal to 1.2% of the amount of the net increase in the depreciation deduction reported as an addition to income for the taxable year under section 5200-A, subsection 1, paragraph CC, subparagraph (1) with respect to that property, except for excluded property under subsection 2; and

B. For an individual, a credit against the taxes imposed by this Part in an amount equal to 1.2% of the net increase in the depreciation deduction reported as an addition to income for the taxable year under section 5122, subsection 1, paragraph KK, subparagraph (1) with respect to that property, except for excluded property under subsection 2.

Sec. A-7. 36 MRSA §5219-NN, sub-§3, as repealed and replaced by PL 2017, c. 211, Pt. D, §8, is amended to read:

3. Limitations; carry-forward. The credit allowed under ~~subsection~~ subsections 1 and 1-A may not reduce the tax otherwise due under this Part to less than zero. Any unused portion of the credit may be carried forward to the following year or years for a period not to exceed 20 years.

PART B

Sec. B-1. 26 MRSA §42-C is enacted to read:

§42-C. Notification regarding earned income tax credit eligibility

1. Bureau to provide poster or notice. The bureau shall produce and furnish to employers posters or notices in printed form that state that an employee may be eligible for federal and state earned income tax credits and that the employee may apply for the tax credits on the employee's income tax returns.

2. Employer to post notice. An employer shall post and keep posted in a place accessible to the employer's employees a copy of the printed poster or notice furnished by the bureau pursuant to subsection 1. An employer who violates this subsection is subject to the same penalties as set forth in section 42-B, subsection 3.

Sec. B-2. 36 MRSA §5219-S, as amended by PL 2015, c. 328, §8, is further amended to read:

§5219-S. Earned income credit

1. Resident taxpayer. A resident individual who is an eligible individual is allowed a credit against the tax otherwise due under this Part in the amount of ~~5%~~ 25% of the federal earned income credit for the same taxable year for a resident eligible individual who does not have a qualifying child and 12% of the federal earned income credit for the same taxable year, ~~except that for tax years beginning in 2009 and 2010, the applicable percentage is 4%~~ for all other resident eligible individuals.

2. Nonresident taxpayer. A nonresident individual who is an eligible individual is allowed a credit against the tax otherwise due under this Part in the amount of ~~5%~~ 25% of the federal earned income credit for the same taxable year for a nonresident eligible individual who does not have a qualifying child and 12% of the federal earned income credit for the same taxable year, ~~except that for tax years beginning in 2009 and 2010, the applicable percentage is 4%~~ for all other nonresident eligible individuals, multiplied by the ratio of the individual's Maine adjusted gross income, as defined in section 5102, subsection 1-C, paragraph B, to the individual's entire federal adjusted gross income, as modified by section 5122.

3. Part-year resident taxpayer. An eligible individual who files a return as a part-year resident in accordance with section 5224-A is allowed a credit against the tax otherwise due under this Part in the amount of ~~5%~~ 25% of the federal earned income credit for the same taxable year for an eligible part-year individual who does not have a qualifying child and 12% of the federal earned income credit for the same taxable year, except that for tax years beginning in 2009 and 2010, the applicable percentage is 4% for all other eligible part-year individuals, multiplied by a ratio, the numerator of which is the individual's Maine adjusted gross income as defined in section 5102, subsection 1-C, paragraph A for that portion of the taxable year during which the individual was a resident plus the individual's Maine adjusted gross income as defined in section 5102, subsection 1-C, paragraph B for that portion of the taxable year during which the individual was a nonresident and the denominator of which is the individual's entire federal adjusted gross income, as modified by section 5122.

4. Limitation. The credit allowed by this section may not reduce the Maine income tax to less than zero, except that for tax years beginning on or after January 1, 2016, the credit allowed under subsections 1 and 3 is refundable.

5. Eligible individual under 25 years of age and without a qualifying child. The credit for an eligible individual who is entitled to a credit under subsections 1 to 3, has not attained 25 years of age and does not have a qualifying child for the taxable year must be calculated in the same manner as it would be calculated if that individual were eligible for a federal earned income credit.

6. Eligible individual defined. For tax years beginning on or after January 1, 2020, for the purposes of this section, unless the context otherwise indicates, "eligible individual" has the same meaning as under Section 32(c)(1) of the Code except that "eligible individual" also includes an individual who does not have a qualifying child for the taxable year, who is at least 18 years of age and has not attained 25 years of age before the close of the taxable year and who also meets the qualifications under Section 32(c)(1)(A)(ii)(I) and (III) of the Code.

Sec. B-3. Application. This Part applies to tax years beginning on or after January 1, 2020.

Sec. B-4. Appropriations and allocations. The following appropriations and allocations are made.

ADMINISTRATIVE AND FINANCIAL SERVICES, DEPARTMENT OF Revenue Services, Bureau of 0002

CHAPTER 528

S.P. 585 - L.D. 1749

An Act To Amend the State's Hemp Laws

Be it enacted by the People of the State of Maine as follows:

Sec. 1. 7 MRSA §2231, as amended by PL 2019, c. 115, §1, is further amended to read:

§2231. Hemp

1. Definition. ~~As used in this chapter, unless the context otherwise indicates, "hemp" means the plant Cannabis sativa L. and any part of that plant, including the seeds and all derivatives, extracts, cannabinoids, isomers, acids, salts and salts of isomers, whether growing or not, with a delta 9 tetrahydrocannabinol concentration of not more than 0.3% on a dry weight basis and that is grown or possessed by a licensed grower in compliance with this chapter. "Hemp" includes agricultural commodities and products derived from hemp and topical or ingestible consumer products, including food, food additives and food products derived from hemp. "Hemp" does not include marijuana for medical use pursuant to Title 22, chapter 558-C or adult use marijuana pursuant to Title 28-B, chapter 1. As used in this chapter, unless the context otherwise indicates, "certified seed source" means a source of hemp seeds that are certified by a 3rd party as producing hemp having a delta-9-tetrahydrocannabinol concentration of not more than 0.3% on a dry weight basis.~~

1-A. Definitions. As used in this chapter, unless the context otherwise indicates, the following terms have the following meanings.

A. "Certified seed source" means a source of hemp seeds that are certified by a 3rd party as producing hemp having a delta-9-tetrahydrocannabinol concentration of not more than 0.3% on a dry weight basis.

B. "Clone" means a hemp plant produced using any part of another hemp plant other than the seeds of that hemp plant.

C. "Grower licensee" means a person licensed pursuant to subsection 4.

D. "Hemp" means the plant Cannabis sativa L. and any part of that plant, including the seeds and all derivatives, extracts, cannabinoids, isomers, acids, salts and salts of isomers, whether growing or not, with a delta-9-tetrahydrocannabinol concentration of not more than 0.3% on a dry weight basis, or as otherwise defined in federal law. "Hemp" includes agricultural commodities and products derived from hemp and topical or ingestible consumer products, including food, food additives and food products derived from hemp, which in their final forms contain a delta-9-tetrahydrocannabinol concentration of not more than 0.3% or as otherwise defined in federal law. "Hemp" does not include marijuana for medical use pursuant to Title 22, chapter 558-C or adult use marijuana pursuant to Title 28-B, chapter 1.

E. "Indoor facility" means a building, greenhouse, cold frame, hoop house, high tunnel, floating row cover or other agricultural or horticultural method of extending the growing season by enclosing the growing area.

2. Growing permitted. Notwithstanding any other provision of law, a person may plant, grow, harvest, possess, process, sell and buy hemp if that person holds a license issued pursuant to subsection 4, except that a person may plant and grow up to 3 hemp plants on no more than one acre of land area or within an indoor facility and harvest, possess and process that hemp for personal use without a license. A person licensed pursuant to subsection 4 grower licensee may plant, grow and harvest only hemp that is grown from seeds saved by the grower licensee as provided in paragraph A, acquired from a certified seed source, grown from a clone that is produced from seeds acquired from a certified seed source or propagated from tissue cultures that are removed from live plants grown from seeds acquired from a certified seed source. A person licensed pursuant to subsection 4 grower licensee may acquire hemp seeds directly from a certified seed source or from a hemp seed distributor licensed in this State distributing hemp seeds pursuant to subsection 2-A.

A. A grower licensee may save seeds from hemp plants that the person has grown and harvested and, after having ensured through testing by an independent 3rd-party tester that the plants that will grow from the seeds will meet the definition of hemp, may use those seeds for breeding and planting hemp.

B. A grower licensee, within 14 days after planting hemp seeds or clones, shall provide to the commissioner a listing of the varieties of seeds or clones planted and a statement that the seeds or clones meet the definition of hemp. This paragraph may not be interpreted to require providing the information required by this paragraph to the commissioner in advance of an application to grow hemp.

2-A. Seed distribution. The commissioner may issue a license for a hemp seed distributor if the hemp seeds distributed by the hemp seed distributor are from a certified seed source. The commissioner may issue a license under this subsection to a holder of a seed labeling license pursuant to section 1044-A.

3. Application. A person desiring to grow hemp for commercial purposes shall apply to the commissioner for a license on a form prescribed by the commissioner. The application must include the name and address of the applicant, the legal description of the land area or indoor facility to be used for the production of hemp and a map, an aerial photograph or global positioning coordinates sufficient for locating the production fields or the floor plan of any indoor facility. For purposes of this subsection, "indoor facility" includes a building, greenhouse, cold frame, hoop house, high tunnel, floating row cover or other agricultural or horticultural method of extending the growing season by enclosing the growing area.

4. License issued. Upon review and approval of an application, the commissioner shall notify the applicant for a license to grow hemp under subsection 3 of the approval and request that the application fee determined under subsection 7 be submitted. Upon receipt of the appropriate fee, the commissioner shall issue a license, which is valid for a period of one year and only for the site or sites specified in the license.

A person who manufactures, sells, offers for sale or serves ingestible consumer products containing hemp or cannabidiol derived from hemp must be licensed pursuant to section 2901-C; Title 22, chapters 551, 562 or 562-A; or Title 28-A.

5-A. Final location for growing hemp. A grower licensee shall, within 14 days of planting hemp, provide the commissioner with a final legal description of the land area or indoor facility to be used for the production of hemp and a map, an aerial photograph or global positioning coordinates sufficient for locating each field, site or indoor facility where hemp is growing.

6. Rules. The commissioner shall adopt rules to establish an application fee, a license fee, per acre or per square foot fees for monitoring, sampling and testing and guidelines for monitoring the growth and harvest of hemp. Rules adopted pursuant to this subsec-

tion are routine technical rules as defined in Title 5, chapter 375, subchapter 2-A.

The rules must establish methods for verifying that plant materials used in breeding, tissue culture and cloning are hemp and not marijuana.

Rules adopted pursuant to this subsection are routine technical rules as defined in Title 5, chapter 375, subchapter 2-A.

6-A. Preliminary program; indoor cultivation.

The commissioner shall establish a preliminary program to allow the growing of hemp inside buildings and greenhouses. The number of grower licensees selected for the program under this subsection may be limited by available resources as determined by the department. Notwithstanding subsection 7, the rules may specify additional fees based on square footage and the number of buildings or greenhouses approved under the program. A grower licensee who uses a hoop house, high tunnel, row cover or other season extender over crops approved for outdoor cultivation may not be required to be part of the program and may not be assessed additional fees.

7. Fees. The commissioner shall establish through rulemaking under subsection 6 an application fee, a license fee and per acre or per square foot fees for monitoring, sampling and testing that are reasonable and necessary to cover the costs of the department. The application fee must be no less than \$50 and no more than \$100, the license fee must be no less than \$100 and no more than \$500, and the fees for monitoring, sampling and testing must be no less than \$1 per acre and no more than \$100 per acre and no more than 25¢ per square foot.

All fees received pursuant to this subsection must be paid to the Treasurer of State and credited to a separate, nonlapsing account in the department. Money received pursuant to this subsection must be used for the expenses of administering this chapter.

9. Confidentiality. Notwithstanding Title 1, section 402, the legal description of the land area or indoor facility to be used for the production of hemp provided under subsections 3 and 5-A, including a map, an aerial photograph or global positioning coordinates sufficient for locating each field, site or indoor facility where hemp will be grown, handled or stored, is confidential and may be shared with state, county and local government agencies only for purposes of administration and enforcement of this section.

Summary reports of information designated as confidential may be released to the public using aggregate data that does not reveal the location of a field, site or indoor facility where hemp is grown, handled or stored.

10. Hemp not tracked as marijuana. Notwithstanding any provision of Title 22, chapter 558-C or

Title 28-B, chapter 1 to the contrary, hemp and products derived from hemp may not be tracked as part of the medical use of marijuana program under Title 22, chapter 558-C or the regulation of adult use marijuana under Title 28-B, chapter 1.

11. Annual report. No later than April 1st, the commissioner shall submit to the joint standing committee of the Legislature having jurisdiction over agricultural matters an annual report that contains at a minimum:

A. The number of licenses issued under subsection 4;

B. The number of acres all land areas licensed for the cultivation of hemp and the square footage of indoor facilities licensed for the cultivation of hemp;

C. Total amount of harvested hemp, in pounds;

D. The types of commodities or products derived from hemp manufactured or sold within the State; and

E. The types of commodities or products derived from hemp exported outside the State.

Sec. 2. 17-A MRSA §1101, sub-§1, as amended by PL 1975, c. 740, §96, is further amended to read:

1. "Marijuana" includes the leaves, stems, flowers and seeds of all species of the plant genus cannabis, whether growing or not; but ~~shall~~ does not include the resin extracted from any part of such plant and every compound, manufacture, salt, derivative, mixture or preparation from such resin including hashish and ~~further, shall~~ does not include the mature stalks of such plant, fiber produced from such stalks, oil or cake made from the seeds of such plant, any other compound, manufacture, salt, derivative, mixture or preparation of such mature stalks, fiber, oil or cake or the sterilized seed of such plant ~~which that~~ is incapable of germination. "Marijuana" does not include hemp as defined in Title 7, section 2231, subsection 1-A, paragraph D.

Sec. 3. 17-A MRSA §1101, sub-§5, as enacted by PL 1975, c. 499, §1, is amended to read:

5. "Hashish" includes the resin extracted from any part of the cannabis plant and every compound, manufacture, salt, derivative, mixture or preparation from such resin. "Hashish" does not include the resin extracted from hemp as defined in Title 7, section 2231, subsection 1-A, paragraph D.

Sec. 4. 17-A MRSA §1101, sub-§22, as amended by PL 2019, c. 12, Pt. B, §2, is repealed.

Sec. 5. 17-A MRSA §1101, sub-§22-A is enacted to read:

22-A. "Hemp" has the same meaning as in Title 7, section 2231, subsection 1-A, paragraph D.

Sec. 6. 17-A MRSA §1102, sub-§4, ¶G, as enacted by PL 2013, c. 341, §6, is amended to read:

G. Synthetic cannabinoids, including:

(1) Tetrahydrocannabinols that are naturally contained in a plant of the genus cannabis or a cannabis plant, excluding tetrahydrocannabinols contained in hemp as defined in Title 7, section 2231, subsection 1-A, paragraph D, as well as synthetic equivalents of the substances contained in the cannabis plant or in the resinous ~~extractives~~ extracts of cannabis or synthetic substances, derivatives and their isomers with similar chemical structure and pharmacological activity, including the following:

- (a) Delta-1 cis or trans tetrahydrocannabinol and their optical isomers;
- (b) Delta-6 cis or trans tetrahydrocannabinol and their optical isomers; or
- (c) Delta-3,4 cis or trans tetrahydrocannabinol and their optical isomers;

(2) Naphthoylindoles, including any compound containing a 3-(1-naphthoyl)indole structure with substitution at the nitrogen atom of the indole ring by an alkyl, haloalkyl, alkenyl, cycloalkylmethyl, cycloalkylethyl, 1-(N-methyl-2-piperidinyl)methyl or 2-(4-morpholinyl)ethyl group, whether or not further substituted in the indole ring to any extent and whether or not substituted in the naphthyl ring to any extent, including the following:

- (a) 1-Pentyl-3-(1-naphthoyl)indole or JWH-018 or AM-678;
- (b) 1-Butyl-3-(1-naphthoyl)indole or JWH-073;
- (c) 1-Pentyl-3-(4-methoxy-1-naphthoyl)indole or JWH-081;
- (d) 1-[2-(4-morpholinyl)ethyl]-3-(1-naphthoyl) indole or JWH-200;
- (e) 1-Propyl-2-methyl-3-(1-naphthoyl)indole or JWH-015;
- (f) 1-Hexyl-3-(1-naphthoyl)indole or JWH-019;
- (g) 1-Pentyl-3-(4-methyl-1-naphthoyl)indole or JWH-122;
- (h) 1-Pentyl-3-(4-ethyl-1-naphthoyl) indole or JWH-210;

(i) 1-Pentyl-3-(4-chloro-1-naphthoyl) indole or JWH-398; or

(j) 1-(5-fluoropentyl)-3-(1-naphthoyl) indole or AM-2201;

(3) Naphthylmethylandoles, including any compound containing a H-indol-3-yl-(1-naphthyl)methane structure with substitution at the nitrogen atom of the indole ring by an alkyl, haloalkyl, alkenyl, cycloalkylmethyl, cycloalkylethyl, 1-(N-methyl-2-piperidinyl)methyl or 2-(4-morpholinyl)ethyl group, whether or not further substituted in the indole ring to any extent and whether or not substituted in the naphthyl ring to any extent, including the following:

- (a) 1-Pentyl-1H-indol-3-yl-(1-naphthyl)methane or JWH-175; or
- (b) 1-Pentyl-1H-3-yl-(4-methyl-1-naphthyl)methane or JWH-184;

(4) Naphthoylpyrroles, including any compound containing a 3-(1-naphthoyl)pyrrole structure with substitution at the nitrogen atom of the pyrrole ring by an alkyl, haloalkyl, alkenyl, cycloalkylmethyl, cycloalkylethyl or 2-(4-morpholinyl)ethyl group, whether or not further substituted in the pyrrole ring to any extent and whether or not substituted in the naphthyl ring to any extent, including (5-(2-fluorophenyl)-1-pentylpyrrol-3-yl)-naphthalen-1-ylmethanone or JWH-307;

(5) Naphthylideneindenes or naphthylmethylandenes, including any compound containing a naphthylideneindene structure with substitution at the 3-position of the indene ring by an alkyl, haloalkyl, alkenyl, cycloalkylmethyl, cycloalkylethyl, 1-(N-methyl-2-piperidinyl)methyl or 2-(4-morpholinyl)ethyl group, whether or not further substituted in the indene ring to any extent and whether or not substituted in the naphthyl ring to any extent, including E-1-[1-(1-Naphthalenylmethylene)-1H-inden-3-yl]pentane or JWH-176;

(6) Phenylacetylindoles, including any compound containing a 3-phenylacetylindole structure with substitution at the nitrogen atom of the indole ring by an alkyl, haloalkyl, alkenyl, cycloalkylmethyl, cycloalkylethyl, 1-(N-methyl-2-piperidinyl)methyl or 2-(4-morpholinyl)ethyl group, whether or not further substituted in the indole ring to any extent and whether or not substituted in the phenyl ring to any extent, including the following:

- (a) 1-(2-cyclohexylethyl)-3-(2-methoxyphenylacetyl)indole or RCS-8;
- (b) 1-Pentyl-3-(2-methoxyphenylacetyl)indole or JWH-250;
- (c) 1-Pentyl-3-(2-methylphenylacetyl)indole or JWH-251; or
- (d) 1-Pentyl-3-(2-chlorophenylacetyl)indole, or JWH-203;
- (7) Cyclohexylphenols, including any compound containing a 2-(3-hydroxycyclohexyl)phenol structure with substitution at the 5-position of the phenolic ring by an alkyl, haloalkyl, alkenyl, cycloalkylmethyl, cycloalkylethyl, 1-(N-methyl-2-piperidinyl)methyl or 2-(4-morpholinyl)ethyl group, whether or not substituted in the cyclohexyl ring to any extent, and their isomers with similar chemical structure and pharmacological activity, including the following:
- (a) 5-(1,1-dimethylheptyl)-2-[(1R,3S)-3-hydroxycyclohexyl]-phenol or CP 47,497;
- (b) 5-(1,1-dimethyloctyl)-2-[(1R,3S)-3-hydroxycyclohexyl]-phenol or Cannabicyclohexanol or CP 47,497-C8 homologue; or
- (c) 5-(1,1-dimethylheptyl)-2-[(1R,2R)-5-hydroxy-2-(3-hydroxypropyl)cyclohexyl]-phenol or CP 55,490;
- (8) Benzoylindoles, including any compound containing a 3-(benzoyl)indole structure with substitution at the nitrogen atom of the indole ring by an alkyl, haloalkyl, alkenyl, cycloalkylmethyl, cycloalkylethyl, 1-(N-methyl-2-piperidinyl)methyl or 2-(4-morpholinyl)ethyl group, whether or not further substituted in the indole ring to any extent and whether or not substituted in the phenyl ring to any extent, including the following:
- (a) 1-Pentyl-3-(4-methoxybenzoyl)indole or RCS-4;
- (b) 1-(5-fluoropentyl)-3-(2-iodobenzoyl)indole or AM-694; or
- (c) (4-Methoxyphenyl)-[2-methyl-1-(2-(4-morpholinyl)ethyl)indol-3-yl]methanone or WIN-48,098 or Pravadoline; and
- (9) The following other unclassified synthetic cannabinoids:
- (a) (6aR,10aR)-9-(hydroxymethyl)-6,6-dimethyl-3-(2-methyloctan-2-yl)-6a,7,10,

10a-tetrahydrobenzo[c]chromen-1-ol or HU-210;

(b) (6aS,10aS)-9-(hydroxymethyl)-6,6-dimethyl-3-(2-methyloctan-2-yl)-6a,7,10,10a-tetrahydrobenzo[c]chromen-1-ol or Dexanabinol or HU-211;

(c) 2,3-Dihydro-5-methyl-3-(4-morpholinylmethyl)pyrrolo[1,2,3-de]-1,4-benzoxazin-6-yl-1-naphthalenylmethanone or WIN 55,212-2; or

(d) (1-(5-fluoropentyl)-1H-indol-3-yl)(2,2,3,3-tetramethylcyclopropyl)methanone or XLR-11.

Sec. 7. 22 MRSA §2157, sub-§11, as corrected by RR 2011, c. 2, §26, is amended to read:

11. Artificial flavoring and coloring. If it bears or contains any artificial flavoring, artificial coloring or chemical preservative, unless it bears labeling stating the fact. If the artificial flavoring and artificial coloring declaration does not refer to the entire contents of the package, the words "artificial flavoring" and "artificial coloring" must follow immediately each of the ingredients of the package containing one or more of these substances. The common or usual name of any chemical preservative must be immediately followed by the words "chemical preservation." To the extent that compliance with the requirements of this subsection is impracticable, exemptions must be established by rules adopted by the Commissioner of Agriculture, Conservation and Forestry. This subsection, and subsections 7 and 9, with respect to artificial coloring, do not apply in the case of butter, cheese or ice cream; ~~or~~

Sec. 8. 22 MRSA §2157, sub-§13, ¶C, as enacted by PL 1989, c. 115, is further amended to read:

C. There is a conspicuously displayed directory to which customers can refer for information on the contents of unpackaged products offered for sale;

Sec. 9. 22 MRSA §2157, sub-§14, ¶C, as amended by PL 1991, c. 506, §5, is further amended to read:

C. The owner or manager of a retail outlet shall ensure that produce without post-harvest treatment, as determined by the commissioner, is identified by a sign contiguous to the specific produce; or

Sec. 10. 22 MRSA §2157, sub-§15 is enacted to read:

15. Hemp or cannabidiol derived from hemp. If it contains hemp or cannabidiol derived from hemp unless:

A. The package in which the food, food additive or food product is offered for sale conspicuously bears a label or stamp that:

(1) Indicates that the food, food additive or food product contains hemp or cannabidiol derived from hemp;

(2) Describes the cannabidiol content by weight or volume;

(3) Includes the source of the hemp from which the cannabidiol was derived;

(4) In the case of extracts or tinctures, indicates the batch number; and

(5) Includes a disclosure statement that the food, food additive or food product has not been tested or evaluated for safety; or

B. In the case of food, food additives or food products sold, offered for sale or served for consumption unpackaged:

(1) A conspicuous label or sign indicating that the food, food additive or food product contains cannabidiol is placed on or immediately next to the food, food additive or food product or immediately next to the food's listing on the menu or in an open manner where the food order or food product is served; and

(2) The retail store, hotel, restaurant or other public eating place conspicuously displays a directory for use by customers that contains information on the contents of all unpackaged products sold, offered for sale or served that contain cannabidiol derived from hemp.

For the purposes of this subsection, "hemp" has the same meaning as in Title 7, section 2231, subsection 1-A, paragraph D.

Sec. 11. 22 MRSA §2158-A, as enacted by PL 2019, c. 12, Pt. A, §1, is amended to read:

§2158-A. Food, food additives and food products containing hemp not adulterated

Notwithstanding any ~~other~~ provision of law to the contrary, food, food additives or food products that contain hemp, including cannabidiol derived from hemp, are not considered to be adulterated ~~or misbranded~~ under this subchapter based solely on the inclusion of hemp or cannabidiol derived from hemp. The nonpharmaceutical or nonmedical production, manufacturing, marketing, sale or distribution of food, food additives or food products within the State that contain hemp may not be ~~restricted or~~ prohibited within the State based solely on the inclusion of hemp. A food establishment or eating establishment, as defined in section 2491, subsection 7, may not make a claim that food, food additives or food products that contain hemp can diagnose, treat, cure or prevent any disease,

condition or injury without approval pursuant to federal law. For the purposes of this section, "hemp" has the same meaning as in Title 7, section 2231, subsection 1-A, paragraph D and "manufacturing" means producing, preparing, processing, propagating, blending, infusing, compounding, concentrating or converting hemp or food, food additives or food products containing hemp either directly or indirectly by extraction from substances of natural origin or independently by means of chemical synthesis.

Sec. 12. 22 MRSA §2422, sub-§§3-B and 3-C, as enacted by PL 2017, c. 452, §3, are amended to read:

3-B. Edible marijuana product. "Edible marijuana product" means a marijuana product intended to be consumed orally, including, but not limited to, any type of food, drink or pill containing harvested marijuana. "Edible marijuana product" does not include an edible product containing hemp as defined in Title 7, section 2231, subsection 1-A, paragraph D.

3-C. Harvested marijuana. "Harvested marijuana" means the plant material harvested from a mature marijuana plant, except the stalks, leaves and roots of the plant that are not used for a qualifying patient's medical use. "Harvested marijuana" includes marijuana concentrate and marijuana products. "Harvested marijuana" does not include plant material harvested from hemp as defined in Title 7, section 2231, subsection 1-A, paragraph D.

Sec. 13. 22 MRSA §2422, sub-§4-B, as amended by PL 2017, c. 452, §3, is further amended to read:

4-B. Mature marijuana plant. "Mature marijuana plant" means a flowering female marijuana plant. "Mature marijuana plant" does not include hemp as defined in Title 7, section 2231, subsection 1-A, paragraph D.

Sec. 14. 22 MRSA §2422, sub-§§4-D to 4-I, as enacted by PL 2017, c. 447, §1 and c. 452, §3, are repealed.

Sec. 15. 22 MRSA §2422, sub-§§4-J to 4-M, as enacted by PL 2017, c. 452, §3, are amended to read:

4-J. Marijuana extraction. "Marijuana extraction" means the process of extracting marijuana concentrate from harvested marijuana using water, lipids, gases, solvents or other chemicals or chemical processes. "Marijuana extraction" does not include the process of extracting concentrate from hemp as defined in Title 7, section 2231, subsection 1-A, paragraph D.

4-K. Marijuana plant. "Marijuana plant" means a plant of the genus Cannabis, including, but not limited to, Cannabis sativa, Cannabis indica and Cannabis ruderalis or their hybrids and the seeds of those plants.

"Marijuana plant" does not include hemp as defined in Title 7, section 2231, subsection 1-A, paragraph D.

4-L. Marijuana product. "Marijuana product" means a product composed of harvested marijuana and other ingredients that is intended for medical use. "Marijuana product" includes, but is not limited to, an edible marijuana product, a marijuana ointment and a marijuana tincture. "Marijuana product" does not include marijuana concentrate or a product containing hemp as defined in Title 7, section 2231, subsection 1-A, paragraph D.

4-M. Nonflowering marijuana plant. "Nonflowering marijuana plant" means a marijuana plant that is in a stage of growth in which the plant's pistils are not showing or the pistils protrude in pairs from seed bracts that may be located on multiple nodes of the plant. "Nonflowering marijuana plant" does not include hemp as defined in Title 7, section 2231, subsection 1-A, paragraph D.

Sec. 16. 22 MRSA §2422, sub-§§4-N to 4-S are enacted to read:

4-N. Immature marijuana plant. "Immature marijuana plant" means a nonflowering marijuana plant that measures more than 24 inches from the base of the main plant stalk to the most distant point of the plant's leaf stems or branches. "Immature marijuana plant" does not include hemp as defined in Title 7, section 2231, subsection 1-A, paragraph D.

4-O. Inherently hazardous substance. "Inherently hazardous substance" means a liquid chemical; a compressed gas; carbon dioxide; or a commercial product that has a flash point at or lower than 100 degrees Fahrenheit, including, but not limited to, butane, propane and diethyl ether. "Inherently hazardous substance" does not include any form of alcohol or ethanol.

4-P. Long-term care facility. "Long-term care facility" means a hospice provider facility licensed under chapter 1681; a nursing facility licensed under chapter 405; an assisted living facility licensed under chapter 1663 or 1664; or a facility or program licensed under chapter 1663 that provides care for a qualifying patient in accordance with section 2423-A, subsection 1, paragraph F-1, subparagraph (2).

4-O. Manufacture or manufacturing. "Manufacture" or "manufacturing" means the production, blending, infusing, compounding or other preparation of marijuana concentrate and marijuana products, including, but not limited to, marijuana extraction or preparation by means of chemical synthesis.

4-R. Manufacturing facility. "Manufacturing facility" means a registered tier 1 or tier 2 manufacturing facility or a person authorized to engage in marijuana extraction under section 2423-F.

4-S. Marijuana concentrate. "Marijuana concentrate" means the resin extracted from any part of a marijuana plant and every compound, manufacture, salt, derivative, mixture or preparation from such resin, including, but not limited to, hashish. "Marijuana concentrate" does not include resin extracted from hemp as defined in Title 7, section 2231, subsection 1-A, paragraph D or any compound, manufacture, salt, derivative, mixture or preparation therefrom.

Sec. 17. 28-B MRSA §102, sub-§§16 and 19, as enacted by PL 2017, c. 409, Pt. A, §6, are amended to read:

16. Edible marijuana product. "Edible marijuana product" means a marijuana product intended to be consumed orally, including, but not limited to, any type of food, drink or pill containing marijuana or marijuana concentrate. "Edible marijuana product" does not include an edible product containing "hemp" as defined in Title 7, section 2231, subsection 1-A, paragraph D.

19. Immature marijuana plant. "Immature marijuana plant" means a marijuana plant that is not a mature marijuana plant or a seedling. "Immature marijuana plant" does not include hemp as defined in Title 7, section 2231, subsection 1-A, paragraph D.

Sec. 18. 28-B MRSA §102, sub-§27, as amended by PL 2019, c. 12, Pt. B, §12, is further amended to read:

27. Marijuana. "Marijuana" means the leaves, stems, flowers and seeds of a marijuana plant, whether growing or not. "Marijuana" includes marijuana concentrate but does not include hemp as defined in Title 7, section 2231, subsection 1-A, paragraph D or a marijuana product.

Sec. 19. 28-B MRSA §102, sub-§§28, 30 to 33 and 35 to 37, as enacted by PL 2017, c. 409, Pt. A, §6, are amended to read:

28. Marijuana concentrate. "Marijuana concentrate" means the resin extracted from any part of a marijuana plant and every compound, manufacture, salt, derivative, mixture or preparation from such resin, including, but not limited to, hashish. "Marijuana concentrate" does not include resin extracted from hemp as defined in Title 7, section 2231, subsection 1-A, paragraph D. In determining the weight of marijuana concentrate in a marijuana product, the weight of any other ingredient combined with marijuana or marijuana concentrate to prepare the marijuana product may not be included.

30. Marijuana extraction. "Marijuana extraction" means the process of extracting marijuana concentrate from marijuana using water, lipids, gases, solvents or other chemicals or chemical processes. "Marijuana extraction" does not include the process of

extracting concentrate from hemp as defined in Title 7, section 2231, subsection 1-A, paragraph D.

31. Marijuana flower. "Marijuana flower" means the pistillate reproductive organs of a mature marijuana plant, whether processed or unprocessed, including the flowers and buds of the plant. "Marijuana flower" does not include marijuana trim or whole mature marijuana plants or the flower of hemp as defined in Title 7, section 2231, subsection 1-A, paragraph D.

32. Marijuana plant. "Marijuana plant" means all species of the plant genus cannabis, including, but not limited to, a mother plant, a mature marijuana plant, an immature marijuana plant or a seedling. "Marijuana plant" does not include hemp as defined in Title 7, section 2231, subsection 1-A, paragraph D.

33. Marijuana product. "Marijuana product" means a product composed of marijuana or marijuana concentrate and other ingredients that is intended for use or consumption. "Marijuana product" includes, but is not limited to, an edible marijuana product, a marijuana ointment and a marijuana tincture. "Marijuana product" does not include marijuana concentrate or a product containing hemp as defined in Title 7, section 2231, subsection 1-A, paragraph D.

35. Marijuana trim. "Marijuana trim" means any part of a marijuana plant, whether processed or unprocessed, that is not marijuana flower or a marijuana seed. "Marijuana trim" does not include any part of a hemp plant as defined in Title 7, section 2231, subsection 1-A, paragraph D.

36. Mature marijuana plant. "Mature marijuana plant" means a marijuana plant that is flowering. "Mature marijuana plant" does not include hemp as defined in Title 7, section 2231, subsection 1-A, paragraph D.

37. Mother plant. "Mother plant" means a mature marijuana plant that is used solely for the taking of seedling cuttings. "Mother plant" does not include hemp as defined in Title 7, section 2231, subsection 1-A, paragraph D.

Sec. 20. Review of laws and rules regarding hemp; report. All state agencies shall review the laws and rules applicable to their areas of jurisdiction that pertain to hemp seeds and crops, agricultural commodities and products derived from hemp, and topical or ingestible consumer products, including food, food additives and food products derived from hemp. The reviews must identify laws and rules that require amendment to bring them into agreement with the Maine Revised Statutes, Title 7, chapter 406-A and Title 22, chapter 551. By January 1, 2020, all state agencies that have in their areas of jurisdiction laws or rules pertaining to hemp shall submit to the Joint Standing Committee on Agriculture, Conservation and Forestry reports regarding the reviews undertaken un-

der this section, including proposals for legislation to bring laws and rules into agreement with Title 7, chapter 406-A and Title 22, chapter 551. After reviewing any report submitted pursuant to this section, the committee may report out legislation related to the subject matter of that report. As used in this section, "hemp" has the same meaning as in Title 7, section 2231, subsection 1-A, paragraph D.

29-B. Small winery. "Small winery" means a facility that is ~~fermenting, aging and bottling its own wine, not to exceed 50,000 gallons per year. ferments, ages and bottles:~~

A. Up to 50,000 gallons per year of its own wine that is not hard cider; and

B. Up to 3,000 barrels per year of its own wine that is hard cider.

Sec. 4. 28-A MRSA §1355-A, sub-§1, as enacted by PL 2011, c. 629, §22, is amended to read:

1. Issuance of licenses. The bureau may issue ~~manufacturer licenses to distill, rectify, brew or bottle spirits, wine or malt liquor to distillers, rectifiers, brewers, bottlers and wineries operating licenses under this section to breweries, small breweries, wineries, small wineries, distilleries and small distilleries in the~~

State that operate under federal law and federal supervision.

Sec. 5. 28-A MRSA §1355-A, sub-§3, ¶¶A and B, as enacted by PL 2011, c. 629, §22, are amended to read:

A. A holder of a brewery license may produce more than ~~50,000 gallons~~ 30,000 barrels of malt liquor per year.

B. A holder of a small brewery license may produce ~~not more than 50,000 gallons up to 30,000 barrels~~ of malt liquor per year.

(1) Upon application by a holder of a small brewery license ~~whose brewery that~~ has produced malt liquor in an amount that exceeds ~~50,000 gallons~~ 30,000 barrels in one year, the bureau may renew that holder's small brewery license for only one additional year.

(2) A holder of a small brewery license may sell or deliver its products to licensed retailers or wholesalers. The licensee may sell, on the premises for consumption off the premises, malt liquor produced at the licensed premises by the bottle, by the case or in bulk to licensed retailers, including, but not limited to, off-premises retail licensees, restaurants and clubs. Notwithstanding section 1361, the holder of a small brewery license may sell its products directly to a retail licensee under this paragraph without selling to a wholesale licensee.

Sec. 6. 28-A MRSA §1355-A, sub-§4, ¶¶A and B, as enacted by PL 2011, c. 629, §22, are amended to read:

A. A holder of a winery license may produce more than 50,000 gallons per year of ~~wines, sparkling wines and fortified wines wine that is not hard cider and may produce more than 3,000 barrels per year of wine that is hard cider.~~

B. A holder of a small winery license may produce ~~not more than up to 50,000 gallons per year of wines, sparkling wines and fortified wines wine that is not hard cider and may produce up to 3,000 barrels per year of wine that is hard cider.~~

(1) A holder of a small winery license may sell or deliver its products to licensed retailers or wholesalers. The licensee may sell, on the premises for consumption off the premises, any wine produced at the licensed premises by the bottle, by the case or in bulk to licensed retailers, including, but not limited to, off-premises retail licensees, restaurants and clubs. Notwithstanding section 1361, the licensee may sell its products directly to a retail licensee under this paragraph without selling to a wholesale licensee.

(2) A holder of a small winery license, upon application to and approval of the bureau and payment of the license fees, may obtain licenses for off-premises consumption for up to 2 additional locations other than the location of the in-state manufacturer licensed under this section. The holder of the licenses is not required to conduct any bottling or production at the additional licensed locations but may conduct all activities permitted by this section at the additional licensed locations.

Sec. 7. 28-A MRSA §1361, sub-§4, as amended by PL 2011, c. 629, §23, is further amended to read:

4. No sales of malt liquor or wine to person without wholesale license. No certificate of approval holder, except a licensed small brewery or small winery ~~licensee allowed~~ authorized under section 1355-A to sell its own products directly to retailers, may sell or cause to be transported into the State any malt liquor or wine to any person to whom a Maine wholesale license has not been issued by the bureau. Malt liquor or wine must be delivered to the place of business of the wholesaler as shown in the wholesaler's license, must be unloaded and inventoried at the wholesaler's premises upon the wholesaler's receipt of the shipment and must come to rest before delivery is made to any retailer to enable the bureau to inspect and inventory wholesale warehouses for the purpose of verifying taxes that are required to be paid on malt liquor and wine purchased by importers.

Sec. 8. 28-A MRSA §1455, sub-§1, as enacted by PL 1987, c. 45, Pt. A, §4, is amended to read:

1. Written notice. Before any termination procedure initiated by the certificate of approval holder, the certificate of approval holder shall give the wholesale licensee written notice of any claimed deficiency existing in his ~~the~~ wholesale licensee's territory and the certificate of approval holder shall give the wholesale licensee reasonable time or, if the certificate of approval holder is a small beer manufacturer or a small hard cider manufacturer, at least 30 days to correct the claimed deficiency or deficiencies. After this ~~reasonable~~ time has elapsed, the certificate of approval holder shall provide the wholesale licensee at least 90 days prior with written notice of any ~~the~~ certificate of approval holder's intent to amend, cancel, terminate, ~~cancel or not~~ refuse to continue, refuse to renew any or cause the wholesale licensee to resign from an agreement. The notice must state all the reasons for the at least 90 days prior to the effective date of the intended amendment, cancellation, termination, cancellation refusal to continue, refusal to renew or nonrenewal causing of resignation. The written notice must state all of the reasons for the intended amendment, cancellation, termination, refusal to continue, refusal to renew or causing of resignation. The notice provisions

of this section do not apply if the reason for the intended amendment, cancellation, termination, ~~cancel~~ refusal to continue, refusal to renew or nonrenewal causing of resignation is:

- A. The bankruptcy or insolvency of the wholesale licensee;
- B. An assignment for the benefit of creditors or similar disposition of the assets of the wholesale licensee's business;
- C. Revocation of the wholesale licensee's license; or
- D. Conviction or a plea of guilty or no contest to a charge of violating a law relating to the business that materially affects the wholesale licensee's ability to remain in business.

For purposes of this section, "small beer manufacturer" and "small hard cider manufacturer" have the same meanings as in section 1457, subsection 1-A.

Sec. 9. 28-A MRSA §1457, as enacted by PL 1987, c. 45, Pt. A, §4, is amended to read:

§1457. Compensation

1. Reasonable compensation. ~~Any certificate of approval holder which amends, cancels, terminates or refuses to continue or renew any agreement, or causes a wholesale licensee to resign, unless for good cause shown, as defined in section 1454, from an agreement or unreasonably withholds consent to any assignment, transfer or sale of a wholesale licensee's business, shall pay the wholesale licensee reasonable compensation for the value of the wholesale licensee's business related to the terminated brand or brands. The value of the wholesale licensee's business includes inventory and other tangible assets and its good will.~~

1-A. Definitions. As used in this section, unless the context otherwise indicates, the following terms have the following meanings.

- A. "Affected brand or brands" means the brand or brands of a certificate of approval holder that will no longer be distributed by a wholesale licensee after the certificate of approval holder makes a triggering change to the agreement between the certificate of approval holder and the wholesale licensee.
- B. "Case equivalent" means a volume equivalent to 24 12-ounce units.
- C. "Good cause" has the same meaning as described in section 1454.
- D. "Small beer manufacturer" means a small brewery or out-of-state brewer that brews, lagers and kegs, bottles or packages its own malt liquor, not to exceed 30,000 barrels per year.

E. "Small hard cider manufacturer" means a small winery or out-of-state winery that ferments, ages or bottles any amount of wine, as long as it ferments, ages or bottles no more than 3,000 barrels per year of wine that is hard cider.

F. "Triggering change" means an amendment, cancellation in whole or in part, termination, refusal to continue or refusal to renew an agreement by a certificate of approval holder or the resignation of a wholesale licensee from an agreement if the resignation is caused by the certificate of approval holder, unless good cause can be established or proven for the amendment, cancellation, termination, refusal to continue, refusal to renew or caused resignation. "Triggering change" includes the unreasonable withholding of consent by a certificate of approval holder to any assignment, transfer or sale of a wholesale licensee's business.

1-B. Reasonable compensation; general rule.

Except as otherwise provided in subsections 1-C and 1-D, if a certificate of approval holder makes a triggering change to an agreement, the certificate of approval holder shall pay the wholesale licensee reasonable compensation for the fair market value of the wholesale licensee's business related to the affected brand or brands. The fair market value of the wholesale licensee's business related to the affected brand or brands includes inventory and other tangible assets and the wholesale licensee's good will.

1-C. Exception; small beer manufacturer or small hard cider manufacturer. Notwithstanding subsection 1-B, a small beer manufacturer or small hard cider manufacturer must pay a wholesale licensee reasonable compensation in accordance with subsection 1-D if:

A. The small beer manufacturer makes a triggering change to an agreement that prevents the wholesale licensee from continuing to distribute a brand or brands of malt liquor or the small hard cider manufacturer makes a triggering change to an agreement that prevents the wholesale licensee from continuing to distribute a brand or brands of hard cider; and

B. During the 12-month period immediately preceding the date on which the small beer manufacturer or the small hard cider manufacturer provides the wholesale licensee with the first written notice of the triggering change, if notice is required under section 1455, or the date on which the small beer manufacturer or small hard cider manufacturer unreasonably withholds its consent to any assignment, transfer or sale of the wholesale licensee's business, the total number of case equivalents of the affected brand or brands of malt liquor or hard cider distributed by the wholesale licensee was less than 10,000 and represented no

more than 3% of the total number of case equivalents of all brands of liquor for all certificate of approval holders that were distributed by the wholesale licensee.

1-D. Reasonable compensation; alternative calculation. Notwithstanding subsection 1-B, if a small beer manufacturer or small hard cider manufacturer makes a triggering change to an agreement that meets the requirements of subsection 1-C, the small beer manufacturer or small hard cider manufacturer shall pay the wholesale licensee reasonable compensation for the fair market value of the wholesale licensee's business related to the affected brand or brands of malt liquor or hard cider in accordance with this subsection.

