**BY GOVERNOR
ORDERED,**

That the State Controller increase allotment in account 013-12A-0245-66, CARES Employment Security Administration, by \$261,669 in the Personal Services line category and by \$187,818 in the All Other line category for the purpose of funding increased operating costs; and,

Be it further ordered,
that the State Controller authorize the expenditure in accordance with the attached "Revision of the Work Program for Fiscal Year ending June 30, 2022", for which this shall be our sufficient warrant.

Statement of Fact

This financial order increases allotment for additional administrative funding received for the Pandemic Emergency Unemployment Compensation (PEUC) Administration program provided by the Continued Assistance for Unemployed Workers Act of 2020. Failure to provide this allotment will prevent allowable operating costs to be paid with this funding source. July - Dec '21

ORDERED,

That the State Budget Officer be authorized to establish in account 025-10A-0143-19, Federal Project Grants, the following positions in accordance with Title 5, section 1583-A: one limited-period Epidemiologist position, two limited-period Toxicologist positions, one limited-period Public Health Educator III position, one limited-period Comprehensive Health Planner II position, one limited-period Planning and Research Associate I position, and one limited-period Public Health Nurse II position; and,

Be it further ordered, that the State Controller increase allotment in account 025-10A-0143-19, Federal Project Grants, by \$252,696 in the Personal Services line category and by \$32,462 in the All Other line category for the purpose of funding these positions; and,

Be it further ordered, that the State Controller authorize the expenditure in accordance with the attached "Revision of the Work Program for Fiscal Year ending June 30, 2022," for which this shall be our sufficient warrant.

Statement of Fact

This financial order provides funding to establish seven limited-period positions to establish, expand, train, and sustain the state, local, and territorial public health workforce. These positions will support COVID-19 prevention, preparedness, response, and recovery initiatives, including school-based health programs, which will close gaps in statewide capacity emphasized by COVID-19 across multiple programs. The school-based health program initiatives will mainly focus on sustainable solutions, through the use of technology and telehealth options, for small schools where school nurses are less available. These positions are funded by the Public Health Crisis Response grant through the American Rescue Plan Act of 2021 and will start February 14, 2022 and end February 13, 2024.

That the State Budget Officer be authorized to establish in account 013-10A-0143-19, CARES Federal Project Grants - COVID19, the following positions in accordance with Title 5, section 1583-A: one limited-period Public Service Coordinator II position, one limited-period Public Service Coordinator I position, one limited-period Management Analyst II position, one limited-period Health Program Manager position, and one limited-period Public Health Educator III position; and,
Be it further ordered,
that the State Controller increase allotment in account 013-10A-0143-19, CARES Federal Project Grants - COVID19, by \$225,554 in the Personal Services line category and by \$21,935 in the All Other line category for the purpose of funding the positions and related costs; and,
Be it further ordered,
that the State Controller authorize the expenditure in accordance with the attached "Revision of the Work Program for Fiscal Year ending June 30, 2022," for which this shall be our sufficient warrant.

Statement of Fact

This financial order provides funding to establish five limited-period positions to support work related to the federal COVID-19 Health Disparities grant awarded by the Centers for Disease Control and Prevention through the Coronavirus Response and Relief Supplemental Appropriations Act of 2021. ^{officer} Examples of populations considered to be high risk are women, LGBTQ+ individuals, and persons with disabilities. Three positions will be placed within the Office of Population Health Equity to ensure the goals of the grant are met and will be responsible for monitoring projects and providing fiscal oversight, resulting in an increase in data collection and reporting for those populations experiencing a disproportionate burden of COVID-19 infection, severe illness, and death. The Public Service Coordinator II position will support the enhancement of MaineCare member communications and interface with data activities. The Management Analyst II will support the enhancement of data platforms and gather and interpret health disparity data. These positions will start on January 30, 2022 and end on May 20, 2023.
