						January 1, 2019 and before January 1, 2021 and a subtraction modification for the carry-over of this amount in tax years beginning on or after January 1, 2021. Part D excludes qualified improvement property placed in service after December 31, 2017 and prior to January 1, 2020 from the Maine capital investment income tax credit. Part E requires an addition modification for taxable income for income tax purposes for the additional charitable contribution deduction allowed to corporations pursuant to the CARES Act for taxable years beginning after January 1, 2019 and before January 1, 2020 and a subtraction modification for the carry-over of this amount in future years. Part F updates and simplifies Maine income tax law by conforming the Maine income tax with the federal net operating loss limitation, generally known as "the 80% taxable income limitation," and the CARES Act suspension of the limitation. This Part and Maine's conformity to the CARES Act net operating loss limitation suspension in Part A apply retroactively to tax years beginning on or after January 1, 2018. Under Part F, the 80% taxable income limitation applies to tax years beginning after 2020. Part G expands the addition modification for the amount of the global intangible low taxed income deduction. For tax years beginning on or after January 1, 2020, the modification is for the total amount of the foreign-derived intangible income and global intangible low-taxed income deduction claimed in accordance with the Internal Revenue Code, Section 250(a).