A. If the wholesale licensee's total gross profits with respect to the affected brand or brands during the 12-month period described in subsection 1-C were equal to or less than the wholesale licensee's total gross profits with respect to the affected brand or brands during the next preceding 12-month period, the small beer manufacturer or small hard cider manufacturer shall pay as reasonable compensation an amount equal to the wholesale licensee's total gross profits with respect to the affected brand or brands during the 12-month period described in subsection 1-C.

B. If the wholesale licensee's total gross profits with respect to the affected brand or brands during the 12-month period described in subsection 1-C were greater than the wholesale licensee's total gross profits with respect to the affected brand or brands during the next preceding 12-month period, the small beer manufacturer or small hard cider manufacturer shall pay as reasonable compensation an amount equal to twice the wholesale licensee's total gross profits with respect to the affected brand or brands during the 12-month period described in subsection 1-C.

This subsection does not govern the reasonable compensation that a small hard cider manufacturer is required to pay a wholesale licensee for the fair market value of the wholesale licensee's business related to an affected brand or brands of wine that is not hard cider.

1-E. Waiver. Notwithstanding section 1462, nothing in this chapter prevents a wholesale licensee from limiting or waiving its right to receive reasonable compensation under subsection 1-B or 1-D from a small beer manufacturer or a small hard cider manufacturer in an agreement between the wholesale licensee and the small beer manufacturer or the small hard cider manufacturer.

2. Neutral arbitrator. If the certificate of approval holder and the wholesale licensee are unable to agree on the amount of reasonable compensation to be paid for the fair market value of the wholesale licen-

see's business, as defined in subsection 1 related to the affected brand or brands of the certificate of approval holder, they shall submit the matter to a neutral arbitrator selected by the parties, or, if they cannot agree, by the Chief Justice of the Supreme Judicial Court. The costs of the arbitration shall ~~must~~ be paid 1/2 by the wholesale licensee and 1/2 by the certificate of approval holder or otherwise the arbitration proceeding shall ~~must~~ be governed by the ~~Maine~~ Uniform Arbitration Act. The arbitrator shall issue a written decision on the matter no later than 45 days after the date of the commencement of the arbitration proceeding.

3. Distribution during arbitration. Notwithstanding any provision of this Title to the contrary or the terms, conditions or other provisions of any agreement, when a small beer manufacturer or a small hard cider manufacturer makes a triggering change to an agreement, the small beer manufacturer or the small hard cider manufacturer may immediately:

A. If the small beer manufacturer is a small brewery, sell the affected brand or brands of malt liquor directly to retail licensees in the wholesale licensee's territory in accordance with section 1355-A, subsection 3, paragraph B, subparagraph (2);

B. If the small hard cider manufacturer is a small winery, sell the affected brand or brands of hard cider directly to retail licensees in the wholesale licensee's territory in accordance with section 1355-A, subsection 4, paragraph B, subparagraph (1);

C. Appoint one or more new wholesale licensees to sell the affected brand or brands of malt liquor or hard cider in all or any portion of the territory of the wholesale licensee subject to the triggering change; or

D. Engage in any combination of actions described in paragraphs A, B and C, if applicable.

See title page for effective date.

**CHAPTER 530
H.P. 758 - L.D. 1028**

An Act To Prevent and Reduce Tobacco Use with Adequate Funding and by Equalizing the Taxes on Tobacco Products and To Improve Public Health

Be it enacted by the People of the State of Maine as follows:

PART A

Sec. A-1. 36 MRSA §4401, sub-§§2-A, 2-B and 7-A are enacted to read:

2-A. Electronic smoking device. "Electronic smoking device" means a device used to deliver nicotine or any other substance intended for human consumption that may be used by a person to simulate smoking through inhalation of vapor or aerosol from the device, including, without limitation, a device manufactured, distributed, marketed or sold as an electronic cigarette, electronic cigar, electronic pipe, electronic hookah or so-called vape pen.

2-B. Hookah. "Hookah" means a device used for smoking tobacco that consists of a tube connected to a container where the smoke is cooled by passing through water.

7-A. Smoking. "Smoking" includes carrying or having in one's possession a lighted or heated cigarette, cigar or pipe or a lighted or heated tobacco or plant product intended for human consumption through inhalation whether natural or synthetic in any manner or in any form. "Smoking" includes the use of an electronic smoking device.

Sec. A-2. 36 MRSA §4401, sub-§9, as amended by PL 2005, c. 627, §4, is further amended to read:

9. Tobacco products. "Tobacco products" means cigars; cheroots; stogies; electronic smoking devices and liquids used in electronic smoking devices whether or not they contain nicotine; periques, granulated, plug cut, crimp cut, ready rubbed; and other smoking tobacco; snuff; snuff flour; snus; cavendish; plug and twist tobacco; finecut and other chewing tobaccos; shorts; refuse scraps, clippings, cuttings and sweepings of tobacco; and other kinds and forms of tobacco, prepared in such manner as to be suitable for chewing or smoking in a pipe or otherwise, or both for chewing and smoking; but does not include tobacco products that are subject to the tax provided by chapter 703 intended for human consumption or is likely to be consumed, whether smoked, heated, chewed, absorbed, dissolved, inhaled or ingested by any other means. "Tobacco products" does not include:

A. Products that are subject to the tax provided by chapter 703;

B. Drugs, devices or combination products authorized for sale by the United States Department of Health and Human Services, Food and Drug Administration, as those terms are defined in the Federal Food, Drug, and Cosmetic Act;

C. Any product that contains adult use marijuana subject to tax under Title 28-B, section 1001; or

D. Any product that contains marijuana or marijuana products subject to control under Title 22, chapter 558-C.

Sec. A-3. 36 MRSA §4403, sub-§1, as repealed and replaced by PL 2009, c. 213, Pt. H, §1 and affected by §3, is amended to read:

1. Smokeless tobacco. A tax is imposed on smokeless tobacco, including chewing tobacco and snuff, at the rate of:

A. On amounts of smokeless tobacco packaged for sale to the consumer in a package that contains one ounce or more of smokeless tobacco, \$2.02 per ounce and prorated; and

B. On smokeless tobacco packaged for sale to the consumer in a package that contains less than one ounce of smokeless tobacco, \$2.02 per package.

Beginning January 2, 2020, the tax rates in this subsection are subject to adjustment pursuant to subsection 5.

Sec. A-4. 36 MRSA §4403, sub-§2, as amended by PL 2005, c. 627, §8, is further amended to read:

2. Other tobacco. A tax is imposed on cigars, pipe tobacco and other tobacco intended for smoking at the rate of 20% of the wholesale sales price beginning October 1, 2005. Beginning January 2, 2020, a tax is imposed on all tobacco products, other than those subject to tax under subsection 1, at the rate of 43% of the wholesale sales price. Beginning January 2, 2020, the tax rate imposed pursuant to this subsection is subject to adjustment pursuant to subsection 5.

Sec. A-5. 36 MRSA §4403, sub-§5 is enacted to read:

5. Equivalence. If the tax on cigarettes under chapter 703 is increased after January 2, 2020, the assessor shall calculate a rate of tax on other tobacco products under subsections 1 and 2 that is equivalent to the same percentage change in the tax rate for one cigarette. The adjusted rates calculated by the assessor take effect at the same time as the increase in the tax on cigarettes.

Sec. A-6. Appropriations and allocations. The following appropriations and allocations are made.

For taxable years beginning on or after January 1, 2020, to the extent included in federal adjusted gross income and not subtracted under paragraph FF, student loan payments made by the taxpayer's employer directly to a lender on behalf of a qualified health care employee. As used in this paragraph, "qualified health care employee" means an individual who is employed by a hospital located in this State and who is licensed under Title 32, chapter 31, subchapter 3 or 4; chapter 36, subchapter 4; or chapter 48, subchapter 2.

Sec. C-2. Reimbursement for rural hospitals and nonrural hospitals. The Department of Health and Human Services shall amend its rule Chapter 101: MaineCare Benefits Manual, Chapter III, Section 45 in order to provide MaineCare reimbursement for rural hospitals at 100% of inpatient hospital-based physician costs, outpatient emergency room hospital-based physician costs, outpatient nonemergency room hospital-based physician costs and graduate medical education costs. The department shall also amend its rule Chapter 101: MaineCare Benefits Manual, Chapter III, Section 45 in order to provide MaineCare reimbursement for nonrural hospitals at 93.3% of inpatient hospital-based physician costs, 93.4% of outpatient emergency room hospital-based physician costs and 83.8% of outpatient nonemergency room hospital-based physician costs.

The department shall adopt routine technical rules under the Maine Revised Statutes, Title 5, chapter 375, subchapter 2-A to establish a definition of "rural hospital" that reflects the regional access to hospital care and the population density of the public health district

in which the hospital is located, as long as the following hospitals are considered rural hospitals:

1. Northern Light A.R. Gould Hospital in Presque Isle;
2. Cary Medical Center in Caribou;
3. Franklin Memorial Hospital in Farmington;
4. Northern Light Inland Hospital in Waterville;
5. Northern Light Maine Coast Hospital in Ellsworth; and
6. Northern Maine Medical Center in Fort Kent.

Sec. C-3. Reimbursement for acute care critical access hospitals. The Department of Health and Human Services shall amend its rule Chapter 101: MaineCare Benefits Manual, Chapter III, Section 45 regarding acute care critical access hospital physician services to require MaineCare reimbursement of 100% for all hospital-based physician costs.

Sec. C-4. Reimbursement for rural health clinics. The Department of Health and Human Services shall amend its rule Chapter 101: MaineCare Benefits Manual, Chapter II, Section 103 regarding the department's reimbursement methodology to provide an alternative payment methodology option that, effective January 1, 2020, is the same as the existing methodology except that rural health clinics may be reimbursed on the basis of 100% of the average of the reasonable costs of providing MaineCare-covered services during calendar years 2016 and 2017 as long as reimbursement is no less than reimbursement received under the prospective payment system described in Section 1902(bb) of the United States Social Security Act. Each rural health clinic must be given the option to be reimbursed under the methodology required by this section or under the existing prospective payment system methodology.

Sec. C-5. State plan amendments; rule-making. The Department of Health and Human Services shall submit any necessary state plan amendments to implement the requirements of this Part to the United States Department of Health and Human Services, Centers for Medicare and Medicaid Services no later than January 1, 2020. Upon approval, the department shall amend its rules within 180 days of approval. Rules adopted pursuant to this section are routine technical rules as defined in the Maine Revised Statutes, Title 5, chapter 375, subchapter 2-A.

Sec. C-6. Appropriations and allocations. The following appropriations and allocations are made.

PRIVATE AND SPECIAL LAWS OF THE STATE OF MAINE
AS PASSED AT
THE FIRST REGULAR SESSION OF THE
ONE HUNDRED AND TWENTY-NINTH LEGISLATURE
2019

CHAPTER 1
H.P. 272 - L.D. 346

**An Act To Amend the
Brunswick Sewer District
Charter**

Be it enacted by the People of the State of Maine as follows:

Sec. 1. P&SL 1981, c. 103, §32, sub-§4 is enacted to read:

4. Rates and fees; readiness to serve. The district's rates may include readiness to serve rates charged against owners of real estate abutting or accessible but not connected to sewers or drains of the district, whether or not the real estate is improved.

Sec. 2. P&SL 1981, c. 103, §35, sub-§3-A is enacted to read:

3-A. Waiver of sewer district lien foreclosure. The treasurer of the district, when authorized by the trustees of the district, may waive the foreclosure of a district lien mortgage created pursuant to this charter by recording in the registry of deeds a waiver of foreclosure before the right of redemption from the mortgage has expired. The lien mortgage remains in full effect after the recording of the waiver. Other methods established by law for the collection of any unpaid rate are not affected by the filing of a waiver under this subsection.

The waiver of foreclosure under this subsection must be in substantially the following form:

The foreclosure of the sewer lien mortgage on real estate for charges against (NAME) to the Brunswick Sewer District dated and recorded in the Cumberland County Registry of Deeds in Book, Page is hereby waived.

The form must be dated, signed by the treasurer of the district and notarized. A copy of the form must be provided to the party named on the lien mortgage and each record holder of a mortgage on the real estate.

See title page for effective date.

CHAPTER 2
S.P. 113 - L.D. 435

**An Act To Provide for the 2019
and 2020 Allocations of the
State Ceiling on Private
Activity Bonds**

Emergency preamble. Whereas, acts and resolves of the Legislature do not become effective until 90 days after adjournment unless enacted as emergencies; and

Whereas, the Maine Revised Statutes, Title 10, section 363 and Private and Special Law 2017, chapter 12 make a partial allocation of the state ceiling on private activity bonds to some issuers for calendar year 2019 but leave a portion of the state ceiling unallocated and do not provide sufficient allocations for certain types of private activity bonds that may require an allocation prior to the effective date of this Act if not enacted on an emergency basis; and

Whereas, if these bond issues must be delayed due to the lack of available state ceiling, the rates and terms under which these bonds may be issued may be adversely affected, resulting in increased costs to beneficiaries or even unavailability of financing for certain projects; and

Whereas, in the judgment of the Legislature, these facts create an emergency within the meaning of the Constitution of Maine and require the following legislation as immediately necessary for the preservation of the public peace, health and safety; now, therefore,

Be it enacted by the People of the State of Maine as follows:

Sec. 1. Allocation to the Treasurer of State. The \$5,000,000 of the state ceiling on private activity bonds for calendar year 2019 previously allocated to the Treasurer of State remains allocated to the Treasurer of State to be used or reallocated in accordance with the Maine Revised Statutes, Title 10, section 363, subsection 5 for calendar year 2019. Five million dollars of the state ceiling for calendar year 2020 is allocated to the Treasurer of State to be used or reallocated in accordance with Title 10, section 363, subsection 5.

Sec. 2. Allocation to the Finance Authority of Maine. The \$40,000,000 of the state ceiling on

private activity bonds for calendar year 2019 previously allocated to the Finance Authority of Maine remains allocated to the Finance Authority of Maine to be used or reallocated in accordance with the Maine Revised Statutes, Title 10, section 363, subsection 6 for calendar year 2019. Forty million dollars of the state ceiling for calendar year 2020 is allocated to the Finance Authority of Maine to be used or reallocated in accordance with Title 10, section 363, subsection 6.

Sec. 3. Allocation to the Maine Municipal Bond Bank. The \$10,000,000 of the state ceiling on private activity bonds for calendar year 2019 previously allocated to the Maine Municipal Bond Bank remains allocated to the Maine Municipal Bond Bank to be used or reallocated in accordance with the Maine Revised Statutes, Title 10, section 363, subsection 7 for calendar year 2019. Ten million dollars of the state ceiling for calendar year 2020 is allocated to the Maine Municipal Bond Bank to be used or reallocated in accordance with Title 10, section 363, subsection 7.

Sec. 4. Allocation to the Finance Authority of Maine as successor to the Maine Educational Loan Authority. The \$15,000,000 of the state ceiling on private activity bonds for calendar year 2019 previously allocated to the Finance Authority of Maine as successor to the Maine Educational Loan Authority remains allocated to the Finance Authority of Maine to be used or reallocated in accordance with the Maine Revised Statutes, Title 10, section 363, subsection 8 for calendar year 2019. An additional \$30,000,000 of the state ceiling on private activity bonds for calendar year 2019, previously unallocated, is allocated to the Finance Authority of Maine to be used or reallocated in accordance with Title 10, section 363, subsection 8. Fifteen million dollars of the state ceiling for calendar year 2020 is allocated to the Finance Authority of Maine to be used or reallocated in accordance with Title 10, section 363, subsection 8.

Sec. 5. Allocation to the Maine State Housing Authority. The \$50,000,000 of the state ceiling on private activity bonds for calendar year 2019 previously allocated to the Maine State Housing Authority remains allocated to the Maine State Housing Authority to be used or reallocated in accordance with the Maine Revised Statutes, Title 10, section 363, subsection 4 for calendar year 2019. Fifty million dollars of the state ceiling for calendar year 2020 is allocated to the Maine State Housing Authority to be used or reallocated in accordance with Title 10, section 363, subsection 4.

Sec. 6. Unallocated state ceiling. One hundred seventy-one million two hundred forty-five thousand dollars of the state ceiling on private activity bonds for calendar year 2019 is unallocated and must be reserved for future allocation in accordance with applicable laws. Two hundred one million seven hundred forty-five thousand dollars of the state ceiling for

calendar year 2020 is unallocated and must be reserved for future allocation in accordance with applicable laws.

Emergency clause. In view of the emergency cited in the preamble, this legislation takes effect when approved.

Effective April 5, 2019.

CHAPTER 3

H.P. 76 - L.D. 90

An Act To Amend the Law Governing the Membership of the Town of York Planning Board and the Town of York Appeals Board

Emergency preamble. Whereas, acts and resolves of the Legislature do not become effective until 90 days after adjournment unless enacted as emergencies; and

Whereas, current law, enacted in 1977, requires the Town of York Appeals Board and Town of York Planning Board each to have at least one member who is a resident of the York Beach geographical area; and

Whereas, the Town of York has had difficulty finding residents from the York Beach geographical area to serve on the appeals board and the planning board; and

Whereas, this continued vacancy is a barrier to the ability of the appeals board and the planning board to conduct the business of the Town of York; and

Whereas, other residents in the Town of York are interested in serving on these boards; and

Whereas, in the judgment of the Legislature, these facts create an emergency within the meaning of the Constitution of Maine and require the following legislation as immediately necessary for the preservation of the public peace, health and safety; now, therefore,

Be it enacted by the People of the State of Maine as follows:

Sec. 1. P&SL 1977, c. 62, §10 is repealed.

Emergency clause. In view of the emergency cited in the preamble, this legislation takes effect when approved.

Effective April 11, 2019.

CHAPTER 4
S.P. 207 - L.D. 694

**An Act To Amend the Charter
of the Town of Madison's
Department of Electric Works**

Be it enacted by the People of the State of Maine as follows:

Sec. 1. P&SL 1975, c. 53, §8, as amended by P&SL 1999, c. 7, §2, is repealed and the following enacted in its place:

Sec. 8. Borrowing. The Department of Electric Works constitutes a utility district for the purpose of borrowing amounts of money by the issuance of its revenue obligation securities for its electric works for any purpose allowed by law. Borrowing pursuant to this section must be approved by the board of directors of the electric works and, unless the vote authorizing such securities otherwise provides, bonds and notes must be signed by the board of directors and by a treasurer appointed by the board of directors for the purpose of assisting in the issuance and post-issuance requirements associated with the securities, who may also be the superintendent.

Sec. 2. P&SL 1975, c. 53, §9, as amended by P&SL 1995, c. 15, §1 and affected by §2, is repealed.

Sec. 3. P&SL 1975, c. 53, §14, first ¶, as amended by P&SL 1999, c. 7, §7, is further amended to read:

Sec. 14. Duties of superintendent. Subject to any specific limitations imposed by the board of directors pursuant to section 9 7, the superintendent is responsible for the daily administration and operation of the electric works department.

See title page for effective date.

CHAPTER 5
S.P. 488 - L.D. 1553

**An Act Directing That the
Towns Constituting Hospital
Administrative District No. 4
Hold a Vote on the Proposed
Merger with Northern Light
Health**

Mandate preamble. This measure requires one or more local units of government to expand or modify activities so as to necessitate additional expenditures from local revenues but does not provide funding for at least 90% of those expenditures. Pursuant to the Constitution of Maine, Article IX, Section 21, 2/3 of

all of the members elected to each House have determined it necessary to enact this measure.

Emergency preamble. Whereas, acts and resolves of the Legislature do not become effective until 90 days after adjournment unless enacted as emergencies; and

Whereas, Hospital Administrative District No. 4, established pursuant to Private and Special Law 1973, chapter 76, is composed of the member communities of Abbot, Atkinson, Bradford, Cambridge, Dexter, Dover-Foxcroft, Guilford, Milo, Monson, Parkman, Sangerville, Sebec and Willimantic; and

Whereas, the board of directors of the district has determined that Mayo Regional Hospital, which is the hospital serving the communities in the district, is unable to continue operation in a financially sustainable manner as an independent hospital and that the best way to ensure access to necessary, high-quality, affordable health care for the people served by Mayo Regional Hospital is for the district to merge with Northern Light Health, a larger nonprofit health care system; and

Whereas, in order for such a merger to take place, the Legislature must amend the charter for the district; and

Whereas, before the legislative delegations representing the affected communities pursue legislation to amend the charter to facilitate such a merger, it is important to solicit input from the affected communities; and

Whereas, this legislation directs the towns of Abbot, Atkinson, Bradford, Cambridge, Dexter, Dover-Foxcroft, Guilford, Milo, Monson, Parkman, Sangerville, Sebec and Willimantic to each hold a vote on the proposed merger by May 7, 2019 and transmit the results of the vote to the board of directors of the district; and

Whereas, in the judgment of the Legislature, these facts create an emergency within the meaning of the Constitution of Maine and require the following legislation as immediately necessary for the preservation of the public peace, health and safety; now, therefore,

Be it enacted by the People of the State of Maine as follows:

Sec. 1. Special advisory vote on merger of Hospital Administrative District No. 4. Notwithstanding any applicable notice requirements, each of the towns of Abbot, Atkinson, Bradford, Cambridge, Dexter, Dover-Foxcroft, Guilford, Milo, Monson, Parkman, Sangerville, Sebec and Willimantic shall hold an advisory vote no later than May 7, 2019 on the proposed merger of Hospital Administrative District No. 4 with Northern Light Health, in accordance with the agreement and plan of merger dated

March 19, 2019 between Hospital Administrative District No. 4 and Northern Light Health. Unless a town's charter otherwise provides, the vote must be taken at a town meeting. The municipal officers of each town shall invite the inhabitants of the town to give their opinion on this question by voting on the following:

"Do you favor the merger of Hospital Administrative District No. 4, which is served by Mayo Regional Hospital, with Northern Light Health, a Maine nonprofit corporation, in accordance with the agreement and plan of merger between Hospital Administrative District No. 4 and Northern Light Health dated March 19, 2019, and amending the Hospital Administrative District No. 4 charter in order to facilitate the completion of the merger?"

The results of the vote in each town must be declared by the municipal officers of the town and transmitted to the board of directors of Hospital Administrative District No. 4.

Emergency clause. In view of the emergency cited in the preamble, this legislation takes effect when approved.

Effective April 25, 2019.

CHAPTER 6

H.P. 451 - L.D. 623

An Act To Amend the Charter of the City of Brewer High School District

Emergency preamble. Whereas, acts and resolves of the Legislature do not become effective until 90 days after adjournment unless enacted as emergencies; and

Whereas, the annual compensation for City of Brewer High School District trustees begins in fiscal year 2019-20, which begins July 1, 2019; and

Whereas, to conduct its official business in a financially responsible manner for the benefit of its residents, the City of Brewer must include all upcoming financial obligations in the budget prepared for fiscal year 2019-20; and

Whereas, in the judgment of the Legislature, these facts create an emergency within the meaning of the Constitution of Maine and require the following legislation as immediately necessary for the preservation of the public peace, health and safety; now, therefore,

Be it enacted by the People of the State of Maine as follows:

Sec. 1. P&SL 1925, c. 4, §4, 2nd ¶, 5th sentence is repealed and the following enacted in its place:

Beginning in fiscal year 2019-20, each trustee of the City of Brewer High School District receives equal compensation annually as determined by the council of the City of Brewer to be paid from the funds of the City of Brewer High School District.

Emergency clause. In view of the emergency cited in the preamble, this legislation takes effect when approved.

Effective April 30, 2019.

CHAPTER 7

S.P. 504 - L.D. 1585

An Act To Allow the City of Augusta To Adjust the Definition of "Original Assessed Value" for the City of Augusta's Performance Food Group Municipal Tax Increment Financing District and To Validate the Assessment, Commitment and Collection of Property Taxes Dedicated for the District for the Fiscal Years 2018-19 and 2019-20

Emergency preamble. Whereas, acts and resolves of the Legislature do not become effective until 90 days after adjournment unless enacted as emergencies; and

Whereas, the Legislature has established a municipal tax increment financing program, pursuant to the Maine Revised Statutes, Title 30-A, chapter 206, as a local economic development tool to permit municipalities to finance new development projects; and

Whereas, the City of Augusta may suffer financial liability because it did not timely complete the steps statutorily required for designation of a municipal tax increment financing district; and

Whereas, in the judgment of the Legislature, these facts create an emergency within the meaning of the Constitution of Maine and require the following legislation as immediately necessary for the preservation of the public peace, health and safety; now, therefore,

Be it enacted by the People of the State of Maine as follows:

Sec. 1. Authorization to adjust the definition of original assessed value. Notwithstanding the Maine Revised Statutes, Title 30-A, section 5222, subsection 13, the City of Augusta may define "original assessed value" for the Performance Food Group municipal tax increment financing district designated on July 2, 2016 as the assessed value of the district as of March 31, 2016.

Sec. 2. Authorization to adjust the start date of the district. Notwithstanding the Maine Revised Statutes, Title 30-A, chapter 206, the effective date of the Performance Food Group municipal tax increment financing district is July 1, 2017, with a duration of up to 30 consecutive years.

Sec. 3. Assessment, tax commitment and tax collection of property taxes dedicated for the Performance Food Group district for fiscal years 2018-19 and 2019-20 are ratified, made legal and valid. Notwithstanding the Maine Revised Statutes, Title 36, section 504, the assessment, commitment and collection of the portion of the assessed property taxes for the fiscal years 2018-19 and 2019-20 dedicated to the Performance Food Group municipal tax increment financing district designated on July 2, 2016 is ratified, made legal and valid.

Emergency clause. In view of the emergency cited in the preamble, this legislation takes effect when approved.

Effective May 30, 2019.

CHAPTER 8

S.P. 449 - L.D. 1469

An Act To Amend the Charter of the Rumford-Mexico Sewerage District

Be it enacted by the People of the State of Maine as follows:

Sec. 1. P&SL 1971, c. 79, §17, last ¶ is amended to read:

If a surplus exists at the end of a calendar year, it may be transferred to a surplus or capital account ~~which shall that, in total, may~~ not exceed ~~\$25,000~~ \$80,000 or ~~3%~~ 10% of the total sum apportioned in the prior calendar year to the Town of Rumford and Mexico Sewer District, whichever is the larger. The trustees may add to the sinking fund, if any, so much of any excess over ~~said~~ the limitations as they determine advisable, and any remainder ~~shall~~ must be credited on an equitable basis against sums otherwise to be apportioned to the Town of Rumford, the Mexico Sewer District and any persons, firms or corporations other than ~~said~~ the town and sewer district under contract to

pay for the use of the district's facilities during the year as at the end of which ~~such~~ the surplus was ~~so~~ created.

See title page for effective date.

**CHAPTER 10
H.P. 1067 - L.D. 1455**

**An Act To Change the Name of
Township 17, Range 3 to
Van Buren Cove**

Mandate preamble. This measure requires one or more local units of government to expand or modify activities so as to necessitate additional expenditures from local revenues but does not provide funding for at least 90% of those expenditures. Pursuant to the Constitution of Maine, Article IX, Section 21, 2/3 of all of the members elected to each House have determined it necessary to enact this measure.

Emergency preamble. Whereas, acts and resolves of the Legislature do not become effective until 90 days after adjournment unless enacted as emergencies; and

Whereas, this legislation proposes a referendum to ratify changing the name of the unorganized territory referred to currently as Township 17, Range 3, WELS, and located in Aroostook County to Van Buren Cove, and requires the referendum to be held no later than 6 months after adjournment of the First Regular Session of the 129th Legislature; and

Whereas, in the judgment of the Legislature, these facts create an emergency within the meaning of the Constitution of Maine and require the following legislation as immediately necessary for the preservation of the public peace, health and safety; now, therefore,

Be it enacted by the People of the State of Maine as follows:

Sec. 1. Van Buren Cove. Wherever the designation Township 17, Range 3, WELS, appears or reference is made to that unorganized territory, that designation or reference means Van Buren Cove.

Sec. 2. Referendum for ratification. This Act must be submitted to the legal voters residing in the unorganized territory of Township 17, Range 3, WELS, in Aroostook County. The date of the submission must be determined by the Aroostook County Board of Commissioners but may not be later than 6 months after adjournment of the First Regular Session of the 129th Legislature. The Aroostook County commissioners are authorized to expend such funds as necessary to implement the referendum.

The county commissioners shall cause the preparation of the required ballots, on which they shall state the subject matter of this Act in the following question:

"Do you favor changing the name of Township 17, Range 3, WELS, to Van Buren Cove?"

The voters shall indicate by a cross or a check mark placed against the word "Yes" or "No" their opinion of the question.

The result of the election must be declared by the Aroostook County commissioners and due certificate filed with the Secretary of State.

Sec. 3. Emergency clause; effective date. In view of the emergency cited in the preamble, this legislation takes effect when approved only for the purpose of submitting it to the legal voters residing in the unorganized territory of Township 17, Range 3, WELS, in Aroostook County no later than 6 months after adjournment of the First Regular Session of the 129th Legislature. The name change in section 1 of this Act takes effect immediately upon its acceptance by a majority of the legal voters voting at the election held pursuant to section 2.

Effective pending referendum.

**An Act Amending the Charter
of the Boothbay-Boothbay
Harbor Community School
District**

Be it enacted by the People of the State of Maine as follows:

Sec. 1. P&SL 1953, c. 156, §4, first ¶ is amended to read:

Sec. 4. Referendum on bond issues. When the trustees ~~shall~~ have authorized the issue of any bonds, an attested copy of the vote of the trustees ~~shall~~ must be forthwith filed with the municipal officers of each of the participating towns and published in a newspaper having a circulation in the district not later than 8 days following the day on which such vote was adopted by the trustees. A vote of the trustees authorizing an issue of bonds in the principal amount of less than \$250,000 under this ~~act shall~~ Act does not become effective before the expiration of a period of ~~15~~ 21 days from the date upon which such vote is adopted. If within said 21-day period a petition, signed by 300 registered voters of the district not less than 100 of whom ~~shall~~ must be from each participating town, ~~shall be~~ is filed with the chairman or the secretary of the board of trustees, asking that the question of whether such bonds should be issued be submitted to the voters of the district, such vote of the trustees ~~shall~~ be is further suspended from becoming effective and the trustees shall immediately reconsider such vote. If such vote is not rescinded by the trustees, the trustees shall submit the question of whether such bonds ~~shall~~ may be issued to the voters of the district at a special

meeting of the qualified voters in the district to be held in said district within 60 days of their vote using the same procedures as set forth herein for an issue of bonds in the principal amount of \$250,000 or greater under this Act. If the trustees vote to authorize an issue of bonds in the principal amount of \$250,000 or greater under this Act, the trustees shall submit the question of whether such bonds may be issued to the voters of the district at a special meeting of the qualified voters in the district to be held in said district within 60 days of their vote. Said special meeting ~~shall~~ must be called and held as provided in section 16 hereof except that the notice ~~shall~~ must set forth the vote of the trustees authorizing said bonds, the approval or disapproval of the issue of which is to be submitted to the voters of the district, together with the proposed form of the ballot to be used at such special meeting. At such special meeting the vote on the question of whether such bonds ~~shall~~ may be issued ~~shall~~ must be by ballot, the form of which ~~shall~~ must be substantially as follows:

Sec. 2. P&SL 1953, c. 156, §9, as amended by P&SL 1969, c. 27, §3 and P&SL 1975, c. 28, is further amended to read:

Sec. 9. Application of general law; certain exceptions. The community schools, for which provision is herein made, when established ~~shall be~~ are considered the official schools of the participating towns to the extent consistent with action taken pursuant to sections 18 and 18-A and all provisions of general law relating to public education ~~shall~~, so far as applicable, apply to said schools. Teaching positions, special courses and other basis for allocations to towns because of this school, ~~shall~~ must be divided according to the ~~proportional~~ proportional assessment of each participating town for operating expenses as determined in section 13 of this ~~act~~ Act. Unless a specific procurement method is otherwise provided for by state law, a competitive bidding process must be used for any procurement of the district in the amount of \$20,000 or greater, in which bids from competing contractors, suppliers or vendors must be invited by openly advertising the scope, specifications and terms and conditions of the proposed contract as well as the criteria by which the bids will be evaluated. Transportation of pupils ~~shall~~ must be provided by the district as provided by law and the expenditure for transportation ~~shall be~~ is considered an expense of operation of the schools. Tuition charges for pupils from outside the district accepted at this school ~~shall~~ must be determined by the trustees, notwithstanding other provisions in the general law; ~~provided, however, except that such tuition shall~~ may not exceed the average cost per pupil paid by a participating town for the year preceding the year for which the tuition is paid, as determined by the trustees.

Sec. 3. P&SL 1953, c. 156, §12, 2nd sentence is amended to read:

Said voters may determine and include in said capital budget the sum, if any, to be set aside in the current year for a capital reserve fund; ~~provided, however, except that the an amount which may up to \$140,000 for a capital reserve fund must be set aside in any one year shall not exceed \$12,500 for the 2020 fiscal year, which runs from July 1, 2019 to June 30, 2020. For each fiscal year after 2020 the capital reserve fund set-aside amount must equal the greater of the prior year's set-aside amount or the prior year's set-aside amount adjusted by the percentage change in the Consumer Price Index for the most recently concluded calendar year.~~

See title page for effective date.

CHAPTER 12

H.P. 1247 - L.D. 1752

An Act To Amend the Charter of the Boothbay Harbor Sewer District

Be it enacted by the People of the State of Maine as follows:

Sec. 1. P&SL 1961, c. 161, as enacted by P&SL 1961, c. 161; and amended by P&SL 1971, c. 54; P&SL 1991, c. 81, §1; P&SL 1993, c. 59, §1; P&SL 1997, c. 14, §1; and P&SL 2005, c. 34, §§1 and 2, is further amended to read:

Sec. 1. Territorial limits; incorporation. The territory and the inhabitants of the Town of Boothbay Harbor in the County of Lincoln and the territory and the inhabitants of the Town of Boothbay in the County of Lincoln constitute a public sewerage district and a body politic and corporate under the name of "Boothbay Harbor Sewer District." The purpose of this district, subject to the provisions of section 10, is to take over, control, operate and manage the sewers now owned by the Town of Boothbay Harbor with all appurtenances thereto; to extend, increase, enlarge and improve these sewers; to extend the present system or systems so as to furnish sewerage facilities to parts of the district not now served with those facilities; to provide for removal and treatment of sewage when, as and if that treatment becomes necessary; and generally to construct, maintain, operate and provide a system of sewerage, sewage disposal and sewage treatment for public purposes and for the health, welfare, comfort and convenience of the inhabitants of the district.

Sec. 2. Authority to locate, construct and maintain; coordination with municipal planning. Within said territory and the territory of any adjoining municipality, said Boothbay Harbor Sewer District is authorized to lay pipes, drains, sewers and conduits, and to take up, repair and maintain the same

or to contract for the same to be done, in, along and through any public or private ways and public grounds, and in, along and through lands of any person or corporation as hereafter provided, to and into tidal waters, rivers, watercourses or treatment works or to or into any drain or sewer now or hereafter built which empties into tidal waters, rivers, watercourses or treatment works, the discharge therefrom to be at such points consistent with the requirements of public health as shall be found convenient and reasonable for said district and the flow of existing watercourses; to locate, construct and maintain treatment works, pumping stations, basins, reservoirs, flush tanks and such other appliances for collecting, holding, purifying, distributing and disposing of sewage matter, commercial and industrial waste and, subject to the provisions of section 10, of surface and waste water, all as may be necessary or proper; and in general, do any or all other things necessary or incidental to accomplish the purposes of this act.

The coordination of municipal planning and sewer extension planning is governed by the Maine Revised Statutes, Title 38, section 1037, subsection 1.

Sec. 3. Authority to acquire and hold property; right of eminent domain conferred.

Upon acceptance of this act as hereafter provided, and subject to the provisions of section 10, title to all public sewers in the Town of Boothbay Harbor shall forthwith pass to and be vested in said district, and said district thereafter shall maintain and operate the same. The said district is authorized and empowered to acquire and hold real and personal property necessary or convenient for the purposes of this act, and is expressly granted the right of eminent domain, and for the purposes of this act is authorized to take and hold, either by exercising its right of eminent domain, or by purchase, lease or otherwise, as for public uses any land, real estate, easements or interests therein, and any sewers, drains or conduits and any sewer or drainage rights necessary for constructing, establishing, maintaining and operating sewers, drains, reservoirs, flush tanks, manholes, catch basins, treatment works, pumping stations and other appliances and property used or useful for collecting, holding, purifying, distributing and disposing of sewage matter and industrial waste and surface and waste waters. Nothing herein contained should be construed as authorizing said district to take by right of eminent domain any of the property or facilities of any other public service corporation or district used or required for future use by the owner thereof in the performance of a public duty, unless expressly authorized by subsequent act of the Legislature.

Sec. 3-A. Authority to acquire and hold property; right of eminent domain conferred; procedures; damages. The authority and procedures for the exercise of eminent domain are governed by the Maine Revised Statutes, Title 38, section 1040.

Sec. 4. Notice; procedure under eminent domain. In exercising from time to time the right of eminent domain conferred upon it, said district, by its board of trustees, shall file in the office of the county commissioners of Lincoln County and cause to be recorded in the registry of deeds in said county plans of the location of all lands, real estate, easements or interest therein, and sewers, drains or conduits and any sewer or drainage rights to be taken, with an appropriate description and the names of the owners thereof, if known. When for any reason the district fails to acquire property which it is authorized to take and which is described in such location, or if the location so recorded is defective and uncertain, it may, at any time, correct and perfect such location and file a new description thereof; and in such case the district is liable in damages only for property for which the owner had not previously been paid, to be assessed as of the time of the original taking, and the district shall not be liable for any acts which would have been justified if the original taking had been lawful. No entry shall be made on any private lands, except to make surveys, until the expiration of 10 days from such filing, whereupon possession may be had of all said lands, real estate, easements or interests therein and other property and rights as aforesaid to be taken, but title thereto shall not vest in said district until payment therefor.

Sec. 5. Assessment of damages by county commissioners; procedure on appeals. If any person sustaining damages by any taking as aforesaid shall not agree with said district upon the sum to be paid therefor, either party, upon petition to the county commissioners of Lincoln County, may have said damages assessed by them; the procedure and all subsequent proceedings and right of appeal thereon shall be had under the same restrictions, conditions and limitations as are or may be by law prescribed in the case of damages by the laying out of highways.

Sec. 6. Limitations on crossing a public utility. In case of crossing of any public utility, unless consent is given by the company owning or operating such public utility as to place, manner and conditions of the crossing within 30 days after such consent is requested by said district, the Public Utilities Commission shall determine the place, manner and conditions of such crossing; and all work on the property of such public utility shall be done under the supervision and to the satisfaction of such public utility, but at the expense of the district. If any sewer line of the district as provided above crosses the property or line of any railroad corporation, the procedure is the same as stated in the previous sentence, except that the Department of Transportation must be substituted for the Public Utilities Commission. Nothing herein contained shall be construed as authorizing said district to take by right of eminent domain any of the property or facilities of any other public service corporation or

district used or acquired for future use by the owner thereof in the performance of a public duty unless expressly authorized herein or by subsequent act of the Legislature.

Sec. 7. Rights of abutters or others to enter. A person not otherwise required to connect a private sewer into a sewer of the district may connect to the district's sewer if that person obtains a permit from the district and pays any charges required by this section. Any such person may enter ~~his~~ the private sewer into any sewer of the district while the same is under construction and before completion of said sewer at the point of entry, and before an entrance charge is established, on obtaining a permit in writing from the ~~trustees superintendent of the district;~~ but after the sewer is completed to the point of entry and an entrance charge established on that location, no such person shall enter ~~his~~ the private sewer into such sewer until ~~he~~ the person has paid the entrance charge and obtained a permit in writing from the ~~trustees superintendent~~ as aforesaid. All such permits shall be recorded by the clerk of the district in its records before the same are issued.

Sec. 8. Contracts with municipalities authorized. The said district is authorized to contract with persons, corporations, districts ~~and other, utilities,~~ municipalities, ~~both the State or other governmental entity whether located inside and or outside the boundaries of the district, including the Town of Boothbay Harbor and the Town of Boothbay,~~ to provide for disposal of sewage and commercial and industrial waste through the district's system and through the system of any such person, corporation, district ~~or other, utility or municipality or the State or other governmental entity;~~ and said Town of Boothbay Harbor ~~is~~ and Town of Boothbay are authorized to contract, individually or together, with said district for the collection, distribution and disposal of sewage, ~~surface water~~ and other waste matter, and for said purposes, said ~~town~~ towns may raise money as for other municipal charges.

Sec. 9. Excavation or repair work, closing of ways. Whenever said district shall enter, dig up or excavate any public way or other land for the purpose of laying its sewers, drains or pipes, constructing man-holes or catch basins or their appurtenances, or maintaining the same, or for any other purpose, the work shall be expeditiously done with the least possible interruption, and on completion of the work, the district shall restore said way or land to the condition it was in prior to such work, or to a condition equally as good.

Whenever the character of the work is such as to endanger travel on any public way, the municipal officers of the Town of Boothbay Harbor, the Town of Boothbay or the Department of Transportation, as appropriate, may order a temporary closing of such way,

and of any intersecting way, upon request of said district, and the way shall remain closed to public travel until said municipal officers or officials of the department deem it is restored to a condition safe for traffic.

Sec. 10. Surface water facilities; joint facilities; separation of same. Any other provision of this act to the contrary notwithstanding, the said district shall be under no duty or obligation to construct, maintain, improve, extend or provide drains, pipes, catch basins or any other facilities for storm or surface water drainage, and all drains, pipes, catch basins or other facilities owned by ~~said the~~ the Town of Boothbay Harbor or the Town of Boothbay and used exclusively for storm or surface water drainage shall remain the property of ~~said the~~ the town, and no such drain, pipe, catch basin or other facility shall be transferred to the district to be thereafter maintained and operated by the district without the joint approval of the ~~selectmen municipal officers of said the~~ the Town of Boothbay Harbor or the Town of Boothbay and the trustees of said district. Any sewer or drain owned by said Town of Boothbay Harbor at the time of acceptance of this act and used for both sanitary sewage disposal and storm and surface water drainage shall pass to and be vested in said district, and said district shall be entitled to charge said town for the use of the same for storm or surface water drainage at such rates as the trustees may determine. No additional catch basins or other facilities draining into any such combined sewer or drain shall be constructed without the approval of said trustees. If and when the district shall construct and provide a sewer or drain which permits separation of sanitary sewage previously disposed of through any such combined sewer or drain, the said district, by vote of the trustees, shall transfer and convey back to said Town of Boothbay Harbor the facilities for storm and surface water drainage.

Sec. 10-A. Lease of property. The lease of property by the district is governed by the Maine Revised Statutes, Title 38, section 1045.

Sec. 11. Free access to premises. The officers or agents of the district shall have free access to all premises served by its sewers, at all reasonable hours, for inspection of plumbing and sewage fixtures, to ascertain the quality and quantity of sewage discharged and the manner of discharge, and to enforce the provisions of this act and the rules and regulations prescribed by the trustees hereunder.

Sec. 12. Buildings to connect with sewer if available. Every ~~Every~~ Except as provided in this section, upon receiving a request from the district to connect a building in the district intended for industrial, business or recreational use or for human habitation or occupancy ~~which or that has facilities for discharge or disposal of waste water or commercial or industrial waste~~ and that is located within 400 200 feet of a public sewer on property abutting on a street or way in which

there is a public sewer, or any such building within ~~100~~ 200 feet of a public sewer, shall have a house drainage system which shall be caused to be connected with the sewer by the owner or person against whom taxes on the premises are assessed in the most direct manner possible the owner of that building shall arrange to have the building connected through a sanitary sewer or drainage system to the district's accessible sewer or drain within 90 days after receiving request therefor from the district, or within such further time as the trustees of the district may grant, and, if feasible, with a separate connection for each house or building; provided, however, that existing buildings which are already served by a satisfactory private sewer system which meets and continues to meet, in the judgment of the trustees, the applicable requirements of the State Plumbing Code and all applicable laws and ordinances shall not be required to connect with the public sewer connections for existing buildings which are already served by a private sewer system are governed by the Maine Revised Statutes, Title 38, section 1046, subsection 4. A person who receives a notice in accordance with this section to connect to a building and fails to connect to the building in accordance with this section is subject to a civil penalty not to exceed \$2,500, payable to the district. This penalty is recoverable in a civil action.

