ORDERED,

That the State Controller transfer \$5,000,000 from the All Other line category to the Capital Expenditures line category within account 023-18A-0883-01, Capital Construction and Improvement Reserve Fund, for the purpose of renovating the Cultural Building; and,

Be it further ordered,

that the State Controller increase the allotment in this account by \$5,000,000 in the Capital Expenditures line category, and decrease the allotment in this account by \$5,000,000 in the All Other line category for the purpose of renovating the Cultural Building; and,

Be it further ordered,

that the State Controller authorize the expenditure in accordance with the attached "Revision of the Work Program for Fiscal Year ending June 30, 2023", for which this shall be our sufficient warrant.

Statement of Fact

This financial order increases allotment in the Capital Expenditures line category and decreases allotment in the All Other line in this account for the purpose of funding renovations for the Cultural Building. Planned renovations for the Cultural Building include the removal of asbestos and the installation of a new HVAC system to improve air quality and energy efficiency. Failure to allot these funds will result in the inability to renovate the Cultural Building.

ORDERED,

That the State Budget Officer be authorized to continue in account 023-19A-0069-01, Administration-Economic and Community Development, the following position in accordance with Title 5, section 1583-A: one limited-period Public Service Manager II position and,

Be it further ordered,
That the state controller increase allotment by \$145,000 in the Personal Services line category for the purpose of funding the position; and,

Be it further ordered,
that the State Controller authorize the expenditure in accordance with the attached "Revision of the Work Program for Fiscal Year ending June 30, 2023", for which this shall be our sufficient warrant.

Statement of Fact

This financial order allots the estimated prior year available balance and continues one limited-period Public Service Manager II position originally established on financial order CV0345 F2 with a start date of October 25, 2021 to October 24, 2023. This position will provide direction, oversight and accountability for multiple grant funds awarded to Department of Economic and Community Development through the American Rescue Plan for economic development, innovation and workforce programs. Assistance will be provided to department staff and others in the implementation of programs and projects while maintaining fiscal accountability and compliance with State and Federal rules and regulations. This position will also work with the Office of the State Auditor and Department of Administrative and Financial Services on financial and reporting requirements, monitoring paperwork and other related documents connected with grant-funded programs and maintain records of all payments for grant related activities.

**BY GOVERNOR
ORDERED,**

That the State Budget Officer be authorized to continue in account 023-05A-Z081-93, Career and Technical Education, the following in accordance with Title 5, section 1583-A: one limited-period Education Specialist III position; and,
Be it further ordered,
that the State Controller transfer \$101,881 from the All Other line category to the Personal Services line category within account 023-05A-Z081-93, Career and Technical Education, for the purpose of funding the position; and,
Be it further ordered,
that the State Controller increase allotment by \$101,881 in the Personal Services line category and decrease allotment by \$101,881 in the All Other line category in account 023-05A-Z081-93, Career and Technical Education; and,
Be it further ordered,
that the State Controller authorize the expenditure in accordance with the attached "Revision of the Work Program for Fiscal Year ending June 30, 2023", for which this shall be our sufficient warrant.

Statement of Fact

This financial order continues one limited-period Education Specialist III position that began on March 7, 2022 and ends on March 6, 2024. The position was previously established by Financial Order CV0395 F2 in fiscal year 2021-22. The Maine Department of Education received American Rescue Plan (ARP) Act of 2021 funding through Public Law 2021, chapter 483, to award grants to Career and Technical Education (CTE) schools that will allow them to purchase equipment and infrastructure. The current CTE team does not have the capacity to manage the distribution of these funds. This position is responsible for professional services work planning, developing, coordinating, administering and evaluating education programs for CTE. Responsibilities include but are not limited to planning and developing the review process for ARP funds and determining the most effective use of the funds. This position is funded with a transfer from All Other to Personal Services. Funds are no longer required in the All Other line category for the purpose for which they were originally intended due to reallocation of resources to fund this position needed to oversee the grant.

That the State Budget Officer be authorized to establish in account 013-05A-Z081-90, CARES Elementary and Secondary School Emergency Relief Fund, the following positions in accordance with Title 5, section 1583-A: two project Government Interns; and,

Be it further ordered,

that the State Controller increase allotment by \$3,202 in the Personal Services line category and increase allotment by \$96 in the All Other line category in account 013-05A-Z081-90, CARES Elementary and Secondary School Emergency Relief Fund to fund the positions; and,

Be it further ordered,

that the State Controller authorize the expenditure in accordance with the attached "Revision of the Work Program for Fiscal Year ending June 30, 2022", for which this shall be our sufficient warrant

Statement of Fact

This financial order establishes two project Government Intern positions that will begin on May 31, 2022 and end on August 19, 2022. The positions will work on the Maine Online Opportunities for Sustained Education (MOOSE) project. MOOSE is an online learning platform that houses sets of educational materials (modules) that are designed to be accessed directly by students for project-based, interdisciplinary learning. The positions will be responsible for updating and improving existing modules using an integrated checklist and rubric that outlines the elements that should be found in all MOOSE modules. The positions will be funded by the Elementary and Secondary Emergency Relief Funds grant (CFDA #84.425D) received through the Coronavirus Aid, Relief and Economic Security (CARES) Act.

That the State Controller increase allotment in account 013-05C-0220-38, CARES-Education in the Unorganized Territory by \$26,205 in the All Other line category for the purpose of utilizing grant funds to purchase a student information system program; and,

Be it further ordered, that the State Controller authorize the expenditure in accordance with the attached "Revision of the Work Program for Fiscal Year ending June 30, 2022", for which this shall be our sufficient warrant.

Statement of Fact

Education in the Unorganized Territory (EUT) was awarded funding from the Department of Education's Elementary and Secondary School Emergency Relief (ESSER II) grant (CFDA #84.425D) through the Coronavirus Response and Relief Supplemental Appropriations Act. EUT's approved ESSER II application includes purchasing a student information system (SIS) program for the three unorganized territory schools. The purchase of the SIS program will allow staff the ability to share individual student's progress using an internet database subscription program and will improve communication between parents and school staff to better address recovery from gaps in learning that have resulted from COVID-19.

Statement of Fact

This financial order provides allotment for the purchase of a Dynex DSX 4-Plate ELISA Processing System for the Maine Health and Environmental Testing Laboratory to continue providing testing for infectious bloodborne diseases. The equipment will primarily be used to perform human immunodeficiency virus (HIV), hepatitis C, and tuberculosis (TB) serology testing. Software will be added allowing increased capability of testing, as needed, such as for the SARS-CoV-2 antibody. The current equipment will no longer be supported or maintained by the manufacturer due to age and testing supplies are difficult to source. Funding is provided by Maine's 2019 Epidemiology and Laboratory Capacity for Prevention and Control of Emerging Diseases Application grant authorized by the Coronavirus Response and Relief Supplemental Appropriations (CRRSA) Act.
