Dear Attorney Lee:

I am in receipt of your client's 11/10 documents titled "MVH Disclosures" and EXHIBITS. The documents have been shared with Board Chair Adria Horn and an investigation will occur. Ms. Horn was made aware of the documents prior to today's Stakeholder Group meeting. We would ask that you share this information with Ms. Spencer as requested in her November 10 email. You can continue to direct emails concerning the matter to Attorney Alvarez. If you do not, however, represent Ms. Spencer as it relates to this matter, please let me know and we will redirect this communication to Ms. Spencer individually. Thank you.

Sincerely,

Richard G. Moon
