FINANCIAL ORDER

BY GOVERNOR
ORDERED,

That the State Controller increase allotment in account 010-10A-Z008-01, Maternal and Child Health Block Grant Match, by \$172,825 in the All Other line category for the purpose of allotting a portion of the unencumbered balance forward to encumber contracts related to Community Health Nursing services; and,

Be it further ordered,
that the State Controller authorize the expenditure in accordance with the attached "Revision of the Work Program for Fiscal Year ending June 30, 2021," for which this shall be our sufficient warrant.

Statement of Fact

This financial order allots a portion of the unencumbered balance forward to encumber contracts for Community Health Nursing (CHN) services. Due to the COVID-19 pandemic, CHN contracted services have become more expensive than anticipated due to vacant public health nursing positions and/or positions being redeployed to tasks related to the response to COVID-19. Referrals for home health services and home health caseloads have increased as a result of COVID-19. Failure to allot these funds will prevent nursing service delivery to be continued.
