						As enacted, the law limits the credit of 20% of the federal earned income tax credit for tax year 2021 for nonresidents and part-year residents to those who do not have a qualifying child. The intent of chapter 398 was to provide the 20% credit to all residents, nonresidents and part-year residents for tax year 2021, regardless of whether a resident, nonresident or part-year resident has a qualifying child. This bill accomplishes that intent.

1890	2393			Perry	An Act To Create a Rental Fleet Registration Program and Equalize the Tax Rate Imposed on Rental Vehicles  <b>REFERRED TO TRA PH scheduled for 1/25</b>	<p>Part A of this bill establishes a registration program for rental fleet vehicles that includes:</p> <ol style="list-style-type: none"> <li>1. A common registration renewal month;</li> <li>2. A unique owner registration number;</li> <li>3. Required annual renewal;</li> <li>4. The issuance of certificates of registration;</li> <li>5. Distinctive license plates;</li> <li>6. A temporary exemption from inspection requirements; and</li> <li>7. The ability to transfer and remove rental fleet vehicles.</li> </ol> <p>Part A also specifies that participation in the rental fleet vehicle registration program has no effect on the requirements of the International Registration Plan.</p> <p>Part B of the bill addresses the treatment of vehicles owned by a rental car company for purposes of the sales and use tax. Current law requires that a rental car company that purchases a truck pay sales tax on that truck but is not required to charge sales tax on the charge for renting the truck to a consumer. Part B makes such a purchase exempt from the sales tax and makes the rental subject to the rate of a taxable service. Part B also makes technical corrections to the tax law regarding trucks.</p>