Sec. 13. Sanitary provisions and penalty for violations. Any A person who shall may not place, discharge or leave any offensive or injurious matter or material on or in the conduits, catch basins or receptacles of said district contrary to its regulations; or shall willfully knowingly injure any conduit, pipe, reservoir, flush tank, catch basin, manhole, outlet, engine, pump or other property held, owned or used by said district for the purposes of this act shall be liable to pay twice the amount of the damages to said district, to be recovered in any proper action; and such person, on conviction of any of said acts or willful injury aforesaid and any person who violates the provisions of sections 11 or 12, shall be punished by a fine not exceeding \$200 or by imprisonment not exceeding one year, or by both. A person who violates this section is liable to pay twice the amount of the damages to the district to be recovered in any proper action and is subject to a civil penalty not to exceed \$2,500 for each violation, payable to the district. The civil penalty is recoverable in a civil action. Penalty for violation of standards by an industrial user is governed by the Maine Revised Statutes, Title 38, section 1046, subsection 1.

Sec. 14. Trustees and officer; tenure of office; election to office; organization; vacancies; compensation. All of the affairs of said the district shall be are managed by a board of 3 trustees, who must be residents therein, who shall be chosen as hereinafter provided of the district.

~~As soon as may be after acceptance of this act, the municipal officers of the Town of Boothbay Harbor shall appoint 3 trustees of said district to hold office as follows: one to serve until the first annual meeting of said town following the acceptance of this act; one to serve until the 2nd annual meeting of said town following such acceptance; and one to serve until the 3rd annual meeting of said town following such acceptance. At each annual meeting of said town, beginning with the first annual meeting after acceptance of this act, one trustee shall be elected by ballot as hereafter provided to serve until the annual meeting of said town occurring 3 years thereafter and until his successor is elected and qualified. When any trustee ceases to be a resident of said district, he vacates his office as trustee. All trustees, if residents of said district, shall be eligible for reelection or reappointment.~~

The nomination of all candidates for trustee to be elected as provided by this act shall be by nomination papers signed in the aggregate for each candidate by not less than 25 nor more than 50 qualified voters resident in said district. Each voter signing a nomination paper shall make his signature in person, and each voter may subscribe to as many nominations as there are trustees to be elected in said district and no more. Such nomination papers, before being filed, shall be submitted to the town clerk of the Town of Boothbay Harbor, who shall forthwith certify thereon that number of the signatures which are names of qualified voters resident in said district. One of the signers to each such separate paper shall swear to the truth thereon, and the certificate of such oath shall be annexed to or made upon the nomination papers. Such nomination papers shall be filed with the town clerk of the Town of Boothbay Harbor not less than 14 days, exclusive of Sundays, previous to the day of such election. With such nomination papers shall also be filed the consent in writing of the person or persons nominated. All nomination papers, being filed and being in apparent conformity with the foregoing provisions, shall be deemed to be valid. If not in apparent conformity, they may be seasonably amended under oath. In case any candidate who has been duly nominated under the provisions hereof shall die before the day of election, or shall withdraw in writing, or shall remove his place of residence from said district, the vacancy may be supplied in the manner herein provided for such nominations, except that the time limit for filing such nomination papers shall not apply. The name so supplied for the vacancy shall, if the ballots have not been printed, be placed on the ballots instead of the original nomination; or if the ballots have been printed, new ballots containing the new nomination shall, if practical, be furnished, or slips containing the new nomination shall be printed under the direction of the town clerk which shall be pasted upon said ballots and over the name of the candidate whose nomination has been vacated as aforesaid, and thereafter shall become part of said ballots as if originally printed thereon. The

ballot in said district shall contain the names of all candidates so nominated in such district alphabetically arranged, printed in one column under the heading "For Trustee of the Boothbay Harbor Sewer District." Above such heading shall be printed "Vote for ????" (the number to be elected to be inserted therein). Make a cross or a check mark to the right of the name(s) voted for." As many blank spaces shall be left after the names of the candidates as there are trustees to be elected in which the voter may, by writing, insert the name of any person or persons for whom he desires to vote. In preparing his ballot the voter shall mark a cross (X) or a check mark (v) against and to the right of such names on the ballot as he desires to vote for, not to exceed the number of trustees so to be elected in said district. At each annual meeting of said Town of Boothbay Harbor, balloting for trustee of said district shall take place concurrently with balloting for the municipal officers of said town, but separate ballots shall be provided for the balloting for trustee of the district as hereinbefore provided. The result of such election shall be declared by the selectmen of said Town of Boothbay Harbor and due certificate thereof filed with the town clerk and the clerk of the district. The district shall reimburse the town for the expense of any district election.

As soon as convenient after their appointment, the first board of trustees shall hold a meeting at some convenient place in the district, to be called by any member thereof in writing, designating the time and place and delivered in hand to the other 2 members not less than 2 full days before the meeting; provided, however, that they may meet by agreement without such notice. At this original meeting the trustees shall organize by electing from their own members a chairman, a treasurer and a clerk and adopting a corporate seal. The trustees may adopt and establish by laws, consistent with the laws of the State of Maine and necessary for their own convenience and the proper management of the affairs of the district, and perform any other acts within the powers delegated to them by law.

Within one week after each annual election, the trustees shall meet for the purpose of electing a chairman, treasurer and clerk to serve for the ensuing year and until their successors are elected and qualified. The trustees from time to time may choose and employ, and fix the compensation of, any other necessary officers and agents who shall serve at their pleasure. The treasurer shall furnish bond in such sum and with such sureties as the trustees shall approve, the cost thereof to be paid by the district.

Members of the board of trustees shall be eligible to any office under the board. The trustees, as such, shall serve without compensation; but the treasurer may be allowed such compensation as the trustees shall determine.

The trustees shall be sworn to the faithful performance of their duties as such, which shall include the duties of any member who shall serve as clerk or clerk pro tem. They shall make and publish an annual report, including a report of the treasurer, and such report may be included in, and published as part of, the town report.

Vacancies in the office of trustee from whatever cause shall be filled by appointment by the remaining trustees until the next annual election. If at any annual election there shall exist a vacancy in an unexpired term, a trustee shall be elected to fill such vacancy for such unexpired term, and the voters of the district shall cast their ballots as hereinbefore prescribed, voting for as many candidates as there are offices to be filled.

1. Nominations and elections of trustees must be conducted in accordance with the laws relating to municipal elections in the Maine Revised Statutes, Title 30-A, chapter 121, and all elections must be conducted by secret ballot in accordance with Title 30-A, section 2528.

When the term of office of a trustee expires, the trustee's successor is elected at large by a plurality vote of the voters of the district. For the purpose of election, a special election must be called and held on the date established by the trustees. The election must be called by the trustees of the district in the same manner as town meetings are called and, for this purpose, the trustees are vested with the powers of municipal officers.

The trustees shall acquire a complete list of all the registered voters residing in the district. The trustees may acquire this list from the registrar of any town within the district. The towns may charge a fee for providing the list. The list acquired by the trustees governs the eligibility of a voter, since a voter eligible to vote for trustees and on district matters generally must be a voter in the town from which the trustee is elected. Voters who reside outside the territorial limits of the district, as defined in this act, are not eligible voters. All warrants issued for elections by the trustees must show that only the voters residing within the territorial limits of the district are entitled to vote.

2. When any trustee ceases to be a resident of the district, that trustee vacates the office as trustee. A trustee, if a resident of the district, is eligible for reelection or reappointment. A person who is a municipal officer, as defined in the Maine Revised Statutes, Title 30-A, section 2001, subsection 10, of either of the towns located within the district is not eligible for appointment, nomination or election as a trustee of the district.

3. The trustees may adopt and establish bylaws, consistent with the laws of the State of Maine and necessary for their own convenience and the proper man-

agement of the affairs of the district, and perform any other acts within the powers delegated to them by law.

4. Within 2 weeks after each annual election, the trustees shall meet for the purpose of electing a chair, treasurer and clerk to serve for the ensuing year and until their successors are elected and qualified. The trustees from time to time may choose and employ, and fix the compensation of, any other necessary officers and agents who shall serve at their pleasure. The treasurer shall furnish bond in such sum and with such sureties as the trustees shall approve, the cost thereof to be paid by the district.

5. The trustees of the district receive compensation in accordance with the Maine Revised Statutes, Title 38, section 1036, subsection 7.

6. The trustees must be sworn to the faithful performance of their duties as such, which must include the duties of any member who serves as clerk or clerk pro tem. They shall make and publish an annual report, including a report of the treasurer, and such report may be included in, and published as part of, the town report.

7. Business of the district must be conducted in accordance with the applicable provisions of the Freedom of Access Act.

8. Vacancies in the office of trustee from whatever cause must be filled by appointment by the remaining trustees until the next annual election. If at any annual election there exists a vacancy in an unexpired term, a trustee must be elected to fill such vacancy for such unexpired term, and the voters of the district shall cast their ballots as hereinbefore prescribed, voting for as many candidates as there are offices to be filled.

Sec. 15. Special meetings; qualifications of voters of district. Special meetings of the district may be called by the board of trustees at any time, and notice of special meetings, stating the place and time thereof and the business to be transacted thereat, shall be signed by the chairman or clerk of the board of trustees and shall be conspicuously posted in at least 2 public places within the district, not less than 7 days inclusive of Sundays, before the meeting. Any such meeting may be adjourned from time to time by vote of the qualified voters present thereat, though less than a quorum, and without notice of the time and place of the adjourned session, other than announcement at the meeting. Twenty five persons qualified to vote in such meetings shall constitute a quorum. All meetings of the district shall be presided over by a moderator chosen in the same manner and with the same authority as moderators of town meetings. All persons resident in said district and qualified to vote for Governor under the laws of this State shall be entitled to vote in any meeting of the district, including the meeting for acceptance of this charter.

Sec. 16. Property tax exempt. The property, both real and personal, rights and franchises of said district shall be forever exempt from taxation.

Sec. 17. Authorized to receive government aid, borrow money, issue bonds and notes. For accomplishing the purposes of this act, said district, by vote of its board of trustees, without district vote ~~except as hereinafter provided~~, is hereby authorized to borrow money temporarily and to issue therefor its negotiable notes, and for the purpose of renewing and ~~refunding the indebtedness so created, of paying any necessary expenses and liabilities incurred under the provisions of this act, including organizational and other necessary expenses and liabilities whether incurred by the district or the Town of Boothbay Harbor,~~ the district being authorized to reimburse said Town of Boothbay Harbor for any such expense incurred or paid by it, and in acquiring properties, paying damages, laying sewers, drains and conduits, constructing, maintaining and operating a sewage plant or system and making renewals, additions, extensions and improvements to the same and to cover interest payments ~~during the period of construction, said Boothbay Harbor Sewer District, by votes of its board of trustees,~~ without district vote except as hereinafter provided, is also hereby authorized to issue, from time to time, bonds, notes or other evidences of indebtedness of the district in such amount or amounts, bearing interest at such rate or rates, and having such terms and provisions as the trustees shall determine receive government aid, borrow money, hold funds and issue, secure and refund bonds and notes as set forth in the Maine Revised Statutes, Title 38, section 1052 and subject to all requirements therein. All bonds, notes or other evidences of indebtedness issued under this act and the transfer of and the income from those bonds, notes or other evidences of indebtedness, including any profit made on the sale, are exempt from taxation in the State. Bonds and notes issued by the district under this section are securities in which all public officers and public bodies of the State and its political subdivisions, all insurance companies and associations and other persons carrying on an insurance business, trust companies, banks, bankers, banking associations, savings banks and savings associations, including savings and loan associations, credit unions, building and loan associations, investment companies, executors, administrators, trustees and other fiduciaries, pension, profit-sharing and retirement funds, and other persons carrying on a banking business, and all other persons authorized to invest in bonds or other obligations of the State may properly and legally invest funds, including capital in their control or belonging to them. The bonds and notes are securities that may properly and legally be deposited with and received by any state, municipal or public officer, or any agency or political subdivision of the State, for any purpose for which the deposit of bonds or other obligations of the State is authorized by law. The total indebtedness of the dis-

trict at any one time outstanding may not exceed the sum of \$8,500,000. In the case of a vote by the trustees to authorize bonds or notes to pay for the acquisition of property, for the cost of a sewage plant or system or part thereof, for renewals or additions or for other improvements in the nature of capital costs, the estimated cost of which singly or in the aggregate is \$50,000 or more, but not for renewing or refunding existing indebtedness or to pay for maintenance, repairs or for current expenses, notice of the proposed debt, the general purpose or purposes for which it was authorized and of the date of a special district meeting for the purpose of voters of the district voting thereon shall be given by the clerk by publication at least once in a newspaper having a general circulation in the Town of Boothbay Harbor. After 7 full days following the date on which such notice was first published the trustees shall hold a special district meeting for the purpose of permitting the voters of the district to express approval or disapproval of the amount of debt so authorized. If at such district meeting a majority of voters present and voting thereon expresses disapproval of the amount of debt authorized by the trustees, the said debt shall not be incurred and the vote of the trustees authorizing the same shall be void and of no effect. If at such district meeting a majority of voters present and voting thereon expresses disapproval of the amount of debt authorized by the trustees, the said debt shall not be incurred and the vote of the trustees authorizing the same shall be void and of no effect. Said bonds, notes and evidences of indebtedness may be issued to mature serially in annual installments of not less than 1% of the face amount of the issue and beginning not later than 2 years from the date thereof, or made to run for such periods as the trustees may determine, but no issue thereof shall run for a longer period than 40 years from the date of original issue thereof. Bonds, notes or evidences of indebtedness may be issued with or without provision for calling the same prior to maturity, and if callable may be made callable at par or at such premium as the trustees may determine. All bonds, notes or other evidences of indebtedness shall have inscribed upon their face the words "Boothbay Harbor Sewer District," shall be signed by the treasurer and countersigned by the chairman of the board of trustees of the district, and if coupon bonds are issued, the interest coupons attached thereto shall bear the facsimile of the signature of the treasurer. All such bonds, notes and evidences of indebtedness so issued by the district shall be legal obligations of the district, which is hereby declared to be a quasi-municipal corporation within the meaning of the Revised Statutes of 1954, chapter 90-A, section 23, as amended, and all provisions of said section shall be applicable thereto. The said district may, from time to time, issue in one series or in separate series, its bonds, notes and other evidences of indebtedness, for the purpose of paying, redeeming or refunding outstanding bonds, notes or evidences of indebtedness, and each

authorized issue shall constitute a separate loan. All bonds, notes and evidences of indebtedness issued by said district shall be legal investments for savings banks in the State of Maine and shall be tax exempt. The said district is authorized and empowered to enter into agreements with the State or Federal Government, or any agency of either, or any corporation, commission or board authorized by the State or Federal Government to grant or loan money to or otherwise assist in the financing of projects such as the district is authorized to carry out, and to accept grants and borrow money from any such government agency, corporation, commission or board as may be necessary or desirable to enforce the provisions of this act. The district may increase this debt limit by referendum as provided by Title 38, section 1054.

Sec. 18. Sinking fund provided for; investments. In case any of said bonds or notes are made to run for a period of years, a sinking fund shall be established by the trustees of said district for the purpose of redeeming said bonds or notes when they become due and a sum equal to not less than 1% of the aggregate principal of the outstanding bonds or notes issued on account of or in behalf of said district, as aforesaid, shall be turned into said sinking fund each year to provide for the final extinguishment of said district funded debt.

The money set aside for the sinking fund shall be devoted to the retirement of said notes and bonds, and shall be used for no other purposes, and shall be invested in such securities as savings banks are allowed to hold.

Whenever any bonds of said district become due, or can be purchased by said trustees on favorable terms, said trustees shall, if sufficient funds have accumulated in said sinking fund, redeem or purchase said bonds, and cancel them. In no case shall bonds so cancelled or redeemed be reissued.

In case the amount in said sinking fund shall not be sufficient to pay the total amount of the bonds falling due at any one time, authority to issue new bonds sufficient to redeem so many of said bonds as cannot be redeemed from the sinking fund is hereby granted to said trustees.

The district may invest its funds, including the sinking fund, reserve funds and trust funds, in accordance with the Maine Revised Statutes, Title 38, section 1055.

Sec. 19. Rates and tolls; application of revenues. All persons, firms and corporations, whether public, private or municipal, shall pay to the treasurer of said district the rates, tolls, rents, entrance charges and other lawful charges established or revised by the trustees for the sewer or drainage service used or available with respect to their real estate, which rates shall be fair and reasonable charges for

connection with and for the use of the sewer or drainage service and may include a charge for the district's readiness to serve to be charged against owners of real estate abutting on or accessible to sewers or drains of the district but not actually connected thereto, whether or not such real estate is improved. In establishing or revising such rates, tolls, rents or charges, the trustees may classify the property connected or to be connected with the sewerage or drainage system and may give consideration to any factors relating to kind, quality or extent of use of any such property or qualification of property including: (a) the volume of water discharged into the sewerage or drainage system; (b) the type and size of buildings connected with such system; (c) the number of plumbing fixtures connected with such system; (d) the number of persons customarily using the property served by such system; (e) in the case of commercial or industrial property, the average number of employees, customers and guests using the property; and (f) the quality and character of the material discharged into the sewerage or drainage system. The trustees may establish minimum charges in connection with and for the use of a sewerage or drainage system.

Rates, tolls, rents and entrance charges shall be uniform within the district whenever the cost to the district of installation and maintenance of sewers and drains and their respective appurtenances and the cost of service ~~is~~ are substantially uniform; ~~but nothing in this act shall preclude~~ except that the district from establishing may establish a higher rate, toll, rent or entrance charge than the regular rates, tolls, rents and entrance charges in sections where, for any reason, the cost to the district of construction and maintenance, or the cost of service, exceeds the average, ~~but such as long as the higher rates, tolls, rents and entrance charges shall be~~ are uniform throughout the sections where they apply, and trustees may reduce the impact or connection fee for sewer service to newly constructed affordable housing in accordance with the Maine Revised Statutes, Title 38, section 1048, subsection 1, paragraph B.

Adoption of a new rate schedule is governed by the Maine Revised Statutes, Title 38, section 1048, subsection 5.

The sewer rates, tolls, rents and entrance charges shall be so established as to provide revenue for the following purposes:

I. To pay the current expenses for operating and maintaining the sewerage, drainage and treatment system;

II. To ~~provide for the payment of interest on the indebtedness created~~ pay the principal of and premium, if any, and interest on all bonds and notes issued by the district;

III. To ~~provide each year a sum equal to not less than 1% nor more than 5% of the entire indebtedness~~

~~created by said district, which sum shall be used to pay serial bonds or notes when due or be turned into a sinking fund and there kept to provide for the extinguishment of said indebtedness. Money set aside for the sinking fund shall be devoted to the retirement of the obligations of said sewer district, and invested in such securities as savings banks in this State are allowed to hold~~ create and maintain reserves as may be required by any trust agreement or resolution securing bonds and notes;

IV. ~~If any surplus remains at the end of the year, it may be turned into the sinking fund. To provide funds for paying the cost of all necessary repairs, replacements and renewals of the sewerage, drainage and treatment systems of the district;~~

V. To pay or provide for all amounts that the district may be obligated to pay or provide for by law or contract, including any resolution or contract with or benefit of the holder of its bonds and notes; and

VI. To provide each year a sum equal to not less than 1% nor more than 5% of the entire indebtedness created by said district, which sum shall be used to pay serial bonds or notes when due or be turned into a sinking fund and there kept to provide for the extinguishment of said indebtedness. Money set aside for the sinking fund shall be devoted to the retirement of the obligations of said sewer district and invested in such securities as savings banks in this State are allowed to hold. If any surplus remains at the end of the year, it may be turned into the sinking fund.

Sec. 20. Sewer extensions; assessment against lot benefited. Sewer extensions are governed by the Maine Revised Statutes, Title 38, section 1042. When the district has constructed and completed a common sewer, the trustees may, if they so determine, in order to defray a portion of the expense thereof, determine what lots or parcels of land, whether or not buildings or other structures are located thereon or whether or not they are otherwise improved, are benefited by such main or sewer, and estimate and assess upon such lots and parcels of land, and against the owner thereof, or person in possession or against whom taxes thereon are assessed, whether said person to whom the assessment is so made shall be the owner, tenant, lessee or agent, and whether the same is occupied or not, such sum not exceeding such benefit as they may deem just and equitable towards defraying the expenses of constructing and completing such sewer, together with such sewage disposal units and appurtenances as may be necessary, the whole of such assessments not to exceed 1/2 of the cost of such sewer and sewage disposal units. The trustees shall file with the clerk of the district the location of such sewer and sewage disposal unit, with a profile description of the same, and a statement of the amount assessed upon each lot or parcel of land so assessed, a description of each lot or parcel, and the name of the

owner of such lots or parcels of land of person against whom said assessment shall be made, and the clerk of such district shall record the same in a book kept for that purpose, and within 10 days after such filing, each person so assessed shall be notified of such assessment by having an authentic copy of said assessment, with an order or notice signed by the ~~clerk of said district chair of the board of trustees~~, stating the time and place for a hearing upon the subject matter of said assessments, given to each person so assessed or left at ~~his the person's~~ usual place of abode in said district. If ~~he such person~~ has no place of abode in said district, then such notice shall be given or left at the abode of ~~his the person's~~ tenant or lessee if ~~he the person~~ has one in said district. If ~~he such person~~ has no such tenant or lessee in said district, then notice must be given by posting said notice in some conspicuous place in the vicinity of the lot or parcel of land so assessed; at least 30 days before said hearing; or such notice may be given by publishing the same once a week, for 3 successive weeks in any newspaper of general circulation in said district, the first publication to be at least 30 days before said hearing. A return made upon a copy of such notice by any constable in said Town of Boothbay Harbor or the Town of Boothbay or the production of the paper containing such notice shall be conclusive evidence that said notice has been given, and upon such hearing the trustees shall have power to revise, increase or diminish any of such assessments, and all such revisions, increases or diminutions shall be in writing and recorded by the clerk of the district.

Sec. 21. Right of appeal. Any person ~~aggrieved by dissatisfied with~~ the decision of said trustees as it relates to any assessment for sewer construction shall have the same rights of appeal as are provided ~~in the case of laying out of town ways by the Maine Revised Statutes, Title 30-A, section 3443, as amended.~~

Sec. 22. Assessments; lien; enforcement. All assessments made under the provisions of section 20 shall create a lien upon each and every lot or parcel of land so assessed and the buildings upon the same, which lien shall take effect when the trustees file with the clerk of the district the completed assessment, and shall continue for one year thereafter; ~~and within~~ Within 10 days after the date of hearing on said assessment, the clerk of the district shall make out a list of all such assessments, the amount of each, and the name of the person against whom the same is assessed, and ~~he~~ shall certify the list and deliver it to the treasurer of said district. If said assessments are not paid within 3 months from the date thereof, the treasurer may bring ~~an a civil~~ action of ~~debt~~ for the collection of said assessment in the name of the district against the person against whom said assessment is made and for the enforcement of said lien. ~~Such action shall be begun by writ of attachment commanding the officer serving it to specially attach the real estate upon which~~

~~the lien is claimed, which shall be served as other writs of attachment to enforce liens on real estate.~~ The ~~declaration~~ complaint in such action shall contain a statement of such assessment, a description of the real estate against which the assessment is made, and an allegation that a lien is claimed on said real estate to secure the payment of the assessment. If no service is made upon the defendant or it shall appear that any other persons are interested in such real estate, the court shall order such further notice of such action as appears proper, and shall allow such other persons to become parties thereto. If it shall appear upon trial of such action that such assessment was legally made against said real estate, and is unpaid, and that there is an existing lien on said real estate for the payment of such assessment, judgment shall be rendered for such assessment, interest and costs of suit against the defendants and against the real estate upon which the assessment was made, and execution issued thereon to be enforced by sale of such real estate in the manner provided for a sale on execution of real estate attached on original ~~writs~~ process; provided that in making said sale, the officer shall follow the procedure in selling and conveying and there shall be the same rights of redemption as are provided in the Maine Revised Statutes of 1954, chapter 91-A Title 36, section 87, as amended 941.

Sec. 23. Additional method of collection of assessments. If assessments under section 20 are not paid, and said district does not proceed to collect unpaid assessments by a ~~sheriff's sale of the real estate upon which such assessments are made~~ proceedings under section 22, or does not collect or is any manner delayed or defeated in collecting such assessments by ~~a sheriff's sale of said real estate~~ proceedings under section 22, then the ~~treasurer~~ district, in ~~the its~~ name of ~~said district~~, may maintain ~~an a~~ a civil action against the party so assessed for the amount of said assessment, as for money paid, laid out and expended, in any court of competent jurisdiction, and in such suit may recover the amount of such assessment with 10% interest on the same from the date of said assessment and costs.

Sec. 24. Assessments paid by other than owner, how recovered. When any assessment under section 20 shall be paid by any person against whom such assessment has been made, who is not the owner of such lot or parcel of land, then the person so paying the same shall have a lien upon such lot or parcel of land with the buildings thereon for the amount of said assessment so paid by said person, and incidental charges, which lien shall continue for one year and which lien may be enforced in ~~an a~~ a civil action of ~~assumpsit as for money paid, laid out and expended,~~ and by attachment in the way and manner provided for the enforcement of liens upon buildings and lots under the Maine Revised Statutes of 1954, chapter 178 Title 10.

Sec. 25. Lien for payment of rates. There shall be a lien on real estate served or benefited by the sewers of the district to secure the payment of rates established and due under section 19, which shall take precedence of all other claims on such real estate, excepting only claims for taxes. Real estate for the purposes of this act shall have the same definition as given in the Revised Statutes of 1954, chapter 91-A, section 4, as amended means an identified parcel of land and its improvements, if any, including, but not limited to, a mobile home.

When a rate, toll, rent or other charge has been committed to the treasurer of the Boothbay Sewer District for collection, the treasurer may, after the expiration of 3 months and within one year after the date when the charge became due and payable, give to the owner of the real estate served, or leave at the owner's last and usual place of abode, or send by certified mail, return receipt requested, to the owner's last known address, a written notice signed by the treasurer or bearing the treasurer's facsimile signature stating the amount of that rate, toll, rent or other charge, describing the real estate upon which the lien is claimed and stating that a lien is claimed to secure payment of the charge and demanding payment within 30 days after service or mailing of the notice plus \$1 for the treasurer for mailing the notice together with the certified mail, return receipt requested fee. The notice must contain a statement that the district is willing to arrange installment payments of the outstanding debt. For the purpose of this section, a mobile home is defined as real estate. After the expiration of the 30 day period and within one year, the treasurer shall record in the Lincoln County Registry of Deeds a certificate signed by the treasurer setting forth the amount of the rate, toll, rent or other charge, and a description of the real estate on which the lien is claimed, stating that a lien is claimed to secure payment of the charge and that notice and demand for payment of the charge has been given or made in accordance with the provisions of this section, and that the charge remains unpaid. At the time of the recording of a certificate in the Registry of Deeds, the treasurer shall file in the office of the district a true copy of the certificate and shall mail a true copy of the certificate by certified mail, return receipt requested, to each record holder of any mortgage on the real estate, addressed to the record holder at the record holder's last and usual place of abode.

The filing of the certificate in the Registry of Deeds is deemed to create, and creates, a mortgage on the real estate described in the deed for the district that has priority over all other mortgages, liens, attachments and encumbrances of any nature, except liens, attachments and claims for taxes, and gives to the district all the rights usually possessed by mortgagees, except that the district as mortgagee does not have a right to possession of the real estate until the right of redemption provided for has expired. If the mortgage,

together with interest and costs, is not paid within 18 months after the date of filing of the certificate in the Registry of Deeds, the mortgage is deemed foreclosed and the right of redemption expired. The filing of the certificate in the Registry of Deeds is sufficient notice of the existence of the mortgage. In the event that the rate, toll, rent or other charge, with interest and costs, is paid within the period of redemption, the treasurer of the district shall discharge the mortgage in the same manner as provided for discharge of real estate mortgages.

The cost to be paid by the owner of the real estate served is the sum of the fees for receiving, recording and indexing the lien, or its discharge, as established by the Maine Revised Statutes, Title 33, section 751, plus \$13 and all certified mail, return receipt requested fees.

The district shall pay the treasurer \$1 for filing the lien certificate and the amount paid for certified mail, return receipt requested fees. The fees for recording the lien certificate must be paid by the district to the Register of Deeds.

A discharge of the certificate given after the right of redemption has expired and that has been recorded in the Registry of Deeds for more than one year terminates all title of the sewer district derived from that certificate or any other recorded certificate for which the right of redemption expired 10 years or more prior to the foreclosure date of this discharge lien, unless the sewer district has conveyed any interest based upon the title acquired from any of the affected liens.

The treasurer of the district has full and complete authority and power to collect rates and fees established under section 19 or otherwise authorized by law. The treasurer may, after demand for payment, sue in the name of the district in a civil action in any court of competent jurisdiction for any rates remaining unpaid. In addition to other methods established by law for the collection of rates and without waiver of the right to sue for the collection of rates, the lien created under this section may be enforced in the following manner.

1. The treasurer may, after the expiration of 3 months and within one year after the date when the rates became due and payable, give to the owner of the real estate served, leave at the owner's last and usual place of abode or send by certified mail, return receipt requested, to the owner's last known address a notice in writing signed by the treasurer or bearing the treasurer's facsimile signature, stating the amount of the rates due, describing the real estate upon which the lien is claimed, stating that a lien is claimed on the real estate to secure the payment of the rates and demanding the payment of the rates within 30 days after service or mailing, with \$1 added to the demanded rate for the treasurer and an additional fee to cover mailing the notice by certified mail, return receipt requested.

The notice must contain a statement that the district is willing to arrange installment payments of the outstanding debt.

2. After the expiration of 30 days and within one year after giving notice pursuant to subsection 1, the treasurer of the district shall record in the Lincoln County Registry of Deeds a certificate signed by the treasurer setting forth the amount of the rates due, describing the real estate on which the lien is claimed and stating that a lien is claimed on the real estate to secure payment of the rates and that a notice and demand for payment has been given or made in accordance with this section and stating further that the rates remain unpaid. At the time of the recording of the certificate in the registry of deeds, the treasurer shall file in the office of the district a true copy of the certificate and shall mail a true copy of the certificate by certified mail, return receipt requested, to each record holder of any mortgage on the real estate, addressed to the record holder at the record holder's last and usual place of abode.

3. The filing of the certificate in the Lincoln County Registry of Deeds creates a mortgage held by the district on the real estate described in the certificate that has priority over all other mortgages, liens, attachments and encumbrances of any nature, except liens, attachments and claims for taxes, and gives to the district all the rights usually possessed by mortgagees, except that the district as mortgagee does not have any right to possession of that real estate until the right of redemption has expired.

4. If the mortgage created under subsection 3, together with interest and costs, has not been paid within 18 months after the date of filing the certificate in the Lincoln County Registry of Deeds in accordance with subsection 2, the mortgage is foreclosed and the right of redemption expires. The filing of the certificate in the registry of deeds is sufficient notice of the existence of the mortgage. In the event that the rate, with interest and costs, is paid within the period of redemption, the treasurer of the district shall discharge the mortgage in the same manner as provided for discharge of real estate mortgages.

5. The owner of the real estate shall pay the sum of the fees for receiving, recording and indexing the lien, or its discharge, as established by the Maine Revised Statutes, Title 33, section 751, plus \$13, plus all certified mail, return receipt requested, fees.

6. Not more than 45 days or less than 30 days before the foreclosing date of the mortgage created under subsection 3, the treasurer of the district shall notify the party named on the mortgage and each record holder of a mortgage on the real estate in a writing signed by the treasurer or bearing the treasurer's facsimile signature and left at the holder's last and usual place of abode or sent by certified mail, return receipt requested, to the holder's last known address of the

impending automatic foreclosure and indicating the exact date of foreclosure. For sending this notice, the district is entitled to receive \$3 plus all certified mail, return receipt requested, fees, which must be added to and become a part of the amount due under subsection 5. If notice is not given in the time period specified in this subsection, the person not receiving timely notice has up to 30 days after the treasurer provides notice as specified in this subsection in which to redeem the mortgage. The notice of impending automatic foreclosure must be substantially in the following form:

STATE OF MAINE

District Treasurer

7. The district shall pay the treasurer \$1 for the notice, \$1 for filing the lien certificate and the amount paid for certified mail, return receipt requested, fees. The fees for recording the lien certificate must be paid by the sewer district to the Lincoln County Registry of Deeds.

8. A discharge of the certificate given after the right of redemption has expired, which discharge has been recorded in the Lincoln County Registry of Deeds for more than one year, terminates all title of the sewer district derived from that certificate or any other recorded certificate for which the right of redemption expired 10 years or more prior to the foreclosure date of this discharge lien, unless the district has conveyed any interest based upon the title acquired from any of the affected liens.

9. The district has had and continues to have the authority to collect rates and fees in this manner without having to become a qualified sewer district under Title 38, section 1050, and all liens issued and record-

ed under the district's authority prior to and subsequent to the effective date of this subsection remain valid.

10. The district may waive a lien foreclosure in accordance with the Maine Revised Statutes, Title 38, section 1049.

Sec. 25-A. Landlord access to tenant bill payment information. Landlord access to information regarding the current status of a tenant's account is governed by the Maine Revised Statutes, Title 38, section 1051.

Sec. 26. Construction of this act; bylaws and regulations authorized; incidental powers and rights. This act shall be construed as authorizing a charge by said district for the use of sewers, sewer systems and treatment works in addition to any other assessments now lawfully imposed by general law. The trustees may adopt such rules and regulations and bylaws as may be necessary or convenient to carry out the provisions of this act. All incidental powers, rights and privileges necessary to the accomplishment of the main objects of this act as set forth herein are granted to said district; including the right of the trustees to determine when and where sewerage facilities are most needed, and when and how sewers shall be built.

Sec. 27. Existing statutes not affected; rights conferred subject to provisions of law. Nothing herein contained is intended to repeal or shall be construed as repealing the whole or any part of any existing statute, and all the rights and duties herein mentioned shall be exercised and performed in accordance with any applicable provisions of the ~~Revised Statutes of 1954, chapters 44 and 79 and any acts amendatory thereof or additional thereto~~ laws of the State of Maine.

Sec. 2. Referendum; effective date. This Act takes effect when approved only for the purpose of permitting its submission to the legal voters of the Boothbay Harbor Sewer District at an election called for that purpose and held by November 5, 2020. The election must be called, advertised and conducted according to the law relating to municipal elections, except that the registrar of voters is not required to prepare or the clerk to post a new list of voters. For the purpose of registration of voters, the registrar of voters must be in session the regular workday preceding the election. The subject matter of this Act is reduced to the following question:

"Do you favor adopting the 2019 revision of the Boothbay Harbor Sewer District charter?"

The voters shall indicate by a cross or check mark placed against the word "Yes" or "No" their opinion of the same.

The results must be declared by the municipal officers of the Town of Boothbay Harbor and the Town

of Boothbay and due certificate of the results filed by the clerk with the Secretary of State.

This Act takes effect for all other purposes immediately upon its approval by a majority of the legal voters voting at the election. Failure to achieve the necessary approval in any referendum does not prohibit subsequent referenda consistent with this section as long as the referenda are held within 2 years after the effective date of this Act.

Effective pending referendum.

CHAPTER 13

H.P. 1130 - L.D. 1568

An Act Authorizing the Deorganization of Magalloway Plantation

Be it enacted by the People of the State of Maine as follows:

PART A

Sec. A-1. Deorganization of Magalloway Plantation. Notwithstanding any contrary requirement of the Maine Revised Statutes, Title 30-A, chapter 302, if in accordance with Title 30-A, section 7207 a majority of the voters in Magalloway Plantation approve the deorganization procedure developed in accordance with Title 30-A, section 7205, the question of Magalloway Plantation's deorganization is approved by the registered voters of Magalloway Plantation pursuant to section 8 of this Part and Magalloway Plantation has executed a withdrawal agreement with Regional School Unit No. 78, Magalloway Plantation in Oxford County is deorganized, except that the corporate existence, powers, duties and liabilities of the plantation survive for the purposes of prosecuting and defending all pending suits to which the plantation is, or may be, a party and all needful process arising out of any suits, including provisions for the payment of all or any judgments or debts that may be rendered against the plantation or exist in favor of any creditor.

Sec. A-2. Financial obligations and other liabilities. Any financial obligations or other liabilities that were incurred by Magalloway Plantation as a municipality or that were incurred by Magalloway Plantation as a member of Regional School Unit No. 78 are hereby excepted and reserved in accordance with the Maine Revised Statutes, Title 30-A, section 7303 and remain liabilities for the inhabitants of lawful age residing in the territory included in the deorganized Magalloway Township for the duration of the liabilities. The State Tax Assessor shall assess taxes against the property owners in the deorganized Magalloway Township to provide funds to satisfy any municipal or educational obligations or other liabilities.

These financial obligations or other liabilities are not the responsibility of either the Department of Education or the taxpayers in the Unorganized Territory Tax District as described in Title 36, chapter 115.

Sec. A-3. Deorganization procedure. The deorganization of Magalloway Plantation must be conducted in accordance with the approved deorganization procedure for the plantation dated October 23, 2018 that was developed in accordance with the Maine Revised Statutes, Title 30-A, section 7205 and approved by a majority of the plantation's voters as required in Title 30-A, section 7207, subsection 2.

Sec. A-4. Unexpended school funds. The treasurer of Magalloway Plantation or any other person who has custody of the funds of the plantation shall pay the Treasurer of State all unexpended school funds that, together with the credits due the plantation for school purposes, are to be used by the State Tax Assessor to settle any school obligations incurred by the plantation before deorganization. The State Tax Assessor shall approve any written requests or invoices for payments and submit the approved documents to the fiscal administrator of the unorganized territory within the Office of the State Auditor to process through the Office of the State Controller. Any unexpended school funds remaining with the Treasurer of State after all the obligations have been met must be deposited to the Unorganized Territory Education and Services Fund, as established in the Maine Revised Statutes, Title 36, chapter 115.

Sec. A-5. Unexpended municipal funds and property. The treasurer of Magalloway Plantation or any other person who has custody of the funds of the plantation shall pay the Treasurer of State all unexpended funds of the plantation that, together with the credits due the plantation for its purposes, are to be used by the State Tax Assessor to settle any obligations of the plantation incurred by the plantation before deorganization. The State Tax Assessor shall approve any written requests or invoices for payments and shall submit the approved documents to the fiscal administrator of the unorganized territory within the Office of the State Auditor to process through the Office of the State Controller. Pursuant to the Maine Revised Statutes, Title 30-A, section 7304, at the end of the 5-year period during which the powers, duties and obligations relating to the affairs of the plantation are vested in the State Tax Assessor or when in the judgment of the State Tax Assessor final payment of all known obligations against the plantation has been made, any funds that have not been expended must be deposited with the county commissioners of Oxford County as undedicated revenue for the unorganized territory fund of Oxford County.

Any property of the plantation that has not been sold must be held by the State in trust for the unorganized territory or transferred to Oxford County to be

held in trust for the unorganized territory. Income from the use or sale of that property held by the State must be credited to or deposited in the Unorganized Territory Education and Services Fund under Title 36, chapter 115. Income from the use or sale of that property held by Oxford County must be credited to the unorganized territory fund of the county pursuant to Title 36, section 1604, subsection 4.

Sec. A-6. Provision of education services. Notwithstanding any other law, education in the unorganized territory of Magalloway Township must be provided under the direction of the Commissioner of Education as described in the Maine Revised Statutes, Title 20-A, chapter 119 and must meet the general standards for elementary and secondary schooling and special education established pursuant to Title 20-A. The provisions of subsections 1 to 5 must be implemented at the time of deorganization.

1. Students in prekindergarten and kindergarten to grade 5 whose parents or legal guardians are legal residents of the unorganized territory of Magalloway Township must be provided educational services at schools located within Regional School Unit No. 78. Transportation services to and from the designated schools must be provided under the direction of the Department of Education's division of state schools, education in the unorganized territory.

2. Students in grade 6 to grade 12 whose parents or legal guardians are legal residents of the unorganized territory of Magalloway Township must be provided educational services at schools located within Regional School Unit No. 78. Transportation services to and from the designated schools must be provided under the direction of the Department of Education's division of state schools, education in the unorganized territory.

3. CHAPTER 14

H.P. 1220 - L.D. 1708

An Act To Provide for the Merger of Hospital Administrative District No. 4 into MRH Corp., a Maine Nonprofit, Nonstock Private Corporation

Emergency preamble. Whereas, acts and resolves of the Legislature do not become effective until 90 days after adjournment unless enacted as emergencies; and

Whereas, the Legislature created Hospital Administrative District No. 4 by Private and Special Law 1973, chapter 76, in order to provide for the health, welfare and public benefit of the inhabitants of the district; and

Whereas, the district has determined that it is unable to continue to fulfill its purpose of providing for the health, welfare and public benefit of the inhabitants of the district unless it is affiliated with a strong, integrated health care system; and

Whereas, the district has decided that it would be in the best interest of the district to affiliate with Eastern Maine Healthcare Systems, doing business as Northern Light Health, because of its experience of successfully operating other critical access hospitals and the opportunity to create a network with other Eastern Maine Healthcare Systems' hospitals located in the Piscataquis region to continue and improve the delivery of high-quality health care to the inhabitants of the district and the entire Piscataquis region; and

Whereas, as authorized by the affirmative votes of their respective governing boards, the district and Eastern Maine Healthcare Systems have entered into an agreement and plan of merger dated March 19, 2019 setting forth the terms and conditions by which the district will merge into MRH Corp., a Maine nonprofit, nonstock private corporation having Eastern Maine Healthcare Systems as its sole member, as soon as reasonably practicable; and

Whereas, in advisory votes held during April 2019 at town meetings in 12 towns and at a town council meeting in one town comprising the district, 12 of the 13 towns, representing 97.4% of the population of the district, indicated their approval of the merger of the district; and

Whereas, it is in the public interest for the district to be able to merge into MRH Corp. as soon as practicable, as long as all conditions and the parties' respective obligations under the agreement and law are satisfied, to ensure the continuation of the provision for the health, welfare and public benefit of the inhabitants of the district; and

Whereas, in the judgment of the Legislature, this merger is in the public interest; and

Whereas, in the judgment of the Legislature, these facts create an emergency within the meaning of the Constitution of Maine and require the following legislation as immediately necessary for the preservation of the public peace, health and safety; now, therefore,

Be it enacted by the People of the State of Maine as follows:

Sec. 1. Merger of Hospital Administrative District No. 4 and Eastern Maine Healthcare Systems authorized. Notwithstanding any provision of Private and Special Law 1973, chapter 76, as amended, Hospital Administrative District No. 4, as created by Private and Special Law 1973, chapter 76, referred to in this Act as "the district," is authorized to merge into MRH Corp., a nonprofit, nonstock private corporation having Eastern Maine Healthcare Systems as its sole member.

The merger is subject to the following.

1. Notwithstanding any provision of Private and Special Law 1973, chapter 76, as amended, and the Maine Revised Statutes, Title 13-B, section 901, subsection 1, except for the vote of the directors that occurred on March 19, 2019 and the advisory vote of the town inhabitants in April 2019, no vote of the district, any towns in the district or the inhabitants of either the district or towns in the district is required to authorize the merger;

2. The merger may occur only if, upon the effective date of the merger, all indebtedness of the district is paid or adequate provision for the payment of that indebtedness is made by the assumption of indebtedness of the district by MRH Corp., by defeasance of any outstanding bonds of the district or otherwise;

3. The merger may occur only if, upon the effective date of the merger, the responsibilities for all obligations and liabilities of the district, including liability stemming from the merger and related actions of the district, are transferred, merged and vested in MRH Corp.;

4. The legal effect of the merger must be the same as if the district were a Maine nonprofit corporation organized pursuant to and governed by the Maine Nonprofit Corporation Act;

5. The merger may occur only if the certificate of need process as outlined in the Maine Revised Statutes, Title 22, chapter 103-A is successfully completed; and

6. MRH Corp. takes all endowment funds held by the district subject to any restrictions on use applicable to those funds.

Sec. 2. Effective date and effect of merger.

The merger takes effect after all of the conditions set forth in section 1 have been satisfied and all of the conditions set forth in the agreement and plan of merger dated March 19, 2019 have been satisfied or waived per the terms of the agreement and plan of merger and the articles of merger are filed with and accepted by the Secretary of State.

