

# OFPR FINAL Cycle Review through Week 13 of SFY 2020

## MaineCare Spending - Cycle Summary

The average weekly MaineCare cycle for FY 2020 through week 13 was \$59 million (state and federal dollars), which is above the MaineCare weekly cycle average for FY 2019 through week 13 of \$50.5 million. This increase was expected based on the appropriated funds, which include additional funds for Medicaid Expansion and two large increases in rates for the 2 ID/DD Waivers and for Nursing Homes, for SFY 2020 and is in line with the overall allotment levels for funding of FY 2020.

MaineCare Cycle Chart 1 below summarizes average weekly MaineCare cycle payments for FY 2020 as well as comparable payment cycle averages for FY 2018 and FY 2019. MaineCare Cycle Chart 2 summarizes the actual cycles each week for FY 2020 and for FY 2018 and FY 2019. MaineCare Cycle Table 1 outlines the actually weekly cycle for each week of SFY 2020 thru week 13.
