The Right to Know Advisory Committee is established in Title 1, chapter 13 to serve as a resource for ensuring compliance with the Freedom of Access Act and upholding the integrity of the purposes underlying the Freedom of Access Act. Among its duties is to undertake review of existing provisions of law that allow records that would otherwise be public to be kept confidential. The Advisory Committee is required by law to complete a review of existing public records exceptions in Titles 22 through 24-A; the exception cited above is within the scope of that review. We would appreciate your input during this process.

Thank you.