The following provisions apply on the effective date of the merger:

1. MRH Corp. is the single surviving corporation, Eastern Maine Healthcare Systems is MRH Corp.'s sole member and the district ceases to exist and operate;

2. MRH Corp. shall continue to serve the health care needs of the communities served by the district by offering a complement of clinical core services as described in the Section 6.7 and Schedule 6.7(a) of the merger agreement and plan of merger beginning on the effective date of the merger;

3. MRH Corp. has all the rights, privileges, immunities and powers and is subject to all of the duties and liabilities of a corporation organized under the Maine Revised Statutes, Title 13-B;

4. All property, whether real, personal or mixed, and all debts due on whatever account, and all other choses in action, and all other interest, of or belonging to or due to the district, are deemed to be transferred to and vested in MRH Corp. without further act or deed. The title to any real estate, or any interest therein, vested in the district may not revert or be in any way impaired by reason of the merger;

5. Governmental quasi-municipal rights, privileges and immunities of the district do not transfer, merge or otherwise vest in MRH Corp.; and

6. Mayo Regional Hospital is no longer a municipally funded hospital as specified in Title 36, section 2891, subsection 1-A.

Sec. 3. Repeal of Hospital Administrative District No. 4 charter.

After the articles of merger are filed with and accepted by the Secretary of State, the Secretary of State shall notify the Joint Standing Committee on State and Local Government of the merger. The joint standing committee shall introduce legislation to repeal Private and Special Law 1973, chapter 76 and amend the Maine Revised Statutes,

Title 36, section 2891, subsection 1-A to remove reference to Mayo Regional Hospital.

Sec. 4. Appropriations and allocations.

Sec. 1. Department of Health and Human Services; report. Resolved: That, on or before January 15, 2020, the Department of Health and Human Services, in consultation with the Department of Environmental Protection, shall submit a report to the Joint Standing Committee on Environment and Natural Resources that contains the following information:

1. A description of the time frame for adoption of rules pursuant to the Maine Revised Statutes, Title 22, section 42, subsections 3 and 3-B regarding minimum standards for septic system inspections and the qualifications and training required for certification as a septic system inspector by the Department of Health and Human Services and the time frame for implementation of a revised septic system inspector certification program consistent with those new rules following their adoption;

2. If available, an estimate of the number of individuals currently performing septic system inspections in the State, including an estimate of the total number of such individuals who have been certified by the Department of Health and Human Services under the current septic system inspector certification program, as well as an estimate of the number of septic system inspections that are performed in the State in any given calendar year;

3. An assessment by the Department of Health and Human Services of the ability of the State's septic system inspection industry to meet an increased demand for septic system inspections if the Legislature were to amend the Maine Revised Statutes, Title 30-A, section 4216 to require a person purchasing any property on which a septic system is located to have the system inspected prior to purchase, subject to the same exceptions currently included in section 4216. The assessment must, if applicable, include specific proposals to address any identified issues with the industry's ability to meet such increased demand; and

4. Recommendations regarding the need for increased resources or funding for the Department of Health and Human Services to address issues raised by the implementation by the department of a revised septic system inspector certification program described in subsection 1 or by the implementation by the Legislature of the proposal described in subsection 3, as well as any other recommendations relating to the

department's administration of the laws and rules regarding septic system inspections and certification of septic system inspectors.

After reviewing the report under this section, the committee may report out a bill related to the information contained in the report to the Second Regular Session of the 129th Legislature.

**Resolve, To Encourage the
Commissioner of Inland
Fisheries and Wildlife To
Establish a Youth Turkey
Hunting Day during the Fall
Season**

Sec. 1. Fall youth turkey hunting day. Resolved: That the Commissioner of Inland Fisheries and Wildlife shall consider establishing, pursuant to the Maine Revised Statutes, Title 12, section 11701, a special youth turkey hunting day during the fall season that will allow hunters with a valid junior hunting license to harvest wild turkey. If the commissioner establishes a fall youth turkey hunting day, the commissioner shall consider a day that would encourage participation, take place when there is minimal competition from other open hunting seasons and more likely result in a successful harvest. These factors must be weighed against what is necessary to best manage the wild turkey population.

CHAPTER 23
H.P. 446 - L.D. 618

Resolve, To Temporarily Remove Nighttime Restrictions on Lobster Fishing in a Certain Area in the Bay of Fundy

Emergency preamble. **Whereas**, acts and resolves of the Legislature do not become effective until 90 days after adjournment unless enacted as emergencies; and

Whereas, the current legal times for raising and hauling lobster traps are determined based upon sunrise and sunset; and

Whereas, the area described in this resolve is fished by Canadians, for whom commercial fishing is not subject to the same restrictions on the raising or hauling of lobster traps; and

Whereas, it is necessary that this resolve take effect by September 1, 2019 in order to take advantage of the fall harvest and in order to allow lobster license holders to fish efficiently and safely and on equal footing with other persons who fish commercially in the area; and

Whereas, in the judgment of the Legislature, these facts create an emergency within the meaning of the Constitution of Maine and require the following legislation as immediately necessary for the preservation of the public peace, health and safety; now, therefore, be it

Sec. 1. One-time exception. Resolved: That, notwithstanding the Maine Revised Statutes, Title 12, section 6440, subsection 1, the Commissioner of Marine Resources shall permit a person to raise or haul any lobster trap from September 1, 2019 through October 31, 2019 during any time of the day in an area in the Bay of Fundy referred to as the "gray zone" that encompasses approximately 210 square miles around Machias Seal Island where there are overlapping claims of sovereignty by the United States and Canada, if that person is authorized to fish in the lobster management zone in which the area described in this section is located. The commissioner shall adopt rules to define this area to ensure the boundaries of this area are clearly delineated. Rules adopted pursuant to this section regarding the boundaries of the area are routine technical rules as defined in Title 5, chapter 375, subchapter 2-A.

Sec. 2. Report. Resolved: That, by February 1, 2020, the Commissioner of Marine Resources shall submit a report to the Joint Standing Committee on Marine Resources describing the results associated with allowing lobster fishing in accordance with section 1. The commissioner may make recommendations to the committee regarding the continuation of this limited allowance. The committee may report out a bill based on the report to the Second Regular Session of the 129th Legislature.

Emergency clause. In view of the emergency cited in the preamble, this legislation takes effect when approved.

Effective May 8, 2019.

**Resolve, Regarding
Implementation and Funding
of E-9-1-1 Dispatch Protocols**

Sec. 1. Stakeholder group. Resolved: That the Public Utilities Commission, Emergency Services Communications Bureau shall convene a stakeholder group to develop recommendations regarding standardized dispatch protocol requirements and use of the E-9-1-1 fund to cover costs of emergency dispatch protocol implementation. The bureau shall invite, at a minimum, representatives of the Department of Public Safety, public safety answering points, dispatch centers that are not public safety answering points, chiefs of police, county sheriffs, fire chiefs, county commissioners, emergency medical service providers, dispatchers, the Maine Municipal Association, the Maine Emergency County Communications Association and the Maine Chapter of the National Emergency Number Association to participate in the stakeholder group. The stakeholder group shall examine and make recommendations regarding:

1. The use of funds available in the E-9-1-1 fund to cover costs associated with the adoption and implementation of standardized dispatch protocols and related requirements, with attention to efficient and effective use of funds and providing relief to local taxpayers;
2. Issues identified by stakeholders related to the adoption and implementation of standardized dispatch protocols for fire 9-1-1 calls and medical 9-1-1 calls, with consideration of staffing, training, funding, quality assurance, dispatch response time and effectiveness of emergency services; and
3. Potential future implementation of standardized dispatch protocols for police 9-1-1 calls on a mandatory or voluntary basis.

Sec. 2. Report. Resolved: That, no later than November 1, 2019, the Public Utilities Commission, Emergency Services Communication Bureau shall submit a report on the work of the stakeholder group established in section 1 to the Joint Standing Committee on Energy, Utilities and Technology. The report must include the recommendations of the stakeholder group regarding the issues identified in section 1, along with an outline of changes to law or rule necessary to implement those recommendations. The committee may report out a bill to the Second Regular Session of the 129th Legislature related to the report.

CHAPTER 26**H.P. 632 - L.D. 858****Resolve, Directing the Department of Education To Study and Make Recommendations Relating to School Safety and Security**

Sec. 1. Study establishment of a Maine School Safety Center. Resolved: That the Department of Education shall study and make recommendations relating to school safety and security, including, but not limited to, planning to mitigate the potential risks associated with opening school facilities to the public when a school is used as a polling place and the establishment of a Maine School Safety Center based on a report created by Safe Havens International pursuant to Resolve 2013, chapter 76, the top recommendation of which was the establishment of such a center, as detailed in the Safe Havens International report entitled "Excerpts from the School Security Reports Submitted to the Maine Department of Education January, 2014." The department shall submit a preliminary report regarding the study with initial findings to the Joint Standing Committee on Education and Cultural Affairs by December 15, 2019 and shall submit a final report, including its recommendations relating to school safety and security and any suggest-

ed legislation, to the joint standing committee of the Legislature having jurisdiction over education matters by December 15, 2020. The joint standing committee may submit a bill to the First Regular Session of the 130th Legislature.

CHAPTER 27**H.P. 205 - L.D. 281****Resolve, Regarding Legislative Review of Portions of Chapter 692: Siting of Oil Storage Facilities, a Major Substantive Rule of the Department of Environmental Protection**

Emergency preamble. Whereas, acts and resolves of the Legislature do not become effective until 90 days after adjournment unless enacted as emergencies; and

Whereas, the Maine Revised Statutes, Title 5, chapter 375, subchapter 2-A requires legislative authorization before major substantive agency rules may be finally adopted by the agency; and

Whereas, a major substantive rule has been submitted to the Legislature for review; and

Whereas, immediate enactment of this resolve is necessary to record the Legislature's position on final adoption of the rule; and

Whereas, in the judgment of the Legislature, these facts create an emergency within the meaning of the Constitution of Maine and require the following legislation as immediately necessary for the preservation of the public peace, health and safety; now, therefore, be it

Sec. 1. Adoption. Resolved: That final adoption of portions of Chapter 692: Siting of Oil Storage Facilities, a provisionally adopted major substantive rule of the Department of Environmental Protection that has been submitted to the Legislature for review pursuant to the Maine Revised Statutes, Title 5, chapter 375, subchapter 2-A, is authorized only if the following changes are made:

1. The rule must be amended in section 2(U) to delete the definition for "same property";

2. The rule must be amended in section 3 to clarify that for the purpose of section 3(A)(2) and section 3(A)(3), the oil storage facility owner is required to notify the local public water utility or other community public water provider, if any, of the owner's expansion or conversion intentions prior to the installation of any tanks;

3. The rule must be amended in sections 3(A)(2), 3(A)(3), 4(A)(2) and 4(A)(3) to remove language authorizing the expansion of an underground or above-ground oil storage facility on parcels contiguous to the facility;

4. The rule must be amended in sections 3(A)(2) and 3(A)(3) to remove language clarifying that fill pipes for product delivery to tanks and the loading and unloading area of bulk plants or other distribution facilities where oil is transferred to tank trucks or railroad cars may not be located closer to private or public drinking water wells than their location prior to the expansion;

5. The rule must be amended in section 3(B) to provide that the Commissioner of Environmental Protection may require an applicant for a variance to provide additional information to be used in making the variance determination;

6. The rule must be amended in section 4(C)(1) to clarify that the Commissioner of Environmental Protection may grant a variance for a proposed facility located on a polluted significant sand and gravel aquifer or other significant sand and gravel aquifer with low potential for use if the proposed facility is located in an urban area of dense commercial or industrial land uses or an area where a public water supply well is unlikely in the foreseeable future and a public drinking water system serves all drinking water users within 1,000 feet of the proposed facility;

7. The rule must be amended in section 4(C)(1) to remove language authorizing the Commissioner of Environmental Protection to grant a variance for a proposed facility located on a polluted significant sand and gravel aquifer or other significant sand and gravel aquifer with low potential for use if the proposed facility is located in an area where a public water supply well is zoned by a municipality specifically for commercial or industrial land uses;

8. The rule must be amended in section 4(D)(1) to provide that the Commissioner of Environmental Protection may require a hydrogeologic evaluation when a proposed facility is located in an area identified by the Department of Environmental Protection as an area with a high likelihood of containing an unmapped, high yield significant sand and gravel aquifer, including, but not limited to, an aquifer associated with a surface water body or containing deep glacial drift deposits or an area with a high likelihood of being used for a public water supply or the expansion of an existing public water utility. This determination must be made based on readily available information and best professional judgment and with input from the local public water utility, if any;

9. The rule must be amended in section 4(E)(4) to clarify the variance requirement that the applicant submit a letter from the municipality in which the pro-

posed facility is located stating that the facility is needed within the community and that the specific location is acceptable to the municipality and to the local public water utility, if any;

10. The rule must be amended in section 4(F) to delete the cross-reference to section 3(B);

11. All necessary grammatical, formatting, punctuation or other technical nonsubstantive editing changes must be made to the rule; and

12. All other necessary changes must be made to the rule to ensure conformity throughout the rule and consistency with the provisions of this section.

The Department of Environmental Protection is not required to hold hearings or undertake further proceedings prior to final adoption of the rule in accordance with this section.

Emergency clause. In view of the emergency cited in the preamble, this legislation takes effect when approved.

Effective May 16, 2019.

CHAPTER 28

H.P. 726 - L.D. 971

Resolve, To Establish a Specialty Crops Certification Cost-share Pilot Program

Emergency preamble. Whereas, acts and resolves of the Legislature do not become effective until 90 days after adjournment unless enacted as emergencies; and

Whereas, the Commissioner of Agriculture, Conservation and Forestry stands ready to establish immediately a specialty crops certification cost-share pilot program for qualified farms to certify their crops under the "Good Agricultural Practices" and "Good Handling Practices" voluntary audit programs under the United States Department of Agriculture, Agricultural Marketing Service; and

Whereas, as implementation of the federal Food Safety Modernization Act progresses, there is an increasing interest among growers of specialty crops in voluntary audit programs; and

Whereas, these voluntary audit programs are among the best tools available to growers and distributors of specialty crops to ensure a base level of sanitation and food safety; and

Whereas, in the judgment of the Legislature, these facts create an emergency within the meaning of the Constitution of Maine and require the following legislation as immediately necessary for the preserva-

tion of the public peace, health and safety; now, therefore, be it

Sec. 1. Establishment of a specialty crops certification cost-share pilot program. Resolved: That the Commissioner of Agriculture, Conservation and Forestry shall establish a specialty crops certification cost-share pilot program, referred to in this resolve as "the pilot program" for a period of 4 years. Under the program, qualified farms may be entitled to reimbursement of up to 50% of the cost of certification of specialty crops under the "Good Agricultural Practices" and "Good Handling Practices" voluntary audit programs under the United States Department of Agriculture, Agricultural Marketing Service. "Specialty crops" means qualifying fruits and vegetables, tree nuts, dried fruits and horticulture and nursery crops, including floriculture;

Sec. 2. Reimbursement. Resolved: That reimbursement of funds under the pilot program is for initial one-time payment and may not be more than \$500 per qualified farm;

Sec. 3. Report. Resolved: That the Commissioner of Agriculture, Conservation and Forestry shall monitor the pilot program and report findings and recommendations to the joint standing committee having jurisdiction over agricultural matters no later than December 15, 2023. The joint standing committee having jurisdiction over agricultural matters may submit a bill to the Second Regular Session of the 131st Legislature relating to the subject matter of the report.

Emergency clause. In view of the emergency cited in the preamble, this legislation takes effect when approved.

Effective May 16, 2019.

CHAPTER 29

H.P. 472 - L.D. 651

Resolve, To Facilitate School Access to Federal Title I Funds and Improve the Delivery of Special Education Services

Sec. 1. Delivery of special education services. Resolved: That the Department of Education, no later than January 1, 2020, shall report to the Joint Standing Committee on Education and Cultural Affairs on the progress, including recommendations and suggested legislation, on the following current projects, which were recommendations of the Task Force To Identify Special Education Cost Drivers and Innovative Approaches to Services during the 128th Legislature:

1. Enhancement of response to intervention to become an all-encompassing multitiered system of

support in all school administrative units and removing the regulations on general education interventions from Department of Education rule Chapter 101: Maine Unified Special Education Regulation Birth to Age Twenty and amending rule Chapter 125: Basic Approval Standards: Public Schools and School Administrative Units to include regulations on general education interventions;

2. Facilitation of the process by which schools apply for schoolwide status with respect to funds under Title I of the federal Elementary and Secondary Education Act of 1965;

3. Increased use of dual certification programs for general education and special education certification;

4. Review of the maintenance of effort funding component of the essential programs and services funding formula under the Maine Revised Statutes, Title 20-A, section 15681-A, subsection 2, paragraph D; and

5. Improvement of regional programs that facilitate MaineCare billing for medically necessary services for schools.

The Joint Standing Committee on Education and Cultural Affairs may report out a bill to the Second Regular Session of the 129th Legislature to implement any recommendations in the report.

See title page for effective date.

CHAPTER 30

H.P. 479 - L.D. 658

Resolve, To Increase Energy Independence for Maine

Sec. 1. Energy planning. Resolved: That the Governor's Energy Office shall, as a complement to the State's overall interagency and regional planning goals and in coordination with development of the state energy plan prepared pursuant to Title 2, section 9, subsection 3, paragraph C or other planning initiatives, conduct an analysis for at least one scenario through which the State, by 2030, can become a net exporter of energy through the development and expansion of energy generating capacity within the boundaries of the State and its coastal waters, energy conservation and energy efficiency at levels sufficient to offset the total value of the State's domestic energy consumption across all sectors. This analysis must identify economic benefits to the State from becoming a net exporter and policies that would be necessary to achieve this outcome.

Sec. 2. Report. Resolved: That the Governor's Energy Office shall provide a report on progress regarding the state energy plan and the analysis re-

quired under section 1, along with any recommended policy initiatives, to the Joint Standing Committee on Energy, Utilities and Technology by December 31, 2019.

See title page for effective date.

CHAPTER 31

H.P. 752 - L.D. 1010

Resolve, Directing the Department of Education To Develop a Model School Disciplinary Policy

Sec. 1. Model school disciplinary policy. Resolved: That the Department of Education shall develop a model school disciplinary policy to effectuate the policies in the Maine Revised Statutes, Title 20-A, section 1001, subsection 15-A, including, but not limited to, policies that focus on positive and restorative interventions designed to strengthen relationships, improve the connection to school and promote a strong sense of accountability. The model policy must also promote interventions designed to close economic, disability-related, gender and racial gaps. The department shall provide assistance to school administrators, superintendents and school boards to implement the model school disciplinary policy.

Sec. 2. Report. Resolved: That the Department of Education, in developing a model school disciplinary policy under section 1, shall review existing law regarding disciplinary policies, including but not limited to policies on bullying and cyberbullying, and report back to the Joint Standing Committee on Education and Cultural Affairs on any recommended legislation no later than January 15, 2020. The Joint Standing Committee on Education and Cultural Affairs may report out a bill to the Second Regular Session of the 129th Legislature to implement the recommendations on school disciplinary policies.

See title page for effective date.

CHAPTER 32

H.P. 848 - L.D. 1159

Resolve, To End Hunger in Maine by 2030

Preamble. Whereas, the Legislature finds that, for the economic and social well-being of the people of the State, all people must be free from hunger, food insecurity, malnutrition, starvation or endangerment of life from scarcity of or lack of access to nourishing and culturally appropriate food; and

Whereas, the human, social and economic costs of hunger, food insecurity and malnutrition to the State are enormous and far reaching, leading to lost productivity, health-related problems, reduced well-being, decreased learning ability, reduced fulfilment of human potential and social and political unrest that undermines development efforts; and

Whereas, one in 4 children in Maine goes to bed hungry every night, 37% of the Maine people who face hunger, food insecurity or malnutrition do not qualify for any public assistance and Maine ranks first in New England and 9th in the nation for food insecurity; and

Whereas, many emergency food relief sites in the State regularly lack fresh fruits and vegetables and other nutrient-dense foods for residents struggling with hunger, food insecurity or malnutrition; and

Whereas, for the consumer, producer and the environment, the cost of food produced by and for the global industrial food system has risen in the last decade; and

Whereas, 90% of the food Maine people consume is imported from elsewhere; and

Whereas, Maine has all the natural resources and hard-working, self-reliant people to grow, catch, harvest and process enough food to reduce imports and provide the people of the State with a diet based more on Maine-produced foods and yet state food policy to date has not significantly reduced hunger, food insecurity or malnutrition for the people of the State; now, therefore, be it

Sec. 1. Plan to eliminate hunger, food insecurity and malnutrition in the State. Resolved: That the Department of Agriculture, Conservation and Forestry, in consultation and collaboration with interested parties and stakeholders, including, but not limited to, statewide and community-based advocacy and emergency food relief organizations and nonprofit organizations, financial institutions, private foundations, interfaith religious councils, farmers, persons who fish commercially, food producers, state and local granges, civic organizations, regional, local and community food policy councils and people who struggle with hunger, food insecurity or malnutrition, shall collaborate with the Department of Marine Resources, the Department of Inland Fisheries and Wildlife, the Department of Health and Human Services, the Department of Labor, the Department of Economic and Community Development, the Department of Education, the Department of Defense, Veterans and Emergency Management, Bureau of Maine Veterans' Services and the University of Maine Cooperative Extension to develop a comprehensive strategic plan to eliminate hunger in the State by 2030. The strategic plan designed under this resolve must at least:

1. Use existing programs, staff and resources to the extent possible;

2. Define and articulate the scope of the food and nutrition situation in the State, including accurate data and information related to the contribution of relevant sectors on nutrition, food consumption and production, food distribution systems, household incomes and other relevant demographic data, in order to address the multiple dimensions of hunger, food insecurity and malnutrition;

3. Include any recommendations of legislative commissions, task forces, working groups or studies on ending hunger for any targeted population that will prove effective for the general population;

4. Determine any disproportionate impact of hunger, food insecurity or malnutrition on people living in food deserts across the State and include proposals to close those gaps more quickly as the State moves toward eradicating hunger;

5. Determine the barriers to access to healthy and culturally appropriate food and include proposals to eliminate those barriers for persons who struggle with intergenerational hunger, food insecurity or malnutrition and for persons who struggle with intermittent hunger, food insecurity or malnutrition;

6. Balance supply-side policies and solutions such as increasing agricultural productivity and accessing markets, investing in family farms, small-scale fisheries and forestry and fostering governance of land tenure and natural resources with policies and solutions that promote food self-sufficiency, including hunting, foraging and the policies outlined in the Maine Revised Statutes, Title 7, section 219;

7. Establish benchmarks and measurable outcomes based on sound evidence and analysis to monitor progress, assess impacts and interpret outcomes in order to ensure that actions bring the State closer to eradicating hunger, food insecurity and malnutrition by 2030; and

8. Identify and propose adequate resource allocation in order to translate policies, programs and legislation into concrete action.

Sec. 2. Initial design commencement. Resolved: That, no later than 30 days after the effective date of this resolve, the Department of Agriculture, Conservation and Forestry shall begin inviting interested parties, stakeholders and the departments outlined under section 1 to convene the first planning session.

Sec. 3. Initial design report. Resolved: That, by February 10, 2020, the Department of Agriculture, Conservation and Forestry shall submit a report to the Joint Standing Committee on Agriculture, Conservation and Forestry detailing the initial design for the plan under section 1. The committee is author-

ized to submit legislation based on the report to the Second Regular Session of the 129th Legislature.

See title page for effective date.

CHAPTER 33

H.P. 909 - L.D. 1248

Resolve, To Direct the ConnectME Authority To Report on the Progress of the Detailed 2019-2021 Strategic Plan for Broadband Service in Maine

Sec. 1. Direction to report. Resolved: That in 2020, 2021 and 2022 the ConnectME Authority established under the Maine Revised Statutes, Title 35-A, section 9203 shall include in its annual report due January 15th to the joint standing committee of the Legislature having jurisdiction over energy, utilities and technology matters, as required under Title 35-A, section 9208, information outlining the progress of the authority in meeting the goals of its Detailed 2019-2021 Strategic Plan for Broadband Service in Maine developed pursuant to Title 35-A, section 9218, including but not limited to an explanation of the measures that the authority has taken to:

1. Build partnerships with private businesses and state, county and municipal planning organizations, including but not limited to regional transportation planning authorities; and

2. Coordinate and communicate with the Department of Transportation in order to facilitate the installation of broadband infrastructure along roadways.

CHAPTER 34

H.P. 595 - L.D. 821

Resolve, To Review Case Loads for Child Welfare Caseworkers

Emergency preamble. Whereas, acts and resolves of the Legislature do not become effective until 90 days after adjournment unless enacted as emergencies; and

Whereas, child welfare caseworkers need sufficient time to focus on each child welfare case to ensure timely and thorough investigations of abuse and neglect and to keep children safe; and

Whereas, the Department of Health and Human Services must begin a review of child welfare case loads immediately; and

Whereas, in the judgment of the Legislature, these facts create an emergency within the meaning of the Constitution of Maine and require the following legislation as immediately necessary for the preservation of the public peace, health and safety; now, therefore, be it

Sec. 1. Department of Health and Human Services to review case load standards. Resolved: That the Department of Health and Human Services shall review case load standards for child welfare caseworkers and develop standard case load recommendations with input from child welfare caseworkers and the Public Consulting Group contracted by the department under contract number CBH-19-9000. The department shall submit an initial report with its findings and recommendations on staffing in the department's child welfare program in relation to the standard case load recommendations no later than October 1, 2019 and subsequent annual reports by January 31st of each year beginning in 2020 and ending in 2030 to the joint standing committee of the Legislature having jurisdiction over health and human services matters and the joint legislative committee established to oversee program evaluation and government accountability matters.

Emergency clause. In view of the emergency cited in the preamble, this resolve takes effect when approved.

Effective May 21, 2019.

Resolve, To Direct the Commissioner of Inland Fisheries and Wildlife To Study Registration Fees for All-terrain Vehicles and Snowmobiles

Sec. 1. Registration fees for all-terrain vehicles and snowmobiles. Resolved: That the Commissioner of Inland Fisheries and Wildlife shall, in consultation with interested parties, review the registration fees in the Maine Revised Statutes, Title 12, section 13104, subsection 4 and section 13155, subsection 5 to determine if there are alternatives to the current fee structure. In considering alternatives, the commissioner shall also consider how any change may affect revenues. The commissioner shall submit a report to the Joint Standing Committee on Inland Fisheries and Wildlife by February 1, 2020 detailing the alternatives that were considered and the possible ef-

fects on revenue that these alternatives may have. The report must include recommendations regarding registration fees for all-terrain vehicles and snowmobiles and a list of interested parties that participated in any discussions on this topic. The committee may report out a bill to the Second Regular Session of the 129th Legislature based on the report.

CHAPTER 37

H.P. 746 - L.D. 1004

Resolve, To Direct the Department of Administrative and Financial Services To Study the Costs and Benefits of Telework to the State and Its Employees

Preamble. Whereas, the Legislature finds that permitting state employees to telework is likely to reduce carbon emissions in the State by eliminating or substantially reducing the physical commutes to and from state employees' usual work sites; and

Whereas, the Legislature finds that permitting state employees to telework will have benefits and costs for the State and its employees; and

Whereas, the Legislature desires more information on the costs and benefits to the State and its employees; now, therefore, be it

Sec. 1. Department of Administrative and Financial Services directed to study telework for state employees. Resolved: That the Department of Administrative and Financial Services, referred to in this resolve as "the department," shall study the costs and benefits of telework to the State and its employees. For purposes of this resolve, "telework" means a flexible work arrangement under which an employee performs the duties and responsibilities of the employee's position from a location other than an office or location provided by the employer.

Sec. 2. Scope of study. Resolved: That the department in conducting the study under section 1 shall:

1. Review all executive branch positions, by agency, and identify those positions for which presence in a specific location on a regular basis is not an essential component of the position;

2. For those positions identified under subsection 1, identify the total number of employees and the number of employees by position and by agency;

3. Survey all employees in positions identified under subsection 1 to determine the total weekly mileage of those employees;

4. Survey all employees in positions identified under subsection 1 to determine the total number of employees interested in telework and the number of those employees by position and agency;

5. Evaluate the potential effects of telework on the executive branch and its employees on matters such as:

- a. Employee productivity;
- b. Office or workspace required that is provided by the executive branch;
- c. Use of state fleet vehicles;
- d. Employee health and morale;
- e. Employee retention;
- f. Size of the applicant pool;
- g. Supervisory interactions and effectiveness;
- h. Communications among supervisory and other employees;
- i. Security and confidentiality concerns;
- j. Workers' compensation liability; and
- k. Access to services by the public;

6. Assess lessons learned from the experience of other states or large employers with telework;

7. Identify and evaluate key obstacles to the implementation of telework;

8. Estimate savings achieved or costs incurred and the overall net impact of telework; and

9. Evaluate the potential and develop a timeline for a telework pilot program.

Sec. 3. Reporting date. Resolved: That the department shall report its findings from the study under section 1, including recommendations and recommended legislation, to the joint standing committee of the Legislature having jurisdiction over state and local government matters by October 1, 2020. The joint standing committee is authorized to submit a bill to the First Regular Session of the 130th Legislature related to the subject matter of the report.

Resolve, Regarding Legislative Review of Portions of Chapter 101: MaineCare Benefits Manual, Chapter III, Section 28: Allowances for Rehabilitative and Community Support Services for Children with Cognitive Impairments and Functional Limitations, a Late-filed Major Substantive Rule of the Department of Health and Human Services

Emergency preamble. **Whereas**, acts and resolves of the Legislature do not become effective until 90 days after adjournment unless enacted as emergencies; and

Whereas, the Maine Revised Statutes, Title 5, chapter 375, subchapter 2-A requires legislative au-

thorization before major substantive agency rules may be finally adopted by the agency; and

Whereas, a major substantive rule has been submitted to the Legislature outside the legislative rule acceptance period; and

Whereas, immediate enactment of this resolve is necessary to record the Legislature's position on final adoption of the rule; and

Whereas, in the judgment of the Legislature, these facts create an emergency within the meaning of the Constitution of Maine and require the following legislation as immediately necessary for the preservation of the public peace, health and safety; now, therefore, be it

Sec. 1. Adoption. Resolved: That final adoption of portions of Chapter 101: MaineCare Benefits Manual, Chapter III, Section 28: Allowances for Rehabilitative and Community Support Services for Children with Cognitive Impairments and Functional Limitations, a provisionally adopted major substantive rule of the Department of Health and Human Services that has been submitted to the Legislature for review pursuant to the Maine Revised Statutes, Title 5, chapter 375, subchapter 2-A outside the legislative rule acceptance period, is authorized.

Emergency clause. In view of the emergency cited in the preamble, this legislation takes effect when approved.

Effective May 30, 2019.

CHAPTER 41
H.P. 570 - L.D. 765

Resolve, To Review Asset Limits for Social Service Programs

Sec. 1. Department of Health and Human Services to examine asset limits. Resolved: That the Department of Health and Human Services shall convene a stakeholder group to examine the asset limits for eligibility that are applied to the elderly low-cost drug program pursuant to the Maine Revised Statutes, Title 22, section 254-D, the Medicare savings program established in department Rule Chapter 332, the Temporary Assistance for Needy Families program under Title 22, chapter 1053-B and the statewide food supplement program established in Title 22, section 3104 and under department Rule Chapter 301. The department and stakeholder group shall examine asset limits to determine if they meet the appropriate missions of the programs or present barriers and shall determine compliance with federal laws and guidelines. The department shall submit a report, no later than December 1, 2019, to the Joint Standing Committee on

Health and Human Services with its findings, legislative recommendations and any rulemaking activities related to asset limits. The committee is authorized to report out legislation relating to the report in the Second Regular Session of the 129th Legislature.

See title page for effective date.

CHAPTER 42

H.P. 1041 - L.D. 1431

Resolve, To Support Municipal Recycling Programs

Sec. 1. Development of product stewardship law for packaging. Resolved: That the Department of Environmental Protection shall develop legislation establishing an extended producer responsibility law for packaging in the State. The proposed legislation must, to the greatest extent practicable, adhere to the product stewardship framework law established in the Maine Revised Statutes, Title 38, chapter 18 and must include, but is not limited to:

1. A definition of "packaging" that covers, at a minimum, materials used to wrap or protect consumer goods, including food and personal care products, and containers and packaging used in the shipping, storage, protection and marketing of consumer products;

2. A definition of "producer" that clearly identifies the person ultimately financially responsible;

3. Exemptions for small producers and for product packaging that is already covered under Maine's beverage container redemption law;

4. An allowance for producers to voluntarily participate in the program if not required by the law;

5. Provisions for the establishment of a nonprofit stewardship organization of producers of packaging to support the State's municipal solid waste management programs. The agreement establishing the stewardship organization must require producers to:

A. Cover at least 80% of the cost of recycling packaging material sold in the State that is not readily recyclable;

B. Provide per capita reimbursement payments to municipalities for nonrecyclable packaging to help municipalities cover the cost of packaging needing disposal; and

C. Invest in waste reduction and recycling education and infrastructure;

6. A requirement that the stewardship organization establish an equitable funding scheme among covered producers that encourages better packaging design in which:

A. Producers pay higher fees for packaging materials sold into the market that are not readily recyclable, are made of multiple materials or are toxic, in order to discourage the creation of materials needing disposal; and

B. Producers pay lower fees for packaging materials sold into the market that are of higher value reusable components and that contain higher percentages of recycled content to ensure that the stewardship program supports a strong recycling economy;

7. A description of the preferred methods to be used for regular data collection and reporting and recycling rate and contamination calculations in order that:

A. There is transparency and accountability in assessing the success of the program;

B. The costs of collecting and reporting data are paid for by the stewardship organization; and

C. There is consistency with internationally accepted standards and there is sufficient information to evaluate the effectiveness of the program;

8. Creation of incentives for municipalities and producers to reach predetermined performance goals based on reporting and data collection as described in subsection 7; and

9. Establishment of a method by which producers can protect themselves against producers that fail to register with a program. These methods may include private right of action, requirements that online retailers of packaging be responsible for paying into a fund in support of the program if the products they sell are from producers who are not part of the stewardship program or other strategies that ensure fairness and full compliance.

Sec. 2. Proposed legislation. Resolved: That the Department of Environmental Protection shall submit proposed legislation pursuant to section 1 to the Joint Standing Committee on Environment and Natural Resources no later than December 16, 2019. The joint standing committee is authorized to report out a bill relating to the proposal to the Second Regular Session of the 129th Legislature.

See title page for effective date.

CHAPTER 53

H.P. 689 - L.D. 934

Resolve, To Review the Implementation of the Maine Background Check Center Act

Sec. 1. Background check system study.

Resolved: That the Commissioner of Health and Human Services shall convene a study group consisting of representatives of child care facilities, child placing agencies, children's residential care facilities, family child care providers, nursery schools, hospice providers, home health care providers, nursing facilities, personal care agencies and placement agencies, temporary nurse agencies, adult day care programs, assisted housing programs, residential care facilities, intermediate care facilities for individuals with intellectual disabilities, mental health services facilities and providers, drug treatment centers and other interested stakeholders to assess the effects of the implementation of the system of background checks established by the Maine Background Check Center Act. In conducting the assessment, the study group shall consider:

1. A cost and comprehensiveness comparison to background check systems in other states to determine the efficiency of the background check system used in this State;
2. Any instances of discrimination within the waiver process;
3. Ways to allow for the portability of a background check so that it can travel with an employee from one job to another within a 5-year time frame;
4. The necessity of subjecting to the background check system current employees who had been subject to a background check within the previous 5 years; and
5. Any barriers to implementing all required background checks under one background check system.

Sec. 2. Report. Resolved: That the study group convened pursuant to section 1 shall develop recommendations regarding improvements to the background check system and possible alternatives and options for greater cost-effectiveness. The Commissioner of Health and Human Services shall submit a report regarding the study group's recommendations, including any recommended legislation, to the Joint

Standing Committee on Health and Human Services no later than December 15, 2019. The committee may submit legislation based on the report to the Second Regular Session of the 129th Legislature.

CHAPTER 55

H.P. 953 - L.D. 1318

Resolve, To Increase Access to Housing-related Support Services

Sec. 1. Department of Health and Human Services to examine housing-related services available under a Medicaid waiver. Resolved:

That the Department of Health and Human Services shall examine opportunities available pursuant to a home and community-based services waiver available from the United States Department of Health and Human Services, Centers for Medicare and Medicaid Services, including but not limited to a Medicaid 1915(i) state plan amendment, to provide housing-related services to persons experiencing chronic homelessness who have mental health or substance use disorders and other vulnerable populations, including, but not limited to, individuals with disabilities and older

adults needing long-term services. For purposes of this section, "housing-related services" means assistance in securing housing and tenancy sustaining and community transition services.

Sec. 2. Collaboration with Maine State Housing Authority; stakeholder involvement. Resolved: That the Department of Health and Human Services shall collaborate with the Maine State Housing Authority to determine how existing Maine State Housing Authority resources may be leveraged more effectively to address the housing needs of persons experiencing chronic homelessness who have mental health or substance use disorders and other vulnerable populations, including, but not limited to, individuals with disabilities and older adults needing long-term services.

In performing the review under this section, the department shall examine relevant data and evidence-based practices and solicit input from stakeholders, including those providing housing-related services to persons experiencing chronic homelessness who have mental health or substance use disorders and other vulnerable populations, including, but not limited to, individuals with disabilities and older adults needing long-term service; advocates for persons experiencing homelessness or for other vulnerable populations; and other stakeholders who provide legal, health or other social services to persons experiencing homelessness or to other vulnerable populations.

Sec. 3. Report. Resolved: That no later than February 1, 2020 the Department of Health and Human Services shall submit a report and recommendations developed pursuant to this resolve, including any suggested legislation, to the Joint Standing Committee on Health and Human Services. The committee may report out a bill to implement the recommendations if necessary.

CHAPTER 57

H.P. 1016 - L.D. 1401

Resolve, To Study Transmission Solutions To Enable Renewable Energy Investment in the State

Sec. 1. Renewable energy investment; stakeholder group. Resolved: That the Governor's Energy Office shall convene a stakeholder group to address transmission system needs and funding strategies to support renewable energy investment in the State. The stakeholder group, at a minimum, shall examine and make recommendations regarding:

1. Current constraints and barriers in the state and regional transmission systems that impede planning for and realizing increased renewable energy development and integration in the State and the impact of these current system limitations on existing renewable energy resources, including the ability to qualify for the sale of energy and capacity in the regional wholesale energy markets. The stakeholder group shall make recommendations for improving the capability of the in-state transmission system to meet in-state demand and to export excess supply for the purposes of optimizing existing renewable energy resources and promoting in-state and regional system reliability;

2. Transmission infrastructure investment solutions and system improvements to realize different renewable energy development scenarios. The stakeholder group shall examine a minimum of 4 different renewable energy development scenarios that vary by total generation capacity, resource type and site location, taking into consideration the impact on siting and ratepayers and the relative benefits of different scenarios for energy consumers, transmission costs, existing

generators, developers of new renewable energy resources and the environment;

3. Opportunities for regional coordination to advance transmission solutions to support new renewable energy resource development in the State, including deployment of new renewable energy resources capable of providing system reliability benefits to the State and the region, with consideration of publicly available data and studies available from ISO New England, Inc.; and

4. Potential funding sources and strategies, including bonding and public-private partnerships, for renewable energy development.

The office shall invite to participate in the stakeholder group, at a minimum, a representative of: the Public Utilities Commission; the Office of the Public Advocate; ISO New England, Inc.; investor-owned transmission and distribution utilities; consumer-owned transmission and distribution utilities; a statewide renewable energy association; a statewide environmental organization; a statewide construction industry trade association; community-scale renewable energy developers; grid-scale renewable energy developers; existing renewable energy resource generators; large industrial electricity consumers; and low-income electricity consumers.

Sec. 2. Report. Resolved: That, no later than December 15, 2019, the Governor's Energy Office shall provide a report on the work of the stakeholder group to the Joint Standing Committee on Energy, Utilities and Technology. The report must include the findings and recommendations of the stakeholder group regarding the issues listed in section 1 and identify changes to law necessary to implement the recommendations. The committee may report out a bill to the Second Regular Session of the 129th Legislature related to the report.

See title page for effective date.

Resolve, To Continue until August 3, 2019 Limited-period Positions Expiring in June 2019

Emergency preamble. Whereas, acts and resolves of the Legislature do not become effective until 90 days after adjournment unless enacted as emergencies; and

Whereas, certain positions in State Government are scheduled to expire prior to July 1, 2019, which is prior to the end of the 90-day period; and

Whereas, in the judgment of the Legislature, these facts create an emergency within the meaning of the Constitution of Maine and require the following legislation as immediately necessary for the preservation of the public peace, health and safety; now, therefore, be it

Sec. 1. Continuation of limited-period positions. Resolved: That, notwithstanding any provision of law to the contrary, all limited-period positions throughout State Government that are scheduled to expire during June 2019 are continued until August 3, 2019.

Emergency clause. In view of the emergency cited in the preamble, this legislation takes effect when approved.

Effective June 7, 2019.

CHAPTER 59

S.P. 531 - L.D. 1641

Resolve, To Examine Issues Relating to the School Transportation Workforce

Sec. 1. Stakeholder group. Resolved: That the Department of Education, in collaboration with the Department of Labor, shall comprehensively examine issues associated with the school transportation workforce, including, but not limited to, determining the best strategies for hiring, training and retaining school transportation personnel. The Department of Education shall consider ways to conduct training at no cost to the school transportation personnel. By January 1, 2020, the department shall submit a report with findings and recommendations to the Joint Standing Committee on Education and Cultural Affairs and the Joint Standing Committee on Labor and Housing. Each committee may report out a bill on the subject of the report to the Second Regular Session of the 129th Legislature.

See title page for effective date.

CHAPTER 60

H.P. 441 - L.D. 613

Resolve, Concerning the Adoption of Rules To Carry Out the Purpose of the Bridging Rental Assistance Program

Sec. 1. Adoption of rules. Resolved: That, by January 1, 2020, the Department of Health and Human Services shall adopt rules pursuant to the

Maine Revised Statutes, Title 34-B, section 3011 for the Bridging Rental Assistance Program in order to ensure fairness, equity and access to the program for those persons with mental illness who qualify for the program.

Sec. 2. Delay in adoption of rules. Resolved: That if the Department of Health and Human Services anticipates a delay in the adoption of rules under section 1, the department shall submit a report by January 1, 2020 to the Joint Standing Committee on Health and Human Services detailing the reason for the delay and the progress made.

See title page for effective date.

CHAPTER 61

H.P. 492 - L.D. 671

Resolve, To Require Professional Licensure for Home Inspectors

Sec. 1. Commissioner of Professional and Financial Regulation to conduct a sunrise review regarding the proposal to license home inspectors. Resolved: That the Commissioner of Professional and Financial Regulation shall conduct an independent assessment pursuant to the sunrise review requirements in the Maine Revised Statutes, Title 32, chapter 1-A, subchapter 2 of the proposal to license home inspectors.

Sec. 2. Reporting date established. Resolved: That no later than January 10, 2020 the Commissioner of Professional and Financial Regulation shall submit a report with any necessary legislation following the independent assessment under section 1 to the Joint Standing Committee on Innovation, Development, Economic Advancement and Business. The committee is authorized to submit legislation on the subject matter of the report to the Second Regular Session of the 129th Legislature.

See title page for effective date.

CHAPTER 62

H.P. 1008 - L.D. 1394

Resolve, To Direct the Department of Administrative and Financial Services To Conduct a Surplus Property Inventory

Preamble. Whereas, the State continues to experience a severe shortage of affordable housing; and

Whereas, the cost of land is one of the biggest barriers to the development of new affordable housing; now, therefore, be it

Sec. 1. Department of Administrative and Financial Services to conduct an inventory of surplus state-owned land and structures. Resolved: That the Department of Administrative and Financial Services shall conduct an inventory of surplus state-owned land and structures, pursuant to the authority and process established in the Maine Revised Statutes, Title 5, section 1742, subsection 23. The inventory must include all surplus vacant land, unimproved structures and improved structures. The department shall provide the inventory to and consult with the Maine State Housing Authority in determining the suitability of land and structures for use in the development of affordable housing, consistent with Title 30-A, section 4754, subsection 3. The department shall report on the outcomes of the inventory and make recommendations regarding affordable housing to the Joint Standing Committee on Labor and Housing and the Joint Standing Committee on State and Local Government by February 1, 2020. The Joint Standing Committee on State and Local Government may report out a bill to the Second Regular Session of the 129th Legislature related to surplus state-owned land and structures including a requirement that the department provide an annual report related to surplus state-owned land and structures.

