INTRODUCTION

The statutory mission of the Maine Bureau of Financial Institutions (Bureau), as set forth in 9-B M.R.S. § 111, is to ensure the strength, stability and efficiency of the financial institutions it regulates, encourage the development and expansion of financial services, ensure reasonable and orderly competition, protect consumers against unfair practices, provide consumer education, and encourage the development of economically sound credit practices.

In 2022, the Bureau provided regulatory supervision to 40 state-chartered financial institutions, including 17 banks, 12 credit unions, and 11 limited purpose banks consisting of ten nondepository trust companies and one merchant bank. As of June 30, 2022, assets held by Maine state-chartered institutions supervised by the Bureau totaled approximately \$33.1 billion. Maine state-chartered banks (including limited purpose banks) recorded \$29.7 billion in assets, representing a year-over-year increase of \$1.2 billion, or 4.3%. Maine state-chartered credit unions recorded \$3.4 billion in assets, representing a year-over-year increase of \$268 million, or 8.5%.

The Bureau's two distinct divisions are responsible for the administration of the Maine Consumer Credit Code (Title 9-A) and the Maine Banking Code (Title 9-B). The Research, Administration, and Legal Affairs Division issues regulatory guidance, promulgates rules, responds to consumer complaints, reviews and processes applications to charter new financial institutions or merge existing institutions, and interacts with the Maine Legislature during legislative sessions. The Supervision and Examination Division conducts periodic on-site examinations of each state-chartered financial institution to evaluate financial strength, risk management processes, and compliance with state and federal laws and regulations. Bureau examiners conduct on-site safety and soundness, compliance, trust, information technology, Bank Secrecy Act/ Anti Money Laundering, and holding company examinations.

During the twelve-month period from November 1, 2021 to October 31, 2022, the Bureau received and processed 17 applications and notifications. Among these applications and notifications, 10 were related to branching activity, including the establishment of five new branches by Maine state-chartered financial institutions. Other

applications processed included the merger of a federally-chartered credit union into a Maine state-chartered credit union, a change-in-control application to acquire indirect control of a Maine nondepository trust company, and an application for an out-of-state bank to acquire additional equity in a Maine state-chartered nondepository trust company. Also, the Bureau received two notices from Maine state-chartered credit unions to expand their fields of membership, one notice from a Maine state-chartered bank to engage in a closely related activity, and one notice of merger of a Maine nondepository trust company into a New Hampshire-chartered nondepository trust company.

The Bureau dedicates resources to consumer outreach and complaint mediation. During the fiscal year ending 2021, the Bureau's Consumer Outreach Specialist responded to 377 consumer complaints and inquiries, of which 176 required Bureau intervention. Complaints involved deposit account activities, fee disputes, consumer loans and credit cards. In addition to responding to consumer complaints, the Bureau actively monitors the latest scam and data breach activity, informing consumers and financial institutions of the illicit activity when appropriate through targeted email distribution lists and press releases. The Consumer Outreach Specialist also participated in outreach events related to financial services, including a virtual seminar for aspiring financial institution employees hosted by a local adult education program.

The following report contains summary financial data for financial institutions doing business in Maine. It includes information on assets, deposits/shares, and loans, as well as office and branch location information. While this Annual Report should be helpful as a point-in-time resource for data on financial institutions, the Bureau's website (<http://www.maine.gov/pfr/financialinstitutions/>) continues to provide access to both current and archived information.

SECTION I APPLICATION ACTIVITY

Pursuant to Maine law, potential organizers must file an application to charter a new institution and existing financial institutions must submit an application or provide notice to the Bureau prior to branching, merging, acquiring other organizations, or engaging in certain other business activities.

Over the twelve-month period from November 1, 2021 to October 31, 2022, application activity for Maine's state-chartered financial institutions focused primarily on branching activity, accounting for 10 of the 17 applications and notifications processed. The 10 branch-related items included five new branches by Maine state-chartered financial institutions, with four of the branches located in Maine and one in New Hampshire. Maine state-chartered financial institutions also notified the Bureau of two branch closures in the towns of Brunswick and Buckfield and a branch consolidation in Augusta. Further, a nationally-chartered financial institution notified the Bureau of its intent to establish a branch in Maine and a New Hampshire-chartered credit union notified the Bureau of its intention to relocate a branch to Maine.

The Bureau processed the following applications: a) to merge Maine Harvest Federal Credit Union with and into Five County Credit Union, which was approved by the Bureau on September 9, 2022 and effective on December 11, 2022; b) for a Change in Control by Moses Ultimate Holdings, LLC to acquire indirect control of Clearstead Trust, LLC, which was approved by the Bureau on January 31, 2022; and c) for BayCoast Bank to acquire additional equity in Plimoth Trust Company, LLC, which was approved by the Bureau on October 18, 2022.

There were also two notices from state-chartered credit unions to expand their fields of membership, one notice from a state-chartered bank to engage in a closely related activity, and lastly a charter termination for Bar Harbor Trust Services as a result of a merger with and into a New Hampshire-chartered nondepository trust company controlled by Bar Harbor Bankshares.

SECTION II
CONSUMER OUTREACH PROGRAM

Since 1987, the Bureau has had a Consumer Outreach Program with a designated Outreach Specialist on staff. The Outreach Specialist is available to answer questions related to the business of financial institutions, mediate complaints against financial institutions, participate in training programs, and make referrals to other regulatory agencies.

The Consumer Outreach Specialist maintains the consumer resources found on the Bureau’s website. There, consumers find links to a variety of financial topics, answers to frequently asked questions, and lists of the financial institutions doing business in the State. Consumers may also file complaints through the website, which are either handled by the Consumer Outreach Specialist or referred to the appropriate federal supervisory authority. If a consumer issue pertains to a nationally-chartered bank or federally-chartered credit union, a referral is made to the Consumer Financial Protection Bureau (CFPB) or the National Credit Union Administration (NCUA).

During the fiscal year ending June 30, 2022, the Bureau responded to 377 consumer complaints and inquiries. Of these, 176 required Bureau intervention. The Bureau is most successful when intervening in disputes involving its state-chartered financial institutions, though consumers of nationally-chartered institutions are nonetheless encouraged to contact the Consumer Outreach Specialist who can provide valuable information and discuss possible outcomes.
