Beth Ashcroft
State Budget Officer
Bureau of the Budget
State House Station 58
Augusta, ME 04333-0058

Dear Ms. Ashcroft,

The Department of Marine Resources respectfully requests a waiver of the 30-day waiting period required by Financial Order MAR00-0032.

The capital purchase of a replacement outboard boat motor for a Bureau of Marine Patrol vessel is necessary due to the ongoing malfunction and age of the existing outboard motor. This vessel is a law enforcement and emergency response boat stationed in Jonesport. The continued failure of this engine coupled with numerous failed attempts to have the engine repaired is currently hampering full use of the vessel and will eventually result in this vessel becoming inoperable. The inability to utilize this vessel would hamper Patrol's timely response to a waterborne or island emergency.

With a 30 day wait, the Bureau runs the risk of further delaying the full repair of this needed vessel as well as risking the availability of the needed engine from the vendor. Marine outboard engine procurement has been severely hampered in the past year due to current supply chain constraints. This engine would be purchased under a Master Agreement with Mercury Marine.

Sincerely,

A handwritten signature in black ink, appearing to read 'Patrick Keliher', with a long horizontal flourish extending to the right.

FINANCIAL ORDER

OW
9/12/22

ORDERED,

That the State Controller transfer \$5,616 from the All Other line category to the Capital Expenditures line category within account 010-13A-0029-40, Bureau of Marine Patrol, for the purpose of purchasing a boat motor; and,

Be it further ordered,
that the State Controller increase allotment in the Capital Expenditures line category and decrease allotment in the All Other line category by \$5,616 in account 010-13A-0029-40, Bureau of Marine Patrol, for the purpose of purchasing a boat motor and,

Be it further ordered,
that the State Controller authorize the expenditure in accordance with the attached "Revision of the Work Program for Fiscal Year ending June 30, 2023", for which this shall be our sufficient warrant.

Statement of Fact

This financial order transfers All Other to Capital Expenditures to purchase a replacement outboard motor for a Marine Patrol vessel. This vessel is a law enforcement and emergency response boat stationed in Jonesport. The ongoing failure of the existing outboard motor could result in the vessel becoming inoperable and would hamper Patrol's response to an emergency. Public Law 2019, chapter 343 authorized the funding and carrying authority for the maintenance of Marine Patrol enforcement vessels.