See title page for effective date.

CHAPTER 63

H.P. 851 - L.D. 1168

Resolve, To Improve Maine's Response to Childhood Trauma

Emergency preamble. Whereas, acts and resolves of the Legislature do not become effective until 90 days after adjournment unless enacted as emergencies; and

Whereas, the task force on childhood trauma response guidance, established by this resolve, is convened to develop guidance for kindergarten to grade 12 administrators on appropriate training and responses to childhood trauma; and

Whereas, the study must be initiated before the 90-day period expires in order that the study may be completed and a report submitted in time for submission to the next legislative session; and

Whereas, in the judgment of the Legislature, these facts create an emergency within the meaning of the Constitution of Maine and require the following legislation as immediately necessary for the preserva-

tion of the public peace, health and safety; now, therefore, be it

Sec. 1. Task force on childhood trauma response guidance. Resolved: That the Commissioner of Education shall convene a task force, inviting the participation of experts and interested parties, to develop guidance for kindergarten to grade 12 administrators on appropriate training and responses to childhood trauma. In developing the guidance, the task force shall consult with any other task force or work group convened by the Department of Education whose work may inform the work of this task force and consider the following topics:

1. Training for preschool and kindergarten to grade 12 teachers, administrators and other faculty on adverse childhood experiences and trauma, including the establishment of state certification rules regarding training hours in trauma and the effect of trauma on learning and behavior;

2. A response-to-intervention process that includes behavioral health and social and emotional screening and referral to support procedures;

3. A policy that sets a standard ratio for students to support staff to ensure adequate staffing to meet the behavioral and emotional needs of students;

4. A social and emotional learning curriculum for kindergarten to grade 8;

5. An attendance policy and discipline policy that is established with a trauma-informed perspective; and

6. A policy that ensures publicly funded schools and preschools have the resources and funds necessary to develop school and school administrative unit action plans for addressing the needs of traumatized children and creating trauma-informed school environments.

Sec. 2. Report. Resolved: That the Commissioner of Education shall submit a report on the work of the task force under section 1 to the Joint Standing Committee on Education and Cultural Affairs by December 4, 2019. The committee is authorized to submit legislation related to the report to the Second Regular Session of the 129th Legislature.

Emergency clause. In view of the emergency cited in the preamble, this legislation takes effect when approved.

Effective June 10, 2019.

CHAPTER 64

S.P. 509 - L.D. 1603

Resolve, To Coordinate a Plan To Expand Cellular Telephone Service

Sec. 1. Plan to expand cellular telephone service. Resolved: That the Department of Economic and Community Development, in coordination with the ConnectME Authority established in the Maine Revised Statutes, Title 5, section 12004-G, subsection 33-F, the Department of Administrative and Financial Services and the University of Maine System, Networkmaine, shall develop a plan to leverage state assets to expand cellular telephone service to underserved areas of the State. The plan may be developed in connection with any plans to expand broadband service prepared by the ConnectME Authority pursuant to the Maine Revised Statutes, Title 35-A, chapter 93.

Sec. 2. Report; authority for legislation. Resolved: That, no later than February 1, 2020, the Department of Economic and Community Development shall submit a report on the plan developed under section 1 to the Joint Standing Committee on Energy, Utilities and Technology. The committee may report out a bill to the Second Regular Session of the 129th Legislature related to the report.

See title page for effective date.

CHAPTER 65

H.P. 925 - L.D. 1283

Resolve, To Advance College Affordability by Convening a Task Force To Recommend a Sustainable Funding Model for Maintaining Maine's Public Higher Education Infrastructure

Emergency preamble. Whereas, acts and resolves of the Legislature do not become effective until 90 days after adjournment unless enacted as emergencies; and

Whereas, the Task Force To Recommend a Sustainable Funding Model for Maintaining Maine's Public Higher Education Infrastructure is convened by this legislation to study how to adequately fund the infrastructure and related needs of public higher education institutions in the State; and

Whereas, the study must be initiated before the 90-day period expires in order that the study may be

completed and a report submitted in time for submission to the next legislative session; and

Whereas, in the judgment of the Legislature, these facts create an emergency within the meaning of the Constitution of Maine and require the following legislation as immediately necessary for the preservation of the public peace, health and safety; now, therefore, be it

Sec. 1. Task force established. Resolved: That the Chancellor of the University of Maine System shall convene a task force, to be known as the Task Force To Recommend a Sustainable Funding Model for Maintaining Maine's Public Higher Education Infrastructure, referred to in this resolve as "the task force."

Sec. 2. Task force membership. Resolved: That the task force consists of 7 members as follows:

1. The Chancellor of the University of Maine System or the chancellor's designee, who shall serve as the task force chair;
2. The President of the Maine Community College System or the president's designee;
3. The President of the Maine Maritime Academy or the president's designee;
4. The Director of the Bureau of General Services within the Department of Administrative and Financial Services or the director's designee;
5. The director of school facilities within the Department of Education;
6. The Chief Executive Officer of the Finance Authority of Maine or the chief executive officer's designee; and
7. A member appointed by the Chancellor of the University of Maine System with relevant experience or expertise in finance or facilities management and planning.

Sec. 3. Duties. Resolved: That the task force shall study how to provide adequate supplemental funding to sustain the State's public higher education infrastructure without burdening students who are residents of the State with unreasonable tuition and fee increases. The task force shall consider, but may not be limited to considering, infrastructure improvements, health and safety repairs, technology improvements, energy efficiency and equipment upgrades and, when necessary, new construction.

Sec. 4. Staff assistance. Resolved: That the University of Maine System, the Maine Community College System and the Maine Maritime Academy shall provide necessary staffing services to the task force, as well as all requested and available data.

Sec. 5. Report. Resolved: That, no later than January 2, 2020, the task force shall submit a report

that includes its findings and recommendations, including suggested legislation, for presentation to the Joint Standing Committee on Appropriations and Financial Affairs and the Joint Standing Committee on Education and Cultural Affairs. The joint standing committees may submit legislation to the Second Regular Session of the 129th Legislature related to the subject matter of the report.

Emergency clause. In view of the emergency cited in the preamble, this legislation takes effect when approved.

Effective June 12, 2019.

CHAPTER 66

S.P. 524 - L.D. 1635

Resolve, To Improve Access to Early and Periodic Screening, Diagnostic and Treatment Services for Children from Birth to 8 Years of Age

Emergency preamble. Whereas, acts and resolves of the Legislature do not become effective until 90 days after adjournment unless enacted as emergencies; and

Whereas, research on early childhood emphasizes the importance of identifying child development challenges as early as possible and addressing the needs of young children from birth to 8 years of age to ensure their successful participation in early and life-long learning; and

Whereas, data indicates that Maine ranks 50th in the nation for the rate of infants provided with early intervention services for developmental delays; and

Whereas, recent brain research has shown that it is essential to address child health and well-being issues as early as possible and to provide children with services they need to thrive in school; and

Whereas, the MaineCare program is underused for early and periodic screening, diagnostic and treatment services provided to eligible children; and

Whereas, there is a lack of information about the capacity of state or federally funded programs and services to serve the needs of Maine children from birth to 8 years of age that needs to be remedied as soon as possible; and

Whereas, in the judgment of the Legislature, these facts create an emergency within the meaning of the Constitution of Maine and require the following legislation as immediately necessary for the preservation of the public peace, health and safety; now, therefore, be it

Sec. 1. Department of Health and Human Services to convene a stakeholder group. Resolved: That the Department of Health and Human Services, in consultation with the Department of Education, shall convene a stakeholder group to determine the capacity of the State to respond to its child find responsibilities as required under the federal Individuals with Disabilities Education Act and to provide early and periodic screening, diagnostic and treatment services, referred to in this resolve as "screening, diagnostic and treatment services," to children from birth to 8 years of age, the gaps in services and the costs of addressing those gaps. The Department of Health and Human Services shall coordinate the collection and analysis of data from across the department and from organizations that conduct developmental screenings or offer services or treatment to children from birth to 8 years of age, including through Head Start programs, Early Head Start programs, the Child Development Services System as defined in section 7001, public health nursing organizations, the Department of Health and Human Services' home visiting service and the Department of Education. The Department of Health and Human Services shall submit a report with the findings to the Joint Standing Committee on Health and Human Services. The report must include the following:

1. Data on the number, ages and geographic locations of children from birth to 8 years of age receiving screening, diagnostic and treatment services;
2. The capacity of the State to ensure that all children from birth to 8 years of age who require screening, diagnostic and treatment services are located and receive services;
3. Current levels of federal and state funding designated or available to support child find services, screening, diagnostic and treatment services and early intervention and special education services for children from birth to 8 years of age;
4. Barriers that impede access to child find and screening, diagnostic and treatment services;
5. Data on the disposition of referrals of children from birth to 8 years of age at high risk of developmental delay or disability who are screened and eligible for either child development services or screening, diagnostic and treatment services, including how many receive needed services and how many do not receive those services by county;
6. Shortages of providers of child find and screening, diagnostic and treatment services including a breakdown by county of those shortages and a breakdown by specific service;
7. An assessment of the State's efforts to provide comprehensive developmental screening for children from birth to 8 years of age with reference to the rec-

ommendations of the American Academy of Pediatrics;

8. An assessment of the deficits in the State's efforts to provide comprehensive developmental screening;
9. An estimate of the costs to address the shortages in child find and screening, diagnostic and treatment services and any recommendations to ensure or expand services so that all children from birth to 8 years of age are adequately served regardless of health insurance status, age, geographic location or type of developmental delay or disability identified;
10. A review of existing reports from the past 10 years from organizations that screen for developmental delay or provide services or treatment to children from birth to 8 years of age to review existing data, strengths and challenges of programs providing early intervention services;
11. Additional data needed to assess the State's child find and screening, diagnostic and treatment services; and
12. Information on other states that have had success in providing child find and screening, diagnostic and treatment services to children from birth to 8 years of age and their families.

The Department of Health and Human Services shall submit the report no later than December 30, 2019. The Joint Standing Committee on Health and Human Services may report out legislation relating to the subject matter of the report to the Second Regular Session of the 129th Legislature.

Emergency clause. In view of the emergency cited in the preamble, this legislation takes effect when approved.

Effective June 13, 2019.

CHAPTER 67
H.P. 908 - L.D. 1247

Resolve, To Clarify the Good Cause and Sanction Process in the Temporary Assistance for Needy Families and Additional Support for People in Retraining and Employment Programs

Sec. 1. Department of Health and Human Services to amend the TANF and ASPIRE-TANF program rules regarding good cause and sanctions. Resolved: That the Department of Health and Human Services shall amend its rules for the Temporary Assistance for Needy Fam-

ilies program, referred to in this resolve as "TANF," and the Additional Support for People in Retraining and Employment - Temporary Assistance for Needy Families program, referred to in this resolve as "ASPIRE-TANF," to establish the following additional process for good cause determinations.

1. When a TANF or ASPIRE-TANF participant is notified that the participant has failed to comply with a program rule that includes notice of good cause and the participant claims within 5 working days of receiving the notification, either orally or in writing, that the participant had good cause for failing to comply, a representative of the department shall meet individually with the participant. The meeting must take place at the office of the department representative, or at a location agreed upon by the participant and the department representative, or the meeting may be conducted by telephone if the participant is unable to be physically present. The department shall provide at least 5 days' advance notice to the participant. At the meeting, the representative of the department shall:

A. Provide the participant with a notice describing good cause. The notice must include the participant's right to apply for a good cause exception;

B. Verbally explain to the participant the reasons for which a good cause exception may be granted and the participant's right to make an application for a good cause exception either orally or in writing; and

C. Provide the participant with the opportunity to make a request for a good cause exception from ASPIRE-TANF participation either wholly or in part.

2. The department's representative shall make a complete written record of the meeting under subsection 1, including documenting that the participant was given the notice describing good cause, the participant's reason for good cause and that the participant was given the opportunity to make a request for a good cause exception.

3. A department representative shall make a recommendation on the participant's request for a good cause exception, including the basis for the recommendation, in writing. The department shall then issue a final determination approving or denying, wholly or in part, the participant's request for a good cause exception, including notice of the right to a fair hearing. The determination must set forth the reasons for the application for a good cause exception being approved or denied. The department may not find lack of good cause prior to the final determination unless the participant fails to attend the scheduled meeting under subsection 1 without good cause.

4. The notice of a determination that results in a proposed sanction of the participant must include a

statement of why the participant does not qualify for a good cause exception.

Nothing in this section precludes a program participant from claiming good cause at any time.

See title page for effective date.

CHAPTER 68

H.P. 1237 - L.D. 1739

Resolve, Authorizing the State Tax Assessor To Convey the Interest of the State in Certain Real Estate in the Unorganized Territory

Sec. 1. State Tax Assessor authorized to convey real estate. Resolved: That the State Tax Assessor is authorized to convey by sale the interest of the State in real estate in the Unorganized Territory as indicated in this resolve. Except as otherwise directed in this resolve, the sale must be made to the highest bidder subject to the following provisions.

1. Notice of the sale must be published 3 times prior to the sale, once each week for 3 consecutive weeks, in a newspaper in the county where the real estate lies, except in those cases in which the sale is to be made to a specific individual or individuals as authorized in this resolve, in which case notice need not be published.

2. A parcel may not be sold for less than the amount authorized in this resolve. If identical high bids are received, the bid postmarked with the earliest date is considered the highest bid.

If bids in the minimum amount recommended in this resolve are not received after the notice, the State Tax Assessor may sell the property for not less than the minimum amount without again asking for bids if the property is sold on or before April 1, 2020.

Employees of the Department of Administrative and Financial Services, Bureau of Revenue Services and spouses, siblings, parents and children of employees of the Bureau of Revenue Services are barred from acquiring from the State any of the real property subject to this resolve.

Upon receipt of payment as specified in this resolve, the State Tax Assessor shall record the deed in the appropriate registry at no additional charge to the purchaser before sending the deed to the purchaser.

Recommendation: Sell to the immediate former owner or the immediate former owner's heirs or devisees for \$209.51. If payment is not received within 60 days after the effective date of this resolve, sell to the highest bidder for not less than \$225.00.

CHAPTER 69
S.P. 117 - L.D. 439

Resolve, Directing the Commissioner of Health and Human Services To Convene a Task Force To Study the Need for Long-term Acute Care Beds

Sec. 1. Commissioner of Health and Human Services to convene task force. Resolved: That the Commissioner of Health and Human Services shall convene a task force of stakeholders to evaluate the need for long-term acute care beds in the State.

Sec. 2. Task force duties. Resolved: That the evaluation by the task force convened under section 1 must include:

- 1. An estimate of the patient population in the State needing services provided by long-term acute care hospitals and where that patient population is receiving care now;

2. An analysis of the financial impact of the lack of long-term acute care beds on patients, families and facilities in the State;

3. An evaluation of the best locations in the State for long-term acute care beds; and

4. An evaluation of the options available regarding the number of long-term acute care beds in the State, including an estimate of the costs to establish a long-term acute care hospital in the State and designating existing beds as long-term acute care beds.

Sec. 3. Report. Resolved: That the Commissioner of Health and Human Services shall report the findings and conclusions of the task force under section 2, including any recommended legislation, to the Joint Standing Committee on Health and Human Services by January 2, 2020. The joint standing committee is authorized to submit a bill related to the report to the Second Regular Session of the 129th Legislature.

CHAPTER 70
H.P. 233 - L.D. 309

Resolve, Directing the Department of Education To Direct a Study of the Regional Adjustment for School Administrative Units

Emergency preamble. Whereas, acts and resolves of the Legislature do not become effective until 90 days after adjournment unless enacted as emergencies; and

Whereas, this resolve directs the Department of Education, in conjunction with the Maine Education Policy Research Institute, to study the regional adjustment for school administrative units under the Essential Programs and Services Funding Act; and

Whereas, the study must be initiated before the 90-day period expires in order that the study may be completed and a report submitted in time for submission to the next legislative session; and

Whereas, in the judgment of the Legislature, these facts create an emergency within the meaning of the Constitution of Maine and require the following legislation as immediately necessary for the preservation of the public peace, health and safety; now, therefore, be it

Sec. 1. Study of the regional adjustment for school administrative units. Resolved: That the Department of Education shall direct the Maine Education Policy Research Institute, in the institute's review of the Essential Programs and Services Funding Act, to study and report to the department on

the regional adjustment for school administrative units under the Essential Programs and Services Funding Act. The study must include an update of the data that is used to calculate the regional adjustment to reflect the current economic environment and must include an analysis of how any adjustment to, or removal of, the regional adjustment in the funding formula would affect all school administrative units. The department shall submit the report to the Joint Standing Committee on Education and Cultural Affairs no later than January 15, 2020. The Joint Standing Committee on Education and Cultural Affairs may submit a bill to the Second Regular Session of the 129th Legislature.

Emergency clause. In view of the emergency cited in the preamble, this legislation takes effect when approved.

Effective June 17, 2019.

CHAPTER 71

H.P. 1275 - L.D. 1796

Resolve, To Study Transmission Grid Reliability and Rate Stability in Northern Maine

Sec. 1. Convene stakeholder group. Resolved: That the Governor's Energy Office shall convene a stakeholder group to identify and develop strategies to address the transmission grid reliability and electric rate stability for the northern Maine service territory. The stakeholder group must consist of representatives of:

1. The Governor's Energy Office;
2. The Public Utilities Commission;
3. The Office of the Public Advocate;
4. The Northern Maine Independent System Administrator;
5. A municipal government in northern Maine;
6. A large industrial electric utility customer located in northern Maine;
7. A trade association representing businesses located in northern Maine;
8. A trade association representing the forest products industry;
9. An investor-owned transmission and distribution utility serving northern Maine;
10. Two different consumer-owned transmission and distribution utilities located in northern Maine; and

11. An energy generator located in northern Maine.

Sec. 2. Review and recommendations. Resolved: That, in its review of transmission grid reliability and electric rate stability for the northern Maine service territory, the stakeholder group convened pursuant to section 1 shall, at minimum, address and develop recommendations concerning:

1. The continued need to assess reliability in the northern Maine service territory;
2. The shutdown of biomass plants in the region, such as those in Fort Fairfield and Ashland, that have in the past been essential to addressing reliability concerns;
3. The region's fuel security, competitive supply and rate volatility resulting from its reliance on generation resources in the region; and
4. Opportunities for transmission and nontransmission alternatives to address the current and projected reliability and rate stability needs of the region.

Sec. 3. Report. Resolved: That, no later than March 1, 2020, the stakeholder group shall submit to the Governor's Energy Office a report establishing the scope and priority of transmission grid reliability and electric rate stability issues for the northern Maine service territory, together with recommendations. The report must address the concerns identified in section 2 and recommend strategies that respond to those issues, including any recommended changes to the law or to the rules of the Public Utilities Commission. The Governor's Energy Office shall submit the report, together with any proposed implementing legislation, to the Joint Standing Committee on Energy, Utilities and Technology. Upon receipt and review of the report, the joint standing committee may report out a bill related to the report to the Second Regular Session of the 129th Legislature.

See title page for effective date.

Sec. 1. Resolve 1999, c. 41, §4, amended. Resolved: That Resolve 1999, c. 41, §4, as amended by PL 1999, c. 790, Pt. Q, §1 and affected by §2, is further amended to read:

Sec. 4. Deed and restrictions. Resolved: That the property must be conveyed by quit claim deed without covenants, subject to the following deed restrictions: The Town of Carrabassett Valley shall in perpetuity retain title to the property and may not sell or otherwise transfer any interest, in whole or in part, in the property except that the Town of Carrabassett Valley may lease portions of the property as long as the uses are consistent with the uses specified in this resolve. The property must remain open and available for use and enjoyment by the public at large. Use of the property must be dedicated for purposes of public outdoor recreation, including, but not limited to: natural history study; hiking; camping, ~~other than in motor vehicles~~; cross-country skiing; hunting; fishing; fisheries and wildlife management; skating; timber management and harvesting under a management plan prepared by a licensed professional forester; and attendant roads and parking. The property must be maintained in an essentially natural and undeveloped condition, except that up to 25 contiguous acres in the aggregate, including any development in existence on the effective date of this resolve, may be developed for any municipal facility. The following uses are expressly prohibited: residential development of any type; development for overnight accommodations, except camping, including commercial camping if

development plans for commercial camping are approved by the State; development for any type of commercial service center, shops, restaurants or other commercial development; or development for any purpose that will change the natural character of the area, except that those uses presently made of the Outdoor and Touring Center located on the property may continue. If the Town of Carrabassett Valley fails to comply with any of the conditions or restrictions, in whole or in part, contained in this resolve, the State may give written notice to the Town of Carrabassett Valley, and if the Town of Carrabassett Valley fails to comply within 30 days, then the title to the property reverts to the State; such a reversion may not be effective until the State records a notice of the reversion in the Franklin County Registry of Deeds.

H.P. 1093 - L.D. 1491

Resolve, To Study Consolidation of Payment of Cost-of-living Tax Credits

Sec. 1. Study of consolidation of payment of cost-of-living tax credits; working group established. Resolved: That the Working Group to Study Consolidation of Payment of Cost-of-living Tax Credits, referred to in this resolve as "the working group," is established to make recommendations to the Legislature regarding the most efficient and effective means to consolidate application and payment of cost-of-living tax credits, including recommendations for making such payments available on a periodic advance basis throughout the year. For the purposes of this section, "cost-of-living tax credits" means the following individual income tax credits under the Maine Revised Statutes, Title 36, chapter 822, which assist Maine taxpayers with basic living expenses: the sales tax fairness credit, the property tax fairness credit, the credit for child care expenses, the credit for adult dependent care expenses and any similar credit identified by the working group.

1. Membership. The working group consists of 9 members appointed by the Associate Commissioner for Tax Policy within the Department of Administrative and Financial Services, Bureau of Revenue Services, referred to in this resolve as "the associate commissioner":

A. Two representatives of organizations with expertise in matters related to accessing income supports, assisting low-income populations with tax filing or tax policy affecting adults with low incomes;

B. One representative of an organization representing Maine workers;

C. One representative of an organization with expertise in legal and policy matters related to public benefit programs that assist individuals with low incomes;

D. Two low-income residents of the State currently enrolled in the federal Medicaid program, the federal supplemental nutrition assistance program administered by the State pursuant to Title 22, section 3104 or the Temporary Assistance for Needy Families program pursuant to Title 22, chapter 1053-B;

E. One representative, recommended by the Commissioner of Health and Human Services, with expertise in the administration of public assistance programs; and

F. Two other individuals chosen by the associate commissioner or the associate commissioner's designee.

2. First meeting; chair. The associate commissioner or the associate commissioner's designee shall convene the first meeting of the working group no later than October 15, 2019. At the first meeting the working group shall select a chair from among its membership. The working group may create subgroups to work on specific issues or initiatives and may include individuals who are not working group members.

3. Duties. The working group shall:

A. Review the current method of applying for cost-of-living tax credits to determine how applications for those credits may be consolidated into a single, simplified application;

B. Determine the most efficient method for making a single consolidated payment to eligible individuals for all cost-of-living tax credits for which these individuals are eligible;

C. For making consolidated payments, review possible periodic schedules that are administratively feasible and best meet the needs of eligible individuals;

D. Determine methods to facilitate claims for cost-of-living tax credits, including any consolidated payments recommended by the working group, for persons applying for assistance from the Maine Department of Health and Human Services through its automated client eligibility system;

E. Examine mechanisms for providing any advance consolidated payment of cost-of-living tax credits recommended by the working group to persons receiving assistance through means-tested assistance programs, including, but not limited to,

the federal Medicaid program, the federal supplemental nutrition assistance program administered by the State pursuant to Title 22, section 3104 or the Temporary Assistance for Needy Families program pursuant to Title 22, chapter 1053-B in a manner that will not reduce assistance from these programs solely as a result of receiving the advance consolidated payment; and

F. Review administrative policies and practices to prevent overpayments in advance periodic payments of cost-of-living tax credits and review practices to allow for payment adjustments to reflect changes to income throughout the year.

Sec. 2. Report. Resolved: That by February 1, 2020, the associate commissioner shall submit the results of its study, including any suggested legislation necessary to implement the recommendations of the working group, to the Joint Standing Committee on Taxation and the Joint Standing Committee on Appropriations and Financial Affairs. Each committee may submit a bill to the Second Regular Session of the 129th Legislature related to the report.

Sec. 3. Staff assistance. Resolved: That the Department of Administrative and Financial Services shall provide necessary staffing services to the working group.

See title page for effective date.

H.P. 668 - L.D. 904

Resolve, Directing the Commissioner of Professional and Financial Regulation To Conduct a Sunrise Review Regarding the Proposal To License Operators of Cranes

Sec. 1. Commissioner of Professional and Financial Regulation to conduct a sunrise review regarding the proposal to license operators of cranes. Resolved: That the Commissioner of Professional and Financial Regulation shall conduct an independent assessment pursuant to the sunrise review requirements in the Maine Revised Statutes, Title 32, chapter 1-A, subchapter 2 of the proposal to license operators of cranes. For the purpose of this resolve, "crane" means a piece of power-operated equipment that can hoist, lower and horizontally move a suspended load.

Sec. 2. Requirements. Resolved: That, in conducting the sunrise review required by section 1, the Commissioner of Professional and Financial Regulation shall consider:

1. Limiting licensure requirements to operators of cranes:

- A. That are used in construction, demolition or excavation work;
- B. That are used at construction sites of projects that involve work on structures over an established height; and
- C. That have lifting capacity that reaches or exceeds set limits;

2. A requirement that an applicant for licensure as an operator of a crane possess an active, unrestricted Maine driver's license and a certification of medical fitness;

3. A requirement for a written and practical examination for licensure as an operator of a crane that incorporates nationally recognized certifications, federal guidelines or national industry guidelines pertaining to the operation of heavy equipment, including the United States Department of Labor, Occupational Safety and Health Administration and American National Standards Institute standards or American Society of Mechanical Engineers guidelines; and

4. A pathway to license recognition for an individual possessing a crane operator license, or the equivalent, in another state or a United States territory.

Sec. 3. Reporting date established. Resolved: That, no later than January 10, 2020, the Commissioner of Professional and Financial Regulation shall submit a report with any necessary legislation following the independent assessment under section 1 to the Joint Standing Committee on Innovation, Development, Economic Advancement and Business. The committee is authorized to submit legislation on the subject matter of the report to the Second Regular Session of the 129th Legislature.

CHAPTER 76

H.P. 549 - L.D. 744

Resolve, Authorizing the Commissioner of Administrative and Financial Services To Convey the Interests in Certain Real Property Located in East Millinocket

Sec. 1. Authority to convey state property. Resolved: That, notwithstanding any provision of law to the contrary, the State, by and through the Commissioner of Administrative and Financial Ser-

vices, referred to in this resolve as "the commissioner," may:

1. Convey by sale any or a portion of the interests of the State in the state property described in section 2, referred to in this resolve as "the state property," with the buildings and improvements, together with all appurtenant rights and easements, and all personal property located on that property, including vehicles, machinery, equipment and supplies. The State's interest in the state property does not include timber rights;

2. Negotiate, draft, execute and deliver any documents necessary to settle any boundary line discrepancies of the state property;

3. Exercise, pursuant to the Maine Revised Statutes, Title 23, chapter 3, subchapter 3, the power of eminent domain to quiet for all time any possible challenges to ownership of the state property;

4. Negotiate, draft, execute and deliver any easements or other rights that, in the commissioner's discretion, may contribute to the value of a proposed sale of the State's interests in the state property; and

5. Release any interests in the state property that, in the commissioner's discretion, do not contribute to the value of the remaining state property.

Sec. 2. Property interests that may be conveyed. Resolved: That the state property authorized to be sold is a parcel or parcels of land located in the Town of East Millinocket consisting of approximately 3,384 acres conveyed to the State by Katahdin Paper Company LLC on September 28, 2011, recorded in the Penobscot County Registry of Deeds, Book 12608, Page 97-104 and identified on the Town of East Millinocket's Tax Assessor's Map 01 as Lot 09-011 and does not include timber rights to the property.

Sec. 3. Property to be sold as is. Resolved: That the commissioner may negotiate and execute purchase and sale agreements upon terms the commissioner considers appropriate; however, the state property must be sold "as is," with no representations or warranties. Title must be transferred by quitclaim deed without covenant or release deed and executed by the commissioner.

Sec. 4. Exemptions. Resolved: That any conveyance pursuant to this resolve is exempt from any statutory or regulatory requirement that the state property must first be offered to the Maine State Housing Authority or another state or local agency or offered through competitive bidding.

Sec. 5. Appraisal. Resolved: That the commissioner shall have the current market value of the state property determined by a broker opinion of value and current comparative market analysis. The commissioner may list the state property for sale with a private real estate broker and negotiate any sale, solicit

bids or sell directly to a purchaser. The commissioner may reject any offer.

Sec. 6. Right of first refusal. Resolved: That the Town of East Millinocket has the right of first refusal to purchase the state property at the broker opinion of value determined pursuant to section 5. The commissioner shall provide written notice to the clerk of the Town of East Millinocket of the intent to sell the state property and the terms of sale. The Town of East Millinocket has 90 days to notify the commissioner in writing whether the Town of East Millinocket will purchase the state property at the broker opinion of value. The Town of East Millinocket has 60 days from the date of invoking its right of first refusal to complete the purchase of the state property.

Sec. 7. Proceeds. Resolved: That any proceeds from the sale of the state property pursuant to this resolve must be deposited into the Department of Administrative and Financial Services, Bureau of General Services' capital repair and improvement account for capital improvements.

Sec. 8. Repeal. Resolved: That this resolve is repealed 5 years from its effective date.

See title page for effective date.

H.P. 1048 - L.D. 1436

Resolve, Directing Coordinated State Agencies To Engage with the Governing Leaderships of Portland Pipe Line Corporation and Montreal Pipe Line Limited for Sustainability-centered Repurposing of Stranded and At-risk Infrastructure Assets in Maine

Sec. 1. Coordinated state agencies to engage with the governing leaderships of Portland Pipe Line Corporation and Montreal Pipe Line Limited for sustainability-centered repurposing of stranded and at-risk infrastructure assets in Maine. Resolved: That the Department of Economic and Community Development and the Governor's Energy Office in coordination shall engage directly with the executive and board leaderships of the Portland Pipe Line Corporation and Montreal Pipe Line Limited parent companies Suncor Energy, Shell Oil Company and Imperial Oil Limited to examine opportunities for repurposing the Portland-Montreal pipeline and related real estate holdings in the State, including consideration of a redevelopment strategy and revenue model acceptable to those com-

panies' investors in accordance with the companies' own sustainability goals. The asset to be addressed by the examination is the pipeline itself, which is to be examined for repurposing as a conduit for high-voltage electric transmission lines. The examination of repurposing must consider opportunities for existing Portland Pipe Line Corporation and Montreal Pipe Line Limited employees to direct their efforts toward the technical and management opportunities created by repurposing of the pipeline.

The scope of work under this section may include coordination with other state agencies and local jurisdictions as well as coordination with regulators in New Hampshire, Vermont and the provincial government of Quebec, Canada.

Sec. 2. Report. Resolved: That no later than February 15, 2020, the Department of Economic and Community Development and the Governor's Energy Office shall submit a joint report on the efforts undertaken pursuant to this resolve to the Joint Standing Committee on Energy, Utilities and Technology.

See title page for effective date.

Resolve, Directing the Department of Education To Study and Develop a State Plan for Computer Science Instruction and Professional Development

Sec. 1. Study and development of state plan for computer science instruction and professional development. Resolved: That the Department of Education shall study and develop a plan for implementing computer science instruction in schools and shall submit a report to the Joint Standing Committee on Education and Cultural Affairs, no later than January 1, 2020, that includes the following:

1. An overview of how computer science courses and curricula are being implemented in schools;
2. A state plan for instruction in computer science in public preschool to grade 12 that includes the development of standards, clarifies how instruction in computer science may be applied toward graduation requirements, provides equitable access to computer science instruction across the State and provides for instruction in computer science in all high schools by 2022 and in all grades by 2025;
3. A professional development plan for educators that includes training in computer science and a component that includes peer-to-peer training in computer science; and

4. An estimate of the funding levels necessary to implement the plans in subsections 2 and 3.

The Joint Standing Committee on Education and Cultural Affairs may submit a bill relating to the subject matter of the report to the Second Regular Session of the 129th Legislature.

See title page for effective date.

CHAPTER 79

S.P. 625 - L.D. 1841

Resolve, Directing the Commissioner of Professional and Financial Regulation To Create a Working Group To Study Barriers to Credentialing

Sec. 1. Commissioner of Professional and Financial Regulation to create a working group to study credentialing. Resolved: That the Commissioner of Professional and Financial Regulation shall create a working group to study barriers to credentialing of:

1. Skilled individuals who have foreign credentials; and
2. Holders of professional and occupational licenses in other states.

The commissioner shall appoint to the working group no fewer than 8 and no more than 10 persons who represent licensing boards and professional organizations served by the licensing boards of professions in the State for which there is a need for and an opportunity to credential skilled individuals with foreign credentials and those with out-of-state licenses. The working group shall consider and develop recommendations for alternative pathways for skilled individuals with foreign credentials to be credentialed in the State and shall review options for license portability for out-of-state licensees.

Sec. 2. Report. Resolved: That, by January 15, 2020, the working group created pursuant to section 1 shall submit a report of the working group's progress along with any recommendations and suggested legislation to the Commissioner of Professional and Financial Regulation. The commissioner shall submit the report with any recommendations and suggested legislation to the Joint Standing Committee on Innovation, Development, Economic Advancement and Business by February 15, 2020. The committee may report out a bill relating to the subject matter of the report to the Second Regular Session of the 129th Legislature. In the event the working group or the commissioner requires additional time to complete the work, the Joint Standing Committee on Innovation,

Development, Economic Advancement and Business may extend the reporting deadline.

CHAPTER 80

H.P. 107 - L.D. 125

Resolve, Directing the Department of Agriculture, Conservation and Forestry To Convey Certain Lands to Roosevelt Conference Center Doing Business as Eagle Lake Sporting Camps

Preamble. The Constitution of Maine, Article IX, Section 23 requires that real estate held by the State for conservation or recreation purposes may not be reduced or its uses substantially altered except on the vote of 2/3 of all members elected to each House.

Whereas, certain real estate authorized for conveyance under this resolve is under the designations described in the Maine Revised Statutes, Title 12, section 598-A; and

Whereas, the Director of the Bureau of Parks and Lands within the Department of Agriculture, Conservation and Forestry may sell or exchange lands with the approval of the Legislature in accordance with Title 12, sections 1837 and 1851; and

Whereas, Aroostook County has experienced significant economic reductions over the last 20 years, with an unemployment rate higher than the state average, an aging workforce and a declining population; and

Whereas, an existing business, Eagle Lake Sporting Camps, established in 1889 and located on Eagle Lake Public Reserve Lands east of Route 11, desires to invest significantly in its business to grow into a year-round operation and to upgrade facilities and improve amenities, thus stimulating the economy, creating jobs and increasing local and state tax revenues; and

Whereas, such investment would not be feasible nor would such a commitment be made without the acquisition of fee simple ownership of sufficient land to develop and expand the business and without the lease of additional adjoining land to support a modern wilderness destination resort; and

Whereas, the subject land is now used as a developed commercial sporting camp property, and no vital conservation land or wildlife habitat nor outdoor recreation opportunities, such as hunting and fishing, are affected by the change in land ownership, and the investment permitted by this conveyance would in-

crease access and opportunities for public use of the Eagle Lake Public Reserve Lands; now, therefore, be it

Sec. 1. Director of the Bureau of Parks and Lands to offer to convey certain land in T16 R6. Resolved: That the Director of the Bureau of Parks and Lands within the Department of Agriculture, Conservation and Forestry, referred to in this resolve as "the director," shall offer to convey, by quitclaim deed with covenant to Roosevelt Conference Center doing business as Eagle Lake Sporting Camps, and its successors and assigns, the land described in the lease of land in Township 16, Range 6 current as of the effective date of this resolve from the State to Eagle Lake Sporting Camps and such additional contiguous land as agreed to by the director and the purchaser to the east of the leased land for a total of 12.86 acres, subject to the State's retaining or withholding any rights to subdivide the land conveyed. In addition, the director shall offer to convey to Eagle Lake Sporting Camps an access right-of-way that is no greater than 66 feet wide along the service road to the Square Lake Road. The conveyance of the right-of-way must include conditions that allow Eagle Lake Sporting Camps to maintain the road and make road improvements after acquiring prior written approval from the State. If Eagle Lake Sporting Camps accepts the offer, the director at the State's expense and the purchaser at the purchaser's expense each shall obtain a professional appraisal of the property to be conveyed under this resolve and the higher of the 2 appraisals is the sale price. The use of the property conveyed is restricted to the operation of a commercial sporting camp, in keeping with the historical traditions of the area in general and particularly of this property. If at any time following conveyance the property is no longer used for the purpose described in this section, title to the property reverts to the State without cost and any buildings that occupy the site must be removed by the owner at the owner's own cost upon request of the State. The owner has 180 days from the date of notice to remove buildings. After 180 days from the date of notice, ownership of any buildings remaining on the property reverts to the State.

The director shall ensure that the deed conveying the land contains the following covenant, or words to such effect: As a condition of the conveyance of the property, Eagle Lake Sporting Camps and its successors and assigns agree that they will never ask for any changes to the deed and that they will neither ask for nor accept any further grants of land from the State other than the 12.86-acre parcel conveyed pursuant to this resolve. A violation of this covenant results in the immediate reversion of the parcel to the State.

Resolve, To Require the Examination of Alternatives to the Service Provider Tax

Sec. 1. Examination of alternatives to the service provider tax. Resolved: That the Department of Health and Human Services in partnership with the Department of Administrative and Financial Services and other state agencies that the departments determine should be included shall examine the service provider tax imposed pursuant to the Maine Revised Statutes, Title 36, chapter 358 and alternatives to that tax. The departments shall submit a report on their findings and recommendations to the Joint Standing Committee on Taxation by March 1, 2020 describing the advantages and disadvantages of the service provider tax and alternatives that were examined. The committee may submit a bill related to the report to the Second Regular Session of the 129th Legislature.

S.P. 412 - L.D. 1324**

Resolve, To Establish the Committee To Study the Feasibility of Creating Basic Income Security

Sec. 1. Committee established. Resolved: That the Committee To Study the Feasibility of Creating Basic Income Security, referred to in this resolve as "the committee," is established.

Sec. 2. Committee membership. Resolved: That the committee consists of 11 members appointed as follows:

1. Three members of the Senate appointed by the President of the Senate, including a representative of each of the following joint standing committees:

- A. The Joint Standing Committee on Labor and Housing;
- B. The Joint Standing Committee on Health and Human Services; and
- C. The Joint Standing Committee on Taxation;

2. Three members of the House of Representatives appointed by the Speaker of the House, including a representative of each of the following joint standing committees:

- A. The Joint Standing Committee on Labor and Housing;

B. The Joint Standing Committee on Health and Human Services; and

C. The Joint Standing Committee on Innovation, Development, Economic Advancement and Business;

3. Two members of the public who represent low-wage workers and recipients of public benefits, appointed by the President of the Senate;

4. One member of the public who represents business and industry, appointed by the Speaker of the House;

5. One member who represents higher education, appointed by the Speaker of the House; and

6. One member who represents a trade union, appointed by the Governor.

Sec. 3. Chairs. Resolved: That the first-named Senate member is the Senate chair and the first-named House of Representatives member is the House chair of the committee.

Sec. 4. Appointments; convening of committee. Resolved: That all appointments must be made no later than 30 days following the effective date of this resolve. The appointing authorities shall notify the Executive Director of the Legislative Council once all appointments have been completed. After appointment of all members, the chairs shall call and convene the first meeting of the committee. If 30 days or more after the effective date of this resolve a majority of but not all appointments have been made, the chairs may request authority and the Legislative Council may grant authority for the committee to meet and conduct its business.

Sec. 5. Duties. Resolved: That the committee shall examine and make recommendations on the feasibility of providing basic economic security through a direct cash payment system and other programs that are designed to help individuals and families become more economically secure, including, but not limited to:

1. Tax rebates and credits, including strengthening the earned income tax credit and a negative income tax;
2. Universal basic income and unconditional cash transfers to residents of the State; and
3. Other direct cash benefit programs.

The committee shall also investigate the effectiveness of existing safety net programs, such as tax credit, child care and food supplement programs, and compare those programs to any recommended direct cash payment programs.

In fulfilling its duties under this section, the committee shall as necessary invite input from the Department of Administrative and Financial Services,

Bureau of Revenue Services and from the Governor's Office of Policy and Management.

Sec. 6. Staff assistance. Resolved: That the Legislative Council shall provide necessary staffing services to the committee, except that Legislative Council staff support is not authorized when the Legislature is in regular or special session.

Sec. 7. Report. Resolved: That, no later than November 4, 2020, the committee shall submit a report that includes its findings and recommendations, including suggested legislation, for presentation to the First Regular Session of the 130th Legislature.

Sec. 8. Outside funding. Resolved: That the committee shall seek funding contributions to fully fund the costs of the study. All funding is subject to approval by the Legislative Council in accordance with its policies. If sufficient contributions to fund the study have not been received within 30 days after the effective date of this resolve, no meetings are authorized and no expenses of any kind may be incurred or reimbursed.

Resolve, Establishing the Commission To Study the Economic, Environmental and Energy Benefits of Energy Storage to the Maine Electricity Industry

Sec. 1. Commission To Study the Economic, Environmental and Energy Benefits of Energy Storage to the Maine Electricity Industry established. Resolved: That the Commission To Study the Economic, Environmental and Energy Benefits of Energy Storage to the Maine Electricity Industry, referred to in this resolve as "the commission," is established.

Sec. 2. Membership. Resolved: That, notwithstanding Joint Rule 353, the commission consists of 14 members appointed as follows:

1. Two members of the Senate appointed by the President of the Senate, including a member from each of the 2 parties holding the largest number of seats in the Legislature;

2. Three members of the House of Representatives appointed by the Speaker of the House, including members from each of the 2 parties holding the largest number of seats in the Legislature;

3. Four public members, one of whom must be from the northern part of the State, appointed by the President of the Senate as follows:

- A. A representative of the energy storage industry;
- B. A representative of the hydroelectric energy storage industry;
- C. A representative of an electric utility in the State; and
- D. An academic in the field of energy storage;

4. Four public members appointed by the Speaker of the House as follows:

- A. A representative of a conservation organization;
- B. A representative of a business that uses significant electric power in the State;
- C. A representative of a large-scale energy storage owner; and
- D. A representative of a small-scale energy storage owner; and

5. The Public Advocate or the Public Advocate's designee.

Sec. 3. Commission chairs. Resolved: That the first-named Senator is the Senate chair of the commission and the first-named member of the House is the House chair of the commission.

Sec. 4. Appointments; convening of commission. Resolved: That all appointments must be made no later than 30 days following the effective date of this resolve. The appointing authorities shall notify the Executive Director of the Legislative Council once all appointments have been made. When the appointment of all members has been completed, the chairs of the commission shall call and convene the first meeting of the commission. If 30 days or more after the effective date of this resolve a majority of but not all appointments have been made, the chairs may request authority and the Legislative Council may grant authority for the commission to meet and conduct its business.

Sec. 5. Duties. Resolved: That the commission shall hold at least 4 meetings and shall:

1. Review and evaluate the economic, environmental and energy benefits of energy storage to the State's electricity industry, as well as public policy and economic proposals to create and maintain a sustainable future for energy storage in the State;

2. Consider the challenges of the broad electricity market in the State, including challenges with transmission and stranded renewable energy generation in the northern part of the State, and analyze whether energy storage is part of the transmission solution;

3. Consider whether the environmental, economic, resiliency and energy benefits of energy storage support updating the State's energy policy to strengthen and increase the role of energy storage throughout the State;

4. Consider the economic benefits of energy storage systems procurement targets, including benefits of cost savings to ratepayers from the provision of services, including energy price arbitrage, capacity, ancillary services and transmission and distribution asset deferral or substitution; direct cost savings to ratepayers that deploy energy storage systems; an improved ability to integrate renewable resources; improved reliability and power quality; the effect on retail electric rates over the life of a given energy storage system compared to the effect on retail electric rates using a nonenergy storage system alternative over the life of the nonenergy storage system alternative; reduced greenhouse gas emissions; and any other value reasonably related to the application of energy storage system technology and compare those economic benefits to the effects of leaving current policies in place;

5. Review economically efficient and effective implementation approaches to energy storage targets;

6. Consider bring-your-own-device programs that offer credits for sharing stored energy with electric utilities and storm outage and response management programs for behind-the-meter energy storage to reduce peak reduction and increase resiliency; and

7. Examine any other issues to further the purposes of the study.

In conducting the duties under this section, the commission shall seek public input and shall consult and collaborate with stakeholders and experts in the fields of economic development, natural resources and energy policy.

