

# State of Maine Employee Dental Plan

Group #'s: 601 & 602  
Effective 07/01/2020

*This chart represents the level of coverage for service performed and is based on the State of Maine Employee fee schedule. Employees and their eligible dependents are free to see any dentist, participating or non-participating. If you choose to see a dentist that is not in the State of Maine Employee PPO network, you will be responsible for the difference between the State of Maine Employee PPO fee schedule and the fee for Delta Dental's Premier, PPO networks or Delta's non-participating fee. Please visit our website at [www.nedelta.com](http://www.nedelta.com) for an updated list of participating dentists. Your Northeast Delta Dental program includes all of the following coverage categories. This chart is provided as a summary only; certain benefit limitations may apply. Please refer to your benefit booklet for complete benefit information. In the event of a conflict or discrepancy between this chart and the benefit booklet, the benefit booklet will prevail.*

## Delta Dental PPO plus Premier Network

You will get the best value from your Delta Dental Plan when you receive your dental care from one of our State of Maine Employee PPO (greatest savings) or Premier network participating dentists:

- ✓ **No Balance Billing:** Because participating dentists accept Northeast Delta Dental's allowed fees for services, you will typically pay less when you visit a participating dentist.
- ✓ **No Claims Paperwork:** Participating dentists will prepare and submit claims for you.
- ✓ **Direct Payment:** Northeast Delta Dental pays participating dentists directly, so you don't have to pay the covered amount up front and wait for a reimbursement check.

To find out if your dentist participates in our State of Maine Employee PPO or Premier network, you can: call your dentist, visit our website at [nedelta.com](http://nedelta.com), or call **Customer Service at 1-800-832-5700**.

## Claim Process for Participating Dentists

Your participating dentist will submit your claim to Northeast Delta Dental (claims for any of your covered dependents should be submitted under your Subscriber ID number). Northeast Delta Dental will produce an Explanation of Benefits (available through our Benefit Lookup site at [nedelta.com](http://nedelta.com)) detailing what has been processed under your plan's coverage. You are responsible to pay any outstanding balance directly to the dentist.

## Non-Participating Dentists

If you visit a non-participating dentist, you may be required to submit your own claim and pay for services at the time they are provided. Claim forms are available by calling Northeast Delta Dental or visiting [nedelta.com](http://nedelta.com). Payment will be made to you, the Subscriber, unless the state in which the services are rendered requires that assignments of benefits be honored and Northeast Delta Dental receives written notice of such assignment. Payment for treatment performed by a non-participating dentist will be limited to the lesser of the dentist's actual submitted charge or Delta Dental's allowance for non-participating dentists in the geographic area in which services are provided. It is your responsibility to make full payment to the dentist.

## Predetermination of Benefits

Northeast Delta Dental recommends that you ask your dentist to submit a *pre-treatment estimate* for any dental work involving costly or extensive treatment plans. Predeterminations helps avoid any potential confusion and enable us to help you estimate any out-of-pocket expenses you may incur.

## Coordination of Benefits

When an individual covered under this plan has additional group coverage, the Coordination of Benefits (COB) provision described in your Dental Plan Description booklet will determine the sequence and extent of payment. If you have any questions about COB, please contact our **Customer Service Department at 1-800-832-5700**.

## Identification Cards

Two identification cards will be produced and distributed shortly after your initial enrollment. Both cards are issued in your name but can be used by any family member covered under your plan. Any future cards will be issued electronically via our Benefit Lookup site accessible through [nedelta.com](http://nedelta.com).
