Kirsten Figueroa, Commissioner
Department of Administrative and Financial Services
78 State House Station
Augusta, Maine 04333

Dear Commissioner Figueroa:

On behalf of the Government Oversight Committee (GOC), we are writing to request that you or your designee from the Department of Administrative and Financial Services (DAFS) be available to speak and respond to questions regarding the implementation of a replacement Human Resources Management System (HRMS) at the next GOC meeting on Wednesday, September 21, 2022.

In order to inform the GOC's decision on how to proceed with the 2021 request for an OPEGA review from Representative Justin Fecteau, the GOC is currently seeking an update from DAFS to better understand the current situation with Workday Maine, as well as the status of identifying a new implementation partner.

We look forward to hearing from you and thank you for your attention to this matter.

Sincerely,