Sec. 6. Staff assistance. Resolved: That, notwithstanding Joint Rule 353, the Legislative Council shall provide necessary staffing services to the commission, except that Legislative Council staff support is not authorized when the Legislature is in regular or special session.

Sec. 7. Report. Resolved: That, no later than December 4, 2019, the commission shall submit a report to the Joint Standing Committee on Energy, Utilities and Technology that includes its findings and recommendations, including suggested legislation. The report may consider a review of economically efficient and effective implementation approaches for energy storage targets. The suggested legislation must include, but is not limited to, adopting procurement targets for the State for energy storage systems, both behind a customer meter and connected to transmission and distribution facilities, if proven beneficial for ratepayers in the cost-benefit analysis under section 5.

Resolve, Authorizing the Transfer of a Plot of Land from the State to the Town of Allagash

Preamble. The Constitution of Maine, Article IX, Section 23 requires that real estate held by the State for conservation or recreation purposes may not be reduced or its uses substantially altered except on the vote of 2/3 of all members elected to each House.

Whereas, the land authorized for transfer by this resolve is within the designations in the Maine Revised Statutes, Title 12, section 598-A; and

Whereas, the Director of the Bureau of Parks and Lands within the Department of Agriculture, Conservation and Forestry may sell, lease or exchange lands with the approval of the Legislature in accord-

ance with the Maine Revised Statutes, Title 12, sections 1814, 1837 and 1851; now, therefore, be it

Sec. 1. Director of Bureau of Parks and Lands to convey land. Resolved: That the Director of the Bureau of Parks and Lands within the Department of Agriculture, Conservation and Forestry shall offer to convey by quitclaim deed with covenant, at the cost of \$1,500, to the Town of Allagash, County of Aroostook for the establishment of a fueling facility for the local logging industry and off-road recreational vehicles, including, but not limited to, snowmobiles and all-terrain vehicles, the parcel of land situated on Route 161, otherwise known as Allagash Road, and Old Route 161 in the Town of Allagash and described in the records of the bureau as the Allagash Southeast project, Original Reservation parcel and having identification number 86-2298. The use of the property is restricted to the operation of a fueling facility and if at any time the property following conveyance is no longer used for the purpose as provided under this section, the title reverts to the State of Maine without cost and, upon request of the State of Maine, the site must be restored to its condition at the time of conveyance by the owners at their own cost. If the Town of Allagash does not establish a fueling facility as described by September 1, 2020, the title reverts to the State of Maine without cost and, upon request of the State of Maine, the site must be restored to its condition at the time of conveyance by the owners at their own cost.

Sec. 2. Appropriations and allocations. Resolved: That the following appropriations and allocations are made.

AGRICULTURE, CONSERVATION AND FORESTRY, DEPARTMENT OF

Land Management and Planning Z239

Initiative: Provides allocation for expenditures related to road building and road maintenance on public reserved lands.

CHAPTER 87
S.P. 284 - L.D. 994

**Resolve, To Require the
Approval by the Public Utilities
Commission of a Proposal for a
Long-term Contract for
Deep-water Offshore Wind
Energy**

Preamble. Whereas, legislative power is defined by limitation, not by grant, and is absolute except as restricted by the Constitution of Maine; and

Whereas, regulation of public utilities is a function of the Legislature, or a subordinate body, in the exercise of the police powers, as an attribute of sovereignty; and

Whereas, the Legislature's delegation of authority to the Public Utilities Commission may be withdrawn, modified or superseded in whole or in part from time to time by the Legislature by specific legislative act or resolve exercising the Legislature's absolute authority; and

Whereas, in 2010, the 124th Legislature enacted An Act To Implement the Recommendations of the Governor's Ocean Energy Task Force, Public Law 2009, chapter 615, finding that development of offshore wind energy projects in the Gulf of Maine is in the public interest; and

Whereas, Public Law 2009, chapter 615, Part A, section 6 directed the Public Utilities Commission to conduct a competitive solicitation for proposals for long-term contracts to supply installed capacity and associated renewable energy and renewable energy credits from one or more deep-water offshore wind energy or tidal energy demonstration projects and further directed the commission to make every effort to effectuate any such project; and

Whereas, on July 9, 2013, the Public Utilities Commission issued a request for proposals for long-term contracts for deep-water offshore wind energy pilot projects; and

Whereas, on August 30, 2013, Maine Aqua Ventus I, GP, LLC submitted a responsive proposal to the Public Utilities Commission in response to the request for proposals; and

Whereas, the Public Utilities Commission evaluated the Maine Aqua Ventus proposal and by orders issued February 13, 2014 and February 19, 2014 in Docket No. 2010-00235 selected Maine Aqua Ventus as the seller to transfer to Central Maine Power Company transmission and distribution capacity and associated energy produced by its deep-water offshore wind energy pilot project, subject to certain terms and conditions, referred to as "the term sheet," set forth in the February 13, 2014 and February 19, 2014 orders; and

Whereas, in its February 19, 2014 order approving the term sheet, the Public Utilities Commission found that Maine Aqua Ventus had satisfied each of the 6 criteria enacted by the Legislature in Public Law 2009, chapter 615, Part A, section 6, subsection 1, paragraphs A to F as prerequisites to ordering a transmission and distribution utility to enter into a long-term contract for the purchase of energy and capacity from Maine Aqua Ventus; and

Whereas, consistent with the terms and conditions set forth by the Public Utilities Commission in its February 2014 orders, Maine Aqua Ventus and Central Maine Power Company negotiated and drafted a long-term contract for capacity and associated energy following a series of meetings involving Maine Aqua Ventus, Central Maine Power Company, the Office of the Public Advocate and commission staff and legal counsel and filed the final draft with the Public Utilities Commission in December 2017; and

Whereas, in January 2018, the Public Utilities Commission delayed the contract's approval and solicited public comment on whether to reconsider the February 2014 orders approving the term sheet; and

Whereas, on June 12, 2018, the Public Utilities Commission decided, despite objections from Maine Aqua Ventus and the great majority of public commenters, to not act on the long-term contract between Maine Aqua Ventus and Central Maine Power Company filed with the commission in December 2017 and by order issued August 6, 2018 reopened the proceeding to reconsider the February 2014 orders; and

Whereas, since 2010, scientists and energy experts in the State and around the world have increasingly concluded that offshore wind will make a major contribution to the expansion of essential renewable energy generation, reducing reliance on fossil fuels

and greatly assisting in the transition to a reduced carbon future; and

Whereas, since 2010, offshore wind energy development has rapidly accelerated in southern New England and other states on the Atlantic Coast, with fixed-bottom offshore wind energy projects contracting to deliver thousands of megawatts of power to regional electricity consumers and hundreds of millions of dollars being invested in projects and related onshore logistical and construction support; and

Whereas, the finite locations available for siting fixed-bottom offshore wind energy projects in the State, the United States and much of the world limit such development, creating a clear need for and public interest in the prompt development of cost-effective floating offshore wind energy technology, especially for regions such as the Gulf of Maine that lack the shallow water and sandy ocean floor necessary for fixed-bottom technologies; and

Whereas, in 2019, floating offshore wind energy technology remains essential to the State to reach its carbon reduction goals in a cost-effective manner, to mitigate the destructive warming of the Gulf of Maine and to benefit the economy through becoming an international source of floating offshore wind energy technology and manufacturing; and

Whereas, the Legislature finds that the public interest in prompt action by the State to determine the feasibility of the Maine Aqua Ventus floating offshore wind energy technology in the Gulf of Maine requires that the Legislature make certain findings and require the Public Utilities Commission to order execution of the December 2017 long-term contract between Maine Aqua Ventus and Central Maine Power Company necessary to effectuate the deep-water offshore wind energy pilot project; and

Whereas, the Legislature finds that it is in the best interest of the State to approve the December 2017 long-term contract between Maine Aqua Ventus and Central Maine Power Company as previously negotiated and drafted except with only such revisions as may be commercially necessary in light of the passage of time and the maturation of the offshore wind industry so that the deep-water offshore wind energy pilot project may move forward expeditiously and generate the benefits to the State and its people sought by the Legislature in Public Law 2009, chapter 615 and subsequent legislation; now, therefore, be it

Sec. 1. Findings. Resolved: That, notwithstanding any provision of law to the contrary or prior action or failure to act by the Public Utilities Commission, in order to best and most expeditiously effectuate the policies, goals and mandates set forth in the Maine Revised Statutes, Title 35-A, section 3202, subsection 1 and Title 35-A, section 3404, subsections 1 and 2; complete the competitive solicitation initiated by en-

actment of Public Law 2009, chapter 615, Part A, section 6; and make every effort to effectuate the Maine Aqua Ventus I, GP, LLC floating deep-water offshore wind energy demonstration project, the Legislature:

1. Finds that based on information filed by Maine Aqua Ventus I, GP, LLC, referred to in this resolve as "Maine Aqua Ventus," and others in the Public Utilities Commission Docket No. 2010-00235 and information otherwise in the public domain regarding the rapid worldwide development of offshore wind energy since 2010 and most recently offshore of the states of Massachusetts, Rhode Island, Connecticut, New York, New Jersey, Maryland and Virginia, including hundreds of millions of dollars of planned investment in onshore logistical support and construction, the Public Utilities Commission correctly concluded in its February 19, 2014 order that Maine Aqua Ventus, referred to in this subsection as "the supplier," had satisfied each of the 6 criteria enacted by the Legislature in Public Law 2009, chapter 615, Part A, section 6, subsection 1, paragraphs A to F, as follows:

A. "Supplier proposes sale of renewable energy produced by a deep-water offshore wind energy pilot project or a tidal energy demonstration project as defined in this RFP";

B. "Supplier has the technical and financial capacity to develop, construct, operate and, to the extent consistent with applicable federal law, decommission and remove the project in the manner provided by Title 38, section 480-HH, subsection 3, paragraph G";

C. "Supplier has quantified the tangible economic benefits of the project to the State, including those regarding goods and services to be purchased and use of local suppliers, contractors and other professionals, during the proposed term of the contract";

D. "Supplier has experience relevant to tidal power or the offshore wind energy industry, as applicable, including, in the case of a deep-water offshore wind energy pilot project proposal, experience relevant to the construction and operation of floating wind turbines, and has the potential to construct a deep-water offshore wind energy project 100 megawatts or greater in capacity in the future to provide electric consumers in Maine with project-generated power at reduced rates";

E. "Supplier has demonstrated a commitment to invest in manufacturing facilities in Maine that are related to deep-water offshore wind energy or tidal energy, as applicable, including, but not limited to, component, turbine, blade, foundation or maintenance facilities"; and

F. "Supplier has taken advantage of all federal support for the project, including subsidies, tax

incentives and grants, and incorporated those resources into its bid price";

2. Finds that the development and operation of Maine Aqua Ventus technology under the long-term contract will:

A. Meet and surpass the substantial economic and professional opportunities and other societal benefits to the State anticipated by the Legislature in Public Law 2009, chapter 615 and subsequent legislation;

B. Provide benefits to providers of supervisory control and data acquisition systems and other monitoring services, systems controls providers, marine and construction engineering firms, marine transport services technology apprenticeship programs and other industries and service providers in the State;

C. Promote the public interest in development of reasonably priced, high load factor, winter-peaking renewable energy at projected and stable rates to serve the State and the regional power grid; and

D. Achieve several public purposes, including creating offshore-wind-related employment in the State, decreasing reliance on fossil fuels and increasing availability of renewable energy, mitigating the destructive warming of the Gulf of Maine and greatly assisting the State in achieving its carbon reduction goals; and

3. Finds that the public interest requires that the State Government maintain consistent, transparent and predictable regulatory processes and that the State Government thus be known to the world to keep its word.

Sec. 2. Maine Aqua Ventus to file draft contract with Public Utilities Commission. Resolved: That, within 15 days of the effective date of this resolve, Maine Aqua Ventus shall file with the Public Utilities Commission a draft revised contract, which must be the same as the contract filed with the commission on December 13, 2017, in Docket No. 2010-00235, except for revisions necessary for the purposes of updating the previously negotiated contract in light of the passage of time and the maturation of the industry and facilitating the financing, construction and operation of the demonstration project in current circumstances.

Sec. 3. Contract negotiations; final draft contract. Resolved: That, within 60 days after the filing of the draft revised contract under section 2, the Public Utilities Commission shall initiate and complete negotiations among commission staff, Maine Aqua Ventus, Central Maine Power Company and the Office of the Public Advocate and shall approve a final draft contract. The final draft contract must be the

same as the contract filed with the commission on December 13, 2017, in Docket No. 2010-00235, except for revisions necessary for the purposes of updating the contract in light of the passage of time and the maturation of the industry and facilitating the financing, construction and operation of the demonstration project in current circumstances, within the cost limitations established in Public Law 2009, chapter 615, while not increasing or decreasing the annual energy production cap or, except as needed to reasonably accommodate for construction inflation costs since 2014, the cost per kilowatt-hour previously set in the base energy price.

Sec. 4. Contract executed between Maine Aqua Ventus and Central Maine Power Company; cost recovery. Resolved: That, within 90 days of the effective date of this resolve, the Public Utilities Commission shall order the final draft contract approved under section 3 to be executed by Maine Aqua Ventus and Central Maine Power Company. The commission shall permit a transmission and distribution utility that it has directed to enter into a long-term contract under this section to recover the full cost of the purchases made under that contract in appropriate rate-making proceedings.

Sec. 5. Project monitoring; contract amendments. Resolved: That the Public Utilities Commission shall monitor the deep-water offshore wind energy pilot project developed by Maine Aqua Ventus and shall advise and consult with the parties to the project with regard to the exploration, assessment and implementation of all commercially reasonable actions to accomplish the objectives of Public Law 2009, chapter 615 through the financing, construction and operation of the demonstration project. The commission shall approve requested amendments to the contract executed under section 4 between Maine Aqua Ventus and Central Maine Power Company that are reasonably designed to accomplish the objectives of Public Law 2009, chapter 615 and to facilitate the financing and operation of the deep-water offshore wind energy pilot project as Maine Aqua Ventus may request from time to time, except that an amendment to the contract may not modify the annual energy production cap or, except as needed to reasonably accommodate for construction inflation costs since 2014, the cost per kilowatt-hour set in the base energy price under the contract.

Sec. 6. Authority for legislation. Resolved: That the Joint Standing Committee on Energy, Utilities and Technology may report out a bill relating to deep-water offshore wind energy to the Second Regular Session of the 129th Legislature.

**Resolve, To Require the
Department of Health and
Human Services To Develop a
Plan for Neurobehavioral Beds**

Sec. 1. Department of Health and Human Services to develop a plan for neurobehavioral beds. Resolved: That the Department of Health and Human Services shall develop a plan to provide up to 16 new neurobehavioral beds in the State to serve individuals with brain injury and accompanying significant behavioral challenges who need short-term treatment for no longer than one year before transitioning to a long-term care environment. These individuals must be unable to be served appropriately in the community or in a nursing facility lacking specialized neurobehavioral services but must not need hospitalization. The department shall submit a report with the plan, together with any necessary legislation, to the Joint Standing Committee on Health and Human Services no later than January 30, 2020. The committee is authorized to report out a bill based on the report to the Second Regular Session of the 129th Legislature.

**Resolve, Directing the
Department of Transportation
To Incorporate Transportation
Demand Management
Strategies in Its Rules
Pertaining to Traffic
Movement Permits**

Sec. 1. Formation of stakeholder group. Resolved: That the Commissioner of Transportation shall form a stakeholder group to review Chapter 305 of the Department of Transportation's rules pertaining to the traffic movement permit process established in the Maine Revised Statutes, Title 23, section 704-A.

Sec. 2. Traffic movement permit recommendations. Resolved: That the stakeholder group under section 1 shall develop and evaluate recommendations for incorporation into the traffic movement permit process of the following:

1. Feasible transportation demand management strategies that must be considered when analyzing the widening of roadways;
2. A requirement that all applicants for a traffic movement permit analyze all modes of transportation

reasonably related to a project, including but not limited to modes such as vehicle, pedestrian, bicycle, transit and trail use; and

3. Standards to be used by applicants for a traffic movement permit to evaluate the impacts on each mode of transportation reasonably related to a project and strategies to mitigate those impacts, including thresholds for applying those standards to a project and allowing an entity proposing a project that does not meet the thresholds to opt in to using those standards.

Sec. 3. Rulemaking. Resolved: That the Commissioner of Transportation shall submit major substantive rules amending the traffic movement permit process under the Maine Revised Statutes, Title 23, section 704-A, based on the findings and recommendations of the stakeholder group under section 2, no later than February 1, 2020.

Sec. 4. Authorization to introduce a bill. Resolved: That the Commissioner of Transportation shall identify and recommend to the Joint Standing Committee on Transportation any provision in law that may need to be amended to achieve the recommendations of the stakeholder group under section 2. The joint standing committee may introduce a bill amending the provisions of law identified by the commissioner during the Second Regular Session of the 129th Legislature.

**CHAPTER 90
H.P. 569 - L.D. 764**

**Resolve, To Create the
Criminal Records Review
Committee**

Emergency preamble. Whereas, acts and resolves of the Legislature do not become effective until 90 days after adjournment unless enacted as emergencies; and

Whereas, the definition of appropriate access to criminal records is evolving as society changes its thinking with regard to sentencing, punishment, rehabilitation and fresh starts; and

Whereas, the treatment of convictions for conduct that is no longer criminal is subject to reevaluation; and

Whereas, the separation of powers concept enshrined in the Constitution of Maine limits the options available for reducing access to criminal records; and

Whereas, the Criminal Records Review Committee is established in this resolve to develop a pro-

posed policy on the appropriate access to criminal records; and

Whereas, the work of the committee must be initiated before the 90-day period expires in order that the work may be completed and a report submitted in time for submission to the next legislative session; and

Whereas, in the judgment of the Legislature, these facts create an emergency within the meaning of the Constitution of Maine and require the following legislation as immediately necessary for the preservation of the public peace, health and safety; now, therefore, be it

Sec. 1. Review committee established. Resolved: That the Criminal Records Review Committee, referred to in this resolve as "the review committee," is established.

Sec. 2. Review committee membership. Resolved: That, notwithstanding Joint Rule 353, the review committee consists of 15 members appointed as follows:

1. Two members of the Senate appointed by the President of the Senate, including one member from each of the 2 parties holding the largest number of seats in the Legislature;
2. Three members of the House of Representatives appointed by the Speaker of the House of Representatives, including at least one member from each of the 2 parties holding the largest number of seats in the Legislature;
3. The Attorney General or the Attorney General's designee;
4. The Commissioner of Public Safety or the commissioner's designee;
5. The President of the Maine Prosecutors Association or the president's designee;
6. The President of the Maine Association of Criminal Defense Lawyers or the president's designee;
7. The President of the Maine Sheriffs' Association or the president's designee;
8. A representative of a civil rights organization whose primary mission includes the advancement of racial justice, appointed by the President of the Senate;
9. A representative of a nonprofit organization whose mission includes advocating for victims and survivors of domestic violence or sexual assault, appointed by the President of the Senate;
10. A representative of a civil liberties organization whose primary mission is the protection of civil liberties, appointed by the Speaker of the House of Representatives; and
11. A representative of a nonprofit organization whose primary mission is to advocate for victims and

survivors of sexual exploitation and sex trafficking, appointed by the Speaker of the House of Representatives.

The review committee shall invite the Chief Justice of the Supreme Judicial Court to designate a member of the judicial branch to serve as a member of the committee.

Sec. 3. Chairs. Resolved: That the first-named Senate member is the Senate chair and the first-named House of Representatives member is the House chair of the review committee.

Sec. 4. Appointments; convening of review committee. Resolved: That all appointments must be made no later than 30 days following the effective date of this resolve. The appointing authorities shall notify the Executive Director of the Legislative Council once all appointments have been completed. After appointment of all members, the chairs shall call and convene the first meeting of the review committee. If 30 days or more after the effective date of this resolve a majority of but not all appointments have been made, the chairs may request authority and the Legislative Council may grant authority for the review committee to meet and conduct its business.

Sec. 5. Duties. Resolved: That the review committee shall:

1. Review activities in other states that address the expungement of, sealing of and otherwise limiting public access to criminal records;
2. Consider whether the following convictions should be subject to different treatment:
 - A. Convictions for conduct that has been decriminalized in this State over the last 10 years and conduct that is currently under consideration for decriminalization; and
 - B. Convictions for conduct that was committed by victims and survivors of sexual exploitation and sex trafficking;
3. Consider whether there is a time limit after which some or all criminal records should not be publicly available;
4. Invite comments and suggestions from interested parties, including but not limited to victim advocates and prison and correctional reform organizations;
5. Review existing information about the harms and benefits of making criminal records confidential;
6. Invite comments and suggestions concerning the procedures and processes to limit public accessibility of criminal records;
7. Consider who, if anyone, should continue to have access to criminal records that are not publicly available; and

8. Develop options to manage criminal records.

Sec. 6. Staff assistance. Resolved: That the Legislative Council shall provide necessary staffing services to the review committee, except that Legislative Council staff support is not authorized when the Legislature is in regular or special session.

Sec. 7. Report. Resolved: That, no later than December 4, 2019, the review committee shall submit to the Joint Standing Committee on Judiciary a report that includes its findings and recommendations, including suggested legislation, for presentation to the Second Regular Session of the 129th Legislature.

Sec. 8. Outside funding. Resolved: That the review committee shall seek funding contributions to fully fund the costs of the study. All funding is subject to approval by the Legislative Council in accordance with its policies. If sufficient contributions to fund the study have not been received within 30 days after the effective date of this resolve, no meetings are authorized and no expenses of any kind may be incurred or reimbursed.

Sec. 9. Appropriations and allocations. Resolved: That the following appropriations and allocations are made.

CHAPTER 91

H.P. 943 - L.D. 1300

Resolve, To Transfer the Guilford Butler School Property to the Town of South Thomaston

Emergency preamble. Whereas, acts and resolves of the Legislature do not become effective until 90 days after adjournment unless enacted as emergencies; and

Whereas, officials of the Town of South Thomaston have expressed a desire that the property transaction described in this legislation be executed as soon as possible, as a determination on the disposition of the building on the property must soon be made; and

Whereas, in the judgment of the Legislature, these facts create an emergency within the meaning of the Constitution of Maine and require the following legislation as immediately necessary for the preservation of the public peace, health and safety; now, therefore, be it

Sec. 1. Definitions. Resolved: That, as used in this resolve, unless the context otherwise indicates, the following terms have the following meanings.

1. "Commissioner" means the Commissioner of Administrative and Financial Services.
2. "State property" means the real estate described in section 3 with the buildings and improvements, together with all appurtenant rights and easements, and all personal property located on that property, including vehicles, machinery, equipment and supplies.

Sec. 2. Authority to convey state property. Resolved: That, notwithstanding any other law, the State, by and through the commissioner, may:

1. Convey the interests of the State in the state property to the Town of South Thomaston;
2. Negotiate, draft, execute and deliver any documents necessary to settle any boundary line discrepancies;
3. Exercise, pursuant to the Maine Revised Statutes, Title 23, chapter 3, the power of eminent domain to quiet for all time any possible challenges to ownership of the state property;
4. Negotiate, draft, execute and deliver any easements or other rights that, in the commissioner's discretion, may contribute to the value of a proposed conveyance of the State's interests; and
5. Release any interests in the state property that, in the commissioner's discretion, do not contribute to the value of the remaining state property.

Sec. 3. Property interests that may be conveyed. Resolved: That the state property authorized to be conveyed is a parcel of land described in a deed dated June 14, 1954 from Amos Makinen of South Thomaston to the Maine School Building Authority, recorded in Book 336, Page 135, Knox County Registry of Deeds.

Sec. 4. Property to be conveyed "as is." Resolved: That the commissioner may convey the state property without consideration upon terms the commissioner considers appropriate; however, the state property must be conveyed "as is," with no representations or warranties.

Title must be transferred by quitclaim deed without covenant and executed by the commissioner.

Sec. 5. Exemptions. Resolved: That any conveyance pursuant to this resolve is exempt from any statutory or regulatory requirement that the state property first be offered to the Maine State Housing Authority or another state or local agency.

Sec. 6. Repeal. Resolved: That this resolve is repealed 5 years from its effective date.

Emergency clause. In view of the emergency cited in the preamble, this legislation takes effect when approved.

Effective June 20, 2019.

Resolve, Requiring the Department of Health and Human Services To Develop More Comprehensible MaineCare Benefit Letters

Sec. 1. Department of Health and Human Services to develop more comprehensible MaineCare benefit letters. Resolved: That the Department of Health and Human Services shall examine the letters the department sends notifying individuals of their eligibility for MaineCare and the Medicare savings program, also known as the Medicare buy-in program, and make changes to the letters to ensure the format and language of the letters are as user-friendly and comprehensible as possible. The department shall investigate the possibility of a letter that includes a tear-off or cut-out section for use as proof of eligibility for persons eligible for the Medicare savings program to carry if they do not otherwise receive a card from the department for this purpose. Any changes to the letters and proof of eligibility section must be made within existing resources.

Sec. 2. Report. Resolved: That the Department of Health and Human Services shall submit a report to the joint standing committee of the Legislature having jurisdiction over health and human services matters describing any changes to the letters and cards pursuant to section 1. The report must be submitted by February 1, 2021.

See title page for effective date.

Resolve, To Establish the Commission To Study Children's Mental Health

Emergency preamble. Whereas, acts and resolves of the Legislature do not become effective until 90 days after adjournment unless enacted as emergencies; and

Whereas, this resolve establishes the Commission To Study Children's Mental Health to study the mental health of children in the State and federal and state laws, regulations, rules and policies governing the diagnosis and treatment of children with mental health issues; and

Whereas, the study must be initiated before the 90-day period expires in order that the study may be completed and a report submitted in time for submission to the next legislative session; and

Whereas, in the judgment of the Legislature, these facts create an emergency within the meaning of the Constitution of Maine and require the following legislation as immediately necessary for the preservation of the public peace, health and safety; now, therefore, be it

Sec. 1. Commission established. Resolved: That the Commission To Study Children's Mental Health, referred to in this resolve as "the commission," is established.

Sec. 2. Commission membership. Resolved: That, notwithstanding Joint Rule 353, the commission consists of 11 members appointed as follows:

1. Two members of the Senate appointed by the President of the Senate, including a member from each of the 2 parties holding the largest number of seats in the Legislature;

2. Two members of the House of Representatives appointed by the Speaker of the House, including members from each of the 2 parties holding the largest number of seats in the Legislature;

3. Two parents of children with mental health issues, one appointed by the President of the Senate and one appointed by the Speaker of the House;

4. Three representatives of providers of mental health services to children in the State, 2 appointed by the President of the Senate and one appointed by the Speaker of the House;

5. The Commissioner of Health and Human Services or the commissioner's designee; and

6. The Commissioner of Education or the commissioner's designee.

Sec. 3. Chairs. Resolved: That the first-named Senate member is the Senate chair and the first-named House of Representatives member is the House chair of the commission.

Sec. 4. Appointments; convening of commission. Resolved: That all appointments must be made no later than 30 days following the effective date of this resolve. The appointing authorities shall notify the Executive Director of the Legislative Council once all appointments have been completed. After appointment of all members, the chairs shall call and convene the first meeting of the commission. If 30 days or more after the effective date of this resolve a majority of but not all appointments have been made, the chairs may request authority and the Legislative Council may grant authority for the commission to meet and conduct its business.

Sec. 5. Duties. Resolved: That the commission shall study the mental health of children in the State and federal and state laws, regulations, rules and policies governing the diagnosis and treatment of children with mental health issues in the State.

Sec. 6. Staff assistance. Resolved: That the Department of Health and Human Services shall provide necessary staffing services to the commission.

Sec. 7. Report. Resolved: That, no later than December 4, 2019, the commission shall submit a report that includes its findings and recommendations, including suggested legislation, for presentation to the Second Regular Session of the 129th Legislature.

Emergency clause. In view of the emergency cited in the preamble, this legislation takes effect when approved.

H.P. 700 - L.D. 945

Resolve, To Establish the Blue Ribbon Commission To Study and Recommend Funding Solutions for the State's Transportation Systems

Emergency preamble. Whereas, acts and resolves of the Legislature do not become effective until 90 days after adjournment unless enacted as emergencies; and

Whereas, this legislation establishes the Blue Ribbon Commission To Study and Recommend Funding Solutions for the State's Transportation Systems; and

Whereas, the study must be initiated before the 90-day period expires in order that the study may be completed and a report submitted in time for submission to the next legislative session; and

Whereas, adequate, sustainable and predictable transportation funding is critical to the safety and economic well-being of all the State's citizens; and

Whereas, funding for transportation infrastructure in the State and the nation is seriously lacking; and

Whereas, the shortfall in funding related to the State's state highway and bridge system is at least \$160 million per year, without consideration of general obligation bonding; and

Whereas, general obligation bonding levels are unpredictable due to the current short-term focus of the process that determines bonding levels and priorities, a process that usually takes place late in a legisla-

tive session after finalization of the biennial budget, if at all; and

Whereas, higher fuel efficiency vehicles and alternative fuel vehicles continue to erode the funding provided by per gallon fuel taxes and increases the inequity between drivers in terms of the fee paid per mile for use of the state highway and bridge system; and

Whereas, fuel prices are relatively low but will likely rise in the years ahead; and

Whereas, about 37 million people visit the State each year, which has a year-round population of about 1.3 million people, and the capacity and a significant portion of the cost of the State's transportation systems are driven by seasonal traffic volumes that swell due to our valued visitors from away; and

Whereas, through years of capital planning, prioritization and efficiency initiatives, the Department of Transportation has proven that it uses funding efficiently and effectively and can be trusted to do so with additional funding; and

Whereas, federal transportation funding is unpredictable, the federal Fixing America's Surface Transportation Act will expire in 2020 and there is no guarantee, in this federal environment, of a stable funding solution in the future; and

Whereas, other states are finding transportation funding solutions, the State has an obligation to all the State's citizens to seek funding solutions now; and

Whereas, a bipartisan blue ribbon commission charged with analyzing options and recommending legislation is the best way to reform and supplement transportation funding in Maine; and

Whereas, in the judgment of the Legislature, these facts create an emergency within the meaning of the Constitution of Maine and require the following legislation as immediately necessary for the preservation of the public peace, health and safety; now, therefore, be it

Sec. 1. Commission established. Resolved: That the Blue Ribbon Commission To Study and Recommend Funding Solutions for the State's Transportation Systems, referred to in this resolve as "the commission," is established.

Sec. 2. Commission membership. Resolved: That, notwithstanding Joint Rule 353, the commission consists of 15 members as follows:

1. Three members appointed by the President of the Senate, at least one of whom is from the minority party in the Senate, including at least one member of the Joint Standing Committee on Transportation, and at least one member of either the Joint Standing Committee on Appropriations and Financial Affairs or the Joint Standing Committee on Taxation;

2. One member appointed by the President of the Senate representing an organization of municipal or public works officials;

3. Four members appointed by the Speaker of the House of Representatives, at least one of whom is from the minority party in the House, including at least one member of the Joint Standing Committee on Transportation, and at least one member of either the Joint Standing Committee on Appropriations and Financial Affairs or the Joint Standing Committee on Taxation;

4. One member appointed by the Speaker of the House of Representatives representing freight or passenger rail interests;

5. One member appointed by the Governor representing an organization advocating for proper maintenance and funding of the State's transportation networks, including construction companies that build and maintain or engineer and design the State's transportation infrastructure;

6. One member appointed by the Governor representing an organization advocating for the interests of commercial companies moving bulk goods on the State's road networks;

7. One member appointed by the Governor representing an organization advocating for public transportation services;

8. One member appointed by the Governor representing bicyclist or pedestrian needs;

9. The Commissioner of Transportation, or the commissioner's designee; and

10. The Executive Director of the Maine Turnpike Authority, or the director's designee.

Sec. 3. Chairs. Resolved: That, notwithstanding Joint Rule 353, the first-named Senate member of the Joint Standing Committee on Transportation and the first-named House member of the Joint Standing Committee on Transportation shall serve as co-chairs of the commission.

Sec. 4. Appointments; convening of commission. Resolved: That, notwithstanding Joint Rule 353, all appointments must be made no later than 30 days following the effective date of this resolve. The appointing authorities shall notify the Executive Director of the Legislative Council once all appointments have been completed. After appointment of all members, the chairs shall call and convene the first meeting of the commission. If 30 days or more after the effective date of this resolve a majority of but not all appointments have been made, the chairs may request authority and the Legislative Council may grant authority for the commission to meet and conduct its business.

Sec. 5. Duties. Resolved: That the commission shall study how to reform and adequately supplement funding for the State's transportation infrastructure to promote equity, sustainability and predictability so that the State can responsibly provide safe and reliable state transportation systems. The commission shall focus on funding the state highway and bridge system and shall also develop findings or recommendations on the need and potential funding solutions for multimodal transportation infrastructure. Specific study topics may include, but are not limited to, the following:

1. A review related to the funding levels necessary to achieve the capital improvement plan goals set forth in the Maine Revised Statutes, Title 23, section 73, subsection 7, including anticipated shortfalls for the next 10 years, and a review of whether the capital improvement plan goals set forth in Title 23, section 73, subsection 7 are still appropriate and valid;

2. Mechanisms to increase the predictability of general obligation bonding levels for capital planning at the Department of Transportation for the state highway and bridge system and multimodal infrastructure for the next 10 years;

3. Mechanisms to address the erosion of Highway Fund receipts and the rising inequity between drivers caused by higher automobile fuel efficiency and alternative fuel vehicles such as adding a registration fee surcharge on hybrid, electric or other alternative fuel passenger automobiles;

4. A voluntary vehicle miles traveled pilot program for passenger automobiles;

5. Methods to more equitably share the costs of the highway system between residents and nonresidents;

6. Consideration of new highway tolling opportunities;

7. Consideration of dedicating a portion of sales tax receipts from transportation-related sales to fund transportation needs; and

8. An increase of state funding for multimodal transportation, including increasing or augmenting the existing funding from the automobile rental sales tax.

The commission shall meet up to 6 times over the course of 2019 and shall hold public hearings and review recommendations from the people of the State and qualified experts when appropriate at no fewer than 3 locations throughout the State. The chairs shall also provide the opportunity for knowledgeable stakeholders to submit written comments throughout the study process and to provide oral testimony on the commission's draft recommendations. Knowledgeable stakeholders must include representatives from organizations representing economic development, transportation engineering and construction firms, highway

users, the Maine State Chamber of Commerce, municipal and public works organizations, trucking and shipping firms, bicyclists and pedestrians, conservation and environmental professionals and the tourism industry.

Sec. 6. Staff assistance. Resolved: That, notwithstanding Joint Rule 353, the Legislative Council shall provide necessary staffing services to the commission, except that Legislative Council staff support is not authorized when the Legislature is in regular or special session.

Sec. 7. Report. Resolved: That, no later than December 4, 2019, the commission shall submit a report that includes its findings and recommendations, including suggested legislation, for presentation to the Joint Standing Committee on Transportation. The Joint Standing Committee on Transportation may submit legislation for presentation to the Second Regular Session of the 129th Legislature.

Sec. 8. Appropriations and allocations. Resolved: That the following appropriations and allocations are made.

Resolve, To Establish a Pilot Project To Save Lives and Support People with Substance Use Disorder in Washington County

Emergency preamble. Whereas, acts and resolves of the Legislature do not become effective until

90 days after adjournment unless enacted as emergency; and

Whereas, substance use disorder is a crisis in Washington County requiring a systems approach to combat the issue; and

Whereas, a pilot project in Washington County developed without the need for state General Fund money must be evaluated and provide data allowing for replication in other rural areas of the State; and

Whereas, in the judgment of the Legislature, these facts create an emergency within the meaning of the Constitution of Maine and require the following legislation as immediately necessary for the preservation of the public peace, health and safety; now, therefore, be it

Sec. 1. Washington County Substance Use Disorder Pilot Project established. Resolved:

That the Department of Health and Human Services shall establish the Washington County Substance Use Disorder Pilot Project, referred to in this resolve as "the pilot project," to develop a systems approach to providing services in a rural area for residents of Washington County with substance use disorder through helping to coordinate service needs among organizations and providers to help bridge any gaps in services and ultimately assisting individuals in accessing treatment and recovery services when the individuals are ready. The department shall work with Healthy Acadia as the lead agency in Washington County for developing the pilot project. The department shall provide advice and assistance to Healthy Acadia in applying for federal grant funding from the United States Department of Health and Human Services, Substance Abuse and Mental Health Services Administration to fund the pilot project, including any requests for proposals required by this resolve.

Sec. 2. Telephone system. Resolved: That the Department of Health and Human Services shall work with Healthy Acadia to establish a central coordinating telephone system located in Washington County no later than January 1, 2020. The department may expand an existing hotline or use some other strategy to establish the telephone system. The telephone system must be staffed at all times so that it is available at any time to any person in Washington County. The telephone system must be made widely available to organizations in Washington County, including law enforcement, medical and emergency personnel, public officials, educational staff and members of the public, to connect those in need of substance use disorder treatment with counseling, referral services, peer services and recovery coaches and other related assistance. Telephone system staff answering the telephone calls must be qualified to provide counseling in addition to referral services. The department and the coordinating council shall develop a system that coordinates the central coordinating telephone system with

the State's 2-1-1 system to ensure maximum access for any person who calls the telephone system. The coordinating council shall determine a method to collect data relating to calls received by the telephone system.

Sec. 3. Washington County Coordinating Council. Resolved: That the Department of Health and Human Services shall work with Healthy Acadia to establish and support the Washington County Coordinating Council, referred to in this resolve as "the coordinating council," consisting of up to 15 members representing the community and organizations in Washington County and surrounding areas involved in substance use disorder prevention, treatment and recovery, including a representative from Healthy Acadia as lead agency; a representative from the Department of Health and Human Services; members of organizations representing health care, including primary care, emergency care, hospitals, mental health agencies and providers of substance use disorder treatment, including faith-based treatment; members of law enforcement, including county jails; organizations involved in education, prevention and advocacy; a person involved in the local business community; and persons in recovery living in the area. The coordinating council shall choose a chair to preside over meetings, and it shall meet at least once every 2 months. The Department of Health and Human Services shall work with Healthy Acadia to ensure that an executive assistant coordinates record keeping and meetings and other administrative tasks. The coordinating council shall coordinate services in the pilot project, including access to the telephone system established pursuant to section 2 and accuracy of information relating to services, medication-assisted treatment, detoxification, residential and other treatment services, peer recovery and coaching services, education programs in schools, pain and chronic disease self-management classes, jail treatment programs and other programs as well as tracking barriers to treatment and recovery, facilitating system improvements to reduce or eliminate identified barriers and implementing the recovery resource fund pursuant to section 4.

Sec. 4. Recovery resource fund. Resolved: That the Department of Health and Human Services shall assist the coordinating council with developing a recovery resource fund offering flexible funds as part of a wraparound continuum of supports and services to increase success for individuals in recovery from substance use disorder. The use of the fund is in accordance with the United States Department of Health and Human Services, Substance Abuse and Mental Health Services Administration requirements, with an individualized approach, building on family strengths and filling gaps in the system of care to purchase goods and services not otherwise available to the family. The coordinating council shall implement and administer the fund, including recovery coaches or other similar persons in the process, and work with organi-

zations and volunteers to secure additional funding. Payments from the fund are disbursed directly to providers of services and not as cash payments to the individual in recovery.

Sec. 5. Peer services and recovery coaching. Resolved: That the Department of Health and Human Services shall establish and support recovery coaching services to individuals with substance use disorder and to the families of those individuals in Washington County. A coordinator chosen by the coordinating council shall assist in developing, training and establishing peer supports and recovery coaches who provide volunteer services around Washington County, including ensuring that peers and recovery coaches are connected to persons in treatment and recovery, including through the telephone system established pursuant to section 2, and that peers and recovery coaches are available at all times, and in keeping track of the system of peers and recovery coaches. The department and the coordinator chosen by the coordinating council shall endeavor to provide assistance to volunteers such as recruiting, training, transportation assistance, facilitating connections to community organizations and other assistance.

Sec. 6. Evaluation program. Resolved: That the Department of Health and Human Services shall provide a report to the joint standing committee of the Legislature having jurisdiction over health and human services matters no later than November 30, 2022 outlining the planning and implementation of the pilot project, services provided pursuant to the pilot project, details regarding funding expenditures, quantitative and qualitative evaluation, including data collected from the telephone system, and replicability of the pilot project. The joint standing committee of the Legislature having jurisdiction over health and human services matters may report out legislation associated with the report to the First Regular Session of the 131st Legislature.

Emergency clause. In view of the emergency cited in the preamble, this legislation takes effect when approved.

Effective June 27, 2019.

Resolve, To Change the Educational Requirements of Certain Behavioral Health Professionals

Sec. 1. Department of Health and Human Services to amend rules governing educational requirements for behavioral health professionals providing home and community-based

treatment. Resolved: That, no later than January 1, 2020, the Department of Health and Human Services shall amend its rule Chapter 101, MaineCare Benefits Manual, Chapter II, Section 65 to change the educational requirements for behavioral health professionals providing services for children's home and community-based treatment to allow the following educational requirements:

1. A minimum of 60 higher education credit hours in a related field of social services, human services, health or education;
2. A minimum of 90 higher education credit hours in an unrelated field with the provider required to have a specific plan for supervision and training documented in the personnel file of the employee; or
3. A high school diploma or equivalent and a minimum of 3 years of direct experience working with children in a behavioral health children's services program with the provider required to have a specific plan for supervision and training documented in the personnel file of the employee.

The changes to educational requirements required by this resolve do not affect the requirements for behavioral health professional training and the prescribed time frames.

Sec. 2. Training within existing resources. Resolved: That the Department of Health and Human Services shall amend or establish contracts to train any additional number of individuals engaging in training to become behavioral health professionals providing children's home and community-based treatment services within existing resources. The department may make any changes necessary, including choosing to charge individuals or their employers fees for training, in order to offer training within existing resources.

See title page for effective date.

S.P. 508 - L.D. 1602

Resolve, Establishing the Working Group on Mental Health

Emergency preamble. Whereas, acts and resolves of the Legislature do not become effective until 90 days after adjournment unless enacted as emergencies; and

Whereas, this resolve establishes the Working Group on Mental Health to review the State's mental health system and propose a mental health plan for the State; and

Whereas, community-based mental health services are the foundation for a healthy Maine, and the State is currently housing too many people with behavioral health needs in jails and emergency rooms; and

Whereas, the review must be initiated before the 90-day period expires in order that the study may be completed and a report submitted in time for submission to the next legislative session; and

Whereas, in the judgment of the Legislature, these facts create an emergency within the meaning of the Constitution of Maine and require the following legislation as immediately necessary for the preservation of the public peace, health and safety; now, therefore, be it

Sec. 1. Working group established. Resolved: That the Working Group on Mental Health, referred to in this resolve as "the working group," is established to review the State's mental health system and propose a mental health plan for the State.

Sec. 2. Working group membership. Resolved: That, notwithstanding Joint Rule 353, the working group consists of 18 members as follows:

1. Two members of the Senate appointed by the President of the Senate, including a member from each of the 2 parties holding the largest number of seats in the Legislature;
2. One member representing the National Alliance on Mental Illness Maine organization appointed by the President of the Senate;
3. One member representing the Consumer Council System of Maine appointed by the President of the Senate;
4. One member representing hospitals in the State appointed by the President of the Senate;
5. One member representing providers at federally qualified health centers appointed by the President of the Senate;
6. One member representing municipal law enforcement agencies appointed by the President of the Senate;
7. One member representing community mental health providers appointed by the President of the Senate;
8. Two members of the House of Representatives appointed by the Speaker of the House, including a member from each of the 2 parties holding the largest number of seats in the Legislature;
9. Two members who are consumers of mental health services with different lived experiences appointed by the Speaker of the House;

10. One member representing Disability Rights Maine appointed by the Speaker of the House;

11. One member representing providers of homeless shelter services appointed by the Speaker of the House;

12. One member representing the Maine Sheriffs' Association appointed by the Speaker of the House;

13. One member representing providers of substance use disorder treatment appointed by the Speaker of the House;

14. The Commissioner of Health and Human Services or the commissioner's designee; and

15. The Commissioner of Corrections or the commissioner's designee.

The chairs of the working group shall invite the participation on the working group of a representative of the Judicial Department.

