Re: Submission of 2021 Annual Report on Agency Rulemaking

The Secretary of State has provided a list by agency of all rules adopted by state agencies during the past calendar year, in compliance with 5 MRSA §8053-A, sub-§5. According to the Secretary of State, 21 agencies adopted 262 rules in 2021, of which 237 were designated as routine technical and 25 were major substantive.

In accordance with section 8053-A, sub-§5, I am referring the list of adopted rules to your committee, along with related attachments, via the Legislature's website: <http://legislature.maine.gov/execdir/rulemaking-reports/>, so you will have convenient online access. The listing is sorted by agency/policy area.

After review of the list, the committee may require an agency that is within its oversight to appear before the committee, and the committee may report out a bill to adjust rulemaking authority related to the rules adopted during the past year, as provided by 5 MRSA §8053-A, sub-§6.

If you have any questions, please contact the Office of Policy and Legal Analysis at 287-1670.

Thank you.
