Cost for Fiscal Year 2020: \$12,900*

BNN has performed the Fund’s annual financial audit since 1996. The audit generally occurs from mid July to early August of the following fiscal year after the accounting firm submits its Communication Letter and Letter of Engagement to the SEGB. The Fund conducted a request for proposal (RFP) in 2007, contacting approximately six accounting firms, resulting in no change due to lack of competitive accounting firm pricing. A second RFP was conducted in the spring of 2014, sent to six accounting firms and resulting in responses from three, but resulting in no change due to lack of competitive pricing.

B) A list of all persons to which the entity made contributions greater than \$1,000 in the preceding year and the total amount contributed to each.

The Fund made no contributions greater than \$1,000 in Fiscal Year 2020.

C) A description of changes made in the preceding year to the written policies and procedures required by §12022 or to the procedures used by the governing body to monitor compliance with those policies and procedures.

There were no changes in the procedures used by the SEGB to monitor compliance with the Fund’s policies and procedures for Fiscal Year 2020.