Sec. 3. Chairs. Resolved: That the first-named Senate member is the Senate chair and the first-named House of Representatives member is the House chair of the working group.

Sec. 4. Appointments; convening of working group. Resolved: That all appointments must be made no later than 30 days following the effective date of this resolve. The appointing authorities shall notify the Executive Director of the Legislative Council once all appointments have been completed. After appointment of all members, the chairs shall call and convene the first meeting of the working group. If 30 days or more after the effective date of this resolve a majority of but not all appointments have been made, the chairs may request authority and the Legislative Council may grant authority for the working group to meet and conduct its business.

Sec. 5. Duties. Resolved: That the working group shall review the State's mental health system and propose a mental health plan for the State. As part of its review, the working group shall examine:

1. Information on total state and federal dollars spent on children's and adult behavioral health care as coded by Medicaid and where those dollars are currently spent;

2. Access to mental health care in the State, including issues associated with waiting lists, geographic barriers to access and lack of adequate reimbursement to community-based programs that prevents those programs from reaching optimum capacity;

3. The quality of outcomes;

4. The costs required to provide mental health services in emergency rooms, inpatient settings, homeless shelters, jails and prisons as compared with the costs required to provide mental health services such as medication management, daily living support, peer

support and other therapies provided in community-based settings;

5. An assessment of assets and deficits; and

6. The projected effect of MaineCare expansion on the provision of mental health services.

Based on the information collected pursuant to this section, the working group shall propose a mental health plan for the State.

Sec. 6. Staff assistance. Resolved: That the Department of Health and Human Services shall provide necessary staffing services to the working group.

Sec. 7. Report. Resolved: That, no later than December 4, 2019, the working group shall submit a report that includes its proposed mental health plan for the State under section 5, including suggested legislation, for presentation to the Joint Standing Committee on Health and Human Services, the Joint Standing Committee on Criminal Justice and Public Safety, the Joint Standing Committee on Judiciary and the Joint Standing Committee on Appropriations and Financial Affairs.

Emergency clause. In view of the emergency cited in the preamble, this legislation takes effect when approved.

Effective June 28, 2019.

H.P. 1080 - L.D. 1478

Resolve, Regarding Legislative Review of Portions of Chapter 115: The Credentialing of Education Personnel, a Late-filed Major Substantive Rule of the Department of Education

Sec. 1. Adoption. Resolved: That final adoption of portions of Department of Education rule Chapter 115: The Credentialing of Education Personnel, a provisionally adopted major substantive rule of the Department of Education, referred to in this section as "the department," that has been submitted to the Legislature for review pursuant to the Maine Revised Statutes, Title 5, chapter 375, subchapter 2-A outside the legislative rule acceptance period, is authorized only if the following changes are made:

1. The rule must be amended in Part I, Section 6(1)(A)(4) to require as a general qualification for certification by the department that the applicant hold a bachelor's degree from a regionally accredited college or university;

2. The rule must be amended in Part I, Section 6 to provide eligibility for certification by the department for an applicant who, within 7 years prior to applying for certification, has 5 years of valid teaching experience under an appropriate comparable certificate in the same certification subject area and has completed a bachelor's degree or graduate degree from a regionally accredited college or university;

3. The rule must be amended in Part I, Section 6 to clarify that the in-service training eligibility criteria for an applicant for renewal of a certified educational technician certificate requires completion of 45 hours of such in-service training;

4. The rule must be amended in Part I, Section 6 to clarify that the condition under that subparagraph requires that the individual has no interruption in service, excluding normal school vacations, paid leave and unpaid leave;

5. The rule must be amended in Part II, Section 1.2(A) regarding Endorsement 020: Elementary Teacher as follows:

A. The endorsement must allow the holder to teach students in the grade span of kindergarten to grade 8 until July 1, 2022; and

B. Beginning July 1, 2022, the endorsement must allow the holder to teach students in the grade span of kindergarten to grade 6;

6. The rule must be amended in Part II, Section 1.2(B)(2) regarding Endorsement 020: Elementary Teacher to require as an eligibility criterion for Endorsement Eligibility Pathway 2 that the applicant has passed pedagogical knowledge and skills assessment at the appropriate grade span, in accordance with Department of Education Reg. 13, or demonstrated successful completion of an approved alternative professional studies program;

7. The rule must be amended in Part II, Section 1.3(B)(2)(i) regarding Endorsement: Secondary Teacher to retain as an eligibility criterion for Endorsement Eligibility Pathway 2 that the applicant has completed a minimum of 6 semester hours in foundations of literacy and literacy methods relative to the subject area;

8. The rule must be amended in Part II, Section 1.4, regarding Secondary Teacher endorsement, as necessary, to include an Endorsement 710: Junior Reserve Officers' Training Corps teacher, which would allow the holder of that endorsement to serve as a Junior Reserve Officers' Training Corps teacher for students from grade 9 to grade 12. The internal 710 endorsement checklist must include that an applicant for such endorsement must be required to meet applicable general credentialing requirements in Part I of the rule and must be required to satisfy additional specific eligibility requirements as determined by the department

and as specified in Part II of the rule, except that the rule must provide that an applicant who does not meet such additional eligibility requirements under Part II of the rule is eligible for a conditional certificate for this endorsement upon a determination that the applicant has received a Junior Reserve Officers' Training Corps instructor certification from the United States Department of Defense in accordance with the applicable standards of the United States Department of Defense for senior military instructors and has completed a course approved by the department regarding the teaching of exceptional students in the regular classroom;

9. The rule must be amended in Part II, Section 1.3 regarding Endorsements: Middle Level Teacher, to retain the Middle Level Teacher endorsement with the following amendments:

A. In subsection (A) and subsection (B)(2)(a)(ii), remove the provisions regarding world language endorsements;

B. In subsection (B), specify that individuals who are not eligible through any pathway may be eligible for a conditional certificate;

C. In Endorsement Eligibility Pathway 1, remove the requirement of the completion of an approved course for teaching exceptional students in the regular classroom, which is already required elsewhere in the rule, and clarify that the applicant must have:

(1) Graduated from a state-approved program for the education of middle level teachers, together with a formal recommendation from the preparing institution for the endorsement being sought; and

(2) Earned a bachelor's degree from a regionally accredited college or university, in accordance with Part I, Section 6 of the rule;

D. In Endorsement Eligibility Pathway 2, amend the rule as follows:

(1) The applicant must have earned a bachelor's degree from a regionally accredited college or university, in accordance with Part I, Section 6 of the rule;

(2) The applicant does not have to hold a valid provisional or professional teaching certificate with a public preschool to grade 3, kindergarten to grade 6, grade 4 to grade 8, grade 6 to grade 12 or public preschool to grade 12 endorsement and instead must have completed a minimum of 24 semester hours in the area relevant to the middle school level endorsement being sought and that, for the purposes of this requirement, life and physical sciences must be aggregated and must include a minimum of 9 semester

hours in life sciences and a minimum of 9 semester hours in physical sciences; and

(3) The applicant must have passed a content area methods course, in accordance with Department of Education Reg. 13; and

E. The rule must be amended in the conditional certificate for endorsement to clarify that the applicant must have earned a bachelor's degree from a regionally accredited college or university in accordance with Part I, Section 6 of the rule and that the applicant must have completed a minimum of 24 semester hours in the areas relevant to the middle level teacher endorsement being sought and that the applicant is not required to hold a valid Maine provisional or professional teaching certificate with a public preschool to grade 3, kindergarten to grade 6, grade 4 to grade 8, grade 6 to grade 12 or public preschool to grade 12 endorsement;

10. The rule must be amended in Part II, Section 1.4(A) regarding Endorsement: 510, 517, 520, 614, 620, 625, 640, 670, 680 and 700, public preschool to grade 12, to describe endorsement area 700 as industrial arts/engineering and technology;

11. The rule must be amended in Part II, Section 1.11(B)(2)(e) and Part II, Section 1.11(B)(3)(c) regarding Endorsement 092: Literacy Specialist to retain that, in addition to having earned a master's degree in literacy and reading from a regionally accredited college or university in accordance with Part I, Section 6 of the rule, the applicant has earned graduate semester hours for a literacy and reading clinic encompassing course content in educational and instructional leadership, instructional supervision, adult learning theory and instructional coaching practices;

12. The rule must be amended in Part II, Section 1.12 regarding Certificate 215: Athletic Director to clarify that there are 2 steps and add the requirement that the applicant have completed an approved course for teaching exceptional students in the regular classroom;

13. The rule must be amended in Part II, Section 2.1(B)(3)(a)(iii), Part II, Section 2.1(B)(3)(b)(iii) and Part II, Section 2.1(B)(3)(c)(iii) regarding Endorsement 282: Teacher of Children with Disabilities to provide that, as an eligibility criterion under Endorsement Eligibility Pathways 1 to 3 for a conditional certificate for that endorsement, an applicant must have participated in an alternative certification and mentoring program designated by the department;

14. The rule must be amended in Part II, Section 2.2(B)(2)(a)(iii), Part II, Section 2.2(B)(2)(b)(iii) and Part II, Section 2.2(B)(2)(c)(iii) regarding Endorsement 286: Teacher of Children with Severe Disabilities to provide that, as an eligibility criterion under Endorsement Eligibility Pathways 1 to 3 for a condi-

tional certificate for that endorsement, an applicant must have participated in an alternative certification and mentoring program designated by the department;

15. The rule must be amended in Part II, Section 3 regarding Professional Teacher Certificate Based on Work Experience, by changing the title of Section 3 from "Professional Teacher Certificate Based on Work Experience" to "Professional Teacher Certificate Based on Authentic Field Experience";

16. The rule must be amended in Part II, Section 3 to require that the applicant have passed a content area assessment, in accordance with Department of Education Reg. 13, and passed a pedagogical knowledge and skills assessment in accordance with Department of Education Reg. 13 or demonstrated successful completion of an approved alternative professional studies program;

17. The rule must be amended in Part II, Section 4.2(B)(1)(c) regarding Endorsement 860: Cooperative Education Coordinator to provide that as a general endorsement eligibility criterion, for each endorsement, the applicant must have completed a minimum of one year of paid applied employment or teaching in the endorsement area during the 4 years preceding the initial application;

18. All necessary grammatical, formatting, punctuation and other technical nonsubstantive editing changes must be made to the rule, including, but not limited to, the removal of strikethrough or underlined letters or words remaining from prior drafts and edits and the amendment of inconsistent section, subsection, paragraph and subparagraph numbering or lettering in the rule, or any other inconsistent numbering and lettering in the rule, to ensure consistency in the sequential numbering and lettering of the rule; and

19. All other necessary changes must be made to the rule to ensure conformity throughout the rule and consistency with the provisions of this section.

The Department of Education is not required to hold hearings or undertake further proceedings prior to final adoption of the rule in accordance with this section.

Sec. 2. Report. Resolved: That the Department of Education, in consultation with the teacher preparation programs in the State, shall report to the Joint Standing Committee on Education and Cultural Affairs on the progress, steps taken and implementation of the transition of the Endorsement 020: Elementary from a grade span of kindergarten to grade 8 to a grade span of kindergarten to grade 6 pursuant to section 1, subsection 5 of this resolve. The department shall submit the report to the joint standing committee of the Legislature having jurisdiction over education and cultural affairs no later than March 1st of each year of the 3 years between the grade span changing

from kindergarten to grade 8 to kindergarten to grade 6.

Sec. 3. Funding in fiscal year 2019-20. Resolved: Notwithstanding any provision of law to the contrary, in fiscal year 2019-20 only, the Department of Education shall use funds within the Departmental Services, Other Special Revenue Funds account within the department to pay for the one-time programming charges and contracting staff necessary to implement the rule changes to Chapter 115: The Credentialing of Education Personnel authorized pursuant to this resolve.

Sec. 4. Appropriations and allocations. Resolved: That the following appropriations and allocations are made.

Resolve, Directing the Department of Health and Human Services To Allow Spouses To Provide Home and Community-based Services to Eligible MaineCare Members

Sec. 1. Department of Health and Human Services request to amend waiver. Resolved: That, no later than January 1, 2020, the Department of Health and Human Services shall submit a request to the United States Department of Health and Human Services, Centers for Medicare and Medicaid Services to amend the existing federal 1915(c) waiver, granted pursuant to the Social Security Act, 42 United States Code, Section 1396n(c), that provides home and community-based services under the department's rule Chapter 101: MaineCare Benefits Manual, Chapter II, Section 19 to allow eligible members to receive ser-

vices provided by spouses who are employed as personal support specialists to provide those services. The waiver request must identify the specific services that may be provided by a spouse under the waiver.

Sec. 2. Rulemaking. Resolved: That the Department of Health and Human Services, upon receiving notice of approval for the amendment to the federal 1915(c) waiver from the United States Department of Health and Human Services, Centers for Medicare and Medicaid Services pursuant to section 1, shall amend the department's rule Chapter 101: MaineCare Benefits Manual, Chapter II, Section 19 to allow for spouses to be employed as personal support specialists for eligible members. A spouse may be reimbursed only for providing extraordinary care and services that the spouse is not normally expected to provide. The department shall adopt any rules necessary regarding the specific services that may be provided by a spouse under the waiver. Reimbursement for services provided by a spouse may not exceed the cap and limits in department rules.

Sec. 3. Report. Resolved: That the Department of Health and Human Services shall report to the joint standing committee of the Legislature having jurisdiction over health and human services matters with an interim report by April 30, 2020 outlining the progress of applying for, receiving and implementing the amended federal 1915(c) waiver pursuant to section 1. The department shall submit a final report no later than January 1, 2021 outlining the progress of receiving and implementing the amended federal 1915(c) waiver, and, if the amended federal waiver is granted, the report must include data on the number of people receiving services under the department's rule Chapter 101: MaineCare Benefits Manual, Chapter II, Section 19 who employ personal support specialists who are spouses; the costs or savings from the employment of spouses as personal support specialists; and recommendations on the feasibility of future similar expansion to other MaineCare programs or other potential waivers available under Medicaid. The joint standing committee of the Legislature having jurisdiction over health and human services matters may report out a bill to the First Regular Session of the 130th Legislature regarding any recommendations contained in the report.

Sec. 4. Appropriations and allocations. Resolved: That the following appropriations and allocations are made.

**Resolve, To Reestablish the
Commission To Improve the
Sentencing, Supervision,
Management and
Incarceration of Prisoners**

Sec. 1. Commission established. Resolved: That, notwithstanding Joint Rule 353, the Commission To Improve the Sentencing, Supervision, Management and Incarceration of Prisoners, referred to in this section as "the commission," is established.

1. Commission membership. The commission consists of 20 members as follows:

- A. Two members of the Senate appointed by the President of the Senate;
- B. Two members of the House of Representatives, at least one of whom is a sponsor or cosponsor of this legislation, appointed by the Speaker of the House of Representatives;
- C. The Attorney General or the Attorney General's designee;
- D. The Commissioner of Corrections or the commissioner's designee;
- E. The Commissioner of Health and Human Services or the commissioner's designee;
- F. The Director of Adult Community Corrections within the Department of Corrections or the director's designee;
- G. Nine individuals appointed by the Governor:
 - (1) A representative of a statewide association of prosecutors nominated by the association;

- (2) A representative of a statewide association of county commissioners nominated by the association;
- (3) A representative of a statewide association of county sheriffs nominated by the association;
- (4) A representative of a statewide association of criminal defense lawyers nominated by the association;
- (5) A representative of a statewide organization representing people with mental illness and their families;
- (6) A member of the public;
- (7) A representative of a statewide organization working to end domestic violence;
- (8) A representative of a statewide organization working to end sexual assault; and
- (9) A member of a federally recognized tribe in the State; and

H. The commission shall invite the Chief Justice of the Supreme Judicial Court to serve or name a designee to serve as a voting member of the commission and to appoint 2 trial judges or their designees to serve as voting members of the commission.

2. Appointments; chair; meetings. All appointments must be made no later than 30 days following the effective date of this resolve. The first-named Senate member is the Senate chair and the first-named House member is the House chair of the commission, who shall call and convene the first meeting of the commission no later than 30 days after appointments of all members. The commission may hold up to 6 meetings, which, at the discretion of the chairs, may include public hearings.

3. Duties. The duties of the commission are as follows.

A. The commission shall conduct research and prepare recommendations addressing the following goals:

- (1) Reducing the overall juvenile and adult prison population in both state and county facilities, with a focus on lowering the population of nonviolent prisoners;
- (2) Reducing the overall cost of the corrections system;
- (3) Accomplishing policy, program and structural improvements that reduce recidivism and improve the transition of prisoners back into the community;
- (4) Preserving community safety;

(5) Respecting the needs of victims and communities in the process of holding prisoners accountable for their actions; and

(6) Developing recommendations that address the factors leading to increasing juvenile and adult prisoner populations at both the county or regional jail and state prison levels, the impact of current sentencing laws, the use of alternate sentences and means to reduce recidivism, in particular recidivism caused by mental illness and substance use disorder.

B. To accomplish its purpose, the commission shall examine multiple strategies for addressing issues related to the continually and rapidly increasing prisoner populations at both the county or regional jail and state prison levels, including diversion from juvenile corrections, diversion from jail or prison, programming to improve reentry from jail or prison back to the community, community alternatives to incarceration and changes in sentencing laws, policies and practices. In conducting its examination, the commission shall:

(1) Study factors leading to increasing juvenile and adult prisoner populations in state and county correctional facilities; examine and analyze the prisoner population and projected growth at both the county or regional jail and state prison levels to include offenses, length of sentence and other issues, such as mental illness and substance use disorder, that lead to incarceration or reincarceration; and identify trends in the prisoner population and determine what impact these changes will have on future growth;

(2) Examine factors linking juvenile and adult prisoner populations;

(3) Review existing program and treatment levels for the prisoner population and recommend improvements based on projected need and effective programs supported by research; and

(4) Consult with and seek input from former prisoners as well as from organizations advocating for persons with mental illness.

4. Staff assistance. The Department of Corrections shall provide necessary staffing services to the commission.

5. Compensation. The members of the commission who are Legislators are entitled to the legislative per diem, as defined in the Maine Revised Statutes, Title 3, section 2, and reimbursement for necessary expenses incurred for their attendance at authorized meetings of the commission. Members of the commission who are not otherwise compensated by their

employers or other entities that they represent are entitled to receive reimbursement of necessary expenses incurred for their attendance at authorized meetings.

6. Report. No later than December 4, 2019, the commission shall submit a report detailing its findings and recommendations, including any proposed legislation, to the Joint Standing Committee on Criminal Justice and Public Safety and to the Joint Standing Committee on Judiciary, each of which may report out legislation related to the report to the Second Regular Session of the 129th Legislature.

See title page for effective date.

CHAPTER 105

H.P. 965 - L.D. 1337

Resolve, To Save Lives by Establishing a Homeless Opioid Users Service Engagement Pilot Project within the Department of Health and Human Services

Sec. 1. Homeless opioid users service engagement pilot project. Resolved: That there is established within the Department of Health and Human Services a homeless opioid users service engagement pilot project to provide 50 opioid users who are among the most vulnerable and unstable in the State rapid access to low-barrier treatment for substance use disorders and stable housing to support their recovery.

1. Definitions. As used in this resolve, the following terms have the following meanings.

A. "Department" means the Department of Health and Human Services.

B. "Individuals who are experiencing homelessness" means adults, unaccompanied youth and families with children who lack a fixed, regular and adequate nighttime residence or who are at risk of imminently losing their primary nighttime residence, including those who are sharing another person's dwelling on a temporary basis under which permission to remain is contingent upon the hospitality of the primary leaseholder or owner and can be rescinded at any time without notice. "Individuals who are experiencing homelessness" includes individuals and families who are fleeing or attempting to flee domestic violence, dating violence, sexual assault, stalking or another dangerous or life-threatening situation involving violence against the individual or a member of the family. "Individuals who are experiencing homelessness" also includes individuals who are exiting an institution where the individual resided for 90

or fewer days and who resided in an emergency shelter or place not meant for human habitation immediately before entering the institution.

C. "Lead provider" means a social service or health care provider that is selected by the department and that executes a social service contract with the department to implement the pilot project.

D. "Medication-assisted treatment" means the evidence-based, whole-patient approach to the treatment of substance use disorder that combines counseling and behavioral therapies with medications approved by the federal Food and Drug Administration for the treatment of substance use disorder, such as buprenorphine and naloxone combination drugs, methadone or naltrexone.

E. "Partner provider" means a social service or health care provider with expertise in all or a portion of the services provided in the pilot project and that executes a subcontract with a lead provider to provide those services.

F. "Pilot project" means the homeless opioid users service engagement pilot project established in this section.

G. "Recovery" means a process of change through which an individual improves the individual's health and wellness, lives a self-directed life and strives to reach the individual's full potential.

2. Social service contracts. The department shall issue a request for proposals and implement the pilot project through social service contracts.

3. Service location. The pilot project must provide services in both an urban area and a rural area of the State where social service and health care providers who can successfully implement the pilot project are located. In selecting the areas of the State, the department shall determine which areas of the State have the greatest need based upon the geographic location of opioid users who are individuals who are experiencing homelessness and the extent of emergency services use by those individuals. The department may select one lead provider to implement the pilot project in both the urban area and the rural area or it may select separate lead providers for the urban area and the rural area.

4. Lead providers. The lead provider or providers with which the department executes social service contracts are responsible for implementing the pilot project and accounting for pilot project funds. To qualify for selection by the department as a lead provider, a social service or health care provider must demonstrate the ability to implement all aspects of the pilot project successfully. A lead provider may subcontract with partner providers to implement portions of the

pilot project services that are within the partner providers' expertise. At a minimum, the lead provider and its partner providers shall demonstrate successful experience in the following activities:

- A. Engaging with individuals who are experiencing homelessness and who use opioids in the State;
- B. Administering medication-assisted treatment to vulnerable populations; and
- C. Providing housing support services to individuals who are experiencing homelessness.

5. Pilot project design and implementation. To the extent permitted by resources allocated to the pilot project, the pilot project must be designed and implemented as described in this subsection.

A. The pilot project must assist participants in attaining and sustaining recovery, minimize the risk of overdosing among participants and decrease the likelihood of diversion of buprenorphine by increasing participants' access to stable and supportive housing, connecting participants with the recovery community and its resources and providing participants with a safe environment in which the participants can identify individualized short-term and long-term goals and develop new skills to support their recovery.

B. To participate in the pilot project, an individual must be an individual who is experiencing homelessness, have a history of drug overdose and meet the criteria for physiological dependence on opioids in the Diagnostic and Statistical Manual of Mental Disorders, 5th edition, published by the American Psychiatric Association. The pilot project must give priority to individuals who are being discharged from incarceration or long-term hospitalization due to complications related to substance use disorder.

The pilot project must include intensive outreach using a collaborative team case review approach to identify and recruit participants. An individual selected for the pilot project who chooses to participate in the pilot project shall sign a written agreement that explains the requirements for pilot project participation and authorizes initiation of case management and treatment services as well as a release authorizing members of the pilot project team to share information regularly regarding the participant's progress in recovery and in attaining individual goals. Participants shall also complete initial assessments regarding substance use disorder, physical health and psychosocial and psychiatric needs as soon as possible.

C. Although a lead provider may adapt the structure of the pilot project to meet the needs of the rural area or urban area it serves, the pilot project

must include medication-assisted treatment, intensive case management and immediate access to stable housing as described in this paragraph.

(1) The pilot project must provide participants with medication-assisted treatment in accordance with this subparagraph that is initiated within 48 hours of each participant's enrollment in the pilot project. The lead provider shall seek reimbursement from the MaineCare program for medication-assisted treatment services whenever possible. The lead provider or partner provider shall employ a medical professional authorized to prescribe for each participant a medication approved by the federal Food and Drug Administration for the treatment of substance use disorder that, in the professional's opinion, is most appropriate given the participant's current medications, substance use and medical history. The authorized prescriber shall take primary responsibility for managing and refilling the prescription.

The lead provider or partner provider shall establish a collaborative, interagency staffing model of medication-assisted treatment that includes, to the extent resources permit, the authorized prescriber, a nurse care manager, a licensed clinical social worker or licensed alcohol and drug counselor, a certified psychiatric mental health nurse practitioner and a peer support specialist who meet regularly to plan participant services, review participant progress and implement reenrollment strategies when necessary. The lead provider or partner provider shall use a shared medical appointment model for medication-assisted treatment that supports participants in decreasing the use of illegal drugs and drugs that are not prescribed to the participant by delivering the following:

- (a) Office-based, daily observed medication administration to participants;
- (b) The opportunity to participate in individual and group psychotherapy, pharmacotherapy and support groups;
- (c) Ongoing evaluations of participants to optimize treatment, including assessments of psychosocial needs and referrals for psychiatric assessments or treatment as necessary; and
- (d) Treatment of participants' concomitant psychiatric disorders that either complicate the participants' substance use disorder or act as triggers for relapse.

(2) The pilot project must provide participants with intensive case management designed to provide an intensive, comprehensive range of community-based services to address the physi-

cal and behavioral health needs of participants and support their compliance with medication-assisted treatment and other services necessary to recovery.

The lead provider or partner provider shall establish an intensive case management team that includes, to the extent resources permit, an intensive case management team supervisor, case managers, a housing liaison, a transition liaison and peer support specialists. The intensive case management team shall provide intensive outreach, assessment, care coordination, advocacy, support, planning and facilitation of services to meet each participant's comprehensive mental health, medical and dental health needs while reducing redundant services and supporting participants in achieving the following goals:

- (a) Acquiring medical care and material resources, including, but not limited to, food, shelter and clothing;
- (b) Improving psychosocial functioning and developing greater autonomy;
- (c) Developing coping and problem-solving skills;
- (d) Developing a community support system to help participants meet the demands of community life; and
- (e) Accessing benefits and services for which participants may qualify, including, but not limited to, housing, medical, behavioral health, employment, education, supplemental income, transportation, utility and community and family integration services.

The peer support specialist shall serve as a role model and shall provide one-on-one peer support services to assist participants in reducing harmful behaviors, to identify participants' strengths and skills that can help reduce illegal substance use and to develop participants' recovery goals. The peer support specialist shall also coordinate and facilitate peer recovery groups.

The transition liaison shall assist participants who are transitioning out of incarceration or hospitalization. The transition liaison shall recruit individuals who are incarcerated or hospitalized and who expect to be discharged soon for participation in the pilot project and assist those individuals with the enrollment process. The transition liaison also shall coordinate with staff from the correctional or medical facility to facilitate participants' smooth transition from the facility. To the extent practicable, the transition liaison shall ensure that participants have

access to housing immediately upon discharge from a correctional or medical facility.

(3) The pilot project shall provide participants with immediate and continued access to stable housing that promotes recovery, independence and harm reduction. The intensive case management team shall identify appropriate housing placements for participants, which may include, but are not limited to, housing first developments, which are developments prioritizing providing permanent housing to individuals experiencing homelessness, recovery residences, private nonmedical institutions and private apartments leased either directly by the individual or by the provider through a master lease agreement. The intensive case management team shall collaborate with local housing authorities, affordable housing developers, municipal general assistance offices and housing voucher administrators to provide pilot project participants with priority in accessing these placements and maximizing the availability of any housing assistance, subsidies or vouchers.

The lead provider or a partner provider shall administer a housing assistance fund to provide participants with immediate access to stable housing. The housing assistance fund must contain sufficient capital to provide all pilot project participants with 18 months of rent at fair market value based on the location of the housing. The lead provider or partner provider may provide a participant with more or less than 18 months of financial assistance from the housing assistance fund, depending on the participant's individual need for financial assistance to achieve housing stability.

While participants receive financial assistance from the housing assistance fund, the intensive case management team shall assist participants in securing an alternative financial resource or resources for housing, including but not limited to employment, general assistance, the Bridging Rental Assistance Program established in the Maine Revised Statutes, Title 34-B, section 3011, the federal shelter plus care program authorized by the federal McKinney-Vento Homeless Assistance Act, Public Law 100-77, as amended by the federal Homeless Emergency Assistance and Rapid Transition to Housing Act of 2009, Public Law 111-22, Division B (2009) and housing choice vouchers under Section 8 of the United States Housing Act of 1937, Public Law 75-412, 50 Stat. 888, as amended.

D. A participant may withdraw from the pilot project at any time. The lead provider or a partner provider shall reevaluate each participant's en-

rollment in the pilot project every month. A participant may receive services from the pilot project for the length of time necessary for the participant to successfully complete the pilot project or to transition to a less intensive model of treatment when considered clinically appropriate. In determining whether a participant has successfully completed the pilot project or may transition to a less intensive model of treatment, the lead provider or partner provider shall consider the participant's sustained abstinence from illegal substance and alcohol use, employment or involvement in other meaningful community activities, psychosocial supports and willingness to participate in further treatment to maintain recovery.

Alternatively, a participant may be discharged from the pilot project if the lead provider or a partner provider determines that the pilot project is unable to provide appropriate services due to the participant's physical or mental health or continued illegal substance use.

6. Duration of pilot project. The department shall issue a request for proposals to implement the pilot project through social service contracts no later than the effective date of this resolve. The pilot project must operate for 24 months from the date all of the social service contracts have been awarded.

7. Evaluation of pilot project. The lead provider shall contract with an independent entity each year of the pilot project to conduct a rigorous evaluation of the pilot project implemented by that lead provider, including a cost-benefit analysis, in order to inform future interventions and provide a model that can be replicated throughout the State. The independent entity shall consider, at a minimum, the following information in conducting the evaluation:

A. The extent of participant engagement in medication-assisted treatment, maintenance of stable housing, achievement of employment or engagement in community volunteer positions and reconnection with family;

B. The number of overdose incidents, the level of involvement with the criminal justice system and law enforcement and the extent of use of emergency medical services including emergency medical response, crisis intervention services, emergency shelter or food resources and inpatient hospital stays for participants during the evaluation period as compared to the year before the evaluation period began; and

C. The number of participants who withdrew from the pilot project voluntarily, who were discharged after successful completion of the pilot project and who were discharged because the pilot project could no longer provide appropriate services.

8. Federal funds. To the maximum extent possible, the department shall use state funds received for the pilot project to maximize its receipt of federal funds to be used for the pilot project and the department shall seek federal funding for the pilot project, if available.

9. Report. The department shall report to the joint standing committee of the Legislature having jurisdiction over health and human services matters regarding the pilot project by December 15, 2020 and at the conclusion of the pilot project. The joint standing committee may submit legislation to the first regular session of the 130th Legislature regarding the pilot project, including legislation to continue or expand the pilot project.

Sec. 2. Costs associated with housing; Maine State Housing Authority. Resolved: That the Maine State Housing Authority, within its existing programs and resources, shall provide funding for costs associated with housing provided under the pilot project established in this resolve.

Sec. 3. Appropriations and allocations. Resolved: That the following appropriations and allocations are made.

**HEALTH AND HUMAN SERVICES,

CHAPTER 106
S.P. 485 - L.D. 1548

**Resolve, To Promote Quality
and Transparency in the
Provision of Services by
Assisted Housing Programs
That Provide Memory Care**

Sec. 1. Time study of needs of residents in assisted housing programs. Resolved: That, in order to determine the needs of residents in assisted housing programs as defined in the Maine Revised Statutes, Title 22, section 7852, subsection 2, the Department of Health and Human Services shall issue a request for proposals for a study to determine the amount of time assisted housing program staff devote to meeting the needs of residents in assisted housing programs. The time study must focus on the time allocated to meeting the needs of residents with Alzheimer's disease or dementia. The study must document the amount of time assisted housing program staff engage in all tasks required to meet the needs of residents, including, but not limited to, hands-on care and redirection, cueing and reminders provided to residents experiencing symptoms of distress.

Sec. 2. Rulemaking regarding Alzheimer's and dementia care and other memory care in assisted housing programs. Resolved: That the Department of Health and Human Services shall amend its rule Chapter 113: Regulations Governing the Licensing and Functioning of Assisted Housing Programs to:

1. Require assisted housing programs to provide disclosure statements to prospective and current residents of Alzheimer's and dementia care units or other memory care units and to post the statements in a conspicuous place in each unit. The disclosure statements must include:

- A. A description of the care and services relevant to specialized Alzheimer's and dementia care or other memory care provided by the unit;
- B. Information on staffing in the unit to meet residents' needs;
- C. A description of therapeutic activities provided by the unit;
- D. Information on staff training specific to Alzheimer's and dementia care and other memory care; and
- E. Other information the department determines necessary to adequately inform consumers and family members about specialized services provided by the unit;

2. Change a requirement that facilities with Alzheimer's or dementia care units or other memory care

units provide classroom training to new employees on dealing with difficult behaviors to a requirement that facilities with Alzheimer's or dementia care units or other memory care units provide classroom training to new employees on understanding behavior as communication;

3. Require all facilities with Alzheimer's or dementia care units or other memory care units to offer individual or group activities in accordance with assessed individual person-centered needs of each resident; and

4. Require staffing agencies, including agencies that provide temporary staffing, to provide evidence to facilities with Alzheimer's or dementia care units or other memory care units that the staff provided to the units have received training required by department rule.

Sec. 3. Department of Health and Human Services; Alzheimer's and dementia care and other memory care work group. Resolved: That the Department of Health and Human Services' division of licensing and certification shall establish a work group including providers, advocates and family members of persons with Alzheimer's disease or dementia to review the adequacy of current training for direct care staff in Alzheimer's and dementia care units or other memory care units within assisted housing programs required by department rules. The work group shall:

1. Consider the development and implementation of a written or oral competency exam or evaluation to demonstrate skill competency and knowledge gained through the training curriculum for direct care staff. The work group shall also consider the inclusion of care recipient and family surveys as part of the evaluation of training competency;

2. Review current rules regarding training for direct care staff in Alzheimer's or dementia care units and other memory care units within assisted housing programs to ensure that training includes:

- A. A basic introduction to the foundations of Alzheimer's and dementia care and other memory care;
- B. Communicating and connecting with residents with Alzheimer's disease or dementia;
- C. Techniques and approaches to care of persons with Alzheimer's disease or dementia;
- D. Person-centered care;
- E. Understanding the needs of and working with families;
- F. The dietary needs of residents with Alzheimer's disease or dementia;

- G. The social needs and appropriate activities in the care of residents with Alzheimer's disease or dementia;
 - H. Recognizing and responding to caregiver stress;
 - I. Preventing, recognizing and responding to abuse and neglect of residents with Alzheimer's disease or dementia; and
 - J. Interactive training;
3. Review ongoing training requirements for direct care staff in Alzheimer's or dementia care units and other memory care units and consider whether:
- A. An additional 4 to 8 hours of annual training should be provided; and
 - B. Management and other staff should be included in training; and
4. Make recommendations to the department for amendments to the rules governing assisted housing programs that focus on person-centered care. The recommendations must include a definition of "person-centered care." The review must include a review of life stories of residents and their habits and preferences as approaches to better understand resident needs to plan and provide care.

Sec. 4. Report. Resolved: That, no later than February 1, 2020, the Department of Health and Human Services shall submit a report to the Joint Standing Committee on Health and Human Services describing the department's activities and actions regarding the time study required by section 1 and the work group required by section 3, together with recommendations and any suggested legislation. The Joint Standing Committee on Health and Human Services is authorized to report out legislation to the Second Regular Session of the 129th Legislature.

Sec. 5. Transfers from available fiscal year 2019-20 Department of Professional and Financial Regulation Other Special Revenue Funds balances to General Fund. Resolved: That, at the close of fiscal year 2019-20, the State Controller shall transfer \$355,501 from available balances in Other Special Revenue Funds accounts within the Department of Professional and Financial Regulation to the General Fund unappropriated surplus. On or before June 30, 2020, the Commissioner of Professional and Financial Regulation shall determine from which accounts the funds will be transferred so that the sum equals \$355,501 and notify the State Controller and the Joint Standing Committee on Appropriations and Financial Affairs of the amounts to be transferred from each account.

Sec. 6. Appropriations and allocations. Resolved: That the following appropriations and allocations are made.

**HEALTH AND HUMAN SERVICES,
DEPARTMENT OF
Long Term Care - Office of Aging and Disability
Services 0420**

Initiative: Provides one-time funding for the Department of Health and Human Services to issue a request for proposals for a study to determine the amount of time assisted housing program staff devote to meeting the needs of residents in assisted housing programs, with a focus on residents with Alzheimer's disease or dementia.

**Resolve, Directing the Public
Utilities Commission To
Evaluate the Ownership of
Maine's Power Delivery
Systems**

Sec. 1. Public Utilities Commission evaluation. Resolved: That the Public Utilities Commission shall evaluate the proposal for creation of the Maine Power Delivery Authority as presented in L.D. 1646, An Act To Restore Local Ownership and Control of Maine's Power Delivery Systems, referred to in this resolve as "the proposal." The evaluation must include but is not limited to:

1. Analysis of the costs and benefits, both short-term and long-term, of the proposal;
2. Examination of legal, regulatory, technical, financial and operational issues related to the proposal and its implementation;
3. Assessment of anticipated impacts, both positive and negative, of the proposal on the State, including but not limited to impacts on electricity rates, utility employees and ratepayers; and
4. Development of alternatives or amendments to the proposal to address any identified obstacles to its implementation.

The commission shall contract with an independent consultant or consultants with relevant expertise to assist the commission with the evaluation. For the purposes of this section, "relevant expertise" includes, but is not limited to, expertise in utility valuation and

finance and other legal, regulatory, technical, financial and operational issues related to the proposal. The commission may seek public input and may consult with the Office of the Public Advocate and the Governor's Energy Office as needed to conduct the evaluation.

Sec. 2. Report. Resolved: That, no later than February 15, 2020, the Public Utilities Commission shall submit to the Joint Standing Committee on Energy, Utilities and Technology a report on the evaluation required in section 1. The report must include results, findings and recommendations from the evaluation, including suggested amendments to the proposal and any other suggested legislation. The report must specify which aspects of the evaluation have been completed and which, if any, require further time and study.

Sec. 3. Funding. Resolved: That, notwithstanding the Maine Revised Statutes, Title 35-A, section 117, subsection 3, paragraph B, or any other provision of law to the contrary, the Public Utilities Commission shall use funds from the Public Utilities Commission Reimbursement Fund, established in Title 35-A, section 117, to carry out the requirements of this resolve.

Sec. 4. Appropriations and allocations. Resolved: That the following appropriations and allocations are made.

PUBLIC UTILITIES COMMISSION

Public Utilities - Administrative Division 0184

Initiative: Provides an allocation for the cost of consulting services needed to evaluate a proposal to create the Maine Power Delivery Authority.

CONSTITUTIONAL RESOLUTIONS OF THE STATE OF MAINE
AS PASSED AT
THE FIRST REGULAR SESSION OF THE
ONE HUNDRED AND TWENTY-NINTH LEGISLATURE
2019

CHAPTER 1

H.P. 1049 - L.D. 1437

**RESOLUTION, Proposing an
Amendment to the
Constitution of Maine
Concerning
Alternative Signatures Made
by Persons with Disabilities**

Constitutional amendment. Resolved: Two thirds of each branch of the Legislature concurring, that the following amendment to the Constitution of Maine be proposed:

Constitution, Art. IV, Pt. Third, §20 is amended to read:

Section 20. Meaning of words "electors," "people," "recess of Legislature," "statewide election," "measure," "circulator," and "written petition"; written petitions for people's veto; written petitions for direct initiative. As used in any of the 3 preceding sections or in this section the words "electors" and "people" mean the electors of the State qualified to vote for Governor; "recess of the Legislature" means the adjournment without day of a session of the Legislature; "statewide election" means any election held throughout the State on a particular day; "measure" means an Act, bill, resolve or resolution proposed by the people, or 2 or more such, or part or parts of such, as the case may be; "circulator" means a person who solicits signatures for written petitions, and who must be a resident of this State and whose name must appear on the voting list of the city, town or plantation of the circulator's residence as qualified to vote for Governor; "written petition" means one or more petitions written or printed, or partly written and partly printed, with the original signatures of the petitioners, or, as authorized by law, the alternative signatures of persons with physical disabilities that prevent them from signing their own names, attached, verified as to the authenticity of the signatures by the oath of the circulator that all of the signatures to the petition were made in the presence of the circulator and that to the best of the circulator's knowledge and belief each signature is the signature of the person whose name it purports to be, and accompanied by the certificate of the official authorized by law to maintain the voting list or to certify signatures on petitions for voters on the voting list of the city, town or plantation in which the petitioners reside that their names appear on the

voting list of the city, town or plantation of the official as qualified to vote for Governor. The oath of the circulator must be sworn to in the presence of a person authorized by law to administer oaths. Written petitions for a people's veto pursuant to Article IV, Part Third, Section 17 must be submitted to the appropriate officials of cities, towns or plantations, or state election officials as authorized by law, for determination of whether the petitioners are qualified voters by the hour of 5:00 p.m., on the 5th day before the petition must be filed in the office of the Secretary of State, or, if such 5th day is a Saturday, a Sunday or a legal holiday, by 5:00 p.m., on the next day which is not a Saturday, a Sunday or a legal holiday. Written petitions for a direct initiative pursuant to Article IV, Part Third, Section 18 must be submitted to the appropriate officials of cities, towns or plantations, or state election officials as authorized by law, for determination of whether the petitioners are qualified voters by the hour of 5:00 p.m., on the 10th day before the petition must be filed in the office of the Secretary of State, or, if such 10th day is a Saturday, a Sunday or a legal holiday, by 5:00 p.m., on the next day which is not a Saturday, a Sunday or a legal holiday. Such officials must complete the certification of only those petitions submitted by these deadlines and must return them to the circulators or their agents within 2 days for a petition for a people's veto and within 5 days for a petition for a direct initiative, Saturdays, Sundays and legal holidays excepted, of the date on which such petitions were submitted to them. Signatures on petitions not submitted to the appropriate local or state officials by these deadlines may not be certified. The petition shall set forth the full text of the measure requested or proposed. Petition forms shall be furnished or approved by the Secretary of State upon written application signed and notarized and submitted to the office of the Secretary of State by a resident of this State whose name must appear on the voting list of the city, town or plantation of that resident as qualified to vote for Governor. The full text of a measure submitted to a vote of the people under the provisions of the Constitution need not be printed on the official ballots, but, until otherwise provided by the Legislature, the Secretary of State shall prepare the ballots in such form as to present the question or questions concisely and intelligibly.

Constitutional referendum procedure; form of question; effective date. Resolved: That the municipal officers of this State shall notify the inhabitants of their respective cities, towns and plantations to meet, in the manner prescribed by law for

holding a statewide election, at a statewide election held in the month of November following the passage of this resolution, to vote upon the ratification of the amendment proposed in this resolution by voting upon the following question:

"Do you favor amending the Constitution of Maine to allow persons with disabilities to sign petitions in an alternative manner as authorized by the Legislature?"

The legal voters of each city, town and plantation shall vote by ballot on this question and designate their choice by a cross or check mark placed within the corresponding square below the word "Yes" or "No." The ballots must be received, sorted, counted and declared in open ward, town and plantation meetings and returns made to the Secretary of State in the same manner as votes for members of the Legislature. The Governor shall review the returns. If it appears that a majority of the legal votes are cast in favor of the amendment, the Governor shall proclaim that fact without delay and the amendment becomes part of the Constitution of Maine on the date of the proclamation.

Secretary of State shall prepare ballots.
Resolved: That the Secretary of State shall prepare and furnish to each city, town and plantation all ballots, returns and copies of this resolution necessary to carry out the purposes of this referendum.

Effective pending referendum.

JOINT STUDY ORDERS

JOINT ORDER, ESTABLISHING THE TASK FORCE ON CHANGES TO THE MAINE INDIAN CLAIMS SETTLEMENT IMPLEMENTING ACT

H.P. 1307

WHEREAS, the ancestors of the members of the federally recognized tribes located in what is now the State of Maine inhabited these lands since time immemorial; and

WHEREAS, the tribal nations entered into the first treaty with the United States of America in July 1776 following its Declaration of Independence; and

WHEREAS, the United States adopted its Constitution in 1787 and the people of the State of Maine adopted their Constitution in 1819; and

WHEREAS, Indian tribes and their members have a legal political status recognized by the United States Constitution, including in Article I, Section 8, and by the Constitution of Maine, including in Article X, Section 5, and pursuant to various treaties entered into by the tribal nations and what is now the State of Maine; and

WHEREAS, in 1972, the Passamaquoddy Tribe initiated a claim against the United States government alleging that the transfer of a significant amount of tribal lands to the Commonwealth of Massachusetts, including the District of Maine, was legally invalid because such transfers were not approved by the United States government, as required by the federal Non-Intercourse Act; and

WHEREAS, in 1975, the U.S. Court of Appeals for the First Circuit in Joint Tribal Council of the Passamaquoddy Tribe v. Morton affirmed that a trust relationship, similar to that between the United States and other tribes, exists between the Maine tribal nations and the United States that would require the approval by the Federal Government of such land transfers and that the claims of the tribal nations could proceed; and

WHEREAS, the other Maine tribal nations alleged similar claims; and

WHEREAS, recognizing that protracted litigation would result in substantial economic and social hardship for large numbers of landowners, citizens and communities within the State, the tribal nations decided it was more prudent to negotiate a settlement of the

land claims and other claims rather than continue litigation; and

WHEREAS, the tribal nations and Executive Branch of the United States negotiated terms of settlement that were encompassed in the February 10, 1978 Memorandum of Understanding; and

WHEREAS, the tribal nations were asked by the Maine Congressional Delegation to negotiate terms related to jurisdictional matters as a part of an overall settlement; and

WHEREAS, negotiations between the tribal nations and the State led to the passage of An Act To Implement the Maine Indian Claims Settlement in April, 1980 by the Maine Legislature, but the Act was not effective until the United States Congress in October, 1980 enacted the Maine Indian Claims Settlement Act of 1980, Public Law 96-420; and

WHEREAS, An Act To Implement the Maine Indian Claims Settlement was passed into law in 1980 and the Micmac Settlement Act was passed into law in 1989; and

WHEREAS, the tribal nations and the State have engaged in significant litigation over many issues in the intervening years; and

WHEREAS, differing interpretations of the Acts have caused disagreements between the State and the tribal nations and have negatively affected the Wabanaki communities and hindered their ability to exercise tribal sovereignty for the benefit of their people; and

WHEREAS, the relationship between the tribal nations and the State would benefit from a reduction in litigation; and

WHEREAS, the tribal nations and the State desire that all of Maine's citizenry prospers, now, therefore, be it

ORDERED, the Senate concurring, that, notwithstanding Joint Rule 353, the Task Force on Changes to the Maine Indian Claims Settlement Implementing Act, referred to in this order as "the task force," is established as follows.

1. Appointments; composition. The task force consists of the following members:

A. Two members of the Senate, appointed by the President of the Senate, including at least one

member of the party holding the 2nd-largest number of seats in the Senate;

B. Three members of the House of Representatives, appointed by the Speaker of the House of Representatives, including at least one member of the party holding the 2nd-largest number of seats in the House.

The President of the Senate and the Speaker of the House shall invite to participate as voting members of the task force the Chief of the Aroostook Band of Micmacs or the chief's designee; the Chief of the Houlton Band of Maliseet Indians or the chief's designee; the Chief of the Passamaquoddy Tribe at Indian Township or the chief's designee; the Chief of the Passamaquoddy Tribe at Pleasant Point or the chief's designee; and the Chief of the Penobscot Nation or the chief's designee;

The President of the Senate and the Speaker of the House also shall invite to participate as nonvoting ex officio members of the task force the Governor or the Governor's designee; the Attorney General or the Attorney General's designee; and the Managing Director of the Maine Indian-Tribal State Commission.

2. Chairs. The first-named Senator is the Senate chair of the task force and the first-named member of the House of Representatives is the House chair of the task force.

3. Appointments; convening. All appointments must be made no later than 15 days following passage of this order. The appointing authorities shall notify the Executive Director of the Legislative Council once all appointments have been made. When the appointment and invitation of all members has been completed, the chairs of the task force shall call and convene the first meeting of the task force. If 15 days or more after the passage of this order a majority of but not all appointments have been made, the chairs may request authority and the Legislative Council may grant authority for the task force to meet and conduct its business.

4. Duties. The task force shall review An Act To Implement the Maine Indian Claims Settlement and the Micmac Settlement Act and make recommendations to the Legislature for legislation regarding any suggested changes to those Acts. Recommendations of the task force must be made by consensus. For the purpose of this order, "consensus" means consensus between representatives on the task force of the tribe

or tribes affected by the suggested changes and a majority of the other voting members of the task force.

5. Quorum. A quorum is a majority of the voting members of the task force, as long as the quorum consists of at least 3 representatives of the tribal nations and at least 3 members of the Legislature.

6. Staffing. The Legislative Council shall provide necessary staffing services to the task force, except that the Legislative Council staff support is not authorized when the Legislature is in regular or special session.

7. Reports. No later than December 4, 2019, the task force shall submit a report to the Joint Standing Committee on Judiciary that includes its findings and consensus-based recommendations, including suggested legislation, for introduction to the Second Regular Session of the 129th Legislature. In addition, the task force shall compile an official record of its activities, which must include reports, testimony and other materials submitted to the task force, as well as documentation of all recommendations considered by the task force regardless of whether such recommendations were adopted. The Joint Standing Committee on Judiciary shall report out legislation based on the consensus-based recommendations of the task force. Any law enacted by the Legislature pursuant to this order that affects An Act To Implement the Maine Indian Claims Settlement or the Micmac Settlement Act is also subject to approval by the affected tribe or tribes through their own governmental processes.

**JOINT RESOLUTION
MEMORIALIZING THE
UNITED STATES
CONGRESS TO SUPPORT
FEDERAL EMPLOYEES IN
MAINE AFFECTED BY THE
FEDERAL GOVERNMENT
SHUTDOWN AND TO TAKE
IMMEDIATE
CONGRESSIONAL ACTION**

H.P. 280

WE, your Memorialists, the Members of the One Hundred and Twenty-ninth Legislature of the State of Maine now assembled in the First Regular Session, most respectfully present and petition the United States Congress as follows:

WHEREAS, the longest partial shutdown in the history of the United States government began on December 22, 2018; and

WHEREAS, the federal government shutdown is affecting approximately 800,000 federal employees; and

WHEREAS, in Maine the workers currently affected are employees of the Department of Homeland Security, which includes airport screening personnel and members of the United States Coast Guard, and employees of Acadia National Park; and

WHEREAS, those federal workers who have not been furloughed are obliged to work without pay; and

WHEREAS, the federal government shutdown is also having an effect on other industries in Maine, such as tourism, and small businesses that depend upon federal regulation and loan processing; and

WHEREAS, as the federal government shutdown continues, there is potential for many social and housing services in the State to be negatively affected; and

WHEREAS, it is important for the economic health of the State that the federal government shutdown cease as quickly as possible; now, therefore, be it

RESOLVED: That We, your Memorialists, on behalf of the people we represent, take this opportunity to respectfully request that the United States Congress take immediate steps to reach a compromise and end the partial shutdown of the Federal Government and restore financial security to the lives of citizens; and be it further

RESOLVED: That suitable copies of this resolution, duly authenticated by the Secretary of State, be transmitted to the President of the United States Senate, the Speaker of the United States House of

Representatives and each Member of the Maine Congressional Delegation.

MEMORIALIZING THE
PRESIDENT AND
CONGRESS OF THE
UNITED STATES TO
SUPPORT THE REFORM OF
THE SOCIAL SECURITY
OFFSETS OF THE
GOVERNMENT PENSION
OFFSET AND THE
WINDFALL ELIMINATION
PROVISION**

H.P. 1204

WE, your Memorialists, the Members of the One Hundred and Twenty-ninth Legislature of the State of Maine now assembled in the First Regular Session, most respectfully present and petition the President of the United States and the Congress of the United States, as follows:

WHEREAS, under current federal law, individuals who receive a Social Security benefit and a public retirement benefit derived from employment not covered under Social Security are subject to a reduction in the Social Security benefits; and

WHEREAS, these laws, contained in the federal Social Security Act, 42 United States Code, Chapter 7, Subchapter II, Federal Old-Age, Survivors, and Disability Insurance Benefits, and known as the Government Pension Offset and the Windfall Elimination Provision, greatly affect public employees, particularly women; and

WHEREAS, the Windfall Elimination Provision reduces by a formula the Social Security benefit of a person who is also receiving a pension from a public employer that does not participate in Social Security; and

WHEREAS, the Government Pension Offset and the Windfall Elimination Provision are particularly burdensome on the finances of low-income and moderate-income public service workers, such as school teachers, clerical workers and school cafeteria employees, whose wages are low to start; and

WHEREAS, the Government Pension Offset and the Windfall Elimination Provision both unfairly reduce benefits for those public employees and their spouses

SELECTED MEMORIALS AND JOINT RESOLUTIONS

whose careers cross the line between the private and public sectors; and

WHEREAS, since many lower-paying public service jobs are held by women, both the Government Pension Offset and the Windfall Elimination Provision have a disproportionately adverse effect on women; and

WHEREAS, in some cases, additional support in the form of income, housing, heating and prescription drug and other safety net assistance from state and local governments is needed to make up for the reductions imposed at the federal level; and

WHEREAS, other participants in Social Security do not have their benefits reduced in this manner; and

WHEREAS, to participate or not to participate in Social Security in public sector employment is a decision of employers, even though both the Government Pension Offset and the Windfall Elimination Provision directly punish employees and their spouses; and

WHEREAS, although the Government Pension Offset was enacted in 1977 and the Windfall Elimination Provision was enacted in 1983, many of the benefits in dispute were paid into Social Security prior to that time; now, therefore, be it

RESOLVED: That We, your Memorialists, respectfully urge and request that the President of the United States and the Congress of the United States work together to support reform proposals that include the following protections for low-income and moderate-income government retirees:

1. Protections permitting retention of a combined public pension and Social Security benefit with no applied reductions;
2. Protections permanently ensuring that level of benefit by indexing it to inflation; and
3. Protections ensuring that no current recipient's benefit is reduced by the reform legislation; and be it further

RESOLVED: That suitable copies of this resolution, duly authenticated by the Secretary of State, be transmitted to the Honorable Donald J. Trump, President of the United States; the President of the United States Senate; the Speaker of the House of Representatives of the United States; and each Member of the Maine Congressional Delegation.

**BUDGET ADDRESS
OF
GOVERNOR JANET T. MILLS
FEBRUARY 11, 2019**

Mr. President; Madam Speaker; Chief Justice Saufley; Chiefs Francis, Nicholas, Sabattis, and Paul; Ambassador Dana;

Secretary of State Dunlap; Treasurer Beck; Attorney General Frey; Auditor Buckley;

Honorable Members of the 129th Legislature;

Three months have passed since the general election.

Two months since the Legislature was sworn in.

Nearly all our cabinet members are confirmed, sworn and qualified. They are here tonight.

We are getting to work.

I want to take a moment to thank the people of Maine for the outpouring of warmth you have shown me in the last month.

I have felt in my heart the very best of Maine from all over Maine – the energy, the strength, the hope of Maine people.

Today we dig out from tunnels of snow, finding the light of our days to be longer, our dark nights shorter, and we sense that nature and the world are moving toward spring.

We care for our neighbors, old and new, frail or strong.

We care about those who need the most, those who work the hardest and those who pay the most.

Today we take account of the past and plan for a new, and better future.

Our unemployment rate is low. But our economy has grown more slowly than that of the United States and New England since 2010.

Our poverty rate is below the national average. Still 1/6th of our children live in poverty.

Our per capita income is growing; but it is still the lowest in New England, as is our average household income.

Maine's public high schools rank fifth in the country. But the percentage of our adult population with post-secondary degrees is well below the New England average.

The quality of our health care ranks 10th in the country. Yet the public health of our citizens is ranked 33rd in the country.

Maine has many assets.

But it also has many challenges.

We cannot afford to stand still.

This budget moves us forward.

The budget is about Health. It is about Opportunity. It is about Prosperity. It is about Education.

It is, in sum, about *HOPE*.

Health care is a major focus of this budget, and it is a vital part of moving our economy forward.

You may have heard that more than 4,000 people are newly enrolled in MaineCare since January – people from all across the state.

We intend that expanded MaineCare will help up to 70,000 people who now lack affordable health insurance, so that they can obtain preventive care, they can obtain early treatment for disease, they can remain in the workforce, and they will never again have to face the choice between medical care and bankruptcy.

These individuals are not the only ones who will be helped.

Expanding MaineCare and enabling people to have health insurance will also help our rural hospitals – which are some of the largest employers in their com-

BUDGET ADDRESS

munities, often the only source of care, and often on the edge of financial collapse – because expansion will reduce the amount of uncompensated care they are asked to provide.

In turn, this will lower the inflation pressures on private health insurance policies.

We expect that this in turn will reduce the cost of health insurance to small businesses, self-employed individuals and employees – whose insurance rates are essentially making up the difference for hospitals' uncompensated care.

But that is not enough. We will work with the Bureau of Insurance and the small business community to find additional ways to lower the cost of health insurance for small business.

Finally, MaineCare expansion will help Maine's economy.

It will bring \$500 million in federal funds to Maine. That is like getting a new contract for a ship at Bath Iron Works every year – except that the jobs will be statewide.

This influx of funds is projected to create 6,000 additional jobs from Sanford to Calais to Fort Kent.

All of these workers will pay income and sales tax, which will in turn help the state's bottom line.

This is economic development on a large scale.

To support MaineCare expansion, we include \$147 million in the state budget over the next two years – a figure arrived at based on the independent, nonpartisan analysis of the Manatt report.

We are also budgeting for a Medicaid Reserve Account of \$29 million to cover any contingencies.

These budget items are funded by normal income and sales tax revenues as predicted by the independent Revenue Forecasting Committee.

That means no new taxes or fees.

That \$147 million will trigger around a billion additional federal dollars for Maine.

SELECTED ADDRESSES TO THE LEGISLATURE

It is the *bargain* of a century.

As good stewards, we will continuously review and manage the MaineCare program and evaluate the effects of expansion on:

- Health outcomes for our citizens,
- Hospital finances,
- Private health insurance rates, and
- Job creation.

This budget also addresses other public health challenges facing our state.

Among the most critical of these challenges is the opioid epidemic.

This week Attorney General Frey released statistics showing 282 drug overdose deaths for the first nine months of last year. That is one overdose death per day.

But the numbers do not tell the whole story.

One of those individuals was 21-year-old Sean M. Yankowsky of Bangor.

He died ten months after his brother, his only sibling and his best friend, 25-year-old Adam Yankowsky, died from ingesting heroin laced with fentanyl.

Adam had overdosed before.

He had been revived, Narcaned twice on one occasion, and sent home without any guidance about what he could do next or where he could get help.

Adam's and Sean's father, Maine State Police Detective David Yankowsky, and their mother, Shelly Yankowsky of Glenburn, join us this evening.

They now work with the Bangor Area Recovery Network to help others battle the illness that claimed their two children.

I want to thank them for their courage — the courage to carry on, the courage to speak up, the courage to help so many others. They are saving lives.

SELECTED ADDRESSES TO THE LEGISLATURE

Oxford County Sheriff's Deputy Matt Baker also joins us.

Matt is a 30-year veteran of law enforcement.

He has told hushed audiences of how he tried to revive his own 23-year-old daughter, Ronni, after she overdosed on heroin.

Coming home at 2:30 a.m. after working the late shift one night in 2015, Deputy Baker found his daughter in the bathroom, slumped over the toilet, not moving.

Her face was blue and she was unresponsive.

"I felt her heart beat once and I started CPR," Baker said. "Basically, my daughter died when I was doing CPR on her."

"About three hours later," he said, "I watched them wheel my daughter out on a gurney. This was the daughter who used to sit on my lap and talk about fishing with me. Now she sits on my mantle."

Today he is sharing this terrible experience in the hope that others will listen and learn, as he brings up the little girl Ronni left behind.

Matt, we are listening.

Also here tonight are Robert Fickett and Sharon Fields from Bangor. Both of them are in recovery. Bob coordinates the Recovery Coaches and Sharon coordinates the volunteers for the Bangor Area Recovery Network or BARN.

They are success stories. They are giving back to their community. They are helping others and saving lives. Thank you, Bob and Sharon.

For David and Shelly, Matt, Bob and Sharon, and so many families like theirs around the state – help is on the way.

In addition to making more services available through MaineCare, and with federal monies currently available and with \$5.5 million in non-tax dollars in this budget, we will provide:

- Training of recovery coaches for our emergency rooms,

BUDGET ADDRESS

- Treatment based on a regional "hub and spokes" model,
- Purchase and distribution of Narcan at every appropriate venue,
- Medication-assisted treatment,
- Resources for friends and families of persons with substance use disorder, and
- Robust prevention and education efforts to stem the tide of this epidemic.

I am pleased with the progress to date on these initiatives under the leadership of our Director of Opioid Response, Gordon Smith. Thank you, Gordon.

These initiatives supplement the vigorous efforts of law enforcement at all levels to stem the tide of drug trafficking into Maine.

We propose other public health measures:

- expanding access to low cost drugs for the elderly and disabled. This is only the first step of many we will take to help our seniors in the coming years;
- investing \$10 million from the Fund for Healthy Maine for tobacco and nicotine prevention measures. It is critical to address the dramatic increase in vaping and other nicotine use among our young people;
- filling the vacancies in our public health nursing corps, as the Legislature already directed us to do;
- filling the longstanding critical vacancies in the Maine Centers for Disease Control and Prevention – an agency that has seen a 25 percent reduction in staff in recent years;
- and for our veterans, we fully fund the Bureau of Veterans Services outreach program to prevent homelessness and hunger among those who served our country with distinction. To those heroes I say, we will never forget you.

In these ways and many others, we are rebuilding our public health infrastructure.

BUDGET ADDRESS

We are also rebuilding our education infrastructure.

The Department of Education has suffered from years of neglect.

As of last December, it took up to six months for the understaffed Department to simply certify new teachers who were waiting to start work or to recertify those already working.

That is unacceptable.

With staffing adjustments this past month we have already reduced that wait time to less than six weeks.

And we will not stop there.

The Maine Department of Education will once again be a place that leads, inspires and fully supports our schools, teachers, and students.

This budget begins making pre-kindergarten programs available to every 4-year-old in Maine.

This is a voluntary, four-year program, the initial phases are included in this budget.

We also provide \$18.5 million to Child Development Services to support the needs of our youngest and neediest children.

For kindergarten through high school, we provide an additional \$126 million over the biennium.

This brings the state's share of public education funding to nearly 51 percent of Essential Programs and Services (EPS).

When you include the state's payments toward the teacher pension fund, the state's share of K-12 education is 55 percent.

This budget invests in recruitment and retention to ensure that teachers in Maine will not be forced to leave the state for a living wage.

It is time to treat our teachers with the respect and dignity they deserve.

This budget ensures that no teacher in Maine will make less than \$40,000 a year.

SELECTED ADDRESSES TO THE LEGISLATURE

Tonight, we are delighted that Maine's 2019 teacher of the year could join us – Joseph Hennessey from Piscataquis Community High School in Guilford.

Joe teaches English and has created imaginative curricula, literature-based, active reading, analytical writing, and public speaking.

Thank you for your service, Joe.

The budget also increases funding for adult education and career technical high schools so that every Mainer can compete for skilled jobs in an ever-changing economy.

Tonight, we also welcome the 2018 Career Technical Education teacher of the year in the gallery – Russell Clark from the Sanford Regional Technical Center.

Russ teaches engineering and architectural design and exposes his students to the exciting things you can do with computer-aided-design (CAD) tools, 3D printers, and a laser cutter and engraver.

Thank you, Russ, for inspiring Maine's next generation of architects and engineers.

Maine will not succeed if our graduates are burdened by debt and if adults cannot access continuing education.

The budget therefore increases funding for the University of Maine System, for the Community Colleges, and for the Maine Maritime Academy.

And it provides \$3 million more for scholarships through the Maine State Grant Program to prevent students from going into debt.

Our investments in K-12 education are intended to help local schools and to help local property taxpayers.

But we propose to do more for taxpayers.

The budget increases revenue sharing each year of the biennium.

It also increases reimbursements to municipalities for the homestead tax relief program and for disaster assistance.

SELECTED ADDRESSES TO THE LEGISLATURE

It provides more money for county jails.

Taken together – more local school aid, more revenue sharing, more homestead reimbursements, more disaster assistance, more money for the jails – the net result is relief for property taxpayers.

We are also investing in infrastructure.

Over the next two years, we will pave about 2,000 miles of roadway, fix or replace about 135 bridges, and invest in rail, public transit, and seaports.

This will be supported by about \$531 million of dedicated state Highway Fund revenue, leveraged federal revenues, and \$200 million of state bonds.

To expand the economy, the budget:

- Invests \$2 million in broadband, designed to draw down much larger amounts of federal money to Maine;
- Funds \$5 million for rural development; and
- Directs funding to market all parts of Maine not just as a tourist destination, but as places to live and work and raise a family.

Our Department of Economic and Community Development looks forward to leading in the creation of a long range economic plan for our state.

The world is changing. We need to define Maine's place in the new world.

We will work with the private sector and with groups like the Maine Development Foundation to identify our state's many assets and build upon them to foster and attract:

- Sustainable farming, diversified fisheries and innovative forest products businesses
- Clean energy producers
- High tech industries
- Data centers
- Places for people to work remotely, and

BUDGET ADDRESS

- A quality of life that will attract young working families back to our state.

The budget also allows for bonding for such things as broadband and Land for Maine's Future, and other appropriate investments, and we look forward to working with the Legislature on a bond package that fully meets the state's needs.

Climate change is a priority issue. Our Office of Policy Innovation and the Future is preparing a climate agenda which I will announce in the coming weeks.

Suffice it to say, we will make every effort, without additional general fund dollars:

- to assist the University of Maine in the research and development of offshore wind power;
- to provide incentives for community and residential solar power;
- to promote energy efficiency and weatherization;
- to increase the use of heat pumps;
- to build charging stations and incentives for electric vehicles;
- and to help local and state government become "green."

Right now, Hannah Pingree, who leads the Office of Policy Innovation and the Future, is working with Efficiency Maine to develop a program to promote the installation of 100,000 heat pumps in businesses and houses by 2025.

That alone would save \$30 to \$60 million annually in heating bills, and lower carbon emissions by 100,000 to 200,000 metric tons a year and wean our state off fossil fuels. We look forward to unveiling the details of this effort shortly.

Our budget bolsters public safety:

By beefing up security in courtrooms to ensure the safety of those seeking access to justice.

BUDGET ADDRESS

By authorizing fifteen additional state troopers and sergeants to ensure a 24-hour police presence statewide, including in all rural areas.

By adding seven positions to the Maine State Police Computer Crimes Unit. There can be no more important purpose of government than to protect our children from violent predators, whoever they are, wherever they are, whatever their evil techniques.

By adding a new position in the Attorney General's Office to train investigators to detect and pursue those who prey upon our seniors and steal their hard-earned savings.

And we fulfill our promise to the good people of Washington County to fund a correctional facility there.

We will continue to work with community groups to combat the scourge of domestic violence.

We will no longer reject valuable federal resources for vital services — including funds for substance use disorder treatment, life-saving cancer screenings and Alzheimer's treatment, nutrition assistance for hungry families, children's health insurance, the forest legacy program, and transportation funding.

By some estimates, Maine has turned down almost \$2 billion in federal money in recent years. This is money that Maine people have paid in federal taxes that is not being returned to them, but is going to other states instead.

My Administration will work with the Congressional delegation to identify every source of benefits to which the Maine people are entitled and make sure our people get their fair share.

So this is our budget.

There will be those who say this budget is government spending run amuck, and there will be those who say we ought to spend more and more. I respectfully disagree.

Here is what I heard on the campaign trail last year.

- Maine people want better health care.
- Maine people want better schools.

SELECTED ADDRESSES TO THE LEGISLATURE

- Maine people want better jobs and greater economic opportunity.
- Maine people do not want higher taxes.

This is a pragmatic, common-sense budget that lives within our means and delivers what Maine people want.

It is based on the projections of independent experts on the Revenue Forecasting Committee of the previous administration who also say that revenue beyond this biennium is expected to be \$8.3 billion.

That is hundreds of millions of dollars more than what this budget proposes. When taken in combination with the robust Rainy Day fund that we have protected, Maine is well-positioned in the years to come.

In short, *this budget is sustainable*.

This budget is balanced, as the Constitution requires; it makes responsible investments to tackle serious challenges facing our state; and it honors the will of the people.

For you, the members of the 129th Maine Legislature, I welcome your thoughts, concerns, and suggestions in the coming months.

Having sat in these chairs, I know that you will bring the concerns of your constituents to bear on this budget, and I look forward to that productive discussion.

But keep in mind:

- In this budget there are no tax increases.
- In this budget there are no gimmicks.
- In this budget there are no negative balances.

This budget is pro-growth. It is pro-jobs. It is pro-people.

This budget is for the small business struggling with health care costs and for employers seeking a skilled workforce.

This budget is for the parents who have lost their children to overdose and who are now raising their grandchildren.

SELECTED ADDRESSES TO THE LEGISLATURE

BUDGET ADDRESS

This budget is for the families, children and seniors living without basic health care.

This budget is for state workers who need the resources to get things done for Maine people.

This budget is for the teachers who are paying for school supplies and food for their students out of their own pockets, while earning salaries that are not commensurate to the value of their work.

This budget is for Maine's towns and for the property taxpayers who have had to pick up the tab for things state government should have been paying for.

This budget is about health, opportunity, prosperity, and education.

It is about *HOPE*.

It is about help for those who have been left behind.

For teachers like you, Russ and Joe, it is about help for your schools, your students and your colleagues across the state.

And for you, Shelly and David, for Matt, Bob and Sharon, and for thousands of other families, loved ones and unsung survivors, there is HOPE. I promise you. There is hope.

Finally, thank you to all the people of Maine whom I love with all my heart.

Thank you.

**STATE OF THE JUDICIARY ADDRESS
OF
CHIEF JUSTICE LEIGH INGALLS SAUFLEY
FEBRUARY 26, 2019**

**MAINE JUDICIAL BRANCH
THE STATE OF THE JUDICIARY
A Report to the Joint Convention of the First
Regular Session
129th Maine Legislature**

**Presented by Chief Justice Leigh I. Saufley
February 26, 2019**

Good morning, Governor Mills, President Jackson, Speaker Gideon, Members of the 129th Maine Legislature, and guests.

Thank you for the honor of this invitation to address you today on the State of the Judiciary.

HISTORY IN THE MAKING

Before I begin, I have to mention this historic occasion.

As of today, I have had the great honor of being accompanied into this chamber by four different Governors.

But this is the first time that the Governor—came from Franklin County.

Seriously, it will now be evident to all of our daughters and sons that anyone can be a part of this great experiment in a representative democracy.

For our youth, anything is possible, and for demonstrating that fact, we are grateful to Governor Mills.

INTRODUCTIONS

I would like to recognize a few people in the gallery, and I will ask that you hold your applause until they are all standing.

First, you will see my handsome husband Bill Saufley and my parents Jan & Dick Ingalls, and with them today is my extraordinary niece, Alison Ingalls.

Next, Ted Glessner, the State Court Administrator, Judge Robert M. Washburn, President of the Probate Judges' Assembly, and Chief Judge Rebecca Irving, from the Passamaquoddy Tribal Court.

Next, I will introduce my colleagues.

As always, I am going to ask them to stand, and remain standing.

Again, I'll ask you to hold your applause until the end,

From the Supreme Judicial Court—Justices:
Don Alexander, Andrew Mead,
Joe Jabar, Jeff Hjelm, and Tom Humphrey

And the Trial Court Chiefs:
Superior Court Chief Justice Roland Cole,
The Designated Deputy - Justice Bob Mullen,
District Court Chief Judge Susan Oram, and
Deputy Chief Judge Susan Sparaco

You can be very proud of the Judges and Magistrates throughout this State who work so hard every day to help Maine people find justice.

And have I mentioned that those wonderful JUDGES, Maine's trial judges, are right at the bottom of the country when it comes to compensation?

I may have mentioned that before. The budget proposed by Governor Mills will provide a modest increase in that compensation. I hope you will support the Governor's budget as it addresses all aspects of the Judicial Branch. It is a thoughtful budget, aimed at safe courts and excellent public service. Thank you, Governor Mills.

I also want to thank all of the other people who serve the public in the Judicial Branch—455 state employees who cover the entire State—from the clerks who form the backbone of the courts, to the marshals who have kept the public safe, to the administrators on whom we rely for constant improvements. We could not provide access to justice in Maine without their commitment and dedication to public service.

So—to the STATE of the JUDICIARY;

I often look for one word to describe to you the State of Maine's Judiciary, but today, I have to ask for your indulgence—it will take me two words.

THE JUDICIAL BRANCH IN MAINE IS: IN TRANSITION

I will focus on three key areas of transition:

1. **The World Around Us—in Transition**
2. **Digital Case Management and eFiling**
3. **Transitions in the Criminal and Juvenile Justice**

1. THE WORLD IN TRANSITION

Nearly every aspect of our world is changing, and many of those changes are driven by developments in technology.

Some of you remember how we all used to respond to temporary power outages—we had to wait for our children to come home from school to reset all of our clocks, especially on the VCR and the coffee maker.

How I long for those simpler days.

Technological changes and innovations are already having a significant impact on the delivery of justice, and here are just a few of the changes that require our careful attention:

- The practice of law and the delivery of legal services are changing. The use of artificial intelligence for screening legal problems, creating legal documents, and even mediating disputes is expanding every day, and the increase in mobile applications will change the way that lawyers do their jobs.
- Technology to support the appearance of parties, witnesses, and interpreters from remote locations is becoming a necessity.
- Evidence in the form of cell phone videos, Facebook messages, video from body cams and dash cams, and digital document troves must all be captured and preserved somehow, and available in a format that juries and judges can review.
- Digital legal research has all but eliminated our old system of Law Libraries—remember books?
- The methods by which the members of the public seek out information about their legal rights is changing.
 - I pause here to thank the Maine Legislature for its accessible and helpful

website—a website, by the way, that has no paywall.

The Maine Response:

These and many other kinds of transition require that the Maine Judicial Branch work constantly just to keep up. Here are just a few of the recent successes.

- Video equipment is being updated in many courthouses to improve high-quality real-time video conferencing.
- Distance mediation, which we have seen successfully deployed in other states, is now an option in Aroostook and Penobscot Counties, and is expanding into other counties.
- Interpreters from across the country are becoming more available through video to provide much-needed spoken language and ASL services in Maine courthouses.
- Courthouses are being rewired to improve service and provide critically important wireless internet access by the public. Improved access to broadband service will be a big help to the public.
- Schedules are being shifted throughout the State to assure that complex family matters are coordinated so that families will have a single team—a judge, a magistrate, and a clerk, consistently assigned to that family to assure expedited attention and continuity.
- The Judicial Branch website is undergoing a complete accessibility revision that will include forms and instructional booklets in multiple languages, helpful videos for use by unrepresented litigants as well as lawyers and the public, and quick access to information and to other sites that may be helpful.

The Future in Transition

And the transitions continue. We are looking ahead to future improvements in technology and in our facilities.

As always, Safety First:

With your support, and with the benefits from the consolidation of court facilities, the Judicial

Branch is now able to provide marshals and entry screening equipment on 77% of all court days throughout the State. That's progress. However, the volatility of high conflict litigation and the very real worry about the potential of an active shooter is serious, and we must reach the 100% mark soon. Last year, the presence of those Judicial Branch marshals added immeasurably to the safety of the public, and their presence even stopped 7 firearms that were actually brought into court houses.

Building Technology

We are planning that the new consolidated courthouse in York County will be the Judicial Branch's very first Zero Net Energy building. A combination of geothermal heating and cooling, and solar panels will provide a more comfortable and less expensive internal environment long into the future.

Digital Communications:

We are also hoping that improvements in digital communication will allow us to create a system of text message alerts to remind defendants of upcoming criminal court dates. A few states have tried this and have found it to be very helpful in avoiding inadvertent failures to appear. Imagine the ripple effect, fewer arrest warrants, less stress on the county jails, and most important—reduced disruption of people's lives, jobs, families.

Also, in the future, we hope to establish a digital system for search warrants.

One note of caution is in order, however. None of these projects is as simple as it sounds, and each of the projects must be constantly reviewed for quality and accuracy.

Our goal must be to provide *better* public service, not just more *annoying* public service.

In other words, we have to be careful, and we have to do it right.

I look forward to working with you to assure that we are all focusing on the kinds of technology that will best serve the public.

2. TRANSITION TO DIGITAL RECORDS AND eFILING

I move now to our next topic on transition—the design and roll-out of Maine's new digital case management and eFiling system.

Last year I updated the 128th Legislature on the Judicial Branch's comprehensive contract with Tyler Technologies.

Over the last year much has been accomplished.

The first iteration of the digital traffic ticket system has rolled out in the Violations Bureau. We are learning every day about ways to improve the public's access, and we do have continued challenges with the new system, including challenges in getting reports out to law enforcement, and the critically important connections to the Secretary of State's Office. But so far, the individual members of the public report primarily very positive experiences with the new system.

As we resolve those challenges and complete the work on the traffic ticket system, we will turn to the design and roll-out of the very first region to go live with all case types—in Penobscot and Piscataquis Counties.

This project requires the attention of everyone in the court system: not just the technology experts.

- It requires a design that can be used by unrepresented litigants as well as lawyers.
- It will require that courthouses provide public access to terminals for those users who do not have computers, smart phones, or access to local libraries.
- It must be built to gather better data accurately and effectively, to improve the information necessary for court management, future legislative decisions, and budget considerations.
 - As you hear me say every year, "we manage what we measure," and better access to reliable and relevant data will help all of us in responding to public needs.
- And it is critically important that we assure the stability and security of all digital court

STATE OF THE JUDICIARY ADDRESS

records. The very words "Cyber Security" are keeping me up nights.

This is one of the most complex projects I have ever been involved with in Government.

And one of the most important questions to be answered before the first Region goes live is this:

Which digital case records will be available to the public through the internet?

Transparency and Privacy

This question requires us to balance the tradition and laws regarding open courts against the very real challenge that instant and seemingly permanent access to the private details of litigants' lives may create.

As I reported last year on this complicated question, we are obtaining as much input and review as we can.

We began with the first widely representative stakeholders group, the Transparency and Privacy Task Force which presented a report to the Court in the fall of 2017.

We published the report, sought written comments, and held a public hearing for further input in the spring of 2018.

You will be shocked to learn that there is some disagreement about where the balance between government transparency and personal privacy falls.

The Supreme Judicial Court made the first major decision regarding access to digital case records last spring.

We determined that digital case records that are public records will, in most instances, be available on the internet.

We concluded that creating a digital case records system that could only be accessed at a courthouse terminal, as had initially been proposed, simply would not work for the great majority of the public's needs.

Then began the very important work of clarifying public and nonpublic records. With input from a variety of sources, relying on existing legislation and the work of the Right to Know Advisory Committee, we created a

SELECTED ADDRESSES TO THE LEGISLATURE

very rough, first draft of proposed legislation, and we sought comments on that preliminary proposal.

Following those comments, many of which were very helpful, we drafted a more focused piece of legislation. I am pleased to report that the proposal, which has not been printed yet, will be sponsored by the Chairs of the Judiciary Committee, Senator Carpenter and Representative Bailey.

The proposed legislation acknowledges the important public policy decisions that have already been made by Maine's Legislature to make certain limited proceedings closed to the public. It also recognizes that it is ultimately the responsibility of the Judicial Branch to promulgate rules addressing the details of access to case records.

We are in the process of creating a comprehensive set of Court Rules that will address those details, and here are the basics:

- The parties and their representatives will have digital access to their own records through a platform-neutral internet-based portal. In other words, you will not need special programs to reach your own court records, and you will not pay to see your digital files.
- The following digital case records, with a few, narrowly tailored exceptions will be publicly available on the internet:
 - Criminal cases
 - Traffic infractions
 - Most civil cases
- We estimate that those cases comprise more than 85% of the court's annual case filings.
- Some kinds of information will not be available to the public in any digital files, such as social security numbers, bank account numbers, or personal medical records.
- Other case types will, again with a few exceptions, not be publicly available, for example:
 - Adoption records
 - Child protection records
 - Most juvenile records
 - Mental health civil commitment records

SELECTED ADDRESSES TO THE LEGISLATURE

There are two case types that we are still addressing:

Domestic Violence and Family cases.

In Domestic Violence cases, we must all comply with the federal law that shields any information identifying a petitioner from any internet availability. We will have more on this soon.

In Family cases, we are designing a hybrid rule that will allow public access to the nature of the proceedings and summaries of the resulting judicial actions but will not provide public access to the very personal filings between and among the parties, many of which relate to the struggles that children experience during periods of family instability.

Again, we must be careful not to confuse the public's right to know what its government is doing with an unlimited right to obtain private information about individuals, simply because those individuals must interact with the courts.

As Justice Ann Murray has noted in her work on this system, the last thing we want is for the public to have internet access to a filing that says: because of the increasing animosity between the parents, the parties' 13-year-old son is wetting his bed again. Image the bullying and the possible lifetime of humiliation for that child.

We are continuing to seek input on the best balance of transparency and privacy. The consequences of these decisions will affect the public in ways we may not yet anticipate, and we must be ready to make changes in response to new information.

The next steps include meetings of the Rules Advisory Committees here in Augusta at the Capital Judicial Center next week. Those meetings will be open to the public. We will then receive further written input from all interested parties, and we hope to have a full set of draft Court Rules to complement the statute we have proposed, to be available by the time of the public hearing on the bill.

There are, however, a few substantive areas that may require your further attention.

One of the thorniest knots is found in criminal law and in aspects of the Criminal History Records Information Act.

STATE OF THE JUDICIARY ADDRESS

- What should happen to the records when a person has been acquitted or the charges have been fully dismissed? Should those files remain publicly available on the internet or should part or all of the file be closed?
- You may find this issue tangled up with questions regarding the closure—sometimes called expungement—of conviction records following the long-term successful rehabilitation of the convicted person.
- I understand that the Criminal Law Advisory Committee, assisted by Jane Orbeton, is looking at these and several related issues, and we hope that they will have a proposal for you later this spring.

We look forward to your solutions!

3. OPIOID CRISIS AND CRIMINAL-JUVENILE PROCESS IMPROVEMENT

I move now to the third topic of transitions, far removed from technology, although certainly not removed from science—the changing governmental responses to addiction and mental health challenges, in criminal and juvenile justice.

Rather than begin with the usual grim statistics, I start with updates on several positive developments in cross-governmental efforts.

- First, with thanks to the Maine Sheriffs' Association and its current president, Sheriff Kevin Joyce, a large group of stakeholders including judges, sheriffs, county government, attorneys, and involved providers convened in November to address concerns about the pre-conviction populations in Maine's county jails. A shared commitment to data gathering and problem solving is already yielding results.
- Second, we have re-established the Task Force on Pretrial Justice Reform to address continuing innovations in bail proceedings, and several of you have agreed to serve on that Task Force, for which I am grateful.

STATE OF THE JUDICIARY ADDRESS

- Next, because addiction and drug trafficking do not respect state boundaries, the New England Chief Justices are collaborating on a regional initiative that will help us all receive data on what works, what's not working, and what we can do to step up the New England efforts to eliminate the scourge of drug trafficking and drug addiction from our states.

Moving briefly to those grim statistics, they tell such a heartbreaking story.

- In 2018, approximately 350 drug-induced deaths took mothers, fathers, sons, and daughters away from their families.
- Although that is still nearly one person a day dying from these poisons, it does represent a 16% decrease from 2017 (417).
- Still, more than twice as many people died from drug overdoses as died in car accidents.
- 31 of the 350 deaths were understood to be suicides; the remainder were classified as accidental overdose deaths.
- In 2018, 1,143 doses of Narcan were administered by EMTs in Maine.
- And 904 drug-affected babies were born in Maine.

This epidemic of addiction and mental health crises requires urgent responses.

And responses are needed from the very first days of life, for the babies born to parents who cannot provide a safe environment or the stimulation children need in their first 3 years. Unless the problems are identified quickly, those tiny brains may be forever changed by the presence of violence or by days, weeks, or even months of inattention. All of your work on early life experiences will change lives, and I thank you in advance for those efforts.

Turning to the adults caught up in addictions or grappling with mental health problems—and these problems are not mutually exclusive—we need to expand the options for diverting more people from a lifetime of incarceration on the installment plan.

SELECTED ADDRESSES TO THE LEGISLATURE

I know that many of you are hard at work on these challenges, and Governor Mills has made her support for tackling the challenges quite clear.

So, to be clear about the ability of the Judicial Branch to respond to the crisis through focused intervention courts, as long as the two current judicial vacancies are filled (and I know that the Governor is working on nominations), the Judicial Branch *does not need funding or legislation* to expand the Family Recovery Court, the Mental Health and Drug Courts, or the Veterans Courts.

All of the funding necessary to respond to the addiction and mental health needs of the public should be focused on the wide range of necessary community-based services that are not within the Judicial Branch budget. Without funding for those services however, provided through DHHS, veterans' organizations, other State agencies, as well as community-based programs, and local housing programs, the trial judges simply cannot expand the specialty courts.

You have heard this list of needed services before:

- Immediate access to mental health, addiction recovery, medical and dental care;
- Safe and sober housing;
- Data collection and analysis. On this point, we should not spend taxpayer dollars without the ability to determine whether what we are doing is working;
- Case managers, coaches, mentors;
- Testing equipment and laboratories that are not backlogged;
- Job training and education opportunities;
- In short—what is needed to expand those dockets is a comprehensive community plan.

The bottom line is this: The Judicial Branch has a protocol in place that allows the creation of new addiction and mental health dockets as soon as the key components are in place in your communities, and you need not focus that funding on the Judicial Branch.

We are ready when you are.

SELECTED ADDRESSES TO THE LEGISLATURE

Finally, I focus briefly on a topic near and dear to my heart: **Juvenile Justice**

And I will get straight to it.

Our children and youth in crisis need more mental health services and recovery facilities designed for youth. They need:

- Safe housing and youth-focused facilities, where they can receive treatment and be protected from predators;
- Resources to extract them from human trafficking and keep them from harm;
- Well-trained advocates to help them navigate our complex social services and legal systems; and
- A broader range of mental health services and addiction recovery services designed to address the many challenges of growing up in a world in transition.

In this world, cyberbullies can hurt you from afar. Being different can mean devastating isolation, and it can portend violence just around the corner. And the escape to drugs can look very attractive.

Here is another tragic statistic. From data gathered over a 3-year span, from 2014 through '16, we have learned that 88 of Maine's young people from age 10 to 24 committed suicide in that 3-year period.

Suicide is the second leading cause of death among Mainers between 15 and 24.

So much is needed to help our youth find their way to healthy adulthood.

Maine trial judges will tell you that the single greatest gap in services they see in Maine's juvenile justice courts right now is the absence of options for placement of young people who cannot go home. The need for a continuum of caring and effective placement options for these youth has never been greater.

We all understand that, if the only option for placement in Maine is Long Creek, which is designed for very specific circumstances, we are not doing justice for our children.

STATE OF THE JUDICIARY ADDRESS

This is not a criticism of Long Creek, but Long Creek is not designed to address every child in the juvenile justice system.

Just as there are huge benefits from providing services to new parents and their infants and babies, the benefits of providing improved resources for our youth who are struggling right now cannot be overstated. The ripple effect could be an extraordinary force multiplier.

These children are the future. Let's help them find healthy and engaged lives.

CONCLUSION

In conclusion, I have the usual additional requests:

First, come visit a courthouse near you. Julie Finn will be happy to arrange for you to see any of the public proceedings that interest you.

Second, consider connecting with your local high school to have the Supreme Judicial Court bring appellate arguments to the school in the fall of 2020.

This year, with the help of Representative Mastraccio, we will be at the brand new Sanford High School facility this spring.

In the fall, at the request of Senator Carpenter, we'll be at Houlton High School, then in Old Town, as arranged by Senator Dill, and then in Gorham, with the connections made by Senator Linda Sanborn.

Finally, I take this point of privilege, once again, to urge women over 40 to have their 3-D mammograms. I am healthy and able to be here today because that updated screening tool caught the cancer early. Get it done!

Thank you for the invitation to address this joint convention.
